## NO CAUSE FOR ALARM: Bethpage Fire Tax Won't Double

BETHPAGE — Withdrawal of Grumman's government-owned property in this community from the assessment rolls is not going to result in "doubling the Bethpage tax rates" despite "wild guesses" published elsewhere, taxpayers were assured last night. Special district officials questioned by the Herald asked this news-

paper to help relieve the minds of worried property owners.

While the Board of Fire Commissioners has not completed its proposed budget for the new year, it is a fact that the tax rate will not be doubled. Various officials admitted that there may be slight gains but that these increases, if any, will still permit local proper-

ty owners to enjoy rates that are below neighboring districts.

For example, the fire rate is now \$1.60 per \$1000 (or 16 cents per \$100) as compared with Hicksville's current fire tax of \$2.60 per \$1000. The owner of property assessed at \$4000 in Bethpage now pays \$6.40 a year in fire taxes. Under the proposed budget the same owner may find his total fire tax increased a few cents, possibly to \$7.

## Kiwanis Clubs to Elect Dr. Stillger Lieutenant-Governor At Lake Placid

AMITYVILLE—Dr. Walter F. Stillger of New South Rd., Hicksville, will be the next Kiwanis Lieutenant Governor for the 12th Division. He was named at a caucus of Kiwanis Clubs in the division held Thursday night at the Amityville Hotel.

LeBaron Held Office

Dr. Stillger, a past president, director and charter member of the Hicksville Kiwanis Club, will be elected Lieutenant Governor at the State Kiwanis Convention at Lake Placid in September. He will be the second Hicksville man so honored and will succeed James L. Dowsey of Manhattan. Dr. E. H. LeBaron, Hicksville school superintendent, held the office two years ago.

The 12th division embraces the Townships of Oyster Bay and North Hempstead in Nassau and all of Suffolk County. There are 15 clubs in the division and during the next 12 months Dr. Stillger will make at least two official visits to each club, officiate at installations of officers and induction of new clubs and other Kiwanis functions.

Dr. Stillger has been an outstanding supporter of Kiwanis work since he joined and during the past decade has been largely responsible for the membership growth of the Hicksville Club.

Dr. Stillger is a long-time resident of Hicksville and has his

## Charles Wagner Post Takes Note Of Distance to Schools from New Home Developments in Community

HICKSVILLE—Unanimous support for transportation of students living within the school district from their homes to school was registered by the Charles Wagner American Legion Post, Monday night. The Legionnaires thus gave their approval to requests already in the hands of the School Board that bus service be established.

The Legion Post action recognizes that "this great community improvement is needed, since most of the new home developments within the district are so far from the schools." The ex-servicemen went on record "in favor of school busses for our children."

Commander Rudy Bouse presided at the regular Post meeting, Monday night. The motion to go on record for busses was made by Howard Parton and seconded by John Gallagher. Both are residents of the Roger Homes section.

### Prepare For All-Star Show

Arrangements were completed at the same meeting for the staging of the Associated Legion Posts' monthly vaudeville all-star show and a dance in the Parochial School auditorium, East Nicholai Street, on Wednesday night, September 14. Fred Brengel Jr. is chairman of the Associated Posts' project.

A three-hour show of outstanding entertainment by Broadway headliners will be presented. Dancing will follow. Tickets are now (continued on page 4)

## School Board Acts Upon Petitions

HICKSVILLE—The Board of Education is acting to comply with the request of almost 200 residents who have submitted petitions asking for a special district meeting on the question of pupil transportation within the district.

Andrew B. Heberer, district clerk, has advised Mrs. Oscar Lauer of Lee Ave. by letter that the School Board has held a special meeting as a result of the petitions, and "the necessary steps to comply with your request for a special meeting to consider the meeting have been undertaken."

### Census to Assist Board

The letter adds: "A survey will have to be made in order that the bus people can be apprised of the required services in order to give us intelligent bids. A school census is now being taken which will be of help in our decision as to the scope of the undertaking. You may be sure," Heberer concluded, "that the matter will be followed through with all possible diligence."

Mrs. Lauer is the mother and next door neighbor of Martin Lauer, who has already asked the Herald to assist him in reaching residents of all sections of the (continued on page 4)

## Library Board Gets Two More Proposals

HICKSVILLE — The Board of Library Trustees has received two new offers or propositions for library quarters, it was disclosed Tuesday by Joseph M. Heim, president of the Board. He did not go into details.

The Board, it was learned, has "just about" reached the conclusion that the home of Mrs. Franklin L. Duerk on Jerusalem Avenue at Second Street is "too expensive." The 10-room house is now being offered to the district for \$37,000, which is \$5,000 less than the initial proposition. Some trustees feel that \$30,000 would be the maximum proposal which could hope to receive support of the voters at a referendum.

## Fire Board Explains Budget

HICKSVILLE—A digest of the tentative fire district budget which comes before the taxpayers for vote on September 6 is going to all Civic Association members this week. It contains a report on the budget given to the Civic executive committee by the Fire Commissioners at a regular Board meeting last week. The present tax rate is \$2.60 per \$1000. Under the new budget, including \$16,000 for a new alarm system, the rate is estimated at \$4.

## Lions Give Backing To B'way Bus Route

The Levittown Bus Corp. is interested in establishing regular bus service along South Broadway from Hicksville RR station to Grumman's and Miller Homes in Island Trees. General Manager T. C. Richardson admitted today.

A preliminary conference on the proposed service was held at the Herald office, attended by representatives of the Hicksville Business Men's Association, Glasfloss Mfg. Co. and new residents of the Frank Homes, with Richardson.

### Lions Give Support

This week the Hicksville Lions Club became one of the first organizations to go on record requesting the Public Service Commission to franchise such a route. Residents of the new home sections along Broadway are circulating a petition to the PSC asking for such service also.

Copies of petitions and organization resolutions are being forwarded to the office of the Levittown Bus Corp. at 95 Kellum Place, Hempstead, care of Gen. Mgr. T. C. Richardson.

