Few Vote on Fire Budget

Less than 150 persons voted Tuesday night at the E. Marie St. Firehouse and approved expenditures totaling \$186,500 by the Hicksville Fire Commissioners during 1961. Besides the budget of \$107,000 there were four propositions including one for \$70,000 to purchase two new fire engines. The new fire trucks was carried with 92 votes yes and 30 no. Hicksville will be getting its sec-

ond aerial ladder truck, one for Company no. 6 housed on Strong St. A new 1,000 gal pump is planned for Company no. 2 at Briggs St.

Vote on the budget was 115 yes and 9 no. Proposition no. 1 calling for expenditure of \$1,000 on purchases, drills and tournaments carried 113 to 10. Question no. 2 allowing \$2,500 for "inspections" (Continued on page 2)

Adult Education Students To Enroll Here Next Week

Registration for driver training will take place in the High School Little Theatre on Sept. 12 and 13 after 7 PM.

Dear Jean:

Happy "going back to school days" to all our youngsters, grammar school, high school and college ones. We wish you the best of luck with your school days for the next year and of course, the years to come. Wish we could go back to school and know what we know now. Your school years are the best years of your life—experience talking—Glen Cove-Hicksville Merry League meets today, (Thurs.) at the Brookville Country Club with luncheon at noon, sharp. So glad the Hicksville Fire Dept. had such a nice day for their instrument. The parade was beautiful and the excitement a real good affair. Hicksville High School Alumni meets on Monday, Sept. 12th at 8:30 p.m. at the High School Ladies' Theatre. It's a general meeting so every Hicksville High School graduate get out there and have your say. Glad to see FLORENCE (Woodbury and West St. crossing—East St. School) and KITTY (Woodbury, Bay Ave. crossing, R.R. tracks) back at their jobs with the Police Dept. Ladies' Cop's guarding road crossings for our youngsters going back to school. Lady Cop's is what our young guys and gals call them, and we all like them—they do a good job.

WILLIAM E. KOUTENSKY, president of the L.I. National Bank of Hicksville, who is close to HENRY G. REISEMANN with a reputation for starting the day early, dedicated new branches of the bank in Plainview (Old Country Rd.) and Bethpage at 8 A.M. yesterday (Wed) and got back to Hicksville in time for the Board of Directors meeting at 8:30 A.M.

A new Republican club is being organized in Jericho and we understand that RALPH DIAMOND, former president of the Birchwood Civic Assoc. may be its first president. BILL NELSON, former drum major for Mid Island Plaza, was guest speaker at Hicksville Kiwanis last week, reporting on the Long Island Fair at Roosevelt Field set for Oct 8 to 16. It was formerly the Mineola Fair. We understand Bill is "a little more streamlined" SAM SCHWARTZ of Schwartz Furniture is recuperating from his recent surgery. A friend who recently had occasion to check tells us that out of 64 weekly newspapers in Nassau County, only two are still standard 8-column size while the rest have reverted to the more convenient tabloid size.

CHARLES VOEHT, who loaned us that old time Nicholas School group picture published last week, adds a footnote that the teachers in the group were Miss Curran and Mr. Humes, principal. The fall on the judging arch for the Labor Day tournament had some anxious moments when a five week struck one of the supporting guide wires. The L.I. Better Business Bureau urged this week that certain deceptive paint advertising claim featuring "two gallons for the price on one" be discontinued. They are still considering LOU SMITH as a delegate for the Hicksville Rotary to the International Meeting in Japan. Dr. VITO CAPPIELLO has resigned from the Rotary Club. SAM KELLNER is back from a flying trip to London, Paris and Israel. Among the latest to seek a review of their assessment, following on the heels of the reduction won by Mid Island Plaza, are the Center Shop at Old Country Rd. and Newbridge.

She resided at the Henry J. Spock Funeral Home where religious services were held for her on Tuesday, Sept. 6. Rev. Edward H. Stammel officiated. Interment followed at Plain Lawn Cemetery, Hicksville.

GENIEVE A. SANDERS
HUNTINGTON—Genevieve A. Sanders of 11 Dewey St., here, died on Aug. 27. She was the sister of Minnie Todhunter, Edith Mac Donnell, Herbert and George Sanders.

