P-TA Gets "Answers" to Queries

The "answers" of the Hicksville School Board on the 11 questions presented recently by the Jr.-Sr. P-TA committee, were given orally at the P-TA meeting, Monday night, by Harry Erenwein. He was chairman of the committee which called upon the Board and presented the queries.

The reaction of the P-TA audience of about 100 was disappointing to those who had first heard the questions raised at the March meeting. The general comment yesterday was that the proceedings had "fallen flat."

Erenwein stressed that the "answers" were the committee's interpretation of the Board's replies since written responses were not obtained. William Botto read off the questions (Continued on Page 16).

BOTTO EXPLAINS WHY HE IS NOT CANDIDATE

William Botto of Alexander Ave., Hicksville, today explained why he is not a candidate for a vacancy on the school board, May 3. The statement of his non-candidacy appeared in the Herald last week.

During the past couple of months, he explained, he has been approached by a number of friends and urged to run. However, the extension of territories under his direction in connection with his business makes it necessary for him to be out of town a great deal of time. "Therefore, since I could not give the job the proper amount of time it would require, I am not at liberty to seek election," he stated.

The term of John Herzog, who has never been opposed for re-election in almost a quarter century on the board, expires this year. He is a candidate to succeed himself for three years.

OPEN STATE PARKWAY OUT THRU PLAINVIEW

A five-mile section of the Northern State Parkway east from Westbury east to Manetto Hill Rd., Plainview, was opened to public traffic Monday without fanfare. The new highway cuts between Hicksville and Jericho, crosses the LIRR near the Airpark and rolls out across the farms of Locust Grove and Plainview. Most convenient access for Hicksville motorists is the clover intersection at Jericho Rd.

SHAKE—Sidney Volk (right) recently was appointed treasurer of the Hicksville School District succeeding Charles E. Colthurst, who held the office for 21 years. Mr. Colthurst, cashier of the Bank of Hicksville, is a commissioner of the Hicksville Water District also. (Bowman & Brown Photo).

The Rev. Cranston Clayton will conduct services from 2 to 3 p.m. Friday at the Methodist Church, Broadway, Hicksville. Three services will be held on Easter Sunday at 8:30, 9:45 and 11 a. m. with nursery care at the 9:45 service. There will be a full choir at all the services and the sermon topic will be, "The Easter Story."

A Good Friday service will be held at 8 p. m. at the First Reformed Church, Jerusalem Ave. and New Bridge Rd., Hicksville. Dr. M. E. Gosselink, pastor, will deliver the sermon, "It Is Finished." There will be special music by the choir at the 11 a. m. Easter Service. The sermon topic will be, "The Risen Christ."

NEIGHBORS PROTEST

More than a dozen local home owners appeared before the Zoning Appeals Board in Oyster Bay, Thursday night, to object to the application for permission to build an ice house on Old Country Rd., Hicksville.

The Board heard the arguments, received a petition of protest, listened to the application of Frank Gentile and then reserved decision. Residents of Old Country Rd., Sterling Pl., and Jerusalem Ave. were among those who appeared to protest the application.

COMMISSIONERS ORGANIZE

An organizational meeting of the three commissioners named by County Judge Henry J. A. Collins in the Hicksville School Board condemnation action to acquire the 10-acre Albrecht property was scheduled for yesterday (Tuesday), at the law office of Charles H. Stoll, 35 Broadway.

Petition Bethpage Board of Education To Add 2 Trustees

Described as a move to "give better representation to the many new sections," a petition for enlargement of the Bethpage Board of Education from the present five to seven members has been formally presented to the Board. Sponsors expect the question to come before the annual meeting on May 3.

The petition signed with more than the minimum number required, was handed to the Bethpage Board last week on Tuesday. Petitions are still circulating and it is estimated that more than 100 have signed the request to date.

The action was taken under Section 1703 of the Education Law requesting that the question of increasing the Board trustees to seven members be included in the call for the annual district meeting. A spokesman for the petition told the Herald last night that the plea has been checked with Albany and found to be in proper order.

Among the petitioners are Wayland Strong and Fred Willard, the latter a resident of the new Ember Terrace section.

This week Charles Schwarz of Central Ave., former member of the Board, who was defeated for re-election last May, announced that he is a candidate for a three-year term vacancy caused by the expiration of the term of Charles Campaigne. The latter is a candidate for re-election on May 3.

A house-to-house canvass is now underway in the Hicksville-Jericho area, under the direction of James Neumann chairman, to meet a \$1,300 quota in the current Cancer Fund drive.

The captains in the residential districts include: Michael Sullivan, Ernest Francke, Mrs. Henry C. Brengel, Mrs. Ruth Daly, Bernard Braun, Mrs. Thomas Doran, all of Hicksville, and Mrs. William Scobbe of Jericho.

Hicksville's business district is being solicited by: Frank DeMonaco, Pat Buffalino, Charles Schwartz, Howard Flesche and Joseph Boslet.

RED CROSS DRIVE OVER TOP, SUTTER REPORTS

Hicksville-Plainview Red Cross drive for a \$2250 quota has gone over the top with a total of \$2,878 in voluntary contributions, it was announced by chairman Fred Sutter. Hicksville-Plainview is the 15th of 60 participating Nassau villages to surpass the assigned quotas.

