

Grumman Taken Off Tax Roll Again

Vol. 1. — No. 31 Wednesday, August 10, 1949 Single Copy 5c

ASK FOR IDENTIFICATION: Polio Victim Fund Called 'Phoney'

Police today branded as a phony the solicitation of funds in Hicksville business district Monday by a young man who said he was collecting for an 18-year-old polio victim neighbor on New South Road. Carrying a cheap copybook

on which lay a couple of dollar bills, the collector gave the name of "Bob Smith." The Herald found upon investigation that only one case of polio has been reported in Hicksville and that a small child residing on

Old Country Road. Second Precinct Police, Syosset, suggested today that persons solicited ask for identification. In the case of "Bob Smith" when asked for BMA solicitation approval, he took off the premises immediately, one merchant reported.

Charles Schwartz, Business Men's Association president, reminded all retailers that letters of identification are issued upon application to the BMA in the case of legitimate appeals. He urged members and non-members to ask for identification when solicited.

While no formal complaining has been made against "Bob Smith," police admitted yesterday that they are anxious to meet up with him.

Chlumsky Plans to Recommend Zone Change After Visit to Maspeth Factory

OYSTER BAY — Councilman Frank Chlumsky of Hicksville said yesterday he would recommend the Town Board approve the zone change application of the Gordon-Lacey Chemical Products Co. on property along New South Road, Hicksville.

The change applies to frontage on New South Road, changing the zoning for a depth of 125 feet from residence D to business G to allow the construction of an office of the proposed \$300,000 plant.

Chlumsky Visits Maspeth Chlumsky made his recommendation following a personal visit to the Maspeth plant of the company, last Thursday. A public hearing on the zone change was held last week on Tuesday and no opposition was voiced to the application. The Councilman told the board this week he found "nothing disturbing" in the present (continued on page 3)

Fire Destroys Plainview House

PLAINVIEW — Fire gutted the old Bergmann house set back off Old Country Rd., here during the early morning hours, Sunday. The blaze was discovered about midnight and Plainview vamps fought the blaze until four in the morning. The dwelling was occupied by farm workers.

Vamps were obliged to run hose lines over 500 feet from hydrants in Model Farms to reach the blaze. Despite the early hour, Old Country Road was lined with the cars of spectators attracted to the scene.

WHEN THE HEAT is getting you, maybe this reminder that it gets colder in Hicksville will give some comfort. These kiddies formed on the RR water storage tank near the depot a winter or so ago when the tank overflowed. Some idea of the size of the ice formation can be obtained by observing the small boy perched on the ladder. That white stuff is all solid ice, the stuff you use for tom collins.

Events During Coming Week

- FRIDAY, Aug. 12 — Bicycle and pet show at East Street School playground, in the morning for Hicksville youngsters.
- SUNDAY, Aug. 14 — 2 p. m. — Corn Festival at Massetto Hills School grounds under auspices of Plainview Fire Department.
- MONDAY, Aug. 15 — 8 p. m. — Meeting of Island Trees Civic Association at Five Corner's Restaurant, Hempstead Tpke., Bethpage. (Detailed Community Calendar on Page 8)

Bowling Alleys Vamps' Property

BETHPAGE — Bowling alleys in the new firehouse were bought and installed at the expense of the fire department and not the fire district, it was stressed today by a spokesman for the Fire Commissioners. The statement was made in answer to numerous false stories circulating in the area about the bowling alleys.

"The department paid \$4,000 (continued on page 12)

Firemen Going To Albany Sunday

HICKSVILLE — A group of about 20 members of the Fire Department will leave this Sunday morning at 10 o'clock from the firehouse for the State Firemen's Association Convention at Albany. The group will return Thursday night. Assistant Chief Stanford Weiss is delegate of the department.

There will be no tournament connected with the state meeting this year.

The Hicks, racing team of the department, took third place with 10 points at the 52nd annual Floral Park Firemen's Day, Saturday. The East Meadow Meadowlarks captured first place with 15.8 points. The Hicks brought home four more trophies

Three Million-Dollar Slice Taken Off Bethpage District Value; Hicksville Gain Cuts Tax Rate

School district valuation totals were made public this week by the Nassau County Department of Assessment, resulting in a reduction in the Hicksville School tax rate and probable increased taxes for Bethpage property owners.

The Hicksville valuation climbed \$2,404,190 to a total of \$16,748,355, while in Bethpage more than three million dollars was sliced off the tax rolls. The effect upon the Bethpage school rate could not be ascertained, pending a meeting of the Board of Education. However, Board President Frederick Kramer asserted that the loss of valuation will in no way interfere with district plans for the construction of a new million dollar school.

The rate for Hicksville has been set at \$17.70 per \$1,000 of assessed valuation (see comment on Page 14), as compared with \$16.30 last year. However, the rate was estimated last May at \$19.40 and as a result of the new assessments, taxpayers gained by a \$1.70 reduction.

Jericho district set its new rate at \$6.26 as compared with last year's rate of \$5.96. In Plainview district, where the 1948-49 rate was \$12.50, the new rate was expected to be fixed at \$20.50, an increase of \$7 per \$1,000.

The 'average Bethpage' home owner enjoyed a big reduction last year when some of the Grumman Engineering Aircraft Corp. property was returned to the tax rolls.

Mid-Island Census Of Pupils Underway

Census enumeration in the mid-Island area started on August 1 in the various school districts, it was learned this week. James Clayton, of 241 Broadway, Hicksville, is collecting the census data for Hicksville. Mrs. Audrey Hunt is nearing completion of the task in Bethpage. Mrs. Charles Voorhies plans to start the Plainview census this week. The Jericho census is being conducted by Theodore Metzger.

after an interval of government ownership. The rate last year was \$7.40 compared with \$18.50 for 1947-48.

The county assessor explained that last year, following advice of the county attorney's office, the Board of Assessors absconded Grumman's, since it was under lease, need for private business. Legal opinion now holds that the county's right to assess Federal property, even under lease and option, is highly questionable. The Assessors have had to restore the original exemption, decreasing the valuation for next year by \$3,217,160.

(continued on page 11)

Comparison Shows Change in Valuation

SD	Location	1948 Val.	1950 Valuation	Difference
17	Hicksville	\$14,334,165	\$16,738,355	\$2,404,190

26	Island Trees	1,724,022	4,213,877	2,489,855

* — School District Numbers. Jerusalem and Island Trees districts are in the Town of Hempstead, rest in Town of Oyster Bay.

Ask \$16,000 To Revise Alarm System

HICKSVILLE — A special proposition for modernization of the fire alarm system, including installation of two additional sirens and extra call boxes, at a cost of \$16,000 will be offered to taxpayers of the fire district on Tuesday night, Sept. 6, at the firehouse. Fred Schaeffler, clerk of the fire district, also disclosed the tentative 1949-50 budget totaling \$20,960, which will be submitted to vote. The budget and propositions appear in this issue of the Herald as a legal advertisement. (See page 11).

Island Trees Outgrows One-Room School

ISLAND TREES — School District 26 plans to send its kindergarten, 7th and 8th grades to the Bethpage School this fall, it was announced this week by L. A. Blodgett, principal. The one-room school house of District 26, which is located on the north side of Hempstead Turnpike, near the new Telephone building, will house the first grade only. There will be two sessions, one in the morning and one in the afternoon.

