See Work Starting in Spring: Crossing Millions In Gov. Budget

ALBANY—Funds for the elimination of Hicksville Rail Road grade crossings, scheduled for contract letting at an early date, are retained and continued in the budget submitted to the State Legislature here on Monday by Gov. Nelson Rockefeller, the MID-ISLAND HERALD learned authoritatively by telephone.

Ten million dollars is appropriated in the Governor's new budget for the Hicksville R.R. crossing elimination program and now stands fourth on a list which last year placed the Hicksville project fifth. The eight million dollar Floral Park elimination which last year appeared as "scheduled," is now in the category of project "under construction." Work began on the Floral Park elimination this week.

Fears had been expressed in some quarters earlier this year that the Hicksville funds would revert to the General Fund at the end of the fiscal period on April 30, next. Assemblyman Edwin Fehrenbach of Bethpage has pledged himself to see that they were retained in the new budget. He had also been assured by State Dept. of Public Works officials that the Hicksville project would probably get underway in the Spring of 1960.

Hicksville Democrats injected a unintentional comic note into the crossing elimination program this week in a published circular which said the party committeemen and club members collectively resolved "that this year an OVERPASS ACROSS Hicksville railroad tracks be started . . ."

All planning for the crossing elimination, going back five years to hearings before the Public Service Commission, has been to raise the tracks over the highway, which is just the opposite of what the Democrats pledged themselves to do this week.

ARCHERY DEMONSTRATION, including a talk on safety features, was the interesting topic at the Hicksville Rotary Club luncheon meeting last week. Left to right are John Haller, club program chairman; Dr. Sam Elkind, president; and guest speaker George Gardino, archer. (Herald photo by Rotarian Frank Mallett.)

Local PO Key Point In New Mail System

Hicksville is a key community in a new plan for the handling of intra-Long Island mailing of all classes with the local Post Office now ending its second week of operation as a Sectional Center, it was disclosed today by Postmaster Harry C. Cotier.

Six other Long Island post offices (two besides Hicksville in Nassau; i.e., Mineola and Rockville Centre) are designated Sectional Centers under a plan which speeds the delivery of mail. Mail for Long Island villages, posted on Long Island, under this new plan, is retained on Long Island and quickly routed through the Sectional Centers to area Post Offices. Hicksville is the hub for a network for ten post offices.

Previously, mail originating on the Island was shipped to Jamaica and New York for routing and then returned by train and trucks to the offices intended.

In the initial phase of the new program, transportation schedules are being developed and refined. Huge trailer trucks with mail now arrive at Hicksville at half hourly intervals during the day and at longer intervals throughout the night.

The second phase of the program will be the "working of mails into Long Island" from other points. Eventually a 27-county region surrounding New York City will be integrated into the plan with the goal that a letter posted anywhere in the entire region before 5 p.m. will be delivered the next day.

The geographical location of Hicksville was a factor in the selection of the local Post Office for this new plan, Postmaster Cotier disclosed.

The plan has been months in development and the first phase went into operation on Saturday, Jan. 23. Postmaster Cotier also disclosed that a survey is now being conducted with the cooperation of Postal and Chamber of Commerce officials to find a new and larger Post Office for Hicksville's main office now located on North Broadway.

Panel Discussion

The next regular meeting of the Nicholai School Parent-Teacher Assoc. of Hicksville on Wednesday, Feb. 10, will feature a panel discussion on "Appraise Your Schools."

Complete Budget Earlier This Year

The Hicksville School Administration won commitments from the Board of Education, Friday night, for the completion of all sections of the proposed 1960-61 School District Budget in the month of January—the earliest date in the District's history. However, the Board did not act upon all sections, pending further consideration of particular items in three code sections.

Pending final adoptions of proposed sections of Codes 4 and 9, to total budget amount can not be computed.

Code areas which have been tentatively adopted include 2, 3, 5, 6, 7 and 8.

Council Honors Leon Galloway

At the meeting of the Hicksville Council of P.T.A. units held at Nicholai St. School last week, Howard Scholefield, Chairman of the Selection Committee, composed of Mrs. Goodrich, Mrs. Gregg, Mrs. Brammer and Harold Robbins, announced that Leon J. Galloway, principal of the Hicksville Senior High School will be the guest of honor at the Council's Seventh Annual Founders Day Dinner to be held at the Old Country Manor on Wednesday, Feb. 24 at 7:30 P.M.

