## Moves to Dismiss Suit by 10 Taxpayers

Supreme Court Justice Edward J. Robinson presided at a hearing in Special Term, Part I, Nassau County Supreme Court in Mineola, Monday, upon a motion by Hicksville School District to dismiss the action brought by ten taxpayers seeking to declare the Nov. 19 School Referendum "void and illegal."

Justice Robinson reserved decision after hearing oral arguments by Michael J. Sullivan, attorney for the School District, and Harry Goebel, attorney for the 10 taxpayers including Mr. and Mrs. Emil J. Szewdy, Mr. and Mrs. Lawrence A. Roman, and six other people.

Sullivan cited two basic charges in his presentation: failure to state facts sufficient to constitute a cause of action, and that the Court does not have jurisdiction. The appeal should have been made, under the Education Law, according to Sullivan, before the State Commissioner of Education in Albany.

The two million dollar "package" school facilities program was approved by the voters of the District by a margin of about 1,000 voters on Nov. 19.

School Board President Allen S. Carpenter and Vice President James C. Zetler were in court, Monday, for the hearing upon the motion to dismiss the action.

Dr. Wallace E. Lamb, superintendent of schools, in a report to parents of the community regarding the school building program and the taxpayers' suit said last week: "Parents have been asking members of the Board of Education and of the Administration what steps can be taken now to carry out the will of the people as indicated by the referendum vote. So far as the main part of the construction program is concerned the District's school authorities are powerless to proceed until the Courts hand down a favorable decision. Even then appeals could delay action still further. Yet the Board has already made two moves which should expedite matters.

"First," Lamb continued, "the

board has authorized its attorney to move as quickly as possible to get the suit before the Court. The sooner a judge hears the case the sooner a final decision might be made.

"The second move is aimed at getting part of the building program underway despite the court suit. This involves the moving this summer of 12 temporary classrooms from their elementary locations to the Junior High School site.

"The moving of these 12 temporaries was the only part of the construction program that had been scheduled for completion this coming summer."

He then noted, as was duly reported in the HERALD, that \$84,000 is being placed in the 1960-61 budget to cover the cost of moving these units. If the court action is settled in favor of the School District before the tentative budget is adopted by the Board of Education (about the end of April), the \$84,000 will be deleted from the proposed budget.

"Either way," Lamb explained, "the temporaries would be moved as originally planned. The only important difference would be that if they were moved in accordance with the referendum vote, the \$84,000 would be raised over a period of 11 years; whereas if they were moved out of the annual budget the entire \$48,000 would be paid during the 1960-61 school year.

"The Board and the Administration," he concluded, "are anxious to do everything possible to carry out the wishes of the taxpayers of the School District as indicated in the Nov. 19 referendum."

## Irving Jesser Dies Suddenly

E. Irving Jesser whose pleasing voice was heard to thousands died suddenly on Monday.

Jesser made his home at 16 Raymond St., Hicksville, and was well-known as the announcer at the annual Hicksville Fire Dept. Labor Day tournaments as well as many sporting events in the past. During the past year he was the official announcer for the state firemen's association and appeared at numerous competitions on Long Island as well as upstate.

His interest in firematic affairs was strictly a hobby and volunteer service. He was a member of the Jericho Exempt and Benevolent Firemen's Assoc. and secretary of the group. He was a former Jericho resident.

During the days of the classic gridiron battles between semi-pro clubs on the Island, Jesser was active in the management of the stellar Hicksville Field Club.

He is reposing at the Wagner Funeral Home, Old Country Rd. and Jerusalem Ave., Hicksville, until today (Thurs.) Religious services will be held at 11 a.m. with the Rev. Robert C. Alexander officiating. Interment will follow at Brookville Cemetery.

He is survived by his wife, Eleanor, and a daughter, Barbara.

## 20 Fire Alarms In Past 2 Weeks

Hicksville Fire Dept. answered twenty alarms, including four for the ambulance service, during the two week period thru Feb. 16.

Gas leaking from a refrigerator at the home of John Podalski, 5 Moeller St., called out the volunteers on Feb. 3. On the following day, the first call was the false alarm from Seventh St. In addition, Charles Trister of 15 Larch St. was taken to Nassau Hospital, Mineola, in the ambulance; a fire in a Town of Oyster Bay Sanitation truck at Duffy and Benjamin Aves. (Continued on Page 15)

## No Mail, Monday

The Hicksville Post Office will be closed all day, Monday, Feb. 22 in observance of Washington's birthday. There will be no mail delivery that day, according to Harry Cotier, Postmaster.

## Predicts Super School District

Assemblyman Edwin J. Fehrenbach of Bethpage thinks that the Legislature will pass a bill this year establishing a "supper" school district composed of Nassau and Suffolk counties.

This two-county district would be authorized to levy certain local taxes to raise its own revenue, Fehrenbach declared. He spoke before the Ernest F. Francke Republican Club of Hicksville, Friday night, at the Masonic Temple, Hicksville.

Fehrenbach stated that any increase in State Aid to school districts after this year would require higher state income taxes. "When you ask for state aid, you are asking eventually to pay more taxes," he added.

The Bethpage legislator also said that he favors legislation requiring a minimum period of residency in the state before a person is entitled to receive welfare assistance.

This is a switch from his previous position on this subject. Fehrenbach noted. He said that he changed his mind after learning of welfare abuses in New York City and the increasing sums of money that were needed for relief programs.

On the subject of off-track betting, Fehrenbach declared that he was against legalizing it. He said that the proponents of off-track betting have overestimated the revenue that it would produce.

Club president Louis Kappstater announced that tickets are on sale for the Club's dinner-dance March 19, at the Old Country Manor, Hicksville. Tickets are \$7.50 per person.

