Chamber Sets Election

HICKSVILLE — Election of officers of the Chamber of Commerce will take place at a general meeting on Friday, April 26, at noon at Henningsen's Restaurant and the 2nd annual dinner-dance of the organization has been set for Saturday night, May 4, at Hicksville Gardens. Patrick J. Caputo is scheduled to take office as president, succeeding Patrick Buffalino.

At the general meeting, Assemblyman John J. Burns will be present and speak briefly on events in the current session of the State Legislature.

Other nominees are Aaron L. Rochman, for vice-president; William Payoski, secretary; Charles Barvels, treasurer; and three-year directors Francis Anderson, Buffalino, John Staryk, Irwin Goldman and Lawrence McCaffrey.

Red Cross Fund Near Goal

MINEROLA — The Red Cross campaign in Plainview is over the top and other Mid-Island communities are nearing their goals. It was announced here today, Plainview led by Mrs. Mae F. Sodara and Mrs. Eileen M. Moylan collected \$395.87 with a quota of \$780. Hicksville has reached \$2,144.33 with a goal of \$3,100 with George W. Marthen as chairman. Bethpage reports \$127 with a quota of \$2,000 and Jericho has \$1,509.74 with a goal of \$2,000.

--WITHOUT DREAMS

Core of 1981 Also Includes University

(See picture on page 4)

The University Group occupies the third major portion of the Mid Island Core visualized for Hicksville a quarter century in the future. The Core area is developed between John Street, Woodbury Road and Old Country Road, right across the present day rail road right of way.

Among the structures in the University Group, located on the site key accompanying, would be a medical center with 1700 bed general hospital, health centre, schools of architecture, medicine, and general studies, administration buildings.

Especially interesting in the University group is the auditorium designed by Wilbur Klover. He says: "This building is designed for the use of the University's Health Education Dept. It stands apart from the group of buildings which make up the University and since

it is on the southern fringe of the elevated mall, it is easily accessible to motor traffic....

"The entire student body of 5,000 persons will be using the pool at one time or another in its progress thru its course of study. However, as only one semester of the study of aquatics per person is required in the University, it amounts to a total of no more than 625 students per semester using facilities."

This structure would have a sliding roof and during the late spring and throughout the summer months it would be opened.

READERS WANTED TO KNOW:

1807 Rock Ye Old Milestone

Discovery of a curious rock on the west side of South Oyster Bay Road, near Field Ave., on the Bethpage-Hicksville boundary recently led to a number of inquiries from readers. The stone, inscribed with the date 1807, was uncovered as the Nassau County Dept. of Public Works is widening South Oyster Bay Rd. Public Works Commissioner John C. Guilbert told the HERALD that the stone apparently was an ancient milestone of that date. On its east side is cut the roman numeral VII. He said the stone would be preserved at the location as a historic relic.

Hicksville's more famous rock on John St. at Cantigue Road is almost unnoticed today. It was formerly marked by the State Education Dept. (see picture) and is backed by the Cantigue Woods which have been preserved by O. E. McIntyre. The Rock marks the boundary between Oyster Bay and North Hempstead Townships and is mentioned in colonial records of 1677.

Cantigue Rock was also the site of the purchase of present day Hicksville and vicinity from the Indians by Robert Williams in 1648.

Following a colonial custom, Boy and Girl Scouts with their leaders paced the boundaries of the Robert Williams purchase area during the 300th anniversary celebration. They started at Cantigue Rock.

First Mass In New Church

SUNDAY MASSES will be celebrated, starting this week with Palm Sunday, in the new Our Lady of Mercy R.C. Church of South Oyster Bay Road at the corner of Froehlich Farm Road, according to Rev. Louis J. Schwebius, pastor who is shown with the new edifice in the background. The 9:15 and 10:15 Sunday Masses, formerly held in the church rectory, will now be cele-

brated in the old temporary church on the opposite side of the highway near Plainview Road. Masses in the new structure are celebrated every hour on the half hour from 7:30 to 12:30. Holy Week services including Easter Midnight Mass will be held in the old structure. (See page six for religious services of the Easter season. (Herald photo by Frank Mallett)

Plenty of Candidates

8 POSSIBLE STARTERS FOR 3 SCHOOL POSTS

HICKSVILLE — An abundance of aspirants for three vacancies on the Board of Education appeared in prospect this week as the technical details of setting registration days for voters were established. The first candidate to officially file a designating petition was Charles H. DeShaw of 118 Brittle Lane who on two previous occasions has filed as a candidate and then withdrew from the race at the 11th hour.

