Entered as Second Class Matter at Hicksville, N. Y. Post Office

Dr. Lant First Jericho Superintendent

Jericho Union Free School District, one of the largest in Nassau County from the standpoint of land area, has been designated a Superintendent and Dr. Kenneth A. Lant, supervising principal, has been named the first Superintendent of Schools.

State Education Commissioner James Allen, in an order issued Jan. 8, designated the superintendent which recognizes the growth of the District from the standpoint of population to the point where it enjoys greater autonomy.

Dr. Lant, the first Superintendent, named by the Jericho Board of Education, has been with the Jericho Schools since 1945. When he came to the community there

was one school building with an enrollment of 86 pupils. Today the District has a high school, two elementary buildings, one school under construction and another scheduled for public referendum on March 5. The present enrollment is 2,400 and still climbing.

Before coming to Jericho, Dr. Lant was a school principal in New Jersey and a principal, supervisor and teacher in the Evansville, Ill., area.

He received his doctorate degree from Columbia in 1950.

He is a charter member of the Hicksville Rotary Club and a member of its board of directors. He is vice president of the Nassau County

Extension Service and President of the Vocational Educational and Extension Board in Nassau.

His honorary educational fraternities include Phi Delta Kappa and Kappa Delta Pi.

He served as a lieutenant in the infantry during the War. Prior to entering the Army, he was an educational consultant to the Civil Aeronautics Administration.

Dr. and Mrs. Lant have a 14-year-old daughter, Kathryn.

The Jericho School District (no. 15) lies mostly in the Town of Oyster Bay with a portion in the Town of North Hempstead.

The State Education Dept. Commissioner's order became effective immediately.

Two Bomb Scares In Local Schools

There were two bomb scares reported in Hicksville Schools this week. A report of a bomb in Junior High School on Thursday morning, Jan. 21, led to the apprehension of a 14-year-old boy, who has been suspended from school and is scheduled to appear in Children's Court for informal hearing next week. It is test time at the Senior High School where a bomb scare was received at 2:45 p.m. Tuesday.

In both cases the buildings were emptied of all students and personnel while a search of the premises were made by police without results.

Seniors Present Comedy 4 Nights

The Hicksville High School Senior Class will present their annual three act play on four days, Feb. 21, thru 27, in the auditorium of the High School on Division Ave.

The play selected this year is the hilarious comedy, "My Sister Eileen," written by Joseph A. Fields and Jerome Chodorov. The production is under the direction of Albert E. Bewan. Student Directors are Virginia Parker, Joyce Scolaro, and Kenneth Henkel.

The leading roles will be portrayed by Angela Payne as Ruth and Jill Altman as Eileen. The cast will also include Steve Falkow, Fran DeCabbia, John Neglia, Harold Berkowitz, Griffith Ziegler, Tom Sik, Richard Bizzato, Art Center, Barbara Laven, Bill Ramos, Joe Green, Robert Nadell, Jane Cortain, Sharon Wolfson, Fred Hardeon, Tom Sointinen, Linda Zuckerman, Noel Dennis, Mitchel Egan, William Becker, Allan Court and Robert Birkel.

Vocational Day Jr. High First

Vocational Day was held in the Hicksville Junior High School on Tuesday, Jan. 12, during the first period of the day.

The program gave all eighth and ninth grade pupils an opportunity to gain better understanding of a vocational area so that wiser choices may be made by them for subsequent education in preparation for future work according to Bernard H. Braun, principal.

The seventh graders assembled in the Boy's Gym for a Group Guidance period with counselors H. Barnes and H. Powell.

The eighth and ninth graders elected two areas of attendance on a selection sheet a number of weeks ago and then were assigned one of these areas on Vocational Day. Most pupils were able to attend their first choice because twenty-six different vocational fields with 29 speakers in attendance were finally arranged.

The speakers gave their time and service voluntarily and represented diversified occupations, preparations and experiences. They arrived at 8:15 from the area between New York City and MacArthur Airport, and from Freeport to Cold Spring Harbor, as well as from Hicksville.

The speakers brought into the classroom contact with the real world of work. They furnished information about various fields of work and jobs, sketched desirable preparations, talents and abilities, and stressed

Youth Group Elects Officers

The Christian Endeavor Youth Group of the Hicksville Church of Christ elected the following officers for one year: William Palmer, President; Judy Topfiff, Vice President; Adele Rand, Secretary and Susan Williamson, Treasurer.

These young people meet at 7:30 p.m. on the first and third Sunday of each month in various homes, and in the church for Bible Study and Christian Fellowship.

Guest of Firemen

Hicksville School Principals, Administrators and Board of Education members were guests of the Hicksville Exempt and Benevolent Firemen's Assoc. Inc. at its quarterly meeting, Monday night in the E. Marie St. Firehouse. Films of the tragic Chicago parochial school disaster were shown. George Renne of First St. is president of the Exempt Assoc.

the academic preparation needed as well as answered questions raised by pupils. In some groups samples and examples of work were displayed, as well as appropriate leaflets distributed.

This program is another "first" for Hicksville, although the second year to be held. It is the only program of its kind in the school system at present. Such a multiple program will be offered by a Junior High School. The program was organized by the Vocational Day Committee composed of O. Meissner, S. Royce, J. Doherty, and R. Kirby.

Chamber Office Moving on Mar. 1

The Hicksville Chamber of Commerce office will move, as of March 1st, from 75 Broadway to 29 W. Marie St., Hicksville. It was disclosed today by Chamber President Aaron Rochman. The new office was chosen to render more effective service to the members and community, he pointed out. The office for about five years was located on the second floor.

The next regular Chamber meeting takes place Feb. 5.

500 MOTHERS will take part today, Jan. 28, in the Hicksville Mothers March of Dimes. Checking final plans (seated, left to right) are Marie Truhan, co-chairman of Mother's March; William Buchman, Dimes drive chairman; and

Adelaide Katz, chairman of Mother's March. Standing, left to right, Zone Leaders Eileen Nankeville, Lillian Zagursky, Daniel Nelson, Jeanne Robinson and Esther Mahler. (Photo by Frank Mallett.)

Result of Court Action: See Double Sessions For Jr Hi In Fall

About 3,000 students of Hicksville Junior High School are confronted with double sessions at the start of the fall term next September as an immediate result of the court action brought by ten taxpayers against the School District seeking to void the Nov. 19 school expansion referendum. School authorities were this week gravely concerned with more far reaching effects of the court action upon the school program even with immediate legal steps to dismiss the action.

The Board of Education this Friday night at its regular meeting is expected to authorize its attorneys, Sullivan & Corcoran, to proceed immediately to ask the Supreme Court for a dismissal of the action brought by Harry Goebel, attorney for a group of taxpayers.

The process of seeking dismissal of the suit is expected to result in enough delay to upset the delicately timed program for moving of classroom facilities to the Junior High School in time for the fall term.

Dr. Wallace E. Lamb, superintendent of Schools, in a letter to parents distributed prior to the referendum had noted "the key is the moving of the temporaries." The action brought against the District last week has the effect of stalling all progress on the two million-dollar school expansion program.

LAMB CITED FORECAST

Dr. Lamb's letter to parents noted "Dr. M. Cormick stated that the elementary school enrollment will decrease from 8,600 in 1960 to 8,425 in 1961, 8,170 in 1962, 7,775 in 1963, 7,315 in 1964, 7,050 in 1965 and eventually to as low as 4,200 before reaching the long range enrollment of 4,800. This will permit the gradual moving of the temporaries without causing undue congestion in our elementary schools and without impairing the quality of elementary education in the District. Yet the moving of the temporaries will preserve the high quality of our secondary education."

The possible effect of the court action upon the carefully developed plans of the Board of Education and school administration was outlined by Allen S. Carpenter, president of the School Board, speaking at a meeting of the Hicksville Council of Parent-Teacher Associations at Nicholas St. School last night (Wed).

Carpenter's comments upon the District school expansion time-table appears on page four in this issue.

Dear Jean:

Dr. JOSEPH MALONEY, professor of political science at Fordham University, has resigned that post to assume the duties of top personal assistant to Gov. Foster Furcolo of Massachusetts. The office pays \$10,500 per annum and is a grant issued through the Citizenship Clearing House. Maloney, formerly of 10 Boulevard Dr., Hicksville, is best remembered locally for his unsuccessful bid for School Trustees when he ran with Milton Levitt and Adolph Solominer. Maloney, who now resides in Jackson Heights, was a speech writer for Estes Kefauver in his bid for V.P. in 1956.

