

SIMPLE SOLUTION TO SCHOOL BOARD DEADLOCK

State Will Not Oppose Special Vote If Ousted Trustees 'Quit'

HICKSVILLE—The School Board will meet this Friday night, Mar. 16, at 8:30 PM in Room 104 of the high school on Division Ave. with "Transportation" as the first item on the evening's agenda, according to Dr. Wallace E. Lamb, superintendent of schools. The Board will meet with four official members and before the evening is over may agree to take action which has been urged since early February on a special district-wide election in April to fill one or more vacancies.

FRANK CHLUMSKY this week presented Bing Keung Jew with a check representing the contributions of Herald readers, business concerns and organizations to help the laundryman whose store was gutted by fire on Feb. 13. His small daughter, Helen, was presented with a doll by R & B Doll Co. of Duffy Ave., Hicksville. Former Councilman Chlumsky was treasurer of the fund. (Herald photo by Frank Mallett).

Quotes Without Tape Recorder

"You, sir, are unwittingly trying to destroy the School District. You have done a pretty good job, aided and abetted by the most dishonest newspaper in New York State . . . Hicksville has let things get out of hand."—W. Donald W. Walling, asst. superintendent of schools, to Trustee Arthur L. Eirich, Friday night.

"You have made several very accurate observations."—Board President Edna Sutton, as Walling passed.

"A board member has the right to get the information he wants . . . Dr. Walling lacks finesse . . . his lack of finesse is refreshing."—Trustee Joseph Cawley at same meeting.

"It is bad taste for the Asst. Superintendent to say \$139,000 was 'peanuts'. Most unfortunate you don't use discretion . . . you have outlived your usefulness and I say

that without rancor."—Trustee Emil Szendy.

"My interest in school district affairs began when I got Dr. Walling as a next door neighbor . . . He regards his job as a way of life . . . He has a unique sense of humor . . . Anger should not always be denied . . . He has a true sense of values . . . Joseph Maloney at same meeting.

"There are some very serious problems posed by his (Walling's) remarks to Mr. Eirich i.e. 'punch you in the nose' and by the chairman referring to a trustee as 'insect'. This is strong, harsh language in a forum of this type . . . Judging by his language and actions, he indicates he has an improper frame of mind . . . His mental attitude bodes ill for this district."—Sol Zimmerman at same meeting.

The head of the legal division of the State Education Dept. at Albany, Tuesday, conceded that a special election could be held, without opposition from the State Dept. if one or more of the three persons whose status is in doubt were to officially "resign". Dr. Charles Hamm said he would not see, then the Commissioner, to prevent such resignation or resignations. He explained that the higher court will not get the appeal on Justice Hamm's rulings until May 7 and that it might be the fall or early 1957 before all higher court appeals are resolved.

Trustees Arthur L. Eirich and Emil Szendy, who urged last July 30 that the Board hold an election to fill the vacancy when Richard School resigned, and who have since the Justice Hamm ruling sought passage of a motion to get a "special election," wrote Commissioner Allen this week:

"We recognize no impossibility on the part of the Board to do business. However, the difficulty incidental to operating with a four man Board whose decisions, it has been ruled, must be unanimous, is definitely present.

"A special election can be held with speed and dispatch and in time to permit the district to be served through the current administrative term ending June 30. Such election can do no harm. It will prejudice neither the interest of the District nor the administration of the law through your office as Commissioner.

"An election is a democratic process. If one is held we shall secure a determination by the electorate of its wishes. By it we will be able to fill the presently existing three vacant offices of school trustees."

Milton Leavitt told the Herald he will make known at the Board meeting whether or not he will "resign" at this time. He was not willing to say if he would run in a special election but said he would (Please turn to Page 5)

not Sacred Cows.

As a result of the Eaton and Stephan Cases, three members were ousted from the School Board by the authority of the Supreme Court of the State of New York. They were illegally and invalidly seated. The Board now remains with four members whose viewpoints are evenly divided.

Demands have been made repeatedly by School Trustees Szendy and Eirich that the three vacancies be filled immediately by election so that the district's business may be carried on. Trustees Sutton and Cawley disagree. They justify their refusal on the ground that State Commissioner of Education Allen has served notice of appeal in the Eaton Matter and proposes to appeal the Stephan Decision. They hope the appeals (Please turn to Page Six)

Sacred Cows and a Special Election

By HARRY H. GOEBEL

The Hindus believe in reincarnation. Their faith teaches that the soul, on the death of the human body, enters that of a cow. Fearful that an injury inflicted on any cow may cause eternal damnation to the soul within, the Cow is Sacred. It must not be molested. Its decisions to meander must be accepted without question as manifestations of Divine will.

The Doctrine of the Sacred Cow is alien to America.

We recognize the right to differ. We permit any citizens to question the actions of any official, including those of the President of the United States. This right does not imply a lack of respect. It recognizes the human fallibility of the individuals who occupy public office. Individuals may err. They are

Eirich Charges Lack Of Respect

By ARTHUR L. EIRICH
Trustee, Hicksville School District
To the Parents:

Time has come for all of you to become alerted to the people serving you in the Hicksville School System.

At Friday night's meeting I recommended the resignation of Dr. W. Donald Walling. This was following a letter that I had written personally to Dr. Lamb. He read

this letter at the Board meeting. The recommendation was met with sarcasm in the form of some very nasty comments from Mrs. Sutton, Mr. Cawley and Dr. Walling. These were my reasons: On the night the State Dept. of Audit and Control report was discussed (in which 34 irregularities were found) Dr. Walling called me a "damned fool" for requesting information concerning an irregularity.

Last week I requested information from Dr. Walling with reference to newspaper legal advertisements being made in a Bethpage newspaper. (It is my opinion these legal ads should be distributed equally between the two local papers). He said, "I don't work for you, Junior", and refused to get the information for me.