EASTER RECESS STARTS, SCHOOLS REOPEN APR. 25

Hicksville Public Schools close today (Wednesday) for the Easter holidays and will resume on Monday, Apr. 25. Hicksville High School seniors will leave for the annual senior class trip to Washington, D. C. next Thursday, Apr. 21.

FIRST REGISTRATION FOR DISTRICT SATURDAY

The first registration day for voters of Hicksville School District will be this Saturday, April 16, at Nicholas St. School between 4 and 9 P.M. A second session will be held next Saturday, during the same hours, April 23, according to District Clerk Andrew B. Heberer. The dates were incorrectly announced last week for Apr. 23 and 30.

Every qualified person who wishes to vote at the budget meeting on May 3 and for a school trustee for a three-year term on May 4 must register personally, Heberer warns. All previous registrations during the past 12 months expired right after the vote on the Library bond issue question on Mar. 29.

Town May Receive Oust Press Wireless Request Next Week

The executive committee of the Hicksville Civic and Community Assoc. is prepared to make its recommendations to the general membership at the April 27 meeting regarding the petition of Cantiaque Rd. property owners to oust Press Wireless.

The petition of Cantiaque Rd. people, seeking to eliminate the world-wide radio transmitter station on the grounds that its variances are "void," was presented to the HCCA at the March meeting and turned over to the executive committee for study.

The executive committee in the meantime has held three meetings on the question, has toured the entire area, talked to residents of the section, studied the photostats of town (Continued on Page 13)

PURITON TO KEEP BUS FRANCHISE TO BETHPAGE

"Pending study" the Oyster Bay Town Board is not taking action upon the application of the Levittown Bus for a transfer of franchise on the Hicksville-Island Trees route along Jerusalem Ave. over from the Purinton Coach Lines. Woodbury L. Purinton, in an amended application heard by the board last week, explained he wishes to retain for himself the franchise on the Hicksville-Bethpage-Farmingdale route.

Local Potato Planting Shrinks to 7,458 Acres

Another crop of famous Long Island potatoes is going into the ground with the arrival of Spring in Nassau and Suffolk, the Empire State's premier spud growing area. The island's 80 per cent mechanized agriculture moved into action on a wide front last week, although scattered "early bird" plantings has been made as far back as Mar. 9.

A survey by the L. I. Agricultural Council indicates that Irish potatoes, for over 75 years the island's mainstay crop, will be produced in smaller volume in 1949, but that curtailed acreage and the trend toward greater diversification is likely to result in even higher quality than in former years.

Swing to Katahdins

There is a pronounced shift to Katahdins and other varieties which seem to enjoy the housewife's favor. On the other hand, the Chippewa variety, although a heavy yielder, has practically been eliminated from the potato picture on Long Island because of difficulties very often encountered in transit.

According to the latest intention-to-plant report, Long Island this year will plant 47,000 acres of potatoes, a figure which represents a cut of about 20 percent from the

acreage harvested in 1948. The island goal under the 1949 government price support program is 45,200 acres. The Suffolk goal is 37,742 acres and Nassau has a planting quota of 7,458 acres.

Information obtained from the Suffolk PMA office in Riverhead indicates that Eastern Long Island remains a section of family-size farms. While individual farm goals vary from 3 to 248 acres, the average is 37 1/2 acres, and there are relatively few farms with planting quotas in excess of 100 acres.

According to the best available data, based largely on seed sales, one-third of the island acreage will be devoted to early-crop Cobblers. The reliable Green Mountain variety will account for approximately 40 percent of the total planting and it is estimated that between 15 and 20 percent will be seeded to Katahdins. The most popular secondary varieties are Essex, Mohawk, Ontario, Pontiac, Houma, White Rose, and Sebago.

Dear Jean...

Newlyweds, MR. and MRS. HURLOW HENLE, are among our new neighbors this week in a brand new home in the Frank Home development just off South Broadway. They were married Apr. 2 in Rockville Centre. . . . We'd also like to introduce you to the following new neighbors in new homes just off South Broadway: MR. and MRS. GEORGE SCHAEFER from Williston Park. He works at Mitchell Field. MR. and MRS. WALTER ERICKSON and sons, 5 and 9 years, from Glendale. He's a milkman. MR. and MRS. RAYMOND HENRY and 1-year-old son and 2-year-old daughter from Mineola. He's a painter. MR. and MRS. RICHARD CRONIN and son, 8 years, from Edgewood. MR. and MRS. LOUIS CITERA are from Queens. They have one grown daughter. MR. and MRS. GEORGE MARTIN and 2-year-old son and five-months old daughter are from Glendale. MR. and MRS. WILLIAM SCHOENFELDER and infant daughter from Forest Hills. MR. and MRS. WARREN WAGNER and two daughters, 1 and 4 years, are from Flushing. MR. and MRS. STANLEY GORNEY and their 2-year-old daughter and infant son are from Woodbury.

