Ann Manelski First Girl To Win Award Since '51

BETHPAGE—Miss Ann M. Manelski, 25, of 242 Woodbury Rd., Hicksville, won two \$50 bonds for suggesting a correspondence form entered in a Grumman Aircraft Corp. contest.

Miss Manelski's purchase order amendment form was chosen last week, to receive an award in the company's employees' competition of outstanding ideas and inventions. She was the only woman among 20 awards winners, and the first woman to win the contest since 1951.

The purchase order amendment form is said to save at least 50 per cent of typists' and readers' time, according to the Grumman judging committee.

Miss Manelski, who was born in Hicksville, graduated from Hicksville High School, and in 1950, from Packard Junior College.

TV Show Recalls Lost Battalion

HICKSVILLE—Two local World War I veterans were members of the 308th Regiment of the United States Army, whose famous "Lost Battalion" episode will be dramatized on Channel 2, Sunday evening, April 1.

Col. William C. Godfrey, of 29 Willet Ave., here, was a first lieutenant in the regiment. Louis Hoebel, of 30 Terrace Pl. here, was a private first class in the same company.

The "You Are There" program, at 6:30 P.M., will reenact the siege of the lost battalion. The incident, when about 550 men were cut off for days by the German lines, occurred in October, 1918.

According to Godfrey and Hoebel, the lost "battalion" was actually a composite group of soldiers from all three battalions in the regiment. Some of the trapped men were from their battalion.

The 308th Infantry regiment was composed almost exclusively of Long Island and New York City men Col. Godfrey said. It trained in Camp Upton, Yaphank.

Baker's Dozen To Help Bing

HICKSVILLE—The baking prowess of the Baker's Dozen has been enlisted for the benefit of the Bing Fund.

The social club, named for its 13 members, has scheduled a small cake sale for 1 P.M. this Friday, Mar. 9. The sale will be in Big Ben Food Market on E. Marie St.

Mrs. Harry Petersen, of Burns Ave. and Mrs. Edward Kist, of 6 Milton St. here, will supervise the sale of over 20 cakes.

The proceeds are slated for Bing Keung Jew, whose Broadway laundry was destroyed by fire on Mar. 13.

The Baker's Dozen club members are residents of the northwest section here.

North West Contributes To Fund

HICKSVILLE—Contributions from the Northwest section here for Bing Keung Jew and his daughter, Helen, were acknowledged recently by Mrs. V. Bailey of 28 Laurel St., who collected money, garments and bedding and gave them to Bing.

In a letter addressed to her neighbors and friends, Mrs. Bailey said, "I wish to thank you for your thoughtful donations in helping Mr. Bing Jew and his daughter, Helen. Sincerely, Mrs. V. Bailey."

33 Children Invade Police Station

HICKSVILLE—The second precinct police station on North Bway here was invaded one morning last week by 33 Kindergarten children who chorused "Good Morning" to the policemen as they entered.

The Lee Ave. class was led by their teacher, Jane O'Brien, and three class mothers: Mrs. Schubert, Mrs. Sokolaki and Mrs. Bjorklund.

The youngsters examined the station's desk, muster room, ambulance, and were shown what oxygen inhalators look like and how they work. Policeman Vince Baumer played the entertaining host for the class.

The children really enjoyed being fingerprinted, Miss O'Brien said.

The trip to the police station is one of several in a unit of study called "Community Helpers," the teacher said. The class has already been to the firehouse on E. Marie St. and the post office on North Bway, here.

Tools Stolen From Development

JERICHO—Tools valued at \$300 were reported stolen from the tool shed of the Birchwood Park Development here, according to police reports. Police are still looking for the thief, who broke into the shed sometime last Thursday or Friday.

HICKSVILLE—All local boys 8 to 15 years of age who wish to play in organized baseball leagues this summer were today reminded that this Saturday, Mar. 10, from 10 AM to 4 PM is the last day for registrations. All boys, whether they played before or not, are required to register in person. They should be accompanied by a parent.

The Little League and Babe Ruth League are each serving the entire community. The school district has been divided into three sections. Boys 8 to 13 may play in Little League and those 13 to 15 in the Babe Ruth League.

The National Division (southwest area) of both leagues holds registration at Levittown Hall on Levittown Parkway. The International League (southeast) signs up at the Junior High School on Jerusalem Ave. and the American League (north side) at the Burns Ave. and Woodland Ave. schools.

Little League tryouts are scheduled for Apr. 7, 14 and 21 at Burns Ave. Abe Levitt Hall and Lee Ave. School grounds.

Final registration also takes place on Saturday for St. Ignace CYC Baseball at the community building on Broadway (see page 15).

Leavitt Off School Board; Goebel Urges Special Vote

HICKSVILLE—The refusal of the Board of Education to hold a special election to fill vacancies on its duly voted seven-man board is "illegal," Attorney Harry E. Goebel insisted today. The board now has only four duly elected members with the decision by Supreme Court Justice Herbert Hamm that the appointment of Milton Leavitt on July 30 of last year was invalid.

The election of William Yocum and A. O. Soininen as Trustees on June 25 had been previously ruled by Justice Hamm as "null and void" since they did not receive a majority of the votes cast.