She resided at the Henry J. Spock Funeral Home until Monday, Aug. 29 when religious services were held at the General Home at 10 A.M., Rev. Robert J. Retz, officiating. Funeral services were held at the Fresh Pond Crematorium.

FRANCES LUNDE
BETHPAGE—A Solemn Requiem Mass was offered at St. Martin of Tours R.C. Church on Monday morning at 9 A.M. for Frances Lunde of 7 Carroll St., here, who died Thursday, Sept. 1. Burial followed at St. Andrew's Cemetery, Sag Harbor, under the direction of the Arthur F. White Funeral Home.
Mrs. Lunde, who was the widow of the late, John H., is survived by her daughter Frieda G. Lunde.

These people can help immeasurably in assisting his election."

Fehrenbach Assists College Pupils

Assemblyman Edwin J. Fehrenbach of Bethpage, member of the important State Assembly Committee on Public Education, plans to direct his future efforts in Albany towards achieving greater opportunities in higher education for the young people of the State, he disclosed last night (Wed) in speaking before the Independent Voters Assoc. at a meeting in Plainedge High School.

Fehrenbach was the sponsor of the bill signed into law which in the 1960 session of the State Legislature provided \$69 millions in additional financial aid to education.

"While I will continue my work in aid to primary and secondary schools", the Assemblyman told the IVA, "I plan to work for greater opportunities in higher education in private colleges and in public institutions of the expanded and growing State University so that no qualified student is deprived of a higher education because his or her family is without sufficient financial resources."

He reviewed his continuing in-

terest in the problems of financing public education while a member of the New York State Assembly, representing the Town of Oyster Bay and City of Glen Cove. During his very first term in Albany he introduced a formula of State Aid to educational areas plagued with new housing developments, swollen student enrollments and skyrocketing school taxes.

He asserted that he was pleased to note the reduction in school tax rates in many areas as the result of the increased state aid. He declared he would continue to fight for increased assistance for his local constituents in a rapidly growing township.

Working for the Refreshment Committee were Mrs. George Urgo, Mrs. John Hegarty and Mrs. Audrey McArdle, Hospitality Chairman. Special Thanks to the members of the Executive Board who came to help with the decoration of the room and assist in the serving.

Robinson Urges Express Bus Service

Let the people decide whether they want to use bus transportation said Phillip F. Robinson, Republican leader of Hicksville in a sharply worded letter to the Public Service Commission, favoring the petition of the Schenck Transportation to run deluxe express bus service between Hicksville and the Flushing subway line. The PSC is expected to announce a decision soon on the Schenck petition, heard on Aug. 19th.

Initiated during the LIRR strike Schenck Buses carried 7000 riders per week, and subsequently intro-

duced Long Island's first commutation rate bus service. With the end of the strike, riders on this route dropped to 1,300 weekly, until the PSC ordered the service halted on Aug. 15th. Some 2,000 riders are now carried daily by Schenck on all other routes. Schenck officials pointed out that they have long planned to run an express bus service from Hicksville to Flushing, upon completion of the LI Expressway, thus providing the only direct means of transportation between these two points. In his letter to the PSC, Robin-

son further stated that he had contacted a number of residents of the Hicksville-Levittown area, and found "strong support" for continuing the new Expressway Route among commuters, and housewives who would use the new service for mid-day trips to the New York City and Flushing areas. Robinson pointed out that economical transportation was vital to a great many families.

He suggested that those interested in seeing additional means of public transportation made available should write to the PSC.

BETWEEN DEADLINES

Washington Irving Van der Pool Sr. passed away the other day at the age of 81. He had made his home in Hickson in recent years, but we recall the days when he was a fellow reporter on the local scene as a scribe for the Brooklyn Standard Union.

He had been mayor of Prospect before we met him. He was one of the first public relations directors for Hofstra College when it first opened its doors.

Another associate of earlier days in the daily field, Leo P. Manning, has gone ahead. We worked with him in the city room on the Nassau Daily Review-Star when he was the ace leg man for Prospect and vicinity and we covered the less sparsely settled mid-island region. We later met again when he came over to Newsday as did so many of the capable men from the Review-Star. One of the few who did not was John Greene who was managing editor of the Review-Star in our day and later went to the LI Daily Press to become its Albany correspondent.

