Dear Jean:

WALTER G. STACKLER of Stackler & Frank, owners of Mid Island Shopping Plaza, is a member of the General Convention Committee for the 17th annual Convention-Session of the National Assoc. of Home Builders set for Jan 29 to Feb 2 in Chicago. IRIS MUCHENCK, daughter of Mr. and Mrs. Meyer Muchenck of 17 Market St., Hicksville, is a member of the Freshman Class at C. W. Post College, Brookville. Five Co. No. 3 will hold its annual luncheon dinner at the Woodway Hills Tavern on Feb 25. Hook & Ladder Co 1 of Hicksville FD had a Christmas party for the children of members on Sunday afternoon. Santa "came out of retirement" to officiate at the gift-giving. Hardly seems like a year has passed already but it was twelve months ago that there was talk of a motel on South Bway, Hicksville. The stores are still vacant. We like this story about the blizzard from the County Executive's Office: During the storm, one woman is said to have reported her small European-make car stolen. It was readily found, beneath a pile of snow plowed off the highway.

BETWEEN DEADLINES

In the volume of statements, etc., generated since the announcement that the Air Force is going to close down Mitchell Air Force Base next year, the idea we like best is the one urging (if the base must close) that a portion of the 1,184 acres be held out for a commercial airport with regular feeder-airline flights to big cities.

Long Island and this flat, mid-island region in particular has been called the cradle of American aviation. We recall, dimly, those historic flights from Roosevelt Field when Lindbergh, Admiral Byrd, and a host of others took off for Europe. Some made it, some never got off the ground.

Less than 15 years ago, we had more local flying fields than you could shake a stick at. Hicksville for many years had the exclusive Aviation Country Club down off the west side of Jerusalem Ave. The area is now covered with Levitt houses. There was Fitzmaurice Field in Massapequa and the Curtis Field in Valley Stream (which we believe is today's Green Acres shopping centre).

Hicksville in the immediate post-war period also had the Hicksville Airpark, although it was technically in Locust Grove. It was situated on the east side of Robbins Lane and the hangar stood at about the same location as the Les Vegas Club (and may even embrace part of the original structure.) We learned to fly at the Airpark and wrote many a story about the famous zoning appeals case which was fought thru the courts to the Court of Appeals in Albany.

To recall for you how rural the area was, one of the principal objectors to the Hicksville Airpark charged that the take off and landing of the small Piper-Cuba and other planes caused the cows in adjacent pastures to get so upset their milk soured.

The story of the Airpark is a complete one in itself and we won't go into it at this time. We were reminded of its beginning when we read recently of the death of Ruth Nicolls, famous aviatrix, who participated in the formal dedication of the site in the company of Leonard W. Hall, then our Congressman.

Our first memory of Long Island as a child of less than seven included the automobile trip out from Brooklyn to Hicksville eastward along Old Country Road which was scarcely two lanes of asphalt. The high point of the trip for an imaginative boy was passing Roosevelt Field with its row of wooden hangars (later replaced by concrete and steel structures) backing on Old Country Road.

Plowing up the runways at Mitchell for housing developments would remove the last airfield in Nassau County and we think Nassau should have an airport. We had personal reason, a few months back, to be thankful for the fact that Mitchell is an airfield. We were returning from South Carolina as the guest of the Air Force Reserve in one of those flying boxcars. Our flight up to New York was delayed about 12 hours because our scheduled aircraft developed engine trouble. Breezed along by a favorable wind, we made the hop to Mitchell and our waiting frau in less than three hours (it took six hours going down) and down at one in the morning.

If Mitchell's runways were not available we would have faced a long auto ride from McArthur in Suffolk. As it turned out, we were home and bed in 15 minutes.

New Year Brings New Hopes for Crossing Elimination

With another session of the N.Y. State Legislature scheduled to open in a few days at Albany, the perennial question of Hicksville's Rail Road Grade Crossing elimination returns to public attention. Prospects of the job being started in 1960, as was freely predicted a year ago, are so remote as to be hardly worth mentioning.

