School TV Topic For Citizen Group

HICKSVILLE --- Use of television in local public schools will be the first assignment of the Citizens' Advisory Committee which is scheduled to hold its first meeting on Wednesday night, Apr. 3, at the High School. Trustee Allen S. Carpenter has been named as liaison member of the School Board to work with the Committee.

Among the Board members selections named Monday night were: Arthur Lewander, Charles Rogan and Sol Zimmerman, selected by Robert D. P. Eaton; Irwin Goldman and George Windsor, by Carpenter; George McIntosh, E. Irving Jester and John Staryk, by Mabel Farley; Ernest F. Gossey, John McFadden and Walter A. Haner, by Elwood S. Kent Sr.

The method of appointment of Committee members was changed at the meeting, Monday night, with selections of individual trustees no longer subject to approval of the majority of the Board.

2 Events Mark Scout Week

Hicksville-Jericho area Girl Scouts are observing Girl Scout Week with two major events. First is the "adoption" of a Birthday Brownie by the Scouts. The first baby girl born on Mar. 12, the birthday of Girl Scouting, will be automatically registered as a paid Brownie and when she reached her 8th birthday will be accepted into a local troop. The plan was begun last year. During this week also, there are Scout displays in the box show windows at Gertz in Mid Island Plaza.

HICKSVILLE RR Station as it appeared at the turn of the present century. The crossing in the foreground is the present day Broadway crossing and you are looking west on the single track as an engine approaches the station. A portion of Hetzog's store can be seen at the left of the tracks. The horses and carriages of that day are gone, but the hand operated gates are still in use to control (and throttle) traffic. (See Current Comment, Page 4)

OUR RR STATION of 1981 -- twenty-five years in the future -- as visualized by students of architecture. It would be built right over the "y" in the tracks

with the rails on a below-ground level. Large banks of escalators with a capacity of over 250,000 persons per hour would be provided and parking for

thousands of cars under a main plaza adjacent to this building. The plan also visualizes this eight-story building as the central offices for the LIRR

operations. (Details on this proposal and other future plans for Hicksville of 1981 will be reported in subsequent editions of the HERALD)

JOSEPH L. SAPIO, LIRR clerk at the Hicksville station, looks into the almost empty station safe which should have contained about \$20,000 in cash and checks when he opened up for work at 5:50 AM, Monday. Rolls of coins were not disturbed. Picture at right shows window (marked

with arrow) which was apparently forced for entry by burglars sometime between closing of the office at 9:45 Sunday night and early Monday. The window is partially screened from Jerusalem Ave view by the building. (Jim Healy photos)

RR SAFE YIELDS \$20,000

HICKSVILLE --- Weekend receipts of the Long Island Rail Road, amounting to between \$18,000 and \$19,000 in cash and \$1600 in checks were removed from a locked safe in the local station sometime Sunday night and detectives of the Second Precinct Squad led by Lt. George Erdody were today continuing their investigation.

The burglary was discovered Monday morning when Clerk Joseph L. Sapio of Brooklyn opened the office. He found the door of the safe ajar. It had not been jimmied or forced. The safe had been locked by another clerk when he closed the office at 9:45 PM Sunday.

The loss of the money put a burden on commuters Monday morning since the office could not make change until cash was rushed out by the LIRR from Jamaica. Nearly a 100 commuters line up every Monday morning for their weekly commutation tickets.

A LIRR spokesman said it was the largest haul by thieves in recent history. About a month ago two masked men held up a RR policeman in a waiting room at Hollis station and relieved him of \$5600 representing receipts collected from five or six stations along the line. New York City police are still investigating that incident.

The station office here showed no sign of disorder and no tickets were apparently stolen. It is believed the cash was largely in small bills.

Special Vote Less Likely; Start School Budget Talks

HICKSVILLE -- The possibility that the special referendum questions, originally scheduled for March 16, may be held over until the annual school district meeting during the first week in May was strengthened this week as the Board of Education did not adopt the necessary formal resolutions fixing a new date. The School Board will meet again next Monday night, Mar. 18, with the first two-hour period from 8:30 to 10:30 devoted to consideration of the budget for 1957-58 as developed by the School Administration.

TAPE RECORDERS
The balance of the meeting next Monday will be concerned with concluding the agenda of last Monday night's session. Among the agenda items are two individual requests regarding tape recording. Board President Emil J. Szendy and Trustee Elwood S. Kent Sr.

are individually on the agenda for this topic.

Recording of Board meetings began early in July of last year and was abruptly halted by a 5-2 vote at a meeting held Jan. 14.

Last Monday night heard remarks about insurance coverage from Henry G. Elsemann of Seaman & Elsemann and Joseph Dockow. With three insurance surveys previously authorized at no cost to the district, Dockow indicated that he too would present a survey.

The Board named President Szendy, Arthur L. Elrich and Kent as a new special committee on insurance to study the various surveys as they are completed.

The Board also extended for another week, expiring midnight next Monday, the privilege to Stäcker & Frank to use a right of way over the School property near the Burns Ave School for an entrance-exit to Mid Island Plaza.

The Board adopted a series of resolutions regarding accumulated vacation time when employees leave the school system. The plan does not embrace teaching personnel.

A total of 26 motions were offered and voted upon at the meeting, including adoption of the Mar. 4 meeting minutes and approval of transportation for 1st grader Vincent Hilly to St. Patrick's School in Glen Cove under certain stipulations.

Town Approves

COYSTER BAY--The Hicksville Water District requested the Town Board at a hearing held Mar. 12 to contract indebtedness in the sum of \$950,000 to develop four new wells having a capacity of pumping 1200 gallons per minute, a storage tank with a capacity of 1,500,000 gallons and the necessary transmission mains. The tank will be located on Dean St. and Miller Pl.

The Board approved and gave permission to the Water District to proceed.

Same day the Board heard the petition of Harry Katz and Bertil Kjellgren for change of zoning from residence "D" to industrial "H" on a parcel of land, described as two acres located on Cantigue Rock Road, 700 feet north of W. John St. Hicksville.

