Two For Library Trustee: 9 Candidates Seek School Board Seats

The Hicksville School Board and Library Trustee elections on May 4 is wide open with nine candidates filed for three vacancies on the Board of Education and two for the Library Board. Within hours of the deadline for filing of nominating petitions, former School Trustee Emil J. Szendy announced his intention to run again with two teammates.

While there are three teams or "slates" of candidates for the school board, voters will find it necessary to hop all over the voting machine to find them. The law requires that candidates be listed alphabetically for the position they seek.

THREE TEAMS

Robert E. Goodrich had announced earlier that he will seek re-election with Frank Muller and Walter Haner seeking to oust two other incumbents, Herbert Johnson and Jerry Zettler.

Johnson and Zettler, meanwhile, announced that they will seek re-election to their positions on the Board in the company of Cornelius (Neal) McCormack running against Goodrich.

Szendy who retired from the Board two years ago after serving six years advised the HERALD yesterday (Wed.) morning that he would run with two unnamed teammates.

Later in the day petitions were filed by Harry S. Goebel in behalf of Szendy, Vincent D'Angelo and Kenneth Wood Jr. Szendy is running for Johnson's seat, Wood is opposing Goodrich and McCormack, and D'Angelo will run against Haner and Zettler.

A petition was filed on Wednesday nominating Eley H. Bean, incumbent Library trustee, for re-election to a five year term. Late Wednesday afternoon, a petition was filed naming Walter A. Bruno Jr. for the Bean vacancy on the Library Board also.

OTHER DEVELOPMENTS

This week a group of citizens gathered to assist the campaign for McCormack, Johnson and Zettler and named Joseph Giordano of 11 Marshal Lane as campaign manager.

Jeanne Bay of 36 Glow Lane announced the formation of a group headed by herself promoting the election effort of Goodrich, Muller and Haner.

PREPARING FOR THE May 3rd "53-Minute March" for the benefit of the Cerebral Palsy Fund in Hicksville are officials of the campaign at a luncheon meeting. Left to right are Mrs. Steve Noumas, auxiliary chairman; Mrs. John Schumacher, auxiliary president; Patrick F. Caputo, honorary chairman; Mrs. Emery M. Austin of Baldwin, a vice president of the Council of Auxiliaries, and Alfred E. Young, treasurer. Other officials, not present for the picture, include Malcolm E. Pierce, business chairman; Leland Badler, professional, and Fred J. Noeth, publicity. Volunteers interested in assisting in the "53-Minute March" are invited to call Mrs. Noumas at WE 5-6195. Stores Provide Saturday Shows

Thirty Hicksville downtown merchants are cooperating in providing youngsters with a unique 13-week Saturday morning program at Hicksville Theatre. Starting April 30, a special show will be held at the Theatre at 10 a.m., including a serial and feature, concluding with a drawing for prize awards at about noon.

Tickets for the show are available from participating stores. Children will only be admitted to the theatre when accompanied by a parent (limit of two youngsters per parent). The theatre doors will open at 9:30 a.m.

Participating in the plan are the following: Whelan Pharmacy, Starlight Shop, Savel Jewelers, George & Cliff Meat Market, DeMonaco and Bee's Auto Body, Anthony's Pizzeria, Plainview Fabrics, Glen Floors, Vince Braum's Meat Market, Arthur Murray Dance Studio, Walters Liquor Shop, Hicksville Sweet

Shop, Kraft Jewelers, Joe's Food Market, Callome Shop, Caro n' Party, Sherwood Studios, House of Lat, William's Hardware, Empire Silk, Canner's Fabric, Jon's Jewelers, Holden's Stationery, Engert Bakery, L. J. National Bank, Schwartz Furniture, Goldman Bros, Zucker Shoes, Rogers 5 & 10 and Millevolte Shoes.

Big Improvement For West John St.

A million and a half-dollar improvement, including storm water drainage, paving, curbs and sidewalks, is planned for 2.8 miles along West John St. from Broadway west to Brush Hollow Road by the County of Nassau.

The project is No. 5 of 1960 in Art. VI program. The cost is financed from motor vehicle fees and gasoline taxes.

Meet Candidates Tuesday Night

The Hicksville Council of P.T.A. will sponsor an open forum next Tuesday April 26, at the Senior High School at 8:15 p.m. All candidates for school board office will be invited to attend and will have an opportunity to speak briefly and answer written questions from the audience.

Clocks Go Ahead

When you retire this Saturday night, Apr. 23, remember to set your clock ahead one hour. Daylight Savings Time goes into effect Sunday at 2 a.m.

Presumably Szendy will direct his own unique form of campaigning for himself, Wood and D'Angelo.

Following last year's School Election when one candidate filed for all three vacancies and slate grouping on the ballot was impossible, the Hicksville School Board sought the assistance of the State School Board Assoc. in getting a change in the Education Law to permit team groups on the ballot. That effort has not succeeded to date and the alphabetical listing of candidates is still (Continued on Page 4)

Services Saturday For Eleanor Sharratt

Funeral services will be held tomorrow (Sat.) afternoon at 1:30 p.m. at Wagner Funeral Home for Eleanor C. Sharratt of 2 Centre St., Hicksville, who died yesterday (Wed.) Mrs. Sharratt had been associated with the Mid-Island HERALD for almost six years, leaving the staff in February 1958.

The Rev. Edward H. Stammel, pastor of Trinity Lutheran Church, will conduct the services. Interment will be in Froston, Maryland.

Mrs. Sharratt is survived by her husband, Charles; a daughter, Joan Rieck; a sister, Mildred Rogers of Mahopac, N. Y.; and two grandchildren, David and Susan.

Mr. and Mrs. Sharratt took up their residence in Hicksville 13 years ago.

SCHOOL DISTRICT AFFAIRS are the earnest concern of these three men who are candidates for election in Hicksville on May 4. Left to right are Jerome G. Zettler of 70 Gardner Ave., Cornelius (Neal) McCormack of 27 Boxwood Lane and Herbert H. Johnson of 87 Myers Ave. Zettler and Johnson are concluding three-year

terms and candidates for re-election, teamed with McCormack as a running mate. School voter registration takes place this Saturday, April 23, between 10 a.m. and 5 p.m. and again on Wednesday, April 27 from 4 to 11 p.m. (Herald photo by Gus Hanson.)

Herald Price Rises May 1

We have held off as long as possible, but the increase in the cost of production and distribution which has more than doubled in the past ten years makes it necessary for the Mid Island Herald to reluctantly announce that subscription rate will increase to \$3 a year, effective May 1st, 1960. Two year subscriptions will be \$5 and six months for \$2. The newsstand price on single copies, effective with the May 5th issue will be 10 cents per copy.

A recent study has disclosed that practically all community newspapers in Nassau and Suffolk have been forced to boost subscription rates, some as high as \$7.50 a year.

Persons who forward their renewal of current subscriptions before May 1st will be able to enjoy the present rate of \$2 a year or 3 years for \$5.

Legion Seeks Buglers, Twirlers

Something new will be added to Hicksville's Memorial Day Parade this year when the Junior Drum & Bugle Corps now being formed, and trained in the manner and fine tradition of American Legion Drum & Bugle Corps is unveiled publicly.

Members of the Charles Wagner Squadron of The Sons of The American Legion practice both instrumentation and marching quite diligently every Saturday morning

at 10 o'clock under the direction of Peter Seitz, Corps Director.