State funds have been appropriated for the Hicksville project, estimated to cost in excess of \$10 million. The money was held over from the 1959-60 state public works budget to the 1960-61 budget. The fiscal year ends on April 30 and unused appropriations revert to the general fund unless encumbered or re-appropriated in the new budget.

Assemblyman Edwin J. Feherbach of Bethpage, returning to Al-

bany for his 5th year as the area's representative in the lower house and State Senator-elect Henry M. Curran of Oyster Bay who takes office on Jan. 1 have jointly pledged every effort to progress the Hicksville project.

On Sept. 14, 1959, the Long Island Daily Press noted editorially "Hicksville Needs Help."

The editorial asserted: "Hicksville is one of the busiest places on Long Island—until the railroad crossing gates go down. In Hicksville they go down at seven crossings, every day."

"Traffic piles up in great masses. Ambulances, police cars, and fire apparatus sometimes are stalled on their missions. Sometimes someone or an automobile gets clipped by a train—a fatal possibility that will persist until the crossings are eliminated."

Pointed evidence of the fact that the grade crossings cause up traffic in Hicksville was noted during the LIRR strike earlier this year. With no trains rolling and no crossing gates to block highway traffic, it almost became a pleasure to drive on Hicksville's main streets.

The Hicksville Chamber of Commerce is keeping a wary eye on the crossing situation and was the sponsor of a 16,000-signature petition which was delivered by hand to Gov. Nelson A. Rockefeller by Supervisor J. Burns and Aaron Rochman, then Chamber of Commerce President. The Governor was quoted, at the time, of saying he's all for elimination of the Hicksville RR crossings.

Julius Schwartz, current Chamber president, is just as keen for action on the grade crossing elimination but is unable to explain or obtain a substantial reason for the delay.

There was some changing of the plans during the year initiated by the LIRR which required re-drafting of portions of the project. Sidings of the Port Jefferson branch between Bay Ave. and Bethpage Rd. were eliminated after public hearings before the Public Service Commission and the RR said proudly that the cost of the project, as a result, was being reduced a million dollars or so.

However with the gradual year-by-year increase over all in construction costs it now becomes apparent that further delay could offset even such savings.

Only bright spot in the picture has been the fact that the Floral Park Program, scheduled ahead of the Hicksville project, is now well underway.

DECEMBER 26th

On the day after Christmas
And not at all strange;
Are the crowds flocking
in
With their gifts to exchange.

Their socks are too large;
Their ties are too bright;
Their slippers are wrong;
Their shirts aren't right.

They have too many pencils;
Their books they have read,
Or have two of a kind
And wish something instead.

But if you are anxious
And eager to learn
How to give and be sure
Your gifts won't return.

For what it is worth —
The suggestion is mine,
Their LIQUOR and WINE.

Witnesses In Local Appeal

During the week the local congregation of Jehovah's Witnesses has been conducting an intensive house-to-house program among local residents. The local Witnesses are delivering 1,000 personal invitations to a free Bible training convention at Island Garden in West Hempstead, tomorrow through Sunday.

Truman Merchant, presiding minister of the local congregation, is supervising the program. Commenting on the activity, he said, "Since this assembly will be devoted to improving every-day practice of Bible principles, we are extending an invitation to the general public." He announced there will be no admission charge and no collection taken during the three days.

With attendance during the assembly expected to exceed 2,000 Mr. Merchant announced to the congregation Sunday that approximately 350 volunteer workers would be needed to maintain an efficient convention organization.

Highlights of the three-day public meetings will be the mass baptism of more than 50 new Jehovah's Witnesses, Saturday, Dec. 24, at 2 P.M., and the public Bible lecture, Sunday, Dec. 25, at 3 P.M., "Is God Interested in the Affairs of Men", by Bruce E. Getto, ministry supervisor of more than 200 congregations of Jehovah's Witnesses in New Jersey, New York City and Long Island.

