Don't Waste Water: Curtail Lawn Sprinkling Until New Pumps Start, Board Asks

HICKSVILLE—The Board of Water Commissioners today urged all homeowners of the district to curtail the watering of lawns until the operation of additional pumping facilities gets underway, possibly before the end of the month. On three occasions during the past week the supply of water in the district dropped dangerously low during relatively short periods.

The Board said this week that the district supply is ample for everyone's needs. However, priorities on copper and steel have delayed completion of several new pumping stations and extra water needed for peak Summer demands until approximately the end of the month. In the meantime, the high temperatures of the past few days encouraged widespread home irrigation.

Low pressure in the system was noted Wednesday and Friday early evenings and Saturday afternoon. A main was broken on Saturday and thousands of gallons poured into a newly dug foundation off Old Country Rd. contributed to the drop in pressure. Additional supply was obtained from Jericho District.

A bulldozer digging the foundation snapped the water main about 3:30 Saturday afternoon. Harry Borley, chairman of the water board, located the leak and turned off the valves in the area to halt the flood.

The Water Board, in a statement to all consumers of the district who now number almost 8,000, pointed out that the tremendous demand for more water resulting from large scale home building in the past 18 months was foreseen and construction began on new wells and a half-million gallon storage tank on Newbridge Rd. a year ago.

The new facilities increase the available supply three times over and was supposed to be ready by March 1 of this year, well in advance of the peak Summer demand. However, the Korean war imposed restrictions and has delayed the work.

Not wishing to alarm the public, the water board stresses that there is sufficient water for normal needs. However, all district residents are "strongly urged to use only as much water as is necessary and to curtail as much as possible the watering of lawns until this situation is relieved."

The water board also recommended that residents halt lawn watering whenever they get notice of a fire in the district through the sounding of the fire sirens.

THIS PICTURE, taken at the cornerstone laying ceremonies for the additions to East St. School, Hicksville, last week has been enclosed in the cornerstone itself as a historic record. Frank Mallett, **Herald** photographer, snapped this and the views below during the ceremony. He rushed the developing and printing and had the pictures ready for inclusion in the metal box within the cornerstone before it was sealed into position. Faculty and students of East St. comprised the audience on Wednesday morning, May 2, when the rites took place. Standing on a makeshift platform, left to right, are Robert Corcoran, school board member; Michael Sullivan, school attorney; Henry C. Brengel, president of Board; Fred J. Beagan of Knappe and Johnson, architects; Miss Nina Plantz, school principal; Adolph Knappe, architect; Edna Kuhne Sutton, and Harry Ernenwein, school board members; and Dr. E. H. LeBarron, school superintendent.

HARRY ERNENWEIN, member of school board, and E. H. LeBarron, school superintendent, check over the articles enclosed in the East St. School cornerstone. Articles included community history, school records, copy of **Herald**.

Democrats Support Incorporation Plan

HICKSVILLE—The Democratic Club was reorganized here this week and immediately took action upon two community propositions. The Democrats went on record as endorsing the proposed incorporation of Hicksville as a village and expressed their strong opposition to a proposed plan to split Hicksville by designating Old Country Rd. as the Levittown boundary line.

Louis J. Reinacher, president of the Franklin D. Roosevelt Democratic Club, conducted the meeting held in the Old Country Inn, Thursday night. The name of the club was changed to the Hicksville Democratic Club. Thirty-two new members were welcomed.

Nomination and election of officers will take place at the next meeting on Thursday night, May 31, at the Old Country Inn. William A. Cisler is chairman of the nominating committee which will present a slate. Other nominations may be made from the floor.

The Club, by petitions to Congressman Ernest Greenwood, will oppose any plan to "split" Hicksville by moving the postal district boundary line of "Levittown" from the Township line north to Old Country Rd., Cisler stated.

Billy at A-Lab, Birthday Tomorrow

HICKSVILLE — Little Billy Steinmann, son of Mr. and Mrs. William Steinmann, of 10 Lowell Pl., will celebrate his 4th birthday tomorrow (Thursday) as a patient at the atomic research medical dept., Brookhaven Institute, out in Suffolk. Billy, for whom the community during the week contributed hundreds of dollars when it was learned that he needed expensive treatments to survive a kidney infection, was taken to Brookhaven by his parents, Monday.

The Steinmanns were presented with $158.25 Monday night, representing the contributions up to that time, of Herald readers to a "Help Billy Fund." The couple, who also have a cute blonde two-year-old daughter, Mary, said they wished to sincerely thank their friends and neighbors for offers of assistance and generous contributions to help their son.

Among the first to give was the Hicksville Republican Club which presented a check to the

2nd Crash in 5 Minutes Kills Driver

JERICHO—Francis Malone, 23, of Walnut St., Southampton, died of injuries sustained in a 3-car collision, the second accident in 5 minutes, on Jericho Tpke. and Jericho-Oyster Bay Rd. Sunday night. Four others were taken to Meadowbrook Hospital.

