THE TOWN sanitation dept will make special pick-ups from householders in the Mid Island area (south of Jericho Tpke., north of Hempstead Tpke.) during the coming week of Mar. 28, if residents call WALnut 1-0893 and arrange for a pickup. Councilman Louis A. Siza, at right, is directing the annual town spring clean-up, and explains the details of the operation to Town Supervisor John J. Burns and Councilman Majorie R. Post. Mid-Island fire departments urge all residents to cooperate in the Spring Clean-Up and get rid of unwanted and useless items. See "Fire Horn" in this issue.

BREAKING GROUND for the Ernest F. Francke Memorial Education Building of St. Stephen's Evangelical Lutheran Church at Broadway and Fourth St., Hicksville, took place at a special service Sunday afternoon. Mrs. Pearl Francke is shown turning the first spade of earth. At the left is Rev. Richard Muck, pastor of St. Stephens. Rev. Herbert Gibney, president of the Nassau-Suffolk Conference of the New York and New England Synod of the United Lutheran Church in America, at right, was principal speaker. A large group of parishioners and friends attended the service. (Herald photo by Gos Hansen.)

Bookmobile In Library Budget To Cost \$42,200, Up Tax 4.5¢

The Board of Trustees of the Hicksville Public Library has voted to include a bookmobile in the proposed budget for 1960-61, it was announced this week.

This was decided after two separate surveys of the borrowing public indicated that a substantial number of people of School District No. 17 living on the fringe areas were not, for one reason or another, taking full advantage of their facilities, a library spokesman stated. "A bookmobile is devised to reach and serve these families; a great many of whom have indicated that a lack of transportation during the day was the main reason they could not use the library very often. Wide and busy highways are a particularly important deterrent to young children using the library." A bookmobile designed for a 3,000 volume capacity can effectively furnish housewives, shut-ins and children with the books they need. The bookmobile has been employed with notable success by several of the neighboring communities and the Board of Trustees strongly feel it would be a useful and inexpensive adjunct to library services in Hicksville.

The cost for the first year is estimated at \$42,200.00. This includes the price of the vehicle, books, personnel, maintenance and insurance. It will add about 4½¢ to the li-

brary tax rate, in 1960-61. This means the bookmobile will cost each family about \$1.80 in 1960-61, according to the library official. After this year it will be much less as the price of the vehicle, about \$20,000, will not be included in future budgets.

Fatal Collision On Jerusalem Ave.

Norman E. Davies, 27 of 17 Turner Lane, Levittown, was the victim in a fatal auto collision on Jerusalem Ave. at Walnut Lane, Hicksville, Saturday night, shortly after acting as best man at his sister's wedding. A passenger in a car driven by Arthur Unge, 26, of 285 Ninth St., Bethpage, Davies was thrown through the windshield in the collision.

Another passenger, Frank Beechiner, 61 of Flushing, Dolbert Bayer, 46, of 432 Division Ave., Hicksville, driver of the other car, and Unge suffered minor cuts and bruises.

Davies was best man and his wife, Lila, matron of honor, at the wedding of Mr. Davies's sister, June, to William Maughton at Holy Trinity Episcopal Church, Hicksville. The fatal collision occurred at about 9 o'clock at night.

Harry H. Goebel and Emil J. Szendy, former attorney and former school board president, respectively, this week called upon the Hicksville Board of Education to advance the date of the preliminary budget hearing and to submit "controversial budgetary items" to several vote as individual propositions on May 4.

The School Board has already set April 22 as the date for a public discussion of the Budget which comes up for vote on May 4 at the annual election.

Goebel is attorney for Szendy and nine other taxpayers who have brought in a law suit challenging the school expansion and construction program approved by voters on Nov. 19. Their joint letter to Allen S. Carpenter, School Board president, with a copy released to the press describes as "controversial the item of Recreation. The School Recreation program has been a favorite target of Szendy's at annual budget discussion in the past.

The letter closes with the warning note: "We accordingly, therefore, urge that you do not risk jeopardizing the fiscal responsibility of the District by leaving to chance the adoption or rejection of the Budget."

The budget has been tentatively adopted by the School Board and copies are now being printed for distribution to over 12,500 households in the community by mail.

To Show Fashions

The Women's Society of Christian Service of the Hicksville Methodist Church, Old Country Rd., Hicksville, will hold a fashion show in the church gymnasium on Thursday evening, Mar. 31, at 8 p.m. The Spring fashions will be shown through the courtesy of Gertz Dept. Store, Hicksville.

Dear Jean:

Get well wishes to all our friends and neighbors who have been ill during the past weeks. There has been so many that we have heard of that by mentioning names, we feel we might overlook some of them. So to all, our best wishes for a speedy recovery. . . . Our sincere sympathy to WALTER BLUST and family of Sunnyside Rd., Hicksville, on the recent death of his mother. . . . We hear that GEORGE SCOFFIELD, son of Mr. and Mrs. Geo. Scofield of Sleepy Lane is home from school with the measles. Get well soon, George, all the boys miss you. . . . Got a very nice call from HAROLD ZELTMANN of Lenox Ave., who tells us he had an occasion to visit Queen of the Rosary Academy and Convent in Amityville earlier this week and Mother Adelaide, sub-principal at the Convent was on hand to greet him. Mother wants to be remembered to all her many friends in Hicksville. (Mother was principal of St. Ignatius until her move to Amityville). Harold tells us that she knows more about Hicksville than he does. She receives the HERALD each week and really enjoys it, keeping up with her old friends.

Should see the beautiful silver service which will be the main prize at the coming Spring Desert-Card Party being sponsored by the Glen Cove-Hicksville Martyr League to be held at the Swan Club on Tuesday, April 19th. It's really grand, you'll just want to have a tea party if you win it. All the members of the League will have tickets for the affair within the week. . . . A tip of our Easter bonnet to FRED WALTERS of Walters Liquor Shop who this week presented us with his hand-made Christmas wreath. It has caused so much comment by those who have had the occasion to see it hanging in his newly decorated establishment, that he decided to take it down and let someone else have the pleasure of seeing it. Therefore, next Christmas, it will grace the wall of the HERALD office.