It is reported, but unconfirmed, that a group of Plainview residents are interested in having their school district merge with Hicksville. . . . PAT FAY of John St. and GEORGE BLACKLEY of Grand Ave. were winners of the two baskets of cheer awarded at the recent Hicksville Knights of Columbus card party. . . . BOB BOTTO is contemplating construction of a small meeting room in the basement of Bob's Bros. appliance store at 231 Broadway with a heavy duty blower exhaust fan to carry off the fumes of smoke from cigars puffed by BILL GEYER, LARRY ROMAN, brother BILL and others. (Chock, lough, chock) . . . We still can't get over that \$800 Red Cross quota for Island Trees. Hicksville with about 10,000 people raised over \$2,300 and about \$1,600 was collected from 20,000 in Levittville. . . . Daylight saving time (push clocks ahead) starts 7 A.M. on Apr. 24 and ends Sept. 25. . . . The State Tax Commission has granted a blanket extension on filing of income tax returns to Tuesday, Apr. 19, for the first time in history. Ordinarily the due date is Apr. 15. . . . It must have been a typographical slip, but the World-Tribune recently reported that BROOKFIELD ESTATES will build 9,395 houses "in the heart of Hicksville." Brookfield has started about a dozen houses on Ninth St., south of the High School. . . .

Hicksville is being cited as an example of a community which provides an adequate home economics department in its high school by Oyster Bay P.T.A. advocates on the same thing for their schools. Oyster Bay School Board has been asked to put \$10,000 in its budget for home economics, has allowed \$1,000. . . .

East St. School registration will be on May 9 from 1 to 3:30 p.m. Nicholas St. School registration will be on May 10 from 1 to 3:20 p.m. Parents are asked to bring with them the child's birth certificate, record of immunization for any diseases and any nursery school records.

State Education Dept. Official Is Speaker For Nicholas Faculty

Dr. Walter A. LeBaron of the New York State Education Department, Bureau of Instructional Supervision, was the guest speaker at a faculty meeting last Wednesday at the Nicholas St. School. He urged that parents and teachers find and draw forth in the most constructive manner, the talents and abilities with which children are endowed by nature.

"Human welfare is the concern of all and through education of the children, we are making a fundamental investment", he said.

Dr. E. H. LeBaron, Hicksville School superintendent and cousin of the guest speaker, spoke about the new Prior Service Law which was recently passed by the last session of the N.Y.S. Legislature.

Members of the East St. School and Junior High School faculties were the guests of the Nicholas staff. Mrs. P. Gross, Miss E. Miller, Mrs. H. Miller and Mrs. E. Talbot arranged table decorations and refreshments for a social which preceded the business meeting. Miss Nina Plantz and Mrs. Ruth LeBaron poured.

Witnesses Thought Driver Could Beat Train At Crossing

Eye witnesses to the train-car collision at the New South Rd. unguarded RR crossing, Hicksville, Thursday night, thought the young soldier and his borrowed car were going to make it. The impact of the crash demolished the 1929 2-door Ford and tossed the driver against a pole. He died four hours later in Mitchel Field Army Hospital.

Mr. and Mrs. William J. Kurdt of 367 No. Wellwood Ave., Lindenhurst, were approaching the crossing from the south at the time of the mishap (10:10 PM). They saw the car driven by Kenneth Mitchell coming from the north and noticed the approach of westbound train No. 37.

Train Light 'Dim'

The parents of the Rev. Howard Rogers, St. Stephen's Lutheran Church of Hicksville, were on their way home after attending devotions at the church. The train headlight, they recalled, did not seem very bright; in fact, it did not seem to project a beam of light, which may have misled the soldier into believing the train was further from the crossing than it actually was.

Just as the Ford started across the grade, which is unprotected by signals or warning lights, the train struck and tossed the car into the air. Harry Stabia of Freeport was conductor and Walter Mason, also of Freeport, engineer of the train.

Mr. and Mrs. Kurdt and others who arrived at the scene did what they could to comfort the soldier assigned to the 78th Motor Vehicle Squad of Hamilton Field, Calif., and called the police. Det. Thos. Thornton of the second squad was at the scene to investigate.

The car was owned by Clifford W. Whitmer of Camp Kilmer, N. J.

The victim was taken to Mitchel Field where he was reported dead at 2 o'clock Friday morning by Dr. Capt. Irving Nelson.

School Board Grants Use Of Gym May 21 For Costume Dance

The tradition of Robert Williams' Day for Hicksville will be continued this year by the Civic and Community Assoc. with a Founder's Day Costume Dance on Saturday night, May 21, in the high school gym.

The Board of Education has given the civics permission to use the gym on that night for a repeat on the dance which was so successful last year. Admission will be limited to persons in costume of some period prior to 1900. Thomas Reilly of Thorman Ave. is chairman of the Ways and Means Committee of the Civic group which met last week to start planning for the dance.

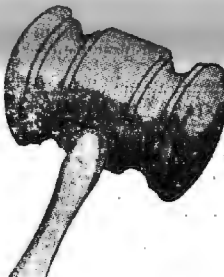

The Founder's Day dance has been written into the Constitution of the organization as an annual function. May 20 is the 801st anniversary of the day on which Robert Williams bought the present day site of Hicksville and vicinity from the Indians "for a quantity of cloth."