ON AND OFF NEWBRIDGE RD Gala Night for Holy Family Church

by Ruth Conti

WE 1 - 7612

A wonderful time was had by the Parishioners of the Holy Family Church who attended the Emerald Ball Mar. 1, at the Waldorf Astoria in New York.

There will also be a combined mortgage burning and St. Patrick's Day dance for the benefit of the Holy Family Building Fund tomorrow (Friday) at Levittown Hall under the auspices of the Holy Name Society. It's a wonderful thing to know that the Church, the combination auditorium-instruction center, and the convent and rectory together with the land and parking field are now fully paid and all in a space of time less than five years.

Let's all try to contribute now so that a school for the children of this parish can be built soon. Please try to attend this affair. Tickets are \$3 per couple. For tickets call Joe Reichert We-8-8463 or Tom Allen, We-8-4612.

I understand that everyone who saw the play "Tomorrow is a Day" presented by the American Theatre Wing at the Fork Lane School PTA meeting Feb 27 enjoyed it immensely. This play concerned it-

self with the subject of self-confidence in children and was very ably done.

An interesting meeting was held on Feb 27 at the Fork Lane School by the Allied Community Civic Assoc. and the guest speaker was Asst. Chief Inspector Louis Schneider who gave a very interesting talk on "Safety on the Highways". The Civic Assoc. is at present in the midst of a survey to obtain a traffic light at Jerusalem Ave. and Windy Road (adjacent to the Allied Shopping Center). They are also angling for a tree planting plan in front of our homes.

I would like to say Happy Birthday to Harold Leikowitz of 21 Salem Road who was one year old and celebrated with a family party at his home with his parents Sue and Bob Leikowitz.

Happy Birthday also to Ronnie Nicholson of 33 Croyden Lane who was 6 years old Feb 12, and celebrated with some of her friends at her home.

Happy Birthday to Michael Perduto of 53 Salem Road who was nine years old Feb 9 and Michael

celebrated with his father Henry Perduto who had his birthday the same day. Feb 7 was also the 20th wedding anniversary of Mabel and Henry Perduto and the whole family celebrated with dinner out at The Millidge Inn and then later went to a party given for them at the home of Mr. and Mrs. Charles Wagner of 17 Preston Lane.

Happy Birthday to Mrs. Ouerling of 31 Croyden Lane whose birthday was Feb 2. Also to Cornelia Murray of 9 Croyden Lane who was 4 years old Feb 13. Michael Carrier of 3 Hastings Lane celebrated his 10th birthday Mar 1 and had a party at his home.

His mother and father Rose and Michael Carrier were the lucky winners of two food baskets at the new Food Fair in the Mid-Island Plaza on Feb 22nd. Birthday greetings to all of the above and may you have many more of them.

Happy Birthday to Esther Sumaza of 1 Valley Court who had a small family party at her home on her birthday Feb. 25th.

Congratulations to Peggy and Lindsay Ruck of 1 Hastings Lane of their daughter, Marilyn Anne Ruck, on Oct. 10, at Terrace Heights Hospital. Marilyn weighed 7 lbs. 12 ounces at birth. Congratulations also to Margaret and William Krab-beler on Jan 10, at Mid-Island Hospital. Kurt weighed 8 lbs. 2 ounces when born and his brothers and sister were happy to welcome him to 12 Hastings Lane when he came home from the hospital.

'Behavior' Is Panel Topic

This is a notice to all parents who are honest enough to admit that, while all children are not problem children, all children do present some problems. A panel discussion on "Behavior" to be held in the Powell Ave. School in Bethpage, on Wednesday evening, March 20, at 8:15 P.M., will feature leading school personnel--Mrs. Virginia Hamman, school Psychologist; William Shulz, head of the Guidance Dept.; Mrs. Norma Meder, Guidance Counselor; Mrs. Kathryn Lilly, School Nurse; Dr. Charles Melone, School Physician; and Mrs. Kathleen Gifford, Speech Therapist.

Ralph VonGuerrard, NYU Professor and the father of three children attending the Powell Ave. School, will complete the panel. The topic will be presented in terms of causes of specific behavior problems and remedial measures to prevent and correct them. It will be discussed as far as mental, emotional, and physical health are concerned and will include the effect of speech defects on a child's behavior.

Szendy Urges Debate of Issues

HICKSVILLE--Taxpayers of the School District have less than two months to get acquainted with the "facts" concerning the operation of their school district, it was warned today by School Board President Emil J. Szendy.

His statement to the HERALD follows:

"School Board elections and the Annual School District Meeting, both early in May, are less than two months off. At the elections three positions will be filled, those now occupied by Messrs Kent and Cawley and Miss Farley. At the Annual District Meeting many important questions of District policy, some of them rough-handed and determined in recent months by 'block vote,' can be discussed and even determined.

KNOW ISSUES

"Unless the taxpayers know the issues that have been rough-handed, unless they know the areas of District affairs in which favoritism or patronage have played an undesirable too-important role, unless they know District problems better than can be gleaned and pieced together from newspaper reports, they will not be able to act and vote constructively. And they will be unable to judge the desirability of continuing in office those incumbents who may run for re-election.

"Those who will be elected to the Board this May will determine the pattern of Board affairs for years to come. Members of the ruling quartet are already, quite openly, working to solidify their position by promoting candidates

who will work with them. It is important for the District that those elected are not, even before election, members of the Carbon-copy Clique. It is even more important for the District that those elected serve the District and not personal ambition, or special groups at the expense of all the taxpayers.

"It is important for the Board as a functioning body and for the School Administration as a working group, that abuse of Board members and staff employees trying to do a job he not condoned and abetted but stopped, and stopped before it begins to happen. It is important that by-laws should not be rigged to hamper service instead of promoting it; that non-conformity to majority opinion should not be a punishable offense, and that refusal to join with any majority group should not bring about attempted throat-cutting.

URGES FORUMS

"Civic organizations would serve the District well if they inaugurated immediately, without waiting for the election campaigns, forums at which District affairs be discussed," Szendy stated.