Folks whose homes border on Wantagh State Parkway will probably be pleased to know that the State is erecting 99,000 lineal feet of 4-foot high aluminum chain link fencing at various locations. . . . Hicksville Theatre was emptied of patrons Saturday night when a bomb was reported and a search made. And we thought bomb scares were limited to school buildings. . . . WILLIAM E. KOUTENSKY, president of L. I. National Bank, is carrying a painfully sore shoulder as the result of a heavy fall on the ice out in Plainview. . . . Continuing our check of Hicksville, Ohio, weather we find the temperature dropped to six below zero on March 8. . . . An interesting booklet, "The Creation of Nassau County" has just been published and reveals the fact (page 25) that Hicksville was considered as the site for the seat of Nassau County Government back in 1899. Also considered were Mineola (which eventually got it) and Hempstead. You can get a copy of the book by writing County Executive A. HOLLY PATTERSON, Courthouse, Mineola.

Got our first report of the spring robin being seen last week by Mrs. JULIUS SCHWARTZ, on the lawn of her home on Sixth St. . . . Glad to hear that Mrs. MARGARET HERGENS, and son, Donald, as well as Arthur North, all of Twinalane Ave., are up and around again after serious bouts with those ole devils, virus and the flu. Hope Spring really gets here so we can get rid of some of this sickness going around. . . . Glad to see DOC WYCOFF and his wife of Old Country Rd., home again after their recent vacation in Florida. . . . Sorry to hear that Mrs. FRANCIS X. DEVINE of Seymour Lane, has been on the sick list. Hope by this writing, she is up and around again. . . . Our best wishes to Miss EILEEN M. MCKEON, daughter of Mr. and Mrs. William McKee of Hicksville, on her recent engagement to RONALD A. ECHTER, son of Mr. and Mrs. Raymond Fichter of Hicksville.

Guess who got an overtime parking ticket? BILL ALONGE, the fellow who tends the parking meters in town. . . . The truck action in Albany this week on the Bank Bldg, permitting New York banks to open branches in Nassau, was a topic of conversation on all sides, Tuesday. . . . If the news item you submitted did not solve this issue, please forgive us. Conditions sometimes arise beyond our control.

Conlans Note 50th Anniversary

Mr. and Mrs. Edward J. Conlan, now residents of Mattituck, Long Island, but for many years living in Hicksville, are celebrating their 50th wedding anniversary by making a trip through the South visiting points of interest, friends and relatives in Kentucky and West Virginia.

Both are well known to the older residents of Hicksville, Mrs. Conlan having been active in the Red Cross, Home Bureau and other women's activities and Mr. Conlan having been an active member of the Comfort Committee, which sent packages to the service men from Hicksville during the last war. He was also in charge of the wartime Nation Board for the Town of Oyster Bay, active in the affairs of Manetto Lodge of Masons and was Patron of Emerea Chapter of the Eastern Star for six years and also District Grand Lecturer of that Order for the District of Nassau in 1948. He was responsible for bringing to Hicksville and building the Glassfloss plant on New South Road and also the Keystone Glass Mfg. Co. on Duffy Ave., being President of the latter concern until 1946, at which time he resigned and formed his own company, the Conlan Glass Works, Inc. at 10 Bethpage Road, Hicksville, which he still operates.

The couple have one daughter, Mrs. Charles Steadman, and three grandchildren, Pamela, Gregory and Robin Steadman, all residents of Mattituck, where Mrs. Steadman is a member of the faculty of Mattituck High School and also in charge of the Girl Scouts.

Brandt Elected In Florida City

John R. (Doc) Brandt, former Oyster Bay Town Highway Superintendent and Hicksville resident, won a smashing victory in the Boca Raton City Commission election in that Florida city last month. Dr. Joseph Wycoff of Hicksville, just luck from the south, provided the Mid-Island HERALD with a copy of the Boca Raton News of Feb. 18 which featured the election results and a picture of Brandt on the front page.

The Boca Raton News reported that Brandt and Courtney C. Boone were elected in a "decisive victory" for two-year terms. Boone led the four candidates with 972 votes and "if custom is followed will be elected mayor when the City Commission reorganizes, probably early in March."

Brandt was close behind Boone with 920 votes and has become Vice Mayor of the City.

Quick Round Trip To Miami by Jet

John DeMonaco of Fifth Ave., Hicksville, representing Eisenmann Motors of Hicksville — Volco dealers, flew by Jet, Thursday, to spend the week-end with a group of VOLCO dealers at Miami. While there, Mr. DeMonaco met Mr. and Mrs. Patrick Caputo who are vacationing in Hollywood and with them, took in the Frank Sinatra show at Fountainbleu Hotel.

Mr. DeMonaco arrived home in Hicksville on Monday morning, in time for work.

ELIZABETH SABATELLA, daughter of Mr. and Mrs. D. Sabatella, 9 Gull Road, Hicksville, has been named to the Dean's List for high scholarship at the State University College of Education. Inclusion on the Dean's List requires a scholastic average of B or better.

Help Wanted—Girl Scout Fathers

Girl Scout Week is over; the Cookies are sold; March 20th was the First Day of Spring; the next step is CAMP.

Volunteer Fathers are needed to help put Camp Edey in ship shape order and to build three new tent platforms to increase the capacity of the Girl Scout Camp. Tent platforms, equipment cabinets, and wash stands need to be painted. Areas need to be cleaned, fireplaces to be erected, boats repaired and painted, brush cleared, and heavy wood cut; flooring is to be covered in the Main House, and wood preservative to be applied on the Trading Post, Dining Hall, Infirmary, and Shower House. The Girl Scouts need the help of their own Volunteer Fathers, not professional painters, carpenters, or builders just willing and able to help out.

Call the Camp Chairman in your own District—perhaps a neighbor is going out and a car pool could be arranged. The Camp Chairman is Gloria Rennie at WE 1-7710.

Thanks Auxiliary For Fire Service

At the regular meeting of the Ladies Auxiliary of the Hicksville Fire Dept. on Tuesday, March 15, President Rita Schlosser thanked all the ladies who helped serve coffee and sandwiches to the firemen at the scene of the John Street fire on Sunday, March 13.

Further plans were made for the Luncheon to be held at the Marie Street Firehouse on Saturday, April 30 at 1:00 p.m. Anyone desiring tickets for this affair can contact Mrs. Dorothy McMahon — WE 5-1430 or Mrs. Ruth Donner — WE 5-7941. The cost of the tickets is \$1.25 for adults and 50 cents for children under 12 years of age. Beside a delicious lunch there will also be a drawing for a door prize.