Joseph M. Heim of 14 Twinlawn Ave., Hicksville, and Fontaine N. Taliaferro of Plainview, are on the April Nassau County Grand Jury at Mineola.

Easter Is Day For Rejoicing

By REV. LAWRENCE BALLWEG
Asst. Pastor, St. Ignatius R. C. Church

ALL OF US on Easter Day will hear the triumphant hymn: "Christ Is Risen Today, Alleluia. Thanks to God, Alleluia. Let All Men Rejoice, Alleluia." "Let All Men Rejoice." But why are we to rejoice? What is the cause of our joy? Perhaps it may be well to analyze that joy to see whether it is the joy and happiness that Christ intends us to have.

There are two types of joy—the joy of the world and the joy of God. The joy of the world consists in possession of wealth or power or indulgence of the flesh. The other type of joy is not the joy of the body but rather of the soul. One thing makes the soul happy and that is love of Almighty God. As St. Augustine said many years ago: "Thou hast made us for Thyself, O God, and our hearts cannot rest until they rest in Thee." When the soul loves God it is at rest. It enjoys peace and joy no matter what sickness, pain, poverty or humiliations may come its way. This is true joy, true peace,

the type that Christ promised to His followers at the Last Supper after He had delivered His beautiful discourse on love. "Peace I leave with you. My peace I give to you. Not as the world gives do I give to you."

Today is a day of joy but not for those who seek their happiness in wealth, power or bodily pleasures. Judas, the miser, was not happy on the first Easter morn. Neither was the senuous, ambitious Pontius Pilate nor the proud High Priest, Caiaphas.

Who were they who were happy on the first Easter morning? Those who loved Christ. Imagine the joy of Mary Magdalene, the reformed harlot, when she realized that Christ was truly risen. Imagine the joy of Veronica and Simon the Cyrene who showed their love during Christ's passion. Imagine the joy of the eleven loving Apostles. Surely their joy on Easter Sunday knew no bounds because they saw in Christ's resurrection a justification of their love and sacrifices for Him.

That this peace and joy that consists in love for Jesus Christ will be yours on Easter Day is our way of wishing you all a very lovely and happy Easter.

Bring the Town Hall to Hicksville

The Town of Oyster Bay, as an area, is the last remaining section of Nassau with large undeveloped tracts of land. But the area is being gobbled up by home developments and there are staggering, but believable, predictions of what is going to happen to township population in the next few years.

Most of this growth is going to take place south of Jericho Turnpike. The reasons are logical: North of the Turnpike is not well-suited to home developments since the terrain is up and down, hills and vales; further, the land is wooded and costly clearing operations would be involved; and furthermore, the north section is split into incorporated villages with restrictions under zoning limiting home sites for the most part to an acre of ground or more.

And the town fathers have given a hint about the revision of town zoning which has been under way since the first of the year: Most of the contemplated changes will involve the district south of the Turnpike.

From the Turnpike south, the land is pretty flat and cleared, well-suited to developments which are fast replacing plowed farms.

We therefore recommend that the seat of Town government be moved to the geographical center of the Township—to Hicksville. It is only a question of time until the town hall at Oyster Bay will be inadequate and expansion or replacement of the present town hall must be undertaken. As the town population gains, town departments will require more space. (Hempstead, for example, is already planning to enlarge its town hall).

Would it not then be logical to put the town seat of government in the center of the township, convenient to residents on both north and south shores? It's now a long haul from Massapequa, to attend a public hearing on a local question taking place in Oyster Bay. And Massapequa section is growing fast, which means that the problems for town consideration are increasing.

We have been following the various public hearings scheduled in the town hall in recent months. We'd hazard a guess that at least 25 per cent of the hearings concern Hicksville and vicinity more or less exclusively. Next Tuesday morning at 10 o'clock at Oyster Bay a

public hearing will be held upon the extension of the Hicksville garbage district. Last week there were hearings in Oyster Bay on several zone changes in the Bethpage-Hicksville section.

—And while we're on the subject of hearings, why not hold these sessions in the evening when homeowners and others concerned can conveniently attend? The Board of Appeals holds its hearings in the evenings (unfortunately, these are also in Oyster Bay Town Hall although many of the cases originate in the mid-island section), and so do the various village boards.

But to get back to the seat of town government: Assuming that a new town hall (or enlargement of the present structure) will be necessary within the next few years, it would seem sensible for the town to acquire property of sufficient size in Hicksville right now before all available sites are taken. Enlargement at Oyster Bay would be possible by taking over a small adjoining parking field, but that would only increase the parking problem there for future generations.

And in the meantime, we would like to see the town establish a branch office in Hicksville for the issuance of the various licenses, certificates and permits which come from the Town Clerk's office. Why should a person in the mid-island section have to travel all that distance to Oyster Bay (which has no connecting cross-island public transportation) when a convenient local office could be created?

The Federal government has convenient branch offices and don't force taxpayers to visit authorities at Washington. The State of New York has branch offices (ie, department of commerce bureau in Mineola, etc.), and even the county has sub-stations (ie, motor vehicle office in Hicksville). The Town itself has seen the logic of this plan with a veterans' service agency of the township located in Hicksville, besides an office in Oyster Bay.

Government, which exists only to serve the people, should be convenient so that it can serve the greatest number best.

