Town Trucks Start Garbage Collection

HICKSVILLE—Garbage collection for 8,300 homes and businesses in this community by town employees and town-owned equipment starts here tomorrow (Fri.), according to Chaudler Henn, sanitation supervisor of the Township. Five new trucks have been assigned to the local program which brings up to 37,000 the number of homes in the township receiving this form of service.

Rules for collection of garbage have been distributed to homes and business in the area, giving the dates and hours of collection in each area. It also lists 11 holidays on which no collection pickup is provided.

The start of municipal collection here will see a change in the procedure on Broadway where pickup from businesses has been made six days a week for many years. The new system will reduce this collection to three days a week, an announcement which has already produced comments from business firms.

The Chamber of Commerce office said it has had no official protests from any members as yet. Several merchants told the HERALD they were now confronted with this problem: rubbish and garbage may only be placed on the curb during specified hours and it is a violation of the garbage collection ordinance to do so at other hours on the other hand, collection of debris in store premises can be considered a fire and health hazard.

The rules also provide that garbage and unburnable junk must be packed in separate containers for collection.

Red Cross Drive Begins

HICKSVILLE—George W. Marthen, Community chairman of the Red Cross Drive, which begins here tomorrow (Fri.) has announced that the Area Captains for the Drive will be: Mrs. Emily Burrows, Mrs. Audrey Fricke, Mrs. Helen Alonge, Mrs. Peggy Huttie, and Mrs. Enid Badler.

Michael M. D'Auria has been appointed Chairman of the Professional Men's solicitation committee; and Mrs. Arthur Huettner, Fund Treasurer.

"The quota for Hicksville this year", Marthen said "is \$3,100, but due to the floods in the southern states it is expected that this will be increased by about 20%."

Workers will be soliciting door to door, and Marthen urges all to give generously. He also said that more workers are needed, and asks all who are willing to give of their time in this worthy cause, to contact him at 380 So. Oyster Bay Rd., WELLS 8-4400.

See Referendum Put Off Until March 30

HICKSVILLE—The forthcoming referendum of the School District, originally scheduled tentatively for Mar 16, will probably not be held until Mar 30 or even later, it was learned this week. With a specified period of time required by law for the giving of notice to voters, the deadline for action to bring the voters out on Mar 16 has passed, School Attorney Harry H. Goebel disclosed at the Board meeting Monday night.

With four questions tentatively set for the referendum, a fifth was under consideration this week: Appropriation of funds necessary to put grounds and baseball fields at the school condition for play this spring and summer. The budget for this year does not provide sufficient money to do the necessary work which should be begun in a matter of weeks.

Other scheduled questions are (1) proposed land transfer with Stackler and Frank, (2) proposed Wildwood Rd site sale to Holy Family Church, (3) appropriation of \$12,500 for transportation inside and outside the district, and (4) election of a library trustee.

BOARD, STACKLER MEET OFF RECORD ON SWAP

HICKSVILLE—Members of the Board of Education were closed with Walter G. Stackler of the firm of Stackler & Frank, owners of Mid Island Shopping Plaza for more than two hours in executive session, Tuesday night, apparently regarding the forthcoming transfer of S&F and School District property near Burd Ave School which will be the subject of a referendum shortly. No action was taken by the Board after the executive session.

Meanwhile, the agreement which has permitted S&F to use a portion of school property for a right-of-way into the Plaza parking field off W John St which has been the subject of several extensions, ran out last Monday night and by vote of the Board was extended again, this time until next Monday at midnight, Mar 4. The School Board has set a special meeting for next Monday night in the high school faculty cafeteria at 8:30 PM.

The Board has received appraisals of the property involved as prepared independently by Charles I Montana and William M. Heberer. These reports are currently marked as "confidential".

The Board has also received appraisals from both experts on the 5-acre Wildwood Road site which Holy Family Church is willing to buy, provided the voters

approve. These reports are also labeled "confidential".

The Board met on Monday night from 8:30 to 12:30 when the meeting was adjourned to 8:30 Tuesday. On Monday, the Babe Ruth League was given permission to use the high school auditorium on June 16 for a performance at which admissions will be charged. It is understood the production will be

2 Jericho Girls Win Contest

JERICO - Two local girls, here, walked off with prizes after doing the Rock and Roll Dance at Huntington, on Feb. 23.

Miss Ronnie Cronin and Miss Anne Grege were the winners, and will continue to dance Rock and Roll, competing with other girls, in the future at various town dances.

Trinity Lutheran PTFA Hears Panel

HICKSVILLE - The Trinity Lutheran school PTFA meeting in the school gym on W. Nicholas St., here, on Feb. 11, heard a faculty panel, "Teaching of Reading at Lutheran School", under the direction of Richard H. Engelbrecht, school principal.