WELCOME HOME Peter T. Affatato, District Deputy Grand Exalted Ruler, was the theme of the Levittown-Hicksville Lodge Elks program held at St. Ignatius School, Hicksville. Pete, at right, had just completed a tour of all the Elks District. Left to right are Piere Bernier, vice president of the State Assoc of Elks; Charles Edinton, Exalted Ruler of Lodge 1931, and Mr. Affatato. (Photo by J & J)

Increase for School Staff

The first day of the new year, 1961, is being greeted with anticipation by about 725 employees of Hicksville School District. New higher salary scheduled go into effect on January 1 for about 600 teachers in the public schools, approximately 100 custodial staff workers and 25 full-time employees of the school cafeterias, according to School Board President Allen S. Carpenter. The Board of Education acted upon the new schedules in recent months, making them effective with the new year.

No Refuse Pickup Dec 26, Jan 2

Business centres currently being served by the Town Sanitation Dept will receive an extra collection Saturday, Dec 24, between 12 and 3 P.M. to prevent the accumulation of assorted debris that is anticipated as a result of the heavy last-minute holiday shopping, stated Councilman Louis A. Sisco. In order to give sanitation men holiday time off, there will be no residential pickups on Mondays, Dec 26 and Jan 2. Pick-ups scheduled for those days will be resumed on the next regular collection day.

Mr. and Mrs. Joseph Truglia of 8 Raymond St., Hicksville, are the proud parents of a son, Joseph Michael, born to them Dec. 9 at Mercy hospital.

TITO RODRIQUEZ AT CHARITY BALL

The Jericho Lodge of B'nai B'rith has announced that their first annual yearbook dinner dance will take place on Saturday evening, March 11th at the exclusive Shelburne Beach Club in Lido Beach. The Lodge has announced that all proceeds of this charity ball will be given to all the service arms of B'nai B'rith.

The Lodge will present at this affair music by Tito Rodriguez, noted Latin American Orchestra leader, and his entire 12-piece ensemble. Mr. Rodriguez has recently played at the Balmoral Hotel in Miami Beach, the Hollywood Palladium in California, and the Riviera Hotel in Las Vegas. He is a top recording artist and has appeared on TV. In addition to Tito Rodriguez, the Lodge has announced that the Herb Rosen Orchestra will also appear, thus assuring an evening of continuous dancing. A sumptuous smorgasbord, a filet mignon dinner, and unlimited liquor guarantee a gala evening for all.

Reservations can be made for this affair by calling Howard Thomashauer at Wells 5-3477.

CUB PACK #129 COLLECTS TOYS

Cub pack #129, Jericho, centered its December activities around the spirit of giving theme. All month, the project "Toys for Tots" was in action. The Cub Scouts rang door-bells, and collected second-hand toys. These were turned over to the Marine Corps Toy Repair Center, where they were put into first-class condition. They were then distributed to needy children.

The Scouts also made Chanukah Cards and sent them to their sponsoring institution, The Jericho Jewish Center, by way of thanks for their sponsorship.

The third activity of the month was the distribution of gifts, and the sending of cards to the children of St. Mary's of the Angels Orphanage of Syosset.

A very active program is planned for January. Watch THE VILLAGER for further details.

Honor Scouts

Over 100 men representing top leadership in Nassau County industry, Business, Labor and Government assembled at the Salisbury Club on Monday evening, Dec 12 to honor those Boy Scouts who have achieved the coveted rank of Eagle Scout during the past year.

Passing It On 20 Candidates for 9 Directorships

By Irving Herzkowitz

OFF—AND NOW ON! After the first one flitted out, another well known name store is now negotiating for space in the second section of the Birchwood Shopping Center.

PEOPLE ARE TALKING ABOUT: The "troubles" that are supposedly taking place in Jericho—according to a columnist in a local daily. Last week his column contained reference to the similarity of Jericho and Poyan Place. The only explanation we can possibly offer to his observations is that he may have been the recipient of a "roy".