There are several openings available for boys over 10 years old who are buglers or wish to become buglers, but they must be eligible to join The Sons of The American Legion.

Not to be outdone by the boys, the Junior American Legion Auxiliary Unit of the Charles Wagner Post is developing a Twirling Corps to parade with the drum corps. Capable instructors are furnishing the young ladies with keys to the art of manipulating batons in a professional manner on Saturday mornings at the Legion Hall, 21 E. Nicholas St. Any Hicksville girls who are interested in twirling with the group will be welcomed by Mrs. Cynthia Heschbach, unit director, provided they are single and become members of the Junior American Legion Auxiliary. Use with the buglers' lack of experience, no bar and beginning will be given lessons by instructors.

Dear Jean:

JOHN LARKIN, chairman of the Hicksville Firemen's Labor Day Tournament, will be heard on the STUART ALLEN show broadcast over WHLI from Mid Island Plaza at 1:15 p.m. on Saturday, May 14. He will talk, naturally, about the tournament to be held at the Plaza this year.

Very little goes on that Dear Jean doesn't hear about, like for instance, the interesting coffee klatch DOLLY L. ASTDROP had Monday evening. Get well wishes to MARTY POLSENSKI of Arosida La. We're sure this nice Spring weather (that we hope will stay with us now) is all you need to have you up and around again. A reader advises us that there has been an outbreak of ticks in the Arosi Lane area. Pet owners beware.

Hicksville Red Cross Branch Executive Unit is inviting workers to the recent fund drive to a "Thank you" party next Monday night, April 25, at 8:15 p.m. at Hicksville Library. Certificates of honor will be awarded to Area Captains and Merit Award winners, according to GRACE T. STOLL, chairman. . . . Somebody got it twisted and the item here last week about the Cake Sale which was incorrect. It should read Mrs. VICTORIA ABRAMOSKI and Mrs. DOROTHY BRAJA wish to thank all for the wonderful support of the St. Ignatius Rosary Cake Sale which was such a grand success. Co-chair at Hicksville Kiwanis last week was JACQUELINE NORTON. LEO LEO KANAWADIA, both recipients of Kiwanis sponsored scholarships.

Mrs. A. WASSERMAN, 80 Forest Lane, Forest Hills, was the winner of the silver tea set coffee service awarded by the Glen Cove-Hicksville League at their card party on Tuesday afternoon. . . . Talking about the recent party, Mrs. A. WASSERMAN, president of the league, would like to publicly thank all those who helped to make the affair this success. It was, her committee members, those who volunteered their help and all those who attended. It was a great success both socially and financially. Proceeds will benefit Mercy Hospital. . . . Watch for the date of the popular Spring Dance being sponsored by the Hicksville High School Alumni Assoc. It will be held in the very near future. . . . Our Hicksville P. O. "Smiley" says quite in the Spring a young man made funny quickly turns to fishing, baseball and golf. Wonder what Mr. Smiley thinks of this?

Cite Bd Achievements During Tenure

Jerome G. Zettler and Herbert H. Johnson, incumbent members of Hicksville School Board who are running on their records for re-election on May 4, this week further detailed some of the achievements by the Board of Education during their tenure. Their running mate in the annual election is Cornelius J. (Neal) McCormack.

"We believe that substantial progress in the field of healthful recreation for the youngsters of the District was accomplished during the three years we have been members of the School Board," Zettler and Johnson noted. "Not only was a year-round recreation program developed under the competent leadership of Joseph Madden, but the Board took steps to encourage all youth activities by making available to all groups both our outdoor and indoor facilities."

They pointed out that baseball fields were made available to Little League, C.Y.O., Babe Ruth, Conita Mack and other leagues and the number of ball fields were increased and greatly improved.

During the same period, the School Board engaged a purchasing agent and inaugurated purchasing procedures which included development of the best bid lists in the County which is resulting in savings to homeowners.

Roofing of the temporary-type structures was greatly improved and earlier heating difficulties were overcome. "It is our fundamental goal to maintain the high standards which have been achieved, to stabilize as far as possible our tax rate at a reasonable level and provide our children with an excellent education while spending money in the right places," the candidates asserted.

Zettler, Johnson and McCormack reminded all voters to register either this Saturday or next Wednesday, April 27, if they are not already enrolled, so they can vote on May 4th.

Personal Mention

Richard J. Metzelaar, son of Mr. and Mrs. John F. Metzelaar, 7 Link Lane, Hicksville, is one of 20 midshipmen of Naval ROTC at Rensselaer Polytechnic Institute, Troy, who are having an aviation indoctrination field trip to the Pensacola, Fla., Naval Air Station during the Easter vacation at the college. They left Albany Airport on April 10, and return there on Wednesday, April 13.

Army PFC WILLIAM B. TURKEL, son of Mr. and Mrs. Martin H. Turkel, 25 Market Dr., Hicksville, participated with other personnel from the 101st Airborne Division Exercise Quick Strike at Fort Campbell and Camp Breckinridge, Ky. The exercise was scheduled to end April 16.

JOHN R. KIRWAN, son of Mrs. Edna Rizzo, 49 Arch Lane Hicksville, has been enlisted in the Navy for a minority enlistment. He will be discharged the day before he is twenty-one under terms of this contract.

Seaman Kirwan is now at the Great Lakes Naval Training Station in Illinois for nine weeks instruction and indoctrination. Upon successful completion, John will be granted approximately 14 days leave before reporting to his permanent duty station.

New Group Invites Volunteers

Three candidates for election to the Board of Education in District 17, Hicksville, were announced this week. They are Robert E. Goodrich, 47 Angle Lane; Walter Haner, 71 East End Ave.; and Frank C. Muller, 48 Winter Lane, all Hicksville.

The three men, running as a slate, will be supported by an Independent Committee of District 17 voters, it was announced by Jeanne Bay of 36 Glow Lane, who invited volunteers to join the group. She submitted the following:

Robert E. Goodrich, present incumbent of the Board of Education has been a Hicksville resident for ten years. He is the father of a son in public school and a daughter in college. Bob Goodrich is a graduate of New York State College for Teachers and is an accountant with Grumman Aircraft Engineering Corp. He has been active in Little League for four years, is active in Explorer Scouts. His club memberships include Booster Club, and P.T.A.

Walter Haner, who is the Chairman of the School & Community Program of the Woodland Ave. P.T.A., is also the Past President of the North East Civic Assoc. He served as a member of the advisory

Committee of the Hicksville School Board (1955-56), and is now a member of the Recreation Advisory Committee of the Hicksville School Board (1958-59-60). He is the Treasurer of the Youth Council of Our Lady of Mercy Church. Haner retired from the New York City Fire Department and is now a real estate broker and appraiser. He has been a Hicksville resident for nine years and has a son in the fifth grade in the Woodland Ave. School.

Frank C. Muller is a graduate of

St. John's College, is self-employed in the fur business, and has two sons, one a senior in the Hicksville High School and the other a graduate of the Hicksville High, now attending Adelphi College. He has been a Hicksville resident for ten years. Mr. Muller was the originator and president of the Hicksville High School Booster Club (3 years), one of the seven founders of the Hicksville Little League, and past president of the Babe Ruth and Connie Mack Leagues. He has been a Co-Master for six years, and a former president of the Hicksville Junior High P.T.A.

