

# Urgently Need Blood Donors Saturday

The first blood-letting session of the Hicksville Blood Bank scheduled for this Saturday, June 25, at East St. School between 8 and 8 p. m. promises to be a diurnal failure unless more residents volunteer as donors before the end of the week. As the Herald went to press today, less than 10 per cent of the 100 volunteers needed had enrolled to give blood this Saturday to build up the reserve of the Blood Bank.

Persons who intend to give blood this Saturday are asked to notify the Bank without delay. Telephone Hicksville 3-1400 (call 3-0346 or 3-1463 after 5 o'clock) at once to register. Advance registration is important to schedule donors at their convenience. However, volunteers may also report directly to East St. School on Saturday, starting at 8 o'clock.

The leaders of all local organizations have pledged cards for registration. Groups today represented with donors are Classroom Teachers, Fire Department, Long, Civic and B.M.A. Pat Neso was the first to send in a pledge card.

Technicians of the Queens Blood Bank will be present to take blood, a process which is completed in less than 15 minutes per person, and a physician will be present throughout the period. The Hicksville Red Cross is cooperating with canteen service.

Blood donated will be available, without charge, to any residents of Hicksville upon application through the attending physician of the person requiring it, Chairman Garrett Korfitzen stressed today.

## Heat Boosts Water Demand 500 Percent

While the demand for water in Hicksville District is running approximately 3,000,000 gallons a day during the present drought, no restrictions have been placed upon household use of water in the community. The demand is 500 per cent above normal. Winter-time consumption of water is 600,000 to 650,000 gallons daily, according to District Superintendent F. R. Davidson.

Local potato farmers are attempting to salvage their parched crops with extensive irrigation and the district is allowing growers to take water out of hydrants thru meters. However, potato men have been asked to refrain from irrigating between 5 and 11 in the evening to allow truck crop farmers the opportunity to water their crops.

The previous summertime peak record for water demand in Hicksville in a single day was 2,000,000 gallons.

With each book read, the child will be given a bright colored disc to paste on the clown's suit. A record of each member's reading will be kept at the library.

"There are 83 members from 9 to 14 years of age in the '49ers club, and membership is still open," Mrs. Cecil said. "As the first '49ers searched for gold, our Reading Club '49ers will search for treasures in books."

Five of the ten books to be

These five books may also be about the lives of people who lived in that period, or stories with settings of that period. The other five books will be the member's choice.

Mrs. Cecil requests that children registering for the handicrafts and hobbies classes specify the type of hobby or handicraft they wish to learn.

★ Kipling was speaking of precious human freedom when he wrote, "This our fathers bought for us long and long ago."

But courage and valor are not solely the virtues of brave fighting men in combat. It took no less courage for men like Pasteur, Lister, Koch, and hosts of others to struggle for scientific truth against cries of heresy from the ignorant and the superstitious. Inspired by the example of these great men, your physician battles the same foes today. At his side is the pharmacist, always eager to carry the fight to the enemy.

The Mid-Island Herald Softball League will hold a meeting tomorrow (Thursday) night, June 23, in Pete Breen's Restaurant at 8:30 p.m.

**LaMarca, Wysolovski, Smith Star At Beach**

Three residents of the Mid-Island community played outstanding roles in the Jones Beach League softball last week.

Shortstop Frankie La Marca punched an eighth inning homerun straight down the leftfield foul line to give Botto Bros. a 6-5 win over a surprisingly stubborn Cherry Valley club in American League competition.

Joe Smith pitched for Botto and gave up only two hits, but one was a loud triple in the third inning which drove in two runs and tied the score 5-5 after two errors had allowed runners to reach base.

Smith generally was subject to ragged support but in the last of the eighth both Bill Garbarino and Merrill Yarotzkey back-peddled fast to baul in long drives and save the game.

Nationals Defeat Levittown  
Shaking off the fitters which

regarded them in their opening 11-7 loss to Botto Bros., the Long Island Nationals pulled a real upset in the American loop when they socked the highly regarded Levittown All Stars 10-2.

