**St. Stephen's Awards Contracts  
For Francke Memorial Building**

Contracts were signed Monday evening in the study of Pastor Richard Muck for the erection of the Ernest F. Francke Memorial Educational Building on the property of St. Stephen's Lutheran Church, Broadway and Fourth St. Hicksville.

Arthur Funfgeld Associates, Inc., a local contracting firm, will be the builders. Completion date has been set for Sept. 30, of this year for the church this will be the climax and high point of its 50th Anniversary celebration.

With 600 children in the Sunday School, the building becomes the realization of a dream that has been a need for these many years.

John W. Stedman of Oyster Bay has designed the building in a contemporary style, compatible with the existing structure and with its many new rooms will provide a much more efficient program in the church school.

Pastor Muck has announced a

Ground Breaking Service to be held on Sunday, March 20 at 3 p.m. with the Rev. Herbert Gibney of Epiphany Church, Hempstead as the special preacher for the afternoon.

Various members will assist the Pastor as the ground is turned over, with actual construction scheduled to begin the following day, weather permitting.

**Bookmobile Is  
Topic Tuesday**

A discussion of the tentative Hicksville Library District Budget for 1960-61 and "the proposed bookmobile" will take place when the Hicksville Library Assoc. sponsors a public meeting and lecture at the Public Library on Tuesday evening, Mar. 15, at 8:30 p.m.

At the same time the Assoc. is presenting the second in a series of four lectures, this one delivered by Prof. Siegfried Mandel of Brooklyn Poly Tech. He will speak on "The Selected Writings of Lafcadio Hearn." Admission is free and refreshments will be served.

**High School PTA  
Elects Mar. 17**

The Hicksville High School P.T.A. will meet in the High School auditorium on Thursday, March 17, at 8:30 p.m., at which time there will be an election of officers.

Following the election, Prof. Irving Levine, of L.I. Agricultural and Technical Institute, and Dennis Murphy, of the Hicksville High School Distributive Education Dept., will speak on the subject of careers. Students are cordially invited to attend.

**Lamb Explains  
Financial Aid**

An explanation of State Aid in general and its relation to Hicksville in particular will be the topic for the March 15 Parent Teacher meeting at Woodland Ave. School at 8:15 p.m., in the Cafeteria.

Guest speaker for this meeting will be Superintendent of Hicksville Schools, Dr. Wallace E. Lamb.

The following slate will be presented to the membership by the Nominating Committee: Lucien Janelle for President, Mrs. John Figlia for Vice-President, W. Prince for Treasurer, Mrs. B. Ulrich for Recording Secretary, and Mrs. John Marchetti for Correspondence Secretary.

**Taxpayer Suit Narrows Down  
To Question of Finance Law**

Nassau County Supreme Court Justice Edward Robinson this week dismissed two of the alleged causes of action brought against the Board of Education by Emil J. Szendy and nine other taxpayers. However, the prospect of drawn-out litigation further delaying the school construction program approved by voters on Nov. 19 loomed for the community as the court retained jurisdiction on the two other causes of action involving financing of all or part of the two-million-dollar program.

The implications of the decision by Justice Robinson on the motion for dismissal of the entire suit and the possible course of future legal action, including three possible alternatives, will be suggested to the School Board this Friday night at a regular meeting by School Attorney Michael Sullivan.

Asked for comment, Sullivan told this newspaper that he was pleased with the elimination of extraneous issues by Justice Robinson's decision dated Mar. 2. He was reluctant to comment further pending consultation with the School Board.

Harry S. Goebel, former school attorney, representing Szendy, former Board President, and nine other residents, was jubilant over the decision. He pointed out that the court said in regard to the complaint praying for a declaratory judgment that,

as to the first and second causes of action, there are "revealed allegations which if true, warrant a declaratory judgment."

The first and second causes of action involve the financing of the propositions approved by a margin of 1,000 votes last Nov. 19. Fundamentally concerned is the question of issuing bonds on the cost of dismantling and reconstructing the temporary-type classrooms. Szendy and Goebel charge, in effect, that the taxpayers would be illegally paying for new expenditures on these structures before the original bond issues were paid off. Financial authorities, on the other hand, contend that the structures are being dismantled and reconstructed when they are shifted from elementary to secondary school use. It is regarded as a highly technical question.

In the meantime, the School Board is providing \$84,000 in the 1960-61 budget to cover the cost of reconstruction the first group of units at the Junior High School in time for the fall term.

The question is considered as somewhat unique since the plan for reconstruction of classrooms; i.e. in effect transporting them from one location to another as required by student enrollment, is a first in this part of the nation.

The court decision this week practically mandates the retention of the \$84,000 in the budget. It had been hoped that the single-year payment could be eliminated if the court had tossed out the entire suit on motion for dismissal. The motion was heard Feb. 15.

Justice Robinson granted the motion (Continued on Page 2)

**10-Car Commuter Train  
At 7:15 Starts Monday**

A new morning train for Hicksville commuters will start running next Monday morning, it was announced today by the Long Island Rail Road. The new train of 10 cars will start from Hicksville at 7:15 a.m. It fills the previous gap in the time table between 6:59 and 7:36.

The new train will stop at Westbury at 7:21 and then head directly to Jamaica arriving there at 7:40. Two empty trains will be waiting at Jamaica. One train will run without stop to Brooklyn, arriving at 8:01. The other heads for New York City and after stops at Kew Gardens, Forest Hills and Woodside will reach Penn. station at 8:05. The train from Hicksville will head for Hunters' Point, Long Island City, reaching that station at 7:59 a.m.

**Girl Scouts Celebrating Birthday**

The Fork Lane Neighborhood of Girl Scouts will honor the 48th birthday of Girl Scouts in the U.S. with a breakfast March 12, at the Fork Lane School. After the breakfast, a varied program will culminate with the girls' contributions to the Juliette Lowe World Friendship Fund. The program was organized by the neighborhood service team, leaders, Girl Scouts, and Brownies of the Fork Lane neighborhood.

In celebration of Girl Scout Week, the Burns Ave. neighborhood will have a progressive luncheon Saturday, March 12. Juice will be served at the home of Mrs. Eva Collins, hamburgers and relishes at Mrs. Desislavos, and ice cream at Mrs. Mersons. Each girl will measure her waist and contribute the corresponding number of pennies to the Juliette Lowe Fund. This luncheon was organized by Mrs. Georgia Ricca and Mrs. Sue Leight.

February was the month of International Friendship for the Girl Scouts. To bring its meaning closer to the Girl Scouts-of-Troop 475, Trinity Lutheran Church, Mrs. Anna Mill and Mrs. Olga A. Arnold encouraged the Scouts to have a doll fashion show. As each Scout presented her doll dressed in the costume of a foreign country, she

spoke of the customs and habits of that country. After the fashion show, games were played using the World Map to locate the World Association, Pull and Tenderfoot members. On the display table were many interesting collections from foreign countries.

February 27 was Mother's Day Out. The Girl Scouts of Troop 475 who were working for their "Cook Badge" had a Mother and Daughter Luncheon at Trinity Lutheran Church, Kathryn Mill and Beverly-Jo Arnold were the Intermediate Scouts who trained and worked with (Continued on Page 10)

**Nuns Are Seeking  
Triple-S Blue Stamps**

The Sisters of St. Dominic are collecting Triple-S Blue stamps to help furnish their new novitiate at Amityville. All Triple-S Blue stamps will be given to Sister Wendelin Marie at St. Ignatius School or at the Convent on West Cherry St., Hicksville. The Sisters say "Thank You."

**HOWLING SNOWSTORM** on Thursday afternoon failed to halt the ribbon cutting ceremonies for the Oil Heat Institute of Long Island for its new office at 29 W. Marie St., Hicksville. Opening of Hicksville Chamber of Commerce office in the same building took place at the same time. Those flecks are snow flakes. Left to right are Aaron Rochman, Chamber president; Roy Nathan, OHMI president; County Executive A. Holly Patterson and Town Supervisor John J. Burns. In the background is Harry Giffords. ## Court Action

(Continued from Page 1)  
tion to dismiss the third and fourth causes of action, commenting that the matter could be appealed to the Commissioner of Education or at the polls and saw no need for judicial determination. The third cause involves the manner in which the information as to school construction requirements was present-

ed to the public, claiming the need for additional accommodations "was grossly exaggerated." The fourth cause claimed that the legal advertising for the referendum and bond issue was in violation of the law because the notices appeared in the Mid-Island Herald which is published by Fred J. Noeth, Clerk of the School District. The notices had also been published in other newspapers.