Justice Hamm thus ruled on the second of two appeals taken before him by Goebel. The June 25 election was an appeal of Robert Eaton and the Leavitt appointment was appealed by Dorothy Stephan, both taxpayers being represented by Goebel.

The Justice ruled that a "de facto" body cannot create a de jure office in cancelling Leavitt's appointment. Leavitt had been named to fill out the term of Richard School, who resigned. The vote was four to two, the votes of Yocum and Soininen being with Joseph Cawley and Edna Sutton to "carry" the appointment. Emil Szendy and Arthur L. Erich had voted against the appointment.

Since Justice Hamm had ruled in the Eaton matter that Yocum and Soininen were not legally elected he found them "de facto" members. He quoted the citations by Goebel of a New Jersey case (von Neida v. Bennett, 117 N.J. 231, 187 A.629) in which it was ruled "a de facto majority of an administrative public body may not confer tenure of office."

Hamm also noted that Goebel's brief said: "there is no desire or attempt being made, or intended to be made to question the acts of the board relative to contracts."

In discussing whether a special election should be directed to fill the vacancy caused by Leavitt's ouster, Judge Hamm called attention to alternate methods for filling vacancies on school boards (Sect 1909, Sub 17 and Sect 2113, Sub 1 and 2, both of the Education Law) and stated: "It is assumed that the interested parties will proceed in accordance with law."

Under Sect 2113, Sub 1 and 2, a vacancy on the school board may be filled by a special election within 30 days after the vacancy; if not so filled, then the District Superintendent John Chisholm may appoint a competent person to fill it. The Education Commission may (Please Turn to Page 3)

\$732 For Bing Fund

HICKSVILLE—Contributions to the fund for Bing Keung Jew today totaled \$732.91, according to fund treasurer Frank Chlumsky, who said the contributions received as of Saturday, Mar. 10, will be turned over to the laundryman. The fund will close on that date.

2 Hit and Run Accidents Here

Two hit-and-run accidents in Hicksville and Bethpage this week resulted in the arrests of an East Orange, N. J., and a Farmingdale man.

In Hicksville, the accident occurred on Sunday night on Newbridge Rd. near Elmira St. Barbara Pearl, 18, of 178 Blueberry Lane, Hicksville, reported that she was in collision with an unknown car as she was driving south on Newbridge Rd.

The occupants of the second car fell out because of the impact, police said, but recovered soon enough to jump back in and leave the scene of the accident without being identified. Later, police arrested William D. Popick, of East Orange.

In Bethpage, the driver who reported the accident on Wednesday evening was Michael Mignone, of 15 Butehorn St., Bethpage. Thomas Kalogris, 30, of Farmingdale, was arrested at 3 the next morning for leaving the scene of his collision with Mignone. The accident occurred on Stewart Ave. Kalogris was reported as being unemployed.

Family Absent As Fire Rages

HICKSVILLE — Fire seriously damaged a house at 36 Gardner Ave. here, Tuesday, and forced its residents, the Goscinski family, to move in with neighbors temporarily.

John C. Goscinski predicted that it might be as long as three weeks before he and his family would be able to move back into their home. Until then, they plan to stay across the street with Mr. and Mrs. Joseph Podgurski, of 35 Gardner Ave.

Damage, estimated at \$2,000, was most severe in the living room. Much of the rest of the house was damaged by smoke, Goscinski said.

Mr. and Mrs. Goscinski were not home when the fire started. Their two children, Mary Ann, 9, and Stanley John, 7, were in school.

The fire probably started in the living room sofa because of a cigarette, according to fire dept. reports of the story. Five trucks and about 40 firemen responded to an alarm at 11:39 A.M. They returned at 1:00 P.M.

Twelve other alarms occupied the mid-Island fire departments last week. Three of them were ambulance calls in Bethpage, all on the same day. No alarms were reported in Jericho.

The alarms were as follows:

HICKSVILLE FIRE DEPT.
Mar. 1, 2:52 P.M. — False alarm at Liberty Ave. and Old Country Rd.

Mar. 3, 6:26 P.M. — Grass between Blueberry Lane and West Ave.

Mar. 4, 7:57 P.M. — Burning rubbish caught on door of store on W. John St. near Kuhl Ave.

Mar. 5, 2:17 P.M. — Grass at Willet Ave. and Westmorland Rd.

Mar. 6, 11:39 A.M. — House fire at home of John C. Goscinski, 36 Gardner Ave.

BETHPAGE FIRE DEPT.
Mar. 3, 2:45 P.M. — Silent — Brush at corner of Central and Sheridan Avenues.

Mar. 4, 9:46 A.M. — Silent — Brush at Railroad Ave. and 12 St.

Mar. 4, 2:10 P.M. — Ambulance call for Mrs. Margaret Rowan, 37, of 6 1st St. to Nassau Hospital, Mineola.

Mar. 4, 2:53 P.M. — Ambulance call to take Edward Benson, 65, of Gateway, corner Park View Circle, to Meadowbrook Hospital.

Mar. 4, 7:15 P.M. — Ambulance call to take Fred Vengonzo, 51, of 14 Yale Pl. to Mid-Island Hospital.

Mar. 5, 4 P.M. — Brush at Meade and 3rd St.

Mar. 5, 5:13 P.M. — Brush behind the Sturtevant mill on Lexington Ave.