Malone, driving a 1950 Chevrolet pickup truck, was driving west on Jericho Tpke. when he collided with a station wagon driven by Anthony Scampati, of 144-35 Roosevelt Ave., Flushing about ¼-mile east of Jericho-Oyster Bay Rd. at 8:55 P.M. Both vehicles moved from the scene under their own power.

Five minutes later he collided with George Phelps, 29, of Oak Trailer Park, who was driving a 1939 Chevrolet and Alan Wright, 24, of 38 Greenway Circle, South Syosset, who was driving a 1949 Dodge.

Phelps was taken to Meadowbrook Hospital with fractured ribs, nose, cerebral concussion and possible skull fracture. His wife, 24, was taken to Meadowbrook Hospital with a fractured left ankle, right wrist, nose, possible fracture of the pelvis and lacerations of the face.

Mona Phelps, 3½ years, suffered a compound depressed fractured skull with brain lacerations. Chris Phelps, 6 weeks old, has possible fractures of both legs.

Safe Door Missing Along With Boodle

SYOSSET — While the safe stolen from Stop N Shop, Hicksville supermarket, on Apr. 27 has been recovered — minus contents of $9,775, of course—as well as the truck used to haul away the strongbox, police were still seeking the door of the safe and the burglars. The safe turned up last Thursday in the vicinity of Wantagh. The truck, stolen from Broadway Bakery, was found in Hempstead where it stood unnoticed and unreported on a side street for several days.

Harold Braun of the Bakery said the ignition key was still in the switch when the truck was found, and it cost him $10 to get it out of a Hempstead garage. A spare tire was also missing from the truck.

Meanwhile, Mgr. Al Dearth of Stop N. Shop urged all persons who cashed checks at the store on Friday afternoon, April 27, to report to him, giving their names and the amounts of the checks.

couple for $25. Clifford Place, who has a service station on W. John St., corner of Pine, has been collecting coins and money in his station from the neighborhood. He is also giving one cent on each gallon of gas he sells for the balance of the month.

Containers for the Billy Fund were placed by the **Herald** in 10 local business places.

Money contributed, Steinmann told the **Herald**, will be put in a savings account for Billy for the next year or two. While there is no charge for the treatments at Brookhaven, his father knows that when his son returns home Billy will need expensive special diets and medication for a long time.

The funds will be applied to this cost.

Don't Waste Water

The Hicksville Water District has water available to supply everybody's necessities. The house building program of the last year and a half has added tremendously to the demands for water. This was foreseen, and additional wells and a tank were under construction a year ago to give Hicksville three times the supply now available. This extra supply was to be ready for operation on March 1st of this year, before the heavy summer demand occurred. However, the Korean war resulted in government restrictions. Priorities were imposed on copper and steel. Due to this fact alone, competition of work has been delayed and extra water will not be available until approximately the end of May.

In view of these facts, all residents of the Hicksville Water District are strongly urged to use only as much water as it is necessary and to curtail as much as possible the watering of lawns until this situation is relieved. All residents are further urged to stop watering lawns whenever there is notice of a fire in the district.

IN OUR OPINION:

Mr. Windels Puts It Across

By FRED J. NOETH

MUNICIPAL EFFICIENCY does not always come with size and one of the objectives of small communities in Nassau and Suffolk Counties should be the preservation of their separate identities. That was the advice given at the 4th Long Island Planning and Zoning Forum at Garden City Hotel this week, by Paul Windels, attorney and President of the Regional Plan Association.

NOETH

His appearance on the program was described as a "masterly address." We did not hear him, but based upon the above comments reported by the Long Island Association, we hasten to agree. We must repeat that line "preservation of their separate identities."

The speaker condemned land exploitation evident in some areas to the profit of the exploiter and to everyone else's disadvantage. He also spoke of "uncontrolled spread of population" and "the re-establishment of local community life."

We can't resist the obvious parallel between his remarks and the efforts of Hicksville people to preserve their community identity. In contrast, we have a pressure minority using every trick in the book to convince the public officials that because a certain private individual built a particular house, the name of the community must be dumped to honor the builder.

The correct address for mail delivery in Hicksville has been established by the postal authorities based upon the judgment of people thoroughly familiar with the conditions and problems. Persons living north of the Hempstead-Oyster Bay Township line must be addressed as "Hicksville." Those south of the line may be addressed, "Levittown." At this moment efforts are being made to establ[illegible] post office for Levittown (rather than a b[illegible] of Hicksville), which is okay with us. How[illegible] the ingenious pressure minority is trying to c[illegible]ce postal authorities in Washington that a ne[illegible] postal district must be established for such a p[illegible]posed office—the new district to embrace all [illegible]ses built by Levitt & Sons. The proposed new [illegible]istrict would chop off about 25 per cent of [illegible] community of Hicksville—but it would still [illegible]ave Hicksville people with many, many proble[illegible] In fact, there would be some new ones. F[illegible] example,

Hicks[illegible] Water District has prepared thousan[illegible]stencils for mailing of statements m[illegible] properties as "Hicksville." [illegible] district swiping that area fro[illegible] would require expenditure o[illegible] and money to change thousand of [illegible] and records.

