

Entered as Second Class Matter at Hicksville, N. Y. Post Office

Board Adopts '3-Yr' Teacher Pay Scale

Hicksville Board of Education has approved a new salary scale for teachers and principals to become effective on Jan. 1, 1961 for a three-year period. It sets the starting pay for new teachers with a bachelor degree at \$4600 a year, a raise of \$300. The net cost of the new scale, over the present scale, is estimated at \$192,500.

The Board adopted the new scale Friday night following an hour-long pre-meeting executive session attended by the seven Board members and Dr. Wallace E. Lamb, superintendent of schools. Trustees David Hurwit and Robert G. Gaskich abstained on the vote for the new scale which was approved by the other five members.

The stage was set for the proposed increase at the December meeting when a motion was adopted providing for a starting scale of \$4600 for new teachers, compared with \$4300 at present.

The scale as adopted was proposed by Trustee Walter Schreiber. It parallels the proposal of the Classroom Teachers Assoc. for teachers with a BA, starting at \$4600 and rising by \$300 steps to \$7300 on the tenth year.

For teachers with a master's degree, a \$300 increase is provided all the way to the 20th step, starting at \$4900 and climbing to \$9800. The scale adopted runs \$100 a step below the Classroom Teachers Assoc. proposal which started at \$5000 and rose to \$9800 in 17 steps.

ESTIMATE TOTAL COST
 Teachers holding a doctor's degree will start at \$5200 and climb to \$10,100 in 20 steps. The Teachers Assoc. had proposed a start of \$5100 reaching \$10,200 in 17

SAMUEL SCHWARTZ, resident of Hicksville since 1904, will be the first guest of honor at a banquet to be held at the Malibu Shore Club on March 5 by the Mid-Island Hebrew Day School of Bethpage. Honorary chairman and toastmaster will be Manuel Levine, District Attorney of Nassau. The co-chairmen of the affair are Kenneth Kronen and David Weltz of Plainview. (Frank Mallet Photo.)

10 PM Parking Still Effective

Downtown Hicksville shoppers are reminded that the 10 p.m. enforcement on parking meters on Broadway is still in effect. Some parkers have the opinion that the time extension was only for the holiday period and as a result a number have received over-time parking tickets.

The school administration estimates, for budget purposes, that the cost to the district for teacher's salaries on a ten-month basis will be \$4,416,700. The Classroom Teachers Assoc. proposed scale would have made the cost \$4,469,800.

The Board also adopted a new schedule for Assistant Principals which is \$300 above the present scale but slightly under the Classroom Teachers Assoc. recommendation. A \$400 increase in each step is provided above the present scale for principals who will start at \$8500 for those with a Master's and \$8800 for those with a Doctor's. (Continued on Page 13)

Fire Chief Credits Inspectors: Sharp Drop in Fire Losses While Alarms Climb to 422

While the number of alarms and calls for the Hicksville Fire Dept. during the calendar year 1959 climbed to an all-time high, the amount of property damage resulting from fires dropped to a fraction of what it has been in recent years.

There were 422 calls for the volunteer firemen during the period of Jan. 1 to Dec. 31, 1959, according to the annual report of Fire Chief Charles Saurer. In addition to this, there were 118 calls for the ambulance maintained by the fire dept.

At the same time the amount of damage resulting from fires was only \$17,675 for the entire year. It has exceeded a quarter million dollars annually in recent years.

Chief Saurer credited the excellent work of the volunteer fire inspectors for the reduction in fire losses. He said the inspectors had increased their check-ups of business and commercial establishments, resulting in the sharp drop in fire losses.

Mothers March Set for Jan. 28

William E. Buchanan, chairman of the 1960 Hicksville March of Dimes Campaign Committee, today named officials of his organization. The Mothers March will take place on Jan. 28, under the co-

chairmanship of Adelaide Katz and Marie Troban.

Honorary co-chairmen of the campaign are Judge Francis Donovan and County Clerk Francis J. Anderson.

Philip F. Robinson is co-chairman with Buchanan, while James Herschbatt is treasurer.

Other leaders include James Herschbatt, business and industry; Thomas Polichino, industrial division; Dr. Samuel Elkind, professional and service clubs; Vincent Hills, business district; and Raymond McGuinn, publicity.

The Charles Wagner American Legion Post will handle the distribution of coin collectors.

Catholic Vets Convene Here

The annual convention of the Nassau County Catholic War Veterans, U. S. A., of Nassau in Hicksville on Friday evening of next week and Sunday evening of next week, according to County Commander John Greenwood.

The business session, including election of officers for 1960, will be held in Levittown Hall Friday evening at 8:30. Benediction of the Blessed Sacrament will be held in Holy Family Church, Hicksville, at four o'clock Sunday afternoon, followed by installation of officers and a reception in Levittown Hall, New York State Commander Augustus Palotta of Green Island and his staff will preside at the installation.

A buffet supper will be served after the ceremonies on Sunday to which the families of the delegates are invited. During the installation ritual, the children will be entertained by a program of cartoon music pictures and ice cream served by the committee.

A dance for all CWV members will be held in Levittown Hall on Saturday night, sponsored by the Frank Gushnie Post, convention host. Reservations may be made through Chairman Al Bullock of Wantagh.

Convention chairmen are First Vice-Commander James Carney of Hicksville, in charge of general arrangements; Second Vice-Commander Frank Eschbach of Hicksville and Treasurer Edward Smith, redoubts; Judge Advocate Ted Sysoj, resolutions; and Past Commander and Trustee John Reynolds, rules.

The usual "Catholic Man of the Year" citation will be awarded at the ceremonies on Sunday, which will be attended by church and civic dignitaries.

Cummins is Top Insurance Agent

Joseph Cummins, of 23 Hunter Lane, Levittown, has been named the Prudential Insurance Co.'s leading Hicksville district agent for 1959.

Cummins achievement was announced today by F. Raymond Boltz, head of the district. He said Cummins total sales of \$1,118,048 of all types of Prudential insurance, with annual premiums of \$19,936.56, topped those of all other agents in the Hicksville district.

Cummins has been a member of Prudential's Hicksville staff since 1957.

OUR SCHOOLS PRACTISE F P See Page 13

16 More Alarms During Week

A total of 16 calls were received by the Hicksville Fire Dept. during the week ending Jan. 12. Five were for the ambulance and one was a false alarm.

On Jan. 8, there was a grass fire on Ave. La. near Levittown Parkway. Albert Knapp, 72, of 8 Cliff Dr. was taken to Nassau Hospital, Mineola on the same day.

There was an oil burner fire on Jan. 7, at the home of Michael Palotta, 28 Picture Ln.

Friday Jan. 8, there was a flash fire at the service station on N. B'way and E. John St., a grass fire on Miller Rd. near the L.I.P.R. and a party by name of Hartmann, 170 Park Ave. was taken by ambulance to Nassau Hospital.

Saturday, Jan. 9, was the busiest day of the week for the Dept. with six calls. The first was a false alarm from April La., followed by burning Christmas trees at Newbridge Rd. and Hempstead Ave. There were two grass fires Saturday, at 55 Twinlawn Ave. and the rear of the
 (Continued on Page 10)

Ticket Returns Due Wednesday

With all available tickets distributed for the Francis Anderson Testimonial Dinner on Jan. 28, the sponsoring committee, this week advised all concerned that Wednesday, Jan. 20, is the final date for return on sales and seating arrangements.

Patrick Caputo, Al Schuckner and Makoby Pierce are co-chairmen of the event being arranged by a committee of 50 friends of the County Clerk.

Caputo will be master of ceremonies at the affair at the Garden City Hotel, Henry G. Eisenmann, luncheon chairman, will be toastmaster.

Hicksville Landmarks No. 2

THE TREES in this picture, taken about 1914, are landmarks — not the young fellow posed in front of them. The double row of trees on Twinlawn Ave., Hicksville, have now grown to stately beauties. They were planted by the boy's father, Joseph Braun of Woodbury Road. More than 60 families now make their homes along this tree-lined, paved and curbed street which runs off from Bethpage Road.

Personal Mention

Army PFC MICHAEL FLEIG, 19, son of Mr. and Mrs. Christian Fleig, 12 Lowell Pl., Hicksville, re-

cently qualified as expert in firing the carbine while assigned to the 24th Infantry Division in Germany. A driver in Company A of the division's 31st Transportation Battalion, Fleig entered the Army in February 1959 and received basic training at Fort Dix, N. J. He arrived overseas in July 1959.

Fleig is a 1958 graduate of Hicksville High School and was employed by Mid Island Shopping Plaza before entering the Army.

Army PFC EDWARD M. RAFTERY, son of Mr. and Mrs. Edward W. Batters, 2 Washington Ave., Hicksville, is a member of the 99th Transportation Detachment which sponsored a Christmas party for 17 underprivileged families in Westphalia, Germany.

Becomes Engaged

Mr. and Mrs. James E. Meehan of Bay Shore announce the engagement of their daughter, Kathleen Elaine, to Thomas Daniel McCarthy, Jr., son of Mr. and Mrs. Thomas D. McCarthy, Sr. of E. Marie St., Hicksville.

Miss Meehan is a senior at Brentwood High School. Mr. McCarthy is a graduate of Hicksville High. The couple plan a September wedding.

MARY LANGMADE FULLER

Mr. and Mrs. Harold L. Fuller, of 41 Beacco Lane, Hicksville, announce the engagement of their daughter, Miss Mary Langmade Fuller, and Cadet Edward Allen Osborne, Junior, son of Mr. and Mrs. Edward A. Osborne, also of Hicksville.

Miss Fuller graduated from Hicksville High School in 1957 and is now a junior at the College of William and Mary in Williamsburg, Virginia.

Cadet Osborne is also a graduate of Hicksville High School and is presently a member of the Class of 1960 of the United States Military Academy, West Point. Upon his graduation in June, he will be commissioned in the United States Air Force.

Continue Career Theme at P-TA

The Hicksville High School P-TA will meet in its 20th session at the school on Thursday, Jan. 21, at 8:30 p.m.

