Entered as Second Class Matter at Hicksville, N.Y., Post Office

STUNNED and partially dressed, the occupants of a second floor apartment at 159 Broadway, Hicksville, were taken across the street to the Hicksville Bakery while firemen fought the fire, early Saturday morning. Left to right are Anthula, Charles and Costus Kiriakous. (Herald photo by Frank Mallett).

Thank Firemen, Police

HICKSVILLE--Public thanks was expressed today to the volunteer firemen and police for their efficiency and cooperation following a fire at the Rainbow Restaurant building at 159 Broadway just before dawn on Saturday, Feb. 16. Nick Mavis and his daughter, Virginia, as owners of the Rainbow made the statement. Fire gutted the two second floor apartments of the building but the bar and restaurant was able to resume business on Saturday due to the minimum first floor damage as a result of the firemen's efficiency.

The alarm was turned in by a

policeman at 5:01 A.M., Saturday. Seventy-five men and all apparatus responded to the call and fought the fire for almost two hours.

Partially dressed second floor apartment occupants narrowly escaped with their lives when fire on the stairway blocked their exit. Firemen assisted Mr. Mavis, who occupies one apartment and Mr. and Mrs. Costus Kiriakous and their son, Charles, off the front first floor roof with ladders.

Mrs. Mavis is in Florida. The cause of the fire is being investigated. An unofficial report indicated the cause may have been arcing of an exterior service line.

POINTING TO DRAINPIPE which was nearly melted away by the heat of an arcing electric service line on the side wall of the Rainbow Restaurant are, Assistant Fire Chiefs Charles Saurer and B. Medard Offenloch, left and right. (Herald photo by Frank Mallett).

PRE-DAWN FIRE ROUTS FOUR

SEVENTY FIVE FIREMEN fought flames on the second floor of the Rainbow Restaurant, early Saturday morning. Thick smoke hampered the volunteers and the burned out staircase made it

necessary to tackle flames with exterior ladders. Damage to the first floor restaurant was so slight that the bar was open for business the same day. (Herald photo by Frank Mallett).

ANOTHER QUESTION FOR VOTERS:

CHURCH OFFERS TO BUY WILDWOOD ROAD SITE

HICKSVILLE -- A fourth proposal has been added to the list of questions to be decided by voters of the School District at a referendum scheduled for late in March. The new question will ask whether the 5-acre Wildwood Road site, bought by the district in 1954, should be sold to the Holy Family Church as the site of a parochial school. The School Board on Monday night authorized the inclusion of the question, based upon a request from Rev. Martin O'Dea, pastor of the Holy Family Church.

The Wildwood Road property, formerly part of the Wetterau farm, was originally bought as an elementary school site for the district. On two occasions voters of the district have rejected proposals to build a public school upon it.

BUILD IN 3 YEARS

Father O'Dea in a letter to the School Board said the Church would like to acquire the land, which is adjacent to Holy Family Church, if not required for present or future needs. "We plan to build a parochial school and for this will need the additional property. The school will be built as soon as possible, probably in about three years. Funds are now being collected for that purpose," he stated.

The Board has engaged the services of William M. Heberer and Charles I. Montana to make appraisals of the tract. The voters in 1954 approved the expenditure of not more than \$42,000 to acquire the property.

Also scheduled for determination at the referendum will be (1) proposed transfer of land next to Burns Ave. School with an equal size parcel owned by Stackler and Frank, (2) appropriation of an additional \$12,500 for student transportation, and (3) election of a library trustee for the balance of a five year term.

Mrs. Joseph Ulmer announced this week that she will be a candidate to succeed herself as library trustee.

HOPE Installs

HICKSVILLE -- Installation of new officers of the Hicksville Organization for Public Education were scheduled to be installed at a meeting in the High School last night (Wed.). Walter G. Stackler, of Stackler & Frank, builders of Mid Island Plaza, was scheduled to preside during the installation. Four new officers seated were James Cass, president; Jack Fields, vice president; Kurt Pohl, treasurer; and Anne Balfour, secretary.

Call for Transportation Ideas from Taxpayers

HICKSVILLE -- A request that all taxpayers of the district submit their thoughts "regardless of the now existing policy, so that the annual budget, will, if possible, reflect a true taxpayers' majority" on the subject of student transportation, was voiced this week by Elwood S. Kent Sr., chairman of the Board of Education committee on transportation.

