Mrs. Marianne Kutner, membership secretary, announced that the Assoc. now boasts of 439 members after just one year of organization.

The next meeting, March 14, will be a general meeting and all graduates of Hicksville High who are interested in joining are cordially invited to attend. It will be held at the High School Little Theatre at 8:30 p.m. and election of officers for the coming year will take place.

School Board Honors Lincoln, Too

With passing reference made to the ruckus which developed last year regarding the observance of Lincoln's Birthday as a legal holiday for the students, the Hicksville Board of Education has voted four to two not to hold its regularly scheduled meeting this Friday night, Feb. 12.

The School Board will hold only one meeting this month, Feb. 26.

With assurance from the School Administrators that cancellation of the Feb. 12 meeting would not hamper the essential business of the District, the motion was made to skip that meeting night. Trustees Zettler, Schreiber, Hurwitz and Carpenter voted in favor. Voting no were Trustees Johnson and Goodrich.

PS—The school calendar adopted for the current term has Feb. 12 as a holiday this year.

**Court Action
Rouses Parents**

Dozens of aroused Hicksville parents deluged this newspaper, school administrators and Board of Education trustees last week with expressions of alarm and concern as the full implications of the suit brought against the School District by Harry S. Goebel in behalf of 10 taxpayers was more fully appreciated.

Typical of numerous comments expressed in telephone calls was the letter of Harold Phillips of 25 Link Lane and Maurice G. Postley of 19 Hope Lane, both Hicksville, to School Superintendent Wallace E. Lamb. The letter follows:

"The purpose of this letter is to assure you of our sympathetic support of your construction program for Hicksville schools and to express the opinion that the voters of the school district are overwhelmingly on your side in the controversy precipitated by court action of Messrs. Szendy, Goebel, et al.

"The tragic consequence of the court action, which seeks to nullify

**Here's A Coincidence:
Political Parties
On Move Mar 1**

The political organizations in the Town of Oyster Bay will definitely be "on the move" by March 1st, eight months before Election Day.

The Oyster Bay Town Republican Committee is moving its full-time headquarters as of the first day of next month from 146 Newbridge Road, Hicksville, in the Centre Shops, to 10 Willoughby Ave., just off North Broadway, opposite Mid-Island Plaza.

The Democratic organization of the Fourth Assembly District, Town of Oyster Bay, is moving as of the same day, from Herzog Place to the corner of Broadway and Nicholai St.

The GOP is moving from a second floor suite to take over an entire building.

The Democrats are moving from a first floor address to a second floor suite, by strange coincidence, right above the store used by the Hicksville Republican organization as campaign headquarters in the last election.

In no way related to any of this, except by date, is the fact that on March 1st the Hicksville Chamber of Commerce is moving from a second floor address on Broadway to 29 West Marie St. in the same premises now occupied by Oil Heat Institute.

**GOP Club Hears
Albany Report**

Assemblyman Edwin J. Fehrenbach will speak before the Ernest F. Francke Republican Club of Hicksville at 8:30 p.m. this Friday (Feb. 12) at the Masonic Temple, West Nicholai St., Hicksville.

The public is invited to hear Assemblyman Fehrenbach discuss activities during this session of the State Legislature.

Programs scheduled for Republican Club meetings during the balance of the year have been announced by Leland Badler and Alex Pankoff, program co-chairmen. The list, subject to change, is as follows:

March 11 - Brainstorming game: "How to Strengthen the Republican Party"; April 8 - Debate by four Club members and narrator: "Should We Legalize Gambling"; May 19 - Congressman Stuyvesant Wright; June 10 - Hicksville High School Band.

July 8 - Movie: "Nixon's Visit to Russia"; Aug. 12 - Movie and commentary by Charles Stoll; "Big Game Hunting in the Arctic"; Sept. 9 - Discussion by three religious leaders: "Obscenity in Our Reading Matter and What to Do About It".

Oct. 14 - Candidates' Night; Nov. 4 - Election Eve Rally; Nov. 8 - Election Night Victory Party; Dec. 9 - Christmas Party.

**Concert Band
On Stage Feb. 17**

The Hicksville Community Concert Band will present its first concert of the new year on Wednesday evening, Feb. 17 at 8:15 p.m. in the auditorium of the Hicksville High School, according to Director Charles Conso.

Featured on the program will be Aaron Copland's "Lincoln Portrait" with William Golecke as just artist.

Kirby Jolly will perform the Hayden Trumpet Concerto.

The band will present a varied program including the scenario from "South Pacific" and a group of three Sousa Marches.

Drainage Bids

As part of the Town-wide drainage program the Town Board received bids for the installation of drainage facilities in Hicksville, Syosset and Massapequa last week. Programmed for this phase of the drainage improvements is: Jefferson St. from Newbridge Road north to Old Country Road, Hicksville.

TEEN DANCE FEB. 21

A teenage dance sponsored by the Sodality of Our Lady and the Squires of St. Ignatius Loyola R.C. Church will be held in the school on Sunday evening, Feb. 21, 8 to 11 p.m. Admission will be \$1. drag, and 75¢ stag. Boys must wear suits.

