Civic Centre Towers 15 Floors Over Core

The Civic Centre of the Hicksville of 1981, as designed by architectural students will be located in a cluster buildings comprising the railroad centre, legal, financial and business activities of the Mid Island Core. A view of the proposed RR centre 25 years in the future was published in connection with the first article of this series (Mar 14)

In the replanning of Hicksville, the Cooper Union students in a study made last Summer put the station over the tracks which will be below grade level. The station would tower ten stories into the sky and become the central offices of the LIRR.

The Civic Centre rises from the main plaza (which is above ground level) and is composed of three units. A courthouse would be separated from the community building by a large two-story high lobby over which rises a 15-story tower.

The courthouse will house, along with municipal courts and jury room, a circuit court of appeals and law enforcement offices (police, jail, etc). The centre tower will provide judicial offices, municipal headquarters, fire dept. and sanitary dept. headquarters. Finally, the community building will consist of a small assembly hall, room for occasional small

Coast to Coast Series Interest

Publication of the current series of articles on the development of the Mid Island Core is being followed with interest from "coast to coast". George Klett who was "site planner" with William G. Harvey is now in San Francisco completing his architectural education. He writes "I was delighted to learn that you are using the material prepared by the fourth year class in Architecture at Cooper Union." At the School, Prof. Esmond Shaw, assistant to the Dean, Cooper Union Art School, has also expressed keen interest in the current series in the HERALD.

Long Trains Block Traffic

HICKSVILLE -- A. Allan Goldstein, chairman of civic affairs for the Glenbrook Civic Assoc., this week urged the Public Service Commission to obtain another city-bound morning commuter train between 7 and 7:30 AM.

"We believe", Goldstein wrote to PSC Engineer Sanders Schwartz, "we have waited long enough for a change to be made in the length of time that no. 231 is permitted to block the RR crossing here. Two out of three days this week it has been blocked for at least 10 minutes. The LIRR admits that it must block the crossing for at least eight minutes. This is a direct violation of Sect. 1985 of the Penal Law. We don't think this law grants any special privileges to the LIRR.

"This condition can be avoided by an additional train between 7 and 7:30 AM."

"We would suggest that if the PSC does not find it in its power to get a definite commitment now from the LIRR, it should institute immediate steps to enforce the law without penalty in service to the commuter or the community. We would appreciate immediate and appropriate action."

3 Candidates For Asst. Chief

HICKSVILLE -- A three-way contest for the office of third assistant chief of the fire dept will be settled tonight (Thursday) when members of the department hold election of officers at the Marie St. Firehouse. Seeking the vacancy are William Dyckman and August Jud, both former captains and members of Co. No. 2, and Walter Telender, captain of Co. No. 3.

Unopposed for election is B. Medard Qfenloch of 80 Benjamin Ave, currently first assistant chief, who is slated to succeed Chief Larry Huttie. Charles Sauer, second assistant, will advance to first assistant and Walter Werthessen, now third, will become second assistant chief.

At the firehouse tonight, a representative of the New York Daily News will present Chief Huttie with a trophy honoring the fire department as the best on Long Island during February with its two successful rescues of persons trapped by fire in apartment fires on Broadway during the month.

Seniors Off To Washington

HICKSVILLE - The High School seniors, a group of 200, make their trip to Washington this weekend by train. Each senior will receive a picture of the class, to be taken in Washington. Ten faculty members and Principal Leon Galloway are expected to accompany the group when they leave on Saturday, April 6.

OUR LAST HOTEL IS GONE

HALF CENTURY is the time interval between these two pictures. At top, the last remains of the old Hicksville Inn are trucked away and the site will be occupied shortly by a modern bank building housing the Central Federal Savings and

Loan Assoc. The bottom picture goes way back to the days before sidewalks and heavy automobile traffic. Gun Hansen took the top picture for the Herald. The old time photo is from the Brown collection. (See CURRENT COMMENT, Page 4)

OLD BETHPAGE, PLAINVIEW SCHOOL DISTRICTS MERGED

By FLORENCE POLATNICK

Dr. John W. Chisholm, Superintendent of Schools in the First Supervisory District, signed an order Mar. 29 dissolving Common

School District No. 20 of Old Bethpage and annexing it to Plainview's Union Free School District No. 19.

This action was taken with the written consent of the Plainview Board of Education and the Old Bethpage Board of Trustees and will become effective June 30, 1957. Both Boards will proceed to provide for a vote on centralization during May or June, according to the joint statement issued.