Communications should be sent to Kent, he said, as Chairman of the Transportation Committee care of the Administration Building of the School District on Newbridge Rd., here.

His statement to the HERALD follows: "The Special Transportation Committee consisting of Robert D.P. Eaton, Allen S. Carpenter and myself as chairman are now in the process of determining a transportation policy for submission to the Board in order that the budget will properly reflect the transportation needs of the district and its taxpayers. Joseph F. Cawley, who had a major part in the drawing of the policy now in existence has been asked if he will also join the committee."

Memorandums have already been submitted to the PTAs and all parochial schools requesting any suggestions, criticisms, helpful ideas, etc. to be brought to the attention of the committee so that it may represent the views of as many taxpayers as possible. The publication of this data is a further attempt to call to the attention, if possible, of all taxpayers their right to present any constructive thoughts for possible insertion in the 'transportation policy'."

Central Savings to Build

HICKSVILLE --- The Central Federal Savings and Loan Assoc., which has maintained an office on South Broadway since its establishment here, will occupy its own building at the corner of Broadway and 1st St., it was learned today. The Assoc. will start construction of a new bank building on the site of the Hicksville Inn this spring.

School Board Sets Some Kind of Record

HICKSVILLE -- The Board of Education set some new records this week when it met Monday night for four hours, adjourned until Tuesday evening and then convened for another four hours. In the process a number of long-standing agenda items were disposed of and a total of 49 separate motions were made by members, 20 on Monday and 29 on Tuesday evening.

The Board also decided to meet again last night (Wed.) for the purpose of going into Executive Session on the proposed transfer of school district property with land owned by Mid Island Shopping Plaza, provided that Walter G. Stackler is available for the meeting.

The full membership of the Board was present for both Monday and Tuesday night sessions. Another meeting is set for next Monday night, Feb. 25 at the High School Faculty Cafeteria starting at 8:30.

ON AND OFF ALBERT STREET: Stamp Savers Get Good News

by Shirley Huenlich
WE 5-2323

No doubt many King Korn Stamp savers are pleased to learn that there is a new stamp redemption centre on Hempstead Pike. Those no collecting stamps are perhaps just as delighted by the fact that it is now possible to acquire a set of encyclopedias thru steady purchases at the A & P, not, of course, forgetting the dish collector at Big Ben.

Eaton Says Szendy Seeks Publicity

HICKSVILLE --- Robert D. P. Eaton, member of the Board of Education, today declared that Emil J. Szendy, president of Board, is "solely interested in getting his name in newspapers regardless of pretext and that his concern is secondary to the interest of the district."

Eaton's statement to the HERALD follows: "During the past week Emil J. Szendy made certain claims as to the wonderful job he has done as a member of the Board of Education. This same person also speaks of the lack of cooperation and effort of four other Board members."

"Mr. Szendy has made many of these newspaper attacks on past and present School Board members and taxpayers for the past four and one-half years. In my case, as well as some others, this one point is clear: if a Board member disagrees with Szendy, then he or she draws the wrath of Szendy."

Because I have refused to be a rubber stamp for Szendy, I have exposed to many false accusations. "It is inconceivable upon any reflection, that so many taxpayers and so many fellow members of the Board, could be so wrong because they disagree with his viewpoint."

"The conclusion is incontrovertible that the primary concern of our 'esteemed' President of the Board is solely interested in getting his name in newspapers regardless of pretext and that his concern is secondary to the interest of the district."

"It is amazing how a person such

as Szendy can speak about harmony at a Board meeting and then continue to write his controversial articles."

"Perhaps some day our School District can share the peace and harmony enjoyed by other School Districts. I wonder how long the taxpayers are going to put up with bad publicity? The answer to the following two questions may throw some light as to why controversy may exist: (1) When did all this bad publicity and controversy start in our school district? (2) When was Mr. Szendy first elected to the Board of Education?" Eaton asked.

CURRENT COMMENT:

Let's Hope Mal Gets It

By Fred J. Noeth

MALCOLM C. GERTZEN, one of the hardest working members of the Amvets in the state, is a candidate for the office of New York State Commander of the Amvets and has the 100 per cent backing of the members of the Robert O. Ulmer Memorial Post 44 of Hicksville. We have no voice in the eventual selection of the leader of this organization but we sincerely hope for his election.