Good to hear that BILL KUTNER of Field Ave. is back to work after a few weeks siege of the hospital and convalescing. By the way, talking of Bill Kutner, did you know that the old time Boy Scout uniform on display in the Gertz window on the central mall in the Mid Island Plaza belongs to his father-in-law, FRANK SUTTER of Henry Pl. and it is his World War I uniform. Our editor tells us that the uniforms at the time resembled one another. . . . Belated birthday greetings to a very dear friend, Miss MARY KELLER of Harding Ave., who celebrated her 75th last week. Sure is a spry gal for these years — hope we are when we get there. SISTER CLARA is coming along nicely too, we hear. . . . Congratulations to Dr. and Mrs. WALTER M. They add "the weather's clear and warm." . . CHARLES BARVELS, manager of the Jericho-Birchwood office of Meadowbrook National Bank, has changed his status of membership in Hicksville Rotary from honorary to active member. . . JEROME WATERS of 15 Alpine Lane, Hicksville, is the second alternate appointee of Congressman WAINWRIGHT to the Naval Academy at Annapolis, it was disclosed this week. . .

So glad to hear that our little friend, DOUG BRANDI of Twinlakes Ave., is well on the road to recovery after that foot infection we reported last week. His mom tells us, he'll be back in school soon. . . Pleased to hear that the P.T.A. Council is honoring LEON GALLOWAY, principal of the Hicksville High School, with a testimonial dinner on Feb. 24th. Did you know that the RUDY BENDERS of the Woodbury Delicatessen celebrated an anniversary recently and we forgot to congratulate them? Belated or not, congrats, Mr. and Mrs. B. . . Talking about the BENDERS, their partners, Mr. and Mrs. WALTER KLEEMAN and daughter spent the early part of this week staying in Washington, D.C. . . Sorry to hear that Mrs. THOS. COSTELLO, Sr. of McKinley Ave., is a patient at Nassau Hospital. Get well soon, Mrs. G. we are rootin' for you. . .
Hicksville Rexall Drug is moving this week from 108 B'way to the store in the Centre Shops formerly occupied by Penal Drug. Hicksville Rexall was founded way back in 1871 by DR. RAVE. In those earlier days the drug store was located at the corner of Broadway and W. Nicholas St., at the spot now occupied by Peter & Wendy, ARTHUR CERDES and JOHN R. BRANDT were the partner-owners when the drug store moved to 108 Broadway and the present proprietor is MURRAY RACHELSON, active Rotarian. "Doc" BRANDT, by the way, is now living in Florida where informed sources tell us he is a candidate for political office. Our best wishes and all the success in the world to MURRAY RACHELSON at his new and much larger quarters. . .

Celebrating the 50th Anniversary of Scouting

Scouts Arrange Colorado Jaunt

The 50th anniversary of the Boy Scouts of America in 1960 will feature conservation at all levels from Cub Scouting to Exploring. The conservation program will show boys and leaders that the nation's resources are extremely important in their everyday lives and to their future in a democracy.

It is hoped that each member will learn to do his part to help guarantee the continued productivity of the nation's wealth of natural resources.

The conservation movement and Scouting in America were launched about the same time, 50 years ago. Since then, the Boy Scouts have made a significant contribution in conservation as succeeding generations of boys grew up with an understanding of the importance of the wise use of natural resources and a sound conviction that conservation is part of good citizenship.

The conservation program of the Scouts got a fresh start in 1954 when President Eisenhower requested Scouts and leaders to undertake a nationwide Conservation Good Turn to help alert all Americans to the need for intelligent management of natural resources.

A 22-acre Conservation Roundup will be a feature of the Fifth National Jamboree next July 22 to 28, at Colorado Springs, Colo. Its program will be made possible by the cooperation and help of eighteen private, state, and federal conservation and related agencies.

There will be demonstrations and instructions in weather and geology; soil and water; forest and range management; and fish and game conservation principles and methods.

The Arrowhead District will be well represented at the Jamboree. The contingent from this area will be made up as follows:

Leadership — all from Plainview — Edward Kilgus, Scoutmaster; Philip Weimer, assistant scoutmaster; Seymour Golub, assistant scoutmaster.

Chairman for the district contingent is Fred Hoshfield, from Hicksville, Plainview Troop 493 — Mike Devlin, Mike Golub, Mike Hawber, Frank DeSanto, Robert Bollak, William McDaniel, Richard Komer, Joseph Frino, Chris Tylicki, George O'Donnoghue, Geoffrey Colton, Ed Kilgus Jr., Philip Weimer Jr., Andrew Sienkiewicz, Anthony Accardi, Richard Doherty, and Barry Nagel, Plainview Post 429 — Vincent Bellafiore, Eric Snyder, Philip Simon, Ray Ralston.

Plainview Troop 592 — Mark Berke; Hicksville Troop 293 — John Lansing; Hicksville Troop 491 — Mike Ryan; Hicksville Troop 291 — Lawrence Denfield; and Warren Laurita; Hicksville Ship 18 — Edward Doll; Hicksville Post 595 — Bill Marx and Allan Foster.

Arrowhead Strives For Fund Quota

The Arrowhead District of the Nassau County Council, B.S.A. had for a goal during the 1960 door-to-door Budget Campaign 10,200 contributors to contact. To date 8,820 contributors have been solicited for a total contribution of \$9,915 in this District. Volunteer workers are still on the job to fulfill the District quota.

The Council Budget is used in building a better Nassau County — all funds being used for Nassau boys. The Nassau Council 1960 Operating Budget is \$336,800.00, with 87 percent of this money going to operation and maintenance of three camps, Cub Picnics and Day Trips, Training experiences, Campfires, Ballies, Cub-and-Dad Week-ends, Explorer Activities and direct leadership guidance to every community.

