CURRENT COMMENT:

Your Decision Next Wednesday

NEXT WEDNESDAY, May 4th, approximately 7,000 Hicksville residents will be eligible to vote upon School Board trustees, a library trustee, the school budget and the library budget. Unfortunately, somewhat less than this number will actually get to the school voting places and cast their ballots. More unfortunately, this total registration is less than one third of the number eligible to vote.

Nevertheless, the voting next Wednesday is important because the people elected will be determining its policy in our school district for years to come. There are three out of seven seats on the Board of Education to be filled in this election.

As for the School Budget, we can say this from first hand observation: The Board of Education and the School Administration have worked hard to prepare a budget, keeping in mind the ability of the community and the needs of the youngsters. It has been described, quite accurately, as a "tight" budget.

As for the School Board election, it has been our policy over a number of years to speak out and support candidates. This year for one reason or another, the announcements of candidacy were late. Newer residents are at a distinct disadvantage because they have not had an opportunity to fully evaluate the candidates or their reasons for seeking election.

We find it a privilege to urge the re-election of Jerry Zettler and Herb Johnsen. We supported their election in the first place three years ago and, again, from close observation have had the opportunity to watch them in the service of the community as Board members and as interested civic-minded citizens.

We also urge the election of Cornelius (Neil) McCormack for the third vacancy. We have known Mr. McCormack for a number of years and have been associated with him in some of his civic activities. We believe he will be a definite asset to the Board and serve to the benefit of the District.

We are reluctant to speak of the opposition candidates.

The Goodrich-Muller-Haner slate was obviously lined up to dump Zettler and Johnsen, for reasons best known to Mr. Goodrich. We have a particularly fond regard for Frank Muller and if he were running in a different situation, we could view his candidacy with pleasure; however, by his candidacy he seeks to oust Mr. Johnsen and we feel it would be a disservice to oust a man like Mr. Johnsen who has served with sincerity and independence of thought.

Mr. Haner put his best foot forward at the candidate's forum and it left much to be desired. The fact that he had written answers for "spontaneous" questions simply raised more questions.

Entered in this election is the most controversial Emil J.

Still 9 Candidates

This issue of MID ISLAND HERALD was delayed, in part, because of reports that one or more candidates might withdraw from the School Election contest in Hicksville. As this issue went to press, such reports were unfounded. All nine candidates for three positions will appear on the voting machines next Wednesday.

Herbert H. Johnsen, incumbent seeking re-election, asked the HERALD to publish his most positive declaration denouncing rumors that he plans to resign from the Board. "If elected," he stated, "I will be honored to continue to serve the people of our community. Contrary reports are apparently inspired by overzealous campaigners in other quarters."

TO SELL RUMMAGE

A rummage sale will be held at the Congregation Shaarei Zedek Vestry Room, E. Barclay St., Hicksville, on the following dates: Monday, May 2, to Thursday, May 5, from 10 a.m. to 4 p.m. Merchandise will be displayed fresh each day, at bargain prices.

**Election Next Wednesday:
Record Breaking 7,160
Register for School Vote**

There is an all-time record breaking registration of 7,160 voters on the books for the Hicksville School and Library Trustee and Budget voting next Wednesday, May 4th when the polls are open from 12 noon to 10 p.m. However, probably less than 5,000 will vote since the enrolled voters represent the accumulation of three extra registrations since last May.

Less than 50 people braved the thunder and rain storm Tuesday night to hear the candidates at the P.T.A. Council Candidate's Forum, only public program of its kind this year. Library candidates were not asked to speak. Two of the school board candidates, Kenneth Wood and Vincent D'Angelo, failed to take advantage of the opportunity to present themselves.

NO STRAIGHT STATES

The ballot arrangement as required by law, listing candidates alphabetically according to the vacancies for which they filed, is complicated with none of the three "slates" in a straight line. (See form of ballot elsewhere on this page).

Incumbents Herbert Johnsen and Jerome Zettler are teamed with Cornelius (Neil) McCormack and their supporters urge the election "of men who cooperate and can work together to provide our children with excellent education at reasonable cost." Teamed together are Robert E. Goodrich, incumbent, with Frank Muller and Walter Haner. Their campaign literature calls for more and larger citizens' advisory committees as well as particular stress on recreation.

A late-filing third slate headed by former Board member Emil J. Szendy includes Wood and D'Angelo. The Szendy literature seeks to couple the school trustee election with the library trustee race.

