

Community Blood Bank Organizes Apr. 12

All Hicksville organizations are being invited by the Wm. M. Gouse, Jr. VFW Post No. 3211, to send delegates to a community meeting on Tuesday night, Apr. 12, at Nicholas St. School auditorium to discuss and organize a Blood Bank available in emergencies to all residents of Hicksville School District. Local physicians,

as well as all interested residents, are also being invited by Garrett E. Korfitzen, acting chairman for the VFW. The proposal has already been endorsed by the Robert L. Bacon Republican Club, Lions Club, Twin Lanes Civic Association, Civic and Community Association, VFW Auxiliary and most of Hicksville's doctors.

BMA Studies Bus Routes and Service

Schenck Transportation Co., which operates a bus line from Hicksville to Westbury and points west and makes a loop around the community, has informed the Public Service Commission this week that it will seek further increases in fares. In January, Schenck got a 20 per cent temporary boost.

The Hicksville Business Men's Association has undertaken a complete study of all bus franchises in the mid-island area, according to George Rapaport, Bus Committee Chairman. All existing routes will be plotted and the need for new lines in relation to fast growing home developments will then be brought to the attention of operators.

A main point of initial study will be the irregular Hicksville-Island Trees and Hicksville-Bethpage service which has been the subject of numerous complaints.

\$1,300 CANCER CAMPAIGN OPENS HERE ON FRIDAY

A quota of \$1300 has been established for Hicksville and Jericho area, H. Bogart Seaman, section chairman for the Town of Oyster Bay, in the Nassau County Cancer Committee's first house-to-house drive for funds in April, announced today.

The committee this year is seeking \$100,000, the largest goal in its 21-year history, Seaman pointed out, because "the needs of the cancer battle require more and more funds as

Home Mail Delivery, Parking Concerns Bethpage Council

Postal carrier service, erection of street signs, establishment of parking areas and improvement of road conditions in Bethpage were discussed at a meeting of Bethpage Council of United Organizations last Wednesday night at the school. Charles Schwarz conducted the meeting in the absence of President Anthony Amato.

Houses Need Numbers

A. A. Long reported that mail delivery would be established in Bethpage as soon as the houses are numbered and that Postmaster Stolz suggested that some organization undertake the project.

"The Central Park Water District discussed the numbering of houses at a recent meeting and it was decided by the commissioners to undertake it," H. G. Holzmacher, water commissioner, said. The water district also plans to erect street signs, he added.

The Council decided to seek improvement of the "poor conditions of many of the streets" by having Maiden Lane, a narrow thoroughfare north of the railroad tracks, taken in by the Town Highway system.

Ed Price, spokesman for the Bethpage Kiwanis, said that the club is sponsoring a movement to petition

DECISION ON LIBRARY

Since this edition of the Herald went to press before the conclusion of the special meeting of Hicksville School District voters on the \$175,000 Library Bond issue question, a special supplemental bulletin giving the results of the meeting will be found inserted between pages 2 and 3 of this issue.

RED CROSS FUND REACHES 60 PCT. OF LOCAL QUOTA

The Red Cross Fund campaign in Hicksville has now reached 60 per cent of its \$2,250 quota, Fred J. Sutter, Jr., village chairman, announced today in reporting a total of \$1,395.86 contributed to date.

The chairman explained that volunteers who had been making a canvass of homes and businesses in the community since the drive opened on March 1 would continue to contact every resident of Hicksville until the quota had been topped.

Bethpage, under the chairmanship of Mrs. Charles P. Malone, has top-

Petitions Circulating To Force Removal Of Press Wireless

A petition to Oyster Bay Town Board asking for the complete ouster of Press Wireless installation from nearly 200 acres of land along Cantiague Rd. in the north-west sector of Hicksville was being circulated today. The petition charges that the use of the property, zoned as residential, with the poles and structures upon it, is "illegal."

The radio transmitter station which beams its signal to distant corners of the globe, first located on Cantiague Rd. nearly 18 years ago, and has greatly expanded since. The petition which sponsors say already bears about 100 signatures of Hicksville property owners in less than a week, charges that Oyster Bay Town Clerk records "fail to disclose any permits or variances having been issued to the owners of property" to erect a building or a wireless transmitting station.

Petition in Paper

Isaac Penner brought the petition to the attention of the Hicksville Civic and Community Assoc. last Thursday night. Association action was delayed, pending consideration of the plea by the executive board this week. The complete text of the petition is published in this issue of the Herald on page 14.

CLERGY ASK 3-HOUR SHOP CLOSING GOOD FRIDAY

Hicksville clergymen are soliciting the cooperation of local business people on the closing of all business places on Good Friday, Apr. 15, from noon to 3 p.m. The plan was successfully introduced in Hicksville last year. Huntington and Amityville merchants are also being asked to cooperate.

Local churches will be open for services during the three hours. The Good Friday 3-hour message closing is endorsed by the Rev. Edward Stummel of the Trinity Lutheran Church, the Rev. G. F. Copeland of the Holy Trinity Episcopal Church and the Rev. George M. Bittermann of St. Ignace R. C. Church.

Unincinerated Refuse Causes Stench; Chlumsky Discusses Town Problems

The report on Oyster Bay Town affairs given at the Hicksville Civic and Community Assoc. meeting last Thursday night by Councilman Frank Chlumsky was so detailed and of such widespread local interest, that the Herald will publish an account of the meeting in several installments of which this is the first.—Editor.

That stench of burning garbage about which residents in Hicksville's east section complained about a week ago resulted from the disposal of refuse smoldering in an open dump adjacent to the Town Incinerator plant at Locust Grove.

Councilman Frank Chlumsky admitted at the Civic meeting Thursday night in Hicksville Firehouse, that "some garbage" was burned out in the sand pit while one of the incinerator furnaces was being re-bricked.

The question of refuse disposal

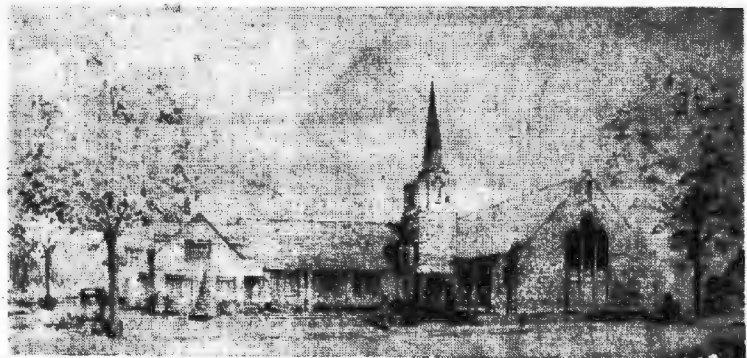

proved to be one of the major highlights of his discussion on town government. During the past fiscal year, the Hicksville garbage district paid \$12,099 (at the rate of \$2 a ton) for incineration of its waste.

