6 Fire Departments Assist:

# \$300,000 Fire Sweeps Stores

Vol. 13 No. 31 Thursday, August 4, 1960  
HICKSVILLE, L. I., NEW YORK 10c  
Entered as Second Class Matter at Hicksville, N. Y. Post Office

SIDNEY W. PELLEY of 105 Bay Ave., Hicksville, is chairman of the forthcoming Presidential Edition of the Hicksville Community Directory which will be distributed to over 17,000 homes of the area. The volume being published by the Ernest F. Franke Republican Club is crammed with useful information about the community and its local agencies and includes a revised up-to-date street map of Hicksville.

Aerial ladder trucks were a tremendous asset in fighting the fire on Broadway last night. (Story on page 3. Exclusive photos for the Herald by Frank Mallet.)

## Commuter Bus Service Rolling

On its first day, commuter bus traffic to Flushing from Hicksville was more than double the anticipated load, according to the Schenck Transportation Co., Inc., Floral Park. Fifteen bus-loads of New York bound riders left the Mid Island Plaza, Hicksville, on the express ride into the IRT Subway in Flushing, Queens.

The Schenck Co. had originally scheduled seven buses, from 6:00 a.m. thru 9:30 a.m. However, extra coaches were pressed into service to accommodate the additional passengers.

The new express route uses the Long Island Expressway from Hicksville into Queens, debarking passengers close to the Main St. Flushing station. Minor delays were reported in Queens, where the final construction on the Express-

way is scheduled for completion by Aug. 15th. Buses maintained a 50 to 60 minute running time to their destination, despite heavy Monday morning traffic, with its additional load of commuters now driving into work in New York City. This time will be reduced by 10 to 15 minutes when Expressway construction is completed shortly, officials say.

Additional commuter bus service is being maintained by Schenck from Roosevelt Field to Jamaica, where coaches depart every 10 minutes from 6:00 A.M. thru 9:00 A.M. daily. In both the Mid Island Plaza and Roosevelt Field, free parking space is available to commuter driving in to the loading points.

Schenck is offering the first commutation rate bus ticket for

Long Islanders, on the Hicksville-Flushing express run. A 10 trip weekly ticket, good Monday thru Friday is offered at \$7.50.

### DUSHNICK ACCEPTED

Stephen E. Dushnick, son of Mr. and Mrs. Walter Dushnick of 31 Maple Place, Hicksville, has been accepted for admission to Clark University, George H. Merriam, Clark director of admissions, announced today.

Dushnick attended Hicksville High School where he was a member of the Honor Society.

### PLAN 53 NEW HOMES

A new 53-unit community of residence is planned on a site two blocks east of Bethpage Rd. in Hicksville to be known as Fountainview Estates at Hicksville, being sponsored by Joseph and Fred Carillo. Construction of two model homes is nearing completion.

### ATTEND CONVENTION

Richard G. Krenning, superintendent of Trinity Lutheran Church's 1200 member Sunday School in Hicksville, attended the Lutheran Church-Missouri Synod teachers' convention in St. Louis, June 22 to 24. More than 2,600 Sunday school teachers from the US and Canada attended.

## OBITUARY

### ANNA BOYD

HICKSVILLE -- A Solemn Requiem Mass was offered at St. Ignace Loyola R. C. Church on Saturday at 9 a.m. for Anna (nee McDonald) Boyd of 1330 Richard Ave., here, who died Wednesday, July 27. Burial followed at St. Charles Cemetery under the direction of the Henry J. Stock Funeral Home.

Mrs. Boyd is survived by her husband, William; her son, William S.; a brother, Jack McDonald; two sisters, Betty Curry and Catherine Millbury and two granddaughters, Carol and Nancy Boyd.

### MARGARET SMITH

FARMINGDALE -- Margaret E. Smith, a former Hicksville resident and more recently of 490 Main St., here, died Monday, Aug. 1 at Mid Island Hospital. The wife of the late Joseph T., she is survived by her children, Viola Ploce, Dorothy Geyer and Theodore, George, Joseph and Leonard Smith. She is also survived.

Announcing The Opening Of

## Louise's Hair Dressing

617 E. BARCLAY ST., HICKSVILLE

FOR APPOINTMENT CALL WEIS 5-2581 Louise Rossi, Prop.

## Dear Jean:

Get well wishes to Miss JOYCE DUNLAP of Twinalaws Ave., who returned home on Sunday after surgery at a New York Hospital. Joyce is the daughter of Mr. and Mrs. Dan Dunlap and a little favorite of ours. The neighbors of SAM WEISS on Willoughby Ave. are rejoicing. Sam has finally finished painting that fence. Looks real good too.

Mrs. JUDY KASSAN of Jericho celebrated her (sweet) 16th birthday on July 16th, entertaining guests at a bar-b-cue and swimming party at her home. Mrs. PAUL NISAL of Pasture Ct. Bethpage, has been appointed junior division chairman of the General Federation of Women's Clubs education dept. Our girl "Friday" Mrs. Mary Bloss, down at the Hicksville P.O. off on vacation for the next few weeks. The boys will sure miss her. Welcome home to Mr. and Mrs. Joseph Bean of Autumn Lane, who for the past three weeks have been touring the mid-west and Canada. Mrs. Bean is the new corresponding secretary of the Glen Cove-Hicksville Mercy League, which by the way, had a few more of those popular cook-books for sale. Contact Mrs. VINCE BRAUN at Wells 1-3173 if you are interested. Guess to see Mrs. JULIUS SCHWARTZ and daughter, Sandy, of 8th St. home after several weeks stay at the Seaborn Hotel in Miami Beach, Fla. Good to see you home, Gladys and Sandy.

Another Commuter group held a meeting in Hicksville Public Library last week which apparently was not too well advertised. According to one report only a dozen or so attended. That noisy PAUL AL MILLER "wild" animal circus will be back at Mid Island Plaza from Aug. 8 to 13. We understand folks who live near the Plaza complained the last time it was or about the racket.

Reporting on a collision which nearly caused a "major tize" last week, the county police was quoted as calling the intersection of Old Country Road and Jerusalem Ave., Hicksville "the busiest intersection in Nassau". We always thought so, but now we know the police think so too. Incidentally, the reason a left turn arrow is at that corner is because two county highways intersect. On the other hand Broadway and Newbridge, where they cross Old Country are state highways and the state don't like those left-turn arrows. LEONARD W. HALL, well-known to many in this part of the Township has bounced into national headlines since the GOP convention and Nixon's nomination. Town Tow Car ordinance went into effect on Monday, Aug. 1. Tow car trucks must now carry a license issued by the Town Clerk. Councilman HENRY McINNES has recommended increased street lighting on Elm St. and on East Ave. in Hicksville to provide "greater safety" and the request has been approved by the Town Board. Rev. RICHARD K. MUCK, pastor of St. Stephen's Lutheran Church, is on the Chateau Relief Committee of Nassau Red Cross. He represents Lutheran World Church Service. FRED TILNEY who heads up Government Statistical Corp. with an office on N. Nicholas St., Hicksville, is now affiliated with the Nassau-Suffolk Computers Committee which we never heard of but was supposed to have been organized in 1948. Committee who with help are invited to write Tilney at Box 202, Hicksville, including his full name, address, etc.

Hicksville Rotary Club Bulletin reports the International Convention takes place this year in Japan and a motion had been made to send LOU SMITH. Hicksville Board of Education enjoyed the air conditioning in their meeting room, last Friday night and found it so comfortable they didn't go home until 2:30 A.M. Mr. and Mrs. WILLIAM BRAUN of Halsley Ave., Hicksville, have returned from a four-week stay at their son BERNARD's place in Pawling, NY. BILL tells us he is going to Maine "next week". Saw HENRY GEBHARDT visiting at the fire-house recently. He says our initial information about his illness was not correct. He was hospitalized due to fever, not a heart condition. Mrs. BARBARA BARNETT was guest of honor at a surprise party given at the home of one of her sons, Walter. Mrs. Barnett left July 30 with her sister on a trip home to Nuhrenberg, Germany, where she is now visiting her sisters and brothers. This is the first time home for her in 46 years.