Running against each other for the 5-year position on the Library Board of Trustees are Elery H. Bean, incumbent who is supported by the Public Library Assoc., and William A. Bruno Jr.

382 MORE REGISTER

An additional 73 voters registered on Saturday, April 23, with 309 added to the list on Wednesday of this week. Hundreds appeared at registration places to check on their eligibility.

By areas the registered voters now total: Burns Ave, 799, East St. 1, 491, Woodland Ave. 869, Lee Ave. 1,334, Fork Lane 888, Dutch Lane 1,005, and Old Country Rd. 852.

Few people attended the preliminary discussion of the School District budget on Friday night at the High School. Following the two-hour discussion, the Board in a special session voted by split decision to increase transportation to private and parochial schools a dis-

tance of 22 miles from Hicksville next year and added \$10,000 to the proposed budget to cover the cost which may result from such extension of service.

The Board of Education will hold a special meeting next Wednesday night, May 4, at 11 p.m. in the student cafeteria of the high school to tabulate the returns and announce the results.

Price Increase

Effective with the next issue of the MID ISLAND HERALD the price for single copies will be 10 cents. Annual subscription rate will advance to \$3 per year, \$5 for two years. All subscriptions, new, renewal and extensions received prior to May 10th will be credited at the old rate. —PUBLISHER

Editor's Note

One of the candidates for the School Board told the P.T.A. Candidate's Forum, Tuesday night, that material submitted by him did not get into this newspaper. As this issue went to press, no material regarding the candidacy of himself or his running mates had been submitted for publication. All articles and statements received from all candidates in this election have been used.—Editor.

Plans Initiation

The Ladies Auxiliary of the Charles Wagner American Legion Post, Hicksville, held a covered dish supper, Sunday, Apr. 24 at the Legion Hall. Seventeen families attended the social.

The social followed the dress rehearsal of the Post Color Guard, who put on a drill for the Post and Auxiliary members.

ELERY H. BEAN

Beam Seeking Library Post

Elery H. Bean is running for re-election to the five-year term on the Hicksville Free Public Library Board of Trustees. The election is Wednesday, May 4.

"He is a resident of Hicksville for 40 years; is past president of the Hicksville PTA, Director of Adult Education in the School District from 1949 to 1958. He is a member of the Hicksville Methodist Church where he serves on the Official Board. He is employed as a Supervisor at American Bosch Arms Corp. in Garden City.

Bean said that his opponent, William Branz stated that the Library did not permit either of the Democratic clubs to use the Library auditorium. This is not so, as the Democratic Club has used the facilities several times for meetings which were open to and of general interest to the public. This is in line with our policy set up by the Board to grant any organization the use of the Library for meetings which are open to the public and of an educational nature or of general interest. Copies of our policy are available to anyone interested.

The Rev. JAMES TAYLOR of St. Paul's Lutheran Church in Bethpage, will deliver the spiritual message on the "Chapel of Reflections" program presented by Radio Station WHLI, Hempstead at 8:00 a.m., Sunday, May 1st.

Support Our Volunteer Firemen

Every household, according to the best available mailing list, has been sent an appeal by the Hicksville Fire Dept. in behalf of its annual welfare fund appeal. The volunteers urge all residents to make their returns as promptly as possible, using the convenient enclosed return postage-paid envelope. There are many local and regional fund appeals received during the year which deserve our attention and consideration. The drive by the volunteer firemen, in view of their unselfish service to their neighbors without thought or desire for compensation, is a particular local appeal which merits special cooperation.

Parents Group Supports Candidates

A committee of Hicksville parents and taxpayers has formed for the election of Jerry Zettler, Herbert H. Johnsen and Cornelius J. (Neil) McCormack to the Hicksville Board of Education next Wednesday, May 4th.

Zettler and Johnsen are incumbent members seeking re-election. They are teamed with McCormack for the third vacancy on May 4th.

Joseph Giordano of 11 Marshall Lane is chairman of the committee urging over 6000 registered voters to cast their ballots for the three candidates. Voting district chairman have been named.

"During the tenure of Johnsen and Zettler, the Hicksville School District has dropped from the newspaper headlines while the Board has

quietly gone to work treating the problems of education with respect for the fundamental purpose of education and the wise and prudent administration of our schools in relation to the abilities of the homeowners to pay and sustain the system," Giordano said today.