You Must Register To Vote

Hicksville School District is a personal registration district which means that in order to vote upon any public questions presented by the Board of Education, either at a regular annual or special meeting, you must be registered. The third of May is the date fixed by law for consideration of the annual district budget and the next day, May 4, for the vote on school trustees.

Two dates have been set for voter registration and you must register, in person, if you wish to vote on May 3 and 4. Registration takes place between 4 and 9 P.M. on two Saturdays, Apr. 16 and 23.

And don't forget the preliminary hearing on the school budget next Monday night, Apr. 18, in the high school auditorium, Jerusalem Ave., between 2nd and 4th Sts. No vote takes place at this time, but a full opportunity to ask questions regarding the budget—as advertised for vote in this issue—will be given. The first hearing of this type was held last year and proved very popular and helpful.

Views On Clean-Up

An Open Letter to Jean:

Spring is here and we agree with you, that spring cleaning should include the outside as well as the inside of houses, barns and industries. A Tercentennial occurs only once in the lifetime of a community and the American Legion Auxiliary's contribution to that honored event was the

"clean-up campaign." We are glad that it was successful. Since the authority of appointment ceased with the dissolution of the Tercentennial Committee, it would be presumptuous on our part to ask the community to clean up.

Hicksville did cooperate one hundred per cent. Rubbish was burned and sidewalks swept, yards and curbs were raked and our young and not so young remembered to pick up stray papers and not to throw them around. Hicksville had a clean face.

It could be done again if everyone appointed himself a committee of one and contributed his or her share in their own neighborhood. Unightly old scenes could be changed into a veritable fairy land with a little work and enthusiasm.

I have in mind a dilapidated old house on Old Country Road, second from Bohack's. There it stood for years, an eyesore. Look at it now! How nice and white it is with a lovely garden around it, a joy to every passerby.

A story comes to my mind about the California poppy. Years ago the mayor and council of a large California resort city decided that the city should be cleaned and made attractive. So they went to Scotland and engaged a young landscape gardener to do the job. The young man would undertake the task provided he were given a free hand, to which the mayor readily agreed. First the streets were swept and the dirt was used to cover up the windwept dunes. Then the Scotsman went to the school and promised to pay a penny to each child for a package of wild poppy seed which could be scattered along the dunes and driveways, then trees were planted and the ugly sights became beautiful scenery with cooperation and ingenuity.

The Parent-Teacher Assoc., the Kiwanis, or the Lions Club could probably take the initiative and create beauty spots out of some of the untidy vacant lots in Hicksville with the permission of the owners.

Our youngsters could volunteer to clear the lots and some could be covered with petunia seeds which could be donated by the school children and the larger plots could be cleaned and laid out for various games. The volunteer youngsters should be rewarded with a nice party of fun. Wake up Lucia, you've been dreaming! Have it!

(Signed) LUCIA McINTOSH,
A former cleanup chairman.

Assembly News

The Assembly Program of March 25 was a charge of John Auer and Billy Regenbunger. Billy introduced Pastor Rogers, who performed his magic tricks to a most appreciative audience.

An interesting feature of the program was a guessing contest. Pastor Rogers selected a number (83). Some time during the day each classroom tried to guess the number. The six children who came nearest the number would be invited to a special party at Pastor Rogers' home. Bobby O'Mack of 4-B guessed the winning number. Richard Krogman of 1-B; Patricia Fallon of 3-B; Patricia Pierce of 3-A; Peter Nygren and Jane Engel of 4-A are all invited to attend the party. We know they will have an enjoyable time.

Exchange Students Speak At Bethpage

South American exchange students were the guest speakers at a meeting of the Bethpage P-TA meeting Thursday night at the school. The students who are studying at Queens College described life in their countries and expressed the belief that the two continents can reach the goal of maintaining liberty by working together and cooperating.

Charles Chouse who has been instructing the exchange students in English gave a short talk on the activities and program of the English language institute. He said that the students had only been in the U. S. two months.

Women Have Freedom

Rafael Seminario of Peru gave a very amusing and delightful talk on the customs in South America as compared with North America. He said that he did not notice too much difference in the customs except that the women in the U. S. have so much more freedom.

His remark led to a lengthy discussion on North American women with all the students taking part. Seminario summed up the debate and in answer to questions from the audience by saying that they like all American women.

Seminario expressed his dislike for the bull fights and said he could not understand the appeal the bull fights have for his people.

"South Americans rise at 6 a.m. and go to work at 8 a.m.," he explained. "Breakfast is light and the main meal is taken from 11:30 to 1 p.m. Siesta lasts from noon to 2 p.m. when employees go home and then return to work until 5 p.m. Siesta time is necessary because of the unbearable heat," he said.

Tea is taken from 4 to 5 p.m. and supper from 9 to 10 p.m., according to Seminario.

Many folk songs and dances in native costumes were presented by the students. A film, "Wings Over Latin America," was also shown.

TO ELECT OFFICERS

The following nominating committee was elected to present a slate of officers at the May 5 meeting: Mrs. Elvira Melone, chairman; Mrs. Evelyn Krans and Mrs. Mary Campaigne. Mrs. Lorraine Carter, president, conducted the business meeting.