Mr. Gertzen, a resident of 8 Adams Street in Hicksville, is well-known to us personally as a tireless worker in community, civic and veteran affairs, a viewpoint which we feel is certainly heartily endorsed by his neighbors and friends throughout the State.

The decision will be made by the State Amvets convention at Lake Placid in June.

For the record, let it be said that Mr. Gertzen now holds the office of first vice commander of the state organization and previously served as its third vice commander. He was the state Amvets parade marshal for 1955.

He has been a member of the Hicksville Post for five years and served two consecutive years as commander. Unquestionably the post achieved new stature in the community during his tenure.

He is past Nassau County Commander of the Amvets. He has been presented with a life membership in Amvets and a gold watch by the members of his home post in appreciation of his efforts. He has received a silver medal from the post and a plaque from the Nassau County Amvets for community service. He holds two New York State Achievement awards from the State Amvets Department. The present State Commander, who was recently a visitor to Hicksville, has called Mal "Mr. Amvet."

Our purpose in writing this digest of Mr. Gertzen's background is with the hope that it attracts the attention of members of the Amvets in other sections of the State. We know him and admire him greatly for what he has done for the organization. We feel certain that as State Commander he will further enhance the prestige and value of the organization to its membership just as he has promoted and developed Amvets in our community and County.

His election would reflect great credit upon our community as well.

TV COMMENTARY:

Every Knock Is A Boost

TV commentators seem to find Hicksville as a target for their comic remarks... But their advertising departments don't mind going all-out if the client happens to be in Hicksville.

When the atomic potato was used to light up Mid Island Plaza, one commentator went into raves... obviously for a fee.

Recently Sandy Becker described Hicksville as the habitat of Looney Birds and then recanted when a food market here came thru with an opening announcement over his microphone.

Latest to join the gallery of TV personalities sniping at us is Ron Cochran, CBS, who closed his 11 o'clock newscast last Thursday night by remarking that the winner of the Westminster Dog Show was Shirkham of Grandeur "who makes his home at Hicksville, L.I., but who ever heard of a Shirkham of Hicksville?"

We suggest the leading dog food companies get together now and give Ron a nice fat sponsorship... then maybe he'll love us, too.

VFW AMERICAN CITIZENSHIP medal presentation was made by the William M. Gouge, Jr. VFW Post, at Henningsen's Restaurant on Saturday night to Frank Sutter, third from left. former Township Councilman, and Hazelle MacPherson. Left to right are Noeth, Chlumsky, Sutter, William Frohnhoefer, who made the presentation; Mrs. MacPherson, Louis Klein, Commander of the VFW Post; and the Nassau County VFW Commander. (Herald photo by Frank Mallett)

Plaza Stores Are Open On Washington's Birthday

"The Mid-Island Plaza will be the only major regional shopping center in the Long Island area to have all stores open on Washington's Birthday, Friday, Feb. 22", according to George Ball, Executive Secretary of the merchants group at the Plaza.

A four-day value event, climaxed by a "Washington's Birthday Sale", will begin today (Thurs) for nearly 50 stores, many of which are outlets of national chains open for the first time on this holiday.

An analysis of the suburban shopping habit which indicates a desire on the part of the whole family to shop together on certain normal business holidays, is what prompted our decision to have all stores open on Washington's Birthday," stated Ball, spokesman for the merchants.

1,100 At Postal Pay Rally

WANTAGH -- Mid Island postal employees were well represented among the 1,100 cheering audience at a jammed "pay rally" held Friday night at the Firehouse, here. Congressman Snuyvesant Wainwright said he was convinced that the postal carriers and clerks are entitled to a wage increase from congress. He said there is an unquestioned need. The rally was sponsored by the LI District of the National Assoc. of Letter Carriers and National Assoc. of Postal Clerks. These groups are seeking a boost in starting salaries from \$3,560 to \$5,500 with a maximum of \$6,100 after four years instead of the present \$4,410 after six years.

JERICHO--Fifty nine years of perfect attendance at Hicksville Kiwanis Club meeting was recognized this week when Past Lt. Gov. Frank Chlumsky presented perfect attendance tabs to the following members:

Burns Deplores Health Threat

Albany - Assemblyman John J. Burns said this week that for the last 19 days a tugboat strike in New York harbor has all but crippled the oil supply of greater New York and its vast contiguous area, the world's largest oil-consuming region. Since the heating needs of this section of the state depend mainly on fuel oil, Burns pointed out, the present situation presents a threat to the health, welfare and safety of millions of people who live and work in the affected area.

