HAPPY DAY FOR COMMUTERS

FARES UP AGAIN

Mid Island commuters on the LIRR entered the new year today with another increase in passenger fares adding an average of 5.4 per cent or \$8 per month to the cost of transportation.

"Even though the price of just about everything else already has gone up, we know people aren't going to be happy about the fare increase," LIRR President Thomas M. Goodfellow predicted. "We're

not happy about it either. We only hope they'll understand why it can't be avoided --- and we believe most of them will."

Most expressive of Hicksville commuter opinion was that of A. Allan Goldstein, civic affairs chairman of the Glenbrook Civic Assoc., who noted that commuters can be sure of three things at the beginning and end of the year: "Christmas, New Year's and another increase in LIRR fares."

The old saying, Goldstein pointed out, listed the three things "we must do as 'be born, pay taxes and die."

"We wonder," he continued, "if everyone is aware of the impact of these increases, not only on the commuter, but upon everyone who lives in a commuting area."

This new increase is going to mean a total of almost 30% in just the last three years. This means that the commuter has just that much less to spend locally. Actually, the increase, when figured on the basis of different commutation plans, is even greater. You multiply this eight dollars per month by 5,000 commuters and it means \$40,000 per month.

that will not reach the hands of local merchants and residents. This figure of almost a half million dollars for the years is even larger where shopping areas like the Mid Island Plaza are concerned.

"We made an issue over the \$470,000 being spent by the LIRR on a noble experiment. (Signals and two-way track operation). We were told that we were wrong about this being an experiment, but then in a meeting with the PSC it was admitted to be just that. We still have not seen a time schedule which would indicate the benefits to be received by the commuter."

"We keep hearing and reading that there isn't any inflation but the LIRR in its announcement says there is one. We hear about their expenses but do they tell you what the increase in income has been? Have you noticed that now the Pennsylvania RR once again openly owns the LIRR and that they paid the largest dividend since 1928? Incidentally, they too are seeking a huge increase. Do they tell you how many passengers have stopped

RR Proposes 'Swap' With Town Of Poor Farm For Freight Yard

HICKSVILLE--The Long Island Rail Road is seeking a "land swap" with Oyster Bay Town officials which would move the present freight sidings more than a half mile west to the Jones Institute property at Chârollette Ave. it was learned today. Parking for commuters at the depot, according to a LIRR spokesman, would "be about doubled when the project is completed."

THIS HANDSOME building on John St., Hicksville, with its red brick walls, white trim, colonial type doorway and bordering flower and vegetable gardens is the Jones Institute which has a 120-year history. LIRR has in mind a plan to use a part of the property for a freight yard.

First public mention of the proposed "land swap" is contained in a LIRR press release reporting the "mass assault on one of the biggest community problems facing the Island--what to do with thousands of commuters' automobiles." The release does not discuss Jones Institute by name.

At the same time it was learned that the LIRR is "negotiating" with the Town of Oyster Bay regarding the Plaza Field recently developed right next to the station. The Town has posted the area with a two-hour limit, planning to open the triangular field between Marie and Nicholas Sts. for all-day district resident commuter parking.

The LIRR insists the Plaza area must be available for unrestricted parking. LIRR President Thomas R. Goodfellow said that the term "unrestricted" is important in the overall program. "It has always been our policy that anyone using the railroad is entitled to park on RR property without regard to where he lives. That policy will not be changed. We will not lease a single piece of property without a firm assurance that there will be no restrictions concerning residence."

The statement raises an interesting legal question if the Plaza improvement was undertaken at the expense of the Hicksville Park and Parking District, representing a local taxpayer charge.

The proposed "land swap" may also be more involved than the LIRR announcement indicates. The Jones Institute is governed

Non-Resident Still Rides Even After Board Verdict

HICKSVILLE--The East Meadow student who has been riding on the Hicksville School Bus to Amityville continued to do so, yesterday, (Thurs.) although an effort to approve such special exception failed to pass at the Schol Board meeting last Friday. School Attorney Harry Goebel had indicated Friday night that permitting such an exception without a formal request from East Meadow Board and without a contractual arrangement would not be proper. (For other details on the out-of-district parochial transportation question, see page 3).

Wainwright Starts 4th Year

WASHINGTON --- Congressman S. Wainwright, representing the Mid-Island area, began his fourth year in Congress today (Thurs) as 525 Senators and Congressmen took their oath of office. "During this next week the Congress will appoint the new committees. I will probably be reassigned to Labor and Education for all the vacancies on other key committees will be filled by members of the majority Democratic party," he told the HERALD. "In addition, all the Chairmen of these committees will be the senior Democratic members. My own prediction is that the Democrat-controlled 85th Congress will not do as well as the 84th, but that it will hesitate in declaring open war on the President. Consequently, there will be a fair percentage of constructive legislation enacted."

As in the past, I will welcome your comments and views on forthcoming issues. Write me at Suite 1317, New House Office Bldg, Washington, DC."

Jericho Votes 3rd Time on Site

JERICHO -- Another vote on a proposed high school site for this community has been set for Friday, Jan. 11, at the Robert Seaman School on Leahy St. with polls open from 8:30 PM to 11 PM. The thirty-nine acre site is on the north side of Cedar Swamp Road and west of Jericho-East Norwich Road. The project calls for expenditure of \$235,000. Additional registration of voters takes place tomorrow (Fri) from 4 to 10 PM and on Saturday from 2 to 8 PM. Persons who registered for the annual meeting on May 1 or for the special election meeting on July 2 need not register again for the Jan 11 referendum.