Galloway, who has been on the educational staff of the Hicksville Public Schools since 1929, will be so honored because of his active support of P.T.A., his contributions to education and his interest in civic and fraternal affairs. In 1949 he was appointed principal of the Junior High School and in 1956 he was selected as principal of the Senior High School.

Library Presents Two Films on War

The Hicksville Public Library will present another of a series of film programs on Tuesday evening, at 8:30. The program features two films on war, "The True Story of the Civil War" and "The True Glory" a fine film of World War II.

Fire Dept. Marks Invalid Homes

Chief Charles Saurer of the Hicksville Fire Dept. today announced the start of a campaign to help in the locating of permanently bedridden invalids in the event of a fire in their home.

Available on request at Fire Headquarters on E. Mario St. is a set of stickers that will let firemen know the exact location of an invalid or semi-invalid person.

Chief Saurer stated, "it is of the utmost importance that the first due companies know immediately upon arrival the exact location of the invalid person in case a rescue is indicated."

He commented further, "This information is not always available, but with proper identification of the invalids exact location, our job is made much easier."

To insure proper location of these stickers a member of the Fire Dept. will come to your home and install them where they will do the best job. You may receive these stickers by sending your name and address to the Hicksville Fire Department, Marie Street, Hicksville, New York or by coming to headquarters on Marie Street in person and leaving your name and address.

Board Puts \$84,000 in Budget To Move Temporaries by Sept.

Hicksville Board of Education, apparently stalled dead in its tracks on the construction of school facilities urgently needed for the start of the fall term due to a taxpayers' suit seeking to void the Nov. 19 referendum, took positive action on Friday night to get part of the facilities needed even if its costs the community more money.

School Attorney Michael J. Sullivan advised the Board of Education that in view of the suit brought by Harry Goebel, a former school attorney, in behalf of 10 taxpayers, that the Board refrain from further expenditures on the two-million dollar program authorized by the voters last November. Sullivan was instructed to proceed with all possible speed to seek dismissal of the suit or the earliest possible court disposition of the matter.

Following an executive session to discuss strategy, Vice President Jerome C. Zettler moved, seconded by Herbert Johnson, that \$84,000 be placed in the 1960-61 district budget under Code 8, Capital Outlay, for the purpose of moving 12 temporary-type classrooms to the Junior High School to accommodate increased enrollment in September. Trustees Zettler, Walter Schreiber, Johnsten, David Hurwitz and Allen S. Carpenter voted in favor of the motion. Trustee Robert

Dear Jean:

A coffee was made in long absence of appearance at a meeting of the Board of Education, Friday night. Board members were twice absent from the meeting room for executive sessions and the larger-than-usual group of spectators made off with a goodly quantity of the brew before the trustees had a chance to fully enjoy it. . . . The coffee, urn, etc. was privately provided. . . . The LIRR will no longer handle less-than-carload freight shipments at Bethpage and Hicksville freight stations with the blessing of the Public Service Commission. Only places where the RR will not have at-station receipt or delivery of less-than-carload freight are at Long Island City in Queens and Bushwick in Brooklyn.

Hicksville Kiwanis Board of Directors will hold meetings hereafter in the Elks Clubhouse on E. Nicholas St. . . . LEO KANAWANDA who is attending Bucknell University under a Kiwanis Club scholarship was a guest at the Kiwanis meeting last week. He was present as the guests of LEON GALLOWAY and MAINARD CHITTENDEN. . . . "GRANDMA" sends us a post card from Winter Haven, Fla., and reports "down here with the good people, "Democrats". . . . Mr. Rev. Mgr. GEORGE M. BITTERTMANN, VF, pastor of St. Ignatius Loyola R.C. Church of Hicksville, will observe the 50th anniversary of his ordination as a priest next May. The disclosure was made by HENRY G. EISEMANN, townmaster at the County Clerk Francis Anderson Testimonial Dinner, in introducing Msgr. Bittermann as a featured speaker of the evening. And to go along with his little joke about the press, "The Msgr. related a story but it cannot be told."