## Dear Jean:

We hear that Mrs. DWIGHT NORIAN of Hicksville has been installed as secretary of the newly formed Women's Guild for Christian Service at the New Hyde Park Reformed Church. Best wishes to Mrs. ANGELO CASALI, daughter of Mrs. Emilia Casali and the late Mr. Casali of Westbury, whose engagement to HAROLD E. SULGER, Jr. son of Mr. and Mrs. H. E. Sulger of Plainview was recently announced. Due to the bad weather, there were plenty of previously announced meetings, dinner parties, etc. cancelled for the past week-end. Among those was the Glen Cove Hicksville Mercy League meeting, which will be held this noon time, (Thurs. 12 noon) starting with luncheon at the Brookville Country Club — also the testimonial dinner for our good friend, SAM SCHWARTZ, — now date for this is April 2nd at the Maidin Club, Lido Beach at 8:30 p.m. Next general meeting of the Hicksville High School Alumni Assoc. will be held on Monday, Mar. 14, at the High School Little Theatre, at 8:30 p.m. All interested graduates of Hicksville High are cordially invited to attend. Election of officers will take place.

Two local chiropractors were honored Tuesday by the State Assoc. for having completed more than a quarter century of service in their profession. They are GEORGE LOUCKS of 880 Broadway and WALTER DUNHAM of 200 Jerusalem Ave., both Hicksville. Presentation ceremony was held at VFW Clubhouse in Uniondale. Nassau County Library Assoc. is planning the observance of National Library Week, April 3 to 8. JOSEPH EISNER, formerly with Hicksville Library and now Library Director in Plainview, is president of the County Assoc. During March and April local Cub Scouts will be building and flying kites in preparation for the Jubilee Kite Flying Contest scheduled for April. If you dial PT 6-3720 you will hear a daily "alert" for gardeners. The message is changed at noon, Monday thru Friday, and comes from the County Agricultural Agent. Topic for Mar. 10 is "Control Tent Caterpillars Now." JOSEPH V. KNIPPING, Jr. of Hicksville is a member of the Committee when the Nassau Council of Republican Recruits sponsors a cocktail party and dance this Sunday, Mar. 13 at Garden City Hotel, 7 p.m. to 11 p.m. Arrowhead District Committee meets Tuesday, Mar. 15, at Hicksville Senior High School. Long Island Better Business Bureau opens for business on Mar. 17 with officers at 320 Old Country Rd., Garden City. Out in Hicksville, Ohio, they had almost eight inches of snow the week of Feb. 21 to 27. School Board member WALTER SCHREIBER attended the last meeting with a cane, wearing his foot in a cast. He fractured his ankle in a home accident. The Farmer's Almanac had predicted for the week of Mar. 1 to 5 "Thunder will make you wonder" and it did thunder during the snow storm. The forecast for Mar. 11 to 14 is "This way, that way, feecy clouds play," for Mar. 15 to 24 "Cold weather still on us at times, and will until the winter ends."

MAL PIERCE announces that Hicksville Kiwanis Ladies Night will be held June 17 at Huntington Croquet Club. The PATRICK CAPUTOS are headed for Florida in their new station wagon, probably leaving with three of their children today. PATRICK BUFFALINO, well-known in Hicksville as former president of the Business Men's Assoc. and Chamber of Commerce, is a candidate for village trustee in Westbury elections this month. Two new members were inducted into Hicksville Kiwanis last week. They are Rev. RICHARD MUCK, pastor of St. Stephen's Lutheran Church, and HENRY C. BRENGEL, former president of the Board of Education. Postal carriers are distributing literature to their friends, enlisting support for an increase in postal pay. They urge letters to Senator JAVITS and Congressman WAINWRIGHT.

Our congrats to two local county policemen who recently won awards for outstanding police work during 1959. They are PL. DANIEL F. ELLIOTT of Hicksville and PL. ALFRED L. LIQUORI of Bethpage. Good to know that we have such men in our midst. Our sincerest sympathy to the family of Mrs. THOS. COSTELLO of McKinley Ave., Hicksville, who passed away over the week end. The Costello family has been a friend of our editor's family for a long, long, time and her passing hits a little spot in our hearts. Our sympathy also to the family of GLADYS ROHBACK, another long time friend, who passed away over the week-end. Miss Rohback is well known in Hicksville, having been the office assistant and nurse to the late Dr. Elwood C. Curtis, dentist, who for so many years, when he maintained an office on the corner of B'way and E. Marie St. (above Whelan's Drug store). Belated greetings to PAUL GIAMONACE of Hicks Circle who celebrates a birthday not so long ago. Our best wishes to Miss ELIZABETH ROSS, of Bethpage, who recently became engaged to John Walsh, Jr. of Bethpage. Also to Miss PATRICIA GERARD of Bethpage on her engagement to William H. Koepke of Manhattan. Congrats to Mrs. JULIUS SCHWARTZ of Sixth St., Hicksville who celebrates a birthday tomorrow. And to Mrs. ROBERT BOGART of Chestnut St., who celebrates another year on Saturday.

## Hibernians On Parade Sunday

Division 11, Nassau County, Ancient Order of Hibernians will participate in the St. Patrick's Parade in Hempstead this Sunday, March 13 and will join with the other Nassau divisions in the New York Parade on St. Patrick's Day.

In the Hempstead Parade, the Division will be accompanied by the colorful St. Ignatius Girls' Cadet Corps with its 65-member Drum and Bugle Corps. This group organized in November 1958 is sponsored by St. Ignatius Parish in Hicksville.

New York and has Rt. Rev. Monsignor George M. Bitterman as Moderator and Chaplain.

Division 11 under the presidency of William Gray of 23 Linden Court, Hicksville, is one of the fastest growing divisions in the Ancient Order. In addition to the Parades, its coming activities include installation of officers, an exemplification of the Shamrock Degree and participation in the Nassau County Communion Breakfast.

Mr. and Mrs. William Degnan of 54 Salem Rd., Hicksville are the proud parents of a daughter, Miss Catherine, born at Mercy Hospital on Feb. 16.

**Road Hazards  
Delay Banquet**

The banquet of the Mid-Island Hebrew Day School, which was due to be held on Saturday evening, March 5, at the Malibu Shore Club of Lido Beach, was postponed to Saturday evening, April 2.

The program and all arrangements are the same—namely, Manuel Levine, District Attorney of Nassau County, will be the toastmaster; Rabbi Mordecai Kirshblum of the Jewish Agency for Israel is guest speaker; Samuel Schwartz of Hicksville, guest of honor and recipient of an award and Kenneth Kronen and David Wertz, co-chairmen.

Mr. Halpern, president of the School, feels that by having additional three weeks to the new date, all committees will work harder than ever to reach the goal set forth in the Journal building-fund campaign which is \$10,000. To date, \$8,200, has been raised. A supplement to the journal which has already been printed, will be ready in time for the banquet on April 2nd.

**Fire Inspection  
Bill Passes**

ALBANY—Assemblyman Edwin J. Fehrenbach introduced a bill that passed unanimously this week, to put teeth in the fire department inspections of schools both public and private.

Heretofore when fire personnel made an inspection at a given school and then returned some 30 days later to find that the violations were not corrected, there was no way in which they could force the school trustees or staff members of the school to eliminate the existing hazard.

Under this bill if a violation has not been corrected then the person or persons responsible for the failure to correct these violations shall be guilty of a misdemeanor.

## Civil Defense Training Alert May 3

The nationwide Civil Defense Training Exercise "OPERATION ALERT" has been scheduled for May 3rd to 5th. It was announced today by Col. Louis M. Nizetick, Nassau County Civil Director. The purpose of this year's exercise will be to "exercise and test the simulated and short-term activities of people and their governments in simulated emergency conditions."

