MANHASSET.—The "uncertainty of the building situation" has caused Levitt & Sons to return \$100,000 paid by some prospective purchasers of houses at Levitt's Landia in Jericho, the HERALD learned yesterday. The development was scheduled for 1700 houses in the \$14,000 or higher bracket to be built between Northern State Parkway and Jericho Turnpike.

Grant NLHOA Use Of School

HICKSVILLE—The North Islington Home Owners Assoc. has received permission from the School Board to hold meetings in the high school. The temporary group, before electing permanent officers, had tentative permission to meet in the school and held one session there. The approval was later revoked pending adoption of the constitution and by-laws of the group and election.

Robert Baird, NLHOA president, and Roy L. Deets, secretary, appeared before the board recently on behalf of the new application.

Fireman Hand Out 'Greetings'

HICKSVILLE—Members of the fire department got little rest during the Christmas holiday. In addition to answering an assortment of alarms and calls for aid, many of the volunteers walked the streets of new developments to pass out "greetings" from the fire commissioners.

"Welcome to Hicksville Fire District" was the heading on cards distributed. "You are new residents in our district and under the protection of Hicksville Fire Department. To report a fire call by phone. Notify the operator by saying 'Emergency Fire, connect me with Hicksville Fire Dept.' Give name and address clearly to the dispatcher answering the call."

If you live near a box, pull lever and wait for the arrival of the fire apparatus. Your cooperation is requested in this matter for your own safety and protection."

Members under the direction of Chief Stanford Weiss—walked from door to door in new home sections including the south section covered by Levitt-built homes. Five thousand cards are being distributed.

The vamps were called to Garden Blvd. Monday evening when a 1937 Plymouth owned by Robert Knoll burned in front of his home. They were summoned by several grass fires on Dec. 29.

Warning Period Ends.

Enforce Parking Meters Starting Next Monday

HICKSVILLE—Strict enforcement of metered parking in this community will start next Monday morning, Jan. 8, it was announced last night by Councilman Frank Chlumsky in a friendly warning to motorists. The period of warning for the meters will conclude this Saturday. All double meters have been installed and a few single machines, needed at corners and in short spaces, are expected any day.

The meters operate, as many local folks have already discovered, by insertion of one penny for 12 minutes (two cents for 24 minutes, 4¢ for a nickel for 60 minutes). ~~Starting~~ meters on Marie St., Herzog Pl. and Jerusalem Ave. will take two nickels for 120 minutes.

The funds collected from the meters will be recorded to the credit of the Hicksville Park and Parking District, according to Councilman Chlumsky, and after payment of the cost of the meters will accrue as a credit for the district. Such funds, it is expected, will be used to retire bonds on existing parking fields or be used to purchase additional areas for public parking.

James Rudolph, engineer for the meter concern, told the Herald he was somewhat surprised last week while installing the machines to find such widespread general acceptance of the meters by both shoppers and business people. The meters were requested jointly by the Citizens' Advisory Committee on Parking and individually by the Civic Assoc., the Lions Club and the Business Men's Association.

A man will be employed by the Fusing District, Chlumsky added, to service the machines, wind the clocks periodically, collect the coins which drop into a small metal box in the base of each machine.

Enforcement will be by members of the Nassau County Police Dept. It is expected special hoods will be obtained to cover meters in front of churches for such times when funerals or other special services are held on weekdays. The enforcement days are Monday thru Saturday with Sundays and holidays excluded.

Sign Up Jan. 15, 17 For Adult Courses

HICKSVILLE—Registration for the Spring Adult Education program will take place at the high school, Jerusalem Ave., between 2nd and 4th streets, on Monday and Wednesday nights, Jan. 15 and 17, between 7 and 9 o'clock, it was announced today by Elery Bean, director of the program.

More than 600 persons took part in the Fall term of 10 weeks and the number is expected to increase this term with additional subjects being offered. A complete listing of the subjects and registration information will be available early next week in all local stores and at the schools.

Courses are open to all in the mid-Island section with preference given to residents of Hicksville School District No. 17. A small registration fee is charged in most subjects.

To Speed Snowplowing: Park Cars Off Streets, Brandt Asks

OYSTER BAY—Town Highway Superintendent John R. Brandt of Hicksville today asked all car owners to cooperate and speed snow removal. "In order to facilitate snow plowing and removal," he said, "we seek the cooperation of the general public in asking that all cars be kept off the streets during and after snow storms, in order that the streets in the township can be plowed more efficiently."