More than 30 persons have already claimed their tea-kettles with three-year subscriptions to the MID-ISLAND HERALD in the first week of this offering. . . . DON ZIRKEL, associate editor of the Brooklyn Tablet, will appear at a panel discussion on the press at the St. Ignatius Holy Name Society meeting next Monday night. . . . In Hicksville, Ohio, during the week of Jan. 17 to 23, the temperature dropped to eight degrees on Jan. 22 and never got higher than 43 (Jan. 18). They had snow on five days during that period, according to Tim Sweeney, local weather observer.

Belated birthday greetings to PATRICK DOWLING, Sr. of Hicks Circle, who celebrated a birthday last week. . . . Greetings also to "JERRY" GILCHRIST of Frances Lane, who celebrated her 14th birthday, Monday. . . . Enjoyed ourselves at the dinner honoring "ANDY ANDERSON" on Thursday evening at the Garden City Hotel. Met quite a few of our friends from good ole Hicksville whom we haven't seen in quite a long time. . . . Officers and directors of the Hicksville Alumni Assoc., will meet on Monday evening, Feb. 8th at the High School Little Theatre at 8:30 p.m. The next general meeting of the Assoc. will be held in March. . . . Final plans for the Fashion Show to be held on Feb. 25, at the Huntington Town House will be made at today's (Thursday) meeting of the Glen Cove-Hicksville Mercy League to be held at the Brookville Country Club with luncheon at noon. . . . Understand Ex-Chief VAL KERBS of W. John St., Hicksville is sporting a brand new Volkswagen. —Good luck and happy motoring, Val.

Our sincere sympathy to Mrs. HELEN KELLMAN of Centre St. and Mrs. JEANNE ABRAMOWSKI of Twinlawn Ave. on the death this week of their father, Joseph Mazalowski, of East Norwich. . . . Sorry to hear that DOUGLAS BRANDI, son of Mr. and Mrs. Frank Brandi of Twinlawn Ave., is quite ill with a foot infection. Bet his friends and school chums would like to send him a card to cheer him up.

Sullivan told the Board of Education, Friday night, that the earliest the District can anticipate action upon the suit is mid-March and that if an appeal were taken it could stretch into the fall and beyond. . . . A large part of the document served by Goebel repeats and enlarges upon charges and issues raised by Goebel and Szendy in a jointly signed circular distributed in Hicksville in opposition to the Nov. 19 referendum. . . . School authorities agree that the piecemeal inclusion of parts of the school facilities expansion program in the current fiscal budget will result in increased tax cost since the District will not thus qualify for State Building Fund Advances pledged Hicksville by the State Education Dept.

Court Action

Continued from Page 1
Goudrich abstained, Robert D. P. Eaton was absent from the meeting.

ADDS TO TAX RATE
Zettler prefaced his motion by stating that he had determined the estimated cost of moving the 12 temporary and that it is estimated the addition of \$84,000 in the budget will reflect itself by adding 9 1/2 cents per \$100 to the tax rate; or, cost \$4.22 on a home assessed at \$5,000.

The motion was made and passed with the understanding that if the court action is disposed of satisfactorily prior to the annual budget vote in May, the \$84,000 will be deleted from the Budget.

The suit brought in Supreme Court by Goebel is in behalf of Mr. and Mrs. Emil Szendy, Mr. and Mrs. Lawrence A. Roman, Mr. and Mrs. John Ryan, Mr. and Mrs. George J. Gurdin and Mr. and Mrs. Herbert Karp.

The summons was served upon the School District on Jan. 19 and enumerates some 33 points.

Rev. Brennan Suggests Re-evaluation

BY DOROTHY McNEELY
The monthly meeting of the St. Ignatius Loyola Auxiliary of Christ-ian Mothers was held on Monday evening, Jan. 25. Mrs. Peggy McMorrow, president, presided. A special vote of thanks was extended to Mrs. Teresa Nader and her committee for their most professional services and entertainment at the annual Christmas Party.
Sister Rose Dominic, O. P. Princi-

pal, explained the new Civil De-fense Plan. (Go Home Program).

The highlight of the evening was an address by the Rev. Michael Brennan, on the subject "Rich of the Catholic Woman in the Modern World." Father reminded us that although our modern society and pace-of-living life makes many dif-ferent demands on us, our basic and most important job is still the same as the Blessed Mother set forth for us—"to keep our home a Nazareth." Father Brennan suggested we take time to reevaluate ourselves. First, open your eyes and see. Secondly, when the picture is clear, judge—do you conform, do you partake in family prayer? Then finally—Act on the cannot fail method: Keep the Blessed Lady as your Model and your home the center of a Catholic life.