The way was finally cleared for

the centralization which has been a perennial topic for discussion for many years when Gov. Averell Harriman last week signed a bill sponsored by Assemblyman John J. Burns and Senator William Huttie. The new law provides for the legalization of certain contractual obligations of school districts such as bond anticipation notes to be included as a debt charge on the

Act On School Board Slate

HICKSVILLE -- A committee of 12 has been named to consider candidates for the Board of Education and to make recommendations to the general membership of the Citizens for Better Government in School Affairs at a meeting on April 14.

The Citizens group has held two meetings in giving consideration to candidates for the three vacancies on the Board which will be filled by vote on May 8. The terms of Elwood S. Kent Sr., Mabel R. Farley and Joseph F. Cawley expire this year. Seven nominees have been made for consideration of the special committee.

Of the three trustees whose terms expire, only Cawley has started "positively and absolutely" that he will not be a candidate for a second three-year term.

Time Running Out For Work On Budget

HICKSVILLE - The Board of Education will meet tomorrow (Friday) night and every Friday for the coming weeks until the budget for the 1957-58 school year is completed. This will be in addition to regular Monday night meetings of the board. Budget sessions as well as regular meetings start at 8:30 PM in the High School Faculty Cafeteria.

Time is running out for the School Board with the annual meeting for public vote on the budget set for May 7, according to state law. A preliminary discussion of the public has been customary in recent years and the proposed budget must be ready for public study seven days prior to the annual meeting.

At the special meeting held this past Monday night a new "record" was set when the Board adopted a set of minutes for the March 18 meeting without a single change or correction. Only four members were present, minimum number for a quorum. Absent were Trustees Elwood S. Kent and Kent.

Mercy League Holds Election

The Hicksville-Glen Cove League of Mercy Hospital met at the home of Mrs. Michael Dunne of Glen Cove for their regular monthly meeting on Tuesday,

April 2. The Nominating committee presented the slate for the coming year and it was accepted. The new officers are Mrs. Herbert Purick, president; Mrs. Harold Smith, vice president; Mrs. James Bell, treasurer; Mrs. Vincent Braun, financial secretary; Mrs. Lawrence Caponegro, corresponding secretary and Mrs. Henry Schilling, recording secretary. These officers will be installed in June.

Further plans were made for the fashion-luncheon bridge to be held next Thursday, April 11 at the Swan Club, Glenwood Landing. Please try to make this very lovely affair. Tickets may still be had by contacting Mrs. Vincent Braun at WE 1-3173.

P-TA Talent Night

The Dutch Lane Parent Teacher Assoc. will present a Talent Night tomorrow (Friday), at 8:30 P. M. in the Dutch Lane School Gym. Skits will be presented by both the faculty and the parents. Mrs. Jane Schneider and Mrs. Marian Cawley are co-chairmen of the program.

Cana Conference This Sunday

Father Raymond S. Neufeld will conduct the first in a series of Cana Conferences for married couples, on the topic, "Husband-Wife Relationship".

The meeting will take place this Sunday, April 7, at 2:30, in the St. Ignatius Loyola School cafeteria, Nicholas St., Hicksville.

Children will be cared for, if necessary.

Musical Programs At Trinity

HICKSVILLE - Two outstanding musical programs are being presented by the Mixed Choir of Trinity Lutheran Church, here. The first took place on Mar. 17, and the second will take place on Apr. 17.

The Mixed Choir's program, on Mar. 17, was "Gala" by Charles Gounod, the text of which is taken from the Book of Lamentations of the Old Testament. Carolyn Blohm was the soloist. Included on the program were five anthems, "The Twenty-third Psalm" written by the contemporary American composer Thomas Matthews; "King of Glory, King of Peace", by Bach; "Ave Verum", by Mozart; "Oh Taste And See", by Goss; and "O Lord Support Us All The Day Long", by McAlister.

A violin solo, "Arioso", by Bach, was played by Harry Stark. As a memorial to our Savior's death, the Mixed Choir will sing Gabriel Faure's "Requiem" at both Wednesday evening services during Holy Week.

Among the many requiems written, Faure's is considered outstanding not only from a musical viewpoint but also because it paints most graphically the Christian's hope and comfort of the eternal rest in Christ. The soloists are Carolyn Blohm, Soprano; Oscar Block, Bass-Baritone; and Harriet Stark, Violinist. Charles F. Boehm is organist and choir master.