The three candidates have this fundamental platform:

- (1) Continue to maintain the high standards achieved by the school District.
- (2) Keep the tax rate at a reasonable level without sacrificing essential services and programs.
- (3) Strive continually to provide the children of Hicksville with the best possible education by providing the best possible teachers and administrators, as well as the necessary.

The White Birch of Jericho Civic Assoc. has announced its support of Harold M. Spielman for the School Board of Jericho. District 15. Spielman, who resides at 745 Gardale Rd. has received the support of many prominent citizens of the Jericho area. He is running against the incumbent, Irving Brand.

With the completion of the facilities currently under construction, Spielman believes the attention of the district must be focused more intensively on developing an educational program of highest quality. This can only be done, he feels, through careful evaluation of our system and a more highly developed communication process to and from the people in the community.

Spielman is a sociologist by training and is a vice president of the Schwern Research Corp. which specializes in marketing, communications, and motivation research. He is a past president of the White Birch Civic Association and one of the founding officers. As chairman of its education committee he has regularly attended meetings of the school board and is, therefore, highly informed concerning the needs and problems of the Jericho District.

It's Your Problem Too!

By ALLEN S. CARPENTER
President, Hicksville School Board

Some people would like you to believe that to belong to a majority group is somehow *subversive*. By the irresponsible use of terms like "majority clique" or "majority block" they infer that somehow the majority is dictatorial or at least undemocratic. Such a viewpoint (once we pause to analyze it) is of course completely contrary to the basic principal of Democracy. Without the willingness to express an opinion, and the willingness to accept the responsibility for that opinion, we would have no direction in government or in school affairs. Without a majority agreement we would have anarchy—without the democratic willingness to accept a majority decision—we would have (as in Cuba and in some of our South American countries) a revolution after every vote.

As president of your Board of Education, today I represent the majority of the duly elected board members. As leader of this group, I am proud of what we have accomplished, in the past two years.

As an enrolled Democrat I recognize the valuable role of the minority. But I deplore the irresponsible attitude of some of the candidates in this election in their efforts to discredit the basic principals of Democracy.

Board members who brag of their independence, who brag that they have always opposed the school board "majority," are only advertising their freedom from responsibility for all the decisions of the majority of the board. They are shouting that if the board did anything that you as voters are unhappy with—don't blame them, because they were not members of the responsible majority group. This we understand, but how many of us understand that the same "brag" relieves them of all credit for the good direction, and accomplishment of the responsible board majority.

We have one such board member who is running for reelection. He disclaims all responsibility for our failures—but would claim all the credit for our successes. I cannot judge those who are running with Mr. Goodrich—I can only guess that as his teammates they are of the same mind.

OUR LADY OF MERCY SCHOOL and Convent on South Oyster Bay Road, Hicksville, will look like this when completed. A building fund for a minimum goal of \$500,000 was inaugurated this week with Bishop Kellenberg presiding at a solemn opening, Tuesday, during which he blessed the campaign workers. More

than 700 men from Hicksville and Plainview have volunteered to work on the drive to provide the funds. The school will contain 24 classrooms, auditorium-gymnasium, cafeteria, medical room, library and numerous other facilities. The Convent will house the Sisters of Mercy who will comprise the school faculty. (TABLET photo.)

Town to Improve 120 Miles of Streets

A broad program of road improvements under the Highway Department's road construction plans for 1960 covering all areas of the Town, and including the resurfacing of many miles of Town roads with permanent road construction material and the improvement of approximately 120 miles of Town roads with asphaltic oil and blue stone is now under way, Highway Superintendent Thomas R. Pynchon announced.

Pynchon noted that prior to 1950 the principal function of the Superintendent of Highways in Oyster Bay Town was maintenance of existing roads. During the past decade there has been a change to the effect that today the Superintendent

is concerned primarily with new construction and rehabilitation, with maintenance a most necessary but secondary responsibility.

Under rehabilitation, the Town has an economically sound and highly efficient program through stabilization of all roads and streets built of oil and bluestone, utilizing Town-owned modern pulverizing equipment and Town personnel. The result has been the conversion of third class roads, formerly incapable under the old program of carrying today's traffic loads, into first class foundation courses ready to receive black top surface treatment having a long life expectancy while, at the same time, resulting in a definite saving to taxpayers, Pynchon pointed out.

Estimates put the contract cost of the Highway Department's 1960 road improvement program at \$1,737,765.