Utilizing children of several grade levels, the faculty panel demonstrated several basic procedures involved in the teaching of reading.

Members and guests present were given the opportunity to discuss the presentation and ask questions. Terms and phrases, such as "the balanced program", "phonics", "reading readiness", and "reading for interest" were a few with which the parents had the opportunity to become familiar.

It was announced that committee chairmen had been selected in the various areas for the forthcoming PTFA sponsored operetta.

Antler Speaker For Stackler

HICKSVILLE - The Organization for Public Education will have a guest speaker at its March meeting, according to James Cass, newly elected president. HOPE has invited Paul C. Woodring, author of "Let's Talk Sense about our Schools", to discuss "What Makes a Good School System". A factual survey of the local system, now being prepared, should also be available for public discussion about the same time a spokesman said.

Cass, along with Jack Fields, Ann Balfour, and Kurt Pohl, were installed at a meeting last week by Nat Antler of the Stackler & Frank organization. He gave a welcoming address and the oath of office to the new officers after presenting achievement scrolls to outgoing officers.

Among the declared aims of the new organization are support of public education, the circulation of facts concerning the schools, and cooperation with other agencies in solving school district problems.

Dear Jean:

The Ladies Auxiliary of the Hicksville Fire Dept. will meet on Tuesday evening, Mar. 5, at the E. Marie Firehouse. Members are urged to attend. Please take note as no personal notices are being mailed to members. Plans are in full swing for the second annual Scout Exposition at the Hicksville Long Island Lighting Plant in May. All who attended last year are enthusiastic in their plans to participate. Cub Scouts and Explorers of the Tri-Parkway District will learn full details from their leaders.

Our very best wishes to PAUL GIAMONACO of Hicks Circle, Hicksville who celebrated a birthday on Sunday, Feb. 24th. He's a fine boy and a credit to his Mom and Dad, Mr. and Mrs. Gene Giamonaco. What's this we hear of a prowler in the vicinity of Twinlawn Ave., Hicksville? Several of the families have been reporting footprints close to windows, the trying of doors around 12 and 1 a.m. Be careful folks and make sure all windows and doors are securely locked.

Several of our readers had birthdays with George Washington on Friday. Belated greetings to little JOSEPH FRANCO of Cliff Dr., Hicksville, who celebrated with a party in the afternoon. Also to "Barge" Skelly of Pine St., Hicksville. Little RONALD GLINKA, son of Mr. and Mrs. John Glinka of Hicksville, is a new member of Den 5 of Cub Pack 91. Happy vacationing to the ANDY YATRAS of Twinlawn Ave., Hicksville, who are enjoying a few weeks in Florida. Also, Mr. and Mrs. RAYMOND BONAZZI and sons, Robert and Paul of Dante Ave., Hicksville, who left on Sunday for a three week stay in Miami. Mr. and Mrs. CHARLES SHARRATT of Center St., Hicksville, home again after a holiday week-end with their daughter Joan and her family in Preston, Maryland. Along with the Florida vacationists are Mr. and Mrs. WILLIAM SMITH of Willoughby Ave., Hicksville, who left on Monday for a few weeks of rest and sunshine.

Violinist CLARE NORDEN, Hicksville resident, was among the members of the orchestra performed in colonial garb at the Garden City Hotel, Feb. 23, when the Little Orchestra performed at the Washington Inaugural Dinner and Celebration given by the Patriot's Committee and sponsored by Franklin National Bank. Have you ever been "stuck" with the problem of where to get a stamp after the post office window service closes? Postmaster HARRY COTER has provided a stamp machine in the PO lobby which is open daily, 6 AM to 8 PM and Saturdays from 6 AM to 5 PM. Hicksville Jewish Centre Sisterhood meets Wednesday, Mar. 6, at Levittown Hall. A rumor has it that REARSALE of the Massachusetts is now being mentioned in the conversational wasp as a possible candidate for Supervisor, if and provided. We heard this week that a local organization which has been interested in parking problems has now got a committee looking into what happened to the first committee. A certain local store which has signs all over the place announcing that it is going out of business expects to be still around by October.