Arrange Forum For Candidates

HICKSVILLE — All candidates for School Trustee Positions in the School District are being invited to speak at a forum on Friday night, May 3, at the Jerusalem Ave. Jr. High School sponsored by the Organization for Public Education, HOPE, under its bylaws, may neither sponsor or endorse candidates for school trustee position.

At the same time it also appeared certain that the voters would have a number of decisions to make in the voting booths at the annual election on May 8th. Five questions requiring yes or no answers will be on the voting machines in addition to assorted candidates for three vacancies on the school board.

THREE VACANCIES

The incumbent School Board members are Elwood S. Kent Sr., Joseph F. Cawley and Mabel R. Farley. Kent was quoted in a local publication of limited circulation that he plans to seek re-election. Cawley has informed the HERALD that he "absolutely and positively" will not seek re-election. Miss Farley has answered questions about her possible candidacy with the comment that she is not ready to say yes or no.

De Shaw filed his petition with the District Clerk early this week for the Cawley position.

Sol Zimmerman of 33 Sleepy Lane, who last year announced his intention to run and then did not file a designating petition, announced his candidacy on Monday. In a statement to the HERALD he said: "As in the past I stand for efficient and intelligent use of the taxpayers' monies. The taxpayers have a right to expect full value, without waste, for every dollar spent by the school administration. If I am elected, I promise to devote my full energies and capabilities to the achievement of maximum economy without impairing, in any manner, the vitally important necessity of providing each child with a sound, adequate education."

Meanwhile the Hicksville Citizens for Better Government,

In School Affairs is scheduled to meet next Sunday night to get a report of a 12-citizen committee on recommendations for the three board vacancies. Seven nominees have been under consideration by the committee including Kent, DeShaw, Zimmerman, Robert Goodrich, Herbert Johnson, Jerry Zettler and Ernest Gosny.

The Board of Education on Monday night set up the five questions to be decided by the voters on May 8th, some of which have been previously set tentatively.

No. 1 - Whether the School District should exchange a parcel of land with Mid Island Shopping Plaza near Burns Ave. School. In the swap, the school district would receive \$16,000 plus assurances that Windsor, York and Prose Streets will be closed to vehicular traffic.

No. 2 - Authorize the sale of about five acres of district property to Holy Family Church for \$50,000. The property is next to the church and would be used for a parochial school.

No. 3 - Authorize a transfer of (continued on page two)

Budget Work Again Friday

HICKSVILLE — The Board of Education will hold a special meeting tomorrow (Fri) night at 8:30 in the high school to continue work on the 1957-58 district budget. Another special meeting is set for next Monday night, April 15, at the high school for regular district business. Board meetings are open to the public.

funds in the current budget in the total amount of \$12,500 to cover a deficiency in the transportation appropriation. This would not impose an additional tax.

No. 4 - Authorize expenditure of \$13,975, as a deficiency appropriation on the new four million dollar high school to cover charges for ground improvements and laboratory furniture.

No. 5 - Authorize expenditure of \$1,663.16 as a deficiency appropriation on the Woodland Ave. Elementary School project.

Two positions on the Library Board are to be filled this year, one a four-year term and the other a five-year term. Jessie L. Ulmer and Leon J. Galloway are candidates to succeed themselves for these respective positions and have filed their designating petitions.

All voters of the school district will be required to register in person in order to vote for trustees, upon the five questions and at the annual meeting. Registration will take place on Saturday, April 27, and Wednesday, May 1, from 10 AM to 10 PM at the seven election district schools: (1) Burns Ave., (2) East St., (3) Woodland Ave., (4) Lee Ave., (5) Fork Lane, (6) Dutch Lane and (7) Old Country Road School.

