See Traffic Increasing As Expressway Opens

Traffic on Broadway and adjacent highways, north and south, is expected to increase sharply effective this weekend with the opening of a new section of the LI Expressway terminating on Hicksville-Jericho Road.

This section has been completed about three months ahead of schedule and Gov. Rockefeller will be in Nassau on Saturday to officiate at the ribbon cutting at the present terminus, Guinea Woods Road, Westbury, at about 3 P.M.

For other story concerning the effect of this development, see West Birchwood News section in this issue.

Sees College Here As Parallel to County Seat

Superintendent Wallace S. Lamb of Hicksville has revealed that the Hicksville plan is to have the new college contemplated here parallel the County College already established in Mineola. Both he and the Hicksville Board of Education are aware that the Hicksville Senior High School would be acceptable to the State only as a temporary site.

The present facilities of the Mineola College are also of a temporary variety. In both instances permanent facilities must be furnished eventually. Neither college would need an extensive and expensive campus. In both cases half the cost of any building erected would be paid by the State of New York. The tuition at Mineola is \$300 per year and it is anticipated that the tuition of Hicksville would be approximately the same. Both institutions would be part of the State University. Both would help to meet the terrific shortage of college facilities now existing in Nassau County. Not only is there a shortage now

but by 1970 there will undoubtedly be at least eight to ten thousand Nassau County boys and girls for whom no facilities will exist, Lamb said.

The location of a community college presents a special problem, he added. Since there are no dormitories and since large campuses are not required they need to be located where students can commute readily. Whereas it is fashionable for four year colleges to be situated in rural settings wherever possible, community colleges should be located in centers of population. Dr. Lamb reiterates his belief that Nassau County will continue to expand its community college program in accordance with the needs indicated in the New York State Education Dept. study of 1957. He feels that Hicksville should be the site of a second college.

MRS. RONALD TEWALT

Dear Jean:

Ho - Ho - Ho. We now have a Code of New Dress Behavior in our little old Hicksville P.O. - our boys behind the windows must wear white shirts and ties from now on - They look real nice too. Mary looked pretty too when we were on Monday morning. Early with a birthday for a change - Our little friend SANDY SCHWARTZ, daughter of Mr. and Mrs. Julius Schwarts of State St. celebrates a birthday on Tues. Oct. 11. A special "Happy Birthday" Sandy. Due to an error in proof-reading the name of MRS. JOHN DIMONACO of Fifth Ave. was left out of the little story we had on the supper-dance committee meeting of the Glen Cove-Hicksville Mercy League held recently at the home of MRS. CHAS. MONTANA, Miller Rd. The affair, by the way, is next Friday night, Oct. 14th, at Milleridge bus, Jericho. Supper will be served at mid-night. What a romantic hour - Thanks again to CATHY LOUCKS of the Hicksville Gift Shop for our little October appointment card. It makes it so easy for us to keep our dates from being mixed up when we have this little personalized card on hand (it has our name imprinted on it). Belated birthday on Oct. 1. Also celebrating a birthday on Oct. 1 was ARN MACK of McKinley, who is a good friend of ours since our high school days. Glad to hear that MRS. JOSEPHINE ESATTO of Woodbury Rd. is well on the road to recovery after surgery at Mercy Hospital. Hear she might be home at this writing. Saw BEA JEANSON of Harding Ave. the other day and she looks pretty good after her stay at the hospital. Good luck, you gals. Our congratulations to two very nice people, MR. AND MRS. MICHAEL D'AURIA of Plainville, who celebrated 9 years of wedded bliss on Sat., Oct. 1st. The D'Auria's have a sweet little daughter, who we understand from Grandpa and Grandma, Mr. and Mrs. Joseph Lebkuecher of Woodbury, is the sweetest thing this side of heaven. Regular meeting of the Glen Cove-Hicksville Mercy League takes place today (Thurs.) at the Brookville Country Club with luncheon at noon. Next regular meeting of officers and directors of the Hicks-ville Alumni Assoc. will be held on Monday evening at the High School Little Theatre at 8:30 p.m. Understudy plans are still being made for that gala third annual "Homecoming Day" on Nov. 3rd. HOWARD FINNEGAN and committee tell us that all attending will have a better time than they did last year, and let us tell you, we had fun last year, not only at the brunch, football game, reception and dance - but the fun of seeing those guys and gals we attended school with and haven't seen in a good many years. The years pass so swiftly and as is natural, we all change but there is still those high school days to remember. CEILE LERNER of 4 Puschke Lane, Hicksville, was among 327 New York State residents who won prizes in Gulf Oil's "Hit in the Ring" Contest. She won a Black & Decker Power Tool Kit. "Tomorrow's Citizens", bulletin written to parents of Hicksville students by DR. WALLACE E. LAMB, superintendent, is five years old this fall. About ready for school. Among the 4-8th Grade participating in the dress review at the Long Island Fair next week will be MARGARET LONGSTAFF of 36 Gables Dr., Hicksville. Charter Nite for Hicksville Kiwanis on Oct. 29.