Mar. 5, 5:30 P.M. — Brush at Carol Rd. and Old Motor Pkwy.

PLAINVIEW FIRE DEPT.
Feb. 26, 1:47 P.M. — Brush at Washington Ave.

Feb. 26, 7:18 P.M. — House at home of Harrington, 67 Grohman's Lane.

Another Casualty At Gertz Bldg

HICKSVILLE — A falling brick hit an electrician who was working on the new Gertz building here, and he was taken to Meadowbrook Hospital, Wednesday afternoon. Authorities there reported the patient, Jerry Meraky, 26, of Brooklyn, is in "fair condition, but not on the danger list," this morning. He was described by the police reports as having lacerations of the forehead and possible skull fracture.

Leavitt Off

(Continued from Page 1)
also order a special election. When such an election is ordered, it "shall not be filled otherwise."

Goebel told the Herald that the voters in May of last year authorized a seven-man board, an increase of two. The refusal of the Board to hold an election to fill the vacancies, therefore, he contends, is illegal.

School Attorney Bertram Crane has told the Board that the State Education Dept., twice reversed, recommends that no election be held until the higher court rules on the appeal taken from Justice Hamm's decision.

Two Comments

HICKSVILLE — Milton G. Leavitt, formerly an appointed member of the Hicksville School Board, said he will be an "interested spectator" when the board meets this Friday.

Leavitt, whose appointment was declared invalid by Justice Herbert Hamm of the Supreme Court on Friday, told the Herald that he assumed he would not be sitting at the meeting tomorrow (Friday). He assumed that all legal papers would have been received here by that time. He was referring to a court order notifying the board of Hamm's decision.

Leavitt said he hoped the business of the board would go on "expeditiously and intelligently, with all four members making every attempt to keep the district from suffering any harm by its reduced board."

Edna Kuhne Sutton, president of the board, expressed much the same hope, Tuesday, after hearing of Hamm's ruling.

"Most of us have made every effort to show cooperation in the past. I would like to see those two men (Trustees Emil J. Szendy and Arthur L. Eirich) show some now," Mrs. Sutton said.

"This whole thing is awful. I feel," Mrs. Sutton lamented. "The district has much to be thankful for in the efforts of Soiminen, Yocum and Leavitt."

"Mr. Leavitt has been an 'interested spectator' for many boards for many years," Mrs. Sutton said when she learned what Leavitt had told the Herald. "His interest did not develop overnight."

Mrs. Sutton said she felt that the ruling declaring Leavitt off the board comes at a "poor time." To get on with the business of the board and especially the development of a budget, she said, "Szendy and Eirich should put aside their

'extra-curricular' activities they've been engaged in."

Mrs. Sutton defined the activities as "personality differences, character assassinations, attempts to humiliate professional people working for the board and assaults on the integrity of board members themselves."

"I consider it out of order for any member to engage in it at any time, but especially now that we have to develop a budget," she said.

She pointed out that the board will discuss teachers' salaries this Friday night with the Classroom Teachers' Assoc. and the Citizens' Advisory Committee. And this, she said, is only the first phase of a budget which will have to be considered by a short-handed board.

In accordance with this task she is seeking such information from perhaps some of the older residents of the community who might have any old clippings or data dating back to as far as 1919 when the Association was founded. The former name of the Assoc. was the Scandinavian-American Club of North Central Park. Anyone having any such old newspaper clippings, pictures or data that might be of interest, please contact the Historian, Mrs. Sol Fink, 16 Oxford Lane, Bethpage, or call her at WElls 1-5475.

Pack 378 Holds Annual Dinner

HICKSVILLE — Cub Pack No. 378 held its annual Blue and Gold dinner at Hennigsen's Restaurant, on Feb. 29. The dinner was a grand success, with over 100 people attending, and many families turning out in their entirety; the small fry gazing in wide-eyed admiration while big brother cub-scout received his award from Cub Master William Schultz.

The affair was graced by the presence of Council Representative Jack Green, who gave an interesting address on the scouting movement and its origins. This was followed by a talk by the president of the Fork Lane School PTA (sponsoring organization) Dexter Coney.

It was a great night for awards of all kinds, received by Committeemen, from Cub Master William Schultz and Emil Mittendorf, Chairman, right down the line to Den Mothers and, of course, the cub scouts themselves. And fortified by a hearty meal, everyone went home with a warm glow for the Blue and Gold and the scouting movement in general.

The pack wishes to extend their thanks to Treasurer, Dominick Grasso, who so ably chairmanned the affair.

An "Over The Top" Dance has been planned by the Bethpage Jewish Community Center for Saturday, Mar. 10 at the Fire House Hall.

Music will be played by Jerry Bendett, and prizes, games and entertainment have been planned.

A picture of Ike adorned the dining room of Whitman Lounge, Huntington, when the Farmingdale Republican Club held its installation dinner-dance on Mar. 3. Operation VFW

Veterans of Foreign Wars
William M. Gouse Jr. Post

By HOWARD W. DARLING
Members of Post 3211 how would you like to win a 1956 Cadillac—nothing to buy, no puzzles to solve, no jingles to write, no slogans to create, no box top or wrappers to mail with your entry. Here's all you have to do! Sign up 10 overseas veterans as members of the VFW for 1956.

