## HALT TAPE RECORDINGS:

# SCHOOL BOARD EXTENDS RIGHT OF WAY 7 DAYS; 2 TRUSTEES WALK OUT

HICKSVILLE -- A special meeting of the Board of Education is set for next Monday night at the High School with the future of the "right of way" agreement with Stackler & Frank up for first consideration. While it was not on the agenda last Monday night, the four Board members remaining for the end of the session voted to extend the agreement from Jan 15 to 22 at midnight. The owners of Mid Island Shopping Plaza had asked for a 60-day extension, or whatever period is necessary to hold a referendum.

The meeting last Monday night at Lee Ave School was marked by a series of well-coordinated actions which followed the agenda in rapid succession despite objections and protests voiced by two members of the Board and several persons in the audience.

**RATIFY BUS ACTION**  
Upon the motion by Trustee Kent, seconded by Trustee Cawley, the Board ratified the request of Thomas F. Conroy of East Meadow Board, permitting Helene Farrell of Westbury to continue riding a Hicksville School Bus to Amityville until Jan. 26. East Meadow will pay the retroactive cost to Jan. 2. East Meadow votes on appropriation for out of district transportation on Jan. 26. President Szendy, Vice President Elrich and Trustee Carpenter voted no, while Trustees Eaton and Farley voted with Kent and Cawley to approve the ratification.

In another rapid-fire action, Trustee Elrich moved adoption of by-laws for the Board, dated Jan. 11, seconded by Trustee Cawley. Trustee Eaton admitted to having drafted "most of them". President Szendy and Trustee Carpenter objected to immediate adoption, the latter wishing to have them first reviewed by School Attorney Geibel.

During discussion, Arthur Lewander in the audience, requested the Board table action until all Board members and the general taxpayer public had an opportunity to become "fully aware of its implications and effect." Sol Zimmerman, also in the audience, urged the Board "to be statesmen" and noted that the "situation today appears to be 'the hell with the minority'".

A motion to limit debate to 10 minutes was carried thru over the ruling of the President. Szendy and Carpenter voted no on adoption while the rest of the Trustees voted aye to carry the by-laws.

# Dear Jean:

A mix-up of top coats at the December GOP club meeting was not straightened out at the January meeting. One member went home with a coat too large for him and Secretary BEA JEANSON is sure that some other member had a pretty tight fit. She hoped a suitable exchange could be made at last Friday's session but both parties did not appear, only the fellow with the too-big coat. While honors are being bestowed to the builders of Mid Island plaza for "contributing immeasurably to the economic well-being of Long Island," we note that three apparel stores in Hicksville are "solving out of business" one in each of three blocks on Broadway. Mr. and Mrs. ROBYE RICHARDS of 8 Buckner Ave., Hicksville won the top award in the Newbridge Terrace Homes for the best Christmas decorations. The Assoc. met last night at Fork Lane School. CLIFFORD PLACE expects to be in Washington for the inauguration.

JAMES MATIENZO went fishing out of Freeport, Sunday and spent most of a miserable day below deck. He got out the last 10 minutes and wouldn't you know it?--caught the biggest cod of the day to cop the pool. Hicksville P-TA Council will hold its fourth annual Founders Day dinner at the Milleridge Inn on Feb. 28. Sale of tickets for the MABEL K. FARLEY testimonial dinner-dance is scheduled to close this weekend. Don't delay any longer. HOWARD ZUCKER of 14 Edgewood Dr., Hicksville, is being inducted as a member of Sigma Alpha Lambda at Hofstra College. JOSEPH W. HARRIGAN of 107 Rim Lane, Hicksville, is a liberal arts student at Marquette University this year. He is among 142 students from New York State. The University has a record enrollment of 10,893. JOHN C. DOWLING of 26 Blance St., Plainview, is also enrolled there. ALAN K. CAMPBELL of Hicksville, chairman of the Dept. of Political Science at Hofstra College, has been elected first President of the newly organized Phi Chapter of Phi Beta Kappa. He served as chairman of the organization committee for the group which includes Phi Beta Kappa members from all Long Island. FRED J. NOETH, publisher of the HERALD, has been awarded a pin in recognition of 20 consecutive years membership in the Nassau Extension Service (formerly the County Farm Bureau). The National Assoc. of Mail Carriers meets at Levittown Hall on Tuesday night, Jan. 22.