William Grasberger, personnel manager of Glasfloss, said that his company has been attempting (continued on page 14)

## Firemen Say Thanks For Help, Support

HICKSVILLE—Members and officers of the Fire Dept. today expressed their thanks and appreciation to residents of the district for their generous support and cooperation in the just-concluded house-to-house solicitation of funds by the volunteers. Ralph Heberer was chairman of the project for the department.

## Grant Zone Change For Gordon-Lacey

OYSTER BAY — The change of zone requested by the Gordon-Lacey Chemical Products Co. of Maspeth on property along New South Road, Hicksville, for a factory and office has been granted by the Town Board with a stipulation, according to Comptroller Frank Chlumsky.

The zone change is contingent upon the pending application of the same firm for a variance to permit installation of underground storage tanks for 15,000 gallons of solvent. The Board of Appeals may decide upon this variance plea tomorrow (Thursday) night when it meets in the Town Hall. A public hearing on the question was held two weeks ago.

Residents of Broadway Terrace, the Hicksville area including the proposed factory site, have registered opposition to the variance request as a threat to their safety in event of "fire or explosions." They also fear odors which may result from the operations.

## VFW Gives Movies On Friday Nights

JERICHO—Every Friday night is "movie night" here when films are shown outdoors behind the school on Cedar Swamp Road, starting at 8:30 p. m. The weekly movie show, to which everyone is invited, is provided by the Jericho VFW Post according to Post Commander Arthur Stewart.

No admission charge is made and no collection is taken. The program this Friday night will include a film trip through Africa and a feature on India. The show lasts about an hour.

## 400 at Plainview Corn Plainview

PLAINVIEW—More than 400 persons attended the corn festival of Plainview Fire Department held Sunday afternoon and evening on the Manno Hills School grounds. The affair was an outstanding success, said Chief Edmond Ocker, in thanking the community for its support and patronage.

## Dear Jean...

Two of our neighbors this week come from New York City. They are MR. and MRS. L. QUINN and MR. and MRS. WILLIAM C. GODFREY. Both couples are in the new Zeld development MR. and MRS. R. BURROWES of Merrick and MR. and MRS. EDWARD HAAS of Roosevelt are in their new homes off Woodbury Rd. Welcome to our community...

BILL MARKS of Williams' Hardware, who left Sunday for a brief upstate vacation, was a one-man fire department last week when an auto burst into flames at Broadway and Marie Street, Hicksville. One of the two men in the burning car rushed first into ROGERS 5 and 10 and asked for an extinguisher. The clerk, not realizing the emergency, thought the man was a customer and replied that none were available for sale. BILL, meanwhile, grabbed the gadget in his store and went to work... Hicksville vamps answered a silent alarm at the Dalton Funeral Home, Friday, when an oil burner kicked up... Somebody wants the answer to this \$64 question: "What to do with 10,000 hot dogs when you only have 3,000 rolls?"... Those novel mechanical displays in the window of BRADY'S Jewelry Shop always attract the interest of young and old.

When the fire horn blew, Thursday some of the boys thought their watches were ten minutes slow, until the third blast. The alarm for a little exhaust pipe fire down on GOETTLEMAN'S on Old Country Rd., Hicksville, came a few minutes before noontime... Work on the new Hicksville METHODIST CHURCH on Old Country Road is progressing very nicely. I hear the project is three weeks ahead of schedule... Prospects for new homes are now asking developers about local television reception before they sign on the dotted line... The Herald has had three inquiries in the past week about the local Selective Service Office. The office is in Kensington Village Hall, Great Neck. However, JOE MCCARTHY is able to answer most questions on this program at the Hicksville Veterans' Service Agency office in the courthouse. He also registers 18-year-olds when they have their birthdays. The office is open Mondays, Wednesdays and Fridays... Babylon Township is taking steps to adopt a Carnival Ordinance, something the Town of Oyster Bay does not have... Bethpage will not break ground for its new million-dollar school until the end of this month at least, maybe later.

There may be others in the field, but we checked on three rumored candidates for water commissioner and found none of them interested. CHARLES COLTHURST is a candidate for re-election for three years on the Hicksville Board. The Town Clerk would like to have designating petitions not later than this weekend, ten days before the election on Aug. 30... There isn't any, but some folks are trying to read significance into the fact that a member of the school board was present at the Legion meeting that endorsed school buses, Monday... Among the Hicksville folks I saw at the small Plainview Firemen's Corn Festival, Sunday, were FRED MILLER and JOE HANLEY. Judge LEBKUCHEER was observed near the clam bar... Plenty of small talk these days, despite the heat, about the local football season which may open Sept. 11... And the BMA reports a big increase in requests for identification letters since last week's story about the phony collector of funds for a non-existent polio victim. Estimates of his take range from \$50 to \$100... BEATTY'S, opposite the Hicksville A&P, has some dandy hard-board covers for local students. The two-ring binders will leave no doubt that the bearer is from Hicksville... PHIL ILLMAN, who likes to paint landscapes and such, was busy Monday with the paint brushes—touching up the windows... Hicksville businessmen hold a meeting tomorrow (Thursday) night at PETE CORTE'S new restaurant on So. B'way...

The Herald want ads really produce, but good. COUNCILMAN CHLUMSKY was thinking about placing an ad for a lost dog, Monday. Before he got around to giving the insertion order, the dog returned home... MYRON SAUSSMER, who likes to see the latest NY shows, had a couple of tickets Monday for excellent seats... PETER & WENDY has installed a time switch for its window lights, permitting an illuminated display after regular closing time... EDWARD STERN of Edward's Men's Shop never gets birthday presents. His birthday is Christmas day... Lawyer GEORGE RAPPAPORT suggests we sponsor a golf tournament... A report reaches us that a black widow spider has been found on Cottage Road, Hicksville. Scare stories in the dailies have made all spiders and bugs the object of suspicion. An authority at the State School in Farmingdale says a flyswatter is the most powerful weapon to combat black widows... Contrary to reports published elsewhere, the TOWN BOARD is NOT going to refuse to burn garbage from Levittown and other sections outside the township. "We've got to be neighborly until Hempstead builds its own incinerator," an official explained...