The Hicksville Atomic Energy Plant of Sylvania, according to the firm's annual report, is developing "reactor fuels and components" in case you wondered. . . . No case of diphtheria has been reported in Nassau County resident since Jan. 10, 1950. The last reported diphtheria death to a Nassau resident was in the year 1947. . . . SORREL A. ZUCKER of 14 Edgewood Dr., Hicksville, has been promoted to Cadet Captain of the Hofstra College ROTC Unit, it was learned this week. . . . A certain local weekly is getting weaker and weaker. We heard it may next become a monthly and then-----? JOAN GABRIEL proved to be the champion sophomore speller in the high school recently when Sophomore English staged a spelling bee in school assembly, similar to the quiz show "Twenty-One". . . . One recent menu at the high school cafeteria required the following ingredients: 260 lbs of chopped meat, 85 dozen rolls, 10 bottles of catsup, 300 lbs of potatoes, 125 lbs of cabbage, 6 lbs of green peppers, 5 lbs of carrots, a half lb of onions, a half ton of flour and 35 cases of milk. . . . When the five area school boards met last week they had a little light refreshment after the business of the evening. School Attorney HARRY GOEBEL strangled to have Trustee KENT presented with a small, lighted cake in honor of his birthday. It had six candles.

The Angel Chorus of St. Ignatius School walked off with first prize, at the competition held Sunday, Mar. 31, at Sacred Heart Academy, Hempstead. The chorus is under the direction of Mrs. EVELYN DOOLEY.

After next Monday we'll miss "the smiling Irishman", JACK MULLIGAN, at the Parcel Post window at the Post Office. He's leaving to join Sperry's. Good luck, Jack. . . .

WARREN HEALEY of 36 Withing Lane, Hicksville, is the manager of a Safeway Market in the Pomonok Shopping Centre near Queens College. This week he told police a thief forced him at gun point to open the store safe and made away with \$200. . . . Off and on over the years we used to joke with JOHN HAUGHEY about the day when a canal would be dug the length of Broadway, connecting the Atlantic Ocean with Long Island Sound. That day may be nearer than we thought: The Gertz Store now has opened a boat basin at Mid Island Plaza, complete with full-size boats. . . . A call to police at midnight one night during the week reported that "Hempstead Bank in Levittown will be knocked off in 15 minutes. Six police cars raced to the scene and found a TV store owner making a night deposit. . . . If you want to be a lifeguard at the St. Ignatius Park, including Jones Beach, applications can be obtained from the Employment Office of the Park Commission at Babylon. You must be 17 or over. . . .

Deputy Supervisor EDWIN FEHRENBACH of Bethpage was guest speaker last week before the D. Nile Wall Republican Club in Massapequa. . . . HAZELLE MacPHERSON has retired after 31 years and MacPHERSON Chevrolet is now ROBERT Chevrolet. The business was located on Jerusalem Ave., at the corner of Barclay St., for many years before moving to its new building on First St., off South Broadway. . . .

Some character, name unknown to Postal employees, has been hanging around the Post Office these mornings, soliciting the patrons to sign his petition to run for the School Board.

A reader writes: "Rocks to the highway department for the swell job of maintaining those holes in the road on Bay Ave. near the RR tracks -- road hasn't lost a hole in two years". . . . EUGENE NYE, High School senior, fourth in the state in the state-wide oral contest sponsored by the American Legion, is vice president of the Kiwanis Key Club. His efforts were closely followed by all Kiwanians who wished him their best wishes as he entered the finals. . . . Happy birthday to ERIC KRABEL of the Glen Cove Echo who had a ball last week. His son, BOB, is now associated with the HERALD. . . . Hicksville Kiwanis has contributed to the fund to help send Eagle Scout LEO KANA WADA to England this summer which was the subject of an editorial in the HERALD last week. . . . PAUL WALKER, manager of Hicksville-Glen, is a new member of the Kiwanis. . . . When MARJORIE POST, former member of the Zoning Board of Appeals was advanced to Town Councilman, her position on the Appeals Board was filled by MEREDITH S. CLOWES of 204 Toronto Ave., Massapequa. He's with the Telephone Company and a native Long Islander. . . . First meeting of the Recreation Committee of the school district was held last Thursday night. From what we hear, some folks were really pushing to dust off the HUTCHINSON report and slip thru its recommendations forth with. . . . Medical men of the community are planning a series of public meetings with topics in the field of medicine of special interest to laymen. . . .

Good luck to a friend on a new enterprise. PAUL YURA of Hicksville opened his new Texaco Gas station on Cold Spring Rd., 500 feet the past week. All the luck in the world to a swell guy who has been a hard worker for the loc. 1 PBC. . . . Our sincerest sympathy to another good friend, ROGER BROWN and family of Arcadia Lane, on the dear mother, over the week-end. . . . What's this we hear -- "The Women" of Hicksville are getting a little sick of School Board haggling? We understand that they are very seriously thinking of running a slate of ladies to take the place of the men who are now making such a fuss. We think the gals will do a much better job as we all know that behind every successful man is a woman -- why not let the brains do the actual job? . . . Don't forget to visit the new home of the Hicksville Music Shop on Herzog Place, Hicksville. They are running a few specials that are really worth while. Ask for them when you visit the Music Shop. . . . Get well wishes to little RICHARD ROSENTHAL of Cedar St., Hicksville, who underwent an operation last week. . . .