All other classes, 2nd to 6th grades, will be conducted in the Old Bethpage Schoolhouse (near the golf course and State Park) which has been rented by District 26.

School opens on Sept. 7 and registration for new pupils will be held every day until that date. Mr. Blodgett will spend most of his time at the one-room school house to take registration; however, he will occasionally be found at the Old Bethpage schoolhouse, where renovation work is now underway.

Children registering for kindergarten must be five years or before Dec. 31. First grade pupils must be six years or before December 31.

SEARCH FOR NEW LIBRARY SITE:

Price Objection On Duerk House

HICKSVILLE—Mrs. Franklin L. Duerk today made public a report on the attitude of the Public Library Trustees toward the purchase of her 10-room home on Jerusalem Ave. at the corner of Second St., adjacent to the high school. The report is in the form of a letter from Ralph P. Schley of Rockville Centre, her real estate representative, following a meeting with the Library Board. The library must obtain new

quarters since the space it now occupies in Nicholas St. School building is needed this fall for classrooms.

Schley reported to Mrs. Duerk: "On Tuesday, Aug. 2, we were received by three members of your Library Board at a special meeting called by Mr. Joseph Heim, the chairman. The purpose of this meeting, which was attended by Mr. Galloway and Mr. Heberer, as members, was to discuss the low-

est price you would accept for your home.

Price Reduced \$5000

"Mr. Heim, the spokesman, admitted quite readily that your home is ideally situated for a library site in that it is the geographical centre of the school district. He also agreed that the floor plan, type of construction, and general appearance would lend itself nicely to a Public Library at a minimum of additional expense to the taxpayers. The only stumbling block is the price.

"These gentlemen, who I understand have made recommendations for the purchase of certain other likely parcels to the taxpayers of Hicksville, are loath to incur the expense of a public referendum unless in their opinion the price, location, desirability of floor plan, etc., will be acceptable to the majority of the voters. With this thought in mind, Mr. Heim indicated that unless the Board could assure the people that the entire project, including the necessary renovation, would not exceed \$30,000, he would not be willing to submit it for their consideration.

"I, of course, called his attention to the fact that six room houses on 40-foot plots were bringing upwards of \$18,000, and also that previous recommendations by the Board, which were rejected by the people, involved well over \$150,000. Under the circumstances, your reduced price of \$37,000, in my opinion, would be received favorably by the people if given the opportunity to vote on the matter.

"It is my firm conviction," Schley continued, "that these public spirited gentlemen, whose only interest in this matter is to acquire a desirable location at the best possible price for the taxpayers, are not fully aware of building costs. They are thus attempting to acquire your property for less than any building contractor would agree it is worth in this market."

TRIMMED! The dollar bill, as you recall, at one time wasn't quite so small. Then someone down in Washington, did something to the poor old one. It shrunk in width and shed some length and, in the process, lost its strength until today we sadly see it's not the bill it used to be. Your dollar bill still buys better value, when you insist on nationally advertised products. When you buy wine or whiskey, buy by name. The label on the bottle is your guarantee of satisfaction. All leading brands are carried at FERRY'S LIQUOR SHOP, Hicksville-Jericho Road, Jericho, Tel. Hicksville 3-1552. Lic. No. L6048.

Dear Jean...

Our new neighbors this week in new homes on Bay Ave. are as follows: MR. and MRS. FRANCIS BYSANEK and two young sons from Callaga Point... MR. and Mrs. J. MORGAN and daughters, Joyce and Joan, are here from Levittown... MR. and MRS. B. V. BROWER and infant son are from Baldwin... In the Gables development are MR. and MRS. WALTER LEE and 8-month-old daughter, from Brooklyn.

I understand all briefs have been filed in the Hicksville School District condemnation action for the ALBRECHT property on Barns Ave., Hicksville, and the commissioners may make their report later this month... The SUGAR BOWL has opened in the former quarters of the Bethpage Public Library... There was great interest and numerous spectators on hand to see the new corn popping machine go in operation last Wednesday in the Bethpage SWEET SHOP... That new development along South Oyster Bay Road, out where the Army had a wartime radar station, is being called BRIAR PARK... Neighbors along W. John St. became alarmed when they read in the Herald last week that a restaurant was planned between Chestnut and Laurel Sts., Hicksville. However, the application was withdrawn when it came up for hearing last Thursday night in Oyster Bay...

HQPE HAMPTON, who is spending the summer at her Plainview estate, was shopping at Town and Country Shop in Hicksville last Friday. The screen star singer is easily recognized by her long platinum hair and two dimples...

Hicksville Lions are planning another Ladies' Night for the end of September. J. GORDON ULMER is chairman with VINCE BRAUN as "co."... Yep, Sockless HARRY was at the fire meeting Monday... The Woodbury Road-Barclay Street RR crossing will be closed "for about a week" during repairs, Ex-Chief HENRY GEBHARDT reported at the Hicksville Fire Dept meeting... The Knights of Columbus Council is planning a testimonial dinner in honor of STEPHEN SMATLAK, past grand knight of Joseph Barry Council, in the fall... Aug. 15 is the last day for bids if you are interested in buying the old Bethpage Firehouse building. A structure with about 2100 square feet of floor space and a finished attic, it seems suitable for a light manufacturing operation... SEA CLIFF SUMMER THEATRE announces that MISS ELISABETH BERGNER will open there in "Amphytrion 38" next Tuesday. This starring "Boston Blackie" of the silver screen—CHESTER MORRIS—is starting at Sea Cliff in a comedy "whodunit" mystery, "Dark Tower"... The Starlight Shop will be closed starting on August 22, while alterations take place, announces GENE STALLER... The new PETE COMTE'S Restaurant, down near Lauman's, received its liquor license Saturday... Speedy recovery to our good friend, BEN SATTIG in Plainview.

Town Board

(continued from page 1)

plant location and everything possible is done there to eliminate hazards. He detected no odors in the neighborhood of the plant.

Home owners near the New South Rd., Hicksville, location have not objected to the zone change. However, they have marshalled opposition to the application now pending before the Zoning Appeals Board for a permit to install underground tanks for the storage of 15,000 gallons of solvents. (See Page 3).

Leon M. Lodes, representing Gordon-Lacey, told the Town Board last week the concern expects to spend \$300,000 on constructing a plant and landscaping the grounds. He said local contractors would be given the opportunity to erect the plant and that the plant would employ 100 persons on year-round work. Eventually the number of employees would number 200, he added.

WILLIAM CISLER CANDIDATE FOR FIRE BOARD POSITION

HICKSVILLE — William A. Cisler of Henry Pl. disclosed this week that he plans to seek election in December as a commissioner of the Hicksville Fire District. Cisler is a former captain of Company No. 5 of the department.

250 at Legion Post Outing

PLAINVIEW—More than 250 persons attended the Charles Wagner Legion Post picnic and outing at Mannetto Hills School grounds, Sunday. There were contests and games for young and old and whole supplies of corn, watermelon, hot dogs and other food and refreshments. The Roger Homes Rookies bowed to the Old Timers 9-8 in a game umpired by Lawrence Small. A twilight 4-inning game was umpired by Arthur Ferris.

Home Owners Object to Proposed Chemical Plant Storage at Hearing

OYSTER BAY—Rejection of the Gordon-Lacey Chemical Products Co. application for a variance to permit underground storage of 15,000 gallons of solvents at a proposed factory site in Hicksville was urged Thursday night, when the case came before the Zoning Appeals Board for hearing.