# Expect 10,000 for Labor Day Events

**HICKSVILLE**—Ten thousand volunteer firemen and visitors are expected here Labor Day, Sept. 6, for the 21st Annual Firemen's Tournament and Parade sponsored by the Hicksville Fire Dept. Forty-six fire companies of Nassau and Suffolk Counties have already filed entries for the big event and more than half of them are bringing bands of musicians for the morning parade.

Ex-Chief Fred Masters, Sr., is chairman of the tournament com-

mittee which has been busy with plans and preparations for months already. The parade will start at 9:30 a. m. sharp, rain or shine. The contests get under way at 1 o'clock in the afternoon in front of grandstands seating over 5,000 on Bethpage Road.

The firemen will hold their annual Labor Day weekend block party and dance on Saturday night, Sept. 3. Scene of the dance this year will be the Municipal Parking Field, directly across the street from fire headquarters on E. Marie St. Larry Huttie is chairman.

Besides the championship point trophy for the day, there will be five place trophies awarded in each of the six contests of the day reports Vincent W. Braun, committee secretary. Parade prizes will include handsome trophies for the unit with the most men in

line, for best appearing company of over 50 men, for best appearing company of under 50 men, for the best appearing ladies auxiliary unit.

## Civics Seek Town Decision on P. W.

**HICKSVILLE**—The Executive Committee of the Civic and Community Association has written Oyster Bay Town Board requesting a report on the Board's study into the alleged violations of the zoning ordinance by Press Wireless on Cantiague Road, President A. Roman disclosed. The Civics asked the town to investigate charges of operations contrary to the zoning law in May. More than three months have now passed without further information, Roman said, and a report of some kind is now being solicited in time for the September committee meeting.

Residents of Cantiague Road have charged that certain permits were granted as a war emergency, that the emergency has passed but the structures and operations—including manufacturing—are allowed to remain.

## Map School Site For Memorial

**BETHPAGE**—Surveying of the plot of land designated by the School Board for the Legion Memorial is expected to be completed this week by H. G. Holzmaacher, engineer. ### CUB REPORTER DISCOVERS:

## Plenty of Local People Making Plans For Winter Days While They Prespire

Dear Boss:  
The thermometer may be blowing its top, but there are plenty of local folks busy making plans and preparations — right now, in the Mid-Island section — for snow, winter and Christmas.

The merchants are busy with their plans for Christmas decorations, the Lions Club agreed this week to hold a Christmas party, and the Civic Association gave Ben Smith the job again of arranging for a community Xmas tree.

The Civics did a swell job last year with their community tree—and even spent over \$100 of their funds for the project, including the tree, moving same, electrical connections and "juice."

The BMA is getting information about (sh!—don't tell the state about this) stringing lights across Broadway, Hicksville.

And that's not all. A couple of weeks ago, already, Cliff Freitag and Jack Ehmman were down in the Big City to confer with one

of Santa's summer agents about Lionel trains. The Firestone boys have already had some inquiries from parents—during these blistering days—about toys for next year-know-when.

Ed Stern of Edward's Men's Shop is planning his Christmas window display and many of the other retailers in Hicksville are making their plans, ordering stock, etc.

And I guess you noticed that two weeks ago Charles Beatty and Son had an advertisement in the Herald for Christmas cards.

Jack Brandt, when he was on your radio program over WKBS a couple of weeks back was busy talking about snow plows and the difficulties he expects in short, dead-ended development streets not so many months from now.

So you think it's hot? It's just a matter of mind over matter.

Why, one of the top favorite recordings, I hear, down Spiro's record department, is "Baby, It's Cold Outside"—so there.

Yours truly,

district interested in the school bus question. She attended the regular School Board meeting in July with her son and neighbors—to make the initial request for such service.

Dozens of residents, many of them new home owners and some of them longer-period residents, have responded by letter and telephone, Mrs. Lauer said Monday.

### "Quite a Walk"

A mother in Roger Homes, off John St., wrote: "I registered my five-year-old son for kindergarten starting in September, but I do not see how I will ever get him there and home again, as it is quite a walk. I have another 1½ year old. There are other families in this development that are in need of bus service now, also."

Women who have met with Mrs. Lauer at her home have expressed their concern for the safety of their small children in the winter

# Sister Of Local Man On Atlantic Crash Plane

World-famous aviatrix Ruth Nichols of Eya, N. Y., sister of William B. Nichols of 17 McKinley Ave., Hicksville, was among the survivors of the non-scheduled U. S. airliner that crash-landed in the ocean off the west coast of Ireland Monday.

Her mother, who is spending the summer in Greenwich, Conn., has received word from her daughter that she is safe and would return to the States as soon as possible.

Miss Nichols was present at the opening of the Hicksville Airport. She and Amelia Earhart organized the 99 Club, an organization of women pilots.

Charles Adams of Syosset Downs was the pilot of a Trans-World airliner who heard the distress calls of the faltering plane and flew to its aid. Adams has flown for TWA for the past nine years. He was expected home in Jericho yesterday.

## WKBS To Salute VFW Golden Jubilee

OYSTER BAY—Leading Hollywood stars, including Bing and Bob Crosby, Dinah Shore, Dennis Day, and Jimmy Wallington, are featured on a 30-minute transcribed radio salute to the Golden Jubilee anniversary of the Veteran and of Foreign Wars to be heard over Station WKBS at 6 p. m. this Sunday, August 21.

This full half-hour of music, drama and comedy will also feature Bob Crosby's nine-year-old daughter, Cathy; a Golden Jubilee message from Lyall T. Beggs, Madison, Wis., V. F. W. Commander-in-Chief, and the bands of John Scott Trotter, Frank DeVol and D'Artega.