The Birchwood Park Civic Assoc. in a message to its membership earlier this week noted "the resultant site selected is in a fine location adjacent to the Cedar Swamp School."

Two previous efforts to obtain support for a high school site here have been rejected by the voters on March 5 and July 2 of last year. Both sites were south of Jericho Tpke. The site offered for vote on Jan 11 is north of the Tpke. at a price per acre considerably less than those previously rejected.

Hall Visits Local GOP

HICKSVILLE - Town Attorney Michael J. Sullivan is starting his second term as president of the Hicksville Republican Club Inc. He was re-elected at the combined meeting and Christmas party of the club held at the Masonic Temple recently when National Republican Chairman Leonard W. Hall, who is also Township GOP Leader, was a surprise visitor.

Sullivan and County Clerk Ernest F. Francke, former president of the Club, confessed they had "spirited" Hall away from a dinner at the Garden City Hotel to be present for the club affair. Mr. Hall complimented the local Republican organization, led by Mr. Francke, for the fine job they did during the Presidential campaign.

The club will hold its next regular meeting at the Masonic Temple on W. Nicholas St., here, on Friday night, Jan. 11.

Other officers elected were: Deputy County Attorney Francis Donovan, first vice president; Louis Kapstatter, 2nd vice president; Phil Robinson, third vice president; John J. Jeanson, recording secretary; Beatrice Jeanson, corresponding secretary; Henry McInnes, treasurer; Henry Bloch, sergeant at arms; and William Alonzo, publicity director.

Members of the Board of Directors are: Alex Pankoff, Ernest Dietrich, Constance Doyle, Frances Eglinton, Sue Schult, Leroy Slader, Ed Trahan, Adolph Sommer, William McCormack, Rose Patterson, Vincent D'Allyello, and John Leckie.

Mrs. John Hurd was chairman of arrangements for the Christmas party which included the appearance of William Reichert as Santa Claus, distribution of gifts and musical entertainment.

Auxiliary Donates Three Gifts

The Ladies Auxiliary of the Sgt. Ben Levitt J.W.V. Post 655 of Hicksville donated two fish tanks, and another tank was donated by Mrs. Winnie Collock, President, to the Retarded Children Classes at the Nicholl St. School.

Every Wednesday afternoon several members of the Auxiliary give service at the Roosevelt Cerebral Palsy Center.

The membership drive is still on. For information please call WE 5-5132 or WE 5-0414.

NEW ARRIVAL

Dear Jean:

Hicksville School Trustee ROBERT D. P. EATON of 225 Lee Ave. was taken to Mid-Island hospital, Saturday morning, where he underwent surgery. He was expected to return home yesterday or today.... Dr. ROBERT FERDINAND recently rejoined the Hicksville Kiwanis Club.... Volunteers are needed for the Mothers March on Polio which takes place on Jan. 19. Please call Mrs. EVELYN KRISSEL of 15 Larch St., Hicksville, at WE 1-5748 and tell her you are willing to assist.... During the holiday season there were 210 special employees at the Hicksville Post Office in addition to the regular staff of 140 to handle the flood. Fourteen mail trucks were used this year, according to Postmaster HARRY COTTER.... RUS MEARKLE is manager of the new Paper Dry Cleaning establishment on North Broadway at Nevada St., Hicksville. He is a graduate of the National Institute of Dry Cleaning at Silver Springs, Md. All the owners of this new establishment are all long-time Hicksville residents.... Annual report of Beach Superintendant SIDNEY W. PELLEY shows that 1,250, 000 persons used the 10 town beaches last swim season....

Understand that Plainview Mail bag, Mac, will no longer deliver in Plainview after the new 2 weeks. He is going back to his old love, the Signal Corps. Now, how will we keep track of his doings?.... Have you seen the nice Christmas display on the porch of the Jack and Jill Nursery School on E. John St., Hicksville.... Understand the LARRY HITTLES on Field Ave., Hicksville, have two Christmas trees in their living room. One for Mom and one for Pop.... Talking about Christmas trees, we hear that a tree in a Twinlawn Ave. home fell flat on its face the day after Christmas. Guess Dad didn't anchor it like he usually does.... Our deepest sympathy to the HEALYS of Murray Pk., Hicksville on the death of their Dad JOSEPH R. HEALY. He was a grand guy, we know, because the Heals were favorite neighbors of ours for a good many happy years....

Holiday echoes: The Lobby of Hicksville Post Office was decorated by JOHN MATTISON with the funds contributed by employees of the office. This included a lighted tree and other reminders of the happy season.... While Mid Land Civic Assoc held a contest to decide the most appropriate and attractive outdoor decorations of the holiday season, with judging on Dec. 28, the winner will not be revealed until the end of February. A silver plated loving cup will be presented at the Installation Dance of the Civics on Feb. 22.... Audubon Society elected 22, 000 birds in the area from Manhattan to east of Hicksville on Dec. 22. They noted 91 different species, including 55 Robins (who lost their way, no doubt)....