These can be continuous members who paid their dues in 1955—or veterans who were members of your Post prior to 1955—or overseas veterans who have never joined the VFW. Any combination of these three categories will make you a member of the VFW "Ten for Tim Club" named in honor of our Commander-in-Chief Timothy J. Murphy. Only the names of "Ten for Tim Club" members will be placed in the barrel when the name of the lucky winner of this beautiful Cadillac sedan will be drawn

at the 1956 National Encampment in Dallas next August. Ask our Post Adjutant for further details. Chairman John Mulligan and his able assistant George Walden, who together so ably planned and managed the recently held 21st Annual Dinner Dance of the Post deserve much due credit for the splendid job well done. Not only did everyone present have a marvelous time, but they turned in a profit from the dinner tickets alone. A feat in itself.

Commander Louis Klein appointed the following members to serve on the 1955-1956 Nominating Committee for the Post's Officers. They are namely: Chairman William Frohenbofer, John Mulligan, Howard Darling, Vernon Wagner and Al Hanlon.

We had the pleasure of having a distinguished visitor at our last

regular Post meeting. He was Commander Roy Schafer of Post 5892 in Levittown. It was also meeting you commander and we hope you come back again real soon.

To my ardent collector of cellophane tabs, Helen Klevansky, I say thanks a million times for the job you are doing, not alone for me but the folks in the blind home in Brooklyn. Keep up the good work.

If you like Irish Turkey (corned beef), good music, and an evening of Irish music and fun, be sure and attend the Post's St. Patrick's Day Party in the clubhouse on Saturday evening, March 17. Call John Mulligan or George Walden for reservations.

Report To Taxpayers:

By SOL ZIMMERMAN

At the Hicksville School Board meeting, held March 2, 1956, an interesting and gratifying report was presented to the School Board and the taxpayers. The School Administration, with Board approval, has established a class for retarded children of school age. The class is held at the Old Country Road School. Mr. Syden is the teacher-in-charge. In his report, Mr. Syden pointed out that the class, at present, has eight pupils. Five children are on a list, waiting to qualify. Minimum requirements are that the children be toilet-trained and able to walk. Mr. Syden pointed out that if these children can be trained to develop a modicum of self reliance, commitment to an institution can be avoided. This would result in tremendous saving to the State.

The present allotment of State Education funds for this group of eight is equal to the allotment for 22 normal children. Mr. Syden is satisfied with the progress his pupils are making. He regularly visits the homes of his pupils, on his own time, in an effort to establish optimum training conditions at home. It is heart-warming to see that a determined effort is being made to help our unfortunate children.

THIS FRIDAY

A conference between representatives of the teachers and the School Board is scheduled to be

held at the next Board meeting on March 9. The subject to be discussed is the upward revision of teachers' salary schedules. At the following meeting, a week later, the Board will begin its deliberations on this subject. At present, there is no indication that the Board expects to seek the advice and approval of the taxpayers on this vital subject.

It is true that this subject is under consideration by the Citizens' Advisory Committee. With apologies to individual members, this group is not qualified to speak for the community. This group consists of one representative from each PTA group. In addition, each Board member was supposed to appoint three people of his or her choice. In this way, a completely diversified group, representing a thorough cross-section of the community, would be established. This was not to be. The School Board Majority vetoed the selections of Trustee Eirich. Trustee Szendy refused to subject himself to similar humiliation and insult. By means of the veto, the Board Majority guaranteed that the overwhelming majority of Advisory Committee members are people whose ideas and attitudes toward school problems are very similar to their own. The Citizens' Advisory Committee may object to being considered the Rubber Stamp of the School Board Majority but it cannot object to the appellation given it by one of its own members.

Mr. McGrath, who, at a Board meeting, called the Citizens' Advisory Committee the "right arm of the School Board."

On Saturday, March 3, Mr. Miller, the Assistant Supt. of Schools, conducted the members of the Citizens' Building Committee on a delightful and informative tour of several of the District's schools. Unlike the Citizens' Advisory Committee, membership on the Building Committee was not subject to Board veto. It is far more representative of the community.

The Building Committee will attempt to evaluate the plans for additional construction prepared by the Board and Administration and presented in the "Green Book." It will also evaluate, and present to the taxpayers, a plan, now in the process of preparation, which will result in a saving of a considerable sum of money to the District. Full details of the plan are not yet available. The high-light calls for a novel utilization of the 40 permanent type rooms soon to be added to the Jerusalem Ave. J.H.S. These rooms can be used for sixth year, and possibly some fifth year, elementary school classes, right through 1960. By that time, the back of the elementary school emergency will be broken. The 40 rooms can then revert to Jr. High use. This will come at a time when their use will begin to become necessary. Further details of the plan will be given when they become available.

HERALD READER-OPINION:

Reply To Zimmerman's Remarks

By KURT H. POHL

To the Editor:

Mr. Zimmerman, the would-be guardian of the taxpayers' dollars, has been dispensing his words of wisdom to the public, through your newspaper for a considerable period of time. As one of the taxpayers to whom his column is directed, I have consistently restrained myself from rebutting the misleading statements and erroneous statistics in Zimmerman's column, but for any person who is interested in a good education for their children, there comes a time when he or she can take no more of this nonsense without striking back. I have reached that point. Just could he, if he knows the lay and stretch of the imagination, say that District No. 17 will have to demolish temporary classrooms shortly after their construction?