12 Million Pounds

A total of 12,100,000 pounds of garbage was carted from Hicksville homes and businesses to the incinerator (Continued on Page Four)

COLLINS TO APPOINT CONDEMNATION TRIO

The motion of Hicksville Board of Education in the condemnation of the Albrecht property on Burns Ave., for a proposed school site, was heard by County Judge Henry J. A. Collins in Mineola, Monday, without opposition. The court is expected to name three condemnation commissioners to hear testimony within a few days.

PROPOSED Hicksville Methodist Church which may soon be erected on Old Country Rd. at Nelson Ave., a block east of Newbridge Rd. will ultimately cost nearly \$150,000 including furnishings and equipment. The first unit will probably cost \$80,000

according to Cranston Clayton, pastor. The building at the left is the parsonage. Raymond Johnson of Westbury is the architect. The present Methodist Church is on the east side of Broadway between Marie and Nicholas Sts. See story on Page 2. (By Photo).

State To Represent Chas. Wagner Post At Legion Boys' State

Elias J. Stets of 11 Spruce St., Hicksville, has been chosen to represent the Charles Wagner Post, American Legion, at the 1949 Empire Boys' State to be held at Colgate University, Hamilton, N. Y., from June 27 to July 3. Herbert Jahn of Burns Ave. has been chosen as alternate.

The American Legion Boys' State Program originated in the State of Illinois in 1935 and was adopted by New York in 1939, at which time Fred Bengel, present Post Commander, was the first candidate to represent the Charles Wagner Post. In 1948 Frances Fay represented the Wagner Post and was elected and Assemblyman from his county.

Each year since 1939, the High School Faculty has chosen the outstanding High School Junior to attend the annual Empire Boys' State, dividing themselves into two mythical political parties—27 cities and 9 counties—to learn the functions and operations of these governments and finally that of New York State.

The American Legion provides for all expenses, including transportation, food, lodging, accident and sickness insurance and pocket money.

Stetz has been prominent as an athlete, participating in football, basketball, baseball and track, and has also been active in class activities.

66 BROADWAY HICKSVILLE

Dear Jean...

Have you been in to visit the new showroom of EMPIRE DECORATORS? It is a fine addition to our business section and many folks did look for themselves last weekend. . . . One of the hilarious moments at the Civic meeting, Thursday, was ISAAC PENNER's inquiry of Councilman GILUMSKY regarding proposed rezoning of the community. PENNER wanted to know how H. G. KISEMANN and the advisory committee would "sense" the need for changes, asking: "How can he tell? Does he smell it?" . . . Help yourself in the word this week from the WM. M. GOUSE VWF Post. The Hicksville vets have cut down ten giant trees on the site of their proposed clubhouse, So. Broadway and Fourth St. opposite St. Stephen's Church, and invite the public to cart away the brush and fireplace logs. . . . County health department predicts 1949 will be "another measles year." While not as many cases as 1948 are expected, there have been 400 in the first 12 weeks of this year. . . . The armed forces came calling, on business, in volume last Friday morning. While Sgt. R. KARL LOVELAND of the Army and Air Force Recruiting station in Hempstead was at the Herald office with three other soldiers (to tell us about Army Day, Apr. 6), along came S. Sgt. JOHN A. PIERCE and another non-commissioned officer of the Marine Corps from the recruiting service, likewise of Hempstead. . . . Tonight (Wednesday) is the regular monthly meeting date for the Hicksville School Board and the time when the P.T.A. is expected to present its much-discussed "eleven questions." . . .

An English war bride is among our new residents this week, she's the wife of HARRY MIRAGLIS from Brooklyn. The couple and their two-year-old son are in a new home in the Miller development just south of Hempstead Turnpike. Also in new homes in that section are MR. and MRS. WILLIAM REHMAN and their 2 boys and 2 girls from Mineola. He works at Doubleday's. MR. and MRS. PAUL NORRIS and 3-year-old son are from Brooklyn. MR. and MRS. KENNETH PETERSON and 4-year-old son are from St. Albans. MR. and MRS. CORNELIUS LEHMAN and son 6 years and daughter 1 year are from Mineola. . . .

Second Precinct police are investigating the theft last week of \$1,800 from the Sunrises Food Exchange on Levittown's North Village Green, stolen after closing hours. . . . The shops in the South Village Green are starting to open. . . . GEORGE SPOHRER explains why the Airpark is open again like this: The flying field is being operated by Hicksville Airpark Inc., owners of the property. The Hicksville Airpark Club, which had previously operated the field (and since been chased) under lease of the land from "Inc.", has been disbanded. "Inc." has entered into a contract with the Veterans' Administration for training of vets and the Secretary of Defense for training Reserve Army Liaison pilots. . . . Under a new order affecting the 2nd, 3rd and 6th precincts, all police on motor patrol have been shifted away from their home communities. The move affects police with the longer service records, some of whom have patrolled in a particular locality for 10 to 20 years. Thus ALEX MAYERHOEFER and CHARLES EQUIRE are now in Hicksville and local men have been moved to Farmingdale, etc. . . .

The Tercentennial Committee is getting ready to wind up its affairs and make a detailed report on finances, etc. . . . About 600 Levitt houses, moving toward Hicksville, will be in School District 17—or so, I heard it in a barber shop. . . . April 8th is officially BIRD DAY in this state. . . . HERMAN KASTBERG, charter president of the Levittown Community Association, says he will not be a candidate for re-election in May. . . .

We can expect the opening of the Northern State Parkway, at least the section from Westbury to Hicksville, this summer. The roadside is now being graded as a preliminary to landscaping. . . . Parents of Hicksville, Jericho and Plainview who have sons 12 to 16 years of age may want to call attention to their boys of the free vacation in New York State Conservation Department's Camp at DeBruce being offered by the Hicksville Sportsmen. See entry form on Page 16 for details. . . . The School District condemnation action on the ALBRECHT parcel was scheduled to start Monday in Mineola, in a more or less routine fashion with the filing of papers. . . .

Jericho Exempt Vamps Prepare for Election

A nominating committee for an election to be held in June was appointed at a meeting of the Benevolent Assoc. to the Jericho Fire Department Mar. 22. Dermot Dunne will be the chairman assisted by all the past presidents. President Harry Stewart also appointed Anthony Siodorski and Patsy Mille to the committee.

A cash prize of \$50.00 awarded by the association was won by Miss Doris Doughty of Jericho.

Preliminary School Budget Hearing Apr. 18, Herzog Candidate for Re-election to Board

WILLIAM BOTTO
He invites the School Board to the
Apr. 28 Civic meeting.

A preliminary public hearing on the tentative 1949-50 Hicksville School District budget will take place on Monday night, Apr. 18, the Board of Education disclosed yesterday. Advertising of the budget is scheduled to start next week in the Herald. The School Board has been meeting weekly during the past month to complete the budget.

The preliminary budget hearing arrangement was initiated last year. The annual school district meeting, when the vote on the budget takes place, will be the first week in May.

Hicksville School District may receive an approximate \$34,000 increase in aid from the State of New York above the \$180,000 received this year, it was disclosed as Nassau Legislators returned from Albany where the state aid formula is being revised.

