**FORGOT TO COLLECT TAXES**

EIGHT PERSONS were rescued from fire in an apartment at 108 Broadway, Hicksville, just before 11 o'clock Saturday night, Feb. 9. Patrolman George Wischerth who turned in the alarm while on patrol and then went upstairs to lead three children and five adults collapsed from smoke poisoning and had to be hospitalized. He was released from Meadowbrook Hospital on Sunday. Above, at left, Fire Commissioner George Engel leads Charles Nagel, one of the occupants in the rear apartment, away from the scene. Nagel was taken to the firehouse on E. Marie St

until he could return to his apartment and claim some clothing. At right Fire Chief Larry Huttie (white hat) examines the remains of a chair which appeared was the cause of the thick smoke. With him are Fire Commissioner Vincent W. Braun, Fire Deputy John Buckley of Co. 6, and Harold W. Hawkhurst, Co. 6 Captain and a fire commissioner. Hook and Ladder Co. 6 was holding first annual installation dinner-dance at the firehouse when the alarm was sounded. (Herald photos by Frank Mallett)

**Someone Just Forgot Public Library Tax**

HICKSVILLE-- "Free" public library service in this community was really free last year. It was disclosed this week. In setting the tax rate for 1955-56 for the school district at \$3.65 per \$100 of assessed valuation, someone forgot to include in the amount to be raised by taxes the sum of \$63,900 authorized by the voters for public library purposes. The additional sum would have raised the tax rate another nine cents or so. As a result, the \$63,900 had to be found among available surplus funds of the school district during the year. However, the "free" library will not really be "free". The sum advanced to the Public Library for operations will have to be repaid to the School District funds in the next budget. In other words, the 1957-58 school tax rate will reflect not only the current library appropriations and school authorizations, but the nine cents or so per \$100 uncollected on your last tax bill. The disclosure was made during the School Board meeting last Monday night. The tax rate was set for 1955-56 at a school board meeting held in Aug 1955.

**LATE FURNITURE DELAYS USE OF CLASSES A WEEK**

HICKSVILLE--Emil J. Szendy, president of the School Board, today noted that the construction of 40 additional classrooms for this district in less than 6 months from time of authorization, "is something of a record" which required careful planning and attention to detail. Delayed delivery of furniture postponed occupancy of the classrooms, except for Fork Lane, but Szendy finds is probably that all units will be occupied by next Monday, Feb. 18.

Szendy's statement follows: "Those involved in the planning and construction have something to crow about. To sidewalk superintendents, well-managed building operations seem to go with ease and dispatch. There's nothing to it - everybody knows his job and does it! "Nothing is further from the truth. Everything must be carefully planned. Work must be well de-

**Board Shapes Referendum**

HICKSVILLE--Arrangements for the March referendum on a variety of questions, including a proposed land transfer with Stackler & Frank and additional appropriation for student transportation, will be the major topic when the School Board holds a special meeting next Monday night, 8:30 PM in the High School Faculty Cafeteria. The School Board held a regular meeting last Monday night and voted to authorize the use of three more buses, making a total of 20, to transport students within the school district.

**Jericho Day at Town Hall**

OYSTER BAY -- It will be "Jericho Day" at the Town Hall, here, next Tuesday, Feb. 19, with three public hearings scheduled in the morning on Jericho matters. Jericho Holding Corp. is asking for special permission to erect and maintain a private club on the south side of Jericho Tpke, 1460 feet east of the Hicksville-Jericho Rd. intersection. The property has a frontage of 419 feet on the Turnpike. Morris Sasnow has a plea pending for permission to modify declarations and for special permission to build a service station on the east side of Hicksville-Jericho Rd. with a frontage of 124 feet on the south side of Jericho Tpke. Also pending is the petition of Morris J. DeNardo and Alex Rosenberg for permission to modify restrictive covenants affecting property on the southwest corner formed by Jericho Tpke, and Halsey Ave. Legal notices of the hearings are published in this issue of the HERALD. Petitions and maps on the detailed applications may be viewed at the office of Town Clerk Henry M. Curran, here, between 9 A.M. and 4:45 PM daily except Saturday, Sunday and holidays.