Dr. and Mrs. Lowell Glatt of 32 Salem Rd., Hicksville, became the parents of a daughter, Alanna, born Sunday, March 20, at Glen Cove Community Hospital. Dr. and Mrs. Glatt also have a son, Bruce.

Christian Mothers Meet on Mar. 28

The St. Ignatius Auxiliary of Christian Mothers will meet Monday evening, March 28, at 8:15 in the school auditorium.

Program chairlady, Mrs. Joan Stenson has arranged for a representative of the Winston Agency to visit the group. The topic is Interior — Decorating. Members are asked to come equipped with all decorating questions.

Mrs. Mary Warren will have tickets available for the Communion Luncheon and Fashion Show to take place at the Old Country Manor on April 23. Tickets are \$2.85 and must be purchased by April 14.

Sister Wendelin Marie O.P. will gladly accept any Triple-S-Blue Stamps you may have. These, of course, as you know are being used to help furnish the New Novitiate in Annyville.

A son, Joseph Patrick, was born to Mr. and Mrs. Martin Polenski of 32 Spindle Road, Hicksville, on March 13, at Mercy Hospital.

Ball Tickets Moving Fast

John C. Dowling, General Chairman of Our Lady of Mercy Holy Name Society's First Annual Education Fund Ball, today announced that Reservation Chairman John A. Dennis has submitted a report showing that the affair is 90 percent sold out as of Sunday, March 13.

The Ball will be held Friday evening, April 29 at the Huntington Town House on Jericho Tpke. approximately 5 miles east from the intersection of the Turnpike with South Oyster Bay Road.

Dowling also announced the appointment of Hank Behr as Arrangements Chairman for the evening of the Ball. Mr. Behr will be in charge of floor arrangements including the raffle to be held for a special prize to be awarded that evening. The gift is being obtained by John Fagan. Music for the Ball will be furnished by Don Florence and his orchestra.

HENRY M. CURRAN, Oyster Bay Town Clerk who has been designated as the Republican candidate for State Senator to fill the unexpired term of Geneseta M. Strong, was in Albany this week conferring with state officials. In the State Capital he conferred on legislative procedure with Lieutenant Governor Malcolm Wilson.

Big Drive for Jericho Library Vote in May

Few Attend Open Meeting

A variety of community problems, were discussed at an open meeting of the Board of Directors last Friday evening at the Robert Jackson School. Except for the Editors of the WEST BIRCHWOOD NEWS, and the wife of one of the officers, only two other members Dr. Larry Marder and Mr. Ben Wernikoff, turned out for this, the first open Board of Directors meeting.

Among the highlights of the session was a unanimous vote to support the establishment of a public library for Jericho School District. It was made clear that the Board reserves the right to approve or disapprove the cost and location of the proposed library when such information becomes available.

Dr. Ed Greenberg reported that the Community Welfare Committee suggested that the Board of Directors undertake the preparation of a homeowners guide to house maintenance to be distributed to all Association members. A motion to prepare such a manual was tabled pending further investigation of the topics to be included in such a manual and the cost of preparation.

President David Serko stated that a representative of the "Hi Neighbor" program offered to help enroll members for the Association. A motion was made to refuse such aid, and was passed.

Irving Reinhardt said that the Block Captain Committee was about ready to function. A questionnaire to be used by the Block Captains in obtaining information has been prepared. A motion that this questionnaire be submitted to the Board for approval was defeated.

Elliott Sheftman reported that the papers necessary to incorporate the Association had been prepared and were ready for signature and filing.

Irving Reinhardt reported that the Education Committee was very concerned about the Long Island Expressway overpass which the school children would use going to the Robert Seaman School. Information was received that this overpass would not include the Marginal road. A motion that the Board of Directors go on written record in favor of an overpass which would include the Marginal road was made on a suggestion of David Serko and was passed.

A vote of thanks was given to the Education Committee and the WEST BIRCHWOOD NEWS for their work in connection with the Cantiague School vote.

The problem of rusty hot water (apparently attributable to faulty hot-water heaters) in several sections of West Birchwood was discussed. A motion, made by Howard Cole that the Builders Committee discuss this problem with the Builder, was passed.

Have You Rusty Water Problem?

A large number of complaints have been received about rusty hot water, apparently attributable to faulty hot water heaters. It is suggested that anyone with this problem do the following:

(1.) Notify: The builder, the plumbing contractor, and the manufacturer of the hot water heater in writing.

(2.) Notify Leon Schaefer of the Community Welfare Committee at OV 1-0678.

Friends of the Jericho Library, a newly formed organization of residents from the various Jericho communities, is planning an intensive campaign to obtain voter approval of a public library for School District 15 at the annual budget meeting the first Tuesday in May.

The idea of a library has received unanimous approval from the boards of Directors of West Jericho and Jericho Park Civic Associations. The School Board, at its last meeting on March 17th, gave Mrs. Leonore Sirota, chairman of the group, a sympathetic hearing when she presented the motion.

Representing three communities in Jericho, the Friends of the Jericho Library met Monday night at Mrs. Sirota's residence 20 Merry Lane, and elected Daniel Lazare, 27 Craig St., co-chairman and Mrs. Bernice Visor, 117 Dewey St., Oakwood, secretary. In order to make the group more representative of all Jericho communities efforts will be made to get members from other Jericho areas.

Mrs. Sirota outlined the procedure which is recommended for eventually having a library in operation:

1. A petition bearing signatures of 25 residents of School District 15 and requesting a vote by taxpayers on whether there shall be a library will be presented to the School Board. This is now being done and contingent upon acceptance of the petition by the Board the said question will be voted on by taxpayers

at the annual budget meeting the first Tuesday in May.

2. The nomination of a minimum of five candidates for the position of library trustee. Each nomination must be accompanied by a petition of 25 signatures and be submitted to the School Board no later than April 15th. Subject to voter approval of the library the election of five library trustees will take place at the same budget meeting. Trustees will serve from one to five years with a new trustee being elected every year.