DeShaw in his statement announcing his candidacy for the Board of Education as given to the HERALD follows:

"I want it to be known that at this writing I have not aligned myself with any candidate or candidates, and am running independently of anyone else. Having seen the actions of successful candidate teams and slates toward one another within a short period of time after their election, I want none of it. It is my belief that each member of the school board should owe allegiance to no other than the school district as a whole, always placing the welfare of the children first, instead of engaging in personalities. It is my belief also, that at least one member of the Board of Education should be experienced in business operation, having gained this experience through the operation of their own business, and thus know how a business should be conducted economically to get full value for money expended. I have had this experience!

Big Business

"The school district is big business, and should be operated as such. Ways must be found to operate it more economically to reduce the tax load. The prospect of continued increase in school taxes raises alarm in the breast of everyone with economic conditions being what they are. If a candidate with the business experience such as I possess, is not elected to the school board, economy will become a lost word in this district. The time has come for this to be the watchword of our school district-but it must be wise economy. It must never become, 'Found wise, Penny foolish' economy, for while we pay for what we get, we don't always get what we pay for."

"If elected to the school board, I pledge to make certain that the district will receive dollar value for dollar spent, as well as spending my spare time in conference with the school administrators to find ways to effect proper and necessary economies."

"On the subject of transportation,

Dear Jean:

Passing by North Bway, Hicksville we see that MILT LEVITT has decorated his place of business, B. Levitt & Son, Leather Goods. He is going in for a full line of luggage and will still continue to do the fine automobile upholstery work his Dad was noted for. -- Good Luck, Milt. -- ERSEY JOYCE was back in town, Saturday. Haven't seen the old gal for sometime and she still has all her pep, vim and vigor. If you attend, you will have a good time and also help a worthy cause -- Mercy Hospital.

The clock on E. Marie St. near the front of the Hicksville Theatre which failed to give the time for more than 10 years has been quietly removed. In fact, it has been gone a month already and we only learned about it this week. -- When the Hicksville Firemen held their election last Thursday night, a number of the boys were still at the firehouse at a late hour. It was around 11 at night when they were called upon to help out a distraught father. He apparently had mistaken the RR tracks for a road near the firehouse and drove around the bend almost to Broadway before he was stalled. About 20 of the boys responded to the call from the police and they rolled the auto all the way back down the tracks to Marie St. again. -- It will be opening night on June 27 for Show Boat at Jones Beach this summer. -- Hicksville Post Office team came out with a 10 win, no loss record in the Levittown Men's Recreation Basketball League. --

They included Portrait of Louis Hoebel and The White Pine (Adirondacks). -- Last week a reader ran a Herald want ad offering an apartment for rent, he received 19 calls the first day. -- WILLIAM BENINTENDI, who is completing a three-year term as Bethpage School Board member, will not be a candidate for re-election. -- Mrs. MALONE, who ran with him 3 years ago, will seek another term. -- Hicksville Kiwanis Club has donated \$50 to the fund to help finance the trip of Eagle Scout LEO KANAWADA to England this summer to accept his commission as Scout Commissioner. -- RED HOEFELD for giving his address incorrectly in our recent editorial subject. His right address is 85 Raymond St. The incorrect house number we printed was stated in the letter to organizations signed by Fred. --

I believe in a policy of equality for all, and yet at the same time, one that will not place undue burden on the taxpayers.

"I firmly believe in backing the school administration in the making of continued surveys on curriculum, and keeping the public informed as to how and what their children are being taught."

"Finally, I want it known that I have no political aspiration, nor am I a member of a political party. I have not sought the endorsement or support of any group with an ax to grind. I shall always weigh all questions carefully, keeping the welfare of the children and taxpayers foremost in mind." DeShaw concluded.

Mrs. Joseph Peisel, Chairman of the Mental Health Committee of the Burns Ave PTA, announces that a Mother-Daughter Night will held tomorrow (Friday,) between 7 and 9 at the School.

Children Take Stage

HICKSVILLE - Burns Ave School children will take over the stage when the PTA meets tonight (Thursday) at 8:15, according to Mrs. Edward Kist, president.

Cub Scout Troop 377 will lead with the flag ceremony, after they have acted as hosts for the evening. "Our U.S. Flag," a short, technicolor film will be shown.