**Senator Also On Program**

Alpert of Rockville Centre will also be a guest speaker at the first community observance of Brotherhood Week in the new high school auditorium next Thursday night, Feb. 21, it was disclosed today by Harry H. Goebel, chairman. The Choir of the Trinity Lutheran Church will sing and the Adult Education 35-piece band, led by Charles Gouse, will also participate. All community organizations are residents and invited to attend.

**Dr. LeBarron Is P-TA Speaker**

Nominations of officers for the new year will take place and refreshments will be served by the fifth grade mothers. The meeting starts at 8:15 PM.

**Hall Addresses Upstate GOP**

Hall, former-National Republican Chairman and Oyster Bay Republican leader, is scheduled to speak here today (Thurs) before the Thompsons County Young Republican Club in what some political observers believe may be the opening of a campaign to nominate Hall for Governor of the State. He makes the principal address at the Oneida County GOP Committee in Utica tonight and is scheduled to speak Saturday at the convention of the State College of Young Republicans at Vassar, Poughkeepsie.

## Scouters Did Job Well

By Elwood S. Kent, Sr.  
HICKSVILLE--The Scout Fund Drive was successfully handled last week by Troop 91 in the 47th Election District. Many thanks to the following Scouters, who did the work of two men in the drive, having a large area to cover, and taking on twice the territory they ordinarily would have covered. Plaudits to Hank Steinman, Gene Giannaco, Fred Noeth, Larry Roman, George Wright, H. Miller, Pat Martino, and Mr. Franco. They did a splendid job. Fred Evans covered the area that could not be canvassed the day of the Drive.

Congratulations to Scouts M. Fasulle, Paul Giannelli and Patrick Martino, for passing Second Class and Firemanship Merit Badges. Keep up the good work. Graduations from Cub Pack 91 and 491, have been at a good rate and most all the Cubs are continuing their scouting activities. Here's hoping there will be a big turnout for summer camp, at Wauwepex. Last week the applications were distributed to the scouts, and more are available. Don't hesitate to ask your leaders or committeemen for them.

Some of our Committeemen are lining up extra curricula activities for the scouts. Should they be successful, the boys are in for some very pleasant times.

Pat Martino is angling for a "Rifle Range" to set up Marksmanship tests and Merit Badges; Milton Flynn is embarked on a "Swimming Pool" date for Life Saving, and other related tests; George Wright is setting up a "Public Relations" bureau, with a long list of good speakers, films, and demonstrative subjects. Follows, some very good things are coming up.

Thanks to the "Ladies Auxiliary" for their telephone campaign on the Communion Breakfast, and the Fund Drive.  
See you all at the next meeting at St. Ignatius.

# Late Furniture Delays Classes

(Continued from Page 1)  
 fined in terms of plans and specifications; bids must be taken, analyzed, and contracts let; the work of separate contractors for construction, plumbing, heating, and electrical work, coordinating; and all of the work organized and scheduled so that the flow of materials and manpower is uninterrupted and the completion date is met.

"The Portable-type-structures were authorized by referendum on Aug. 18th. Plans for the Lee Ave. unit, already under way, were then speeded, and plans for the additional 6 structures were started.

### UNIQUE APPROACH

"After numerous discussions with the architects, Knappe & Johnson, a unique approach to ensure timely delivery of the prefabricated elements comprising the bulk of each structure, was adopted at my suggestion. Separate diagrammatic plans and specifications for these prefabricated elements were prepared, and separate bids were taken for them early in the program, while detailed plans for the assembled structures, including their mechanical innards and services, were being prepared. "For economical purchasing,

the raw materials for these prefabricated elements had to be procured from the west coast; time to do this was needed. For economical fabrication, the assembly had to be in quantity on a production line. For economical transportation, the elements had to be shipped packaged for each job, with no missing pieces. To achieve all of these, time had to be available, and early contracts had to be let.

"Contracts for the Lee Ave. unit, and for the prefabricated elements for all structures, were let the latter part of Sept. With these out of the way, detailed plans and specifications for the other 6 structures were rushed to completion.