SABOTAGE BY THE DEMOCRATS??? Fool play is suspected by some members of the group who made the pilgrimage to Puerto Rico under the auspices of B'nai B'rith. It seems that of the many canisters that were clicking away with Governor Rockefeller (he also was there some B'nai) and some members of the entourage as the subjects, most of them drew blanks. To date no one has displayed a picture taken with the Governor.

ANNIVERSARY: A large segment of the inhabitants of "Ye Ole Village of Birchwood Park" can now boast they have survived their four years of "mingling". At this time four years ago the early time arrivals looked drawn and haggard. Look at them now. They could all beneficially lose at least 15 pounds—and they say suburbia requires hard work.

WHAT NEXT??? There's a new dog food that kills fleas. In a U.S. Department of Agriculture test 95% of the fleas dropped dead when they bit dogs which had been fed with kibbles containing flea toxins. Why should Fido have it so good—so I suggest to the USDA that in the future let us eat food with built-in mosquito lotion.

MEMO TO HUSBANDS: If ever the little woman leaves your humble domicile fustier than one day make sure she takes the leaves with her and close up the house and live elsewhere. If you don't, this is what will happen: The house becomes so quiet without her screaming at the kids and the absence of the phone constantly banging away, that without any effort at all the peacefulness becomes awesome and terrifying. Then we unhappily discover that even her chatter reminded us of a beautiful melody. But the biggest feat of all was trying to lend some semblance of intelligence to a child's home work. All this came about because the Sisterhood of the JJC sent their Vesp to represent them to the National Women's League Convention.

OFF AND RUNNING: With the difficult task of casting for its new show finally resolved, the JJC Musical Comedy, is now in rehearsal. The director sought new faces for this latest offering and he discovered what promises to be some excellent Jericho talent that was lying dormant for too long a time.

TWO DATES FOR THE PRICE OF ONE: That's what a local weekly newspaper (not this one) featured in its last edition. The front page carried the date of Nov. 25, the inside pages were dated December 2. What are they trying to do — make us older or younger!!

LI Expressway Moving East

J. Burch McMerran, State Superintendent of Public Works, announces that a 1.84-mile section of the Long Island Expressway, from Route 107 north of Hicksville to South Oyster Bay Road in Locust Grove, was opened to traffic Thursday. The contract was not scheduled for completion until August, 1961.

Opening of the new section of six-lane divided highway will enable motorists to travel approximately 27 miles on the Expressway, from Queens Midtown Tunnel to Syosset-Plainville.

The section is part of a \$5,084,344 construction contract held by DeLillo Construction Co. Inc., Century Equipment Rental Corp. and the Peaty Corp., all of Jericho. Approximately one mile of the 3.3-mile project was opened to traffic Oct. 8.

The new section will alleviate traffic congestion at No. Broadway in Hicksville by providing a direct Expressway route to Suffolk County communities via the Long Island Expressway and connections to the Northern State Parkway.

The DeLillo - Century - Peaty contract included 5.86 miles of access roads, connections to the Northern State Parkway and an entrance and exit at South Oyster Bay Road. The project also includes bridges carrying the Expressway over the Northern State Parkway and RR grade separation structures at the Port Jefferson Branch of the Long Island Railroad, at Robbins Lane, at Broadway and at South Oyster Bay Road.

Three other construction contracts, totaling \$14,160,482, have been let to extend the Long Island Expressway 9.37 miles further eastward, into Suffolk County. These contracts also provide for a total of 13.82 miles of access roads. Two are scheduled for completion in 1961 and the third by mid-1962.

One contract will extend the Expressway 3.27 miles from South Oyster Bay Road to a point near the Nassau-Suffolk Counties line in Plainville. This \$7,155,655 contract, awarded to A. E. Ottaviano Inc., is scheduled for completion by December, 1961.

A second contract, totaling \$3,492,637 and awarded to Zarrs Contracting Co. Inc., will extend the Expressway 2.63 miles further, past the County line to Plainville Road. It is scheduled for completion by November, 1961.