The program will continue the theme "Careers" which started at the October meeting, to provide college and vocational information to parents and students. Prof. Richard Lovan, of the State University, College on Long Island, in Oyster Bay, will speak as instructor from the School of Nursing, Kings Park State Hospital, will also address the meeting.

Students are cordially invited to accompany their parents to this informative meeting.

Fork Lane P-TA Sponsors Card Game

The Fork Lane P-TA of Hicksville will sponsor a card party next Tuesday, Jan. 19, at Fork Lane School at 8 p.m. Refreshments will be served and door and table prizes awarded. Tickets are \$10.00 in cash. So bring the cash, such as check, checks and credit games and have fun at it.

NEW ARRIVAL

Mr. and Mrs. Thomas Costello of Scott Ave., Jericho, announce the arrival of a daughter, Nancy, born on Wed. Dec. 30 at Mercy Hospital.

Dear Jean:

Sorry to see them go, old Hicksville, but happy they have moved to the warmth of the south. The C. CHRISTENSEN'S formerly of 47 Fordham Ave., Hicksville, moved early this week to Decatur, Georgia, where Mr. C. has been transferred for business reasons. Their new address is 3191 Bobble Lane, Decatur, Ga. If any of their local friends are interested.

In recognition of his work in the field of aid to education, Assemblyman EDWIN J. FEHRENBACH has been appointed to the Committee on Public Education of the New York State Assembly. . . . Mr. and Mrs. G. MESSINA of 101 Myers Ave., Hicksville were the winners this year of the Christmas Decorating Contest of the Northwest Civic Assoc. Inc. Judges were WILLIAM KELLER and JOHN KOOS. . . . School Board Vice President JERRY ZETTLER was a case of soda as a door prize at the recent Christmas party of the Northwest Civic Assoc.

Delivery of a new Mack pumper for Hicksville Fire Dept. Co. No. 7 is anticipated the end of this month. . . . When Emergency Co. No. 5 decides to get together on something, they go all out. Last Sunday morning, 20 members turned out and the mob so shook up HAWKIE that he has been going around talking to himself ever since. It is not true that Capt. KLUEPFEL became ill when he heard of the size of the group. He was sick before that. . . . Members of the Board of Education, all school administrators have been involved in a showing of films on the tragic Chicago fire at Hicksville Firehouse on Monday night, Jan. 25. . . . Independent Hose Co. No. 9 will hold its installation dinner-dance for 50 couples at the Old Country Manor on Saturday night, Jan. 30. . . . Chemical Co. No. 3 has its annual installation dinner-dance at Wheatley Hills Tavern, Westbury. Guests are being given a choice of turkey, roast beef, lobster, steak or chicken as entree (or is it all five, FRANK WALLACH?). . . . Oil Heat Institute has opened its office on W. Marie St., Hicksville, moving here from Hempstead. . . . A heavy snow storm, among other things, did not improve the attendance at the Christmas holidays dance sponsored by the Alumni Association. . . . Adult Education program leaflets mailed this week were addressed from 12,500 plates on the district-owned addressing equipment, the first time this machinery has been used on a wide-spread mailing. Private concerns were previously engaged.

Local friends are sorry to hear of the death of STEWART (SCOTTY) MACGREGOR of Babylon. His wife is well known in Hicksville being the former Miss Henrietta Braun. He is also survived by a daughter Janice and son Thomas. His fishing boat, "Capt. Scotty" was used on many of the local fisherman's fishing trips. Mr. and Mrs. LOU ANTINOZZI (Lou is our "Smiley" of the Hicksville P.O.) celebrated their wedding anniversary on Jan. 7th. Congratulations and we hope you both had a nice day. . . . BOB BOGART of Chestnut St. celebrated a birthday on Jan. 6th. Son EUGENE celebrates his on Sunday, Jan. 17th. . . . Sorry to hear that Mrs. WILLIAM BEHRMAN of Elm St., Hicksville is a patient at Meadowbrook Hospital. Hope by this writing she is feeling better. . . . Got a very pleasant surprise the other day when Mr. ENGLEST of Engelst's Bakery, 2 Bay, Hicksville, presented us with a large ice-cream cake to celebrate the HERALD'S birthday. It was very thoughtful of him and our editor, the staff and all connected with the HERALD really appreciate it. Thank you, kind sire. . . . Mrs. WILMA HARNISHEAGER of W. Marie St., Hicksville, won second prize Thursday in the "silly hat" contest held during the Glen Cove-Hicksville Mercy League meeting at the Brookville Country Club, Mrs. Baudé of Glen Cove won first place. . . . Our sincere sympathy to DICK WYSE of Hempstead who recently lost his wife, Edith. Mr. Wyse is a long-time newspaper friend of our editor and a daughter, Mrs. Mildred Wall, resides in Hicksville. . . . Our best wishes to Miss BARBARA FAZMAN of Westbury, whose parents, Mr. and Mrs. Chas. Pazman, recently announced her engagement to CHARLES ZILM, son of Mr. and Mrs. Roland Zilm of Hicksville. Congratulations to Mr. and Mrs. JOHN V. McNEIL of 53 Bridle Ln., Hicksville, who celebrated their 25th wedding anniversary on Jan. 13. . . . Mrs. MARGARET KUEHN of Bellmore, formerly of W. Marie St., Hicksville, called to tell us her daughter, MARGARET now holds the title of First Lt. with the U.S. Air Force, A Hicksville High and Hofstra graduate, she is now stationed at Dover, A.F.B., Delaware. Mrs. Kuehn also told us she plans to move back to Hicksville, shortly. . . . Mrs. WILLIAM RUSCH, was in to pick up a back copy of the HERALD, and told us the family had a visit over the holidays from their son, Richard, an electronic technician at Norfolk, Va., where he is a Cinelant co-ordinator (Closed TV circuit for international conferences).

Local Artists Exhibit Paintings

"Mantle Sined Paintings" of Hazel Wite of 7 Reiter Ave., Hicksville, and other American and European artists are being shown in recognition of 50 works on exhibition at the Country Art Gallery in Westbury until January 27. The gallery is open without charge Monday and Saturday 10 AM to 5 PM and Tuesday thru Friday, 1 to 5 PM. Other mid-Island artists whose work is included are, Trude Wiesen and Gerry McBean, both of Bethpage.

A son, Gregory Tierney, is the new arrival in the home of Mr. and Mrs. Edward Finn, Bridle Lane, Hicksville. The baby was born on Sunday, Jan. 3, at Mercy Hospital.

Pynchon Cites Party Strength

Thomas R. Pynchon, Republican leader of the Town of Oyster Bay, officiated Friday night at the installation of officers and directors of the Ernest F. Francke Republican Club of Hicksville.

At the same time Pynchon told local Republicans meeting at the Masonic Temple that they could be proud of their efforts during the last political campaign. He singled out the leadership of executive committeemen Philip Robinson and LeLand Badler for special comment.

The oath of office was administered by Pynchon to President Louis Kapostoloff, first vice president Philip Robinson, second vice president LeLand Badler, third vice president Julius Schwartz, recording secretary John E. Jeanson, corresponding secretary recording secretary John E. Jeanson, corresponding secretary Beatrice M. Jeanson, treasurer

Henry McInnes, sergeant at arms Henry Biel and publicity director William L. Maher.

Also inducted into office were the following directors: Mary Caron, Ernest J. Dieterich, Warren Doelittle, Thomas Gallahue, John Lockie, Alexander Pankoff, Adelaide Katz, William Alonge, Edward Ennis, Sofia Schulz, LeRoy Sluder, Frank Shannon, Edward Trohan and Joseph Biello.

Pynchon noted that the election last November had brought a halt to shrinking Republican pluralities. He added, "Once again our organization has proven itself in the heat of a campaign."

Six new members joined the Club. They are Richard H. Blauvelt, Robert Sinclair, Herman J. Zwending, Mario L. Speranza, Paul Germain and Anne Germain.

SANDRA JEAN OLSEN

Mr. and Mrs. John Olsen, of 27 McKinley Ave., Hicksville, announce the engagement of their daughter, Sandra Jean, to Robert Treuka of Whiting, Indiana.

Miss Olsen is a graduate of Hicksville High School and Valparaiso University, Valparaiso, Indiana. She is a member of the faculty of Hicksville High School.

Mr. Treuka is also a graduate of Valparaiso University and is presently serving with the United States Army.

A summer wedding is planned.

Area Chairman For Dimes March

Mrs. John Elwood, 156 Bin Lane, Hicksville, has been named Chairman for the 1960 New March of Dimes in North Levittown, according to an announcement from Mary B. Moloney, Nassau County Chairman of the traditional January fund appeal.

Mrs. Elwood, whose 17-year-old daughter Jacquelyn, a senior at Hicksville High School, was stricken with polio in 1949, has been active with the March of Dimes Campaign for more than ten years.

The March of Dimes is the annual campaign which supports the work of the National Foundation, developer of the Salk polio vaccine. The Foundation has expanded its program to include crippling arthritis and crippling birth defects as well as crippling polio.

Mrs. Elwood in accepting the leadership of the March of Dimes, announced that more volunteers were needed for the campaign. Local residents who can devote just a few hours to help assemble kits, address envelopes, distribute coin collectors or participate in a number of special community events are urged to telephone WE 1-5152 for information.

Women's Club Plans Spring Program

The Women's Club of Hicksville held a general meeting in the auditorium of the Hicksville Library this week. After the meeting, Mrs. Frank Allien and Mrs. Albert Loefler, co-hostesses served refreshments prepared by them, from a handsomely appointed table.

A booklet, "The Intelligent Women's Guide To Art", was distributed. This booklet was especially prepared by the Book of the Month Club for the General Federation of Women's Clubs.

The Women's Club discussed their spring program and there are sure to be a number of programs which will be of interest to the public. The president of the Club, Miss Grace Stoll, invites the public to watch for the announcements and to attend.