Nice and warm living in our community. Radio weather forecasts always say "and colder in the outlying areas east of Hicksville, Long Island".... LEO KANAWANDA of Troop 64, Hicksville, is among 10 explorer scouts chosen on Dec. 25 to represent Nassau County Council in the British Jubilee. ARTHUR GULDEN of Troop 126, Bethpage, is an alternate.... MRS. GERTHIE MUSE is the new recording secretary of North West Civic Assoc of Hicksville, succeeding Mrs. SITES who resigned.... IRVING BRAND is president of the Birchwood Park Civic Assoc of Jericho. He lives at 7 Hedgerow Lane....

Legionnaires' Log

by Artie Rutz

Well Santa really did a job for the Legion Kiddies at the Christmas Party, didn't he? He didn't forget to sit a single youngster on his well known knee and personally gave each one a toy suited to their age and sex and in a burst of extra Christmas spirit he left several door prizes when he left.

Billy Mangels, Ronnie Samett and Eddie Hodgkinson, Jr. were the lucky children who drew Santa's extra gifts. Santa really was grand and lots and lots of thanks to him for taking out time in his very busy day to visit the Legion young ones. Of course there was plenty of ice cream, cookies and soda to go around and the movies which Dick Evers showed were very enjoyable and Dick also worked very hard recording this event on film so that we may view it all again one day in the future.

The outside loud speaker system was the courtesy of Al Donals of Ray's Television Service which added flavor to the affair and put one in a real Christmas mood upon approaching the Hall. Heartier refreshments were served the adults who accompanied the kids to the party and Sid Hodgkinson and Ray Carroll did yeoman service in this department.

The turn out exceeded expectations and many a missing face was seen and it was real nice to say Merry Christmas to so many Legionnaires whose work does not permit them to be seen around more regularly. Thanks as always to Ed Hodgkinson and Bob Sutton for the beautiful tree they produced and trimmed and to the rest of the committee, Mike Paladino, Bob Hazel and Artie Rutz. Also a thank you to Pete for his efforts in obtaining refreshments from his employees. All in all it probably was the most successful of all Legion Christmas parties and it was

wonderful how the parents all pitched in unbidden to help things to run smooth, thanks to them also.

A NEW YEAR BUT A OLD STORY

Now that Santa has come and gone, And the New Year has arrived, Let's turn our thoughts brightly on The Legion program as contrived, Let's all assemble behind our Commander.

Aid close the ranks tight, Forward we go and let us not meander, In carrying on the Legion's fight To see that America stays clean and pure, To see our Flag fly straight and sure, Be it of silk or be it of cotton; Let visible and invisible efforts show, That our sights are raised and aimed, Let us then the seeds do sow For the betterment of the Veterans' cause.

When our goals we do obtain, When the work and labor done, When consolidated is the gain, Time is then for play and fun, Hope to see each and everyone of you at our NEXT meeting, Monday, Jan. 7 at 8:30 P. M., come, meet old friends and make new ones and enjoy the good "after the meeting" chow."

SZENDY SOUNDS WARNINGS

Out-of-District Transportation Cost Now Ahead of Budget

HICKSVILLE -- The cost of out-of-district student transportation for the current year is running thousands of dollars ahead of the amount budgeted it was warned today by School Board President Emil J. Szendy, who pointed out that unless additional funds are voted at the forthcoming referendum it may be necessary to curtail even that originally planned. He noted that the local district is "by far the most liberal of all neighboring districts in providing transportation to out-of-district schools."

"While the law requires only that transportation be provided to the nearest school of a denomination and to not more than one school, and to a distance not exceeding eight miles, Hicksville transports to nine Catholic schools and to a maximum distance of 12 miles. Catholic schools to which transportation is not provided include: Queen of Rosary Academy, Amityville; St. Barnabas School, Bellmore; St. Francis de Chantal, Wantagh; Chaminade High, Mineola; St. Dominic's, Oyster Bay; St. Martin of Tours, Bethpage; Our Lady of Mercy, Syosset; Sacred Heart Academy, Hempstead; and St. Patrick's, Glen Cove.

"In providing such transportation the School Board has recognized that many of the parochial schools are crowded and some charge fees that parents are unable to pay, consequently they go to many schools. Also, that the public schools in the district are correspondingly freed from the need of providing space and staff to teach these children.

"In my opinion," President Szendy continued, "this transportation is now being hazarded by over-extension.

"The ninth school on the 1st, St. Patrick's in Glen Cove, was added on Dec. 6. Two children are being transported to this school at a cost of \$140.00 per month or \$1400 for a school year. The cost of transportation per child far exceeds the total cost of education per child in the Hicksville Schools which is less than \$500 per child. A tenth school, one at Westbury, is about to be added; whether it will be absorbed by the present carrier at no additional cost is yet to be determined.

"Transportation and charges are being added with a free hand by the board in spite of the fact that the cost of transportation was originally planned

exceeds the money in the budget.

"Out-of-district transportation was budgeted at \$19,250; the cost will be \$22,875, plus \$980 for transportation to Glen Cove for

the balance of the school year, plus any additional costs of transportation to Westbury or to schools which may yet be added.

"Let it be definitely understood (Continued on Page 10)

Town Hall Annex Busy Place

OYSTER BAY -- Activities of the Town Hall Annex in Hicksville increased greatly during the last six months of last year. Employees at the Annex were kept busy filling requests and answering inquiries by more than 8,000 homeowners who contacted the Annex during this period, Manager John DeMersman reported today.