Mrs. Hearty, chairlady of the Sec-ond Annual Card Party of the Aux-iliary, again heartily invited all mothers, fathers, and friends to at-tend the affair on Friday evening, Feb. 12, at 8:30 in the school au-ditorium. Tickets are \$1.25 and this includes refreshments. A "portable T. V. is to be awarded and Mrs. Hearty assures us there are many lovely gifts just waiting to be taken home. So come one—come all!

Income Tax Fax

Must you file a federal income tax return for 1959?

If you are under 65 and had gross income of \$600 or more, or over 65 and had gross income of \$1,200 or more, you must file a federal in-come tax return regardless of whether you owe tax or not, and it does not matter whether you are a man, woman or child; you are re-quired to file a return by April 15, 1960.

It may be that you had income of less than \$600 (or \$1,200) and in-come tax was withheld from your paychecks. In this case, you should file a tax return. It will show that you owe no tax and Uncle Sam will refund the withheld tax.

Also, if your income was from self-employment and was more than \$400 you are required to file an in-come tax return and report and pay your self-employment tax, even though you do not owe income tax.

These columns are intended to help you in a general way to know the questions about your income and deductions and to give information of a general nature so you will be aware of the savings that may be open to you. Each taxpayer has in-dividual circumstances and individ-ual problems.

If you have a specific problem you should consult the accountant of your choice as early as possible so that he will have plenty of time to prepare your tax return properly. Charles F. Burger

President's Corner

By RALPH DIAMOND

It is with sincere regret that this will be one of my last articles written as President of the Civic Assoc. After many hours of indecision I finally reached the conclusion that in view of my recent new endeavors, I would be unable to devote the time necessary to do a good job as President. Rather than merely be a President by title and not by action, I decided to withdraw. It is with extreme pleasure and satisfaction that I since learned that the nominating committee has named, Irwin Bannel as their choice for President. Our Civic Assoc. this past year has grown to a point where the membership is the largest we have ever enjoyed. Our treasury is also at its highest peak. We have matured during our lifespan as a Civic Assoc. The builder-relations problems have long since passed into history and has been replaced by the true functions of the Civic Assoc. Everyday new ideas are presented as to how our community can be made into a better place to live. At the moment our Art League is planning a program to convert its activities to a true cultural group. Such activities as music appreciation, discussion groups, etc. will be formed in the near future. Our Civic Assoc. is an ever-growing instrument to be used by our residents for the welfare of as many persons that care to partake of the particular activity which he or she most enjoys.

Remember that our annual Civic Association Election Dance will be held on Saturday evening, March 5. I strongly suggest that you keep this evening open and take full advantage of the entertaining evening that is in store for each member. The entire evening of entertainment, dancing to one of the finest dance bands and food will be available to each member without charge.

Another date of paramount importance for the youngsters of our community is Feb. 26. On that date, the Youth Group of our Civic Assoc. is running an experiment by conducting a dance for the youngsters. No athletic activities will be permitted in the Jackson School the evening of the dance. We are hoping that the boys will participate in the dance and therefore urge each parent to take a personal responsibility to see that his youngster appears on the night of the dance. We have no fears that the girls will attend, but we have our doubts as to the boys. So parents get your youngsters out to the dance on Feb. 26th and make certain that it is a success. In the event the dance proves popular, we intend to run a dance the last Friday of each month for the balance of the season.

Civic Directors Dine Together

The third annual Birchwood Civic Assoc. Board of Directors Dinner was held at one of this country's dining places of distinction, the Beau Sejour at Bethpage on Saturday evening, Jan. 31.

Approximately 40 couples enjoyed first rate food and service in an atmosphere of dignified elegance. The highlights of the evening were short addresses by past Presidents Irving Brandt and Jerome Abrams who presented plaques to Ralph Diamond, President, and Herbert Shapiro, three times Chairman of the Board of Directors. All Directors were given trophies in recognition of their service to the Community. Gags and chatter were supplied by co-chairmen Len Walack and Gilbert B. Stein who had made arrangements for this Dinner. Expenses were paid for by all those who attended.