At this time the Club would like to say to all our members who are or have been ill, especially Miss Mildred Clark, "Speedy recovery, members; hurry and get back into the swing of things. We miss you!"

L. I. Nat. Elects Koutensky 10th Time

William E. Koutensky was elected president of the Long Island National Bank of Hicksville for the tenth time at the reorganization Meeting of the Board of Directors held subsequent to the Annual Meeting on Tuesday, Jan. 12.

The Directors elected by the Shareholders were: Charles A. Carrol, William E. Koutensky, Joseph A. Reinhardt, Norman C. Godfrey, Malcolm E. Pierce and Herbert W. Parick.

President Koutensky reported to the Shareholders that the Resources of the Bank year-end amounted to \$65,000,000, an increase of \$8,000,000 during the year. Two Cash dividends and two Stock Dividends were paid during the year, 40 cents cash and 5 per cent Stock. Net earnings after taxes was equivalent of \$2.13 per share.

President Koutensky complimented the Board of Directors, Officers, and Personnel, and Shareholders, for their cooperation during the year and predicted that 1960 should be a banner year.

Study Reveals Bank Facilities

The Nassau-Suffolk Financial Council, representing over 90 per cent of the commercial banks, savings banks and savings and loan associations in Nassau and Suffolk counties, this week released an economic study of the area.

Prepared by the Haight-Hill Co. of New York City over the past year, the study is entitled "Long Island and New York City: A Study of Their Economies and Financial Institutions." It notes that contrary to some impressions Nassau and Suffolk not only are "adequately banked" but have "more financial institutions per family than there are in Kings and Queens Counties." The study shows that in 1959 Nassau boasted 3.6 offices per 10,000 households and Suffolk 4.5 compared to Kings with 2.8, Queens with 2.5, and New York City as a whole 3.3.

A comparison of service charges of the Nassau and Suffolk commercial banks with those in New York City in the study show that, on the whole, Long Islanders "do as well or better than New York City residents."

The growing economic independence of Long Island was emphasized by figures showing 66 per cent of total resident income being earned locally, manufacturing jobs increasing from 40,000 to 14,000 in the past ten years, and retail sales doubling in Nassau-Suffolk in the same period now being 18 cents of every dollar spent in the metropolitan New York region.

Charge Raceway \$76,255 More Tax

County Executive A. Holly Patterson announces that Nassau County has demanded and received, "under protest" an additional \$76,255 in 1959 Roosevelt Raceway admissions taxes. The amount increases the County's 30 percent revenue from \$840,192 to \$916,448. Payment of the "tax deficiency" follows a recent hearing before Comptroller Theodore Bedell and his determination that one exists.

Scout District Meeting Thursday

Next Tuesday, Jan. 19, there will be an Arrowhead Boy Scout District Committee meeting held at the Hicksville High School at 8:30 p. m. Along with the District Oper-

ating Committee reports, there shall be a presentation of Unit Membership awards.

Blauvelt, Nassau County Council Scout Executive, on "Our 50th Anniversary".

Highlights of this meeting will be a talk by guest speaker Richard A.

All Institutional Representatives are urged to attend this meeting.

FORD'S ECONOMY TWINS FOR 1960

The Economy Choice of a lifetime - Two new Fords... Two new low-price fields...
Two wonderful new ways to go 'The Finest'

THE 1960 FORD FALCON

Now there's both a new economy-size Ford and a large economy-size Ford.
The new economy size is the Ford Falcon—America's lowest-priced 6-passenger car. It's up to \$124 less than other 6-passenger cars in the compact field.* It goes up to 30 miles on a gallon of regular gas. Servicing is easy and repair costs are low. You can even save up to 15% on your insurance.
And the Falcon is the one American compact car that is thoroughly proved for American driving. There's room for 6 people—luggage and all.

*Based upon a comparison of manufacturers' suggested retail delivered prices.

THE 1960 FORD FAIRLANE 500

Now consider the large economy-size Ford, the Fairlane 500. Here is the most car per dollar ever built. The Fairlane 500 brings you fine-car styling, luxury and comfort, yet it offers Falcon economies like regular gas, 4,000-mile oil changes, double-life aluminum mufflers, and no more waxing. Like the Falcon, too, it brings you big price news: \$142 less than last year's popular Fairlane 500!
Come see, come save, come pick the Ford economy twin that saves and serves you best. Visiting hours as usual at your Ford Dealer's.

Economy choice of a lifetime

WILLIAM E. KOUTENSKY, President of the Long Island National Bank of Hicksville, announced today that another new Branch, to be called the Broadway Plaza Branch of the Long Island National Bank of Hicksville, will be opened early this Spring.

Ground Breaking celebration was held this week at the new site of the Broadway Plaza Branch. It is

located on Broadway, south of Old Country Road in the new Shopping Plaza recently built by Max Stolley and his Associates.

Mr. Koutensky, shown starting the bulldozer to break ground, announced that the new Broadway Plaza Branch, designed by Sam Schoiner, will feature a Drive-In Window, adequate parking facilities and a complete range of services.

Genesta Strong Resigns Senate

People from all over New York State who have known Mrs. Genesta M. Strong of Plandome as one of the Legislature's most dynamic members for the past 15 years joined last week in universal expressions of regret that she has resigned as State Senator because of inability to attend the session just started.

Declared County Executive A. Holly Patterson:

"Genesta Strong has been a credit to the people of Nassau County for many years. During her long legislative tenure, she has probably introduced and made into law more major pieces of legislation for the benefit of all the people

of this State than any other single member of both houses. We sincerely regret that she has made this decision for reasons of health, but her health and happiness and the concern of her family must be her first consideration."

Senate Majority Leader Walter Mahoney, Assembly Speaker Joseph F. Carlino, Lieut. Gov. Malcolm C. Wilson and others were quoted by the press as keenly regretful that Mrs. Strong's active legislative career has been ended by her retirement.

Said Senator Strong, in announcing her decision:

"My doctor has advised me that it will probably be six weeks or so before I can say as to about. He warns that full resumption of the very active public career which has been mine for so many happy years, could place my future health in

jeopardy. . . . "Because it now becomes evident that I will not be able to devote my entire attention to the office to which I was elected. . . . I have submitted by resignation."

Census Bureau Opens Office

Establishment of a district office for the 1960 Census of Population and Housing at 134 Jackson St. Hempstead was announced today by Director Arthur F. Young of the Census Bureau's regional office at 346 Broadway, New York.

Arthur D. De Mott will be supervisor of the district office. He will direct a force of 58 crew leaders and 988 census takers in the Nassau Counties.

WEST BIRCHWOOD NEWS

produced by the

WEST BIRCHWOOD—JERICHO CIVIC ASSOCIATION

January 14, 1960

Vol. 1, No. 9

AN EDITORIAL Pleasantly Awed

We are presently awed by the substantial improvement in the traffic situation at the entrance to West Birchwood. The traffic light is up and functioning beautifully and the bullder's sign has been removed from its old dangerous position by a combination of Wind and Man.

Accolades are due our hard working Community Welfare committee, the Nassau County police (Precinct 2) the Town of Oyster Bay and last but not least, Mr. De Lillo, the expressway contractor.

We are pleased to have made our small contribution to the success of this project by giving full news coverage as an organ of the Civic Association.

Personality Spotlight

Vincent Saggese

By ROBERT A. MILLER
Most civil engineers can exhibit their projects long after they are completed. Their bridges and buildings are there to be seen. This is not the case with the work of our neighbor, Vincent Saggese, whose projects are not readily visible to the eye. But each time we drive on the Belt Parkway, on Cross Bay Boulevard, Springfield Boulevard, through Floral Park, Mineola, Rosedale or many other communities, we are driving over sections of sewer and water systems which Vincent Saggese helped to build.

Vince of "Vinnie" began his engineering studies in 1941 at Brooklyn College which he attended for two years before being called into service. After basic training he was sent to OCS school at Fort Sill, Oklahoma. Here, his desire for individuality and his distaste for regimentation proved his undoing. Each morning the officer candidates would line up for a "footlocker inspection." Vince could not see the sense in having to straighten his locker daily just so an officer could walk through the barracks glancing briefly in each locker.

So, showing the ingenuity that has always been a part of him, he painstakingly glued each item in the place prescribed by army regulations. Each morning thereafter Vince would just lift the upper shelf of the footlocker into place and he was ready for inspection. One day the inspecting officer stopped at Vince's locker and "by exerting an upward pressure on a tube of toothpaste lifted the entire shelf." This display of ingenuity so upset the army that he was made a forward observer attached to the field artillery.

He arrived in Europe in time for the Battle of the Bulge and served throughout the rest of the European Campaign, during which he was twice wounded. When peace came in Europe he was sent to the Pacific theatre. "They didn't want me to miss anything," says Vince. He became part of the Army of Occupation in Japan and was assigned to the Information and Education Section. For 14 months he taught Engineering Drawing and Applied Mathematics to GI's at Keio University, where he was the only military teacher.

After his discharge from service in 1947 Vince resumed his engineering studies, and graduated from CCNY with a Bachelor of Civil Engineering degree in 1949. He chose the field of construction engineering for his work.

Calendar of Events

By JANICE HAYFLICK
Jan. 13 - Meeting, home of Mirel Kosow, 227 Birchwood Park Drive; Jericho Auxiliary of National Cystic Fibrosis Research Foundation, at 8:30 P. M.

Jan. 26 - Tri-town (Jericho, Syosset, Plainville) Auxiliary, Association for the Help of Retarded Children, Regular meeting at South Cross School, Syosset, at 8:00 p.m.

For the past nine years he has been employed by the T & T Construction Corp., whose specialty is sewer construction, and he is now chief engineer for this company. It was because of his job that Vinnie was able to stay out of the Korean war. Part of a sewer system that he was then working on ran through the Brooklyn Army Terminal and the Army wisely decided that the completion of this sewer would be a major contribution to the war effort.