The Hicksville Civic and Community Association, through Education Chairman William Botto, has in-

ited the School Board to have a spokesman present for its regular meeting, Apr. 28, to speak about the proposed budget.

District Clerk Andrew B. Heberer has received the nominating petition of Roland Heberer to succeed himself for a five-year term as a trustee of the Library Board, election of which is scheduled for the night of the school meeting.

A petition is now circulating to nominate John Herzog as a candidate to succeed himself as a three-year member of the Board of Education.

LEGION SUPPORTS PLEA FOR POST OFFICE

At the meeting of the Charles Wagner Post No. 421 held recently the Post went on record as being in favor of a new Hicksville Post Office and letters have been written to our representatives in Congress and the Postmaster General advising them of this stand. A letter was also written relative to the Trade Agreement with Czechoslovakia.

A donation to the Boy Scouts was voted and given.

Two new members, Chet Jaworski and Joe Looney, were accepted and welcomed into membership.

There were 41 traffic cases heard in the Fourth District Court, Hicksville, last Wednesday morning. A total of \$145 was collected in fines. Judge Norman Lent presided.

Methodists to Build New Church

(Picture on Page 1)

With congregations doubled within the last year and Sunday School facilities entirely inadequate, the Hicksville Methodist Church this week disclosed plans for construction of a new edifice at the corner of Old Country Rd. and Nelson Ave. The project was ultimately cost \$150,000 with the first unit cost estimated at \$90,000.

The sanctuary of the proposed building will seat about 300 persons including choir and can be easily expanded, according to Pastor Cranston Clayton. The church plans to continue its present practice of two Sunday morning services.

The new building will contain an assembly and social hall 95x35 feet, a large kitchen, a parlor 20x30 feet, an office, a choir room and separate facilities for each Sunday School department including nursery.

The Methodist Church was organized in Hicksville in 1900. The pastor and congregation hope to celebrate the 50th anniversary in the new building in 1950. Members of the Church Building Committee are G. F. Wen-nagel, Roland Heberer, J. C. Lauck, John Lockie, E. A. VanSlyke and Pastor Clayton.

SANATORIUM SITUATION

To the Editor:
After reading the column "Our Community Today: Fine Buildings May Not Be Enough", by Nick Econopouly, in the March 9 issue of the Herald, I cannot resist making a short comment on the article.

I would like to compliment you for publishing such a forthright appraisal of the situation at the Nassau County Sanatorium. Certainly you are performing an important public service by bringing to light many unfortunate conditions at the Sanatorium that could readily be improved or abolished if public interest was aroused and appropriate action directed at the authorities who control and carry out the policies of the hospital.

I speak from experience as I was a patient at the aforementioned institution for a period of almost two years. I heartily endorse Mr. Econopouly's series on the Sanatorium and admire his courage in bringing forth the facts to the public.

Editor's Note—The third and concluding article by Mr. Econopouly on the Nassau County Sanatorium will appear in the April 6 issue of the Herald.

DESPERATELY NEED HOME

To the Editor:

Maybe someone reading this can help us. We are desperately in need of a home. We are being evicted from the place we are now living; after residing here for twelve, long years. We have all our rent receipts to verify this. My husband was in the Army for four and a half years and he hasn't had a decent break since he returned home.

The veterans was supposed to get a lot of things when he got home after the big war. Well he did—ten thousand dollar homes, no jobs, and high prices that he couldn't afford to pay. We are a respectable couple,

April 6 is Army Day:

U. S. Army - Part of the Team - for Security

By R. KARL LOVELAND, Sgt.
Public Information NCO

Supremacy on land, sea and air is the goal of America's security.

Historically, it is a security that traces its roots to the defensive traditions of Lexington, 174 years ago. In practice up to V-J Day, 1945, it involved the fighting of a total war with the total weapons of land power, sea power and air power.

Thus, while the United States does not have the biggest Army in the world, its potency—multiplied many times over by the support of its partners—assures not only the best Army in the world but one of such strength and readiness that none would dare to contest it.

Broadly speaking, the Army, disavowing hit or miss armament programs, stakes its case on what President Truman termed "a national defense position of relative military readiness, coupled with a higher degree of mobilization preparedness."

This is to serve notice that while the strengths and techniques of possible aggressor states are changing rapidly in the current scientific revolution, the United States Army is also revising its estimates—yet behind them but ahead of them.

Whether we think about security from enemy attack or security from floods, storms and disasters, the Army enters the picture. Relief of the suffering, shelter of the homeless, and care of the living has characterized the Army's approach to calamity after calamity.

In the past winter, its disaster force manning tanks, weasels, bulldozers and scrapers on land and food carriers in the air, carried out the largest rescue operation in United States history. Overcoming snow, ice and punishing cold, its veterans fought their way to hundreds of beleaguered citizens and fed millions of starving cattle throughout the western range country.

Words will never embellish the Army's effort at Texas City two years ago, at Bar Harbor in 1947 or the Mississippi Valley in 1927. And while the military service has always been the prime asset of its government, its achievements in every field of welfare point up the fact that the extent of its peacetime exploits is scarcely known.

See You At The Dancing

"Harry folks, fill the hall
Get your partners one and all
Find your honey, find your sweet,
Get that gal out on her feet."

The square dance for April will be held in the East Street School this Saturday beginning at 8:30 P. M. Dan Dirlacher will be on hand as the caller and music will be furnished by his orchestra.

This square dance, sponsored by the Hicksville Classroom Teachers' Association, is being held in the East Street School because the Community Concert is being given the same evening in the high school.

Ed Dirlacher, compiler of the book "Honor Your Partner," says in the foreword "A community is expressing itself best when mothers and sons, fathers and daughters join with their neighbors and learn to know and understand each other's problems in a spirit of friendship and there is nothing that creates such a friendly spirit more quickly than a good square dance."

"Swing her, boy, now don't be slow
Swing the girl in the calico."

See you at the square dance.

Give Them The Heave-Ho

If your medicine cabinet is full to overflowing, maybe it's time to go through it and throw out half of the bottles and boxes. Those drugs left over from ailments long-past will have lost their effectiveness by the time (if ever) they are needed again. It's a good rule to dispose of them as soon as the patient has recovered—that eliminates the chance of anyone taking them by mistake.

Parents willing to tolerate a little aggression in their children are likely to produce citizens able to make their own way in the world of the atom bomb.—Dr. Frederick H. Allen, University of Pennsylvania Medical School.

The United States is in danger of falling under dictatorship through a creeping paralysis of thought and over-centralized government.—Gen. Dwight D. Eisenhower.

CHLUMSKY DISCUSSES TOWN BOARD PROBLEMS

(Continued from Page One)
erator and that, Chlumsky remarked, "is a lot of garbage."

Answering a question from the audience, he asserted the town incinerator has sufficient capacity to take care of the needs of the township "for some time to come." At the present time the town, in neighborliness, is burning refuse from Levittown (Island Trees), Westbury and some other outside-the-township areas, besides the truckloads brought from communities within the township. The outsiders are paying the town \$8 a ton (local charge \$2) for incineration.