30 Nominees for Bd. of Directors

By HORACE BERNSTEIN
At the regular monthly Board of Directors meeting held on Jan. 19 the nominating committee reported that they have nominated 30 candidates for the Board of Directors, and that 24 of them have signalled their willingness and desire to run for the Board.

The Committee has also selected an unopposed slate of officers. Twenty days prior to March 5, the day of elections, any resident of Birchwood Park and a member of the Civic Assoc. may file his own petition as a candidate for either the Board or as an officer. Herb Rosen and his band have been hired for that night and they will entertain while the voting goes on and is counted. There will be entertainment as well as refreshments.

Editors Note: See report of Nominating Committee elsewhere in this issue.

Larry Gibbs proposed that the Civic Assoc. sponsor a trip to Paris. It will be necessary for the sponsoring group to charter a plane for 40 couples. The standard rate for such a trip is \$532.00 per person round trip. Under a charter basis, the Civic Assoc. could sponsor the trip at \$255. per person round trip. This flight would be open only to members of the Civic Assoc. in good standing for at least six months. This motion was seconded and passed with one amendment; that the Civic Assoc. would, in no way, be held liable for any accidents or difficulty relating to the trip.

Irwin Bannel reported on the Country Club situation. He has met with the people of the perimeter and hopes, in the near future, to come to some conclusions with the Country Club.

Reports by the Jericho School District Education Committee disclosed some dissatisfaction with the School Board in their cooperation and ability to get information requested of them.

A letter will be written to the School Board requesting information on the budget so that it can be analyzed and that any open meeting can be arranged to have it discussed.

The Synset Education Committee reported satisfactory cooperation with their School Board. Any requests asked of them are answered and they are constantly notified of any and all meetings. A request has been made by the P.T.A. of Robbins Lane, through the Civic Assoc., to attempt to get "Stop" signs for Robbins Lane in addition to the School Crossing Guard. The original request was turned down because the Township would not give both a guard and "Stop" signs.

The Youth Group reported that there are now 155 members.

The Jericho Players are in the process of electing new officers and are now reading children plays so that they can go into production for a spring play at the Jackson School. The Discount Committee reported that Green Hill Day Camp has joined our discounts. (Details to follow.)

Jericho Lodge To Give Award

Jericho Lodge, B'nai B'rith, will make its first presentation of a Brotherhood Award to the 10th grade student in the Jericho School system who writes the best essay on Brotherhood.

Dr. Kenneth Lant, Jericho School Superintendent, has approved the presentation of this award, and Alben Kaplan, President of the Lodge, has announced that it will be made in conjunction with "National Brotherhood Week" which begins on Feb. 21.

It is expected that the award will be given annually by the Jericho Lodge.

New Nominee For President

By DAVID A. MARK

Ralph Diamond, President of the Civic Assoc., has advised the Nominating Committee that he will not be a candidate for reelection. The press of family and business obligations, Mr. Diamond states, has made it impossible for him to devote to it, the full measure of effort and time that this important office demands. It is an acknowledged fact that, in the past, Mr. Diamond has never spared himself on behalf of this community in any capacity in which he may have served. In an effort to continue his services to the community, Mr. Diamond has accepted a nomination as a candidate for the Board of Directors.

There has been no declared intention on the part of any other resident to run for the office of President. The Nominating Committee met again on Jan. 28 to select new candidates, and is proud to announce its selection: Irwin Bannel, 216 Forest Dr. Mr. Bannel is currently a member of the Board.

Additional nominees for the Board of Directors were added to the slate at this meeting: THE VILLAGER will publish a complete list of all candidates for Office and for the Board prior to the date of election.

Youth Group Dance Feb. 26

The Youth Group of the Birchwood Civic Assoc. will hold its first dance on Friday, Feb. 26, at the Jackson School. Members as well as non-members are cordially invited to attend the dance. Members of the Youth Group will be admitted free while non-members will be charged the admission price of 50¢.

Refreshments will be served. This dance is an experiment and, in the event it is successful, the Youth Group will run a dance on the last Friday of each month for the remainder of the season. No athletic activities will be permitted in the school the evening of the dance. The entire evening will be devoted exclusively to the social affair. Appropriate attire will be required.

Remember the date, time and place—Friday, Feb. 26, 8:30 p.m., Jackson School.