MICKIEY MURRAY, 14 year old son of Mr. and Mrs. Jack Murray of Center St., Hicksville, won the first trophy in skiing on Saturday afternoon at the ski run at Dix Hills, Huntington Station, L. I. . . . Belated birthday greetings to DOMINIC DENNINO of Park Ave., Hicksville who celebrated last week. . . . Understand the ROBERT CORCORANS of Twinlawn Ave. have bought a new home on Jerusalem Ave., and expect to move there in the near future. Good luck in your new home. . . . Our congratulations and best wishes to all the newly engaged couples in our vicinity—Miss ELEANOR THERESA MORRISON daughter of Mr. and Mrs. J. E. MORRISON of Hicksville to JOSEPH A. MURATO, of Oyster Bay; Miss ROBIN F. MULLOY, daughter of Mr. and Mrs. J. J. Malloy of Glen Head to GEORGE H. HALLERAN, son of Mrs. Michael Halloran; Miss BETTY JEAN AGIESTA, born at Jericho and Mrs. James Agiesta of Bethpage to Albert K. Boasi of N. Calabrese of Freeport to Gary Lee Sprague of Plainville; YERONICA MARY SMITH, daughter of Mr. and Mrs. Roy D. Smith of Bethpage to THOMAS L. MOTLEY, Jr. of N. Massapequa. . . . Another good word for our friend, ED QUINN of Quinny Fuel Oil, who on Christmas Eve, helped a family in distress (no fuel oil). And the family was not a regular customer. That's what we call being a good guy. . . . Good to see the smiling face of MARY BLOSS back at her desk in the Hicksville P. O. after a week's illness. All the boys were glad to see her back too. . . . Mrs. JOHN CHRIST of Field Ave. is back at home again after a stay at Nassau Hospital. Get well soon, Mrs. C. . . . Our sincerest sympathy to the family of Mrs. JOSEPH CUCCARO of Bay Ave., Hicksville who died on Saturday afternoon. In our long years of living in Hicksville we never had the pleasure of meeting Mrs. Cuccaro, but we have known her daughters and sons from our school days, our daily associations and seeing her grandchildren grow up with our children. In our opinion, she was a wonderful person because she has a wonderful family.

The Glen Cove-Hicksville Mercy League will meet on Thurs. Feb. 4th, at the Brookville Country Club, starting with luncheon at noon. . . . Miss GRETCH BUCSAGRA of S. B'way, Hicksville home for a week's vacation from St. Joseph College at Emmetsburg, Md. Sorry to hear that her brother Joe was involved in an auto accident over the week-end but thank goodness was not too seriously hurt. . . . Hear that Mr. and Mrs. JOHN STARYK of Burns Ave., Hicksville have welcomed a new son into their household. The Staryk's are now the proud parents of five children and Daddy Staryk operates Fairway Farms. . . . Sorry to hear of the death last week of AUGUST RITZLER of Bellmore, brother to George Ritzler, Sr. of Hicks Circle. George and his immediate family drove to Amelco, Texas, where the funeral services were held. . . . Congratulations to the happy grandparents, Mr. and Mrs. FRANK FAY of West St., Hicksville who welcomed, twin grandsons last week. The boys, first grandchildren for the Fay's were born to their son and his wife.

Spies report that the Company 6 installation dinner-dance, held with the backing of Emergency Co. 5, was a gallant success last weekend. JOHN LARKIN and JOHN JEANSON, as assistants to the masquerade entertainer contributed to the fun of the evening. Larkin says now it can be told: He was "cooperating" with the magician in that hot seat act, having been tipped off in advance. . . . No, no. . . . National Home Builders Elect Frank

Leonard L. Frank, partner in Stackler & Frank, developers of the vast Mid-Island Shopping Plaza in Hicksville and well known home-building firm, has been elected vice president of the National Assoc. of Home Builders during the 16th annual NAHB convention in Chicago last week. Frank was treasurer of the National organization during the past year and for 10 years has been active in affairs of the National Assoc.

His nomination was endorsed by all incumbent officers and members of the NAHB Executive Committee together with endorsements from most of the local NAHB affiliated associations throughout the country.

He was a member of the eight-man Convention Committee which met on the big annual show of the Home Builders in Chicago, Jan. 17 to 21. During the session Herbert Richelimer, well-known home improvement specialist with headquarters on Jerusalem Ave., Hick-

ville, appeared on a program, "Operation Remodeling".

Major home building projects in the past decade of Stackler & Frank in Hicksville were: Frank Homes along Lee Ave., Woodbury Gardens north of Woodbury Rd. and Trade Secrets Homes, north of Willets Ave.

Although only 55 years old, Frank, a two-term past president of the Long Island Home Builders Institute, has had 36 years' experience as a practical "muddy-shoe" large-

volume home builder, plus ten years of intimate familiarity with top-level NAHB activity.

Since 1949, he has represented the L.I. Home Builders Institute as a National Director, and his years of mature service at the national level include:

National Committees
Four successive appointive terms on the NAHB Executive Committee in 1951, 1952, 1953 and 1954, and in 1959 from his elected position as NAHB treasurer.

For three years (1956-58) a trustee of the National Housing Center, serving in 1958 as vice-chairman and as co-chairman of the Center's Public Relations Committee. Last year, as national officer, he continued to meet with the trustees.

In 1955 and 1956 general chairman of the NAHB convention and member of the Convention Committee in 1957 and 1958. Other national committee chairmanships include Construction and Design (1952), Educational (1953 and 1954) and Resolutions (1955). He also has served as a rank-and-file member on numerous other standing and special committees.

Frank is a leader in community affairs, is a deacon in the Boston Presbyterian Church, and is thoroughly familiar with the problems and workings of local builder association. During his two terms as president of the L.I. Home Builders Institute (1949-1950) its membership increased from 214 to 659, a gain of 208 percent.

No Ambulance Calls in Week

For the first time in weeks, the Hicksville Fire Dept. did not receive any calls for the ambulance during the week ending Jan. 26.

A total of five fire calls were received during this time, the first being on Jan. 21, to 82 New So. Rd., where a TV set caught fire.

The next two calls were grass fires, both occurring on Jan. 23, one at Cherry La. and Newbridge Rd. and the other at New So. Rd. and Somerset Ave.

On Jan. 24, the firemen were called to Jerusalem Ave. and So. Dean St., where the 1959 Renault owned by Jeremiah E. Judge of 34 Cloister La., had a minor fire as a result of backfire.

There was a basement fire in the home of August A. Nouse, 115 Park Ave., on Monday morning, Jan. 25.

Current Comment Looking Forward To Snazzy Sixties

BY FRED J. NOETH

THE TEMPO OF LIVING and our way of life seems to speed up with each passing decade. Each day and year brings new processes, new ways of doing things.

At the threshold of the Snazzy Sixties, many of us can anticipate developments and events in the next 10 years which in the past would have taken 50 years to accomplish.

A group of public officials, participating in a special program celebrating the 25th anniversary of Hofstra College a week ago, looked a quarter century into the future to make some predictions for 1985. County Executive A. Holly Patterson endeared himself to us by predicting the possibility of a monorial over the present LIRR right-of-way as a solution to the Island's transportation problems. This has been a loud prediction of ours, although we are not prepared to say just when it will come to pass.

The County Executive also spoke of the extensive development of parks on both the North and South Shores of the county. This is another loud dream of ours, although we feel the time for action to preserve open space in Mid-Island is now. We have, for instance, given up the hope that the town or some other government agency will acquire a substantial chunk of the former Press Wireless property for a community or regional park.

Community swimming pools are becoming common places on the Island, Hicksville, with its 50,000 or more population is an exception and adequate area for such an installation has almost become a necessity. We need an area where Boy Scouts and Girl Scouts can gather, where all youngsters and adults can enjoy ice skating and roller skating.

Such a community park area of 50 or more acres, could also provide us with a heliport—a landing place for helicopters, one of the essential vehicles of commerce tomorrow if not today.

The Snazzy Sixties are here. Are we ready to develop our true potential?

It's Your Problem Too!

By ALLEN S. CARPENTER
President Hicksville School Board

Today we have approximately 2,700 pupils in Hicksville Junior High School. Next September will see almost 3,200 in attendance at that building.

We had planned to have 12 rooms in the Junior High School ready for occupancy by Sept. 1960. With these additional rooms the Junior High School could have opened on single session with approximately class sizes averaging 32 pupils each. With the additional 12 rooms the average class size will jump to approximately 46 pupils each. Such class size will jeopardize continued single sessions.

The Sundry Council's action brought against the school district is asking the courts to set aside the voters' wishes, as expressed in last Nov. 10, 1959. Until the court action is decided the school board cannot move to add rooms, buy land to build the Whately Ave. school. We find our hands tied by the legal maneuvers of Council Sundry and pals.

For over one year school board members, the administration, the parent-teacher associations, the principals and hundreds of Hicksville citizens have all been working together to develop a school expansion program that would meet our needs and fit our pocketbook.

When such a plan was finally worked out it was explained to the community, 2,678 more people registered, bringing our list of registered voters to a new record high. On Nov. 19, 1959, the Economy School Building Program was approved by a 3 to 2 vote, with a majority of over 1,000 votes.