Five new home owners in the immediate vicinity of the proposed plant on New South Road, Hicksville, appeared before the Appeals Board and presented a petition of opposition signed by more than 30 objectors.

Sol Gordon of the Gordon-Lacey concerns which is now located in Maspeth, appeared before the board to speak for the application. The Board reserved decision upon the application.

Fear 'Explosions, Odors'

Among the Hicksville people present who offered objections were Nicholas Sanfilippo, Francis Tooker, Michael Del Percio, Robert Witt and Raymond Sawyer. The petition of opposition states in part: "Since this company is engaged in the manufacture of synthetic lacquers and other inflammable chemical products and operations, we believe the permitted installations of these tanks will constitute a grave hazard to life and property through possible fire and/or noxious odors."

Gordon told the Board his firm has a contract to purchase the property which occupies a triangular parcel on the east side of

Civics Also Object To Chemical Tanks

Opposition to the application of the Gordon-Lacey Chemical Products Co. for a variance to install underground storage tanks on New South Road, Hicksville, was registered by the Hicksville Civic and Community Association at an executive meeting, Thursday night. The Civics in their resolution noted the importance of local industry but believe such activity should be "conducive to suburban life." If the Appeals Board feels the proposed tank installation is "safe and good for the community," then the Civics want "every possible restriction and safeguard imposed to protect the neighborhood and community."

New South Road, bounded on the south by Glasfloss Mfg. Co. and the north by the LIRR. The tanks, he said, would be located some 500 feet east of New South Road.

The solvents to be stored, he continued, are principally acetone, which is in the same category as gasoline but a "little less hazardous." It will be handled in an enclosed system. Tank cars will unload via an inlet box and pipes into storage. The material will be piped to the factory and metered into the operations as needed.

His firm, he stated, has operated in New York City for 10 years and has been inspected three or

four times a year. "We have never had any trouble," he said. There will be no odors, he claimed. The company makes plastic cloth.

Near New Homes

The opposition group pointed out that Gordon-Lacey at its present Maspeth location is more than half a mile from any dwellings, whereas the proposed Hicksville site is just across the highway from new homes. They declared the Maspeth plants is in the vicinity of soap manufacturers and other chemical companies.

Conceding that in New York the plant is subject to various inspections and check-ups, one (continued on page 11)

100 More Sign Plea For School Busses

HICKSVILLE—Another 100 names have been added to petitions requesting the Board of Education to call a special district meeting for a vote upon the question of providing transportation within the district, it was announced yesterday by Martin Lauer of 183 Lee Ave.

The first petition with 100 signatures, most of them from Frank, Halstone, Murray Road and Roger Homes, reached District Clerk Andrew B. Heberer Thursday.

Individual members of the board were reluctant to comment upon the petition, pending a meeting of the School Board. However, persons experienced in school district affairs felt the possibility of any service being established in time for the opening of the fall term "is very remote." They noted that since the present budget contains no funds for such service, a special district meeting may be required to appropriate funds.

In addition, some kind of policy

Pukach Takes Bride in Washington

Miss Patricia Adela Spence, daughter of Mrs. Joseph Spence and the late Mr. Spence of Washington, D. C., became the bride of Leon Pukach of Hicksville on Saturday, August 6. The ceremony was performed at noon at a nuptial Mass at the Holy Comfortor R. C. Church in Washington. Mr. Pukach is the son of Mrs. Catherine Shatka of Burns Avenue, Hicksville.

The bride, given in marriage by her brother, Carlos Spence of Washington, wore a long sleeved white satin gown with an off the shoulder neckline of sheer marquisette; the skirt and long train was of white sheer marquisette with white satin applied leaves. Her fingertip veil fell from a crown of orange blossoms, and she carried a prayer book with a white orchid and lilies of the valley.

Mrs. Helge Klavanoak of Burns Avenue, Hicksville, sister of the groom, was matron of

honor. She wore a pink tissue tulle and net gown with a pink picture hat. She carried blue gladioli. The bridesmaids, twin sisters Jacqueline and Patricia Carlisle, of Washington, wore blue gowns of tissue tulle with blue picture hats and carried pink gladioli.

Robert Cervera of Boston, Mass., was best man and ushers were Salvatore Giarratano of New Haven, Conn., and Harry Nugent of Washington.

A reception for about 100 guests followed the ceremony at Taylor's Farm, Suttland, Maryland.

After a wedding trip to Capon Springs, W. Virginia, Mr. and Mrs. Pukach will reside in Washington, D. C.

Red Cross Program Peace-Time Record

The stepped-up health and safety program of the Nassau Red Cross set a peacetime record during the three months ending July 1, Lawson A. Odde, executive director of the county ARC chapter, announced today in his report on Red Cross activities for the second quarter of the year.

A total of 1,255 persons received ARC certificates for completing courses in First Aid, Home Nursing and Water Safety during the three months, he pointed out, compared to 911 for the same period last year. There were 98 classes held by the ARC compared to 70 in 1948.

Accident Victim Dies in Hospital

EAST MEADOW—Albert J. Banfield, Jr., 29, of Harvest Lane, Levittown, died Friday in Meadowbrook Hospital as the result of injuries suffered when he was struck by a truck Thursday night. He was run down while crossing Wantagh Ave., a short distance north of Maple Ave., Bethpage.

Five Hicksville Scouts At Camp Wauwepex

Five Boy Scouts of Troop 91, Hicksville, are spending a week at Camp Wauwepex and will return on Sunday, according to their Scoutmaster, Michael Fasullo. The Scouts are: Gary Puccio, Richard Hogan, Ray Muller, James Fox and Chester Terry.

Rev. Rogers Supports Controversial Bill

VALLEY STREAM—The Rev. Howard Rogers, pastor of St. Stephen's Lutheran Church, Hicksville, is in favor of the controversial Barden Bill (federal aid to education) providing it "prohibits" any grants to parochial schools. He upheld the bill in speaking before the Valley Stream-Kiwanis Club last week.

All Township Beaches Now Meet Standards

MINEOLA—All public bathing beaches of Oyster Bay Township have received beach permits from the Nassau County Health Department. The second and final rating of waters of Nassau was released on Monday and included two town beaches not named in the first (June 27) report. Now added are Alhambra Beach, Massapequa, and Tobay Beach on the Atlantic Ocean.

Rating given town beaches include "good" for Oak Beach, Bayville, on the L. I. Sound and "fair" for the Roosevelt Memorial Park on Oyster Bay Harbor and Massapequa Creek, Alhambra Beach.

PLAN SECOND BALL

Leo O'Melia, junior vice-commander of the Inland Trees VFW Post, has been appointed general chairman of the second annual ball to be held on November 5 at the Bethpage State Park clubhouse. Jack Foley will be in charge of the tickets.

Mr. and Mrs. William I. Magill of 63 Old Country Rd., Hicksville, will mark their 37th wedding anniversary on August 19.

MEET THE LADIES:

Mrs. Fitting Heads V. F. W. Ladies

By MARY HAUGHEY
(Second in a Series)

Mrs. Eugene Fitting of 143 First St., Hicksville, heads the local branch of the Ladies Auxiliary to the Veterans of Foreign Wars, a powerful and respected patriotic organization for women in the United States. As president of the William M. Gouse, Jr., VFW Auxiliary, Mrs. Fitting personally directs many of the activities of an organization dedicated to "keeping faith with the dead by helping the living."