Discussing special districts, Chlumsky explained that the Hicksville garbage district covered a limited area with farms excluded when it was formed and therefore some of the new home developments are not now in the district. Pending the expansion of the district, arrangements have been made for collection of refuse by private contractors.

Face Higher Tax

Two lawyers are working on the problem of extending the district to cover the new developments, he said. He warned homeowners of new developments that they face a higher garbage tax than the rest of the community on their next bill, since they will be obliged to pay for the period of the current year from the date of extension plus the normal tax for service in 1950.

And on the same topic, he disclosed that the town fathers are thinking about enacting an ordinance which would require the use of only closed garbage trucks in the township, possibly in 1952.

The report of Councilman Chlumsky's address to the civic group will be continued in the next issue of the Herald.

KIRSCHNER IVY WINS FLOWER SHOW HONORS

Arthur and Joseph Kirschner of Hicksville-Jericho Rd., Jericho, were awarded a silver medal as second prize for an ivy during the recent International Flower Show held at the Grand Central Palace, New York City.

The ivy was named Christana for Mr. Kirschner's wife, Christina, and mother, Anna. Mrs. Anna Kirschner died last week.

The Kirschners specialize in the growing of ivy. The Christana ivy was a result of several years of crossbreeding.

LIONS MAKING PLANS FOR 1ST ANNIVERSARY

Stanford Weiss is chairman of a committee of the Hicksville Lions Club making plans for the first charter anniversary night of the club to be held after Easter. He was appointed at the Lions meeting last Wednesday held in the Near You Cafe.

During the meeting Weiss, as membership chairman, received a special award-desk ornament for his efforts during the Melvin Jones birthday celebration membership drive in January. Special awards were also presented by Weiss to President Fred C. Birk, Myron Baumer, Joseph Petrone and Nick Mavis.

Assisting on Charter Night plans are Vincent Braun, Roland Heberer, Henry Wawryck and Pat Buffalino. A letter of appreciation to the Lions for marking the truck loading zones on Broadway with paint was received by the Club from the B.M.A.

SATURDAY MATINEES CONCLUDE UNTIL FALL

The Saturday matinees sponsored by the Men's Club of the Trinity Lutheran Church, Hicksville, and held in the church basement were successfully concluded on Saturday. It is planned to continue the series in the fall.

The movies were selected as appropriate for a children audience. No admission was charged but a free will offering was accepted. The Rev. Edward Stammel, pastor, and Arnold Fricke were in charge of the project.

SHOOT'S SELF IN CHEST

William Murray, 26, of 15 Ormond St., Hicksville, is at Meadowbrook Hospital with a self-inflicted wound in his chest. He was shot Friday night, police report, in the bedroom of his home.

Requests Ice House Permit

An ice storage house is being planned by Frank Gentile of 100 Old Country Rd., Hicksville, to be erected on the northside of Old Country Rd. about 150 feet east of Jerusalem Ave., Hicksville. He will seek a special permit for the building from the Zoning Board of Appeals at a hearing next Thursday night, Apr. 7, in the Justice Courtroom, Oyster Bay, at 7:30 p.m.

The Board will also consider the application of A. J. Lamoureux of Broadway and East John St., Hicksville, who plans to install an additional 3,000 gallon underground gasoline storage at the northeast corner of Broadway and East John St., Hicksville.

BETHPAGE VFW POST RE-ELECTS COMMANDER

Edward Baldwin was re-elected commander of the Butehorn Brothers VFW Post of Bethpage at a meeting Thursday night at the clubhouse. A joint installation with the Ladies' Auxiliary is being planned in the near future.

Other officers are: Charles Price, Sr. vice-commander; Edward Shaaf, Jr. vice-commander; Robert Cook, quartermaster; the Rev. Richard Hanley, chaplain; Dr. Charles Melone, surgeon; Ernest Finamore, trustee; Ronald Cersoli and Paul Sennett, delegates; Arthur Bellion and Frank Portuguese, alternates.

It was decided to change the meeting dates to the second and fourth Monday of each month at the clubhouse on Lexington Ave. The post will sponsor a card party on Apr. 30.

Cub Pack 91 Meeting At Parochial School

A meeting of Cub Pack 91, Hicksville Cub Scouts, will be held tonight (Wednesday) at the St. Ignatius Parochial School. Two of the dens will present several skits.

Due to the large cub enrollment, the pack has been divided into six dens. Mrs. Betty Arthofer and Mrs. Muller are new den mothers.

Welcome Party Set for Bethpage

A welcome party for all residents of Bethpage will be held Apr. 30 under the auspices of the Bethpage Theodore Roosevelt Republican club at the clubhouse on Washington St., Bethpage. Arrangements for the affair were made at a meeting of the club last Monday. Harvey Nylund will be the chairman. There will be dancing and refreshments.

The following new members were welcomed during the meeting. Mr. and Mrs. Nelson Perry, A.M. Mele, Fred H. Willard, Mrs. Bertha Kunzig and Mrs. Theresa Kunzig.

A donation was voted for the Red Cross and Boy Scout drives.

William J. Schwars, Jr., son of Mr. and Mrs. W. J. Schwars of Route 1, Hicksville, is home from Cornell University, Ithaca, N. Y. for the spring vacation until Apr. 4. He's a junior in Chemical Engineering.

Bernard W. Rowehl of Wantagh Ave., Hicksville, has moved to North Little Creek Road, Dover, Delaware.

RIGHT PLACE, DATE, BUT WRONG ANYWAY

Somebody made a boner, but good, in last week's Herald and we hasten to make a correction to save the parties involved any further embarrassment. The published item stated incorrectly that Miss Adrian Tarantino would wed Nicholas Pagano on April 24. Miss Tarantino, who is the daughter of Mr. and Mrs. Charles Tarantino of Jericho, will marry on April 24, but the groom-to-be is Carl Gianino of Syosset.

Mr. Pagano of New South Rd., Hicksville, is also getting married on April 24 and also at St. Ignatius R.C. Church, but his bride-to-be is Miss Madeline DeMarco of Hempstead Turnpike, Hicksville.

The proof reader has been put in solitary confinement on a bread and water diet.

Members of the Ladies' Auxiliary of the Hicksville Hebrew Temple will enjoy a night club social Sunday, Apr. 3, at 8:30 p. m., in the Hebrew Temple. A skit will be presented by the ladies under the direction of Dr. Philip Rubenstein.

Offer Communion For Imprisoned Clergy

About 200 members of the St. Ignatius Loyola Holy Name Society of Hicksville attended a monthly corporate communion which was offered up for "the liberation of Cardinal Mindszenty and Archbishop Stepinac," Sunday, Mar. 13.

At the regular meeting of the Society held the following evening, membership chairman Cuno Briganti introduced as new members Albert Manelski, Mario Carrera and Charles W. Braun and reported the total membership now numbers 386.