In his work Vinnie has again shown radical ingenuity which has resulted in many professional commendations. One such job was the placing of 101 feet of 5 1/2 foot diameter steel piping under the Belt Parkway without interrupting traffic. This was done by "jacking" the 16 feet, 3/4 ton pipe sections under the parkway by force.

Vinnie is currently engaged in the sewer construction for two sections of the Clearview Expressway and one section of the Long Island Expressway. He leaves home early each morning and is busy supervising the laying of the ten ton sections of the expressway piping by 7:30 each morning. Between supervising the 400 men employed on his jobs, dealing with State and local engineers and in settling the engineering problems that arise hourly, his days are quite full.

Vince resides at 2 Saratoga Drive with his wife Ann and his three children: Charles 4, Debbie 3, and Thomas 2. Vinnie met Ann, in 1951 at the corner of Broadway and 52nd St. Again he displayed his radical ingenuity. Without waiting for a mutual friend to introduce them, he grabbed Ann and kissed her. This approach made such an impression on Ann that they were married 15 months later.

Having Trouble With Breathing?

It has been brought to the attention of the Builder's Committee that the humidifiers in many of the West Birchwood homes were installed by mistake on the return air duct instead of the input. That the humidifier should not be on the return air duct is confirmed by the Burns Heating Supply Co., West Babylon, manufacturer of the humidifier.

Irving Reinhardt, member of the Builder's Committee, suggests that all residents check their humidifiers and, if installed improperly, notify him so that he may make a report to the committee so that proper action can be taken. Please make statement in writing.

Discovery that many humidifiers were improperly installed followed numerous complaints that the dry heated air was causing nasal distress to West Birchwood residents.

Committee Comments

By Ronnie Auerbach

Art Carin will hold the next meeting at his home 12 Richmond Ave. on Jan. 29, at 8:30 p.m. Sam Hecht, of the Jericho School Board, will be the guest speaker.

LITTLE THEATER GROUP

The newly formed Little Theater Group held its first meeting at the home of Elinor Winthrop. Because of extenuating circumstances the group rejected, for the present, the offer of the East Birchwood Theater Group to join with them. The members have decided to choose a comedy as their first endeavor. The next meeting will be held at Barbara Ballot's home Tompkins Ave. on Jan. 18, at 8:30 p.m. New members are most welcome.

MEMBERSHIP

Seymour Berkman was unanimously elected chairman at the first meeting of the year. Cera Straus will serve as secretary. Each person present was assigned a quota of residents who are not members of the Civic Assoc. to contact for membership. Membership cards are to be issued to all paid-up residents. Any new member desiring information may contact the chairman at OV 1-5454. Members attending were Ira Steifel, Leonard Silverberg and Alan Friedland. Irving Reinhardt secured names of non-member residents.

SOCIAL

The next meeting will be held at

Civic Association Meeting Is Set for Friday at Firehouse

Statement From Board of Directors

"It has come to the attention of the Board of Directors that some residents currently propose that meetings of the Board be opened to attendance by all paid up members of the Association.

"The Board is aware that such a suggestion was made at the General Meeting held on August 29, 1959 and was rejected by a substantial margin.

"Despite this, it is hereby moved that the Board go on record as being in favor of discussing the subject once again at the next General Meeting on January 22, 1960.

"It is further moved that if a majority of the membership is in favor of the proposal, the Board will follow this mandate at future meetings."

West Birchwood Jericho Civic Assoc. will hold an important general membership meeting Friday evening, Jan. 22 at the Jericho Firehouse beginning at 8:45 p.m. Refreshments will be served.

The first annual budget for the Civic Assoc. will be presented to the membership for ratification. The budget will itemize expenditures for all working committees and will set the basis for 1960 membership dues.

Among other subjects for open discussion will be reports from the various committees including education on the Cantiague School bond issue, the Community Welfare Committee report on the situation at the entrance to our development as well as the forthcoming dedication of our streets to the Town of Oyster Bay.

The Board of Directors has indicated it will throw open to general discussion the feasibility of having open meetings. (A statement from the Board of Directors appears elsewhere.)

Since this is the first general meeting since last August 29 and the first one since the recent elections the Board of Directors has requested that all members be present.

West of Broadway

The Mark Haas - Larry Lesser Jericho Chapter of Cancer Care is planning a gala shindig for its paid-up members that will take place on Thursday evening, Jan. 21, at the East Nassau Hebrew Congregation. A lovely supper will be followed by the Cancer Care Players in "Our Fair Ladies". Your only admission is by being a paid-up member. Reservations are essential. Call Norma Levine - OV 1-4452.

Attention Canasta Players: Any of you who may be looking for a steady game contact Evelyn Pike, 22 Orange Drive, who is interested in starting a Canasta group. The phone number is WE 8-9793.

Congratulations to Irving and An-

Letter to Editor

Dear Editors:
Aw, Canon, fellow Let's put an end to this verbal dueling with the Board of Directors. The business of turning out a bi-weekly newspaper is a difficult task, long on hours and low on gratitude. And as a member of the Board of Directors, I can say the same about this group, with whom you appear so eager to find fault.

I maintain that the community deserves more than an inane squabble between these two hard-working groups. It's making both the paper and the Board look a little silly. After all, we're both on the same team, working toward the same goals, so why can't we be friends? A continuation of this senseless bickering can only hamper the work of both groups.

West Birchwood is fortunate to have two groups so willing to work in the community interest. But we better cut out this nonsense before the residents simply laugh us out of business!

JOHN W. NASON

Cystic Fibrosis Meets

There will be a meeting of the Jericho Auxiliary of the National Cystic Fibrosis Research Foundation on Monday, Jan. 18, at 8:30 p.m. at the home of Mirel Kosow, 227 Birchwood Park Drive, Jericho. An interesting program on "How Arrangements will be presented.

ette Reinhardt of 4 Saratoga Drive, who recently celebrated their 14th anniversary, and also to daughter Carol who celebrated her 9th birthday.

On Monday, Dec. 28, the Jericho Auxiliary of the National Cystic Fibrosis Research Foundation held its paid-up membership dinner at the Tivoli Restaurant in Westbury. The large attendance, delicious food and the many beautiful door prizes all helped to make this reception warm and enjoyable. A fifteen piece all accordion orchestra of children between the ages of ten and fifteen known as the Fallacords under the direction of Mr. F. A. Burt of the Mid-Island Plaza Shopping Center was the best treat of all. The soloists: Jean Ellen Cellman, aged 12; Dick Browning, aged 10; and Dennis Browning, aged 11, delighted the audience with their talented performances. This group donated their time and their talents in the cause of that fatal children's disease, Cystic Fibrosis. Sincere thanks to all of them.

Mr. and Mrs. David Bergman of 5 Craig Street, welcomed home their son, Michael, on Christmas Vacation from Syracuse University.

Janice Hayflick of 4 Craig Street is the proud new owner of a white Rambler. A New Year's gift from husband Bob. What a nice way to start the New Year!

Need Volunteer Block Captains

Response to the appeal made for Block Captain volunteers, has been gratifying, according to a report made by Irving Reinhardt to the NEWS. However, additional captains are needed for the following areas: ULiter (1), Rockland-Fulton (1), Schuyler (1), Clinton (1), Craig (1), Orange (2). Volunteers from other sections also will be appreciated.

This is a good opportunity for citizens to meet new people, become acquainted, and discuss any concerns or better ideas to the Town. You can contact Irving Reinhardt at WE 8-0025.

Babes in Birchwood

By Bernard Monkarsch

ROGER JAY BERNSEIN, age 8 months back in 1956. Parents are Dr. and Mrs. Augustus Bernstein, 30 Rockland Drive.

JILL CARIN, age 3, born in Salt Lake City and has flown 14,000 miles. Daughter of Art and Terry Carin, 18 Rockland Avenue.

Committees

Continued from preceding page
 Alfred Bernstein's name at 10 Orange Dr. on Jan. 25 at 8:30 p.m.

WELFARE

A deep bow to Dorothy Buehler for her persistent and untiring efforts on this committee. Through Dorothy's hard work, our sanitation problems have finally been strengthened and garbage collection by the Town of Oyster Bay is at

a normal routine. William J. Vincent, Assistant in the Supervisor of the Town of Oyster Bay, has been commended for his solicitous cooperation in this matter.

In answer to several inquiries regarding back-door garbage collection from the Welfare Committee has come up with the following information: The cost of such an arrangement would be 60¢ per \$100 of assessed valuation as against the present rate of 33.0¢ per \$100 of as-

essed valuation. In order to be eligible for such collection a petition signed by a large portion of people living in a contiguous area must be presented to the Town Board for public hearing. The Town will then consider it but states that facilities are limited at the present time.

Thomas B. Pynech, Supt. of the Highway Dept. of TOB, was scheduled to make an inspection of the streets in Birchwood Park, West Jericho, during the week of January 10th. He is using the list of complaints submitted to him by the residents through the Welfare Committee as his guide. Any further complaints may be added to the list by contacting John Nason at OV 1-6503.

The next meeting of the Welfare Committee will be held on Friday Jan. 15, at 9 p.m. sharp at 11 Sullivan Drive, the home of Leon Schaffer.

No report from the Youth and Taxation Committee.
 Curtis Noel, was the very appropriate name chosen for the son of Mr. and Mrs. Edward Hopke of 34 Burton Ave., Bethpage, born Christmas Day at Mercy Hospital.

MRS. WILLIAM GIANNELLI of 133 Bay Ave., Hicksville, has been named chairman of the seasonal journal committee for the annual Mount St. Vincent benefit bridge to be held at the Waldorf-Astoria Hotel in New York on Saturday, Feb. 20.

FURNACE BREAK DOWN?

QUICK... call your LILCO
 Certified Plumber Dealer

CONVERT TO TROUBLE-FREE GAS HEAT

You'll be warm and comfortable in no time at all! Your own LILCO Certified Plumber Dealer can—and will—convert your heating system to GAS very quickly, without muss or fuss.* Why wait for the crisis? Why put up with a faulty heating system when a GAS conversion unit can bring you up to date?