"Representatives of points of view frequently divergent on the School Board could be invited. The taxpayers could judge the caliber of the men they elected to office, and even the caliber of those who wish to run for re-election. Those present could secure early and definitive information regarding issues before the District so that action could be taken at the Annual District Meeting. An enlightened electorate might be

able to force constructive effort on the part of the Board. An enlightened electorate could be truly selective in electing new Board members.

"Less than two months remain to do this needed and valuable work," he concluded.

Civics Push for Jericho PO Service

JERICHO --- For four years the Jericho Civic Assoc. has been campaigning for improved postal facilities in the community. The Assoc. will hold its next general meeting on Thursday night, Mar. 21, at 8:30 P.M., and the report of this program and other activities of the organization will be reported to the membership.

The Assoc. this week, thru President Francis M. Walsh, reported that "because of the previously small population in Jericho, the postal facilities which were operated on that basis were adequate. With the rapid growth of population over a short period of time, postal facilities have not kept pace with needs.

RENTAL PROBLEM

"The Jericho Civic Assoc. has actively campaigned to remedy this since late 1953. We have continuously contacted Postal Inspectors McNeil and Bader and entered into negotiations with various individuals in an attempt to have a post office constructed. In each case when success seemed certain, negotiations ceased because of failure of postal department and individuals to arrive at mutually satisfactory rental fee. We are at present actively engaged in trying to bring this solution about but plans for the post office are still

in negotiating stage. We will report the progress of these negotiations at general meetings."

The Assoc. has an active youth committee, led by Mr. Kowalsky of 110 Dewey St. which stages a program every Tuesday from 7 to 9 at the Cedar Swamp School. Arthur Shapiro of 32 Hilary Lane, Westbury, shares the chairmanship.

Other officers of the Assoc. include Leonard Arnold, 216 Gardner Ave., first vice president; Louis Cevoli, 104 Seaman Rd., second vice president; Alma Rehberger, 205 Willets Lane, secretary; Murray Hundert, 17 Glen Rd., Westbury, financial secretary; and Larry Flaherty, 217 Willets Lane, treasurer.

CURRENT COMMENT: Drifting But No Dreaming

By Fred J. Noth

THE WORDS of a popular melody of another day include the segment "drifting and dreaming". Hicksville and the Mid-Island area today appears to be drifting -- without dreaming. By the absence of dreaming we mean the almost total absence of community planning.

The Mid-Island area, centering about Hicksville, has experienced tremendous growth in the past 10 years. Population has multiplied five times over, retail outlets have increased along with other commercial enterprises.

Hicksville will continue to grow -- but unless there is planning (dreaming, if you will) future generations will learn to denounce the lack of foresight in this bungling era.

Look about you. Almost every week there are public hearings upon applications for changes in the legally permitted use of land. But these applications for the most part are individual and rarely related to some overall scheme or plan. Property owners must remain constantly on the alert, scanning the legal advertisements, worrying about what use may be proposed for an adjacent couple of lots. Several fine homes have been depreciated in value because a residential area has been invaded by a business use.

Traffic backs up for miles on our main streets and everyone mumbles and grumbles but few seem interested and still fewer seem to have a solution.

Parked cars line streets in the vicinity of the railroad station. Parking time limits are imposed and the cars move further away. A recent survey disclosed that nearly 1,000 commuter cars are parked on curbs of Hicksville streets every day for periods of more than six hours.

A plan to widen Broadway is proposed and the news sweeps the business community. There is great concern and alarm and no one seems to know the actual facts. The answer lies somewhere over in Suffolk County at Babylon where an engineer has drawn a few lines on a map.

A surveyor team appears on the scene and immediately new speculation begins. All too often the work starts before the people directly affected are aware of what is contemplated. Far too often the details of projects become known after it is too late to alter or make revisions.

Hicksville today has almost 50,000 population. As far back as 1950, the Columbia University experts in their study of our community's future educational needs on the elementary and secondary levels were predicting our future population in terms of anticipated student enrollments. They saw, for example, a population peak of 80,000 with present one-family residential units. They also noted that the advent of apartment houses will see the population continue to rise.

The apartment house has begun to appear. Laurence E. Andrews of the County Public Works Dept speaking at the Chamber of Commerce recently noted that one-family home construction is now passed its zenith and emphasis is shifting to multifamily apartment houses. We may not like it, but the pattern has begun. It is up to us to see that the pattern or plan is predetermined.

A look at Hicksville 25 years in the future was developed by a 4th year architectural design class of Copper Union recently. We plan to publish this study in installment form, not because we agree with all the conclusions reached or proposals advanced, but because we believe it is essential that we "do some dreaming."

For example we can agree with the comment of the architectural students that "Hicksville's population will continue to grow. At the present time the town has about reached the saturation point for single level (continued on page fourteen)

Open House at Aggie Institute

By Majorie Nass
WE'lls 5-1553

It was open house last month at the L.I. Agricultural and Technical Institute in Farmingdale. They had many interesting exhibits. The children just loved watching the chicks hatching out of the eggs. My husband and I also attended the Sports and Vacation Show at the Coliseum in New York City; and we enjoyed it very much.

A belated happy birthday to the former writer of this column,

Blue and Gold Dinner for Pack

Cub Scout Pack #378 held its 2nd Annual "Blue and Gold" dinner Thursday evening, Feb. 28 at Henning's Restaurant, Hicksville - and as anticipated, with the excellent programming under the direction of Cub Master Bill Schultz, and with the hard work of the Dinner Committee, chairmanned by Bertha Sino, they even "outdid" last year's dinner.

The evening was replete with songs, games, ceremonies, and awards - all set in appropriate cub atmosphere provided by ingenious table decorations made under the guidance of our devoted den mothers.

Commissioner Jack Greene, now a familiar face to most in scouting, was on hand to formally present the pack with a new charter. This was received by Sheldon Markzin, President of the Fort Lane School PTA, and the sponsoring organization, who in turn presented the charter to Chairman Dave Faut.