50th ANNIVERSARY BOY SCOUTS OF AMERICA OUR GOLDEN JUBILEE

Oyster Bay TR A Salute to a Scoutmaster Scout Booster

Theodore Roosevelt was no longer president of the United States when the Boy Scouts of America was started in 1910, but he was an ardent booster of the organization.

He became a troop committeeman of Troop 39 in Oyster Bay, his home community, and often went on hikes with his Scouts.

As a former President he was elected an Honorable Vice President, the title bestowed on all Presidents after their terms end. Theodore Roosevelt was the first and only man designated as the "Chief Scout Citizen" and for many years, after his death in 1919, several thousand Boy Scouts and leaders in the New York metropolitan area made annual pilgrimages to his grave in Oyster Bay.

"More and more I have grown to believe in the Boy Scout Movement," he wrote. "I regard it as one of the 'movements' most full of promise for the future here in America."

"The Boy Scout Movement is distinctly an asset to our country for the development of efficiency, virility, and good citizenship. It is essential that its leaders be men of strong, wholesome character; of unmistakable devotion to our country, its customs and ideals, as well as in soul and by law citizens thereof, whose whole-hearted loyalty is given to this nation, and to this nation alone."

Training Program

A standard First Aid 6 weeks course is being offered at the Harkness Boy Scout Training Center, 8 to 10 p.m., on Mondays running through Feb. 22nd. It is hoped that at least one person from every unit particularly interested in safety in outdoor activities, will attend.

A Salute to a Scoutmaster

In almost every community in America, you will find this man.

He is engaged in one of the most exciting tasks known, he works with boys—and in case you haven't worked with youngsters lately, they are still the most energetic, imaginative, enthusiastic animals ever to grace the earth.

He is an outdoor worker who teaches how to get along in the indoors. A practice-expert in a multitudinous variety of minute-sized details.

He arms his charges with ideals, tents, cooking kits, and fervor and guides them into adventures to prepare them for life ahead.

He leads boys by arousing their enthusiasm 'til they run ahead of him to do the job.

He comforts them in perilous times with his presence and stability.

He teaches citizenship by letting them run a camp in the wilderness. If he quits, moves away, or dies, his is one of the most difficult jobs to fill.

Yet, if he does his job well, his only pay will be the deep personal satisfaction of knowing that he has contributed immeasurably towards developing the kind of citizen which we consider ideal.

A strong man, who knows where he's going, and an extremely popular man in the eyes of the future generation—this is the Scoutmaster.

County to Appeal

Nassau County isn't going to pay back that \$76,000 in extra admissions taxes to Roosevelt Raceway without a fight. Comptroller Theodore Bedell, serving notice of an ap-

Should you file a joint return?
If you were married on December 31, 1959 you may file a joint return with your spouse regardless of how long a time you have been married and regardless if whether or not your spouse has income.

If your net taxable income is over \$2,000, a joint return will result in a lower tax.

In making a joint return you include all the income, exemptions and deductions of both the husband and wife. In heading the return you list both names. For instance; John J. and Mary M. Doe. Also, you show both social security numbers and both occupations if both have income. It is not necessary that both have income in order to file a joint return.

Husband and wife must both sign and date a joint return. Each assumes the responsibility for any tax due. If one does not pay, then the other must. If you are entitled to a refund, the check will be issued in both names and both will have to endorse the check before cashing.

In some cases it is not possible to secure the signature of your spouse directly on the tax return. It is possible to file a joint return without having your spouse actually sign the return itself. This is done by having the spouse sign Treasury Department form 938 which is an authorization to prepare, sign and file a joint income tax return.

A signed copy of this form 938 is attached to the return in lieu of the spouse's signature.

If any tax has been paid separately, by withholding or on an estimate, full credit may be taken on the joint return.

President's Message

By DAVID SERKO

At the monthly meeting of the Board of Directors held on Feb. 5th, a format was adopted for the first open Board meeting which will be held on March 5th. It was decided that one-half hour would be allotted at the end of the meeting for questions from the members of the Assoc. and discussion on these questions. Provided, however, that each question which a member wishes to have discussed be submitted in writing to the Corresponding Secretary, Muriel Bernstein, 1 Orange Dr., at least one day before the meeting.

The Board sincerely hopes that a large attendance of members will be had at the open Board meetings in order to warrant the expenditure involved in renting a suitable place.

I am pleased to report that the excellent attendance record of the Board meetings in the past. At our last meeting their was only one absentee, and this member was out of the country.

Among the subjects of general interest discussed and included in the reports of the various committees was the exact location and extent of the projected over-pass from our community to the opposite side of the L.I. Expressway. This over-pass is intended to provide our children with walking access to the Robert Seaman school. Some fear was expressed that the children might have to cross the marginal road before reaching the over-pass. The Education Committee was asked to contact the School Board immediately and report the exact plans.

The Welfare Committee reported that Sections 11 and 12 (See your deed for your section) have passed the requisite inspection necessary for dedication of the streets and sidewalks in those sections to the Town of Oyster Bay. Sections 10 and 11a, on the other hand, have not passed inspection.

The Committee further reported that the dedication should be completed by the Spring and street lights installed at that time.

The Education Committee reported that it will begin its all-out campaign in the near future to get out the vote on the all important Canticque School bond issue and unless our residents wish their children to attend school on a substantial double-session basis everyone is urged to register and vote for the proposition.

The Membership Committee reported that Membership cards have been obtained and will be distributed shortly.