An important member of the KIPKIN family of 32 Fox Pl., Hicksville, in the Fairview development was blessed with eight puppies on Jan. 12. Joy, their boxer became the mother of four fawns and four brindie pups. The six champion stock males and two females are for sale. Anyone interested; please call WE 5-1016.

Our sincerest sympathy to JEAN ESATTOO at Hicksville Farms on the death, Saturday, of her mother. Good to see Mrs. GEORGE WRIGHT (Betty to her friends) of Lenore Ave., Hicksville, out again after a siege with that old devil, the cold virus. Little EUGENE BOGART of Chestnut St., Hicksville celebrates his 5th birthday today. He'll be host at a party Saturday for his friends and playmates. This time Mr. JOE at Hicksville Farms sets the cooking crown. His new feature, good old fashioned fish cakes, are out of this world. Try them but you will have to place your order early. They go like mad on Friday. Hope you got your tickets for MISS FARLEY's testimonial dinner on Thursday, Jan. 24 at the Garden City Hotel. It's a good chance to see all your old classmates who attended Hicksville High when she was principal. GEORGE RETZLER, president of the Hicksville High School Key Club, announced recently that the proceeds of the recent sale of candy by the club will go to charity. Sincere sympathy to Mrs. MARGARET HEBLER and family of Twinlawn Ave., Hicksville on the death this week of Mrs. Hebler's grandfather who lived in Hempstead. In the good new dept. out of the hospital is RAY BONAZZI of Dante Ave. and the little daughter of Mr. and Mrs. BERNARD SCHUSTER of Twinlawn Ave., both Hicksville.

## Milk Concern Industrial Zone, Garden Apts Up Again Jan. 29

OYSTER BAY -- Two controversial land-use propositions in Hicksville will come up again for public hearing before the Town Board, here, on Tuesday morning, Jan. 29. One is the application of Harry L. and Myron Nelkin for a special permit use for garden apartments on Bethpage Rd. at the corner of Andrews Road, embracing a little less than nine acres. The other is a plea of Mary Staryk for a zone change from Residential to Industrial for property at the southwest corner of Nevada St. and Burns Ave.

## Pow Wow Sunday

LEVITTOWN - County wide attention is being focused on Tri-Parkway District's first Pow-Wow being held this Sunday, at the Division Ave. School.

The Pow-Wow, a one day training session for Cub Scout adult leaders will run from 1 to 9 P.M. A Blue & Gold banquet will be featured. There will be a midway containing games and handicrafts made by all of the Club packs in the district. Everyone will have an opportunity of playing games and examining the exhibits from 1 to 1:45, at which time an opening ceremony will be held.

A faculty of over 60 persons has been recruited by the committee to insure expert instruction for the Cubbers. In addition, volunteer teachers from the schools in the district will offer expert instruction to the Den Mothers in handicrafts. Many merchants and industries have contributed materials for use. The committee expects over 400 men and women to be in attendance.

Under the new rules of training, attendance at the Pow-Wow is required for the Scouter's Key, the Scouter's award, and the new Den Mother's Award.

Jonas Bernstein is the general chairman and the following scouters head their sections: Chris Reimels, ceremonies and Blue & Gold; Art Thorner and Martin Factor, pack administration; Jack Green, games; Jack Patascher and Charles Harris, handicrafts; Al Hesbach and Doug Hassell, midway.

## Jazz Concert

### Tomorrow Night

A Jazz concert will be held tomorrow (Friday) evening, at 8:45 P.M. in Levittown Hall, Hicksville. Lee Konitz and his All-Stars will be the featured performers. Jazz enthusiasts will recognize Konitz as one of the most outstanding alto-saxophone players in the jazz world. He has appeared at many local jazz night clubs and concerts. He recently performed at the Randall's Island Stadium concerts and has just returned from a nationwide tour. Downbeat and Metronome

The Garden Apartment application was made last summer and was denied by the Town Board in Sept., following vigorous opposition from residents of Seymour Lane and vicinity who presented petitions carrying about 800 signatures.

The Staryk application for Fairway Farms was previously opposed by action of the North West Civic Assoc. and petitions signed by 700 residents of the area. The Board of Education also registered opposition because there is a school on Burns Ave. John Staryk recently appeared before the NW Civics and explained his revised application. The Association voted to again oppose the plea.