Remember you read it here FIRST: The trade is forecasting a cigarette price hike "fairly soon". A meeting of more than five women was held recently in Hicksville and DOUG KING was NOT present. Dr. LOWELL GLATT of 32 Salem Rd., Hicksville, is chairman of the Forum being sponsored by the Nassau County Optometric Society and Suffolk Optometric Society which will be held on Mar. 6 at Hempstead Elms in observance of Save Your Vision Week. Students at Levittown High School have a gardening club and have planted 500 tulip bulbs as part of a program to landscape the centre court of their high school. Sounds like a sound idea for Hicksville to copy, especially in view of recent reports about the status of our upkeep of grounds funds in the current school budget and the urgent need for ground improvement. State Conservation Dept. at Albany reports that J. MARATORE of 245 Stewart Ave., Bethpage, paid a \$10 fine during December for tagging untagged venison. Hicksville Kiwanis has accepted CHARLES LAVERNE into membership. Club rolls are now limited to 85. ROGER W. OPDAHL of 185 Windhurst Ave., Bethpage, student at Hofstra, has won an honorable mention in the essay contest sponsored by Planned Parenthood of Nassau County. Two evening students at C. W. Post College, Brookville, both residents of Hicksville, have achieved the Dean's List. They are Mrs. ANITA KREITZMAN of 61 Wishing Lane and CARMELA RUSCIGNO of 226 W. Nicholas St.

GLEN H. PICKETT of 32 Areadia Lane, Hicksville, has become the 2670th radio amateur to achieve membership in the exclusive DX Century Club since World War II. He earned membership by making contact with at least 100 foreign countries from the station in his home. K2CF. WILLIAM "SPIKE" FROHNIOFFER who works for the Water District and is one of the hardest working members of the VFW Post, delayed a vacation trip to Florida in order to make the presentation of an American Citizenship Award to FRANK SUTER. He was surprised to find the members asked him to make the presentation (and delay his vacation a week) so they could surprise him with an engraved wrist watch. Sorry to hear that the wife of PAT BUFFALO, Chamber of Commerce president and manager of Rogers 5 and 10, is ill. Our third "skyscraper" is the new office of Meadowbrook Bank with steel work towering 3 stories high. Professional Bldg. has four floors and GOFFS run up five floors. Hicksville Citizens for Better Government in School Affairs will meet this weekend. Will DOUG KING be there? Is it true DOUG is running for the School Board? An informed friend says he has permission to quote JOE CAWLEY stating he is not a candidate for re-election this May.

We did a double take when we saw this flaming headline in the Franklin Square Bulletin: "LOCAL MERCHANT VICTIM OF ARMED ROBBERY. Gun Misfire Saves Maglin's Life; Robbers Escape with \$700 Cash". The story involved AL and FRANCES MAGLIN who own a liquor store on Hempstead Tpke. They were held up by a thug with a shotgun and during the fracas the trigger was pulled but the gun failed to fire. He is the same AL MAGLIN for whom the Hicksville liquor store, owned by SOL ROTHSTEIN, is named. Nassau Medical Society bulletin for February given physical and medical descriptions of STEVEN CRAIG DAMMAN missing from East Meadow since Oct. 31, 1955. He would be five years old on Dec. 16 of this year and police believe "the boy to be alive and that he may soon be enrolled in school for which he may be brought to a physician for vaccination, inoculation or physical examination".

gle, must be complimented for their wonderful work in assisting this program. Their work with the cheer leaders during the past year was most commendable, and our football and basketball teams were most fortunate in having such a splendid group of young ladies to urge them on to victory. The program is off to a fine start, and from here on in, the rewards will no doubt be greater and greater as it grows. Orchids to the ladies, once again, for their superb performance.

The CYO St. Ignatius Track team, participated in the 8th Annual Diocesan Indoor Grammar School Championships last week, and walked off with eight medals. Thirty-seven parishes were represented, with 2300 contestants entered in the event.

The Diocesan Championship was won by St. Cecilia's of Greenpoint. St. Ignatius was top scorer of all the Nassau County teams, with a total of 21 points, and tied for fourth place in the overall meet. The St. Ignatius medal winners were: F. Biasi, 2nd Place - 80 yd dash; C. Rottkamp, 2d Place - 100 yd dash; Steve Sullivan, 3d Place - 40 yd dash; George Revis, 3d Place - 80 yd dash; Baldwin, Paneco, Spyrdon, and Jaworski, 2d Place - 160 yd Relay. St. Ignatius suffered a bad break in the 100 yd Shuttle Relay. With a commanding lead, and in the anxiety to break a record, they broke a fraction too soon, and were disqualified. The winning team broke the record, and garnered four additional medals for doing so. Coach Art Murphy was pleased with the results, and is predicting great things for next year.

READ ESSAY

Preceding the tea on Friday evening, Miss Miriam Lane Best, New York State Chairman for D.A.R. Good Citizens presented the Good Citizens Award, and Mrs. Irving N. Hutchinson, Oyster Bay Chapter Regent, pinned to Miss Wycoff's blouse the good DAR pin. Guests listened as Miss Wycoff read her essay on "Ramparts We Watch".

Other young ladies also honored were: Mary Moorhead, Massapequa High School; Patricia Davis, Levittown Memorial High School; Barbara Meyers, Oyster Bay High School; and Benita Rella, Weldon E. Howitt High School, Farmingdale.