The Community Purchases committee has been asked to investigate the possibility of offering savings to our members in the purchase of goods or services which savings might be obtained by virtue of our mass purchasing power.

The Board approved the Social Committee's plans for a gala dinner dance on April 23rd at the Sky Club at Roosevelt Field. Tickets will be on sale shortly and all members are urged to reserve this Saturday night for what promises to be a very successful evening.

The Board decided that the Constitution should be studied with a view towards amending certain portions which appear to be unsatisfactory and a committee was appointed for this purpose.

A new committee—the Sports Committee—has been formed. Its first endeavor will be to organize a bowling league.

Dinner-Dance

The Social Committee announces a fabulous dinner-dance to be held on Saturday evening, April 23rd, at Elliott Murphy's Sky Club in Roosevelt Field. Tickets will be limited, so be sure to mark this date on your calendar now! Watch this newspaper for further details.

What's Cooking?

By MARY ELLEN LAZARE
I have just finished baking a Date and Nut Bread from a recipe given to me by my neighbor EVELYN WEISS of 18 Craig Street, and it is so delicious Rich but not too sweet, and spread with cream cheese or just served "as is", this is a treat for your family or guests... and this recipe makes a large enough loaf to serve both.

DATE AND NUT BREAD

- 1/2 lb. pitted dates cut in thirds
- 2 tsp. soda
- 1 1/2 C. boiling water
- 2 eggs, separated
- 1 C. sugar
- 3 C. sifted flour
- 2 T. melted butter
- 1 tsp. vanilla
- 1/2 lb. coarsely chopped nuts

Combine dates, soda, and boiling water... stir and set aside to cool. Beat egg yolks slightly. Add sugar and cream well. Stir in sifted flour gradually. Add melted butter, vanilla and nuts, stirring constantly. Add the date mixture and stir just till well mixed. Beat the egg whites until stiff, and fold them into the date-nut batter.

I baked this in an Angel Food Cake pan at 350 degrees for 1 hour and 15 minutes. Make sure the cake is thoroughly cooled before removing from pan.

Committee Comments

By RONNIE AUERHAHN MEMBERSHIP

Seymour Berkman, chairman, reported that this committee is planning to embark on an intensive campaign to get more members through the cooperation of block captains. As a start in this movement, nine new members have already been signed.

WELFARE

The chairman, Dr. H. Ed Greenberg reports that Sections 11 and 12 of West Birchwood have been approved by the Highway Dept. for street dedication. The Legal Dept. of the Town of Oyster Bay must now give their approval and then it is submitted to the Town Board. Plans for street lighting are also reaching completion. Dr. Pike's investigation shows that at left red signal will not be permissible on the light at the entrance to the community. Through necessity, this light will be moved periodically as changes in the roadway are made.

EDUCATION

Under the chairmanship of Dr. Arthur Carin, a get-out-the-vote campaign is being planned. Members of this committee will visit the homes of all West Birchwood residents for the purpose of orienting and clarifying issues concerning the proposed Canticque School. A brief fact sheet about the school was prepared by this committee for distribution to all residents. The next meeting will be held at the home of Murray Kahne, 20 Craig Street on Friday, Feb. 12 at 8:30 p.m.

SOCIAL

The next meeting of the Social Committee will be held on Thursday Feb. 18 at the home of Shirley Grubin, 34 Orange Drive, at 8:30 P.M.

First open meeting of the West-Birchwood Civic Assoc. Board of Directors will be held Friday night, March 4, at 8:30 p.m. at a place to be announced. The Board extends an invitation to all Civic Assoc. members to observe the proceedings. Any member may introduce discussion on any topic by submitting the question 24 hours in advance to Corresponding Secretary Muriel Bernstein, 30 Rockland Drive.

Residents Seek Rides in Pool

Apparently unknown to many members of the Civic Assoc., Dr. Ed Greenberg has been acting as a clearing house for those seeking car pools, both to the Hicksville R.R. station and directly to various points in the city. There are several residents seeking rides to catch the 6:45 train, 7:15 train and 8:30 train. There is also an existing pool seeking additional riders to meet the 7:50 A.M. train and the 6:18 P.M. train.

If there are any pools seeking more members, or residents seeking car pools, they are urged to contact Dr. Greenberg.

West of Broadway

By GERDA MILLER

Congratulations to Dr. and Mrs. Allen Warheit of 24 Rockland Dr. on the birth of their third child, a son, David Steven.

Harvey and Rose Levien of 8 Saratoga Dr. just returned after taking a cruise to Nassau. Could have been to recuperate from daughter, Gail's fifteenth birthday party which was attended by a "small" group of 54 friends, including the whole school basketball team.

Glad to see Larry Elowaky of 30 Orange Dr. up and about again after a bout with the flu recently.

Dr. and Mrs. Danny Yanofsky, of 26 Sullivan Dr. welcomed their second son, Reed Jonathan, born on Jan. 18th.

Three of our minor residents celebrating birthdays recently are: Amy Zion daughter of Dr. and Mrs. Norman Zion who celebrated her second birthday with all her little friends at a party in her home at 1 Craig St. Also Danny Lazare Jr. of 27 Craig St. who was five years old and Hise Zimmerman of 14 Craig St. who celebrated her sixth.

Mr. and Mrs. Hy Dattlof of 5 Tompkins Ave. have a third addition to their family, a son born on January 29th.
Attention West Birchwoodites: On

Following conclusion of the regular business meeting the Board will make every effort to devote at least one half hour and more, if time permits, to answering any questions submitted by membership.