Included also is the installation of curbing to assist in promoting better drainage in addition to the completion, or extension of permanent type roads where work was started last fall under previous contracts and subsequently suffered enforced curtailment during the winter months.

Some of the major projects planned this year, according to Pynchon, are the construction of a new road on Charlotte Ave., Hicksville, linking Duffy Ave. and Old Country Road to eliminate a serious traffic problem and hazardous condition in

that area.

Cantiague Road in Hicksville, including widening, re-alignment and resurfacing of the road with permanent materials is also scheduled as soon as engineering details are completed. Brenner Avenue, Bethpage and Split Rock Road, Syosset will also undergo permanent improvement in this phase of the program.

"Our road improvement program is geared toward the construction of

permanent type roads. Funds necessary for the permanent improvement program are obtained through fifteen-year highway bonds. The

Public to Halt For CD Tuesday

Col. Louis M. Merrick, Nassau County Civil Defense Director, today called upon all residents of Nassau County to support the County Civil Defense organization during the nationwide training exercise "Operation Alert; 1968" to be held next Tuesday, thru Thursday, May 2nd to 4th.

The stress will sound the "TAKE COVER" signal at 2:15 p.m. EDT on Tuesday. At that time, all expected emergency traffic will be halted and the public will be required to seek shelter and remain under

cover until the sounding of the "ALERT" signal at 2:30 p.m. Upon release, the public will be free to resume normal activities. Certain designated Civil Defense volunteers will then take up their duties in connection with the balance of the Federal exercise.

Keep in mind that what you may learn during "Operation Alert 1968" may save your life and those of your loved ones, should our nation ever be subjected to nuclear attack. Conduct yourself as you would in an actual emergency.

Learn to recognize the warning signals:
TAKE COVER - a three-minute fluctuating tone on the siren.
ALERT - a three-minute steady blast.

Once Upon a Time . . .

By Blanche Kaspel

The clock is striking midnight as we peer into the Ballroom of the Palace. We see two ugly young ladies dancing with two very comical young men! And who is that beautiful golden haired girl running out of the Palace gates with the handsome Prince in pursuit? Why it looks like CINDERELLA! Would you like to know if she is caught? Would you like to know who those funny dancing men are? No—they are not Abbott and Costello—they are called Galfrin and Cordin—but that is all I will tell you about them! The rest you will find out for yourselves when you come to see the Jericho Players of the Birchwood Civic Association in their lavish Spring production of Charlotte Choppenberg, CINDERELLA.

It will be presented live at the Jackson School on Maytime Drive Jericho, on May 14 at 11:00 a.m. and 8:30 p.m. The few remaining tickets may be obtained by calling Adele Zorn at WE 5-2941, or Selma Gold at OV 1-1234. We are sure that our version of CINDERELLA will appeal to children of all ages. We guarantee you all a wonderful time. Many of you still remember the wonderful time you had last year when the Jericho Players performed THE WIZARD OF OZ. This year's show promises to be another memorable occasion.

Pictured above are the entire cast. Do you recognize all your friends and neighbors? They are all anxious to entertain you.

Open Letter to Our Two School Bds.

In this issue of THE VILLAGER we had hoped to bring you a review and recommendation on the proposed school budgets for the Jericho and Syosset School Districts. However, due to the late presentation of these budgets, it has been impossible to make an adequate study at this time. The Board of Directors of the Birchwood Civic Assoc., at their meeting on Tuesday, April 19 voted to present an open letter in an effort to prevent a recurrence of this situation.

The School Boards of The Central School District No. 2, and The Jericho School District.

Each year, the School Board completes its budget in what appears to be a frenzied rush of last minute changes and delays. This year, the Syosset Central School District No. 2 has proposed a record six million dollar budget, and the Jericho School District has also proposed a record budget of over two million dollars. These were scarcely two weeks between the public release of

the budget and the coming budget vote.

The Board of Directors of the Birchwood Civic Assoc. at Jericho has voted to go on record publicly against this hasty, photo-finish practice that is in violation of the right of review.

It is understood that your job is difficult, time consuming, and at times, quite thankless. It is realized that your only compensation is the knowledge that you have exerted every effort to see that your children and your neighbor's children receive the best education possible for the least cost.

However, a considerable part of your responsibility is to present your proposed budget with sufficient time for the public to review and question your data, and to question the reasoning that led you to your conclusions.

We request that your yearly proposed budget be made public at least one month before the vote.