The third project will extend the Expressway another 3.47 miles eastward, from Plainville Road to Deer Park Avenue. The \$3,492,190 contract has been awarded to DeLillo Construction Co. Inc. All three of these contracts were let during 1960.

Mrs. David Kassen, Syosset-Jericho area chairman for the March of Dimes, has announced that the Northern Nassau chapter will give a Christmas party to the boys in the Nassau County Jail School on Friday, Dec. 23 at 1 p.m.

The party is by way of saying thank you to the prisoner students who recently completed a tremendous volunteer job for the March of Dimes. The boys, all students in Harry Hamers' prison school, processed a mass mailing which will go to 63,000 north Nassau families.

A certificate of appreciation and a collection of photographic records have already been presented to the school.

Reserved seats are \$3.50 and unreserved are \$3.00. For tickets call OV 1-1584.

Chapter Inducts New Members

The cafeteria of Hicksville High School rang out with good fellowship, Saturday afternoon, as 26 members and their friends of the Hicksville Non-Teaching Unit Chapter gathered to bid farewell to Peter Gasser of Roosevelt Ave. Hicksville, who is retiring from the school district as of Jan. 1. "Pete" the custodian-bus driver of the district, was presented with a miniature of the school bus-station wagon he was seen so often in around the district. He has served 14 years in that position. Fred Herzog, past President of the NTU, was master of ceremonies and ably abetted the success of the celebration. Mr. Gasser is 70 years young.

SUPPORT YOUR CIVIC ASSOCIATION

Senior Citizens To See Show

It looks like a long, cold and snowy winter, but the Senior Citizens of the Birchwood Civic Assoc. will see it through with fun, entertainment and hours of old fashioned socializing. The ladies and gentlemen of this commendable group want you who are on the outside to come out from behind that veil of shyness and join with them. The social get together takes place every Thursday at the Jericho Country Club from one to four p.m.

Last week Rabbi Steinhart of the J.J.C. provided an interesting and informative session which was thoroughly enjoyed by all members and wound up the afternoon with a quiz game. This week the very famous home made luncheon is taking place. Jan 4 will see the group at the Syosset Theater enjoying the new musical, "Can Can". Every week there is something new and enjoyable taking place among the elder citizens of our community.

Anyone who feels lonely and wishes to make friends should join this wonderful group immediately. They want you! Call Grace Herzkowitz at OV-1-1307.

On their recent trip to Europe, Mary and Izzy Weisman of Highstep Lane, continued on to Israel with a tour sponsored by Pioneer Women, and saw ample evidence of the good work done by this organization. While in Israel, they visited many children's homes and hospitals supported by funds raised by the Pioneer Women of America, were guests of Prime Minister Ben-Gurion and President Ben-Zvi at receptions in honor of the 35th Anniversary of this organization.

December has not been a merry month in the Burt Benjamin household. Gladys, a teacher in the Jericho school district, fell in class and had to be carried home. She has mended nicely, thank goodness. Then came the snow, and at the height of the blizzard, news of the passing of Burt's mother. Our

sincere condolences.

Condolences also to Belle Reback on the loss of her mother, and to Mrs. Roland Geller and family of Fox Lane on the sudden passing of her husband.

Irene and Marty Kolen returned from Nassau in time to greet the snow, and also to find that their new car had been ransacked. Upon reporting the matter to the police, they found out that there has been a series of thefts reported on new Chrysler only. Guess there is a pass key around...suggestion to all new Chrysler owners...change the locks...at least don't leave valuables in the car or trunk.

Alan Remicks Bar Mitzvah gift was a new trumpet, which was presented to him at the celebration last

Saturday night. He joined the band in a rousing chorus of "The Salsas Come Marching In".

Some snow stories...At the height of the blizzard, or early Monday morning, Irene Cohen of Forest Drive, mother of two girls, wife of Al, had to make a decision. Child number three wanted to put in an appearance...favorite doctor in Manhattan, room reserved at Doctor's Hospital...Irene had courage...At dug the car out of the driveway and they headed for Manhattan...were stuck on Birchwood Park Drive, but Irene was adamant...on they went...via police car, tow truck, garbage truck, fuel truck...7 hours in all...a son was born to Irene and Al Cohen at Doctors Hospital...a very well behaved little boy...Our heartiest congratulations.