There have been some new changes in the back rooms of the Hicksville P.O., mailing tables and cabinets have been moved around and some new ones installed. SMILEY and the rest of the boys really need naps to find their way around. Belated greetings to DOUGLAS BRADY of Twinalaws, who celebrated his 15th birthday on Sunday with a family dinner party. Our sincerest sympathy to Mrs. William Geyer of Grove St., and the entire Smith family on the death, early this week of their beloved mother, Mrs. JOSEPH SMITH of Farmingdale. We have known Mrs. Smith for a good many years, as she was a former resident of Hicksville, and we know that she will be missed by many.

Don't let the hot weather get you down. Remember, there are only 121 shopping days until Christmas.

The Hicksville High School Alumni Assoc. will meet on Monday evening, Aug. 8th at the High School Little Theatre. Plans for a super 'Home-coming Day' in November will be discussed. This is the third annual and with all the work that chairman, HOWARD FINNEGAN and his committee has so far put into the affair, we are all going to have a grand time. Be prepared, friends, and let's all have a good 'Old Time' Hicksville Home-coming. Happy Birthday to Mrs. EUGENE MARTINO of 69 East St., who celebrated 77 years yesterday (Wed). Family dinner party was held at the home of Mr. and Mrs. Fred J. North, Twinalaws Ave. We are reliably informed that a public hearing will be held this month on an application for a golf driving range, miniature golf links and possibly a battery of trampolines on that property between North Broadway and Bethpage Rd.

by nine grandchildren. A Solemn Requiem Mass was offered at St. Kilian's R.C. Church, Burial followed at St. Charles Cemetery.

# \$300,000 Fire Fells Firemen

Hicksville's most disastrous fire in recent years caused more than \$300,000 damage last night (Wed) but was brought under control less than three hours. About 20 volunteer firemen were overcome by smoke with about half that number requiring hospital treatment.

Three alarms were sounded. The first was a call from the box at Bway and Nicholas St. at 5:27 P.M. A second call was sounded at 5:35 P.M. and the third at 5:39 P.M. With the help and stand by assistance of Bethpage, Plainview and Jericho Fire Depts and the oxygen request from East Meadow and Westbury, the fire was extinguished before 8 P.M.

An immediate investigation was launched by the Nassau County Fire Marshal's office at the request of Chief Charles Sawyer who estimated better than 150 men of Hicksville Dept were on the scene. The fire, which apparently originated in Kantor Bros. tire and recap plant, drew thousands of spectators as a pillar of smoke rose hundreds of feet in the sky.

The fire swept south on Broadway, gutting the Joyce Charn School and Blackman & Klein, whose sale plumbing concern it did not strike Olga Specialty Shop, to the north which had been gutted by flames a few years ago and was halted before it reached the Chinese laundry at the south, another fire victim in recent years.

The fire apparently started in the rear of Kantor Bros. in a one story section of the building. Occupants of an apartment of Kantor's building were made homeless. Another occupant had vacated the second apartment that day. Burning rubber and tires from Kantors threw a cloud of smoke into the sky.

The premises are opposite St. Ignatius Church between Nicholas St. and Carl St.

RECENT CHANGE in N.Y. Telephone Co. management in this area resulted in the designation of Paul J. Walsh of Wantagh, as manager for the territory served from the Hicksville central office which includes the exchanges of Wells 1, 5 and 8 and Overbrook 1. His office is in Levittown at 3297 Bethpage Turnpike.

### UNIVERSITY STUDENT

Miss Meryl Iris Widder, daughter of Mr. and Mrs. Siegfried R.J. Widder of 191 First St., Hicksville, is among the new Long Island students accepted for enrollment at Valparaiso (Ind.) University. She is a June graduate of Hicksville High.

### SET NEW DATE

The newly weds are now residing in Hempstead.

### MAKE DEAN'S LIST

Two Hicksville students at the State University College of Education at Oswego have attained the Dean's List distinction for the 1959-60 Spring Semester. They are Renee Siegel, daughter of Mr. and Mrs. Isidore Siegel of 47 Glenbrook Rd., and Miss Joyce Van der Merlen, daughter of Mr. and Mrs. Charles Van der Merlen of 43 Pine St. Both are freshmen at the college.

### NEW ARRIVALS

Mr. and Mrs. Mitchell Vanden of 69 Dorothea St., Bethpage are the proud parents of a son, James Alan, who arrived July 23.

A daughter, Cynthia Susan, was MacDonald of Hicksville, Cynthia Susan arrived at Hantsgton Hospital, July 20.

A son, Peter Joseph, was born to Mr. and Mrs. Peter Collins of 98 Benjamin Ave., Hicksville, July 23 at Mercy Hospital.

## Resident Leads State Police Conf

John R. Martin of 20 Hastings Lane, Hicksville, President of the Police Conference of New York, Inc. and several of his members criticized the New York State Assoc. of Police Chiefs in Buffalo,

at the close of their convention for their resolution suggesting the Legislature modify the residency requirements of police officers whereby only police officers from New York City could live outside the municipality that employs them.

The Legislature repealed the old Lyons law, that restricted police officers place of residence. Previously it was mandatory that they live within their employing

## MOVES HIS STATION

Bill Nimmro is moving his Testaco Service Station today (Thursday) from South Broadway, Hicksville, to 470 Stewart Ave. at the Bethpage RR station.

municipality.

Martin who represents the 50,000 civil service career policemen of New York State stated the Chief's resolution is inaccurate and unrealistic, the law as presently constituted has been urged by the Police Conference for years and at no time did the Chiefs Assoc. object.

## Carries License For Five Towns

Gas Riedinger at Broadway and Old Country Rd., Hicksville, who has been operating a tow-car service for 12 years, is probably one of the few if not the only tow-car operator licensed in the five Long Island townships which now require registration.

Gas is licensed in the Towns of Hempstead, North Hempstead and Oyster Bay in Nassau and the Towns of Huntington and Islip in Suffolk. His four tow trucks carry so many license tags now he fears he may have to get a bigger van to carry the tags.

## Becomes Bride

Miss Linda Rose Latimer, daughter of Mr. and Mrs. William Latimer, became the bride of Frank Dannels, son of Mr. and Mrs. Earl W. Dannels of Bradenton, Florida, on Sunday, July 31, at the Faith Evangelical Lutheran Church, Syosset. Upon return from a wedding trip to New England, the couple will reside in Hempstead.

Mr. and Mrs. Dannels both are employed at the Sperry Gyroscope Co. Mr. Dannels is a former Air Force Captain and graduated from Brooklyn Polytechnic Institute.

## Sept 11 Drive To Aid Retarded

Mrs. Ernest Boumpne, President of the Levittown-Hicksville Auxiliary of the Assoc. for the Help of Retarded Children, announces that the local drive for funds will be held Sept. 11.

The Hicksville Chairman will be William E. Koutensky, President of the Long Island National Bank of Hicksville, Honorary Chairman will be Judge Francis Donovan. Funds raised during this campaign will be used to support the local AHRC program.

## BETWEEN DEADLINES

THE SHUTDOWN of the LIRR, tossing 6,000 out of work because 1,600 are on strike, has led to some local checking as to when the LIRR stopped so completely before—if ever.

It is not within the memory of any we have talked to that such a halt has taken place before, with the rare exception of those days in the 1930s when heavy winter blizzards made it impossible for a wheel to turn. We are thinking about the time a 7-car passenger train was halted on the rails just outside of Hicksville and sat there for a whole night, snow piled up to the coach windows.