Salvage Drive To Take Place Sunday

HICKSVILLE—Male members of the Hicksville-Plainview Civil Defense forces were asked today to report on Sunday morning at the salvage depot on Old Country Rd. near the LIRR crossing to assist the regular monthly waste paper salvage collection. The collection starts at 8 o'clock in the morning this Sunday, Jan. 7, according to Salvage Chairman Michael Sullivan.

Residents are asked to have unneeded newspapers, magazines, paper wrappings, card board and ragging material in front of their homes by eight o'clock in the morning for the trucks loaned by local owners and manned by volunteers.

"Please have tied bundles on your property or on your porch," Sullivan said. "Experience last month showed that some unscrupulous persons collected our salvage for their private gain by going around ahead of our volunteers. Our trucks will display an official salvage sign and we will appreciate reports of collections made by anyone else."

Persons who have unusually large loads of paper for salvage may make special arrangements for collection by the Hicksville 3-2300 or 3-1400, Sullivan stated. Drives are held the first Sunday of the month throughout Hicksville and Plainview Fire District areas.

Gary Martens Wins National Award

HICKSVILLE—Eleven-year-old Gary, son of Mr. and Mrs. Charles A. Martens of 158 Division Ave., has won local and national prizes in the 16th annual Children's National Photographic Contest, it was announced this week.

His photograph, submitted by Franklin Shops photograph studio in Hempstead, was selected for third National prize and first local prize. His picture was chosen, the judges said, for its reflection of his appealing personality.

When he was 4 years old his photo won an honorable mention. This year his younger sister, Janet, age 4, took honorable mention.

Gary is a 7th grade student of St. Ignatius Parochial School. He is an Altar Boy, member of Scout Troop 91 and interested in all athletics. His prizes included \$50 for the national award and \$10 for being the local winner.

N OUR OPINION:

Must Extend Garbage District Soon

By FRED J. NOETH

EXTENSION OF Hicksville Garbage District to the south, down to the township line, has become almost imperative. In fact it is the desire and wish of a great many of the new home owners in this area that the extension of the district proceed as speedily as possible.

Experience of many of them during recent weeks has added to the growing need for such municipal service in this area. Last week, for example, telephones were buzzing as homeowners tried to get a reasonable explanation for the fact that refuse was not collected for several days.

FRED J. NOETH
The background of this matter of municipal refuse collection in the area where Levitt & Sons built over 2000 houses last year is interesting. Oyster Bay Town Board was ready to extend the Hicksville district to include the new home section almost before the first families moved into Hicksville. In fact, some sections were not completed as yet when the Town Board gave notice of a public hearing on the proposed district extension.

Herald Reader Opinions . . .

Our 'Attitude' Under Fire

Dear Sir: The general attitude of the HERALD in us in this neighborhood, the more recent residents of Hicksville, is not what I consider in good taste. Especially coming from an old established Hicksville.

Mrs. Tickner and I feel as though a more welcoming drive on your part would make more interesting reading and a more welcome HERALD.

We believe it would have been more right for you to help install a fire commissioner from this area.

The news coverage of the handling of the recent fire we experienced did not seem correct. Hicksville F. D. was not at fault, as many of us realize, but the coverage of the incident as reported to the public, in our opinion, was faulty.

The prohibitory use of our high school auditorium to our local Home Owners Assoc. and the partisan part your paper seemed to take did not seem to be in the best interests of new residents.

MURIEL AND CHARLES TICKNER.

49 Grape Lane, Hicksville.

Wants 'Real Reason'

Dear Sir: I'm not one for writing protest letters at this entire . . . is becoming too doggone annoying. After reading the Dec. 6th issue of your paper and all its slurs and cracks about "new residents" versus "old residents," I feel compelled to shout out loud—"just what" started all this antagonism?" And just how many of us are "new" to this island? Just because we bought new homes built by Levitt doesn't mean we are strangers to this neighborhood!

Must it come to the point where we'll have to wear badges stating just how long we've resided here or where we lived before our purchase of a home? My two children were born on Long Island. I have lived on Long Island for 24 years and we have lived in Levittown for over two years prior to our purchase of this NEW home. My next door neighbor comes from Westbury—that's not so far from Hicksville. And there are many, many more who are not "city slickers."

Someone should remind Mr. Irwin Goldman that we have all been taxpayers no matter where we lived, and I'll bet there are many "old residents" of any community who never realized their voluntary responsibilities, such as voting, even if they do pay taxes under penalty of law.