Werner C. Rompell, cub pack chairman, reported upon a recent party given for parents of the cub. Thomas Costello reported on the annual joint retreat with the Joseph Barry Council, K. of C., to be held May 13, 14 and 15. Father Lawrence Ballweg gave a short talk on spiritual reading during Lent.

Lawrence Eisenhauer showed colored motion pictures of the Trappist Monasteries at Louisville, Ky., and Atlanta, Ga. He gave a descriptive talk of the elevation of Master of Novices, Robert McCann, to Abbot of the Monastery at Atlanta.

Stephen M. Hnatuk, president of the Society, conducted the meeting. Refreshments were served by William Wulfsen and his committee. The next meeting will be held April 11.

SEND SOAP TO HOLLAND

The first box of soap bars was sent to a hospital in Amsterdam, Holland on Saturday by the Women's Society of the Bethpage Methodist Church. The box weighed 30 pounds, according to Mrs. Robert Gillespie, chairman.

Another box is now in preparation for shipment to a hospital in Paris, France. Donations may be left at the church or with Mrs. Gillespie.

Mrs. Isaac Penner of Cantiague Rd., Hicksville, had as her afternoon tea guests last week: Mme. Marcus Landesmann, Mme. Robert Landesmann of Paris, France; Mrs. Helen Fish, Mrs. Charlotte Seigel and Mrs. I. Wald of New York City.

Dominick Oliveri of 19th St., Jericho, is recuperating at his home following an operation at Nassau Hospital. He is a member of the Jericho Fire Department.

Old Bethpage Notes

Mrs. Lester Haab was guest of honor at a baby shower on Monday evening at the home of Mrs. Thomas Duffy. Mrs. Duffy had very prettily decorated her dining room with blue and festive place cards and favors. Among those who wished Mrs. Haab well were Mrs. L. O'Shaughnessy, Mrs. A. Goldstein, Mrs. A. Kubicki, Mrs. T. Dorfmeister, Mrs. C. Kopf.

The Entertainment Committee of the Old Bethpage Civic Association under the chairmanship of Mr. A. Kubicki has completed plans for the Spring card and bunco party to be held at the Schoolhouse on Round Swamp Road this Friday, April 1, at 8:30 p. m. Merchants of both Farmingdale and Hicksville have contributed many attractive and valuable prizes. A ticket of admission not only gives you a chance to compete for these prizes but entitles you to a chance on a special door prize. The ladies of the community are donating homemade cakes for this occasion. You will not want to miss this party if you have been to others given by the Association.

The proceeds from this card and bunco party are going to be used toward the erection of street signs in Old Bethpage.

Two Local People Hear Noted Singers

Miss Harriet Spink, Hicksville teacher of voice and a member of the New York Singing Teachers' Assoc. attended the annual dinner of the association at the Hotel Hudson on Mar. 15 in New York. Miss Spink's guests were Mrs. Marvin Thrasher of Levittown.

Among the guests of honor were the well-known Metropolitan Opera stars, Martha Lippman; the Russian baritone Alex Kipnis and his wife; baritone Lawrence Tibbett; the Metropolitan opera conductor Wilfred Pelletier.

The guest speaker was Dr. Sigmund Spaeth, stage director at the Met, who calls himself a tune detective. He entertained with illustrations of the early American popular songs such as "My Mother Was a Lady, or, If Jack Were Only Here". He gave several other illustrations taken from his book, "The History of American Popular Music." Dancing followed the program.

Two Past Presidents Receive Clocks From GS Auxiliary

Girl Scout model travelers' clocks with the Girl Scout emblem were presented to Mrs. Lawrence Elsmeyer and Mrs. Malcolm Kuhn by the Girl Scout Ladies Auxiliary at a meeting Tuesday night, Mar. 22. The gifts were presented in recognition of their efforts during their respective terms as presidents of the auxiliary.

During the meeting the ladies packed nine cartons of clothing for overseas. The Girl Scouts had collected the clothing from their friends and neighbors.

Miss Ruth Muehlenbrueck was welcomed as a new member.

A membership drive is now in progress with Mrs. Arthur Ferro as the chairman. The purpose of the auxiliary is to assist Hicksville Girl Scouts financially by sponsoring card parties and sales. Any woman over 18 years who is interested in furthering the Girl Scout program in Hicksville is cordially invited to join. They may contact Mrs. Ferro or any member of the club.

SELECT NEXT PRODUCTION

The Little Theatre Workshop has selected, "The Cat and The Canary" as their next production. The mystery-melodrama was written by John Willard and presented on Broadway with Henry Hull, Florence Eldridge and other top performers in the cast. It was also made into a motion picture under the same title, with Bob Hope and Paulette Goddard in the leading roles.

"The Cat and the Canary" has plenty of chills, thrills and laughs and will keep the audience in suspense from beginning to end", Dr. Philip Rubenstein, of Hicksville, director of the group, said. The date and place will be announced later.

IN COLLEGE MUSICAL

Miss Jeanette Kellner of Field Ave., Hicksville, will appear in the Hofstra College musical comedy, "It's a Matter of Degree," to be held at the college gym at 8:40 p.m. for three nights starting tomorrow (Thursday.) The all-student show is a series of six original sketches about campus life and the influence of education.

WOMAN'S CLUB MEET

Sound motion picture films on Israel were shown to members of the Hicksville Woman's Club at a meeting held at the home of Mrs. Morris Roehman, 145 Sixth St., Hicksville, last Monday night.

The next meeting will be held at the home of Mrs. Charles Stoll in Huntington on Apr. 11.

A meeting of the Lois Altar Guild of the Trinity Lutheran Church, Hicksville, was held Tuesday, Mar. 15, at the church. The Rev. Edward Stammel spoke on the topic, "The Glory of the Cross". There were 24 members present.

Mrs. Lottie Damm of Stewart Ave., Bethpage, was hostess to the Winton Club Thursday afternoon, Mar. 17, at her home. Refreshments were served in a St. Patrick's Day theme.

P-TA Expects Answers at April Meeting

A report on answers made by the Hicksville Board of Education to 11 questions asked by Harry Ernenwein through the Jr.-Sr. P-T. A. a week ago will be given at the April P-T. A. meeting.

Prior to the vote which approved the adoption of Ernenwein's project, president Carl Wellon read the following excerpts from the P-T. A. constitution: "The P-T. A. shall not seek to control or divert the administrative policies or duties of the school."

A former resident of School District No. 5, said that the Jerusalem Board devoted at least one hour of its monthly meetings to answering taxpayers questions. She asked if there was a similar practice in Hicksville.

Mrs. Edna Sutton, a member of the Hicksville School Board, replied that School Board meetings are open to the public. "The Taxpayer has the right to an answer to his question."

A letter from the Hicksville Lions Club seeking endorsement by the P-T. A. for the establishment by the School Board of a supervised summer recreation program in Hicksville was read by President Wellon.

Thomas Turner said that no action by the School Board could be expected by presenting such a blanket plan. "You must present some plan of action to the Board, with some prices and a definite program," he said.

A year-round recreation program for the young people of the community was cited by Turner as a more pressing necessity than just a two-months summer project.

