HICKSVILLE—The Teen Players will be in the audience, Saturday, watching Paul Muni starring in "Inherit the Wind," in New York City.

Mrs. May Maljean, president of the teen age dramatic group, will escort them. The trip and the performances by the club itself have been financed by local people through their attendance of performances of the Encore Theatre Group, Mrs. Maljean has said.

The teenagers have been performing for local organizations for two years, according to the group's sponsors. The last play they staged was "Opening Night," for the Wedding Ring Club and Beta Sigma Phi. Anybody who would like to join the club may call the Maljeans at WE 1-5515.

Jean Maljean, who directed "Opening Night," has requested local residents to donate stage furnishings to the Teen Players. "I would like to ask everyone to look around in the attic for pieces of forgotten items like lamps, furniture, clothing, bric-a-brac, etc., for use as props in our teeners' plays," he said.

## Old Bethpage Asks State To Act On Centralization

By EILEEN WOLF

The Old Bethpage School Board, which is seeking high level help from the State Dept. of Education to solve its consolidation problem, is still awaiting a reply from Albany.

A letter from Charles W. Kopf, board president, to State Commissioner J. has asked Allen to meet with the Old Bethpage and Plainview school boards. The problem was being considered strictly on the local level. As of this morning, it has not been received.

The letter was critical of John W. Chisholm, District Superintendent, and the Bethpage School Board. The last of recent meetings of the three boards and the superintendent was held Jan. 27. It ended with no solution to the problem and no proposal for future meetings.

Immediately after the motion by Milton Leavitt to pay the \$29 and approved with Vice President Joseph Cavley voting "no," Jack asked the board to delay its action while he petitioned the Commissioner "within a week." ## Dear Jean:

Mr. and Mrs. EDWARD GLINKA of William St., Hicksville celebrated their 13th wedding anniversary on Tuesday, Feb. 21. Mr. Glinka baby-sat while Mrs. G. sat in on a meeting of cub scout mothers . . . Little SHEILA KENT celebrated her birthday on Saturday evening with all Pack 91 singing to her during the Annual Blue and Gold dinner. Same for PAUL GIAMONACO, who is Den Chief for Den 5 of Pack 91. At the dinner, all den mothers received lovely blue and gold corsages from the committee in appreciation for their work with the cubs . . . "JOY BELLE", one of the Prize Brown Swiss Cows at Fairway Farms, Burns Ave., Hicksville, was featured on the Herb Sheldon Show, Wednesday, Feb. 23 to depict the story of milk, from farmer to consumer.

It is reported that a bank may locate at the corner of Jerusalem Ave. and Newbridge Rd., near Hicksville station, where the Community Reformed Church stood for over 30 years. . . . SAM KELLNER began construction this week on 15 new stores on the south side of Old Country Road opposite the Centre Shops and next to the cemetery. . . . New equipment, including refrigerator, stove and sink, is being installed in the main firehouse on E. Marie St. . . . Don't be surprised if there is a rapid and unexpected solution to the Old Bethpage School District merger proposals, leaning toward a unification with Plainview. . . . FRANK CHLUMSKY will again head the Salvation Army appeal in township during April. . . . GEORGE MARTEN, attorney, is chairman of the Hicksville Red Cross drive which opens today. . . . Marine Pfc. ALBERT J. PETRY, son of Mr. and Mrs. Albert A. Petry of 5 Libby Ave., Hicksville, landed on Iwo Jima on Feb. 17 during assault exercises.

ERNIE DIETERICH is a patient at Mid-Island Hospital, Bethpage. Also JOSEPH HEIM of Twinlawn Ave., Hicksville. Beat wishes for a speedy recovery to both. . . . Ladies Auxiliary to the Hicksville Fire dept. will meet on Tuesday evening at the firehouse, E. Marie St. . . .

Meat prices are down one to six cents a pound, it was reported at the Hicksville School Board meeting last Friday night when meat bids for the month were studied. The school system is due to receive a shipment of sliced ham, frozen hamburger, etc. from the Federal government. . . . The Teachers Assoc. is due to meet with the Advisory Committee on Salaries on Mar. 7. . . . No seats at the Board table were provided for YOCUM and SOININEN at the meeting, Friday night. Their place name cards were missing from the table also. . . . QUOTE OF THE WEEK: "It is a good thing that the referendum has been delayed for six weeks or so because there are some changes (scheduled) in the Federal Aid Law"—DONALD WALLING, asst. superintendent in charge of business matters in school district, speaking at Board meeting, Friday. . . . We hear there are big buys in store this weekend at Hicksville Farms, on Woodbury Road, during their big Dollar Day Sale. . . .