Sunday, Dec. 11th, Anita Lyon was married to Roger Hirsch at the Belmont Plaza. Sisters-in-law Judy and Sue Lyon were bridesmaids, Arthur and Al Lyon ushers...a beautiful wedding...and then they tried to drive home...the ushers and the beautiful bridesmaids finally made it, but Moon and Pop Lyon got stuck on Northern Park, near Exit 35, and started walking. They were lucky...a car approached and gave them a lift... 'twas the Arthur Sellmans of 34 Birchwood Park Drive...they made it into the development and then could go no further...so like good neighbors, they invited the Lyons to stay for what was left of the night, and brought them home the next day...when the plow came through. This columnist happened to glance out of the window

in time to see Mrs. Lyon being carried over snow drifts in her wedding finery.

OKT still has a few tickets available for the February 17 performance of the new hit musical "Camelot." Tickets are available through Lenore Stroza at WE 8-1793.

Anyone interested in joining the workshop, please call Miami Reef at WE 5-8617.

Claire and Irwin Bassend are off to the Big Town to celebrate their ninth wedding anniversary, Christmas Eve.

A recent membership test for the North Shore Chapter of the Cystic Fibrosis Research Foundation was attended by fifteen women at the home of Mrs. Shirley Mann of Jericho. The women were so impressed by the showing of the film "The Pied Piper," that they joined en masse, and are now active members.

How lucky can you be. The Jericho Jewish Center had a raffle with free membership to the Flamingo Country Club. Lew Cohen of Fountain Lane won. The luck is that last year he ALSO won a free membership to the same club!

There was fun - a - plenty at the Jericho Fire House Saturday evening, Dec. 30; the Catholic Women's Guild of Jericho held its Christmas dinner dance.

A delicious veal parmigiana was prepared by the Villa Ferrus Restaurant. The guests danced to the music of Peter Gulotta's Orchestra and were entertained by an original floor show, executed by members

of the Guild.

A surprise dinner, prepared by the wonderful cooks of the North Shore Chapter of the Cystic Fibrosis Research Foundation will be served when the chapter holds its paid up membership affair on January 9, 1961. The dinner will be held at the Spout Firehouse in Plainville. Yearly membership dues of \$5.00 per person may be paid at the door.

Happy 12th birthday to Ronnie Hirstein of Forsythia. Also mother and daughter, Shirley and Ellen Walnick.

Someone should tell the Diamonds (Bess and Ralph) to check their social calendar. They almost missed a Bar Mitzvah. Resting at home one Sunday evening, they received a call: "What are you doing home? You're supposed to be at our son's Bar Mitzvah." They thought it was the following week.

Caroleen Nading of 49 Magnolia Lane and Jessica Platus of 62 Magnolia Lane, both of Jericho, sold some of their own toys, then donated the proceeds to the Cystic Fibrosis Foundation.

On March 4, the North Shore Chapter of the Cystic Fibrosis Research Foundation will hold its annual Sweetest Dinner Dance at McLoughlin's on Northern Blvd. in Roslyn. Choose Jr. Student Council Officers; Jayhawkers' Landslide Wins Election

By Grace Merrell

The political picture is painted brightly at Jericho High School where students in the seventh, eighth, and ninth grades elected their student council officers. After active campaigns including debates between the two political parties, the Jayhawkers and the Victorians, the junior high students voted for their council executives on November 22, 1960. On November 23, the victors were inaugurated as Mr. John Heller,

Principal, administered the official oath.

The Jayhawkers won the election with an obvious landslide, for their entire slate of candidates was elected. The officers of the Junior High Student Council are as follows: President, Jack Fierman; Vice-president, William Herskowitz; Secretary, Meredith Neuber; Treasurer, Mark Mandel; Historian, Michael Greene.