The 20th anniversary of Newsday last week also recalled some memories of our stint with the Hempstead (now Garden City) daily during its first seven years of existence. We opened one of our stories in that respect of the first issue—a report on the Labor Day tournament which that year was called the 16th annual. If so, then this year's must have been the 36th and not the 32nd as was billed. Maybe that four years were skipped during the War years when the competitions were cancelled.

Actually, Newsday was published for a full week before the public got to see a copy. Every day (Monday thru Saturday) the full staff put out a limited number of copies and no one was permitted to take one outside the building. The publisher and editors were checking their staff coverage of the news, including pictures, excepting competition of that day. The procedure also gave the shop a chance to work out the kinks.

Harold Davis was the first managing editor, on loan from the New York News. Later Allen Hathaway joined the staff as City Editor and when Davis went back to the Big Town, Hathaway became managing editor.

About every newsmen for 100 miles around had applied for a job when it became known a new daily was in the offing. We applied also and got a polite form-letter turnaround from Davis. Then Marty Fireman, who remembered us from the Review-Star, called up and urged us to join the staff which we did. Last we heard of Marty he had gone into a publishing venture at Roosevelt Raceway and for all we know may be in that enterprise to this day.

WEST BIRCHWOOD NEWS

Produced by the

WEST BIRCHWOOD-JERICO CIVIC ASSOCIATION

Vol. 1, No. 26

September 8, 1960

Propose Constitutional Amendments

At the Sept. 17 General Membership Meeting to be held at the Robert Seaman School, the Board of Directors will submit nine proposed amendments to the Associations Constitution to the General Membership for approval. In order that all members may have adequate time to study the proposed amendments, the NEWS is printing below the portion of the Constitution affected, the proposed amendment, and the Board's reasons for recommending adoption of the amendment:

Article I-Section 1-
A. Constitution: The Association shall be known as West Birchwood-Jericho Civic Association, Inc.

Proposal: AMENDMENT NO. 9
Article I-Section 1- delete the word "Jericho".

Reason: New York State would not approve incorporation of the Association under the original name due to the similarity of name with the Birchwood-Jericho Civic Association. The Board has therefore deleted the word "Jericho" from the name of the Association and has filed incorporation papers under the new name.

B. Constitution: Article III-Section 2- The officers of the Association shall consist of the following: President, Vice-President, Treasurer, Corresponding Secretary and Recording Secretary who shall be members of the Board of Directors.

Proposal: AMENDMENT NO. 10:
Article III-Section 2- Add after Treasurer: Financial Secretary.
Reason: The Board is recommending the creation of the new office of Financial Secretary to assist the Treasurer with the voluminous correspondence connected with the collection of dues.

C. Constitution: Article III-Section 4- The Board of Directors shall consist of 10 directors in addition to the officers above named.

Proposal: AMENDMENT NO. 11:
Article III-Section 4- Substitute "11" for "10" (directors).

Reason: The creation of the position of Financial Secretary would have left the Board with 6 officers and 9 directors. The Board felt that it was not right to cut the number of directors. Under these amendments the Board will consist of 6 officers and 11 directors for a total of 17 Board members.

D. Constitution: Article IV-Section 1- Subsections a and b-
a. The candidate for the office of President, Vice-President, Treasurer, Corresponding Secretary and Recording Secretary receiving the highest number of votes cast for each particular office shall be elected as officers of the association.
b. The 10 candidates for the Board of Directors who shall receive the highest number of votes shall be elected as Directors of the Association.

Proposal: AMENDMENT NO. 12
Article IV-Section 1- Subsection a- add after Treasurer: Financial Secretary.
AMENDMENT NO. 13-Article IV-Section 1- Subsection b- Delete "10" and add after the word Association "as provided in Section 2 of this article."

Reasons: The above two amendments are necessary to effect the details of the elections of officers and directors in accordance with changes proposed by other amendments.

E. Constitution: Article IV-Section 2- The officers and directors shall be elected for one year terms. Officers and Directors whose terms are expiring may run for reelection, which shall be limited to three consecutive terms for any office.

Proposal: AMENDMENT NO. 14- Article IV-Section 2- Delete in its entirety and substitute:

"The officers of the Association shall be elected for one year term. The term of office of Directors shall be as follows:

1. The four candidates receiving the highest number of votes shall be elected to a two-year term.

2. The remaining candidates receiving the next highest number of votes shall be elected for a one year term.

Officers and Directors whose terms are expiring may run for re-election."