His report to Supervisor Lewis N. Waters covered the six month period from June 1 to Dec. 1, 1956.

Of the total number of Townspeople requesting service at the Annex there were 1,617 seeking data concerning regulations governing alterations or additions to their homes; 1,382 persons sought information on Town beaches and 1,531 requests were received for fishing, shellfish, hunting and dog licenses. More than 1,500 homeowners confined their requests to general information on highways and sanitation services.

CURRENT COMMENT: Taking Look Into New Year

by FRED J. NOETH

THE NEW YEAR is a time for resolutions and for procrastination. We'll leave the resolutions to our strong-willed readers and take a look into the crystal ball.

POLITICS: Being strictly local, our interest is primarily with the local scene. This year is "an off year" with Township officials up for election. This fall should see two additional councilmen elected to the Town Board, one from Plainview, bringing the total up to six as authorized by the voters almost two years prior. Leonard W. Hall, in our opinion, will relinquish the National Republican Chairmanship but will remain firmly in the public spotlight and make a strong bid for the governorship or the Empire State.

EDUCATION: The School Board will remain in the news for several reasons. First of all, it is the biggest local unit of government with an annual budget in excess of five millions of dollars, employing more than 600 people, educating over 10,000 boys and girls; Hicksville students will go on single class session in February with the on-schedule opening of the temporary elementary school additions. The School elections in May will be warmly contested with the opening guns coming about the beginning of March.

The terms of three members expire this year: Mabel R. Farley, Joseph Cawley and Elwood S. Kent Sr. We doubt if Miss Farley will seek re-election. School taxes will continue to climb.

BUSINESS: Down town merchants will find little improvement during the coming year; however, on the other hand conditions will not get worse. Grade crossings and traffic in general will continue to plague retailers and shoppers alike. The widening of North Broadway will get moving early in the year but the problem of the RR crossing blockade will continue without relief.

TRAFFIC: We feel especially pessimistic about the possibility of progress on traffic controls, although they are so sadly and urgently needed. Important to down-town business will be the opening, some time this year, of the long-awaited parking fields on the west side of Broadway--Taliaferro, Lebkuecher and Pavogel parcels.

COMMUNITY: The year 1957 will mark the further settling-down, so to speak, of the community which experienced such overwhelming growth in a few short years. There may even be a return to the community spirit of old, although some feel that the present day size of the area is too great for the true development of such interest as in the days when the population numbered 8,000.

With the open pages of a bright new 1957 before us, we feel confident and hopeful of the future even in the face of past experience. For us, personally, this year is important because it marks the start of the 10th year for the MID ISLAND HERALD... my, how time flies.

Stubborn Blaze Early Monday

HICKSVILLE - Volunteer firemen fought a stubborn fire of burning, discarded truck tires in a pit near the Davis Construction Co. on Charlotte Ave., here, during the early hours of Monday morning. The first alarm was sounded shortly after 1 A.M. After pouring tons of water into the debris and apparently controlling the blaze, it was later reported in action again and the pumps returned to the scene at about 4 o'clock. They returned to headquarters as dawn was breaking.

TOOT FOR HOLIDAY was given by these students, a quartet of Hicksville High School, at Mid Island Plaza during the holiday season.

Palsy Campaign Over the Top

The Nassau Cerebral Palsy Association went over the top in its 1956 fund drive campaign with contributions totalling \$428,526. The goal for the year was \$425,000.

The successful termination of the campaign was announced by National Republican Chairman Leonard W. Hall of Oyster Bay, 1956 fund drive chairman who was serving his second successive year in that capacity. In 1956 he headed a drive that also surpassed its goal of \$400,000.

In announcing the results of the 1956 campaign, Hall extended his personal thanks to "the thousands of volunteer workers throughout the county who participated in the drive and to the people of Nassau who have so generously supported the Nassau Cerebral Palsy Association in the fine and extremely necessary work it is doing in the habilitation of our cerebral palsied children."

Hogan to Induct New Officials

Supreme Court Justice Howard T. Hogan of Nassau County will induct into office the new officers and directors of the Long Island Home Builders Institute at the organization's dinner meeting in the Garden City Hotel next Wednesday evening, it was announced by Anthony S. Zummo, retiring president and new chairman of the board.

Walter G. Stackler and Leonard L. Frank will receive a special merit award for "conceiving and creating Mid-Island Shopping Plaza at Hicksville and thus contributing immeasurably to the economic well-being of Long Island."

Dutch Lane Hears Dr. Slutzky

Dutch Lane PTA Hicksville PTA will hold its regular monthly meeting on Tuesday Jan. 8. Dr. Jacob E. Slutzky, one of the School district psychologists, will be the speaker. His topic is "Why Children Need Limits." His talk will be followed by a question and answer period. Preceding Dr. Slutzky will be a brief explanation of pupil personnel services in the district.

Woman's Society Meets Wednesday

The Woman's Society of Christian Service of the Hicksville Methodist Church will hold its regular monthly business meeting on Wednesday evening, Jan. 9, at 8:15 P.M. in the church. All women of the church are invited. Mrs. Stewart Hepper, Secretary of Status of Women, will be in charge of the program. The Mary Circle will conduct the devotions and the Dorcas Circle will serve refreshments.