Irwin D. Baumel, President
Birchwood Civic Assoc.
at Jericho.

BCA Endorses Hecht, Brand

By George J. Frankel

At its regular meeting on Tuesday, April 19, the Board of Directors of The Birchwood Civic Assoc. at Jericho, Inc. voted unanimously to endorse the re-election of Sam Hecht and Irving Brand to the Jericho School Board. They also recognized Harold Speelman as qualified. The Board acted upon the recommendation of the Jericho Education Committee, whose complete report is to be found elsewhere in this issue of THE VILLAGER.

The Civic Board also voted to endorse for election to the proposed Jericho Library Board: Daniel Lazare, Gilbert B. Stein, Abraham J. Blisman, Lenore Sirota, Bernard Bernstein; they recognized as qualified Alvin G. Bennett. This action was taken by the Board after receiving the report of the Library Committee. The endorsements were made on the basis of a comparison of resumes of the candidates as presented in the Committee report. A complete Library Committee report may be found elsewhere in this issue. (Also, please see Editorial).

The Jericho Players were given permission to invite religious and charitable organizations to participate in the sale of tickets, and to share in the profits, if any, on a pro rata basis of ticket sales. The Central League was given permission to participate in joint activities with other organizations.

The Civic Board of Directors deplored the practice of both the Jericho and Syosset Boards of Education in presenting proposed budgets so late as to afford too little time for proper evaluation before election. The Board voted to write an open letter to both School Boards protesting this practice. (See this issue of THE VILLAGER for the letter).

AN EDITORIAL

Vote YES on Public Library May 3rd

A public library in Jericho may not appreciably or quickly improve the level of intellect of our citizens. It may also not substantially decrease the sale of television sets, comic books and playing cards. A public library will, however, afford the thinking persons of our community an opportunity to brush up on the world's literature, to enjoy worthwhile current fiction and non-fiction and to have available in due time a reference library for those of us interested in exploring varied phases of human endeavor, the arts and sciences.

Our growing youngsters will find a local library a center of learning, enjoyment and opportunity for self improvement. Our small children from the age of 5 and beginning with story hours, will become enamored with the love of books.

We, the taxpayers of Jericho will, of course, have to foot the bill. It is our feeling that, at a cost of less than approximately \$6 per \$100 assessed valuation, you, the people of Jericho will want this library. The benefits to us and our children cannot be measured in dollars and cents. Let us watch over every tax dollar which our elected officials spend on education, community protection, services and maintenance, but also let us invest wisely so that we can enjoy the benefits of living and working together in a progressive and enlightened society. A public library for Jericho is such an investment. THE VILLAGER urges you to vote for it on May 3, 1960.

first term as member of the Board of Education. He was interested in the school system even before he moved into the community and he met with Dr. Lant on many occasions. He is an engineer, and because of his professional background he was able to investigate and recommend a change in architectural firms which resulted in greater competence at a lower fee. As a member of the Board he has suggested methods of installing systems of purchasing. Some of his ideas are in use now.

Sam Hecht is completing his first term with the Board of Education. He has been Chairman for the past year. He was active with advisory groups before his term began. He has met with the Board on an average of once a week. In addition, he has been available as a speaker to an amazing number of civic groups and individuals who wanted information on educational matters. Besides this he has performed all the usual administrative duties such as inspecting books, etc. He is a lawyer by profession and his legal knowledge has been of great value to the school system.

The Birchwood Civic Assoc. at Jericho, Inc. endorses these candidates and strongly urges all the residents to vote for them on Tuesday, May 3.

Tuesday, May 10, there will be a Third and Fourth Grade curriculum meeting at 8:30 p.m. in the auditorium of the Jericho High School.

Letter to Editor

Dear Mr. Franklin,
Would you please be good enough to insert an article in THE VILLAGER advising those residents of Birchwood who own dogs not to allow them to run loose and ruin the lawns and trees in the vicinity of Birchwood Park Drive and Placid St.
There are several dogs from Bounty Lane that are permitted to run unleashed at all times, and they cause a great deal of concern to those of us who take pride in the appearance of "Our Town." Thank you very much.
Your neighbor,
SAMUEL H. COHEN
2 Placid Street
Jericho

Editor's Note: This letter is typical of many, many complaints that are received by THE VILLAGER on this same subject. THE VILLAGER takes this opportunity to remind all the residents of Birchwood that there is a Town of Oyster Bay ordinance specifically relating to the control and seizure of dogs. The ordinance declares that "it is unlawful for any person owning or possessing a dog to allow it to run loose or to be at large upon any public highway, street, sidewalk, or other public place in the Town of Oyster Bay." The ordinance further provides that the dog must be on a leash when it is in any of the above mentioned places, and that it must be "under the immediate and full control of the owner or person in charge."

