Annual meeting on the budget, vote on the school and library budgets and election of two library trustees takes place Tuesday night, May 7 at the new High School at 8 PM. Election of three school trustees for three-year terms takes place Wednesday, May 8, from 10 AM to 10 PM as the seven schools used for registration.

### Bethpage District

### 4 Candidates Filed

## POSITION JOCKEYING MARKS SCHOOL RACE

HICKSVILLE -- With the first day of voter registration this Saturday, April 27, there are four official candidates for three vacancies on the Board of Education to be filed by vote on May 8th. Candidates have until Saturday night to file their nominating petitions with District Clerk Fred J. Noeth.

Candidates who have filed petitions are Robert E. Goodrich of 47 Angle Lane, Herbert H. Johnson of 87 Myers Ave., and Jerome G. Zettler of 70 Gardeners Ave., who are being supported by the Hicksville Citizens for Better Government in School Affairs; and Charles H. DeShaw of 118 Brittle Lane who has twice previously filed a petition and withdrawn it the last minutes.

Others who have announced their intention to seek election include: Sol Zimmermann of 33 Sleepy Lane, Francis E. Hester of 15 Colony St., Mabel R. Farley of 163 Jerusalem Ave., and Elwood S. Kent Sr. of 127 Pollok Place. Incumbent Joseph Cawley of 2 Glow Lane, whose term expires, has stated that he will not be a candidate.

Zimmermann and Kent, together with Ernest F. Cowsy and DeShaw, has sought the endorsement and support of the Citizens for Better Government.

### KENT-FARLEY TEAM?

Early this week Kent was quoted in the press as urging Miss Farley to run for re-election. Observers saw this as an attempt to form a "team" of Kent and Miss Farley, probably with Hester as the third member. Such an arrangement would leave DeShaw and Zimmermann to fend for themselves.

Meanwhile, the Hicksville Citizens for Better Government in urging all voters to register this Saturday or Wednesday, May 1, stated: "We are proud to recommend the election of Zettler, Johnson and Goodrich to the Board of Education. In keeping with the principles of the organization, they have clearly demonstrated their civic activity in many community fields and their sincere interest in the welfare of Hicksville as parents and taxpayers."

MONDAY, April 29, is Beltinger Day in Hicksville when 300 volunteers will call on homes in the area in an effort to raise \$1600 to support the crusade in behalf of the mentally ill. Here are Mrs. James A. Kudless of 18 Brooks St. (at left), chairman of the campaign and Mrs. Ernest Buckner of Hunter St., co-chairman discussing the campaign plans. Their captains include Mrs. Edward J. Murray, Mrs. Samuel Robert, Mrs. Nathan Helfand, William O'Donnell, Mrs. Joseph F. Peisel Jr., Mrs. John Figlia, Mrs. William Lorenzo, Mrs. Vincent St. Thomas, Mrs. Edward J. Greene, Jr., Mrs. Leonard Cohen, William Reemananyder, Mrs. Jess Tisman, Mr. Harold Levitt and Mrs. Bernard Keilin. (Drennan photo service)

## Mabel Farley To Run Again

HICKSVILLE - Mabel R. Farley announced her candidacy for re-election to the Board of Education for a three-year term in a statement to the HERALD, Tuesday.

The statement follows: "I hereby announce that I am a candidate for election to Hicksville Board of Education, Dist. 17."

"As has been previously stated by me, 'it has not been characteristic of Hicksville taxpayers to neglect their children. They have sacrificed to have good schools. Now it becomes the duty of the taxpayers, parents, teachers and Board of Education to maintain a high standard of education for the

## 3 Special Meetings May Finish Budget

While Bethpage School Board has completed its proposed 1957-58 budget with a preliminary discussion set for tonight (Thursday) at Broadway School, the Hicksville School Board is burning the midnight oil in an attempt to meet the legal deadline of next Tuesday, April 30.

