# Worst Fire in 25 Years Does \$300,000 Damage

## Alarm at 5:55 Sunday Morning Wrecks Building

Hicksville's most destructive fire in almost 25 years caused damage estimated conservatively at \$300,000, Sunday morning, destroying a printing plant, an 11-tenant office building and the roof of an adjoining private dwelling on West John Street.

About 10 volunteer firemen in the fire fighting force of 125 directed by Chief Charles Saurer were injured or suffered smoke poisoning. Several were removed to Meadowbrook Hospital in fire dept. and police ambulances for treatment and then discharged.

The alarm was sounded at 5:55 a.m. and the roaring inferno which apparently started in the printing plant in the rear was brought under control in about two hours. All available apparatus in the fire district was on the scene and miles of hose lines were laid.

The L.I. Lighting Co. was called to the scene to disconnect electric and gas service and the water district to turn off water supply. Plumbing in the building, which was reduced to a false front facing (Continued on Page 4)

## Our Population Now 45,751

While the population of Hicksville has increased almost 400 per cent in the last 10 years, it has gained only about 1700 in the past three years, according to an estimate published this week by the L.I. Lighting Co.

The LILCO estimates Hicksville population at 45,751 as of Jan. 1 of this year compared with the 1957 census of 44,058. The 1950 census showed only 12,070.

Hicksville is the largest single community in the Town of Oyster Bay, according to the LILCO report. Several other areas are grouped; in Bethpage Plainfield is credited with 45,996 as against 40,510 in 1957, and Massapequa-West Amityville is given 50,527 as against 44,131 in 1957.

The LILCO study places Hicksville third in the county, listing East Meadow first with 81,644 and Levittown second with 59,608. Hicksville tops Hempstead at 34,195, Great Neck 43,042, Valley Stream, 37,854, Freeport 33,524.

## New 8th Precinct Divides Hicksville

About half of Hicksville, together with all Freeport and Bethpage will be in the new 8th Precinct of the Nassau County Police with headquarters at 280 Wantagh Ave., Levittown, the end of next week. Portions of the Second Precinct on North Broadway, Hicksville, and Seventh at Sanford will form the new precinct.

Dedication of the new 8th precinct station house takes place Monday, March 21 at 2 p.m. The new precinct goes into operation at one minute after midnight, Thursday, Mar. 24. The phone number will be OV 1-5810. The boundary line between the 2nd and 8th precinct thru Hicksville will be the middle of Old Country Rd.

## Mittleman Rebuilds Print Shop, Offices

Jesse Mittleman, owner of the Nassau Press printing concern and the two-story modern building on West John St., Hicksville, which was gutted by fire Sunday morning, told the HERALD this week that he plans to rebuild the structure. He estimated the job would take six to eight months.

The building ruined by fire was erected 6 1/2 years ago. Nassau Press was originally founded by Jesse's father, Harry Mittleman and for many years operated on E. Marie St. next to the Hub Diner.

The late Harry Mittleman, whose widow resides on James St., Hicksville, was credited with founding the Nassau County Town Topics, a Hicksville weekly newspaper, in 1931. In those days the printing plant was on Herzog Place.

Jesse Mittleman makes his home on Fleardy Lane, Syosset, and to-

day expressed his gratitude to the many printers on the Island who have come forward with offers of assistance in servicing his clients since the disaster.

He said that fortunately the forward office of the printing plant was hardly touched by the flames and that most of his business records are in good condition. He is now operating temporarily from his home.

Pending the study of the scene by insurance adjusters, Mr. Mittleman (Continued on Page 15)

Students of Hicksville Junior and Senior High School may some day soon be writing like the above headline - and it makes sense if you know Speedwriting.

Transcribed into normal English, the headline reads: "Speedwriting Interests School Board, May Offer Summer School Course."

Speedwriting differs from the conventional systems of shorthand in that it employs only the letters of the alphabet and a few characters used in punctuation.

The Board of Education at its regular meeting last Friday night asked the School Administration to look into the possibility of offering Speedwriting to students in Junior and Senior High, possible as a summer school elective. The purpose of the training would be to enable students to take notes more rapidly.

The informal discussion, which lasted more than an hour, also included some consideration of legible student handwriting itself and Vice President Jerry Zettler, who was conducting the meeting, commented that "we may be turning out a generation of scribblers."

The Administration was also asked to look into the possibility of establishing a remedial program in handwriting.

Language Lab  
 In other action taken at the meet-

ing, the Board of Education awarded a contract to Magnetic Recording Industries at their bid of \$11,379 for the installation of a Language Laboratory in Room 313 of the Junior High School. The project will be financed out of the current budget and has been declared eligible for matching-Federal funds paying half of the total cost.

Assistant Superintendent Donald F. Abt said that it is expected that the equipment will be installed and functioning before the end of the current term.

Funds have been provided in the 1960-61 District Budget for a Language Laboratory to be estimated in the Senior High School also.

The Language Lab for Junior High will include a Master Console and 25 student stations, making extensive use of tape recording equipment with microphones and speakers.

The Board at the same session tabled further consideration of the present on the proposed 24-hour, round the clock plan for employment of custodial staff on a rotating shift basis.

## Personal Mention

ELIZABETH ANN MAYHEW, daughter of Mr. and Mrs. William Mayhew, of 104 Dewey St., Jericho, was capped by the School of Nursing of Albert Einstein Medical Center, of Philadelphia, on Tuesday, March 15.

Elizabeth is a member of the Class of 1962 (freshman). Capping is the traditional ceremony which

marks completion of the student's uniform by presenting her with the starched white cap of the student nurse.

A daughter, Tina Louise, was born to Mr. and Mrs. Ralph Pignataro of 19 Essex Rd., Bethpage, Feb. 24 at Mercy Hospital.

Mr. and Mrs. Gerald O'Connell of 189 Second St., Hicksville, welcomed a daughter, Margaret Sharon, Mar. 2 at Mercy Hospital.

MRS. CATERINA FORZANO of 106 Woodbury Rd., Hicksville was guest of honor at a surprise party which celebrated her 70th birthday, on Feb. 29th, at the Huntington Town House. Hosts were her family. Mrs. Forzano, who operates Dentist's Office, "The Oak" Kitchen at the Woodbury address, is the mother of two sons, Anthony and Gerald, and has seven grandchildren and two brothers, John and Sel. Tony is general manager for Follie Dairy Products and Jerry is plant manager for the same concern.

Mrs. Forzano, happily surprised and surrounded by her family, received many lovely gifts.

## New Grandchildren Arrive Within Hrs.

Mr. and Mrs. Stanford Weiss of Willoughby Ave., Hicksville became very proud grand-parents again last week, when both their daughter, Mrs. Gertrude Law and their son, Sgt. Harvey Weiss presented them with their 4th and 5th grandchildren within 15 1/2 hours.

Mr. and Mrs. George Law of Tred St., Huntington Station, are the proud parents of a son, George, born on Mar. 10th at the Glen Cove Hospital. The Law's also have a daughter, Heather. Mrs. Law is the former Miss Miriam Weiss.

Sgt. and Mrs. Harvey Weiss of New Jersey proudly announce the arrival of their daughter, Joy, born on Mar. 11. The Weiss's also have two other little girls, Lynne and Wendy.

## Dear Jean:

Our Flying-est School Board member, HERB JOHNSON, was in Richmond, Va., last week on his birthday and his family sent him a handsome wrist watch. The unusual snow fall down forced Flying Herb to take a train back to New York. . . . We never knew FRANK GHELMINSKY had a middle name, but the Kiwanis Bulletin (edited by PAUL RUBENSTEIN) broke the news this week. His middle name, Phil reports, is "CONSTANTINE" . . . Name of the LIRR is being changed, temporarily today for St. Patrick's Day to "Long Ireland RR" . . . X. J. MARSHALL, mortgage banker and real estate broker who has maintained offices in Jamaica for 24 years, is opening at 146 Newbridge Rd., Hicksville, is the Centre Shop. The new office is under the direct supervision of GEORGE A. MUNIZ and will specialize in financing the resale of homes on a "volume basis" . . .