At the last Board of Directors meeting held on Feb. 5th, there was considerable discussion concerning the overpass that will bridge the Expressway and form the principal route for pupils going to Robert Seaman school. It was felt that the overpass should cross the marginal road as well as the Expressway.

Alan Friedland moved that the Education Committee move swiftly to investigate the situation and report back to President David Serko who will decide whether a special Board meeting is required to press the issue.

Saturday, April 23, our Civic Assoc. is holding a dinner-dance at Elliott Murphy's Sky Club in Roosevelt Field. It will include a cocktail hour followed by a delicious dinner with dancing throughout. So won't you please reserve the date and members of the Social Committee will be around in a couple of weeks selling the tickets? A limited amount of tickets will be sold so don't be left out of what will be a most enjoyable evening.

Karl Koebelle and son Bob of 7 Orange Dr. celebrated their birthdays jointly on February 1st.

Sincere Condolences to Edna and Sy Eagle of 8 Yates Lane on their loss. Also to Esther Leslie of 4 Tompkins Ave. on her loss.

Youth Committee

There will be a very important meeting of the Youth Committee, Wednesday night, Feb. 17, at the home of Dave Serko, 26 Craig St. The work of the Youth Committee is a vital function of the Civic Association for many years. Any help we can afford our children now and in the future is far more important than any of our immediate problems. We are badly in need of members for this committee, so please make it your duty to attend.

Letter to Editor

TO THE EDITORS:
I had not planned to write a letter explaining why I have resigned from the editorship of the newspaper, but it was pointed out to me that many Civic Assoc. members will be concerned with the reasons.

At the last meeting of the publications committee, there was a unanimous vote to ask the Board of Directors for permission to publish a column of independent editorial opinion in the West Birchwood News. Most association members do not realize that all editorials must be approved for subject matter before they are printed and that the editors cannot express their opinions or even question the Board... not even in a letter to the editors.

You will recall we tried that once. It was adjudged an editorial and the editors were censured by the Board

and told not to report that censure. Except for letters to the editors — and how often do you get aroused enough to write one of those — the Board of Directors brooks no dissent of opinion in the newspaper. Why, as an editor I couldn't even ask when we get copies of the Civic Association constitution that was passed last August.

While most community newspapers are independent of the Boards of Directors of their civic associations — such as the VILLAGER of East Birchwood — the publications committee asked for only one independent column.

Three thoughtful members of the Board voted for this independent column. But the motion was defeated and the readers will continue to have a one view house organ.

An emaculated, echo newspaper? I'll spend my time better fighting crabgrass.

Sincerely,
MORT WINTHROP

To the Editor:
One of the prime concerns of the Community welfare committee has always been the safety of the inhabitants of West Birchwood.

As chairman of this committee I am deeply troubled by the problem of small children waiting at the bus stop for the school bus. One of the members of our committee, Murray Kalne, has ascertained that the school officials will not assume responsibility until the children are on the bus.

There have been several near accidents in date. It is quite possible that we may not be lucky next time and a child may be seriously injured. This could be your child.

Our committee invites your participation in the discussion at our next meeting. This will be Friday, 19 Feb., at nine o'clock, at the home of Daniel Danielpour, 22 Rockland Drive.

You are also urged to attend our future meetings which are held on the third Friday of each month.

H. ED. GREENBERG
Chairman of the Welfare Comm.

Westbury Senior Citizens on Visit

On Wednesday, Jan. 27, Sr. Citizens of Birchwood had open house at the Jericho Country Club for the Senior Citizens of Westbury. There were 50 persons, without our group, and it was indeed stimulating and exciting to see so many seniors with the inspired feelings that they too can do and accomplish.

The Westbury Seniors brought with them samples of their oil paintings, ceramic work, hand painted pins, home made jewelry, stuffed dolls, and articles made of felt. Birchwood Seniors in turn served them delicious home made cakes and cookies and coffee and made them feel very much at home.

We were very fortunate that afternoon to have the Rachel Circle of the Jericho Jewish Center perform a musical skit, "Do's and Don'ts of Fashion." The audience was very receptive and the Country Club just rocked with the applause and laughter. It was a wonderful afternoon and we are hoping that someday soon our club will be invited to visit with Westbury.

Msgr. Bittermann on Criticism

The following is a direct quotation from Rt. Rev. Msgr. George M. Bittermann, V.F., speaking at the testimonial dinner in honor of County Clerk Francis J. Anderson:

"Now let me say a word about criticism. People in public life are oft-times criticized. Any good job, any good work can bear criticism. It is a good thing to criticize a man. It helps him work harder. But remember this: criticism must be constructive. It must be honest and just and not malicious, for if the criticism is destructive, then it is damaging. Then it is damaging to the critic and it is hurtful and harmful to the recipient to that criticism. Many a man, many a good deserving man who could have been a public servant, would have been a public servant if it were not that he were afraid of unjust, unfair criticism."

Discrimination in Taxation

NOBODY LIKES to pay taxes, but almost everyone has to. Taxation, however, should be fairly and equitably distributed so that no one group is subjected to unfair and discriminatory tax treatment. The Congress of the United States recognized this fact last year when it voted to drop the 10% excise tax on telephone users on the grounds that it is unfair and discriminatory.

Now the State of New York proposes to enact legislation that would continue this 10% levy in our state. If it is unfair nationally, why not locally? Why should this one household utility be taxed the same as liquor, cigarettes, furs, jewelry, etc., while gas, electricity, and water are tax free?