Station WKBS is presenting this public service feature as a salute to the 50th anniversary of the founding of the VFW. During the week of August 21 to 26, the organization will hold its 50th annual National Convention in Miami, Fla.

months with snow and ice on the highway. Many of them have younger children, and thus are unable to escort the older ones to school.

Several have complained that they don't have complete sidewalks from their homes to the distant schools, either Nicholai or East St., increasing the danger and hazard. Most of those requesting bus service live a mile and more from the nearest school, which means a two-mile trip along highways carrying the heaviest traffic in the history of the community, Mrs. Lauer added.

**Lions Arrange Ladies Night for Sept. 28**

HICKSVILLE — The Lions Club will hold another Ladies' Night on Wednesday, Sept. 28, according to President Roland Heberer. J. Gordon Ulmer is chairman of arrangements for the affair to be held at Pete Corte's Restaurant, So. Broadway.

Plans for the event for members and guests were made at the Lions meeting last Wednesday at the Rainbow Restaurant. During the meeting Raymond Bonazzi was elected secretary of the club to fill a vacancy.

The Club decided to write the Town Board for permission to place waste-paper receptacles at

the corner of Broadway and Marie St. The Lions will provide the containers.

President Heberer has made the following committee appointments for the year: program, Bonazzi; attendance, publicity and Bulletin editor, Fred J. Noeth; finance, Frederick Walters; greeter, Fred C. Birk; safety, John Petrone; health and welfare, Dr. William Sausmer; United Nations, Lester Smith; community betterment, Patrick Buffalino; constitution and by-laws, Clifford Freitag; civic improvement, Henry Warryck; convention, Myron Sausmer; Lions information, Vincent Braun; agricultural, William Stahley; boys and girls, Louis Millevoite; citizenship and patriotism, Dr. Iveto Cappello; sight conservation, Dr. Harry Lambert; education, Lawrence McCaffrey; and membership, Stanford X. Weiss.

**GARD PARTY FRIDAY**

A card party by the Bethpage VFW Auxiliary will be held this Friday night, August 19, at the clubhouse on Noble Lane, Bethpage. Miss Charlotte Damm is chairman of the affair.

An afternoon card party will be held by the Ladies' Auxiliary to the Plainview Fire Department on Wednesday, August 24, at 1:30 p. m. in the firehouse. Proceeds will be used for new uniforms.

Mr. and Mrs. Fred Sutter, Jr. of 16 Duffy Avenue, Hicksville, have returned from a 10-day vacation in Vermont.

## Local Girl Scouts Leave For Camp In Suffolk County

Several Hicksville Girl Scouts are now vacationing at the Girl Scout Camp-Edey in Suffolk which endeavors to teach girls from 7 to 17 years to live with others and live in the out-of-doors.

Four girls who left Monday, August 15, under the sponsorship of the Hicksville Girl Scout Auxiliary were Joan Fox, Bernadette Lamoureux, Sandra Olsen and Barbara Bowne. They were chosen on a merit basis.

The following girls have just concluded a stay at Camp Edey: Mette Simonsen, Milna Simonsen, Vinne Erikson and Judith Ann Fix. The general program for the campers included horseback riding, ocean swims, overnight trips, cook-outs, campcraft, boating and Edey specials—photography, arts and crafts, dramatics archery and care of boats. Other special features were dog obedience, trials, picture slides of Long Island and camp, an evening cruise and drama entertainment by the Bellport Summer Theatre. Gwendolyn McCue and Marion Arthofer also left for Camp Edey on Monday.

SERMON: From the King James ver-  
sion of the Bible: (Psalms 137-38):  
"Blessed is the man that walketh not  
in the counsel of the ungodly, nor stan-  
deth in the way of sinners, nor sitteth in  
the seat of the scornful. But his delight  
is in the law of the Lord; and in his  
law doth he meditate day and night."

## Jericho Playground Concludes Saturday

**JERICHO**—The final day of the  
summer playground for this  
season will be held this Saturday,  
Aug. 19, according to Kenneth A.  
Lank, principal. It is planned to  
serve ice cold water machine to the  
children before the 2:30 p.m. closing  
time.  
Daily attendance has been aver-  
aging 56 children. The playground  
directors have been conducting  
games and handicrafts of the less  
strenuous types during the cur-  
rent heat.

## Bethpage School Tax Increases Slightly

**BETHPAGE** — Taxpayers of  
this school district will still enjoy  
one of the lowest rates in this  
area next year despite the loss of  
about \$3,000,000 in district valua-  
tion due to the exemption of some  
Grumman property. The Board of  
Education this week fixed the rate  
at \$1.06 for the coming year com-  
pared with a 74-cent rate per \$100  
for the current year.  
This rate of \$10.60 per \$1000 is  
less than Hicksville (\$17.70) and  
Plainville (\$20.50).  
It had been freely predicted in  
some quarters that the Bethpage  
rate would sky-rocket with Grumman  
off the tax rolls. However, the  
addition of values with many  
new homes in the district helped  
offset the loss of government-owned  
and thus exempt property.

**Knights Arrange  
Affair for Nov. 10**  
**HICKSVILLE** — An organiza-  
tion meeting for the testimonial  
dinner committee of Joseph Barry  
Council, Knights of Columbus, was  
held last week at the K. of C.  
Clubhouse on East John Street.  
William West is general chairman  
of the affair to be held on Novem-  
ber 10 at the Wheatley Hills Tavern,  
Westbury.  
This year's testimonial will be  
given in honor of Stephen F.  
Smatlak, immediate past grand  
knight of the Council.

**Hofstra Offering  
Evening College**  
**HEMPSTEAD** — A full evening  
college liberal arts and science  
program leading to an academic  
degree will be initiated when  
Hofstra College opens its fall  
registration September 12, 13 and  
14.  
College administrators predicted  
an enrollment of approximately  
1,000 to supplement the expected  
day college enrollment of 1,750,  
with veterans and teachers taking  
part in large numbers in the eve-  
ning college program. Business-  
men, it is believed, will also be  
represented to a greater degree  
than in the 1948 session, the re-  
sult of an increased effort by the  
college to present courses espe-  
cially valuable to the business com-  
munity.  
Some 200 courses will be of-  
fered under the expanded program  
with more than 60 new to the  
evening school curriculum.