"So far, the worst has been avoided because of the high level of stocks and the blessing of unusually warm weather. Now both of these seem to be coming to an end, yet, the strike is far from being settled. Since it takes about 100 trucks to equal the load of one single medium-sized barge, only a small trickle of the loss can be made up in this manner.

"The administration of Mayor Wagner has done very little so far to avoid the disastrous consequences which are inevitable if the strike is not settled immediately. There has not been any insistence for continuous negotiations which is the most elementary precondition for settling the strike.

"Even worse has been the lack of interest displayed by Gov. Harriman. So far, to my knowledge, there has not been a single statement from the Governor's office acknowledging even the existence of a threat to so large an area of the State," Burns noted.

Chapter Presents Cancer Film

The Manetto Hill Chapter of the B'nai B'rith will present the film entitled "Breast Self-Examination" from the detection bureau of the Nassau division of the American Cancer Society.

The movie demonstrates how women can detect breast cancer. An eminent physician will be at the meeting to answer questions about breast cancer. The film-for women only-will be presented on Feb. 26 at the Jamaica Ave. School at 8:30 p. m.

The nominating committee will present the slate of officers, and nominations from the floor will be accepted. The vote will be held at the March meeting.

Town CD Test Alert Next Tuesday

OYSTER BAY--Town Civil Defense officials have scheduled an "alert" for Tuesday Feb. 26, at 8:30 P.M. which will include the use of a helicopter to transport injured civilians to a nearby hospital. Zone Commander Buddy Mazzara announced.

The test will be held in the Sector covering Bethpage area and has been described as a functional exercise to determine the efficiency of the civil defense medical and welfare units. All other units in the Sector will participate.

The Northedge School will serve as the operating headquarters for the teams taking part in the "alert" and the school grounds will provide landing facilities for the helicopter.

The helicopter will land with

injured civilians between 8:30 and 9 P.M. and medical and radiological teams will be standing by to give immediate first-aid.

Four mobile radio cars, manned by two radio operators and an auxiliary policeman each, will be on duty throughout the entire "alert" and will be in contact with the

"copter" before and during landing operations. CD personnel will use portable generators and lights to illuminate the landing area between the Mid-Island Hospital and Northedge School.

Zone Commander Mazzara reported that more than 300 people representing every unit of the Township's Civil Defense organization will take part in the test. Civil Defense units from Brookville, Hicksville, Bethpage, Locust Valley, Massapequa, Plainview and Syosset will furnish key personnel and equipment to assist the Sector I command during the "alert".

Cheese dried out?

Try rubbing either butter or margarine along the cut edge before wrapping with waxed or foil paper. You'll find this helps keep cheese fresh and moist.

We're often asked why we refuse to use bleaching agents in processing Heckers' flour. "Why wait for the flour to turn white naturally?" people want to know.

The answer is quite simple: We still process Heckers' the good old-fashioned way because we want it to be **NATURALLY FLAVORFUL, NATURALLY WHOLESOME, NATURALLY WHITE.** That's why we let Heckers' "rest" after milling—so that you can count on better texture, fuller flavor, and finer appearance in your home baking every time.

With all its **UNBLEACHED**, natural qualities, Heckers' costs no more than other flours.

For an appetite-awakener that's economical, too—try these "Embassy-Prune Folds" which make a dish you'll be proud to serve to your special friends.

Embassy Prune Folds

Ingredients
5 cups Heckers' unbleached flour
1/2 cup sugar
1/2 cup shortening
1 1/2 cups milk
2 eggs (beaten)
1 1/2 teaspoons salt
2 small cakes yeast
(or 2 packages dry active yeast)
1/4 teaspoon spice
1/2 teaspoon grated lemon rind
30 prunes (soaked, cooked until soft, drained, pits removed and mashed)

Mix and add to prunes:
4 tablespoons sugar
1/2 teaspoon cinnamon

Scald milk, add sugar and salt and cool to lukewarm. Dissolve yeast in lukewarm milk. Add 3 cups of flour and mix well. Add egg, mace and lemon rind and beat well. Add melted shortening and remaining flour. Mix. Turn out on floured board and knead. Place in greased bowl, cover, and let rise until doubled in bulk. Punch down—let rise again. When light, knead a few times.