Violation of this ordinance is considered disorderly conduct, and can bring a fine as high as \$25. In addition, any dog found loose can be seized and impounded.
Dogs present a very real problem here in Birchwood, and THE VILLAGER sincerely hopes that all residents who own them will make a substantial effort to prevent them from being a nuisance.

The Volunteers

A bi-monthly series written by William Lutzner for the Jericho Fire Department.
Next month we have a holiday called Memorial Day. This day was set aside so we could remember the men who died while fighting for our country.
But what about the people who die each year because of fire? Is there a memorial day for them? Who even thinks about them after the newspaper articles stop? Do the people remember the children left without parents or a home? The answer to these questions is no. The only ones who do think of these facts are the ones who are immediately affected by them.
Do you know last year in Nassau County alone, over 300 people lost their lives and almost three times that amount were left homeless because of fire?
People very often have the opinion that "it could never happen to me." But it does happen and the only way to stop it is to be careful.
Your town has a fire department whose primary purpose is to preserve life and property. They usually average about one or two fires a

day. We, the men of the Jericho Fire Department would like to see the day when there is no need for a fire department. This day will never come unless the people, and that means you, do everything within your power to prevent a fire from occurring.
Remember, you can rebuild a house, but you can never replace a life.

Syosset School Budget Under Study

The 1960-61 school budget has been delivered to your Syosset Education Committee and is now being studied for valuation. Unfortunately we are not given too much time to evaluate and make specific recommendations on a \$6,142,745 budget. The vote is scheduled for May 4th at the High School 10 a.m. to 10 p.m.
A glance at the budget shows an increase of about \$14 per home per year. This is based on estimated receipts from state aid and the most accurate estimate that the Board of Education can make of the application of the new state aid legislation.

We hope that when the Syosset Education Committee meets, (which should be before you read this) with the School Board and with our own residents, we can make recommendations to the residents in time so that they themselves can determine whether or not to accept the budget.
In any event we of the Syosset Education Committee hope that you will exercise your rights and make every effort to vote. A large Birchwood vote shows our strength.

Girl Scout Council Meets Thursday

FLORENCE BERGER
Mr. and Mrs. Jack Bloom of 94 Hedgerow Lane wish to announce the engagement of their daughter, Gayle, to Russell Smith of Floral Park. All the luck in the world.

Get well wishes to Barry Deakwell of Forsythia Lane.

Sincere condolences to Lillian Lubin of Birchwood Park Drive on the loss of her beloved mother.

Happy Anniversary to Doris and Horace Bernstein of Forsythia Lane. It's their 17th.

The family of the Late Betty Gollan of Merry Lane wishes to express their thanks to Lou Alter chairman of the J.J.C. blood bank and to the people of Birchwood (and elsewhere) who so graciously gave of their blood at the hospital.

A vote of thanks go to two swell girls (twin sisters at that) Joan Solomon of Maytime Drive and Carol Mendelow of Maytime Court. These girls have a rare type of blood and when they heard of a boy suffering from hemophilia (a blood disease) they put themselves on call and sure enough they were needed. Both went to the hospital to donate their blood which fortunately was of the same type as this boy. (O positive). God bless people such as this.

Happy Birthday to Steve Shafer of Briar Lane and Debbie Brunswick of Hedgerow Lane.

Welcome home to Charlie Gordon of Maytime Drive from a quickie European business trip. The Wilensky's of Hazelwood Drive also took a European trip.

To Sylvia Altman of Mulberry Court who is in Tennessee or thereabouts recovering from an automobile accident go our sincerest get well and come home quickly wishes.

Congratulations to Mr. and Mrs. Irving Hirschowitz of Birchwood Park Drive on the Bar-Mitzvah of their son William. Also to Mr. and Mrs. Harold Lerner of Magnolia Lane on the Bar-Mitzvah of their son.

TOURNEY RETURNS TO PLAZA AGAIN

The 32nd annual Hicksville Fire Dept. invitation Labor Day volunteer firemen's parade and drill will take place at Mid-Island Shopping Plaza on North Broadway, Hicksville, it was announced today by Chairman John Larkin following a meeting with Walter G. Stackler.