Miss Margaret Kilphau's 4th grade received the banner and award. Mrs. May Strong read a list of qualifications for a school board member in preparation for the coming annual election.

Guests at the meeting were the presidents and members of the following P-TA units: Copiague, Plainville, Syosset and Plainville.

Absent Students Hinder Teaching, Plainview P-TA Hears

Absenteeism in the lower grades where reading is taught is the greatest hindrance to the teacher, Mrs. Louis Waters told members of the newly organized Plainview P-TA at a meeting Tuesday night, Apr. 5, in the Manetto Hill School.

"Present teaching methods involve the building of a story around each word", Mrs. Waters said in explaining that the alphabet is not the first thing taught. "The child will receive individual instruction the next day to catch up but it is not as effective as the group teaching," she said.

Mrs. Waters stressed the fact that parents should read to their children but should not try to teach them reading.

Reviews Class Activity

Mrs. William Stahley, principal and teacher of the third and fourth grades, reviewed the activities of the various classes in the school. Homework for the pupil starts in her class and as her room is overcrowded, it is necessary that each pupil have more than the average amount of homework.

"Help from the parents with homework is beneficial and necessary in these upper grades", she said.

The Manetto Hill physical education program was outlined by Walter Wathey who conducts classes at the school for two half-day sessions. He said that the physical education instructor sees the child as he really is—relaxed; and so is better able to teach them good sportsmanship and develop good character.

Mrs. James Nottingham conducted the meeting which marked the close of charter memberships. There are 40 charter members.

The following committees were appointed: Mrs. Darrell Humphrey, hospitality; Mrs. Alfred Stauber, program; Mrs. Joseph Weber, budget and finance; Mrs. Fred Baumwister, membership.

Refreshments were served by Mrs. Humphrey, Mrs. Louis Fricke, Mrs. August Keute and Mrs. Mary Burnside.

The next meeting will be on May

Taxpayer Promptness Costs Town \$4000

This is the third installment of the report on Town Government and Problems given by Councilman Chlumsky at the Hicksville Civic meeting, Mar. 24.—Editor.

It cost the Town of Oyster Bay \$4,000 last year because taxpayers were prompt in paying their taxbills,

according to Councilman Frank Chlumsky.

During the last fiscal year, taxpayers who paid up promptly earned for themselves \$12,000 in discounts off their bills. On the other hand, penalties of \$8,000 were added to bills of those who were slow in settling their account with Tax Receiver Frank G. Scholl.

The difference of \$4,000 between the discounts and penalties had to be made up by the township, Chlumsky told the Hicksville Civic and Community Assoc. at its March meeting. The Tax Receiver sends out 100,000 tax bills.

The Councilman also discussed the workings of other town departments. For example, the building department has had phenomenal growth in the past few years. In 1945 there were 355 permits and \$2,626 was collected in fees by this department. In 1948, there were 2,252 permits issued and the fees came to \$25,000 which was an increase of almost 1000 per cent in fees collected.

Chlumsky reminded the civic that the Town has maintained two veterans' service offices, one in Hicksville and the other at Oyster Bay "even though the need for this type of service has slackened somewhat", he said.

400 Miles of Highways

The Town Clerk's office, he continued, is one of the most important in the town government. There all types of licenses are issued, records preserved. The Town Highway Superintendent is another major office, Chlumsky continued, and its responsible for 238 miles of town highways and 55 miles of state highways. There are also 100 miles of county roads in the town of Oyster Bay.

The general budget of the town, he continued, provided \$85,000 for the purchase of machines and tools and for snow removal. This is in addition to the highway department budget for the year.

Chlumsky said that his "territory" in the township extends from Jericho Turnpike on the north to Hempstead Turnpike on the south and that all the "complaints in this section come to me", covering all subjects from garbage collection to street lighting problems. The Councilman's job is supposed to be "part time" he said, but the numerous daily problems and increased growth of the area has made it necessary to keep on the job all the time.

RUTH ILLMAN takes the role of an artist, complete with handlebar mustache, at the night club social held Sunday night at the Hebrew Temple, while William Marks (at right) appears to have no interest in the proceedings of the moment. Phil Illman was going to be the artist but gave up the idea and his wife substituted. During the evening a skit was presented by Mrs. Savage, Mrs. Simon, Mrs. Weiner, Sam Appelman, Harold Rothstein and Lester Smith under the direction of Dr. Philip Rubenstein. Other picture on Page 8. East St. P-TA Elects, Holds Forum Thursday

Mrs. John Acker was re-elected president of the East St. School P-TA last Thursday at a meeting which featured a forum on "What Makes a Happy Home." Officers will be installed at the May 12 meeting at East St. School. The meeting was originally planned for Apr. 14 but was rescheduled for last Thursday.

Other officers are: Mrs. John Helst, vice-president; Mrs. William Gianneli, recording secretary; Mrs. Louis Saueracker, corresponding secretary; Mrs. C. Nithols, treasurer.

Children from East St. School selected the following subjects as being the most important for a happy home: fairness, responsibility, helping on jobs, respect on both sides, manners, cooperation, health habits and kindness. The following pupils took part in the forum: Bonnie Rider, Pat Harvey, Marjorie Walton, Allen Carpenter, Barbara Jessor, Karen Kenna, Bobby Arthofer and Victor Triolo.