We have just received the new edition of NY State Vacationlands published by the State Dept. of Commerce at Albany. It looks fine, except there is no single mention of Hicksville. Back in the days of the BMA, Hicksville was always listed and the local merchant's office, address was included. . . . AUSTIN M. SARR of Utes succeeds MILTON E. COUL of Islip as district engineer of the State Dept. of Public Works for the area including Hicksville, effective Mar 19. . . . Town of Oyster Bay clean-up campaign opens Mar. 21 and ends April 9. Our period for pickup by town trucks is Mar. 28 to April 9. If you have something to be picked up, call WALnut 1-0885 or WALnut 4-0594.

It was heard some wind-sounds coming out of the Senior High School next Friday night, Mar. 25, you will know that the Board of Education is checking the condition of 48 old musical instruments which the school administration finds are beyond repair and plans to dispose of. Among the items: saxophones, French horns, euphoniums, 3 trumpets, 10 clarinets and an unbranded fiddle. Motion that the instruments be exhibited at the next Board meeting for inspection was carried at the last meeting. . . . Quipped Trustee WALTER SCHRIEBER: "I thought valius got better as they got older!"

Congratulations to MARIE and DON ZERKEL of Moeller St., Hicksville on the birth of their 3RD child, Mary Frances. Hope the little lady is fortunate enough to look like her mommy.

Congrats to the BERT SHOLE'S of Jackson Pl. and the THOS. BURNS of North Dr., Hicksville who recently welcomed their first grandchild, Peter John Sholl. Mrs. Sholl is the former Miss Lorraine Butrus. . . . Dr. and Mrs. KELLY BALDASSARII of Jerusalem Ave., Hicksville, were hosts of a family party on Sunday celebrating the birthdays of both their dads. Present at the party was another birthday gal, Mrs. JULIUS SCHWARTZ, so to make the affair more enjoyable the birthday cake read, "Happy Birthday—Two Grandpas and Gladys." . . . Our best wishes to Miss MARIJYN VOLZ of Bethpage who recently became engaged to Alfred W. Furchert, Jr. of Blue Point. Also to Miss ANN MARIE MEYER of Hicksville whose engagement to Bernard W. Saisel of Roading, Pa. was announced during the past few weeks. . . . Our sincerest sympathy of Mrs. TINY WEBER on the death, earlier this week of her Dad, Anthony Eposito of S. Farmingdale. Ann is a friend of our high school days and with her husband, Tony, operated the Carve & Refreshment stand on S. B'way, Hicksville. Also sincere sympathy to the LEO KANAWADA family of Halsey Ave., Hicksville on the death over the weekend of Mr. Kanawada's mother, Pauline. . . . Hicksville High School Alumni Assoc. planning a Spring Dance. Watch for the date.

Congratulations to PATRICK BUFFALINO, long-time Westbury resident and former Hicksville Chamber of Commerce president, who was elected a trustee of the village of Westbury, Tuesday. His Efficiency Party scored a clean sweep, the third in three years. . . . Dr. WALTER BURBANCK, Hicksville Chiropractor, led a group of 88 chiropractors, from New York-Long Island area on a visit to the Chiropractic Health Clinic at Danville, N. J. on Mar. 10. . . . An attempt to burglarize the Senior High School safe on Sunday forenoon was foiled this week. Police are investigating. Recently the Junior High School was entered and some thefts committed. . . . Out in Hicksville, Ohio, where we have been keeping check on the weather thru the local paper, the temperature (mean) has been ranging from 12 to 25 degrees. It dropped to one below zero on Mar. 12. . . . The new 8th Police Precinct on Wantagh Ave., Levittown, will be dedicated next Monday afternoon at 2 p.m. We understand the 8th precinct will take over the area of Hicksville south of Old Country Rd. while the section north of Old Country Rd. remains in the 2nd.

## Board Pushes On Court Action

The Hicksville Board of Education at a special meeting, Monday night, gave the direction to its School Attorney to proceed at once in obtaining prompt legal disposition of the suit brought by Emil J. Szendy and nine other taxpayers which has knotted up the school facility expansion program authorized by the voters on Nov. 19.

In the absence of Michael J. Sullivan due to absence, Robert Corcoran of the firm of Sullivan and Corcoran, discussed the case with the Board of Education in executive session. Five out of seven Board members were present. Robert D. P. Eaton was absent due to illness and Herbert Johnson was out of the state on business. There were no spectators present.

The School Attorney was directed by motion to file the District's answer and move for summary judgment and to notice the case for trial.

The School Board also discussed the recent decision of the Appellate Division in the appeal brought by the District seeking to prohibit a gas station at South Broadway and Lee Ave. After hearing the report of Corcoran on the Appellate Division ruling, the Board voted to discontinue further action.

## Alumni Elects Julius Schwartz

The Hicksville High School Alumni Assoc. met on Monday at the Hicksville High School Little Theatre for its first regular meeting of the year with the election of new officers highlighting the meeting. Officers for the coming year are: Julius Schwartz, president; Howard Finnegan, vice-president; Mrs. Julius Schwartz, recording secretary; Mrs. Fred J. Noeth, corresponding Secy.; Mrs. William Kutner, membership secy. and Gus Economopolis, treasurer. Elected directors for three years are Dr. Charles Masek, Frank Estrada, Louis Kappstatter, Mrs. Al Hanlon and Fred Sutter. Added to the Board was Arthur Segreto.

Mrs. Joseph Grise was made chairman of a planned Spring Dance, time and place to be announced later.

Dr. Masek, out-going president, thanked all his officers and committee members for the splendid work they had done in the past year. He has appreciated their help and wished the organization continued success in their endeavors.

## Plan Crazy Day Show Three Films

"Crazy Day in Wonderland," the 1960 touring stage show of the Don Coyote Children's Theatre of Boston, will be presented at Fork Lane School Gym this Saturday, Mar. 19, from 1 to 3 p.m. The performance is sponsored by the Fork Lane P.T.A. and admission is 50 cents.

The program includes comedy, folk music, stories, pantomime and puppets.

Mary Frances, is the name of the new arrival at the home of Mr. and Mrs. Donald Zirkel of 40 Moeller St., Hicksville. The little lady made her debut Feb. 24 at Mercy Hospital.

Next Tuesday evening, March 22, at 8:30 p.m. the Hicksville Public Library will present another film program. These films should be especially interesting to young people; however, persons of any age are welcome. There are three films to be shown: "A Day With The F.B.I." which is described as "an authoritative description of the behind-the-scenes operations of the F.B.I."

"Exploring Space" a documentary history of the development of the modern rocket, and "Introduction to Jazz" which traces jazz from its origin through the New Orleans period.

## Worst Fire

(Continued from Page 1)

W. John St., gave way in the intense heat and flame.

### PLAINVIEW STANDS BY

Volunteer firemen were on the scene until late afternoon to control the blaze in smoldering remains of printing paper and picking up their equipment. Plainview Fire Dept. sent equipment to the Marie St. Firehouse to stand by in the event another alarm was received.

The county fire marshal's office is investigating the blaze which, it is believed, may have originated with an electrical short in the first floor.

The one-story printing plant in the rear was shooting flames hundreds of feet into the sky when the fire was discovered. The flame and smoke was visible miles from Hicksville.

### LEAPS TO NEXT HOUSE

The flames, fanned by the wind, leaped from the printing plant about four feet to a 2½ story frame building at 31 W. John St., owned by Mrs. R. S. Oscholtz and Fred Schad of Kew Gardens routing the occupants, William Porcano and family. The roof of the dwelling was engulfed in flames before the fire process was checked.

The firemen diligently spread tarpaulins to save office records in the two story office building as much as possible. Extra tarpaulins were borrowed from Plainview Fire Dept. Smoke poisoning victims included

Jack Foley of 42 Boulder Lane and William Biggs of 67 Acra Lane, Pusnetic wounds in the feet from nails penetrating their boots were John Larkin of 16 Nevada St. and Donald Jones of 20 Lantern Rd. George Crowley of 90 Linden Blvd. suffered a sprained ankle and Goy Smith of 111 Nevada St. was treated for an elbow bruise. Ex-Chief Medard Offenloch also suffered a twisted ankle.