Society Meets Next Monday

The Rosary Altar Society of Holy Family Church, Hicksville will hold its monthly meeting on Monday, Jan. 7, at 8:30 pm in the Auditorium immediately following the Novena. Featured on the program will be a film "Cradle of Faith" narrated by S. Wollman of the Schaefer Brewing Co. who is sponsoring the presentation.

VISITOR TO JERSEY

Miss Lynda J. Noeth, Twin-laws Ave., Hicksville returned home on Monday from a week's stay at the home of Miss Joyce McLaughlin of Summit, N.J. Miss McLaughlin is a former resident of Hicksville.

DAUGHTER ENGAGED

Mr. and Mrs. Louis Leuzner Jr., of 440 Newbridge Rd., Hicksville, announce the engagement of their daughter Patricia Ann to Vincent Caruso, son of Mr. and Mrs. Anthony Caruso of Commack. Miss Leuzner is a graduate of Hicksville High and is employed by Carlson and Reed. Mr. Caruso is a graduate of Smithtown High School.

BECOMES BRIDE

Miss Nancy Lee Christiansen, daughter of Mr. and Mrs. Henry H. Christiansen of Cold Spring Harbor became the bride of Walter H. Monje of Baldwin on Saturday Dec. 22, at Trinity Lutheran Church in Hicksville.

Muriel Haydee Garcia To Wed Ernest Bundschuh

Mr and Mrs Jose Garcia, of 26 Murray Road, Hicksville, announce the engagement of their daughter, Muriel Haydee, to Ernest Bundschuh, son of Mr and Mrs Ludwig Bundschuh of Plainview Road, Plainview.

Both are graduates of Hicksville High School. Miss Garcia attends the University of Vermont and will be a January graduate from the School of Nursing with the degrees of RN and BS. Her fiance, a sophomore at the University of Alabama, is a Physical Education major. He is a member of Lambda Chi Alpha fraternity. A June wedding is planned.

20th Mercy Ball on Jan. 18

GARDEN CITY-Long Islanders attending the 20th Mercy Ball the night of Jan. 18 will dance to the music of Vincent Lopez and enjoy a gala evening of memorable entertainment at the formal affair which has become a leading charity function since its inception two decades ago. Reservations close Jan. 14.

The Hicksville village committee is headed by William E. Koutensky. He is being assisted by Dr. W.G. Burke, Eugene E.

Cullen, Anthony Froehlich, John Froehlich, Aurelio Gelardi, Alex Kiesel, Hon. Joseph P. Lebkuecher, Charles I. Montana, William M. Payaski, Herbert W. Purick, Joseph Reinhard, Stephen F. Smatlak, Michael J. Sullivan, Arthur Talbot, Stephen Timosuk Dr. William H. Walker and Donald F. Woods, all members of the Friends of Mercy Hospital, sponsors of the benefit dance.

The Village Committee reports that ticket sales are running ahead of last year's schedule. This was expected by the committee because of the fact that the new Georgian Room will allow more floor space for comfortable accommodation. The ball is perhaps the only local event which permits a gentleman to escort as many ladies as he wishes for the price of one ticket.

PRESENT MARIONETTES

Performances of Berkeley Marionettes in "The Magic Salt Shaker" will be presented by the P-TA in the Central Blvd. School Auditorium, Bethpage, at 11 AM and 1 PM on Saturday, Jan. 12. A donation of 50¢ will be charged to all.

Pius X Meets Monday Night

HICKSVILLE - The Pius X Society of Confraternity Parents and Teachers of St. Ignatius R. C. Church will hold their next regular monthly meeting on Monday, Jan. 7, at 8:30 p.m. in the cafeteria of the school.

Ways and Means chairlady, Mrs. M. Rennie, reminds the members that the tickets for "Luncheon is Served" will be available at the meeting. The Luncheon will take place on Saturday, Feb. 16 at 1:30 p.m. in the cafeteria of the school. Members, friends, and relatives are invited to attend this delicious lunch but due to the limited number of tickets, they are asked to purchase them at the January meeting. The tickets are \$1.50 and Sweepstake tickets will be sold at the lunch. There have been many beautiful prizes donated to the sweepstakes and anyone wishing to donate further may contact Mrs. Rennie at WE 1-7110.

The speakers for the January meeting will be the Rev. Ruff of the Sacred Heart Fathers. Father Ruff will speak of his experience as a Missionary in Japan. The Moderator of Pius X, Rev. Lawrence Ballweg, will show the films that were taken at the Christmas Play on Dec. 23. The Executive Board of the Pius X wishes to extend their greetings to all the members for a Happy and Holy New Year.

Special Speaker At Powell Ave.

BETHPAGE - Dr. Richard Perrault will be the special guest of the Powell Ave PTA this evening (Thursday) when he will moderate a discussion on children and mental health. The theme for the evening will be set by the showing of the film "Meeting Emotional Needs in Childhood." Audience participation will be a feature of the program.

A practicing psychiatrist in Hempstead, Dr. Perrault has served as Clinical Director of the Mid-Nassau Community Guidance Center for children for the past three years. This center is the first non-profit one licensed by the State of New York in Nassau. Dr. Perrault is also a Panel Psychiatrist for the Division of Foster Home Care in the Department of Welfare for the City of New York as well as Consultant for Catholic Charities. For two years he was Staff Psychiatrist for Children and Adolescents at Kings County Hospital. A graduate of the New York University College of Medicine, he obtained his clinical training at the American Institute for Psychological Analysis.