Reason: This proposal covers two concepts. In the first instance it provides for four directors in each election to hold office for a two year term and thus the Board will have some degree of continuity from one year to the next. Assuming that the amendment determining the number of directors is approved, there would be 11 directors to be elected this November. Of those 11, four would be elected for a two year term. In 1961, and in each year thereafter, there would be 7 Board positions up for re-election of which 4 would be elected for a two year term.

The second concept incorporated in this amendment removes the three term limitation of officers and directors seeking re-election. It is the Board's feeling that any candidate willing to work for the Association shall be allowed to do so as long as the membership is willing to elect him.

F. Constitution: Article IV-Section 3- Except as to the President, any vacancy shall occur in the Board of Directors... the same shall be filled by

ballot of the remaining members of the Board....The person so chosen shall hold office until the next annual election....

Proposal: AMENDMENT NO. 15
Article IV-Section 3: Delete "The person so chosen shall hold office until the next annual election," and substitute: "The person so chosen shall hold office for the unexpired term or his predecessor."

Reason: The amendment is necessitated by the proposal that four directors each year be elected for two year terms. The Board feels that the mechanics of election would be smoothest if an appointed director completes the term of office to which his predecessor was elected.

G. Constitution: Article V (pertains to duties of officers.)

Proposal: AMENDMENT NO. 16
Article V. Add: Section 6: "The Financial Secretary shall assist the Treasurer in duties and shall exercise the usual functions pertaining to this office."

Reason: This amendment merely sets forth the duties of the proposed office of Financial Secretary.

H. Constitution: Article VI-Section 1-A majority of the Board of Directors shall constitute a quorum at the meetings, however on financial matters two-thirds of the total membership of the Board of Directors must vote for a measure. In addition to the budget as approved by the general membership, the board may spend up to 25% over the approved budget. Any additional expenditures over 25% in excess of the approved budget must be approved by the general membership.

Proposal: AMENDMENT NO. 17
Article VI-Section 1-Add after "...general membership," "...The foregoing limitation is not meant to apply to social functions of other transactions which are authorized by the Board on a self-sustaining basis."

Reason: This amendment would allow the Association to enter into contracts for parties, dances, purchases of trees, and the like which are above the 25% budget limitation but which are anticipated to be financed by direct contributions by the members and are not expected to result in any cost to the Treasury above the 25% limitation.

Suburban Gardener

BY RALPH PIGNATARO

The month of September brings the finest lawn seeding weather. Warm days and cool nights, together with enough moisture to provide the best ingredients for a good lawn. If you have ever had any intentions of spending money on good seed do it now. While seeding your lawn you will find it a good practice to fertilize at the same time, but not the same operation. In my last column I mentioned the use of peat humus in top dressing lawns, do not substitute peat moss for peat humus ever, if you want to ruin your present lawn you can, by doing so.

Plans should be made now for fall planting. Many nurseries will soon be stocking up on new fall shrubs. Many plants are sold in the fall that are not available in the spring. The state of Washington & Oregon have contributed such new varieties as Skimms Japanese, Camellia, Variegated Little Holly & Acacia, with a little protection afforded these plants the first couple of winters they will reward you with their beauty for years. When purchasing any one of these plants from out of state consult with the nurseryman as to care of them.

Congratulations to Mort and Eleanor Winthrop on the arrival of their new headdress, Elissa Gay, on Aug. 26th. She was welcomed home by her sister, Pamela, age 4. Mort Cole celebrated his first birthday on August 29th but no festivities took place at his own personal request.

Charles and Romie Auerbach returned from a fascinating trip to Seattle, Washington where Charles was honored by his company.

Congratulations to the "Out of This World" masqueraders who won 2nd prize at the Jericho Country Club dance last Saturday night (Marders, Weinsteins, et al.)

Condolences to Mary Zimmerman on the recent loss of her father.

Art and Terry Carls entertained her brother Richard Orland from Salt Lake City, Utah.

Secret Society on Craig Street dedicated to planting of Zoya grass... leader in Wally Crain... and Larry Keoway hold his hand as his lawn was carried away last week.