Burns Highlights School Services

The next meeting of the Burns Ave. P.T.A. will be held Wednesday, Apr. 27 at 8:15 p.m. The program will consist of skits showing the special services available to Hicksville students. Speakers will explain the roles of the psychologist, the guidance counselor, speech therapist, school nurse and reading consultant. Marvin Gibson, director of student personnel, will be the moderator.

Refreshments will be served.

It's Your Problem Too!

By ALLEN S. CARPENTER
President, Hicksville School Board

Appreciation even when most deserved, is a rare and sweet thing. When we point out another's failings (with the intent to help—of course) it is more often than not resented. When we insist upon our children's obedience to family rules, established for the preservation of their health and well being, we are (as often as not) criticized as being "too strict," as being "unfair," or for not "understanding." Parents are most perfectly appreciated by their children, when their children are either too young to "reason" or too old to "communicate."

During the "growing up years" it is perhaps fortunate for both parents and children that we have no democratic process in effect for the annual reelection of parents.

Why can we feel closer to, and more friendly with, those for whom we have done something good, than we can towards those to whom we owe a debt? Why do we all remember a slight or an "injustice" so much easier and so much longer than a courtesy or a favor. I am not old enough or wise enough to have any answers to these questions—but I have been around just long enough to know that people who are exceptions to the rule are as few and far between as are low school tax rates.

Like good parents, good school board members cannot always be right. But unlike parents they do have to be reelected in order to continue to serve. Like good parents, some of the decisions of school board members are not appreciated—the fairer the decision the more it may go unappreciated. (Perhaps only fathers can understand this.)

Obviously the proper amount of dollars for a school board to grant for pay raises for custodians, for teachers, for administrators, would be the exact number of dollars that would perfectly satisfy those taxpayers who want (1) a large increase granted each year, and (2) those who would have no grant no pay increases at all. Since there is no such amount, any fair amount granted (anywhere between nothing, and the highest expectation) will fail to completely satisfy either of the interested groups. Because of the nature of things, there will be large segments of each group who will always feel that either we have granted too much, or we have granted too little. A small group, either to young to vote or to old to get out, will be happy and satisfied.

Those who are not pleased will remember. This is one reason why good school board members often are not reelected. With every fair decision a few more votes are lost.

Letter to Editor Budget Report

To The Editor:
As a resident of the community for some five years, I am constantly astounded by the professional public relations job turned in by our school board in District 17. The outlandishly elaborate and obviously expensive budget report which is mailed to district residents each year seems to represent the best efforts of our board to camouflage the flagrant failings of our system.

Certainly, this year's brochure was no different and it appears to have attained an all-time high in the Madison Avenue approach to our educational problems.

Perhaps if a part of the money spent on this carefully illustrated report was spent in other directions, some worthwhile purpose would have been served.

In a system which has cut its adult education to the bone, in a community which makes absolutely no contribution towards its faculty's hospital or medical costs, in a district which fails to pay its faculty members for religious holidays if they happen to belong to a minority faith, do we really have the right to ask the taxpayer to underwrite the cost of this ornamented report?

I, for one, would have preferred to see this budget report presented on sixteen pound mimeo paper.

Such planting screen or other fence shall be maintained at such height, anything to the contrary contained in this ordinance, notwithstanding.

(b) Where a planting screen is installed in compliance with the provisions of sub-paragraph (a) of this section, it shall also be necessary to install and maintain a woven wire fence to prevent paper and debris from being carried or blown through or under such planting screen.

(c) Where a woven wooden, cedar, picket or other type of solid fence is installed, the supporting posts shall be of not less than two and one half (2 1/2) inches O.D., galvanized iron set in concrete having a diameter of not less than twelve (12) inches and a depth below ground level of not less than eighteen (18) inches.

(d) With respect to the owner of any presently improved business property which abuts such residential property, the owner of such business property shall have a period of not more than one (1) year from the adoption hereof within which to comply with the provisions of the foregoing paragraphs.

(e) The Manager of the Building Department shall determine whether any installation of such fences as required by sub-paragraphs (a), (b) or (c) hereof is adequate to provide the protection intended to be provided to residential properties adjoining business properties.

AMENDMENT TO THE BUILDING ZONE ORDINANCE OF THE TOWN OF OYSTER BAY

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Building Zone Ordinance of the Town of Oyster Bay, as amended and revised, be amended in the following form:

AMEND ARTICLE IV ("B-1") RESIDENTIAL DISTRICT Section 4-7 B10X YARDS by changing the minimum total width of each side yard from forty (40) feet to thirty-five (35) feet, with a minimum of fifteen (15) feet on either side, and further providing that if a garage is built attached to the side of the house it shall be built on the said minimum side yard section as amended to read as follows:

Section 4-7 B10X YARDS In "B-1" Residence District, there shall be two side yards, one on each side of the building. The total of the widths of both side yards shall be not less than thirty-five (35) feet, and neither side yard shall be less than fifteen (15) feet wide, and where a garage is attached to the side of the house it must be built on the minimum side yard.

AMEND ARTICLE IV ("B-1") RESIDENTIAL DISTRICT Section 4-8 B10X YARDS by changing the minimum depth of each side yard from forty (40) feet to thirty-five (35) feet, and amended to read as follows:

Section 4-8 B10X YARDS In "B-1" Residence District, there shall be a rear yard having a minimum depth of forty (40) feet, provided, however, that in the case of a lot held in single and separate ownership and having a depth of less than three hundred (300) feet, the rear yard shall have a minimum depth of thirty (30) feet, and in such case shall not be less than forty (40) feet.

AMEND ARTICLE IV ("B-1") RESIDENTIAL DISTRICT Section 4-9 B10X YARDS by changing the minimum width of each side yard from forty (40) feet to thirty-five (35) feet, and further providing that if a garage is built attached to the house it shall be built on the said minimum side yard section as amended to read as follows:

Section 4-9 B10X YARDS In "B-1" Residence District, there shall be two side yards, one on each side of the building. The total of the widths of both side yards shall be not less than thirty-five (35) feet, and neither side yard shall be less than fifteen (15) feet wide, and where a garage is attached to the side of the house it must be on the minimum side yard.

AMEND ARTICLE IV ("B-1") RESIDENTIAL DISTRICT Section 4-10 B10X YARDS by changing the minimum depth of the rear yard from forty (40) feet to thirty-five (35) feet, and amended to read as follows:

Section 4-10 B10X YARDS In "B-1" Residence District, there shall be a rear yard having a minimum depth of thirty-five (35) feet.

GOV. ROCKEFELLER last Thursday signed the bill increasing State Aid to education by \$69 million. With the governor are State Senator Earl W. Brydes, at left, and Assemblyman Edwin J. Fehrenbach of Bethpage who introduced the bill at Albany. Assemblyman Fehrenbach, member of the Assembly Education Committee, said Hicksville will receive \$374,000 in additional state aid to education, bringing the total state aid for the district to \$3,342,000.

May Eliminate RR Siding Here

The N. Y. Public Service Commission will hold a public hearing at 10 A.M., Thursday, May 5, at its New York City Office, 199 Church St., to consider modifications in plans for the Hicksville R.R. grade crossing elimination project which have been proposed by The Long Island Rail Road. Examined Gerald W. Knapp, will preside. If adopted, the revisions would reduce the estimated cost of work to be done under contract by \$915,500, lowering the figure to about \$10,252,800.