The [illegible] would continue under the Hicksvi[illegible] District. A change in postal c[illegible] designation on those houses would a[illegible] the confusion—cost loss of time w[illegible]ments are precious—in time of eme[illegible]

We a[illegible] to understand that the record[illegible] Tax Receiver's office, also in [illegible]ds of mailing plates, would [illegible]ed at considerable expense to the taxpayers.

And yet, schools would still be required and all the taxpayers of Hicksville would continue to share the bills.

We keep harping on this proposed revision of the postal district because (1) Congressman Greenwood and the Post Office Dept. refuses to say IT IS NOT GOING TO HAPPEN; therefore we see real threat of it being likely to happen; (2) during the months since the folks have moved into the Levitt houses in Hicksville, there has been a growing realization on all sides that we have much in common—certainly we have enough common problems to solve; (3) the people who are plugging so hard for the creation [illegible] "super Levittown" have motives which certainly must be carefully examined. Are these promoters of where-Levitt-is-Levittown sincerely interested in the welfare of the homeowners they seek to ensnare? Or are they actually performing a disservice in promoting a policy which can only lead to more and more misunderstanding and confusion.

Simplicity in local government is a goal to seek. Tell a man he lives in Levittown and he thinks Levittown. But then he's thinking about Levittown schools while his concern should be Hicksville schools. He's worrying about Levittown fire protection while he is getting it from Hicksville, provided he remembers the correct fire district when he needs assistance.

We have no animosity for Levittown. It's a [illegible]ce place and we wish the people who live there [illegible]cess and prosperity. But we do denounce the conniving by a few individuals to snag off a part of Hicksville, just as we would protest an attempt by Hicksville (for example) to claim part of Bethpage.

We are not alone in our desire to protect our identity. Westbury, East Meadow and Wantagh are all registering strong protests with the authorities in Washington. They have the same prospect as we.

Mr. Windels told the forum in Garden City the story: municipal efficiency does not always come with size. Let us preserve our separate community identities.

RESIGNATION WITHDRAWN:

Sponsors to Stay in County PBC

HICKSVILLE—The Board of Sponsors of the Hicksville Police Boys Club has withdrawn its resignation from the County PBC organization, it was learned this week. Lt. William B. McCullough, director of the county PBC, and Harold Manaskie Sr., of 13 North Drive, president of the Hicksville Sponsors, issued parallel statements to close the incident.

Lt. McCullough said that "as director of the Nassau County Police Boys Clubs I am most happy to learn of the decision of the Hicksville sponsors to continue membership in the county organization. Hicksville has always been one of the PBC's staunchest supporters and has compiled one of the finest records in the entire county. I know it will continue that record."

Manaskie commented: "The Board of Sponsors of the Hicksville Police Boys Club have decided to withdraw their resignation from the county organization after further study and consideration of all the factors involved and upon the urging of the county PBC Board of Trustees. We feel that the best interests of all boys of our community will be best served by continued association with the county group.

"We find concrete evidence in the planning for future leagues that the issues of the past are being corrected," he concluded.

Manaskie issued a call for additional members for the Board of Sponsors, adults interested in assisting boys from 10 to 18 years of age, in organizing baseball teams and other recreation.

The local PBC is cooperating fully with the Summer Playground program of the Hicksville School District.

Boys interested in joining the PBC may obtain membership applications at the **Herald** office, 161 Bway, or report this Saturday at the high school field at 10 a. m.

The PBC will hold a track meet at Westbury HS athletic field on Wednesday, June 27, starting at 9:30 a. m., at which members of any high school, prep school, varsity or college freshman track teams are ineligible to participate. The meet will be for boys 125 lbs. or under who have not reached their 18th birthday prior to the date of the meeting.

FIRST OF 160,000 letters went in the Mail this week asking county residents to help the Police Boys' Club current drive to raise $50,000. Here Lt. William B. McCullough, at left, County PBC Director, and County Police Commissioner John M. Beckmann lend 10-year-old Clifford Gaw of Mineola a helping hand with the mailing job. Proceeds of campaing support the PBC sports and recreation program. Local PBC clubs in Hicksville, Bethpage and Syosset benefit from the appeal.

OFF SOUTH BROADWAY:
Kids Ride Again And Everyone's Happy

By BUNNY LAUER—HI 3-2794J

Isn't it nice that most everyone had enough faith in the School Board to pass on the school budget without any discussion? Kids you ride again. I was very happy to see both incumbents re-elected by such a nice majority. The only sad part in the whole situation is that not everyone who registered voted. When will people learn to appreciate the fact that they have a voice and responsibility in local affairs?