Miss Wycoff's Essay follows: **RAMPARTS WE WATCH** by Judy Wycoff.

On a morning of re-awakening the questioning spirit of man will look back over the ramparts we watched. On horseback, in tanks, with cannons, and with mortars, our men have striven for a belief and an everlasting faith in our country. Across the quiet hills of our nation, and overseas, our men have died as if they were martyrs. In their hearts the pinnacle of democracy lies, a clenched fist.

elected County Commander of the Catholic War Veterans.

The Hicksville Adult Education Bank, lead by Charles Gause, Director, gave a series of four selections.

The guest speakers who spoke on "Brotherhood in Action" were the Hon. Charles S. Golden, Official Referee, Supreme Court of the State of New York and Hon. Daniel G. Albert, State Senator, Second District.

The mixed choir of the Trinity Lutheran Church, Charles F. Boehm, Chorister, gave a beautiful and impressive series of selections. They were dressed in their church vestments.

Community singing was participated in by the audience, which included the singing of "God Bless America".

The Benediction was given by Rabbi Eli D. Skalt of the Congregation Shaarei Zedek.

Prior to the opening of the meeting, organ music was played by one of the seniors in the Hicksville High School, Irene Althausen, and her playing was most favorably received.

After the Benediction the meeting closed.

SOCIETY TO MEET

The Rosary Alter Society will have its next meeting on Monday, March 4 at 8:30 pm in the Holy Family Church auditorium, Hicksville.

Featured for the evening will be a film on "The Passion and Crucifixion of our Lord, Jesus Christ".

and an eye of determination seems to symbolize their goal in war.

As our country began to expand with influence, we became aware of the conflicts of the world. Each time we entered into a field of doubt, we did not know whether it would be our triumph or devastation. Our men fought with a strong faith in God and our country. Their courage surpassed all.

Throughout the ages religion and race have been a barrier to a united world. In times of lapse men contradict one another, but in times of crisis they are united and fight side by side. White, black, Catholic and Jewish, they are the people of our country, the backbone of our nation. Yet today we are faced with the age old problem of religion, prejudice, and malice. Race, religion, and theory should eliminate none.

Our nation has come far, and conquered many ramparts, but the path is not complete. Ahead of us lies the struggle of segregation, communism, and the atomic age. With these our flag will be held high over the turmoil of the world. It must not fail, and it shall not fail as long as strong hands hold it high. Work, charity, service, faith, and patience are the fingers of the sturdy hands that will hold our banner high.

State Gets Report on Temporaries

ALBANY--The construction of unique movable classrooms by the Hicksville School District is the subject of a feature article in the January issue of "Bulletin of the Schools" published by the University of the State of New York.

The article is authored by W. Tjark Reiss, senior architect, division of school buildings and grounds, State Education Dept and features pictures of the Hicksville project in construction.

"The method of solving school building problems varies from locality to locality," the article states in part. "It will probably by 10 or 15 years before school districts can look back and judge whether their particular solution was best suited to their needs."

"Hicksville has had a very large growth in the past several years and has built several fine new elemen-

tary and high school buildings," the article continues. "Recently some district representatives have questioned whether the pupil population will continue to grow, level off or decline. Some people believe that the present elementary enrollment has reached its peak and will not follow through the secondary schools and then be established at a lesser figure."

"It then logically follows that it would be unwise to build permanent type classroom capacity which would be needed and used for only a few years. As a result the architects retained by the district were instructed to design inexpensive classrooms which could be added to two recently completed permanent elementary schools and then later moved to secondary schools."

The district has now voted similar additions totaling 36 class-

rooms to other permanent elementary schools.

These classrooms meet requirements of safety, health and education. They are assembled on the job from precut wood frame panels. The architects have arranged the design so that each classroom is a structural unit in itself supported on steel skids. To move the units it is necessary only to disassemble the corridors. Each classroom is then moved as a complete unit to the next location. New foundations will be required. The corridors can be reassembled with some patching.

The author finds the movable units attractive in appearance but the long-range success of the plan depends on such factors as maintenance and insurance; he notes the low cost and speed of construction factors.

Views of Hicksville's Portable Classrooms as published in the State Education Dept bulletin to the schools. The classes are now being used for instruction.

I don't know but this feeling that the high school students are generally an unruly lot when required to sit still and listen to something that is not rock and roll did not bear itself out last week at Bay-side High School. Gene Nye gave his oration here at the 10th District finals and I, Jack Elmann, Ernie Gundlach and Bob Hasel were among the audience. I watched these kids who ranged in age from 14 to 18 years old and there was so little squirming that it couldn't be noticed. During the period while the points were being tallied, one of the students gave a piano recital of Gershwin's Rhapsody in Blue and of course this gladdened their spirits very much. But the applause and enthusiasm was definitely no greater or more sincere than when the judge announced that Gene Nye was the winner of the contest. Perhaps it's the method of varying the assembly programs at this particular school, as the principal explained to the group that they must get used to various types of entertainment, that is really bearing fruit.