A Bethpage housewife on Spencer Dr. was distressed Saturday to find that she had apparently thrown three cherished rings out with the rubbish. Efforts to comb the truck load at the incinerator were unsuccessful when she discovered her loss on Sunday. . . . Comment in the O. E. MCINTYRE house publication on "why are we having a lay-off at this time?" produces the answer that "several big jobs like the Reader's Digest and Life mailing" are completed and "the general slowness of activity during the spring season, common to direct mail work". . . . OVERHEARD ON THE STREET: It wasn't a bottle of Coke those two ninth grade boys consumed before lunch the other day. It is reported they gave the teacher quite a hard time. . . .

Oyster Bay township, for the third consecutive year, led all areas of the county in the number of family units started and occupied during 1955. . . . GERARD F. DELORME, in a letter to Hicksville School Board, reminded the trustees that at a meeting on July 29 it was voted to have the district clerk supply him with complete data on the expenditures on the Pentagon, the former Bergold house. He said he is still waiting. . . . Letters to the editor can hardly be regarded as such when they take the form of news releases and appear elsewhere before the publication addressed; We are interested in the views of readers but not recycled copy propaganda disguised as "letters". . . . State income tax help will be available at the county motor vehicle bureau Mar. 26 to Apr. 16 from 9 A. M. to 4:45 P. M. . . . ## P-TA Council Honors LeBarron

**JERICHO**—Dr. Erie H. LeBarron, former superintendent of the Hicksville school district for 19 years, was guest of honor last Thursday, Feb. 23, at the Hicksville Council of P-TA's Founder's Day Dinner.

All the schools and units were represented in the 124 people who attended the celebration, held in Milleridge Inn here, from 7:30 until about 10 P.M.

Dr. LeBarron traced the growth of the Hicksville P-TA's as he has known them during the years he was superintendent of schools. When he first came, he said, there was a single P-TA. Then it split into three units, and gradually increased from three to the present total of ten units and one district-wide council, he said.

Last June Dr. LeBarron resigned the superintendency which he had held since 1936. In November, he was appointed by the Commissioner of the State Dept. of Education to work in the Division of Buildings and Maintenance for the Long Island area.

Bernard Braun, president of the Junior High School P-TA, served as master of ceremonies at the dinner.

Mrs. Wendell Gilbert, the director of the Western Long Island District of the National Congress of P-TA, talked about the non-partisan character of P-TA. The units should give public support to issues, rather than to specific School Board candidates, Mrs. Gilbert stated.

Mr. Fitzsimmons, Founder's Day chairman for the Western Long Island District, also spoke to the assembled guests.

Members of the School Board who attended the dinner and their wives were Mr. and Mrs. Emil J. Szendy, Mr. and Mrs. Arthur L. Elrich and Mr. and Mrs. Adolph G. Soininen.

Dr. and Mrs. Wallace E. Lamb, Mr. and Mrs. Stanton H. Miller and Dr. and Mrs. Donald W. Walling, superintendent and assistant superintendents of schools, were also present.

Mrs. Lucia McIntosh, first president of the first P-TA here, sent a letter which was read aloud to the guests. Her health had prevented her from attending the dinner, she said, but she congratulated the Council on the fine work it had done in the past and hoped it would continue.

Mrs. McIntosh was the guest of honor at the first Founder's Day Dinner sponsored by the Hicksville Council, two years ago. Miss Nina Platz, the guest of honor at the second annual dinner, was present. She is principal of the East St. school.

Mrs. Martin Polsenski was chairman of the committee in charge of the dinner. The other members were Mrs. John Churchill, Mrs. Lawrence Foran, president of the Council of P-TA's, Bernard Braun and Leon Galloway.

Founder's Day is observed nationally to honor Mrs. Alice McLellan Birney and Mrs. Phoebe Apperson Hearst.

### Centralization

(Continued from Page 1)  
Proposed consolidation of Old Bethpage with either the Bethpage or Plainview school districts was the subject of the meeting. Old Bethpage now sends its students to the Farmingdale and Bethpage schools. Next year, it faces the prospect of little state aid for its new elementary school program. The chief consideration in deciding whether Bethpage or Plainview shall take in Old Bethpage, is the money which will be forthcoming from the state. Financial inducements are offered by the state for newly consolidated districts, including building and operating aid.

Sharp differences of opinion have been voiced at the recent talks as to whether Bethpage or Plainview would benefit more by merging with Old Bethpage. These differences have produced an Alphonse-Gaston situation which has delayed settlement of the problem, it is said.

Another factor which has been considered is the wishes of the Old Bethpage residents. Some of them feel, it is unofficially reported, that they would benefit by lower taxes if the district were merged with Bethpage.

The guests were Dale Vail, Eliza and Irma Perez, Karen Kaufmann, Christine Spellacy, Cheryl Lufur, Amy Storn, Debby, Christine and Elizabeth Clinton, Nancy and Kathy Wilson, Jerry and Joan McNeil, Patricia's cousins, and Jackie McNeil, her brother.

There was plenty of cake, ice cream and soda, as well as many presents and prizes.