You know BOB BELDEN of Cottage Blvd. had a wonderful idea about the speeding cabs. He suggested that whenever we call for a cab to tell the dispatcher to caution his drivers to drive slow. I'm sure if we all tell the dispatcher it will help a great deal. Thanks, Bob.

The LAMBERTS of 1 Fairview Court had company again, Mr. and Mrs. Robert Dimin of Brooklyn.

More Brooklyn people had the privilege of enjoying the fine Hicksville air. They were Mr. and Mrs. Andrew Nolan and daughters, Judy and Arlene who were the guests of MR. and MRS. WHARTON of 175 Lee Ave.

A beautiful cocker spaniel came to live with the TERIBESSE'S of 2 Jordan Lane. He was donated by Mrs. Teribesse's brother, Warren and father, Mr. Duffy. The kids certainly are enjoying this gift.

MR. and MRS. KACHINSKI and family of 3 Fairview Court spent Sunday with Mrs. Baumen, of Middle Village.

MR. and MRS. JOSEPH CARPENTER of 180 Cottage Blvd. had a house full over the weekend. They were Mr. and Mrs. Robert Patterson, Mr. and Mrs. John Allen and children, John and Barbara, all of Bay Ridge, Brooklyn.

The HANSSENS of 210 Lee Ave. are really breaking into the news this week. Baby Nancy Jean celebrated her second birthday with a lawn party and grandma Kimerly came out from Staten Island for the event. Other guests were Lyndia Cockran, Karen Logstead, Rickey Sacco, Jo Ann Varca, Barbara Joan Vittelot and Judy Hanssen.

Sister Judy Hanssen did some modeling for the Conover Model Agency during the week. Mama and Papa and Judy went to the circus in Madison Square Garden and had a wonderful time.

Sorry, girls, but those three handsome men going into GINNY VARCA'S house at 2 Mercury Pl., Sunday, are married. They are Joe and Dick Vitello and Tommy Cutola, all of Queens Village.

Another bundle from heaven was sent to the S. LOGSTEADS of 208 Lee Ave. Gary Peter was born at Nassau Hospital.

The WOODLEY residence at 170 Cottage Blvd. was turned into a bakery last Thursday to produce a cake fit for the cake sale given by the Ladies' Auxiliary of the Congregation Shaarai Zedek, Friday. Such hustle and bustle! The experts present were Mr. and Mrs. Bill Olitsky, Mr. and Mrs. Oscar Lauer, Mr. and Mrs. Albert Yenters, Mrs. Betty Rathner, Mrs. Mimi Rudnick. The raw cake looked beautiful in the pan but the finished product! Oh well, they blamed it on the stove being too hot. However, a second cake was made and it did come out nice.

Master GEORGE WRIGHT of 35 Lenore Ave. celebrated his sixth birthday on Apr. 29 with a very nice party. The decorations were in blue and his birthday cake was adorned with a boat. Games were played and prizes won by Patricia Gerry of Brooklyn, Anne and Maureen Filder and Edward Jacobs. Other guests were George's sister, Betty Anne, his cousin Eileen Stehlin of Ridgewood, Bobby and Allan Jacobs, Jimmy and Tom Johnston, Carol Ann and Jimmy Jacobs, Eugene Filder. All the kids had a wonderful time.

The LOUIS FAGIOLAS of 185 Cottage Blvd. are sure full of pep. They went with Mr. and Mrs. Beado and Mr. and Mrs. M. Cohen of Brooklyn to a party in New Jersey. Then to a broadcast in N. Y. C. and then to dine and dance. Guess you have to be young, huh? Oh, well, I do enjoy sitting in my rocker, listening to soap operas and knitting.

Oh, will those kids ever go to sleep. I'll well, never mind what I'll do, boss man Editor would never print it. So off to take care of my angels now till next week.

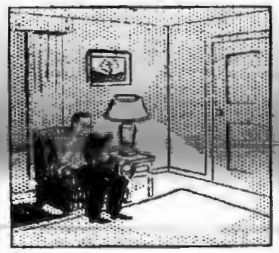
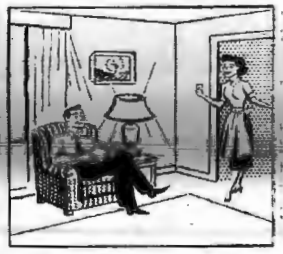
ELECTRICAL TIPS FOR THE HOME

If You Read, Sew, Play Games in the Living Room . . .





DON'T assume that the lighting is adequate because each chair or table is furnished with a good lamp. Sharp contrasts between bright lights and surrounding dark shadows cause eye-strain and general fatigue.