Sundry and Goebel's "No" vote now outweighs a year's hard work and planning by hundreds of people and the 2,877 "Yes" votes of the citizens of our community.

TEN YEARS AGO THIS WEEK IN THE HERALD Asked Levitt to Pay for 3 New Schools

The Hicksville Civic and Community Assoc. announced it would attempt to have Levitt & Sons bear the expense of constructing at least three schools in Hicksville School District requested because of new home building in the School District by the housing developer. This was the top headline news in the Mid-Island HERALD ten weeks ago.

At the same time it was revealed that Dr. Felix McCormick in his first recommendation to Hicksville Board of Education stated that the acquisition of eight sites for future school buildings in the district is a necessity.

Other headline news ten weeks ago this week was:

Dr. Charles J. Masek resigned as a member of the Board of Education after serving nearly five years. He was first appointed to fill the vacancy caused by the death of the late Harold Van Winkle and was subsequently elected to the position.

Rev. G. P. Copeland, priest-in-charge of

Holy Trinity Episcopal Church, commented upon the growth and changes in the area during the three years served in Hicksville.

Evelyn Crosbie, president of Nicholai School P-T.A., was the subject of a special interview in the HERALD "Meet the Ladies" series.

St. Paul's Lutheran Church in Bethpage announced a drive to raise \$20,000 to build a parsonage adjacent to the present church.

John R. Brandt, Town Highway Superintendent, said that the lack of snow this winter season did not annoy him although he had 47 units of equipment ready to swing into action to battle the elements.

Stephen Rykowski of the Hicksville White Eagles Society was elected president of the Nassau-Suffolk Polish National Alliance in Brooklyn.

And in Plainview they had a unique first: Every boy in the community of Scout age was enrolled in the first troop chartered there, No. 13.

Reader Opinion

To the Editor:

At the last meeting of the Lower Town Property Owners Association we were discussing the series of fare hikes of the Long Island Rail Road. I cannot recall any issue that had so stirred up our membership. I understand that another fare increase is in the making.

The reason it had so stirred up is not hard to see. All of us are users of the rail road. Some of us commute to work on it. Those fare increases in addition to recent increases in school tax, gasoline tax, cigarette tax, etc., our first state payroll tax, our proposed sales tax, have many of us fear that there will be no let up until we will be tired out of our bones.

What can be done to arrest any further fare increases before it will become prohibitive to use the rail road? This is the topic to be discussed at the next Levittown Property Owners Association meeting which promises to have the largest turnout of its ever had. Have any of your readers any answers? Many suggestions are being made. If there anyone in possession of facts? Please do not hold them back. We want a solution not an accusation.

Hicksville Landmarks No. 3

THIS MODEST structure was probably Hicksville's firehouse and while the building no longer stands, the site is to this day the location of the main Firehouse on E. Marie St. The Hicksville Fire Dept. was organized 67 years ago, when four volunteer companies were drawn together. The first company, Hook and Ladder, was organized in 1869. Company 2 came into being in 1888 and Chemical Co. 3 was formed in 1893. Company 4 was created in 1904 and Company 5 began in 1927. Hand-drawn equipment was housed in this shed and the alarm was given by whaling a section of RR track bent into a circle.

See \$15 Million Extra Aid for Schools

A five-point plan of Nassau County legislators agreed on Friday at a conference in the office of County Executive A. Holly Patterson would add about \$75 million to the State's participation, resulting in approximately \$15 million for Nassau's school districts "above and beyond" what they are now getting in "assistance."

"We believe this amount obtainable even if Gov. Rockefeller fails in his appeal to President Eisenhower

to release to the State the telephone tax," Assembly Speaker Joseph F. Carlino told newsmen following the legislative session. "There will be unexpended balances in many State departments available."

The five-point plan advanced as the legislative program for Nassau's schools follows in brief:

1—Calculate State Aid on a basis other than average daily attendance of the preceding year, using

current attendance figures. This would produce approximately \$25 million statewide, Nassau and Suffolk getting about one-half, Nassau getting 60 percent of that half.

2—Disregard absentees because of religious holidays in all calculations, thus removing what is actually a penalty for some districts, full academic year of 180 days, regardless of closings. This consideration is estimated to yield from \$10 to \$12 million.

3—Update provisions in law for extra aid for high-tax school districts of over \$19. tax on each \$1,000, adding \$2½ million to formula, qualifying more districts, putting money where needed most.

4—Adjust formula in advance for building, adding \$4 million to the sum now mandated.

5—A percentage increase in the foundation program of about two percent, resulting in approximately \$30 million on which Nassau should get large proportionate share.

County Executive Patterson explained that he had asked the county's representatives at Albany for the creation of a "Nassau County Commission on Medical College," similar to the Commission on College Education which led to the start of the Nassau Community College. Such a bill will be drafted and introduced into both houses at an early date.

"There are more qualified young men and women in our country who want, but can't get a medical education," stated Patterson. "In any where in the nation, New York City and Syracuse now have the only two in the State, we need the third right here."

It was pointed out at the press conference that since 1950 Nassau's school district budgets have increased by 230 percent, but State Aid has increased 206 percent. The State now pays about 30 percent of the cost of local primary and secondary education, Nassau has some school districts with per pupil costs of up to \$800 while the Educational Conference norm is only \$400. Nassau's lowest is said to be \$500.

GUEST SPEAKER at the Arrowhead Boy Scout District Committee meeting on Jan. 19, Richard Blauvelt, standing, Nassau County Scout Executive gave a most hearty warming and encouraging talk on Boy Scoutings' 50th Anniversary as it applies to Nassau County. Seated, left to right, William Scollay, District Scout Executive; Warner Lansing, District Chairman and Walter Freund, District Commissioner.

Alert Dog Owners

With approximately 16,000 dogs in the Town of Oyster Bay, only 3,000 pet owners have procured their 1960 dog licenses. Town Clerk Henry M. Curran, is concerned over the fact that Animal Shelter wardens may not be able to identify stray dogs picked up and brought to the Shelter. Dog licenses may be obtained at the Hicksville Office, Town Hall, 65 Broadway, or at the Town Hall in Oyster Bay.

Democrats Pick Two Candidates

The first two Democratic candidates for the 1960 election were designated unanimously last week by the Nassau Democratic executive committee, meeting at Mineola headquarters.

Thomas J. Higgins, Jr., of Albertson, who made a record run for the Assembly in 1959, will seek the State Senate seat vacated by Mrs. Genesta Strong.

Charles W. Anderson of Massapequa Park, who exceeded all past Democratic performances last fall in running against Mrs. Strong, was named to oppose Edwin Fehrenbach of Bethpage for the 4th Assembly seat.

Higgins is 35 and Anderson 36, and each is the father of seven children. Higgins, a former FBI man, is an attorney in private practice at Williston Park. He holds the rank of Marine Corps captain, with three years combat service and 17 years reserve duty.

Anderson, a labor-management representative with a group health insurance firm since 1957, is a member and former chief shop steward of Local 153, Office Employees International Union.

Proposes Study Of School Finance

Senator Edward J. Speno of East Meadow, has introduced a bill at Albany providing for the creation of a commission to make a comprehensive study of the local problems of the educational system of the state of New York.

"In view of the great demand for resources in government and the insupportably high cost of education and the many suggestions for new types of financing to meet the cost of education," Speno said, "I feel that the time is most opportune for a complete, honest and objective appraisal of the manner in which these great sums of money are being spent for education and an intelligent involvement of an entirely new concept for the state support of our educational system."

"This is not a substitute for increased state aid. This session of the Legislature cannot adjourn without bringing serious study to bear upon the need for relieving the local taxpayer."

"This bill," Speno continued, "is intended as a vehicle for the appointment by the Legislature of experts in the fields of business and financing who can make an intelligent and factual study of the cost of education, a re-examination of present formula for state aid, a study of new sources of revenue at both the state and local level, use of non-property taxes, study the new concept suggested by Gov. Rockefeller of a federated school district empowered to levy a sales tax, study of the feasibility of staggering classes and alternating teachers so that the school facilities are used for the entire year and thus reduce the need for new building construction, and study of the Education Department, its rules, regulations, decisions and functions as they relate to the fiscal problems of education."

"It seems clear to all who have studied this important question that the rising cost of education must be met by a new method of financing that will clearly fix the obligation of the state and the burden of the local taxpayer and obviate the need of each year adding millions of dollars to demands of the budget without providing the additional funds for this need."

Tribute Dinner For Boy Scouts

On the occasion of the 50th Anniversary of Scouting, Feb. 8, a Tribute Dinner will be given at the Garden City Hotel. Tickets are available from Arnold Krinsk, 97 Victor Street, Plainview.