Then followed awards and more awards, until all faces were beaming and all stomachs were filled - and another happy anniversary was brought to a close.

SYMPOSIUM SATURDAY

Mrs. David Potter, president of the Levittown-Hicksville Auxiliary of the Nassau County Chapter of the Assoc. for the Help of Retarded Children, will represent the local membership in honoring Nassau legislators at a symposium to be held at the Garden City Hotel this Saturday afternoon, March 16, under the sponsorship of the Legislative Committee of the Nassau County Association for the Help of Retarded Children.

PURIM PARTY

Temple Beth Elohim of Round Swamp Rd., Old Bethpage, will hold its first Purim Party at the Temple this Sunday, March 17, at 8:30 P.M.

Donation will be \$2 and a box supper for a couple. There will be an evening of fun and dancing; highlighted by a box supper auction and the selection of a King and Queen.

Install Chief Of CD Police

BETHPAGE - Sal Lazarano of CD Unit 313 was installed as Auxiliary Police Chief at a ceremony at the firehouse on Broadway here, on Wednesday, Mar. 13. Installed at the same time as Deputy Chief was Joseph Shug. Deputy Town Supervisor Edwin Fehrenbach administered the oath of office to Lazarano and Shug. Councilman James "Happy" Norman, Township CD Director Buddy Mazzara, CD Section Commander Al Van Horn, and Bethpage CD Director Tex Suprise were among the spectators.

Lazarano is replacing Sid Lupu.

Telephone man saves child from drowning -wins Vail Medal

The New York Telephone Company has awarded its highest honor, the Vail Medal, to Telephone Installer Nicholas W. Schmidt for his rescue of little 4-year-old Brenda Howard from drowning in the Harlem River.

Schmidt and another installer, Vincent Skowronski, were driving to a telephone installation job. As they passed 142nd Street near the Harlem River, they were attracted by a small boy waving frantically and pointing into the water. Skowronski quickly stopped the truck. Schmidt ran to the river's edge and looked where the crying boy pointed. He saw a tiny hand appear briefly above the surface of the water.

Realizing there was no time to remove his shoes and trousers, Schmidt stripped off his shirt and plunged into the river. The strong tide almost pulled him under. But he finally reached the child almost 30 feet from shore. Schmidt grabbed an arm, pulled the little girl to him, then swam strongly toward the rocky shore.

Schmidt found no signs that the child was breathing. He immediately began artificial respiration. After many minutes, the little girl gasped. Though he was exhausted himself, Schmidt continued his efforts. Skowronski meanwhile had telephoned for help. And by the time an ambulance arrived, the child was breathing normally. Later that same day she was able to go home from the hospital with her mother.

In the rescue, Mr. Schmidt made good use of the first aid he learned as part of his telephone training. A modest hero, he left the scene after the rescue, and his identity was not known until he appeared in wet clothing at his telephone field office.

The Vail Medal is the highest telephone honor employees can receive. It is given only for outstanding acts of initiative or courage performed in connection with telephone work, or in which telephone training is an important factor.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Arlie Ruiz

In honor of the 38th Birthday of The American Legion, the following is dedicated:

LEGION AMERICANA
It happened in Paris back in '19
The needs of the veteran were
foreseen,
American Doughboys, fighters to
be sure,
Gave birth to a plan that did
mature;
"Let's band together" said they
with reason,
The formula became The American
Legion,
It was in March that the birth took
place,

Of the organization which we now
embrace
Whole heartedly, without reserve
or fear,
The acceptance was a mandate so
clear,
They wouldn't be trampled on or
woebegotten,
As others before were so often for-
gotten;
The Nation cheered as they went
to battle
To prove America's veterans
weren't cattle,
Town after town chartered a Post,
Till The American Legion could
boast
The greatest veteran group in all
the world,
Marching ahead with banners un-
furled;
Light hearted, youthful boys they
were then,
Soon became sober, thoughtful
fighting men,
The fight was now for the veteran's
needs
But with paper, pen and unselfish
deeds;
Dimayed and confused their
enemies ran,
Crying "Super patriots" across the
land,
The Legionnaires laughed and
worked even harder,
To build up the veteran's meager
larder;
Then America, shocked and reeled
at Pearl Harbor,
Our sons again in were cannon fodder,
Uncle Sam called from this dis-
pair,
Drove the enemy back to his lair;
With the battle over and the boys
returning,
The Legion's beacon was bril-
liantly burning,
Greater than ever our ranks did
swell
With the veterans coming home
to dwell;
Many problems arose and did them
confront,
Once again the Legion did bear
the brunt,
Even before these were all solved,
Our Nation again was involved
In the bitter, battle for human
rights,
The enemy again came into our
sights;
Once again the guns were stilled,
Our ranks expanded and were
filled,
On the fight waged fiercer than
ever,
Against an enemy, silent and
clever,
"Bore from within" was his style
Against the Legion he tried his
wile,
But ever guarding the Nation's
peril,
We refused to be duped, to be
made strike;
To uphold the Constitution, to
honor the flag,
To defend our Nation we cannot
lag,
Be we ever vigilant, vigorous and
right,
The American Legion will carry
on the fight.

HAPPY BIRTHDAY—AMERICAN LEGION!

... And it's a happy birthday for all Americans to celebrate. The American Legion since March 15, 1919, has earned the respect and confidence of all citizens.

As the world's greatest veterans organization it has majored in outstanding programs of Americanism, Child Welfare, National Security and Rehabilitation. It has a record of accomplishment in the field of community service second to none.

So, proudly, we salute The American Legion and its local, state and national organizations. Happy birthday to all American Legionnaires—and many happy returns, as you wind up your "Ask Your Neighbor" campaign to enroll all eligible veterans.

If you served honorably during World War I, World War II, or the Korean War, there's a place for you in The American Legion.

Clean Up Drive Starts Mar. 23

OYSTERBAY-The Town Sanitation Dept. will embark on operation "Spring Clean-Up" throughout the Township beginning Mar. 23 and carrying through to April 26.