Zimmerman flatly states that the School Administration is recommending the construction of temporary quarters to provide for an average of 30 pupils per class through the peak year 1958 when total enrollment will be 8,000 pupils. Therefore, Zimmerman argues, classrooms will have to be demolished every year after 1958.

The facts are these: The McCormick report estimated that the total pupil enrollment in Grades Kindergarten through 6 would in-

crease to 8,000 by 1958, and then gradually decrease to 4,500 in 1970. However, while the enrollments in grades K through 6 are declining, the pupil enrollment in grades 7 through 12 will increase. Zimmerman forgets to mention this fact, or does he propose to save the taxpayers more money by eliminating grades 7 through 12?

On Sept. 1, 1955, there were 9,391 pupils in the District 17 public schools. On that same date, there were also 6,453 children of up-to-school age in the district! Do these facts support Mr. Zimmerman's statements that we must demolish classrooms after 1958? The classrooms which we must have within the next year will be in full use not only in 1959 but in 1970 and beyond.

Particularly revolting to me is the argument that the easiest solution to the school problem is simply one of doubling the size of each class and the use of staggered sessions. Does Zimmerman, for one moment believe that he could attract competent, experienced teachers into a school system of that type? Experienced teachers are in great demand everywhere, and would certainly not accept an appointment to try to teach unwieldy classes of 50 or more when other Districts offer the same salary for

teaching smaller classes in better surroundings. Should we increase the size of our classes, materially, we would have difficulty in the future attracting any competent teachers, beginners or experienced.

Let any fair-minded person reflect on the possibilities of Zimmerman's theory — large classes, staggered sessions, and mediocre teachers. Lump them all together and what type of education do you think the children will get?

I am not a believer in the theory that the best is not good enough as far as the school building program is concerned, but I am a firm believer in providing the best possible educational facilities for my children and all children, within the means of the average taxpayer in the District. I am perfectly prepared, if necessary to deny myself certain luxuries in order to provide a better education for our children. Certain people, however, who no doubt would be willing to buy down their lives for their children, would not pay a couple of dollars extra, to better equip their children for the future. It is indeed strange that some people would not be caught dead on the street riding in anything less than a fully-equipped, deluxe model auto, refuse to spend the money (Please turn to Page 12)

Mr. and Mrs. Walter Kogbele of 23 Albert St. celebrated their sixtieth wedding anniversary on Saturday evening, Feb. 18th, with a party at their home.

The next Sunday, baby Lois Ann Rohan of Mineola Ave. was christened.

Little Tommy Lehmann of Mineola Ave. and Johnnie Mandala of Albert Street have something in common. They both have had their tonsils out during the past month.

On Tuesday evening, Feb. 21st, Mr. and Mrs. Raymond Capelluto of Albert St. and Mr. and Mrs. Robert Hamilton of Commack took in the Sportsmen's Show at the Armory in the Bronx.

The people on Ferry St. were quite busy this past week. For one thing, Mr. and Mrs. J. Cacamis of No. 22 had themselves a night out on the 25th when they attended a play put on by a local group in a neighboring high school. Then little Kevin O'Connell of No. 27 celebrated his second birthday that same weekend with a party on Saturday for his playmates and another celebration on Sunday.

Mrs. Croesdale of Elmhurst spent the weekend here at the home of her daughter and son-in-law, Mr. and Mrs. J. Taylor, of Albert St.

Mrs. R. Capelluto of Albert St. was among the guests that attended a surprise baby shower given for Mrs. Winifred Verba, the happy mother-to-be, on Saturday, Feb. 25th by Mrs. Frances Richards and Mrs. Eileen Klyss at 15 Oak Street, Farmingdale.

I understand that the McCabbe family, formerly of Marvin Ave. and now of Texas, look forward to receiving their copy of the *Herald* each week so as to keep up with the latest news in their former hometown. What to you may not seem worthwhile mentioning may

160-mile Convertible race
Ford V-8's took 1st and 2nd
place in the National Convertible
Championship Race.

FIRST

In over-all performance
Ford won the Pure Oil Manufacturer's
Award for the most consistent performance.

The Ford V-8 again showed its taillight to all competitors in the "Olympics" of stock car racing at Daytona Beach, Florida.

In blazing across the finish line Ford demonstrated once more the sizzling performance that keeps it the largest-selling V-8 in the world. No other car in the field could match Ford for getaway "git" . . . for straight-away acceleration . . . for all-around roadability. To see exactly how the other cars trailed behind Ford, see the chart at the top of this page.

One of the secrets of Ford's performance is the tremendous torque (wheel turning power) developed by Ford engines. For

example, Ford's new 225-h.p. Thunderbird engine develops more torque than any other engine in the low-price field. This means quicker response, smoother running in the kind of driving you do! Just nudge Ford's accelerator and *whoosh!* You pass in instants when instants count!

Ford now offers this mighty 225-h.p. engine with any Ford Fairlane or Station Wagon model with Fordomatic. What's more, these engines are coming off the assembly lines right now! So why wait? Come in today for a Test Drive. Find out for yourself about Ford performance. Find out why Ford is the V-8 with the biggest following!