Actual operation will commence with a CONELRAD alert drill at 2 p.m. EDT, May 3rd, followed at 2:35 p.m. EDT by the initial attack warning. Federal, State, City, County, and Zone Civil Defense control centers will operate on a round-the-clock basis until 4 p.m. EDT on May 5th. During the CONELRAD drill, all TV, FM and AM radio stations will leave the air except those AM stations which are members of the

CONELRAD network. The public is advised to turn their AM radios to the CONELRAD frequencies (640 and 1240 on the dial) to receive Civil Defense instructions.

For the purpose of "OPERATION ALERT, 1960", the attack will occur in waves. It will begin with simulated strikes on bases of retaliation throughout the nation and will progress to strikes on other than military targets. The amount of initial attack warning will be less than three hours.

The exercise will be made as realistic as possible in order to provide the best training for everyone involved.

Mr. and Mrs. Patrick Murphy of 156 Miller Rd., Hicksville, are the proud parents of a daughter, Margaret, born in Mercy Hospital on Feb. 22.

## Arrange Breakfast

The annual Communion Breakfast of the Nassau Communication Ladies Catholic Guild and the Nassau Catholic Telephone Ladies will be held on Sunday, March 20. The 8:15 a.m. Mass will be celebrated by his Excellency, Bishop Walter P. Hollenberg at St. Agnes Cathedral, Rockville Centre, with breakfast to follow at 9:30 a.m. at Carl Hoppi's in Baldwin.

## Venerable Canon Conducts Services

The Venerable Canon Harry J. Stretch will conduct the Sunday evening services during March, and April 3, at Holy Trinity Episcopal Church, Jerusalem Ave., and Old Country Rd., Hicksville.

Father Stretch is a native Long Islander, born in Bayside, and is a graduate of General Theological Seminary, New York City. Father Stretch was active as a lay reader before his Ordination to the Diaconate in 1922. He was Ordained a Priest in 1923 and spent the first three years of his priesthood as a Holy Cross Missionary in Liberia. He returned to Long Island to take charge of St. Alban the Martyr Church, St. Albans, and during his tenure there, St. Alban became a parish with Father Stretch the first rector.

In 1943, Bishop DeWolfe appointed him Archdeacon of Queens and Nassau, and in 1950, he was appointed Archdeacon of Suffolk. In 1948, he was appointed Honorary Canon of the Cathedral of the Incarnation, Garden City. Father Stretch is married and has three sons, the oldest one, Peter, being rector of the Church of the Holy Nativity, Levittown, Idaho.

In addition to his vast work as Archdeacon, Father Stretch is a member of the Cathedral Chapter, a member of the Ecclesiastical Court, a member of the Diocesan Council and a member of the Committee on Missions. He was elected as a deputy to the General Convention 1958, and his term of deputy to the Provincial Synod runs until 1962.

The general theme of Father Stretch's sermons will be "God's Action in the Eucharist." Members of the community are cordially invited to attend as guests of our parish.

## Local Students Seek Scholarships

Miss Geraldine Rivkin, 631 Dolores Lane, Bethpage, and Richard E. Cleary, 3647 Mallard Rd., Levittown, both of Island Trees H. S., and Miss Margaret M. Muller, 10 Belmont Ave., Hicksville, and Thomas J. Stiles, 22 Coronet Crescent, Bethpage, attending Bethpage H. S., are the seniors and honor students named to represent their respective schools in the \$5,000 Bohack college scholarship awards competition.

They will compete with seniors nominated by other high school in Brooklyn, Queens, Nassau and Suffolk counties for the two \$1,000 and six \$600 scholarships. The boy and girl winners of the \$1,000 prizes will receive a bonus award of a trip to Colonial Williamsburg, Va., with their parents.

WILLIAM J. LYNCH, Jr., President of Aleo Distributing Co., Inc., of Hicksville, exclusive International Distributor of the Centerville Trolley, handled the wheel on the maiden voyage of this newest of kid's amusement rides when it started running at Mid-Island Plaza. The trolley, complete with horns, blinking lights, headlamps and musical Swiss Chimes, is a two-car tandem unit which seats 16 to 20 youngsters and is currently operating on the Center Mall at Mid-Island Plaza. The trolley, which starts each weekday morning at 10:30 will observe the same evening hours as the Plaza's stores, and will start at 10:00 a.m. each Saturday morning. (Photo by Frank Mallett.)

## Disaster Victims Know Red Cross

While the Red Cross wasn't around in the days of Noah's Ark, it has been piecing together the broken homes—and lives—of disaster victims since 1881. Originally founded by Clara Barton to succor the wounded during the Civil War, one of the primary responsibilities of the Red Cross today is helping to get disaster victims back on their feet.

Nearly 3,700 local Red Cross chapters like that here in Nassau, stand ready around the clock to feed, clothe, and shelter families victimized by fire, flood, tornado, or any number of other similar catastrophes.

While the Red Cross has been spared the monumental kind of disaster year it experienced in 1955—when one flood alone found it caring for 14,961 families at a cost of \$18,390,300—1959 brought it ample opportunity for service in the wake of disaster.

According to William Miller, Jr., chairman of the Nassau Red Cross, the three most serious calamities last year were listed as the Mid-Eastern Floods in January and February, which struck Ohio, Pennsylvania, New York, Indiana, and West Virginia; Hurricane Gracie, which struck the South Carolina coast last September; and the Oklahoma Floods in October. Alone for these three disaster relief operations, the Red Cross spent \$3,705,300 helping 15,029 families get themselves re-established. While figures on all disasters for 1959 won't be tallied un-

til mid-1960, John Tillotson, Nassau Red Cross Disaster Chairman, said a typical disaster year would find about 350 Red Cross Chapters across the nation aiding victims of about 500 disasters.

Perhaps there's no more gratifying moment for the families who look to the Red Cross for aid than when they discover that all assistance is "for free." The organization makes an outright gift of its disaster relief aid. No repayment is ever asked or expected.

According to Chapter Chairman Miller, every disaster in which the Red Cross participates has a direct and personal significance for citizens who contribute to the organization.

Still another little known fact is that Red Cross disaster relief extends to every corner of the globe. Mutual aid among the world's 84 Red Cross societies in time of disaster has made it possible to provide care for victims of 69 major catastrophes during the past ten years at a cost well over \$100 million.

Alone during the past few months, the national organization has sent money, medical supplies, nursing teams, blankets, and school supplies to aid victims of an earthquake in Peru; a flood in Cyprus; a mass poisoning and paralysis among Algerian refugees; and a typhoon in Japan and Korea, as well as to the victims of the recent earthquake in Morocco.

## 54-Hour, 25-Inch Snow Storm Buries West Birchwood in Drifts

A 25-inch snowstorm buried West Birchwood in a mass of drifts last weekend. The snow began falling shortly after dawn on Thursday, March 17 and did not end until Saturday afternoon, March 19.

Local roads were on the chaotic side Friday with many cars stuck in the huge drifts. Snowplows from the Town of Oyster Bay opened up the roads Friday and Saturday even though legally the Town was under no obligation because the streets have not been dedicated.

Many children from the Jericho schools were late getting home Thursday afternoon because the schools closed at the usual time in spite of the increasing severity of the storm. Two mothers told the WEST BIRCHWOOD NEWS that their sons were among those on a school bus which encountered difficulties. First the children voluntarily pushed six cars in the Jericho High School parking lot so the bus could go through. Then when the bus stalled on the road leading from the parking lot to the Cedar Swamp Road the children voluntarily pushed the bus until it got started. It was reported that Syosset schools closed at 12 noon and Plainview schools closed at 2 p.m.

With many people seemingly unable to get to the Jericho High School for the Cantiague School voting Saturday the Education Committee moved swiftly to provide bus transportation and committee members were mobilized to phone every resident of West Birchwood. The cost of the bus service was \$25.00.

The snowstorm persisted through Friday and Saturday night even though the New York Weather Bureau insisted that the storm ended Friday morning at 8:15. A call to the Mitchell Field Base Weather Station asking why the snow was continuing in this area brought this reply: "We know it's not snowing at La Guardia to the west and we know it's not snowing in Suffolk to the East but we know it's snowing here."

## Civics to Dine, Dance on Apr. 23

The West Birchwood Civic Assoc. Spring Dinner-Dance will be held at Elliot Murphy's Sky Club atop the Franklin National Bank Building in Roosevelt Field on Saturday evening, April 23.