The entire operation will be under the supervision of Superintendent Chandler Henn who has worked out a schedule in which all homeowners of the Township will be given ample time to gather material for removal.

"Town Sanitation personnel have been alerted to expect a large amount of old and unnecessary ar-

ticles and debris due to the tremendous population increase in the Town, but we are prepared to handle it," Henn said. He explained that his department will pick up everything except building material. "This annual Spring Clean-Up drive is a service for the homeowners and not the builders or landscape contractors who are required to remove their own debris," Henn remarked.

All residents participating in the Town-wide operation "Spring Clean-Up" are requested to call the Sanitation Department a week in advance, if possible, and make

an appointment. At that time, the dispatcher will set a date and time for the pick-up. The Sanitation Department's telephone number is WA 1-0893. The schedule for operation "Spring Clean-Up" is as follows:

March 23 to 29-North Shore to Route 25A

March 30 to April 5-Route 25A to Jericho Turnpike

April 6 to April 12-Jericho Tpke to Hempstead Turnpike

April 13 to April 19-Hempstead Turnpike to Sunrise Highway

April 20 to April 26-Sunrise Highway south to South Shore

District Rank For Pythians

A District Rank, consisting of Rank of Page, Rank of Esquire, and Rank of Knight, in full regalia, will be sponsored by the Past Chancellors, and Chancellors Assoc. of the Nineteenth District Knights of Pythias.

The District is composed of the following Lodges with a membership of over 1,000: Sagamore, Manetto Hill, Surburban and Huntington.

Headed by Past Chancellor Bob Morris with the cooperation of Deputy District Grand Chancellor Abby Katzman, both of Sagamore Lodge, the Ritual Committee is comprised of Past Chancellor Barry Kent of Huntington Lodge, Chancellor Commander Irving Zwerin of Surburban, and Past Chancellor Arthur Salzman of Manetto Hill, which made this Nineteenth District Rank possible.

The officers and members of the Ritual Team of all lodges in the District will participate.

Past Chancellor Morris of Sagamore who has won Second prize in the state-wide Ritual Contest of the portrayal of Pythagoras, will again deliver his rendition.

The Ranks, which will take place at 8:30 p.m. sharp, will be as follows: District Rank of Page, tonight at Levittown Reform Temple, Sagamore Lodge is host; District Rank of Esquire, Thurs., Mar. 21, at VFW Hall, Pulaski Rd., Huntington Station, Manetto Hill and Huntington Lodges will be hosts; Manetto Hill and Huntington Lodges will be hosts; District Rank of Knight, Tues., Apr. 9, at Levittown Reform Temple, with Surburban Lodge as host.

A collation will follow after each rank, and a cordial invitation is extended to all Pythian Brothers in good standing to attend these gala events.

Mazzara Talks About Builders

Buddy Mazzara, Congressman Walworth's area representative, presented an informative talk on "You and Your Builder" to the members of the Old Bethpage Civic Assoc. at the regular monthly meeting on March 4. The rights of new home owners were outlined by Mazzara.

It was announced during the business meeting that the special meeting to discuss the triangular piece of land bordered by Round Swamp Road, Haypath Road and Bethpage Road had been postponed until April to avoid conflicting with the public meeting to be held by the school board on the proposed addition to the Old Bethpage School.

The Civic Assoc. will sponsor a softball team this coming summer. Residents who are interested in playing are requested to contact James Lennan, 1 Dahill Road at Chapel 9-4647.

How come the new Ford rides so smooth and solid?

It's the new inner Ford that gives you a big-car ride at low Ford prices

Folks just naturally love Ford's lower, sleeker silhouette. And they love Ford's new Thunderbird V-8's and Mileage Maker Six. But the thing that's really got 'em buzzing is Ford's new ride. In the new kind of Ford, vital riding features team up to give you the smoothest going in the whole ride world. For example:

New automatic variable-rate rear springs

Going from a highway to a byway in a Ford, is like going from satin to silk. New design allows Ford's rear springs to "soften" or "stiffen" depending on road conditions. You get a smooth ride all the way!

New swept-back Ball-Joint front suspension

Ford's new, stronger front suspension is designed to soak up the shock of rough roads. The new swept-back design lets wheels "roll" with the bump and absorb it going away... far for smoother, steadier sailing.

More body insulation

Ford has more body insulation—protection against weather, dust, and noise—than any car in the low-price field. You ride through city traffic in library-like quiet.

Better balance

One of Ford's nicest back-road habits is to make believe the rough spots aren't there. Proper weight distribution and precise balancing let Ford iron out bumps far better than many of the higher-priced cars.

New lower-pressure tires

Even Ford's tires are new for a better ride! Although they require less air pressure, they hold about 17% more air for cushioning the car. This means a softer ride—without sacrifice of Ford's good handling characteristics.

No metal-to-metal chassis and body contact

Only Ford in its field uses 20 Cushion Quiet rubber body mounts... more than any other low-priced car. It adds up to a smoother, quieter riding car.

Try the new kind of ride in the new kind of

1st Birthday for Pack 375

HICKSVILLE - Cub Pack 375 celebrated its first birthday on Feb. 26, with a dinner to St. Stephen's Lutheran Church, which The Pack was organized last year by Fred Hohnsfield, Vice-Chairman in charge of Camping for the Tri-Parkway District. Hohnsfield is the holder of the Scoutmaster's Key, and one of two men in the district to hold the award of Silver Beaver, highest scouting honor.

At the dinner, there were talks by Hohnsfield and Cub Master Bill Bines, and color slides of last year's picnic at Salisbury Park were shown to an enthusiastic audience of boys and dads. All 8 Dens had a 100% turnout for the dinner.

It was announced that all committee members, including the original organizing committee, would continue to serve for another year. They are: Henry Hoppe, Chairman; Herb Nelson, Vice-Chairman and Secretary; Harold Schach, Awards; Herbert Seiben, Treasurer; Harold Ulbrich, Parent Contact; Harold Robinson, Institutional Representative; and Jim Anderson, Recording Secretary. Ceremonies, and Publicity. Howard Van Dyke will be the new Cub Master, replacing Bill Bines who is leaving the community.