Fire buffs debated this week as to whether or not this was Hicksville's biggest fire. It was generally agreed that it was the most destructive, in view of the number of businesses involved and property damage suffered, going back to the fire which gutted the Freitag Building at the corner of W. Marie St. and Broadway about 25 years ago. At that time the offices of Seaman & Eisemann, a variety store, Bahrenburg's Bakery, luncheonette and other business were burned out.

From the standpoint of spectacle, but not necessarily in terms of property damage, the big fire in the community recollection was the Lakeville Manufacturing Plant, a three-story frame factory on Bethpage Road which burned to the ground in 1940. It was the former Pickle Works. Volunteers with the help of Westbury vamps fought that fire for more than eight hours.

In recent times, the fire which gutted County Neop on Jerusalem Ave. next to the RR Station on Jan. 12, 1958, was a big blaze but the damage estimate did not begin to approach the destruction recorded last Sunday morning. The building has since been demolished in the highway reconstruction.

Hicksville Fire Dept. was particularly fortunate during 1959 when the total loss for all fires was only \$17,675 with a total of 422 fire alarms, plus 118 for the fire dept. ambulance.

Members of the Fire Dept. ladies auxiliary were present at the fire

scene serving hot coffee. The sub-freezing temperature hampered the vamps.

## Jericho Group Joins on Concerts

An event of the utmost importance to the Hicksville music community took place at the home of Miss Harriet Spink 168 Plainview Rd., Hicksville, March 9. The Jericho music group as represented by Herbert Shapiro agreed to join

forces with the Mid-Island Concert Assoc. for the forthcoming 1960-1961 season.

By giving great promise of a large increase in the number of subscribers this will assure four rather than three concerts for the season. It will

also permit engagement of top-flight concert artists and make the prospects for the coming season the brightest they have been in years. The president of the Mid-Island Assoc., elected at this meeting was Samuel Leher of Hicksville. Other officers chosen were Harriet Spink, Hicksville, and Herbert Shapiro, Jericho, campaign co-chairman;

Mr. and Mrs. R. Patterson of Westbury, secretaries; Mildred Clark of Hicksville, Treasurer; Beth Carlin, Hicksville, and H. Shapiro, Jericho, publicity co-chairmen; Wilim Golceke, Hicksville, concert arrangements; Dr. Harry Lambert, Hicksville, dinner chairman.

The membership campaign drive for the 1960-1961 season has been

set for the period May 23 to May 28. It is expected that with the combined efforts of both the Hicksville and Jericho communities a complete sell-out will result.

Mr. and Mrs. Ralph Wagner of 4003 Hahn Ave., Bethpage, are the proud parents of a daughter, Patricia Lois, born Mar. 2 at Mercy Hospital.

### A MESSAGE OF INTEREST TO NASSAU COUNTY PEOPLE

# Why the double talk, Mr. Roth?

#### You say...

"Next time you hear about New York City savings banks wanting to come to Long Island, remember what they do with local deposits."

#### We'll tell you, Mr. Roth...

As they do throughout the State, New York savings banks are financing more mortgages in Nassau County (your county, Mr. Roth) than all other lenders combined!

Savings Banks ..... 51.5%  
Commercial Banks ..... 16.2%

(including your Franklin National Bank, Mr. Roth)

And that's not just one year. It is the average from 1953 through October, 1959!

#### You also say...

"New York State savings banks have invested six billion dollars of New York State mortgage money in other states."

**That's true, Mr. Roth, but again you forgot to tell the whole truth...**

The \$6 billion were loaned outside New York State over an 8-year period and represented mortgage funds over and above

those needed at the time in New York.

And, you forgot to mention, too, that as a result of these loans about \$300 million of earnings come back to New York State every year. That isn't hay, Mr. Roth. Those earnings from other states help New York State savings banks pay their depositors regular and generous dividends.

#### More of your double talk, Mr. Roth...

In your recent advertising series in which you tried to refute the study, "Evidences of Monopoly in Nassau County Banking," you compared a few of your service charges with those of unnamed New York City commercial banks.

#### A few questions for you, Mr. Roth...

Why did you hand-pick so few charges to feature? Why didn't you publish your entire five-page list of service and penalty charges, Mr. Roth? Wasn't it because comparing that whole list with the charges of the leading New York City commercial banks would reveal that your charges and penalties are generally higher and more numerous?

The story behind this message... Savings bankers believe residents of Nassau County are entitled to the benefits of healthy banking competition. Today there are 109 commercial bank offices in Nassau. There is only one savings bank office.

Increased competition would serve the people of the county by bringing lower service charges, lower rates on loans, and higher interest on savings.

The problem: The State Banking Law now prevents savings banks from opening branches in Nassau County.

Mr. Roth's Franklin National Bank is leading the campaign to prevent a change in this antiquated law that would provide you with better banking facilities in your home community.

The reason is simple: Mr. Roth's bank and one other bank now control more than 60 percent of all Nassau County's commercial bank assets. Do you think Mr. Roth wants more banking competition?

But, as a depositor and customer in Nassau County, don't you?

## Hicksville Man Deputy to Levitt

State Comptroller Arthur Levitt this week announced the appointment of Dr. Alan K. Campbell of Hicksville as Deputy Comptroller for Administration.

Dr. Campbell replaces Arch T. Dotson, who has returned to the staff at Cornell University.

Dr. Campbell is on leave of absence from Hofstra College, where he serves as Chairman of the Political Science Dept. He holds a Bachelor degree from Whitman Col-

lege, a Master degree from Wayne University and a Ph. D. in political economy from Harvard. He has been an instructor and a visiting lecturer at Harvard. He has also served as a consultant to the New York State Commission on the Governmental Operations of the New York City and a staff member of the New York Metropolitan Region Study.

Dr. Campbell is a past president of the Long Island Alumni of Phi Beta Kappa. He received a Volk-

He is a member of the American Political Science Assoc., the Committee on Instruction and Evaluation of the American Council on Education, and the American Society for Public Administration.

As Deputy Comptroller for Administration, Dr. Campbell will be responsible for personnel, budgeting, planning and research on department-wide basis.

Dr. Campbell maintains his residence at 19 Rover Lane, in Hicksville, with his wife and two children.

Deputy Comptrollers in the Dept. of Audit and Control are paid a salary of \$17,986.00 annually.

## Start Building School Addition

Construction will be started on the new building immediately, to house the eighth grade school of the Mid-Island Hebrew Day School at 42 Locust Ave., Bethpage. This building will be erected on the same property where the school is presently located. The additional building was necessitated by the fact that since one year ago, when the school was first opened, registration has been doubled and the prospects for September 1960 indicate, again, an increase of almost 50 percent.

The Board of Directors has been forced to act quickly and to build. Through the cooperation of the Long Island National Bank and all the parents of the school, the new building will become a reality and be available for the influx of students in September.

The Mid-Island Hebrew Day School is an all-day school which offers a Hebrew and General studies education under one roof. Children attend from 8:30 a.m. to 4 p.m. Active and dedicated parent groups are involved in the Board of Education, Board of Directors, Mother's Club and Men's Club.

## Purim Dance

The Annual Purim Dance of the Sisterhood of the Midway Jewish Center, will be held at the temple, 330 So. Oyster Bay Rd., Hicksville, this Saturday, Mar. 19, at 9 p.m. Highlight of the affair will be the presentation of gifts to the chosen Queen Esther and her attendants.

## Present Revue

"Back Door to Broadway" a revue written, directed, by Fran Ziffer opens on April 24, at 8:30 p.m. at Levittown Hall on Levittown Parkway in Hicksville. It will run for two other dates, Saturday April 30, and Sunday May 1. The tickets are available. Please call Mrs. Charlotte Greenberg ED 3-1455 or Temple Beth Avodah ED 3-3477. Reserve seats \$3.00, General Admission \$2.50.

## Girl Scouts Mark Their Birthday

Over 100 Brownie Scouts in the Robbins Lane School participated in a special Girl Scout Assembly Program on March 11 in celebration of Girl Scout Week. The program was a tribute to Juliette Low, the founder of the Girl Scouts. Many parents were present in the auditorium, and the Robbins Lane School Band made its first appearance in honor of the occasion.

The program opened with a salute to the colors, conducted by the Girl Scouts, and Brownies. The girls then presented a play about one of the first troop meetings held in 1912. Twenty scouts participated in a choral reading, and the other Brownies joined in with scouting songs.