The Sky Club is rated by Cue magazine as "a beautiful restaurant for excellent Continental cuisine." There will be a cocktail hour featuring assorted cocktails and mixed drinks along with hot and cold hors d'oeuvres followed by a full dinner featuring sliced filet mignon. A fabulous evening is planned complete with liquor and a five piece band for only twenty dollars a couple.

Tickets are being sold now and are limited. Table arrangements will be made in advance; therefore, be sure to call your friends and reserve this evening. Reservations will be accepted by phone—call Fran Friedland at WE 8-0587.

## Help! Ma! Help!

That's the call that usually receives a quick response from mothers. That response is needed—now. The dire situation in which our children find themselves every morning and afternoon while waiting for and leaving the school buses can be eased... but it needs your help. Mother, you're needed urgently for a couple of hours on any one day per week, to HELP SUPERVISE THE CHILDREN at the school bus stop near your house.

Please... HELP... call or write Jack Boesch of your Community Welfare Committee at 3 Ulster Dr., WE 8-1005... NOW.

## Personality Spotlight

R. Durwood Guy

By JOHN BEEKMAN

A well balanced community should have an accomplished artist and a classical pianist. One or two such individuals adds contrast to the conventional occupations of businessman, lawyer, insurance broker and engineer.

On 40 Craig St., dwells R. Durwood Guy II, a photographic touch-up artist, a painter of portraits and a keyboard devotee of Beethoven and Chopin.

For most of his 29 years, Durwood studied and worked in the arts. The only interruption to this career came in 1950 when he joined the U.S. Marines for a two year stint and for a brief 72 hours that must have seemed like 72 months he was subjected to the indignity of learning to be a plumber. This incomprehensible error on the part of the Marine Corp vocational section was soon corrected. Durwood discovered topography and map analysis and spent the best part of two years working with contours.

Durwood and Marilyn Guy agree that they did everything the hard way. They met when they were both 17, eloped at 18 and were parents of Sandra Lee at 19. As one might suspect, their respective parents took a dim view of this child marriage. Durwood's father thought that it was about time for his son to go to work so the young couple settled down in a one-room flat in an unglorious part of Manhattan.

Having gone to art school in Westchester, (where he was raised) Durwood decided to investigate the world of commercial art. After many months of pounding the pavements of Madison and Fifth and picking up odd jobs from commercial studios and specialty stores our hero began to develop a unique style of photographic retouching which later became his trademark. With time out for the service, Durwood returned to New York and made rapid progress in this chosen field.

Along with the progress Durwood developed business acumen. He opened up his own studio at 527 Lexington Ave. and employed his own artists. He began to specialize in high quality work and became very careful in choosing his assignments. As the fifties rolled along, the Guys moved to Bayside and a son, Durwood III, was added to the family. Having more time for leisure, Durwood began to paint portraits and teach the classical piano.

The Guys were among the first families to move into West Birchwood. They celebrated their first anniversary here on Feb. 20th. Recently Durwood exhibited several of his paintings at an exhibition in Syosset. One of the paintings was a stunning portrait of his wife, Marilyn.

## President's Message

By DAVID SERKO

The following is part of material that appeared in an ad in the New York Times real estate section on Sunday, Feb. 28.

"Late, late at night... through the picture window... you can see them gathered in tight little groups. The committees of Birchwood Park.

Right now one is working out their most serious, current problem.

Pretty clever these parents (All members of the residents own Birchwood Civic Association).

ANOTHER OUTSTANDING COMMUNITY SERVICE that is part of the life at BIRCHWOOD PARK."

It seems to me that this ad, which appeared to promote the sales of new homes in our community, shows that the importance of a strong Civic Association in a community such as ours is universally recognized. That our Association, like all other civic associations is a vital and important feature of our life at West Birchwood was emphasized by the recent Cantiague school bond issue.

By the time this article is read most of you will know that the Jericho residents voted for the new school by a vote of 535 to 175, a total of 710 of the 1144 qualified registered voters. The large turnout of voters, I feel, is due in large measure to the magnificent job which was done by our Education Committee under the chairmanship of Art Carin, and the West Birchwood News published by our publications committee.

The Education committee worked for months in conjunction with the education committees of several of the other local civic associations. Posters were drawn, information leaflets distributed, hundreds of phone calls were made to remind our residents to register. Leaflets made by our members were distributed through the courtesy of Woodside and One Oak Dairies with the milk deliveries on the day of registration. The West Birchwood News published a special information issue on the school.

The day before the vote—we were snowbound! Small matter—our committee met decided to hire a bus to get our residents out to vote and all day on March 5th the bus went up and down our streets on scheduled routes. Result? The school which the Education Committee and our Board of Directors felt was essential to the proper education of the children of this area will be ours!

Our association has recently sent out its statements for the yearly dues of \$5.00. What was accomplished in the Cantiague School issue was done only because our association is a strong one. Its strength is derived from its members. As long as we have a community there will always be a need for a community organization. I therefore urge one and all to do his part for a strong civic association. The first step is membership—the second step is to urge non-members (of which currently there are few) to become members—the third step is participation, if possible.

May our future problems all be small ones—the stronger our association, the smaller they will be.

## Approve Cantiague School 553-175; Reject Administration Building

Despite the biggest local snowstorm since 1947, Jericho voters went to the polls Saturday, and approved plans to construct a new elementary school on Cantiague Rock Road. The vote of 575 for and 175 against proposition Two was considerably greater than the necessary 3/4 majority.

The vote on Proposition One to construct an administration building was negative, 402-310. The new school will have 28 rooms and is scheduled to be completed in time for the fall 1961 school year. The cost will be approximately \$1,800,000.

School Board President Samuel Hecht said the district would be eligible for emergency state building advances to help pay construction costs and interest on bonds.

It has not been determined yet as to which precise section of West Birchwood the new school will serve.

## Open Board Meeting Mar. 18

The Board of Directors will hold an open meeting on Friday night, Mar. 18 at the Jackson School auditorium. Starting time is 8:30 p.m. sharp.

## Journalists Are Needed

If you're suffering from a suppressed desire to express yourself; if your spouse inhibits your freedom of speech; if you want to get the inside low-down before your neighbor; then, the solution to your problems is to join the reportorial staff of the West Birchwood News.

Reporters are badly needed to contribute their deathless prose and witty comments. Compensation?—the satisfaction of seeing your words in print, and the knowledge that you are contributing to your civic association. No prior experience is required. For information, call Seymour Berkman at OV 1-5454.

## Tax Tips for New Home Owners

With April 15th approaching swiftly, new home owners in West Birchwood thinking of their Federal income tax returns due to be filed may not yet be aware of income tax deductions available to home owners. Your Taxation-Zoning Committee has prepared a check-list of deductions arising from your new status as a homeowner. The following list does not include the more common deductions such as medical and contributions which of course should not be omitted in your tax calculations.

1. Interest—That portion of your monthly mortgage payments to the bank which represents interest, is deductible. Not that your monthly payment also includes amortization, and tax and insurance reserve payments. These latter items are not deductible, subject to a later discussion of the deduction for "taxes." Only interest which has been paid during 1959 is deductible by "cash-basis" taxpayers. Interest actually paid dur-

ing 1959 on any home improvement loans is also deductible. The "1/2" paid on F.H.A. mortgages is an "insurance" item, not interest, and is not deductible.

II. Taxes (a). Real estate taxes paid by you or in your behalf by the bank holding your mortgage, are deductible by you. The monthly "reserve for taxes" payment is not deductible, for such payments are merely for the purpose of accumulating a fund from which the taxes are paid. The amount of taxes paid by the bank is the tax deduction available to you. Your bank year-end mortgage summary will give you these figures. Also "examine your closing statement" to determine whether you paid any real estate taxes at title closing. Such payments are also deductible by you.

(b). At closing of title, you paid the N.Y. State mortgage recording tax. (Continued on next page)

## Seek Jericho Library In Future

At the last meeting of the Education Committee on February 12th, a sub-committee was formed to start working towards a "Library" for Jericho.

With the completion of the Cantiague School, there will be four elementary schools, one junior high school and one high school in Jericho. The need for a library is urgent.