Ask the merchants of Hicksville how their sales have increased in the past year? Certainly new residents bring in new money and help to bring work and prosperity to a small town. Ask the lumber companies around here how much business they've had and expect to have—finishing attics and building garages, etc. There are many new gardeners hereabouts who will need fertilizers, seeds and shrubs. Does all this business make the people of Hicksville unhappy?

You'd think the Levitt houses are a detriment to Hicksville. What's the REAL reason behind all the word slinging?

ANNE E. HUNT, 57 Angle Lane, Levittown.

Dear Sir: Almost as much as we have enjoyed our new house, we have enjoyed our new hometown newspaper. Enclosed check for \$8 weekly.

C. L. FISCHER, 68 Nehru Ave., Hicksville.

Amvets Alley

By JIMMY C. COOLEY

SALUTE OF THE WEEK: To AMVET Auxiliary President, Mrs. Emma Maxey and her lovely escorts who made a trip to Mitchel Field AAF Base where they gave the nicer things of life to the boys. Those cigarettes, candy, etc., will be much sweeter with you girls handing them out. For what you all have done, the Post members owe you a debt that can never be repaid.

THEY SAY: A man who is good enough to shed his blood for his country is good enough to be given a square deal afterward. More than that no man is entitled to, and less than no man shall have. Let us remember that part of a speech that Teddy Roosevelt made in 1903, when the boys come back from Korea. They want a break, but ask no more. . . .

WELFARE BALL NEWS: All you good people who want to do your part in helping the boys in Veterans Hospitals nearby, lend a helping hand by donating an ad, or buying a ticket to the BIG BALL that will be held March 30, at Paradise Club, Greenwich St., Hempstead. Many surprises are in store for those that attend. After New Year's Day, AMVETS will approach business men of this community, giving marching permission from the Police Dept. to solicit. If you do not care to donate, please do not feel badly. True, it's a bad part of the year. The donation can be taken from your next year's taxes.

NEW MEMBERS: Greetings to Harold Cooley and Herman Myrick . . . Would like to see Sam Moffic, Leo Koscinsky, Woody Purton, Stan Wlenski, Bill Pokorny and Pete Reznaka. Remember, any new member you bring in, please give me his name and yours, so you can obtain credit from New York Department.

AMVETS, HEAR THIS: ALL members of the Post and Auxiliary . . . If you have any books or magazines, please save them and we will bring them with us when we make a trip to a veterans hospital in the very near future.

OVER THE AIR: Atomic dog tag tests to be started in New York soon. Charlie Gunther, Post 44, and NYC Publicity Officer just returned from a trip to Washington, where he had a talk with Elliott Newcomer and Clarence Adams at Headquarters.

Civics List Xmas Contest Winners

(Picture on Page 5)

HICKSVILLE—The Community Christmas tree on property of the Bank of Hicksville is scheduled for removal today at 10:30 a.m., thus concluding the fourth Christmas project sponsored by the Civic and Community Assoc., Inc., under the chairmanship of Benjamin Smith of Franklin St.

The 20-foot tree, beautifully decorated with colored electric lights and cut-out figures, was

donated by Mr. and Mrs. John Andrews of 4 Franklin St., who also donated a huge cut tree from their yard for the same purpose last year.

At the same time Chairman Smith announced the winners of the 4th annual home decorating contest. The judges were Mr. and Mrs. Earl Good of Huntington and Mr. and Mrs. Francis Stich of the Bronx.

Three Classes
Winners were: Class 1, outdoor

tree—Eugene Martino of 69 East St.; Class 2, decorated doorway—Fred Habenicht of 385 Broadway; Class 3, best outdoor arrangement of lights and decorations—Mr. and Mrs. John Kraft of 34 Harding Ave. It was the third year in succession that the Krafts have won.

Considered in the competition were those homes officially entered by submission of an entry form to the Civic Assoc. Each winner will receive a large picture of their exhibit as a prize this year.

Smith said he wanted to publicly thank the following for assistance in placing the trees on the Bank grounds: Teddy Jurek, Ed Small, Michael Cragg, Arthur Bowler and Chris Meyer. He also thanked Sam Weis of Ultra Electric for cooperation in wiring to John Deacon for use of fixtures and to the Bank for the use of the grounds.

The tree is financed entirely by the Civic group.