For such an outstanding program the Powell Ave PTA is extending a cordial invitation to all members of the community to attend its next regular meeting in the auditorium of the Powell Ave School.

LEE AVE MEETS

Lee Ave School P-TA of Hicksville holds its next regular meeting on Thursday night, Jan. 10 at the Lee Ave School at 8 P.M.

SENIOR HIGH P-TA

SENSOR OPEN MEETING

It will be Young People's Night when the Hicksville High School P-TA meets at the high school auditorium on Jan. 17. "Our Young People - Your Responsibility" is the P-TA theme this year.

Kent Plays Santa for Cubs

HICKSVILLE - Cub Pack 91 met on Friday evening, Dec. 21, for its regular monthly meeting and Christmas Party at St. Ignatius School cafeteria, E. Nicholas St. Chris Reimels, cubmaster, presided.

During the business meeting, Thomas Harrison, chairman of the Pack committee, presented Frank Loevi of Bethpage, Neighborhood committeeman of the Tri-Parkway Dist., who presented a Scout's Award to Thomas Reagin for his faithful 15 years of service to Boy Scouting both in Hicksville and in New Jersey. He has served as cubmaster, committeeman and chairman of Cub Pack and Boy Scouts Troop 91. He was also cubmaster committeeman of a New Jersey group. Mr. Reagin resides at 111 Park Ave., with his wife Leona, and three sons, Thomas, Michael and Robert, all interested in either cub-scouts or scouting and a daughter, Rita, a Brownie.

Awards during the evening were: Bobcats: James Kulbembeyer, Anthony Sciarri, Edward Ryan and

Thomas McCreery, Wolf Badges: Jackie Strong and Warren Fisher; Lion Badges: Richard Powers, Webster, John Roman, and Edward Dougherty, Gold Arrows: Warren Fisher, Richard Powers, Charles Lang, Vincent Racine, John Giarelli, Frank Kremler, Robert Baranski, James Borzel, and John McGann. Silver Arrows: Warren Fisher, Edward Dougherty, Frank Kremler, Robert Becker and Robert Nathan. Jovial Santa Claus in the person of Elwood Kent, Sr., presented the cubs and their guests with gifts from the grab-bag and the committee served refreshments to all. The next committee meeting of the Pack will be held at St. Ignatius school on Wednesday evening, Jan. 16 with regular Pack Night on Friday, Jan. 25. Plans are being made for the annual Blue and Gold Dinner to be held at St. Ignatius on Feb. 23.

The Big Pow-Pow of the Tri-Parkway District will be held in the Division Ave. School on Sunday, Jan. 20, from 1 to 8 p.m. All interested are urged to attend.

FARES UP AGAIN

(Continued from Page One)

using the RR because of the increases? are you aware that the more people that have to go back to capools the higher your taxes must be to support new road construction?

"We suggest you write now to your State Representatives and Governor Harriman. The present law permitting these increases prior to a hearing must be changed. Even if the RR were refused the current increase you would not get your money back. This alone is a nice piece of change to consider."

"Wake up and act. The money you save will help your children and mine. In many cases it is the difference between living and existing." Goldstein pointed out.

The statement by Goodfellow included this comment:

"The railroad redevelopment law, under which the LIRR has been operating since Aug. 12, 1954, gives the road the right to make emergency fare changes to provide sufficient revenue for operating expenses and rehabilitation costs. The PSC can hold a hearing and, if it should decide that the increase is higher than the minimum the railroad needs to do the job, can order the fares promptly cut back."

Central Loan Is Celebrating

HICKSVILLE - Free gifts for depositors and children, twenty \$20 gift certificates redeemable at local stores and a big prize award are all part of the gay and festive 20th birthday party celebration of Central Federal Savings and Loan Assoc. The local and Long Beach offices are combining in the celebration throughout the month of January.

In 1937, the year that Central Federal Savings and Loan Association of Nassau County opened its doors for the first time, \$910,97 was the total in declared dividends. From 1937 to 1956, 40 consecutive semi-annual dividends amounted to \$1,900,000...with the 1956 dividends amounting to almost \$450,000; at the present dividend rate of 3% per annum.

Today total assets are in excess of \$22,000,000 with reserves of \$1,200,000. Mortgage loans of thirty-two millions of dollars have been made to 3,714 home-owners.

To the above named defendants in this action:

The foregoing summons is served upon you by publication pursuant to an order of Hon. L. Barron Hill, Justice of the Supreme Court of the State of New York, dated the 14th day of December, 1956, and filed with the complaint in the Nassau County Clerk's office at Mineola, New York.