Re-registration is now in progress, starting the Pack off on its second year.

Den Mothers, and their assistants are: Den 1 - Mrs. Lesler and Mrs. Robinson; Den 2 - Mrs. Hoppe and Mrs. Anderson; Den 3 - Mrs. Schach and Mrs. Seeger; Den 4 - Mrs. Ulbrich and Mrs. Harris; Den 5 - Mrs. Sjenn and Mrs. Carroll; and Den 6 - Mrs. Nelson and Mrs. Angel.

Cub achievements awarded at the dinner were proudly received by the fathers and presented to their sons. The following awards

were presented: Wolf Badge - Kirk Rechenberger, Den 6; Bear Badge - Kenneth Nelson, Den 6; Harvey Blum, Den 1; Bruce Meier, Den 3; Frank Christenson, Den 2; and Richard Hoppe, Den 2; Lion Badges - Gerard Merkle, Den 3, and Doug Robinson, Den 1; Gold Arrow - Richard Hoppe, Den 1; James Sullivan, Den 6; Richard Fortgang, Den 3; Bruce Meier, Den 3; and Gerard Merkle, Den 3; Robert Dolan, Den 1; Paul Sieben, Den 1; Michael Teachlenburg, Den 1; John Tuoci, Den 4; and Thomas Hughes, Den 4; Silver Arrow - Richard Fortgang, Den 3; Paul Lauer, Den 3; and Frank Christenson, Den 2.

The Pack is looking forward to another successful year.

Mercy League Arranges Show

The Hicksville-Glen Cove Mercy League met at the home of the President, Mrs. Henry Koehler, on Tuesday, Mar. 5. The meeting was well-attended, and plans were made for a Spring Fashion Show - Bridge Luncheon, at the Swan Club, on Thursday, Apr. 11, at 12 noon. Mrs. Mary McGrath of Hicksville, and Mrs. Maureen Dunne of Glen Cove, are Chairmen of the affair. Mrs. Herbert Purick is in charge of the raffle, which will be a Portable TV set. Mrs. Charles Muzante, Mrs. Vincent Braun, and Mrs. Edward McAdams are in charge of tickets. The membership desires that the affair will prove to be a huge success, and ask that persons desiring to attend, to please phone Mrs. Braun at WE 1-3173 for reservations. They ask all to be charitable for Mercy Hospital, and enjoy themselves while so doing. Further announcements will be made later.

Cake Sale Aids March of Dimes

The girls from Mr. Curran's homeroom, class 9-7 of the Jerusalem Ave. Junior High School, gave a cake sale Feb. 18, for the benefit of the March of Dimes. They sold cakes, cookies and cupcakes and the total amount they received was \$16.70.

Those in charge were Mr. Curran, their homeroom teacher, Barbara Fagan, Nancy Perkins, Pat Oliver, Pat Dowling, Barbara Peat, Joyce Matthews and Carol Kretzsch. Those who helped sell the cakes were Caroline Ruiz, Virginia Farrugia and Ariene Gretzen.

All this was done through the cooperation of the principal, Bernard Braun.

AUXILIARY ELECTS

The Ladies Auxiliary of the Hicksville International Little League will meet on Tuesday night, Mar. 26, at the High School on Division Ave. New officers recently elected are: Valerie Cooper, president; Myra Glansante, vice president; Elizabeth Bertram, treasurer; Berth Carlin, recording secretary; Grace Mangano, corresponding secretary; and Zeldia Feller, membership chairman.

INSPECTING a pair of safety glasses that saved the eye of a Sperry worker are Dr. Herbert Ueberall, president of Nassau Co. Optometric Society; Dr. Lowell D. Glatt of 32 Salem Rd., Hicksville, general chairman of the Industrial Vision Forum held Mar. 6 at Hempstead Elks Club (left and right) and Frederick Kiefer, safety supervisor of Sperry Gyroscope Co. (seated). The glasses were struck with a piece of flying metal that, if not for the glasses, would have perforated the worker's eyeball.

Set Cake Sale At Local Store

The Junior Class of St. Dominic's High School, will hold a Cake Sale this Saturday, March 16, in the Big Ben Supermarket on West Marie St., Hicksville.

The purpose of the sale is to raise funds for the junior-senior School banquet to be held toward the end of the school year.

Mothers Meet

The Confraternity of Christian Mothers - St. Martin of Tours Chapter, Bethpage, held their Feb. 26 meeting in the School Auditorium.

The program for the evening was very interesting. Mr. Judd, from the State University and L.I. Agricultural & Technical Institute of Farmingdale was our speaker for the evening. He showed a film entitled "Design for Tomorrow" and gave a talk on the courses and subjects to be had at the Institute. Refreshments were served by Mrs. James Skurka and her committee.

FIFTH OF SERIES

Edward Laving, business manager of Bethpage Schools, was to discuss the topic "How Tax Bills are Determined; Also bond issues" when the Central Blvd. P-TA of Bethpage held the fifth of a series of open meetings on school organization and structure on Mar. 13.

DAUGHTER ENGAGED

Mr. and Mrs. Morris M. Kaplan of Hicksville announce the engagement of their daughter, Lynn Ruth, to Thomas Koch, son of Mr. and Mrs. Timothy Kochanowski of Jamaica.

New Arrivals

Mr and Mrs Clifford Eichhorn of 310 Nicholas St., Hicksville, announce the birth of their fourth child, Linda Grace, on Feb 21 at Mid-Island Hospital, Bethpage.

Mr. and Mrs. Jack Woodworth of 87 Cedar St., Hicksville, are the proud parents of a daughter, Patricia Maureen, born Feb. 15 at Nassau Hospital, Mineola. Little Patricia Maureen was christened on Sunday Mar. 11, at St. Ignatius R. C. Church. The ceremony was performed by Rev. Lawrence Ballweg, who Patricia's ten year old brother, Jackie describes as "my favorite priest."