## Part of Jericho Is Across Town Line

**JERICHO** — The total assess-  
ment of the Jericho School Dis-  
trict is \$14,871,270, it was pointed  
out this week. The table of assess-  
ments published by the Herald  
last week gave only the assess-  
ment for part of the District lay-  
ing in the Town of Oyster Bay  
(\$13,184,155). To this must be  
added \$1,687,115 representing a  
part of the Jericho District in the  
Town of North Hempstead. None  
of the other school districts in the  
mid-island section cross township  
boundaries such as Jericho.  
The new tax rate of \$6.26 for  
Jericho schools as published by  
the Herald last week was correct,  
based upon the valuation of the  
joint area.

## Beach Bus To Run Until Sept. 2

BAYVILLE—The three times weekly bus from Hicksville to Bayville Beach and return will continue operating until Sept. 2, the Friday before Labor Day, Hendrickson Bus Co. announced this week. Answering complaints received by the Herald that the bus has failed to stop for passengers on some days or left its stop at the Hicksville Courthouse before 8:30 a. m., a spokesman for the Bus Co. explained that during the past two weeks service for groups of less than five persons has been impractical.

Republic on Vacation  
 During the past two weeks the

Republic Aviation plant at Farmingdale has been on vacation, Hendrickson bus brings shore Republic workers to Farmingdale in the morning and on its normal return empty trip stops at Hicksville Courthouse on Mondays, Wednesdays and Fridays. Arrangements for this service were made by the Herald at the start of the summer, utilizing a normally empty run.

In the afternoon, the bus pauses at the beach at 3:30 p. m. sharp and returns with bathers to Hicksville, then proceeds to Farmingdale and makes a return north shore trip with Republic workers.

However, during the plant shutdown vacation, the bus operator has made special runs to Hicksville for local beach patrons. On one occasion only seven passengers were taken and instead of sending a bus back in the afternoon for this small group, the operator dispatched a seven-passenger auto.

Talking about the incident, the spokesman for Hendrickson said the group refused to ride in the limousine when it stopped for them until the bathers had verified identification of the driver, etc. "They are a smart bunch of kids," he remarked and complimented them for refusing to be picked up by a different vehicle until they were satisfied it was all proper.

The Hendrickson manager stressed, however, that the bus will wait for no one in the mornings. Departure time from Hicksville Courthouse is 8:30 a. m. sharp and the return run leaves Bayville at 3:30 sharp.

He also commented that bus travel to beaches on other Hendrickson lines has dropped from hundreds daily to dozens and attributes this loss of passengers to the current concern about polio.

The Herald phone number is Hicksville 3-1490.

Special items may be phone in, call Hicksville 3-1490.

## Vets Plugging Sales Of Chances on Car

HICKSVILLE — A regular meeting of the William M. Gous, Jr. VFW Post of Hicksville was held Monday night, August 8, at the Masonic Temple. Lester Iehle, senior vice-commander, presided in place of vacationing commander, Al Hanlon.

Shares in the award of a new car to be awarded at the Labor Day Firemen's tournament here may be obtained from members of the post. The car is frequently displayed at the corner of Broadway and Marie St. by the committee.

Members of the post have been visiting Asa Pierce, Spanish war veteran, who is recuperating at Meadowbrook Hospital from injuries due to a fall.

## Election Board Splits District in Syosset

MINEBOLA — One new election district will be created in Oyster Bay Township (4th Assembly District) in time for registration this year. The County Board of Elections announces that District 37 will be created from the 17th in Syosset, making the township total 45 districts.

Five new districts will be created in Island Trees, all in Hempstead Township. A new 118 will be created out of former 118th, a new 119 out of old 117th and a new 120, 121 and 122 out of the 3rd. There will also be minor revisions of boundaries for 116 and 117, Island Trees.

## Seek Greenhouse, Dog Kennel Variances

OYSTER BAY—An addition to a greenhouse on Newbridge Road, Hicksville, and permission to raise and sell dogs in Bethpage are among the requests for variances to be sought at a meeting of the Zoning Board of Appeals tomorrow (Thursday) night in the Justice's Courtroom here at 7:30.

Frank Wetterau of Newbridge Road, Hicksville, plans to erect an addition to the present commercial greenhouse located on the east side of Newbridge Rd., about a half-mile south of Old Country Road.

Cecilia Dorman of 126 Herman Ave., Bethpage, plans to raise and sell dogs at the northeast corner of Sophia St. and Herman Ave., Bethpage.

### Policeman Transferred

SYOSSET — Patrolman James R. Ketcham has been transferred from the Second Police Precinct here to the office of District Inspector, on order of Police Commissioner John M. Beckmann.

Mrs. G. E. Rosegren of 35 Meyer Avenue, Hicksville, visited her daughter, Mrs. Kuklin, and children, at Poughkeepsie, last week. Mr. Rosegren is president of Trans-Marine, Tours of 500 Fifth Avenue, New York City.

"Cry, the Beloved Country," a story of comfort in desolation, is a novel of life in South Africa. A humble Zulu minister from the country goes to Johannesburg to find his sick sister. There he discovers that his brother has left the church, his sister has become a prostitute, and his son is a murderer. The good pastor's personal suffering epitomizes the sufferings of his race. A novel of love, not hate, of hope and courage springing from the dauntless courage of man.

"Anatomy of Paradise," Hawaii and the Islands of the South Seas, is for anyone who has ever had his imagination or his curiosity stirred by that vast area of water, islands and legend. The author, one of America's best-known writers, has spent years in preparing this book, traveling over countless thousands of miles of ocean. The result comes as close as one book can to telling the entire story of the white man in the South Seas.

And, speaking of "Cry, the Beloved Country," you may be interested to know that Maxwell

Anderson has dramatized the book. The title of the play is "Lost in the Stars." The book will be published in October, the publication date to coincide with the play's opening.