At this dinner tribute will be paid to the people who do so much in achieving the continuous success that Scouting enjoys in our country. The speaker for the evening is the dynamic Scout personality, Hon. H. Roe Bartle, Mayor of Kansas City. Program events will feature The Sperry Corraliers, soloist Al Hill, a boy scout pageant ending with the unveiling of the birthday cake for our scouts.

The attendance at this dinner will be made up of Scouters, and former Scouters, Silver Beaver recipients, Community Leaders—Business, Industry, Professional, Educational, and Political, Campaign workers.

Set Registration Days for Vote On Cantiague School Bond Issue

Registration for voting on the bond issue to finance the proposed Cantiague School in West Birchwood will take place at the Robert Seaman School on Thursday evening, Feb. 25th from 4 p.m. to 10 p.m. and Saturday, Feb. 27th from 2 p.m. to 10 p.m. Voting for the bond issue will be on Saturday, March 5th from 12:30 p.m. to 10 p.m. at the Robert Seaman School.

Among requirements for registration are: the voter must have resided

in the school district for at least the previous 30 days; he must be a taxpayer or if he is a tenant, he must have a child presently attending a Jericho school district school.

According to Art Carin, co-chairman of the Education committee, the issue must be approved by 75 of the persons voting.

"Failure to approve this bond issue," said Carin, "will mean substantial double sessions for the elementary school in the school district."

School Board Adopts Suggestions By Cantiague School Committee

By MORT WINTHROP
The Jericho School District Board of Education has approved nearly all of the recommendations of the Citizen's Advisory Committee of the Cantiague School. The Citizen's Advisory Committee is made up of members of the civic associations functioning in the School District.

These recommendations have been passed along to the architect, according to Sam Hecht, chairman of the School Board, for inclusion in plans for the West Birchwood School wherever possible.

A bond issue to pay for the Cantiague School will be voted on March 5.

Hecht pointed out that the final cost of the school cannot exceed \$1,800,000, and if this cost is to be maintained, economies may have to be made somewhere along the line from among the Committee's recommendations.

The Committee has suggested a multi-level building in order to conform to the unusual size and shape of the land available for the school. It has suggested that the architect use an imaginative rather than an institutional approach in his design of the building. It was further suggested that the entrance of the school face away from Cantiague Road and the Westbury Drive in Theater.

Other recommendations include:

- (1) Creative use of materials for attractive rooms and interiors.
- (2) Separate rooms for auditorium, cafeteria, gymnasium, and library.
- (3) That the auditorium's fixed

What's Cooking?

By MARY ELLEN LAZARE
I have had many requests from friends and neighbors to print the recipe for a Coffee Cake which I serve quite often. In case you don't already know this one I hope you'll get a chance to try it. . . . It is easy, takes very little time to make, and is delicious!

COFFEE CAKE
1/4 lb. of butter
1 C sugar
2 eggs unbeaten
1 tsp. vanilla
2 C cake flour
1 tsp. baking powder
1 tsp. soda
1 C sour cream
Filling combine 1/2 C sugar, 1 tsp. cinnamon, 1/2 C chopped nuts
Cream together till very smooth the butter, eggs, sugar and vanilla. Sift together the cake flour, baking powder and soda, and add it to the butter mixture alternately with the sour cream. Sprinkle over this 1/2 of the filling. Add remainder of batter, and sprinkle remainder of filling mixture over the top.
Bake in a well greased Angel Food Cake pan . . . 1 hour . . . 350 degrees.
Since this is such a wonderful cake to have on hand in case of unexpected guests, I don't freeze it. Just make sure it is thoroughly cooled and wrap well in foil.

President's Message

By DAVID SERKO
Last Friday evening our Assoc. held its first general membership meeting of the year at the Jericho Firehouse. It was attended by approximately 100 members who approved the Budget submitted by the Board and approved a motion for open Board meetings for the balance of the year. The time and place of these meetings will be announced shortly.

For those members who were unable to attend the meeting, I would like to review, in brief, the report which I gave on the past year's activities.

- (1) Our Assoc. was born late in the winter of 1959 and our first general membership meeting was held in March of last year. Immediately after that meeting the organization of committees began. At this time our committee began. At this time our association is fortunate in having a substantial number of members who are actively participating in committee and Board work. It is my personal belief that the accomplishments will increase in the year to come.
- (2) A Block Captain Committee is being established to help funnel information to and from the Board (Volunteers for this committee are needed for certain areas).
- (3) Our Community Welfare Committee obtained street signs, the entrance traffic light, permanent municipal garbage collection, emergency and is presently working on the problem of the hazards existing at school bus stops. It is continuing its work of obtaining the dedication of our streets to the town.
- (4) Our Education Committee has been busy with the Cantiague School proposal and members of

Civic Membership Approves Budget; Open Board Meetings In Future

By a 43-40 vote, the Civic Assoc. meeting in Jericho Fire house last Friday night voted, in open sessions of the Board of Directors to members. The first annual budget was also approved overwhelmingly.

The first general meeting of 1960 was attended by nearly 100 members, David Serko, president of the West Birchwood Civic Association presided and gave his annual report. (See President's column.)

EXTRA

Open call audition for Little Theatre Group-Spring Musical Production. Tryouts will be held Monday night, Feb. 1st at 8:30 p.m. at the home of Joan Gilbert, 11 Schuyler.

This committee have been working with the School Board on the plan. The Board of Directors has voted to support the proposed school and the committee has made elaborate plans to get out the vote by baby-sitting, car-pool arrangements and the like.

Our Membership Committee's drives, in the past, account for our present membership of 167 families. It is planning a membership drive in the near future.

Our Publications Committee's efforts give us the WEST BIRCHWOOD NEWS every other week and has been doing so since the first issue in September of last year.

Our Social Committee gave us a most entertaining and successful Halloween party and has taken care of the arrangements for our past general meetings. It is planning a Spring affair, a Summer affair and an election party for this year.

Our Zoning and Taxation Committee is constantly trying to keep abreast of all local developments in the zoning and taxation situation and will inform our members of all matters of interest in this area.

Our Community Purchases Committee obtained the land surveys at a greatly reduced cost for our members and the trees which line our streets are eloquent symbols of its efforts.

A newcomer, is the recently organized Little Theatre Group which plans an original musical for this spring. It is my personal hope that this committee will help to supply part of the cultural needs of our community's adults and children, and that perhaps, together with the Youth Committee to be organized shortly, extend some of this cultural and entertainment to less-privileged children. I have in mind a children's production to which orphaned children might be invited as a group.

All in all, it is my feeling that (Continued on Page 8)

By a 43-40 vote, the Civic Assoc. meeting in Jericho Fire house last Friday night voted, in open sessions of the Board of Directors to members. The first annual budget was also approved overwhelmingly.

Open board meetings will now be fully reported in future issues of the WEST BIRCHWOOD NEWS.

After the agenda had been discussed, and during general discussion, a motion to adjourn was made, seconded and approved, thus abruptly ending the meeting. Refreshments were then served by the ladies of the Social Committee.

Keep Children Out of Streets

A potentially tragic situation has developed at the school bus stops in West Birchwood, according to Murray Kahne of the Community Welfare committee. Kahne states that groups of small children waiting for the buses tend to congregate in the street impeding the flow of vehicular traffic.

"I have determined," stated Kahne, "that it is the responsibility of the parents to keep their children off the streets while awaiting the bus. This means that measures of some sort should be taken by us to make sure of our children stay off the streets. Perhaps a rotating system of women guards can be formulated."

Other news notes from Commu-

Welfare: Street Dedication. Ed Greenberg remains in close contact with officials on this matter. He reports that Nassau County Planning Commission has given green light. Now it's up to the Town of Oyster Bay Highway Dept. Weather seems to be out of season right now. Until the snow and ice clear away, TOB must put off the inspection that's a necessary prelude to final action. To help out the inspection team (and to assure that defects are not missed) residents can report defective sidewalks, curbs and streets to John Nason (OV 1-6503). A lengthy list of such complaints has already been turned over to the Town, and a new list is growing rapidly. After dedication, of course, comes street lights, stop lights and official police protection.

STOP Signs Recommended. A committee composed of Bud Wernickoff, Leon Schaffer and Dan Danjelpour studied the community, and compiled a list of locations where STOP signs would be helpful to safety. Dr. Harold Pike has delivered the list to the local police for their recommendations. Another copy of the list was forwarded to the Town for possible use when the Town takes over management of the street.

Protection. Harold Pike has made provisions for extra police protection on those nights when community affairs are taking place, thus taking a sizable share of the residents away from their homes at the same time.

The Town has asked Ed Greenberg to relay to residents the request that cars be pulled on to driveways when snow is in the air. When the streets are clear of cars, better snow removal is possible, they say.

Next meeting will be Feb. 19, at home of Daniel Danjelpour, 22 Rockland at 9 p.m.

Resident Interviews Chain Gang Escapee

Mort Winthrop, 18 Warren Lane, editor of the West Birchwood News, will hear three times on NBC's radio program "Monitor" last Sunday night interviewing Florida chain gang escapee Willie Reid in a tape recording.