Cancer Fund Needs Support

By DOROTHY R. BROWN
Wells 5-0128

Each year we hear of more cases of Cancer. It seems that there is hardly a family that has not had someone who has been afflicted with this dreadful disease. But with the research which has and is being done by the National Cancer Foundation all over the country it is no longer considered a completely incurable disease. There are many kinds which if detected in the early stages, can be arrested or cancerous area removed.

To make all this research and many of the expensive treatments necessary to help the afflicted persons, the Foundation has an annual drive. The larger per cent of each dollar given will stay in your own county to help in our own local work. This year Mr. Timosuk of the Long Island National Bank has been selected as Chairman of the Hicksville area.

Any volunteers who are willing to collect funds or act as a capt. of your development and have others help you collect may contact Mr. Timosuk at WE 1-0100 during business hours or myself at WE 5-0128. Any help in this area between Broadway and Jerusalem Ave. south of Old Country Road would be greatly appreciated. Contact me any time. This drive will be during the first two weeks of April.

At 25 Woodbine Dr. S. we hear there was a little one placed in a bassinet with a pink and blue quilt over it. (Only a doll) next to this was a very pretty decorated chair with an umbrella over the back. The rest of the room was decorated in streamers of pink and blue with umbrellas and storks hanging from the ceiling. Occasion, A baby shower by the Jolly Seven for Mrs. Dorothy Boemerman. 14 seems Dottie has had two cravings lately and the clob aim to satisfy both of these at her shower.

One has been strawberries (Wow at this time of year!) which they had as a filling in a cake which was decorated in pink and blue with inscription "Welcome Stranger". The other one is Pizze Pies. These were served later as refreshments. Everyone had a grand time and Dottie received many nice gifts.

The neighbors express their sincere sympathy to John C. Cody and family. Mrs. Margaret Cody, of Brooklyn, his mother passed on recently.

New cars are again popping up in our midst. Mr. and Mrs. Frank Kucanski of Woodbine Dr. E. have a new red and white Olds. Also red and white is the new chevrolet which has been parking in the garage of Mr. and Mrs. Joseph Geravasio of 7 Greenbriar Lane. Quite

a change from the old Black eye Eh J.

Are you one of those who "Sew and Sew" on your clothing budget. Well if you are, this week is for you. They hope to encourage more sewing. Also one can get a much better when you make your own dresses and suits. Say let's hear from some of you seamstresses and pass along some of your hints which might be of help to others. We will publish any which seems to be of general use to all. Just call it in to WE 5-0128.

Herald Reader Opinions

(Continued from Page 6)

for a standard model education with no accessories for their children. Are we adults so self-centered and selfish, that we place our own demands for personal luxuries on a higher plane than the educational needs of our children? I can hear a unanimous chorus of no's, yet among those voices are some that rise in indignation when a proposal is made to build classrooms for the children. Do those people realize that the average taxpayer in Hicksville will pay more money for that deluxe radio in his new car than he would pay in additional taxes over a 30 year period, to cover the cost of any of the proposed building programs now being studied by the Special Citizens' Committee on Buildings?

I doubt whether anyone, even Zimmerman, will argue that an auto radio is more essential, or a better value, than a good education. Perhaps I can use as a further illustration, a commodity which we will all be buying very shortly, and that is fertilizer for the lawns and gardens. Do you realize that a taxpayer whose property is assessed for \$4,000, will pay more for that 100 pound bag of fertilizer, than he would be asked to pay in additional taxes for an entire year, to cover the cost of building 34 additional classrooms? Does all this sound fantastic? Well, check the

report issued by the Board of Education Sub-Committee on Building Needs. The facts and figures are all there for you to analyze, as I have done. I might point out that my illustrations are based on the highest costs.

Measure Szendy, Leavitt, and Lamb all agree that there is an immediate need for 34 additional classrooms.

I would like to say to your readers: Take the advice of this paper: "Keep alert to the happenings in our school system." Every taxpayer should attend at least one meeting of the School Board. These meetings are open to the public and are held on Friday evenings at 8:30 at the new High School. I urge everyone to attend a meeting and then compare what they saw and heard with the slanted and misleading reports which are appearing in print.

TO THE EDITOR

By ALFRED RUBENSTEIN

The March 2nd meeting of our School Board was, with the exception of two squabbles, an interesting and illuminating one. The administration is to be congratulated for its informative visual presentation on the overlapping schedules. We who were fortunate enough to be present, are now fully aware of how well the school buildings' rooms are being utilized, and to what extent careful planning was necessary in order to accomplish this.

Directly following this report on schedules, Mr. Seyden reported on the progress being made by the special students who are attending Old Country Road School. This was most fascinating and informative. The work being done in this special class is a long step forward in social and economic progress. The School Board and the administration have performed a distinct service to the taxpayers in setting up this program.

With respect to the petty tiffs that inevitably occur, it appears that none of our trustees has as yet reached the age of wisdom in his personal relations with others. The trustees' behavior differs not from that of first, or second graders' and it is respectfully suggested that the entire board be referred to the guidance officer. However, if the meeting of March 2nd is indicative of the quality that we can expect of future meetings, our tolerance of childish spite and petty bickering will be a low price to pay.