## Jericho Objects

The proposed construction of additional garden apartments between Richard and Ziska Ave., Hicksville, was the subject of a public hearing last week on Tuesday. A petition with 200 names in opposition was filed by residents of the area including the Jericho Civic Assoc., Taxpayers Assoc. and Birchwood Gardens Civic Assoc. and "creating a precedent and opening the door to this type of housing." The location is within the Jericho School District. The applicant, Green Tree Manor, Inc., told the Board there is need for this type of housing in the Mid Island area, particularly for people without children.

The Town Board reserved decision.

Opposition was also recorded to the plea of William Ludovici for permission to erect and maintain an auto wrecking business in Hicksville on the north side of Hazel St. and east side of Jefferson. The applicant told the Board he would erect an 8-foot corrugated fence on the north, east and west sides, a chain-link fence and land-

magazines have both presented important awards to Mr. Konitz. Tickets are being sold for \$1.25 and may be obtained by telephoning Mrs. Gary Cooper at Overbrook 1-1272. The Parkway Nursery School is sponsoring the concert.

## Tribute To All Educators

by FRED J. NOETH

THE TESTIMONIAL dinner-dance being given at Garden City Hotel on Jan. 24 in honor of Mabel R. Farley, long-associated with the education of generations of Hicksville boys and girls, deserves the support of all friends of education in our community.

While the affair is in honor of an individual, it takes the form of a tribute to all the men and women who over the years have devoted their energies unselfishly to the cause of public education, in our opinion.

Miss Farley has been a teacher and a principal in our schools during the years which have seen it grow from a few classrooms to a system which today employs more teachers than the total pupil enrollment only a few years ago. She is now serving the community further in the field of education having been elected to the Board of Education.

Her record of service to the youngsters of Hicksville is probably unmatched elsewhere on Long Island. In fact, we doubt if there will be found many duplicates of Miss Farley and her devotion to education elsewhere in our vast Empire State.

The sale of tickets for this memorable event will close this weekend. If you have not made arrangements, it is suggested that you do so without delay so that you may personally participate in this significant tribute.

## Why Eaton Opposes

BY EMIL J. SZENDY

Now that Walter Stackler, in the name of the Mid-Island Shopping Center, has made a definite proposal to the School Board to close Winsor, York, and Prose Streets leading from the parking area of the Plaza toward Burns Ave. and the Burns Avenue School, one of the major incidents in the now successful negotiations toward that desirable conclusion should be revealed. It was an incident which is partly responsible for the present disharmony on the Board. Fortunately the record of it is on tape; by the time this is published the use of tape recordings at Board meetings will have been abolished, and majority vote, not necessarily anything else, will determine what appears in the official minutes.

When the Board had a membership of only five trustees back in July, work was parceled out to single members, and Robert D. P. Eaton was appointed a Committee (of one) for Safety. The Burns Ave. School Shopping Plaza safety problem came up shortly thereafter and was turned over to him. Generally, the feeling on the Board was that Prose, York, and Winsor should not be used as means of ingress or egress from the Shopping Plaza.

Eaton's initial spirited efforts in that direction had a sudden turn about at the Board meeting of Sept. 7th. Eaton then proposed that efforts to close Prose and York be abandoned and that, instead, the assistance of Stackler and

Frank be enlisted to secure stop signs, play streets, and the like, to slow up traffic in the vicinity of the school. Eaton informed the Board that the Town Board had refused to close the streets, and that Stackler and Frank were not amenable to doing so. He said, "Stackler more or less guaranteed that they could do these things which I can't. That's in very plain language I would say."

Eaton's proposal was that Prose and York be usable to Irving, but closed at Burns Avenue during school hours. Traffic would be on Nevada to Irving and thence to Prose and York, or vice versa. Mr. Herbert Johnson, present at the meeting, pointed out that this would divert traffic right into the local residential area, to Myers, Gardner, and Kuhl Avenues, and would endanger children going to and from school.

The Eaton proposal was so completely opposite to his previous attitude and to the wishes of the Board, and was so emphatically put forth by him as the only possible solution, that it was, to say the least, nonplussed. Any action by the Town Board to close any street could be cancelled tomorrow, and traffic regulation, a function of the police, could be influenced even less. If the proposal were accepted by the Board, maintaining traffic-safety conditions in the vicinity of the school might prove impossible.

However, the proposal was not accepted. Instead, the school

## HERALD READER OPINION

## Comments on School Bus Question

By JAMES W. O'CONNOR

To the Editor:

In his statement to the Herald, Jan. 10, Mr. Kent assures us, with evident great pride, that he is an "elected official". Reference is also made to another class of people—"salaried employees". In Elwood's neat little caste system those who accept salaries for the tasks they perform are apt not to have as high regard for veracity as the ones who wear the togas.