Reid is sought by the State of Florida, the State of New York and by the F.B.I. for return to Florida to finish his 15 year sentence. He was accused of stabbing another Negro in a gambling brawl in Lake County, Fla. Reid claims he was tried without a lawyer to represent him. He had appealed his case to the U.S. Supreme Court. Dave Garaway acted as M.C.

Reveal Costs of Cantiague School

Costs of the proposed Cantiague School to be erected on Cantiague Rock Road, Jericho, have been revealed by Dr. Arthur Carin, chairman of the Civic Association's Education Committee.

Dr. Carin said that the total cost of the Cantiague School will be \$1,800,000, of which \$1,400,000 will be covered by state aid. Only \$400,000 plus \$200,000 interest will be paid by the school district over a 30 year period. This is a total of only \$200,000 a year for 30 years to be paid by property owners in School District No. 15.

For a home assessed at \$10,000, the cost of the new school would amount to \$12 a year - \$5 for construction and \$7 for maintenance. Costs mentioned here do not include teachers salaries, which would be constant for a new school or if the old schools were on double sessions.

Dr. Carin further pointed out that approval of the Cantiague School during the referendum vote would not increase taxes during the year 1960-1961, would probably not increase the tax rate in the year 1961-1962, and most likely would start to increase taxes only in the tax year 1962-1963.

A more detailed explanation will be made public by the Jericho School District No. 11 Board of Education at a meeting on Feb. 21 at the Robert Seaman School.

AN EDITORIAL

Plaudits

Plaudits to the Board of Directors, the treasurer of the Civic Association, and to the budget committee for the business-like manner in which the budget was proposed at the general meeting held last Friday night.

The printed explanation of the budget was a model of clarity and conciseness and in itself was an excellent idea.

That the discussion of the budget appropriation at the general meeting was minimal is a reflection of the fine work done.

Vet Tax Exemption Forms Available

The Civic Association's Taxation-Zoning Committee reports to veterans in West Birchwood that pursuant to the Tax Law of the state, application can be filed for an exemption from up to \$5,000.00 from county, town and highway tax assessments (including school taxes and special district taxes) to the extent that real property was purchased by such veteran or dependent family with the proceeds from pension, bonus or insurance granted by the U. S. or N. Y. State for military or naval service.

Applications must be filed with the Nassau County Board of Assessors on or before the third Tuesday in May of each year, or for 1960, prior to May 17, 1960. The application must be supported by various documents evidencing the purchase price of the property and the receipt of the various eligible funds claimed to be used by the veteran for the purchase. Proof of the receipt of eligible funds generally requires written approval of governmental agencies which

an extended period of time within which to answer. Accordingly, your Taxation-Zoning Committee recommends that veteran-residents of West Birchwood obtain their applications as quickly as possible and start securing the necessary documentation.

Your Committee attempted to obtain a supply of applications for West Birchwood but was advised that applications cannot be obtained in bulk. Applications will be furnished by mail upon receipt of a written request or by applying in person to "Veterans Service Agency, 320 Old Country Road, Garden City, N. Y., P.O. Box 147." Complete instructions as well as the addresses of the various Governmental agencies to which to write are included with the application.

The Association's Taxation-Zoning Committee is still seeking additional members. If you are interested or concerned with the taxes imposed upon your home, how they are based and computed and the effect upon you and your home with respect to zoning changes, you should become a member of this Committee. Contact either of the Committee's Co-Chairmen, Elliot Siedman, WE8 8-7813 or Samuel Gordon, WE8 8-13257 for further information.

Letter to Editor

West Birchwood News:

I was unhappy to note the arbitrary and high-handed manner in which the last general meeting of the Civic Association was conducted. Not only was the format of a meeting not adhered to—reading of the minutes of the previous meeting, reports by committee chairmen, old business, new business, etc.—but the meeting was not conducted in accordance with any specific set of parliamentary procedures.

It was unfair, I believe, that all those wishing to express their views were not given the opportunity to do so. Many of us hired sitters in order to attend and participate in this meeting because we had questions to ask, ideas to propose, opinions to voice . . . and not because of the free doughnuts and coffee.

It was a grievous fault that the meeting was permitted to be adjourned with a motion left on the floor and with so much important business left undone. General meetings are few and far between and many of us would have appreciated the promised explanation of our local taxation situation as well as having the open discussion also promised us.

It was not as if it were 1 a.m. and people were dashing home. It was early in the evening and most people stood around eating and talking until much later, while civic association business could have been transacted.

I sincerely hope that in the future the general meetings will be better organized and conducted and that the meetings will give the members a chance to guide the board of directors rather than the board of directors leading the members by their noses.

Offer Investment Course for Adults

A free investment course for adults is given at the Bethpage Public Schools. Here's an opportunity to learn about the stock market—how securities are bought and sold—how much stock cost and the commission brokers charge—why prices go up and down—and the risks and rewards of investing—all without cost or obligation.

Five Wednesday evening classes—8 to 10 p.m. started Jan. 27. Lectures are given by members of the Bethpage Investors' Information Committee—all experienced representatives of New York Stock Exchange member firms. Films and visual aids illustrate the course. Helpful take-home materials are provided free by all. And plenty of time will be allowed for answering your investment questions. Register at the first class or call WE 1-2900 Ext. 213, Monday thru Thursday, 2 to 4 p.m. Write Frank Leahy, Director of Adult Education, Bethpage Public Schools, Cherry Ave. Registration Fee is only \$4.

Bowling Products Moves to Jericho

Headquarters for American Machine & Foundry Company's Bowling Products Group, now located on Madison Ave., New York City, will be moved to a new 30,000 square foot building near Jericho, it was announced today by Frank P. Downey, AMF Vice-President and head of the company's Bowling Products Group.

The building is a completely air-conditioned one-story structure located on a four-acre tract located between Jericho Turnpike and the L. I. Expressway in Jericho.

The move is expected to take place April 1st. Owners and builders of the building, Cooney-Willis Realty Corp., of Greenvale and Stony Brook through their principals Colin B. Cooney and Charles E. Willis, Jr., point out that the 170 employees of AMF mark it as one of the largest non-defense industries to come to Nassau in recent years. The site is part of a 20-acre tract bought last year from Mrs. Allen Lehman located just west of the intersection of the new L. I. Expressway and Jericho Turnpike in Jericho. The other 16 acres may be used for company expansion in the future.

Hempstead Bank Reports Growth

At the annual meeting of stockholders of Hempstead Bank held Jan. 21, Bruce Wood Hall, Chairman and Joseph C. Mueller, President reported that 1959 was one of the most significant years in the Bank's growth.

"Deposits were up 18.8 per cent, from \$48,916,029.00 at the end of 1958 to \$58,097,444.70 at the end of 1959," Joseph C. Mueller, president, told the stockholders. "Offices were opened in North Massapequa and North Merrick. Expansion will continue in 1960 with an office in Herkules to be opened within a few months. This will give Hempstead Bank 13 offices in Nassau."

Has Not Missed Meeting in 17 Yrs.

Leon Callaway, principal of Hicksville Senior High School and past president of the Hicksville Kiwanis Club was honored for achieving a record of 17 years of perfect attendance at Kiwanis meetings, last week.

At the same session, Fred Sutter was recognized for 10 years of perfect attendance and Al Schaefer and Fleming Harding for four years each. Harding was not present to receive his perfect attendance tab.

Callaway is a charter member of the Hicksville Kiwanis Club. He is also a trustee of the Hicksville Public Library.

BARBARA J. CAHILL

Mr. and Mrs. Thomas Vincent Cahill of Beverly Hills, Calif., announce the engagement of their daughter, Barbara Vincent Cahill, to Lt. Joseph Talbot Melone, U.S. Army, son of Dr. and Mrs. Charles Melone of Bethpage.

Miss Cahill, who was presented at the 1956 Debutante Assembly in Boston, was graduated from the Country Day School of the Sacred Heart, Newton, Mass., attended Georgetown University School of Nursing, and is now a senior at Mount St. Mary's College, Brentwood, Calif., where she is a member of Kappa Delta Chi sorority.

Descended from the early Dutch settlers of Manhattan Island, she is a granddaughter of Mr. Kenneth Groesbeck and the late Mrs. Groesbeck and of the late Mr. and Mrs. Thomas Michael Cahill, all of New York City.

Lt. Melone was graduated from Georgetown University, Washington, D. C., in 1959 and is a grandson of Frank Talbot and the late Mrs. Talbot and of the late Mr. and Mrs. Giuseppe Melone, all of New York.

The young couple plan a June wedding and expect to live in the vicinity of Fort Meade, Maryland, where Lt. Melone will be stationed. (Photo by Bradford Bachman)

Miss Goodrich On City Tour

Miss Janet D. Goodrich, daughter of Mr. and Mrs. Robert E. Goodrich, 47 Angle Lane, Hicksville, is among the 380 freshmen from Potomac State University College of Education now on a week's study tour of New York City.