## Larkin Directs Labor Day Drill

John Larkin of Nevada St., has been named chairman of the famous Hicksville Fire Dept. Labor Day Tournament and Parade by Charles Saurer, chief of Hicksville Fire Dept.

The Labor Day event is probably the oldest and biggest invitation volunteer firemen's competition held in New York State and last year drew more than 25,000 spectators.

Arthur Laakson, secretary of Hicksville Fire Dept., is co-chairman of the event. Other members and officials of the committee in charge include: Guy Smith, secretary; Lawrence Small, treasurer; James Taxter, planning; John Specht, welfare fund campaign; Harold Hawhurst and Robert Herman, Journal; Joseph Pollina, refreshments.

Also, August Jud, George Kunz, Morty Donlon, George Fenne, Lawrence Huttie, John Miller and John Williams.

The committee headed by Larkin is now looking into locations for the firematic competitions.

## Set Deadline For Transportation

All parents who desire transportation of children living in Hicksville School District to private and parochial schools outside the district are requested to pick up application blanks at their Church or at the Transportation Office, Administration Annex, 96 Broadway, Hicksville. All applications must be returned by the 15th of March.

"This information is absolutely essential to the School Administration and to the Board of Education if the school budget for 1960-61, which will be presented to the taxpayers this Spring, is to contain sufficient money under transportation to make possible the meeting of such requests," a school spokesman said.

GEORGE SCHERIFF of 78 Benjamin Ave., Hicksville, on duty with a radar station near Villavieja, Spain, participated in a comedy routine with USO entertainer, Kerby Wakefield. The USO sends troupes of entertainers to far-flung bases regularly. A/2C Scheriff is the husband of Carol Scheriff.

**Boy Scout**

I'm proud to be a Boy Scout. Boys take a tip from me. It teaches you the outdoor life and helps you physically. There's many things we learn to do. That helps us considerably.

We learn to be good citizens and help our community. In summer we are hiking. We camp, fish, cook and swim. We learn the mysteries of woodcraft. Of first aid and life-saving.

We do a good turn daily and strive to be prepared. A Boy Scout he is reverent, Trustworthy, kind and brave. He's loyal, clean and cheerful. Thrifty and well behaved.

He knows the principal trees and birds. And animals he sees. He can tell the north from the south. By the moss upon the trees. That is why I'm glad to be a Boy Scout.

It will make a man of me.  
BETTY ANN STARKE

MY SISTER EILEEN will be presented by the Hicksville High School Senior Class next week, from Wednesday to Saturday nights, in the high school auditorium. Steve Fiolkow as Mr. Appopolous describes a scene to Sharon Wolfson who plays the mother-in-law and Angela Pane, who is Ruth.

The Hawks won the inter-patrol scouting contest held during the regular troop meetings in the St. Ignatius scoutroom; scouts Van de Merlen, McCarthy, the Reids, Studer and the Francos received a "Victory Feather" for their efforts, which is to be hung to their patrol flag.

The troop's swimming event at Brooklyn's Hotel St. George on 1-30-60 was a memorable outing. Half the troop attended and they enjoyed themselves tremendously. Senior patrol leader Tom Burns did a fine job in working with the other scouts who were trying to complete their swimming requirement. Mr. H. Studer helped make it all possible by lending outside transportation and thinks to assistant scoutmaster George Berg, the program was his idea.

Troop 91's participation in St. Ignatius' scout Communion Breakfast, 2-14-60, was a huge success. Over thirty scouts and their parents were present and Mrs. Reid was good enough to represent the troop in serving the guests. Committeeman M. Fasullo worked hard to see this social through and the troop greatly appreciates his worthy efforts. Assistant scoutmaster John Gliska has announced the plan for a roll-

er, skating outing during the first of March. Don't miss it boys, it promises to be a good one.

IN BRIEF - the troop welcomes cub scouts Wellman, Palladino and Rowehl into their ranks; with the troop growing so fast (over 40 active scouts), scoutmaster John Sholl is ready to meet the challenge of new program and organization problems; Mr. Tom Kilgallon has joined the committee and will serve in the capacity of Quartermaster.

In closing, Phil the old scout would like to say - "the cure for laziness is hard work!"

**Fehrenbach Introduces School Aid Bill**

On behalf of the entire Nassau County legislative delegation, Assemblyman Edwin J. Fehrenbach has introduced the Nassau Republican proposal for an increase in State Aid to education in the Assembly at Albany.

The program will aid all districts but is especially designed to meet the problems of rapidly growing districts and those confronted with high real estate taxes. It can be accomplished without conflicting with Gov. Rockefeller's pay-as-you-go program.

The proposal calls for a temporary increase of ten percent in basic aid in the 1960-61 school year in addition to the present temporary increase of eight percent or an 18 percent increase in all.

It provides that school districts with an increase in average daily attendance of more than four percent in one year may compute aid on an estimated basis for the current year. It takes into account the problem of religious holidays in

computing average daily attendance and makes adjustments in the formula for school building aid advances to conform to changes in state equalization rates.

The bill also provides for a 25 percent increase in the first bracket of aid to high tax districts (those with full value real estate tax rates of \$19 per thousand or more).

This brings the total cost of the program to more than \$70 million of which New York City will receive an estimated 19 million dollars.

Medical expenses are deductible to the extent they exceed 3% of your adjusted gross income, but not more than \$2,500 per personal exemption and not more than \$5,000 on a separate return or more than \$10,000 on a joint or head of household return. Exemptions for old age and blindness do not count. If you or your spouse are over 65 years old the 3% provision does not apply to you and if you are disabled and over 65 you can deduct up to \$15,000, \$30,000 if you and your wife are both disabled and over 65.