The Troops of the Neighborhood gave a gift to the school library.

All who saw the program will long remember the impressive sight of so many Scouts in uniform honoring the Girl Scout organization.

## AN EDITORIAL

The recent approval of the Cantigue School construction was coupled with a rejection of a proposition to build a school administration building. This was the first vote of disapproval, since our community was established, for any school project in either of our two school districts.

Has this a special meaning for us? Has the series of "aye" votes finally come to an end? We wonder if this doesn't indicate a deliberate intention to study, more seriously than ever before, the direction and buying power of each of our tax dollars.

It is no exaggeration to say that upon our arrival in this community, we welcomed every suggestion put forth to enlarge, strengthen, to improve the school facilities for our children. Beyond any doubt, the heavy population increase made these considerations necessary with as little delay as possible. Would it be poor hindsight to guess that an administration building would have been approved two years ago, when every other school proposition was finding an easy passage?

We recall our inability to understand the objections raised, by the longer established residents of our school districts, to the school expenditures proposed two and three years ago. It was mostly we newer residents who acclaimed each move to build bigger, better, and faster. Was the school administration building vote an indication of a more tight-fisted attitude towards school dollars, or was it simply a question of "bad timing," as some people maintain?

Perhaps, now that the first blush of happy home ownership has worn off, we can see more clearly our responsibilities as tax paying citizens of a larger community. Indeed, we may have achieved enough maturity, as home owners, to appreciate how simply, and how quickly, we can approach the invisible dividing line between not enough, and too much.

## Letters to the Editor

To the Editor

The February 25th issue of THE VILLAGER contained the contents of a telegram sent by the Civic Assoc. in support of the so called Carino Plan. I believe that this action taken by the board was not to the best interests of our residents and contained inaccuracies as hereinafter set forth:

1. The so called plan does not increase foundation level aid from \$358.00 to \$409.00. The plan only increases the aid to \$389.00.

2. The current year attendant's figure is coupled with a "joke" clause conditioned upon enrollment increase of 4%. This excludes most of the Long Island School Districts. Levittown, which has shown the greatest increase, would not be entitled to use the current attendant's figure since they would only show a 2.8% increase.

3. The New York State Educational Conference Board recommended foundation level aid of \$450.00 last year and only reduced it to \$409.00 this year after the Governor submitted his message increased aid recommendation. The proposal submitted by Comptroller Arthur Levitt recommends the \$450.00 figure.

4. In addition to the \$450.00 figure, the Levitt proposal also recommends:

A. A school board authority which would have saved millions of dollars in interest which has been killed by the Republican Legislature for the last 3 years.

B. A 50% increase in emergency building advances.

C. A foundation program for construction purposes.

D. State aid an current average daily attendance.

For the information of our residents, I would like to call to their attention the fact that the monies required under the Levitt proposal would come out of the surplus which

## Taped Interview with Civic Prexy

BY DAVID A. MARK

The following feature is a condensation of an interview, on tape, with Irwin Baumel, recently elected president of our Civic Association.

Q. Many people feel that after 3 years, a Civic Assoc. has accomplished its major projects and can no longer maintain itself. Do you believe that you have been elected president of a practically defunct organization?

A. Nothing could be further from the truth.

Q. What remains to be accomplished?

A. The function of the Civic Assoc. is to protect the interests of the community; to protect property values; and to work for the possible improvement of the health and welfare of the residents. In a sense, it is an insurance company that considers the interests of the community whenever it is called upon to:

1. Examine and make recommendations on school budgets;
2. Investigate zoning problems that arise periodically, and take steps to protect home values;
3. Establish a community library, which is sorely needed, and for which the library committee will work extremely hard this year;
4. Assure the community of good parks and recreation areas. Our park taxes have been paid, promises have been made but not kept. We must find out why and do something conclusive about it;
5. Examine our restrictive covenants and determine if they can remain in existence, effectively.

There will be a considerable amount of information published in the VILLAGER about this.

New things will be accomplished because active members of the Civic Association are productive of new ideas for the good of the community.

Q. Are there any new considerations concerning the Jericho Country Club?

A. The Club has appealed for removal of a restriction on night activities. The Board feels that a review is necessary since many Civic Association members are members of the club. It is a very controversial issue and the Board will consider it very carefully and I'm sure it will come to a judicious decision.

Q. The new Board of Directors has nine former members and nine new members. How do you feel about this set up?

A. Nothing better could have happened. The people who served in the past worked hard and selflessly and for a long time. They deserve a rest. It is almost a duty for everyone to serve for a reasonable period of time in some capacity.

Q. Do you have any comment on why it was so difficult to get residents to run for the Board of Directors, or for any office?

A. I must contradict the implication in your question. There was no difficulty. Many names were considered by the Nominating Committee. Many people were unfamiliar with the problems at hand and how to deal with them. They had not previously been active. Many people declined because, in recognizing the responsibilities of office, they felt that they could not devote the necessary time. Those who did accept, and who were elected, know the responsibility and they are ready and willing to work hard.

Q. Why haven't we had 100% enrollment in the Civic Association?

A. Enrollment depends on how much the residents feel that a

(Editor's Note: This is the first series of Civic Profiles to be written this year by Mr. David A. Mark. We wish him every success in this new venture.)

The Editorial Board and Staff of THE VILLAGER join me in extending sincere thanks to Mr. Gilbert B. Stein for the many wonderful profiles he has written in the past. We are sure that all the residents of Birchwood have become better acquainted due to his outstanding work.)

Civic Assoc. should be responsible for and how much has been accomplished in their interests. Many accomplishments are borderline and many residents may not know of their existence or resolution. Our community is cognizant of existing problems and Civic Assoc. accomplishments, 700 member families out of a possible 1050 is the largest membership on Long Island.

Q. What reaction would you have to another, change the community name campaign?

A. I haven't given it much thought. It depends on many things. I don't believe I'd be too interested in it this year.

Q. Would it be that the Civic Association will discontinue all of its social functions. Is this true?

A. There has been only informal discussion about this. No charitable organizations exist here that there is a feeling that the Civic Assoc. would be competing with them.

Q. Do you believe that the community is over-organized?

A. Yes, I do.

Q. Do you believe that anything you, or should be done about this?

A. I think that this is something that will solve itself, after a period of time, in an evolutionary manner. People realize that they can not devote a little time, with worthwhile results, to many organizations, but must restrict their best efforts to just a few.

A. I don't think it is that at all. I believe that the building was not considered an immediate necessity for the children's education - it was a borderline item.

Q. How does your wife, Claire, feel about your new responsibilities?

A. I would rather not say.

Q. Do you have any additional comments?

A. I am gratified to have received the support of the community in the short time since the election, and hope that the coming year will see many things accomplished here the goal of the community. The Board will do its best towards that end.

THE DEBORAH Civic is closing out their Great Accessories Shop and has a limited amount of plastic Swastika home furnishings which they have reduced in price to \$2.50 each. Please call Doris Kern at OV 1-1044.

## Letter to the Editors . . .

Cont'd from VILLAGER front page  
Comptroller Levitt believes will be in excess of \$100,000,000.

39 upstate school districts are now receiving 80% or more in state aid while 13 districts in Nassau are receiving less than 20%. 28% of Nassau school costs are met by state aid as compared with 37.9% statewide. The actual average cost in Nassau is approximately \$500.00 per pupil.

For the reasons set forth, I believe that the civic Assoc. should go on record in favor of Levitt proposal which will most closely approximate the needs of our school districts. The Governor's, and Carlinio Plans can only result in the creation of permanent educational slums.

ALLEN J. KAPLAN

To The Editor  
Of The Villager

This is in reply to a letter addressed to THE VILLAGER criticizing our Civic Board of Directors in endorsing a plan for increased Education State Aid. The article appearing in THE VILLAGER under my by-line refers to the plan endorsed by our board as the "Carlinio Plan." Technically perhaps, it would have been more accurate to have called it the "Citizens Coordinating Council for State Aid Plan," which was endorsed by Hon. Joseph P. Carlinio, Speaker of the State Assembly.

Frankly, I do not wish to argue which name of the plan is correct, but rather, to clarify the position

taken by our Board and upon what grounds said action was taken.