GAS costs no more than ordinary fuels!

GAS is the modern fuel. It's clean, efficient, economical. You'll say good-bye forever to dirt and smudge... to expensive service charges... to delivery problems. Why? GAS is pure fuel... it burns completely, leaving no ash or smudge to settle on walls, furnishings and the like. GAS is trouble free... there are no moving parts in the burner to get out of order. And your LILCO free Service Policy takes care of maintenance. GAS is piped into your house like water... it's where you want it when you need it. And storms cannot interrupt its flow through underground pipes. You never run out of fuel when you heat with GAS, and you pay for what you use after you use it on convenient budget payments. *If GAS lines are already connected in your home.

State Turns Down 2 Branch Banks

The State Banking Dept. at Albany announced this week that two applications to set up branch banks in Jericho have been refused. The Thompson Bank sought to locate a Branch at Jericho Tpke and Rosbury Road while the LI Trust Co. wanted to open a branch at Bush Hollow Road and Union Ave., Jericho.

The state Dept. did approve the request of Westbury Trust Co. to open a branch in the Westbury Shopping Centre on Jericho Tpke.

Handyman Corner

By Alan Freidland
 Through a series of columns in the next few months, we hope to explain the workings of the heating system installed in your home. These articles will cover performance, maintenance, corrective action, and improvements that can be made to the heating system.

Technically, your system is labeled an "updraft, gas fired, return air furnace with two supply zones." This means that there is a fan in your unit which draws air from three centralized locations in your home and passes this air over a heating coil which heats the air and then delivers it to supply outlets in each room. The heating coil can be thought of as a large gas burner similar to your cooking stove.

The air passes over one side of the heating coil and the hot gasses on the other side—via hot air. Each house is basically divided into two zones, and depending upon your model, probably includes your entrance foyer, playroom and den or additional bedroom. The rest of the house is supplied by the other zone.

As the sheetmetal supply ductwork leaves the unit, it is divided into two zones (except in the one zone model). The main heater zone—the one serving the upper part of the house—directly controls the operation of the gas burner through its thermostat. The thermostat on the lower level indirectly controls the operation of the gas burner, after a time delay period which ranges from 20 to 30 minutes.

This means that when you want heat in the main zone and you turn the thermostat to a higher setting, the gas burner will go on, regardless of heating requirements on the lower level. However, when you want heat in the lower level and you turn up its thermostat to a higher level, the gas burner will not go on until that 20 minutes has elapsed, if the main zone thermostat is set low.

When both zones require heat, their thermostats control a mechanism which varies the amount of air to each zone. This mechanism is the volume damper and damper motor located in the supply ductwork.

Our home remedy for this issue of the NFWS, we have, will enable you to balance your heating system to your personal satisfaction regardless of the way the builder designed the house and heating system. Each outlet is outfitted with a lever which permits you to open and close it to regulate and balance your system. In most instances, this is inoperative, because in a closed position, it has a tendency to rattle when the blower goes on. However, each branch duct in the basement is fitted with a small wing nut and manual damper which permits you to readjust the flow of air to each room to suit your needs.

What's Cooking?

By Mary Ellen Lazare
 If you took a vote among the men as to their favorite dish, I think they'd all give "Stuffed Cabbage" a big "Aye." Delicious and hearty, this is a perfect dish for these cold winter days. Don't shudder at the thought of making it, 'cause here is a really easy recipe, Hungarian Style, that will be sure to make lam beans. It was sent in by Muriel Bernstein of 30 Rockland Drive... Thanks, Muriel!

STUFFED CABBAGE (HUNGARIAN STYLE)

- Ingredients:
 1 large can sauerkraut
 2 lbs. chopped meat
 2 1/2 T. raw long cooking rice
 2 cans tomato sauce
 4 T. brown sugar
 1 or 2 heads cabbage
 1 onion
 garlic salt

Use a large covered saucepan or Dutch oven. Into this, put sauerkraut, tomato sauce (adding a can of water to each can) brown sugar and onion. While this is cooking on a very low flame, separate leaves of cabbage (which have been soaked in hot water until tender... or boiled a few minutes until soft). Mix together the rice, chopped meat, and a little garlic salt to taste. Place a small amount of the chopped meat mixture in the center of a cabbage leaf and roll it closed, being sure the four sides of the cabbage leaf are closed, and stick the toothpick in the center where the sides meet. Place the rolled cabbage in the saucepan. Continue until all the meat mixture is used, and then cut any remaining cabbage into small pieces and add to the rest of the ingredients in the saucepan, and cover. This should cook on a very low flame until tender. Surprisingly, this dish tastes even better when reheated a second time.

GOOD EATING!

Junior High P-TO Sets Meeting

Parents who are interested in career opportunities for their youngsters (7th through 11th grades) will find the Jan. 20th meeting of the Jericho High School Parent Teacher Organization a very informative one. It will be held at 8:30 p.m. at the Hubert Seaman building.

A representative of the FBI will talk on opportunities within the bureau. Our school librarian, Mrs. Anna C. Stabler, will discuss the pros and cons of her profession. You will hear too, about the amazingly successful careers of young men who started out, surprising enough as stenographers. There will be a question and answer period and afterward, socializing over coffee and delectable homebaked and store-bought refreshments.

Foundation Will Organize Chapter

On Thursday, Jan. 14th, at 1:00 p.m., a group of women who are interested in helping to combat Nephrosis and Nephritis (both kidney diseases), will meet at the home of Mrs. Pearl Gamm, 70 Briar Lane, Jericho. The meeting will primarily take place to organize a Jericho chapter of the Kidney Disease Foundation. All persons in the community who care to participate are welcome to attend by calling Mrs. Gamm at WElls 8-6751.

Cystic Fibrosis Dinner Success

The Jericho Auxiliary of the National Cystic Fibrosis Research Foundation held its paid-up membership dinner at the Tivoli Restaurant in Westbury on Dec. 28. It was a night to remember. The large attendance, the delicious food and the many beautiful door prizes all helped to make this reception warm and enjoyable. But the best treat of all was the dessert—a 15-piece all-accordion orchestra of children between the ages of ten and 15 known as the Fabacords under the direction of F.A. Burt of the Mid-Island Plaza Shopping Center.

The soloists: Jean Ellen Collinore, aged 12, Dick Browning aged 10, and Dennis Browning, aged 11 delighted the audience with their talented performances. This group donated their time and their talents in the cause of that dreaded fatal children's disease, Cystic Fibrosis, which is rated second as a killer of children. They believe in our motto, "where there is help, there is hope."

Compare Methods Of Education

The American concept that education should be "fun" will be evaluated at the Robbins Lane School, Syosset, on Tuesday evening, Jan. 19, at 8:30 p.m. on English and Russian education systems and methods are compared with ours by Dr. Arthur Neale and Dr. William Nelligan.

Dr. Neale, principal of the Franklin School in New York City, and recipient of the Pinn Award for outstanding work in American education, is well versed in the English system having studied and taught in England for many years. He has conducted various experiments at his school based upon his English experiences and thinks American children may not get the opportunity to progress as rapidly as the Europeans.

Dr. Nelligan, a Syosset resident, is Dean of St. John's University School of Education and has recently led a group of educators and students on a Cultural-Educational tour of the Soviet Union.

16 Fire Calls

(Continued from Page 1)

Davis Construction Co. on Duffy & Charlotte Aves. They also washed gasoline off the roadway at Frölich Farm & New South Rds. A party by name of Wahl, 42, of 120 West Ave., was taken to Mid Island Hospital, Bethpage, in the ambulance, also that day.

Mr. Mulligan, 78, of 125 Cortland Ave. was taken by ambulance to Nassau Hospital on Jan. 10, and Arthur Edstrom of Bamboo Lane was taken to Roslyn Park Hospital on Jan. 12.

Blazing soda cases at the Plaza Beverage Distributing plant, 100 Duffy Ave. called out the men on Jan. 11. The firemen put out burning garbage at the rear of 434 Jerusalem Ave. on Jan. 12.

Obituaries

Richard F. Andreas

HICKSVILLE - A Solemn Requiem Mass was offered at St. Ignatius Loyola R. C. Church Monday at 10 a.m. for Richard Francis Andreas of 172 Cottage Blvd., here, who died Jan. 7. Burial followed at St. John's Cemetery under the direction of the Henry J. Stock Funeral Home.

He is survived by his mother, Margaret (nee Burkin).

Leo J. Goggin

BELLMORE - Leo J. Goggin, father of Rev. Leo Goggin of St. Ignatius Loyola R. C. Church, Hicksville, died Saturday, Jan. 9. He was a retired employee of the N. Y. Telephone Co. He resided at the Clara Bartholomew & Son Funeral Home, here, until Tuesday, when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 10 a.m. Burial followed at Holy Rood Cemetery.

Mr. Goggin is survived by his wife, Margaret, two sons, Rev. Leo and Allen Goggin. Also seven grandchildren.

Bernard Gruner

HICKSVILLE - Religious services will be held at the Henry J. Stock Funeral Home Friday evening at 8 p.m. for Bernard Gruner of 15 Emmet St., here, who died Tuesday, Jan. 12. Rev. H. Nore Olson will officiate. The funeral will be held Saturday at 10 with burial at Lutheran Cemetery.

Mr. Gruner is survived by his widow, Anna (nee Pohan), and two brothers, William and Adolph.

MRS. GEORGE MARTHEN, President of the Central Island Women's Republican Club, congratulating President-Elect Mrs. William Alonge at the Club's annual Christmas Party held at the Plaza Restaurant. Other newly elected officers are Mrs. Gerard Trotta, vice president; Mrs. Albert Rainick, recording sec.; Mrs. James Burke, cor. Sec.; and Mrs. James Hanneman, Treas. Formal installation will take place in January.