But way back in the early days of the LIRR history there were times when the trains did not run because the local folks objected to the iron horses. It came about like this: The engine locomotives burned hard wood, which was plentiful, and of course the engine threw a blanket of flaming embers over the country-side in addition to smoke. These burning chunks of wood set fire to farms and fields near the rail road tracks and the farmers quite understandably got upset. They got so upset, in fact, that they frequently uprooted the rails and barricaded the right of way to prevent the trains from going thru.

And during that interval in early Long Island history, the wood-burners sometimes ran out of fuel before they reached the next stockpile near a station. When that happened, men and boys in the passenger coaches were invited to get off the train and help the train crew collect timber and logs from the trackside until the engineer could build up enough steam to proceed.

Legend, more than history, also says we own the LIRR a debt of gratitude. It is said that the LIRR engines killed off most if not all the rattlesnakes on the island. It seems the snakes, according to the story, loved to crawl up on the tracks in the hot sun which was okay because trains didn't run thru very often. But when they did, chop-chop and another rattler bit the dust.

We do know there are not supposed to be any active rattlers on the island today.

OF COURSE the history of Hicksville as a commercial and residential center is closely tied with the development of the LIRR. When the first track was built, it ran out from Jamaica and ended at Hicksville. It stopped dead there for a number of years because they had a big national depression back in 1857 which halted all road building.

While Hicksville was the end of the line, it was natural for Rail Road people to make up residences here. We have never found a picture of the shops and round house at Hicksville, but we do know that historians tell us most of these installations burned down in a big fire.

INSULT TO INJURY DEPT: A RR executive who always, but always, goes to work in Jamaica by train, had to drive in by car last week—and got involved in a collision on the Parkway.

## Name Winner in Poster Test

Peter Iverson, of 36 Clay Lane, Levittown, has won first prize in the Second Annual Poster Contest, held by the Daily Vacation Bible School Committee of the First Baptist Church of Hicksville.

His prize winning poster reflected the current theme, "Fighting For Christ", and depicted a covered wagon, westward bound, with a huge bible as its main cargo. Rendered in oils it is more a painting than a poster, and the first prize which consisted of artists supplies was singularly appropriate.

Runners up were Ed Johnson and David Britain of Hicksville.

The poster contest is held each year to publicize the "Daily Vacation Bible School" held in the church building at the intersection of Liszt St. and Pollok Pl. Aug. 8 to 29 teenagers meet in the evenings from 7:30 to 10:00 P.M. Mondays, Tuesdays, and Thursdays for their "Frontier Club."

Children 4 yrs. thru twelve will meet Aug 15 to 26 from 9:30 A.M. to Noon Mondays thru Fridays. In addition to Bible study a diversified program of games and handicrafts is planned. All children and young people are cordially invited to attend.

Official Publication of the Birchwood Civic Association, Inc.

## AN EDITORIAL:

### MR. MORGAN'S BEEF

Mr. Robert Morgan is the editor of the Center Island News and Jericho New Journal. This small weekly is distributed free of charge and unsolicited to some residents of our community. It consists mostly of Advertising and Editorial Opinion. Mr. Morgan has been seeking to provoke a feud with the Editor of the Mid-Island Herald, Mr. Fred Noeth, who, of course, made possible the existence of the VILLAGER as well as the more recent WEST BIRCHWOOD NEWS.

The VILLAGER and its parent body, the Birchwood at Jericho Civic Assn. Inc., do not care about the political persuasion of Mr. Fred Noeth, our Publisher. Nor do we object to the fact that he happens to be an active Republican. All we know is that Mr. Fred Noeth is a friend, a good neighbor, and a responsible, public-minded citizen of the Town of Oyster Bay, who, as the Publisher of the VILLAGER, has never interfered in what we wanted to say and how we wanted to say it. The fact that most of us may be Democrats has nothing whatsoever to do with our freedom to dispense in print local news, features, and editorial comment, which in the past has been and which in the future will continue to be non-political in nature. We are a Community Newspaper and we let the chips fall where they may, regardless of politics.

Mr. Morgan, in the July 29th issue of his publication, has congratulated the Birchwood at Jericho Civic Assn. Inc. on its 6th birthday in a most sarcastic manner. He stated that the Birchwood Civic's membership has been shrinking, whereas in truth (and we can document this) we have increased our Civic Association membership each and every year of our existence. He calls ours a "declining" birthday while labeling our Association as a wing of the local GOP. He further accuses us of occasionally championing the causes of our local Town Board. He attacks our Association's successful discount plan and then winds up stating that our aims and purposes are a far cry from what most Civic Associations stand for.

Speaking for the record, the VILLAGER has at times lauded action by our Town Board whenever we felt that the same was in the interest of the health, safety and wellbeing of the Citizens of our Town. We have attacked and condemned the Town Board on other occasions, whenever we felt that in matters of Zoning, Traffic, Sanitation and other matters, the Board did not live up to its responsibilities. As a free and independent newspaper we have we have never been influenced by politics in Oyster Bay.

Since Mr. Morgan's dislike for Fred Noeth, either personally or politically, seems self evident, we can bear it when he calls Mr. Noeth "The public relations man for the GOP in Hicksville". If Mr. Morgan is, however, seriously interested in the promotion of a two-party Government in the Town of Oyster Bay, we seriously doubt the effectiveness of the methods he seeks to employ in the accomplishment of this worthwhile endeavor. He will not succeed in doing so by attacking THE VILLAGER, the Birchwood at Jericho Civic Association, and certainly not by misrepresenting facts as he has done in the July 29th issue of his publication.

One last word about the Jericho News Journal and Mr. Morgan. When one of our local Birchwood residents approached Mr. Morgan about 3 or 4 months ago to offer him news items on a regular basis from Birchwood, this individual was told all too bluntly by Mr. Morgan that he is not interested in Birchwood at Jericho News.

While we now wish to join Mr. Morgan in extending to the Birchwood at Jericho Civic Assn. Inc. our best and most sincere birthday wishes, may we remind all our readers that it will continue to pay them to belong to our Association. Our discount plan, endorsed and supported by many local merchants and businesses, will continue to save a great deal of money for our residents. As to the innumerable worthwhile civic accomplishments of our Civics, we feel that for three years the pages of THE VILLAGER have indeed recorded in detail the innumerable fine deeds for which our Association can take full credit.

## Meet You at Poolside

by David A Mark

The inevitable response to my request for an interview, made to me by Birchwood's private pool owners, was—"meet you at poolside". The time of day varied depending upon one's convenience, but never the hospitality or graciousness with which I was invited to visit and "take a dip."

Almost uniformly, our local pool proprietors consider their wet comforters as humorous conversations—a kind of super deluxe, dreamy dishwasher, clothes dryer, automatic comfort provider sort or thing, designed to make living here more pleasant and desirable. Each pool represents a considerable investment, but no one felt the need to anchor himself on his pool deck and use it continually because it was there. One lady still rashes her visits to the surf and sand of Jones Beach. Her daughter's complaint, however, was that having a pool in her backyard prevented her from joining her friends at one of the local pool clubs.

Pool owners concede a distinct preference for entertaining at home—"poolside"—rather than seeking external pleasures elsewhere. Their children, particularly, have the somewhat unique opportunity to have "water parties" whenever a party situation is called for.

Without exception, sensible safety rules prevail at every pool visited. No children in the pool unless adults are present. Neighbors children leave very quickly that they are parents are present, or other planned supervision is provided for.

And what about the neighbors themselves? Their reactions to living next door to a liquid back yard varied—understandably enough—from: "It's swell to have a good neighbor with a pool," to: "If I'd known they were going to build one, I'd never have bought this house". Complainers run the gamut from too much filter machinery noise to too much people noise. In any case, it is impossible to generalize and say that a neighbor's attitude is determined by the number of invitations he receives to "come over and take a dip". Many people simply don't like water anywhere or anytime.