Charles Heeg, many months ago, was selected by the Education Committee of our Civic Assoc. to represent us in participating with a Citizens Coordinating Council for State Aid. This citizens council represented civic and other groups from Nassau County interested in obtaining the best possible State Aid program. After many months of arduous planning and discussion, the council devised a plan for additional State Aid and urged each group to endorse such plan.

To implement the plan, the council prepared petitions for each endorsing group to obtain signatures. The petition was addressed to Hon. Joseph P. Carlinio.

The plan was recommended to us by Charles Heeg, our representative on the Council. The petitions as well as posters were given by him to Leo Geyer, Chairman of the Jericho Education Committee, who turned them over to our Board of Directors at their very next meeting. The Board, after due consideration and upon the recommendations of Charles Heeg, the Jericho Education Committee and later Sam Hecht, President of the Jericho School Board, voted unanimously to endorse the Plan. The Board further voted to send telegrams rather than obtain individual signatures on the petitions. As president, I sent the telegrams and later forwarded a copy of the petition of the Citizens Coordinating Council of State Aid in further explanation of the telegram.

The article written by me in THE VILLAGER relating to the details of the plan was taken verbatim from the aforementioned petition and therefore could not possibly be inaccurate, as stated in the letter. In Mr. Kaplan's letter, he states that a "joker" clause is contained in the plan, excluding most of Long Island School Districts. May I point out that the Council that devised the plan represented groups from every part of Nassau County. Jericho and Syosset would not be effected by the clause, because they are both well above last years enrollment-figures. Furthermore, Sam Hecht, President of the Jericho School Board, appearing before our Board of Directors, urged us to approve the Plan.

Even Mr. Kaplan in his letter, had to admit that the New York

## Farewell And Warm Greetings

THE VILLAGER no doubt expresses the feelings of all of our residents in thanking Mr. Ralph Diamond, outgoing President of our Birkwood Civic Assoc., for a year of dedicated and noteworthy Community Service as evidenced by the many accomplishments our Civic Assoc. can point to during the past year.

Our fellow resident, Erwin Baumel, has been elected as the new President. THE VILLAGER is pleased to congratulate Mr. Baumel for having been chosen for this important position. We also congratulate the Community of Birkwood Park at Jericho for having selected an individual so ideally qualified on the basis of his two-year stewardship on the Civic's Board of Directors and Chairman of various of its Committees, as well as his personal ability and popularity.

We wish Mr. Baumel and his Administration a year of great progress and continued Civic Accomplishment.

State Educational Conference Board does recommend that the foundation level aid be placed at \$400.00 (an increase from the current \$356.00) per pupil, which is the identical figure as endorsed by our Board. He states that, Mr. Levitt has a plan which recommends \$450.00 per pupil. Naturally, \$450.00 sounds better than \$400.00. As a matter of fact, \$500.00 would sound even better; however, we must be sensible and realize that the money must eventually come from the taxpayers in one form or another.

The Kaplan letter goes into many other statistics which currently is being debated by members of both political parties. Frankly, I am of the opinion that the key to the purpose of his letter is contained in his sudden reference to one of the political parties "legislature for the past 3 years." Obviously, the letter is a guise to disseminate political propaganda. Our Civic Assoc. I am proud to say, has always been, and shall continue to be, free from entanglements with any political party.

The Board of Directors should be congratulated by our community for the steps taken to ease our school tax burden. I wish, in conclusion, to refresh the recollection of the writer of the letter, that our school committees are open at all times to any member of the Civic Association as well as an appearance before our Board.

## Scoutmaster Is Needed

THE VILLAGER has been requested to announce that Boy Scout Troop No. 129, Jericho, is in need of a Scoutmaster. All interested parties should contact the Institutional Representative, Morton Mann, at OV 1-1584.

## Temple Buying Land on Tpke.

Temple Or Eloban, Nelson Congregation of Jericho, announces that contract has been entered into for the purchase of a parcel of land south of Jericho Turnpike in Turnpike of approx. 275 foot half-way between the Jericho Country Club and Robbins Lane. The property is in excess of 3.50 acres.

April 20th. has been set as the closing date. The property will be easily accessible by foot, bike or automobile from all home areas south of Jericho Turnpike without getting onto this major thoroughfare. Present plans call for the construction of a Temple Building in a split-level design. For the present Friday Evening Services will continue to be held each Friday Evening at 8:45 p.m. at the Jericho Country Club, Rabbi Robert Schenkman officiating. Everyone is welcome.

## Jericho Rocks

BY GLORIA BRUNSWICK  
Like, man, it was—well, like it was gone—but like, man, way out for the uninitiated, the above, translated into Jericho American, simply means that the Birkwood Civic Assoc. Youth Group's first social shindig, which took place on Feb. 28 at the Jackson School, was just the grooviest.

They poured in from the four corners of the Community, at least 250 of them—your children and those of your neighbors. But it was hardly the majority of them—they were so clean, so shiny, so elegantly attired. That debonaire gentleman over there in the charcoal continental—can that possibly be Billy, minus muddy jeans and mess sneakers? And that glamorous doll in the pink bouffant—don't tell me that's Nellie, who comes to baby-sit in curlers and bobby-sox!

And oh, how they danced! They gyrated and vibrated with every vitamin-filled fibre of their beings. They rocked, they rolled, they chatched and they chawed to the rhythmic beats provided by an excellent local combo.

The Refreshment Committee, comprised of Diana and Ed Grant, Bonnie Gordon, and this writer, set up a magnificent epicurion display of popcorn and orange drinks. (Local Catveters beware!) Anticipating an avalanche of starving tyvies, we all backed up two feet when the Chow Call was sounded. But we were wrong. Jericho parents can be especially proud of their youngsters' behavior.

As the clock neared 10 p.m., Ralph Diamond, who took charge of the evening along with youth chairman, Julius Melnick and Frank Socorro, youth director, asked the crowd if they enjoyed themselves. The answer came in a deafening roar. So we'll all look forward to the next Youth Group Social, possibly our Community's most vital project.

Happy Birthday to Marie Sretgen of Fortune Lane on her first birthday.

## Homeowners Service Attracts Notice

An interesting new program, providing a long-desired service for homeowners in suburbia, will make its debut next week. A special four-page section will present the program in the next edition of the MID-ISLAND HERALD. Joseph Schwartz of 52 Hedgerow Lane, Jericho, is president of the Consolidated Homeowners Club Inc., which will have developed the plan that is causing widespread interest throughout the Island.

## President's Corner

BY ERWIN BAUMEL

The Birkwood Civic Assoc. at Jericho enters its fifth year, and I was very proud to serve as its president. There is much that goes on in our community that either directly or indirectly affects each of us. It is the function of the Civic Association to maintain an awareness of these occurrences, to weigh them, and to take appropriate action. The action taken, and the values used in weighing each problem, are directly dependent upon its relation to the community's health and welfare.

The membership of the Association elected seven officers and 18 men and women to the Board of Directors. Many of the people elected have worked on the Board before. Others are serving for the first time. We hope this mixture of new and old will work to everyone's advantage. To carry the theme further, we welcome all our old workers on any committee, but we earnestly hope that many new people will join in carrying out civic functions.

In the first President's Corner of this year, I would like to pledge that we of the new administration will try to continue the fine record of service of the previous administration. I pledge that we will continue to serve the best interests of the people of our community. We hope that we can count on your support throughout the year.

## Here and There

By FLORENCE BERGER

The Thrift Shop maintained by the Association for the Help of Retarded Children is in urgent need of donations (bric-a-brac, small electrical appliances, small pieces of furniture, clean and serviceable clothing and linens). The Tri-Town Auxiliary's storage depot in Jericho is at Edna Silversteins 37 Merry Lane, WE 8-9828.

The Thrift Shop is located at 286 Front St., Hempstead, hours 9-6, including Saturdays.

Happy Birthday to Ed Sherman of Magnolia Lane, Jack Jacobs of Maytime Court, Barry Magoon of Merry Lane, Bruce Lang of Maiden Lane.

Sincere condolences to Ralph Braunstein of Magnolia Lane on the loss of his brother. Also to Harry Cohen of Fall Lane on loss of brother. To Sam Eisenberg of Bountiful Lane on loss of beloved mother.