## CURRENT COMMENT: School Affairs Big Business

By Fred J. Noeth

**ARE WE PUBLISHING** too much about the schools and the problems of the school district, school board and its taxpayers?

Some people say we are. Others, like a reader on Fordham Rd., writes "I feel that (the Herald) has done an excellent job in reporting school news and little tid-bits of local information that is important to the local residents" or the reader who comments "I find it necessary now, because of skyrocketing taxes in Hicksville and paying here for 32 years to sell my home and move to a furnished room and look at four walls the rest of my days. It certainly isn't fair to pay over 30 years and have paid up schools, then in your old age to find yourself faced with the bills for seven more schools."

The Superintendent of Schools, Wallace E. Lamb, in his "bulletin to the parents" released this week discusses "informing the public" and says "the success of democracy anywhere depends upon the public being fully informed."

The other day a woman who holds a key position in the school system, is a taxpayer in the community, and a person whom we considered a friend of long duration, wrote and said she didn't think she wished to continue her subscription because she don't like the letters about school affairs in our columns.

Her ostrich-like attitude is difficult to understand. Measured against the Superintendent's comment about "keeping the public informed" it becomes unbelievable in a person in the field of public education.

Many of the letters published by us regarding the school situation are not in harmony with our own views. However, we respect the right for all persons to state their case as they see it. Take Mr. Jack, for example. Many points in his letter in last week's paper could be challenged and disputed. But we feel that if Mr. Szendy, Mr. Cawley, Mr. Leavitt and Mr. Zimmerman can all have their say, leaving it to the reader to draw his own conclusions and opinions, then Mr. Jack is entitled to the same privilege. If the reader disagrees with the views expressed, he too can feel confident that his opinions will warrant space.

As for the seeming emphasize upon the affairs of the school district, it should be remembered that this is the largest single local governmental unit which accounts for more than 50 per cent of all your property taxes.

The School District this year (1955-56) is operating on a budget of four million dollars. Next year it will top five million, the next year six, etc.

The student enrollment, we are told, will eventually top 15,000 boys and girls—right here in the six square miles of Hicksville district. Next term we are due to have 483 teachers and supervisors on the school payroll. Their salaries, conservatively estimated, will account for more than two and a half million dollars next school term.

Let there be no mistake about this. The operation of the system of public education in Hicksville (and in proportion the same applies in Bethpage, Plainview and other mid-Island communities) is BIG BUSINESS.

But not alone is it Big—it's the community's business because it is financed largely by the taxes paid by the homeowner.

The Hicksville School District has attracted headlines (not only in the Herald but in every newspaper in a radius of 25 miles) because many of the occurrences in this system have been startling and newsworthy. The Herald does not manufacture news. It does attempt to diligently cover the news and report the facts to its readers.

For your own best interest—and the best interests of your sons and daughters—keep alert to the happenings in our school system. Blinding ourselves to the harsh realities is hardly a "solution".

## Report To Taxpayers:

By SOL ZIMMERMAN

At the School Board meeting held Friday, Feb. 24, several topics of interest to the taxpayer were discussed. All the members of the School Board have professed a desire to humanize the District's policy regarding maternity absences for probationary teachers. In spite of the unanimity of feeling, the Board failed to achieve this reform.

Every new teacher hired by the District is placed on probation for three years. During this period, the teachers are subject to the dismissal by the Supt. of Schools, at his discretion. At the end of the probationary period, if their work has been satisfactory, the Supt. makes a permanent appointment with full Tenure rights. All teachers on Tenure are granted maternity leaves upon request. The probationary teachers are not granted maternity leaves but are asked to resign. If they are eventually rehired, their probationary period starts anew. No credit is given for previous time spent on probation. All the Board members agree that allowance toward completion of probation should be given for time spent prior to their resignation.

Some Board members feel that these teachers should not be forced to resign. Instead they should be given a maternity leave with a promise of re-employment when they are ready to come back to work. The objection to this policy is that it grants a status of quasi Tenure to probationary teachers. The promise of future employment cannot be given to probationary teachers. Even if they were granted a leave, they could be dismissed one day after they returned to work. It would be a cruel deception to let these people think that their jobs are guaranteed upon their return. It should be noted that Dr. Lamb, the Supt. of Schools, did not recommend the adoption of this policy. A worthwhile improvement in policy would be to guarantee that in the event of rehiring, full allowance toward completion of probation be given for time spent prior to the resignation. Since all Board members are in agreement at this point, the reform should not be long in coming.

For those parents who have been concerned about an adequate education for their children, there is good news. Fresh in our minds are the dire promises, heard from School Authorities during the recent Referendum campaign, of inadequate education unless we provide a classroom for every 25 pupils.

At the Board meeting last Friday, Mr. Miller, Assistant Supt. of Schools, told the Board that staggered elementary school sessions were being planned for the emergency period ahead. He assured everyone that on staggered sessions each pupil is going to receive a full day of instruction. The increase in effective pupil capacity due to staggering, is approximately 25%, according to Mr. Miller. The average number of pupils-per-classroom will be 30.