MRS. EUGENE FITTING
(Hallock Photo)

Likes to Go Fishing
A member of the Auxiliary for three years, she held the offices of patriotic instructor and senior vice-president before she was elected president six months ago. Devoting much of her time to auxiliary projects and attending county luncheons, she also finds time to do a lot of knitting and tatting. For real diversion, she takes a fishing trip.

Visiting veterans at Northport Hospital is one of the auxiliary projects each year. The Hicksville VFW Auxiliary visited the men at Northport in July and plan another trip this fall. They bring handmade afghans, cigarettes, magazines, candy and articles of men's clothing.

An Americanism Committee headed by Mrs. Ruth Lambert conducts an essay contest each year and keeps the members informed on current events. "A good VFW member understands that the ballot is a birthright, a possession that is exclusively hers," Mrs. Lambert said.

Sale of poppies each spring with Mrs. Mary Colgan as the chairman, the big annual card party, and the annual dance installation with the VFW Post members are among some of the auxiliary activities. Funds are also raised by the awarding of various prizes such as the portable radio which will be awarded September 8. Mrs. Raymond Vietheer is in charge of the radio prize. Financial assistance is given by

others," Mrs. Fitting said in discussing the good works accomplished by the Auxiliary. Also a member of the Hicksville Catholic Daughters, she has been residing here for the past ten years. She is a graduate of Huntington High School.

Membership is open to the wives, sisters, mothers and daughters of veterans who served overseas during World War 1 or 2. Application can be made to Mrs. Harriet Aracil, 19 Underhill Ave., Hicksville. Meetings are held the second and fourth Thursday of each month at the Hicksville Courthouse.

the VFW Auxiliary to the Hicksville Boy Scouts, Girl Scouts, March of Dimes and Red Cross drives. The Hicksville Auxiliary has also been contributing to the National Cancer Research Fellowship Fund Laboratory, which was started by the National chairman in 1947. The dedication of the library at the Jackson Memorial Laboratory this month marks another outstanding contribution to science of the VFW Auxiliary that will spread its benefits to humanity.

Support National Home

"The National Home at Eaton Rapids, Michigan, for widows and orphans has schools, hospital and cottages named after each state," Mrs. Fitting explained. "We contribute to the New York Cottage and of course, the general fund."

Mrs. Henrietta Aracil heads the rehabilitation committee which visits sick members of the Auxiliary and the post. Mrs. Fitting always accompanies this committee on its visits to hospitals and homes.

"Clubwork keeps my mind active and guides my efforts to help

Unceasing War
on a World of Killers

★ Leeuwenhoek, in 1683, was the first to disturb the privacy of the teeming hosts of the unseen world. The "wretched wee beasties" covorting innocently under his lens were later indicted and convicted by Koch and Pasteur. Unbeknown to Leeuwenhoek, he had discovered a vicious and unseen world of killers, now known as bacteria, or germs.

The span of time between Leeuwenhoek and Pasteur was almost 200 years. Only an average lifetime has passed since Pasteur's experiments, during which practically all we know about disease and its treatment has been discovered. Our knowledge is expanding at an ever-increasing rate. The pharmacist works with the physician in bringing newer and better medication into the sickroom.

**Miss Marie Herzog
 Bride in New York**

Miss Marie Herzog, daughter of Mr. and Mrs. Fred Herzog of 465 Broadway, Hicksville, became the bride of Theodore Spedalle, son of Mr. and Mrs. Charles Spedalle of Flushing Saturday evening, Aug. 6, at the Church of All Souls, Manhattan, at 5 o'clock. The Rev. DuBois LaFever officiated.

The bride wore a blue and gray print dress with a pink hat and navy blue accessories. She carried a bouquet of pink roses.

Miss Maya Moran of Jackson Heights was the maid of honor. She wore a navy blue and white dress with pink and white accessories. She carried a bouquet of white roses.

Fred Herzog, brother of the bride, was the best man.

A small reception was held at the Hotel Taft. After a New York City honeymoon, the newlyweds will reside at 76 East Barclay St., Hicksville.

MR. AND MRS. JOHN HOFFMANN are residing in their new home at 37 Gables Road, Hicksville, following their marriage on June 25 at St. Peter's Church, Port Washington. The bride is the former Miss Harriet Lockman of Port Washington. The groom is the son of Mr. and Mrs. A. Hoffmann of 230 Broadway, Hicksville. (Mason Photo).

Gail Susan, infant daughter of Mr. and Mrs. Walter J. Reinhard of 28 West Cherry St., Hicksville, was christened Sunday afternoon, July 31, at the Trinity Lutheran Church, Hicksville. The godparents were Dorothy Jaeger and William Tweeddale. The Rev. Edward Stammel officiated.

Misses Jane Healy, Virginia Oxencheuk and Eileen Haughey have returned from a week's vacation at Downsville, Delaware County, N. Y.

Mr. and Mrs. William Suppa of 6 Elm St., Hicksville, are vacationing at Saratoga Springs and Lake George.

Miss Ann DiMarzo Is Shower Guest

Miss Ann DiMarzo of 276 West Nicholas St., Hicksville, was the guest of honor at a surprise shower Saturday night, Aug. 6, at the American Legion clubhouse. The room was decorated in pink and white. A buffet supper was served.

Miss DiMarzo, daughter of Mr. and Mrs. Carmen DiMarzo, will wed Frank Pitrelo on Sept. 18.

Among the guests were: Mrs. William Dyckman, Mrs. John Miller, Mrs. Michael Barone, Mrs. C. DiMarzo, Mrs. Dominic Quarosimo, Mrs. Frank Shea, Mrs. Martin Tringali, Mrs. James Fischetelli, Mrs. Florence Ratto, Mrs. Marguerite Pitrelo, Mrs. Jack Schuks.

Also: Misses Marion Miller, Jo Serle, Theresa Carbonaro, Joan Zabel, Rose Nazzaro, Mimi DiMarzo, Marie Ratto, Marlene Dyckman and Rosalee Tringali.

Mrs. Emma Metz observed her 91st birthday on Thursday, July 28, at her home at Jerusalem Ave. and West Nicholas st., Hicksville. Many of her relatives, friends and neighbors visited her during the day. She received a corsage, several bouquets of flowers and many messages of congratulation.

Hicksville's oldest native, she was born on the present Nenninger farm on Newbridge Rd., Hicksville. Mrs. Metz was feeling very well for her birthday and enjoyed her visitors and a birthday cake.

HICKSVILLE MAN TO WED

Announcement has been made of the engagement of Miss Ida Schwab, daughter of Mr. and Mrs. Charles Schwab of Farmingdale, to Louis Quarosimo, son of Mr. and Mrs. Alexander Quarosimo of 57 Old Country Rd., Hicksville. The wedding will take place in the fall.

Miss Schwab is a graduate of Jamaica High School. Her fiancé attended Hicksville High School and served with the Navy for two years.

Frank Shea of 277 West Nicholas St., Hicksville, returned home from Nassau Hospital on Monday.

Miss Rose Petrone Becomes Bride At Nuptial Mass Saturday Morning

Miss Rose Petrone of Old Country Rd., Hicksville, daughter of the late Mr. and Mrs. Charles Petrone, became the bride of Robert Stone, son of Mr. and Mrs. Edward Stone of Ticonderoga, N. Y., at a nuptial Mass Saturday morning, August 6, at St. Ignatius R. C. Church, Hicksville, at 9:30 a. m.