Just a reminder -- Don't forget the luncheon, - bridge and fashion show to be given for the benefit of Mercy Hospital by the Hicksville-Glen Cove Mercy League at the Swan Club, April 11. Proceeds go towards a most worthy cause. . . . Have you seen the new yellow and black Ford the "Big Picture" is sporting for the past week or so. Wonder if the former Plainview Mall Bag has enough room in the rear compartment for all his--shall we say--discarded papers?

Questions About Wildwood

HICKSVILLE -- The proposed sale of the Wildwood Road property, owned by the school district, to Holy Family Church contingent upon a referendum of the taxpayers was questioned at the School Board meeting, Monday night, by Robert Sklarz of 14 Amherst Rd. He wanted to know if the district could afford to dispose of a potential school site in view of a recent notice from Dr. Wallace E. Lamb, school superintendent, indicating a climbing school enrollment.

Individual board members commented that twice the voters had been asked to approve a permanent school on this site and twice had said no. Further, that the decision in the referendum would be the answer of the voters as to whether the site should be held for a public school or sold. It was also pointed out that the Church

plans to erect a parochial school on the tract which will serve a portion of the district.

CURRENT COMMENT: Last Hotel Bites Dust

By Fred J. Noeth

THE HICKSVILLE INN, one of our best-known landmarks, has been crushed into a pile of rubble and carted away to make way for the new office of Central Federal Savings and Loan Assoc at the corner of North Broadway and John St. George King remembers that when he came to Hicksville 60 years ago the Hotel was there already.

During the same week, another old building which was at one time dedicated to the thirstier citizens came down. This was formerly Bostlet's place on E. Barclay St which in more recent times was known as the Horseshoe. Both Bostlet's and the Hicksville Inn achieved some fame during the dry, roaring 20s and as one native of the town said last week, "if only those old walls could talk . . . what tales they would tell".

The Hicksville Inn over the years had many owners. The last was Alex Warwyck, uncle of Henry Warwyck of Henry's TV.

Our community back in Civil War days had eight hotels. As the terminal for the LIRR from Jamaica, travelers would rest up here before proceeding further east on the Island by horseback or carriage. Perhaps the most famous of the era of the early 1900s was the Grand Central (see picture). This was the hub of social life for a wide area. Many of today's grandparents delight in recalling those gay affairs at the Grand Central which stood in the approximate location of Larry's Store on the east side of Broadway just north of the Rail Road crossing. In fact, the building formerly occupied by Furniture Modes is said to embrace a portion of the original Grand Central.

And then there was Keller's Hotel on present day Herzog Place. This three-story masonry structure is a portion of the present day Long Island National Bank and before its present use was the Hicksville Post Office at two different intervals in time.

We dwell in particular upon the former Hicksville Inn because it survived the years better than the other old hotels. We can recall any number of significant and important events in our community history which took place here. For example, the first meetings of the Hicksville Lions and the Hicksville Kiwanis were conducted at the Inn.

Many a political club gathering took place in its back room and who can tell how many weddings and christenings were celebrated in its dining room? It was here that the Fraternal Order of Eagles, Mid Island Aerie, was chartered a few years ago.

Besides the tinkle of glasses and the conversation recollecting days gone by, this old structure had heard the laughter of children at innumerable Christmas parties and the stomp of a Polish hop or a German waltz.

The view up Broadway will never be the same with the Hicksville Inn gone, just as the corner of Barclay St and Broadway hasn't been the same since the "silent cop", which motorists socked at least once a week, went into retirement.

800 VISITORS DAILY

"Approximately 8,000 people will use the civic center during a typical day" according to Peter Diffendale. "An estimated 80 per cent will arrive by car and 20 per cent by public transportation or on foot. Parking will be available under the plaza and since most of the activities of the civic center will be conducted during the day when the big traffic generates, the auditorium, theatre and exhibition hall (in the adjacent Exhibit Area described last week) are not in use, there will be more than ample parking space for employees and transients. All services to and from these buildings will be from beneath the plaza.

"The RR station will be easily accessible by walking thru the plaza courts and ramps linking the civic centre, offices buildings and station. These courts will be richly landscaped and loosely enclosed by buildings, trees, covered walks and open spaces all varied in size, form and materials, all scaled to pedestrian uses and placed to give many views from inside and outside of the buildings.

"The buildings will be reinforced concrete frame with precast concrete joists left exposed and painted where permitted or used in light troughs with overall ceiling panel lighting in most areas.

"The tower is a narrow slab which means that the typical office floor will contain no dark cubicles."