3. The newly elected trustees will then proceed to investigate the actual cost and location of the proposed library.

4. The budget for the creation and maintenance of the library will then be presented to the taxpayers of School District 15 for approval or disapproval. If approved, the actual physical creation of the library will begin.

Other members of the Friends of the Jericho Library who attended the meeting were: Beatrice Felder, Justine Mehlman, Molly Pallone, Murray Kahne, Lotte Stein, Larry Keavey, Seymour Berkman and Evelyn Lemberg.

How Plainview Operates Its Library

(Note: The following presentation of the Plainview Library operation is based on a population factor of 27,000. The present population of Jericho School District 15 is 8732. This figure was obtained from the Nassau County Planning Commission and is based on a census taken in the fall of 1959.)

I. Who supports the library?

The library is supported by the taxpayers of Central School District 4, which includes the communities of Old Bethpage and Plainview.

II. How did the library come into being?

Pursuant to a petition of qualified voters of former Union Free School District 19, the Board of Education of Union Free School District 19 scheduled a referendum on the question of creating a tax-supported public library. On April 23 1955, the voters approved the creation of the library, and on May 4, 1955 an election was held for five trustees. The effect of the consolidation of former Union Free School District 19 and former Common School District 20 (Old Bethpage) was to extend library service to former Common School District 20, when the voters of both school districts approved centralization, this had the effect of making the library available to all residents of Central School District 4.

III. Who is responsible for the operation of the library?

The Board of Library Trustees, composed of five members, one of whom is elected yearly for a term of five years. The trustees are responsible to the voters. The trustees select a library director, who has the same relationship to the Board as does the school superintendent to the Board of Education.

IV. How much does it cost to operate the library?

The budget for fiscal year 1959-60 is \$86,789.88, of which \$79,346.75 will be derived from taxes. The tax rate for the library is \$1.16 per \$100 of assessed valuation; the owner

of a house assessed at \$5000 pays \$8.00 per year to support the public library. A new budget will be voted on as a separate item at the annual school district meeting in May, 1960.

V. How many books does the library have?

As of Sept. 30, 1959, the library had 27,278 books. About 600 books per month are added to the collection; by July 1, 1960, the library will have about 32,000 books. About 65% of the collection is non-fiction. The yearly book budget since 1955 has been \$18,000.

VI. How many borrowers does the library have?

On Sept. 30, 1959, there were 19,227 registered borrowers; 7,041 were adults, 5,188 were children. Slightly more than 50% of the 24,000 people in Central School District 4 have library cards. Each week 40 to 50 new borrowers sign up.

VII. How well is the library used?

At the close of its first year of operations in December, 1955, 7,014 books had been borrowed from the library. Figures for subsequent 12 month periods are: December 31, 1957—95,000; December 31, 1958—140,000; December 31, 1959—174,000 (est.).

VIII. How large is the library staff?

The staff consists of two professional librarians (the director and the children's librarian); five full-time clerks, four part-time clerks, and other assisting personnel.

IX. What are some of the library's services?

Reference and advisory services are provided for children and adults. Special bibliographies and booklets are compiled for distribution to community organizations, teachers, and administrators of reading and guidance programs in Central School District 4. Display facilities are available on request. For pre-school children, the library conducts story hours. A reading club for older children is conducted as part of the library's summer program. For adults, the library sponsors a Modern Literature Discussion Group, and three Great Books groups.

Expressway Overpass Completion In June: Service Roads Later

A reliable source has informed the WEST BIRCHWOOD NEWS that the expressway overpass connecting our community with Princeton Park will not extend over the service roads and will accommodate only pedestrians and bicyclists.

The NEWS has also learned that contracts for the construction of the Service roads on both sides of the Expressway have not been let by the State of New York Dept. of Public Works. This means that the problem of through vehicular traffic at these points will be postponed for perhaps one year after the overpass is built.

The ramps are scheduled to be in place by the middle of June. Sentiment among residents of West Birchwood as reflected by the action of the Board of Directors is for extending the ramps over the service roads so as to minimize traffic danger to school children.

A bill now in the legislative hopper in Albany would permit the local school districts to finance the cost of overpass construction. This bill, introduced by Senator Hughes as SI 2305, is now in its third reading at Albany.

Block Captains to Survey Problems Of Residents After Apr. 1 Meeting

Final plans for the establishment of the West Birchwood block captain organization will be made at a meeting Friday night, April 1st at 8:45 at the home of Irving Reinhardt, 4 Saratoga Drive.

Reinhardt told the WEST BIRCHWOOD NEWS that the entire community would be surveyed by block captains in order to determine the needs and problems of residents in relation to the Civic Assoc.

Said Reinhardt: "The survey will begin shortly after the organizing meeting. I feel that an effective liaison between the Civic Association and our residents will be developed so that any problems can be channeled to the proper committees."

"We need volunteers from the fol-

lowing streets: Roc Road, Tompkins, Clinton Orange (2), St. Lawrence."

Present block captains are: Warren, Hal Marlow; Ulster, Sam Gottlieb; Sullivan, Clara Flamm and Ronnie Albin; Richmond, Leon Silverberg and Ben Wernikoff; Schuyler, Herb Rosenbaum; Craig, Daniel Lazare and Gloria Zimmerman; Yates, Sanford Kinberg; Tomkins, Esther Leslie.

Boy Scout Troop No. 129 anxious to form a West Birchwood Patrol. Those interested notify Mat Hayflick WE 8-8883, Patrol Leader. Boys eleven years of age and older, please attend the next meeting, April 7, at 7:30 p.m. at the Jackson School in East Birchwood.

Explains Position Of Highway Dept.

Dr. Greenberg
Rockland and Orange Streets
Birchwood at Jericho,
Jericho, Long Island, New York
Dear Doctor Greenberg:

Confirming our conversation of this morning, please be advised that thorough studies of the pavement sidewalk and driveway apron conditions in West Birchwood are now being made so that no acceptance or dedication of these streets by the Town of Oyster Bay will be permitted until such time as the defects have been corrected by the builder.

I realize the desire on the part of the resident of West Birchwood to accelerate the acceptance of these streets so that they may avail themselves of street lighting, Police protection and general highway maintenance. Realizing this, I will bend every effort to see that the work is properly completed at the earliest possible date and toward this end, I have contacted the Nassau County Planning Commission so that a series of early inspections may be made. In the meantime, the Highway Department will continue to plow snow wherever houses are occupied prior to such dedication.