Pool owners themselves feel no strain in their relations with neighbors and friends. As one gentleman put it, "The people whom I invite to my house can now enjoy an additional bit of hospitality that I can afford to give to them. Others couldn't come into my house whether I had the pool or not". Many owners endeavor themselves to community organizations by lending the use of their pools to fund raising socials. As a group, they try to be considerate of their neighbors' desire for peace and quiet. Some have enclosed their filter machinery in sound proof enclosures, or plan to do so. And this reporter has heard no tales of wild poolside parties running seven nights a week.

You may ask, how about any night-time pool party? Isn't it a noisy affair? Well, undoubtedly it could be, but this is true of any patio party on a mid-summer night. One might even think that the sound of splashing water could have a cooling effect when the mercury climbs high in the evening heat. Certainly, fully-clothed dunkings take place. Sometimes by accident and sometimes by design, with his mother, who suggested that he wouldn't dare jump into the pool, climbed, in the middle of the winter. It was the easiest dollar he ever made. (Brave me! I've offered to take the same bet, come next January!)

We asked for "poolside" stories with a humorous twist, but this elicited little more than a reluctant shrug of the shoulders. We did hear, however, of the presumably full-bodied young lady who fell into a pool with all of her clothes on. When she climbed out, laughing in good humor, she was embraced happily by her husband. Twin jets of water then fluted out of her rubber padded bra, and deflated all the envy felt by her friends who had considered themselves less well endowed than she was. (Note: This little story may very well be a fancy tale reserved for too inquisitive reporters. It has not been authenticated.)

By and large, this writer enjoyed his "poolside" visits and regrets that a deadline prevented a more thorough investigation of the subject. Candidly, he would not be averse to making this a continuing series if more invitations to "take a dip" would arrive between now and Labor Day.

## What's In A Name?

by Fred Green

"Old Bill" Shakespeare could never have imagined the controversy these four little words would someday create in our Village of Birchwood Park.

Each year, as sure as the coming of crab grass, Japanese beetles, and taxes, a hue and cry goes up to change the name of our community.

During the 1959 airing of this matter, the idea gained sufficient momentum to put it before the entire community in a referendum vote. The proposition was defeated and promptly went into hibernation for that year.

The subject came up again at the June 1960 meeting of the Birchwood Civic Association Board of Directors. No conclusions were reached at that time, but the lively debate underscored the Boards need for a Parliamentarian do correctly interpret "Robert's Rules". That worthy gentleman, we mean the Parliamentarian, Mr. Roberts, was appointed at our July meeting. Now while the midnight oil burns in putting better acquainted with friend "Roberts", the issue has been tabled until the next meeting of the Board.

The fire has temporarily abated, but the pot simmers on.

While the pros and cons over our name continues to make interesting conversation, almost every one agrees that the addition of attractive structures at several of our entrances, would do much to enhance the appearance of the community. A committee of the Board of Directors of the Civic Association, reported on this subject at the last meeting. They came supplied with color slides of entrances at other communities and with preliminary information regarding them. A further study has been authorized.

Our community is on its way towards matching its smart interior appearance with a bright "new look" from the outside.

SUPPORT YOUR CIVIC ASSOC.

## Villager Inquiring Photographer

By HORACE BERNSTEIN

Nathan Florence Evelyn Mildred Charlotte

QUESTION: "What improvements would you like to see at the four entrances to our community?"

NATHAN WARREN, Flower Lane: "Have two brick pillars followed by an arcade of large shade trees. On the pillars should be a sign 'Entrance to Village of Birchwood Park'."

FLORENCE POLLICK, Forsythia Lane: "Stone walls with ivy planters hanging down and lanterns on top."

EVELYN TURKELL, Forrest Dr: "Brick pillars with old fashioned lanterns and some sort of planting

arrangement. Also a guard to keep out the commercial traffic."

MILDRED TURKELL, Maytime Dr: "I'd like to see them finished."

CHARLOTTE KELLERT, Birchwood Park Crescent: "A stone or brick curved wall with an insert having the name of the community. Lights should be behind the same to show it off as indirect lighting."

## Financial Secty Reports Gains

by Horace Bernstein

In spite of some misinformed editorial comments by another paper, the Birchwood at Jericho Civic Association is well on its way to topping last year high membership of 600 families.

With the third and last mailing of invoices out, membership in the Civic Association is 575 member families. This week, with the third mailing reminder, membership should come near or reach the 700 mark.

We hope that you who have not as yet sent in your dues, will do so now. Your support is needed to help the various groups that function within the parent Civic group.

Look in your check book, NOW, if you fail to see a stub for the \$5.00 dues, it means you have forgotten, with the best of intentions, to mail in your dues. So it NOW while it is still fresh in your mind!

## Portable Pools Require Fences

by Ralph Diamond

Many of our residents have portable swimming pools that are being used in our backyards, which may require adequate screening in order to permit their usage. As a precaution against children accidentally drowning, the Town Board passed Ordinance relating to the use of such out door pools.

The Ordinance defines an outdoor water pool as one whose surface area is greater than 100 square feet and will retain water to a greater depth than 18 inches. The use of such pool requires a permit from the Building Department of the Town of Oyster Bay. An adequate fence must be provided to prevent accidental entry and unauthorized use of the pool. The fencing may be constructed of various approved materials not less than 4 feet high. Specifications of the type of fencing must be submitted to the Building Department for their approval, when applying for the permit.

The Ordinance further requires that disposal of the water in the pool be done in a manner that will prevent the flow of water onto the land of an adjoining property owner. The applicant must show in his application, the plan for the disposal of water.

These Ordinances have been put into effect to insure the safety and welfare of the general public. We in Birchwood, should adhere to the law, thereby eliminating the possibility that one of our own children may accidentally enter into an unguarded pool. Remember if you have a pool greater than 100 square feet and which holds at least 18 inches of water you must apply for, and receive a permit from the Town of Oyster Bay.

Further information regarding the screening can be received by calling this writer at OV1-1283.

## Clearing House Gets Underway

by Irving Hershkowitz

On Monday evening, July 11, a meeting of representatives of approximately 25 Jericho organizations took place at the Jericho Jewish Center. The prime purpose for this meeting was to prevent any possible conflict of organizational dates.

A ready reference calendar of

events was prepared (clearance for all dates up to Aug. 1961) with all groups participating. This method is expected to enable each organization to plan their functions with the knowledge that no two important affairs will take place at the same time.

The feelings of apprehension and anxiety that appeared prevalent among some groups prior to this meeting were quickly dispelled once the proceedings commenced. The competition for all the choice fall and winter dates did not materialize. Instead we observed a harmonious and most cooperative spirit by all involved. There was conflict with only four dates. These have either been resolved or are in the process of being resolved.

The dedicated purposefulness of

HOWARD SCHACK, at right, 17 year-old high school senior instructs Harry Vacek in some of the finer points of batting. At the right, Mrs. Mildred Richards, senior leader and two student leaders, Marianne Kraft and Marie Masiello, lead a group of youngsters in a Swiss circle dance at Burns Ave. School recreation program.

The individuals representing their respective groups drew admiration from this onlooker. The evidence was all here that these groups are carrying the ball for every single individual who resides in Jericho because each and every one of us must surely be affiliated with one of the pet organizations that was represented at this meeting. The efforts displayed by these people as they hammered out a calendar of events is deserving of the SUPPORT of all of Jericho.

Also gleaned from this meeting was the fact that Jericho is gradually taking on full maturity as a town. This was evident from the many important and essential groups that are now busily engaged in promoting and establishing good welfare programs.