### FIRST DELAYS

"Then delay was encountered. An overworked and undermanned Nassau Dept. of Health couldn't find the time to pass on the proposed sewage disposal plants, and for a week, two-weeks, all stood still. State Education Dept. approval hinged upon Health Dept. approval.

"Finally everything was approved, and contracts were signed in the middle of October. The

work got under way slowly; one contractor building Fork Lane and East St., each a 4 classroom unit; another contractor building the other 4 structures, totalling 28 classrooms. Foundations went on in pedestrian fashion, especially for the larger structures. All prefabricated materials were on the job before the foundations were completed.

"My weekly checks of progress showed that schedules would not be met by the contractor for the larger structures. A series of job conferences were held by the architects, and a new schedule established and, thereafter, rigidly supervised.

"In spite of everything, sheet-rock delivery was delayed, and construction again lagged. Once again, progress was appraised, and a compensating schedule adopted.

### LEE AVE WAS AHEAD

"While the target date of Jan. 25th was not met for all structures, the overrun beyond the target date was not excessive. The Lee Ave. unit was completed in mid-December, a week ahead of schedule. The Fork Lane addition was occupied on Monday of this week. Except for the delayed delivery of furniture, all except Woodland could have been in use this week. It now appears probable that they will all be occupied on Monday, Feb. 18th, exactly six months from the day they were authorized by the taxpayers.

"My thanks to the architects and to the contractors," the Board President said. "As an architect, and as the member of the Board who maintained contact with the operation, I know that a good job was speedily done.

"The other members of the Board were not much interested; trustees Erieh, Eaton, Kent and Cawley were too busy planning to take over control of the Board and out me from the presidency and, if possible, from the Board."

### LEGAL NOTICE

## Bethpage Residents Seek Single Address

The North Bethpage Civic Assoc. in response to requests from residents in affected areas, will once again attempt to persuade the postal authorities to include all of Bethpage in the Bethpage Postal District.

Under the present set-up, many people living in Bethpage have mailing addresses listed by the Post Office as Plainville, Farmingdale, Levittown or Seaford. This has caused confusion and

delay in postal service as well as irritation to homeowners who feel that they are a part of the Bethpage community and want a Bethpage mailing address. Ernest Centrella, of 162 Floral Avenue, Plainville, (but really Bethpage) Chairman of the Postal Committee of the NBCA asks for the cooperation of all Civic Associations and individuals interested in this project. Write or telephone Willis 1-2605 if interested in joining the NBCA in its endeavor.

## Mortgages Civic Topic

The next meeting of the North East Civic Assoc. of Hicksville will be held tonight (Thurs. Feb. 14) at 8, at the Woodland Ave. School. This meeting is of vital interest to every home owner in the area, as the principal speakers will be Mr. Brownlee, of the Jamaica Savings Bank, and Paul McCann, of the Roosevelt Savings Bank, who will speak and answer many and varied questions on the subject of mortgages.

This information is particularly timely, as the new mortgage statements have just been received and have raised many questions in the minds of the home owners.

In addition to the principal speakers, a representative of the First National Supermarkets will pay a good-will visit preparatory to the opening of their new store in the Mid-Island Plaza.

The membership drive is in full swing and the returns indicate a very lively interest in civic affairs. It is reported, also, the proxy votes on the proposed revised constitution are being collected, and the official voting will take place at the above meeting.

At the January meeting, it was unanimously voted that the Civic Assoc. again undertake the sponsorship of a Little League team. The Assoc. has always taken the initiative in any opportunity to enhance the enjoyment of the lives of children.

Plans are underway to hold a Spring Dance. The dances are always a highlight in the social side of the Assoc., and from the enthusiasm already in evidence, this one prophesies to be the best one yet.

FRANK H. MAGUILL, of 45 Meeting Lane, Hicksville, is the newest member of the Hicksville Lions Club. He is manager and assistant to the president of the Telephone Answering Service of Nassau.

### Marilyn Reddy Becomes Bride At St. Ignatius Nuptial Mass

Marilyn Lorraine Reddy, daughter of Mr. and Mrs. James C. Reddy of 86 Sixth St., Hicksville, became the bride of Robert Richard Norman, son of Mr. and Mrs. Tinius Norman of 92 E. Old Country Rd., on Feb. 2, in St. Ignatius Loyola RC Church on Broadway, at a 10 a.m. nuptial mass. The Rev. Leo Goggin officiated.