The following parents took part in the forum: Mr. Nygren, A. Hartig, W. Tolles, Mrs. M. Timoney, Mrs. Fernandes, Mrs. Curraei and Mrs. Henry Adams.

Miss Florence Allen of Freeport, moderator, summed up the panel discussion by stating that the parents must go down to the child's level in all discussions. She said that sometimes the words the parents use are ill chosen in regard to their actual meaning.

Refreshments in an Easter decorated cafeteria were served by Mrs. Clinton Foster and the following ladies: Mrs. L. Blyman, Mrs. Timoney, Mrs. L. Huttie, Mrs. W. Klass, Mrs. J. Nehls, Mrs. Rider, Mrs. W. Tolles, Mrs. H. Walton, Mrs. H. McIntosh, Mrs. J. Pearce and Mrs. G. Engel.

An art exhibit will be held in the vestry rooms of the Hicksville Temple on Wednesday evening, Apr. 27, under the sponsorship of the Ladies' Auxiliary to the Hebrew Temple. Some of the paintings will be on sale. Refreshments will be served.

Need
Another
Tractor?

If you're watching the weeds grow in the corn when the haying can't wait—worrying about planting when there's still more plowing and harrowing—or wishing the manure would haul itself when the big tractor's busy... you need another tractor.

With a Farmall Cub, you can plant, cultivate, or mow 12 acres a day... take at 3 miles an hour... haul faster than a team. And you can spray, pump, run an elevator, plow snow, saw wood, shell corn, grind feed... a hundred other jobs too small for the big tractor.

Come in and see the Farmall Cub. It may be just what you need.

**GROWERS MAY MEET HERE AGAIN
IN APRIL ON MARKETING HOURS**

Nassau and Suffolk growers expect to get the market hours at Canarsie determined at a mass meeting held in Hicksville on Feb. 24, according to County Agricultural Agent Howard H. Campbell.

The growers' marketing committees of the two counties met with NYC Market Supervisor Wm. Coakley at the Brooklyn Terminal Market Mar. 24, when the hours requested were: summer unloading, May 1 to Oct. 30: evenings 6 to 9 and mornings 5 to 10; winter unloading, Nov. 1 to Apr. 30: 5 to 8 p. m. and 5 to

10 a. m. with a 2-hour pulling period before the opening of the market. Since 249 farmers were licensed to sell at Canarsie last year and only 154 stands will be available this year, Campbell urges local growers to act at once. He indicated another mass meeting may be held in Hicksville "the latter part of April if difficulties are encountered in assigning stands, so that farmers are satisfied."

Old Bethpage Notes

The monthly meeting of the Old Bethpage Civic Association was held Tuesday. The main topic for discussion at this meeting was the problem of garbage disposal. Frank Dorfmeister of Farmingdale was guest speaker. With half a dozen families definitely interested, Mr. Dorfmeister will begin servicing this district in several weeks. It is expected that many more residents will sign up for garbage disposal service which has been made available to the community through the efforts and cooperation of the Civic Association and Mr. Dorfmeister.

The Annual Meeting of School District No. 20, Old Bethpage, will be held on Tuesday, May 3, at 8 P.M. at the Schoolhouse on Round Swamp Rd. The budget for the year 1949-50 will be presented to the qualified voters at that time. One trustee will be elected for a three-year term.

It has come to the attention of this community that the Levittown Nursery School Inc., which occupied our schoolhouse this winter, has opened its doors again in Levittown. We wish the Nursery School success in its new home.

PLAINVIEW DANCE APR. 23

A spring dance will be held at the Plainview firehouse Saturday night, Apr. 23, for the benefit of the firemen's new uniform fund. Music will be by Ricbie Scarella and his Melody Boys. Peter Taormina is in charge of arrangements.

By HOWARD FINNEGAN

For the past two Sundays activity on the Hicksville High School grounds has been similar to that at Vero Beach, Florida, where Branch Rickey has based spring operations of his Brooklyn Dodgers and instituted practice and tryout sessions on a phenomenal mass scale.

We visited the various diamonds on the school campus, Sunday, and found almost two hundred aspirants working out with the numerous local organizations which are going to represent Hicksville in softball and baseball wars this coming summer.

The first camp we came upon was that of the Botto Bros. team. It was there that we witnessed the most effort and earnestness exerted during the afternoon. It underlined the serious intentions pitcher-manager Joe Smith has of putting his club in the big time as strong and as quickly as possible.

Smith has already recruited an imposing group for a starter. He has George Karman, Stan Smith, Joe Laskowski, Ralph Ferrara, Merrill Yarotzky, William Garbarino, John Smith and Gus Econopouly in the fold and is on the lookout for others.

Aside from Joe himself, the principal players in the Botto setup are his brothers, Stan and Teddy. For our money, the presence of Stan gives Botos the best clutch softball hitter Hicksville has to offer. As for Teddy, he hasn't committed himself as yet since he actually doesn't know whether or not Republic Aviation is going to have a team this year. If it develops, however, that Teddy does hook up with Botos, that club will go a long way.