You, the user, who will pay this tax can and should do something about it before it becomes law. Write to your State Legislators and tell them how you feel about the proposed tax.

A Distinguished Guest of Honor

Samuel Schwartz, one of the oldest Jewish settlers in Hicksville, has been chosen as the first guest of honor at a banquet to be held at the Malibu Shore Club on March 5, by the Mid-Island Hebrew Day School of Bethpage.

Mr. Schwartz, who came to Hicksville in 1904, resides since then at the same address on Duffy Ave. He is a hardworking individual who has been very helpful to many charitable and fraternal organizations. In his business many years ago, he sold hardware, furniture, antiques and farm supplies until 1929 when he established the present furniture store on Broadway at Cherry St. in Hicksville.

He was among the original members of the Nassau Hebrew Association in Mineola, the only Jewish organization in this part of the Island at that time. In 1928, he was among the founders of the Congregation Shaarei Zedek of Hicksville and actually did the purchasing of the land for the Synagogue building. He had a hand in the advancement and building of every Jewish organization in this community. In the early years he was also a member of the Prospect Elks. Lately he has taken a great deal of interest in the work of the Mid-Island Hebrew Day School whose purpose is to give the attending students a sound General and Jewish education.

At the banquet, the school will show their gratitude to Mr. Schwartz, who will be joined there by his wife, Bessie, and his sons Julius, Harry, Charles and their families.

Honorary Chairman and Toastmaster will be Manuel Levine, District Attorney of Nassau County and the Co-Chairmen are Kenneth Kronen and David Wetzl of Plainview.

TEN YEARS AGO THIS WEEK IN THE HERALD:

Duffy Park Sought Own Fire Company

A request that a fire company be established in the vicinity of Duffy Park Homes was received by the Board of Fire Commissioners from 46 residents of the section ten years ago this week, according to the bound files of the MID-ISLAND HERALD. There were then five fire companies, all housed on E. Marie St.

And ten years ago this was also headline news:

The MID-ISLAND HERALD was twice cited at the 98th annual convention of the New York State Press Assoc. at Syracuse for general excellence among weekly newspapers of New York State.

The third installment of the Columbia Report to the Hicksville Board of Education revealed that immediate action on construction of a 12-room addition to East St. School is urgently recommended.

The Nassau County Board of Supervisors

upon the recommendation of County Executive J. Russel Sprague and County Clerk Charles E. Ransom appointed Francis Anderson of Hicksville to the newly created position of second deputy county clerk.

The Franklin D. Roosevelt Democratic Club of Hicksville re-elected Louis J. Reinacher as president with Mrs. Marie Ramondi, vice president; John P. McGann, secretary and Mr. Freeman, treasurer.

The Red Cross fund drive quota for the community was announced at \$2,500.

Dr. Joseph A. LePener of New York City opened an office for the practice of medicine at his home, 2 Essex Lane, Hicksville.

Robert Ginsberg, Hicksville High School senior, won second place in the American Legion Oratorical contest finals for the 10th district held at Farmingdale and was awarded a gold medal.

COURT ACTION

(Continued from Page 1)
the vote of 2,877 to 1,825, may be to paralyze the school system and seriously injure the educational program of all our children. It is our opinion that the preponderance of voters who will support you is now far greater than the vote of Nov. 13, last, because so many have had the opportunity to appreciate the constructive program you and your colleagues have in mind. We find it difficult to believe that the court will hold an action upon which the voters have reached a decisive decision.

"The appeal to penny-pinching is lamentable. The cost was openly discussed in your factual presentations to the voters and they voted, in our opinion, with great wisdom when they decided that the cost is very low in terms of the profits for our children in sound education.

"We believe there is a course of action open to all parents. That is to write letters to you and the newspapers, expressing their opinions. We hope this is just a modest beginning.

"Be assured of strong support from the community."

Offering Series At Public Library

Final arrangements have been made for the series of four lectures at the Hicksville Public Library 169 Jerusalem Ave. under the sponsorship of the Hicksville Library Assoc., under the title of "Reading for Pleasure."

The first one, set for Feb. 15, will be delivered by August Franza of Syracuse High School, and will discuss "Don Quixote."

The second lecture in the series, to be delivered Mar. 15 by Prof. Siegfried Moulden of Brooklyn Polytechnic Institute, "Lad, lad, Heara Looka at Amera!" Prof. Mandel, an Associate Prof. of English, is a well known lecturer on literary subjects, has contributed articles and reviews to the New York Times, the Saturday Review and Arts in Society, and was formerly columnist and book review editor for Newsday.

Dr. Edwin Moser, of Hicksville High School, will discuss "The Faintness of Tragedy and the Tragic Comic" in the third lecture of the series on April 7, which occurs during National Library Week.

The final lecture on May 25 will be on "Poetry and Music" by Gabriel Foutner, professor of Music at Queens College.

Herald Reader Opinions

Sees Crossing Delay

To the Editor:
In the Thursday, Feb. 4th issue of your paper you indicated an early start to the long overdue grade-crossing elimination project in Hicksville. At the same time you checked over the desire of Hicksville Democrats for an "overpass" rather than an "underpass" as now contemplated.

Perhaps the feelings of local Democratic workers are shared by the thousands and thousands of residents who have been submitted to hours and hours of torture by the Republican failure to deal with this problem ten, fifteen or even twenty years ago. It could be summed up this way: "Overpass? Underpass? Just get busy. Stop talking about it and DO IT!"