The bride wore a white gown

of delicate imported lace over satin, with a rounded shoulder line, trimmed with sequins and pearls; tiny waist, and voluminous skirt of six tiers, with a chapel train. Her headpiece was a crown of sequins and pearls, with a fingertip veil.

The Bridal flowers were a cascade bouquet of white orchids, white roses, and miniature Ivy.

Miss Jean Norman, sister of the Groom, was Maid of honor, and wore a coral velvet gown with headband to match, and carried a cascade bouquet of Pink Roses and miniature Ivy.

The bridesmaids, Mrs. James Hurley of Hicksville, and Miss Carol Davis of Seaford, wore gowns of coral velvet with headbands to match, and carried old fashioned bouquets of pink carnations.

George Ossendorf of West Islip was Best Man, and Edward and William Norman, brothers of the Groom, were Ushers.

After a reception at Anselmi's in Bethpage, the couple left on a honeymoon to Bermuda, and are expected to return on Feb. 18, when they will reside at 86 Sixth St., Hicksville.

The Groom is employed by Chamberlin Chevrolet in Oyster Bay, and attended Hickville High School, and Academy of Aeronautics. The Bride attended Hickville High School and Miss-Skinner's Secretarial school.

The Groom's gift to the Bride was a white gold diamond cross, which she wore during the wedding; and the Bridal cake was baked by the Bride.

### Fire Auxiliary Marks 45th Year

The Ladies' Auxiliary of the Hicksville Fire Dept. commemorated their 45th anniversary on Feb. 7, having been organized on Feb. 7, 1912 by the late Mrs. Hanna Weiss and thirteen other women.

Today there are 81 active members and 29 honorary members.

Card parties are held twice each year to raise funds; and membership is open to any widow, mother, wife, sister or daughter of a fireman, active or exempt, after the fireman has completed his probation period.

The Auxiliary meets on the first and third Tuesday at 8 p.m. in the Marie St. Firehouse, and after each meeting there is a social hour during which refreshments are served. Mrs. Larry Huttie is now President of the Auxiliary.

To celebrate their anniversary, the Auxiliary went to a New York City theatre.

### JWV Auxiliary To Hear Guests

The Ladies Auxiliary of the Sgt. Ben Levitt Post #655, Jewish War Veterans, will hold their next regular meeting on Tuesday, Feb. 19, at 8:30 p.m., in room 103 of the new Hicksville High school.

Guests at this meeting will include Mrs. Alan Warren, President; and Mrs. J. Gotthoffer, Jr., Vice-Pres., of the Nassau-Suffolk District Council of Jewish War Veterans Auxiliaries; and Douglas King, a representative of First National

Supermarkets located at the Mid-Island Plaza.

The Fourth Annual Founders Day Dinner, sponsored by the Hicksville Council of P.T.A.s is planned for Feb. 28 at the Milleridge Inn. This year, the Council, which represents all P.T.A.'s in the school system, will honor Mrs. Clinton Foster.

Marie, as she is known to all her friends, has been a cheerful tireless worker in every phase of P.T.A. activity, and justly deserves this recognition. She is loved by all who know her, and she has made East St. P.T.A. particularly proud because it was here that she first began her P.T.A. work.

# Here's the bomb THAT BROKE THE "low-price" lineup!

**This big high-stepping Chieftain started a revolution with a carload of "firsts" and an eye-popping price tag!**

The low-price field never looked like this before! The handsome hunk you see right here has the boat still rocking . . . with more power, more wheelbase, more room—and more sheer pride of ownership—than ever before possible on a well-trained budget! Just look at what they're making room for now in the low-price lineup: a strapping 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8 . . . a whopping, road-hugging 122 inches of wheelbase and an all-new suspension system for a Level-Line Ride that's next best thing to a magic carpet! And this streamlined beauty takes on the field with more than six dozen "firsts", all proved by 100,000 of the roughest, toughest test miles a group of facts-minded engineers could devise! If this sounds like a wonderful buy—it certainly is! Our advice is to **stop dreaming and price it!** At a cost less than a lot of the low-price jobs, this newcomer is making big-time buyers out of former "all-three" owners!