The object of this action is to foreclose two certain mortgages affecting real property at Syosset,

LONG ISLAND LIGHTING CO. was listed among 23 industrial firms and institutions in the United States, Canada and Hawaii which received "Plant America" awards announced last month in the Fourth Annual Industrial Landscaping Competition sponsored by the American Assoc. of Nurserymen. The utility company was announced a winner in the nationwide competition for the landscaping of its new building on Old Country Rd., Hicksville, which was deemed "one of the best

examples of industrial landscaping in the country". Landscaping of LILCO's Hicksville plant was performed by the Lewis and Valentine Nurseries of Greenvale, which received two of the 23 national awards made to nurserymen in the annual competition. Its other award was for the landscaping of the new Valley Stream Village Hall. Carroll M. Shanks, president of the Prudential Insurance Co. of American was chairman of the jury of awards. Health And Happiness Are Inseparable

A degree of happiness is attainable by everybody who seeks it. The rich or poor, the important and unimportant, can enjoy life - even the lazy can enjoy their laziness. But none of these can be happy without the principal ingredient - good health. All hopes of ambition, in any field, depend on good health. Without it, life is nothing. Yet most people are less concerned about health than about their car and take less care of their bodies. One of the most important factors in maintaining good health is an unobstructed nervous system, for this is the origin of our well-being. The central nerves are encased in the spine. They branch out between the vertebrae to all parts of the body. If the flow of nerve energy is cut off en route to its designated part of the body, then the deprived part will function abnormally. Headaches, eyestrain, upset stomach and a multitude of disturbances ensue. A person then becomes ill, and any form of happiness is greatly decreased, for it can be enjoyed but little.

A thorough check-up of the nervous system is as important as happiness itself since it will contribute toward that end. The development of strong muscles, exercise, correct posture, and relaxation are contributing factors. But the necessity of a check-up on the integrity of the nervous system, by your doctor of chiropractic, is both wise and practical. The normal flow of nerve force increases normal resistance to disease and creates a greater degree of happiness.

Out-District School Bus

(Continued from Page 3)

that, generally, I favor such transportation. Szendy asserted, "but I believe that even those parents who benefit by it will agree that it should be provided within reason, and that a cost of \$140 per month for two children is unreasonable. There must be some other equitable and less expensive solution."

I also believe that most will agree with me that Hicksville should not provide transportation for an out-of-district child, informally and without formal request from the District in which the lives, which is providing for its own form of less expensive public transportation to the same Amityville School. An attempt was made at the Board meeting last Friday to vote such transportation even though Attorney Goebel repeatedly ruled that would be illegal to do so.

"I was told last week," Szendy continued, "that a child from East Meadow was being transported by Hicksville on an over-crowded bus and carried a Hicksville bus pass. Mrs. Caesar, in charge of transportation, told me that she had been directed to provide the transportation and issue a bus pass by Trustee Elwood S. Kent. I understand that Mr. Kent denies this."

"In the years I have known Mrs. Caesar and she has served the district I have never had reason to doubt either her veracity or her integrity," he continued.

At the same time, the PSC abrogated the authority of Hendrickson Bus Corp for operation of a route between Oyster Bay and Hicksville. In April, when the Commission authorized Star Bus to initiate service on its Hicksville-Syosset route, it permitted Hendrickson to suspend service between Oyster Bay and Hicksville but said it would not act on the company's petition for complete discontinuance of the route until after Star Bus Lines had obtained a permanent certificate.

1957—THE CRYSTAL BALL

Because of the absence of an absolute power, the Eastern Division NSAL Championship will be harder to win than usual.

The 1957 title of the loop -- which the record clearly establishes as the best in Nassau by a margin of four titles to one -- will provide an invigorating basketball race.

On the strength of a difficult pre-league campaign in which Ed Petro's boys recorded a 2-won and 3-lost mark, Hicksville must be regarded a very slight favorite.

It is only an eight-game schedule, however, and the Comets will find out quickly how good their chances are. Farmingdale, capable of annexing the bunting, invades Hicksville this Friday night to get things underway.

John Magee, Larry Keniter, Pete Nygren, Howard Laptman and Mickey Maskow should be riding the crest of the 65-60 upset of Great Neck recorded just before the holidays and will outscore Mitch Jaworski's dangerous Dalers.

In 1958 -- the Eastern Division Championship -- a Prize always worth winning -- will be captured by Hicksville.

As action resumes in the Nassau County Amateur League, Oyster Bay Wonder Five, Hicksville Community Club and the Hicksville High Alumni are tied for first place in the Eastern Sector each with 2-0 records. Oyster Bay has the experts nod to win the title. We look, however, for a third game between the two Hicksville teams to decide the championship in early spring.

A revival of interest is expected in Amateur League basketball because of the division in Hicksville circles. With such well-known talents as Harold Manaskie and Stan Kellner plying the CC and Ted Schwartz, Dick Alcock, Ed Scott and Bob Payton leading the Alumni, the fur will fly. The Alumni plays at home on Monday nights and the Community Club on Thursdays.

These clubs should share the attention of as many fans as did the Hicksville Kiwanis did when sell-out after sell-out marked its march to the 1948 Amateur Title.

The Nassau County Amateur League schedule calls for the Hicksville Community Club to meet the Hicksville Alumni next Monday night, Jan. 7th.

Under Coach Howard Bowers in 1956, Hicksville laid the foundation for its major step up in football competition which comes this year. Losing only three games in '56 and only to undefeated clubs, Hicksville High proved it was on the way back to gridiron power.

The schedule will be demanding, Great Neck, Mineola, Glen Cove, Port Washington, East Meadow, Farmingdale and Westbury are a formidable array.

The 4-4 split in that fast company would be most commendable. Sophomore Quarterback Joe Naso got Bowers' offense moving for a record 1800 yards on the ground last year. John Roberts who picked up 695 will be graduated but Junior Dick Stillman (over 500 rushing) will be back. The year 1957 will see the forward pass (Hicksville only three 16 for a total of 67 yards in eight '56 games) increase its influence on the Comet attack.