I want to make this one point clear: I am not concerned with these insults and affronts to me personally; I am however concerned with the lack of respect and disrespect which Dr. Walling has

shown to the office of School Trustee. He is an employee of this District. This District is represented by its trustees. He is not authorized to take sides between board members, nor is it becoming for an employee of the District to interject his opinion concerning policy which affects him as it is being determined by his employers, the school trustees. His position is to perform his duties without bias, prejudice, and temperately toward everybody.

The situation was further complicated by comments of Dr. Walling at Friday night's meeting. Mrs. Sutton and Mr. Cawley permit him to say without criticism: "Mr. Eirich I have had a desire to punch you in the nose since I first came into the district, because of your attitude toward Mrs. Sutton".

He then drew a parallel of my annoyance to him as being comparable to an illiterate sergeant from Tennessee he once had in the army. His wrath then reached such a point that he left his personal attack on me, and went to the Mid-Island Herald. He said, "I want to accuse Fred Noeth, editor of the Mid-Island Herald of printing the most dishonest newspaper in New York State. It deals in nothing but lies."

The welfare of the district is in dire peril by having a person in his position where his lack of self-control can influence the children in the district, to similar exhibitions of vituperation, ungraciousness and disrespect.

A trustee of the district who tries to pursue district business should not be confronted with such obstruction. This is not the kind of representation Hicksville children and taxpayers should get. March 11, 1958

Dear Jean:

EDNA SUTTON, president of the Hicksville School Board, this week released a pathetic "appeal to the taxpayers" in the press. No copy was received by the Herald, probably because our editor was the target for a portion of her bitter remarks. . . . The Central Island Women's Republican Club meets next Monday night, Mar. 19, at the Town GOP Hdq. at 146 Newbridge Rd., Hicksville, according to Mrs. PAUL DRAKE, president. The meeting will be open to guests of members after 10 PM to hear Trustees EMIL J. SZENDY speak on the activities of the School District. . . . MRS. SUTTON is scheduled to speak on the "School Board in Action" at Burns Ave. School P-TA tonight (Thursday). . . . The Hicksville Citizens for Better Government in School Affairs will provide a speaker for your next P-TA or Civic Assoc. meeting on affairs in the district. Call Secty. JOHN REED at WE 1-1988. . . . Pvt. HARRY DREVES of Bethpage recently completed 10 weeks of advanced individual training at the Armored Replacement Training Centre, Fort Knox, Ky. . . . NORMAN BARSHAI of 153 Park Ave., Hicksville, has been named on the dean's list at the Philadelphia College of Pharmacy and Science where he is a freshman. . . . Residents of Oakwood Terrace have asked that the zoning on their neighborhood off Old Country Rd. at Levittown Pkwy. be changed back from business to residential use, except for the property of HAROLD KRANIN at 1 Chance St., president of the civic assoc., who is in the real estate business. . . . Supervisor WATERS went home ill after morning Town Board session on Tuesday. . . . CHARLES R. CARROLL of 130 Newbridge Rd., Hicksville, has been approved for membership in the New York State Bar Assoc., according to a release from Albany. . . .

JAY POGGIALI of 253 Woodbury Rd., Hicksville, along with the other pledges of Adelpi's Pi Sigma fraternity, spent all day Saturday "helping" at St. Giles in Garden City. With rake and other garden tools, they went to work. Hazing stunts have been abandoned by Pi Sigma several years ago. . . . The annual Hicksville School District election takes place on May 2nd. The higher court, asked to review the decision of Justice HAMM, does not begin until May 7 and may not reach a verdict until fall. Thus the question of whether or not MILTON LEAVITT and A. O. SOININEN should or should not sit on the School Board will become an academic question. Their "terms" of office will have expired before an appeal is resolved. . . . The much publicized "motorcade" to Albany, Tuesday, turned out to be one car driven by JOE MALONEY accompanied (in the same car) by his wife and Mrs. FAICHNEY. . . . JOE CAWLEY and a neighbor went up by car earlier in the day and Herald editor, FRED NOETH, was there the day before on other business. . . . Commented Dr. BRIND when he was presented with the Maloney petition who claimed 2,000 signatures: "anyone would sign this". . . . Your contributions for the GOSCINSKI family of Gardner Ave. may be made at the Herald office. All contributions will be acknowledged. The fund is for a family which had its home heavily damaged by fire last week. . . .

WILLIAM JACK wants it known that he did not call Trustees SZENDY and EIRICH "p-i-g-s" at the special Board meeting last Saturday. He says he said they "acted like pigs". His comments were not restrained by the chair who is so often fond of calling other people "out of order". . . . Dr. and Mrs. VITO CAPPIELLI are the proud parents of a son. . . . Thought for the week from AARON ROCHMAN, editor of Hicksville Rotary Club bulletin: "Always make your company feel at home even though you may wish they were". . . .

Olympic Motors have moved from Newbridge Rd., Hicksville, and in their place a drive-in laundry and dry cleaners will establish there. . . . Good news in the illness dept. . . . JOSEPH HEIM of Twinlawn Ave., Hicksville is back home again after a stay at Mid Island Hospital and feeling much better. . . . LYNDA NOETH of Twinlawn Ave. also feeling a little better after a two weeks illness. Miss Noeth wishes to thank her many friends who sent cards and gifts during her stay in bed. . . . JOYCE McLAUGHLIN of Sunset Ave., Hicksville, back in school at St. Dominic's after a week of illness. . . .

Fork Lane Gets Around Quorum

HICKSVILLE — Fork Lane P-TA members who attended Tuesday's meeting jumped the "quorum hurdle" by a technicality.

The 108 members carried on a business meeting, although a quorum requirement was 114. One action of the meeting was to pass on a by-law revision cutting in half the quorum number.