This program was sponsored by the Jericho Jewish Center, under the capable chairmanship of Rochelle Lamhut.

## An Open Letter

Mr. Robert L. Morgan, Editor Centre Island News Bethpage, New York

Dear Mr. Morgan: Your recent editorial in the Centre Island News is indicative of your complete lack of information about the Birchwood Civic Association at Jericho, Inc.

Had you made an effort to contact any one of the twenty-five active members of the Board of Directors, he could have told you that the anniversary you refer to was that of our Association's publication, THE VILLAGER. You would have discovered that it was the third, not the sixth anniversary.

Had you asked them about the membership, they could have told you that it is not dwindling, but is larger than it has ever been. (Possibly the largest Civic Association on Long Island.)

Had you asked about our discount plan, you would have found it to be only one of the minor efforts we make to be of service to our members.

Some of our recent activities, that are supposedly "a far cry from what most Civic Associations stand for", are:

- 1) A Youth Group program for all Jericho teen agers
- 2) A Golden Age Group for the senior citizens of our community
- 3) The Art League, which recently had a very successful outdoor exhibit.
- 4) The Drama Group, which has just chosen a comedy for its Fall presentation.
- 5) The Jericho and Syosset education committees which maintain constant liaison with both school boards. Any member of the school board can readily testify to this fact.

6) Affiliation of our Cultural

Committee with the Mid-Island Concert series. Three hundred of our residents have subscribed to the 1960-1961 series. The Civic Association is now planning the joint sponsorship of a free Saturday afternoon children's concert. I recently sent a delegation to Albany to question the Department of Public Works with regard to an access road to the Long Island Expressway, which is currently under construction at the entrance to our community.

8) The Civic Association was recently instrumental in the formation of a Joint Jericho Civic Council, which consists of all Jericho Civic Associations.

9) On the light side, our Softball League meets Sunday mornings, giving the men an opportunity to work off their aggressive tendencies. Perhaps Mr. Morgan would care to join us.

Should you ask further, the list can easily be doubled. It is interesting that a writer unfamiliar to me, or anyone else on the twenty-five member board of directors of the Civic Association, can compose a supposedly authoritative newspaper editorial out of complete ignorance.

May I suggest that before you attempt to report, or rather let us say, editorialize on a subject, you check your facts. If our Civic Association is the subject of one of your "little items," all the information you desire will be made available to you.

Very truly yours,  
IRWIN BAUMEL, President  
Birchwood Civic Association  
at Jericho, Inc.

## Free Training

Registration is now open for a free decorating course at Sachs Quality in Mid-Island Plaza. Beginning on Monday, Aug. 15, and continuing for 6 weeks, Sachs will conduct a free course in Interior Decoration for homeowners in the area. Each of the lecture-demonstrations will be given on Monday, at 7:30 P.M. in the community room of the Sachs Quality store in Mid-Island Shopping Plaza.

## Finishes Training

Cadet Edward A. Altieri, son of Mr. and Mrs. Nicholas H. Altieri, 25 Morris Dr., Hicksville, completed six weeks of training at the Army Reserve Officer Training Corps summer camp at Fort Gordon, Ga., July 29. During this training Cadet Altieri received practical experience and instruction in technical, mechanical and administrative subjects, with special emphasis placed on the duties of a second lieutenant. The 20-year-old cadet was graduate from Glen Cove High School in 1957 and is a student at Worcester (Mass.) Polytechnic Institute. He is a member of Phi Sigma Kappa fraternity.

## NEW ARRIVAL

"Good News From Mercy Hospital" reports that a son, Michael John, was born to Mr. and Mrs. William Murphy of 328 Nicholas St., Hicksville.

## LePener Family In Switzerland

Mrs. Joseph A. LePener of Syosset, and children, Kevin, John and Colette, have arrived in Villars, Switzerland, where the children will be attending Beau Soleil Institute in the Swiss Alps for the summer.

Dr. Joseph LePener will be flying by jet on Aug. 11 to join his family, abroad. On the following day, he and Mrs. LePener will leave for a month's tour of Europe including the music festival in Salzburg, Austria and a two-week visit to Vienna. They will return to their home at 2 North St., Syosset, around the middle of September.

## Landscape Architect Needs License

by Ralph Diamond

An interesting new law was recently passed by the State Legislature requiring a license before any person can call himself a "Landscape Architect". The new law describes a Landscape Architect as one who performs professional services such as consultation, investigation, research, planning, design or responsible supervision appearance, preservation, drainage etc.

In order to qualify for a license as a registered landscape architect, a person must graduate from a school offering an approved curriculum plus a prescribed period of practical experience. In lieu of the above, a person may qualify to take the exam if he can prove that he has had at least 12 years of actual practical experience as a Land-

scaper. No person may practice as a licensed landscape architect unless he passes an examination and is actually issued a license by the State of New York.

The landscape license is subject to the revocation suspension etc. in the event of any wrongful act of the licensee is guilty of fraud, deceit, gross negligence, incompetency or misconduct in the practice of landscape architecture.

The new law will go far in helping to eradicate the abuses caused by many so called landscapers. The law will become effective on April 1, 1961, perhaps a little too late to help Birchwood. However, in the future with our personal recently acquired landscape experience and the protection of making a licensed landscaper, we will get greater value for our money.

Summer time is party time in our Village...to mention a few... the surprise testimonial party given Otto Sakik past president of Temple Or Elohim, at the Gil Szeiz's home...the farewell to this house, party given by Ross and Marty Goldberg. The 3 piece orchestra made it triply successful...the surprise birthday party given Norman Turkell by his ever loving...

And the talk of Madeline Lane. The Beasal Swaykist...given by Sylvia and Leo Gillary for all their neighbors. Japanese food and chopsticks, and the guests arrayed in authentic garb made the evening an unforgettable one.

They will find a way...the inveterate card players won't let a little thing like a railroad strike spoil the usual game to end from the city...the man in the middle of the back seat of the car becomes the table, and the game goes on...

Happy Birthday to Fred Green and Lesny Wainick and when you see Lesny, remember its "First Impression" that counts.

Adding insult to injury...Edith Solberg is now walking around in a neck brace, the latest result of the fall from the train.

Bert and Florence Pollock off to California on a combined business and pleasure trip.

The latest story making the rounds is about the Birchwood wife who prepared a wonderful dinner for her husband...caviar, vit-chyodine, trout, almonds, green espresso, etc., and when asked by her adoring mate, "How come," she said, "Darling, I just ran out of Franks."

The latest innovation to stimulate the tired business man is a quick ride across town in one of Henry Dockwell's custom fitted trucks.

For a romantic revel under the August moon, join ORT's "Eyes" at Roosevelt Park in Oyster Bay. Their Bar-a-Que per excellence at 8:30 P.M. on August 20th, will be a music filled evening that's too good to miss. Tickets are only \$7.50 per couple. Contact Janic Haytick at WE 8-8883.

Fran Silver's of Maytime Drive was surprised with a birthday cake at the Temple Or-Elohim affair last Saturday night.

August Birthdays run in families. Victor Marshall and his son Elliot, of Briar Lane, celebrate theirs the same week.

Gladys Shuman and daughter Cindy have a birthday a week apart.

Carolyn Rosenberg, of Hightop Lane, and husband and daughter all celebrate birthdays together in August.

On Saturday, Sept. 17, the Mark...

Miss Larry Lesser Jericho Chapter of Cancer Care is having their 3rd annual Luncheon at the new and beautiful Dorian's Beach Club in Glen Cove. A fashion show called "Jericho Waves" plus many door prizes await those attending. A good time may be had by all for a donation of \$4.75. For tickets call Claire Reifman—Wa. 1-5832 or Tina Bass—OV. 1-0479.