Roll dough into 1/2" thick rectangle. Cut into 8" squares. Place a spoonful of filling on each. Fold corners to center, pinch together. Place on greased cookie sheet and cover. Let rise until light; bake in 400° oven for 20-25 minutes.

Busy Weekend For Pack 491

HICKSVILLE - St Ignatius Cub Pack 491 had a busy weekend Feb. 9. Cub scouts and their families convened at 6 PM Saturday night, Feb. 9, in the St. Ignatius cafeteria to relish a satisfying supper, buffet style, at the Pack Blue and Gold Dinner.

Except for a short but inspiring lecture by Troop 91's chieftain enjoining the fathers to take a more active part in Scouting, the evening was devoid of fanfare or speeches. It was just plain family fun and just to insure the invited youngsters (kid-sisters and kid-brothers, that is) a boredom-free evening, Den Mother Calzetta took them under her protective wing with her own program of games.

Sunday, Feb. 10, marked the annual father and son communion breakfast. Cub scouts and their dads gathered in the basement of the school hall to march in a body over to St. Ignatius there to receive Holy Communion at the 8 o'clock Mass. A most satisfying breakfast was served at Henningsen's Restaurant where the pack shared tables with Cub Pack 91, Troop 91, and the Holy Name Society. Following short addresses by honorary guest Father Ballweg, Pack Chair-

man Sam McCafferty, Holy Name President Lee and CYO publicity chief Elwood Kent, the meeting broke up.

The more courageous reassembled hours later in the VFW Hall on B'way, to prepare to knock on doors in behalf of the annual Boy Scout Fund Drive. In mid-afternoon a weary group of Cubs and fathers, their flagging energies revived by hot coffee (or hot chocolate) and doughnuts, returned to their homes.

Tickets may be obtained this Monday or Thursday at noon hour in the school cafeteria or at the door on the night of the dance.

The regular monthly meeting will be held on Monday evening, Feb. 25, in the school hall at 8:15 p. m. The meeting will be declared "open" at 9 p. m., so that all members and their friends may enjoy a Children's Fashion Show.

King's Daughters Donate to Home

The children of the St. Giles Home in Garden City where made a little happier on St. Valentines' Day by the colorful dolls donated by the Candle Light Circle of Hicksville.

A small gift and Valentine greeting was sent to the little cancer patient in Poughkeepsie. Mrs. George Knauer of 44 Arcadia Lane was hostess to last week's meeting.

The members of the circle have a busy program planned with a white elephant and cake sale scheduled for the spring.

The next meeting of the circle will be today (Thurs) at the home of Mrs. A. Kopf at 62 Arrow Lane.

Auxiliary Visits Northport Vets

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Artie Ruiz

Well the Nonsense party has come and gone into history and the evening was very enjoyable from all points of view. Kitty Bletsch and George Banrett were the winners of the prizes offered for the games played. The only dampening item of the evening was the fact that the chairman of the affair was in the Glen Cove Hospital awaiting an ulcer operation but now Al Barlow is well on the road to recovery and it won't be too long before we see his smiling face amongst us again.

A big loud HELLO to new Legionnaire George J. Johnston of Fordham Road who joined up with us at the last meeting.

Jack Ehmman, Ernie Gudlach, Bob Hasel and Artie Ruiz travelled into Queens yesterday morning to lend moral assistance to the Legion's oratorical contest champ of Nassau County, Gene Nye of Hicksville High as he took on four other county champions at Bayside High School.

The Post voted a donation to the Babe Ruth League of Hicksville.

Blue-Gold Dinner

Cub Scout Pack 321 will hold their annual Blue and Gold Dinner on Wednesday Feb. 27 at 7:30 P.M. at the Old Country Rd. School in Hicksville. It will be a Chinese dinner.

The Explorer Scouts and Cub Scout packs will be guests. Inductions and graduation from Cub Scout to regular scouts and achievement awards will be given.

Teen On Radio During March

Richard Metzelaar, of 7 Link Lane, Hicksville, will be featured on the March broadcasts of the "Teen Town Hall" series presented every Saturday at 2:35 P.M., by Radio Station WHLI, Hempstead.