Dexter Coney, P-TA president, stated that according to Robert's Rules of Order the meeting could continue although the presence of a quorum was questioned. The quorum had not been questioned soon enough, the president said, to nullify the proceeding of the meeting.

From now on, according to the revised by-laws, a quorum will be one tenth, rather than one fifth, of the total membership.

Mrs. Helen Sachs presented a moving picture camera and equipment on behalf of the P-TA to the Fork Lane school. Herbert Cavanaugh, principal, accepted the gift on behalf of the school.

A slate of officers for next year and other by-law revisions were presented to the unit. The voting will take place at the next meeting, Apr. 10.

Shelly Matzkin was nominated for president, Mrs. Roselle Sperling for vice president, Mrs. Natalie Smiley for corresponding secretary, Leon Frankston for recording secretary, Mrs. Lillian Jahngen for treasurer, and Mrs. Helen Sachs for delegate to the Hicksville Council of P-TA's. The slate was presented by the nominating committee and no other nominations were offered.

Pay Increase For Faculty Vets

BETHPAGE — The school board here has decided to grant salary increases to teachers who are veterans of the armed forces.

According to a decision made Mar. 6, and announced later that week, the increases will be effective next fall.

About 40 of the district's 190 teachers will be eligible for the benefits, according to Edward Lavin, business manager. It will cost the district about \$15,300 next year, he estimated.

The school board has engaged Frederic Wiedersum Associates, architects, to draw preliminary plans for a senior high school building. The school, designed for 1,400 students, will be sited for the Cherry Ave. site. The voters have approved purchase of the land and the district is in the process of assuming ownership.

A recommendation that the school district purchase subscriptions to a local paper for all residents was given to the attorney, James Donovan, to check. Charles H. Buxton made the proposal, as a measure to provide school news for the district's residents more fully than is now being done.

The board's next monthly meeting is Mar. 27, in the Broadway school here.

Notice was made at the meeting of the annual school district meetings at the Broadway school auditorium. The annual meeting is May 1, at 7:30 P. M., with the annual election the next day, from 12:00 noon to 9 P. M. The pre-budget hearing is scheduled for Thursday, Apr. 26, at 8:30 P. M.

What Has Gone Before

FRIDAY, MAR. 9—Board met at usual place. Failed to pass motion to permit Trustee to use tape recorder for taking of notes (2 to 2 vote), failed to pass motion to tape-record meetings starting Mar. 16 thru April with board approval required for playbacks (2 to 2), received teacher and principal salary increase recommendations, heard recommendation that Walling resign, recessed at 2:30 AM until 3 next afternoon.

SATURDAY, MAR. 10—Board met at usual place. Szendy pressed for election of a new president, Mrs. Sutton declined. Meeting ended at 4 when Szendy left meeting because chairman failed to maintain order, permitting Wm. Jack to refer to two board members as "pigs". With only 3 members, Board could not transact business and Elrich soon departed. Cawley asked Joseph Maloney to serve as chairman of a ramp board. Maloney picked five from audience (Orton, Druzman, Goreszki, Mrs. Silvestri, Mrs. Phillips) plus Cawley. Mrs. Sutton declined to sit with group "on advice of Mr. Crane". Group drafted petition to Commissioner, arranged motorcade to Albany for following Tuesday.

TUESDAY, MAR. 13—Mr. and Mrs. Maloney, Mrs. James Faichney, Cawley, John Thompson and Fred J. Noeth present in Albany, met with Dr. Brind. Commissioner Allen was too busy. Petition was presented with 2,000 signatures asking "positive intervention of the Commissioner to complete necessary business of district pending election in May". Brand said Commissioner cannot, would not send some one to Hicksville to "take over". He said state would not oppose special election if one or all three of trustees who have been ruled off Board by Supreme Court would "resign". Such vacancy could be filled by appointment (if 4 could agree) or by special election. None of the present four can legally resign because absence of one would leave only three and there would be no board to accept the resignation since Board needs four (by Brind's ruling) to do business.

HYCC To Meet

HICKSVILLE—The regular meeting of the Youth Coordinating Council will be held Monday, Mar. 19, at 8:30 p.m. in the Naasau School of Music, West Marie St., here.

In addition to the regular business, a film showing the recreation program of Levittown School District is expected. Adoption of the By-Laws is also on the agenda for the evening.

School Board

(Continued from Page 1)
be a candidate in the May '57 annual election.

The Herald was not able to contact either William Yocum nor A. O. Soininen on their intentions. Soininen was quoted in the press as saying he would not "resign".

Leavitt and Soininen have been coming with some regularity to Board meetings since the Court's decision, taking seats in the audience. Yocum has not been at meetings.

The terms of Leavitt and Soininen, if they were still on the Board would expire on June 30 and would be filled at the May 2 election in any event.

Authorities at Albany had been led to anticipate a "big crowd" on Tuesday and the conference was held in the Board of Regents room.

The proposal to go to Albany, aimed with a petition, was the suggestion of Donald Walling at the gathering after the Board meeting on Saturday afternoon. He advised those present to "go to the commissioner and say 'darn it, commissioner, we are in a terrible mess'."

Walling said that Long Island is a long ways from Albany and they are so busy in Albany, they "only take the most irritating irritations." Albany, he said would "let you stew forever". He volunteered to get 1,000 signatures on a petition "over the weekend. Me and my four kids, that is."

Driver Injured In Collision

HICKSVILLE—One driver was sent to Meadowbrook Hospital for emergency treatment Friday when two cars collided here on Broadway.

Sacred Cows and Special Election

(Guest Editorial, Continued from Page 1)
will be successful. They rely on the opinion of School Attorney Crane who, in turn, relies on the opinion of Mr. Brind, counsel to Commissioner Allen. Mr. Brind states in a letter to Mr. Crane:

"It is apparent that until the matter is decided finally by the courts, nothing should be done, which would affect the rights of the parties, and if a new election were to be called, I would have to recommend to the Commissioner that he order the pending staying such action in order to preserve the rights of all parties pending the final determination of the litigation."