The Twinlawns Civic Assoc. announced this week that the outdoor lighting display at the home of Enos Orlando of 54 Twinlawns Ave. was judged the best in the neighborhood, with Howard Darling of Bethpage Rd. second, and J. L. Kosciusko of 31 Twinlawns Ave. given honorable mention. Lawrence A. Roman, past president of Hicksville Civic Assoc., was judge in that section.

Winners in the Hicksville Gables section will be named next week.

LIU Hicksville Branch Geared To Needs of 'Mature' Community

HICKSVILLE—A comprehensive curriculum, designed to meet the needs of a mature community, will feature the inaugural semester of the new Hicksville Branch of Long Island University, which opens here Feb. 5, according to Harold E. Hammond, administrator in charge.

Obituary

He is survived by his wife, Dorothy, nee Leonard; his parents, Mr. and Mrs. John Pelkowski of Plainview Rd., and three sisters, Mrs. Helen Malesky, Mrs. Frances Puchalski and Miss Dorothy Pelkowski. He was a member of the Corpus Christi Council Knights of Columbus. Funeral arrangements were by Henry J. Stock Funeral Home.

Card of Thanks

We wish to thank Rabbi Irving Grossman, our friends and neighbors for their kind expressions of sympathy during our recent bereavement.

Elli Friedman Family,
Hicksville.

Courses scheduled for the initial semester will not only accredit qualified students toward their baccalaureate degrees in the Arts and Science, but fulfill the individual interests of those non-matriculating registrants who seek self-improvement through formal education, he said.

Hammond announced, in emphasis of this model educational policy, that "new courses will be introduced to the curriculum whenever the desire to take these courses is expressed by a sufficient number of students."

The inclusion of such courses as "Psychology of Adolescence" illustrated the nationally liberal Hicksville plan. While this particular course dealing with the adolescent in its social development is offered as an advanced undergraduate and graduate elective course, it is also intended as a basic information study which should prove invaluable to the parental element in the community.

The schedule of courses as released by the university indicates that freshmen entering this spring will be offered all of the basic prerequisite courses necessary for the successful launching of their college careers.

A brochure, released by the university, contains all necessary data pertaining to the Hicksville unit, and can be obtained by writing to Hammond, at 232 Blueberry Lane.

HICKSVILLE GABLES: Poetic Appeal for News and Such

JOSEPH AND MARYLYN KRAMER of Elm Gable Rd. are enjoying a week's holiday with Grandma. (Mrs. NEWMAN of Newark, N.J.)

TOMMY and GREG SOININEN of So. Elm St. gave a Christmas party for some little chums. **MAUREEN GANNON, BARBARA DI BELLA, ROBERT FROELICH and TOMMY GRAMMATICA** were entertained with a home variety of Puppet Show (short from Christmas) games and refreshments. All gone recovered nicely. I'll be O. K. in a few days.

This column's about to start a new year.

And the only time we have to fix is our readers won't stay long to hear.

If we bring you a laugh and sometimes a tear.

This drivel is beamed straight at the Gables.

But your correspondent will never wear sables.

If items are few and scarce as labels.

On Silver Fox jackets from bargain tables.

I sit and wait for calls from the "Drive."

Who remembers to phone when folks arrive?

So I pine here alone and martinis imbibe.

The telephone's silent, the mail box — no load.

No pigeons carrying notes in code.

Absolute silence from Plainview Road.

In this — know, when does it bode?

For seven weeks I've been having some fun.

Neglecting my husband and number one son.

Twisting my brain and making a pun.

In order to get two pages done.

Cotsonas and Shulz, Parker, McGee

Fundus, Harison, Giannelli; Jakkabek, Carpenter, and Lee.

All have tried to fill the column for me.

But sad to relate, from So. Elm Street,

Everyone lives a life most discreet And to their telephones they never best feet.

To relay some gossip, about George or about Pete.

I promise to give you a column without peer.

If everyone round gets into high gear

And resolves that all happenings they will never

In this direction, the coming New Year.

Health and happiness to each Gableer.

With the best of good cheer

If you'd only climb down from that chandelier, dear.

You'd surely stop spilling your nice cold beer.

(with apologies to Keats, Shelly and Longfellow).

birthday. You beat St. Nick by just
two days, Rosalie — Congratulations.

Quite a few firemen worked
hard over last weekend handing
out cards to our neighbors in the
Levitt homes in our fire district to
tell the people just how and whom
to call in case of a fire. If you have
been reading this paper regularly,
you know there has been quite a
controversy over this matter.
Speaking of the firemen — let's
not bring them out on any more
false alarms.