Harry Renn's Physical Education Dept. will demonstrate the winter activities program, with some 150 students from first through sixth grades participating in games, relays, dances and tumbling. Climaxing the evening's entertainment will be "Brigadoon," a musical play with original script by Allan Blumenkrantz's fifth grade.

Scout Gulden Going Abroad

BETHPAGE--Explorer Scout Arthur Gulden, of 78 Broadway, has been selected as one of the 12 Nassau County representatives to the International Jubilee Jamboree which will be held in England this summer.

Nassau County was allotted 12 representatives in the American delegation to the Jubilee Jamboree which will commemorate the Fiftyeth Anniversary of the founding of the Boy Scout movement by Lord Baden Powell. The 12 boys to represent Nassau were selected from over 200 candidates for the honor, and Arthur was the only one selected from his community. Arthur expects to advance to the rank of Eagle Scout in April and thus complete the last of the requirements for making the trip.

Attendance at the Jubilee, which will be held from Aug. 1 to 12 in England, will mean a full summer of scout activity and travelling for the Scouts. The Jubilee representatives will assemble on July 9 at Valley Forge, Pa., for the National Jamboree, and leave directly from there on July 19 for England. Following the Jubilee Jamboree the boys will visit London, Brussels, Amsterdam, Dusseldorf, Wiesbaden, Heidelberg, Basle, Lucerne, Montreaux, Geneva, Paris and Le Havre, before returning home on Sept. 7.

Scout Gulden, 14, a member of Explorer Post 120, and a Junior Leader of Troop 126 is the son of Mr. and Mrs. Arthur Gulden. Arthur's selection follows closely upon the completion of his Scout God and Country service at St. Paul's Lutheran Church. He is also active in the Babe Ruth League and is a member of his school's wrestling and football teams.

Fire Auxiliary Plans Benefit

The Ladies Auxiliary to the Hicksville Fire Dept. met on Tuesday evening, Apr. 2 at the firehouse, E. Marie St. Hicksville. Pres. Peggy Hurtle presided.

Plans were made for their annual card party to be held on Friday evening, May 24 at the E. Marie street firehouse. Members are requested to have their prizes in by next meeting of the group, Apr. 16. Plans were also discussed for their annual theatre party to be held on Tuesday, May 7, at which time the Auxiliary will see "The Bells Are Ringing" with Judy Halliday. Buses will leave the firehouse at 6:30 p.m. sharp and all planning to attend are urged to be on time. July 7 has been planned as a trip to Chinatown and buses will leave at 6 p.m. in order that the girls will have plenty of time to enjoy dinner and do their sight seeing.

Mrs. Medard Ofenloch was welcomed as a new member.

Tickets for the May 24th card party may be obtained from any member of the auxiliary. The ticket includes refreshments and a door prize. A basket of cheer and a clock radio will be awarded during the evening.

The Auxiliary will meet again on Tuesday, Apr. 16 at 8 p.m., at the firehouse.

Fire Chief Requests Clean-Up Cooperation

Chief Medard Ofenloch of the Hicksville Fire Dept. urged all residents to co-operate with the Town of Oyster Bay's Spring Cleanup Campaign this week. He reminded homeowners of the hazard of household rubbish.

The Sanitation Dept. will remove any trash except building or landscaping debris. For the pickup of bulky articles call WA 1-0893. Chief Ofenloch also stressed the danger to both life and property in unauthorized burning and leaving rubbish fires unattended. This has proved to be the cause of an exceptionally large number of alarms each year. He cautioned against:

1. Burning too near a building.
2. Burning during a high wind.
3. Maintaining a fire too large to be controlled at all times by the person or persons in charge who shall be equipped with adequate means of control.

4. Leaving a fire unattended at any time.

5. Maintaining a fire after 5 P.M. The local fire Department must be notified in advance of the place, date and time of burning to avoid unnecessary alarms, he stressed, and a burning permit must be obtained from the State Fire Warden before starting an open fire.

Ofenloch suggested burning rubbish or leaves in an open wire basket or perforated metal barrel, with perforated cover to help retard the flight of sparks. Burn in small quantities away from buildings, drygrass, or shrubs. Sparks seek open windows overhanging eaves or clap boards. Avoid burning on a windy day. Stand guard until fire is out. Quench its remains with water before leaving it.