Mr. Brind is respected for his 25 years of service with the State Education Department. But, Mr. Brind is not infallible. Contrary to implications in his letter, his projected recommendation to the Commissioner that a stay be issued need not be accepted by the Commissioner. The responsibility is the Commissioner's, not Mr. Brind's. His authority to issue any stay without prior Court approval, may be controverted as an unjustified exercise of authority and as an unwarranted interference with the district's autonomy in the management of its own affairs. The Commissioner and his counsel are not Sacred Cows.

Mr. Brind's threat, until legally implemented, together with the refusal to resolve the impasse on the Board, is hog-tying the conduct of its business pending the determination of some course of action. They should reconsider. Mrs. Sutton and Mr. Cawley are not Sacred Cows.

Lawyers accept a cardinal legal principle which states that once a court decision is made it constitutes "the Law of the Case." This principle establishes the relationship of the parties until the decision is overruled by a court of higher jurisdiction.

"The Law of the Case" has been established in the Eaton and Stephan Matters. Properly constituted authority, operating through Supreme Court Justice Hamm, has overruled State Commissioner Allen, his legal staff, the former majority of our School Board, and its attorney, Messrs. Soininen, Yocum and Leavitt have each been separately and individually served with all papers in the proceedings before Commissioner Allen as well as those before the Supreme Court. Had they so chosen, they could have asked for leave to intervene. They could have become direct parties to the Court proceedings. This they did not do. They cannot now complain they were denied the opportunity. As individuals, professedly interested in the welfare of the poor, innocent children of the community, they can at this time at least accept the decision of the Supreme Court subject to the possibility of a reversal. They should be the first to consent to the holding of the special election. If the people of the district desire their services, they will be elected.

Ours is a Government of law and not of men. Objection to the law under which these men were ousted, can be corrected only by legislative amendment.

We believe the "Law of the Case", and sound legal doctrine, in both the Eaton and the Stephan Matters, require the holding of a special election promptly to fill the present

existing vacancies. We further believe that the refusal to call a special election is a dereliction of duty and a disregard of responsibility on the part of those members of the Board who have so far vetoed such an election. The responsibility is theirs. They can shift it neither to the Commissioner, nor to counsel. Mr. Crane says: "I believe in law and order. I don't believe in denying it, or casting aspersions on elected officials in Albany or making snide remarks about them." Let it be observed that neither Commissioner Allen nor Mr. Brind are elected officials. They hold office by appointment. Criticism does not constitute an aspersion. We all believe in "law and order". No one has a monopoly on love for "law and order".

Hicksville School District, (No. 17), is entitled to have seven members on its Board. It is now being deprived of the experience, opinion and consideration of seven duly constituted Board members. The only interested party in the Supreme Court proceedings, as a matter of law, is State Commissioner Allen. He is not a taxpayer of the district. If he believes he is aggrieved and can get a stay, let him get one. If he thinks he has power to issue a stay and that such act is proper, let him issue it. The district should be permitted to go on with its business.

The processing of an appeal in the courts takes time. The Eaton and Stephan appeals cannot be heard until May. To-date, no printed copies, as required, have been submitted. If the Cases are not argued in May they cannot be heard until October. This will be long after they can affect the offices held by Messrs. Leavitt and Soininen. Neither can sit beyond June 30, 1956. The decisions as to them would be moot. In fact, the Court, if it does not decide the appeals by June 30, may make no decision as to them because the decision would be then academic.

The legal complications incident to the securing of a "final determination" through the proposed appeals, embrace the following frustrating fact:

Should the Commissioner be unsuccessful in securing a reversal of Judge Hamm's decisions, the condition prescribed by Mr. Brind for Board action—a final determination by the Court of Appeals cannot be had until October 1956, and possibly not until 1957, if one is had at all. In the meantime we still have only a four-man board.

A simple solution is available. The special election can be held. If Messrs. Soininen, Yocum and Leavitt run and are elected the problem of a functioning board is removed. If they choose not to run, and other individuals are elected, the other individuals will function at least as "de facto" members of the Board. If Judge Hamm's decisions are reversed, Messrs. Soininen, Yocum and Leavitt will be re-instated and the individuals elected will cease to be members of the Board. There need be no problem of a greater number of trustees than seven.

Any contention that the cost of an election will be an unwarranted charge upon the community is ridiculous. The saving of time and effort, and the creation of a functioning board, far outweigh any costs involved. This cost will not exceed \$200, to \$300. In a district where the school budget is over \$1,000,000, and is fast approaching \$5,000,000, such cost is picaresque, and the tears shed are those of a crocodile.

A special election should be held immediately and without delay.

HERALD READER OPINION:

Need Impartial Chairman

By ROBERT GOODRICH

To the Editor,
Recent events concerning the Hicksville School Board have made a bad situation intolerable. I have particular reference to the reduction from seven to four Board members and the inability to prevent Board members, spectators, and one administrator from making personal attacks upon, and innuendoes about, other Board members and spectators at Board meetings.

I believe this intolerable situation might be at least partially resolved if the Board could select a Chairman who would agree to stop the aforementioned attacks and innuendoes, and also agree to be absolutely impartial in conducting

Board meetings.

I take this opportunity to express my position in regard to permanent construction. In resolving this problem I believe it is first necessary to determine the number of students that can reasonably be accommodated in our present and in our approved permanent facilities. I believe reasonable capacity should be defined as the number of students for which each classroom and special room was designed. After the reasonable capacity is determined the next step would be to determine the long range static student enrollment.

With this information at hand, it would then be possible to determine whether or not more permanent facilities would be required. If

required, they should be built.