"We were trapped in the wilderness 70 miles from Times Square"

"My father-in-law and I were far out on Long Island. Somehow I made a wrong turn, and we ended up stuck in soft sand on a back road. Dad is a severe diabetic, so I was afraid to leave him alone. But he had to have food to maintain his insulin-sugar balance. After waiting helplessly for some time I decided I must go after assistance. Just then, from nowhere, a telephone truck appeared. The men gave us water, helped me free the car and got us safely back on the main road. A little incident, to be sure, but it convinced me that even in this modern, mechanized world there is still no substitute for simple friendliness and helpfulness."

MR. ARTHUR H. WEISMAN
Yonkers, N. Y.

why your phone is such a big help every day. Yet, for all it does, your phone is one of your biggest bargains. Its price has gone up far less than most other things you buy.

Forum to Look At LI of 1985

"Long Island Looks Ahead 25 Years" is the topic of a community-planning forum to be sponsored by Hofstra College on Thursday, Jan. 21, as the second major event in the College's 25th year celebration.

County, town, and village officials of Nassau and Suffolk counties, as well as representatives of health, education, and welfare agencies, and women's organizations, are among the invited guests. The forum, opening at 9 a.m. in the Hofstra Playhouse, is open to the public.

Speeches and panel discussions will be devoted to Long Island of 1985, according to Dr. Harold Wastel, chairman. "The basic intent of this Forum is to create a new atmosphere for public thinking about the problems of planning on Long Island," he said. "We plan to introduce the idea of the well-being of the individual as a basis through which to approach the problems of planning."

Following a welcoming address by President John Cranford Adams at 9:45 a.m., the keynote address will be given by Dr. Halbert L. Dunn, chief of the National Office of Vital Statistics, Dept. of Health, Education, and Welfare.

Nassau County Executive A. Holly Patterson will open the afternoon session in the Playhouse at 2 p.m. and will be followed by Suffolk County Executive H. Lee Demmon at 2:30 p.m. A reaction panel, which will discuss the remarks of the two executives, at 3:15 p.m., will include: Mayor William Gulde, Hempstead; Mayor Joseph Suozzi, Glen Cove; Mrs. Leonard Lester, president, Nassau Council, League of Women Voters; and A. T. Weathers, president, Nassau-Suffolk School Boards Assoc.

A summary of the day's forum will be given at 3:45 p.m. by William A. Kennedy, president, Kennedy Associates, Rockville Centre. Kennedy, immediate past president of Long Island Public Relations Assoc., has conducted municipal, industrial, and welfare public relations programs on Long Island for 14 years.

County Library Staff is Complete

The professional staff of the Nassau Library System is complete for the current fiscal year with the appointment effective Jan. 1, of Joseph Klimberger, chief of the Social Science Division of the Brooklyn Public Library as the Reference Coordinator.

The Nassau Library System is a cooperative effort of libraries in Nassau County to "broaden and supplement the library service available in local communities." Financial support for system operation comes from State Aid, Hicksville and Bethpage Public Libraries are members of the County system.

Among Klimberger's duties will be to develop the Central Reference Collection for the System, to be available as a reference consultant for the member libraries and to supervise interlibrary loan. A central reference collection for the system of over 10,000 titles will be developed over the next five years.

Mid-Island Y Is Affiliated

Expansion of program services of the Mid-Island YM-YWHA at 315 S. Oyster Bay Rd., Hicksville, following its affiliation with the Associated YM-YWHAs of Greater New York was announced today by Melvin A. Block, Associated Ys president, and Leonard Schiff, Mid-Island Y president.

Affiliation of the Mid-Island Y with the Associated Ys, the largest metropolitan association of YM-YWHAs in the United States, will result in financial support and supervision of staff by the association, Block and Schiff said. The Associated Ys will also be available for consultation by the Mid-Island Y board of directors.

Hicksville residents who are officers of the Mid-Island Y include: Sonia Sternberger, 228 Princess St., recording secretary; Harold Wolf, 93 Gardner Ave., corresponding secretary; and Isidore Siegel, 47 Glenbrook Rd., general counsel.

The Mid-Island Y, the first YM-YWHA to serve Nassau, is now in its fourth year of operation. It is the first community agency to be supported by the Federation of Jewish Philanthropies in Nassau and Suffolk Counties and it is the first Y to operate a summer day camp program in the area.

Affiliation with the Associated Ys will permit the Mid-Island Y to expand its services to some 2,000 residents of 20 communities in Nassau County. The Y currently serves half of Nassau, from Uniondale to Farmingdale and from Jericho to Massapequa.

New Jersey Governor Guest of Democrats

Governor Robert B. Meyner of New Jersey will be the guest of honor at the Franklin D. Roosevelt Day cocktail party sponsored by the Nassau Democratic County Committee on Sunday, Jan. 31, at the Garden City Hotel, County Chairman John F. English announces.

The public is welcome at this major annual Democratic function of the winter season, English said. Co-chairmen of the event, which will be held from 4 to 7 p.m., are Mrs. Zola Aronson of Glen Head and Gerard Tully of Sands Point. Tickets are \$15 a couple, and can be obtained from Democratic assembly district and zone leaders or from county headquarters.

Remember—You Read it First in the HERALD

Arrange Annual Brotherhood Event

The five service clubs of Plainville and Bethpage met this week to discuss plans for their second annual Brotherhood Dinner. Represented were: Kiwanis, B'nai B'rith, Exchange, Rotary and Lions. The dinner will be held on Monday, Feb. 15 at 6:30 P. M. at Corte's Restaurant in Bethpage.

The theme will be Brotherhood and a musical program will be furnished by John Marapodi and the Rotary Club. For information, please contact Sol Newborn at WELLS 1-6888 or WELLS 1-3497.

New Tax Office Open at Mineola

A new District Tax Office for the convenience of State taxpayers living in Nassau and Suffolk Counties will be opened today at 140 Old Country Rd., Mineola. It was announced by State Tax Commissioner Joseph H. Murphy.

The new office, to be under the direction of District Tax Supervisor Samuel Michelson, will offer immediate assistance to residents in the area who need help with their personal income tax problems.

Operation VFW

William Gouze Jr. Post
Veterans of Foreign Wars
By LOU PALEODINO

The New Year is well on its way and most of the resolutions have been broken. So we can all settle back to our normal way of living. These holidays are wonderful when they come, but we're glad when they're over.

Sorry to report that we didn't make the 100 per cent paid membership by the date planned. There were only a few unpaid, but this was enough to prevent us from reaching our goal. We did want to gain this ideal. We don't know the reasons for the delay on the part of those few and will just have to let it go at that. We hope that it was an oversight and not any hardship.

Now that the holidays are over, we'll talk about the dinner-dance again. We stopped everything during the holidays for two reasons. First because everyone was shopping, and second because we have enough commitments to guarantee the affair being a success. Remember it's our 25th Annual Dinner-Dance and it will be held in the Millidge Inn in Jericho. Tickets are \$7.50 per person, so those of you wishing to make reservations call me at home on plan of business and I'll be very happy to accommodate you. It will have to be a first come, first served basis. The sooner you notify us, the better.

At the last meeting the weather was so very bad it was surprising that anyone showed up. It's true that we had a poor turnout, but considering how really bad the weather was, it wasn't a bad attendance. Our commander, Bob Obermeyer, was concerned though, but he shouldn't be. Poor guy feels a little responsible, but you all know this much that you can't fight the elements.

There will be an open meeting Jan. 25, at which time our new treasurer, John Taylor, has arranged to have films to show of the Air Force Academy. These should prove to be interesting to the average citizen who pays taxes towards it up-close. So to all our comrades, try to attend that night and bring your friends if you wish. Let's show John that we appreciate his endeavors. It could also prove to be educational to us. Bear in mind that this is an important branch of our annual finances.

The forgetting Vets got in touch with us for a little touch. This being our own, was received appropriately. If we don't remember those men, we can't expect any anyone else to do so. It's so easy to forget when things go smooth, or as smooth as can be expected in these days of high taxation. Proudly we say, that we try never to overlook our moral responsibilities and what belongs to us.

Our 75 stars this week goes to Cesar C. Issomino. How do you like this. Caesar makes most of the meetings, but because of the miserable weather he missed this time. Too bad boy, and so another two bucks is added to the prize. The Post Drawing went to Commander Bob Obermeyer. This doesn't look good, does it? Still he claims it was on the up and up. Let's not make a habit of it, fellow.

This is a sincere wish for a healthy and happy new year to everyone.

Prize Robert, was the special Christmas gift to Mr. and Mrs. Robert Buttner of 3604 Martha Blvd., Postage. The little fellow was born Christmas Day at Mercy-Hospital.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Bob Sutton

While the Sons of The Legion held their meeting this week, Rudy Bourse and his committee started the ball rolling for the March of Dimes program. Our aim is a coin collector in every store within the village of Hicksville by Saturday night. So grab a partner and contact Rudy for this weekend.

On Jan. 18, the discussion and vote will be brought up on the floor as to whether or not we should expand our building. Funds are now needed by the committee to procure professional advice. Different plans will be discussed, but your vote that night is just for funds to cover professional advice. If you have any suggestions, now will be the time to put them on the floor, but to do so you must be present.

At the last meeting, Bob Hase, our Membership Officers, stated that we missed the honor award by 22 members. It was so close, but close is not quite enough. Bob also announced that the Feb. 15, meeting will be initiation night. More information at the next meeting.

Art Butz, our Tripper Lake Chairman, stated that we now have 151 members, which has topped all previous records for our post.

The carolee drawing for \$10.00 was won by Ray Smith, who was not present, so once again the post treasury was ahead.

Art-Blotch, our Deck House Chairman, lit the jackpot, and all he said was, "about time."

As you all know, the big dance on by the Ladies Auxiliary comes on on the Feb. 13, Mrs. Sutton, Auxiliary President, stated that no reservations will be necessary, that it will be first come, first served.

Plus are now under way for the 1960 Convention, to be held in Atlantic Beach from Oct. 15 to 20.

Disabled veterans, widows and children of deceased veterans who receive monthly non-survivor, consented over-son payments from the Veterans Administration, are urged to fill in properly and return promptly the tabulating cards which had been sent to them for use in reporting their annual income.