Parents Confident Of Victory Feb. 10

The Annual Parent-Teacher Basketball Game will take place in the Robbins Lane Gym on Feb. 10th at 8:30 P.M.

The Robbins Lane Parents team promises to surprise the Teachers, providing their wish does not give out. The Parents will have many players who have played basketball for their college teams. For the past 3 weeks the group has been practicing for the big game.

The following parents from Birchwood will play: Irvin Alterman, Lewis Cohen, Leon Cohen, Ralph Diamond, Irvin Friedman, Sid Lang, Dave Muntz, Sol Rabinowitz, Richard Rauh, Rubin Skyer, Bert Sann and Michael Teichman.

Birchwood Flight to Paris

Two weeks ago THE VILLAGER ran an article about the proposed flight to Paris available to members of our Civic Assoc. at fantastically low rate. To date the response has been good, but not as good as anticipated.

It may well be that many of our residents are interested in this flight but are taking their time about evidencing their interest. If any of our residents are at all interested — whether or not they will ultimately go — please communicate with the writer of this article so that some estimate can be had as to just how many of our residents really are interested.

Incidentally, the article of two weeks ago mentioned that the flight would take place during June or July. This was incorrect. Actually, the flight is contemplated to take place some time in July or August. Please communicate with the undersigned if you are at all interested in a Paris vacation this summer.

Golden Age Gains Recognition

BY GRACE HERSKOWITZ
The Nassau County Council of Social Agencies, Division of the Aged, has now listed our group as an active functioning Golden Age Club, and we have joined all the other groups functioning Golden other groups of Nassau, numbering 37. This is important to the group in that we now have the guidance and experience of this parent organization so that we may function with more zest, become more active program-wise, and keep the seniors happier than ever. We would also like to encourage other seniors in Jericho to join our happy family of eager participants in our Wednesday Afternoon meetings at the Jericho Country Club.

The Nassau Council's policies require that all the organizations in Jericho participate as an advisory committee in making this group

stronger than they are today. As a one-man committee I have only been able to do so much and no more. In a very short time I will personally contact the organization within our community and ask for representatives to work with me. Only when one has had the personal contact that I have had for the past three years, can one realize the importance of maintaining this as a substantially well organized club.

To date, the club has had a wonderful time. Our programs have included lectures, a film from the Telephone Company, a home-made luncheon, a musical afternoon, and has acted as host and hostess to the Westbury Senior Citizens on January 27th.

If I could have more people from the community by my side for keeping new ideas into the program box I would be ever so grateful to all. Please call me at OV 1-1307.

North Shore Region ORT Celebrating

The North Shore Long Island Region of Women's American ORT, (Organization for Rehabilitation Through Training) is having a Birthday Brunch on Wednesday, February 10, at 11 A. M. at Temple Sinai, Roslyn.

A most interesting program is being offered. The newest fashions created in the ORT Schools will be modeled by ORT members, including Ellen Bauman and Blanche Karpel of the Jericho Chapter. Some lucky Honor Roll member will win a prize, and there will be a presentation of the 100 per cent trophy. An enticing brunch will be served. All ORT members and prospective members are cordially invited.

Featured are Herb Rosen and his scintillating band. Tickets may be obtained by calling Claire Baumellat WE 5-9293. These tickets are limited, so call right away!

Jericho ORT will have an open meeting and card party at the Jericho Country Club on Tuesday, Feb. 9, at 8:30 p.m.

Adult Education classes of Temple Or-Elohim every Sunday night at Jericho Country Club are attracting a greater number of people every week. Friday night services will continue at the Jericho Country Club, commencing at 8:30 p.m.

Congratulations to Charles A. Heeg of Mellow Lane on his election to president of the Syosset-Jericho Democratic Club.

Syosset School Budget Develops

By HORACE STERLING

The Syosset Board of Education meeting of Jan. 25, was attended by most of the principals of Central School District 2 and the various specialists connected with the administration of such services as library, remedial reading, psychological, guidance, etc. These experts answered the questions posed by the public and the members of the Board after the Superintendent of Schools, Dr. Phillips, presented a picture of present budget figures and estimates for next year. The proposed budget will raise the school tax from the current \$4.73 to \$5.00 per \$100 of assessed valuation. This estimated tax rate is due solely to the expected increased registration and makes no provision for extras of any kind to improve 'quality.'