CHARLES WAGNER, Post 421, Hicksville, N.Y.
By JERRY CONNOLLY

The first meeting of the month saw plans being made for the Annual Halloween Dance. This affair, one of the happiest of the year will be held at the Legion Clubhouse on the 28th of October. Early planning calls for it to be a masquerade or costume affair. From the experience of judges at last year's dance, the choice for the most original costume was difficult. Members should make it a point to line up their plans for costumes and baby sitters. Dick O'Neill, Chairman of the Kings Park visit committee, is again appealing to interested readers to make their contributions well in advance of the planned

visit on Nov. 6th. Dick would like to see contributions of books, radios and TV sets in need of repair, old neckties (for use in making hooked rugs), and possibly some good, serviceable clothing. Interested contributors can get in touch directly with the American Legion Clubhouse, or stop by and leave their donations on the porch. We would prefer to see the donations come on a Friday night since there would be members available to help you carry the contributions into the Clubhouse. As of Oct. 20th the Annual Dance of \$6.00 is due. Make checks payable to the Post, or stop in and get a receipt on a Friday or a Meeting Night.

Levitt Opens New Levittown Near Washington Called Belair

Levitt & Sons, formerly of Manhattan, will open their newest development, 15 miles from Washington, DC, this Saturday, Oct. 8 but it will not be called Levittown. After starting Levittown on Long Island just 13 years ago this week, the firm went on to establish another Levittown in Pennsylvania and Levittown, New Jersey. The newest project is called "Belair."

Thirteen years ago on Oct. 1, the first Levittown development called Cape Cod houses on the south side of Mount Pleasant Twp. Within two months the units sold and in about 10 years up William J. Levitt owned the Mount Pleasant-Ocean Bay Tract and built about 2,000 houses in Rochdale. This expansion for a time seemed to guarantee a civil war, the extent of which was still kept a secret until he opened Levittown. In 1954, when the new project was under way, he opened the Belair development. On the opening day, the page in the Washington and Baltimore papers will appear and it is anticipated the reader has seen this section before he reads this report.

The opening ceremony will be held at 10:00 a.m. at the site of the Belair development. It will be held at the site of the Belair development. It will be held at the site of the Belair development. It will be held at the site of the Belair development.

First Meeting for PTA of Trinity

The PTA of Trinity Lutheran School will hold its first meeting of the 1959-61 school year on Tuesday, October 11 at 8:15 PM in the School Gym. This meeting will mark the beginning of the school year for the PTA of Trinity Lutheran School. The PTA has aided greatly in the expansion of the school from a single kindergarten classroom to a school that now provides double classrooms for each grade from kindergarten through sixth year, with an enrollment of approximately 650 students.

The Rev. Edward H. Stummel, Pastor of Trinity Lutheran Church, will be the guest speaker for the evening. The present school plant, as well as the new junior/senior high school at Hicksville, have become realities only through the untiring efforts of dedicated men like Rev. Stummel; it is therefore appropriate that Rev. Stummel start the new PTA year off by addressing the PTA on "The Bible Speaks on Education".