I'm hoping that 1951 will bring
more calls from you people about
any name at all. I'm home most of
the time folks, so just call me at
H1 3-2437W; or stop over and pay
me a visit. Perhaps my husband
and HIS FRIENDS will leave
enough "good cheer" so I can offer
you a glass.

"Bye now and Happy 1951."

The answers to everyday insurance problems

By JOSEPH E. DOCKOW

QUESTION: I understand there is in form of automobile fire and theft insurance which specifically states the amount is less than given as actual cash value at the time of loss. Why isn't a specific value policy a better one for the average person to buy? At least you'd know exactly what you'd get in case of loss.

ANSWER: No matter what amount is stated in the policy, the insurance company will not settle for more than the actual cash value at the time of loss. This settlement will be made in such a way as to give the insured a profit from an accident or other kind of loss.

Times Have Certainly Changed

Since Hamilton's Time!

Back in Alexander Hamilton's day banks were strictly private lending institutions. There were no depositors, or laws to protect them, no services of any kind to the man of moderate means. Today this bank offers more than forty different banking services to the public. The depositor is protected both by state and federal law. And all bank accounts are insured by the government up to \$10,000.

Minimum Rate for

COIN TELEPHONE CALLS BECOMES 10¢

First Increase in 60 Years

On Saturday, January 6, the minimum rate for calls from New York Telephone Company coin telephones will become 10¢, as authorized by the Public Service Commission in the general increase in telephone rates granted last May. This is the first increase in the minimum rate in coin telephone history. Only calls within the present 5¢ calling area will be affected by the change. Calls that are a dime today will still be a dime tomorrow. Thus, the new 10¢ calling area will include both the present 5¢ and 10¢ areas.

telephone service have increased sharply since then. When higher schedules of telephone rates were found necessary last May to meet these higher costs, it seemed only fair that users of coin telephone service should bear their share of the increase.

It is interesting to compare what has happened to other prices during the 45-year life of the nickel call. Here are a few typical examples:

	1906	1950-51
1 quart of milk	7¢	23¢
1 lb. round steak	15¢	96¢
1 loaf of bread	5¢	15¢
5 lbs. potatoes	8¢	19¢
1 lb. butter	29¢	74¢

Please Read the Instruction Card

Near each coin telephone, you will find an instruction card showing exactly how to call from that phone. The important things to remember are:

1. FIRST REMOVE RECEIVER
2. THEN DEPOSIT DIME or 2 NICKELS
3. WAIT FOR OPERATOR TO ANSWER
(or dial tone on dial phones)

Sound Off

NEWS AND HIGHLIGHTS OF
William M. Gause Jr. VFW Post 3211
GRAND AVENUE, HICKSVILLE
Meetings 2nd and 4th Monday of each month.

No doubt most of you have noticed and admired the new American Legion sign on the east side of their clubhouse. It sure looks good. Legionnaires, and I wish my own organization had enough gumption and spunk to do the same by taking advantage of my suggestion of a few weeks back and get one for our building. One of our own members, "Artie" Retberg, took time to build a beautiful sign for our clubhouse, free of charge, and where do you suppose it is? Resting—in the closet. That's really showing him how much we appreciate his efforts.

I do not wish to go any further than the print in the column, because during the past year I have made several suggestions and recommendations which I personally thought would improve the activities of our Post. Who else, they have died right here in this column. They were never brought up for discussion at a meeting. I don't expect each and every one to be carried out, but when all are completely ignored, it gets rather tiresome after while and makes me wonder whether my time and efforts are worthwhile.

It seems to me that 3211 is all wrapped up in 3211. That is, a few of its members. They want things run their way, and if they don't get things their way—well, they will just stay away from meetings, social affairs, etc. If the 3211 wake up and begin to realize that others would like to know about us through our participation in community discussions, projects, and other worthwhile affairs. Let's break away from the chains that have had us tied for a good many years and start to relax and share our good will with those round us.

When I first started this column over a year ago, it was my hope and ambition to stimulate interest, enliven our activities, etc., but more and more I'm convinced that you guys prefer to keep our Post and doings in the dark. Well, that's o.k. with me, because I can devote my time and efforts to other causes.

Don't get me wrong. I don't get and I don't expect any praise from anyone in this column. I'm merely doing it to put some life into this organization, so that others might at least know we do have a VFW Post in town. I've been doing my jambalaya to get certain projects off, but either you can't read or you just don't give a hoot as to what happens to our Post.