The School Administration is recommending that a sufficient number of temporary classrooms be built to provide for the average of 30 pupils-per-classroom through the peak year, 1958. The anticipated enrollment in the year will be 8,800 pupils. If all these temporary classrooms are built, Dist. #17 will have to demolish temporary classrooms every year after 1958 until the pupil capacity is reduced to the expected post-emergency figure of 4,800 pupils. It might be wiser and more economical to hire competent, experienced teachers, capable of handling larger size classes, than to build classrooms which would have to be demolished shortly after their construction. Furthermore, more classrooms require more teachers. A large number of teachers, having full Tenure rights, will present a serious problem to this District when the period of declining pupil enrollment sets in.

At the last meeting, the Board officially authorized the employment of 482 teachers and specialists for the coming school year. This represents an increase of about 70 teachers. Since this action has already been taken, there is, apparently, no intention of permitting a study and evaluation of this figure by interested taxpayers and civic groups. At the School Budget Meeting to be held in May, the taxpayers will be asked to authorize the expenditure of a sum of money to pay the salaries of the 482 teachers. The taxpayers will be told that the State Education Law compels them to authorize, without change, this expenditure. In this way the taxpayers are forced to accept, without explanation and justification, the number of teachers proposed by the School Administration. If the taxpayers should refuse to authorize the amount called for in the Budget by rejecting the entire Budget, the Commissioner of Education would then have the right to set the amount sufficient to meet the minimum needs of the District.

Will the taxpayers of District #17 be forced to take this drastic action?

### HERALD READER OPINION:

## Leavitt Recites His Complaints

By MILTON G. LEAVITT  
To the Editor:

I know you have a direct and personal interest in Mr. Goebel's column of Feb. 23, since you headed it "Guest Editorial" and gave it the lead spot on page 1. Since you have such interest, I am sure you feel a direct and personal responsibility for the accuracy of such an editorial both in content and in spirit. I should like to feel that you would not permit inaccuracies, false statements and deliberate omissions merely for their propaganda value.

Item No. 1. In his editorial, Mr. Goebel quoted Dr. Brind's reply to Mr. Crane on the Erlich transportation bill at some length—fully 28 lines. After 12 of these lines, Mr. Goebel notes an omission by the use of a series of dots, like this: "...a standard device indicating an irrelevant and unimportant section of the document. But when an attorney of Mr. Goebel's experience uses this device to omit the most significant part of the document, it casts a serious doubt on Mr. Goebel's opinion of the soundness of his own case. For the omitted words are: "It is clear that the district is not authorized to pay travel expenses for such adverse parties." Is that clear? Mr. Erlich transported adverse parties—Mr. Goebel and Mrs. Stephen—at District expense. No wonder Mr. Goebel omitted those lines. The Brind letter said that the Board could legally pay Mr. Erlich though his actions were illegal. This the Board has reluctantly done.

Item No. 2. In quoting from Dr. Brind's letter on Mr. Erlich's transportation costs, Mr. Goebel's editorial quotes as follows: "...they may determine under the board's rule not to reimburse him on the basis of railroad fare." I hope you do not fire your typographer or Mr. Goebel his secretary when I point out to you that the word "not" is not in Dr. Brind's letter, that the meaning of the section is now so completely garbled that your readers could not possibly understand that Dr. Brind said that the Board could reimburse Mr. Erlich on the

basis of the lesser amount—railroad fare—which the Board was always ready to do.

Item No. 3. Mr. Goebel—"On Friday, Feb. 17, it's majority, reduced to three again voted not to pay Mr. Erlich..." But Mr. Noeth, you and Mr. Goebel were both present, both of you saw and heard me move to pay, then vote with Messrs. Szendy and Erlich to pay. Isn't Mr. Goebel's statement a deliberate distortion?

Item No. 4. Mr. Goebel—"Why do Mrs. Sutton, Mr. Cawley and Mr. Leavitt refuse to pay Mr. Erlich's bill?" See Item No. 3 above. Besides being poor reporting, isn't this a deliberate distortion?

Item #5. In an attempt to draw a parallel between payment of the bills of Mr. Erlich and Mr. Miller, Mr. Goebel writes: "The (State Auditors) report STATED that the payment was an illegal expenditure BECAUSE it was originally unauthorized and unapproved by Dr. LeBaron, then Superintendent." No typographical extenuation for this loose interpretation of what the report stated.

Item #6. etc. Erlich "officially represented the School Board." The President officially represented the Board.

ed. Erlich got his transportation authorized.

Erlich "graciously" refused his guests offer to contribute the expenses of the trip home. How "graciously" could he be? He wasn't paying!

Erlich "properly" refused or "he could have been charged with carrying passengers for hire, and thereby have jeopardized his public liability car insurance." Oh boy—don't ever share car expenses with your friends on a trip, he'll "jeopardize his insurance."