I believe if our classrooms and special rooms were used to their reasonable capacity we could eliminate staggered sessions in our elementary schools and have single sessions instead.

I believe hundreds of thousands of dollars could be saved by using our facilities to their reasonable capacity and by eliminating extra-vacancy and waste in our school spending. This savings might make it possible to keep taxes from going any higher.

I believe the savings could be accomplished without depriving the students of the necessities of a good education.

Report To Taxpayers:

By SOL ZIMMERMAN

At the School Board meeting held Friday, March 9, the Hicksville Classroom-Teachers Assoc., proposed to the Board the adoption of a new schedule of teachers salaries. Following their presentation, the Citizens' Advisory Comm. made its recommendations. This group was followed by the School Administrators who gave their recommendations. Except for one item, the Administration was in complete agreement with the Advisory Comm. Mr. Miller, Asst. Sup't. of Schools, suggested that instead of paying \$100 a year additional for each 10 credits of post-graduate study, it might be better to allow \$300 for 30 credits and \$600 for 60 credits but to give no increase for fractions thereof. He felt that the money would be better spent by increasing the rates in the middle of the salary schedule. Also recommended was the placement of Directors on the basic Principal's salary schedule and Supervisors on the same salary as Assistant Principals. Comparative figures are presented in the accompanying tables.

The Administration reported that the District employs

NOTE:

1. Asst. Principals and Supervisors are to receive \$500 per annum more than a teacher in a similar category of experience and post-graduate study.
2. Principals with 60 hours of post-graduate study to receive \$400 more than the amount given in table above.

62 custodians at an annual wage of \$3,100. An increase of \$200 was recommended for this group. A taxpayer protested that this wage was too low and suggested an increase of \$300.

Action on the salary schedules will be taken by the Board at the meeting to be held this Friday, March 16. This may be the only opportunity that the taxpayers will have, prior to the annual Budget Meeting (vote) in May, to express their ideas on this subject. At the Budget Meeting, no change will be permitted. Disapproval could be expressed only by rejection of the entire Budget. Taxpayers who would like to express their views to the Board before action is taken, are urged to attend the March 16 meeting to be held in the new High School.

The meeting lasted until 2:30 A. M. Saturday and was recessed until 8:00 P. M. the same day. Trustee Szendy withdrew from the afternoon meeting after Chairman Edna Sutton had permitted a taxpayer, Mr. William Jack, to abuse and insult him and Trustee Ehrlich. Mr. Jack chided Mrs. Sutton for having referred to Messrs. Szendy and Ehrlich, at the Friday night meeting, as "insects". A more appropriate name, according to Mr. Jack, would have been "pigs". Mr. Szendy stated that Mrs. Sutton was not conducting Board meetings properly as long as she permitted this abuse to take place. He then informed her that he was leaving the meeting.

A taxpayer suggested that it would be in the best interests of the District if Mrs. Sutton would give up her chairmanship of Board meetings and permit the Board to select a fair, impartial and firm chairman. The person selected need not be a Board member. He would not have the right to discuss or vote on Board matters. Mrs. Sutton rejected the suggestion.

Mr. Jack has proposed a novel theory of popular government. If an elected representative fails to agree on various issues with a majority of his colleagues, he is something less than human; He becomes a fair target for the most vicious abuse that can be inflicted. It takes little imagination to visualize the logical results of this theory if it were to become an established practice in our Federal, State and local legislatures. The thought of this possibility is frightening. This is not the first time that Mr. Jack has abused Mr. Szendy. Never has Chairman Sutton attempted to restrain Mr. Jack. Mr. Szendy's withdrawal was the only course of action a self-respecting person could take.

300 Teens Enjoy Spring Hop

HICKSVILLE — Last Friday's Spring Teen Hop in the High School, here, sponsored by the Youth Coordinating Council, proved a tremendous success. The ten man orchestra provided gratis by Local 802 of the American Federation of Musicians, was a big hit, and the girl's gym was "jumping" as over 300 teenagers 'Fished' and 'Mambo'd,' and 'Cha-Cha'd,' with some 'Lindy', 'Waltz,' and 'Fox Trot' thrown in for good measure.

Impromptu dance contests were held, with photo-records given as prizes; and entertainment in the form of an Amateur Magician was provided.

The floor had been prepared by the spotty strewing of saw-dust, which made poor floor preparation. If a dancing couple were lucky enough to hit one of these spots fine, but a few additional steps and they were off it onto the sticky floor again. As anyone knows, this type of preparation is worse than none at all.

After a 2:30 ceremony at the church, a reception was held at the nearby American Legion Hall on W. Nicholas St. for about 75 guests.

The bride was given in marriage by her older brother, Fred Habenicht. Her sister, Miss Anna Habenicht, was a bridesmaid. The other bridesmaids were from Sayville and Pennsylvania.

The bride wore ivory satin, in a full length gown with a small train. Her attendants wore blue, the maid of honor in deep blue, and the bridesmaids in pale blue nylon strapless gowns.

Walling Talks About Budget

Dr. Donald Walling, Assistant Superintendent for Finance, was featured speaker at the Dutch Lane PTA meeting on Tuesday, March 6. Principal Howard T. Scholefield and Walling explained the steps in the preparation of the budget for the Hicksville School District, from the preparation done by the classroom teacher, to the ultimate use of materials planned for in the budget and purchased with funds approved by taxpayers and authorized by the School Board.

Mr. Scholefield emphasized the planning conducted in each school and supervised by the principal and assistant principal.

"A principal has to be a business manager too," he said. The classroom teacher requisition materials they will need in class the following year, and list them in special groups (3-10, for instance, in textbooks). The principal checks requisitions against the expected enrollment, and also to be sure the purchase of materials is educationally justified.