Since the mechanics of obtaining a library are similar to those of ob-

taining a new school, this is a long pull. In the meantime, additional books for the school libraries are needed.

We need volunteers to join this committee, to start the ball rolling. It is important that all parents take interest in his project, so that we can look forward to a "Library" in Jericho, in the near future.

Please contact the chairman, Murray Kalne at 20 Conis St., OV 1-7667, or the co-chairman Donald Lazare at 27 Craig St., WE 8-1362.

## AN EDITORIAL

Now that the situation concerning the Cantiague School has been pleasantly resolved, another question concerning educational and cultural facilities has arisen. The urgent need for a Jericho library.

We urge everyone to support the work of the Education committee in this respect. The importance of the availability of adequate reference and library materials to all in the community cannot be minimized. The ever increasing academic criteria of both universities and colleges make it essential that our children have these facilities available for their use.

L. C. KAUFMAN of 27 Briar Lane, Jericho, has been named Special Consultant on Public Relations by the U. S. Dept. of Commerce in connection with the recruiting drive presently underway by the Census Bureau to lure some 15,000 census takers for the Greater New York area. Anyone who wants to be a census taker for two weeks in April is invited to send a post card with their name and address to Box 1960, New York 13 N. Y.

### Simmons Club Will Hear Mrs. Sullivan

The L. L. Simmons Club will meet at the home of Mrs. Colin Bentley, 187 Castle Ave., Hicksville, this Saturday afternoon at two o'clock, March 12. Elinor Smith Sullivan, one of America's noted women in aviation, will speak on "Women's Role in the Space Age" according to Mrs. Paul R. Boothford of 12 Bunker Lane, Hicksville. Mrs. Patrick Sullivan of Freeport has been a life-long resident of Long Island and is an associate member of the Air Force Association. Air Force Squadron and Publisher Chairman of the Aviation Historical Society. Officially touring at least six thousand hours of flying time, Mrs. Sullivan is now learning to fly jet planes. Some years ago, at the age of 15, she was the youngest girl to fly in the age of 16 she was the youngest girl to hold a pilot's license, and at the age of 18, she was the youngest girl to have a transport license. When she was 19, she held all women's flying records for speed of climb, endurance and refueling endurance.

### Personal Mention

The Navy announces that STEPHEN ALLAN SHIFFRIN, son of Mr. and Mrs. Samuel Shifrin, 252 Prospect Ave., Jericho, was enlisted in the Navy for four years with one week of post-training at Great Lakes, Ill. Stephen will be home for two weeks. He graduated from Lexington Memorial High School and was enlisted under the Navy's special program for High School Graduates.

### What's Cooking?

BY MARY ELLEN LAZARE  
The flying rumors have it that Bea Greenberg of Orange Drive is one of the best cooks around these parts . . . and I'm delighted to be able to pass on to you her recipe for Chocolate Ice Box Cake. This is a "party dessert" and will serve many, as it is very rich. Do keep in mind that this recipe can be made several day prior to serving, as it must be refrigerated for 48 hours.

**CHOCOLATE ICE BOX CAKE**  
2 dozen ladies fingers  
7 eggs (separated)  
4½ T. sugar  
½ C. milk at room temperature  
5 or 6 squares unsweetened chocolate  
¾ lb. German sweet chocolate  
1½ tsp. vanilla  
½ pt. whipping cream

Separate the eggs, and whip the egg whites until stiff. Beat the yolks lightly and add the sugar and vanilla. In the top of a double boiler melt the chocolate, and when thoroughly melted remove from the heat and stir in the milk until smooth. Add this chocolate mixture to the egg yolk mixture and blend thoroughly . . . and then fold into the well-beaten egg whites.

Line a spring pan with the ladies fingers, and fill with the above. Garnish the top of the cake with any remaining ladies fingers and place in refrigerator for 48 hours. Just before serving remove the cake from the refrigerator and garnish with the whipped cream.

### Hi Neighbor Comes to Jericho

The village of Jericho has now joined the many fortunate communities in Nassau and Suffolk counties enjoying the services of the Hi Neighbor Organization. Its Director, Mrs. Gertrude R. Gold of Merrick, has announced that henceforth new residents of Jericho will be warmly greeted and introduced to community activities, as well as the excellent shopping facilities available in the area.

Mrs. Ann Marx of 6 Poach Tree Lane, is the charming local representative who will visit each newcomer, presenting gifts of welcome on behalf of the various forward-looking local business men. The participation of the local merchants in this good will program has been most enthusiastic. Mrs. Marx will also distribute a complimentary copy of the MID-ISLAND HERALD, along with much invaluable civic and organizational literature.

Welcome to Hi Neighbor from the village of Jericho!

### Married Recently

Mrs. Patricia F. Molnar, daughter of Mr. and Mrs. Frank Molnar, Moore Dr., Bethpage, was married recently to Richard Borzo, in St. James Catholic Church. Mr. Borzo is the son of Mr. and Mrs. Edmund Borzo of Halin Ave., Bethpage. The nuptials will honeymoon in Washington, D. C.

HENRY M. CURRAN, Oyster Bay Town Clerk, officiated when the street name of Rockland Drive was changed to ORT Drive, on March 2. This ceremony honored Women's American ORT, which through its global network of vocational schools has saved hundreds of

thousands from poverty and idleness. With Mr. Curran are Mrs. Richard Gumerova, Mrs. David Mark, Mrs. Martin Goldberg, Mrs. Paul Bauman, and Mrs. Robert Hayflick. (Photo by Frank Mallett.)

### Tax Tips

Continued from Preceding Page

This tax is deductible by you. The rate of tax is ½ per cent of the amount of your mortgage but because of prior "building loans" taken out by the builder, you may find that the tax you actually paid is deductible by you. Do not confuse this item with "recording fees or charges." The latter are usually in the area of \$6.00 or \$7.00 and are not deductible.

(c) In connection with customary deductions for "taxes," you should note that the N. Y. State gasoline tax changed from 4 cents to 6 cents per gallon effective March 1, 1959; the N. Y. State cigarette tax changed from 3 cents to 5 cents per pack effective April 1, 1959 and became deductible by the consumer as of that date; effective July 1, 1959, N. Y. State imposed a 15 per cent tax on cigars and other tobacco products (other than cigarettes) which is also deductible by the consumer.

(d) N. Y. State income taxes withheld during 1959 by your employer or paid by you during 1959 in estimated installments are also deductible in your 1959 Federal income tax return.

(e) Even though you live in Nassau County, remember that sales tax paid on purchases and restaurant checks in New York City are also deductible.

(f) Casualty Losses — Casualty losses in your home caused by fire, storm or by some sudden, unusual or unexpected event are deductible.

(g) Non-Deductible Items — Attorney's fees paid in connection with purchasing your home, the cost of improvements to your home, insurance costs, title policy costs and sur-

vey costs are personal items. Although some of these items may affect the cost of your home in the event of a future sales, they are otherwise not deductible for Federal income tax purposes. The cost of ordinary commutation is not deductible.

The foregoing check-list to guide you in preparing your income tax return or in assembling information for your accountant or tax attorney has been prepared by your Association's Taxation-Zoning Committee. This Committee is concerned with matters pertaining to all taxes and zoning problems affecting you, your home and your community. The Committee is seeking additional members to assist in this work vital to all of us. If you are interested in joining this Committee, please contact either of the Committee's Co-Chairmen, Elliot Sheffman, 1 Richmond Drive, WE 8-7813 or Samuel Gordon, 9 W. 4th Lane, OV 1-3257.

# The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

## District Approves Cantiague School

By GEORGE J. FRANKEL  
The residents of the Jericho School District, at an election held on March 5 at the Jericho High School, approved the proposition to construct a 28 room school on the Cantiague Road site, but defeated the proposition to construct an administration building at the same location.

The vote was as follows:

	For	Against
School	535	175
Adm. Bldg.	310	402

Passage of the administration

building proposition required only a simple majority, while passage of the Cantiague School required a two-thirds majority.

In an exclusive interview with Mr. Sam Hecht, Chairman of the Jericho School Board, Mr. Hecht stated to THE VILLAGER: "The vote in favor of the Cantiague School proved conclusively that the district is desirous of high standard quality education, and that with respect to the Administration Building, the people obviously felt that it was not timely."