You can deduct any sum that you spent for the diagnosis, cures, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body (including amount paid for accident or health insurance), or for transportation primarily for and essential to medical care.

Deductible as medical expense are your costs for drugs and medicines to the extent that they exceed 1% of your adjusted gross income, costs of travel, transportation, rental of special sickroom equipment, etc.,

as well as doctor's bills, nurses, hospital costs and other expenses directly connected with your illness or accident.

These costs can be for yourself or any of your dependents. The dependent does not have to have been your dependent at the time that the costs were incurred, but must be your dependent at the time they were paid. You can deduct medical costs you paid for the dependent even though you may not be able to claim the dependent as a tax exemption. For instance: You help support your mother who worked part time and made over \$600. Because she made over \$600 you cannot claim her as a dependent. However, if you furnished over one-half of her support, you can still deduct the medical costs you paid for her.

It does not matter when these costs were incurred. They are deductible in the year paid. You cannot deduct costs that you owe. They must be paid to get the deduction. If part of your medical costs were reimbursed; that is, if your insurance company paid a part of them, then you can deduct only the part you actually paid and that was not reimbursed to you.

## Call Important School Meeting

BY JOE GENNA

The Jericho Education Committee of the Birchwood Civic Assoc. wishes to announce a very important meeting on Tuesday, Feb. 23, at 8:30 p.m. at the Jackson School, Maytime Drive, Jericho. Members of the Board of Education of Jericho School district will be present to discuss the proposed construction of the Contigue School. Where will the school be located? How badly is it needed? How will it affect double session? How many pupils will it accommodate? What will be the cost? How much will it cost you

## President's Corner

BY RALPH DIAMOND

As my presidency of the Civic Assoc. draws near its end, it is only natural that I should review some of the problems that have taken place in the past. Very few people realize the number and variety of problems that the Civic Assoc. handles during a year. The subjects vary from our children's education to zoning, to problems of our youngsters recreation as well as our elderly citizens, from lights to libraries etc.

Most of the problems are handled and solved in committee or by the Board of Directors. The prompt and efficient action taken by the Civic Assoc. often solves the problems on hand without the necessity of seeking the general public's assistance. On occasion for example, the recent gasoline station battle, the community as a body was needed and responded wonderfully to our call. On many similar occasions, the community has demonstrated its sense of responsibility.

One of my most perplexing problems has been whether or not to constantly publicize the many actions taken by our Civic Assoc. If we constantly describe our activities I hear criticism that the only thing we only do is praise ourselves. On the other hand, if we fail to publicize our many activities people will either say, well what does the Civic Assoc. do or they may say why don't you let the community know what you are accomplishing. We who are active know full well the tremendous job done by our organization. It is our sincere hope that those who benefit either directly or indirectly by our activities will also be aware of the importance of our existence.

Many of our accomplishments, such as obtaining traffic lights, better education for our children, etc. naturally benefit all of our residents and not merely our members. It is these intangible benefits that are hard to fully describe. The fact that we have representatives at every school board meeting, the fact that we are constantly in touch with County and Town officials; the fact that we are constantly on the alert to zoning changes and many of the other continuous problems in of itself, is beneficial to every resident of our community. The main responsibility for the administration of the Civic Assoc. lies with the officers and members of the Board of Directors. The caliber of each man holding such responsible positions of trust should be of the highest. The selection of such officers & Board members naturally will be up to the members of the Civic Association. On Saturday March 6th, the election of new officers and directors will take place. It is the responsibility of every member to vote the candidate of his choice.

The Board of Directors has voted an appropriation for the election this year, which will allow dancing to Herb Rosen's Band. Entertainment has been provided as well as refreshments, all without charge. Your vote and attendance is urged that night.

as the taxpayer? These and other questions will be taken up.

In order to vote on the proposition on March 5, all voters are urged to register at the New Jericho High School on Cedar Swamp Road. The hours are  
 Feb. 25, from 4 to 10 p.m.  
 Feb. 27, from 2 to 10 p.m.

The question of the new school is one which affects all residents of Birchwood Park directly or indirectly. The committee urges everyone to come and hear it discussed, to register and to vote.

## Scouts Mark Golden Jubilee

BY DAVID A. MARK

If you take 50 Cub Scouts, plus 20 Boy Scouts; mix them roughly with 50 squalling and admiring younger brothers and sisters, and toss in 150 proud parents and grandparents—you're bound to have quite a ball! And this is precisely what took place at the Jackson School, Thursday evening, when the cubs and scouts celebrated Scouting's golden anniversary.

It was an evening full of entertainment, surprises, and awards, two of which were given to George and Mimi Frankel for their superb work in the Scout Training Program. The Frankel's awards were equivalent to those given to Eagle Scouts, and you just can't fly any higher than that in Scouting.

Henry M. Curran, TOBAY Town Clerk, presented the charters for Cub Pack 129 and Troop 129 to Max Kopelman, president of the Jericho Jewish Center which sponsors both groups. In addition, the Cub Pack received an award for 100% subscription to Boy's Life Magazine.

The entertainment was home-grown and amusing. Each Cub den vied with the others in their performance of song fests, pageants, kitchen bands and action games. The enthusiasm of the young cubs was overwhelming. The Scout Troop put on a fine exhibition of knot-tying, fire-lighting with bow and spindle, and physical dexterity. One of the highlights of the evening was their demonstration of authentic Indian dances and singing, led by Don Miller, scoutmaster. An Indian devil dance, in particular, had the audience sitting on the edge of their seats, moaning vocally with the dancing medicine men against the devil.