TO THE EDITOR:

Dear Seymour:
I was astounded by your last editorial in which you praised and congratulated the community welfare committee (and singled out names) for its part in getting our West Birchwood streets dedicated. Despite any amount of work the committee might have done, the streets were dedicated in no great haste, let's face it. Not only do I believe that the editorial was "wind-dressing," I think it was very unprofessional for you to "plug" names in your editorial.

Both my wife and I have asked the chairman of the community welfare committee to have something done about the dump, i.e., the shrubbery, stagnating water, mosquitoes, weeds, general unsightliness, etc. The answer was: "We're looking into it." While that committee was "looking into it," a neighbor of mine got action on the dump almost immediately after simply calling the Town of Oyster Bay.

While I'm clearing the decks, I might as well say that I've been waiting for more than one year to see a mimeographed copy of the constitution as ratified by the membership last August. It's been promised a half dozen times. The whole Civic Association, it seems to me, is plagued by a "we're working on it" attitude.

If you can show me that I'm wrong, and I hope I am, I'll be glad to apologize to the offended individuals and committees. Otherwise I'm forced to assume that if there's a lot of motion going on, there's not much to show for it.

Sincerely,
MORT WINTHROP

It is the considered opinion of the editors that the groundswell of the hard work which resulted in the streets being dedicated was done by the Community Welfare Committee. As for "plugs," we do not consider that mentioning names in a poor taste. There are no individuals who actually do stonework in the Civic Assoc. that it is not necessary to question an individual's occupation as a prerequisite for praise.

Second annual fall general membership meeting of the West Birchwood Civic Assoc. will take place Saturday night, Sept. 17 at 8:30 in the All Purpose Room of the Robert Seaman School.

The meeting will be chaired by Civic Assoc. president David Serko and the guest speaker will be Supervisor John J. Burns of the Town of Oyster Bay. Mr. Burns will speak on Civic Problems and a question and answer period will follow his talk.

Immediately after Supervisor Burns concludes his appearance, regular business of the Association will begin and among the topics to be discussed and voted on are various amendments to the constitution. The proposed amendments are printed elsewhere on this page.

The meeting will end with a social get together with refreshments being served by members of the social committee.

All members of the Association are invited to attend and those who wish to join the Civic Association may sign up at the door.

What's Cooking?

BY MARY ELLEN LAZARE

ELLEANOR FRIED of 11 Orange Drive has given me a wonderful recipe for Rice Pilaf which is quite unusual as it combines rice and noodles...not only does it complement almost any roast, it looks beautiful, too!

RICE PILAF

Pan brown in margarine 2 cups long thin egg noodles. Then pour in 1 cup College Inn Chicken broth, and 1 can of water. Add to this 1 package of Mrs. Grass' Chicken Noodle Soup (MINUS the bouillon cube) stir and bring to a boil. Now add 1 1/3 cups long grain rice and cover the pan, letting the mixture cook over a very low fire (stir occasionally) until the liquid is absorbed, but the rice is still crisp. Add 1/2 pound sliced mushrooms (or 1 can of B & B mushrooms), re-cover and cook again over a low flame until rice is done...but not soggy. Toss mixture gently, and let it set, covered, for at least 15 minutes. Just before serving add and toss through some whole or sliced blanched almonds which have been sauteed in butter. Now...doesn't that sound good? Speaking of new recipes....

OKT is having a TASTING PARTY on September 13th which should be of interest to all you culinary artists. Everyone is welcome...you don't have to be a member to join in the fun. Just bring your favorite dish (it can be anything from "soup to nuts"...and enough to serve four) and it will be tested by all and judged by RUDY of VILLA VICTOR who will also give a talk on How to Enhance your Cooking. It should be fun and give you a chance to swap recipes with other good cooks, and get some tips from a famous chef. The time is 8:30...the place is the home of Evelyn Tushall, 170 Forest Drive, and of course there is no admission.

Mrs. Joseph Myrato

St. Ignatius R. C. Church was the scene on Sunday, Sept. 4, of the marriage of Eleanor Theresa Morrison to Joseph Alonzo Myrato. Rev. Lawrence F. Ballweg performed the ceremony. Miss Morrison is the daughter of Mr. and Mrs. James Morrison of 81 Myers Ave. Hicksville. Mr. Myrato is the son of Mr. and Mrs. Patsy Myrato of 7 Lake Ave., Oyster Bay.