## Weather Fails To Hamper Vote

By Gilbert B. Stein

Saturday Evening, March 5th, at Jericho's Geo. Jackson School, a new slate of Officers and Directors, headed by President Irvin Baumel, were elected to Civic Office, amidst a deluge of lox, bagel, coffee and danish pastry. The Birchwood at Jericho Civic Association did itself proud in hiring Maestro Herb Rosen to whose enticing tunes Mr. and Mrs. Birchwood danced away the hours after casting their ballots for 18 Directors and 7 Officers of the B.C.A.

An amazingly large crowd turned out in spite of ice, snow and cold weather. In fact and up to late afternoon of Saturday, March 5, it was still unclear whether the affair could be held. Only after The Jericho School District bulldozer went to work on snow removal in the Jackson School yard, could the word (and phone calls) go around to the effect that the shindig was "ON."

A Happy crowd particularly enjoyed the delicious food and there was much singing and joyous in evidence until the last drop of coffee had been consumed. The details of voting, the speedy counting of ballots and other details were looked after by a competent Committee. Special praise must go to Leon

Newman who devised a system of Balloting (secret of course) and counting ballots which had everyone amazed by its simplicity and efficiency. At 11 p.m. outgoing President Ralph Diamond announced the names of those elected and installed these new Officers and Members of the Board of Directors. They are the following Birchwoodites, President Irvin Baumel, First Vice President Dr. Martin Lawrence, Second Vice President Horace Sterling, Treasurer Norman Cohen, Recording Secretary Blanche Karpel, Corresponding Secretary Beverly Gellman and Financial Secretary Horace Bernstein.

Directors (elected for two years)—Ralph Diamond, Dr. Walter Sugarman, George Frankel, Lotte C. Stein Murray Klein, Larry Gibbs, Leon Newman, Arnold Koplik, Abe Horn.

Directors (elected for one year)—Leon Geyer, Milton Bagley, Dale Berg, Fred Green, Samuel Bicks, Sid Lowenthal, Harry Gordon, Joe Genna, Phil Rosenthal.

## Rob't Seaman P-TA To Present Play

The Robert Seaman P.T.A. presents the third and last children's play of the season on Saturday, March 12 at 2:00 p.m. at the Robert Seaman School.

The Pocket Players, a professional group of adult performers, are touring this season with a twin bill "The Tale of the Donkey" and "Master of All Masters."

"The Tale of the Donkey" is a comedy in vaudeville style adapted from Aesop's fable: "The Miller, his Son and the Ass." "Master of All Masters" is a merry English folk tale concerning a master who invents a private language for everyday objects, and his maid who learns to enter into the spirit of his imagination.

Tickets can be obtained by mailing \$1.00 per child to Mrs. Harry Etkin, 126 Seaman Road, Jericho, or can be bought before the performance at the School.

## Cultural League

The Cultural League of Birchwood Park at Jericho will present a modern art program consisting of films, discussions, and art class registration. The program will be held at the George Jackson School at 9 p.m. on Wednesday, March 16th.

ABOVE SMILING FACES belong to Mr. Irving Berger of Jericho and Mrs. Sylvia Grossman of East Meadow, winners of the King and Queen of Hearts. This affair, a Valentine's Dance at the Jericho Firehouse, was sponsored by the Jericho Chapter of Hadassah. Why shouldn't they be happy after walking off with all the prizes.

# TEN YEARS AGO THIS WEEK IN THE HERALD: Announced Plans To Build New PO

In the midst of reports that the Federal government was seeking bids for sale of a plot for a new Hicksville Post Office building, it was disclosed that Sam Kellner would build a new post office and rent it to the government for 75 to 100 years, according to the bound files of the MID-ISLAND HERALD for 1950.

Other headline news 10 years ago this week included:

Columbia Teachers College experts, making a study of Hicksville School District and its facility requirements, told the Board of Education the "over-all picture in this area is changing so rapidly, thru recent land sales for development purposes," that the School Board will have to wait a little longer for its final re-

port on future planning.

A three-way contest for second assistant chief of Hicksville Fire Dept. loomed with Arnold Jeanson, Ralph Hebezer and Gerard Ofenloch all seeking the office at the April dept. elections. Stanford Weiss was unopposed for chief and Edward R. Schluter for first assistant.

Joseph Reinhardt was elected commander of the William M. Gouse Jr. VFW Post.

The East St. P-TA presented a 9x9 radiant movie screen to the school.

Hal Chase and Chet Jaworski tallied 16 and 12 points respectively to lead the faculty in a 32-26 basketball victory over the High School seniors. Tommy Fellenz paced the students with 12.

## Hicksville Landmarks No. 7

THE STEEPLE of St. Ignatius Loyola R.C. Church, Hicksville, is the landmark in this picture taken over 50 years ago. If you stood in the middle of Broadway at the RR crossing in 1908 and looked south, this is how our main street looked. The street was lined with trees, long since gone. The big building on the left is Hahn's Dept. Store which later became Spiro's. Where the fence is visible on the left is the present day location of Hicksville office of Town of Oyster Bay. Picture loaned by Mrs. Roland Heberer.

## Girl Scouting

(Continued from Page 1)  
The Scouts of Patrol 3 and 4 on the luncheon and program. The table decorations were in red, white, and blue with small American flags as centerpieces. Mothers and Scouts wore red, white, and blue paper name tag shields. The aprons the Scouts used while serving were made by themselves. The delicious menu consisted of spaghetti and meat sauce, green salad, Italian bread, jelly and whipped cream, homemade cookies, tea or coffee, and mints. The Scouts who completed their requirements were: Joyce and Karen Bookmiller, Linda Fix, Linda Habericht, Charlene Harrigan, Susan Denfield, Karen Zuecker, Patricia Zaig, and Joyce Brown.

The mothers of these girls plus the leaders Mrs. Anna Mill and Mrs. Olga A. Arnold enjoyed the lovely luncheon and are ready to attend another one anytime the Scouts are ready!

On Wednesday, Feb. 24, the four Intermediate Girl Scout troops of Lee Ave. met together for a special film on brotherhood. This was to celebrate Thinking Day, Feb. 23, and Brotherhood Week. The program was planned by Troop 2 with

then leaders Mrs. Ann Renish and Mrs. Mary Caruso.  
This Friday, March 4, the Girl Scouts of Lee Ave. will hold their 30th annual Father-daughter Square Dance. Mrs. Doris Klueg is chairman of the dance and Frank Kono-powicz will be the caller. During Girl Scout Week, March 6 to 12, the girls plan to have a display of their work in the Lee Ave. School, and they will raise the flag at the school on Tuesday, March 8, Citizenship Day.

On Wednesday, March 16, an open house will be held at 31 North Drive for all adults in the Lee Ave. neighborhood who are interested in Girl Scouting. It will be held from 2-4 p.m. and 7-9 p.m.  
Don't miss the Girl Scouts' 49th Birthday Film which will be shown at the Hicksville Theater during Girl Scout Week, March 6-12.

## Four Residents Hofstra Graduates

Four Hicksville residents are among the 444 Hofstra College graduates who received degrees on Feb. 7. They are: Kathleen O'Rourke, of 22 Tudor Rd., MS in Ed.; Francis Kern, of 12 Gansevoet St.; AAS; Daniel Ornera, 78 Cliff Dr., BS in Ed.; and Richard Davis of 37 Linden Blvd., BBA.

## Achieve Honors

The month of February has been full of honors paid to students of Merton Estrin, pianist and teacher of 93 Picture Lane, Hicksville. The first to receive an award was Seth Carlin of Hicksville who won in the Musical Talent in Our Schools contest sponsored by station WQXR. The 15-year-old pianist will perform over the station later this Spring.

The second student of Estrin to win honors was John Norris, 9 years old, also of Hicksville who was chosen in the Catholic Youth Organization Talent Show in Holy Family Parish. Not only did he win in his particular category but was chosen as the most talented of all the winners.

The third young pianist was Maxine Lesser, 13, who won the young people's contest sponsored by the Levittown Symphony Orchestra and District 5. She performed the Haydn Concerto in D major.

How many dependents can you claim?

Each dependent must meet all five of the following conditions.