This Saturday is the date you must not forget if you have any intentions of helping to increase the financial health of the SUNSHINE FUND. Promptly at 9 o'clock the Sunshine Fund's Nonsense Party will begin and I hope to see you all there with your many friends and neighbors occupying the tables and dance floor. Chairman Al Barlow and his committee have whipped up an evening of the greatest nonsense you ever saw and hope you will join in to make it one grand house party.

It is interesting to note that National Legion Commander Dan Daniel has accepted an invitation to attend the Past County Commander's Testimonial Dinner in honor of Arthur Petty, last year's County Commander. Perhaps you do not realize just how many countries there are in the United States and just how many of these are having this type of dinner at the same time. It is indeed an honor for National Commander Daniel to have selected Nassau County as one of the counties that he would honor with his presence. The dinner takes place in March at Levittown Hall which is in our back yard. Don't forget to send in those lists of eligible veterans to me as soon as possible so I can get busy on them and explain the benefits of The American Legion to them.

**The Nocturnal Legionnaire**  
Perhaps when you gaze over the meeting hall signs, you forget there are Legionnaires

who work nites, Whether you look or whether you listen, Those nite workin' Legionnaires are missin'; We have a few or maybe more than you know, Who toil nightly to help America grow, Stronger, wealthier and safer than ever, Yet their Legion connection do not sever; Be it by choice or be it by lot, These Legionnaires work when you do not, When the roll is called each year The Nocturnal Legionnaire answers, 'Here, Their ardor undampened, their loyalty unassailable, Even though they're unseen and unavailable, When it's THAT time after the meeting, Give them a thought while you're FREE eating For with a turn of the wheel, it could be too, That to sleep in the daylight, could happen to YOU.

We finally got a final report on our King's Park trip of last October and the entire deal cost us an average of 53¢ per member as our share of the expenses which were split up on a membership basis among three posts.

See you at the next meeting, Feb 18 at 8:30 P.M. and once again I say that the after-the-meeting-eats are wonderful so come on, get your share.

**Pat Boone Fans To Organize Club**

HICKSVILLE - This community has been first in many things in the Mid-Island area, and another first is the formation of a Fan Club for a popular singer.

Pat Boone, who has made hits of such songs as "Ain't That A Shame", "When I Lost My Baby", "Friendly Persuasion", "Anastasia" and "Don't Forbid Me", will have a Fan Club here.

At present, there are 11 prospective members for the club, which is in its formative stage, and anyone seeking information concerning it are urged to contact Paul DeShaw of 118 Brittle Lane, Wells 1-7856. A general organizational meeting is planned for next week.

**Holds Election**

At a congregational meeting on Wednesday evening, Feb. 6, members of Temple Beth Elohim Reform Congregation, serving Plainview, Bethpage and Hicksville, elected the following slate to fill offices recently created by constitutional revision: Joseph Kramer, second vice-president; Irving Forem, three year trustee; Herbert Ackelsberg, two year trustee and Harry Dorbrin, one year trustee.

SEYMOUR OLITSKY, son of Mr and Mrs William Olitsky of 73 Sleepy Lane, Hicksville, attained his religious majority at the special Bar Mitzvah ceremony held at the Hicksville Jewish Centre at 652 Broadway on Sunday morning. Rabbi Isak Levi officiated at the service, delivered the sermon and pronounced the benediction. The sisterhood of the centre presented the boy with a golden Bible. Following the services, the traditional Kiddush was offered with a reception. (Herald photo by Frank Mallett)

The Junior Catholic Daughters of Court: Queen of Angels #569, Hicksville are instituting a Junior-Cette Court for all girls between the ages of 8 through 11. Installation of this Court will take place on Sunday, Feb. 24, at 2:30 p.m. in the St. Ignatius school cafeteria. Any girl interested may contact: Mrs. Rita Hanifan at Wells 5-0508.