You don't need riches to bring sunshine into someone's life. A cheerful, sincere smile, a warm handclasp can bring new hope to a forgotten soul. A word of encouragement can set a fellow back on the right track. Nor, do you need riches to wine and dine elegantly... you can do it within your means at the Alibi. If you have a case of the "blues", blow yourself to a real fine cocktail and a real splendid dinner at the Alibi Restaurant, 50 Old Country Road, Hicksville.

**How do you
 measure
 a bargain?**

It's easy! You measure a bargain
 by two rules — how useful it is, and
 how low the cost is. Apply these
 rules to your telephone and you'll
 find that it measures up as a big
 bargain.

Just think of all the things it
 does for you. It whisks you over to
 the dry cleaner's, the bakery shop,
 the florist's. Makes your appoint-
 ment at the hairdresser's. Takes
 you to visit a friend across town or
 across the country. And it's always
 on the alert, ready to get help in
 any emergency — big or little.

Yet think how low the cost is!
 While the price of most things you
 wear, eat or use has skyrocketed
 92% since 1940, the average cost of
 phone service is up less than 18%.

No matter how you measure it —
 by service or by cost — your phone
 is truly one of the biggest bargains
 in your family budget.

By HOWARD FINNEGAN

Malverne knocked Hicksville High out of the Nassau County Basketball tourney by a 70-58 count, Tuesday night, but Coach Chet Jaworski received high praise for the manner in which his boys wouldn't concede what appeared to be a hopeless cause from the outset.

Parents from Malverne even made a point of approaching the Hicksville mentor after the game and asked him just how it was possible for the Comets to hustle so relentlessly.

It was a consoling factor for Jaworski and he gave all the credit to the boys. The club seemed to have gone sour in mid-season but rallied notably to win four of its last five games to gain an outright invitation.

Hicksville fell behind 17-2 in the first quarter against the co-champions of the South Shore's Section Two League but kept pressing all the way.

Even the fact that Malverne shot an amazing 73 per cent from the floor did not deter the Comets as they fought back to 40-44 just before the close of the third period.

The Mules surged at that point and had a commanding 66-52 edge with three minutes left but defeat was not accepted even at that point. Carl Schultz, Frank Estrada and Pete Nygren pumped in three straight field goals and with two to go it was 66-58.

Tom Sparaco and Bob Zembroski harassed the Mules in the back court and the Comets stole the ball three times in a row but the easy shots were missed.

Once again the defeat was recorded at the foul line where the winners tossed in 18 of 29 but Hicksville could only cage 10 of 24. By missing the first foul attempt the Comets missed a potential of 12 additional free bonus shots. Malverne only blew five.

When the uniforms have been packed away for a while the Hicksville camp will look back on this season as one of the better ones in its history what with a regular season mark of 13-5 getting on the books.

It was a crime that Hicksville High deserted its basketball team for the opening round of the County Tournament.

Only 36 tickets for the contest were sold at the school and the Orange and Black had less than 125 fans to support it against Malverne.

The valiant fight the Comets made to overtake the Mules might have been achieved were the efforts not greeted with silence.

Solid support could have given the Comets the lift they needed.

It was a sharp contrast to the final league game at Westbury where 700 Hicksville persons showed up.

The Comets fell behind in that game 10-0 but spurred by the roar of half the sellout crowd overcame their bitter traditional rival 60-52.

Our week-end edition urged support of the Westbury game but we did not have a chance to get to print for the hastily but efficiently drawn up playoff plans.

Where there was an opportunity the efforts were ineffective, indifferent and unnoticed.

Junior Varsity coach Ed Petro has a sound "Build rather than Win" outlook for the Hicksville High Jay Vee but he certainly manages to combine both aspects in his coaching.

Ed only started with nine boys on the team this year but his policy of letting everyone play to gain experience saw him end up with 17 content and satisfied hopefuls.

As for success his policy of playing everyone saw a mark of 12 and 4 become one of the best records in the history of the school.

He even took the winning formula gained from long experience in New England where among other credits he has three State scholastic titles under his belt, to the varsity level.

While Chet Jaworski was attending the New York State Physical Health and Education Conference, the Comets ran up against tough Roslyn at home and had a difficult time with the Hilltoppers.

It was nip and tuck until the fourth period when Petro ordered the press, which at that point in the season Hicksville had not made a content of its bag of tricks, and the narrow 41-41 win resulted.

SNEAKERS TO SPIKES . . . Coach Bill Anderson has his 1956 baseball tryouts going on at Hicksville High now . . . We will make a bet that the new baseball diamond won't see a spike nor have a foul ball bounce off the Pentagon this spring . . . Returning to the Comet diamond varsity is second baseman Gene Hall. As you have read, Gene won a nomination to the United States Air Force Academy but the well liked Comet star may choose to pursue his education at RPI . . . Farmingdale nipped Hicksville again to win the Eastern Junior High basketball title. Hicksville's two Junior High quintets had a combined winning average of .650 and everyone appears pleased . . . Bill McNamara has issued the call for the HHS track squad . . . As soon as it's possible intra-mural volleyball and hand ball will have a large participation at the high school . . . It was no error Malverne did shoot 73% against Hicksville . . . John Ash gets the post as Junior High baseball coach (only one team) and John Mazur handles the diamond jay vee . . . Carman Girolomo coaches Junior High track (one team) . . . John Magee and Tom Sparaco merit a pat on the back for their work against Westbury.