Parents of students, members of Trinity Lutheran Church as well as those interested in education of the area are cordially invited to attend this meeting.

Rabbi Klaperman To Speak Here

Congregation Shevat Zedek, Hicksville, proudly announces that it will have as guest speaker on Sunday evening, Oct. 16, the renowned Rabbi Gilbert Klaperman. Rabbi Klaperman of Lawrence, has traveled extensively, and has spent several months in Russia. His topic will be, "Jewish Life Behind The Iron Curtain".

There will be a business meeting at 8:00 P.M. for all husbands and wives of the congregation, and all in the community will be welcome to hear Rabbi Klaperman speak at 9:00 P.M. Don't miss this interesting and informative evening. Refreshments will be served at the conclusion of the meeting.

Hold Election Exempt Vamps

Phillip Schloer is the new president of the Volunteer and Exempt Firemen's Association of Hicksville, Inc. August 1st is first vice president and Clifford Davis, second vice president.

Re-elected were Robert D. Hammond Sr., secretary, Joseph Blumenschein, financial secretary, and Glen March, treasurer.

Literacy Tests For New Voters

The Hicksville School District is making provision to give literacy tests to whatever new voters of the community may register them for registration purposes. These tests will be given at the School Administration Building on Newbridge Road on Oct. 6 and 7 between the hours of 10 A.M. and 10 P.M. and on Oct. 8 between the hours of 7 A.M. and 10 P.M.

MID-ISLAND COUNCIL, FUND Campaign Honorary Chairman, Honorable Howard T. Hagan, Justice of the Supreme Court, presenting his personal check to Mrs. E. John Quinn, Pres. of Mid-Island Council Girl Scouts Inc., and Mrs. Gus Katz, Fund Campaign Manager made the following comment:

"The Mid-Island Council of Girl Scouts in their 1959 Campaign from Oct. 7 to Oct. 14 has a goal of \$100,000. This is a substantial budget to provide services and training for the more than 12,000 girls in the Council. When we consider that some 2,300 volunteers, men and women in this area alone, are giving of their time and efforts in the furtherance of this worthy cause, I am confident all of us will join together to accomplish the goal. It is especially important in these days that scouting be made available to more of our own girls and to meet this need there must be adequate financing. It is an honor for me to accept the Honorary Chairmanship for this Campaign." (Photo by Clifton)

Regular Meeting Scout Campaign

The Levittown-Hicksville Auxiliary for Rensselaer Children will hold its monthly meeting, Oct. 10 at 8:30 p.m., at Levittown Hall. Mrs. Sheldon Bryson, program chairman, will have a display of Holiday table settings and will award three annual certificates. The public is cordially invited.

The Boy Scout fund campaign in Ardenwood District including Hicksville, Plainview and Old Bridgeburg, will take place on Sunday, Oct. 16. County Clerk Frances Anderson and Allen S. Carpenter are leading the drive. Area leaders are Jack Ehrman of Hicksville and Peter Collins of Plainview.

WEST BIRCHWOOD—JERICHO CIVIC ASSOCIATION

Vol. 2 No. 2

October 6, 1960

THESE PHOTOS illustrate the problems at Guinea Woods Road at the LI Expressway exit which will shift to Jericho this weekend. Top, car speeding off exit ramp from Expressway. Bottom, Sunday congestion at Guinea Woods Road; Centre, signs of trouble.

BEGINNING OCT. 8th Expressway Exit Traffic Will Seal Rockland Drive Entrance

By Seymour Berkman

The long-awaited extension of the Long Island Expressway to Jericho opens this Saturday, Oct. 8th with Governor Nelson Rockefeller cutting the ribbon at Guinea Woods Road, but at our end of the line the prospect is for snarling traffic tieups.

With no traffic control at the intersection of Rockland Drive and the Expressway exit road, West Birchwood residents, school busses, commercial vehicles, and all others trying to make a left turn into Rockland Drive will have to brave an irresistible tide of traffic exiting from the Expressway heading east to Broadway.