The bride wore a Schifano embroidered tulle gown with a chapel train. It had six tulle tiers over a taffeta skirt. She wore a tiara and pearl and crystal crowns with three crystal droplets in front, with an illusion type veil attached. She carried a cascade of aspidochelone orchids. Mr. James Morrison, the father of the bride, gave the bride away.

Mrs. John Zuk, a cousin of the bride, was Matron of Honor and she wore a pink floor length gown with a Sabrina neckline with short sleeves. It had a lace bodice, back and front apron effect over pseudoseal, with a large pseudoseal bow in the back of the waist. She carried aqua carnation cascades.

Miss Carol Kubik, of New Hyde Park. Miss Carol Maggio, of Hicksville, and Miss Ruth Phillips of Westbury, were bridesmaids. They wore an aqua version of the Matron of Honor's dress. They carried pink carnation cascades. Miss Joan Kubik of New Hyde Park was a Junior Bridesmaid and wore pink. She carried aqua and white carnation cascade. Glenn Myrato, the ring bearer, wore a black tuxedo, and carried a heart-shaped satin laced edged pillow with streamers of lily of the valley. Valerie Kubik was the flower girl and she wore a pink silk organza gown with a panel of tiers of chantilly-type lace to back with a cowl collar.

Pat Myrato, of East Northport, was the best man. The ushers included, Peter Morrison of Hicksville, John Myrato of East Farmingdale, Robert Myrato of Levittown, and Master Frank Bartow who was a Junior Usher.

Following the wedding a reception was held at the Club Jericho, Mineola. Following a trip, the couple will make their home in Oyster Bay. READ IT FIRST
 IN THE HERALD

To the Editor:
 Congratulations on your forthright "editorial" on political posters.

I am sure; however, that, in the interests of fairness, you were unaware of the following facts when the story was composed:

1. No one in my organization put up any posters.

2. The old sign on Herzog Place was covered with stickers, presumably by the landlord, until recently when it was blown off by a storm. I hope to persuade the landlord to allow us to use the space for a new, bright sign urging the election of John F. Kennedy.

3. The photos showed "stickers" not posters and they were put up by friends of the candidates prior to the "truce."

4. The opposition party had most of the county plastered with posters prior to the truce and like the Democrats they are having their difficulties removing them. Have you seen Hempstead Turnpike or Levittown Parkway lately?

5. I have requested our candidates to remove their stickers.

6. I intend to enforce the truce in this area.

Moreover, I have always doubted the political wisdom of posters. They are a nuisance and I have expressed the opinion that they are a costly waste of money as they alienate rather than persuade the voters. In addition, the posters constitute a clear and ever present danger which the public is generally unaware of. As an attorney for the L.I. Lighting Co. for three years I learned that the staples used to fasten the posters make the poles extremely hazardous for utility linemen. They have caused numerous, unfortunate and unnecessary accidents. I certainly would never permit myself or my organization to be responsible for such accidents. Therefore, it is obvious that I sincerely agree with your sentiments and will join with you in your campaign to prevent them from being a source of danger as well as an eyesore.

However, if the truce is to be enforced it must be done by an aroused public as well as party workers. I suggest that the electorate can enjoy this practice by simply refusing to vote for any violators of this truce in either party. The voters should also

delete the utilities with requests that they utilize the laws against trespassing on private property to prevent the abuse of what is really our property as rate payers.

Sextet Lends Hand on Appeal

Increased office work in the Sister Elizabeth Kenny Foundation's Long Island Headquarters led to the current fund-raising campaign, is no longer a problem. In response to an appeal to Long Island 4-H Clubs to help the campaign, here is what has happened to date:

Six Hicksville girls, ranging in age from 9 to half past 10, have eased the task of preparing campaign material for solicitors, giving two hours to the job. They have promised to return with the other seven members of the Hicksville

Club, ready to do whatever is needed to help.

The advance sheet included Nancy Schwartz, 9 1/2, 187 Acra Lane; Susan Britman, 9, 161 Acra Lane; Katherine Roche, 10 1/2, 213 Acra Lane; Marjorie McAlister, 9, 48 North Genesee St.; Nancy Pasquac, 9, 177 Acra Lane; Doris Proctor, 10 1/2, 38 Admiral Lane. They were accompanied by their leader, Mrs. Rocco Pasquac Nancy's mother, and Mrs. Milton Britman, co-leader, Susan's mother.