CURRENT COMMENT: Schools Take The Spotlight

By Fred J. Noeth

WE NOW APPROACH the period of the year when a fair portion of the community attention is focused upon our schools. During the month of April the candidates for vacancies on the Boards of Education in this area make their appeal for support of the voters. During this month also the tax budget for the coming fiscal year is presented to the public for decision at the annual meeting during the first week in May.

While interest in school board elections and the school budget is relatively high (as evidenced by the amount of newspaper headline space given to the subject), the total number of eligible citizens and voters who participate is still disappointingly small.

A regular political election in Hicksville, for example, will bring out almost 20,000 voters. A school trustee election, in contrast, fails to draw a quarter of that number.

During the next few weeks you will be bombarded with literature, circulars, telephone calls and personal visitations. You will be told this and that and the other thing about the people who are seeking election and about the questions to be decided at the polls on May 7 and 8.

You are at a distinct disadvantage if you have not followed the issues and discussions in the columns of your community newspaper during the past year.

We urge you to draw upon as many sources of information as possible. Attend the various meetings where the candidates make their appearances and satisfy yourself, with questions, as to who these people are and what they stand for.

We urge you to attend preliminary discussion meetings as they are scheduled for explanation of the budget. Many people do attend the annual meeting on the budget but that is hardly the time to get the information. Arm yourself with facts in advance.

School taxes account for the largest portion of your property tax bill. School taxes are climbing and there is, not too much that can be done about them as we build new schools to accommodate the swollen school enrollments. However, the business operation of the schools is your business and you can voice your opinions ---- and be heard.

This is an important time of the year for the homeowner. Decisions made during the first week in May will be reflected in the operation and cost of your public education program throughout the year ahead, starting July 1.

Civics Want Extra Train

The North Bethpage Civic Association has sent letters to the Long Island Railroad and the Public Service Commission, announces Transportation Chairman Charles Frank.

The letter sent to the LIRR requested an investigation of the possibility of adding another commuter train for morning travel. It requested that a train be scheduled between the 7:21 and the 8:02, thus giving a more flexible time schedule to Bethpage commuters.

Frank said that the letter to the PSC regarded the delay in getting automatic gates at the Stewart Avenue crossing. These gates have been promised for sometime, but as yet have not been installed.

THOSE STATE SIGNS

Mr. William D. Lozel
10 High Street
Hicksville, N.Y.
Dear Mr. Lozel:

Your recent letter to the editor of the Mid-Island Herald has been forwarded to this office. Relative to the signs at South Oyster Bay Road (Exit 36) on the Northern State Parkway, the signs at Broadway (Exit 35), which is the main thoroughfare leading directly into the center of the Hicksville business district are marked "Hicksville". Before the very large housing developments which have occurred in recent years in the Plainview area, the signs at South Oyster Bay Road (Exit 36) also indicated "Hicksville". Because of the fact that South Oyster Bay Road appears to be the extreme easterly limit of Hicksville and the fact that numerous large shopping areas for the Plainview community have been built on South Oyster Bay Road, it seemed advisable at the suggestion of local civic associations that "Plainview" be designated at the South Oyster Bay Road turn-off.

The placing of directional signs on the parkways is a matter that is given constant study. In general, we have found that the signs in order to be quickly read and understandable in fast-moving traffic must be limited to two or three lines. This means that the name of the intersecting road and the major community reached from the exit are all that can be covered. The signs are meant for necessary directions, not to publicize any particular communities. We have also designated our parkway exits with numbers and have erected number signs which can readily be referred to. These numbers appear on up-to-date road maps issued by various oil companies. In the case of residents living in the area between Plainview and Hicksville, where it might be more convenient to leave the parkway at South Oyster Bay Road (Exit 36), a reference to the exit number can be made in giving directions to this area.

I am sending a copy of this letter to the Mid-Island Herald.

Sincerely,
C. R. Blakelock
Executive Secretary
L.I. State Park Commission

Suggested Pantry

If the United States ever suffers from a nuclear attack, one of the basic problems for America's millions would be food, and how to get enough of it.