"It's a good idea to take care of the summer months as a start, and lead on from there," Ernenwein said.

A motion to support the Lions Club request was voted upon and approved.

A motion to support a campaign by the Hicksville Civic and Community Assoc. for a new post office was also voted upon and approved.

Mrs. Harry Ernenwein, membership chairman, reported a total of 215 members. Four new members are: Mr. and Mrs. M. Knorr of Box 16, Old Westbury; Mrs. M. Thomas of Jericho Turnpike; and Mrs. Emma German of Central Park Rd., Plainview.

Election of officers will be held at the next meeting. The following nominating committee was appointed: Mrs. Eugene Kreider, Mrs. John Christ, Elery Bean, Howard Christ and Harry Ernenwein.

COMMUNITY PROBLEMS

A forum on "Understanding Our Neighbor" was presented by Hicksville High School students. The national issues were presented by Edwin Miller and Barbara Rotkamp and the international picture was presented by Patay Clayton and Anna Marie Knorr.

Discussing the local scene, Lewis Homire and Richard Mendelmann said that the traffic problems in Hicksville are the basis of many of the community's difficulties. It was suggested that parking fields be established along Duffy Ave. with underpasses to the depot as a remedy to the congested commuter-parking areas around the railroad depot.

Raising or lowering of the railroad tracks to eliminate crossings was also suggested. "One train stopping at the depot can tie up four crossings," it was pointed out.

A single organization to represent all the groups in the community in order to support worthy causes with a strength of unity was listed as a necessity for the town.

Elery Bean said that the Hicksville Civic and Community Assoc. serves the community in that capacity but that more active members are needed.

Other necessities for a growing community as outlined by the student forum included: a community survey to find its strength, incorporation and availability of cultural facilities such as the proposed library.

Entertainment was provided by Richard and Mae Rowehl with South American dances. Mrs. Elery Bean and Howard Christ sang two duets. The freshmen mothers were hostesses for the serving of refreshments in the school cafeteria.

RECEIVE TWO SCHOOL BUILDING BIDS APR. 7

Bids for four contracts for the new Abbey Lane School and the new Gardiners Ave. School at Island Trees will be received by the Board of Education, Union Free School District 5, on Apr. 7, in the auditorium of the Wisdom Lane School at 8 p.m., where they will be publicly opened and read.

The contracts are for general construction, heating and ventilating, plumbing and sanitary, and electrical work.

List of 11 P-TA Questions

1. The Bergold property was purchased through a dummy, Bruce Meincken. Who was responsible for this "plan" or method of purchasing the property? What was the reason for buying this way?
2. Bruce Meincken, the person who purchased an option to buy the Bergold property, paid \$1,000.00 for this option. He later assigned his rights under the option to the School Board. Did the School Board give Meincken the \$1,000.00 before Meincken signed the option? Suppose the town's people didn't vote for the acquisition of the property, would the School Board get the \$1,000.00 back from the Bergolds?
3. What guarantee did the School Board have that Meincken would assign the rights to the School Board? If Meincken refused to go through with the assignment to the School Board, what were the plans of the School Board?
4. Who decided to purchase the Bergold property and the price to be paid for it?
5. Was Charles Stoll the attorney for the School Board at the time they contemplated the purchase of the Bergold property? What is his fee?
6. Why didn't the School Board approach the Bergolds directly instead of trying to purchase the property indirectly, since there was a possibility of losing the money (\$1,000.00) paid for the option?
7. Couldn't a contract have been drawn between the School Board and the Bergolds at \$3,000.00 per acre with the express condition that if the contract should fail, the down payment would be returned in the event approval of the sale was not given by the townspeople?
8. The \$19,000.00 which the tax payers voted as an increase for the teachers was never granted. Why? We understand it was put into the general fund.
9. What is going to happen to the cement slab?
10. What do the children have to do to get the tennis courts repaired so they can play tennis?
11. The Albrecht property—from what we hear around town the School Board never made an offer for the Albrecht property before they started condemnation proceedings. What kind of a deal is going on?

RED CROSS FUND REACHES 60 PCT. OF LOCAL QUOTA

(Continued from Page One)

It has its \$225 quota by 170 per cent, reporting \$383.40. It is the second highest village in the county in its percentage over the top.

Island Trees, with 208 per cent of its quota of \$500, is leading all Nassau communities in the 1949 Red Cross drive. Chairman Albert F. Pearsall has reported \$1,666.32 contributed by the veterans community.

Jericho, under the direction of Mrs. A. D. Watkins, chairman, has reached 70 per cent of its \$2,225 quota with \$1,527.06 donated to the village drive.

In Syosset, 85 per cent of the village quota of \$5,050 has been contributed, according to Mrs. Thomas H. Ryan, chairman, who reported \$4,272.

EX-HHS STARS SHINE

Bob Summers and Bob Thomas, former HHS stars, helped pace Syosset to the second half championship of the Nassau Alliance League in its playoff game with Merrick Rangers.

Both teams tied for the top rung rung and Syosset with Summers, a mainstay all season, scoring 9 points and Thomas 4 broke the tie with a 60-49 win. Syosset earned the right to face Oceanside for the overall Alliance title.

Those Were Good Old Days

A glimpse into Hicksville community life of a half century ago came to light recently with the discovery of a tattered, faded and brittle copy of the Huntington Long Islander dated July 18, 1896. Mrs. Harry Darling of 5 Bethpage Rd. has loaned the copy to the Herald so that some of the items may be reproduced here.

The 58-year-old copy of the Long Islander was found wedged behind a picture which stood in the Darling attic for many years. Mrs. Darling's mother, the late Mrs. Peter Rutherford, had apparently tucked the paper into the frame to support the picture against the glass.

Recently the old frame was brought out for the purpose of using it to frame another picture. It was then that the paper was found.

Advertisements for patent medicine and general goods was printed among the Hicksville news items in 1896. Other excerpts will be published from time to time.

PETITION CIRCULATED TO OUST RADIO STATION

(Continued from Page One)

In the petition, it is believed by local video set owners that Press Wireless transmission may be interfering with reception in this community. Copies of the petition are to be found in Botto Bros., Spiro's and Henry's Radio and Electric Shop, the three local television and radio dealers. The petition does claim that Press Wireless activity on Canteague Rd. "is depriving the property owners . . . throughout the greater part of Hicksville of the proper use and enjoyment of their property."

Sponsors of the petition are confident that they can obtain several hundred signatures before presentation of the document to the town fathers, requesting action as provided by Town Law.

Thirteen reasons are cited in the petition asking removal of all buildings, poles, antennas in the area.

"STICKVILLE" ON CANTIAGUE ROAD IS ILLEGAL AND A MENACE TO THE HEALTH, SAFETY AND GENERAL WELFARE OF THE COMMUNITY.