Paul Godles, son of Trudy and Harry Godles of Merry Lane, will celebrate his Bar-Mitzvah on Saturday, April 2, at 9 a.m. at the Jericho Jewish Center. All friends are invited to join them at services and the kiddush afterwards. Congratulations to all.

Sorry to hear that the Mah-Jong group of Muriel Scholmer of Hazelwood Dr., Shirley Brand of High-top, Lil Marcelles of Merit, Ceil Ross of Hazelwood, M. Kessler of Birchwood Park Dr. never got to go to Bill Hahns because of recent blizzard. Better luck next time girls!

P.T.A. of George Jackson School will sponsor a Bowling Luncheon

George and Mimi Frankel of 29 Fountain Lane are again giving Advanced Cub Scout Training to leaders (Den Mothers and Committeemen) for Nassau County Council at North Shore High School in Glen Head.

Congratulations to June and Albert Minoff of 3 Fortune Lane on birth of baby boy. Birthday wishes to Karen Diamond and Linda Mensch of Fountain La.

Jericho Jewish Center Sisterhood is again running another "Donor Fair" at the store next to the Meadow Brook National bank in the Birchwood Shopping Center. It will be held on Thursday, March 24th from 11 A.M. to 10 P.M. Everyone is invited. There will be a great number of new items including a fresh fruit and vegetable stand, toys, novelties and jewelry.

Circle Leah of J. J. C. Sisterhood is now taking orders for a plastic Mah Jong tablecloth with the four 1960-61 cards imprinted on it. Contact Ruth Schwartzbach at OV 1-1937 to place your order. See it on display at the Donor Fair on March 24th.

Circle Ruth has a "Four Minute to Go Party" planned for their May 3 meeting at the Robert Seaman School at 8:30 p.m. This will be an evening with Elaine Kaylin, a girl with a flair for Fresh Fast Feminine Frolic. An evening of "Amusing Schmoosing," Competitions and Prizes. Remember an unusual evening and DRESS CASUAL (even slacks permissible).

Mr. Heller, popular principal of the High School, was the moderator between the two factions of 9 panelists—the teen-agers one side of him and the parents and teachers on the other. He handled this difficult situation with ease.

Subjects discussed included - "Make-up suitable for school wear" - Sandy Rockmore quoted Euripides and his philosophy of moderation; "Should a family of means purchase a car for the new driver who has just come of age" - Mrs. Gloria Martin thought not - but Mrs. Florence Berger said it had worked out very well for her oldest boy and that it was a great convenience having another driver in the family; "Do the students read enough" - Lee Rogers felt that most did not.

The next meeting will be held March 30th. The program planned is a "Back-to-School Night for Parents" Refreshments will be served.

at Jericho Lane, Wednesday, March 30, from 12:00 to 2:30 P.M.; Free shoes and checking also on April 19th they will present show "Jack and the Beanstalk" with Suzzani Marionettes. This is during Easter vacation. For tickets call Dorothy Green at OV 1-8708.

Thought I was in Alaska when I saw a big Newfoundland dog called Skipper pulling five children on the most tremendous enclosed green sled I've ever seen. Skipper belongs to Mr. Arthurman of 218 Birchwood Park Dr. He was trained for this purpose to pull or mush-mush as they say in the cold countries. I wouldn't want to feed that little hound dog. Last week's blizzard was perfect for Skipper.

People came from far and near to the ski jump on Hazelwood Drive going into Maytime. The snow brought out all the sleds and skis and down they went! Mothers, fathers, sisters, brothers and friends. Cars were told to detour. Some thoughtful father took the school signs and put them at each corner for safety. He got tired of being a traffic cop. To the cars that slid down that hill and into their neighbors' lawns there will be a sign next time saying, "Keep of the grass."

## Current Comment Tremendous Changes During Past Decade

BY FRED J. NOETH

THOSE OF US who work and live in the community, day in and day out, sometimes fail to appreciate the extent of the changes taking place about us because they happen, for the most part, a little bit at a time.

But then something occurs to emphasize the change—like the division of Hicksville along Old Country Road into the 2nd and 8th Precincts of the Nassau County Police Dept. It seems as though it was only a few months ago that the 2nd Precinct embraced almost the entire Town of Oyster Bay. Now our local population has grown to the point that this new plan is devised.

And take the matter of population. A story in this issue shows we have grown from 12,070 in 1950—only ten short years ago—to an estimated 45,751 on the first day of this year.

Facts and figures about our schools always impress us: In 1914 when our High School was chartered by the State Board of Regents we had 438 students and 14 teachers. Today there are about 13,000 students and almost 600 teachers.

Our post office: When it became a first class office in 1944, postal receipts had to be at least \$40,000 a year. Today we top a million dollars a year.

While we welcome the many new friends of recent years, we sometimes yearn for those "good old days" which came to a close right after that wonderful outpouring of community interest and appreciation climaxed by the 1948 Tercentennial.

## First Scoutmaster Was Taliaferro

WE SHOULD NOT let the 50th anniversary of the founding of the Boy Scouts pass without recalling that Fontaine Taliaferro was Hicksville's first Scoutmaster back in 1916. The late Mr. Taliaferro in those days would take the boys on camping trips over to Syosset. He relinquished his scouting interests as World War I broke out and he was among the first 7,000 Americans to sail for France.

## It's Your Problem Too!

By ALLEN S. CARPENTER  
President, Hicksville School Board

Your School Board is trying to keep the school tax rate under \$5.00 per \$100, this year, next year and in succeeding years. To succeed in this we must exert constant effort and must hold to a very definite and detailed "time table" of action.

Time is on the side of the Hicksville taxpayer. We can expect a growing tax base, which means more money will be raised each succeeding year, without an increase in tax rate. We also can reasonably expect an increase in State foundation aid. As our pupil population moves from the elementary schools to our secondary schools state support (per pupil) increases. Time is on the side of our taxpayers, except when we are delayed, and our "time table" is thrown out of phase.

Your Board has taken many steps to provide excellent education, and as many steps to eliminate waste, duplication, inefficiency. For example, we adopted the principle of making salary changes effective on the first of January instead of on the first of July. This policy spreads the added cost over two budget years, allowing better budget control, and keeping school taxes from increasing excessively in any one year.

By the pioneer use of movable classroom units which provide classroom space for 1500 pupils, your Board has already saved over one and one half million dollars for the district. If we are allowed to relocate these classroom facilities we can save our taxpayers another two to three million dollars in bonded indebtedness. But to effect these savings we must maintain our "schedule." Unless we are able to use these facilities, already owned by the district, we must build additional new facilities, at great added expense.

A taxpayer suit has stopped our building program. This suit will throw us "off schedule" for months, perhaps for as long as two years. The much-needed construction of the Willet Ave. elementary school, the additions to East St. School and to the Senior High School have been brought to an abrupt stop. But by putting \$84,000 in the 1960-61 budget we can perhaps keep the first part of our program on schedule.

By September of this year we must have more classroom space at our Junior High School, or go on double session. However, if the people of our school district will approve the budget, plus the required \$84,000, your Board can proceed to prepare specifications and advertise for bids.

Your support is vitally needed by your School Board. We are proceeding, in spite of difficulties and handicaps — your understanding and support at budget time will make it possible for us to provide additional classrooms at the Junior High by Sept. 1st, in spite of the daunting delay being caused by the efforts of a disgruntled few.

## Herald Reader Opinions

### FULL SPEED AHEAD To the Editor:

We have in our district 50 so-called temporary portable classrooms sold to the district 4 years ago on the grounds that they were inexpensive, could be constructed quickly, and could be moved when the need arose. These temporary classrooms were advocated by an architect who was a member of the Board of Education at that time; it was because of his recommendation that the Board submitted the purchase of these rooms to referendum.

The present Board of Education feels that the time has arrived for the removal of these temporary classrooms to the Junior and Senior High Schools. This is not a whim of the Board, but a recommendation of the administration in order to keep the children in the secondary schools on single sessions.