DO add some general lighting in the room to chase away all harsh shadows. This can be done with a recessed ceiling unit, valance or cornice lighting. What ever you install, be sure to provide handy switches near each entrance

Temple Installs Rabbi at Special Rites

LEVITTOWN — Rabbi Solomon Zahl who has been selected by the Congregation of the Levittown Reform Temple to be its first Spiritual Leader, will be installed at a Get Acquainted Sabbath Service to be held 8 p. m. this Friday, May 11, at the Gardiner Ave. School.

One of the newest religious organizations, the Temple was organized on Oct. 26 and received its charter as the 426th affiliate of the Union of American Hebrew Congregations on Feb. 2.

The services this Friday night, besides being the occasion for the installation of Rabbi Zahl, will be marked by the welcoming of all new residents of this and surrounding areas. A special program has been prepared for the event, and the members of the congregation will be present to greet the record number of people expected to attend in response to the more than 500 invitations that have been sent out.

Although Rabbi Zahl has officiated a number of times before, as one of the guest rabbis who have conducted services previously, this night he will lead the congregation in prayer for the first time in his new capacity.

In addition to his religious duties at Services, he will head the Religious School conducted by the Temple every Sunday morning. Rabbi Zahl has been an ordained rabbi since 1944. A graduate from Brooklyn College and Columbia University, he also serves at present, as a Chaplain at the New York State Reformatory as well as a teacher of Hebrew at James Madison H. S., Brooklyn.

The answers to everyday insurance problems
By JOSEPH E. DOCKOW

The only form of insurance to be discussed in this week's column can be purchased for a premium as small as ONE THIN DIME! It helps to insure little children against the tragedy of spending their lives on crutches or in wheel chairs. It guarantees proper medical care and the benefits of nation-wide medical research to those stricken by the dreaded infantile paralysis. This policy is called the MARCH OF DIMES and there is no man, woman or child who can afford to be without it. No one needs expert advice or insurance counsel to see the tremendous benefits returned for the dimes or dollars invested so let's all act—NOW!

Men Folks Busy on Driveway Projects

By DORIS WERNER—HIS-2437W

I see quite a few of the men folks in both developments are busy putting in driveways, putting up fences and getting their lawns and gardens in shape. Oh, me wonder what it costs to keep a gardener!

Saw JACK LODATO of Mead Ave. return home Sunday afternoon from a fishing trip with only a sunburn and an empty bag to show for his time and effort. His wife, Lois, had the hot frying pan ready on the stove but all she could put in it was eggs.

You can come back to Whitehall St. now, LT. JIM CONDON. Your driveway is all dug out. Or perhaps you should stay in Washington until the cement is poured?

PFC. FRANK SCHEKENBURGER of 241 Duffy Ave. who enlisted in the Army last Jan. is now stationed in Las Vegas, Nev.

CHIEF OPERATOR TELLS

HOW TO SPEED YOUR LONG DISTANCE CALLS

TEN-YEAR RECORD. Today, there are four times as many miles of long distance circuits as in 1941. Then there were about 4,800,000 miles of these circuits. Today there are nearly 20,800,000 miles and more will be needed.

When America's capacity to produce depends so much on good communications, it's fortunate that the telephone system's big construction program has pushed ahead so rapidly. The Bell System is equipped and ready to handle Uncle Sam's biggest rush job.

"YOU'LL SAVE YOURSELF TIME these busy days," says Chief Operator Mary E. Barry, "*when you make your long distance calls by number.*

"If you give the operator the number, she doesn't have to consult Information, and your call can go through faster. This means better service for you—and better service for everybody. I think this is extra-important right now when telephone lines are carrying so many urgent industrial and military calls."

To help you make calls by number, the New York Telephone Company offers a handy booklet for noting frequently called numbers. You can get a copy free simply by calling the Business Office.

HAVE YOU HEARD?

WEATHER CHARTS FOR MILITARY FLYERS ARE SENT OVER LONG DISTANCE WIRES FROM WASHINGTON TO BASES ALL OVER THE NATION. THE CHARTS ARE AUTOMATICALLY REPRODUCED BY A NEW FACSIMILE PROCESS.

IN THE OLD DAYS IT WOULD HAVE TAKEN A POLE OVER 700 FEET HIGH TO CARRY ALL THE CONVERSATIONS THAT CAN GO THROUGH A MODERN 2½-INCH COAXIAL CABLE.

Warning On GI Bill Deadline July 25

JIMMY CUMMINGS—HI 3-3317J

Veterans who plan to take advantage of educational benefits under GI Bill of Rights have less than three months left to register. This is your last opportunity to avail yourself of the many courses offered to you right here in Hicksville at the High School through LIU. For further information CHECK NOW with local VA office in Mineola — OPPORTUNITY KNOCKS BUT ONCE.