Subsequent articles in this series will discuss the university group, churches, museum, natatorium and residential areas of the Hicksville in 1981.

In addition to William G. Harvey Jr. as coordinator and George Klett and Hugh Keiser as site planners, designers were Rudolph Ansenloos, Herbert August, William Hahn, Herbert Klay, Everett Goldman, Wilbur Kloner, Jane McGowan, Lester Namm, George Early, Peter Diffendale, Robert Reinlein and Babette Edelstein.

WHY HICKSVILLE?

Why should it have been chosen instead of Long Island City? or Montauk? or Hempstead? or any other city in Long Island for that matter?

The Cooper Union architectural students admit: "there certainly are other cities which are larger, which have more industry, which are growing faster. So why Hicksville?"

"A glance at a map of Long Island will give one answer, perhaps the most important. Its central location. It lies about half way between the Sound and the Ocean. It lies in centre of the principal past, present and future population growth area of the whole of Long Island.

"Another reason is the railroad. Hicksville undoubtedly was chosen as a terminal point for the three lines that service Long Island because of its central location. Once established the junction became a reason unto itself for importance and it will, without doubt, continue to contribute to the future development of this area.

"Given the opening of Long Island as a population centre and its continued growth, these two factors alone are enough to thrust Hicksville into prominence; the students noted.

(Continued Next Week)

GRAND CENTRAL HOTEL, at left, was built in 1835 even before the arrival of the railroad out from Jamaica. This picture was taken about 1908. Above is Keller's Hotel on Herzog Place, another oldtime hostelry. Centres of recreation and social activity, the old hotels were surrounded by picnic groves.

ROOF PLAN

SOUTH ELEVATION

SITE KEY

CIVIC CENTRE for the Mid Island Core is located on the site key as the vicinity of presentday intersection of Woodbury Road and Bay Ave. A fifteen-story tower, housing the offices of the courts and other municipal services such as fire, police, sanitation etc., is designed as a "slab" to assure full natural lighting in all offices. The two upper most floors will contain most of the mechanical equipment in this group of buildings. Air conditioning will consist of a central plant and in addition to supplying refrigerant and heat, the conditioners will draw fresh air directly thru the north and south walls, eliminating most air ducts thru the building. The lobby under the tower, basically a pavilion thru the building, may well act as a pedestrian thoroughfare.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.,
by Artie Rutz

Once again, Gene Nye will give his above par speech which catapulted him into the state finals of the American Legion oratorical contest when he speaks to the members of the Auxiliary tomorrow night, April 5, at their meeting. Unfortunately he doesn't come as state champion, unfortunately that is, for both Gene and Hicksville, but if my personal opinion matters any, I think Gene should be the champion of the United States. Perhaps I'm not entirely alone in my thoughts on this matter as I hear that the New York State Bar Assoc. has invited Gene to address

them on May 1. If you don't think this is quite an honor, remember that orations are somewhat in their line and they should know a good orator when they hear one. It should be quite a treat to the members of the County Staff of the Auxiliary who will be present, to listen to one of the finest young speakers in America today demonstrate why, we of Hicksville, feel so proud of him.

We have recruited and signed up ten members of our Post as members of the Civil Defense organization as requested by our County Legion Organization.

We have our usual donations to the Cancer Fund and to the fund to send Eagle Scout Leo Kanawanda of Hicksville to the World Jamboree in England this summer.

Commander Arthur Bletsch, Sr. has named Robert Beard, Robert Mangels, Walter Barnett and Elias Jabour, all past commanders, to the nominating committee for 1957-58.

Seldom has the Hicksville Post gone beyond its halls in a fund raising drive but a Hi-Fi set will be offered to the public via the raffle ticket route with a drawing dated to coincide with our annual Picnic at Salisbury Park on August 11, 1957. Commander Bletsch will be chairman and the driving force behind this very necessary project.

Sorry there were no eats at the last meeting but once in a while things do get messed up despite all the good intentions and plans.

Emera Chapter, Order of the Eastern Star of Hicksville, is holding its annual card and bunco party on May 4 at 8 P.M. at the Masonic Temple, W. Nicholas St., Hicksville.

A monster jamboree card party will be held by Manno Court, Order of the Amaranth, at the Masonic Temple, W. Nicholas St., Hicksville, on Saturday evening, April 27 at 8 P.M.

Lions to Hear Port Authority

The role of The Port of New York Authority in transportation will be discussed at the April 10 meeting of the Hicksville Lions Club. James Kennelly, of the Office of the Executive Director of the Port Authority, will talk at the 7 p. m. meeting, Henningsen's Restaurant.