Education Committee Sets Program

Plans are underway to reactivate the Jericho Education Committee, which is composed of representatives of the education committees of many of the civic associations in Jericho.

In addition, our committee is also sending 4 members to a meeting of representatives from other civic associations, for the purpose of working for a public library for Jericho.

Anyone interested in any of the above educational goals and wish to work toward attaining them are invited to the next meeting of the Education Committee, to be held at the home of Dan Lazare, 27 Craig St., on Friday, Oct. 29 at 8:30 P.M. Please call We. 8-1362 if you plan to attend.

Suburban Gardener

Anyone who seeded their lawn prior to the hurricane should re-rake areas where seed has been noticeably lunched together and reseed the entire lawn. However, if young seedlings have begun to germinate, be very careful in raking or better yet do not rake or reseed until after the lawn is cut for the first time.

Watering new lawns is a problem to many homeowners. As seed is germinating light frequent waterings are best. Do not water enough to create puddles or runoff. When the seed has germinated, decrease the number of waterings and increase the amount of water. It is important that during hot, dry and windy weather enough moisture is supplied to new lawns or they will wilt severely.

NOTICE

Members inadvertently not receiving this newspaper are advised that copies will be available at the real estate office of Traub & Ostreich.

If the predicted tieups get out of hand, the Nassau County police will try to bring order out of chaos. This was promised by a Deputy Inspector when a two-man delegation from the West Birchwood Civic Association went to 2nd precinct headquarters last Sunday.

Meanwhile, Superintendent John J. Burns of the Town of Oyster Bay instructed T.O.B. District Engineer Horace McAllister to make a study of the situation for purpose of alleviating the predicted tieups. McAllister was scheduled to meet with a committee of the West Birchwood Civic Association and the editors of this newspaper at present time.

Interviewed by WEST BIRCHWOOD NEWS last week, Austin M. Saar, N.Y.S.D.P.W. District Engineer stated that plans for the Expressway were drawn up long before West Birchwood was envisioned and therefore no provision was made for any traffic control since there was no precedent for the kind of a situation where the only access road from a community ended up in an exit road from the Expressway.

Mr. Saar further stated that it would be a good idea for the builder (Sotomay and Schwarz) to construct another entrance to the community. He was of the opinion that once the south service road was constructed, the entire exit road to Broadway would have to be one way, thus eliminating Rockland Drive as an entrance road. (Irving Reinhardt, of West Birchwood Board of Directors was unsuccessful in trying to contact the builder who ignored his request to be called.)

When asked as to how West Birchwood residents would get back into the community if the exit road was made one way, Mr. Saar said that all traffic would have to go west on the north service road to the Jericho Turnpike thence return on the south service road and turn in at Rockland Drive.

Norman Parsons, New York State Dept. of Public Works Traffic Engineer for this area, told the WEST BIRCHWOOD NEWS that after the Broadway-Jericho exit is open a survey of traffic conditions will be made by the State Traffic Commission and results will be forwarded to Lloyd Meader, Director of State Traffic Commission in Albany with recommendations.

Both Saar and Parsons stated that a traffic light at the intersection of Rockland Drive and the exit road was no solution to the problem since it would cause exiting traffic to back up on the Expressway.

The WEST BIRCHWOOD NEWS was advised by State officials that the Nassau County police had the responsibility of handling any traffic problems on the exit road.

(Continued on page 8)

Cyclists Beware

Parents of children who will be bicycling in and out of the community after Saturday's Expressway opening should advise their children to enter and leave along the south side of the service road to benefit from the traffic light at Broadway rather than make the dangerous left turn that will exist at Rockland Dr. because of the high speed traffic exiting from the Expressway exit.

Bd Opposes Downzoning

Board of Directors, West Jericho Civic Assoc., voted unanimously to go on record as opposing the petition presently filed with Town of Oyster Bay to downzone the Wicks Farm from Residential C to Industrial. The vote, 10-0, took place at a special meeting held at the home of President David Serko last Sept. 29th. A full account of the Wicks Farm situation was printed in the last issue of THE VILLAGER.