Miss Goodrich, on the tour, will see at least one opera, three museums, one musical, a ballet, two plays and a symphony concert.

Among the operas Miss Goodrich will choose from are "Aida," "Cappella," "Faust," "Eduardo," and "Don Giovanni." Musicals are "My Fair Lady" and "Music Man."

Personal Mention

GEORGE W. SCHULT of Hicksville has been named an Assistant Installment Loan Manager of The Franklin National Bank. Mr. Schult resides at 32 Indiana St., with his wife, Sofia, and sons George and Paul and daughter, Nancy.

Amy 2nd Lt. **JOSEPH T. MELONE**, 22, son of Dr. and Mrs. Charles P. Melone, 371 Broadway, Bethpage, completed the 12-week field artillery officer basic Jan. 13 at The Artillery and Missile School, Fort Sill, Okla.

Lieut. Melone is a 1955 graduate of W. E. Howitt High School, Farmingdale, and a 1959 graduate

of Georgetown University, Washington, D. C. Before entering the Army, he was employed by the U.S. Post Office Dept. in Bethpage.

The Navy announced today the enlistment of **THOMAS NORMAN GERMANINE**, son of Mr. and Mrs. Norman Germanine of 38 Kuhl Ave., Hicksville. Thomas left Jan. 20 for

the Naval Training Center, Great Lakes, Illinois. He is another young man of this area to take advantage of the many opportunities the Navy of today has to offer. Thomas enlisted through the Navy Recruiting Station, 67 North Broadway, Hicksville.

Two married Hicksville women

are among 26, all with children, who have returned to campus life between household chores and are working toward a degree at C.W. Post College of LIU at Brookville. They are **SYLVIA DILPARE** of 49 Alexander Ave. and **ELIZABETH LEACH** of 11 Edgewood Drive.

Army PFC **MICHAEL W. LEIG**, son of Mr. and Mrs. Christiana Ping, 12 Lowell Pl., Hicksville, is scheduled to participate with other personnel from the 24th Infantry Division in Exercise Winter Shield at the Grafenwohr-Hohenfels training area in southern Germany Feb. 1 to 7.

The 19-year-old soldier is a 1958 graduate of Hicksville High School.

Cut Insurance On Small Cars

A 10 percent discount on liability insurance rates for compact cars in New York has been announced by Nationwide Mutual Insurance Co. The lower rates have been approved by the New York Insurance Dept. and went into effect on Jan. 15.

Nationwide agent, Joseph Longano of 319 South Oyster Bay Road, states that the new rates apply to almost all models of American compact cars — including all Corvairs, Falcons, and Vallants, and some models of Larks and Ramblers. Thirty different foreign cars also are eligible.

Autos that qualify for the discount are those not in excess of 2,750 pounds in weight, 300 inches in length, or 125 horsepower. They must not be priced in excess of \$2,300 (E.O.B. or P.O.E.), nor older than a 1955 model.

The lower rates will not apply in those instances where the owner is already receiving a discount, such as that given the youthful driver who successfully completes a certified driver training course.

In addition to New York, Nationwide's compact car discount has been approved in Florida, South Carolina, Connecticut, Rhode Island, Delaware, Vermont, West Virginia, Ohio, Maryland, Indiana, and the District of Columbia.

BS Jubilee Rally Day on Feb. 6th

The Arrowhead Boy Scout District has designated Saturday Feb. 6, as Jubilee Rally Day. This rally is one of the major events in the celebration of the 50th Anniversary of the Boy Scouts of America, and will be held at the Hicksville Junior High School, Jerusalem Ave. The opening ceremonies are at 2:00 P.M.

The purpose of the Rally is to emphasize the importance of the Patrol and encourage participation by all Scouts. The boys will practice Scout Skills, develop leadership, and have fun.

WYFI Contracts For Flying Studio

Long Island's first flying radio studio—capable of reporting traffic, weather and news from the air—became a reality this week as WYFI completed arrangements with the New Yorkport Flying Service for daily flights over Long Island all the way from the East River to Riverhead.

The exclusive service marks the first time that any Long Island radio station has broadcast from the air on a regular basis. While greatest emphasis will be given to the traffic situation, which is known to be one of the most complex in the country, WYFI's "Skyway Patrol" will also be able to observe any situations that become newsworthy and will, of course, have a birds eye view of the weather. This news service is scheduled to begin at a date to be determined between now and March 1st.

Appropriately, WYFI operates from studios at Roosevelt Field, Garden City, with site of the very point from which Lindbergh took off on his historic flight. As key station of the growing Herald Tribune Radio Network for Long Island, WYFI is located at 1520 on the dial and will step its power up to 10,000 watts before the first of March. A new transmitter building is near completion on the Whitney Estate in Manhasset.

The Bethpage Unit of the Nassau County Extension Service will hold its next monthly meeting at the Bethpage Jr. High School on Wednesday, Feb. 3, at 8:00 p.m. Mrs. George Melvin will demonstrate Fancy Sandwiches and Party Snacks.

AMVETS ALLEY

Sgt. Robt. O. Ulmer Post 44—
Nassau County's First

"DEDICATION"
I'm sure that no one will deny me the privilege of dedicating this week's column to the memory of a fine, outstanding woman. A woman who was also like a mother to me. She was the type if you needed her help, she was there. A fine wife and a wonderful mother.
Her son, Fred Blackley is our Post Historian. I say that I am sorry and that 44 and its Ladies Auxiliary are also sorry Mrs. Blackley has passed on. Now is the time a family shall be the center, and this is the way she would want it. Several years ago I put away my pen and my poetry ceased to be on the death of my mother. To the Blackley family I have taken that pen once again to write a tribute to the dearest one on earth. May this poem be a link between you and your loved one and keep her memory forever bright, keep ever burning in your hearts the love that each gave the other. For when you look at Father, Son and Daughter remember she gave you all the things you have today and made you what you are.

"THOUGH YOU ARE GONE"
Though you are gone away I say
To that far distant land,
When ere I wake from slumber deep
I feel your loving hand.

I sleep with dreams that never die
Love's in her face of yore,
I miss your accents when I'm home
Or walking through the door.

The empty chair that faces me
Across the table wide,
Brings back the thoughts of yesterday
When you were by my side.

So you say that I will soon forget
That I'm a different sort,
For the love that you had given me
Could never be sold nor bought.

And though the months may speed away
The years so cold and bare,
I'll keep happy treasured thus,
That empty vacant chair.

Jimmy Cooley
"OUT OF THE FOXHOLE"
At our recent meeting, Post 44 received a letter urging us to back a proposal for a Bonus for the Korean Veterans. Those of the post who wish to help, may do so by writing your Congressman and letting him know your stand on this matter. There are roughly 530,000 Korean Veterans in New York State. Remember veterans . . . "In Union There Is Strength."

"DANCES TO REMEMBER"
Feb. 13th the Post will hold its "Sweetheart Dance" at the VFW Hall, 40th St. and Grand Ave. Time 9:00 p.m. and dancing until 1:00 a.m. to the music of the Savoy's. There will be refreshments served. Tickets are \$2.50 per person. Come early and get your favorite table. Post regular meetings will be Feb. 5 and 19. Post Executive Board will hold a meeting Friday evening, Jan. 29. All officers are asked to attend.

"MAINLY ABOUT AMVETS"
The post has gone on record to forward a letter of protest to Gov. Rockefeller regarding the idea of closing MIT. MCGREGOR, The Post Committee by the Veterans Division of the State of New York has helped many ill veterans get back on their feet after a long illness. Veterans on their own should write the Governor and let him know what Alt. McGregor means to us. Post Adjutant EMILY BEST is on the sick list. How's about you and I dropping her a get-well card.

COL. Best and the youngsters have just been taken off the Sick Book. Our Post Santa Claus received a nice letter from the VFW Post

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Bob Sutton

At the last meeting it was good to see so many of the membership present to help decide the future of the expansion plans for the post. Too bad we can't find the key that would bring as many to every meeting.

The post voted \$300 for the Building Committee to go ahead on the 4 points of expansion. Rudy Bousso, chairman, stated that it would take three to four weeks for the different plans and costs to be drawn up, but expected to have everything ready for the second meeting in February. A copy of the plans will be mailed to each member as soon as possible.

Initiation will be held on Feb. 15, and Bob Hazel, our membership officer, has requested that the following men be present: Dominick Gardine, J. Miller, P. Ciccone, C. Herbst, P. Woelfle, C. Bryant, E. Radose, E. Troack, C. Lynch, W. Buchman, F. Fritz, J. Longobardi, C. Hesse, J. Bernett, J. Wald, J. Kottner, W. Larkin and A. Danalis.