Mr. Kennelly, administrative assistant in the executive director's office, will illustrate the bi-state agency's job in developing and operating modern transportation and terminal facilities to enable this Port to keep pace with the ever-changing transportation picture. He will go on to tell how Hicksville, together with the 350 other communities in the Port District - all within a 25-mile radius of the Statue of Liberty - make this Port the world's leading international gateway and center of trade and commerce. Members of the Hicksville Lions Club will have an opportunity to ask questions of Kennelly after his talk.

Kennelly joined the Port Authority in 1954 as a trainee in the executive development program and was assigned the following year as administrative assistant to the director of operations services. In his present post, he performs general administrative duties in the executive director's office. A graduate of Manhattan College and Columbia University, Kennelly served for two years with the United States Coast Guard.

This meeting was arranged through Arthur Schwartz, program chairman for the Hicksville Lions Club.

Fine Weather For Troop Camp

HICKSVILLE - St. Ignatius Loyola Boy Scout Troop 31 swarmed all over Camp Wauwexet last weekend, as they arrived for their Spring Camp stint.

An excellent turnout was made, fine weather prevailed, and all the scouts encamped under their own tenting.

The food was expertly prepared under the best of conditions and no casualties were reported. All standard recipes were tossed out and new tasty tender concoctions were brewed, fried, broiled and boiled. For the coming week all mothers of scouts will no doubt be enlightened as to the fine arts of food preparation outdoors, and while this is being done mother's cooking will be disappearing through the period of discussion.

Fine progress is reported by Committeeman Adolf Arthofer, Chairman of Operation Scout Room. His assistants are carrying out his instructions to the letter and things are shaping up.

Committeeman Milton Flynn has successfully arranged for the Swim Date, and only awaits a cessation of activities so he can fill in the schedule.

Milton has also arranged for the Troop to have a conducted tour through the Westchester Air Base in Westchester, this coming Saturday. The boys are lucky to have this one coming up. It should prove very interesting and educational. Thanks to the Committeeman for cooperating in the troop functions. A strong committee insures a strong troop.

Tom Bergin is anxiously awaiting the return of Exposition tickets, boys.

The Order of the Arrow award was conducted Thursday among the scouts, under the supervision of Fred Holsfeld and the same award will have been voted upon by the adult scouts on Wednesday of this week.

School Needs Teachers

NICHOLAI CHANGES MEETING NIGHT

Due to the coming Easter vacation, the Nicholai St. P.T.A. of Hicksville will have its next meeting on April 11, which is a second Thursday, rather than the customary third Thursday. The P.T.A. hopes this does not prevent any one from attending, because they have Dr. John Ames as speaker for that evening.

Dr. Ames is one of the foremost authorities in the field of education. He was one of the few to be asked to speak at the Conference on Education at Atlantic City. His background is an impressive one. He has been a Teacher, Principal, Curriculum Coordinator, Assistant Superintendent of Schools, and Professor of Education. Presently Dr. Ames is serving Queens College as "Professor of Education and Coordinator of the Program for prospective Elementary School Principals".

HICKSVILLE - Trinity Lutheran Sunday School, here, has issued a call for more teachers. Pointing out that in 1952 with 412 children enrolled, there were 38 teachers, while presently the enrollment has grown to 947 with only 36 teachers, the Sunday School emphasizes the need to build their staff to a better ratio of children to teachers. Stressing that there is hardly any work more rewarding than teaching children, the school will train anyone for this work, even if the applicants are without experience. Persons interested should contact Al Leonard, Sunday School Superintendent, or Richard Engerbrecht, principal of Trinity Lutheran School, West Nicholai St., Hicksville.

SET CARD BENEFIT

The Ladies Auxiliary of the American Legion, Charles Wagner Post 421, will hold a Card Party, Friday evening April 12, at the American Legion Hall, E. Nicholai St., Hicksville.

Reader Opinions

Dear Jean:

We have read with a special interest the article in the Sunday Herald Tribune by Peter Hussey, the Town of Oyster Bay park and recreation director. We also enjoyed his nostalgic boyhood in Sea Cliff, and we think he is a man of wonderful vision of the future. That article should be read and digested by every Hicksvilleite of every age and period.

He says: "Sociologists and psychologists will tell you recreation has become an indispensable balance for the stresses of today's high speed living."

He also says: "Backgrounds aren't enough, they forget you can't have group play or group activities in the ordinary backyard plot, and there are absolute essentials in a recreation system. Okay then, what about all the new school sites? The skeptics want to know. We are all for bigger and better equipped schools yards and school hobby rooms - they're an integral part of a recreation program. But they're not the whole answer either. First of all, school grounds are usually heavily scheduled with regular school activities. They usually make little provision for the play needs of pre-school youngsters (and none for the golden age people - our opinion). Furthermore, the schools may be some distance away from the home, so even for the school-age population, their value is restricted."