Devils, Eagles Lead Divisions

HICKSVILLE — The St. Ignatius Red Devils continued their winning ways by defeating the Yellow Rebels 27-19 at Burns Ave. school, Saturday. The victory places them in first place in the second half of the Senior Division schedule. The game was a hard fought contest until the third quarter when the Red Devils by their excellent teamwork edged into the lead and gradually pulled ahead.

The Green Arrows, with a nicely balanced offensive and a strong defense, defeated the highly touted Blue Lakers 34-21 for their first victory of the season. Bennett, Yura, Burns, Devine, Fetter and Reimels each scored 6 points. Shanley was high scorer for the Lakers and the game with 16 points. The Arrows have lost quite a number of games by 2 or 3 points. In this game, they had the scoring punch necessary to overcome the highly favored Lakers.

EAGLES KEEP LEAD

At Fork Lane school, the high flying Red Eagles managed to maintain their one point lead throughout the game to defeat the Spiders. Tovin, Gewargy and Rosal controlled the backboards for the Eagles while Satrik was the offensive gun. Cooper and McLaughlin were high scorers for the Spiders. The victory for the Eagles leaves them in undisputed position of first place with eight wins and one loss and two weeks remaining.

The Maroons, although they fought gamely to overcome the fast lead that the Blue Eagles built up in the first quarter, were not quite up to the task. The offensive guns of the Eagles were McGuire, Sullivan, Powers, Calzetta and Maier. After the first quarter ended, Mike and Kevin Bawler took over control of the backboards for the Maroons and the offensive started to click with Toben, Harnett, Geoghan and Wladyska moving the ball like pros. The early lead that the Eagles built up was a little too much for the boys to overcome.

The Sparrows, who held the league lead for five weeks and recently started to drop off form, lost two games. One game with the Jets was lost in the last few minutes of play when Brown sank the important point from the foul line. T. Allen, W. Hearsh and Brown were the offensive stars for the Jets and Corrigan, Brennan and Bocuzzi for the Sparrows.

In the second game, the Spiders, led by Baranski, Talbott and Tierney, edged the Sparrows by two points, with Troeger, Corrigan and Bocuzzi again leading the way for the Sparrows. These were two tough games to lose because with two weeks of play left there is a four way fight for second place and each contender will have to

450 Boys Sign for CYO Baseball at St. Ignatius

HICKSVILLE — Any person who has downtown here Saturday morning, Mar. 5, might have wondered at the large crowd of boys, all ages, converging on St. Ignatius Confraternity building on Broadway. It was the first day of registration for the baseball program sponsored by the St. Ignatius C.Y.O. Sports Assoc.

Boys from 7 to 17 were registered on Saturday and the count at the end of the morning was close to 450 boys with final registration to be held this Saturday, Mar. 10, at the Confraternity building. While the Sports Assoc. expected slightly over 300 boys, they were overwhelmed by the increase in registration. Many parents who brought their children down were amazed at the smooth and rapid registration procedure. This new method which was adopted was a last minute idea of Father Lawrence Ballweg, and it was a tremendous success and has already been adopted for all Sports in which the boys will register.

Many parents also complimented the men who handled the registration on the sports program itself. One man identified it as the

"best all-year sports program in Hicksville." The members of the association are proud of their work and will continue to work toward a bigger and better sports program for the boys.

The increase in registration for baseball has also caused a need for men to help handle the program. Anyone interested should contact Father Ballweg, G. McGuire or J. O'Connell or come to the association meeting Monday night, Mar. 20, at 8:00 at the Confraternity building on Broadway.

A program of this size always needs money to operate. The merchants in town have contributed generously to this program. These merchants can be identified by the blue and white sticker with the words "St. Ignatius Loyola C.Y.O. Sports Association" Donor.

Remember boys, Saturday, Mar. 10, is the final date for baseball registration.

knock off the Red Eagles to do it. Next week at Burns Ave. School, the Senior Division will hold its second half playoffs with the Red Devils vs. the Rebels at 9 A.M. and the Green Arrows and the Lakers meeting at 10 A.M.

Jericho Rejects School, 819 Vote

JERICHO—School District voters here decisively approved the acquisition of a \$35,000 site for an elementary school addition, Monday.

In a referendum, they defeated two additional proposals, one for a high school site and the other for

construction of an elementary school. The total number of voters was 819.

The ten acre site for the addition was approved by a vote of 648 for and 126 against. It is for the Cedar Swamp Road school, one of the district's two elementary schools, grades 6 through 8.

A 40 acre site for a high school, estimated at \$588,000, was defeated by a vote of 218 for and 557 against. The site selected was almost adjacent to the Robert Seaman school. Because it was south

of Jericho Turnpike, where land costs are high, it had drawn the vocal opposition of two civic associations here.

A \$1,515,000 elementary school was defeated, 344 for, 429 against. Also under fire of the civic associations, the school had been slated for the "Jackson" site owned by the district, at Briar Lane and Maytime Drive. Student enrollment totals about 614 in Jericho School District now. In Sept. 1956, it is expected to reach 1,200.