It also causes me considerable distress to have to contradict some of the statements in your front-page story. Reliable information from the Department of Public Works (before printing any further stories on the subject, kindly check us) indicates that there will be at least a 12-month delay in contract letting. Work will not start in 1960. We will be fortunate if it starts in 1961.

Hicksville Democrats are now publishing a bi-monthly publication which they hope will bring about the fulfillment of certain urgent local needs neglected for a long time. We appreciate suggestions and criticisms from our neighbors.

Hicksville Landmarks No. 4

ANOTHER LANDMARK which no longer stands was the first structure of the German Lutheran Church, later re-named Trinity Lutheran Church of Hicksville. While the congregation was formed 110 years ago in 1850, the cornerstone for this frame church on the south side of Nicholas St. was laid on Mar. 3, 1864 and served until 1931 when the present stone edifice was erected on the north side of the street and dedicated. The location of the old frame church was sold to the school district and became part of the present day playground of Nicholas St. School. This picture was taken about 1900.

Island-Wide HS Band Festival

Harry Birkmier, District Supervisor of the Prudential Theatre chain, announced plans for an Island-wide, Long Island High School Band Festival to be held at the end of April, at Prudential's All-Weather Drive In Theatre in Copiague. This spectacular event will be sponsored by Prudential Theatres, in conjunction with radio station WBIC and local public-spirited merchants. The competition is open to every High School on the Island and it is anticipated that a hundred bands will participate in band festival. Noted authorities from the music world will act as judges. To his knowledge, Birkmier stated, "This is the first time such an event has been held on Long Island on such a large scale and it should be a most memorable event, enjoyed by communities, merchants, schools and students."

International Little League News

BY GEORGE J. NATHAN
The January meeting of the International Little League persisted over by the Executive Vice-President, Archi Rosica, in the absence of President Phil Mazzulo, experienced a record turnout of operating personnel. Approximately 60 people came out to discuss insurance problems, make-up of the League, and other important points. Very little was accomplished at this meeting and because the new constitution and by-laws of the League has not yet been officially accepted.

The next meeting of the league will be held, as usual, in Cafeteria "A" of the Senior High School on Monday, Feb. 29. We hope that new members of the League who attended the last meeting will come out again.

Tony Kirsch, Treasurer of the League, reports he has received sponsorship fees from the Island Athletic Club, Charles Wagner Post No. 421, Instruments for Industry Traction Express and Rambler Motors, all of whom are sponsoring in the Minor Div. for 1966. We understand that there are now only two teams in the Minor Div. unsponsored but no doubt our chairman of the sponsored committee will take care of this before the season opens.

The writer has learned "through the grapevine" that there is some

discontent among a few of last year's managers because they have not been notified that they will manage again this year. As far as we can determine this situation has developed through the managers own lack of interest throughout the winter season. Certainly, the Executive Vice-President, cannot "dream" that these men are available. It is up to them to attend our monthly meetings: fill out the necessary forms and cards and inform the Executive Vice-President that they are available again for managerial duties.

At this writing we do not know if there are still openings available, but we would suggest that any man who managed last year and desires to manage again in 1966, contact Archi Rosica by telephone and tell him they are still interested.

Boys who desire to play in our league for the coming year and who have not yet registered may now do so by contacting Phil Mazzulo at WE 1-0083 or Archie Rosica at WE 5-2142.

TRADE NEWS

Goldman Bros. traded their star outfielder Stephen Cooper for Ray Constantine of Perkins Trucking. This looks like a good trade for both teams as both figure to benefit. Steve Cooper has two years of Major League experience is what Perkins needs. Ray Constantine is as yet an unknown quality having

The Fire Horn

prepared by the publicity committee of the fire prevention bureau of the Hicksville Fire Department

This week, we continue our FIRE PREVENTION tour of the average home, with the study of the attic. While these remarks are concerned primarily with the Cape Cod or expansion type attic, a word of caution, on the ranch or storage type. Be extremely careful as to the type of material that is stored away. Remember the extremes of heat that occur during the summer months in an attic. Be sure that the louvers provided for ventilation are not obstructed and that the entrance is kept accessible.

EXPANSION ATTIC

The expansion attic brings out the best, "Do it yourself" in all of us, or sometimes the worst. It is just as easy to build a firetrap as it is to do the job properly.

If you have the ability and some knowledge of building construction, consult and comply with, the Building Code. These Codes are established with an obvious purpose in mind and are never meant to be punitive. It is to your distinct advantage to obtain a Certificate of Occupancy.

On the other hand if there is doubt in your mind, consult a reliable contractor, in the community, see that specifications are kept and the required permits and certificates are issued.

Generally, attics are finished into bedrooms and bath. The usual cautions apply here. Be very careful of using supplementary heating, particularly of the open flame type, especially where there are children or invalids. Smoking in bed is always mentioned, since it is responsible for so many tragedies.

In the near future, we will discuss some of the functions of your Fire Department. This series will start with the Reserve Squad, which is directly responsible for the operation of the Ambulance.

From time to time, from many sources, we obtain the names and addresses of invalids, that is, people who are confined to a bed or a room and are comparatively helpless. This is invaluable information in the event of an emergency. If you can supply information of this kind, please write to the address below.

If you have any questions on Fire Prevention, or wish a Fire Horn card, write:

Babe Ruth Grays Play 75ft Baselines

Hicksville National Baseball Assoc. in conjunction with the Babe Ruth League play their Gray Division at the 75 ft. maximum baselines.