Safer Christmas

All homes should have some equipment for putting out small fires and preventing large ones from spreading. Also important is that each member of the family know what to do in case of fire in the home.
 Fire prevention specialists recommend that families work out a plan and rehearse it periodically. Basically such a plan would involve calling the fire dept. and giving directions for reaching the home, getting the family out, and saving animals.
 Approved fire extinguishers and household and garden tools, such as a sturdy rake or extra lengths of hose, are all valuable in fighting fire.
 But, avoiding fire hazards in the first place is vital in safeguarding the home against damage. During the Christmas season when inflammable materials are about, particular care should be taken in disposing of trash, in keeping greens moist and fresh, and in checking heating and electrical appliances.
 Coraell bulletin # 1051, "Household Equipment - Its Care and Simple Repair," helps families locate minor troubles and make simple repairs in equipment. Single copies are available for 25 cents at the Mailing Room, Stone Hall, Coraell University, Ithaca, N.Y.

Ladies Provide Holiday Fun

The happy spirit of Christmas was in the air at the Ernest F. Franke Republican Club meeting Dec. 9 at the Hicksville Masonic Temple, thanks to the ladies of the Central Island Women's Republican Club.

The women decked themselves out in wigs, gowns-palat and fancy costumes and put on a three-act show that had the standing-room crowd laughing uproariously.

First they presented Christmas among the hobos; then Christmas in a toy shop. The last act, however, was the show-stopper and was titled by some as "How to Put a Christmas Tree in the Place."

By the time the last Christmas carol was sung, the audience was in a joyful mood for the refreshments and dancing to the tunes of Paul Drake's orchestra which followed the show.

The entertainment was supervised by Sadie Harley and the cast included Louise Pankoff, June Caparole, Nellie Reichert, Ann Haley Jessel Waldenmeyer, Lydia Zaborovitch, Sylvia Matthews, Ruth Hansen and Lillian Timmons.

Also Margaret Cravens, Helen Swensen, Bea Jeanson, Helyn Along, Elsie Marthen, Nancy Trotta, Helen Slovik and Kitty Weiss.

Ignatius Blues Win 3 Straight

St. Ignatius Loyola Blues of Hicksville won their first three starts in the Rockville Centre Diocese C.Y.O. Section 1 Basketball Division.

On N.v. 28, they travelled to Massapequa to take the measure of a stubborn Our Lady of Lourdes five, 31-27. Enjoying a 14-point half time lead, St. Ignatius had to stave off a determined late rally by the Blue Angels. Andy Proszowski and Jim Gallagher each scored 11 markers for the winners.

The Blues played host on Dec. 2 to St. Martin of Tours of Bethpage. Tom McAuley, 10 point scorer, led the Hicksville team to a 38-22 win.

On Dec. 17, the Blues landed Merrick and passed Curv's of Ar 31-13. Andy Proszowski was again top scorer with 10, while the rest was well divided.

Christmas Fire Safety Is Job For Entire Family

The Bureau of Fire Prevention of Hicksville Fire Dept points out that Christmas fire safety is a job for all the family. Before the holidays begin, the family should be called together and some fire safety task assigned to everyone.

Father, as a rule, buys the Christmas tree, and the Bureau says he should be sure and select a tree that is fresh. He should run his hand over one of the branches. If the needles fall off, the tree is dry. He should select another

one with firmly attached needles. **Keep Tree in Water**
Next, when father gets the tree home, he should set it in a pail of water in the garage until the day it is to be brought in and decorated. Trees get thirsty just like

people. As long as they have a drink of water they will stay fresh, with the needles firm.
It is the job of Mom and the children, as a rule, to choose decorations for the tree. It is smart to buy only ornaments made of metal, glass, or a fire-resistant material.

Father and mother usually do the setting up of the Christmas tree. It should be placed in a holder, equipped with a container of water in which the trunk may rest.
The tree should be placed in a spot in the room where it will not block an exit.