East St. Election Tonight

The regular monthly meeting of the East Street Parent Teacher Assoc. of Hicksville will be held at the school auditorium at 8:15 tonight, (Mar. 14). The program for the evening promises to be an interesting one. A panel discussion will be held on the subject of "What Makes Good Citizens"; the discussion to be moderated by Bernard Braun, Principal of the Junior High.

Election of Officers of the East St. P-TA will also be held at this meeting. It is hoped that there will be a good attendance.

At the February Meeting, which was devoted to a celebration of Founders' Day, life memberships were awarded to two members of East Street P.T.A., who have done outstanding work for the organization, Mrs. Frances Kenyon, this year's President, and Mrs. Betty Hoosack, Vice President.

In recognition of the 60th Anniversary of the Founding of P. T. A., the past month's activities included the annual Founders' Day Dinner on Feb. 28 at Milleridge Inn, East Street was well represented, having filled three tables at the dinner. A good time was had by all in honoring Marie Foster,

the unofficial, but veritable "Mrs. P. T. A. of Hicksville."

The East P. T. A. would also like to call to the attention of all its members and friends, the fact that on March 20 a Cake Sale is being planned.

I, HENRY M. CURRAN, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original notice of change in zoning from Res. "E" to Bus. "F" District at Hicksville, New York, on the application of BAR-

Bd. Approves Downzoning

OYSTER BAY -- Downzoning of three parcels of Hicksville property from residential to business use approved by the Town Board this week. Approval was given to a change from residential, to business "F" at the corner of Newbridge Rd and Hempstead Ave, also known as Dutch Lane, which had been opposed at the public hearing by residents of the area. The application was made by Michael Faucio, Frederick Ginzler and Margaret Sialoff.

Also approved was the Business "F" use for the corner of Old Country Rd and Morgan St, requested by Barnett Miller, and business use at South Broadway and Fourth St, opposite St. Stephen's Lutheran Church and adjacent to Firestone, requested by Arnold Cornwell.

Approvals in each case were given by the Town Board on Tuesday, Mar 5.

**THIS IS LITTLE LEAGUE:
Tryouts Start on Saturday**

By MARY BLUST

Starting this Saturday, Mar. 16, Hicksville National Little League will begin preliminary tryouts. The tryout procedure will continue for about four weeks in order to fill the roster of six major league teams, 10 minor league teams and sixteen farm teams.

Due to the large registration and the increase of our major league system to six teams we will be holding tryouts at six fields.

The following fields and groups have been assigned until further notice:

- 1 - Edwards & Hanly - Dutch Lane #3
- 2 - Franks Alibi Rest - Abe Levitt
- 3 - Meadow Brook Bank - Dutch Lane #1
- 4 - Hardt & Reid - Dutch Lane #4
- 5 - Leveco Drugs - Cornell Ave.
- 6 - Pencal Drugs - Old Country Road

Tryouts will be conducted on all fields from 9 to 12 and 1 to 4 every Saturday. There will be two sessions a day with about 30

to 35 boys in each session. A total of about 390 boys have been mailed notices where to report and at what time.

No eight year old has been included in these tryouts or notices. All eight year olds will have their tryout in about 3 or 4 weeks depending on the weather.

There are also 200 boys in our area who have failed to register for 1957. Each of these boys have been mailed final notices that the last registration will be held at Abe Levitt Field, March 16, at 10. All boys 8 through 12 who have not registered and wish to play Little League Baseball must register this Saturday.

In the event of rain or snow all tryouts will be postponed until the following Saturday.

All boys registering March 16, will receive their notices in a week or two for tryouts.

American Loop Sets Tryouts

At the close of the Hicksville American Little League Registration we have a record of 390 boys signed up for the coming season. Tryouts for these boys registered will be held at the Burns Ave. School, on three Saturdays, March 16, 23 and 30, beginning at 9 A.M. The boys who have registered will be notified by mail as to which tryout date they will be assigned.

We are grateful as always to our sponsors for accepting their responsibility of financial obligation in supplying the various teams with the needed equipment to make Little League Baseball a successful community program. We would like to acquaint you with our sponsors for the coming season.

MAJOR LEAGUE: - Hicksville Rotary; Hicksville Firestone; Fairway Farms; Gillison Knitwear; Wm. Gause Jr.; Veterans of Foreign Wars Post.

MINOR LEAGUE: - Hicksville Ford; Northside Service Center; Northeast Civic Assos.; Northwest Civic Assoc.; Nassau GLP Coop; Gertz.

There are also 16 Farm Teams.

Baseball Doings Make Top News

By Elwood S. Kent, Sr.
The girls baseball activities are going along at a merry pace, and it looks as though a big season is in the wind.

BASKETBALL WANES

Basketball continues to wane, as the schedule slowly draw to a close. Last week the Knicks, Warriors, and Celtics contented themselves with practice games, and will wind up the season this coming Saturday. Naturally, all the basketball referees can't wait until they don their umpire equipment.

By the way, it is strongly rumored that an attempt is being made to get a temporary release from Uncle Sam of Pvt. Ray Cammarata so he can be on hand for the opening of baseball. Wonder whatever became of all the umpire equipment that Ray almost lost last year? He is still basking in the Georgia Sunshine at Ft. Benning. Drop him a line at U. S. 51396336, Co. A., 2nd Bn. (Prov) 3rd Inf. Div., Ft. Benning, Ga.

Big basketball news was made by the girls, last week, as they engaged the Holy Family teams in a series of contests. The St. Ignace Section won over Holy Family, but the Holy Family Juniors, Intermediates, and Bantams, were successful over St. Ignace. All in all, the games were well played, with excellent showings being made by the participants. The return matches will have been played, Tues., Mar. 12, at Old Country Rd. School. We will publish these results next week.

GETTING IN SWIM

Conversation will be the topic of swimming this Friday, as Coach Lloyd Harmon takes his charges boys and girls - to the meet at Unlondale. He has a difficult task, and has not been able to have many practice sessions for his fresh water swimmers. Best of luck, Coach!