HELP BILLY STEINMANN

Articles have appeared recently in connection with this young fellow who needs help. The Steinmann family reside in our North West section — therefore we appeal to all to make a cash donation NOW. Cliff Place, gas station proprietor, at West John St. and Kuhl Ave. has been putting aside a penny for each gallon of gas sold to start the ball rolling. Drop in at the HERALD office with your donation NOW.

LOCAL NOTE:

Builder Jerry Spiegel will cease all operations as soon as he sells the 90 homes he has under construction free from government's Regulation X. Spiegel said that the restrictions on mortgage credit have made it impossible for him to continue any building operations.

BASEBALL CLUB PROGRESS:

Youngsters in various age groups will participate in league games sponsored by the local PBC. In the past weeks much activity has taken place — these young fellows in our development and about town have been playing practice games each evening on a temporary field down in this section. Boys in the 10-13 year old group will start playing afternoon games when school closes. Intermediate clubs consist of youngsters between ages 13 to 16 years old and their schedule should start at the end of this month — these will be twilight games under capable managership of Joe Anglim of 172 Ohio St. At a recent meeting with the PBC these plans and tentative schedules were drawn up. The youngsters will receive uniforms through PBC and will participate in league games under PBC sponsorship.

GADABOUTS:

The next monthly meeting of the North West Civics will be held at the Legion Hall on Nicholai St. directly opposite St. Ignatius school hall — this will be a social for members and their families only—you will be notified by card as plans progress . . . Ray Schmidt on Montana St. has erected a very fine fence on his property — nice job, Ray . . . Jim McLoughlin completing his patio — should be nice these summer afternoons. James . . . Bill and Dorothy Robinson of "Robins Nest" have been spending a great deal of time on the back yard. The seed is in, just sit back and wait, Bill . . . Bill Cutler of Myers Ave. has started a flagstone walk at rear of his property . . . Bill, Paul Peterson, Hank Hahlbohm and Bruno Restato have been completing the ranch type fences about their property — cooperation is everything — certainly looks like a lot of hard work—but worth it . . . Sunday traffic down our way increasing each week, it seems that those safety signs we have installed to protect the children mean nothing. Some drivers still insist upon speeding on main thoroughfares in our development. Remember when you are behind the wheel of a car YOU must have it under your control at all times. Cut this speeding. Drive slow. The life you save may be your own . . . For your convenience circus tickets may be secured through James McLoughlin of 72 Myers Ave. Don't miss this show due here for three days June 7-8-9. Purchase your tickets now — help support our Legion Post here in town . . . Paper Salvage drive another success thanks to you guys and gals

Noce Says Thanks To His Captains

BETHPAGE—Giving a final report on the cancer fund drive in this community, Chairman Dominic Noce said today that the credit is due to the captains and workers. He also singled out for special credit the girls of the Hicksville 3 telephone exchange who sponsored a recent benefit which produced substantial revenue.

Still feeling that some residents may have been overlooked in the appeal, Noce urges those not solicited to call him at Hicksville 3-0782 or mail donations to his home at 24 Sherman Ave. Contributions of the village were $1,087.71 or 310 per cent of the assigned quota for Bethpage.

A meeting of the Hicksville-Glen Cove League for Mercy Hospital will be held this afternoon (Wednesday) at the home of Mrs. Maureen Dunne in Sea Cliff. Plans will be completed for an afternoon card party to be held on May 26 at the Albi, Hicksville.

Expose Reds, Hartnett Tells Audience

HICKSVILLE. — Vincent H. Hartnett, co-author of "Red Channels" told an audience of 300 at the high school last week on Monday night that the best way to combat Communist activity was to expose those connected with it.

Hartnett outlined the background of the Communist party movement in the United States since the 1917 revolution in Russia. He said the basic party concept is to propogandize the masses to ready them for S-Day which is the day when the Communist party will take control.

He said one method of assisting the propoganda scheme through radio was to have people on programs who have party affiliations. "More recently the job of these performers and writers has been less to spread the party line than to be in key spots so that confusion could be spread among the population with alarming directives in time of emergency," he explained.

"The control of these programs is obtained by a process called **colonization,**" the lieutenant commander stated. "One person gets a job and then things in another until finally a well-rounded group has control."

During a discussion period after his talk, Hartnett said he had started his career in lecturing after several of his own radio programs had been colonized and he thus became interested in work to counteract the activity.

He charged that there are Communist study groups in Hicksville.

Bethpage Wardens Hold 1st Class

BETHPAGE — The Civil Defense here has a goal of 150 wardens and has set meetings for the second and fourth Monday nights at the firehouse. Thirty-five volunteers reported for the first meeting last week, Henry Schaaf, CD director here, presided and introduced sector wardens who will provide instructions. They include Bill Rodin, Joe Ellinger, Henry Rockhill, Bill Watt, Jerry Sisia. Fred Baerst is corresponding secretary.

Schaaf hopes that more women will come to the warden meetings and join "in this vital program to promote community cooperation." Victor Miller showed a film "You Can Beat the A Bomb" at the first session.