Based on the McCormick report and evidence furnished by Dr. Lamb, the Board of Education submitted a referendum to the people of Hicksville last November to finance the moving of these rooms, which was overwhelmingly approved. This referendum was approved by the Education Department of the State of New York; Hawkins, Delafield and Wood, our bonding attorneys; and, by Sullivan and Corcoran, our school attorneys. If there was anything wrong with the legal aspects of this referendum, I am sure the Board would have been informed.

At this time we find ourselves involved in a suit to halt the moving of these rooms because this same architect claims that selling additional bonds to relocate and reconstruct the temporary classrooms is illegal. I feel certain that we will win this suit in time, at the expense of the taxpayers and the children of Hicksville in cash and in education.

The plaintiffs are people who have given much of their time to civic and educational projects, and have helped in the past to develop the high standards of education which we have in Hicksville today. I cannot believe that they are anxious to tear down what they have helped to build, by forcing the district to go on double sessions, which they know to be more expensive than single sessions.

Many people wonder why this suit is being brought against the dis-

trict, because even if this suit was won by the plaintiffs, the relocation cost would have to be borne out of budget funds, without state advance, which is not the most economical way to finance any large school project.

Then what is the motive? Revenge? Harassment? Delay? Publicity? Or is it fun at the expense of the education of the children of Hicksville?

I can assure the people of Hicksville that I will do everything in my power to bring this suit to a favorable conclusion in the shortest possible time. As one member of this board, I feel like Admiral Farragut at the Battle of Mobile Bay when he said "Damn the torpedoes, full speed ahead!"

### QUESTIONS! QUESTIONS!

To the Editor:

May I point out a minor inaccuracy in a page one article in the March 8th issue of the Herald. The gloomy forecast of the starting date for the railroad overpass was not mine, indeed further on in the story you so indicate, but that of a highly placed official in the State Department of Public Works. You do not state whether or not you checked the accuracy of my information with the Department. It would have been interesting to see whether the information given me was in any way contradicted by another official. I was told, incidentally, that public pressure is an important aspect of the present effort to get the overpass started.

A question: In what way has this project "moved ahead faster than any other"?

Commuters are pleased to hear that the LIRR and the Town government are "working . . . for better access facilities and parking." I have heard many of them wonder if something in the future surfacing of parking areas is contemplated and, perhaps, even snow removal as necessary?

May I also say that I am no longer the Democratic leader of Hicksville, having resigned to become Co-leader of the 4th Assembly District Democratic Organization. Mr. Edward Morris, 85 Arroyo Lane, was unanimously elected to take my place in Hicksville.

IRENE L. MURPHY

### CARD OF THANKS

We wish to thank the Jericho Fire Dept., its Board of Commissioners, its Auxiliary, all our local friends, neighbors, and associates for their kindness and consideration during our recent bereavement. It is deeply appreciated when it is needed most. Thank you, all.

## Operation VFW Amvets Alley

William Gouse Jr. Post Veterans of Foreign Wars  
By LOU PALLODINO

We have received word that a few towns are having a loyalty day parade on May 1st. As I understand it, this is to take some of the play away from the commies who use this day as a front for a workers parade. This is all very nice, but if too many towns have it, then there'll be a bunch of small groups. If they wish to run an affair of this type, wouldn't it be a good idea for county to decide which town, and each year go to a different place? This is only an opinion. Not being an intellectual, I couldn't say for sure. The only thing that is sure so far, is that we didn't commit ourselves as yet.

The last big snow we had was the cause of the ladies cancelling their meeting. It also held our crowd for the buffet to a minimum. We will give it another shot, and if it looks promising, and the membership is enjoying it then it's a good plan to continue. If the membership doesn't support it, then the only explanation is that they aren't interested, and it should be called off. The last one wasn't a fair test. The weather affected just about every business in town. So who are we to complain about the shortage of people.

Still have no idea what the nominating committee did about a slate for the coming year. By the next writing, it should be known. The committee consists of Lou Klein, George Walden, and Les Iehle, all of who are past commanders, and lived in seniority. There is no doubt that they will do as good a job as possible in picking the slate. Since there are extra weeks in between, makes it appear like such a long time between meetings but that will very soon be rectified.

We have a little bad news to relay. Two of our comrades have been hospitalized recently. Lou Klein is in Roslyn Heights Hospital and Joe Oliveri in St. Albans Naval Hospital. Drop them a card to cheer them up. We are sure they'll appreciate it.

Already there has been some talk about a meeting between the different Vet. orgs. in town for the memorial day affair. This seems like such an early date for the event. Especially when looking outside you see so much snow and freezing weather. Still, it isn't that far off, and time has a habit of fleeing by. Don't know yet who is to lead the parade this year, but you will be notified when we get the information. Anybody want to go for a swim?

Heard a rumor that we may get a New sign on Broadway. Boy that other one was really beat up in so short a space of time. How can those kids make a hole right through it so effectively? It has to be youngsters, because adults wouldn't do such a thing, at least I don't think so. What possible pleasure could a grownup get out of destroying a sign?

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
by Bob Sutton

Indianapolis (ALNS) heralding the 41st birthday of the American Legion, which is being celebrated Mar. 15 to 17. A special television feature film has been prepared by a major newsreel firm for distribution to its clients.

A Civil Defense invitation has been extended to all Legionnaires and Auxiliary units and friends to attend a meeting to be held at the Roger William Patterson Post hall, Mineola, Mar. 30 at 7:30 p.m. It is the first meeting of its kind to be held on L.I. The main topics for discussion at this meeting are Home Preparedness and Survival, so that all can be prepared in the event of a nuclear attack. The importance of preparedness will be shown in a film entitled "Flash Of Darkness."

Forwarded from the County Membership Officer to five members of the post for signing up at least 15 members prior to Nov. 11, 1959. Congratulations to Henry Brengel, Pete Sietz, Robert Hasel and Arthur Rutz.

Last report from our Entertainment Officer, Pete Muller, says the St. Pat's Dance is a sell out, and a good time should be had by all.

On Apr. 30, the County Sons of the Legion will hold their Annual Dance at the Hempstead Post. All profit from the proceeds is used to take the SAL on their annual summer trip. If you wish to attend this affair contact Bill Eggerman our SAL Chairman.

Spring must be right around the corner by the looks of the activity coming up. On Apr. 23 our own SAL will hold their First Annual Dance, May 1, the Annual Loyalty Day Parade in Massachusetts.

At this time would like to extend a welcome to another new member, James Cooper of 128 Lee Ave.

The Post would like to thank last column I asked all members if they would save all sorts of foreign and US stamps for veterans hospitals. I repeat that plea again. For every 100 you save me, I'll add 50 more. When we visit Farmingdale again I'll be able to bring some veteran a chance to start a hobby. Until next week then.

## Hold Science Fair At Burns Avenue

Burglar-proof safes, through the development of a molar cavity held the spotlight at Burns Ave. School, Hicksville, last week when fourth, fifth, and sixth grade students competed at the School's annual Science Fair.

More than one hundred parents attended the Fair which, according to Principal Frank E. Burke, was the first of what will be "an annual event which will provide an opportunity for scientifically-minded youngsters to come to understand the meaning of individual research and the problems involved in the development of a science project." Chairman of the event, Stuart S. Blummer, announced the following first place winners among the 50 displays:

Deborah Corlin, 4th grade, for her display on the metamorphosis of the frog and the butterfly.

Stephen Sanetti, 5th, for his completion of circuit through automatic multipole switches.

John Cronin, 6th, for his electrical workshop.

Each of the first place winners will be awarded a two week science workshop scholarship.

Runners-up, were: Brian Lafferty, with a telegraph and receiver set; John McDemott, with an electrical combination safer; and Carl Kosma, with an antinut brain display and analysis of the human brain.

The six winners will compete in the Nassau Science Fair next month.

All participants were presented with a certificate of award: Warren Alfano, Tommy Desillis, Stephen Garcia, Robert Larkin, David Myers, Raina Nitzberg, Bonnie Nuss, Ronnie Sanetti, Stephen Yocum, James Bodamer, Robert Braun, William Bress, Nancy Engelman, Anthony Esposito, Donald Falciner, Frank Gilbowski, Randa Globerman, Edward Guerrero, Joseph Ingino, Valerie Neidhardt, Richard Paul, Charles Parfrey, Andrew Roscablath, James Schuldlow, Robert Turoff, Michael Cavé, Carol Chapman, Sharon Faro, Michael Galdo, Noel Gish, Wayne Gorecy, Linda Gregory, Douglas Grover, Beuce Imhof, Alan Jerran, Alex Kaczor, Arleen Kefetz, Roni Lipton, Clifford Repperger, Anita Silver, David Soruggs.