A more humble attitude to his exalted position would be more becoming. I voted for Mr. Kent not because I thought he was Heaven's gift to the school board but because I didn't want to give my vote to his opposition. In voting for a strictly unknown quantity I

attorney was directed to draft a letter, which Eaton was to carry to Stackler and Frank, offering to enter into negotiations and a referendum for an exchange of property which would give the Plaza an egress to the south over property which would give the Plaza an egress to the south over property owned by the District only if Stackler and Frank agreed to close Prose, York, and Winsor Streets.

Before the letter could be prepared, Eaton telephoned me that he had paid another visit to Stackler and outlined the Board's proposal, and that Stackler would have no part of it. I pointed out to him that he had acted contrary to the Board's instructions. He had not been authorized to negotiate further; he had been directed to present a specific Board proposal in letter form.

Time was of the essence; the Plaza was due to open the first week in October if the streets leading to Burns Avenue were open then, they would probably never be closed. I took the letter which had been written for Eaton's signature, crossed out the word "Secretary", substituted "President", signed it, and sent it off to Stackler and Frank.

Eaton objected vehemently; he objected even more vehemently when I did not honor his suggestion that Stackler be invited to the Board meeting that Friday. I felt that negotiations had to be advanced in the direction that the Board as a whole wanted, and which I knew the public wished, before we had a public discussion with Stackler. Obviously, Eaton should not be permitted to individually and personally continue negotiations with the Mid-Island Shopping Plaza.

At the meeting that Friday the membership of the Safety Committee was increased to four. The Committee and I met with Stackler the following week and the position of the Board was firmly outlined. Stackler attended the Board meeting on the following Friday and a temporary agreement was reached which required the closing of the streets on school days up to 5 P.M. and on Saturdays and holidays up to 12 noon, and, in exchange, permitted the temporary use of the school property for a road to East John St. In actual practice, the streets have been barricaded and have not been used for vehicular traffic at all. All of this has now culminated in the present Stackler and Frank proposal which should prove acceptable to the Board and to the taxpayers, and which should provide the safety to the children of the area which would not have been assured by the Eaton proposal.

Mr. Eaton may never forgive me. I would rather hazard Mr. Eaton's displeasure and venom than hazard the safety of the children of the Burns Ave. area.

probably had a lot of company, maybe enough to swing the deal. Some of the working stiff Mr. Kent looks down on might be so uncouth as to say he backed into the job.

Anyway, I doubt if Mr. Kent received a mandate from the people. But he seems to think so and is now spearheading a drive to oust the President. For the love of Pete, do we have to go all thru that again? Where's the harmony we were promised after the last election? A guy gets elected to the school board and right away he's a Machiavelli—and our palace is rife with intrigue!

And the things that upset our heroes, Mr. Szendy asks for information from a "salaried employee" and "actions similar to this aroused the ire of the five Trustees" or such a pitch that Albany was consulted. Baloney, Mr. Kent "elected officials" should have better control of their tempers. Mr. Szendy was elected by the people. The formation of a junta to oust him is a disservice to these same people.

In the present controversy over the transportation of out of district students on Hicksville school buses Mr. Kent touches on many things we already know but not a word on the sub rosa machinations that put an East Meadow student on a stickle school bus. A mere nine dollar item, the man says, and what are we getting excited about?

Only this: let's not start something we can't finish. We can't transport the rest of the county. Let's draw the line now—right at the boundaries.

of the Hicksville School District. In the past we have had enough disputes about who could ride what buses right in our own district. Now it seems some of our "elected officials" want to range farther afield and import trouble.

21 Walnut Lane  
Hicksville, N. Y.  
Jan. 13, 1957

To The Editor:

When a request for bus transportation was made of our Board of Education on behalf of the Cohn child some time ago, the then majority, at that time, refused to even permit the matter to be heard. As a result Mr. Conlin refused to allow his child to walk to school. This further resulted in, I-Mr. Conlin being jailed 30 days on appeal to the Superintendent of Education 3-Reversal of the then majority by the Superintendent of Education 4-The expense of a referendum in the district.

One of the then majority is still a member of the school board. He now advocates that we should pay the transportation cost for an out of district student to an out of district school. How come? Is it proper to refuse transportation to resident taxpayers and to subject them to being jailed, and then, improperly, provide transportation for out of district, non-taxpaying, non-residents? How about it, Mr. Cawley?