"The Mid-Island Plaza with its vast paved parking facilities has provided us with one of the finest volunteer firemen's drill courses in this part of the state," Larkin stated, "and we are pleased to announce that the competitions will be held there again this year."

Invitations to participate in the big Labor Day event, which has been described as the greatest of its kind in the entire state, are now being sent to volunteer fire departments and companies throughout the State of New York, as well as Connecticut and New Jersey.

Last year more than 35,000 persons turned out to watch the morning parade and afternoon events on Labor Day, which concluded in a dead-heat tie for point standings between Oyster Bay and Uniondale. The parade included more than 3,500 volunteer firemen with their ladies auxiliary units, almost 300 pieces of fire fighting apparatus and 45 bands of musicians.

As a preliminary to Labor Day, the Hicksville Fire Dept. is currently conducting its annual welfare fund appeal among Hicksville residents and business concerns. Assistant Fire Chief John Specht is in charge of the drive, according to Fire Chief Charles Sauer.

William E. Koutensky, president of the E.I. National Bank of Hicksville, is honorary chairman of this year's welfare appeal and Labor Day competition.

A gala birthday party was held for Gary Leach at Ballpoint Farm by his parents, Mr. and Mrs. Chester Leach, of 261 Division Ave., Hicksville.

Those present to help Gary celebrate his fifth birthday were James Conroy, Douglas Hildebrand, Theresa and John Marshall, Barbara Sherwood, Paula and Norma Boudvier and Frank Kostik.

No. Babe Ruth Offering Candy

North Hicksville Babe Ruth League, faced with the problem of raising sufficient funds to carry out its obligations to the boys of the North Hicksville area, will undertake a candy drive house to house sale next Saturday morning, April 20.

Almost 100 players and adults will participate in this effort. The players will be in uniform and each player is being assigned a quota of 2 cartons or 48 10-packs of Charm candy. These 10-packs are attractively packaged in book form and contain a tempting assortment of hard candies. Each package bears the official BABE RUTH LEAGUE emblem. The price of each 10-pack is only 50¢ and all profits will go toward providing new uniforms and other much needed equipment. The league hopes the public will respond favorably to its junior "salesmen" and help each boy meet his quota.

Normally leagues receive excellent support for the trades people and merchants in town however for this season the North Hicksville league has only one sponsor the MID-ISLAND SHOPPING PLAZA ASSOC. Any company that is interested in supporting this program for thirteen through fifteen year old boys can get full information about the program and its value to the community by calling Joe Kelly, the league president at WB-5-0537.

Library Assoc. Is Supporting Bean

The Hicksville Public Library Assoc. announces its support of Elroy H. Bean for library trustee, and its wholehearted backing of the proposed library budget which will be submitted to the voters May 4.

Association president Dr. Herbert J. Carlin of 48 Pine St., stated that Mr. Bean has an outstanding record as incumbent Library Trustee. "Elroy Bean has worked very hard on the board to make our library outstanding in the Nassau-Suffolk area. Not the least of his recent efforts has been to bring to the voters' attention the need for a Bookmobile. We of the Library Assoc. can support Mr. Bean as a man who has demonstrated his belief in the Hicksville Library as a community service which should be extended to every resident of Hicksville who wishes to use it," said Dr. Carlin.

Your Decision Next Wednesday

(Continued from Front Page)

Szendy and a couple of running mates. It is common knowledge that Mr. Szendy went candidate-hunting when he decided to run for the Board after a two-year absence. In years gone by we supported Mr. Szendy in many controversies. We also disagreed with him on occasion and thus earned his everlasting displeasure.

Mr. Szendy has been called many things and even he will probably agree that he is a "controversial figure." He appears to thrive upon controversy. His entrance into this election is indicative of this. He continually falls out of friends. It is regrettable that having served the community, as he saw best, he should seek to reopen the affairs of the school district to headline hunting. Having failed in his efforts to defeat the school building referendum of Nov. 19, he has launched a court action which ties the building program in knots while the courts ponder. We have no doubt that the final decision will support the voters. The fact that the district voted overwhelmingly in favor of the proposal interests him not at all, as long as he holds a different view.

We sincerely urge our readers to vote on Wednesday to elect McCormack, Johnsen and Zettler.