Morton Mann, JJC's institutional representative, was a fine MC, and the evening ended happily with ice cream and soda for the youngsters and coffee and cake for their audience.

The VILLAGER too extends its birthday greetings to Scouting, and to all who devote their time and energies to its continued progress. Particularly, we wish to join in the tribute paid those heroic ladies, the Don Mothers, than whom no one hath greater patience.

## Alma Mater

By GLORIA BRUNSWICK

Before you read this article please close your eyes one moment and think back to the institution of learning you call Alma Mater. You may call it High School, or Prep School, or Finishing School, or—er, Reform School? Whatever you call it and however fondly you remember it, — you were cheated! So was I. But one privileged child, who will attend the new Jericho High School will never be able to make the same claim.

Jericho High has been occupied since Monday, Feb. 22, on Feb. 13th, which was Thorough, Cleaning Day, but I must say that neither mops nor brooms nor stacks of carpets could diminish my complete admiration.

As I entered the main lobby with its tasteful assortment of glass, stone, and brick, I was tempted to ask for the name of the Interior Decorator. In my opinion Jericho High is modern, yet elegant, and above all, extremely efficient.

My "oohs" and "aahs" and "oh, mys" resounded through the vacant school as I took an unguided tour.

The auditorium looks like a magnificent theater with its red plush seats, brick wall, and vast stage, its ceiling is illuminated like the dome of the Hayden Planetarium, I wouldn't know much about the acoustics but my "oohs" came through like Lady MacBeth.

In some of the classrooms I noticed the blackboards on triple trucks. (Like our medicine chests) with shelf space behind them. The halls are lined with lockers, each having its own combination lock — you know, — right to 59, etc.

The Home Economics Room with its ultra modern appointments — Refrigerators, ovens, wax cabinets, — made you salivate without peeling an onion. The Shop Rooms with its intricate machines looked ready for young hands to start work on something simple like a hydro-generator.

The Science Labs have curved counters and sinks with cabinets below and from here some future space-nut will embark on their planetary careers. Budding Pastors are also welcome, I imagine.

Standing outside the gym, admiring its size and glossy, varnished floors, I smothered a desire to cheer, "Jericho, Jericho — yea team!"

There will be a formal Open House at Jericho High at the end of February. I know each one of you, as Jericho taxpayers, will reap a deep sense of "satisfaction" from this first secondary school in our area. You'll be proud!

## Temple Or Elohim To Purchase Land

A Congressional meeting of Jericho's Reform Temple Or Elohim will take place on Wednesday, March 2nd. Congressional approval for the purchase of a parcel of land will be sought. Congregants will also be shown renderings of proposed buildings.

## Noted Lecturer

Dr. Rebecca Liswood noted sex lecturer will appear on Tuesday, March 1st at the Babcock-Sugarmann School at an open meeting of the Jericho Jewish Center. Sisterhood, Circle Miriam will be Hostesses. Husbands and wives are invited to hear Dr. Liswood speak on "Sexual Harmony in Marriage."

THERE WILL BE NO PICK-UP OF GARBAGE ON WASHINGTON'S BIRTHDAY

## Here and There

**BY FLORENCE BERGER**  
There are four very proud parents in Birchwood. Their children received State Region Scholarships! Doreen Kossive of Birchwood Pk. Dr., Craig Kappel of Flower Lane, Victor Rosenthal of Hightop Lane, and Andrew Singer of Briar Lane were the winners.

Congratulations to Diane Herbin on her recent engagement. The Herbins of Hazelwood Drive are just returned from Florida vacation where Diane's fiance lives.

Happy birthdays to Carol and Sherry Fishkin of Forest Dr.

Best wishes to Mr and Mrs. Jack Sloan on the engagement of their daughter Gayle to Gary Ecker of Manhattan. Formal announcement was made at Temple Or-Elohim's Friday night service. It was the Temple's first engagement announcement.

Happy anniversaries to the Aaron Winokurs of Hightop Lane, Harold Peppers of Birchwood Pk. Dr. and the Irving Troppers of Maytime Dr.

Congratulations to Mr. and Mrs. Ben Raber of Magnolia Lane on the Bar Mitzvah of their son, Robert. Services and reception at the Huntington Town House, Saturday, February 13, 1960.

Rabbi Schenkman was a little lost when his pretty wife Arlene upped and went to Blue Island to visit her parents, but she'll be back soon.

Last night (Wed) the Jericho

Chapter of Hadassah girls received their award for meeting 100% Quota at the Reward Reception at Beth-El Temple in Cedarhurst. Muriel Sugarman was awarded a special gift as Woman of the Year. The women are very proud of this achievement.

The Valentine Dance of Hadassah was a spectacular success both socially and financially. The King of Hearts was Irving Berger of Maytime Dr. (I know him slightly) was my face red when he shouted "I won, I won." C'est La Guerre! The Queen of Hearts was Mrs. Sylvia Grossman, guests of the Edgar Livingsons of Maytime Dr. What a hilarious time! What prizes, thanks to Hicksville-Jericho merchants and people of Jericho there were many. The success of this function was due to hardworking chairman, Jay Schacter, Ann Lerner and overall chairman, Blossom Kesner, and her committee.

Congratulations to Mr. and Mrs. Emanuel Tobias of Maytime Drive on the marriage of their daughter, Karen.

Get well wishes to Joan Schmidt of Birchwood Park Drive home from hospital.

Dorothy and Louis Penn of Hightop Lane went vacationing at the Concord to get away from it all and who should they run into from Birchwood! But the Ben Shepps of Mulberry Court and the Irving Kossive of Maytime Drive. It's a small world!