In a flurry of effort last Monday night, most of Budget Code Section 3 was approved by Hicksville Board. With only four members at that portion of the meeting, it was not possible to get approval of the Code section relating to 3-12

covering the summer reading and speech clinic and summer high school. Mabel R. Farley, one of the four trustees present, said she could not approve this portion. Meanwhile, Board President Emil Sensity in a public statement (continued on page four)

### Proposition No. 1

On the Hicksville School District Ballot on May 8 is the decision to transfer a parcel of property in the rear of Burns Ave. School with Mid Island Plaza. The Plaza has, with temporary approval of the School Board, built a road (left) the school property as an exit-entrance to the shopping centre to and from John Street. The Burns Ave. School is at the left. This view by Gus Hansen was taken from W. John St looking north.

## Christian Mothers Elect On May 27

The regular monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was held Monday evening, Apr. 22, in the School Hall. Mrs. George Wright presided. Father Wisler reminded the mothers to vote on May 8, at which time the proposition of whether the School Dist. should sell the parcel of land adjoining Holy Family church to the parish for the erection of a parochial school, for the sum of \$50,000, will be voted upon. He announced registration dates are Apr. 27 and May 1 and stressed that in order to vote you must register.

Mrs. Joseph McMorrow announced that the Nursing Sisters of the Sick Poor are sponsoring a Card Party at the Garden City Hotel on May 7. Tickets are \$1.50.

### BENEFIT GAME

Mrs. George Maguire reminded the mothers of the basketball game between the coaches of the CYO and the faculty of the senior High School to be played in the High School gym at 8 PM on Saturday, Apr. 27. Tickets are 50¢. Proceeds will go to the High School Scholarship Fund.

Mrs. F. Montalbano spoke about the Auxiliary's Annual Communion

Breakfast to be held May 26 following the 8 o'clock Mass, in the School Cafeteria. Members who wish to attend and have not purchased tickets are urged to call Bea Montalbano at WE 1-2874, or Virginia Van Nostrand at WE 5-0057.

After the business meeting the program was open to the public. Anton A. Gahlinger, former Captain of the Swiss Pontifical Guard, through a fascinating lecture and personal slides, took the audience on a tour of Vatican City, and on an intimate visit with the Pope. Election of officers will take place at the next meeting to be held May 27.

## Dear Jean:

The "combos" as they were once called by Emil SZENDY, those signs identifying the various board of education members at their meetings, apparently not noticed too closely. Mr. EATON's place has been marked by Mr. KENT's name plate for the past three meetings and no one has raised an eyebrow... Supervisor WATERS was in Florida the past week, observing the Easter holiday with his wife's brother and family.

MAL GERTZEN, who is campaigning for election as state commander of the AMVETS, has been invited to be the guest of Buffalo council of Poms at their convention. The Buffalo group is one of the strongest divisions of the state organization... Copies of the HERALD editorial urging MAL's election are going to all MAVET leaders in the state under auspices of the Hicksville Post...

All the school principals get a raise in next year's budget except one... Next meeting of the Citizens' Advisory Committee of which HERBERT H. JOHNSON is chairman will take place May 9th in the high school. Meeting originally set for this evening (Apr. 25) has been postponed. Committee members will study the educational TV program in Levittown Schools next Monday...

See that MRS. MARIE RAIMONDI of East St., Hicksville, is back in town. Hope she enjoyed her vacation stay in Florida... On the vacation list over the Easter holidays are the FRANCIS ANDERSONS of East St., Hicksville, who enjoyed a stay in Florida with their three children. Also Miss LOIS SMITH of Belitz Place, Hicksville, who we understand flew to Florida on Wednesday of last week to spend the Easter vacation with relatives. Miss Smith is a student of Our Lady of Mercy Academy in Spacet and is the daughter of the well known LOU SMITHS... Glad to report that JEAN ESATTO is back at her old stand in Hicksville Farms for a few days each week. She is feeling much better after her serious operation... Belated birthday greetings to Mrs. JOE at Hicksville Farms who celebrated on Thursday last week with a trip into N.Y.C. with Mr. JOE... Our sincerest sympathy to Mrs. VICTORIA ABRAMOSKI and her family on the death of her mother, Mrs. Hedwig Olechnowicz of Mineola who passed away last week.