Each school's budget includes both educational and custodial items (for maintenance and repair). The principal then checks requisitions against an inventory of what is on hand. Then the Business Office, under Walling, checks for consistency and accuracy, and attempts to see that the amount spent per pupil for supplies is consistent from school to school. The Board approves the budget for presentation to the taxpayers in May for voter approval.

The budget for each school is then credited to the school on the business office records. Items are purchased as needed by the Business Office, acting as purchasing agent for the District. The dollar value of each item is deducted from the school's credit in that category until the approved amount is used up.

Dr. Walling also discussed school finance from the point of view of state aid, which he said will pay roughly one half of the operation costs of the school district over the next five years. He explained the new Heald Commission recommendations for a new state-aid formula, and stated that "Hicksville will come out better than other school districts." The district will be able to receive \$300,000 more next year than under the present formula. In discussing predictions of last spring that school tax rates on Long Island may be expected to reach \$7, Dr. Walling said "I cannot possibly foresee how Hicksville can even reach \$5 in the next five years." School tax rates are pushed up by enrollment increases and downward by increases in assessed valuation.

Dr. and Mrs. Walling were guests at the post-meeting refreshment tables. Mrs. Estelle Simon, new legislative chairman, passed out stationery to be used in writing to our state senator and assemblyman our individual opinions on the need for a four year college. The legislative committee collected the finished letters for stamping and mailing.

Election of officers will also be held at this meeting and further nominations may still be submitted from the floor at this meeting. Preceding the regular meeting the Class Mothers will entertain the entire faculty at a dinner at the school. This will be under the chairmanship of Mrs. Michael Fasullo.

CELEBRATE BIRTHDAY

Elliot Carlin's sixth birthday, Monday, Mar. 12, was celebrated by a party given by his parents, Dr. and Mrs. Herbert Carlin, of 48 Pine St., Hicksville.

About nine guests came to the supper party, among them Charles van de Merin, Rose Marie Chilis and John Wolkiewicz, of Pine St., and Stephen Hoar, of Oak St. The children were entertained with motion pictures and by recording their voices on tape.

PLAN SPRING AFFAIR

Mrs. Henry Koehler, of Hicksville was hostess to the Glen Cove-Hicksville League of Mercy Hospital at the last meeting, Mar. 7.

The ladies planned for a Spring Luncheon and Card Party on Thursday, Apr. 5, 12:30 P.M. at the Swan Club, Glenwood. Mrs. Michael J. Dunne and Mrs. Charles Muzante are chairman and co-chairman of the luncheon plans.

Arranging Parcel Post Party

HICKSVILLE — The Pius X Society of Confraternity Parents and teachers of St. Ignatius R. C. held their regular monthly meeting on Monday, March 5. Fr. Lawrence Ballweg, Moderator, opened the meeting with a prayer.

Mrs. F. Horn, Membership Chairlady, thanked all who helped with the recent Membership Drive.

Mr. William Giannelli, Ways and Means Chairlady, expressed her gratitude to everyone who helped make the recent presentation of the play "Cheaper By The Dozen" a success. She also announced that a "Parcel Post Party" will take place at the April meeting. Those who wish to participate should mail a package worth 50c to the Confraternity Building. These packages will then be sold at the meeting. The member who finds it too inconvenient to mail their packages may leave their parcels at the Confraternity Building any time before the meeting.

Mrs. Giannelli also announced that there will be a Luncheon on Saturday, April 28, in the Cafeteria. There are only 150 tickets available at \$1.50 each so the members are urged to purchase the tickets at the April meeting.

Mrs. R. Finnan, Transportation Chairlady, asked for bus mothers to ride the buses on Thursday and Friday afternoons. The behavior of the children on the buses is not good, it was reported. Therefore, the necessity of mothers to keep order.

Mr. Calzetta and Mr. L. Curtis spoke on the objectives of the CYO Program which is so active in the Parish. All the boys of the parish are invited to participate. The parents are urged to encourage the

boys by turning out to see them play. The men of the parish should offer their time to help the committee, as they are badly needed.

Miss Donohue, co-chairlady of the First Communion Committee, announced that Family Communion will be on Saturday, May 5 at the 8:30 Mass and the rest of the children will receive on Saturday, May 12. The First Communion articles were beautifully displayed and will be sold at the April meeting. The parents must present a slip stating that the children have passed their test in order to purchase the articles.

Mrs. Hoosack, delegate to the NCCW urges the members to start a "Block Rosary." Booklets on the "Block Rosary" may be obtained from her.

Mrs. Holder announced that Religious stationery and cards for all occasions may be purchased at all the meetings or in the Confraternity Building any week-day.

Fr. Ballweg congratulated the parents of the Honor Roll students.

Social Security

Question: From Mr. P. S. comes this letter: My company wishes to retire me at age 65 in April, 1956 after 30 years of service. Can I collect both social security and unemployment insurance benefits?

Answer: It is possible to collect both social security and unemployment compensation at the same time if you meet the requirements of both laws. Collecting old-age retirement benefits under social security will not disqualify you for unemployment compensation if you meet the requirements of the unemployment insurance law.

He told the members that special Confraternity classes are now taking place on Saturday mornings for the 7th grade girls and on Sunday mornings for the 7th grade boys. He then introduced Mr. Frank Walsh who showed slides and gave a very interesting talk on "The Holy Shroud of Turin".

The Dark Horse prizes were won by Mrs. Gradischer, Mrs. M. Brenner and Mrs. H. Ljungquist. Father closed the meeting with a prayer.

Rebels Upset Favored Devils

HICKSVILLE — The Yellow Rebels led by Baroletti with 11 points, upset the heavily favored Red Devils in the second half play-offs of the senior division of the St. Ignatius Intraparish League at Burns Ave., Saturday. The final score was 20-16. This puts the Devils in a precarious position for next week. They must also meet the Yellow Rebels again and if they are defeated again a special playoff will be necessary to determine the champion of the division.