**Field Day Concludes Special Events At Popular Summer Playgrounds Here**

**HICKSVILLE** — A Field Day this Friday, August 19, will conclude the special events series at the Summer Playground at East Street School sponsored by the Board of Education. There will be track events for all age groups.

A Pet and Bicycle Show was held last Friday when the youngsters displayed their pets and vehicles. From the expressions on the faces of the children, everyone thought he had a winner and none were disappointed — because everyone received a prize for displaying a pet. Pets included dogs, cats, dolls, goldfish, pigeons and a turtle.

The winners were:  
 Dog show won by Kevin O'Neill; other winners were Joseph Reinhardt, Carol Huckstein, Alfred Rife, William Reinhardt and Thomas Corino.

Doll show was won by Barbara Ann Kellman; other winners were Evelyn Tunka, Kathy Millevolte, Ginger Rossi, Dorine Kunz, Ann Giannelli.

Tricycle show won by Paul Judd; other winners were Robert Foster and Richard Bower.

Cat show was won by Joan Rife with Mary Meyer and Chester Nichols runner-ups.

Pigeons was won by William Hogan.

Bicycle award was won by Vic Triolo and Richard Lambertson.

Fish pet was won by Mary Ann Rossi.

The following mothers did a grand job of judging the show: Elaine Hanegger, Vivian Acker, president of East Street P. T. A.; Roberta Marino, Marjorie Giannelli and Isabelle Blyman.

**Outboard Races Set for Sunday**

**SAG HARBOR**—Full of vinegar and stump water, some 35 racing outboard motor boats capable of making more than 50 miles an hour, along with the "soap box" entries built and raced by teen-agers, will open throats Sunday afternoon, August 21, in the first annual Sag Harbor Regatta. The event will be one of the high points in the Eastern Long Island racing season.

The regatta will be held in the harbor here. Spectators will have an unobstructed view of the events from three vantage points — the highway bridge, the Long Wharf where the famous Sag Harbor whalers tied up so many years ago, and the beach on the North Haven shore. The thousands who are expected to attend will all have what will amount to grandstand seats. No admission will be charged. Programs will be free.

**Bethpage Taxes**  
 (continued from page 1)

"Fire and water taxes are a comparatively small item on the annual tax bill," one official pointed out. He noted that the school rate for next year is slightly higher but still well below adjoining districts despite the loss of \$3,217,160 in district valuation. However, when the school district starts construction of its new school the annual school bond payments may raise that rate somewhat higher starting in 1950-51.

Henry E. Strauber, secretary of the Fire Commissioners, told the Herald that "a good number of our new home owners are becoming unduly alarmed by the announcement of a cut in district valuation. This is unfortunate since the fire tax will not be doubled; far from it."

The Fire Board held a special meeting Monday night to open bids on prices offered for the old fire headquarters on Stewart Avenue. No decision was made on the bids submitted pending further study. The offering which the commissioners feel "best serves the interests of the taxpayers" will be submitted to public vote at the annual fire budget election on September 6.

Besides the district budget for the year, and the fire house sale question, taxpayers will also vote on a proposal that the fire district provide street signs for the community.

By HOWARD FINNEGAN

Now that Tony Puccio has severed his connections with the Hicksville A. A., steps towards promoting Sunday afternoon baseball in these parts will be taken few and far between—if ever.

Tony was an ardent supporter of the A. A. and as manager and organizer personally went farther both financially and physically to make it a success than anyone had a right to expect of him.

That he, in the face of the high expenses, small attendance and the usual slacking of player interest that comes with a losing team, reluctantly withdrew, should stamp out the last opposition to the fact that this once rabid baseball town just doesn't take to that sport anymore.

The reasons for the box office failure of the A. A. are obvious. And a glance at the club batting averages show why it has fared little better artistically.

In the first 12 games the members of the team, which has a 5 won and 10 lost record, had the following batting averages: Jack Martin .152, Charlie Lieb .129, Tony Colletta .239, Sid Rigby .111, George Lubeck .059, George Kunz .160, Jim Sarle .210, Ed Myron .291, Mike Greggo .186, Ed Coleman .111, Frank Tate .176, George Lehmann .266, Dick Matschat .294 and Tom Turner .117.

There is a possibility that Hicksville Field Club will meet the Glen Cove A. A. in an exhibition football game the second week in September.

Since the pro gridiron clubs—New York Giants, Brooklyn-Yankees, Philly Eagles, etc.—have banned television this season, TV producers have been scurrying around trying to find some replacement for the industry's lifeline.

Sports mean to television what Jolson's "Jazz Singer" meant to the talkies, and the producers want to retain the attraction.

One plan is to telecast outstanding semi-pro games around the Metropolitan area. And those games will be between leading clubs in each county.

The plan may get a test September 11th and if it does Glen Cove would like to play Hicksville, since if it proves successful the Covers stand a good chance of having all their Wednesday night games telecast.

Fans got quite a chuckle out of the program Sunday night at Floral Park, which listed the numerous feats of the Grumman Yankees.

Last year, for instance, the club won 63 games and lost 7, and immediately following the listing of the record was a paragraph attributing the deeds to "TEAMWORK."

## Sportsman's Guest Goes to Camp

CAMP WILLOWEMOC—Richard Botto, high school sophomore and son of Mr. and Mrs. Irwin Botto of 229 Broadway, Hicksville, is at the New York State Conservation Camp here as the guest of the Hicksville Sportsman's Club, Inc. He will remain here until next Sunday.

Botto was chosen on the basis of a letter in a contest conducted by the Sportsmen in cooperation with the Mid-Island Herald during the Spring. He left Hicksville last Friday on the 6:11 train for DeBruce, New York, and plans to keep a diary of his experience. He was up at 4 o'clock in the morning on departure day and his dad saw him off at the depot. He was loaded down with suitcases, guns, rods and other equipment.