The bride, given in marriage by her brother, John Petrone, wore a gown of white satin fashioned with a round neck with an inset of lace, long sleeves and a full skirt ending in a long train. Her fingertip veil was held in place with a tiara of orange blossoms.

She carried her mother's prayer book with gardenias. Miss Frances McGinnigle of Hicksville was the maid of honor

and only attendant. She wore a gown of peach taffeta styled with a high neck and inset of lace. She wore a headpiece of blue delphiniums.

Dick Fuller of Ticonderoga, N. Y., was the best man. The ushers were James Petrone, brother of the bride, and William Stone, brother of the groom.

A reception for 25 guests held at the Alibi, Hicksville. After a honeymoon to Connecticut, the newlyweds will reside in South Farmingdale.

Plainview Corn Festival Sunday

PLAINVIEW—A corn festival sponsored by the Plainview Fire Department will be held at the Mannetto Hills School this Sunday, Aug. 14, starting at 2 o'clock. There will be clams, hot corn on the cob, beer and other refreshments. Proceeds are for new firemen's uniform fund. Peter Taormina is the chairman.

A week's vacation at the Columbia House, Catskills, was enjoyed by Mr. and Mrs. Arthur Auer, Mr. and Mrs. Charles Auer, Arthur Auer, Jr., Gloria Auer, all of Bethpage, Ray Hendrickson of Farmingdale, Viola Auer of Hicksville and Cass Baccarella of Copiague.

CORRECTION

The name of Mrs. Marion Mille was omitted from the by-laws committee of the Jericho Fire Department last week. The committee met to revise the by-laws for adoption at the September meeting.

Our local Veterans' Agency is located in the Hicksville Courthouse on Heitz Place. Phone Hicksville 3-0488.

CHURCHES OF CHRIST, SCIENTIST
"Soul" is the Lesson-Sermon subject
for Sunday, August 14, N. Y.
"GOLDEN TEXT": "Thus saith the high
and lofty One that inhabiteth eternity,
whose name is Holy: I dwell in the high
and holy place, with him also that is
of a contrite and humble spirit, to re-
vive the spirit of the humble, and to re-
vive the heart of the contrite ones" (Is-
aiah 57:15).

Angelina Dagosta
BETHPAGE — Mrs. Angelina
Dagosta of 4th Street died on
Aug. 2 at Holy Family Hospital,
Brooklyn. A solemn requiem Mass
was said at St. Martin of Tours
Church on Saturday morning. In-
terment was at Holy Rood Ceme-
tery Westbury.
She is survived by a daughter,
Mrs. Carmela Macari of Beth-
page, and a son, Vincent, of Ja-
maica.

OBITUARY

Frank Pasterkiewicz
HICKSVILLE—Frank Paster-
kiewicz, 54, president of the White
Eagle Society died on August 4
at his home, 106 West John St.
A solemn requiem Mass was said
Monday morning at St. Ignatius
R. C. Church. Interment was at
Holy Rood Cemetery, Westbury.
Born in Poland, he came here
in 1932. His wife and daughter
arrived from Poland two years
ago. He was employed in con-
struction work but had been hos-
pitalized for several weeks prior
to his death.
He is survived by his wife,
Marie; daughter, Charlotte; three
sons, Marian of Elizabeth, N. J.;
Charles and Joseph, of Poland;
two brothers and a sister, of Eli-
zabeth, N. J.

Centa Dirscherl
HICKSVILLE — Mrs. Centa
Dirscherl of 131 Bay Ave. died on
August 8. A solemn requiem Mass
will be said this morning (Wed-
nesday) at St. Ignatius Church
at 10 a. m. Interment will be at
Holy Rood Cemetery, Westbury.
She is survived by her husband,
John, and two sisters, Mrs. Jose-
phine Koluch of Hicksville and
Mrs. Anna Riedmeyer of Ger-
many. She was a member of the
Long Island Veterans of Ger-
man Descent, Ladies Auxiliary.
Funeral arrangements were by
Henry J. Stock Funeral Home.

Card of Thanks

**PUBLIC NOTICE
AMENDMENTS TO THE
TOWN OF OYSTER BAY
BUILDING ZONE ORDINANCE OF 1929**

BE IT ORDAINED by the Town Board of Oyster Bay, County of Nassau, State of New York, that the Town of Oyster Bay Building Zone Ordinance of 1929, be amended in the following form:

Section 14, Subsection E, shall be amended by adding thereto a new paragraph, which will read as follows:

"Notwithstanding anything to the contrary contained in subdivisions numbered (5), (6) and (7) of sub-section B of this section 14, every lot shown upon a map or plat heretofore or hereafter approved by the Nassau County Planning Commission and duly filed in the office of the Clerk of the County of Nassau, and being located within the boundaries of a residential use district, shall have a minimum average lot width of not less than sixty (60) feet.

Section 18, Subsection B and C of said ordinance shall be entirely deleted and in their place and stead, the following shall be substituted:

**"B. VARIANCE POWERS,
(MATTERS OF APPEAL TO
THE BOARD OF APPEALS).**

Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of these regulations, the Board of Appeals shall have power to vary or modify the application of such regulations so that the spirit of the ordinance shall be observed, public safety and welfare secured and substantial justice done.

**C. SPECIAL POWERS AND
RULES (MATTERS OF ORIGINAL
JURISDICTION AND
BY APPLICATION TO THE
BOARD OF APPEALS).**

1. Whenever a use, of the location thereof, is permitted only if the Board of Appeals shall approve thereof, the Board of Appeals may, in a specific case and after notice and public hearing, authorize such, permissive use and its location within the district in which this ordinance specifies the permissive use may be located, subject, however, to the following:

(a) Before such approval shall be given, the Board of Appeals shall determine:

(1) that the use will not prevent the orderly and reasonable use of adjacent properties or of properties in adjacent use districts;

(2) that the use will not prevent the orderly and reasonable use of permitted or legally established uses in adjacent use districts;

(3) that the safety, the health, the welfare, the comfort, the convenience or the order of the Town will not be adversely affected by the proposed use and its location; and

(4) that the use will be in harmony with and promote the general purposes and intent of this ordinance.

(5) In making such determination, the Board of Appeals shall also give consideration, among other things, to:

(1) the character of the existing and probable development of uses in the district and the peculiar suitability of such district for the location of any of such permissive uses;

(2) the conservation of property values and the encouragement of the most appropriate uses of land;

(3) the effect that the location of the proposed use may have upon the creation or undue increase of vehicular traffic congestion on public street or highways;

(4) the availability of adequate and proper public or private facilities for the treatment, removal or discharge of sewage, refuse or other effluent (whether liquid, solid, gaseous or otherwise) that may be caused or created by or as a result of the use;

(5) whether the use, or materials incidental thereto, or produced thereby, may give off obnoxious gases, odors, smoke or soot;

(6) whether the use will cause disturbing emissions of electrical

Legal Advertisement

discharges, dust, light, vibration or noise;

(7) whether the operations in pursuance of the use will cause undue interference with the orderly enjoyment by the public of parking or of recreational facilities, if existing, or if proposed by the Town or by other competent Governmental agency;

(8) to the necessity for bituminous surfaced space for purposes of off-street parking of vehicles incidental to the use, and whether such space is reasonably adequate and appropriate and can be furnished by the owner of the plot sought to be used within or adjacent to the plot wherein the use shall be had;

(9) whether a hazard to life, limb or property because of fire, flood, erosion or panic may be created by reason or as a result of the use, or by the structures to be used therefor, or by the inaccessibility of the property or structures thereon for the convenient entry and operation of fire and other emergency apparatus or by the undue concentration or assemblage of persons upon such plot;

(10) whether the use, or the structures to be used therefor, will cause an overcrowding of land or undue concentration of population;

(11) whether the plot area is sufficient, appropriate and adequate for the use and the reasonably anticipated operation and expansion thereof; and

(12) whether the use to be operated is unreasonably near to a church, school, theatre, recreational area or other place of public assembly.