The railroad has suggested that the existing sidings extending along both sides of the Port Jefferson Branch between Bay Ave. and Bethpage Road be abandoned. These, it said, can be removed since the industrial freight patrons for whom they were to have continued will no longer require them.

The R.R. proposes also that the project include the placing of temporary tracks in that area to expedite the construction of normal embankment slopes, thereby making unnecessary the more expensive retaining walls and other features which would have been required if the industrial sidings were

Mental Health March on May 1st

More than 600 Hicksville volunteers will conduct the Bellingr March for Mental Health starting May 1st in a door-to-door solicitation aimed at raising \$125,000, the Nassau County campaign goal.

Paul Drake, well known orchestra leader and president of the Hicksville Kiwanis Club, which is supporting the drive said this year's Bellingr March with more than 11,000 Bellingrers enlisted, would be the largest conducted in Nassau County since the event was inaugurated in 1954.

Drake urged the residents to support the campaign "in order that we may conquer mental illness. Medical science backed by the public can overcome mental illness in the same way that is now bringing tuberculosis and polio under control."

Open Season At Arboretum

The Bayard Cutting Arboretum at Great River, will open for the season on Saturday, April 23.

Visitors will see Spring bulbs and early wild flowers along streams and ponds in the Wild Flower area. Trees and shrubs and lawns are ready to take their part in the annual pageant of Spring. For those who

admire mature conifer specimens in a sylvan setting, the Pinetum Walk will prove rewarding. Rhododendrons and azaleas present a rich display under the canopy of oak woods that will burst into flower during May and June. There are nature walks that take from 20 minutes to an hour's time. Favorite vistas are to be found along the Commemorative River, an inlet of the Great South

Bay that marks the Arboretum's easterly boundary. Bridges span the river to Breezy Island and to the Bird Sanctuary. Bird watchers will find migrations under way of both land and shore birds. A food bar in the former Cutting residence provides light refreshments.

Note Huge Changes in Past 30 Years

SPECIAL TO HERALD
The position of elementary school principal has been undergoing tremendous changes throughout our country in the last 30 years. The national trend has been to recognize it more and more as a position of responsibility, trust and leadership and to require more adequate educational preparation of the principal.

A recent survey by the Dept. of Elementary School Principals of the National Education Assoc. shows that 54 per cent of the elementary principals had no degrees in the years 1928. Today, this unprepared type of person is almost non-existent even in remote sections of our land.

MORE HOLD MASTERS
The greatest increase in preparation has been in the group who hold masters' degrees. The sixteen percent figure of 1928 has been replaced by one of 82 percent in 1959! It might be well to mention that the master's degree is considered minimum preparation in our community and that most of our principals have one or more years of training above the masters degree.

The principalship might be interpreted in terms of two areas of administration and supervision. In considering him as an administrator, one might look at the principalship as compared to an executive position in industry and be surprised by the requirements and responsibilities. In our community, he is usually held responsible for the safety, comfort, education and control of over one thousand children. He is the on-the-spot administrator in a building worth over a million dollars, and with a payroll of more than a quarter of a million dollars a year for professional and non-professional help. The property is, at times, a bus depot, public transportation terminal, playground, meeting place for outside groups, cafeteria, first aid station, and community center, in addition to its main function of providing a setting for the education of children. In many

of the foregoing activities, the elementary principal does not bear the full responsibility, or even half of it; but nevertheless, he is the on-the-spot administrator who must handle emergencies and exercise general supervision until help arrives.

PREPARE BUDGET
Budget making in a school is the next year's educational plan in monetary terms. Every expenditure from new books, paper, repairs, furniture, down to and including spare parts for pencil sharpeners, must be anticipated a year in advance and budgeted. This plan is worked on by teachers, secretaries, custodians and administrators and is months in preparation before it is submitted to the assistant superintendent and superintendent for submission to the Board of Education. The principal and his assistant work many hours on the planning, studying and forecasting which goes into this budget. This is one of their most important functions because the quality of next year's program depends largely on the thoroughness and completeness of their efforts in this area.

The second broad area in which the elementary principal operates might be defined as supervisory to help distinguish it from administrative duties. The supervisory function is strictly an educational area and, therefore, deserves the greater concentration of time and effort.

Legally the Board of Education is responsible for providing the curriculum which is used to pattern the learning experiences of the children. The principal is the supervisor who is responsible to see that it is put into effect in each of the schools. In our schools, he coordinates all of the services to aid the classroom teacher to implement the program. Health services, guidance counselors, psychologists, reading consultants, advanced subject teachers, are all helped in coordinating their efforts to help each child do the best he can.

His help also takes the form of direct supervision of lessons in the classrooms to insure teacher competency, and to improve teaching technique by direct suggestions. He writes the supervisory reports which are valued to determine whether a teacher is offered future employment or merit raises.

TEACHER RECRUITER
This function as a classroom supervisor is a natural follow-up to the function as a recruiter. All principals work directly with the assistant superintendent in interviewing applicants in their own offices, at local colleges and even at out-of-state locations. Yes, we actively recruit outside of this state in an effort to find people who have the experience and training not otherwise available.

This need is especially felt on the secondary level where specialists, along narrower lines, are needed. It might be well to mention at this time that most of the Hicksville schools have one or more assistant principals who share in all of the duties of the principal. The burden of administering and supervising such large institutions would be impossible without these well-educated, experienced and trained assistants.

All in all, the elementary principal derives much satisfaction from his work. He sees thousands of children come out into the school, as educational "babies" of five years, to leave after seven years, competent

ent and secure in their new learnings and skills. It is no source of wonder to the professional educator that the elementary principalship has also become a career position rather than just a stepping-stone position.

Open Meeting April 29 to Hear School Bd. Candidates Give Views

All Jericho School District 15 residents are invited to an open meeting sponsored by the West Birchwood Civic Assoc., Friday night, April 29 at 8:00 p.m. in the auditorium of George Jackson School on Maytime Drive.

Purpose of the meeting will be to give Jericho residents an opportunity to meet candidates running for election to the School Board on May 3. Irving Brand, incumbent, and his opponent, Harold Spielman will discuss their views and qualifications for School Board trustee. Sam Hecht, president of the School Board, unopposed for re-election, has also been invited to attend.

The proposed Jericho Library will also be on the agenda and candidates for Library trustees have been invited to be present. Since the

proposed school budget will be available a discussion is scheduled. Copies of the budget may be obtained from the School District Clerk in the Administration Building adjacent to Jericho High School.

Six File For Library Board

Six residents of Jericho School District 15 have filed nominating petitions for election to the Board of Trustees of the proposed District Library. If the library is approved at the school budget meeting on May 3rd, elections for trustees will follow with five to be chosen.

Those filing petitions are: Bernard N. Bernstein, 217 Halsey Ave.; Alvin Bennett, 47 Briar Lane; Abraham J. Eismann, 59 Birchwood Park Drive; Daniel Lazare, Craig St.; Lenore Sirov, 20 Merry Lane; and Gilbert Steiner, 1122 Birchwood Park Drive.

For residents who did not vote on March 5th, the last opportunity to register for voting on May 3rd will be on Saturday, April 23rd from 2-10 p.m. at Jericho High School.

Friends of the Jericho Library, a community-wide committee, is leading the drive to win voter approval of the library in the forthcoming meeting. It is estimated that the cost of the library will be no more than \$10 a year per family.