Ever hear the story of Walter Barnett going to raise that sunken Italian liner, pizza by pizza? Nice to see Al Donals in business for himself as sole proprietor of Ray Television Service and I wish him all the success possible.

I attended a County meeting last week with Artie Biersch and Guy Smith and found that the Dan Daniel influence had found its way into the appearance of the highest group in Nassau County. However,

Camp Applications Available Now

By ELWOOD S. KENT, SR.

HICKSVILLE--Troop 91 has issued Summer Camp applications, and has more available for those who wish to see Sawwex in all its summer glory. In order to stimulate the summer camp actively, the troop will take partial payments each week until the full sum is paid. The initial application must be made with \$3, while smaller payments can

be made to ease the burden, thereafter.

Scoutmaster Mike Fasulle is making plans to have the troop participate in a special event. However, this event will have to remain a mystery until such time as all plans are complete. Just as hint, though, the event will be most satisfying to the boys, and will enable them to use some of the equipment which has not seen much use in some time. What's your guess?

In addition to this, the Committee is planning a surprise for the parents and the Scouts. But this too must remain a mystery until all the plans are completed.

Senior Scout Bruno has been entrusted with the record keeping for the Jamboree at Valley Forge. The responsibility is a heavy one, as some lucky and deserving scout will be selected on his "merit" to represent "91" in the National Jamboree in July. The point scoring was initiated last week, and will continue each week until the end of the contest. "Scouts" be on your toes! One button out of place may cost you the trip to Valley Forge. Good Luck!!!!

Pack 291 Hears Scout Kanawanda

HICKSVILLE - The boys of Pack 291, sponsored by the PTFA of Trinity Lutheran School, attended the annual Blue and Gold dinner with their Dads on Thursday night in the gymnasium of the School.

Following the presentation of the colors and the "Oath of Allegiance" to the United States of America, Oscar Block of Trinity's choir sang the "Star Spangled Banner". The boys and their Dads then filed to their places at the table and after Pastor James Taylor, of St. Paul's Lutheran Church, Bethpage, had given the invocation, sat down to a delicious dinner prepared by Mrs. Howard Raynor, the Dietitian of the school, and served by the ladies of the Pack.

Guests included Mr. Petter, the PTFA chairman of Trinity Lutheran School and Eagle Scout Leo Kanawanda. A former member of Pack 291, Leo spoke briefly to the boys urging them on to greater efforts in Scouting. Scout Kanawanda is one of the five boys of Nassau County, chosen from hundreds of applicants, to attend the Boy Scout Jamboree which will be held in England this summer.

William Murphy, Cubmaster, presented Wolf badges to Peter Erikson and Michael Dias, Bear badges to William Thunell, James Taylor and Richard Carman. A Lion badge to Martin Banschbach and to Dwight Rutledge the Webelos badge, the highest award in Cub Scouting.

FOURTH ANNUAL DINNER of the Waldemar Medical Research Foundation will be held on Saturday evening, March 2, at the Garden City Hotel. Here are members of the Dinner Committee making final plans: Mrs. William S. Hults, Jr. wife of Senator Wm. S. Hults, of Port Washington; F. Howard Covey, Chairman of the Committee and Ernest G. Blach, President of the Roslyn Savings Bank. Nassau residents have made up tables to attend this event in order to benefit the cancer research and student education program of the laboratory, located in Port Washington.

Be It Ever So Humble — Home Isn't Safe

The American home today is the scene for injuries and deaths which rival battlefield statistics. The warnings to "Drive Carefully" should be matched by a home slogan to read "Live Carefully," for more casualties occur in homes than on the highways. In 1955, nearly 100,000 deaths and uncountable millions of serious mishaps happened where we consider ourselves to be safest—in the home.

Careless citizens burn themselves to death—in kitchens, lighting furnaces, and by smoking in bed. They are electrocuted in bathtubs by touching electric appliances with wet hands. They slip, stumble, and fall in dark bedrooms while half asleep, and maim themselves on stairways. They take "headers" on loose rugs and on the kiddies toys, which should have been put away. Their children take poison left in handy places for their little hands. They gas themselves to death through faulty kitchen stoves and fall asleep in cars left in the garage with motors running.

Simple rules can stop much of the slaughter. 1. Anchor loose rugs on slippery floors. 2. Keep furniture in accustomed places—a misplaced stool can mean broken bones. 3. Keep stairs well illuminated, paint the top and bottom basement stair dead white. 4. Remove all electrical switches which can be operated from a bathtub. 5. Keep bottled poisons in a plastic bag out of reach. 6. Promptly fix gas stove leaks. 7. Keep a rubber mat with suction cups in the bathtub, and on tiled bathroom floor. 8. Type these reminders and post them prominently in the home. Your doctor of chiropractic presents these rules in cooperation with the National Safety Council.