On Sunday, Jan. 31, from 10 to 10:30 a.m., the American Legion's annual "For God And Country" will be telecast over the New Columbia television system. This annual telecast will be seen under the auspices of the prize winning radio service program "Loving With My Feet" produced by the public affairs division of CBS.

Don't forget, if possible, contact Rudy Bourse this Friday, for the March of Dimes drive; and the big meeting Jan. 18 for the expansion.

See you then.

Teachers Scale

(Continued from Page 11)

ate, rising in six steps to \$11,700 and \$12,000 respectively.

Coupled with the stated intention to make the new scales effective for three years was another motion, which carried 4 to 3, that the Board would in the third year provide for certain fringe benefits yet to be developed and adopted.

CONTINUE BUDGET WORK

The Board of Education during the meeting, Friday night, also took action upon two more proposed code sections of the 1960-61 District Budget. Tentative approval had previously been given to Code 2 and 7. Action upon the salary schedule cleared the way for adoption of Code 3, Instructional Services.

An invitation was received from the Delaware County School Boards Assoc. for a meeting at 12-311 Central School on Jan. 16. School Superintendent Lamb was authorized to send a telegram in the name of the Board of Education stating that the Hicksville Board supports efforts to obtain an increase in state aid to education.

The next regular meeting of the Hicksville School Board is Friday night, Jan. 29.

Legion Auxiliary Dance on Feb. 13

The Ladies Auxiliary of the American Legion Unit No. 421 of Hicksville, is busy making plans for its annual Valentine Dance, Feb. 13, to be held at the Legion Hall, East Nicholas St., Hicksville. Music is to be supplied by Tony Bell and his boys. The ladies are looking for a good turn out.

At their last meeting, Friday, Jan. 8, Frieda Moore was introduced and welcomed as a new member of the Auxiliary.

Jericho Postal Staff is Honored

Several members of the clerical force of the Jericho Post Office and their wives and husbands took advantage of the very generous offer of Paul Miller, proprietor of the Cook-N-Ball Restaurant located on Jericho Turnpike near Brush Hollow Road in Jericho, to be his guests for dinner on Thursday, Jan. 7.

Mr. Miller has made it a practice the last four Christmas seasons to invite the Jericho Post Office clerks and supervisors to be his guests. Postmaster Signe Halleran states that the food as always was excellent and thoroughly enjoyed by all members of the party.

Those in attendance were: Postmaster Signe Halleran and husband, Assistant Postmaster Ken Flanagan and wife, and Clerk Evelyn Halleran and James Marsh with their respective spouses, all of whom wish to thank Paul Miller and his staff for providing ingredients for a very happy occasion.

Catherine Kiesel Becomes Engaged

Mr. and Mrs. John Kiesel Sr. at 73 Thorman Ave., Hicksville, have announced the engagement of their daughter, Miss Catherine Kiesel, and Mr. Walter Walker Jr., son of 360 30th St., Lindenhurst.

Miss Kiesel is a graduate of Hicksville High School and is now employed by Seaman & Eisenman, Inc., of Hicksville.

Mr. Walker is a graduate of Clear Fork High School, Clear Fork, West Virginia and attended West Virginia University. He is now with the United States Army stationed at Fort Sill, Oklahoma.

A daughter, Susan Arlene, was born to Mr. and Mrs. William Brazill of Strong St. Hicksville on Wed. Dec. 30, at Mercy Hospital.

The Fire Horn

prepared by the publicity committee for the fire prevention bureau of the Hicksville Fire Department

With our fire prevention, tour of the average family dwelling now under way with last weeks installment covering the garage and its related fire hazards, let us now proceed to the basement of the home from where we will make our way upwards, week by week, from room to room.

On the average, every day of the year, there are approximately 1400 home dwelling fires, or almost one every minute of the day. Of these approximately 18% start in the basement. The causes, of course, vary and there are many. To mention a few, faulty heating units, poor housecleaning, storage of rags and rags, backboard wiring, hot ashes and coals, chimneys, flues and heat-radiating beneath floors needing maintenance.

BASEMENT HOUSECLEANING

Probably the most serious of these, and also the most difficult to correct, is the problem of poor housecleaning in the basement. It is all too easy and convenient to just discard some item or items that for the moment we have no further use for, but are too sentimental about to discard. These present a tremendous fire hazard in case a small incipient fire does get under way. If you do have some article of furniture, or clothes or other item that is flammable and you don't have a definite use for it, discard it or give it for some re-orientation. They can make use of these objects. Don't store newspapers, old magazines or rags in the basement either, throw them out in properly packaged condition.

Another hazard easily overlooked is the improper storage of flammable liquids such as paints, thinners, solvents, and paint covered rags. All flammable liquids must be stored in a metal cabinet and rags discarded after a few more jobs. This overlooks the possibility of spontaneous combustion.

It is all too common practice for the amateur electrician to install wiring all over the cellar to have your outlets and lights available should be in possibly need or use. Here in the course of using these outlets he subsequently blows fuses, after which he decides to use the larger fuses just to be rid of the nuisance of replacing the proper 15 amp fuses. This is definitely the wrong direction to take. Before wiring the basement, consult your local electrician and let him help you in laying out your electrical requirements. He will install your lights and outlets where they will best suit you and comply you with all your needs, without overloading your circuits. While on the subject of your present fuse box, they should not exceed 15 amps at any time. If

Another Dentist

In addition to the 12 dentists now employed recently as appointed to the positions of School Dentists for Hicksville District the Board of Education has announced Dr. Alfred M. Vasyuka of 501 South Broadway, Hicksville, as a school dentist also.

Fire Prevention

you presently have more than 15 amps, replace them now.

BUILT-IN HAZARD

A built in potential hazard which we all have is our heating unit. This of course is a hazard only if we make it so. About all that can be done for your heating unit is preventative maintenance. Consult with your oil service man and arrange for him to see to it that your unit is not a hazard, through periodic proper cleaning. You can help by not storing flammable material too close to your heater to start with. When you have a coal burning unit be sure ashes and hot coals are kept in metal containers and removed from the basement as soon as possible. Check all chimneys and flues for cracks and etc, and inspect all woodwork in the immediate area for possible exposure to fire and heat. Where there is evidence of charring, insulate with proper materials.

In conclusion, the fire hazard in the basement can be removed if we are all careful and observe a few simple rules:

- 1-Have your central heating system inspected by a reliable service man before the heating season.
 - 2-Make sure all pipes, vent connections, gas vents, chimneys and flues are inspected, cleaned and repaired when necessary.
 - 3-Keep your basement free from rubbish, oily rags, old papers, broken furniture and etc.
 - 4-Store paint, varnish and etc. in airtight containers and in a metal cabinet.
 - 5-Make sure your electrical supply is adequate and your appliances are U. L. approved.
- Observing these rules are a few steps in making your homes fire free. If you have any questions at all on fire prevention please feel free to write your Fire Department, Address—Fire Prevention Bureau, c/o Hicksville Fire Dept. Hicksville, N. Y.

HICKSVILLE

TWO MEN DIED in this wreckage in front of a LIRR locomotive at the Old Country Road grade crossing in Hicksville a few years ago. Accidents of this kind will be impossible when Hicksville's grade crossings are eliminated and there are high hopes that the actual start of such construction may take place during 1960.

Local Musicians Win Many Prizes

Hicksville was well represented in the American Accordionists Association contest held at Charles Evans Hughes High School, Sunday, Jan. 10.

Pretty Lorraine Baker was awarded third prize in the Intermediate-Solistic group and later joined with Sally Ann Luckotti in the Senior "A" Duet for second prize in this group.

Tiny little Diane Meeley who can hardly get her head above her accordion, was awarded first prize medal in the 12 Bass Solistic Group.

In real tough competition, F. A. Burt conducting "Zraith Devorant" in the "A" Band was awarded third prize.

All winners are from the F. A. Burt School of Music, Mid-Island Shopping Plaza, Hicksville.

Personal Mention

EDWARD D. FEE of 101 East St., Hicksville, is among 31 candidates nominated to cadet corporal and assigned as squad leaders in the Naugatuck University ROTC Cadet Battle Group it was announced this week. He is first sergeant of the 2nd platoon of a Company.

Sponsoring Film About Portraits

The Independent Art Society is sponsoring the showing of a sound film on portrait painting at Hicksville Public Library on Monday, Jan. 18, at 8 p.m. in the auditorium of the library. All persons interested in painting are invited to attend.

The annual Society Christmas party was held at the home of Mrs. Ben De Brock, 12 Peter Rd., Hicksville. Twenty members and guests attended. The next study meeting will be held sometime in February.

Showing Cartoon

The Park Lane P.T.A. of Hicksville will present "Gulliver's Travels" a feature length animated cartoon, this Saturday, Jan. 16, in the Park School gym. There will be two performances, one at 10 noon and the other at 2 p.m. Tickets are 25 cents each. "Gulliver's Travels" is a Max Fleischer production.

SHOP at your LOCAL STORE

Women's Society Studies Africa

The regular meeting of the Women's Society of Christian Service of the Bethpage Methodist Church will be held this evening (Thurs.) in the Fellowship Hall. Africa will be the theme of the meeting with Mrs. Agnes Hungerford of Coram, L. I. as guest speaker.

The worship service will be led by Mrs. Kenneth Alexander, and the program, "The Golden Card of Service" under the leadership of Mrs. Dorothy Casill.

A short film on Albert Schweitzer, entitled, "Jungle Missionary" will also be shown, by Mrs. John Baumgart.

Hostesses for the evening will be the Missionary Circle, under the chairmanship of Mrs. Viola Scarsbrick. Members of W.S.C.S. from Hicksville, Plainview and Woodbury will be guests of the evening.

All women of the Bethpage Methodist Church are cordially invited to attend.

Change Schedule For Polio Clinics

During the first three months of 1960, polio vaccination clinics of the Nassau County Dept. of Health will be slightly curtailed at two locations according to Dr. Joseph H. Kimmaman, health commissioner.