Credit for the victory goes to Denny Wysolovski, who set the heavy hitting Stars down with just two hits. It was not a matter of coasting either for Wysolovski, for it was a 2-2 tie in the fifth frame and winners didn't roll up their big margin until late in the game.

Wearing the colors of Republic Aviation, Teddy Smith didn't allow a hit as he beat Jack's Sports Shop of Mineola 2-0. His pitching opponent, Tommy Long, also hurled a no-hitter, but he was wild in the second and third innings, and Republic got its runs on a series of walks, wild pitches and passed balls.

By HOWARD FINNEGAN

A story which has as its central figure a fellow by the name of Paul Baldwin, pitching for a team bearing the same name as his, could be a bit confusing for the reader, but it would have nothing on the state of frustration the deliveries of the eighteen year old righthander subjected the Hicksville Warriors, Sunday afternoon.

The first home appearance of the newest attraction on the full Hicksville sports horizon would have been a complete success, but for Baldwin.

Making a neat appearance, Mgr. Tom Marino's lads played a quick, interesting game. They hustled and performed decently enough in the field, but they couldn't hit, and that was the reason for a 2-1 defeat.

Baldwin was untouchable in as far as hits went. Schaaf hit the only ball to the outfield, and that was a towering fly easily captured by the leftfielder. The Warriors were gifted with seven bases on balls, but ten went down swinging to just about balance things out.

For a time a no-hitter didn't appear to be enough to make Baldwin a winner. Hicksville got a run in the first when Scholinski walked and scored on two errors and Chester Owens did a fine job of protecting it for five and a third innings. Owens pitched an excellent game in his own right. He gave up six hits, five walks and struck-out seven.

In the sixth a free pass started the trouble. With one down the Baldwin catcher blasted a liner into the hole in right center, but Froehlich cut it off quickly and fired to third. The throw was late but MacDonald, not conceding that the fates had been sufficiently kind thus far, threw into rightfield, attempting to get the batter, which allowed one run to score. Then Pitcher Baldwin arrived with his bat and broke it up with a sharp single over second.

Hicksville had a chance in the seventh. MacDonald walked, reached second when Baldwin tried to pick him off and went to third on Zir's infield out. It was then that he misplaced the value of the run he was carrying.

A wild pitch glanced off the glove of the catcher and rolled to the backstop. Halfway down the line, MacDonald debated dashing for the plate, but in the second that the mind of man was hesitant, the opportunity was lost. It was a chance that even those with just a pinch of adventure in their soul would have taken.

Froehlich and Owen walked to load the bases, but Baldwin struck out Scholinski on a two and two pitch to end the game.

The Warriors will play their home Nassau County Baseball League games on the Sundays the Hicksville AA is traveling, thus providing the baseball fans of the village with a full diet for the summer.

## Bottos And Stars In Crucial Test; Score Wins With Jericho, Farmers

Breen's All Stars were extended eight innings before scoring a 6-5 victory over the Russlers, and Botto Bros. had to come from away back to overtake the Lions, 7-5, in the outstanding matches of round five in the Mid-Island Herald Softball League.

The hard pressed victories earned the winners the inside track for regular season honors and their meeting tomorrow night (Thursday) looms as the most crucial loop battle to date.

Since both are actually one game ahead of the rest of the field, the winner of this first big clash of the year could breeze on to the title, but the Russlers and the Lions narrowly missed ruining this temporarily private fight.

Russlers Led 5-3

As late as the fourth inning, the

Russlers were operating behind Joe Webnoski with a 5-0 lead, but couldn't find the stuff to make it stand up. With two outs in the fourth an error, a single and a walk loaded the bases for the stars and when the right and center fielders let Ernie Naso's fly drop, three runs scored.

Naso ran home on a subsequent single and in the fifth Billy Byrnes tied the score on a walk, a stolen base and a wild throw. In the eighth, Breen's won it when Ray Halleran walked and come all the way around when catcher Wysolowski threw widely to first after fielding Ed Coleman's bunt single.

Four unearned runs in the first two innings by the Lions put Botto Bros. in the hole, but a four-run uprising in the fifth gave Merrill Yarotskey's club the win.