Mr. Blummer, speaking for the two other judges, Harry Cressman, Noel Rudley, and himself, as well as Irvin Peckens, who handled audio and physical facilities, said, "The interest and imagination that the youngsters exhibited was very gratifying."

STUART S. BLUMNER, chairman of the first Annual Science Fair at the Burns Ave. School, Hicksville, stands beside the first and second prize winners. Left to right: Brian Lafferty, Stephen Sanetti, John Cronin, John McDemott, Carl Kosma, Deborah Corlin and Mrs. Blummer.

## Plan Card Party At Swan April 19

The Glen Cove-Hicksville League of Mercy Hospital met Thursday at the Brookville Country Club with Mrs. Harold Smith of Brookville, president, presiding. She announced plans for a gala card party to be held on April 19 at the Swan Club.

Mrs. Kelly Bakkassari of Hicksville is chairman of this affair with Mrs. Crowe of Glen Cove, her co-chairman. Mrs. Larry Wayne, assisted by Mrs. Patrick Caputo is in charge of gifts; Mrs. John DeMunaco assisted by Mrs. Julius Schwartz will take care of the ticket arrangements. Mrs. Vincent Brann will arrange for the basket of cheer to be awarded. Enthusiastic members have volunteered to help on all committees.

Mrs. Smith announced the names of the members to serve on the nomination committee for the coming year—they are: Mrs. T. Capengaro, chairman; Mrs. F. J. Noeth, Mrs. M. Geiweller, Mrs. G. Lynch and Mrs. H. Lehmann.

Mrs. Jos. Bean of Hicksville, as membership chairman has announced plans for a membership drive ending with a tea at Mac Arthur Hall at Mercy Hospital. Any one interested in becoming a member of the League may contact Mrs. Bean at WELLS 5-8413 or any member of

the League.

Mrs. James Bell chairman assisted by Mrs. Vincent Brann, are in charge of Hicksville's part in the car award to be held at the general League meeting at Mercy Hospital in May. Mrs. Hartigan of Glen Cove will take care of the part of the local League. This award is a combined effort on the part of all leagues to pledge their support to Mercy Hospital. Mrs. Bell announces that the Glen Cove-Hicksville pledge of \$100,000 will attempt to give the Hospital a new oxygen tank, including accessories.

The local League will meet again on Thurs. April 7th at the Brookville Country Club.

## Dutch Lane P.T.A. Sets Talent Night

The Dutch Lane P.T.A. takes great pleasure in announcing its presentation of the sixth annual Talent Night. It will be held on Saturday, March 26 at 8:15 p.m. in the school gym. This year's show is entitled "Once Upon a Medley."

Tickets are on sale at \$1. per person. Those wishing to purchase tickets call Mrs. Henry Taylor, WE 5-6512 or, Mrs. Albert Alexander, OV 1-3127.

No children will be admitted. Refreshments will be sold during intermission.

## Name Managers Honor Officials Of Two Leagues Saturday Night

Hicksville Babe Ruth and Connie Mack League Executive Committee wish to extend heartfelt congratulations to Eugene Schillinger of the Hicksville National Little League, for signing two new sponsors. These two sponsors, Belford & Bohiens Inc. and The Long Island National Bank of Hicksville, have made it possible to complete the Blue Division.

Eugene C. Burke, President of Hicksville Babe Ruth and Connie Mack League, named his managers at the last general membership meeting:

- CONNIE MACK:
  - Hicksville Republicans - Herb Wardwell
  - BABE RUTH: BLUE DIVISION
    - West Green Drugs - Fred Ruhe
    - Broadway Maintenance - Dick Griffin
    - Sutter Building - Harvey Holmes
    - Whiting and Whiting - Chuck Stewart
    - Long Island National Bank - Dick Muller
    - Belfor and Berhens - Reynolds McGinn

The league wishes to congratulate the merchants and business men who have sponsored for the 1966 season. It is this civic-mindedness that helps make our efforts to progress a baseball program much easier.

A further reminder for all 14 and 15-year old boys to come to Whiting and Whiting and register for this season's play.

Mr. and Mrs. John Sholl of Lee Ave. Hicksville announced the arrival of their first child, Peter John, on Friday March 8. Mrs. Sholl is the former Mrs. Lorraine Burns daughter of Mr. and Mrs. Thomas Burns of North Drive, Hicksville. Mr. Sholl is well known in Hicksville Boy Scout.

Four Republicans officials will be honored by their fellow members from the Ernest F. Franke Republican Club of Hicksville at the organization's third annual dinner-dance this Saturday night, March 19, at the Old Country Manor.

County Clerk Francis Anderson, District Court Judge Francis Donovan, Oyster Bay Town Councilman Henry McInnes and Jones Fund Trustee LeRoy Wells will share the spotlight.

The event is a virtual sell-out with 330 tickets already having been sold. Preparations have been under the chairmanship of Julius Schwartz, County Executive A. Holly Patterson, Oyster Bay Town Republican Leader Thomas Pynchon, County GOP chairman William Metzger and other notables are expected to attend.

man estimated that the loss in building, equipment, stock and the property of 11 tenants in the building would amount to about \$300,000.

In the printing plant which occupied 31,000 square feet on the first floor, extending out to the rear, the fire wrecked a linotype machine, four letter presses, two large off-set presses, a big camera for offset plates, making a supplemental equipment; full binder department and heavy paper cutter.

Mr. Mittleman is owner of both the printing plant, Nassau Press, Inc., and the building held under the firm name of Carey, Inc.

## Breaking Ground For Church Bldg.

The Rev. Richard K. Muck, pastor of St. Stephen's Lutheran Church at Broadway and Fourth St., Hicksville, announce that a service of Ground-Breaking will be held this Sunday afternoon, March 20, at 3 p.m. for the Ernest F. Francke Memorial Educational Building.

The principal speaker for the afternoon will be the Rev. Herbert Gibney, president of the Nassau-Suffolk Conference of the New York and New England Synod of the United Lutheran Church in America, as well as pastor of the Epiphany Lutheran Church, Hempstead.

### TO COST \$185,000

The building will be erected and ready for occupancy by Sept. 30 of this year under the contract with Arthur Fairfield Associates, Inc., Hicksville, who submitted the low bid of \$185,000.

The building is the realization of a long standing dream of the congregation now having Church School for 600 children in three Sunday morning sessions and spread out into two residential type buildings in the neighborhood.

John Stedman of Oyster Bay, architect, has designed a two-story classroom and recreational building, in contemporary design of glass and aluminum curtain wall with brick ends.

The building is named in memory of Ernest F. Francke who for many years was an active member of St. Stephen's, as well as holding many

positions of responsibility in Nassau County Government. At the time of his death last July, Mr. Francke was Nassau County Clerk.

His wife, Pearl Francke, will assist Pastor Muck in breaking the ground along with representatives from all the auxiliaries of the church.

## 109 Donate Blood Thru Red Cross

One hundred and nine pints of blood were given by Hicksville residents exclusive of what was given at two commercial plants, Certz Department Store and the American Legion. Many gave elsewhere, some through their churches and others at hospitals to replace blood used by patients.

The monthly meeting of the Hicksville Red Cross was held at 18 Walters Avenue, the home of Mrs. Walter E. Mörch, treasurer of the Fund Drive. She reported that contributions were beginning to come in. She reminds all those to whom letters went in the mail, to get their contributions in. Red Cross month is already at the mid-point. Remember — GOOD THINGS HAPPEN WHEN YOU GIVE!

## Child Christened

The infant daughter of Mr. and Mrs. Ed Svensson of 18 Frances La., Hicksville, was christened at St. Ignatius Loyola R.C. Church Sunday afternoon, March 13. She was

baptized Kristine Maria. Rev. Lawrence Ballweg administered the sacrament. An aunt and uncle, Mr. and Mrs. Charles Patricola were the Godparents.

A reception for relatives and friends followed at the Svensson home.