Suburban Gardener.

By Ralph Pignazzaro

Trees By this time all the trees, roses and flowering shrubs should be in dormant-sprayed. This spraying is done to protect trees for overwintering insects and diseases and other wise purge your trees this year. All trees with the exception of Dogwood can be fed at this time with 5-10-5 or 10-6-4 or any other well balanced fertilizer. Dogwood being an acid loving tree should be fed with an acid fertilizer. There are fertilizers on the market formulated especially for acid loving plants.

Shrubs Evergreens are to be fed also at this time. Being acid-loving plants they should be fed as such. You notice many brown or burnt areas on your shrubs. This is primarily wind-burn or damage caused by the ravages of winter. Most all your shrubs will shed soon and the new growth will soon cover all wounds.

Lawns Lime, fertilizer and seed can be applied to your lawn. Use only limestone or garden calcite. This can be done all the same day, but not the same operation. Use a balanced fertilizer in the spring, such as 10-9-4, 9-8-3, 20-10-10 or 20-10-5. Many lawns have chickweed and many other weeds growing at this time of year. The common chickweed has a small white flower. The best chickweed killer is 2-4-5-TE. Most garden centers have it under several trade names. If you have chickweed and broadleaf weeds use a combination.

Board Seeks Safety On Expressway Overpass

AN EDITORIAL

Is Overpass to Seaman Necessary?

Are there any alternatives to the proposed overpass to the Seaman School? It's our feeling that there are and should be seriously explored by the Jericho School Board—they are as follows:

1. Extend the overpass to embrace the marginal roads and either raise the height of the proposed four foot guard rails or make the overpass a caged affair.
2. Eliminate the overpass and provide bus transportation (cost approximately \$25.00 per child—and estimated 300 children—or \$7,500, roughly 3/10th of one per cent of the proposed 1960-61 school budget).
3. Rezone the district so that all children in West Birchwood will attend a school which would not require the crossing of a major highway; i.e. Cantiague School.

The creation of the Cantiague School has indirectly created a problem affecting most of the present residents of West Birchwood. The students to attend the Cantiague School will primarily originate in the western section of the area. Pupils from the eastern section, now occupied, will attend the Seaman School which is north of the Long Island Expressway.

According to the Jericho School Board, definite plans have been made for the children to cross the Expressway by means of an overpass which will go over the main road, but not over the marginal roads. The overpass will be 10 feet wide with 4 foot high railings, similar to other overpasses on the parkway. Tentative protection for the children will be provided only by a traffic light or by a policeman.

When the above specifications became known, immediate concern was felt by many residents for the safety of the children using the overpass. Many trucks and speeding vehicles will be using the marginal roads. Considering the age of the children using the overpass, it is felt that neither a traffic light nor a policeman on duty only during school hours could provide proper protection. Furthermore, it is held that a four foot railing would hardly deter an able youngster from climbing the fence.

At last Friday's Civic Assoc. Board of Directors meeting a lengthy discussion was held on this subject in response to the community-wide concern over this problem. It was reported that several weeks ago President Dave Serko wrote to the School Board seeking its position on the overpass issue.

The letter stated the Board of Director's opinion that the overpass should cross not only the main road, but the marginal roads as well. No response was forthcoming. Accordingly, the Board voted that a telegram should be sent to the School Board reiterating its position, and again seeking the opinion of the Board on this question. It was also voted that the entire Board of Directors attend the next School Board meeting to be held on Thursday, April 23, to register the association's position and to request the solution of the problem, either by a change in the physical structure of the overpass, or by the possible alternative of bus transportation.

Personality Spotlight

"HELLO THERE . . . RING-A-LAREO EVERYBODY OUT OF THE POOL!"

With these words four eager women disrupted men came to attention and start learning to dance each week. Dance they will . . . for "if a person can walk, he can dance" insists instructor Herbie Harfenist. How did this advertising executive can laude graduate and master of "butting the candle at both ends" become an expert on this Latin American dance?

Never, never underestimate the power of a woman! It seems that mathematics was not Herb's forte at City College (where he attended classes from 8:00 to 9:00 each morning and from 8:00 to 10:00 each evening . . . the time between spent working in an advertising agency) and he found it difficult getting the time to prepare the necessary course material. However, he met a Latin American girl in his class who was more than happy to do this chore for him, in exchange for which she received a box of candy and a date for dancing each week. Herb still doesn't understand math, and he hasn't the faintest idea what happened to that girl . . . but he hasn't stopped doing Latin American dancing since then!

At a time when Herbie would bet on anything . . . he took a date from a friend and answered an advertisement for teachers by the Fred Astaire Dance Studios. Of the few hundred applicants, only six graduated. Herb was among that half dozen, and he has been teaching on his own in his spare time for the last twelve years. Don't expect to meet him in the dance hops at any local parties, however . . . as he avoids social dancing whenever possible. His enjoyment in dancing comes from his teaching; giving people who could hardly walk across a dance floor the know-how ("You teach with the wind" . . . breaking down the steps so carefully that the complete neophyte can understand) and the confidence to get out there and really dance. Herb teaches in groups only, and he is sure that the pleasure individuals who come to him for instruction were mainly lost, lonely souls in need of some kind of social contact. This so depressed him that he has avoided it for many years . . . teaching now in groups of four or five couples, where his zany ways keep them at ease . . . and even the men start having a wonderful time.

A self-described "Crossing Bachelor" would often boast that "No girl will ever get me!" Herb spent most of his spare time playing golf, and it was while returning

from the links with a pal one day that he met his Waterloo. His friend mentioned a lovely girl he knew that would be a nice date for a mutual buddy of theirs. Herbie offered to "look her over" for their friend, and having taken one look at the beautiful dark-haired girl he lost his grip on the wild carefree days; within one month they were engaged, and within four months Herb turned in his Crossings Life Time Card, and he and Naomi

Directors Discuss Overpass Issue At Board Meeting Held April 15

The second open meeting of the Board of Directors of the West Birchwood-Jericho Civic Assoc. was held on Friday, April 15 at the George Jackson School. There were three visitors, two of whom were wives of the Board members. Disappointment was voiced by the Board on the poor membership turnout to the two open meetings held this year. Highlights of the meeting included discussions on the "overpass issue" and the ongoing vote on establishing a Jericho Library.

President David Serko announced that he had written to the School Board asking them to state their position on the Expressway Overpass, but had not received a reply. Al Friedland made a motion that the Board insert an open letter in daily and local newspapers dealing with the overpass issue. He used a suggested letter which attacked the school board in strong language for their apathy on this important issue. The motion was defeated.

Howard Cole made a motion that the Board go on record as supporting the overpass. This motion was also defeated.

present our views on the overpass. This method was expanded to include several other methods of approach including sending a telegram to the Chairman of the School Board demanding an answer to the President's letter. This motion was passed.

Irving Reinhardt announced that the Education Committee had voted in favor of supporting the coming vote on the establishment of a District Library. The item made a motion that the Board go on record as supporting this vote. After considerable discussion during which many of the financial considerations of the library were discussed, the motion was defeated. The board made it clear that they were in favor of the establishment of a district library (as was voted in a previous meeting) but that the facts available on the particular proposition to be voted on, were not sufficient for favorable local action.

Dave Serko reported that he had attended a meeting of representatives of four civic associations in Jericho for the purpose of forming a joint committee to representatives of these Associations.