Very truly yours,
THOMAS R. PYNCHON
Superintendent of Highways
Town of Oyster Bay

Committee Comments

EDUCATION COMMITTEE met at home of Dorothy Ringlor on March 10, 1960. Jane Schreiber was selected to head sub-committee to study proposed budget for 61-62 school year. Laurence Elowsky was appointed a delegate to the county-wide education committee composed of many areas of the Jericho School District to correlate all problems and actions relative to the schools.

The next meeting will be at the home of Bernard Monkarab, 8 Orange Drive-April 8th. New members are: Dr. Durward, Guy II, Mr. and Mrs. Kavetta and Seymour Beckman.

TAXATION-ZONING COMMITTEE, Sam Gordon, co-chairman prepared a "tax tips" article which appeared in a recent edition of the WEST BIRCHWOOD NEWS. Elliot Sheftman, Co-chairman, advised the Association's Board of Directors that some homes in the westerly portion of the development appear to be in the Hicksville Fire District.

The committee has obtained copies of the Town of Oyster Bay Building Zoning Regulations which contains construction, set-back and fencing regulations for our area. These regulations are available for examination by association members. The next meeting of the Committee is soliciting additional members to assist in its important work.

YOUTH COMMITTEE meeting called by Dave Serko to organize this committee brought a completely positive response from parents in West Birchwood.

PUBLICATIONS COMMITTEE met on March 20th at the home of Seymour Berkman on Yates Lane. Mr. Berkman was unanimously elected chairman and editor-in-chief of WEST-BIRCHWOOD NEWS MEMBERSHIP COMMITTEE

In response to a statement made at the last Board of Directors meeting concerning the activity of the Membership Committee, the record shows that the present membership stands at 186 families. Prior to the first open meeting of the Civic Association on March 14, 1959, there were 13 paid up members. The record shows that 51 families joined the night of the meeting and since that date the membership committee has signed up 122 families.

Amazing Credit Card Plan Brings Home Services Round The Clock

One Statement One Check Every Service

Enjoy the convenience of one monthly statement for every household service - from Air Conditioning to Window Cleaning.

In these times of rising costs it's important to keep track of the budget, to know where and how your dollars are being spent.

And as a CHC member you know that your buying power, combined with that of your neighbors, is earning you special low prices on the highest quality services.

CHC makes it possible for you to band together with other homeowners in this area for your mutual protection. Serving as a clearing house, CHC recruits the sort of quality services you want, routes them to you fast, polices their activities, consolidates all their services into one super-service, for which you never pay cash - just the one itemized statement.

Charter membership for your first year is just \$10 . . . and then \$5 for each subsequent year . . . a token payment you'll save over and over again.

Responsibility is CHC's business. What originated as a trend has established itself into a large permanent industry because it performs several important time and money-saving functions you couldn't and wouldn't want to do yourself.

Probably one of the most valuable of these is the establishment of instant credit for any maintenance, emergency or household service you require. Show your CHC card and sign the bill. That's all.

That's why the CHC membership card is considered the "passport to suburban convenience," by so many of your neighbors.

New Freedom From Worry For Long Island Wives

No need to keep large quantities of cash at home to pay for household services.

No need to write checks for each household bill.

No need to worry about emergency repairs.

No need to hunt for reliable servicemen.

Let CHC take over all the nuisance chores and bring you real peace of mind whether the head of the household is home - or not.

COMFORT INSURANCE

In a very real sense your CHC membership is "comfort insurance" - yours to use whenever you please, as often as you please; secure in the knowledge that come what may, CHC will take every step to assure rapid, expert service at fair prices that will save you enough to repay the small an-

nual "premium" many times over.

CHC is a real lifesaver even if both parents are away. Baby sitters have phoned the CHC number for emergency services and have had the same quick, courteous response you would receive. Result - emergency solved and the folks' night out remained unspoiled.

CHC is useful so many ways - don't delay. Don't deny yourself its coverage. Join CHC today.

War Declared On Price Padders; Gyps, Deals, Swindles Are Out!

Consolidated Homeowners Club, Inc., has declared war on unethical, dishonest servicemen. Every CHC-endorsed contractor, dealer or serviceman is carefully screened for fair pricing practices, excellence of workmanship and speed of service.

Long Island homeowners agree that CHC membership is the one effective safeguard against servicemen who build big bills, operate shady deals, and generally are out to swindle local families.

The "fast buck" boys will never find their way into the homes of CHC members. If CHC members rely on this phone number - OV 1-8060 for all their household services.

All CHC-endorsed servicemen have signed agreements pledging themselves to the maintenance of the CHC Code of Ethical Performance. How could you, as an individual, guarantee such performance? The answer is simple - you can't . . . so why not join CHC and be sure of your safety.

Fast, Reliable Service As Close As Telephone

No more exasperating phone calls to dozens of repairmen . . . no more frantic rushing around to find reliable maintenance men . . . no more depending on neighbors to recommend trustworthy servicemen . . .

"Do you know a good dry cleaner who'll be careful with my drapes?"

"Who can mend my oxblood vase?"

"Where can I rent some chairs for the lawn party?"

"How do I get the dishwasher fixed in time for the party?"

These are just a few of the questions we hear at CHC everyday. In every case, the answer brings a dependable, low cost, guaranteed satisfactory solution.

That's how CHC members avoid aggravation, disappointments and hours of fruitless search. One phone call to OV 1-8060 and your every household maintenance worry is gone.

CHC maintains a courteous staff standing by to answer your calls 24 hours a day, 7 days a week, with a corps of experts ready to serve your needs.

And without exaggeration, the needs are tremendous! Look about you and add up all the services you've used in the past few months . . . and you'll soon agree that CHC was born of a definite need.

Now that CHC is here to take over your load of responsibility why not use it to your advantage?!

Consolidated Homeowners Club, Inc. has come to Nassau's North Shore. You've heard about this plan on radio and TV; read about it in newspapers and magazines. Now IT'S HERE! - giving you new peace of mind through the CHC.

PROBLEMS ARE OVER

As every homeowner knows, no matter how fine the construction of your home, there's a seemingly endless parade of repairs and maintenance services necessary. Pipes leak. Glass breaks. Doors jam. Appliances go haywire. Gardens need replanting. Linoleum curls. Slip covers wear out. The list is endless.