A Petition to Oyster Bay Town Board

The undersigned, being property owners of the premises set forth opposite their names, being in Hicksville, part of the Town of Oyster Bay, respectfully petition you to forthwith order removed from property known as lots 8, 9, 10, 16, 17, 19, 20, 23, 26, 27, 28, 29, 30, 31 and 30 of Section 11, Block B and lots 104, and 105 and 469 of Section 11, Block C, as shown on the Map of the Department of Assessment, County of Nassau, all variances and violations consisting of certain poles, wires and buildings, and contents thereof.

THE GROUNDS ON WHICH THIS PETITION IS BASED ARE AS FOLLOWS:

1) The property is now owned by the Press Wireless Incorporated. Said Press Wireless Incorporated acquired said property by a series of deeds, the first deed being dated November 30, 1931, and continuing through by various other grants to July 26, 1945.

2) The building zone ordinance of the Town of Oyster Bay, in effect on November 1, 1929, designated all of the area described in this petition as a Residential D District.

3) That an examination of the files of the Office of the Town Clerk of the Town of Oyster Bay fails to disclose any permits or variances, having been issued to the owner of the said property to erect thereon a so-called "office building" or any wireless transmitting or generating plant or building of any kind or nature whatsoever.

4) That the first record regarding said property on file in the Office of the Town Clerk is an application dated May 28, 1934, for a variance for permission to erect two steel towers, together with additional poles necessary to carry additional antenna. That no notice was given to any of the property owners in the area regarding said application and on the 7th day of June, 1934, without notice to the property owners, permission was granted to erect said towers but said permission is null and void, having been made without notice to the property owners, and otherwise contrary to law.

5) That on the 29th day of May, 1935, application was made to erect three steel towers and replace present wooden ones, also to erect an additional steel tower. That no notice was given to any

property owners regarding said application and the same was granted without notice having been given to the property owners and the grant is null and void.

6) That on the 7th day of January, 1936, permission was requested to erect four additional 90 foot poles, together with enough posts to carry the necessary wires. That no notice was given to any property owners regarding said application and the same was granted without notice having been given to the property owners and the grant is null and void.

7) That on the 29th day of March, 1940, permission was requested to erect three additional antenna and which application was granted on the 18th day of April, 1940.

8) That on the 11th day of June, 1940, application was made for "permission to erect addition to present office building." That no permit was ever granted or variance issued for the erection of the original so-called office building and any permission to extend an illegal building did not create a legal use of the property. That the permission to erect the so-called "extension" was granted by the Board on the 20th day of June, 1940, and is illegal and void.

9) That on the 21st of March, 1941, an application was made for "permission to erect addition to present office building." That the same objection applies to the permission as set forth in Paragraph numbered "8" hereof.

10) That on the 5th day of December, 1941, application was made for permission to erect antenna poles with necessary transmission lines. That said application came on to be heard without any advertisement or notice to the property owners.

That the application was granted but the Board stated "It is a measure which is entirely in accord with the present defense program and the Board is fully aware of its importance and is accordingly desirous of cooperation in every way in these defense measures and grants the application in accordance with the plans as presented." That the defense program is now unnecessary and the purpose for which the variance was granted has expired. That the use and grant are illegal and void.

11) That on the 11th day of August, 1942, application was made for "permission to make addition to present building to be used for the manufacture of radio equipment and general office space; also permission to erect five additional antenna." The Board granted the application for the purpose of cooperating in extending uses which were necessary in the so-called emergency and said emergency has now expired. That the grant and use are further illegal and void on the grounds set forth in paragraphs "8" and "10" above.

12) That the uses to which the property are being put as hereinabove described are illegal and are detrimental to the health, safety and general welfare of the community, a direct hazard to the residents in the area and anyone passing in the immediate area and is depriving the property owners not only in the immediate area but throughout the greater part of Hicksville of the proper use and enjoyment of their property.

13) That in accordance with the provisions of the Town Law, request is respectfully made that steps be taken immediately to force the removal from the premises described above of all violations, and discontinuance of all variances.

Respectfully submitted,

Signed:

JUNIOR HIGH JOYFINGS

Welcome us to your homes again! . . . BARBARA KANTON visited Sag Harbor, where her father has a summer home. . . . PAT ROBERTSON'S mother is back at home after another re-cast on her broken ankle. . . . ELAINE KUHN and BARBARA BARNETT were recent visitors to our neighboring state—New Jersey. . . . Original plays are being written by BARBARA BARNETT and RICHARD FEARN on the subjects of "Better Manners and Better English" and "How to Use Our Study Periods." . . . The Junior High Dance, which was to be held on March 18, was postponed until March 25 because of the unexpected arrival of snow. . . . The tables have turned! This week we report that the Freshmen girls have beaten the Junior High girls at basketball with a score of 29 to 12. . . . Spring is really here when baseball returns. ALEXANDER SZALAY'S and RONALD HAWKINS' teams were scheduled to play last Saturday. The results, we hope, will be given next week. . . . ANDREW ESPOSITO went to New York City on a shopping tour. . . . JAMES MARTIN, WALTER SELLERS, and RUBEN CALLEJAS planned to go on a hike last weekend. . . . Easter decorations are being made for 151 homeroom. . . . A matinee showing of "A Lucky Penny" was scheduled for the Junior High students last Tuesday afternoon. Needless to say, it was well attended. . . . It has happened again! Measles has struck 118 with WILLIAM COTTER the victim. . . . A skit was presented by the 118 students for the Assembly program last week. . . . Now that we should be in a good humor with the arrival of spring, the ten weeks' tests have to come to cast a shadow upon it. The exams will be held on April 5 and April 7. . . . MR. BRAUN attended the Nassau English Council, where he heard Letitia Boubick, speech expert from New York University. . . . The stork has visited the Schleyer family. The baby's name is Linda Lee. . . . VIRGINIA SMITH deserves a great deal of credit for her loyalty to education. She walked from Levittown the other day. . . . The girls are still practicing basketball after school. . . . Most likely, a good time was had by ANN SCHULZ when she went horsebacking. RONALD HALPERN also went "riding." . . . JANET CHURCH and DOLORES ABBOTT are new members of our school population. . . . A sprained ankle was received by MARGARET D'ANNIBALE during her gym class. . . . Due to the pleasant weather of the last few days, the gymnasium has "lost business" during the noon hour. Let's take advantage of the fresh air and sunshine during that time. . . . A gym test was taken last Thursday by the eighth grade girls. . . . LESTER WAGNER is still on his "unwanted vacation" caused by illness. We hope to see you soon, LESTER! . . . PATRICIA LENZNER is recuperating at home. . . . ANDREW GRIMES of 151 is responsible for the artistic "plate" which heads our column this week. That should be a sign to guide our readers to this column of news events. You'll be hearing from us again next week.

Marriage Forums In Nassau On Apr. 3

Rev. Thomas J. Sutherland, Diocesan Director of the Sodality of Our Lady, announces that Marriage Forums, already under way in Kings and Queens Counties, will move to Nassau and Suffolk Counties on Apr. 3.

Forums are scheduled to be held in Port Washington, West Hempstead, Freeport and Lynbrook. These Forums will begin on Sunday afternoons at 3 o'clock and end at 5:45.