THE GREEN THUMB

by Alma W. Craib

Any day now you may see the snowdrops and winter aconites popping up to tell you that spring is on the way. In 1952 and 1955 they bloomed on Feb. 24, and in 1951, on Feb. 28. After that, it will be no time until crocus peeps out, here and there, and then, before you know it, spring will be here!

All your garden planning should be done now. As you make out your seed order visualize just where you are going to plant each thing, and don't buy too much. It's a waste of your money and of precious seeds.

To grow or not to grow vegetables—that is always the question; whether 'twere better to dole out your money for seeds, fertilizer, insecticides, and water, and grow your own, or just to drive over to Jericho Turnpike and buy what you want when you want it, and have the choicest of the crop of a well-managed farm? Well, you decide. There is little economy in growing your own vegetables, but there is great satisfaction. A beautiful red tomato that you have brought up by hand will taste better than anything you can buy, but you do have to keep everlastingly at it, weeding, spraying, fertilizing, watering, and at length, happily, harvesting.

Beans and tomatoes are usually fairly successful, even for the rank amateur. The Wade bean, which was All-American Winner some years ago, is more tender and delectable than anything you can get in a market, and some of the most delicious of the tomatoes, such as the pink, odd-shaped Ponderosa with its delicious, mild flavor are seldom grown commercially. Yellow tomatoes, too, such as Sunray, which are high in Vitamin C, and make such pretty salads, are not offered in stores. Some things are superior in flavor, but do not have the eye-appeal that must be considered by commercial growers, and these are definitely worth the effort of producing.

Spinach is easy to grow during spring and fall, but bolts to seed in hot weather. When we first came to Plainview there were huge spinach fields extending from Oak Dr. to Woodbury Rd., and it seemed to grow all winter.

Carrots I have always found difficult, probably because I cannot bring myself to destroy all the

nice little plants you have to pull out in order to thin them to proper distances apart, and you can't transplant them. Beets are eaten as greens, so they are not as hard on your maternal sensibilities. Summer squash is a joy to grow—unless a bug punctures the stem and the whole lush plant collapses without warning. Zucchini and cocozelle produce so abundantly that you can supply the neighborhood with a few bushes.

With cucumbers it seems to be "feast or famine." If they do well, which means if you plant them in full sun, fertilize and water well, and keep them covered with rotenone dust to protect them from beetles, you will be literally drowned in cucumbers; they seem to spring to full size overnight. Broccoli, brussels sprouts, and cauliflower are not for the amateur, but if you have a yen to grow them, go to it. You may have "beginner's luck".

IS GRAND NATIONAL CHAMP!

**Wins NASCAR Grand National Championship Race Against All Cars
Regardless of Size, Power or Price—Setting New Track Record
in Biggest Stock Car Event of Year Following Clean Sweep of Its
Class in Flying Mile and Acceleration Runs.**

Here's why it's important to you! You can buy the same model Pontiac right here in town with the same ruggedness, safety and precision-handling that outclassed all the others at Daytona! Remember, this was a strictly production model Chieftain Pontiac powered by the spectacular 317 h.p. Strato-Streak engine—and introducing Pontiac's revolutionary Tri-Power Carburettion, a great new advance, optional at extra cost on any Pontiac model. This amazing carburetion system literally gives you 2 engines for the price of 1... tame or terrific at a touch of your toe! For normal driving the engine operates on a standard two-jet carburetor (the same type that won the economy tests last year). A little extra pressure automatically cuts in four more carburetor jets for instant response when you need more power. Come on in and drive America's Number One Road Car. You can easily afford it—prices actually start below 30 models of the low-price three!

This took the form of a "Cat in the Bag" party for the ladies at the home of Mrs. Dolly Sotis of 5 Elwood Ave., Hicksville. Ticket of admission consisted of gift for the "auction sale" which was the main event of an evening full of fun, including assorted prizes, refreshments, etc.

The party was both a social and financial success, for which special thanks are extended to Mrs. Gladys Collins, the newly appointed Fund Raising Chairman.

Arrange Cake Sale for Cubs

Cub Scout Pack #378 of Hicksville is asking everyone to perk up his appetite in preparation for their annual fund raising Cake Sale to be held on Friday, at the Sunrise Supermarket, West Village Green.

A Parcel Post Party is scheduled for the meeting and members are asked to bring a package worth 50¢ wrapped for parcel post. These packages will be sold at the meeting.