The Sisterhood of Temple Or-Elohim, Reform Congregation of Jericho, announces a poolside card party "A Luncheon Is Served", to be held at the home of Elaine Jacobson, 75 Maytime Drive, on Wednesday, Aug. 17 at 12:30 P.M. Donation \$2.00 Tickets may be obtained from Elaine Jacobson, OV 1-0385. Luncheon and door prizes.

The Executive Board of the George Jackson School Parents Teacher Assoc. met on the patio of President Faye Feldman's house, 111 Hazelwood Drive, Jericho, for its first meeting, on July 25. Breakfast was served and varied plans were undertaken to make this P.T.A. year an outstanding one.

The Jericho Jewish Center Sisterhood will hold its fifth annual summer festival, Saturday, Aug. 13th at 9:00 P.M. at the Roosevelt Memorial Park in Oyster Bay. Live band, all you can eat and drink \$8.00 per couple. For tickets call Arlene Levitan WE 5-8424; Doris Bernstein, OV 1-2718 or Mary Mann OV 1-1584.

Blanche Kerpel had the hub caps stolen from new car, and some kind witness left a note in her car giving the license number of the car used by the young culprits. A growing business was slipped in the bud.

### Nelson Given Farewell Party

Paul Nelson of Bay Ave., Hicksville, was guest of honor last week at a farewell party given by his friends at the home of Arthur North, Twinalawn Ave. Paul and family were former residents of Twinalawn.

Guests included: Gary Schlesinger, Richard Oeming, Billy Downing, Michael Pucci, John Helzer, Mrs. Martha Martino, Mr. and Mrs. Fred J. North, Miss Lydia North, and Mr. and Mrs. Dan Dunlap, who supplied the very nice cake for the affair.

Paul has entered the Navy and is now boot training at Great Lakes, Ill.

### Ruschs Return From Coast

Mr. and Mrs. Wm. Rusch of First St., Hicksville, returned home last week from a few weeks stay in Escondido, Calif., visiting the home of their son Frederick, and his family. While out West the Ruschs visited Disneyland, Capetran, Mexico, and Texas. They also visited with Mrs. Rusch's brother and family, Mr. and Mrs. C. W. Melman of Tucson, Arizona.

The Ruschs also attended a baseball game—the one where the former Brooklyn Dodgers beat the Giants - 8 to 2.

The Ruschs did their traveling by plane—regular and jet. All in all, they had a good time and its good to see them home.

### Rewarded At End of Fast Walk from Hicksville

IT TOOK BILL OMELTCHENKO, centre, three hours, six minutes and 21.7 seconds to walk the 21 miles from Hicksville to Long Beach in an Olympic Development Walking Race sponsored by Central Federal Savings and Loan Assoc., recently. It was the first walking race held on Long Island since 1928. Nicola Marrone, no. 40, came in second, three-quarters of a mile behind Omelchenko and John Shilling, wearing glasses, was third. They received trophies from (left to right) Louis S. Kan, executive vice president of Central Federal; Dr. Leo

Gordon, a director of the bank and general chairman. Smith was a member of the US Olympic running team in 1913 and held several mile race championships in the US and Canada from 1912 thru 1914. Omelchenko, who is 30 years of age, and Shilling competed for the NY Pioneer Club while Marrone is with the Unione Sportiva Italiana of Montreal, Canada. The race started at Central Federal's office at Bway and John St., Hicksville.

Contract period from Sept. 1, 1960 to Sept. 1, 1961. Bids will be received by the Board of Fire Commissioners of the Jericho Fire District at 430 Jericho-Hicksville Rd., Jericho, N.Y. until 8 p.m. on August 8th, 1960 and will be opened and read at aforesaid time and date. Envelopes must be plainly marked "Gasoline & Oil Bid". The Board reserves the right to reject any and all bids submitted to it and to accept that bid which is in the best interest of the District. Roy Van Nostrand, Sec. Dated 8/1/60 - C28438/4 Jericho Fire District, Jericho, N.Y.

NOTICE TO BIDDERS

TRANSPORTATION OF PUPILS The Board of Education of Union Free School District No. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York (in accordance with Section 305 Subdivision 13 of the State Education Law) hereby invites the submission of sealed bids on Transportation of physically-handicapped Pupils for School Year 1960-61. Bids will be received until 2:00 P.M. on the 12th day of August, 1960 at the Superintendent's Office, Administration Building, Newbridge Road, Hicksville, at which time and place all bids will be publicly opened.

Instructions to Bidders, Specifications and Form of Proposal may be obtained at the Business Office, Administration Building, Newbridge Road, Hicksville, New York. The Board of Education reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the District. Any bid submitted will be binding for forty-five (45) days subsequent to the date of bid opening.

BOARD OF EDUCATION UNION FREE SCHOOL DISTRICT NO. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York. Fred J. Noeth District Clerk C286X8/4

LIQUOR LICENSE NOTICE

NOTICE IS HEREBY GIVEN that License No. C123 has been issued to the undersigned to sell liquor, wine, cider and beer at retail, under the Alcoholic Beverage Control Law at 341-345 Broadway, Hicksville for off premises consumption. Fred Kravemar, Inc. 341-345 Broadway Hicksville, N.Y. C27028/4

Notice is hereby given that License No. 6A3421 has been issued to the undersigned to sell beer at retail, under the Alcoholic Beverage Control Law at Farmers Market Bldg., W/S of Hicksville Rd., Hicksville, N. Y. for off premises consumption. Jacob Zellman & Bertha & Jerry Spiegel, D.B.A., Nassau Farmers Market Grocery C275X8/4

preparatory to departure from the 5th National Jamboree. Due to the numbers of Scouts involved, departure is scheduled over three days, Friday, Saturday and Sunday. We leave Sunday along with the rest of the contingent. Then we stop at Chicago and Niagara Falls to see the sights.

Today we took down all the tents and folded them. All patrol equipment must be packed in the patrol box. The stove and cooking gear must be cleaned. Boy, what a job. But we have plenty to look forward to. We had a chuck wagon dinner, including entertainment. There will be a bull whip act and plenty of good, old-fashioned western singing.

JAMBOREE

(Continued from page 12)

(and, unfortunately inedible) birthday cake with 50 candles for this is the 50th anniversary of Scouting in America. Then there will be the famous candlelighting ceremony which you have probably seen on the special show about the Jamboree by the time you read this, 55,000 candles what a sight.

For the next three days we will see sights in the area. Then we will leave for New York by way of Chicago and Niagara Falls.

JULY 29 - First Side Trip

Today our troop took the first side trip after the Jamboree. We went to the garden of Gods, the Cliff Dwellings and the Air Force Academy. First we went to the 200-foot Gateway Rocks and then to Hidden Inn. The Inn is four stories and looks like a dollhouse next to a mountain. Many Scouts with cameras got nice pictures from the top story which is open.

Next we went to the Balanced Rock and Steamboat Rock. The Garden of the Gods was originally a vein of sand stone in a mountain of softer rock. The softer rock was worn away by erosion, leaving many lovely and amazing rock formations. There wasn't time to see the entire garden.

Then we went to some cliff dwelling. They were almost inaccessible, though a road was built. The houses were almost a block long made out of tiny bricks and some sort of mortar. The rooms seem to be built for people smaller than we are today. It's very interesting. Our troop could only pass by the Air Force Academy because we didn't have passes. Other troops took tours of it. We had lots of fun. The remainder of the 55,000 Scouts today took down their camp

JULY 31 - Heading Home

Today is the day we leave for home. After church, all Scouts left at the Jamboree (including our Troop 65) packed their duffel and loaded it onto trailer trucks which will be shipped back by flat-car. The buses to take us to the station is an hour late and the train is three.

In Colorado Springs we will have something to eat at a drug-store and then leave. We have had seats on this train but the food is good. Tomorrow we will be in Chicago.