"This step," according to Gene Burke, President of Babe Ruth, "is necessary because we lose to many of the Little League Graduates."

"We are faced with this problem."

Attention 13 Year Old Boys

If you want to play Babe Ruth Baseball at shorter base lines and pitchers mound, then register this Sunday, Feb. 14, Levittown Hall from 1 to 5 p.m.

continued Burke, "In past years 60 percent or more of the Little League Graduates fail to register for Babe Ruth because they feel they lack the ability to make the big jump to 90 ft base paths. Therefore it will be the dedicated effort of the Hicksville National Baseball Assoc. to supplement these boys with a smaller field this year. The field will be of the same dimensions, equivalent to a Pony League Field."

It is the Assoc. hope that no longer will the Little Leaguers be afraid to register with Babe Ruth.

"If we cannot provide a baseball program for the 60 percent absentee registrants, then we have failed these boys of our community," Burke added.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Bob Sutton

The American Legion officials and leaders throughout the 17,000 post network of the organization have expressed great concern over the reported discovery of 48 star American flags in the bundles of industrial rags. If you have an old flag that is no longer serviceable, please contact any Legionnaire or Legion Post, or drop the flag at the post on Nicholas St., or call me at WE15 7-0589 and I will arrange to have the flag picked up.

National Commander Martin B. McKneally of the American Legion will lead the 26th Annual Pilgrimage to the tomb of Abraham Lincoln on Friday, Feb. 12, in Springfield, Illinois. The Legion will join in a special tribute to the Boy Scouts of America as Boy Scouting celebrates its 50th Anniversary in the United States. On Feb. 15, the Charles Wagner Post will present the Dept. of New York American Legion Good Citizenship Awards and medals to five Eagle scouts from Hicksville. The scouts are: Noel Dennis, William La Dotto, Harold Factor, Joel M. Chasoff and Seymour Oskoroff. Our Boy Scout Chairman, Jim Carter, has extended invitations to the Scouts, their parents and Scoutmasters to attend our meeting on that night. Post Commander Paul Knison has also invited the Auxiliary of our post to attend. Feb. 15 will be a busy day for the post with the initiation of new members also scheduled for the same meeting.

Have just received a special plea from the Auxiliary of our post for white material to be used in the making of Camer pads. It seems that their supply of material is quite

low, and for them to continue on this worthy project it is necessary that they receive a new supply as soon as possible. As you know, the

Auxiliary meetings are once monthly on the second Tuesday, to make the white material into pads that are sent to different hospitals. Help is always needed to sew and make these pads. You can help do your share by sending your old sheets, pillow cases and table cloths to the post, or call any of the following members: Mrs. R. Sutton, 1 Essex La. or Mrs. A. Bregles, 126 Marie

St. Bob Burley, member of our post, has become Community Director of Civil Defense in our area. Good luck, Bob.

See you all at the dance Saturday. Don't forget to get your reservations in early for our St. Patrick's dance on March 19, as there is a limit on ticket sales.

Gets Nominations

The regular meeting of the Old Country Rd. P.T.A. of Hicksville will be held Wednesday, Feb. 17 in the school at 8:15 p.m. There will be an entertaining evening of music with the Junior High Neighbors. There shall also be a selection of nominating committee for officers for 1960-61.

TO NASSAU and SUFFOLK COUNTY FAMILIES and BUSINESSES

THIS IS AD NO. 4 REFUTING INCORRECT INFORMATION
DISTRIBUTED BY NEW YORK SAVINGS BANKS

Our previous ads provided a detailed answer to the question:

"How do service charges at Franklin National Compare with 3 leading N. Y. C. banks?"

Here is the answer summed up:

If 3 leading N. Y. C. banks reduced their service charges on regular checking accounts by 15% Franklin National would still be lower.

Please bear this in mind:

The incorrect information distributed by the New York Savings Banks does not show one service charge by any N.Y.C. bank for comparison. Not one!

FURTHERMORE, the authors of the incorrect information have admitted to us point blank that they never even bothered to ask leading N. Y. C. commercial banks for their service charges. The authors also have admitted to us that they did not know the actual service charges of leading N.Y.C. commercial banks when they said ours were higher.

WE CHALLENGE THE NEW YORK SAVINGS BANKS TO A PUBLIC DISCUSSION OF THEIR ENTIRE "STUDY" TO BE HELD IN NASSAU COUNTY.

Candlelight Circle Installs Members

The last meeting of the Candlelight Circle of Hicksville was held at the home of Mrs. Waldemar Mickelson, 205 Brattle Lane.

Miss Genevieve Moore, President of the L. I. District of the International Order of the King's Daughters and Sons, was guest of the evening. She installed two new members to the Circle, Mrs. Edmund Fontaine of 46 Arrow Lane and Mrs. Julie Winkler of 36 Arcadia Lane. A most impressive Candlelight Ceremony was held, which served not only as an installation of the new members, but also as a re-dedication and reminder to all of the purpose and work of the Order.

Two projects for the immediate future are Valentine favors to be made and sent to the King's Daughters' Home at Danville, N. Y. and a lavette to be prepared and presented to Meadowbrook Hospital.

Plans are also well under way for the Circle's Spring Dance to be held Friday evening, April 20, at the Officers' Club, Mitchell Air Force Base.

Card of Thanks

I wish to say thanks for all the love, "hot will" wishes, visits and gifts that I received while in the hospital and at home. It is just wonderful to have such kind relatives, friends and neighbors.

Sincerely,
Francis Visalli