## Legion to Greet New Members

HICKSVILLE- The Charles Wagner Post 421, American Legion, will initiate new members at their next meeting on Monday, Feb. 18, according to the Commander Arthur Bletsch, Sr.

With the response to The American Legion's membership drive here "very gratifying", the initiation of these new members will take place at the next meeting. In charge of the initiation ceremonies will be the Post's new ritual team: Chaplain Robert Hzael, Sgt. Robert Sutton and Past Commander Robert Mangels comprise this squad which will handle this detail.

Arthur Rutz, chairman of the membership drive committee, has been busy the past week, answering questions of prospective members and many of these eligible veterans it is hoped, will also be among the group to be initiated in Post 421 next week.

There has been a little confusion as to the eligibility dates of honorably discharged veterans and the following dates are the correct ones: World War I: April 6, 1917 to Nov 11, 1918; World War II, Dec 7, 1941 to Sept 2, 1945; Korean War July 25, 1950 to June 27, 1953.

## Eats like a hummingbird!

Like all the new '57 Fords, that sleek Sunliner up there lives on a mighty lean diet of gasoline. Big reason? Look underneath the new front-hinged hood of this over 17-foot long dreamboat. There you'll find a magnificent V-8 engine... an all-new, easier "breathing" power plant that

measures fuel and air more efficiently than ever before to give you fuller combustion, greater economy. There you'll find a completely new brand of Ford TNT that's the proud result of Ford's many years of V-8 leadership. Yes, "Six" or "Eight"... the going's never been so great!

## Goes like a Thunderbird!

For a car that "eats" like a bird... just watch this new kind of Ford devour the miles! That's its new Thunderbird V-8 power\* for you. It's the same kind of mile-melting power that sparks the mighty Thunderbird itself... the same staying power that hurried a '57 Ford over 50,000 salt-encrusted

miles at Bonneville in less than 20 days... at an average speed of more than 108 miles per hour! But Action Test the new kind of Ford. Feel the new solid, silent ride that stems from the all-new Inner Ford. Discover all the other reasons why Ford makes "Luxury" a low-priced word!

\*Ford offers V-8 engines in a wide range of horsepower - including a Thunderbird 312 Supercharged V-8 that delivers 300 hp and a 270-hp Thunderbird 312 Super V-8

**Bad, Bad Day for LIRR**

HICKSVILLE - Monday, Feb. 11, was a bad day for the L. I. Railroad. Early morning trains were as much as 22 minutes late arriving at their destination due to a leaking water jacket on one of the locomotives. In the evening going through this community at 6:37 p. m. two trains traveling East were joined together and the question was whether the front train was pulling the rear train, or whether the rear train was pushing the front train. Again at 7:45 p. m., residents saw a slow moving passenger train heading East with a locomotive at each end.

## 543 Boys Sign For Nationals

HICKSVILLE--With a total of 543 boys registered in the past two weekends, the National Little League looks forward to a successful season according to Walter Blust, League president. The Nationals will accept boys for registration until teams are formed and Blust pointed out that each week a boy delays may reduce his chances of getting on a major or minor team.

"If a boy possesses ability but fails to register in time for a tryout, he hurts his own chances. He may wind up in the farm system."

Next registration will be held March 16 at 10 AM at Abe Levitt Field on Hempstead Ave.

By HOWARD FINNEGAN

Oyster Bay High chalked a big profit when it upset Hicksville 57-53 on its home boards, Friday night.

Should both teams finish in a tie for the Eastern Division title there is no provision that the deadlock be resolved in a playoff.

Under the present County tournament system both the first two teams from the division would qualify for berths and a champion of the Eastern race is not needed.

So while the Baymen clauded and we mean clauded---out their victory while officials Len Umhel and Jim Fabiano's repudiation of "Come Trance With Me" the 1957 Campaign lost most of its luster for Orange and Black fans.

And what is even more gnawing is the fact that if Oyster Bay and Hicksville tie their position, the Tournament will be decided by a flip of the coin.

All of which means that a heads or tails will push one club into the softer losers bracket and the other into the difficult winners' bracket.

In the case of a third place deadlock the committee brackets the clubs on the basis of their overall season record but this does not apply in the matter of a first place tie.