(c) The Board of Appeals shall, in authorizing such permissive uses, impose such conditions and safeguards as it may deem appropriate, necessary or desirable to preserve and protect the spirit and objectives of this ordinance.

II. When, in its judgment, the public convenience and welfare and justice will be substantially served, and provided that the legally established or permitted use of neighboring property and adjacent use districts will not be substantially or permanently injured, the Board of Appeals may, after public notice and hearing and subject to appropriate conditions and safeguards, authorize and permit the following:

(a) Where a district boundary line divides a lot which is proved to the satisfaction of the Board of Appeals to have been in single and separate ownership at the effective date of this ordinance (November 1, 1929) and the total area of which lot has not been diminished or increased since such date, the less restricted use may be adjusted to extend to the whole or any part of such lot but not more than fifty (50) feet beyond the boundary line of the use district in which said lot is located.

(b) If the less restricted use shall be extended 10 feet or more within a residential use district, a permanent open space for rear yard of not less than 10 feet shall be provided for and maintained within the lot area as so extended. Also, in such event, if the less restricted use be extended more than 10 feet, the said minimum rear yard shall be increased by 1 foot for each additional 10 feet of such extension."

These amendments shall take effect immediately.

The Vote upon the foregoing amendments being as follows:

Supervisor Tadpen	Aye
Councilman Chumsky	Aye
Councilman Bouteiller	Aye
Councilman Walters	Aye
Councilman Wall	Aye

BY ORDER OF THE TOWN BOARD OF OYSTER BAY.

Leslie C. Disbrow, Town Clerk, Dated Oyster Bay, N. Y., August 2, 1949.

STATE OF NEW YORK,
COUNTY OF NASSAU,

TOWN OF OYSTER BAY,) s.s.:
I, Leslie C. Disbrow, Town Clerk of Oyster Bay, DO HEREBY CERTIFY that the records of the said Town show the due adoption of the foregoing amendments to the Building Code, on the 2nd day of August, 1949.

LESLIE C. DISBROW,
Town Clerk.

Oyster Bay, New York,
August 2, 1949.

**4,500 Miles in 8 Days
Potatoes Cost Plenty, Stoll Discovers**

HICKSVILLE — Potatoes sell for 32 cents a pound or \$64 a 100 pounds—at the rate of currency exchange with American dollars—in Honduras, reports Charles H. Stoll after a flying visit to the Central American country last week.

Judge Stoll, who has his law offices here in the Professional Building, covered 5,500 miles in an eight-day span, by regular airlines and air freight carriers. He visited his son-in-law and daughter, Mr. and Mrs. James Short, and grandchildren. Short is establishing a furniture factory in the Central American country.

Recalls Mexican Trip

Stoll found Honduras a country of contrasts and likened it to his hunting trip with Mrs. Stoll a few years back into the wilds of Old Mexico. In some ways, local customs and activities have not

changed for two thousand years. Getting off an air liner, the most modern means of travel, he found brand new autos and ancient ox-carts in the streets.

Burros carrying packs in from the back country are common. Spanish is the only language spoken, and with the price of potatoes what it is, rice takes the place of this vegetable in the diet. Mr. and Mrs. Short are located in a section of the country which is 3200 feet above sea level. He found the weather not too uncomfortable.

Judge Stoll's flying trip took him from New York to Florida, thence 2500 miles across the Caribbean Sea. Before stopping back at Florida, he also visited Cuba and other ports. He spent five days of his eight with the Shorts.

Herald phone is Hicksville3-1400.

**Civics Keep Name
Island Trees Alive**

ISLAND TREES — The historic area name of Island Trees is being preserved by the new civic association organized by residents of the Miller Homes section on Wantagh Avenue at Hempstead Turnpike. It has been chosen as the official name of the Association which will meet next Monday night at the Five Corners Restaurant, Bethpage, to consider a constitution for the organization. G. W. Marthea is president of the group.

**Water Commissioner
Election On Aug. 30**

OYSTER BAY—Election of a commissioner of the Hicksville Water District will take place on Tuesday night, Aug. 30, at the Hicksville courthouse. The election has been set by Oyster Bay Town Board with Councilmen Frank Chumsky and Daniel W. Wall scheduled to preside at the voting. The three-year term of Charles E. Colthurst as a commissioner expires.

**Corle's Restaurant
Has Renowned Chef**

BETHPAGE—Pete Corle's, the newest restaurant in the old-Island area, is open today serving luncheons and dinner. Corle's is located on the west side of Hicksville Road (south Broadway) opposite the Grumman Engineering Aircraft Corp. plant No. 5.

Gean Brevigos is the chef at Corle's and enjoys a reputation for the finest in foods. Mr. and Mrs. Corle have been in business in this area for the past 12 years.

**Philbeck Corp. Starts
Work on \$50,000 Plant**

HICKSVILLE—Philbeck Corp. of 76 West Barclay St. will construct a new \$50,000 factory on Duffy Ave. for the manufacture of pinking shears. The one-story building will occupy a 75x120 plot. A building permit was issued by the Oyster Bay Building Dept. last week.

The Herald phone number is Hicksville 3-1400.

HISTORIC Cantiague Rock on West John Street, Hicksville, was among the points of interest visited by a party of students from the L. I. Technical Institute recently. While four bus-loads of students, many of them attending the New Paltz Summer School in Farmingdale, paused here, a brief outline of mid-island area history was given by Fred J. Noeth, editor of the Mid-Island Herald. The party was under the direction of Miss Gertrude Welterauer of Hickville. (Photo by K. Hallock)

Variations

(continued from page 1)
 Gen. E. M. Podyn, chairman of the Board of Assessors, pointed out that the assessment will be restored just as soon as Gramman becomes owner of the property. In the entire county, the largest single increase over last year's figure is found in School District No. 5, where the Levitt development is centred. And in the mid-island region the biggest increase, next to Hicksville, was in the Island Trees district No. 26, which embraces the Miller Homes.

Protest Tanks

(continued from page 3)
 spokesman for the neighborhood said "we have a volunteer fire department and our men must go out on their own time to make inspections." Another said "we don't have the kind of fire apparatus in Hicksville needed to fight a chemical fire." He claimed that the nearest available equipment of this type is in Hempstead and Bay Shore.

Another home owner commented, "we moved out of the city because of the bad odors. It looks like they are coming right out after us."

E. Floyd Griffin, board chairman, commented that in any approval "certain regulations as to odors and safety would be required."

Extend Trailer Permit

During the same board meeting Thursday, after a lengthy presentation of opinions, an 18-month extension of permission to Gerald Barbault of Massapequa to op-

erate a trailer camp was granted. The permit is for 30 trailers and is limited to military personnel and their families.