If Mr. Goebel is writing as attorney for Mr. Erlich's defense, he must as a lawyer make out the best case he can for his client. But if Mr. Goebel is writing as a free lance editor, private citizen and distinguished barrister, he demeans himself by his distortions and his omissions. Just as he demeans himself by accepting transportation paid for by the District while he sues the District. (IT IS CLEAR THAT THE DISTRICT IS NOT AUTHORIZED TO PAY TRAVEL EXPENSES FOR SUCH ADVERSE PARTIES.)

## Francke Speaks At Civic Assoc

By MRS. JESSIE PRINZ

BETHPAGE—At the last meeting of the North Bethpage Civic Assoc., which took place last Wednesday, Feb. 15, the members were privileged to have as guest speaker County Clerk Ernest Francke. His address to the membership explained details on all county and town taxes.

Francke also issued an invitation to the members of the Assoc. to visit the County Clerk's office, and he would be happy to take him to see that the delegation would be taken on a tour through the various offices. The membership received this invitation with great enthusiasm, and Neil Tucker was appointed chairman of the committee to make arrangements for setting a date for a group of the

members to visit the County Clerk's office.

Louis Goldberger, chairman of Post Office Liaison Committee announced that thus far no definite word had been received from Washington on the petitions circulated by members of the Assoc. requesting that all residents living within the boundaries of School District 21 be served out of the Bethpage Post Office. He stated that additional petitions were being circulated and would be forwarded to the proper authorities in Washington. He advised that in order to impress the postal authorities with the necessity for this change that each member as well as all residents in the affected area should write a personal letter to our congressman. The Assoc. unanimously endorsed this proposal.

## Mothers Assist CYO Teams

By MRS. JOHN REGAN  
The regular monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was held on Monday evening, Feb. 27, at the school auditorium. Father John Wissler opened the meeting by leading the mothers in the singing of the hymn, "Come Holy Ghost," after which the Daily Prayer for Christian Mothers was said.  
Rev. Wissler stated that the Arch-Confraternity of Christian Mothers located at St. Augustine's Parish in Pittsburgh, Pa. is celebrating its Diamond Jubilee this year. His Holiness, Pope Pius XII has, therefore, bestowed his Apostolic Benediction on 2,200 confraternities affiliated with the Arch-Confraternity, in order that they may be strengthened and bear great courage in the noble work of preparing the children for a lasting spiritual life.  
Members of the auxiliary are reminded that all dues must be paid by April in order to vote in the elections at the May meeting.  
Mrs. Betty Wright, Corr.

Sec. read a letter from Mother Adelaide, thanking all the wonderful people in Hicksville who remembered her during her recent confinement.  
Asst. Dist. Atty. Edward Robinson, Jr. gave a wonderful talk on the so-called delinquent youths of this day. Most people refer to these boys and girls as Juvenile Delinquents, but Mr. Robinson called it Inflation. These young people are tossed from pillar to post with no love at home and sometimes very little attention. As a result, the Teen-agers develop an egotistical attitude toward society. They feel they are above their elders, have no respect for authority and seek any diversion that will ultimately lead them into trouble. He stressed the fact that if there is a good family unit and plenty of love at home, the children will not stray. Remind them of their duties as children with love for their parents, their God and Country; respect for authority and in the future we will have far better citizens.

George McGuire represented the CYO and spoke briefly about it. He remarked that in the past couple of years this organization has grown tremendously. The Club having originated with about 50 boys, now has a capacity of about 200 members. In order to defray the cost of uniforms and equipment, Mr. McGuire is seeking funds to augment the organization and much help is needed. The St. Ignatius Auxiliary has offered to donate a certain amount of money to the CYO, and it is hoped that for the sake of the boys other organizations will soon follow suit.  
Rev. Wissler showed cartoons on the new Projection Machine donated to the St. Ignatius Loyola Parish by the mothers. This was followed by a short period of community singing. Having enjoyed a most interesting meeting, Father Wissler closed with a prayer.

## Square Dance Attracts 277

The father-daughter Square Dance held by the Intermediate and Senior Girl Scouts Tuesday, Feb. 21st, in the Hicksville High School gym was pronounced an outstanding success by the 277 participants.

Gaily printed gingham skirts were worn by the girls and in several instances the fathers wore shirts to match their daughter's skirt. At least one colorful cowboy was seen twirling around the floor, and the question most frequently heard was, "How soon can we do this again?"

Bill Wney provided the calling and music, Mrs. Irving Flackman was Chairman of the entire program, Mrs. Lester Binger, Chairman of the refreshments.

## Easter Nuptial For Miss Duffy

Miss Patricia Dolores Duffy, the daughter of Mr. and Mrs. Thomas K. Duffy, Round Swamp Rd., Old Bethpage, will become the bride of Frederick Ludwig Jr., son of Mr. and Mrs. Frederick Ludwig Sr., of 190 Bway, Bethpage, in Hicksville's Trinity Evangelical Lutheran Church, on W. Nicholas St.