The St. Ignatius Plus X Society is the only organized group of parents and teachers of confraternity children in the Diocese of Brooklyn. The parents of these children should be pleased to become members and participate in the activities of such a unique organization. The membership drive for this year has not been successful and the Board does not feel remiss in urging one membership from each family of children registered in confraternity. The cost of membership is only \$1.00 per year single and \$1.50 family. If you insist upon passing the buck, please pass it to Mrs. F. Horn, membership chairlady, who in turn will forward your card.

Bantams Stirl Seek 1st Win

HICKSVILLE - Trinity Lutheran Junior and Bantam basketball teams, here, are still looking for their first victory both having lost their first three league games. The Juniors, in the first game of the second half play, lost to Redemptor of Seaford, 53-20. The second loss was to St. Paul's of Amityville, 57-40. From a slow start at the end of the first quarter, when St. Paul's led 14-2, Trinity picked up speed in the second and third quarters, giving hope to their supporters, when the score stood at 30-28. However, in the last 8 minutes of play, St. Paul's went on a rampage scoring 27 points to Trinity's 14 to win.

In their third contest, Trinity fell to a strong East Northport team, when St. Paul's easily won 50-22. The Trinity Bantam team opened the second half league play by losing to St. Paul's of Bethpage, 52-40; and the following week were downed by Good Shepherd of Plainville 52-30. Although showing better form in their third contest, the Bantams were defeated 26-20.

MEL ALLEN, Popular sports announcer, was at the Market Lane on Robbins Lane off Jericho Tpke, Hicksville, Sunday night to officially open another addition to the lane. He rolled one ball and to the surprise of himself and more than 400 spectators it was a "Strike". One of the nation's most popular TV bowling champs will be at the Market Lanes on Mar. 15. We can't mention his name yet, but we understand he

will squiggle down to the starting line. Left to right are John Lynch, LI distributor for P. Ballantine; Mel Allen talking about guess what; George Y. Spohrer, owner of the Lanes; and Lawrence Healy who arranged for Allen's appearance. The sports announcer flew up from a southern city to be present. (Herald Photo by Frank Mallett).

the Sportlight

By HOWARD FINNEGAN

On the first night of operation for the colorful and historic Eastern Division of the North Shore Athletic League, Hicksville invades the lair of ancient rival, Farmingdale, in an attempt to win its third basketball championship in 33 years of trying.

For after this meeting the Eastern Division will fade into the past - to be replaced by a new three loop NSAL set-up - and either the name of Hicksville will be inscribed alone as the final winner, or as co-holder with Oyster Bay.

Bethpage upset the Baymen 79-75 in their finale to drop the losers a game behind Hicksville. Standing at 6-1, the Comets can zip home in front by breezing past the Daleters tomorrow (Friday).

The Nassau County Tournament Committee has emphatically ruled that no play-offs can be staged to break the ties.

Hicksville is not expected to, or be in a frame of mind, to slip in its title annexing attempt. A "play-off" is not a matter of concern in the Hicksville camp. The Comets are wary since the Daleters forced Oyster Bay to a hard pressed 40-37 verdict two weeks ago.

Tuesday night, Hicksville bowed 49-43 to Westbury, in a non-league game, at home. Orange supporters had hoped the Comets would use this as a springboard for a sweep past Farmingdale, and a good bounce into the County play-offs, which gets started next Wednesday.

After soundly working into an 11-4 lead on pattern plays, the Comets cast aside a team effort and fell apart. As Hicksville partly went into brazenly individual solo play, Westbury overtook the advantage and held to a narrow margin the rest of the way.

As for the tournament, it now appears that Hicksville will meet Mephram at Great Neck or Massapequa High School.

A reverse in the finale would change the pairings, but at any rate tickets for the Tourney go on sale at Hicksville High Monday morning, at which time final court sites and pairings will be announced.

Most people feel that the Hicksville Alumni is more than just looking into the teeth of a Lion's Den, but that it has a steady lead it's head inside the beast's mouth. A look at the Nassau Amateur League Standings shows why.

GAMES REMAINING: Alumni - Freeport, Westbury, Lincoln House, and Rockville Center.

Oyster Bay - Freeport, and Rockville Center.

With four games left with tough opponents from the proven stronger Western sector, the Alumni is not regarded strong enough to hold up.

Oyster Bay rates the favorite roll, and the Hicksville CC plays out the string still very much a dead-lock possibility.

Monday night Westbury comes to Hicksville to play the Alumni in the feat of league action.

Our belief is that the whip of self respect will drive the Alumni in the pennant drive.

ALUMNI 68, WESTBURY 65.

And oh yes! The pennant to Hicksville High and it's very deserving coach, Ed Petro.