The board rejected the application of George Bartos for a variance to convert "a coffee shop" to a restaurant on Jericho Turnpike, opposite Brush Hollow Road. The Board noted that Bartos had first received a variance for a nursery which was extended last fall to permit a coffee shop.

A Jericho neighbor protested that the nursery signs have been removed and that Bartos is now advertising two kinds of beer for sale. Bartos told the board "you created the hardship I am now suffering."

An application of Benjamin and Mary Hallmark of Jericho for a variance to conduct a general contracting business with storage yard, woodworking and millwork on the west side of Brush Hollow Road, about 520 feet south of Jericho turnpike, was rejected at the hearing also.

Playground Hits 300 Attendance

HICKSVILLE—The East Street Playground, under the sponsorship of the School District, continues to be more and more popular with local youngsters. During the past week, the enrollment has gone beyond the 300 mark.

Coaches Lou Millevotte and Chet Jaworski, supervisors of the playground, are getting the youngsters ready for the second special events of the season, the bicycle and pet show set for this Friday, August 12. The boys and girls have been preparing for this event for over a week and should be a great hit. Anyone with a bicycle or pet and is of playground age, four to sixteen, may enter the contest.

This week's activities consisted of baseball for the 11 to 18 age group and the 7 to 10 also getting their share of baseball. The younger boys and girls played bingo with the winners getting many prizes and everyone getting bubble gum. Checkers is becoming a very popular pastime for all age groups and a champion will be crowned this week.

Owen Pitches 2nd No-Hitter

HICKSVILLE—Chet Owens was robbed of a no-hit no-run game when Billy Wesnofsky was walked in the last inning, fifth, and stole second, third and home to prevent Owens joining the Hall of Fame. However, Warriors won 10-1 and secured PBC to the cellar of the Playground League.

This victory for Chet Owens was the second no-hit performance in the league. Previously he chucked a no-hit no-run game against the Yanks. With this kind of twirling the Warriors look like the team to beat for the top honors.

By HOWARD FINNEGAN

Although Coach Dom Sabatella has already held two light morning drills for his backfield men, ends and centers, the Hicksville Field Club won't officially open its 1949 practice sessions until this Sunday afternoon at 1:30 p.m.

The mid-August practice call represents a change in policy for the Black and White, which in recent years held rigid workouts as early as the second week of the month.

The shifting of the practice schedule is expected to be just one of many changes in the plans of operation that the B&W will undertake to regain its golden place in the Nassau pigskin sun.

Like it or not, the five defeats sustained in the '48 campaign reduced Hicksville to a run-of-the-mill power in the county last season and a cautious rebuilding job has to be done if the fabulous Black and White reputation is to again be what it once was.

There are many considerations in the projected comeback trail, the most important being the acquiring of playing talent.

While a number of last season's roster won't be around this fall, the threatened wholesale departure of Hicksville players will not come to pass. And in the two workouts held there is evidence that valuable additions will be made to the squad.

Some of the bigger Hicksville names have been rumored seeking a berth on another team, but to date there haven't been any definite announcements made.

There are many who say that the Hicksville Field Club in the full meaning of the words can be no more. Starting Sunday the critics will get their answer.

Display Loop Trophies As Playoffs Start

O'Shaughnessy playoffs are being held by the Mid-Island Herald Softball League this week to see who will garner the major share of the championship trophies

Loyolas Forfeit To Carlos Gems

JONES BEACH—The Hicksville Loyolas stood up over 3,000 softball hungry fans in the State Park Stadium here, Saturday night, when they could field only seven players and had to forfeit to the seventh place Carlos Gems.

The defeat cost the Loyolas any chance of winning or trying for the National League pennant, since it left them three games off the pace being set by the leading Franklin Square Royals.

which until awarding time will be on display at the Herald office at 162 Broadway, Hicksville.

Tonight (Wednesday) the Lions and Breen's All Stars are scheduled to play the second game of their best two-out-of-three semi-final series and if a third is necessary they will go at each other Friday.

Botto Bros. and the Grinders have game two of their series carded for tomorrow (Thursday) with the final, if necessary, scheduled for Monday.

The two winners, after a day's rest, will square off in the finals. Victory in the finals will mean a championship trophy to the sponsor and individual awards to members of the winning team. The runner up will take down the second place trophy.

ENJOYING A SUCCESSFUL season are the Hicksville Warriors who swept a double-header from Merrick Sunday by scores of 3-3 and 3-1. Top row left to right: Bob McDonald, John Shonsky, Manager Tom Marino, Arthur Dhom and Roy Schaaf. Center row: Arthur Lemcke, Ed Milacke, Ed Meehan and Roy Fichter. Bottom row: Chester Owens, batboy Tommy Marino and Ed Miller. The team is sponsored by Olga's Specialty Shop of Hicksville.

All-Stars Hard Hit To Win Crown As Champs In Regular Season Play

HICKSVILLE — Breen's All Stars rudely rubbed the glitter from the special playoff needed to decide the regular season champion of the Mid-Island Herald Softball League as Jerry Kiesel, Ray Halleran, Tommy Hall and Ed Coleman belted home runs in a lusty batting assault on Joe Smith. All this produced a 7-1 victory over Botto Bros.

The All-Star win broke a deadlock created for the title when both clubs finished their regular scheduled campaign with 8 won and 1 lost records.

Some Inept Playing
Breen's lost little time in taking the offensive but has to give a nod to some inept play on the part of three Botto fielders who let a simple pop fly off the bat of Ernie Naso drop in for a double in the first inning.

Following that, Jerry Kiesel sent a soaring drive over the centerfield stands to give the Stars a 2-0 lead and they kept up

the pressure until the game was well beyond Botto's reach.

In the second, Bill Byrnes walked, went around to third on Ernie Naso's single and dashed safely home when Bottos failed to get the ball back to the infield promptly.

Halleran and Hall injected their big blows in the third frame and Coleman came up with his in the fifth. Kiesel swelled the Star total to 7-0 in the seventh when he singled and scored on two errors and another hit.

Hall Holds Bottos
While the Stars were wrecking havoc at the bat, Hall was holding the Botto hitters in check. In all, he allowed five hits and five walks and struck out two. Bottos had the pot boiling twice but had too much ground to make up.

In the fourth a single and a walk had men on first and second with none out for the losers, but three straight rollers were con-

verted into force outs at third base.

In the seventh, Irwin Botto walked, as did Frank-LaMarca. A double play stamped out any big rally and subsequent singles by Ralph Ferrara and Joe Laskowski could only avert a shutout.

HOME FROM KOREA

Pfc. LeRoy Banschbach enjoyed an extended visit with his parents, Mr. and Mrs. Nelson Banschbach of 16 Nelson Ave., Hicksville, upon his return from duty at Camp Inchon, Korea. He left Friday for Fort Belvoir, Va.

Floral Park Again Tops Botto, 2-1

JONES BEACH — Floral Park remained undefeated in American loop play Friday night, but had to overcome another stern challenge from Botto Bros., who put up a stubborn battle behind Joe Smith before bowing 2-1.

In a previous meeting this season, the Parkers had to come up with two unearned runs in the sixth inning to defeat Bottos by the same count and for the second time had their hands full with the fifth place club, whose position belies its ability.