In the so-called good old days the family pantry generally was loaded with food—ready for any emergency.

TODAY, THE FEDERAL Civil Defense Administration recommends that every family keep a minimum of a seven-day supply of food in the home for instant use in an emergency. This has become known as Grandma's Pantry.

To estimate how much food is needed for seven days, multiply the number of persons in the family by the amounts shown in the adjoining list for one person. A two or three weeks supply would be more desirable. Foods listed are merely types recommended, not necessarily those which must be stocked.

MILK: One package of powdered, non-fat dry milk, and two 14½ oz. cans of evaporated milk.
FRUITS: One 1 lb. can each of two varieties of canned fruits, and 1 lb. of dried fruit.

JUICES: Three cans of approximately 1 qt. 14 oz. each of fruit or vegetable juice.

VEGETABLES: Six cans (approximately 1 lb. each) of vegetables.

SOUPS: Four 10½ oz. cans.

MEATS AND MEAT SUBSTITUTES: Four cans (approximately 1 lb. each) of your favorite items. Include choice of peanut butter if desired.

CEREALS: Seven individual-service packages of ready-to-eat variety.

BREAD: The canned varieties.

CRACKERS-COOKIES: One box.

BEVERAGES: One small jar of instant coffee, one of instant tea, or a 1 lb. package of instant cocoa, whichever your family prefers.

SOFT DRINKS: Twelve bottles.

SUPPLEMENTARY ITEMS: Sugar, salt, seasonings, candy (types that store well), chewing gum, and cigarettes and tobacco.

CAUTION: Store these items like Grandma did—in a dry, cool basement or storeroom within a temperature range of 35 to 50 degrees for best results. Check your "pantry" preferably weekly but at least monthly and six months. Bottled water should be changed every six weeks.

Guidance Centre Opens Office

The Mid-Nassau Community Guidance Center, Inc. is having an open house tomorrow (Friday), between 2 and 5 P.M., to mark its moving to new quarters at 35 Broadway, Hicksville. The Center is a child guidance agency that provides help for children with behavior problems. Staff members also work with parents of referred children and with some selected adult cases.

The Center is among the first to have received a contract from the Nassau County Mental Health Board. The funds received will enable the agency to more than triple the number of cases seen.

Witnesses Hold Service Sunday

Many local delegates from the Hicksville congregation of Jehovah's witnesses returned home this week from their three-day circuit convention held at the Island Garden Exposition Building in Yonkers, April 6 to 7. Truman Merchant, presiding minister of the congregation, described the assembly as fulfilling their expectation to the full, providing ample spiritual food to assimilate and put into practice in the coming month. It was announced at the convention that local witnesses will have part in distributing a special issue of the April 15 Watchtower

and April 22 copy of Awake magazines. Articles of interest featured in these two magazines tell of conditions in Russian slave labor camps and of the special resolution sent to Moscow. This week the congregation will hold its annual memorial observance of the Lord's Last Supper with his apostles before his death. This will be held after 6:00 P.M. at the Masonic Temple, West Nicholas St., Sunday, April 14. Everyone is cordially invited to attend.

Birthday wishes are extended to Mrs. Karl Fred of 6 Carroll St. who celebrated her day on April 5. Mrs. Fred is a Cub Den Mother.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Arlie Russ

My apologies to HENRY STEIN-MANN of 208 Ohio Street for re-naming him Herbert in our new membership of the Post letter.

Sorry Gene Nye was ill last Friday night and couldn't appear at the Auxiliary meeting as scheduled as that meeting had one of the best Auxiliary turnouts in recent years. Good work gals, keep it up!

Everything is set for the dance next Saturday night, April 13th, even the ice is ready so don't miss it.

Lovely weather, wasn't it, last week? I saw a Robin bathing in a pool of water (and what wasn't?) and it reminded me of that old song, "When the red, red Robin comes bob, bob, bobbing along." In fact it rained much more you could expect to see a Robin in "fowl" weather gear.

The Post owes many thanks to Bob Beard and Bob Hasel for their time and splendid workmanship in decorating the iron grille of our bar.