Ad Libbing

by rennie auerhahn April seems to be a month that gives the feeling that something wonderful is about to happen . . . and speaking of April reminds me of Paris (the Paris I've never been to, which in turn brings to mind the very charming Gallic idol Yves Montand. He is to this generation what Maurice Chevalier was to our parents'. Now I can understand the cheer given M. Chevalier whom we can just admire as being "marvelous for his age." I am thoroughly hypnotized by the personality of Yves Montand although his French is beyond me. With sub-titles he'd be terrific.

Saw "Fiorello," a delightful show. Even for those who barely recollect that man, Mr. La Guardia came alive again. And for those who remember "The Little Flower," what a night of nostalgia pleasure!

We hope that culture is coming to Jericho; but where is where is our Little Theatre Group? Interesting reading about community libraries in the newspapers, especially at the time that our Jericho Library Committee is working overtime to achieve its goal. How nice it would be to have a library on Jericho-Hicksville Road to sort of give us a Main Street look. And while we're on the subject—isn't Jericho-Hicksville Road a mouthful? What happened to the "Broadway" we used to call it.

For a small community, Jericho does well during our. We can boast of a few of the finest restaurants on Long Island and that's hard to beat. Second spring and our community is developing into a truly picturesque area. Is it possible those signs in the office proclaiming "Neighborhood, Neighborhood, neighborhood" were really true.

I notice that the natural water holes of last year are being replaced by concrete swimming pools this year. Wonder if what we've heard about those North Shore swimming parties is really true.

Astonishing to see some of those Babes in Birchwood by Bernin MonKash the day after their pictures appear-looking 3 years older. Read in McCall's that a postroy tongue channeled in the right direction can win you compliments. Is newspaper work in the classification?

Concerts Open To Jericho Folks

Jericho has affiliated with Hicksville as equal partners in the Mid-Island Jericho Concert Assoc. The merger was accomplished at a meeting on March 9. This affiliation will bring to our Jericho High School some of the finest artists of our day.

Subscribers will also be entitled to enjoy concerts in neighboring communities including Westbury, Carlo Place, Huntington, Oyster Bay, Levittown, Malverne, Syosset and Hempstead. There will be approximately 24 concerts to choose from. A minimum of four will be shared by the neighboring communities of Jericho and Hicksville.

You may attend all or any of the concerts, which will be by subscription only. No tickets will be sold for individual concerts. The series will cover many phases of the world of music such as; symphony orchestras, ballet troupes, string quartets, vocal soloists, violinists, pianists, duo pianists, choral groups.

Subscription rates are \$7.00 for adults and \$3.50 for children. Approximately 500 tickets will be sold in the Jericho area. These include husbands, wives and children. Subscriptions will be closed on May 28 and none will be available thereafter until the following year.

Anyone who wants to work with the Mid-Island Jericho Concert Assoc. is more than welcome.

All surrounding communities such as East Birchwood, Oakwood, White Birch, Princeton Park should contact: Edie Winston, 135 Hazelwood Dr., WE 8-7883; or Justine Mehlman, OV 1-4355; for subscriptions and information regarding concert series.

CP Benefit

The Jericho Auxiliary of General Palsy will hold a Carol Party and a Chicken-In-the-Basket supper at the Jericho firehouse on Saturday, April 23 at 8:00 p.m. Rose Eichter is the chairlady of this gala event. Tickets will be \$3. per person. For reservations and information call WE 1-4635 or OV 1-0829.

were married. In the four months engagement period he taught Naomi, who could do a "rotten fox trot," to dance so well that they did exhibition dancing together.

That Naomi is a stabilizing influence on Herbie is the first to admit. Boston born and reared, Naomi is a soft-spoken, easygoing girl with a delightful sense of humor and a beautiful voice. She studied singing for 13 years, and had given many recitals before coming to New York where she was studying opera when she met our hero. Married for six years now, they live at 22 Craig St. with their two boys, Stephen aged 4½, Jeffrey aged 2, and "Lamb Chop," their young German Shepherd whom Herbie lovingly calls "my daughter."

A warm, funny, opinionated man,

Herbie is a devoted friend (most of his friendships go back to his early youth), and one who really deserves a genuine sense of accomplishment from bringing happiness to others. He admits that he is constantly striving for perfection . . . in his job (he is general coordinator in charge of art, production and traffic for Koehl, Landis and London, an advertising agency) . . . in his teaching, and in his everyday life. He has no tolerance for ignorance of any kind, and refuses to do anything until he can do it well . . . what he refers to as "don't settle for less."

Since moving to our community Herbie has switched from the Racing Form to Handy Man, and has found, to his utter amazement, that he, too, can "do it yourself," but when last seen he was marching up and down spreading a crab grass killer on his lawn, muttering "Who needs this? I'm an indoor man myself!"

CHC Membership Growing Rapidly

Membership is growing rapidly in the Consolidated Homeowners Club, Inc., with headquarters at 67 North B'way, Hicksville, according to Joseph Schwartz, President.

The CHC offers members 24-hour-a-day emergency service for any household service by calling a single telephone number, Overbrook 1-8060. Schwartz describes CHC membership as "comfort insurance."

"It is yours to use whenever you please, as often as you please, secure in the knowledge that come what may, CHC will take every step to assure rapid, expert service at fair prices that will save homeowners enough to repay the small annual membership many times over."

"CHC membership establishes instant credit for any maintenance, emergency or household service arrangements might require, without additional charge to the homeowner. The CHC membership card has been described as the "passport to suburban convenience."

He explained that no longer must homeowners make dozens of phone calls for a repairman. A single call to OV 1-8060 bring more than 260 services from "air conditioning" to "window screens-installation."

All CHC-endorsed servicemen, dealers and contractors are pledged to uphold CHC standards of service, fair charging practices and guarantees of workmanship, Mr. Schwartz pointed out.

As a special introductory offer, the CHC has available a number of specials including painting of lead-ers and gutters, lawn shape-up, floor waxing and plumbing repairs.

CORRECTION

The April 7 West Birchwood News incorrectly reported that Hicksville VFW Post presented the Jericho Boy Scout Troop 129 with cooking kits. The presentation was made by the Jericho VFW.

Masons to Honor Teddy Roosevelt

The annual memorial service which the Associated League of Masonic Clubs of New York State holds annually for Theodore Roosevelt will be given at the Matinecock Lodge No. 908, of which Ernest P. Taylor, 66 Perry Ave., Bayville, is Master. It will take place at the Masonic Temple in Oyster Bay, at 2 p.m. according to Roderick Fraser, Mill Neck, Past President.

The program will include an address by Harry Ostrov, Rockville Centre, Grand Treasurer of the Grand Lodge of the State of New York. Mrs. Harold Kraft, Past Matron of Matinecock Chapter No. 720, Oyster Bay, Order of the Eastern Star, State of New York, will speak on the Roosevelt Home, of which she is an authority.

The Syosset Choir will render two anthems. The President of the Associated League of Masonic Clubs, Arthur K. Soberg, of Brooklyn will also speak.

Other notables who will be present will be Capt. Maurice M. Heltigold, of St. Albans and Walter E. Lord, Jr. of Brooklyn.

The ceremony will be open to the public. Immediately following the ceremonies, the entire group will march to the grave of Theodore Roosevelt, where George W. Herzog, New York City, President of the National League of Masonic Clubs.

What's Cooking?