All local letter-carriers need have no fear of being bitten by dogs while delivering the mail the next couple of weeks. The boys are delivering dog food samples and will have something besides their blue clad legs for the canine diet.

The J.A. KUGELMAS formerly of Tudor Lane, Hicksville are now residents of San Jose, Calif. They asked that their favorite local paper, THE HERALD of course, follow them.

Cub Pack 91 will hold its regular Pack Nite on Friday evening at the cafeteria at St. Ignatius School. E. Nicholas St. Hicksville. Cub's, their guests and the committee will learn a lot about radio which HENRY WAWRYCK of Henry's T.V. on Broadway, Hicksville, has been teaching the individual dens of the Pack. Radio in the form of home made crystal sets are being made by the boys to fit in with their part in the Boys Life Scout Expedition to be held on Saturday May 4, at the LI Lighting Co. Hicksville... The Blessed Virgin Sodality of St. Ignatius R.C. Church held a "Moonlit Garden Dance" at the School cafeteria on Tuesday evening... Miss KATHY SMITH of Willoughby Ave. Hicksville was hostess at a small gathering of schoolmates and friends at her home on Wednesday evening.

The 25th anniversary of the creation of Westbury as a village will be celebrated on Saturday, May 11, with a parade, flats, etc... The members of Horse and Ladder Co. No. 8 celebrated the birthday of member JIM BETZ at Strong St. on Tuesday night, the same evening as the JOHN LARKINS were celebrating their 25th anniversary. Capt. Hawley says that JOHN LARKINS has been re-elected a member of the company... One of the two Bachelor Boys of Fire Co. No. 5 is about to take the big step and we hear that BILL STOEFFEL arranged the bachelor party for CLIFF DOERING at Strong St., Saturday night... CAROL JOHNSON, daughter of Mr. and Mrs. HERB JOHNSON of 87 Myers Ave., who has been at the LI Kennels for 4 years as an aide is now in the pet dept. of J.J. Newberry's...

The Citizens for Better Govt. in School Affairs by declining to endorse and support incumbent ELWOOD KENT for re-election to the Board have, according to an officer of the Citizens, voiced their disapproval of his role in school board issues since his election last August... Another old-time structure is on its way down to ground level. The Odd Fellows Hall on North Broadway, near Hicksville Post Office, being demolished by owner DAVID USHER. The Hall, which in more recent days was used for retail business, was the scene of many community events a decade or more ago... If you have endurance, you may have to keep pace with the School Board meetings this week: One on Monday, another last night (Wed) again tonight (Thurs) and tomorrow (Fri) in a desperate attempt to finish the budget. No date for a preliminary discussion on the budget has been set, although there has been some talk about having it April 30. At last Monday night's session, a total of 34 motions were offered and voted upon... The Hicksville High P-TA will hold a bake sale this Friday, April 26, at Sunrise Stop N Shop on Broadway, Hicksville... Signs in the window of Susan Joy advertise a public auction on May 1... At the last meeting of the Central Island Women's GOP Club on April 15, MRS. WESLEY KIBLER was awarded first prize for her creation in the Mad Hatters competition...

## Civics Back 2 Candidates

Edward Schreiber, President of the North Bethpage Civic Association, announced at the April 17th meeting that the trustees of the NBCA have written to the Town Board expressing their thanks and gratitude at the fairness of the Garden Apartment hearing, held recently.

The Civic Assoc. has twice opposed the erection of garden apartments at Stewart Ave. So. Oyster Bay Rd., and both times have circulated petitions expressing the

opposition of local residents to any such proposal. The latest petitions presented to the Board contained approximately 1,000 signatures, and the vigor of local residents was apparent at the hearing, when an overflow crowd personally went to Oyster Bay despite the inclement weather.

The NBCA received cooperation and support from many local groups including Florgate Miller Civic Assoc., Crescent Community Civic Assoc., So. Bethpage Civic Assoc., and Haypath Civic Assoc. The So. Bethpage Civic Assoc., carried on an independent campaign and presented petitions against the garden apartments.