When they say good things come in small packages they must mean Sammy Resnick of Magnolia Lane. He sure kept the band stand rocking at the recent Valentine's Dance to Herb Rosen's music. He's a frustrated band leader, singer, master of ceremonies etc. Keep em laughing! What makes Sammy Run?

Plans are being formulated for a party for sixth grade students who will leave the Jackson School in June to enter Junior High School in the fall.

The Jackson School P-T-A, plans a Bowling-Lunch at the Jericho Lanes, Jericho Turnpike, Woodbury on Wednesday, March 30.

At the Executive Board Meet-

**JOHN ROY CARLSON**  
On Friday, Feb. 26, at 8:30 p.m., the well known writer, lecturer and extensively travelled John Roy Carlson will be the principal speaker at our weekly activity. To accommodate what we hope will be a large turnout, the Jericho Jewish Center has acquired, through the courtesy of the Fire Dept., the Firehouse Auditorium where the speech will be made.

ing of the Jackson School P-T-A. on Tuesday, Feb. 9, plans were discussed for a Walt Disney movie to be shown in the near future.

As Columbus said to his crew many years ago, "Land is in sight!" so will the announcement come shortly to the members of Temple Or-Elohim, the Reform Temple in Jericho. Land indeed is in sight, in fact just around the corner we might say!

To herald this event, the purchase of land, the Sisterhood of Temple Or-Elohim is planning a wonderful evening on March 12. The lovely Riviera Restaurant in Port Washington will be the scene of our Purim-Dinner-Dance. Reservations for this evening must be made in advance. Table arrangements are being handled by Blanche Tisman WE 5-6157. Ticket co-chairman is Milly Sloane OV 1-0834 and Shirley Kulchinsky OV 1-0775. Only \$15 per couple.

The Mark Haas-Larry Lesser Jericho Chapter of Cancer Care is planning a Card and Mah Jong party to take place on Wednesday evening, March 9 at the Mr. Wong Chinese Restaurant in Westbury. Both men and women are welcome. Loads of raffle and door prizes! Only a few tickets remain. Call Renee Cannon at OV 1-4751 or Beverly Munter at WE 8-8587.

Cancer Care had a most interesting meeting on Thursday evening. All the members were invited to a Salski Party at the Tivoli Motel on Brush Hollow Road. The swimming was a wonderfully refreshing change in the midst of a dreary February. Steam room, gymnasium and ping pong facilities were all made available free of charge as were delicious coffee and cake.

The next regular meeting of the Tri-Town (Jericho, Syosset, Plainville) Auxiliary of the Association for the Help of Retarded Children will be held Tuesday Evening, Feb. 23, at 8:30 p.m. at the South Grove School in Syosset.

Barbara Laub, program chairman, has planned a "Chinese Auction" for the entertainment portion of the evening. Small articles of apparel, bric-a-brac, donated by the members will be auctioned off sight unseen. Bidding starts at 5c. Members and friends are invited to join in the fun. Refreshments will follow.

Would you like to see where and how your generous contributions brought by the all star telethon and door to door campaigns are used?

The C. P. Auxiliary of Jericho is planning a guided tour through the C. P. Center at Roosevelt, March 3, at 1 p.m. Transportation will be provided. Won't you join us in an enlightening afternoon? Refresh-

ments will be served.

Thanks to Pearl Schwartz and her co-workers for doing such a wonderful job to make Pioneer Women's annual Mah-Jong and Card Party such a huge success.

It was held at the Syosset Firehouse and like all Pioneer Women's functions there was plenty of delicatessen, coffee, cake and food galore. All you could eat for only \$1.50. Our hats off to you Pioneer Women for such a delightful evening.

Thursday evening, the eve of Lincoln's birthday, the Jericho Catholic Women's Guild held their covered dish supper at the Jericho Fire House.

The menu, in effect a Smorgasbord dinner, consisted of the "Indies" specialties des mafsons. After consuming quantities of food, the couples enjoyed an evening of dancing and entertainment.

The "Section F" Investment Club has just completed its First year and the following officers were elected for 1960: president, Jerome Leight; Vice Pres., John Wolff; Secretary, Dr. Jack Schulman; Treasurers, Cy Fessel and Ernie Lewis; Trustees, Al Kaplan and Paul Munter. Installation of officers will be held at the home of Saul Schwarbach, 99 Forsythia Lane. No flowers please! Anyone interested in joining an aggressive investment club may contact Dr. J. (Continued from preceding page)  
and a bundle of sparkling and energetic activity, used to be a Secretary with the Ballentine Scotch People! She held the keys to a large warehouse full of the golden liquid, only in those days she never drank. Well, now that Murray has to pay for liquor, she finally acquired a small taste for social imbibing. Rose loves people. There is a constant flow of social intercourse between the Kleins and their many old and new friends. She has an uncanny eye for rare and unusual prints, paintings and knick-knack, bric-a-brac and even odds and ends, as long as they are hand crafted and over 100 years old. She also paints and does ceramics. She belongs to the JIC Sisterhood, Hadassah, The Jericho

High School P-T-A. and the Jackson School P-T-A. Murray remodels and restores Antiques and both reach a state of total agreement when it comes to the rather unusual decorative effects resulting from all this. The House at 65 Hedgerow Lane is indeed a delightful mixture of something old and something new.

Murray reads books on self-improvement, likes to garden and is a devotee of the Yankees, Football Giants and the New York Knickerbockers. He attends local and Out of Town Trade Shows, Automotive Suppliers Exhibits and a minimum of one night week is taken up by meetings of his own Business Organization. He also writes beautiful poetry. In 1936/37 he fought as a Middleweight in the Golden Gloves Tournament. At one time he sought a movie career. He is a Director of our Birchwood/Jericho Civic Association. There, his nickname is: "The District Attorney." D. A. Klein manages to become embarrassingly persistent whenever he smells a rat. He keeps on digging for information until he is satisfied that all facts of the matter have been brought out.