There is strong sentiment in Hicksville that the tourney be damed until sovereignty of the Eastern Division is established. If a whole season, or the major part and interest thereof, is to go by the boards in favor of a stand-off the affair seems pretty pointless.

In an interview with the Mid-Island HERALD late yesterday Hicksville High Athletic Director Chet Jaworski revealed the Hicksville position.

If Hicksville and Oyster Bay remained tied for the Eastern title it is our intention to offer to play-off the deadlock the night following the end of the regular season which would be Saturday, March 2. The Corner leader related, He continued: "That of course would mean a tough grind for both schools. The final week calls for a Tuesday and a Friday game. We will have the hard task of playing Farmingdale that final night. To come back on Saturday in a play-off and then go into the County Tourney the very next Tuesday means a tight schedule.

"However, we feel that any possible tie should be cleared up and that will be our position. Oyster Bay may have another view and not wish to engage in the play-off and in that circumstance we can do nothing but go along with the flip of the coin no matter how unfair or distasteful our good followers may considered it.

Of immediate concern to coach Ed Petro and his boys is the contest at Hicksville this Friday night with Island Trees which is a league game and the visit of suddenly hot Roslyn club Tuesday.

The Comets should be mighty unhappy over their failure at Oyster Bay and recoil to take both Island Trees and the Hilltoppers into camp.

We do not like to dwell on matters past but we think it is very important that the record show the fight the Comets put up at Oyster Bay. Playing in the trap and hindered by ineffectual judgment by the officials the Comets did not fold. In fact, they were down 36-24 at one point and came up to a 49-49 tie with three minutes left but had to bow to backcourt tackling in final rousing seconds.

Coach John Mazurs Hicksville Jay Vee team had a difficult time

at Oyster Bay also, the fledgling Comets were constantly straining to get untracked and actually didn't come to life until late in the last period when Leo Kanawach got in the game. He drove in hard with a layup and that belt released the tension for the Comets as they forget ahead to win 39-38.

Once again it was a unit performance for the JV, Mickey Anglim pitched in 9 points as did Fitz Pawltschek, Larry Slofkin scored 7 and Joe Naso 6.

Despite the fact that the varsity lost, the entire picture still indicates Hicksville is sailing well ahead of Oyster Bay in the basketball framework.

Undeafed Hicksville Junior High played far under par but had the proceedings well in hand all the way as it wrapped up the Baymen Junior High 28-14. The win was recorded on the Oyster Bay floor. Dick Solidy with 9 points and Richard Dilee with 8 lead the winners.

That ton of bricks hasn't unloaded on the Hicksville Alumni yet as the Orange and Black purges the NCAB Eastern Flag. The Alumni instead deat the Hicksville Community Club a crushing blow last week with a 102-55 verdict.

The Alumni had taken dead aim on this one since the CC (not Chamber of Commerce, either) beat it early in December. It was a sound game for two quarters. In the third period the Alumni on the accurate side shooting of Bob Paton and Frank Estrada blasted out to a 25-point 74-49 lead.

With 3:37 to go, the CC was reduced to four players and it became fashionable to foul out of the game. With 33 seconds left the losers had only two players on the floor. The officials wanted to call a forfeit but the remaining time was so short it was thought better of.

Monday night the Alumni cut-schools. The final week calls for a Tuesday and a Friday game. We will have the hard task of playing Farmingdale that final night. To come back on Saturday in a play-off and then go into the County Tourney the very next Tuesday means a tight schedule.

After last week's issue of the HERALD was on the street just four hours. The Hicksville Alumni Basketball Club received requests for over a 100 tickets for its Grid-iron Show and Cracker Barrel.

The Committee in charge may be forced to put the Standing-Room-Only sign out for ricket buyers at the box office next Wednesday night, Feb. 20 at the VFW Hall.

Any member of the Alumni team will be glad to provide you tickets before the night of the event.

Hicksville High pinned Eastern M.A. 26-16 and Westbury 33-13 for its sixth and seventh wrestling victories of the season.

Against the Green Wave, Bruce Brady won with a body press in the 105-1b class, Frank Parker won by DeFault, Bob Otten used a double armbar in the 120-1b class and Al Magill used a body press in the 135-1b class.