Our "civilian" sailor, Walter Barnett, probably puts in more sea duty than a lot of Uncle Sam's regular boys. Tough duty, eh, Barney?

The last Friday each month is the normal date for the County officers to hold their monthly meeting at the Mineola Post. Any Legionnaire is welcome to attend these meetings and should do so if possible. It gives you a much better insight and background of Legion workings and problems. You will have a far better appreciation of the work and responsibilities of your officers after you have witnessed one or two of these meetings. I know that I have found them very informative and intend to attend as many as I possibly can as I for one would like to be a well informed Legionnaire.

Our Post is very fortunate in having a Service Officer of the caliber of Tony Correll, who by profession, is a lawyer. Service work requires a lot of time in many instances and a lot of follow thru and when you realize that all this is being done for gratis, step up and salute Tony for the grand job he does in our behalf, true Legion spirit.

The next meeting is on April 15th and I hope to see a great many unfamiliar faces in the chow line with me.

Patricia Alonge Has Birthday

Patricia Alonge of 4 Carroll St., Hicksville, celebrated her ninth birthday on April 5 with a party for her friends. The guests included Carol Fred, Linda Kleiss, Joan Leto, Penny Wilbur, Kathryn Harburg, Janet Franco, Kathy Denton, Barbara Feuerstein, Joyce Clark and Nancy and Geraldine Krohn of Lindenhurst.

Games were played and prizes awarded. Refreshments were served and each girl received a token in remembrance of the party.

HICKSVILLE -- The American Legion Auxiliary of Charles Wagner Post will hold its annual card and bunco party tomorrow (Friday) night at the Legion Hall.

Indian Lore Is Pack Theme

St. Stephen's Lutheran Church in Hicksville was the stage for an exhibit of Indian lore and ceremony as the Dens of Cub Pack 375 whooped and yelled for the Moms and Dads, Thurs., Mar. 28, as they demonstrated their Indian skills around the Ceremony campfire. An over-flow crowd participated in a round of songs and yells, highlighted by a combination song and action acted out by the boys and their parents and led by the Scoutmaster of Boy Scout Troop 64.

Each Den gave a special showing of its study of Indian lore during the month. Den No. 1 put on an authentic Witch Dr. dance. Den 2 acted out Indian sign language to the beat of a wash-tub drum. Den 3 also showed its skill at the Indian sign language and the dance. Den 4 put on a special dance, featuring an unusual body paint make-up. Den 5 exhibited a totem pole and beautifully designed headdresses made by the boys. Den 6 acted out an Indian Fire Dance.

Awards of merit for the evening went to the following boys from Den 1: H. Blum and G. Lesser; Godt arrows and a Wolf badge to Lesser; Lion Badge to L. Trachtenberg; Bear badge to M. Trachtenberg; and Bear badge also to P. Sieben. From Den 2, J. Anderson was awarded 3 silver arrows. From

Scholarship Benefit Tickets Go On Sale

By ELWOOD S. KENT, SR.

HICKSVILLE - All proceeds from the Benefit Basketball Game on April 27 at the high school will go into the Scholarship Fund. The CYO Coaches and Faculty who will play for the fund are keeping in trim with occasional scrimmages. An "excellent" night of entertainment is in store for the fans, who are now purchasing tickets at a good pace. The game will be followed by followed by dancing, with light refreshments available. Cheerleaders from St. Ignace CYO will also be on hand to spur the players on to unexcelled heights. Walter Gaylor and George Maguire have tickets for distribution and sale. Purchase one or more tickets so you may have the satisfaction in personally lending a hand toward the enhancement of students and education. An effort as worthy as this should be repeated annually perhaps the next attempt will require larger facilities. Baseball was slowed up last week by inclement weather. However, the Bantam Team selections moved on in good fashion. Tuesday and Friday of next week will also be devoted to further weeding out of

Al Reinheimer Rolls 580

By E.G. Jacob

HICKSVILLE - Al Reinheimer rolled a 580 series (194-180-206) in the Holy Family Parish Division of the Nassau-Suffolk CYO Bowling League, at the Market Alleys, here, but his Third Place Cards dropped 3 games to the leading Pirates. This puts the Pirates 3 games ahead of the Second Place Braves.