A card party and tea will be held Wednesday afternoon, May 16, by the Hicksville Amvets Auxiliary at the Amvets Hall, 15 Barclay St. at 1:30 p. m. Mrs. Emma Maxey is the chairman.

PLAINVIEW COUNTRY HOMES:

Wonderful Time At Firemen's Dance

By RAE CANTILLI.
HI 3-0233-M

After a long absence it is good to be back writing this column again.

We all had a wonderful time at the annual Spring Dance of the Plainview Fire Department. It was good to see so many familiar familiar faces. VAL HIMBERGER and his band were excellent. We certainly enjoyed the fine entertainment and of course, the refreshments. Kay and Bill Hartnett, Flo and Sonny Myrick, Ruth and Bob Gessner, Ginny and Tom Payne, Ruth and Val Himberger, Vinnie and Dottie Wakeman and Mary Ward, the Sandfords and the Cantil is were there, to name a few. Afterwards we all went out in different directions to finish out a perfect evening.

The Home Owners Assoc. held a regular meeting on Apr. 25 at 20 Island St. It was agreed upon to change the name of the organization before the adoption of the bylaws at the next meeting to the Plainview Country Home Owners Assoc. JOHN HARBES, water commissioner was present and AUGUST KEUTE, also a water commissioner, was present. Mr. Harbes so kindly explained the water situation here in Plainview and answered as many questions as were put to him. The next meeting of the organization will be May 23.

A meeting of the Plainview Civic Assoc. will be held next Tuesday, May 15, at the Manetto Hill School.

Empire Off Fast With No-Hitter

HEMPSTEAD — Empire Diner got off to a fast start in defense of its 1950 championship here, last week, when Jim Barone pitched no-hit ball in a 9—0 win over Union A.C. and Fred Eisemann socked two home runs to beat Boulevard Cafe 5—4.

In throwing the season's first perfect game, Barone walked only one and struck out 12. He also belted a fourbagger to help his cause and Herman Rigby added another roundtripper to the 6-hit Empire attack.

Against the Cafe, Eisemann hit for the circuit to break a 4—4 tie in the last of the seventh inning. Barone received credit for the win. He took over in the third with Empire behind 4—1.

Empire lost 13—8 Saturday at Jones Beach in an elimination game but was without the services of Barone and its star centerfielder Jack McCrossen.

McCrossen's absence really hurt since a half dozen defensive errors were committed in the Empire outergardens. Barone is the property of Botto's at the beach.

Herman and Sid Rigby both struck home runs in the losing cause.

By HOWARD FINNEGAN

A community softball league in Hicksville has not mustered the slightest support from any corner which would lend itself to the actual operation of such a venture, and this appears to have come to a lamented but uncontested end.

Along about this time last year much the same condition prevailed, but before any league was entirely written off, Gus Economouly and Ralph Ferrara jumped into the breach and organized a loop.

It was an efficient, well-conducted campaign which ended on a high note of interest when Empire Diner terminated the season-long dominance of the Cement Mixers for the championship.

But like so many before them, the 1950 commissioners have had their taste of service to the sporting element of our village and have retired from the scene.

Not a soul has come forward to take their place.

Many are the reasons why the task of running a softball league is not at all attractive.

Responsibility for being at the high school grounds 50 to 70 summer evenings to set proper things in motion is an unwanted job.

Umpiring is the major problem. From our inquiries we feel that the position would be unfilled even at a fee of four dollars a game.

The cost of balls is soaring in the present scheme of economics and trophies have zoomed up the dollar ladder in the past six months.

Another headache is the schedule making. It is extremely difficult to adjust the rounds of play for those teams and players in the Jones Beach, Rockville Centre, Hempstead, ASA and B and C leagues.

However, the Mid-Island HERALD is presently planning a brisk tournament for late July in which all local softball teams can display their talent and we can select the official 1951 Hicksville softball champion.

Call for Trackmen to Defend Crown

HICKSVILLE — A call for the PBC track team to defend the 1950 Second Precinct Championship has been made by sponsor Bob Mangin of Lee Ave. The first practice will be held this Saturday, May 12, at 10 a. m. at the high school field. In case of rain the practice will be held on Monday, May 14, or the first clear night thereafter.

All boys 10 to 18 years of age are eligible. A Championship meet will be held on June 9 and individual winners in the Precinct Meet will represent the 2nd Precinct in the County Championship on June 17 in Westbury.

The Precinct Trophy will be on display in the window of McCaffrey Agency.

Comets Split On Diamond

WESTBURY — John Kelly walked to open the tenth inning here Friday, and Jack Pickering immediately helped him home to break a 5-5 deadlock and eventually bring Hicksville High a 7-5 victory.

The win kept Hicksville in the fight for the 1950 Eastern Division championship and the Comets would be right up in front had they not kicked away a 2-1 decision to Farmingdale two days before the Westbury contest.