John Grandy, Ted Greve, and Bob Weidman all came through in the heavier class for the Comets.

off to a 70-46 win over the Faculty Combo, Toocel and Jackel collected 14 points each.

## PBC Registers For Baseball

HICKSVILLE -- Registration for the Police Boys Club baseball season takes place this Saturday, Feb. 16, from 10 AM for boys from 10 to 18 years of age. No fee is required and the PBC supplies uniforms, balls, bats, etc.

The PBC also awards medals, trophies, etc. at the conclusion of the season.

Meanwhile in the PBC basketball league, in the East St. Juniors the Lucky 77 defeated the Jets 23-18. Thomas Fox and Peter Walkwasy had eight points each for the Luckies. Renkel was high for the Jets with 8 alos. In the same league, the Red Devils took over the Blazers 16-5. Michael Pucci was high with six points in a very close scoring game. Holzer was top for the Blazers with 3.

At Lee Ave, the Redskins got 23 and the Bombers 19. Robert Smith of the Redskins rolled up 15 points to lead his team. Winkle was high for the Bombers with 7.

The Panthers and Termites battled out a close 36-24 game as Joseph Bivona of the Panthers forgot which was his basket and put the Termites pulled the game out of the fire. Bucknel was high for Panthers with 8 and S. Winkle racked up 12 for the losers.

In the Intermediates at Lee Ave., Robert Buccafola, Lang and Castricone were the big guns for the Lions as they took over the Knicks 30 to 24.

At Burns Ave., the Hawks won over the Globetrotters, 37-24 with Vicent Hannigan getting 16 and Robert Thurer 10 points to lead the Hawks to victory Eads rolled in 13 points for the Globetrotters.

Also at Burns Ave. in the Intermediates, Phil Ferro with 13 and Peter Foster with 12 points were to show the rebels as they took the measure of the Warriors, 55-28. Gregory and German each had six for the Warriors.

72 Buron Ave. and E. E. Kipencow of 83 Marbourne Rd., both Bethpage, paid \$17.50 each for carrying loaded guns in a car. S. J. Moskos of 50 James St., Hicksville, was fined \$17.50 for hunting without a license.

## Knicks Take Two In Row

by Elwood S. Kent Sr.

HICKSVILLE--The sensational Knickerbocker continued their winning streak in the St. Ignatius CYO Basketball League by bumping the Warriors 54-23, and the Celtics 54-47. Harmon was par excellence in both games, as he scored 24 points in the first session, and 26 points in the second. O'Neill was high scorer for the Warriors with 12 points, and Talbot maintained his high shooting average with 20 for the Celtics in the second game. Harmon and Talbot have been displaying most unusual form in the games to date, and appear to be running neck and neck for the high scoring honors.

The St. Ignatius Bantams fell on sorry days last week, as they lost two games in a row. Both Holy Family and St. Boniface took this occasion to sink baskets

on every toss they made at the hoop. The teams were hot, and capitalized on every opportunity. The St. Ignatius performance ran in the other direction, and they couldn't do anything right. This was the first time we have lost two in succession.

Rumors are flooding the community that Jerry O'Connell has been ill. If I know Jerry, it will have to be something serious to keep him out of the "Big Game", that was to be played last Monday at Burns Ave. school. The coaches, who are professionally known as the Burns Ave. Heavens were to fade a select team of the senior boys. The boys are a very "Clamy Aggregation" and should make the Heavens really step.

Another rumor stated that George Shanley wasn't feeling good either. Therefore, the Heavens have lost two good men for the big game, and Harmon, Legge, Sheehan, Gaylord, and Geltscher, will have to play without substitute.

Today (Thurs.), the Seni group travels to "Norwich" where they will engage the "Stars". A very close contest is expected as both teams are in excellent shape.

Paper and Rag collection was called off last Saturday due to inclement weather, and the next pickup will be made on the regularly scheduled Saturday. Those two very Comely Matrons who were seen in the back of the shopping center gathering large armloads of cartons and corrugated boxes for transport in that Bulck will please retain the spoils for the next pickup.