In other business, the Board of Directors took notice of the potentially dangerous situation existing at the intersection of Rockland Drive and the expressway exit. Irving Rheinhardt immediately volunteered to head an investigating committee and go to Albany if necessary. Other members of this committee were David Serko, Samuel Gordon, Robert Miller and Leon Schaeffer. They will coordinate their efforts with the editors of this newspaper.

Speaking on behalf of the Board of Directors, President David Serko disapproved the editorial on membership which appeared in the last issue of the West Birchwood News. He stated that the policy of the Board of Directors should be the policy of the West Birchwood News. This was in accordance with a resolution of the Board of Directors last year.

Only Nine File Petitions

With deadline for filing election petitions Oct. 6th, only nine people had delivered certified petitions at press time, reports Sidney Albin, recording secretary.

Of eight filing for Board of Directors, half are incumbents. Those filing are: Sidney Albin, Dr. Arthur Garin, Carl Denny, Samuel Gordon, Dr. Edward H. Grossberg, Evelyn Pike, David Serko and Elliot Schiffman. One filed for treasurer—Robert Miller.

EDITORIALS

Signs of Trouble

Last July 28th the WEST BIRCHWOOD NEWS brought attention to the fact that hazardous traffic conditions would exist at the intersection of Rockland Drive and the Long Island Expressway service road. At that time the anticipated opening date was early 1961. This has been advanced to Saturday, Oct. 8.

Your Civic Assoc. is presently making every effort to solve the problem. However, it is expected that the traffic at the entranceway will create a very dangerous situation. It is of the utmost importance that all residents and visitors to this community be extremely cautious entering and leaving Rockland Drive as the traffic coming off the expressway will have the right of way.

We ask, in the name of the 1500 or more residents of West Birchwood, that effective and safe traffic controls be installed immediately. Let's not wait until the first accident. The time for action is now!!!

Election?

At the time of writing only 8 petitions were filed for the coming election of officers and board of directors of the Civic Association. There are a total of 17 positions open. It is necessary to have candidates for an "election."

The importance of a strong Civic Association is obvious. The needs of this community are many. In fact many of the problems overcome for dedicated sections will still exist in other areas for some time to come.

We are surprised and frankly disappointed that more members have not seen fit to participate actively in the association.

Residents Eligible for Blood Bank

The Jericho Community Blood Bank is a non-sectarian institution sponsored by the Jericho Jewish Center. This year-wide program can be shared by all residents of West Birchwood. For the donation of one pint of blood during each year, all the blood you or a member of your family needs during a crisis can be yours.

The Community Welfare Committee is anxious to bring the benefits of membership in this Blood Bank to the attention of all. Leon Schaeffer has been appointed head of a sub-committee which will distribute information to those interested. Any resident interested is urged to call him at OV 1-0678.

EXPRESSWAY EXIT
(Continued from W. Birchwood News Front Page)
This was verified at 2nd precinct police headquarters in Hicksville when Robert Miller and Irving Reinhardt spoke to a Deputy Inspector who said they would immediately survey the situation. They also contacted the Jericho Fire Dept. and were advised steps would be taken to help secure a solution to this hazardous problem.

THANK YOU

Hurrah! Hurrah! Thanks to the efforts of our committees and the cooperation of the officials street lights are now being installed in West Birchwood. This installation comes quicker than was expected. Our thanks to everyone who worked towards this accomplishment.

The Ancient Order of Hibernians, Div 11, Hicksville, will hold their annual fall dance on Friday evening, Oct. 14, at the Old Country Manor, 244 Old Country Rd., Hicksville. There will be Irish and American Music.

W. Birchwood Civics Aid Fund

The many Civic Associations and P.T.A. groups of Jericho are working together to put on a Scholarship Fund Night under the sponsorship of the Jericho High School Scholarship Fund.

The West Birchwood Civic Association is participating in the show that will be shown in the nights of Nov. 11 and 12.