With the bases loaded shortstop George Karman lined a hot smash to Paul Olynik at short and he dropped it.

The miscue opened the gates and decided a well-pitched game in favor of Ralph Cooke. The loss was charged to Bob Bean.

Farmers Win, 5-3

Rob Dwyer's Farmers continued on the comeback trail by beating the Nationals 6-3. Jim Barone took the decision over George Cheslock.

The winners scored two runs in the first, but Manager Dom Grecco singled home a run for the Nationals in the second. In the third Charlie Van Wickler shot a quick bouncer down the third base line, scoring two runs, and the Farmers had a 4-1 lead.

In the last frame John Barone singled in a run for insurance, and it nullified one of two National runs in the same inning.

In the other two games of the round the Post Office took it on the chin twice. They bowed 10-8 to Jericho despite a three run homer by centerfielder Ted Smith and Friday night they were clouted 23-7 by the All-Stars.

## Opinion and Comment:

# Phoney Lawn Dressing Peddlers

Robert Williams, Nassau County Sealer of Weights and Measures, gave a warning this week especially to now home owners in the mid-island region. He warned of fast-talking salesmen from New Jersey who try to sell what they offer as a dressing to produce more beautiful small lawns. Chased out of Jersey, these guys are now finding a fertile field for their activities in this area, where so many new homes are being constructed. Williams was guest speaker at the Hicksville Kiwanis, but what he had to say about his department's activities is of interest to all local residents. The lawn-dressing racketeers, he explained, usually call during the day when the man of the home is out. Past talkers, they peddle a compound for lawns, charging from 50 cents to \$2 a bushel, depending upon what the traffic will bear. The junk they sell—odds and ends of industrial waste—"has no good qualities," Williams warns. They buy the stuff for about \$20 a load (approximately 4 yards) and usually can dispose of a load for about \$300. He gave an example: One busy housewife was told it would cost \$10 to \$12 to put the dressing on her lawn. Busy in the kitchen, she did not watch the activity until a knock came at the door and the salesman announced the work was finished. When she asked how much, the answer was: \$48. Fortunately a neighbor had kept tabs on the job and was able to save this housewife some money. His department, he stressed, had nothing to do with the quality of materials sold in Nassau. He

Mid-Island Herald has been asked to assist Hicksville Civic Assoc. duplicate street name tags which propose renaming three streets in the Wonder Home section, on the east side of Bay Ave. Elery Bean of W. Marie St., committee chairman, would be glad to hear from residents of Waters, Herman and Lotie Avenues. It has been suggested that these streets be renamed as continuations of Lenox, Willoughby and Notre Dame Avenues from the west side of Bay Avenue. Expressions of opinion on this question, Mr. Bean explains, will save time for the committee, which today has obtained—with the cooperation of the town board—changes of about 35 street names which were duplicated locally to the confusion of everyone.

department does watch for false and misleading statements in advertising. However, his main concern is with the accuracy of the measurement of articles sold. In the case of the lawn-dressing racketeers, the local peddler's ordinance is a club to drive such guys out of Nassau. It is a violation for out-of-state peddlers to peddle in Nassau. The best thing to do when they call, he suggests, is "slam the door in their faces."

## Attention, Wonder Homes

Look Us Over From Above

If you want to get a full appreciation of how Hicksville is growing, you must go up about 1000 feet and look around. We were taken on such a hop this week in a brand new (factory-fresh and new model) Piper Clipper with George Spohrer of Hicksville Airpark at the controls. That Airmarker on the roof of the Playhouse Theatre, placed by E. Irving Jesser and Larry Roman as a Civic Assoc. project one blustery, cold day a year ago, looks fine from the sky. There is no mistake about where you are when you spot it from above. And the new Piper Clipper is a dream of a plane. It's a four-place ship, selling for \$2995. If you are going to be away on Nassau County's registration days next November, you can register from now until September 26 at the Board of Elections in Mineola and thus protect your right to vote in the November town and county election. If you can't be here for election, an application for absentee ballot will permit you to vote.