1. Dependent must have received over one-half of his support from you in 1959.

2. Dependent did not have over \$600 income in 1959, unless the dependent was your child or stepchild under 19 years of age, or if over 19 years of age, a full time student, in which case the dependent child can earn any amount as long as you actually provide over one-half of the cost of support.

3. Dependent is not claimed by and other taxpayer and does not file a joint return with another taxpayer. For instance, do not list a dependent married daughter who files a joint return with her husband.

4. Dependent must be a citizen of the United States or a resident of the United States, Canada, Mexico, the Republic of Panama or the Canal

## Amvets Alley

Sgt. Robert Ulmer Post 44  
Nassau County's First  
By Jimmy Cooley

**"OUT OF THE FOXHOLE"** . . . Due to the terrific snow storm this past week, can't really tell if the boys held a meeting, but no doubt, no one missed out there. For members who have not read my last week's column, next meetings will be held at the "Old Club Room" 25 East Marie St. It's the former meeting place where we had many pleasant memories.

**NEWS OF INTEREST FOR VETS.** . . . It has been announced that the VA has advised holders of GI life insurance to borrow on their policies rather than cash them in to raise money. The VA said policyholders can borrow up to 91 percent of the cash surrender value of their permanent plan policies through GI term insurance has no loan value. The agency said the policy will remain in effect, but that the protection would be reduced until the loan was repaid. Veterans and their dependents now receiving pension payments from the VA will receive a special pamphlet and a card on which they may make a choice to the envelope with their next pension check, the VA announced recently. The check, pamphlet and card will be received in the mail via a room. The pamphlet supplies full information on both the present and the new pension laws so that the pension recipient will be able to make a choice between the two plans. VA Officials pointed out that there was no hurry about making choice and that the pensioner could continue under the present pension law as long as he or she were eligible. Once a pensioner chooses to come under the new law, however, there is no return to the provisions of the present law.

**DID-YA-KNOW** . . . From 1900 to 1955 there were more Americans killed in highway accidents than all wars that the US has fought? **ITS THE TRUTH . . . SO HELP ME.** . . . Dear Dr. . . . My father who is 60-years old is losing his teeth and now my 6-year old daughter is losing hers. Could she be catching this from him. Dear Col., I have athletes foot. Can that infect me from the Army, or does the Army even need athletes. **BEFORE I CLOSE . . .** Past Commander **JIM SURRESS**, knows that I save stamps of all kinds for veterans hospitals. If post members would save any and all stamps, next year we can bring them to Farmingdale Sanitarium as well as my sending them to the US Naval Hospital in California. It would be appreciated if you all would as I could rid them to the few thousands I already have. So for this weeks news . . . that's all.

### Personal Mention

**GENE NYE**, 30 Bamboo Lane, Hicksville, a junior speech and drama major at Hofstra College, has been cast as Friar Lawrence in the forthcoming production of "Romeo and Juliet" during the College's Eleventh Annual Shakespeare Festival, March 11 through 19, at the Hofstra Playhouse.

Nye has been active in dramatics both on and off campus. Besides his work with the Hofstra drama department, he recently appeared in such productions as "Blue Denim," "Picnic," and "Charley's Aunt" with the Marymede Summer Playhouse. He has also appeared in two previous Shakespeare Festival plays, "Hamlet" and "The Merry Wives of Windsor."

Army Pvt. **ROBERT M. STERMER**, son of Mr. and Mrs. Henry R. Stermer, 5 Pewter Lane, Hicksville, completed eight weeks of advanced individual missile training Feb. 29 at the Artillery and Missile Center, Fort Sill, Okla.

## Operation VFW

William Gouze Jr. Post  
Veterans of Foreign Wars  
By LOU PALLODINO

A Nominating Committee was picked last meeting to select a slate of officers for this year. This will mean that our Silver Anniversary year is coming to a close. The committee is headed by Lou Klain, George Walden and Les Foble. The names of the nominees will be given after the next meeting.

Our ladies, as I have told you, are also having nominations, but due to the snow storm had to postpone their meeting. March has sure come in like a lion. Hope it starts getting like a lamb soon.

George Walden, our Service Officer, came up with some information about County holding contracts with various benefits. To name a few, pensions, insurance, burials, and even non-service connected pensions. As said many times before, as individual posts we may not appear like much; but as a group we are a great power. Bear in mind, whether it's local, county, state or national, we are working primarily for the veteran.

To those of you who are eligible for any vet organization and don't participate, it's foolish. Just a story we know concerning a 20 year vet, by way of illustration. After being retired for some years he contracted a disease that made him incapacitated and unable to work, and he thought he might be able to draw a disability pension. In his endeavor to secure one he was asked if he belonged to any vet organization, and when he replied that he didn't he was told that it was like trying to fight a case in court without a lawyer. This story is the gospel truth. You never know when you'll need somebody for any different reason. VFW. People don't hear very much of the things done in our circles and this is why we keep preaching to you to get connected and become one of us. Maybe you too can be of help to somebody.

This is old stuff we know, but at the last meeting there was a complaint about the conspicuous lack of flags displayed for Washington's Birthday. While we can always find something to complain about, this does seem a bit unusual. For you that have flags to display, it would be nice on all the different holidays that we honor with flags to put yours out. Let us never forget Old Glory and what it represents. We do sound like a preacher this week, don't we.

Attended the Buffet at the Post and found it to be very good. Of course the snow ruined the attendance, still those hardy enough to attend seemed determined to have themselves a good time. George Hemmer was in charge of the shindig and did an outstanding job. This was a trial for monthly events. The music was canned but with records you only get the best. It's too bad that the snow did such a thorough job of trying to ruin the event. Already plans are being made for the next one, which is to be held on April 9, a Saturday night. The price is two bucks a head. We are trying to hold these sessions for the membership and their friends. If you like the idea you'll have to support it. Let's try to show George that we're behind him, and do our best to support his endeavors.

### NEW ARRIVALS

Mr. and Mrs. Clyde Marks, Jr., of 195 Laurel Ave., Northport, are the proud parents of a daughter, Deborah Grace, born Feb. 17 at Huntington Hospital. Her mother is the former Joyce Brough of Jericho.

**HOLY FAMILY CYO Girls'** newspaper which is written, published, and edited by the Girls' CYO of Holy Family, Hicksville, was the proud winner of the first place Gold Cup in the recent Diocesan of Rockville Centre Press Exhibit. Additional laurels were awarded to Mar'anne Kraft for her editorial and art work for which she received two medals and certificates of merit. ## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
by Bob Sutton

As of Sunday, Mar. 6, the Sons of the American Legion in Nassau County had a total membership of 501, with Glenwood Landing leading in membership with 111, and Hicksville second, with 53. Two new squadrons have joined us, Franklin Square and East Meadow, bringing the total squadrons in Nassau County to 18.

Our own Post membership has reached an all time high of 251 members, and at this time I would like to welcome new members William Pinesch, Stephen Scholar, James Conner and Joseph Britto.

Peter Muller, our Entertainment Chairman stated once again that only 120 tickets would be sold for the St. Pat's dance, and he is just about sold out. So if you are interested in attending, better get in touch with Pete very soon.

Washington (ALNS) Freedom is suffering the darkest hour of peril, National Commander Martin B. McKeown of the American Legion told hundreds of United States Senators and Representatives at the Annual Congressional Dinner, Feb. 17. The dinner climaxed the Annual Legislative Conference of the American Legion.

"Freedom is the most easily lost of men's possessions," Commander McKeown said, "and it will be lost here unless it is rooted in a deep spiritual belief in God and the divinely created nature of man." It is to promote this doctrine of belief that the American Legion was called into being. It is the exalta-

### Ambulance Rolls During Storm

In the midst of the howling snowstorm last Thursday, Mar. 8, the Hicksville Fire Dept. was called to Kuhl Ave. and Georgia St. to extinguish a fire in the 1937 Lincoln owned by John Laszari of 3 Sheridan Ct., Plainville. They also rolled to the home of Walter Weber, 247 Lee Ave., for an oil burner fire.

Other calls for the period ending Mar. 8 were a false alarm from the St. Ignace School Alarm Box on E. Nicholas St., a grass fire at the rear of 93 Kuhl Ave., a shed at the rear of the garage at the Ben Daines home, 6 Prospect St., and an oil burner fire at the Herbert Itkin residence, 189 Rim La., all on Mar. 2.