Our Commander is doing a bang-up job as our leader, but he needs the wholehearted cooperation and support of every member. It is bad enough bucking certain "elites" without having to worry about other obstacles. We all like Joe, and would do anything in the world for him, but don't you think he is getting discouraged also?

I heard once via the grapevine that I shouldn't mention anything about the "inner" workings of our Post in my column because it wasn't anyone's business what is taking place. That might be one man's opinion, but personally I feel that when these things are aired out it does more good than harm.

If nothing else takes place at the next meeting, someone will be sure to jump on my neck and ask my resignation from the Post for the above. Well, whoever makes such a suggestion is the one who will have a guilty conscience, because they just won't be able to take it.

Right now is a good time to start changing our ways and habits. We are now in the middle of the year, and we are still as awake ambitious as the Legionnaires or Amvets; maybe next year this time 3211 will still be on the map. If we don't, I'm fearful for the future.

Well, my friends, if the Post doesn't blackball me between now and next week, I'll be seeing you.

**THE NEW ONE-COAT
WONDER PAINT**

You folks that have the
paint-up, fix-up urge, should
know about this new won-
der paint.

Sunflex Paints are obtained
in a complete variety of colors.
It's the paint that goes on
quarts by just adding water.
Sunflex can be applied on a
surface that ordinary paint would
not cover, and in only one-coat, it
will dry in one hour; imagine
that, and with no mess or fum-
finess, you're all ready to move in
without the usual unpleasant
paint odors.

Sunflex is a new paint
developed especially for
the needs of today's modern
home. Painting with Sunflex
is cheaper, usually than wash-
able walls.

Sunflex casein paste
with water, dries to a beau-
tiful suede-like finish, and can be
applied fast with brush, spray
or roller.

SO, before you start through

the Sportlights

By HOWARD FINNEGAN

Now that the holiday layoff has passed, sports action will get down to work in earnest and this very week of the new year holds considerable importance for local basketball teams.

Hicksville High's quest for the NSAL Eastern Division championship gets underway at Sea Cliff, Friday night. Returning home for a game next Tuesday, the Comets will have the question put directly to them by an invading ph. Forster Chester Bay five.

If Hicksville is to get its second grasp on the Eastern Division title, the defending county champions have to overcome the Baymen aren't expected to give up easily.

The race is definitely restricted to the two schools, with Lynwood credited with enough to make inroads only should Hicksville or Oyster Bay slip badly on the way.

However, the team has played only three games and none of its members are recovering from bouts with the bug.

Coach Cheif Jaworski had his club scrimmage with Forster last Saturday. The Red Devils, who are the oddsmakers for the County title this season, had things pretty much their own way, but Dick Alcock was absent. If the work out against a strong foe was the thing of importance.

The Comets will be confident but wary at Sea Cliff. A flashy Hicksville club has been slowed down to less a walk in the cramped Sea Cliff gym, but you can bet the Comets to come out by 8 to 10 points.

The contest with Oyster Bay promises to be wild and crazy and a capacity crowd will be on hand to see it.

We will take the Comets by three points, say about 51-48.

The Kiwanis entertain Mitchel Field at home this Sunday night and upon past performances this year, the we should win easily.

However, the Flyers have been handled roughly in their first three outings and have indicated a change in personnel will take them out of the woods. The change-over was expected right after new year's so Hicksville will have the opportunity of playing the intent Flyers first.

The Mitchel Field club, which won the entire Amateur League championship back in 1942, started off rather unimpressively, but got right down to business in January and February to finish pulling away.

Following the Flyer game, the Kiwanis must travel to Oyster Bay Sunday night to play the Bethpage PBC.

The Bethpage lads use the St. Dominic's court for their home games, which start at 7:30 p.m.

Victory in both contests are mandatory for the Kiwanians, who have already lost two games and need all they can get from here on if they wish to make the March 1st cutoff.

Your reporter sees Hicksville over Mitchel Field 68-60 also over Bethpage 58-54.

Folks are taking the Hicksville Lions more seriously than that the club is in the Northern Division championship of the Alliance League.

Coach Steve Ruggiero reveals that he is going to let his club play their firehouse game until their constant running fails to bring them victories. He hopes he never has to change that style of play.

The Lions' fine scoring ability and constant aggression has thrown their Alliance rivals off balance. And their all court press, which they use from the start of the game until the finish, is harrassing and successful.