And when you add such normal household services as laundry, dry cleaning, piano tuning, lamp repairs you wonder how you ever managed to keep track of all your servicemen and bills.

Now CHC brings them all (SEE THE LIST ON PAGE 4) with one phone call . . . reliable, proven, trusted service people. Throw away the yellow pages directories. You'll never have to depend on hit or miss choosing of servicemen again.

All CHC-endorsed servicemen, dealers and contractors are pledged to uphold CHC standards of service, fair charging practices and guarantees of workmanship . . . your assurance that every service will be rendered fairly and to the very best ability of the serviceman.

24-HOUR SERVICE

Your call to CHC for ANY service receives a response within 24 hours. Naturally, emergencies are rendered almost immediately. Imagine the convenience of phoning one number and being assured of a prompt, reliable response.

NO CASH

Use your CHC membership card for fast credit. Traveling husbands needn't worry about household maintenance while they are on the road. Just leave the CHC card with the wife. All services will be rendered at once and the one, small, consolidated statement will be received at the end of the month. What wonderful peace of mind! What a boon to the budget minded!

No wonder Long Island Homeowners bless the day they joined CHC. See page 4 for your easy-to-use application blank. Use it now.

CHC MEMBERSHIP SAVES \$\$\$

Just \$10 first year's membership (\$5 each subsequent year) brings you the widest range of money-saving services. Time after time your CHC Membership will assure you lower prices on more reliable services . . . PLUS A HOST OF "SPECIALS" as shown on page 8. Be smart! Start saving today, the CHC way.

Question: What in your opinion is the main reason for joining the CHC?

Murray Klein
Hedgerow Lane
Jericho, N. Y.

I appreciate the convenience of a single statement at the end of the month; and the immediate credit extended to me by so wide a range of services.

Mrs. Jack Brown

Merrick Ave.
Merrick, N. Y.

I think that every woman will want CHC membership because of the great convenience of having one telephone number to call for every household and emergency service.

Diner's Club, American Express, Esso, but this one for CHC services is my wife's favorite credit card.

A WORD to the WIVES

Bob is at his desk signing up the big client. The phone rings. "Bob, Junior threw a toy in the toilet and it's stopped up," his wife whines.

"Well what do you expect me to do? Get a plumber and have it fixed," Bob roars.

"Which plumber?"

Sounds ridiculous? Not really—when you realize that this event, in one form or another, crops up again and again in every suburban household.

Not that modern wives are helpless; it's just that with all the newfangled equipment in today's home a wife either has to have a degree in engineering or she needs a reliable source for instant service.

That's why membership in Consolidated Homeowners Club, Inc. is so great a boon to the suburban homemaker. Washing machines, dryers, dishwashers, TV sets, plumbing, heaters . . . all the conveniences of modern living have a way of getting out of kilter at the wrong time . . . that there's ever a right time

for an appliance to go haywire.)

In this Space Age of specialization, modern businessmen hire experts for particular jobs . . . designers, engineers, tax men, marketing counselors, personnel managers . . . but in the home, where technology has also progressed to great heights, many wives are expected to manage everything themselves.

And yet, for less than 3¢ a day you can have a complete staff of experts at your beck and call—to handle every service reliably and at low cost.

Maintaining your home is your full-time responsibility. To do the job right you need CHC membership. DON'T LET ANYBODY TALK YOU OUT OF IT.

LET THE BUYER BEWARE

Businessmen are all-too familiar with the rule of Caveat Emptor. And with good reason. You must TRUST your watch repairman, your auto mechanic, your TV serviceman . . . you must have blind faith in their honesty unless you happen to be an expert in all fields yourself—OR unless you have them recommended by CHC.

Working under standards as rigid as the Better Business Bureau's . . . cooperating with the local Chambers of Commerce, the CHC is your watchdog, taking the full burden of responsibility for quality workmanship at fair, highly competitive prices.

Let CHC be wary for you—for your wife—for your budget. JOIN CHC today.

CHC is important to me because it screens out undesirable dealers and contractors. I know I can trust the service people CHC recommends.

The Age Old Question: Where Is the Repairman?

Time was when Father's pliers and screwdriver could repair any household appliance. Today's labor-savers are far too complicated for his skill and require trained servicemen with special equipment when things go wrong.

The New York World Telegram recently published a series of special articles looked into the matter of glib repairmen and the ordeal resulting for housewives.

This was among the nerve-rattling experiences related: A burglar in Bayside wails, "For her birthday a year ago my wife wanted a fur coat so I got her a dishwasher. Worked fine for four, five months. Then commenced leaking on the kitchen floor. Called dealer. OK will send man out. Three weeks pass. No man. Call again. Man out yet? Scandium magnatum! Send him forth-

with.

"Two more weeks pass. Man finally shows up. Dishbowels dishwasher all over kitchen floor. The schmadel is broken and the seal on the filter needs replacing.

"Go back to store and get parts. Don't worry. You're sitting pretty. Everything OK. This is perhaps three weeks ago. Giblets of dishwasher still not replaced.

"Wife now having tantrums. Kids howl with glee at sight of aproned-self doing dishes. Hands now resemble lobster claws from harsh wash-day detergents.

"Where is repairman?"

Experiences like this led to the formation of the CHC with its dependable and reliable CHC servicemen. Join today and begin to enjoy life.

HOUSEHOLD HINTS

A few tips on home care that can contribute to the safety and comfort of your home.

When visiting a friend who's busy in his home workshop, don't shout or startle him. He might look up suddenly and have an accident. Working with power tools is not dangerous IF proper safety precautions are observed.

Storing pipes, tools or other valuable metal objects? Try spreading a thin film of vaseline to prevent rust . . . a little care gives your tools a longer life.

Are you a Do-It-Yourselfer? If you have many unfinished projects around (testimony to your lack of time) call CHC for capable workmen who'll finish each job at low cost and in short order. (Oh, well. You did PART of it yourself.)

Mask glass with masking tape when painting window moldings. When paint is dry, strip off the tape. You've got a neat edge and don't need a razor blade to scrape the glass clean . . . (better still, use CHC painters).