By MARY ELLEN LAZARE
RIVA, DANIEL POUP, far-lovely neighbor from 32 Rockland Drive, has given me a recipe which I must say is not the easiest I have ever made, but it is one of the most delicious. Riva, who comes from Persia, specializes in cooking with rice, and I hope to have many more recipes from her in the future. This one is called:

RICE WITH FRENCH CUT STRING BEANS

1 lb. rice
2 onions (sliced)
Steak—about 1½" thick . . . sliced thinly
1 Can tomato sauce
1 package French cut string beans vegetable oil

1. Sauté sliced onions in about ¼ C Vegetable oil in large frying pan. When done, remove onions from pan and set aside.

2. Fry the steak strips in the left-over oil in pan till tender, about 10-15 minutes. Remove from pan and put with the onions.

3. Fry the thawed string beans in the same frying pan for 2-3 minutes, adding a little more oil if necessary.

4. Put the onions and steak back in the pan with the string beans and add 1 can tomato sauce. Mix gently. Season to taste with garlic powder, salt and pepper. Cover and simmer 5-10 minutes

5. Mix a pinch of Saffron in 2 T. hot water. Let it set for 5 minutes and then add to the meat mixture in frying pan. Mix gently.

Rise Soak 1 lb. rice in hot water to which you have added 2 cups Kosher salt, for 1 hour. Drain the rice after 1 hour and put in pot which is ¾ filled with boiling water; Boil the rice 5-10 minutes and drain in colander. Place into pot in which rice was cooked 2T oil and ½ C water. Warm this and remove half to be used later. Add 1 T tomato juice to the oil and water mixture in the pot and scrape the bottom of the pot to loosen all starch. Place the rice and the meat mixture back into this pot; mix gently, cover, and let this steam over medium heat for 10 minutes. Remove cover, sprinkle remaining oil and water mixture over the top, and cover the pot with a paper or linen towel. Let it steam over a very low heat for 20-30 minutes. Serve piping hot.

Local Lassies Widen Passes

Carol Langman of 40 Forest Drive and Judy Posash of 10 Fair Lane are the Bellas of Syosset High School. They and three other girls started a campaign to widen a narrow railroad underpass at Woodbury Road near the High School.

The girls started the project as part of their citizenship education course "Problems of American Democracy," with the help of the Nassau county police, they discovered that the 16½ foot width and the sharp curve was a traffic hazard.

Their report showed that two buses could not pass at the same time. The two girls received "A" for their report and the report is being forwarded to the State Public Service Commission by the Nassau Public Works Commission for consideration.

The Syosset Choir will render two anthems. The President of the Associated League of Masonic Clubs, Arthur K. Soberg, of Brooklyn will also speak.

Other notables who will be present will be Capt. Maurice M. Heltigold, of St. Albans and Walter E. Lord, Jr. of Brooklyn.

The ceremony will be open to the public. Immediately following the ceremonies, the entire group will march to the grave of Theodore Roosevelt, where George W. Herzog, New York City, President of the National League of Masonic Clubs.

Open Letter to Children

From Blanche Karpel
Dear Children,
I can hardly wait to tell you all the exciting news I have for you! Do you remember when most of you came to see the Jericho Players in the WIZARD OF OZ last Spring? I say "most of you" because unfortunately some children couldn't be accommodated because their parents called in for tickets too late! The two performances were a complete sell-out many weeks before the show! Well this year I am writing to you real early to let you know that the Jericho Players are happy and proud to announce that this season they will perform the lovely story of "CINDERELLA" for you! The tickets have just been printed and are available. You now have the opportunity to be among the first children to receive tickets. If your parents will call Adele Zorn at WE 5-2941, Blanche Karpel at OV 1-4780, or Jerry Neuhans at OV 1-3623 you will be guaranteed a seat and a wonderful time! The two performances will be given on Saturday, May 14, at the Jackson School on Maytime Drive in Jericho. Please call early this time so we won't have any unhappy and disappointed children this year.

Wouldn't it be awful if any of you had to miss seeing our beautiful Golden Haired Cinderella? We have the meanest old stepmother there ever was! And there never have been any uglier sisters anywhere. You girls are going to swoon when you see our handsome Prince! If you think Abbott and Costello are funny—wait until you meet Galaforn and Curdink! They will have you rolling in the aisles with their funny daucing! There really is a big treat in store for all our children. Here are the mummies and Daddies of your friends that are in the show.

Robbins Lane PTA Holds Dinner Dance

On Saturday night, April 9th, the Robbins Lane P.T.A. had its first annual Dinner-Dance at the Pine Hollow Country Club in East Norwich. 95 couples attended this function and had a wonderful time dancing and dining at this delightful affair. Credit for the success of this function goes to Mrs. Ann Machulans, chairman, and Mrs. Muriel Levner, co-chairman.

10,000 Kites

There will be 10,000 kites flying over Nassau County between now and April 30th. This Kite Flying Derby is part of the 50th Anniversary Program of the Boy Scouts of America.

Back to School Night at Jericho H.S.

Instead of students with their shiny faces, teachers at Jericho High School saw the faces of their parents in their places. Wednesday night, March 30th, was "back-to-school" night for parents. They assembled in the auditorium where Mr. Heller, the principal greeted them and sent them on their way with a warning about good behavior. The grown-up pupils then followed the programs of their children, going from class to class as they do. The only difference was that the periods were 15 minutes long and there was no lunchtime. Refreshments were served, however, at the end of the school "day." Mrs. William Mayhew, program chairman

Vocational Help Offered by Lodge

In order to provide our young people with information for realistic career planning, and to help them develop constructive attitudes towards their future careers, Jericho Lodge of B'Nai B'Rith is in the process of organizing a Vocational Guidance Board. The Board will consist of men and women who can competently give youngsters guidance and information on job fields in which they may be interested, or which they have overlooked because they did not know about them.

The Board may operate in the following manner:
1. Upon application, the Board can meet with a youngster and discuss his or her problem in the selection of a career.
2. After determining where the youngster's field of interest lies, the Board will arrange an appointment with a member of our community who works in that field, and can offer expert advice.
3. Young people can receive further guidance by means of arranged visits to businesses and industries in which they may be interested. Additional assistance may be provided through panels, discussions, forums, and movies.

This Vocational Guidance program will be offered to all residents of the Jericho community, regardless of race, creed, or color. It will be based on B'Nai B'Rith's experience as one of the world's leading and most respected agencies in Vocational Guidance. All interested residents of Jericho are invited to assist in the early formation of this Board by submitting their names and addresses, and professional, or business backgrounds, to Mr. Ben Janower, of 34 Hazelwood Drive, Jericho, or for further information, call Mr. Janower at OV 1-0152.

FASHIONS FOR ORT

A fashion show will highlight Jericho ORT's next general meeting at the home of Elin Baumann, 100 Hazelwood Dr., on Tuesday, Apr. 26, at 8:30 p.m. The show will be staged by Adele Kauf and Arlene Levitt, displaying handbags and sportswear, respectively. Be sure to attend!

of the PTO was responsible for the stimulating event. The faculty reported that the parents were fairly well-behaved, with the exception of a few gum chewers and late comers. The faculty agreed that without exception, parents were pretty noisy going through the halls between periods, hollering greetings to friends and wisecracking about needing a pair of roller skates to get from one end of our brand new building to the other. In the classrooms, each teacher discussed the curriculum and his method of teaching. They do things differently these days — and better. The 15 minutes seemed to fly. One wished one was back in school again.