## Ruggiero Blanks Botto; Playoff on Friday Night

HICKSVILLE—Steve Ruggiero outfoxed the red hot bats of Botto Bros., Monday night, as the Grinders evened their playoff series with a 1-0 victory in the Mid-Island Herald Softball League. The third and final game will be played this Friday night to decide the finalist for the championship playoff.

**Flier Is Interviewed**  
HICKSVILLE — Lt. Comdr. Raymond A. Shepanek of 98 Orchard Road, just returned from a long-range Naval flight mission to

Florida and Porto Rico, was interviewed last week on Radio Station WHEI, Hempstead, about his experience. He commanded a group of four F5Y's on the trip.

# Joe Smith No-Hits Loyolas

FLORAL PARK — The ruling House of Loyola crumbled in the dust of Municipal Field here, Sunday night, as Botto Brothers undid their props with a nine hit assault on ace pitcher Bill Bordiuk and Joe Smith completed the demolition job with a no-run, no-hit stint on the mound.

The score was 5-0. Smith firmly established the right of his club to be rated in the front ranks with teams from the Mid-Island community and Nassau as he sent 12 Loyolas down swinging while allowing just four walks. Not a man reached second base and there was nothing off the losers' bats that came within a mile of even looking like a hit.

Occasion for the meeting was the opening round of the Metropolitan ASA championships in

which the Loyolas are defending titleholders. The Blue stunned 700 fans with an indifferent style of play which was completely outclassed by the hustling Bottos.

In the very first frame Stan Smith hammered over two runs and scored himself as the Loyolas committed two errors and twice were guilty of not staying with the continuity of play. Smith's triple was the second of nine hits off Bordiuk who was far from his usual standard of excellence. George Karman batted in Joe Laskowski in the fourth. In the fifth Laskowski got his third hit to score the fifth and final run.

In all, Bordiuk walked one and struck out four.

**Two Fine Plays**  
Joe Smith didn't need that one exceptional play which usually

saves a no-hitter, although catcher Ralph Ferrara made a fine grab of a foul pop back against the screen.

The real fielding gem of the game, or the year for that matter, came when the winners had two men on and two out in the third. Ted Smith looped a short fly to medium rightfield. Centerfielder Pete Zeher came fast from deep center, caught the ball at top speed and then collided with rightfielder Joe Oliveri. He hit the ground hard but rolled over and came up with the ball.

The second round of ASA play pits Bottos against Grumman this Sunday night at Floral Park in the feature game while the Loyolas attempt to stay alive against the Astoria Willows. The outcome is a two-defeat and out-affair.

# Stars, Bottos Take 1-Game Leads; Softball Playoffs Continue Nightly

HICKSVILLE—Held to a 4-4 seven inning draw in the opening game, Breen's All Stars came back to crush the Lions 13-5 and Botto Bros. easily routed the Grinders 12-0 to go one game up in their respective semi-final playoff series in the Mid-Island Herald Softball League before rain forced a four day cooling period.

The playoffs are scheduled to continue nightly—Monday through Friday—at the high school field, until the finalists are determined. A day of rest will be allowed following the last semi-final game and then the two winners will swing into a best two out of three series for the championship.

**Lions Show Strength**  
The All Stars found that winning the regular season championship didn't come without cost. As the pennant winners they drew the fourth place Lions in the playoffs and quickly learned that they were in a bitter fight for survival.

In the first game they just did muster enough strength to gain the tie. Tommy Hall allowed a single and walked two Lions to lead the bases in the first frame and pitcher Bill Bordiuk sailed into the third pitch sending a home run over the centerfield stands for a 4-0 lead.

The Stars had difficulty reaching Bordiuk with the exception of Jerry Kiesel, whose two sharp singles led to two runs. An error by second baseman John Econopouly produced another and Marty Krug caught a one and two pitch to drive in the tying run in the last of the sixth. Both sides went out in order in the seventh and darkness closed in.

Bordiuk's services were not at the disposal of the Lions for the second clash and the Stars quickly jumped on Bobby Bean for five runs in the first two innings, homers by Ed Coleman and Ray Halleran being the telling blows.

Three runs in the third closed the gap, but Ernie Naso smacked a grand slam home run in the fourth to put the game beyond reach. In the fifth the Lions were generating a rally only to have Eddie Miller cut down at home plate after shortstop Halleran had interfered with his progress coming down from second.

The three umpires called the interference but ruled that Miller had headed for home at his own risk and allowed the out. The Lions protested and a vigorous argument ensued on all sides for ten minutes, but the ruling stood. The Lions announced their intention to protest the contest, but later withdrew it in view of the wide margin in the score.

**Bottos Win Sound**  
Botto Bros. hit hard behind Stan Smith and won a sound 12-0 victory over the spiritless Grinders. Art Ulmer was shelled from the mound and Steve Ruggiero took over, but the game was completely lost. Homers by Joe Smith and Joe Laskowski got Bottos off winging and they were never wax checked.

## Warriors Win Playground Ball League; Pete Zeher Leads Sluggers With .769

HICKSVILLE—The curtain was brought down on the summer playground baseball league, sponsored by the Board of Education, with the Warriors winning the league in impressive fashion. By winning the league, the Warriors enter the play-off finals while the PBC and the Yanks fight it out in a one game affair to meet the leader. The championship will be determined in a two out of three series.

Pete Zeher, Yanks' slugger, lead the league in hitting with an unbeatable batting average of .769. Ed Milacek and Roy Schaff followed Zeher with .417 and .412 respectively.

**Top leading hitters:**

## Plainview Wins Junior League

By DIANE UFFMANN  
Plainview took first place in the Junior Mid-Island League by defeating the Hicksville Rockets 12-8, Wednesday. The Rockets were ahead in the 6th inning 8-7, until Plainview got a five-run rally. Manaskie pitched for the Rockets with Lent coming in for relief. Hartmann went all the way for Plainview.

Farmingdale defeated Massapequa 9-6 on Wednesday which means the Rockets will face Farmingdale tonight (Wednesday) for second place.