Busy executives value their time at \$25 an hour. Sore backs, aching muscles and frayed tempers resulting from weekend gardening will cost you \$25 an hour on "blue" Mondays that follow "green" Sundays. Better to let CHC gardeners handle the job. It's easier on the pocket and easier on the back.

Religious groups and organizations on Long Island have found a new source of income to continue charitable, educational and social functions. Members who join CHC en masse may have a sizable portion of annual membership fees donated to their Church, Temple or organization in a lump sum.

The CHC-sponsored plan still provides all its regular services to those who join as group members. Each group member is treated as an individual and personal attention is rendered to his problems.

CHC cooperates to the full extent with every religious group interested in working out a CHC fund raising program.

A CHC adviser will attend a regular group meeting, address the assembled members and explain how CHC works to the advantage of each homeowner. CHC will provide literature, full details and application blanks. All questions will be answered and the Church, Temple or organization will receive a percentage of all membership fees resulting from the meeting.

Church, Temple, or organization officials interested in the details of the program, please phone OV 1-8060 for complete information and a meeting date.

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Youth Group To Dance Friday

By RALPH DIAMOND
The Youth Group of the Birchwood Civic Assoc. will hold another dance this Friday, March 25th. As a result of the tremendous turnout and the wonderful time had by all, the Youth Group Dance will be held on the last Friday of each month for the balance of the season.
The Nevada's, a local band comprised of our residents, will once again entertain. Refreshments will be served. The dance starts at 7:45 p.m. Admission by Youth Group card or class card will be required. Only those properly attired will be admitted.

The Volunteers

A bi-monthly series by the JERICHO FIRE DEPARTMENT
In 1763, the first piece of fire apparatus was brought into this country from England. With this piece of apparatus the colonists formed one of the first volunteer fire departments in this country.

As in this modern age, the men had their own jobs and responsibilities. But at the sound of the fire alarm they stopped whatever they were doing and ran to the fire.

Now, with all the improvements in equipment and training, the idea that these early colonists had, which was to preserve life and property, is still the main purpose of today's volunteers.
Today, at the sound of the siren, the men run from their homes and jobs to the firehouse, and from there they proceed to the fire. Not one of these men are paid, yet they take their lives in their hands every time they go to a fire.
So remember, Support YOUR Fire Department. Also:
A FLASHING BLUE LIGHT MEANS A FIREMAN IS RESPONDING TO A FIRE — PLEASE GIVE HIM THE RIGHT OF WAY
In the next article, we will explain the training a Volunteer Fireman receives.

Set Dinner-Dance

The Robbins Lane P.T.A. has planned an outstanding dinner-dance to be held Saturday evening, April 9th, at the Pine Hollow Country Club. In addition to a prime-ribs or beef dinner, there will be a complete smorgasbord table including shrimp and lobster served one hour before dinner. For reservations at only \$20.00 per couple for a wonderful evening with lots of surprises, call Ann Machulom, WA 1-5595.

Current Comment:
Fine Appearance by Cadet Corps

Proud local residents and other spectators at the St. Patrick's parade in Hempstead, on Sunday afternoon, Mar. 13 were lavish in their compliments regarding the debut of the St. Ignatius Girls Cadet Corps of Hicksville. Many noted the fine military bearing and appearance of the unit which was organized in Nov. 1955. There are almost 60 girls in the unit under the direction of Thomas Costa.

Well done, girls, and we are all looking forward to your future appearances.

Red Cross Serves Area Year Round

Throughout the year members of the Hicksville Branch of The American Red Cross, and branches in the surrounding area, have served cakes and cookies, attended the monthly dances and supplied the decorations for the Christmas Party at the Brookville Nike Site under the command of Captain William A. Nolan, Jr. As an expression of their thanks, the officers and men contributed one hundred percent to the Red Cross Fund with the generous gift of one hundred dollars.

These men have certainly answered THE CALL. HAVE YOU?

Your Red Cross stands by You. Are YOU standing by Your Red Cross?

WELCOME THE RED CROSS WORKERS WHEN THEY CALL TO ASK YOU TO JOIN AND SERVE!

is Your Problem Too!

By ALLEN S. CARPENTER
President, Hicksville School Board

What is our justification for life? Are we merely pawns of fate, playthings of destiny? Can a firm hand on the tiller and a purposeful goal carry us through the swift spiraling waters of life? Or should we, without planned destination, spend our strength keeping our craft in the slack water, away from the dangerous raging currents.

Is our life on this planet only a prison, to which each is sentenced for his own span of years? If we look on life as a prison sentence, then it becomes easy to justify our desire for the easy life. If there is no enduring purpose, if there is no ultimate goal, outside of personal desire, then the "slack water artist," should be the winner. He would be the winner, as surely as mankind would be the loser!

Every "anti-like" human on our earth must, whether he would or not, play his part in mankind's destiny. I believe that out of God's grace each man and woman has been given the freedom to choose his own role in the powerful current of life. Each of us is free to choose, and to live; a good role, an evil role, or an indifferent role. I believe that the choice made by the men and women in each community is the only real difference between communities in America and communities in Russia.

Where people believe in the freedom of choice, where they believe in the dignity of man, where they believe in the importance of the individual, democracy has grown and developed.

When people believe in the freedom of choice, life becomes valuable, worth fighting for. As long as we realize that each and everyone of us is important and necessary to the continuing growth of our community and our country, democracy will have dynamic life, and need fear no foreign ideology.

But we must realize that our American Destiny can be no better than the sum total of our communities, and our communities can be no better than we are.

If our role in life becomes one of bland indifference to school, community, and national problems, then we shall have real cause to fear, in our time, for the future of democracy.

If our people refuse to use their freedom of choice; refuse to accept their democratic role in the living of life, our communities and our nation will begin to drift into slack water and the strong, living current, will continue without us.

Witnesses Set Assembly Dates

Final plans have now been made for the March 25 to 27 Bible training assembly by of Jehovah's Witnesses to be held at the American Legion Hall, in Greatport. So said Truman Merchant, presiding minister of the local congregation.

These plans were discussed at an organizational meeting Monday evening at the Babylon Congregation's Kingdom Hall where Mr. Merchant was in attendance, along with the presiding ministers of the 11 Suffolk congregations; as well as the heads of the 25 assembly departments.