Easter Sunday afternoon has been set for the wedding, at 4:30. About 100 guests will gather for a reception afterward at Wheatley Hills Restaurant in Westbury.

Ludwig, a second lieutenant in the United States Army, is now stationed in Aberdeen, Md., and will be transferred to Germany later in April. Miss Duffy, who teaches third grade in the Farmingdale schools, will follow her husband in June. She plans to continue to teach wherever they are stationed in Germany.

After their Easter Sunday wedding the couple will have about a week for a honeymoon, before Ludwig is due to report at Fort Dix, N. J. Honeymoon plans are uncertain at present.

The bride and groom both graduated from Farmingdale High School and, last June, from Hofstra College. Miss Duffy majored in history and received a B.A. degree. Ludwig majored in business administration.

Ludwig will have a job with Shell Oil Co. when he is discharged from the army. He worked with the company last year in a training program between June and November.

## Auto Firm Manager To Wed In June

Kind has been with White-Griffith Motors here for one month. He graduated from Columbia University Teachers College in 1943 and taught school in Brooklyn's Erasmus Hall High School. Kind is the son of Mr. and Mrs. Robert J. Kind, of Amityville. He originally is from Brooklyn.

Miss Gallagher and Kind have no definite plans now about where they will be living after their wedding. They are looking for a house in this general area.

## Leap Year, Spring Hop For Youths

The dance to be sponsored by the Hicksville Youth Coordinating Council on Mar. 9 will be a "leap year, spring, teen hop," Mrs. Henry Balfour, chairman of the Youth Activities Committee discloses.

"Spring by itself is usually sufficient reason for hopping," Mrs. Balfour said, "but when you realize that 1956 offers the opportunities of a leap year, this dance should be twice as lively as usual." The dance will be one of a series of functions arranged by the Y.Y.C.C.

In order to accommodate the expected crowd, Mrs. Balfour noted, the dance would be held in the girls' gymnasium of the new Hicksville High School. It is scheduled to run from 8 to 11 p.m.

## Student Dance Helps Scholarship

The recent student dance held by the Hicksville High School P-TA was a fine success, according to Mrs. John Fallon, chairman of the Dance Committee.

Over 300 students attended the Girl-Ask-A-Boy Dance, so-called in honor of leap year and Valentine's Day. Many tickets were sold by the Junior Varsity Cheerleaders in school, Mrs. Fallon said.

Mrs. Mildred Hertel and Mrs. Lane were in charge of the cloakroom and that was another area of success according to Mrs. Fallon. The shop had made wooden racks, and some wire hangers were brought to the school. More hangers are still needed, and anyone who has extra wire hangers may bring them directly to the high school janitor's office.

The door prize was won by Edward Mauro, of 109 Haverford Rd. here.

Half of the proceeds from the dance goes to the P-TA Scholarship Fund, and the other half goes toward the senior class trip to Washington, D. C., Mrs. Fallon said.

The P-TA, which annually contributes \$600 to the scholarship fund, is also planning to build up a loan fund for local High School graduates. A graduate who goes to college and then finds himself in need of money with which to continue or finish his education would be able to borrow from such a fund. No interest would be charged, and the student could repay the money when he had found a job afterward.

The parents who served as chaperones at the last dance were Mr. and Mrs. George Belford, Mr. and Mrs. Henry Vost, Mr. and Mrs. Dominic Satalia, E. Irving Jesser, Edward Kist, and Mrs. Fallon.

**ARRANGING SHOW**

## Republican Women Plan Spring Dance

The Central Island Women's Republican Club held its monthly meeting Monday, Feb. 20 at the Oyster Bay Township Republican Headquarters at Hicksville.

A Program Committee was appointed consisting of Mrs. Cecilia Larkin, Mrs. George Marthen and Mrs. Beatrice Jeanson. Mrs. Madeline Bromm was appointed Hostess. Chairman to present guests and make them feel at home at meetings.

Plans were discussed for the organization's first Annual Dance to be held at Henningsen's Restaurant, Hicksville, on May 19. Tickets will be \$2 per person and will include "all you can consume" in the way of refreshments. Mrs. Marthen is Chairman of the affair and Mrs. Jeanson (Wells 1-0402) is in charge of ticket sales. Tickets will be available next week. Music at the affair will be furnished by Paul Drake and his orchestra and a gala time is expected to be had by all.

The March meeting of the group will be devoted to revising the organization's By-Laws and all members are urged to attend.

The following new members were installed at the last meeting: Mrs. Beatrice Jeanson, Mrs. Adeline Katz, Mrs. Rita Kirch, Mrs. Evelyn Niebuhr, Mrs. Susan Schult, Mrs. Cecilia Larkin, Mrs. Madeline Bromm, Mrs. Alma Nielsen, Mrs. Marie Truhan, Mrs. Rose Brecht, Mrs. Mary Kibler and Mrs. Helen Tompkins.