Dr. Phillips then gave figures related to the cost of various extra services to provide 'quality' education over and above our present high standards. The increased tax rate to obtain additional education services is 50 cents.

Your Board of Education will study these items in the light of their values and then make its recommendation to you, the taxpayer. The Syosset Education Committee of the Birchwood Civic Assoc. will review the entire budget situation and also make recommendations.

LEGAL NOTICE
Please take notice that the Board of Education, Union Free School District No. 15, Town of Oyster Bay and North Hempstead, Nassau County, New York, will accept sealed bids on or before 10:00 A.M., E.S.T. on February 10, 1960 for Equipment for Office Expenses and Secretarial Practices, Texas Ware, Texas Tools, and Floor Scrubbers. Jericho Players Enter 4th Season

By Blanche Karpel

There is an active and stimulating group in Birchwood known as the Jericho Players. They are sponsored by the Birchwood Civic Assoc. and were organized over three years ago by a group of dedicated, ambitious, and aspiring men and women from all walks of life. The Players are composed of housewives, engineers, salesmen, advertising, and real estate men. They all have a common bond that makes them a tightly knit, congenial, fun-loving group—love of the living theater.

Recently they formed a dramatic workshop and hired a professional actor, Sam Javis, who conducts the classes. If you were to peep into a session one evening, it would seem strange to you to see adult men and women behaving as circus performers, animals, and inanimate objects. This is called "Improvisation," and it is the first step on the long road of becoming a polished actor. Those in the class are interested in bettering themselves so that their future productions will have a professional air. It is their hope to produce bigger and better plays for the entertainment of the community. A new workshop will be formed very soon for all those who are interested.

For more details or enrollment please contact the writer at OY 1-4780—we will be happy to hear from you. Of course you are all aware of the fact that the Jericho Players is always open for membership. There is no charge to members of the Birchwood Civic Assoc. and a nominal fee to those residing outside the Birchwood area.

At a recent election the following people were elected to the Board of Directors: Al Ross, Barry Jeffrey, Phil Rosenthal, Leon Zlatner, Jerry Neuhaus, Larry Singer, John and Marilyn Breiter, Dale Berg, Mimi Gruber, Selma Gold, Blanche Karpel, Isobel Davis, Beverly Bogart, and Miriam Reff. The officers for

the new season are: Pres. Barry Jeffrey, Vice Pres. Jerry Neuhaus, Sec'y. Mimi Gruber, Treas. Phil Rosenthal. Their plans for the coming year

The members of the Quartet are Marc Gottlieb, violin; Vladimir Weisman, violin; William Schoen, viola; and Irving Klein, cello.

The group has recently returned from very successful concert appearances in Alaska, where audiences showed wild enthusiasm for the music and performances. The quartet has also appeared on television for the program "Young Audiences" and is at present lecturing and demonstrating types of chamber music to students at all levels of musical training. They are presenting a Carnegie Recital Hall concert in New York next Sunday.

The concert on February 5 promises a distinguished evening of music by an excellent string ensemble whose performances have been described as "sheer magic".

Medic Society Urges 'Shots'

"Remember, it takes 8 months to be fully protected against polio! Will you be ready by next June?"

The Polio Committee of the Nassau County Medical Society urges every person under 40 years of age to make certain that he has received the full series of polio shots before the next polio season. A full immunization schedule consists of three shots; the first and second given at one month intervals and the third given seven months after the second. In order to achieve complete immunization by the next polio season, you must start now.

This immunization may be secured through the family physician or the free polio clinics operated by the Nassau County Dept. of Health. These clinics are operating locally at Meadowbrook Hospital 9 to 11 a.m. every Saturday; Nassau County Sanatorium at Old Bethpage, 1:45 to 3:45 p.m. every Saturday. The clinics will be closed for three weeks during the Christmas and New Year holiday period.

Supervisor John J. Burns pointed out.

For the convenience of Town residents, stickers will be issued from various locations in the Town from Feb. 8, through Feb. 29. After Feb. 29, resident parking stickers may be procured only at Town Hall, Oyster Bay, and the Town Hall office at 65 Broadway, Hicksville, Mondays through Fridays, between 9 a.m. and 4:35 p.m. The parking enforcement deadline is March 1.