Trinity Retains League Lead

HICKSVILLE--The Trinity Lutheran basketball team continue to set the pace in the Nassau - Suffolk Lutheran League's Senior Division. After finishing the first half of league play undefeated, the Trinity Cagers extended their winning streak to 12 games by outscoring their opponents in the first four outings of league play.

Opening the second half of play on Jan. 14, they scored a 68-55 victory over Redeemer of Seaford; with Dick Rogers and Don Caley getting 15 and 14 points respectively.

The following week at St. Paul's of Amityville, Trinity, playing without its two big men, George Finsterle and Dick Rogers, came out on top by a 77-66 count. Well-don Endorf led the scoring with 29 points. They next trimmed St. Paul's of Northport 95-76 on the losers' court, for their 11th victory, with Pete Zeiler, Bob Paton, and Dick Rogers leading the scoring, 23, 21 and 19 points.

Meeting Redeemer of Seaford, again the Cagers scored a 78-35 victory, with Well-don Endorf's 26 points.

Through this score of victories, Trinity will enter the annual Lutheran Invitational Basketball Tournament at Bronxville, N. Y., home of Concordia Collegiate Institute.

CYO Baseball Call For Boys to Enroll

By ELWOOD S. KENT, SR.

HICKSVILLE--All aspirants for positions in the St. Ignatius CYO baseball league are requested to report to the Confraternity Building on Broadway, between Cherry and Nicholas Sts., there, this Saturday or next, Mar. 2 and 9, to register.

Basketball, in its last throes for this year, saw the Warriors scuttles the Celtics, 43-32. Schack and Talbot, with 14 baskets each, drove mightily to beat the Warriors, but Huff kept his team in the win column as he ringed the hoop for 18 points.

The second game was hotly contested down to the last 10 seconds, when the Knicks pulled the game out of the fire. Harmon kept the Knicks up there with 10 points, as Costello turned in a nice performance for the Warriors with 18 points. The all around play was exceptional, with both teams showing fine team play and spirit.

Phil Gletscher and Jerry Legge, coaches of the junior team, feel certain their charges will finish third in league standings. The team has made an excellent showing, playing in a league where the age limit is 17. Our boys, while not of that age, nevertheless gave an excellent account of themselves, and the coaches are extremely proud of their play all during the year. Next year the team will be more seasoned, and consequently will be in the running for the leadership.

GIRLS TO ENROLL

The girls CYO softball team also wishes to announce that registration will soon be held at the

Confraternity Bldg., and all girls, age 12 and up, are welcome. The official date will be announced later in the HERALD.

Basketball will be featured by the girls at Lee Ave. on Mar. 6, when St. Ignatius and Holy Family play the first of a series of two games. The other to be played on Mar. 12, probably at Fork Lane school. Coach Joan Stewart is doing her utmost to prime the young ladies for two victories, but Holy Family is a worthy opponent, and is capable of making the games very close.

Coach Stewart, Marie Di Bella, Joe Patchell, Molly Felder, Peg Twomey, Peg Huff, Lea Entenmann, James Peat, and Kay Mag-

Give Warning On Tax Aiders

The increasing number of unqualified and sometimes dishonest income tax "aiders" has prompted the Internal Revenue Service to issue a strong warning to taxpayers to be careful whom they consult for help in preparing their 1956 Federal tax returns. Nationwide, the Intelligence Division of the Service turned up a record number of fraudulent and incompetent assistants, last year.

Local district directors Donald R. Moysey, Kenneth W. Moe and Thomas E. Scanlon said today that the Internal Revenue Service welcomes the valuable aid of the recognized practicing accountant, the tax practitioner who is familiar with all facets of tax law and may well save his client money in addition to assuming the task of preparing his return.

FORD IS AMERICA'S WINNINGEST CAR!

For 1957, Ford's off to a flying start on the NASCAR Short Track, Convertible and Grand National Race Circuit—with more points than all other cars combined!

And now—just in from Daytona—seven more Ford firsts!

- A 300-hp 1957 Ford V-8 out-accelerated all other low-priced cars in the standing mile competition.
- A 1957 Ford Sunliner outclassed all other low-priced cars in the 160-mile National Convertible Championship Race.
- A modified Ford Thunderbird, running in the Experimental Class, out-accelerated every other car in NASCAR history.
- A modified Thunderbird topped every American Sports Car, finished first in its class and placed second to Europe's fastest sports car at the National Amateur Sports Car Race.
- A standard production Thunderbird took first place in the flying mile—outperforming all sports cars made in America.
- A modified Thunderbird won the flying mile in the fastest time made by any car at Daytona this year.
- And a Ford Thunderbird topped the field in acceleration from a standing start in Modified Sports Car Class B.

It was Ford Thunderbird power that set a new stock car record at Indianapolis, too . . . and powered the '57 Ford to 458 world endurance records at Bonneville, Utah.