In all, 16 men passed the 500 mark. They are: Bud Smith 565 (211), Jack Loh 547, Walt Blust 536, John Zambo 534, Joe Wingenbach 529, Bob Beach 526, John Hoplar 524 (216), Bernie Nagel 524, Howie McMorris 523, Jack Sheridan 520, Bob Paton, Jr. 512, George Haterm 509, John Walsh 505, Jack Gates 503, and John Dewey 501.

Because of a previous postponement, six games will be bowled tomorrow night (Friday), starting at 8 O'clock. This league should separate the good from the

Bantam players. The material is so excellent, Ray Guckenberger is having difficulty making his final determinations.

The baseball players in the 7 to 10 age class will get their cards shortly with full instructions thereon. Chafing at the bit now is a good sign. Soon you can transfer this energy to the diamond where it will pay off.

Commissioners Shanley and Baroletti will have presented plans and requests for equipment to the Board of Directors on Wednesday evening. Here's hoping the Board will forget their Scotch ancestry and loosen the pursestrings so Quartermaster Don McLoughlin can restore his inventory.

V.P. Jim Hood is still looking for Umpires. Sign up now, men, and you can go to school for free. The game can't be played without you - and remember this - on the field you are the boss.

The Paper and Rag Drive now under the supervision of Gene Felder is becoming a major task. More and more volunteers are needed. Pick up your phone and dial WE 5-4130 so Gene Felder can have your cooperation.

Quite a display of basketball over at Burns Ave. last week, as the Burns Ave. Teachers and the CYP Coaches played a seesaw game with the lead changing constantly. Final results 76 to 71, favor of the CYO Coaches. The Teachers played this one right down to the last second, and almost walked off with the laurels.

THIS IS LITTLE LEAGUE..

Umpiring Is Important

By Mary Blust

Due to the bad weather and wet fields the final selections of the Hicksville National Little League six major teams have been postponed until April 13. The major teams will be completed in the morning and the minor teams in the afternoon.

Umpiring a Little League game is just as important as managing or playing. It is always possible that poorly played, poorly managed or poorly umpired games can be a detriment to any league program.

Since a large number of Little League umpires are volunteers without previous experience as sports officials, it is highly desirable to recruit men for the job who possess the attributes of a good umpire and to train them in the techniques

which have been used successfully by men experienced in the field.

If a decision should be made and questioned by a boy he should never be treated in a casual or light manner but a clear explanation given him. Boys of this age are looking for leaders especially in Little League, and an umpire with the aforementioned qualities can be an unlimited asset to any Little League.

With the playing season not far off we still have openings for umpires who wish to volunteer their services. Please contact Cliff Allen Umpire in Chief at WE 1-4344.

Don't forget to buy your CAKE this Saturday, April 13, at Sunrise Supermarket, West Village Green, starting at 9 A.M.

Need More Leaders

JERICHO - More than 125 Girl Scout leaders and guests were present at the annual Hicksville-Jericho District Girl Scout Luncheon at the Milleridge Inn, here, Saturday at noon. Mrs. Robert E. Goodrich, district chairman, welcomed the guests and gave a report of the organization during the past year.

Mrs. William Welch, president of Mid Island Council, told the group that while there will be 50 per cent more girls in Scouting in 1960, compared with 1955, there will be only a two per cent gain in the number of women 20 to 49 in the same period, stressing the need for adult leaders.

Mid Island Council had 5,953 girls in 1955 and 8,132 in 1956. While the national estimate would give the Council 8,023 in 1960, the actual figures indicate the total will exceed 10,000.

Mrs. Goodrich presented the special guests including Emil Szendy, School Board president; Mrs. Mabel Davis, Jericho School Board president; Kenneth Barnes, library director; William Payoski, Chamber of Commerce and Rotary; Robert Wallace, Kiwanis; Fred J. North, Mid Island Herald; Earle Green, Boy Scouts; Nina Plantz, East St. School; James Walters, Woodland Ave.; William McCarthy, Lee Ave.; Loretta Pathymuller, Old Country Rd. School; Frank Burke, Burns Ave. and Joan Geisler, Junior High.