The Forums have been planned on an area basis, each area comprising approximately eight parishes. For the past two months committees of young women, representing each parish, have been meeting with their area moderator to plan the details; and to publicize the Forums.

PLAN FALL WEDDING

Announcement has been made of the engagement of Miss Camela Ruggiero, daughter of the late Mr. and Mrs. Barney Ruggiero of Hicksville, to Gerald Keisel, son of Mr. and Mrs. Henry Kiesel of Jerusalem Ave., Hicksville.

Miss Ruggiero and her fiancé are both graduates of Hicksville High School. Mr. Keisel was with the Coast Guard during the war and is now employed in Hicksville Post Office.

A fall wedding is planned. Miss Ruggiero resides at the home of her sister and brother-in-law, Mr. and Mrs. Carmen DeCandia of Centre St.

Metal jewelry will be made by members of the Hicksville Home Bureau Tuesday, Apr. 5, in the basement of the Trinity Lutheran Church, Hicksville. Plaid and stripe dresses will be completed.

Miss Julia Van Fleet, a sophomore in agriculture at Cornell University, is home for a spring vacation until Apr. 4. She is the daughter of Mr. and Mrs. Lawrence Van Fleet of Hicksville.

Valerie Lorraine, infant daughter of Mr. and Mrs. Floyd Christ of 20 Fourth St., Hicksville, was christened on Sunday at the 11 o'clock service of the First Reformed Church, Jerusalem Ave., Hicksville. Mr. and Mrs. Harold C. Simons of Floral Park were god-parents.

MEAT FORECAST

Here's the forecast on the meat situation according to Cornell's Food Marketing Bulletin: Prices generally higher for the next few months; pork in good supply and cheaper than beef or lamb; beef prices higher, but the meat will be of better quality than in recent months; lamb, scarce—the smallest number of lambs in 20 years

probably will be fed . . . Total meat output for 1949 is expected to be about the same as during 1948.

NYLON "NEWS"

Among the "news" are nylon snowsuits for children. They are warm, light weight, spot-resistant and non-inflammable—distinct advantages for Mamma.

GRANDPA OBJECTS

Grandparents may appreciate this story. Recently a new grandfather was asked if it didn't make him feel old to be called "grandpa." "No," he said, "the only thing that makes me feel old is to think that I'm married to a grandmother."

SPORTLITE

By HOWARD FINNEGAN

All persons interested in having a team or playing in a community softball league this summer should get themselves in readiness for an announcement in the near future of the first formal shooting of a new local league which will be conducted under the auspices and guidance of the Mid-Island Herald this season.

At the present time Bernie McGunnigle, Manager of the 1948 Metropolitan ASA and Rockville Centre Night League Champion Hicksville Loyolas, is drawing up a set of rules and regulations which will control operations of the league.

By reason of experience and knowledge, Bernie is the foremost authority on softball in the area and he is preparing a constructive set of rules which will provide a smooth-running campaign.

Since spring is already upon us and the time when the sun will shine beyond 8 p.m. not too far off, all interested persons are urged to organize their teams now and be ready for the call.

* * *

The Hicksville Loyolas find themselves in an unusual and difficult position. As champions of the Rockville Centre Night League it appears that they will not have to make a title defense there since Hickey Field is unavailable and the South Shore village is likely to suspend operating a league for a time.

That will result in a grand rush towards Jones Beach, where the Loyolas didn't fare too well in performance and attendance last season. With Bill Bordiuk almost in the ranks of the Ranger Aircraft team, the Loyolas could find themselves without their bread and butter ticket. Should that come about the Loyolas would be hard pressed to gain a berth, what with other contenders competing from their own locale.

Suffolk County scholastic basketball had a great human interest story this past season and after considering the facts, judge for yourself if a "moral obligation" was not fulfilled.

On the final day of the season in the Suffolk Section A-1 Division, second place Bay Shore met first-place Babylon. Bay Shore triumphed 49-47 but still was one game behind in the standings.

However, after the game Principal Percy M. Proctor announced that Babylon forfeited all its victories and the championship was voluntarily relinquished to Bay Shore.

Reason for this action was the fact that one of the Babylon players had played in a non-sanctioned contest Nov. 11th, eleven days after the official start of scholastic basketball under New York State Public High School Athletic Association law.

The player in question, who himself confessed the violation on the morning of the final days of the race, was only a substitute who played less than 15 minutes during the season. Babylon school officials were compelled to inform the league and forfeit its victories.

Actually Bay Shore did not want to take the title under such conditions. Back in 1937 the Maroon was running for the championship and defeated Babylon when a similar situation arose. It was found that Bay Shore had used an ineligible man and although, as in the present case, the infraction was a minor one, the Maroon announced that it would forfeit the game to Babylon.

That "win" would have meant the first victory to Babylon after 31 straight losses and would have represented the first basketball win over Bay Shore in 22 years of competition.

However, Babylon, with a great show of sportsmanship 12 years ago, refused to accept the forfeit since the player involved was only a substitute and in no way played a part in the winning of the game.

Bay Shore would have liked to return the gesture this season. However, there were other forfeit cases in the league this season and had not the Maroon taken the title, some other school would have.

Almost everyone out in Suffolk feels that Babylon has adhered to its moral obligations. That is undoubtedly true. But to an outside observer the moral obligation the league had to the vast majority of Babylon performers who, while complying with the letter of the law won the championship, was overlooked.

PO Bowlers Gain Point

Team Number 2 of the Hicksville Post Office added a slim point to its lead in the Blue Division of the Nassau County Post Office Bowling League, last Wednesday, when it salvaged two points from its match with Mineola.

Rolling on the Heineman alleys Hicksville lost three points but increased its lead to 81-75 over Hempstead's 75-55 primarily because the latter picked up only one point in its match. Actually both squads continued to slip and the field drew in closer on them. Valley Stream made the most dangerous advance and now has a mark equal to Hempstead's.

Hicksville will go after Floral Park tonight (Wednesday), intent on improving its position. As the Herald went to press league officials had not declared what handicap would be given in the match. In the Mineola outing the handicap was 22 pins.

Girls Retain L. I. Crown

A stirring second half rally, engineered mainly through Lou Ruggiero's 11-point spree in a critical third period, elevated the Hicksville Dodgerettes to their second straight Long Island Girls Basketball League championship, Wednesday, when they bested the Carlos Gems 42-30 at Woodmere.

The victory brought to an abrupt conclusion a special two-out-of-three game series necessary to decide the 1949 title holder. Both clubs split regular season engagements and finished their campaign with 9-1 records. Hicksville ruled supreme in the play-off tests, winning the first, 37-33, and copping the title with a decisive rout in the second encounter.

Hicksville trailed 10-5 at the quarter and 19-11 at half-time. In the third stanza the winners held Carlos to a lone field goal while rolling up 15 points of their own. With Ethel Kuns and Elsie Bartels showing the way in the fourth period Hicksville added to its advantage and won easily.

Ruggiero was high with 14 points, while Peg Hoskins tossed in 11.