Pickering allowed the Dalers just two hits and Hicksville got but four off Lou Portocarrero but wild throws really ruined the Comet hurler.

With Farmingdale leading 1-0 in the third inning, the Hicksville infield made no less than three throwing errors on the same play to enable the Dales second run to score.

Hicksville scored in the last of the third. John Sweeney opened with a single and Bob Hock followed with an infield hit. On a delayed double steal catcher Bob Zawatsky overthrew second trying to get Hock, and Sweeney came home.

[illegible] trying run to second base but an amorous and lengthy attempt to steal third ended in failure.

Manaskie Holds

At Westbury, Harold Manaskie, and his teammates did their best to push the verdict to the Green Wave with a number of errors but the Hicksville pitcher gave up just four hits and that helped until Pickering broke it up in the tenth.

Over the ten frames Manaskie walked only three and struck out six but errors led to most of the Westbury runs and three in a row in the last of the seventh let the home team tie the game at 5-5.

4 Children Victims Of Dogs In Week

HICKSVILLE — Four children were victims of dog bites last week, according to Second Precinct Police. Mary Maida, 8, of 16 Howard St. was bitten on the left ear by a black collie owned by Richard Evers of 28 Howard St. on May 2 when she was playing in the rear yard of 20 Howard St.

Warren Garsick, 5, of 58 Twinlawn Ave., was bitten on the left leg by a white mongrel owned by Raymond Hawkins of 56 Twinlawns Ave. on May 4 while he was playing in his own yard.

Neal Goodwin, 2½, of 10 Willoughby Ave. was bitten on the right middle finger by an unknown black cocker spaniel at Broadway and Lenox Ave. on May 4.

Lee Sadler, 12, of 161 4th St., was bitten on the right leg while walking home from school by a fox terrier owned by Linda Minchino of 153 3rd St. on May 4.

3 Alarms Sound For Local Vamps

HICKSVILLE—Two grass fires and a burning chicken coop called out the fire department this week. Burning grasslands at Meyers Ave. and Princess, at the end of the Spiegel development, called out the vamps at 10:10 yesterday (Tuesday) morning.

Just before nine o'clock Friday morning the firemen put out burning fields near the Metalab plant on Duffy Ave. and quick action by the vamps checked flames on a chicken coop owned by A. Igguldan at 264 Old Country Rd. about 10 o'clock Wednesday night.

THANK BUSINESSMEN

The Ladies Auxiliary of the Plainview Fire Department wish to thank the merchants of Hicksville who donated gifts so generously for their recent card party.

Another PBC Baseball Call

HICKSVILLE—One hundred members of the Police Boys Club reporting this Saturday morning, May 12, at the high school grounds at 10 o'clock, will receive their PBC membership cards and pins, Harold Manaskie Sr., president of the Sponsors, said yesterday. The handsome pins are the first issued in this community. The gathering of boys, 10 to 18, will also be held to organize teams for baseball league play during the summer.

Last Saturday 60 youngsters reported and three teams of the 13 to 16 group were tentatively organized as well as one senior team for 16 to 18 year olds. League play for youngsters under 13 will commence when school recesses. Boys interested in playing in the leagues are urged to be present this Saturday. Manaskie would like also to see some adults report to assist as PBC sponsors.

The PBC has entered a team in the senior Long Beach summer basketball league, Manaskie reported.

O'Mack, Bianco Winners At Port

PORT WASHINGTON — Harry O'Mack ran the 880-yard dash in 2:03.1, Saturday, and Mario Bianco rallied in the back stretch to take the Mile in 4:47.7 for Hicksville victories in this historic Invitation Meet annually held here.

Great Neck won the open championship with 28 points and the Comet colors flew in six position with 12½. Hicksville was sixth in the Junior meet which was won by Westbury.

Both O'Mack and Bianco had to win over pressing fields. So many were the entries in the 880 that it had to be run in two sections with the best time getting the prize.

O'Mack ran in the swift first section and his very good time gave him the win.

Bianco trailed Frank McLoughlin of Westbury as the last lap of the Mile started but he spurted to take him just after the first turn and came home first.

Bill Patten finished fourth in the Mile and Charlie Elder tied for third in the high jump to round out the Hicksville scoring in the Senior Division.

Hicksville got five points in the Junior section on Roger Click's second in the broad jump.

Royals Take First Game at Long Beach

LONG BEACH — The Bethpage Royals, 2nd Precinct PBC 1950 Intermediate Champions took the first game of a home and home series as they outslugged the Long Beach AA Intermediate baseball team 16 to 15. Joe Melone started on the mound for Bethpage and was relieved by Bob Torsichio and Bob Fox. Both teams featured a heavy hitting attack making the contest nip and tuck until the seventh and final inning. Greisofe, Cornicelli and Kalinyak were the big guns for Bethpage while Buck Williams homered and tripled for Long Beach.