In another close game, the Blue Lakers defeated the Green Arrows 22-20. This places the Lakers in third place.

At Fork Lane School, the previously high Flying Eagles were knocked down two notches first by the Blue Eagles and then by the Gray Sparrows. In the first game, Maguire and Maier, with the support of their teammates managed to sink two field goals and a foul shot in the last few minutes of play to settle the Red Eagles. Peoples, Sattick and Hood were outstanding for the Red Eagles in this game.

Corrigan, Troeger and Kaggan, the offensive guns, and Brennan, McCafferty and Schneider, the defensive guns of the Sparrows, all teamed together to defeat the Red Eagles in the second game. Although Tevlin, Walsh, Geraharty, McEharny and Moore tried hard to stop the driving layups of Corrigan, they were unsuccessful. The two losses by the Red Eagles and the victories by the Blue Eagles leaves the Red Eagles in first place but by one game. They way the schedule is set up, there is a possibility of a tie for 1st, 2nd and 3rd place with Saturday, Mar. 17, the last week of play.

In other games, the Yellow Jets dropped to fourth place by losing to the Green Spiders. Talbot, McKinstry and McLoughlin scoring for the Spiders and W. Heatt scoring for the Jets. The Jets defeated the Maroons in a second contest, 10-4.

Pirates Reign At Pack 491

By SAMUEL K. McCAFFERTY
HICKSVILLE — On Friday, March 2, Cub Pack 491 held their monthly Pack Night at St. Ignatius School. The theme was "Pirate Waters", and you would never have believed that a bunch of such nice looking boys could have developed into a gang of fearsome and ferocious looking pirates, but that is what happened as the boys presented their skits and projects. There were naval battles and sea fights, and pirate legends were told as the boys presented their skits.

Mrs. Bowler's den 2 and Mrs. Baldwin's Den 5, won the awards for the best skit and project respectively. This meeting also served to introduce officially, three new Den Mothers, Mrs. Frances Hood is now Den 3 Mother, Mrs. Dorothy Gallahue for Den 4, and Mrs. Jean Roman for Den 8.

This was a record month for awards in the Pack. Six boys earned their Wolf Badges, six Bear badges and 13 Gold Arrows and 17 Silver Arrows. John Hanifan, Kevin McEaney, Frank Maier, Alfred Major, John Schiffmacher and Nicholas Walsh were awarded the Wolf Badge. Stephen Brummer, Alan Giannelli, James Hood, George Maguire, James Mielnik and Ronald Reilly were awarded the Bear Badge. Aids Building

HICKSVILLE — Over \$100, slated for the new building fund, was made at the Holy Trinity Fashion Show, Friday, Mar. 3. The Women's Auxiliary, who sponsored the show, held this most successful one of all in the new parish hall.

Every adult model, wearing J. C. Penny & Co.'s in Plainview clothes, wore furs from Hicksville Furs. The children models and the flapper models were much enjoyed by the audience, also.

Little Kathleen Bruton, a Sunday School attendant at Holy Trinity, won a wrought iron fruit bowl.

Fire Marshall Guest Speaker

JAMAICA — George N. Clough, Fire Marshall of Nassau County, was the guest speaker of James Sturtevant, recently, when he addressed a meeting of the University Club of Long Island here.

TROOP 91 REPORTS:

Scouts Go Swimming In Pool

By Elwood J. Kent Jr.
A number of Hicksville Troop 91 scouts, under the supervision of the writer, and Bill Giannelli, traveled into Queens last Saturday to participate in swimming tests that are required in order to become a First Class Scout. The boys did very well and should be complemented on their swimming ability. Scoutmaster Faaulo will notify the boys of the results. Thanks to Bill Giannelli for solving the transportation problem with his station-wagon.

The troop continues on its pursuit of advancements and merit badges, and seems destined to set up new records. In this field, Scouts Reimels, Mury, Steinman, Giamanco, and Schack earned their Public Health Merit Badge Tests. Scouts Bruno, Huff and Schack earned their Public Speaking Merit Badge Tests. Congratulations Scouts—on to the "Eagles".

CEDAR CLIFF HAPPENINGS:

Happy Day for New Brownies

By MARGE KERN
 Last Tuesday Feb. 25 was a very happy day for the Brownie Scouts of Troop 368. For at their regular meeting at East St. School, 20 lit- tle girls took part in the Brownie investiture ceremony. On this day they received their Brownie bits from their leaders, Mrs. Annetta Gergstenfeld, 66 Cliff Dr. and Mrs. Victoria Ronno, of 2 Beech St. It was a proud and happy occasion for the children who invited their mothers to witness the investiture. Refreshments were served and games and songs were part of the day's activities.

Aurelia Ronno, of 2 Beech St., was guest of honor at her birthday party on Feb. 25, even though her birthday is Feb. 26. Her little friends who attended to help make the day more delightful included: Therese Brady, Jeanne Quinn, Mel- issande and Pamela Ronno, sisters of Aurelia, Erwin Gerstenfeld, Eura and Marion Gerstenfeld, Ralph Bifalco sent a gift but was not able to attend due to illness.

By HOWARD FINNEGAN

The first official figures show that Hicksville High averaged 55.1 points per game while holding the opposition to 50.3 per contest in its recently completed basketball campaign.

The season's record was 13 wins against 6 setbacks.