The Paper and Rag Drive was very successful last week, despite the inclement weather. A lot of men engaged in this activity, and it is not only one, must be highly complimented for the job they are doing. It is tedious, laborious work, that entails many sacrifices, and quite a bit of physical effort. A splendid crew of men who go about accomplishing this task, without any fanfare, or comment. In fact, at the last minute, Saturday, yours truly pulled into the designated spot for unloading and proceeded to dispose of our little bundle. Shortly thereafter, a pickup truck arrived with loads of miscellaneous cards, etc., that are considered waste.

At this time, the truck was piled high (about 12 ft.) and the idea was to get the stuff, paper, cards, etc., up to the man on the top. Being a very helpful individual, I decided to get the stuff up to the man on the truck, and my very first attempt resulted in a batch of cards missing the target, scattering all over the ground. With a very red face, I proceeded to gather them up, and then lost no time leaving before the boys got vicious.

Postal Team Still Unbeaten

HICKSVILLE-The Post office Basketball team, captured their eighth successive win by defeating Pasadena Estates 78-64, this week. With two games remaining to be played, the Red, White and Blue appear almost certain of winning the Levittown Men's Basketball League Trophy.

"Big" Dave Jockel dropped in 21 points to keep the PO team out in front, and give them an 8 win 9 loss record.

Sets Record For Season

HICKSVILLE-Sal Provenzano of Holy Family Parish CYO team set a season record, Friday night, at the Market Alley, here, when he rolled a 277 game. This was the highest game rolled in any of the 14 leagues comprising the Nassau-Suffolk CYO Bowling.

G84 X 3/11

DON CARTER, National TV bowling champion, will be the guest of the ladies at the Market Lane on Robbins Lane, Hicksville, tomorrow (Friday) at 1 o'clock. He will give free instructions and put on an exhibition for the ladies. Another exhibit for children, will be given at 4 o'clock. Carter and Lou Campi, more recent champ, will compete for "the champion of the century" at the Market Lanes on Friday night, according to owner George V. Spohrer.

4 Bowl Over 450 Series

By Elvira Jacob

WESTBURY - Four girls bowled over 450 series Monday night at the Bowling Center here, in the Women's CYO league. They are M. Ceteroli of St. Martin Alleys (604-191 game); H. Shea of the Holy Family Mermaids (479-185); A. Reeves of St. Raphael Jacks (465); and B. Shust of the St. Raphael Roses (457).

The Jacks won 3 points from the First Place Roses, which makes it a pretty close race. Team standings:

Babe Ruth Tryout Set

The Hicksville American Babe Ruth League has scheduled tryouts for all former players and new players for Saturday, March 23 at 2:00 P.M. at the Burns Ave. School Field. A large staff of score-keepers, coaches, timers, scouts and managers will be on hand to accommodate all prospects. The only equipment each boy needned bring with him is a glove; the league supplies everything else.

For those men and women who wish to be associate members of the league, call Carmen DeCabia at WE1s 1-3224, or come to the field during tryouts.

Any boy born prior to Sept. 1, 1944, or after Sept. 1, 1941, will be eligible for Babe Ruth League competition for 1957. A few more registrations will be accepted during the tryouts.

Sam L. Pace of 115 North Broadway, Hicksville, has qualified as a member of the 1956 Top Club of the New York Life Insurance Co. according to Dudley Dowell, executive vice president.

Bantams Take 3-County Title

HICKSVILLE--The Bantam Bantam CYO League of Holy Family Parish, won the Tri-County Championship for Nassau, Suffolk, and Kings (Brooklyn) Counties, and at the time of this writing were heading for their last contest against the champs of Queens, which took place Tuesday at Ascension Parish, Elmhurst.

Having previously captured the championship of Nassau and Suffolk counties, they added to their laurels by beating the Brooklyn Champs, Sunday, Mar. 10, at Our Lady of Angels Parish, 31-29. It was a well-played contest by both teams, who were evenly matched, and the 900-odd spectators were treated to a display not soon to be forgotten.

Henry Clerk of Holy Family, was high scorer, with 13 points; and Coach John McAuley, was well satisfied with the team which consists of: Tom Arundell, Roy Gorman, Henry Clerk, Alex McAuley, Bill Murray, Robert Dylewski, Tom Plate, George Samwell and Bob Auster.

CURRENT COMMENT

(continued from page four)

dwelling . . . at some point, within a decade perhaps it will become economical to go to multi-story construction within Hicksville. When this happens Hicksville will go thru its second period of intense population growth". They forecast a population of 100,000.

The most prominent of all architect-planners, Daniel H. Burnham, wrote these famous words shortly before his death in 1912: "Make no little plans; they have no magic to stir men's blood, and probably themselves will not be realized. Make big plans; aim high in hope and work, remembering that a noble, logical diagram once recorded will never die, but long after we are gone will be a living thing, asserting itself with ever growing insistency. Remember that our sons and our grandsons are going to do things that would stagger us. Let your watchword be order and your beacon beauty".

If we must only drift, then let us at least dream too.

This is the Custom Royal Lancer 2-Door, one of 6 dashing Dodge hardtops. You'd feel like a king (or queen) in any one of them.

First new idea in station wagons in years—the "Observation Lounge!" The third seat of this Custom Sierra faces the rear, and passengers board at rear, also.

Here's sports car lowness with sports car handling. You sweep along in a "Realm of Silence," master curves with race-car torsion bars. Up to 310 hp. V-8.

Swept-Wing sweeps country!
Orders doubled on '57 Dodge!

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

Look around you. People everywhere are stepping up to the fun and pride of owning a Swept-Wing '57 Dodge. (Including a great many who have been sold on other makes for years!)

What's caused this swing to Swept-Wing that has doubled orders over last year? Styling so fresh it makes other cars look "old hat" by comparison.

The greatest advances of 1957: Torsion-Aire Ride, Push-Button TorqueFlite, Total-Contact Brakes. Luxury car looks and performance at a price just above the very lowest.

Find out for yourself why Swept-Wing is sweeping the country. See your nearby Dodge dealer and join this swing. . . Go Swept-Wing!