He will represent Hicksville High School on these programs, which feature discussions of topics of vital interest to teen-agers.

vile and that will help them a bit this coming season.

Commander Artie Bletsch, Kitty Bletsch and Junior Post Commander Bob Mangels, Hamlet Mangels will represent the Post at the Testimonial Dinner in honor of Junior Post Country Commander Arthur Petty at Levittown Hall on March 2.

Tonight is the annual dinner of the Last Is Man Club of the Post at the Legion Hall and before the evening is over many of the boys will be making plans to meet again very shortly as we have two new social affairs coming right up. There will be a Past Commanders' Dance on April 18 and Henry Bengel is the Chairman of that affair.

On March 16, the Post will hold its 38th annual St. Patty's Dance which features the music of Bill Nicholson and his Nicholasmelodians along with six dance contests with prizes for the winners. Free beer and hot food is included in the admittance price of \$2 per person and there will be no reservations accepted unless made before the end of the next meeting on March 4. Ed Hodgkinson is the chairman of this committee and he had Mike Palladino, Bob Sutton, Bob Hasel, Artie Ruiz, Gunner Barnett, Ray Morache, Johnny Hodgkinson and Sid Hodgkinson as aides. This date is also the birthday celebration time of the national American Legion organization and a few choruses of "Happy Birthday" will also be heard during the course of the evening.

Very happy to see those membership lists pour in and hope to see a lot more come in before we call it quits on the 16th.

See you all at the next meeting on March 4th at 8:30 P.M. So long now.

Insomnia - The National Bogyman

"A bowl of rice, and the bended arm for a pillow—a man can be happy with these," said Confucius. But today the majority of our citizens need more than the arm for a pillow for, to induce sleep, a Niagara of sleeping pills and aids pour into drug stores. In New York a shop is devoted entirely to sleep aids: pills, capsules, eye-shades—even special records to play. All this for what should be the normal process of restful sleep.

The first sleep aid is a simple philosophy which impresses that most worry is useless. This, plus a quiet, relaxing atmosphere before bedtime, with a warm, non-stimulating drink, will help, especially if the bedroom is well ventilated and not too warm. Eating of heavy, indigestible foods before bedtime is a major cause of sleeplessness.

A modern sleep-killer is the horrible and terrifying motion picture shown as a night-cap by television. This is the stuff of which nightmares are made, as is fast, jerky, dance music, written to spur physical action. However, ballads and symphonies are restful and conducive of relaxation.

A firm mattress and the art of "thinking of nothing at all," with a neutral mind, and an absence of worry about whether or not sleep will come, will help to achieve restful sleep. Your doctor of chiropractic, with his soothing treatment, can do much to relieve the nerve tension which often causes sleeplessness.

THE OVERTIME BLUES

In a perplexing basketball game if there ever was one Roslyn, tormented by 16 straight losses to Hicksville, rallied from a ten point halftime deficit to astonishingly upset Ed Petro's Comets, 59-57, in a sudden death overtime period, at Hicksville, Tuesday afternoon.

It was a non-league victory for the Hilltoppers who were routed by this same Hicksville Club on their own boards five weeks' ago.

Hicksville now has an overall record of 9 wins and 6 defeats. Its Eastern Division co-leadership with Oyster Bay remained unbroken by the Roslyn reverse.

Hicksville to-night (Thursday) plays host to Seaford in another non league contest and next week plays out the final games on the 1957 regular schedule.

Westbury vs Hicksville Tuesday night in a non-title bearing but prestige battle and Friday the fading Comets travel to Farmingdale.

That meeting with the Daters looms very important. Oyster Bay squares off against Bethpage to-night in its Eastern final thus throwing tremendous pressure on Hicksville to preserve the status.

Farmingdale pressed The Baymen to the wall before bowing 40-37 last week-end.

Our story in the last issue wherein a flip of a coin may decide the Eastern flag should Oyster Bay and Hicksville finish a deadlock caused quite a storm.

Hicksville has extended an invitation to Oyster Bay to play the issue off Saturday night, March 2nd.

For the present both sides are going cautiously since a deadlock is not a sure thing. Preliminary arrangements will be made awaiting Oyster Bay's official decision which won't come until this week-end.

Provided it beats Farmingdale Hicksville stands ready to resolve the issue on the playing court.