Operation VFW

William Gouse Jr. Post Veterans of Foreign Wars BY JOHN R. TURNER

"Well, our meetings appear to be livelier" quoted our commander, James E. Rock, and we are still in the activities planning stage, especially our post picnic on Aug. 28 at Bethpage State Park and plans are in the offering for our Fall Dance in September.

Commander Rock was the post raffle and our regrets go to Charles Glardonville who won the Dark Horse. Well then there now, Lou Palladino, Rock won the post drawing. Now whose pulling rank, Lou?

We are still in need of blood for our V.F.W. bank at Meadowbrook Hospital. This necessary lifeline must never stop for its purpose is vital to our very existence to those we serve as well as ourselves. There must be enough to replenish what is ever used and our main duty to the community we serve is to provide for our common good.

Happy to report that Angelo Devino's mother-in-law, Mrs. Berwick, is slowly making her way back to health and may be home soon.

# Herald Movie Time Table

## LATEST METHOD

Three Nassau cured cancer patients will learn the latest methods for teaching cancer victims to speak again at the International Asso. of Laryngotomies in St. Louis, Missouri from Aug. 8 to 12, according to W. Arnold Jeanson of 300 Flatview Rd., Hicksville, local Cancer Crusade Chairman.

## Witnesses Go To Boston

About 40 of Jehovah's Witnesses from the Hicksville congregation are leaving to attend the north-eastern U.S. District Convention of the Witnesses Aug. 11 to 14 at Fenway Park, Boston, Mass. Truman Marchant, presiding minister of the Hicksville Congregation, in announcing the plans of the local delegates said that it has been necessary to cancel all local meetings from Aug. 11 to 14 due to many being away for the Assembly.

## Wedding Set In Clearwater, Fla

Mr. and Mrs. Charles P. Pendleton of Clearwater, Fla., have announced the forthcoming marriage of their daughter, Joan to Howard C. Heustner. The ceremony will take place at the Trinity Presbyterian Church of Clearwater, on Saturday, Aug. 13 at half past three o'clock.

Mr. Heustner, a former resident of Hicksville, is the son of the late Mr. and Mrs. Harry Heustner. Mr. Heustner's grandfather was a well known Hicksville businessman having operated Heustners Dept. Store at the corner of Broadway and West Marie St. for many years.

**Heaven Is Far From it**

The Long Island Paper Bottom Bureau warned Nassau and Suffolk County residents today that they had best turn their noses up at offers being circulated by a local company promising the elimination of taxes, sometimes called "free of taxes."

# St Ignatius Blues Champs

In the St. Ignatius CYO Invitational Baseball Tournament which started with eight teams namely the St. Ignatius Gold, St. William the Abbot of Seaford, The Roosevelt Sportsman Club of Roosevelt, St. Boniface of Elmont, Massapequa Park A.C., St. Ignatius Blue, Hicksville PBC and St. Raymond's of Lynbrook came to the finals on Sunday, July 31st, at the Hicksville Sr. High School Field.

A scrappy St. Ignatius Blue team which at first was given little chance of winning met St. William the Abbot another underdog in the final. In a real big league atmosphere with four umpires officiating play ball was called at 2 P.M. St. William because of its better over the season record was the favorite but a bunch of young diehards under the coaching of Joe Geoghan, Lou Curtis and associates had other ideas. Bobby Dentel pitching for St. Ignatius Blue was without question the outstanding player in the game. Pitching his usual strong game, Dentel pitched not-hit ball until the final

inning when a well hit ball thru the box and to the right of second base was knocked down by Tommy Gill who made a fine pivot but the ball got by the first baseman making the runner safe at first.

However because of the well placed hit and allowing for the fine play of Tommy Gill this had to be called a hit being the only one allowed by Dentel in seven innings of tight pitching. St. William, however, never gave up and did manage to tag two good drives to the outfield which were gathered in center by Tim Shanley and in right field by Charlie Accetta. The timely hitting Curtis Shanley, Geoghan, Healey, Stinson and Alf McGinnigle produced four runs with the final score being 4 to 0 in favor of St. Ignatius. Kelly, Gill also made themselves known in a fine defensive game. Dentel had 14 strike outs.

The Rt. Rev. Monsignor Geo. M. Bittermann trophy was awarded to the winners by the good Monsignor in person and Father Ballweg, moderator of St. Ignatius CYO, presented his trophy to St. Williams as the runner up.

## Football Call

The St. Ignatius CYO hereby issue first call for football. All boys who have registered and others who have not but would like to try out are asked to report to the Hicksville Jr. High School field on Aug. 15th at 4:30 P.M. All positions are open and every boy is welcome to try out. Weight limit is 125 pounds.

## High Tides At Oyster Bay

## ENLISTS IN NAVY

The Navy announced today the enlistment of Edward Alfred Preuss, son of Mr. and Mrs. Edward Preuss of 60 Barham Ave., Plainview. Edward enlisted under the High School Graduate Program and was guaranteed a school in the Aviation Field. Edward will receive his recruit training at the Naval Training Center, Great Lakes, Illinois. Edward enlisted through the Navy Recruiting Station, 67 North Broadway in Hicksville.

## HARRIS ENLISTS

The Navy announced the enlistment of Robert Edward Harris, son of Mr. and Mrs. Robert Harris of 11 Ruth Road, Plainview. He enlisted under the High School Graduate Program. Robert will receive his recruit training at the Naval Training Center, Great Lakes, Ill. Robert was guaranteed a service school under the Nuclear Field. He will receive Electronic Training plus one year of Nuclear School. Robert is another young son of this area to take advantage of the Navy's High School Graduate Program.

## YOUTH UNIT WORKSHOP

A youth committee workshop will be held at the home of Mrs. Julie Schachter, 5 Bart Court, Plainview on Aug. 4th at 8:30 P.M. The event is under the sponsorship of the Eastern Long Island Branch of the National Women's League of the United Synagogue of America.

# Internationals Win District 30 Crown

Tuesday, July 26, at Underhill Field, Syosset, the people of West Plainview saw their Little League team go down to defeat by a 4 to 1 score to a fired up Hicksville International all star team.

Plainview West jumped off to a 1 to 0 lead but Neil Zeigler of the Internationals put his team back into the game by hitting a home run in the third. Naughton, pitcher for West Plainview, didn't give up another hit until the sixth when the Internationals suddenly exploded. Dennis LaRosa, second batter in the sixth, promptly stroked out a line drive double. With first base open and one out, Plainview West wanted no part of George Schwartz and gave him an intentional walk to get at Steve Cooper. With two strikes on Cooper, Naughton made a fatal mistake by trying to fire his first one past Steve for the third strike. Not having any part of this Steve Cooper put the game on ice by belting the ball for a 210 ft. home run.

Schwartz, in registering his first win gave up 4 hits, run, walked one, and struck out 9. Naughton for West Plainview in losing only gave 3 hits, 4 runs, walked 6 and struck out 11.

## WINNING ON THE DISTRICTS

Thursday, July 28, saw the Internationals repeating their winning ways and this time the opposition was supplied by the Hicksville National. This game was witnessed by one of the largest turnouts for a local Little League game and they were treated to a real thriller, worthy of the Big Leaguers.

Neil Zeigler of the Internationals engaged in a pitchers' battle with Gregg Weiss of the nationals with Zeigler coming out on the long end, 2 to 1. Gregg Weiss of the Nationals given a 1-run lead, was a terror on the mound for 5 innings when again the Internationals exploded. This time singles by Bobby Baranski and Jimmy Bergholtz set up the play for George Schwartz. George proved himself equal to it by belting a long double for 2 runs, putting his team ahead. Weiss reduced the rest of the slide but the damage was done. In the sixth after, two were out, the Nationals refused to die and threatened with a long double but Zeigler only smiled and proved he was to

his task. As if to prove this was the Internationals game, Zeigler made a dramatic unassisted throw out to end the ball game and put the Internationals in the Area Playoff game. In winning, Zeigler gave up 1 run, 2 hits, walked 1, and struck out 8.