**In Our Opinion:**

**Home Owners Due for Surprise**

A GREAT MANY purchasers of new homes in the Hicksville-Bethpage area are going to get a "surprise" if and when they attempt to erect a garage for the family auto on their property. Not only will they have a surprise but they must undergo a certain amount of red tape before they are ready to start getting estimates from contractors.

Ernest F. Francke of Hicksville, member of the Oyster Bay Board of Zoning Appeals, was guest on the Herald (Wednesday at 6 p. m.) radio program on Station WKBS (Oyster Bay, 1520kc) this week. Discussing the functions of the Zoning Appeal Board which meets the 1st and 3rd Thursday evenings at 7:30 sharp in Oyster Bay Town Hall, Mr. Francke explained some of the matters which come before the board.

Among the commonest requests, he admitted, are for the variances of zoning to permit the erection of garages—requests for permission to use less side or rear yard than the ordinance allows.

This is taken from the script:

Q: "I believe you mentioned the other day that many of these new home owners in and around the Hicksville area and other sections where large scale developments are underway are confronted with a common problem."

FRANCKE: "Yes, many of these new home owners are not aware of the zoning and property use restrictions when they buy and must discover for themselves that they don't always have enough property to put up a garage."

Q: "Which of course means that everyone in that position must make application for a variance?"

FRANCKE: "I am afraid that is correct." To obtain a variance, application is made to the town building inspector at his office in Oyster Bay Town Hall. At the time a permit to build is filed (which must give property specifications) the

**HERALD CIVIC PRIMER:**

**Refuse Removed In One of 2 Ways**

Fear in a series of articles on local government.—Editor.

Refuse removal, where it is provided as a municipal service in the mid-Island area, is governed by another form of special taxing district. Hicksville and Bethpage have garbage removal districts, while Plainview, Island Trees, the Levitt development and other areas are serviced by private contractors who pay the collectors directly.

Unlike the other special districts—school, fire and water—mentioned in previous articles, the garbage districts have no locally elected commissioners. The Oyster Bay Town Board serves as the commissioners in each district (Supervisor and four councilmen). The Town Board makes up the annual district budget (which is not submitted to a local vote such as fire and school budgets), advertises for bids on refuse removal and awards contracts.

**Must Enlarge Districts**

Boundaries of garbage districts are clearly set down for the purpose of levying the tax for the

service. In Hicksville and Bethpage, where new home developments are occupying former farms and meadows, extension of the districts is becoming necessary to embrace the new homes.

All refuse collected from local homes is carted to the town incinerator at Locust Grove and burned. Dumping of refuse anywhere in the township has been prohibited since the construction of the incinerator. Private collectors must pay the township a fee per ton for having refuse incinerated. Garbage from Hicksville is also weighed in at the incin-

erator and a charge per ton is levied against the Hicksville garbage district. The same holds true in Bethpage and other villages with special districts.

The tax rate for garbage service in Hicksville and Bethpage this year is exactly the same—\$3.60 per \$1000 of assessment. Thus the owner of a \$4000 house pays \$14 a year for this service. Fees paid private collectors are usually between \$1 and \$1.50 per month per house.

\*Syosset is the exception in the township and does elect three commissioners.

**Broadway Bus**

(continued from page 1)

to get such service for over two years. He believes the bus would be patronized by his working force as well as Grumman workers.

The establishment of a bus route on Broadway has been a project of the Hicksville BMA for the past couple of years. George Rappaport is chairman of the BMA bus committee which has, in the past, attempted to interest several bus line operators in the route, according to BMA President Charles Schwartz.

Several residents of the Frank Homes have inquired about service on Broadway since moving into their new homes. Residents of the Broadway Terrace development near the intersection of South Broadway and New South Road, are also supporting the request. Commuters from that section now walk or hitch-hike a mile and a quarter to the railroad station each morning.

It is estimated more than 2000 new homes would be served by the proposed route, Schwartz stated last night.

**Our Readers' Opinion**

ABOUT CHEMICAL PLANT

To the Editor:  
I read your article last week about Mr. Chlumsky planning to recommend the zone change for the Gordon-Lacey Chemical Company which will permit them to build a chemical making factory on New South Road.

Mr. Chlumsky said that he went to look at the present location of the Gordon-Lacey Company in Maspeth and that he did not detect any odors in the neighborhood of the plant. Is Mr. Chlumsky sure he went to the right address? 'Cause even if he possibly did not detect any odors from the plant itself, how could he possibly miss the odors from the awful dump that surrounds the factory?

It certainly is true that we need more light industries in Hicksville, but this chemical concern is not what I'd call light manufacturing and chemical fires will be hard for our fire department to handle.

owner will discover if he has space enough or not. A public hearing date is set for the variance and is usually expected that the applicant will appear and speak in behalf of his application.

The rear or side yard restrictions in the zoning ordinance of the town specify the number of feet which must be maintained between a building and the property line. When a garage is planned, it is sometimes found that erection of the structure would place it closer to a neighbor's line than the ordinance permits. In such instance a variance must be obtained.

Mr. Francke in his remarks also made it clear that each case must be considered on its individual merits, that each must have a public hearing; i.e., no blanket policy can be set down to cover all properties in a certain locality.

It must be admitted that some new home purchasers are more cautious than others and some do ask questions about local property zoning before they sign up. The Herald has received several letters from prospective purchasers inquiring about tax rates, bus service, etc.

**Mail Service For Bethpage**

Congratulations are in order this week for Bethpage, which now has home mail delivery service. For Raymond McGunnigle this must be a proud achievement. While he was publisher of the now defunct Bethpage Newgram he campaigned vigorously for home mail service which is now an accomplished fact.

Thanks and appreciation is also due to A. A. Lung and the Central Park Water District of Bethpage which undertook the task of assigning house numbers. The biggest disappointment to those who have worked so hard on this project is the poor cooperation given by some residents through their failure to put up house numbers and mail boxes. Those who fail to meet these regulations will find their mail in general delivery at the post office.