During that period 416 polio clinic sessions have been held.

The schedule for the next three months follows:

Nassau County Sanatorium, Old Bethpage—Jan. 23, Feb. 6 and 20 and Mar. 5 and 19 at 1:45 to 3:45 P.M.

Meadowbrook Hospital, East Meadow, every Saturday from 9 to 11 A.M. The schedule for Meadowbrook is unchanged.

Personal Mention

Lisa Doroshka, was born to Frederick and Irene Busch of Engelwood, Calif., Jan. 5. She joins a brother and sister, Frederick and Leilani. The proud grandparents are Mr. and Mrs. William Busch of First St., Hicksville.

The Navy Recruiting Office in Hicksville announced the engagement of RAYMOND J. DE KOV, son of Mr. and Mrs. Larry De Kov, 1 Marjane Lane, Jericho. Raymond was sent to Great Lakes for nine weeks of training after which he will come home for fourteen days leave.

Seaman Recruit enlisted under the Navy's special program for High School Graduates and is guaranteed a Navy Service School upon completion of recruit training. These programs are open to all high school graduates. Contact your local Navy Recruiter and make your diploma work for you.

Adults Register At First Sessions

Registration for the Spring Term of Adult Education classes will take place in the Bethpage Public Schools during the week of Jan. 25. Adult Director Frank Lealey emphasizes the importance of attending the opening meetings of classes that week since registrations take place and fees are collected at the first session of each class scheduled that week.

Brochures listing class offerings are being mailed to residents of Bethpage, and are available at each of the schools in the district. Further information may be secured by calling WE 1-2000 Ext. 213 Monday through Thursday 9 to 4 p.m.

Bethpage Youth Enlists in Navy

Announcement was made today by the Hempstead Navy Recruiting Station, that Daniel Francis O'Sullivan, son of Mrs. Margaret Lavinetti who resides at 22 Whaley Ave., Bethpage, has enlisted in the U. S. Navy for Four Years as Electrician's Mate. He will report to the U. S. Naval Training Center, Great Lakes, Ill., undergoing nine weeks of Recruit Training.

Upon completion of Training Daniel Francis O'Sullivan will be home for a two week leave period before reporting to his next duty assignment.

Attends Course

Dr. Alan S. Innerman, 30 Hazwood Drive, Jericho, has returned from a post-graduate contact lens course held at the Pennsylvania State College of Optometry in Philadelphia. The one week session dealt with fitting and prescribing of contact lenses. Coupled with practice on private patients, there were lectures in anatomy, pathology, and optics, as these subjects applied to a fuller understanding of the subject of contact lenses. Featured at this session was Dr. John C. Neill, world-renowned optometric and contact lens authority, who lectured on the Theory of Contact Lens Fitting.

BELLS FOR ARLINGTON—Hard by the Tombs of the Unknowns at Arlington National Cemetery, work is steadily progressing on the bell tower to house a huge carillon donated to the national shrine by Queen Juliana of the Netherlands. Financed by Dutch contributions, the carillon was presented during the Queen's visit to the United States. The tower stands near the Wright Gate of Fort Myer, Virginia.

Oyster Bay Is Second Biggest

At the close of the first meeting of the Nassau County Board of Supervisors in 1960, it was indicated by County Executive A. Holly Patterson that re-apportionment of the vote on the Board of Supervisors should be based on the forthcoming 1960 decennial Federal census.

The 30 votes on the Board of Supervisors are based on population in the three towns and two cities. Hempstead has 18, North Hempstead, six; Oyster Bay, four; Long Beach and Glen Cove, one each. Re-apportionment of the vote, on a basis of 1957 "interim census" figures would give Oyster Bay more than North Hempstead.

"I should think that the forthcoming Federal enumeration, declared the County Executive in answer to a query from Supervisor Joseph Sunzi of Glen Cove, "would be a better basis for any proposed reapportionment since its figures would be an accurate, up-to-the-minute census."

The 1957 census for which Nassau's towns and cities contracted with the U.S. Bureau of the Census to increase per capita aid from the State of New York, gave Nassau 1,179,430; Town of Hempstead, 709,068; Oyster Bay, 264,490; North Hempstead, 205,864. The City of Glen's population, included in Oyster Bay's total is 21,022; Long Beach, included in Hempstead's, 22,757.

Attendance to the Bridal Fashion Show, which marks the establishment's initial bridal showing, since its recent openings at the Mid Island Plaza, is by invitation only, and is limited to brides and their guests. Known as "Long Island's Largest Bridal and Formal Salon" for over 25 years, Buckner's parent store is located in Jamaica.

Legislative Team On School Finance

Nassau's legislators, meeting with County Executive A. Holly Patterson in the first of a series of legislative conferences had this to say through their spokesman, Assembly Speaker Joseph F. Carlino: "Insofar as any financial proposals (for schools) are concerned, we will study carefully the merits of suggested plans when they are made in detail. We shall analyze them in the light of what is best for the interest of Nassau's schools and education in general. . . . In addition, we intend to formulate a plan of our own for the relief of school taxes. . . . It is our principal objective to obtain every increase in State Aid possible above the regular formula and to get increased aid for our emergency districts within the present framework of State taxes and State finances. . . ."

Fehrenbach Reports On Radio, Saturday

Assemblyman Edwin J. Fehrenbach of Bethpage will appear on the "Report from Albany" series heard over Radio Station WHLI, Hempstead, this Saturday, Jan. 16, at 1:45 p.m.

Republic Workers Get Pay Increase

A cost-of-living pay increase amounting to approximately \$375,000 for more than 11,000 employes was announced by Republic Aviation Corporation. Salaried employes are receiving an additional 80 cents per week, while hourly workers were raised two cents an hour.

These latest increases — the fourth round since Republic's cost-of-living formula went into effect last year — are exactly double the third adjustment granted on Oct. 5. Republic officials pointed out, and bring total pay raises to \$2.04 a week for salaried employes and six cents an hour for hourly workers. The over-all payroll increase as a result of the cost-of-living raises now stands at approximately \$1,375,000.

Trousseau Fashion Show at Buckner's

A large, beautiful collection of the latest in bridal gowns, bridesmaid, flower girl and mother of the bride dresses, as well as trousseau wear, including coats, suits, sportswear, accessories, etc., will be featured at Buckner's 1960 Spring and Summer Bridal and Trousseau Fashion Show, this Saturday, Jan. 16, at the Mid Island Plaza Store in Hicksville.

The Fashion Show, highlighted with a catered Bridal Breakfast Reception, will get under way at ten o'clock in the morning, and will be climaxed with the grand opening for an exquisite bridal ensemble — a gown of organza or tulle, with matching bridal crown and veil.

Other exciting prizes will also be given away, and special "surprise" features will add to the fun and festivities. Many fashion celebrities will be in the store to greet the guests.

Int. Little League Meets On Constitution Jan. 25

/ BY GEORGE J. NATHAN
The next meeting of the Hicksville International Little League will be held on Monday evening, Jan. 25, in cafeteria "A" of the Hicksville Senior High School on Division Ave. The main subject under discussion at this meeting will concern the adoption of the new constitution over which Ed Farrell and his committee have slaved mightily to bring into being. The adoption of the new constitution will have an important and far reaching effect on the league so we urge all members to attend. Voting on the adoption will be held at the February meeting but you should know what it contains before you can vote intelligently. Let's see a real good attendance at this meeting.

REGISTER SATURDAY

Registration for new boys wishing to join our league will be held Saturday, Jan. 16, between the hours of 9 a.m. and 12 noon at the Senior High School application for admittance to the league have been distributed to the schools in our district. However, if you have been unable to obtain one, come anyway since plenty of forms will be on hand at the High School on Registration Day.

The executive board meets on this evening (Thurs) at President Mel Mazzulo's home. The board must arrive at a decision on just how the league will be set up for the coming playing season. Under discussion will be whether or not the league will expand its minor division and eliminate the farms, or if the League will experiment with a club or remain status. There are many decisions to be arrived at and it is

Boobs Defeat Trinity Team

In a replay of the Senior Division Championship of the Hicksville School District Recreation Holiday Basketball Tournament, the Boobs defeated Trinity Lutheran 15-7. Steve Bost of the Boobs led all scorers with 17 points. Bob Carine and Bob Moutie between them contributed 22 points in a winning effort.

Members of the Boobs were: Bob Carone, Moran, Bob Casale, Butch Burke, Dennis Nove, Louis Fontana, Stan and Dennis Strickman. For Trinity Lutheran were Tom Moran, Polina Moss, Brian MacArthur, Clemente, Eugene, Frank, Billy, Kerwin, Jimmy, Frankie, William, Michael, Joseph, Grant, John Cole and Harvey Holmes.

The game was one of 25 games in three divisions. Other division winners were Lee Avenue in the Elementary League and the Nats in the U. High tournament. The Hicksville Athletic Assoc. cooperated with the school district by supplying officials for the Senior tournament and donating \$150 to the awards for the winning teams.

National Ladies Meeting Jan. 27

The Women's Auxiliary of the Hicksville National Little League will hold their regular monthly meeting on Wednesday, Jan. 27, at 8:30 p.m., in Levittown Hall. All members are urged to attend.

STEPHEN H. PESCHEL, son of Mr. & Mrs. Herbert Peschel of 61 Fox Place, Hicksville, was home one leave from the Navy, after completing recruit training at Great Lakes. Stephen arrived home on Dec. 10, and left Dec. 28, for his first duty assignment. Stephen reported to the Naval Ship Yard at Charleston, South Carolina and will be temporarily assigned to the U.S.S. Proteus AS19, a submarine tender.

Sam Ray served as Vice President of the minor division and before that managed a major division team. We welcome Ray's return to the top division and wish him success.

The Ladies Auxiliary are holding their January meeting on Tuesday, Jan. 26, and make a special plea to all members to attend as correlating of chance books will be completed at this meeting.