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.  
by Artie Rutz

Have you noticed in the January issue of the American Legion Magazine that National Commander Dan Daniels asked for a membership drive on the basis of "Bring your neighbor"? Well I have news for Commander Daniels to the extent that I think he must have been snooping around good ol' Post #421 a month or two ago. Al Barlow at that time was introducing HIS neighbor, Larry McCloskey, around the Post and he certainly made it very clear with his introduction of "Meet my neighbor" each time he introduced Larry to one of the members. Come now, Commander Daniels, don't you think Al Barlow should get some credit for the "Bring your neighbor" policy you have instituted nationally.

TO OUR 35 YEAR MEN (BOLD)  
A toast to our Comrades of yesteryear  
Who furthered the Legion cause with cheer,  
Who caused to be raised in the Hicksville sup.

The banner of American Legion Post #421:  
We wish to thank them for all their work,  
True Legionnaires all -- Banker, Butcher or Clerk;  
We wish to be envious of all their fun,  
These founders and leaders of Post four-two-one;  
We who have come on the scene much later,  
Hope to raise the Post to heights even greater;  
To you, who have led the way for Americans all,  
We thank you and thank you for carrying the ball.

That was a rather cozy New Year's Eve Party at the Post with everyone feeling just fine and plenty of room for dancing with out feeling "hemmed in".

Membershipwise we are now fourth in the third division and twelfth in the county; not bad but we can do better and we shall in the future.

March 2, 1957 is the date set for the testimonial dinner for Junior Past County Commander Arthur Petty at Levittown Hall in recognition of his outstanding efforts while guiding the Nassau County Legion on to its goals last year.

The next meeting is on Jan. 21. Bring yourself and bring your thirst. Good food will be served thereafter. Enjoy a bite, a bit of laughter.

### Overweight Folk Can Be Undernourished

Lopsided diets, which are high in calories derived from starches, sugars, and fats, but deficient in essential vitamins, produce overweight bodies which are actually undernourished. This is the most common dietary error. We think in terms of mashed potatoes with bread and butter on the side, buttered corn, and sweet rolls. The balanced diet for proper nutrition includes green, leafy vegetables, the "yellow" roots, such as carrots, the rich vitamin content in fruits, especially citrus. These provide ascorbic acid (vitamin C) and other vitamins which provide calories without adding much weight. The calcium the body needs is provided in milk, cheese, and eggs.

Those who can enjoy raw vegetables—cabbage, carrots, lettuce, peppers, and onions—get more vitamins to the ounce. These foods also discourage constipation. Calorie needs vary according to age, sex, body size, and extent of activity. Nature of work and personality are also factors. Intense, nervous personalities require as many calories doing sedentary work as a laborer.

Cheating the body of the vital, protective vitamins, and ignoring the need for balanced diet, is the dietary delinquency of many citizens. It isn't overeating that's bad—but overeating the wrong foods. This country eats more sweets per capita than any other. If this overcharge of sugar and fats were stopped, and the money spent on fresh fruit and vegetables, many people would be healthier, slimmer and happier. Your doctor of chiropractic will be glad to discuss ways and means to assist you in your struggle against being overweight.

WILLIAM D. MEISSER, president of the Nassau County Board of Elections and Nassau County Republican Committee Chairman, congratulates Lawrence McKeown, Nassau County Democrat Leader, who has just been sworn in as new Democrat Commissioner of Elections. Standing between the two is Miss Alicia R. O'Connor, retiring Commissioner, who administered the oath to both. Miss O'Connor was appointed Deputy Commissioner succeeding Philip N. Krug, former Commissioner, who has retired at age 72.

## March of Dimes Needs Volunteers

Mrs. P. Gurcio, of 18 Dorothy St., Bethpage, Area Chairman of the March of Dimes for Hicksville, Bethpage, Syosset, Island Trees, Plainview, Jericho, Plainedge and Woodbury, issued an urgent call today for volunteers to assist in the Annual March of Dimes campaign. Mrs. Gurcio cited the fact that many people feel that since the success of the Salk vaccine that there is less need for funds for the Infantile Paralysis Foundation, but this is not true. There is still a great need right in our own area for iron lungs, braces and other needs for the many children and adults stricken with the disease. Therefore the great need is for the "foot soldiers", mothers to go from door to door to ring doorbells to bring in the dimes and dollars.