Artie Ferro won the capsule award last meeting and was present with his card.

Would like to welcome Bert Neszel back. Good to see you, Bert. Hey, Barney, what did you do to that zipper line?

Our Trupper Lake membership stands at 159, and Artie Rutz is still out for that 100 per cent. If you are interested in joining this worthy cause, contact Artie at the next meeting, or mail the \$1.00 to the post.

Feb. 13 is the first dance of 1960. 3211, Hicksville, for services rendered. JOE STANKOWITZ, Membership Chairman lets us know, "It's time for dues AMVETS."

"DID-JA-KNOW"
In Tennessee, a woman arrested for starting a fire by smoking in a hotel had protested that she got in. In Canada, a man arrested for careless driving told the court that he ordinarily drove by celestial navigation, but lost his bearings when he mistook a TV tower light for the evening star. And the one to top them all comes from Ohio, where a man was arrested for parking illegally in front of a drug-store. He explained that watching a woman driver nudge him so nervous he had to stop and buy a sedative.

Many post members wish to purchase AmVet Jackers, drop in at the post meeting and place your order now. The "Margaret McDonald Memorial Trophy" will be awarded this year, so you folks who are interested enough to nominate some one . . . contact AMVETS through P.O. Box 309. Before I close friends . . . many veterans keep asking "What does AmVets do for the Veteran?" Here in a nut shell are a few of the things they do . . . In a typical year AMVETS handled approximately 60,000 new cases, 3,019 received payments for service-connected disabilities, 4,813 received pensions, 932 widows and orphans received monetary awards, 4,525 veterans received hospital treatments, etc. Total benefits veterans and their families received from AmVets assistance in a 12-month period was approximately \$8,000,000. Statistics and dollars alone cannot tell the selfless AmVets service officer story. They cannot measure the suffering that is eased . . . the fears that are dispelled . . . the faith and hope that are renewed. Will this answer your questions just a little bit veterans? See you all next week.

with the ladies of the post out to make it a gala affair. So if you want a seat that night, come early. No reservation needed, first come, first served.
See you all at the post.

Operation VFW

William Gause Jr. Post
Veterans of Foreign Wars
By LOU PALLODINO

Our dance is getting closer now, only a few weeks away. The tickets are going great and without doubt this will be our biggest and best of all. Everything is pointing to a successful evening. Although we're not completely sold out as yet, this seems a possibility this year. Again we say it will be held at the Milleridge Inn on Sat., Feb. 3 at 8 p.m. The tickets are \$7.50 per person. We are all quite enthused at this time and it appears more promising with each passing day. We want the members of our Post to have plenty of fun but if they don't count them selves soon, it will be too late. More will be written about the dinner. National is having a dinner and Dept. is having theirs, but at this time we are more interested in our own.

There are only a handful at this time that haven't paid their dues, so if you want to maintain your membership you must send it in by this year. If some hardship prevents payment, don't be afraid to stop it. Forward and let us know. It's no shame to be financially disabled and it will be only temporary. To those of you who just keep postponing it, please help us to close our books on this year's dues. We in the post would appreciate it. Thank you.

The last meeting found the worthy rough again and just before the meeting got under way it looked as if very few would be present. Then they began straggling in and before we were long under way we had a respectable size group. The more members who attend the better the meeting will be. So it was very heartening to see the boys turning out on such a miserable evening.

Our TS slip for that meeting goes to John Petroskevich. It's too bad you missed it, boy. By this time all our comrades should know that in order to win the capsule drawing, you must be present. This another chance is added to the kitty for the next drawing. The Post Raffle was won by John Turner.

Joins Expedition

Gerard L. Schroeder, 21, son of Mr. and Mrs. Herman L. Schroeder, long time resident of Brookville, has been chosen to accompany the Oceanographic Exploratory Expedition to Romancho Trench off the coast of West Africa to the equator and points in the Caribbean Area.

The expedition leaves Woods Hole, Mass., the end of this month for a period of 75 days. Gerard is a graduate of Jericho Grade School, Avon Old Farms Preparatory School, Avon, Conn., and MIT class of '59, where he is now engaged in Post Graduate work. He is the nephew of Mr. and Mrs. Phil Illinois who own the Town and Country Apparel, 84 Broadway, Hicksville.

The Butehorn Bros. VFW Post and Ladies Auxiliary of Bethpage will hold its Third Annual Sugar Plum Dance this Saturday from 9:30 to 1:30 a.m. at the Butehorn Fire Hall on Broadway. The affair is for the benefit of the Fire, Drum and Bugle Corps.

DR. ERIC LeBARRON, right, of the Arrowhead Boy Scout District Eagle Scout Board of Review during recognition ceremony of new Eagle Scouts at District Committee meeting Jan. 19. Eagle Scouts are, left to right, Noel Dennis of Post 64, William LoDato of Troop 293 and Harvey Factor of Post 321. A fourth Eagle, Joel Chesnoff, was unable to attend.

Boy Scout Activities

Forming Patrols
Formation of Patrols highlighted the Arrowhead Troop Meeting on Jan. 11. Twenty-two boys attended for assignment to Patrols and positions for operations. 100% attendance at each monthly meeting is required plus assigned activities. Uniforms and notebooks with pencils (also required at all future meetings). The following schedule for pay-

ments are to Mrs. Mary Wesner, 23 Cornet Lane, Plainview, Telephone WE 8-3755; \$75 between Jan. 25, and Jan. 30, for delivery to Council by Feb. 15, \$95 between March 28th and March 31st for delivery to Council by April 1st 1960.

There are still a few spaces open so let's register and pay up to date so you can go.

Cub Scout Scientists
CUB PACK #491 met on Jan. 8, at St. Ignatius School Cafeteria for its Pack Night devoted to the theme of the Cub Scout Scientist. All dens explained their projects and experiments based on this theme. A space demonstration and lecture with colored slides provided by the New York Telephone Co. fascinated the cubs and their families.

Arrowhead Cub Leaders Pow-Wow

The annual Cub Scout Leaders Pow-Wow will take place this Saturday Jan. 30 from 12:30 to 4:30 p.m. at the Hicksville Junior High School on Jerusalem Avenue.

The Pow-Wow is a get-together of all Cub Scout people in the Arrowhead District, which covers Hicksville, Plainview and Old Bethpage. It is a fun-filled Cub Scouting experience where leaders gain know-how and the will to do. This get-together is planned for adults who play so important a part in putting Cubbing across. These people will spend a whole afternoon in one of four sessions.

1. Games—learning the how of indoor games, gathering-time games, outdoor games, etc.
2. Handicraft—many simple crafts will be presented.
3. Stunts—Skills—Ceremonies—learn how to capture the imagination of the boys.
4. Pack Administration—the organization and business operation of a Pack, Parent participation, measuring results—a manual for Pack commitment.

Walt Hadeser were awarded to Dennis Brophy, Stephan Wladyka and Thomas Maggio. George Gilson got his Bear badge, Robert Hege-meyer, Philip McCafferty, and Richard Mears received Lion badges. Three boys won Gold Arrow Points: Paul Solaski, Stephan Wladyka, and Robert McEncany. Silver Arrows went to Thomas Augustowski, Thomas de Cillis, Donald Campbell, Paul Solaski, James Betz (2) and Robert McEncany (2).

Pack Chairman, Sam McCafferty then was presented his Scouters Key Award and Medal by the District Leadership Training Chairman, Jack Landress.

Future plans for the Pack include the annual Blue and Gold Dinner, on Feb. 6, at 6 p.m. in St. Ignatius School basement. The place and arrangements for Father & Son Communion Breakfast on Feb. 14th will be announced later. The Pack Committee will meet on Feb. 15th.

Oil Institute Has Ethics Code

The Oil Heat Institute of Long Island which has its office at 29 W. Marie St., Hicksville, assured Nassau and Suffolk homeowners that local officials would "greatly appreciate" the OIHIL members, who deliver 80 percent of all fuel delivered on Long Island, were "aware of their responsibility to the public."

The Institute's membership operates under a strict code of ethics, a spokesman said. As soon as the investigation broke in the City of New York, OIHIL officials were in touch with local weights and measures departments of both Nassau and Suffolk. It was pointed out that the Institute officials place "great significance" on this phase of this responsibility to the public. Ray Nathan, OIHIL president, was recently appointed Chairman for the National Fuel Oil Industry on the Conference of Weights and Measures.

Presenting Films At Library

The Young People's Department of the Bethpage Public Library is sponsoring free film programs through the courtesy of the N. Y. State Library. Showings will take place on Monday evenings, Feb. 1 through April 23 at 7 p.m. The films are designed to attract the interest of all age groups.

The first program will feature "The Little Red Hen" by Tony Palazzo and "The Completion of the First Transcontinental Railroad." The latter is the story of the brave man who helped lay the railroad's tracks in lightning mountainous country, inclement weather, hostile Indians, and such other.