This year will see attendance skyrocket in the Hicksville stadium with over 10,000 flocking to the four home games.

What they will see will be definitely commendable --- it may even be exceptional.

1957--SOME WILL, SOME WON'T, SOME COULD

Ted Grieve will have a more distinguished campaign with the HHS wrestling team than his fine effort in '56. John Mazur's Orange and Black soccer team will gain greatly in popularity and a natural youngster named Steve Blust will be an outstanding booster. The blank left in our community sports by the demise of the Hicksville Field Club will remain despite a sympathetic clamor to revive the Sunday pigskin spectacle. A concerted effort to place Hicksville athletes in College will bear fruit. Very few Orange athletes have gone forward to higher halls but that will be a point on which many good men will work hard to overcome. Chaminade High will be even more pleased with the ability of Hicksville's Francis DeGabin in his sophomore year than it was with his frosh gridiron exploits. Track will have an overall team improvement but HHS will not have a star like Marty Watkins who won the NSAL High Jumping Championship with skilled vaults...

You Need Yellow Slip To Get Plates

A yellow slip of paper, 6 by 3 1/2 inches in size, is just as important as your renewal application form when you apply for your 1957 auto plates.

Unless you have this slip of paper at the time you apply for your plates the Motor Vehicles Bureau cannot give you plates for next year.

That's the law.

It's New York's new compulsory automobile liability insurance law—officially, the Motor Vehicle Financial Security Act.

Under it, every motor vehicle must be covered by liability insurance of at least "ten-twenty-and-five" in order to be registered in New York and use our State's and highways.

MUST KEEP UP INSURANCE

This liability insurance must be kept up continuously, or you lose your plates and, in some circumstances, also your driver license. There are criminal provisions which make you subject to a heavy fine or even jail sentence for certain violations.

All of this is the State's answer to the old and aggravating problem of those who suffer innocently at the hands of financially irresponsible drivers.

This new law, in the words of Gov. Harriman, "marks a great step forward towards securing just treat-

jointly by Oyster Bay and North Hempstead with elected trustees from each township. The property, in fact, is right on the junction of the two town lines.

Some observers believe that an act of State Legislature may be necessary before any of the hold-ings of Jones Institute can be "swapped" with the LRR.

SUPPORT OF POOR

The Jones Institute dates back to 1836—120 years ago—when the will of Samuel Jones was probated in the Queens County Court-house in Jamaica. He bequeathed a substantial part of his large estate to "the people" for the expressed purpose "to exempt the inhabitants in the future from all taxes and assessments for that purpose"—support of the poor.

When the first Jones Institute was located in Brookville-Mutton-town area, the state legislature in 1866 authorized the town to spend \$12,000 for main buildings and \$2,500 for furnishings and out-buildings.

About 50 years ago the present institute was authorized and constructed on the plains off John St.

Discussing the "land swap," the LRR says: "One of the more elaborate parking arrangements is being worked out at Hicksville. . . The freight yard is now located just west of the station, and a switch leading from the Main Line to the yard prevents extension of the passenger platform. The Railroad is arranging with the town to acquire 100 town-owned land about a half mile to the west and move the yard. The present freight yard can then become parking area, the yard can be shifted closer to the industrial plants it serves and the station platform can be lengthened to give better service to passengers."

"At Bethpage, a similar arrangement is giving the community a brand-new station as well as a greatly expanded parking area. The present station, a 75-year-old wooden structure, will be removed from the eastbound side, and an industrial siding which cuts across land more sorely needed for parking will be shifted to the west."

"A new brick station building will be built on the westbound side—a spot more convenient for commuters—and the land on the eastbound side will be turned over to the Town of Oyster Bay for inclusion in a large unrestricted parking lot it is preparing. In addition, the town is opening up a short stretch of one street leading to the new station to provide a through route for cars past the station."

JULIE ANN SUTTON of Massapequa was named today as the winner of the Thunderbird Jr. Automobile Contest staged by Duane's Shoes to mark the opening of two new stores, one in Bar Harbor Shopping Centre, Massapequa Park, and the other at Mid Island Plaza Hicksville. Julie came to Long Island with her family from Grand Rapids, Mich., three years ago. She is a kindergarten pupil in the Birch Lane School.

ment and assuring a greater measure of safety for the citizens of our State."

The State Legislature wrote into the law its purpose—"that innocent victims of motor vehicle accidents may be recompensed for the injury and financial loss inflicted upon them."

The Motor Vehicle Bureau has this immediate advice for every vehicle owner: If you do not now have automobile liability insurance, you had better make arrangements at once to obtain the required coverage. If you do have liability insurance, make sure that you keep it always in force.

The canary-colored slip of paper, which you will have to submit to the Bureau of Motor Vehicles with your 1957 registration renewal application in order to get your new plates, is a Certificate of Insurance and will be identified of-

ficially as Form FS-1. This is the only proof the Bureau will accept that you have an owner's policy of liability insurance in the minimum amounts required by law.

MINIMUM COVERAGE LISTED

The minimum required coverage is \$10,000 insurance for injury or death of one person in one accident, and \$5,000 for property damage.

This Certificate of Insurance is obtained from the insurance company or agent or broker who sells you your automobile liability insurance policy. It will show the name of the company, your name, the number of your policy, a description of the vehicle, starting and expiration dates of the policy.

The certificate (Form FS-1) must accompany your application for 1957 plates.