Cecil Jones, ministerial supervisor of the 11 congregations presided over the meeting and announced that the theme of the assembly would be "Seek Peace and Pursue It." Only by diligently studying the Bible and applying its principles

in our lives, can we truly seek peace and pursue it," said Jones in commenting on the theme. "Our Assembly will be devoted to that end," he concluded.

Another matter of interest discussed at the meeting was that of the volunteer service department. All work done at Jehovah's Witnesses' assembly is performed by volunteer workers. Such duties range from cleaning the assembly hall to feeding those in attendance. In all more than 25 from local congregations will share in this work.

Publish History

The history of the County of Nassau from its very founding in 1643 to its creation as a county in 1869 makes interesting reading in a little 200-page illustrated booklet just put out by the county government. Authored by Edward J. Smith of Nassau County Museum, to be opened this year, it is a gem of research. Copies can be secured from County Executive A. Holly Patterson, Old Courthouse, Mineola.

The Fire Horn

prepared by the publicity committee of the Bureau of fire prevention and inspection of the Hicksville Fire Department

Spring clean-up time is here. In communities all across the nation, civic-minded citizens are out to clean and brighten up their homes.

This Bureau suggests that Spring Clean-up time can be given double meaning and double value by checking your home very carefully for fire hazards.

As was pointed out in the recent series on home inspection, no area is free from hazards, so in this case we start from the top and work down.

The Attic - Are there piles of newspapers, magazines, old clothes, and furniture or other combustibles that are keepakes but a hazard? Help clean-up, throw these items away if they are no further value.

Work downstairs - Work your way from room to room, floor to floor removing potential hazards. Clean out all your closets of unused clothes, shoes, papers or magazines. These are of no further use, but make a good area in which fire can start.

Cellars - Don't neglect the basement. Many hazards are found here also. Keep paints and other flammables in metal containers. Cily rags belong in closed metal containers. Don't use gasoline or other flammable cleaners. Use only non-combustible cleaning fluids.

Electrical - Check all your home circuits for badly frayed wiring. Keep your electrical system in good working order, have all work done by an expert electrician. Use only 15 ampere fuses in the household circuits.

Stoves and heaters - Spring clean-up is a good time to have the service man come in to clean and check your heating system, clean chimneys and check for cracks and holes. If you use coal, keep ashes in metal covered containers.

Outside - Clean up the yard. Keep grass low along buildings. Never burn papers or leaves on a windy day and use an incinerator whenever possible.

Spring clean-up provides an opportunity for all homeowners to clean out some of the trash upon which fire feeds.

Be a good citizen, don't forget to do your part to promote fire prevention by cleaning up your home.

Please don't forget to notify your Fire Department if you have an invalid in your home. Protect them now.

SCHOOL ADMINISTRATORS' Assoc. of Hicksville heard G. Howard Gould, Executive Secretary of the New York State Teachers Assoc. speak on Legislation on March 17. This meeting, which was another in a series to consider professional problems, was held at the Plaza Restaurant in Hicksville. Administrators from neighboring school districts were also in attendance.

Left to right are: Murray M. Duncan, President of the School Administrators of Hicksville; James H. Walters, Program Chairman; G. Howard Gould, Speaker, and Harold Robbins, Chairman of the Administrators' Committee for meeting arrangements.

100 Teams for Community Diamonds

The annual meeting of all interested organizations held for the purpose of distributing the districts 26 baseball and softball fields was held Tuesday, March 15 in the Hicksville High School under the direction of Hicksville Recreation Dept.

Represented groups included Hicksville American Little League, International Little League, National Little League, National Baseball Assn., North Hicksville Babe Ruth League, Police Boys' Club, and Catholic Youth Organizations of St. Ignatius and Holy Family.

Difficulties were at a minimum during the meeting and all groups were satisfied. The representatives expressed the feeling that this year's program would run smoothly and participation would exceed all previous seasons.

It is estimated that there are well

over 100 organized baseball and softball teams in the community. These teams include girls as well as boys from age eight through the unlimited class. More than 1500 players, several hundred coaches and managers and an unestimated number of spectators will be involved in this American summer pastime. The extent and variety of ball diamond activity is so great that every single child or young adult should be able to participate.

Hicksville School recreation Dept. will take a group of teen-agers to the Commaek Arena, Friday April 1st, to see the New York Chiefs and Brooklyn Red Devils in a roller derby game.

Transportation and supervision will be provided by Hicksville Recreation. Cost of \$1.50 will include transportation and admission to the game.

"We never knew togetherness could be so easy"

"Our family had gotten widely scattered—a son in California, a daughter in Florida, another daughter in Manhattan, and my husband and I on Long Island. Though we often phoned, I never thought we'd be together as a group again.

"Then I heard about the Conference telephone call. All I did was give the operator everyone's name and phone number. In minutes she had us all hooked together on a single phone call. It was so exciting we all talked at once, but nobody missed a word. I can't tell you the thrill it gave us!"

Fehrenbach Explains State Aid Increases

Assemblyman Edwin J. Fehrenbach of Bethpage, after a conference with Republican Leaders of the Legislature, announced today the details of a \$68,000,000 increase in State Aid to schools voted by the Legislature and approved by Gov. Rockefeller.

This is in addition to the \$30,000,000 increase provided by existing formulae, thus making a total increase in State school support of \$98,000,000 for the next fiscal year.

This increase would be the largest ever voted in a single year. The plan provides for:

1. An increase from eight percent to 18 percent in basic aid for districts using new equalization rates with a "fair share" tax rate of \$6.00 per thousand full value.

2. Provision to "save harmless" any district against loss from new equalization rates and, if more aid would have been payable under the old rates, payment of this amount plus five percent.

3. Provision for districts with increases in attendance of more than four percent to receive aid for the additional attendance on an "estimated basis."

4. A 25 percent increase in the first bracket of aid to high tax districts (those with full value tax rates of \$19 or more per thousand) with 5 percent increases in each succeeding bracket until aid becomes 50 cents for each dollar of tax rate in excess of \$24. High tax aid is extended to flat-grant districts.

5. School districts will be allowed to exclude religious holidays in any reporting period but are required to maintain school for 180 days each year.

6. Districts will be allowed to use "frozen" equalization rates for building quotas, continuing school building advances under 3003-c and for enlarged city school districts.