The programs have been planned by Mrs. Louis D. Carr, Children's Librarian, who has been responsible for the recent extension of the Library's services to children and young people. Since the Young People's Library expanded into the previous adult quarters in the Fire House, hundreds of new books, ranging from preschool age through high school level have been added to the collection. A Young People's Reference Section has been established with the help of a \$500 gift by the Junior Woman's Club of Bethpage. A spacious reading room, furnished with modern functional equipment has been made available for students who wish to do their homework at the library.

Services were held at the Wagner Funeral Home, Saturday, at 12:30 for Emma L. Patrick of 88 Park Ave. here, who died Wednesday, Jan. 20. Rev. Cranston Clayton officiated. Burial followed at Mendham Cemetery, Mendham, N. J.

Mrs. Patrick is survived by her husband, Earl; four sisters, Mabel Koop, Hattie Haney, Martha Cabsett and Eliza Garabotto; and two sons, Walter and Harvey Loree.

Card of Thanks

The family of the late Anna M. Sattig wish to thank the Rev. Bernhard Bohrer of St. Luke's Evangelical Lutheran Church of Farmingdale, the Emera Chapter 676 O.E.S., the Manetto Court 127 O. of A., the Ladies Auxiliary of the Plainview Fire Dept., Manetto Lodge 1025 F. & A.M., relatives, neighbors and friends for their sympathetic kindness during their recent bereavement.

Syosset GOP To Honor Lincoln

The Syosset Republican Club reports its Lincoln Day Dinner Dance, scheduled for Saturday, Feb. 13, at the Pine Hollow Country Club in Syosset, is a virtual sell out with over 500 guests expected to attend.

Principal speaker at the event will be a person of national prominence and his name will be announced upon the completion of final arrangements for his appearance.

Mina and Orion Cernost will again apply their highly creative talents to decorations while Mrs. Theodore Von Waldleben will create the Table Journal. Charles Hicks has been appointed Master of Arrangements for guests and visiting dignitaries.

The event will feature a full course prime rib of beef dinner and a six piece orchestra with a tab of \$10, per person, tip included. The few tickets remaining available may be obtained from the Ticket Distribution Chairman, Carmen Caldwell, Walnut 1-5089, and table-reservations may be arranged with the Chairman of that Committee, William B. O'Keefe, by calling Walnut 1-3436.

GOP Federation Meeting Today

Miss Wilma C. Swensen, vice-chairman of the N. Y. Republican State Committee, will address the Nassau County Federation of Republican Women today (Thursday) in the Garden City Hotel.

Miss Swensen, who makes her home in New York City, has chosen as her topic, "The anatomy of the Republicans in the Soaring Sixties," in which she will show what has been done by the Republicans to assist the people in this new decade.

The Federation will be the guest of the Executive GOP Committee of the Town of Oyster Bay, under the leadership of Thomas R. Fynchon of East Norwich, Republican Town Leader, who will greet the members.

Miss Eleanor Lauch of Glendale, lyric dramatic soprano, will be guest soloist; she will be accompanied by Mrs. Hilda Brown of Rockville Centre.

Bantams Tangle With Cure of Ars

The St. Ignatius Bantam "A" 4YO Basketball team tangled with Cure of Ars of Merrick at the Hicksville High School gym Jan. 8. In a hectic battle during which the teams were never more than 4 points apart, and tied at the beginning of the fourth quarter, the spectators were up on their feet yelling for their favorites to come on.

The Bantams were finally edged 32 to 29, because of weakness from the foul line, and this cost them the game.

On Jan. 15, the Bantams tangled with St. Martin of Tours, Bethpage, in Hicksville High Gym. Although the St. Martin team was studded with unusually tall boys, the shorter Bantams held their own on rebounding.

In this battle Lawler and Hanck led the offense for St. Martin's and Callahan, Charlie Lang and Jim McAuley for St. Ignatius. These boys were also playing a terrific game on defense. Despite the loss to St. Martin's by a score of 40 to 24, the St. Ignatius team is showing definite signs of shaping into a unit to be contended within the second half of the race.

Watchmakers Win Wheelchair Game

The Bolova Watchmakers defeated the New England Clippers in Friday evening's wheelchair basketball game 22-10. Between halves, those in attendance saw a well fought game between St. Stephen Lutheran Church and Trinity Lutheran, with St. Stephen the victors.

The game, sponsored by Cub Park 491, Hicksville, took place in the gym of the Hicksville Jr. High School, and was well attended.

The Fire Horn

prepared by the publicity committee for the fire prevention bureau of the Hicksville Fire Department

Fire Prevention

This week your local Bureau of Fire Prevention wishes to take you on an inspection tour of another room in your home, your bedroom.

In this room is the location of many hazards that are very common but are not readily conceivable to the average home owner, or at best he does not consider them as such. The hazards in this room are listed below, starting with possibly the most serious hazard in the home and the leader of all reported fires in the United States.

1. Never, NEVER, under any circumstances, is anyone permitted to smoke in bed. A tragic number of fires are caused every day of the year by dozing smokers. Further, of all fires, the origin of which is attributed to the bedroom, over half of these alone start by smoking in bed. How easy is it to doze or fall asleep with a cigarette in your hand?

Casting Show

The Teen Players, a teen-age dramatic group in its eighth year of play production, is casting "The Glamour Girl" on Saturdays from 2 to 4 p.m., on Jan. 30 and Feb. 6th, at 1 Bonnie Court, Hicksville. Teenagers interested in dramatics, please call Mrs. Grindrod, WELLS 1-1754.

Midget Auto Racing Goes Indoors

The old bromide that "necessity is the mother of invention" was never more true than with the case of the Three Quarter Midget Auto Racing that is held every Sunday afternoon starting at 2:30 p.m. at the Island Garden Indoor Speedway, 500 Hempstead Turnpike, West Hempstead.

Long Island has long been a hot bed of outdoor auto racing, with three tracks operating from Spring through Fall every year. Heretofore, when cold weather arrived, racing fans either had to make long, costly treks southward to see

occasional racing or else they hibernated completely for the winter; not to appear again until the local tracks opened in the spring.

So many local racing enthusiasts approached officials of the American Three-Quarter Midget Racing Assoc. asking that indoor racing, similar to that held every winter on Saturday nights at the Teaneck, N. J., Armory, be started, that Assoc. officials contacted Arnold "Whitey" Carlson, and worked out arrangements whereby the Island Garden was made available for auto racing on a weekly basis.

Why New York State should not adopt the 10% Federal Telephone tax

**IT IS AN UNFAIR TAX—PAID BY THE TELEPHONE USER—
YOUR TELEPHONE IS THE ONLY HOUSEHOLD UTILITY SO TAXED!**

On your monthly telephone bill you'll notice an item: "U.S. Tax." This refers to a Federal excise tax of 10%. It is a luxury sales tax on an essential service—the same sort of tax that applies on jewelry and furs.

Congress voted last year to drop the excise tax on local telephone service this coming June. It decided that the tax was unfair and discriminatory.

This would mean a 10% cut in the local telephone bills of all customers in the State.

But New York State now proposes to pick up the same tax and make it available to local communities!

A tax unfair for citizens of the country as a whole is equally unfair in New York!

Telephone User Overtaxed

We are in favor of better schools. We know they must be paid for and expect to do our fair part. The telephone company already is New York State's biggest source of revenue for schools and other purposes, because we are the State's biggest taxpayer.

- If you are a telephone user in New York you already carry far more than your fair share of the tax load.
- Thirty cents out of every telephone dollar you spend goes for taxes.
- State and local taxes on telephone service in New York are 4 to 5 times heavier than taxes on almost anything else you buy.
- State and local taxes on telephones in New York are 69% higher than the average for other states. They are the highest telephone taxes of any state but one.
- The burden falls on you, the user, for we have no

source of revenue other than the money you pay us. Continuation of the 10% luxury-type tax in New York after June 30 would only aggravate the existing discrimination against you, for it is a direct tax on you.

Tax Would Hurt Business Climate, Be Bad for Telephone Service

If—as the State proposes—a 10% luxury tax were to be imposed in New York while it is lifted in other states, businesses here would find it harder to compete with businesses elsewhere.

To the telephone business this type of discriminatory taxation means one thing—that our ability to provide the kind of service you and the people of New York State want and deserve will be seriously impaired in the long run. It is the very sort of discrimination that has brought the railroads to their present unhappy state.

This tax would be bad for you, the customer, bad for the business climate of the State and bad for the future of telephone service. Telephone users should not be singled out to carry this unfair load.

AN EMERGENCY TAX—BUT THE EMERGENCY IS OVER!

The excise tax was passed as an emergency measure during wartime. One reason for it was to restrict civilian use of the telephone and to save materials in the interest of defense. This very act acknowledged the telephone to be an essential service. To tax it as a luxury is unfair and discriminatory.