Whirlwind Tour By 4 Residents

A happy group of Hicksville residents returned recently from a fabulous tour through Florida. The four women included Mrs. Elizabeth Schrimpe, Mrs. Emily Yopp, Miss Alma David and Miss Mignon Bayer, all long-time Hicksville residents. They left New York on Saturday and arrived the following day in Jacksonville, Florida, where they

started their whirlwind tour. "We had a glorious time," said Mrs. Schrimpe, "and were looking forward to planning our Spring Vacation soon." While in Miami Beach, they stayed at the fabulous new Carillon Hotel. All travel arrangements were made by the Hicksville Travel Corp. at 7 West Mario St., Hicksville.

LEGAL NOTICE

NOTICE OF ANNUAL SCHOOL DISTRICT MEETING AND ELECTION OF UNION FREE SCHOOL DISTRICT NO. 15, TOWN OF OFFICE BAY AND NORTH HEMPSTEAD, NASSAU COUNTY, NEW YORK, TO BE HELD MAY 3, 1960.

NOTICE is hereby given that the annual meeting of the qualified voters and electors of Union Free School District No. 15 of the Town of Office Bay and North Hempstead, Nassau County, New York, will be held at the Jericho High School, Cedar Swamp Road, Jericho, New York, in said district, on Tuesday, May 3, 1960, at eight o'clock P.M., Daylight Saving Time, for the following purposes:

- To consider and vote upon the annual budget and tax levy for the school year 1960-61.
- To elect one board member, for a full term of three years, to succeed Samuel Hoch, whose term expires.
- To elect one board member, for a full term of three years, to succeed Irvine Brand, whose term expires.
- To consider and vote upon a proposition to establish a public library within the school district and to include the sum of \$30,000 per annum in the annual budget for the maintenance and support of a public library within said school district.
- To elect five members of a Board of Library Trustees, contingent however upon the adoption of said proposition to establish a public library.
- To transact such other business as may properly come before the

meeting.

FURTHER NOTICE is hereby given that if the proposed legislation providing therefor becomes law, the Board of Education of this District are considering a request that a tax personal tax be imposed on the amount paid for general telephone service, and that at such annual meeting a reasonable opportunity for the expression of views on the proposed request to impose such tax shall be afforded to those persons who are resident of this school district.

NOTICE is hereby given that a copy of the statement of the amount of money which will be required for the coming year for school purposes may be obtained by any taxpayer in the district at each schoolhouse and at the office of the District Clerk in this district between the hours of 10 A.M. and 2 P.M. on each day other than a Saturday, Sunday or holiday during the seven days immediately preceding such annual meeting.

Further notice is hereby given that candidates for member of the Board of Education shall be nominated only by petition directed to the district clerk signed by at least twenty-five qualified electors stating the name and residence of the candidate and shall describe the specific vacancy in the Board of Education for which the candidate is nominated including at least the length of the term of office and the name of the last incumbent, if any. Candidates for the first five members of a Board of Library Trustees, whose election shall be above stated, contingent upon the adoption of the proposition to establish a public library, shall be nominated in the same manner as aforesaid except that no specific vacancy need be described. The first library trustees so elected shall determine by lot the year in which the term of office of each

trustee shall expire and thereafter a new trustee shall be elected annually to serve for five years. Each petition shall be filed with the Clerk of the School District on or before Tuesday, April 19, 1960.

NOTICE is hereby given that the Board of Registration and the District Clerk will meet at the Jericho High School, Cedar Swamp Road, Jericho, New York, on the 21st day of April, 1960, from 4:00 P.M. to 10:00 P.M., Eastern Standard Time, and on the 23rd day of April, 1960, from 2:00 P.M. to 10:00 P.M., Eastern Standard Time, for the purpose of preparing a register of the qualified voters of said district for the annual meeting and election of said district to be held May 3, 1960. Qualified voters who wish to be registered must present themselves personally for registration at the place and time herein stated. Any person shall be entitled to have his name placed upon such register, providing that at such meeting of the Board of Registration he is known or proven to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at such school meeting or election. Such voters who personally registered at the Annual District Meeting held May 5, 1959, or who personally registered on February 20, 1960, or on February 27, 1960, for the Special District Meeting held March 6, 1960, need not register again to be able to vote at said annual meeting and election.

Voters must appear in person at such place and time. Only qualified voters who shall have been duly registered on such shall be permitted to vote at such annual meeting and election.

The register to prepared pursuant to Section 2014 of the Education Law will be filed with the Clerk of the School District and will be open for inspection by any qualified voter of the district be-

tween the hours of 10:00 o'clock A.M. and 2:00 o'clock P.M. on each of the five days prior to and the day set for the meeting or election, except Sundays.

NOTICE is hereby given that the Board of Registration and the District Clerk will also meet at the Jericho High School, Cedar Swamp Road, Jericho, New York, during the annual meeting and election to take place at above mentioned, on May 3, 1960, for the purpose of preparing a register for inspection and election held more than thirty days subsequent to such annual meeting and election. Any person shall be entitled to have his name placed upon such register providing that at such meeting of the Board of Registration he is known or proven to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at such school meeting or election.

Internationals Get Ready to Play Ball

At a meeting held by the Executive Board of Hicksville International Little League, Division Vice-Presidents were handed the 1940 playing schedule and playing rules applicable to their particular divisions. Managers will be receiving copies within the next week or two. Officials of the league expect managers to study the rules and thoroughly familiarize themselves and their boys with them so that when the playing season starts everyone concerned will have no difficulty.

Umpire-in-chief Bill Link happily has 29 men to act as arbiters for the coming season. This will no doubt assure little leaguers and managers of having officials present for every game. As the league has pointed out in previous columns, umpiring is perhaps the single most important job in Little League and it is good to see that we are going to have a large and efficient staff to handle the games.

FARMS ACTIVE

The Farms Division headed by vice-president George Jackson is now going full blast and the first practice session has been called for April 23rd, with all training sessions to be held on Wednesdays and Saturday mornings. In addition, it is expected that team managers will hold training sessions on their own at any other time that is convenient to them.

The Farms Divisions will play a one game schedule beginning May

7th and the final game will be played on June 18th.

There has been no little grumbling on the part of Minor Division managers over the fact that some of their boys are being tried out for the Major Div. without the managers being informed. As a result, those boys who have been tried out with the majors have been marked absent from their Minor Division practice sessions. Certainly no Minor Division manager wants to hold back any boy who has an opportunity to play Major Division ball, but at the same time they should be afforded the courtesy of being informed when any of their boys are being taken for try-outs.

We remind Major Division Managers therefore, that there is a proper procedure for bringing up boys from the Minor to the Majors. When the need for a boy arises, the Major Division Vice-President must be informed who in turn notifies the player agent. If the Major league manager has no particular player in mind, the player agent selects one and informs the Minor Division Vice-President who in turn advises the Manager affected. This procedure must be followed if our league is going to function properly so once again we'll say if any manager wants to look over or try out any boy in a lower division, remember the boy presently has a manager and is assigned to the boy presently has a manager and is assigned to a team

and the boys place on his team is jeopardized by being absent from practice. Let's keep each other informed especially when you want to try out a player without officially selecting him as a member of your team. Remember you do owe certain courtesies to the players' manager when this situation arises.