The individual scoring records are as follows:

Player	FG	FTA	FM	Points
Frank Estrada	87	91	47	221
John Magee	83	78	39	205
Charlie Horton	74	80	47	195
Tom Sparaco	45	63	33	123
Robert Zembraski	34	29	16	84
Peter Nygren	26	36	30	82
Carl Schulz	20	21	12	52
Richard Muller	14	16	11	39
Tom LeVine	7	9	3	17
Dan Van Cise	3	11	6	12
Martin Watkins	6	3	1	13
Martin Moskow	1	2	1	3
Frank Baglioli	1	1	0	2
Totals	401	440	246	1048

Aside from Pete Nygren's sparkling 30 of 36 from the free stripe the foul shooting wasn't expert. The Comets missed almost 1 of every 2 shots and in the race to the wire was below even that mark. After the opening six game winning streak the foul shooting weakened badly and the 7 and 6 latter season mark resulted.

Teams and organizations which do not have their requests for the use of the public school fields in the hands of Chet Jaworski, Hicksville High Athletic Director, by this week-end may be badly disappointed.

The Board of Education has ruled that requests for the diamonds must be submitted by March 15, but the rolls will be held open for entries until Saturday. (Call him at WE 5-9000, Ext. 96).

As in the past requests filed before that date will be allocated as demands can be fairly met. If there are any openings left after that process they will be honored on a first come, first served basis.

All team and organization officials will be asked to attend a meeting in the Junior High School on March 28 when Mr. Jaworski will assign the fields.

Edward Scott leaves for Waycross, Georgia, and spring training in the Milwaukee Braves farm system this Sunday.

One of the finest athletes in the history of Hicksville High, Ed will have a month to limber up in the hot belt and then move north to Wellsville, New York where he will compete in the Pony League.

Pat Enos, an HHS team mate of three seasons ago, got started in the Pony League and is now moving impressively up the ladder in the Brooklyn Dodger chain.

All teams interested in joining the Jones Beach Softball League are to have representation in the Central Mall Cafeteria at the State Park this coming Tuesday night.

There is considerable softball talent in the mid-island area but there is very little indication that anyone is going to harness it this year.

However, the call for the popular seashore league has been heralded and quick attention must be given it.

The league this year will be jointly sponsored by Abraham and Straus and the Long Island State Park Commission.

We hope this merger will mean a fuller and more constructive use of the fine facilities of the park commission. In particular we refer to more interested and understanding unipiring.

We do have friends, however, who feel the commercial and state merger will find the only change that will be noticed among the men in blue will be a fresh carnation in the lapel for ever game.

We must confess that most of them have been standing around with the indifference and conceit of floorwalkers for years!

Trinity Lutheran Seniors having captured the Nassau-Suffolk Lutheran title are looking forward to the playoffs with Ascension of Queens County.

Coached by Warren Weis, Trinity broke away with a last half spurt to win the N-S crown by four games over strong St. Paul's of East Northport. The record was 18-2.

Weldon Ednorff, Bob Paton, Roy Clay and Roy Schaff were the scoring leaders in the successful drive. Charlie Leib, Connie Weyer, George Arthur, George Finsterle and John Baumgarten round-out the club.

Phil Beisel had a 580 series in the recent Trinity Lutheran Mixed League bowling match overcoming a 545 roll of Fred Gutekunst to take the honors. Phil knocked down 256 pins in the last game while Fred backed up to a 193 roll.

Coaches Defeat Tyros 55-44

HICKSVILLE — The St. Ignatius Oldtimers defeated the Hicksville Tyros, 55-44, in overtime Wednesday night at Fork Lane School. The Oldtimers consisted of all the coaches and assistant coaches of St. Ignatius teams while the Tyros are an organized team of boys 17 and 18 years old.

The Oldtimers, coached by Sheehan, were split into two teams, each team playing two quarters of the game and by the puffing and wheezing heard on the sidelines, these two quarters were too much for some of the men.

Sheehan fielded a well balanced team both offensively and defensively. Although the Tyros had the speed and ability, they didn't have the experience to cope with these talented men.

The offensive combinations showed good balance in the scoring. Sheehan 10, Redding 10, Harmon 9, Hanlon 7, Gaylor 6, O'Connell 12. The defensive stars who also entered the scoring column were McGuire, Evans and Reimels. The last named men were outstanding on the defense mainly in breaking up plays and snaring passes.

At the end of the regulation period, the score was 41-41, but during the 5 minute overtime period the Tyros were held to 3 points while the Oldtimers went on to score 14. Scholl and P. McGunnigle were high scorers for both the Tyros and the game with 14 and 16 points respectively. Devine, with 9 points, was also the rebound specialist for the Tyros. Although the Oldtimers won the game on their experience, from the looks of some of the men the following day as they walked down Broadway, it was actually the Tyros who won a moral victory.

P.B.C. PLAYOFF

Synset Colts defeated the Hicksville Lions 46-14 Monday night at the Hicksville Junior High School to gain the title of Second Precinct Champions in the Nassau County Police Boys Club Basketball Junior Division League. The game was a play off between the winners of the two sections in the Second Precinct.

St Ignatius Wins In CYO Playoff

The St. Ignatius Blue and Gold of Hicksville defeated St. Ann's of Stewart Manor in a close game, Friday night at Our Lady of Victory court in Floral Park, 31-27. The game was the last in a series of playoffs to determine the winner of the second half of play in the Northern Division of CYO Bantams. The victory places St. Ignatius in first place in the second half and they will meet St. Anne's, Thursday night, at 7:30 at Our Lady of Victory to determine the divisional title.

This game was a hard fought battle with the lead see-sawing back and forth for most of the first half. Although the center for St. Anne's had the advantage of height, he couldn't outjump the backcourt men of the Saints. Harmon, Reimels and Cerone controlled the backboards throughout the

game. Employing a fast break from a zone defense, the front court men, Connelly and McGunnigle, combined half of the 31 points scored by the Saints.

McGunnigle was high for the Saints with 10 points, while Shorten of St. Anne's was high scorer for the game with 21 points. Shorten was very deadly from the foul line, sinking 9 in 12 tries.

Half time score, 15-12 St. Ignatius.

Final score, 31-27 St. Ignatius.