Mrs. Gurcio who has devoted many years, the year round to this worthy cause asks of mothers to donate just a few hours. Call her and tell her you'll help, WE 1-1431.

## Tax Deadline Is April 15

Over four million individuals in New York City and adjoining counties including Nassau, will be filing their Federal income tax returns between now and the April 15 deadline, according to local revenue directors Donald R. Moysey, Thomas E. Scanlon and Kenneth W. Moe. These returns are expected for almost 6 billion dollars in Federal taxes.

Nothing much in the essential elements of the tax setup has changed, the district directors declared. Forms have been brightened and tightened, instructions systematized and considerably clarified, but the tax percentages are still the same as for the last two years, as are the requirements for filing.

Those under 65 who had a gross income of \$600 or more during 1956 must file. If over 65, the income base for filing rises to \$1,200. In joint filings, where one person is under, the other over 65, and for questions of birthdays during the year, the instruction booklet is clear and detailed, the tax officials say. If both are over 65, the base income becomes \$2,400 before filing is required.

## 2 Trustees Leave Meeting

(Continued from Page 1)

A further motion that the School Superintendent make copies available for the public was carried with all approving.

### SILENCE RECORDER

The continued use of a tape recorder "or similar mechanical device" for the taking of minutes of Board meetings was halted immediately upon motion by Trustee Eirich, seconded by Eaton.

President Szendy read a letter from the Hicksville Citizens for Better Government in School Affairs which stated that the executive committee at a meeting on Jan 11 adopted its appeal as follows: "The accurate transcription of minutes of the meetings of the Board of Education represents one of the principals of this organization. Since early in July, 1956, the Hicksville Board has authorized and directed that the District Clerk utilize a tape recorder for the recording of proceedings of open meetings of the school board. It is our opinion that by use of a tape recorder accurate minutes of meetings may be established and adopted."

This organization approves such procedure and earnestly urges the continuation of this practice in the interest of accuracy.

The Citizens for Better Government in School Affairs had worked for the election of Trustees Eirich, Eaton, Carpenter and Kent to the School Board during 1956.

There was considerable discussion on the motion with Trustees Eirich, Eaton, Cawley and Kent

The date for the Pius X Annual Dance has been noted by Mrs. Rennie as Friday, May 31, in the auditorium of the school. Volunteers are needed to help with the plans for the dance. Anyone wishing to help should contact Mrs. Rennie.

Mrs. Caponegro announced to the members that there will be a Cana Conference this Sunday, Jan. 20, at 2:30 p.m. in the cafeteria of the school. Father Chas. W. Gordon will speak on "Christian Traditions in the Home." The members are urged to attend

declaring that the tape recordings were "being abused". President Szendy insisting the recordings were "most valuable to me", and Trustee Carpenter declaring that the establishment of use of the recorder was a "tremendous step forward in keeping accurate records of meetings."

The motion to silence the recorder was carried by vote of Trustees Eirich, Eaton, Cawley, Farley and Kent in favor while Carpenter and Szendy voted no.

The recording machines were turned off at about 11 P.M.

### APPOINT COMMITTEES

Following a short recess, Trustee Eaton left the meeting. A motion by Trustee Kent to set up a publicity committee consisting of Miss Farley, chairman; Eaton

these very interesting and informative conferences.

There will be a class started in the near future for the 8th Grade Confraternity students who may be interested in attending a Parochial High School. The students will be taught the necessary subjects to aid in passing the entrance examinations which will take place in the Spring. It is hoped that a large number of the 8th grade pupils will take advantage of this opportunity.

Father C. Biffar of the Sacred Hearts of Jesus and Mary Fathers was the speaker for the evening. He has just returned from his Mission post at Baraki, Japan.

and Eirich, was withdrawn after it was discovered that the newly enacted by-laws forbids standing committees, except the Board as a whole.

After an executive sessions of 20 minutes, the meeting reconvened and Trustee Kent offered a motion setting up 12 "special" committees as follows:

Employment Relations Group; Eirich, chair; Kent and Carpenter, Curriculum, Eaton, chair; Farley and Kent.

Athletic Liaison: Cawley and Eirich, co-chairmen; Szendy.

Safety: Eaton, chair; Cawley, Kent and Carpenter.

Cafeteria: Szendy, chair; Carpenter and Eirich.

General Education: Cawley, chair; Eaton and Carpenter.

Transportation: Kent, chair; Eaton and Carpenter.

Business and Finance: Eirich, chair; Kent and Eaton.