Floral Park scored once in the

first and once in the fifth and Eric Erickson protected the advantage in the late innings. Bottos had the bases loaded in the fifth, but disappointed a full house when it couldn't get a run across.

In the sixth, Stan Smith singled, stole second and came home on two errors for the only Hicksville run.

Joe Smith allowed only two hits and did not issue a free pass. Both hits were for extra bases, however, and resulted in Parker scores.

MAYOR MCGUP ... By J. Jarvis

HERALD CIVIC PRIMER:

Water Supply, Municipal Service

Third in a series of articles on local government—Editor.

Water supply in the mid-Island section is provided as a municipal function. We have a local system of water districts (much like the fire and school districts), each serving a particular community. In some other parts of Nassau, water supply is provided by private water companies and it is a strange coincidence — although no reflection upon private operators, is intended — that the areas which suffered during the prolonged drought this summer were all served by private concerns.

Each water district in the mid-Island area has a locally elected three-man board of commissioners, each serving for three year terms. Unlike school trustees and fire commissioners, the water commissioners do receive a small compensation for their services to the people. Each district employs meter readers, bookkeepers, engineers and other personnel.

All of the local water districts,

except Plainview, are self-contained units. That is, they pump their own supply from local wells and distribute water through a system of mains. Self-contained units also maintain storage tanks high above the ground. The Plainview district buys its water from the Jericho District through a giant meter.

But while the districts are self-contained, they can in emergencies connected with neighboring systems.

Water districts receive their revenues in two ways. (1) Taxation upon all properties within the district area, collected by the town tax receiver. (2) Charges to consumers for the water used, usually as recorded upon individual meters.

The Hicksville Water District, which represents an investment of more than three-quarters of a million dollars, has among its customers the Meadowbrook County Hospital.

Special propositions for the issuance of bonds, extension of the mains, and capital expenditures are submitted to qualified voters of the district at referendums called for the purpose.

Election of commissioners of the water districts is under the supervision of the Oyster Bay (in our case), Town Board which sets the date, place and time and assigns its members to preside at the voting. Only property owners may vote at water elections.

In Our Opinion:

Death Lurks at 2 Local RR Crossing

Death awaits motor vehicle operators, and passengers day and night at two Long Island Rail Road crossings in Hicksville. Both crossings are entirely unprotected—there are no gates, no flashing lights, no warning bells.

These death crossings are Charlotte Avenue, next to Jones Institute to the west of Hicksville, and New South Road between Hicksville and Bethpage. The only warnings for the motorist are wooden signs urging caution.

Both crossings have cost human lives. Both will probably take more lives before anything is done. Both crossings are becoming more and more important avenues of vehicular traffic.

The Charlotte Avenue crossing is almost completely obscured in one direction by a fence and vegetation. The New South Road crossing is hardly at "grade," requiring the driver to ride up and over a rise.

Local pressure upon the Public Service Commission and other authorities will be necessary before anything is done to provide elementary safety devices at these two crossings for the motorist public.

Local highway traffic since the end of the war has increased in volume. We have no statistics on the subject, but casual observation bears out this statement. The day is now with us when efforts should be directed toward the elimination of all grade crossings in Hicksville. The lines of cars waiting for the gates to rise at the Broadway and Jerusalem Avenue crossings now extend for a block or more. Trains are getting longer and it is not uncommon to find a westbound train at the depot blocking both intersections while mail, express or freight is unloaded or loaded.

A temporary improvement would result if the Hicksville Railway Express depot was moved

several car-lengths west of Jerusalem Avenue.

The daily papers report that Governor Thomas E. Dewey has put into operation part of the State's Postwar Public Works program. Speaking at the 20th Birthday of Jones Beach last Thursday, he indicated that enlargement of this fine state park may be one of the first local projects. We realize that Jones Beach patrons are increasing and that more parking areas must be constructed there. However, it appears to us that grade crossing elimination deserves higher billing among Public Works projects than a seasonal, recreational program such as Jones Beach.

Elimination of Hicksville grade crossings is "on the books." It is listed among eligible projects under state law. However, this work is included among programs for which no state funds have been appropriated. We may rest assured that the local program will remain pigeonholed unless the community starts a clamor. Started now, something may be achieved before too many more years have drifted by.

Tax Rates Per \$1,000

It is common practice on Long Island to report tax rates in terms of \$100 of assessed valuation. The Herald has found that many upstate communities use the expression in rates per \$1,000 of assessed valuation and in view of the fact that determining an individual's taxes is simplified by the per \$1,000 scale, we plan to use it in the future.

For example, this week the Hicksville Board of Education announced its rate for 1949-50 as \$1.77. To say the rate is \$17.70 per \$1,000 is the same thing. However, the owner of property worth \$4,000 need only multiply \$17.70 by 4 to get his school tax—\$70.80. (The other way, the property owner would have the multiple by 40).

Incidentally, the announcement from the County Assessor that valuations in Hicksville School District have increased, a total of two million dollars is gratifying.

Polio Is NOT Epidemic

The Nassau County Health Dept., while urging parents to take all precautions to prevent the spread of poliomyelitis, also advises parents to remember that at the present time there is no epidemic.

The Health authorities at Mineola say it is well to remember that EVEN DURING AN EPIDEMIC of poliomyelitis in a community, the odds against any individual having the disease are approximately 1999 to 1. The National Foundation for Infantile Paralysis, Inc., says that polio may be considered epidemic in a community when the case attack rate is 20 per 100,000 population. In Nassau, with the population of 600,000, there would have to be 120 cases reported before the disease would be considered epidemic. As of Aug. 9 there were 65 cases reported in Nassau.

Our Readers' Opinion

WANT YOUTH CENTER

Dear Editor:

I am an average teen-age girl. This is my fight as well as any other teen-age child in Hicksville. The fight may seem silly to a lot of adults and the way they act it seems as if it is nothing at all.

Many people have seen the kids hang around the Ukrainian Hall, Walters, or on side streets in cars. Most of these kids are nice kids doing this because there is nothing else to do. An adult may pass and remark "It's disgraceful, why if they were my children I'd make sure they didn't hang around."

Mother thinks it's disgraceful, too, but she can't send her kids to the movies every night or make them stay at home. Kids want to do things, but in Hicksville not much can be done.

Why can't the teen agers have a youth center? Will it take too much time and money, or isn't it worth it to see your child safely off the street corners, where they can't be accused of doing something they never even thought of doing?

Levittown really has it down on Hicksville.

Think it over, Hicksville, or would it be just a little too hard on the brain cells?

JUST A TEENAGER.

Bethpage People Slow On Numbering

BETHPAGE — Delivery of mail to 1100 addresses of private homes and businesses began here Monday. There was no special ceremony to mark the inauguration of service. Residents were previously obliged to call for their mail at the local post office.

However, Postmaster Harry Stolz warned that unless residents immediately posted numbers assigned to their residences and set up mail boxes, the undeliverable mail will be placed in General Delivery at the office and will have to be picked up.

Numbering of homes was the project of the Central Park Water District, led by Commissioner A. A. Lang.

REV. STAMMEL OCCUPIES MINEOLA PULPIT SUNDAY

The Rev. Edward Stammel of the Trinity Lutheran Church, Hicksville, will occupy the pulpit at Our Saviour Lutheran Church, Mineola, this Sunday morning, Aug. 14, at the 9 a. m. service.