The Klein Residence is located on Birchwood's Riviera, the South Side of Hedgerow Lane, overlooking most of Birchwood. The one serious argument being pursued by the Klein family at the moment has to do with the proposed acquisition of a Family Cemetery Plot. It seems that Rose wants to be ready, while Murray is not in a hurry to buy.

The Klein's idea of a vacation is to go someplace Upstate or to New England where there is lots of snow for skiing and where they can enjoy Ice Skating. During the summer the Kleins belong to the Jericho Country Club. The four Kleins are avid readers and look forward to our own local Library. Rose and Murray feel that our local schools leave room for much improvement. They miss Adult Education even on a modest scale.

The Kleins are solid Birchwoodites who have sunk their roots deeply here. They are a well adjusted and friendly family, made up of thoughtful and thinking individuals, who participate in Community Affairs. Their's is a way of life which is gracious, constructive and enviable. May success in all their endeavors be their constant companion.

## Braille for Our Blind Children

**BY BLANCHE KARPEL**  
I feel that each of us has been placed upon this earth to perform at least one mission in life. This mission, however, need not be singular, but can encompass many acts that will find favor in the eyes of God. There are many avenues we can follow to help our fellow man. One of these roads has led a group of community women to the realm of our sightless brothers and sisters. Although their physical world is veiled by darkness, we have the wonderful opportunity to open that curtain and to give them the gift of light. No, unfortunately, we are not great surgeons who by miraculous operations on their eyes, can give them back their sight. But we can do the next best thing; we can give them sight through their fingers. Thus, Braille becomes our tool for surgery, so to speak. With Braille, we provide the light, and the means of communication with the sighted world our blind have been deprived of.

There are many women in the community who are thankful for the opportunity being given them to study Braille so that they may help the Blind Children of Nassau County by transcribing school books for them. These nine—the remainder of an original class of 30—are: Mary Weissman, Judy Singer, Sheila

Winkler, Jean Brodsky, Edith Geringer, Esther Austin, Fanette Backman, Evelyn Stamper and Blanche Karpel.

Every Monday morning these dedicated women meet at the Jericho Jewish Center for their instruction in Braille by a volunteer teacher, Mrs. Kopelman, of Roslyn, who is sent down by The Industrial Home for the Blind. The class lasts for two hours after which there is a week of intensive study and homework. It is not an easy course, and quite frustrating at times—but each of them is looking forward to the day when they will take the exam that will certify them as Standard Grade Two English Braille Transcribers from the Library of Congress, Division of the Blind in Washington, D.C. And why are they so excited? Is there a monetary reward? No, never! The reward is what you feel in your heart when you present a little blind child with a book you have just transcribed entitled "Peter Rabbit." The reward comes when the child reads the book with his fingers and feels the texture of the pictures! That is the moment they are looking forward to with great anticipation. It is from the heart of these women, to the fingertips of these children, to the eyes of the Blind, through the medium of Braille!

KAUFF**, son of Mr. and Mrs. Irving Kauff, 174 Maytime Dr., Jericho, is shown with the Army's new rifle—the M-14—which is being introduced to paratroopers of the 101st Airborne Division at Fort Campbell, Ky. The 101st Airborne Division, spearhead unit of STRAC (Strategic Army Command), is the first to receive the new rifle as limited quantities began arriving. A welcome sight to Kauff, the M-14 will give him increased firepower, lighter weight and easier maintenance without sacrificing the wallop of the present M-1. Designed to replace the M-1, the carbine, the .45 caliber submachine gun and the automatic rifle, the M-14 fires 7.62 millimeter ammunition which is the standard cartridge for all NATO troops. Kauff, a machine gunner in Company D of the division's 501st Infantry, entered the Army in January 1959 and received basic training at Fort Leonard Wood, Mo. The 19-year-old soldier attended Westbury High School. (U. S. Army Photo.)

## The Fire Horn

prepared by the publicity committee for the fire prevention bureau of the Hicksville Fire Department

To many people, statistics make for dull, boring and very uninteresting reading. Just for the record however this Bureau feels that these statistics must be presented to the readers of this column.

The following is from the Hicksville Fire Dept. year end and monthly reports:

Period	Item	Dollar Loss
For year ending December 1959	Total estimated yearly loss due directly to fire	\$17,500
Month of Jan. 1960	Total estimated fire loss due directly to smoking and/or the careless use of matches.	\$18,000

You might feel that this is just a coincidence, but not when you consider the national trend and the fact that 25% of all reported fires in the United States last year were started by smoking or matches.

This fire loss due to careless smoking and use of matches can in no way be taken lightly. As a matter of fact, we must realize that careless use of matches, and careless smoking habits are very dangerous, very real, and a very serious threat to our safety, and further while these losses are of a nationwide trend we must be ever alert and vigilant in protecting our home and lives from this threat.

To combat this menace to our safety the following set of rules must be maintained and obeyed at all SMOKING times.

1. Never, never smoke in bed.
2. Keep ash trays handy and use them.
3. Obey "No Smoking" signs. Smoke only where smoking is permitted.
4. Smoking is a prolific cause of

### Fire Prevention

fire. Be sure all tobacco or materials are out before discarding them. Don't smoke near flammable materials, gases or liquids.

#### MATCHES

1. Always keep matches out of the reach of children.
2. Don't light matches near flammables.
3. Don't use matches or torches to search dark areas.
4. Matches are as dangerous as smoking materials. Break matches before throwing them away.