By-Laws: Eaton, chair; Cawley and Eirich.

Publicity: Farley, chair; Eirich, and Eaton.

During discussion Miss Farley was added to "General Education" and President Szendy requested that his name be deleted from all committees because "in my opinion they are all standing committees, not special". He voted no while the rest of the Board voted yes to carry the motion.

### TWO MEMBERS LEAVE

Carpenter left the meeting at 12:30 AM as a protest against the use of meeting time for the venting of personal spleen and vendictive when important school business is held over from meeting to meeting while one Board member spends 35 minutes damning another for waiting 45.

When a dispute arose on the matter of developing specifications for furniture bids, President Szendy also left the meeting at about 12:40 AM. He said he was leaving for the "same reason as Mr. Carpenter."

Vice-President Eirich took the chair and the meeting continued until a few minutes before 2 AM during which administration recommendations on furniture, small cafeteria equipment, meat and paper supplies and musical instruments were adopted.

# This Is Little League

by WALTER BLUST

With preparation for the 1957 season well under way, I would like to remind last seasons participants and boys and parents new in our Hicksville area that Little League Baseball will be available for all interested boys between the ages of 8 and 12.

To start the new season off I would like to acquaint you with the objective of Little League Baseball in Hicksville.

The objective for the Hicksville National Little League shall be to implant firmly in the boys of our community the ideas of good

sportsmanship, the will to win, but also the courage to sustain defeat, honesty, loyalty and reverence so that they may be finer, stronger and happier boys and to grow to be good, clean and honest men.

The National League will hold its first monthly meeting of the year on Thursday, Jan 17, at 8:30 P.M. at Levittown Hall.

All fathers who have boys interested in Little League Baseball please attend our meeting and if possible offer your assistance.

Watch your Mid Island Herald for full and complete registration information.

## Alumni Steels Against Kayo

HICKSVILLE---The Alumni is bracing to ward off an unexpected knockout punch from the Oyster Bay Wonder Five, here at the high school next Monday night, in the NCABL Eastern Division race.

The ex-Orange and Black star belted Locust Valley 73-49 this week with Dick Alcock streaking home ten set shots for twenty points in the first three periods. A full club of Alcock, Larry Graziose, Ted Schwartz, Bill McKown, Bob Paton, Ed Scott, Charlie Rosengren, Charlie Horton, Frank Estrada and Bill Cheslock will give the big effort to upset the Wonder Five and remain in the Scrap.

The Community Club which itself upset the Wonder Five last week plays host to the unrelenting Floral Park Bombers to-night (Thursday) at Hicksville. The Bombers are the eternal champions of the league and have the soundest club in the loop.

After the loss to the CC the Wonder Five reaffirmed its favorite role for the Eastern Flag by marching into the last of the Glen Cove Lincoln House and scoring 65-61.

It is the biggest reversal of form in the league this year and brews evil for the Alumni who stand 3-2 to the Invades 4-1 league record.

### VARSITY WIN CONFIRMS PENDELUM HAS SWUNG

After a frustrating decade of trying to wrench Eastern North Shore basketball domination from Oyster Bay, Hicksville High vaulted to eminence within a 24-hour period, Friday, with a string of victories that crushed the Yellow and Gold on all fronts.

Cause for immediate elation was the 46-33 varsity triumph of Coach Ed Petro's five that shot the Corners into first place in the Eastern Division race by a full game.

A crowd of well over 1,000 was kept on pins and needles as both clubs played control ball and exhibited sturdy zone defenses. At half-time in the taut drama Oyster Bay lead 21-20.

Bob Solon, who along with Tommy Reuter became a hero in the hard earned victory over Bethpage, cracked the ice for Hicksville with a long set to start the third period.

Peter Nygren notched two fouls and a basket. The sureness left the visitors as they realized their reign was slipping out from under them. Howard Laptman offset a Baymen bucket and came back at the close of the period with another to make it 30-23.

John Magee bagged two goals and with six minutes left Hicksville assumed a deliberate freeze. The Oyster Bay press, now fully employed, did not bother Mickey Moskow, Reuter, Nygren, Laptman, Magee or Larry Kneiter.

Hicksville is expected to cement its first place hold with a win over Island Trees, this Friday night.

### JAY VEE SPURT PULLS AWAY FROM OYSTER BAY

A 46-40 win recorded over the Oyster Bay JV preceding the varsity match added to the tension of the night and was a cornerstone in Hicksville's successful bid to overtake the Baymen on all levels.