**SET FELLOWSHIP**  
The Police and Firemen Fellowship will be at the First Baptist Church at 57 North Bway., Hicksville this Friday, Mar. 2, at 8 P.M.

Members of the well-known New York City fellowship will give their testimonies and relate their Christian experiences. The group is led by Police Captain Conrad Jensen.

Refreshments and a time of fellowship will follow the meeting.

**HOLD CARD PARTY**  
The card party of the Hicksville Democratic Club held on Tuesday, Feb. 28, was rated a financial and social success by Thomas Maloney, the program chairman.

The party increased the club's funds by about \$100. Maloney said that special praise was due to Mrs. Shirley Moskowitz, financial secretary, for the energy with which she had pushed the sale of tickets. Peggy Maloney and Sally Maloney were in charge of serving refreshments.

## Young Democrats Get Acquainted

HICKSVILLE — At its first regular meeting here on Friday, Feb. 17, the membership of the Oyster Bay Young Democrats planned a dance for early in April. The purpose of the dance is to give young adults of the Fourth Assembly District an opportunity of meeting each other in a pleasant, social atmosphere. The exact date and place of this free "Get Acquainted Dance" will be decided at the next regular meeting.

Other events that are being planned by the Young Democrats are bowling, basketball, picnics and softball. It was recalled at the meeting that last year's softball tournaments brought together more than 200 Young Democrats.

President Joseph Amato said interested residents may obtain further information by calling WALT 1-4154 or WELLS 8-0108.

## TROOP 91 REPORTS:

### Training Held For Junior Leaders

By ELWOOD S. KENT  
For the first time, international-ly, the Boy Scouts launched a Junior Leaders Training Course for Scouts. The Tri-Parkway District was honored and selected as the first district to participate. The program was watched intently by Scout Executives and was considered so successful that annual training programs will be conducted hereafter.

Scoutmaster Bob Hughes conducted the course, four nightly sessions were held together with a full day at Harkness Training Center in Roslyn. The following scouts from Troop 91 participated: Bruno, Gargano, Giamanco, Goodell, Huff, Hudak, Kent, Little, McKee, McCormick, Moran, Miller, Reimels, Shack, Steinman, and Sternlieb. A Junior Leader's Certificate of Training was issued by the BSA together with a neckerchief slide which portrayed George Washington and three scouts with the phrase "Onward For God and My Country" imprinted on it.

Assistant Scoutmaster Hank Steinman and Committeeman Elwood Kent also attended receiving certifications as "Faculty" in the Junior Training Course.

Scoutmaster Mike Fasullo announces the "Spring Camp" session will be held at Camp Wauwepex, Wading River, April 28 and 29. Patrols will have individual cabins working their own meals, should the demand exceed the cabins, tents will be available. Scoutmaster

Fasullo will lead the trek hoping for 100 per cent attendance.

Nassau County Council states the new Livingston Manor Camp is now available for one week periods, a commissary is in existence. Scouts with leaders are welcome. Employer Scouts can attend under the "Forestry Plan" which includes clearing, building, bridge building, etc. More details will be on hand next week. Canoe trips and Pack trips will be part of the camp life.

The Boys Life Exposition will be held May 5. Each troop and pack in the district is expected to land their efforts to its success. Troop and Pack leaders displaying all phases of Scouting are to be part of the exposition. Domicile and other particulars are to be announced.

Scoutmaster Fasullo wishes to thank his Committee for their assistance—may I say—Mike—the pleasure is all ours.

### Enter Playoffs

The undefeated Hicksville team, in first place in the Senior Division of the Second Precinct Police Boys Club's Basketball Leagues will enter the Lou Wagner tournament this March.

Representing the second precinct PBC, they play Mineola the evening of March 12, the first of three playoffs in the county-wide elimination tournament. If Hicksville defeats Mineola, they will be eligible for the second match, Mar. 17. Hicksville has won the tournament once before. Two more wins will net the team a trophy.

Behind Hicksville, Plainview squeezed into second place in the Senior Division last week, with five wins and three losses. The former second place team, the Oyster Bay Irishmen, is just behind, tied with Locust Valley for third place, with four wins and three losses.

The four-team tie for second place in the Intermediate Division of the Section One league (intra-Hicksville) has narrowed this week to a two-team fight between the Bluejays and the Owls. These two teams came from third and fourth place.

Hicksville
Farmingdale

Bethpage

This is the pivotal night in the NSAA Eastern Division basketball league race.

A glance at the standings on the eve of the finales indicate just how fierce the struggle is for berths in the Nassau County championship tournament.

The first three teams qualify and Bethpage pulled a thunderous upset of Oyster Bay, Tuesday, to nail down second having only to run over winless Island Trees in the last trip to the well.