If you wish to be part of West Birchwood's program be at the Robert Seamen Auditorium, Tues. night, Oct. 11 at 8 O'clock. For any information call Phyllis Forman WE, 5-4590.

CORRECTION

The statements attributed to David Serko, President of the West Jericho Civic Assoc in reply to a speech by Morton Winthrop at the last general meeting were incorrect. Mr. Serko did not point out that a call to the proper committee would have helped solve the sump problem.

What's Cooking?

By Mary Ellen Lozore

At ORT's recent successful Tasting Party our own Janice Hayflick came up with a prize for her wonderfully light, delicious sponge cake. Here it is:

SPONGE CAKE

- 5 egg yolks
- 1/2 C sugar
- 1 C sifted cake flour
- 2 T cold water
- 1/2 tsp. each almond, lemon, vanilla extract
- 8 egg whites
- 1/2 tsp. cream of tartar
- 1 C sugar

Beat the egg yolks until thick. Gradually add 1/2 cup of sugar, then add the cold water and the three flavorings. In a separate bowl beat the eight egg whites for one minute, and then add cream of tartar, beating until stiff. Gradually add the one cup of sugar and keep beating until very stiff. Fold the beaten egg yolks into the egg whites, and gradually add in the sifted cake flour.

Bake at 325 degrees (Janice says not to preheat oven) for 60 minutes in a 10" tube pan. Invert pan for one hour while cooling.

MRS. IRIS SCHOLL, President of the Hicksville Junior High School P.T.A., is shown here with Lawrence Scalers, President of Hicksville Lions Club, who recently presented the P.T.A. with 1500 copies of the Code of Social Behavior. At the presentation, Scalers spoke of the Lions Club efforts in providing Community Hospital equipment fund, sight conservation, and other accomplishments.

Among the completed activities of the Lions Club are Boy Scout contributions, Little League sponsorship, constant eye care by Dr. Lowell Glatz, shoes supplied for 25 needy children, distribution of copies of the White Case law, gift of ditto copying machine to Mill Neck School for the Deaf, gift to Hicksville Library of photocopy machine, gift to Burwood Industrial Home for the Blind, establishment of the Hospital Equipment Fund, Scholarship Fund of \$600 to Hicksville High School, gift to Hicksville Police Boys Club for repair to their truck, and gift to the Assoc. for the Help of Retarded Children chapter in Brookville of a tractor.

Yellow Jackets Tie Champs 0-0

On Sunday afternoon at Massapequa, the St. Ignatius Yellow Jackets met Our Lady of Lourdes, Diocesan Champions of 1959 in a league football game. In a game marred by poor officiating, these two teams met head on and a terrific defensive battle ensued. Our Lady of Lourdes got a break in the first period and then drove in to Yellow Jacket territory.

However, the Yellow Jacket defense rose to the occasion and threw back the attack. Our Lady of Lourdes made two serious threats in the game and spent the balance of the time trying to hold off St. Ignatius. St. Ignatius threatened several times in real close where poor decisions by the head official cost them at least two touchdowns.

However, both teams deserve a great deal of credit for playing a fine game. Cavannah, Sibilo and De Pina were outstanding for Our Lady of Lourdes and McEneaney, Callahan, Horan were great in defense for St. Ignatius. With Lang of St. Ignatius faking to, Walsh, Callahan and Corrigan St. Ignatius again showed great strength in the attack. St. Ignatius rooters were again out

in strength with the St. Ignatius Cheerleaders under the direction of Miss Effiea Donahue rooting our team onward. Final score 0-0.

THE '61 PONTIAC IS OUT TODAY!

*It's All Pontiac!
on a new Wide-Track!*

New track-to-body proportion! The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

Announcing the new Pontiac Trophy V-8 Engine! We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

More headroom, legroom, footroom for greater comfort! You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more hatroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

THE ONLY WIDE-TRACK CAR!
Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.

ISN'T THIS YOUR BIG YEAR FOR A WIDE-TRACK PONTIAC? IT'S ALL PONTIAC!