Coach John Magur's lads, who looked so horrible the first two times out but who have now responded and have moved along to match the varsity in the 5-3 won and lost department, played cool and poised basketball to take the issue.

Even when Oyster Bay rallied to close in a nine point second period lead to 19-18 intermission the polish stayed on. With Jay Naso - gaining most of his game high total of 14 points Hicksville moved out 29-25 at three periods and with Fitz Pawlitschek and Joe Peschel, nine and eight points, helping Naso the Orange spurted away to a ten point lead in the early moments of the last stanza. Mickey Anglim finished with nine points also.

### FRESHMEN SIGNAL THE TIDE

In the afternoon at Oyster Bay, no less, the Hicksville Freshmen team signaled just in what direction the tide was running with a resounding 53-23 verdict.

Coach Carmen Girolamo kept his chargers off to an 18-2 quarter lead and that was the story.

Richard Di Leo (12 points) lead the scoring. Tom Brown (8), Richard Solby (4), Richard McKenna (6), Ed Cassidy (2), William Schrimpe (8), John Petree (4) and Ralph Pagon (3) all had a hand in the win. Steve Blunt, Tom Boyuka, Arthur Carter, Bill McBride, Tom Guigliamo and Tom Manaskie also played for the victors.

### ANOTHER STROLL BUT NO FIREWORKS

With Hicksville leading 29-23 in the Eighth Grade game at home, in the afternoon, the Oyster Bay coach called his team from the floor and went home.

Complete dissatisfaction with the officiating was given as the reason and came when a rash of technical fouls were directed at the Oyster Bay bench.

It was solely an incident between the officials and the Oyster Bay coach and coach Larry Graziose and his boys felt they were well on their way to a win as they left the court.

Playing for the 8th Grade team were Joe Grimm, Brad Jaworski, Dennis Naso, Dan Massamadi, Ed Caesar, Bruce Bernard, Alex McCauley, Wilbur Kule, Dennis Seilman and Mike Denora. Jim Finkney and Mike Consoaz are other team members.

Four straight victories on all levels left Hicksville fans convinced that the Oyster Bay rule has been overcome.

And none looked any happier than Hicksville Athletic Director, Chet Jaworski, who found the Orange well to the rear of Oyster Bay and has worked diligently to build Hicksville into a healthy, vigorous court power.

### CC LICKS OLD WOUNDS WITH OYSTER BAY

The entry of the two Hicksville teams in the Eastern sector of the Nassau Amateur League was supposed to hand the championship to the Oyster Bay Wonder Five on a silver platter.

However, the Hicksville Community Club, aware that the house divided against itself cannot stand, reinforced its foundation with some sold out of two players and pasted the Wonder Five 72-56 to take the divisional lead.

Studded with former players of Tom Crawley who reigned the scholastic ranks of Nassau for five years the Wonder Five still could not withstand the onslaught of Harold Manaskie's 22 points. He was backed staunchly by Stan Kellner (13) and Ed Fitzgerald (18). It surely was stop Oyster Bay week.

## Sale To Close

HICKSVILLE -- Sale of tickets for the Mabel R. Farley Testimonial Dinner-Dance at the Garden City Hotel is scheduled to close this weekend, according to Henry G. Eisemann, general chairman. The affair will be held on Jan. 24 and the committee is anxious to complete seating arrangements.

Hundreds have already reserved tickets for the event. Tickets are available at the office of Seaman and Eisemann at 167 Broadway and the office of the Mid-Island Herald at 98 North Bway, next to the Post Office.

LIRR commuter fares and has petitioned the Public Service Commission to arrange an evening hearing on the proposal "for the benefit of those who cannot jeopardize their jobs or business by attending during regular working hours."

A. Allan Goldstein, civic affairs chairman of the Assoc., wrote Benjamin F. Feinberg, PSC Chairman, that "our protest is based on many facts, too many to list at one time. Some of the more

important are the expenditure of huge sums of money, like the \$750,000 now being spent on the reversible signal equipment between Jamaica and Hicksville. We have previously protested this expenditure on the grounds that it was unnecessary in contrast to the sum of money and the job it was intended to do.

"In a hearing before your Mr. Schwartz the representatives of the LIRR admitted that they did not have any concrete facts as to what changes it would mean in the way

of additional trains, improvement of schedule, or even how it would effect trains running contrary to the flow of traffic. We were told the cost of this would be passed on to the commuter."