Roslyn has the hardest task facing recoiling and embarrassed pennant winner Oyster Bay. Should the unexpected happen the Hilltoppers would have to defer to Hicksville in the case of a tie since the Comets edged them twice 44-41 and 43-41.

So the issue revolves between Westbury and Hicksville and what may be the last struggle in this traditional series will be pointed and exciting.

Chet Jaworski's lads won the season opener handily but this is a vastly improved Westbury club playing on its home floor. The Green Wave definitely wants its banner in the field when action is launched Tuesday night.

There is an at-large selection to be made and Hicksville might lose and come in the back door but there are some indications that the committee might look favorably on fourth place Great Neck in the North's Western Division. In non-league play Hicksville defeated the Blazers, Garden City and Port Washington from the other division.

One county daily came out this week and flatly stated that Hicksville would not gain the first round of the tourney and that smug appraisal may make the Comets regard for the importance of this battle equal to that of the Green Wave.

For in Westbury this is still the one they live for. Well over a thousand fans are expected to find their way into the spacious new gym of the Green Wave.

Jaworski has been debating with himself the entire week regarding just which way to play Westbury. His boys have been picking up the tempo lately and looked much the better for it against Sea Cliff. However, while it was advisable to run with Westbury and outdistance it early in the year the pattern may be to slow down since the Green Wave hasn't been shaken in recent outings.

We don't mind saying we are a bit reluctant with this one but we know the Westbury desire; Hicksville 49, Westbury 48.

Hicksville High will have its biggest athletic program for spring sports in its history this year. St. Dominic's, St. Mary's, Levittown and Sewanhaka will be the non-league baseball opponents with the league slate the same as the 14-game court schedule played this winter.

Fourteen golf matches have been scheduled and a big intra-mural softball league will get underway in early April.

In the North Shore wrestling championships Ted Greve won a third place in the 145-class for Hicksville. The effort won the Orange and Black three points in its first sectional test and everybody is lauding Ted's fine performance. He will be a valuable asset to the varsity again next year.

We have stood with Steve Ruggiero on so many issues that we are a little distressed to find a divergent point but we just cannot understand why he called off the balance of the PBC Alumni schedule.

No doubt he was disturbed when four players failed to make the game at Lincoln House, but he had other retaliatory measures at hand than the one used.

# Yocum, Soininen To Stay Away Until Higher Courts Decide

HICKSVILLE—William Yocum and Adolph G. Soininen, whose June 25 election to the School Board was declared illegal by Supreme Court Justice Hamm last month, told the Herald Tuesday they would not sit at the board meetings until and unless the court's decision was reversed. The State Education Dept. has given notice of intention to appeal the verdict.

Both men, who have been absent from the last two meetings, said they would abide by the advice of

the State Dept. of Education while awaiting the outcome of an appeal. They expect the department will make. However, they claimed vague official status in the meantime.

"I have been advised by an authority in Albany that we should not sit," Yocum said. "Until I have definitely been told that I'm not, I consider myself a school board member, but I don't want to affect the position of the school board in the actions it takes now by opening them to question later on," he said. Yocum said he considered himself

a "non-participating board member."

"I would guess that until the

appeal is decided I'll have to stay off but whether I'm an interim board member or not I don't know," Soininen said.

Referring to the appeal, Yocum said, "I'm not at all sure that the next step won't put us back on the board again, back in active participation."

Both men answered, "I haven't made my mind up," when asked if they would run again, for the school board posts.

The question of a new election for Soininen is that of a completely new term in office. He was elected last June for a year expiring July 1. The decision on the Commissioner's appeal, he said, "will be so far in the future, my term will have expired by then."

Also, Soininen stated that "Mr. Crane, (Bertram Crane, school board attorney) has said that a special election would be illegal and he got that right from Albany."

Soininen said that he is not planning to take court action himself on the issue, as has been rumored.

(Continued from Page 1)  
took the Eaton appeal to the Supreme Court which found the June 25 election illegal, disagreed with Crane on this point.

Szendy, joined by Goebel, urged the Board to schedule a new election to fill the two vacant seats. Crane objected and said that such a motion would be "illegal at this time." Crane said he "discussed this matter very carefully with Dr. Jehu," member of the State Education Dept. legal staff.

Szendy insisted that the "question of the operation of the district is paramount." Cawley commented that he thinks Yocum and Soininen are still on the Board.

Goebel pointed out that the appeal may not be resolved until after the summer. The Soininen

## Gets Bike Back

HICKSVILLE—Kenneth Wakeman, 12, of 327 Richard Ave. here, had his bicycle stolen and found within one week.

While Kenneth was attending classes in the high school on Division Ave. here on Feb. 13, some-

body took his bike from the rear of the school.

Four days later, on Feb. 17, Mrs. Piccerelli, of 234 Division St. found the red and silver bicycle. She reported it to the police and Kenneth claimed it. Kenneth was particularly inconvenienced by the incident because he uses his bicycle in his job as a Newsday delivery boy.