From coach Ed Petro, Athletic Director Chet Jaworski and Princ-

MEL ALLEN, famed broadcaster of Yankee games for Ballantine, will be at the Market Bowling Alleys on Robbins Lane, Hicksville, at 7 o'clock this Sunday evening, Feb. 24, to officially open the 48 alley bowling centre. Lawrence Healy of Hicksville, Ballantine district sales manager, is handling arrangements for Allen's appearance.

HICKSVILLE NATIONALS: What Is Little League?

by Mary Blust

Little League Baseball is many things to many people. To the boy it is baseball adapted to his mental and physical capacities. To the adult, the neighborhood and the community it is baseball with a purposeful character, encompassing the broad concepts of the American way of life.

Without motive and principle, Little League would be just another baseball program. From the outset, Little League has preserved an ideal that recognizes baseball under-

proper leadership as a character building influence in the American boy. Complete understanding and the firm application of these principles are the essential elements that make boy's baseball, Little League.

The program was designed for boys of 12 years of age and under. It is regulation baseball tailored to meet the physical limitation of the age bracket. Notable exceptions to the age bracket are the reduced size of the playing field, fewer innings per game and some standards of playing equipment.

Little League Baseball was organized in 1939 in Williamsport, Pa. The first league was composed of three teams, each with 12 uniformed players. Games were played on a diamond two-thirds the size of a regulation field.

The idea was an immediate success. By 1948, Little League began to take on national stature, thanks to the financial assistance of the United States Rubber Company, as the program's first sponsor. In 1956, the program had expanded to 4,100 leagues in the United States, Canada, Mexico and eight other foreign countries.

Final registration Mar. 10 at Abe Levitt Field at 10 A.M.

The regular monthly meeting of the men's organization will be held on Feb. 28, at Levittown Hall. It has been postponed from the 21st due to Washington's Birthday.

Fathers Beat Faculty 58-42

HICKSVILLE - The Second Annual Dutch Lane school Fathers-Faculty Basketball game was played in the school gym Friday.

Although the Faculty fought hard they were defeated by a score of 58-42. Had there been time left to play the faculty might have at least tied the fathers, if not beaten them, for at half time the score stood 14-15.

Prior to the big event, there was a game between sixth grade teams. Mr. Fulton's class (the winners) played a team composed of players from Mr. Apt's and Mr. Granville's classes. Although this game did not begin until 8:15, the Gym had "standing room" only by 8 p. m., which overflowed to the doors.

Having a cheering squad composed of Women Faculty and school personnel, was not enough inspiration to the Faculty Team for them to overcome a well-trained Father's team.

COURSES OPEN

The four golf courses at Bethpage State Park at Farmingdale will be opened for the 1957 season tomorrow, Friday, weather and playing conditions permitting. During the fall and winter months the greens for a new fifth course were topsoiled and this spring a contract for the irrigation system will be let.

proved very impressive.

John Hosford recorded 65 push ups to come off best in that competition. Bill Krabber worked hard for a winning total of 132 in the Squat Jump while Paul Houf achieved 64 in Squat Thrust.

Bob Laine did 37 Pull ups and Al Magnee scored with 801 sit ups. Jim Barton was high man in an all round appraisal of the events with a score of 84.

Complete details on any possible playoff and the Nassau County tournament, which gets underway in any event March 5th, will be published in the next edition of the HERALD.

Meanwhile that dazed look in the Hicksville Camp is a hangover from the Hilltopper upset.

Hicksville was ahead 35-25 at halftime but a poor shooting average from the floor and particularly the foul line (only 11 successful conversions in 28 attempts) enabled the visitors to gain a 49-49 tie.

It was 57-57 after a three minute overtime session. At 1:04 of the sudden death Roslyn worked an easy layup for the fractional but painful decision.

The solid foundation the Hicksville Alumni had as leader of the NCABL Eastern Division turned to sand when in a thundering double overtime the Oyster Bay wonder Five won a rousing 110-103 win.

It was a valiant effort on the feared Oyster Bay High floor for the Alumni but sent the club spinning into the toughest part of the schedule with a narrow edge.

Hicksville now has a 8-3 record while the winners have better position with a 9-4 mark.

Wild shooting in both regulation and the first overtime when it boasted four point leads with less than ninety seconds remaining cost the Alumni a 9-2 to 8-5 margin over the Baymen.