He continues, "A good park and playground system, particularly in the suburbs, where your population is scattered, requires strings of neighborhood recreation areas."

We agree most heartily with Mr. Hussey.

In his fourth paragraph he suggests, "Make the builders and de-

velopers who are devouring the old play areas responsible for creating new ones. The biggest failing of many of our local governments has been their tendency to stick their heads in the sand while the developers gorge indiscriminately on land and then build indiscriminately without community planning."

May we ask, who governs Hicksville? Some years before Mr. Hussey was appointed park and recreation director, the Town of Oyster Bay issued an ordinance for all developers to set aside an area for just the purpose which he advocates. We have yet to see even one such play area established in Hicksville, although developments have gone up like mushrooms in Hicksville, and should Mr. Hussey intend to look at forgotten Hicksville's play areas will he take a good look at the For Sale signs on some of these areas? Many years ago when some far-sighted citizens wanted to establish a parking district it took a lot of persuasion to make it a Park and Parking District, which incidentally was called Chumsky's Folly. Shall we not now agree, if it had not been for the inclusion of the word Park, Levittown's creator, William Levitt, far-sightedness would not keep Levittown Parkway, and its other parks in Hicksville school district clean and cared for?

Government statistics keep reminding us of the life extension of the Golden Age group. Planners for the next 50 years are visualizing a Hicksville up to 500,000 people and if we believe the statistics, more than 50 per cent will be in the middle-age group.

Are we providing a comfortable little green spot for the grandmas' and grandpas' to sit and watch over the pre-school child, when the

Young Patients Receive Gifts

The boys and girls who are patients at Meadowbrook Hospital, were recently the recipients of gaily colored "Kangaroo" boxes, donated by the Candle Light Circle of Hicksville. Each box contained small dolls, airplanes, cards, crayons, scissors, books and other small items, to help pass the long hours.

Two food baskets are being prepared for needy families, by the Circle, for Easter.

A social evening with dinner and theatre party is planned for early spring.

The next meeting of the Circle will be held tonight (Thursday) at the home of Mrs. Lillian Meyerhoff at 205 Bittles Lane, Hicksville.

HICKSVILLE - Mrs. Hazelle MacPherson, of 117 Fourth St., here, has been named honorary Chairman of the annual Cerebral Palsy drive that will take place, in May.

buildings go vertical instead of horizontal? We know we can't send Golden Age people to war to be eliminated. Their health is better. They live more sensibly. They keep keenly interested in what goes on, and so live longer. Some say the problem, in 25 years will not only be our youth but more likely the Golden Age group. We wish we were fortunate to have do-ers like Mr. Moses, instead of just dreamers who do not care if Hicksville grows like Topsy. Dreamers! Look for some do-ers with power. Hicksville, start asserting yourself. You are big enough now, demand your rights. Will the youthful blood transfusion prove to be healthy, vigorous - or follow the course of the old brook?

"The legislation having been signed by the Governor," a joint statement said, "both Boards endorse the order of the District Superintendent as the most expeditious and advantageous means of achieving reorganization." Prior to the issuance of the order, both Boards had extensively considered the merits of district reorganization and agreed that if this legislation were enacted, "there should be no financial reasons for opposing reorganization."

CYO Honors Winners With Flashy Jackets

By ELWOOD S. KENT, SR.

HICKSVILLE - Father Lawrence Biltweg officiated at the party held Saturday for the super-salesmen who ran off with all the honors in the successful Candy Fund Drive. Winners and highly enthusiastic recipients of the CYO jackets were: K. Bent, N. Walsh, K. Bowler, M. Bowler, J. Hood, L. Barolletti, G. Maguire, W. Patchell, R. Harman, W. Gaylor, R. Glinka, C. DiBella, J. Woodworth, W. Ellis, T. Oliveri, and Miss Barbara DiBella.

Winners of Baseball Shoes - J. Breschard, E. McCann, K. Bodie, and L. Trubinski.
Winner of Baseball Glove - N. Walsh.

The CYO jackets were so outstanding that 25 men and five boys ordered them. Anyone else wishing to become a proud wearer of the CYO jacket may contact Tom DiBella for details.

By the way, the school of one of these jackets to wear has a very good chance of finishing the coming exams in the high averages. Last Saturday, also, those boys who were unable to appear for baseball tryouts the week before, came down to show their wares, which were well received.

FINAL TRYOUTS
This Saturday, the final tryouts for all boys in the 11 to 16 age group will be conducted at the Junior High school. Be there early. Bring your glove and make one of the teams.