The observance of the above few simple rules will in the long run prevent fire in our homes and prevent the tragic losses that every day cause more and more grief to some American family. Don't let it happen to you. Be careful, obey these few safe-smoking rules.

If you have not already done so, please be sure to notify the Fire Dept. as soon as possible if you have a bed ridden invalid in your home. This is for your safety, please help the Department in their task of maintaining their files on invalid residents.

### Future Nurses Form at Jericho

The Future Nurses of America Club of the newly opened Jericho High School, known as the Lamplighters of Jericho, are one of the first to receive their national charter from the National League of Nursing in New York.

The group, numbering 14 members, is presently working on such community projects as filling Red Cross gift boxes for needy children and saving for scholarship fund to send a worthy student through nursing school.

At present they are looking for a sponsor for their group, such as Kiwanis, Rotary or a woman's organization. Interested parties may contact the school nurse, Mrs. Harriet Black, faculty advisor to the Lamplighters, at OV 1-4100, ext. 8.

### School Finances Topic of Democrats

"Paying for our Schools" will be the subject of a panel discussion sponsored by the Hicksville Democratic Club at the Public Library Auditorium, Jerusalem Ave., on Wednesday evening Feb. 24, at 8:30 p.m. Participating in the discussion will be Dr. William Leonard of Hofstra College and A. Terry Weathers, president of the Nassau-Suffolk School Boards Assoc.

This meeting, which is open to the public, starts the third annual series of public discussions of local and national problems sponsored by the Democratic Club. "Our discussion meetings attempt to bring the opinions of experts on urgent local and national problems to the attention of the people of Hicksville," according to Frank N. Irwin, Club president. "In this way we hope to stimulate thought and possibly action on such problems in a traditionally American way."

# Operation VFW

William Gouse Jr. Post  
Veterans of Foreign Wars

By LOU PALLODINO

We wish to thank all our comrades  
and their friends for making our  
Silver Anniversary party such a  
great success. Instead of dinner  
dances we refer to it as a party, be-  
cause that's just what it seemed, and  
a great big one at that. Everybody  
appeared to have a wonderful time  
and many people that are respon-  
sible for having this party so suc-  
cessful that it would take too much  
space to name them all. True, the  
committee did a good job, but with-  
out the help of the others, it couldn't  
have been done.

The food was delicious, the band  
was really moving, and everything  
went smoothly. The Milleridge Inn  
outdid-themselves with their ser-  
vice and courtesy, Tom Malone's  
band was at its very best, and Giese  
the Florist made up flowers for the  
girls beautifully.

It's amazing how a thing like this  
is contagious, where pleasure is con-  
centrated. We of the post are very  
happy at how everything turned out  
but the one that was happiest was  
our commander Bob Obermeyer. He  
has always been such a diligent  
worker, that he was deserving of this  
great success. The speech making  
was very brief, to allow the party to  
go on. Who wants to hear a lot of  
hot air, when there is fun to be had.  
The success or failure is always  
pointed out to the leader and his  
committee. So we wish to extend  
Bob our congratulations. From  
where I sat, I couldn't help but  
notice that so many lovely ladies,  
and so beautifully attired came to  
our party. I didn't notice the men  
for obvious reasons, but my wife  
said they looked fine.

We had to stop the sale of tickets  
for fear of overcrowding the hall,  
and to those who couldn't come,  
because of this reason, we apologi-  
zed. This time you really missed a  
big one. Like the old Brooklyn  
Dodgers use to say, wait till next  
year.

Just one thing more we wish to  
point out. Our County Clerk Francis  
Anderson was there, and stood the  
entire evening. This is mentioned,  
because the Syosset Republican club  
had a big affair, and he came to  
ours because it's his town. Whatever  
the reason, Andy, you made us very  
proud. Believe me this is no cam-  
paign, because we have no desire to  
be in politics, but are very happy  
that this friend honored us thusly.

We have only one sad note for  
the whole deal. Frank Sutter was  
conspicuous with his absence. We  
had his places saved on the dias  
nevertheless. Unfortunately Mrs.  
Sutter was quite ill. We hope that  
at the time this is published she'll  
be well on the road to recovery.

Forgive us, if we write of nothing  
else. I too am so excited, that noth-  
ing comes to mind except our won-  
derful party. We'll try to do better  
next time.

Next meeting will be Mon. 8:30  
p.m., Feb. 22.

garet, and children Carol Ann and  
John at 69 Cambridge Dr., Hic-

# Church Women Make Valentines

The Redeemer Lutheran Church  
Women held their regular monthly  
meeting on Thursday evening, Feb.  
11, at the Chapel, 216 Plainview  
Rd., Hicksville.

A short business meeting was  
held. It was reported that the  
Christian Service Committee made  
and delivered 60 Valentine trays  
to Meadowbrook Hospitals.

A Liquid Embroidery Demonstra-  
tion was given by Mrs. Clinton  
Xouten following the meeting.

## Hicksville Landmarks No. 5

**FEW RESIDENTS have ever seen this landmark, personally, although this picture appeared in the very first issue of the Mid-Island Herald just a little over eleven years ago. Its picture taken from a plane flying about 500 feet over the Hicksville Theatre on E. Marie St. where Hicksville is spoiled out in big letters as a guide to fliers. The other marks indicate the nearest airport and true north. "Airmarking" our community was a volunteer project of several civic-minded residents including the late E. Irving Jessor who died suddenly this week.**

## Internationals Decide on Farm Training for Eight-Year-Olds

**BY GEORGE J. NATHAN**  
The executive committee of the Hicksville International Little League met at President Paul Mazzulo's home on Thursday, Feb. 24, in an attempt to finalize the Farm Division program. The committee decided that a training program for all 8 year olds would be conducted for a period of one month prior to the playing season. After completion of the session, the boys will be assigned to either the Minor "B" or Farm Division according to their capabilities.