* * * *

Over in the Loyola camp it was apparent that Manager Bernie McGunnigle will not be able to stand pat with his 1948 Metropolitan ASA and Rockville Centre League champions.

Ray Halleran, Jerry Kiesel, Bill Byrnes, Bill Bordiuk, Jim Barone and Johnny Lehmann are returning from last season's successful contingent. That is a healthy lineup, but vacancies exist and McGunnigle must set about filling them.

Pitching is the department in need of help. Since Bordiuk is committed to pitching for Ranger in the Jones Beach League, the load will fall on the shoulders of Jim Barone and he cannot be expected to carry it alone.

Tony Puccio's Hicksville A.A. has a good chance of returning semi-pro baseball to this area. And the manner in which it has gone ahead despite continuous laments that "It can't be done," proves the contention.

About 30 candidates were on hand for Sunday's workout and most were of the mind that a good team will receive support from mid-Island fans.

Listed on the A.A. roster are names fairly well known in this area. Dick Matschat, George Lubeck, George Kunz, Mike Greggo and Charlie Lieb are the baseball lights of recent scholastic campaigns who head the list of candidates.

Two figures loom importantly in the diamond picture. One is hard-hitting outfielder Ed Coleman, who has forsaken softball to return to a game in which he is equally skilled, and the other is George Lehmann. George will become the ace of the pitching staff once his college chores with Hofstra College are completed in June.

Dom Grecco, who is more familiar locally as a softball umpire, will see how it feels to have them called against his team this season as he manages the Long Island Nationals.

The Nationals were formerly the Hicksville Raiders and have just changed names this season, while also acquiring Grecco as manager. Most of the old faces are again back in the Green and White. Danny Wyslovolski, Ray Herschenider, Tom O'Brien, Lester Smith, Fred Eiseman, Fred Gauck and Jackie McCrossen are all on hand again.

There is one amusing note in the National player makeup. As the Raiders, the Nationals' most bitter rivals, were the Hicksville Rustlers. And in this land of ever-shifting affiliations, George Cheslock, Rustler pitcher and his battery mate, Eugene Stepkowski, are the latest to become men of distinction. They have switched to Nationals.

Ultimate goal of the softball teams is a berth in the Jones Beach Night League. The three—Nationals, Botto Bros., Loyolas—along with the Hicksville Farmers, have declared their intention of trying for a place in the seashore loop.

The A.A. is already a member of the Nassau County Alliance.

PO Sweeps Five From Freeport, Retains Two-Point Leadership

Hicksville Post Office Team Number 2 chalked up 2,295 pins Wednesday night on the Heineman alleys, to sweep Freeport 5-0 and keep on top of the Blue Division scramble in the Nassau County Post Office Bowling League.

Despite the grand slam by the locals, the race for championship honors will go straight to the wire since the momentum of Floral Park's late season drive hasn't been checked. Two weeks ago the Parkers blanked Hicksville 5-0 and last week came up with 5 more to pull into second place.

With two nights left in the campaign Hicksville has an 86-57 mark while Floral Park has 83-57.

Tonight (Wednesday) Hicksville rolls against Franklin Square and faces Garden City in its final outing next week.

Veteran bowler Charlie Saurer won the third game of the Freeport match by making a 6-7-10 split with his last roll in the final frame. The dramatic accomplishment enabled Hicksville to walk off with the remaining two points after it had already assured itself of the first three.

HICKSVILLE YOUTH STARS FOR TRINITY

Bob Bean of Hicksville pitched and hit Trinity of New York to a 5-3 victory over St. Paul's of Garden City on the losers' field, Friday.

Bean went to the plate four times and came up with a single, double and a triple to drive in three runs and score one himself.

In his duty on the mound he held the losers to three hits, gave up four bases on balls and struck out eight enemy batsmen.

URGE RESIDENTS TO WRITE SEEKING NEW POST OFFICE

Hicksville may eventually get a Federal Post Office Building if everyone in the community joins in local organizations in appealing for such a building, it was declared this week. Lawrence A. Roman, president of the Civic Association which started the new post office campaign several weeks ago, today urged every resident to state his demand in letters to Congressman W. Kingsland Macy, House Office Bldg.; Senator Irving M. Lee, Senate Office Bldg., and Postmaster General, all at Washington, D. C.

The fact that 10 years ago Hicksville was listed for a new building is among the compelling reasons for the present campaign in view of the recent increased population and greater demands for service.

published in the Herald on Mar. 23 and Brenwein gave the comments.

In brief, the committee's report follows: The Bergold property was purchased through a dummy because the asking price would otherwise have been higher; Charles Stoll acted as broker in the purchase, he was not attorney for the Board at that time; the Board had Stoll's word of guarantee that the dummy would turn over the contract to the district; the Board had been offered the property at a higher price than for what it was bought; no, Stoll was not attorney for the Board at that time, no fee was set but the Board will not pay an excessive amount; the Board paid no money until they had the contract from Stoll's client; the taxpayers were saved money; the increase was not given to the teachers because the meeting was "controlled," therefore the money was put into a general fund to help buy school sites; the cement, slab will be equipped for games; money is being appropriated to repair the tennis courts; Stoll was authorized to contact Albrecht.