## Two Candidate Forums Here

HICKSVILLE - Fleming Harding is chairman of the Council of P-TA's candidates' forum with Mrs. Estelle Simon as co-chairman. The forum, to which the entire community is invited, is set for Wednesday night, May 1st 8 o'clock in the new High School auditorium.

Members of the P-TA committee include William Yocum, George Bailey, William Prince, James Cass, Mrs. William Giannelli, Mrs. John Wharton, Mrs. Harry Graham and Mrs. Robert Nankeville.

The Organization for Public Education will hold a candidates' forum on Friday night, May 3, at 8 o'clock in the auditorium of the Jerusalem Ave. Junior High School.

## Hester's Hat In Ring

by Elwood S. Kent, Sr.  
Francis E. Hester, 15 Colony St., Hicksville announces his candidacy for Trustee of the Board of Education, District #17.

Mr. Hester an employee of the NY Telephone Co. earnestly feels he can give the district considerable assistance in their efforts to further education and maintain a sound budget.

A former past president of the Northeast Civic Assoc. and representative of the association at combined civic meetings has given a "Frank" a splendid background in community affairs. His unselfish interest in children and their problems makes him a likely candidate for the School Board.

Educational background reveals a completion of grammar and High School with a hitch in the U.S. Marines during World War "2". At the ending of the war he entered Duke University but his education was interrupted by his recall into the Korean War.

A father of three children and a man who realizes the meaning of the word "Democracy" makes him a very eligible and suitable candidate.

## Mid Island Plaza to Cover 40 Acres On Opposite Side of N Broadway

**HICKSVILLE**—Walter G. Stackler and Leonard L. Frank, builders and owners of Mid-Island Plaza, one of the nation's largest regional shopping centers, announced plans

today for erecting additional stores, office buildings, a medical center, and recreational facilities as the second stage in developing the 110-acre tract four blocks north of the RR station.

The expansion will take place in a 40-acre tract on the east side of No. Broadway, directly opposite the 70 acres already developed on the west side of the thoroughfare. When completed, both sections will be fully integrated.

The announcement of the expansion plans was made following the signing of a long-term lease agreement to build the largest bowling center on Long Island. Construction of this building, containing 45,000 square feet of space, is scheduled to start immediately, and is to be followed by office buildings, a medical center and stores.

A total of 800,000 additional square feet of rentable area is planned for the new section. With accompanying parking facilities, 8,000 vehicles can be parked at one time at Mid-Island Plaza, the builders said.

The initial section of the big regional shopping center was opened last October with the Gertz department store as principal tenant. Virtually all of the 1,000,000 square feet of rental area in the first ten buildings has been leased, and negotiations are under way for most of the remaining space, according to Nat Antler, leasing broker.

The lease just signed for the huge bowling center, which will contain 48 lanes, was negotiated with Reuben Dankoff, who operates several similar centers in other

parts of the state.

Known as Mid-Island Bowl, it will be fully air-conditioned and acoustically treated. The 48 alleys will be arranged back-to-back with 24 lanes in each wing and a carosted cocktail lounge and dining area in the center of the building separating the two series of alleys.

Complete banquet facilities and meeting rooms will be provided for parties and leagues, together with shower and locker rooms. Nursery facilities and baby sitters will be available while mothers are bowling. Mr. Dankoff added. It is planned to keep Mid-Island Bowl open 24 hours a day on a year-around basis, and at least 25 per cent of the alleys will be reserved for "open bowling" with 75 per cent for league play.

## Plaza Plans Gas Station

**OYSTER BAY**—Mid Island Shopping Plaza wants to establish a "children's recreation area" and a gasoline station at its Plaza on North Broadway, Hicksville. The two requests will be the subject of public hearings before the Town Board, here, on Tuesday morning, May 7. The recreation area is planned for the vicinity of Suffolk Mall, in the Plaza proper. The gas station would be on the west side of Broadway, 927 feet north of the corner of James St.