On Friday, the second day of the snowstorm, there were two ambulance calls. The first was to take Miriam Schroeder, 59, of 17 East St., to Meadowbrook Hospital, East Meadow, and the second, to take

a party named Anderson, 83, of 20 Spruce St., to Mid-Island Hospital, Bethpage.

The first call on Mar. 7, was to administer oxygen to Dr. Robert E. Callahan of 71 Lee Ave., which was followed by the ambulance taking him to Meadowbrook Hospital; and the last call of the period, the same day, was a mattress fire at the home of Larry Parod, 62 Cedar St.

### PBC Drum-Bagle Corps Enrolls

The Hicksville PBC Drum and Bagle Corps, is accepting applications from boys between the ages of 10 and 18 who are competent bandle or trumpet players. Qualified boys with, or without instruments will be accepted. The musicians are invited to attend the first rehearsal of the season to be held at the Lee Ave. School, Hicksville, this Friday evening Mar. 11 at 7:30 p.m.

According to Ed Dave Ryan, Director of the Hicksville PBC, a

busy season is in store for the musical group, which has gained much popularity since its inception a few seasons back.

### Lasting Barrier Against Crabgrass

Same as we use screens to keep bugs out of the house, we'll use HALTS\* to keep crabgrass out of the lawn. By spreading HALTS properly with the Scotts Spreader now, we'll be laying down an overall protective blanket on every bit of the lawn. Later, when crabgrass sprouts—bing!—HALTS nips it, shoot by shoot. It's the best answer to crabgrass, ever.

More and more folks are coming to us for advice on improving their lawns through an easy-to-follow Scotts Program. Come in anytime. We'll be glad to prescribe the correct Program for your lawn.

## Blizzard Hampers Little Leaguers

Because of the "blizzard" of '60, a disappointingly small group cut out to the meeting of the Hicksville International Little League held on Saturday afternoon in the High School. It had been the intention of the league officials to complete the records of each Little Leaguer, pass out assignments and in general, make known to the parents the aims of Little League baseball and request additional cooperation from them.

Unfortunately, the weather interfered and only a handful showed up. Little Leaguers who did not attend and who desire to know the divisions to which assigned, are asked to contact Mrs. Helen Bergoltz, president of the Ladies Auxiliary, who has all the information available.

Boys and parents who did attend the meeting were treated to films on baseball, and cartoons.

Bill Link, Umpire-in-chief, is holding a meeting on Monday evening, March 21 at the Senior High School. All men who have signed up for umpiring are urged to attend. The League hopes more men will attend this meeting as the baseball season is drawing near and the men must be indoctrinated in the rules and regulations of the Little League play.

The Division vice-presidents will soon be calling meeting of their managers and coaches to pass out

turn assignments. As soon as we know what fields are available to us managers will be notified and it is suggested that the teams hold their preliminary practices in order to get their teams lined up.

## Personal Mention

## The Fire Horn

prepared by the publicity committee for the bureau of fire prevention and inspection of the Hicksville Fire Department

In all modern cities and towns, such as Hicksville, some ready means of communication and summoning Fire Department apparatus and firemen to the scene of a fire is essential and a must.

In Hicksville there are two such means employed to activate the department at a moment's notice. The telephone, of course, is one, and the other is the municipal fire alarm system with street boxes on the familiar red pedestal, circuits and current supply separate and distinct from all other forms of communication service.

There are, however, some people who take advantage of this "silent sentinel," the fire alarm box. These are the people who turn in the false alarms. Admittedly, some false alarms are turned in by small children, but there are older children and adults who get some sort of twisted pleasure or thrill of seeing the 'Big Red Engines' responding to their handy-work.

We wonder however if these people realize the cost to the taxpayer everytime the apparatus responds, or the danger to the fireman and the taxpayer himself. To the fireman because of the unknown dangers he is responding to and the taxpayer because while the trucks are off on a false alarm this leaves his own property or life exposed to the danger of a real fire.

If we may quote from Section 1424 of the New York Penal Code as follows:

"False alarms of fire—interference with fire alarm systems  
1. Any person who shall wilfully tamper, meddle or interfere with any station or signal box of any telegraph, telephone or radio fire alarm system, or any auxiliary fire appliance, or who shall wilfully break, injure, deface or remove any such box or

station, or who shall wilfully break, injure, destroy, or disturb any of the wires, cables, ducts, poles, towers or other supports and appliances connected with or forming a part of any telegraph, telephone or radio fire alarm system, or any auxiliary fire appliance, shall be guilty of a misdemeanor, punishable by imprisonment for not more than one year, or by a fine of not more than one thousand dollars, or by both such fines and imprisonment."

This is a stiff penalty, is the thrill of pulling that little knob on the fire alarm box or seeing the engines roll worth the results of a year in jail? We think not.

It must be clear to the reader by now that your Fire Department has been hit lately by a rash of false alarms. It was felt that an appeal to the readers of the 'Fire Horn' to reach their children and neighbors with the serious nature and results of false alarms would be rewarding and beneficial towards the reduction of false alarms in the Hicksville Fire District.

The importance and need of a fire alarm system, with adequate box distribution, is outstanding. While not appreciated at normal times, the value is untold under those conditions where the fire department tands between the town and destruction. Let us not abuse it.

## Special Program For Burns P.T.A.

A most enjoyable evening is promised for the members of the Burns Ave. P.T.A. next Wednesday evening, Mar. 16. Tarik Bulket, known as the Danny Kaye of Turkey, will be present to entertain. He is an accomplished musician and plays many instruments native to Turkey.

On the same program a beautiful color film, titled, "Modern Day Turkey as a Young Democracy" will be shown. Refreshments will be shown following the program.

That's the number of steps the typical housewife takes on a typical day. Doing the cooking, the shopping—and the million-and-one other chores she handles at home and around town.

It's sure a lot of steps. But think how many more she'd have to take if it weren't for her telephone. If she had to go, in person, everywhere her phone takes her each day. No wonder so many housewives agree that "how things serve so well, yet cost so little" as the telephone.

## 10th Anniversary For Church Here

The Hicksville Church of Christ will observe its 10th Anniversary this Sunday, March 13. Ten years ago, the congregation had only six members. Today there are 120. Mr. Kile ministered to this small group for one year, after which, John Baird, a speech instructor at Columbia University, took over these duties. The present minister C. E. Faust, began his ministry in Oct. 1953.

The congregation began holding services in the Old Methodist Church Building, purchased from the Hicksville Methodist Church. The final mortgage payment was made in January, and the congregation is now free of all indebtedness.

During the past 10 years, the Hicksville Congregation has aided the "Go Ye" Chapel and Mr. Kile in established new congregations of the Church of Christ in Nesconset, West Islip, and East Northport. On Mar. 20, about 20 persons will transfer from the Hicksville Church in order to organize a new congregation in Glen Cove.

A building for this new congregation is being constructed by the "Go Ye" Chapel Mission entirely by volunteer labor from members of the Churches of Christ in the area. It is expected that this building will be completed early in May.

An Anniversary Dinner will be served by the Women's Council of the Hicksville Congregation on Mar. 13, at 5:30 p.m. Anniversary and Mortgage burning ceremonies will be observed at 7:30 p.m., with E. C. Kile, Cranston Clayton of the Hicksville Methodist Church, and C. E. Faust taking part in the program.

Mrs. Anna Seels, the only member left in the congregation of the original six; Donald Topliffe, elder and bible school superintendent, and Mr. and Mrs. William Heuman, former members, will also take part in the program. Special music will be sung by the church choir and by Mrs. Esther Heuman.

Mar. 13 also marks the beginning of a special campaign to completely renovate and redecorate the entire church building. A special "Joash offering" will be received at these services and will be used to inaugurate this renovation program.

## Red Cross Aids 138 Local Families

The records of the Home Service Dept. of The Nassau Chapter of The American Red Cross show that 138 families were served in the Hicksville area during 1959. Good things do happen when you give.

It is gratifying to the Executive Board and members of the Hicksville Red Cross that the Fund Drive has the enthusiastic support of so many good citizens, who as Area Captains and door-to-door workers, want to achieve the fund goal.