The St. Ignatius Jr. Choir won second place in the tryouts at Sacred Heart Academy, Hempstead, only 4 points separated the winners, St. Bridget's of Westbury and ourselves. Tryouts for the Diocesan championship will continue during the coming week. Make a new effort to hear the choir, if you haven't done so, you have a musical treat awaiting you.

Vice-President Jim Hood has sent out word that he wants applicants for the position of Umpire. Fellows, the job of Umpiring is as important as the manager, coach, or player. The "Ump" rules supreme and his word is law. The baseball season cannot be a successful one unless the Umpire is on hand. So how about it, men?

Report to V.P. Hood and get started on a new career.

All of which reminds me, that Ray Cammarata is home from Georgia and Uncle Sam for 14 days. Ray excelled in the act of "Archie" last year and no doubt this experience has helped him in his duties with Uncle. Last seen of Fred Evans, he was heading for the local bookstore to get a tome on how to explain to Ray the pitfalls of basketball coaching.

GIRLS REGISTER
Mrs. DiBella and Mrs. Patchell wish to announce the registration for CYO girls baseball is still open to all girls ages 12 and up. Hurry, girls, the season will soon be open. Remember the big benefit game for the scholarship fund, Apr. 27 - the CYO Coaches VS Faculty. Dancing after the game. Tickets will be distributed through the P-TAT and the CYO.

Babe Ruth Holds Tryouts Here

HICKSVILLE - Babe Ruth League tryouts for 14 and 15 year olds will take place, Saturday April 6 at 9 A.M. at Abe Levitt field near Ballpark Lane. Registrations are being accepted at the tryouts for the last time.

Win Crown In School League

HICKSVILLE - Trinity Lutheran School is the new Champ in the L.T. Lutheran Grade school basketball league, having downed Our Saviour Lutheran school in Rego Park in the final game of the season 34-24. Last year Nassau Christian won the championship, and Trinity Lutheran came in second.

Trinity compiled a record of 9 wins and 1 loss in winning their first championship.

Bob Kasten, playing in nine games, scored 95 points, while Freddy Probst, also playing in nine games, hit for 61 markers. Immanuel Lutheran of Whitestone, which came in second, gave Trinity its only defeat of the season; and Nassau Christian came in third.

THIS IS LITTLE LEAGUE... Select Six Major Teams

By MARY BLUST

The selection of the six major teams of the Hicksville National Little League consisting of 18 boys each, will be completed Saturday, April 6th. The 12 minor teams consisting of 18 boys each will be completed Saturday, April 13th. All boys who have won a position on a major or minor league team will be notified by mail as soon

as the team selections are completed.

The leagues present plan calls for these teams to go into immediate practiced sessions to perfect all the teams. Practice games will be played for the next few weeks prior to the opening of the season on May 19.

As soon as the major and minor teams are conditioned and ready to play, the Farm system teams will be notified. All eight year old boys have been assigned to the farm system and will receive their notice about the end of April.

Our league policy is that every boy who registers and wants to play ball will be assigned to a team. The Women's Auxiliary will hold a cake sale on April 13, starting at 9 A.M. at the Sunrise West Village Green Supermarket. The chairman of the sale is Helen Navesky. Come out and buy a cake to help the boys, as all monies are used for our Little Leaguers.

Trinity Takes Championship

The Trinity Lutheran School basketball team of Hicksville won the Lutheran Invitational Tournament for the third consecutive year by beating Immanuel, in the championship game by a convincing margin of 45-29.

In the first game of the tourney Trinity cagers were paired against Our Saviour of the Bronx. The Bronx team got off to a quick start and at the end of the first quarter had an 8-4 lead. However, with Buddy Sawatsky hitting for 13 points in the second period and the defense tightening up, Trinity held a 21-8 lead at half time. The second half found Trinity outscoring its opponent 21-10 and the game ended Trinity-42, Our Saviour-18.

In the second round Trinity was matched against a strong Nassau Christian team. Although Mincola managed to score one more field goal, Trinity hit for 13 markers from the charity line while Nassau

HICKSVILLE - Jack Sheridan's 579 series, with games of 201 and 209, was tops in the Holy Family Parish Division of the Nassau-Suffolk CYO Bowling League, at the Market Alleys, here this week and Mike Fuchs' 215 was high game. Herb Poole was second with 556 (201), and next in order were Bob Bowen 546, Al Reinheimer 545, Fred Marandoo 545, Stan Slotkiewicz 536 (208), Bill Gribbins 527, John Dewey 526 (201), John Walsh 524 (210), John Zambo 420, John Gavula 515, Joe Celentano 513, Ed Nash 511, Ray Featherston 509, and Bud Smith 505.

With but 12 points separating the first eight teams, and only six nights to go, it still looks like anybody's race.