It was further decided to keep the training program in operation throughout the year in an attempt to help those boys already assigned to teams, but who show a definite weakness in any one department. In other words, if a manager feels that a boy can use extra instruction in, let us say, batting, the boy will be sent to the training program which is to be conducted on Saturday morning by Messrs. Flanagan and Jackson. The fact that a boy is sent for further instructions will not affect his status on his regular team and he will continue to play regular league ball.

We remind the operating personnel that the next general meeting of the league will be held at the Senior High School in Cafeteria "A" on Monday evening, Feb. 29 at 8:30 p.m. We urge all members to attend the meeting to discuss the new constitution. Also anyone knowing of a boy wanting to register in our league tell them to have their parent attend and meet Mr. Rosica who will accept the boys registration.

The league wishes to express its sincere thanks to Joe Madden, Hicksville School Recreation Director, and his lovely secretary, Rose Mary, for their invaluable assistance. The league is very appreciative.

The Ladies Auxiliary is conducting a card party to be held at Frank's Alibi Inn on March 15 at 7:30 p.m. The card party is being run for the benefit of the Little League and we urge all members to come out and have a fine sociable evening and help out the league at the same time. Tickets are priced at \$2.50 each which includes a buffet supper, door prizes and loads and loads of other prizes for the card players. Please contact Mrs. Dorothy Teresisti at WE 5-0265 for tickets and other information.

**PERSONALITIES**  
Perhaps the most enthusiastic supporter of Little League baseball in Hicksville is the chairman of our sponsorship committee, Ed Farrell, a big, gruff, Irishman who has probably been more responsible for the success of the International Little League than any other individual and we have some very enthusiastic workers. Ed can quote verbatim from the Little League Rule book for any situation that might possibly arise and

has frequently been the arbiter and deciding voice in many decisions that involved the well being of the league.

Ed, like all vociferous advocates of causes has perhaps made more enemies than he likes to think, not because he has wanted anything for himself but because he refuses to compromise his principles that so closely parallel those of the little league.

Our sponsorship committee chairman, with his wife, Milly (who refers to herself as a Little League widow), two daughters and a three year old son live in a small nest home on Cottage Blvd. He is the proud owner of a 1940 vintage car which is his pride and joy and on which when not involved in Little League work, wishes much of the tender loving care which so characteristically befits his appearance and manner.

The Hicksville International Little League is proud to have Edward Farrell as an active member and we are much the better league because of his active membership.

## 20 Fire Alarms

There was a fire in the basement of the Callahan residence, 83 Flower St., on Feb. 10, followed the same day by a stove fire at the Pololski home, 5 Moeller St. The ambulance took John Mullaly of 105 Dean St., to Glen Cove Community Hospital on the same day.

On Feb. 11, the ambulance took a party named Hopkins from 17 Garden Blvd., to Nassau Hospital, Mineola.

## Repeat Sign-Up For Two Leagues

Due to inclement weather last Sunday, the Babe Ruth and Connie Mack League registration did not reach its expected maximum.

Any boy, because of the weather could not register, may do so at: Whiting and Whiting Inc. (Center Shops Shopping Center) 196 Old Country Road.

Both Babe Ruth and Connie Mack League Registration forms will be on hand there.

## Sponsoring Dance

The Junior Youth Group of the Hicksville Jewish Center is sponsoring a Dance to be held Saturday evening, Feb. 20, at the Center. There will be door prizes and refreshments. Music will be supplied by the "Four Teeners."

## Ruth Enrollment Under Estimate

Registration for the 1960 season for North Hicksville Babe Ruth League was below expectations and as a result the league is being cut back to a four team league of fifteen boys per team. Total registration came to 73 boys, according to President J. Kelly.

Tryouts for all new applicants will be held either late March or early April, and successful candidates assigned to teams as soon as possible upon the completion of tryouts. Candidates not making a team will be assigned to a reserve player pool and will be called up as vacancies occur on any team, etc. therefore recommended that all candidates start to loosen up on days when the weather is sufficiently warm so that they will be in shape for their tryout. Practice throwing in easy stages so that no strain is placed on your throwing arm. You will be notified by mail when to appear for your tryout.

The cost of operating the league for 1960 will come to almost \$1900 or better than \$30 per player. Income from registration fees and from sponsors is approximately \$1100, leaving a deficit of \$800.00 that must be made up from other sources.

Team managers elected for 1960 are: William Damm, William Boyer, James Wright and Thomas Sherwood, League Officers are:

Joseph Kelly, President; James Wright, Vice-President; Thomas Sherwood, Secretary; and Edward Metzendorf, Treasurer.

A Ladies Auxiliary is to be formed, any mothers interested are requested to call WE 5-0267 for further information.

THIS IS AD NO. 5 RESPONDING TO THE SAVINGS BANKS  
ASSOCIATION OF THE STATE OF N. Y. WHICH HAS  
DISTRIBUTED INCORRECT INFORMATION

Here is some correct information:

Next time you hear about N. Y. City savings banks wanting to come to Long Island, remember what they would do with local deposits.

The answer is summed up from the most recent Annual Report of the State Superintendent of Banks which shows:

**N. Y. State savings banks have invested six billion dollars of N. Y. State mortgage money in other states. They are still doing this at the rate of a billion dollars a year!**

AT THE SAME TIME, N. Y. CITY SAVINGS BANKS ARE EITHER REFUSING LOCAL G. I. MORTGAGES OR DEMANDING STEEP DOWN PAYMENTS, ACCORDING TO A SURVEY WE MADE IN,

SEPTEMBER 1959.