In losing the game, the Hicksville Nationals have nothing to be ashamed of. They played a fine game, playing all the way and never giving up. Words cannot express the praise that should go to these boys.

## DEFEAT NATIONALS

After being rained out Saturday because of "Greens," the Internationals took on the Hicksville American League, this game to decide which team would be the area champs and which team would represent District 30 in the District Tournament.

Under the capable management of George Jackson and his co-manager, Ben Baranski, again at Underhill Field, and this time with George Schwartz pinning a real squeaker, the Internationals came out on top 1 to 0. Schwartz, pitching a near masterpiece, not only held the Americans scoreless, but in the process allowed but one hit and walked no one.

Aided by the fine receiving of Bobby Baranski and an astringent infield, George wheeled through lining after lining while his opposing pitcher Frank Gidowski held the Internationals in check with but one hit so that going into the bottom of the sixth, Manager Jackson was faced with the prospect of replacing his pitcher due to Little League Tournament rules; unless the game could be called away immediately. With one out in the bottom of the sixth, Quiet Mike Toomey hit a soft low liner to the second baseman, who trapped the ball giving the Internationals their second baserunner of the game. Jimmy Bergholtz then straggled through the infield while Toomey running carefully, stopped at second. Neil Zeigler who had been hitting consistently, then came to bat and promptly rapped the first pitch over the second baseman's head to drive in the winning run.

This game was by all odds a fine example of Little League at its best. No amount of words could sufficiently praise both these teams for such a fine exhibition. The pitching was outstanding, the fielding superb, and the managers and coaches on both teams deserve a word of praise for a job well done.

For the first time in the history of the Hicksville International Little League, their All Star won the District 30 Area Championship and the right to represent District 30 in the next tournament leading to Williamsport. Good luck, boys, all the way.

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
 By JERRY CONNOLLY

INTERESTING TO NOTE: Senator Frank Church, the Democratic Convention's keynote speaker, received an American Legion Oratorical Award when he was only 16. It looks like it didn't harm him a bit...matter of fact, it might have spurred him on to greater endeavors in statesmanship.

of the building plans. Interested parties can get in touch with Rudy Bouse, building committee chairman.

our annual installation of officers is slated for the 1st of October at our post building. More news on this event as the day nears.

Interested members should start making plans to attend the Annual Past Commanders Dinner Dance set for Sept. 17, at Frank's Alibi, in Plainview. Couples planning to attend should get in touch with Bob Heppel, or Al Barlow at the earliest opportunity. Just in case you didn't know, you do not have to be a Past Commander in order to attend.

THIS SCENE is becoming typical at the box office of "Hit the Deck," popular musical running at Jones Beach Marine Theatre this summer thru Labor Day.

## 108,000 Visit Exhibit at Plaza

During one week of the recent "Antique Americans" display at Mid Island Plaza, more than 108,000 persons went thru the exhibit, according to Joseph Kaselow in the Herald-Tribune, Sunday. Discussing the use of shopping centres as stages for product promotions on a national scale, Kaselow said there are some 4,000 shopping centres that have sprung up in the four or five years and that it is predicted there will be some 10,000 shopping centres in the next ten years. It was also noted that Cross County in Yonkers has drawn as many as a quarter million people in a single day during the Christmas period.

# Day by Day Report on Jamboree

By CHRIS TYLICKI, Boy Scout Correspondent

(Editors' Note—The following day-by-day alarmed reports about local Troop 63 at the Boy Scout's 5th National Jamboree at Colorado Springs were received by the HERALD from its Scout Correspondent with the boys from all parts of the Nation and 55 foreign countries)

## JULY 20 - Enroute West

Today, after a hearty breakfast, the 537 Scouts and leaders of the Nassau Contingent, enroute to the National Jamboree, changed at the National Jamboree, changed at Chicago. We got more comfortable trains of the Illinois Central Rail Road. We took an hour and made a train of busses that stretched from one station to the other. Then we were on our way. We are and have been in the Plains States where the prairie stretches to the horizon. The scenery is beautiful and all shouterbogs are happy this day.

## JULY 22 - The Opening

Well refreshed after sleeping under the stars, the Nassau contingent turned to the business at hand. After an equipment check the Scouts raised their tents in the glorious shadow of Pike's Peak. Amid much picture taking, we finally got set up. After lunch, we

erected pathways to each troop, showered and ate dinner. After dinner was the campfire concluding with a grand display of fireworks. Even Pike's Peak joined in the celebration with fireworks on the top. The display lasted a half hour, after which the troops returned to their campsites and bedded down for the night. Among other stars at the ceremony were Larry Ross and Jim Arness. This day was an exciting one.

## JULY 23 - Trading Day

Today at last we were given our first day of free trading and roaming of the Jamboree. The scouts in our troop met many scouts from many states and many countries. We met not just for swapping patches, neckerchiefs and the like, but for the joy of making a new friend from someplace new. In the spirit of co-operation, we closed the day with a campfire at which a Troop from Kansas joined. We made many new friends today.

## JULY 24 - Scout Is Reverent

Today came dramatic proof that a Scout is reverent. Fifty-six thousand Scouts from 30 faiths gathered at services this morning. The huge arena was almost filled with Protestants and special buildings in

hills around camp overflowed with Scouts of many faiths. Television station KOA in Denver covered some of the services.

This night is the night celebrated in the Jamboree in memory of Lord Baden Powell who founded the Scouts in England. Tonight after a day of swapping meeting Scouts from other states and countries, each Troop holds its world friendship campfire. We were privileged to have Pierre, a Scout from Luxembourg, at our campfire. Lord Baden Powell had only a hint of the international friendship and unit the Scouts have grown into today. The campfire closed with a ceremony in which a marble inscribed with the Golden Rule was given out. If all nations followed this we would be at peace. The Jamboree is an example of co-operation ruled by this rule: "Do unto others as you would have them do unto you."

## JULY 25 - Twister Hits

This morning the Thunderbird Patrol had the honor of being the Service Patrol for Region 2. The Thunderbird Patrol is composed of John Lassing (Hicksville Troop 293), Larry Desfield (Hicksville 291), Mark Berke (Plainsview 393), Andy Stenkiewicz, Mike Golub, Mike Rayben, Richard Dobrow and Chris Tylicki (all from Plainsview 433).

The best patrol is chosen for this duty which consists of laying in chaise lounges until it is time to empty the ash trays in the headquarters tent.

Later in the afternoon, a twister hit us. All the tents on one side of camp were down while the other half was untouched. However, most of the damage was in the camp next to us. We could see tents, air mattresses and sleeping bags in the air. Later, another passed to the west of us ripping branches from trees and splintering them around.

This afternoon we saw a real western rodeo at which one man made the highest score ever made at bronco-busting. To wind up a wonderful day, we were given the sight tree for visiting.

## JULY 27 - Adventurer's

Today is the next to the last day of the Jamboree and there is a flurry of activity. There is an award offered called the Jamboree Adventurer's Award and the Scouts all want to earn it. The various activities are all for Scouts having a good time and learning new skills.

## JULY 28 - The Last Day

Today is the last day of the 5th National Jamboree. Everyone looks sad at leaving and at the same time

happy to see the folks back home. This night there will be a big ceremonial camp fire with a huge (Continued on page 8)

**A Good Lawn This Fall Guaranteed!**

**That's right—even if your lawn is a jungle of crabgrass now!**

CLOUT® wipes out even thickest, toughest crabgrass fast. Works where all else failed! Just fill the Scotts Spreader, set the dial, take a half-hour walk.