Re: Exit 36-Northern State Parkway  
We have recently read a copy of your letter to Mr. William D. Loez, which was printed in the Mid Island Herald last week.

As this organization was the one originally interested in having the name "Plainview" placed on the sign at Exit 36 on Northern State Parkway due to the numerous complaints that had been received from residents and local businessmen, we wish to express our appreciation to you for your kind cooperation and courtesies extended during the period of our former correspondence. We also wish to thank you for your very descriptive and informative letter printed in the Mid Island Herald as above mentioned, which has very efficiently explained the situation concerning these parkway signs.

Once again, our sincere appreciation for the efficient manner in which your office handled this matter.

### ANSWERING EATON

To the Editors:  
Comments in last week's HERALD from Robert Eaton regarding the "selection" of candidates for the school board comes in extremely poor taste since the very same system was used in backing Eaton for the school board

last spring. How short are the memories of some of our public officials once they get the results of elections.

Mr. Eaton objects to decisions made at a meeting he did not even see fit to attend although his wife was there. It is pretty common knowledge that he wants to be president of the Board and naturally has to be sure that his hand-picked candidates are on the Board to vote him into office.

noted "It will be obviously necessary to complete the budget in a crash program. I sincerely hope that it will not crash about our ears when it is presented."

A gross budget of over six million dollars is in prospect for Hicksville. The Bethpage budget gross is \$2,831,014 compared with \$2,663,861 last year. Bethpage forecasts an estimated tax rate of \$4.65 per \$100, including library,

W. HALSEY WOOD

as compared with the current \$4.43 this year.

Steady pointed out "Board members who have been on the Board in past years must realize that budget completion is much overdue and that the progress being made seemingly completely ignores the small amount of time that still remains. It is almost inconceivable that obviously needed immediate action is delayed."

WILLIAM ALLEN, age 14 and a resident of 33 Hawthorne St., Hicksville, was selected by the judges at the Mid Island Plaza Easter Parade, Sunday, as the best dressed male teenager. He is receiving his trophy from Carol Collier of Gertz-Hicksville.

## Do You Care Who Is Elected To Board?

By the League of Women Voters, of Levittown, a non-partisan organization dedicated to informed and responsible citizenship.

School Board members are the elected representatives of the citizens in a community. A look at the duties of a school board will impress voters with the necessity of citizen participation in the May 8th elections. A partial list of the functions of a school board is:

1. To prescribe the course of study and textbooks
2. To hire the superintendent in districts of population over 4500
3. To employ teachers
4. To raise by taxation any money required to pay the salaries of the teachers employed
5. To purchase sites for buildings
6. To erect and maintain buildings after the approval of the voters
7. To appoint a person to fill a school board vacancy until the next election
8. To have in all respects the superintendence, management and control of Union Free Schools

The School Board is a corporate body which owns all school property. It is a policy-making body, and the administrator (superintendent or supervising principal of the district) is responsible for carrying out the policy of the school board.

The School Board must provide the best physical facilities for present and future education of children in line with the financial limits of the taxpayers.

### LEGAL REQUIREMENTS

A school board member must be literate and a voter in the district. These are the only legal requirements. His broad and complex duties naturally imply further qualifications and abilities, what qualifications should voters look for in a candidate? Here are a few suggestions:

1. A generally good educational background so that a candidate is familiar with the processes of fact-finding and evaluation of facts.
2. Willingness to work with fellow board members in spite of personality differences.
3. Acceptance and support of the majority decisions of the board.
4. Possession of insight and perspective necessary to identify and solve problems.
5. Ability to assist others in working effectively.
6. Willingness to accept ideas from other people.
7. Ability to maintain firm convictions and resist undue pressure.
8. Belief in definite goals to be accomplished by education.
9. Responsiveness to the educational needs and goals of the community he serves.
10. Earnest belief in the benefits of education.

Numbers 2, 3, 4, 6 & 7 were taken in part or in their entirety from "Thirty Critical Requirements for School Board Membership" by Richard E. Barnhart, 1957 Yearbook and Convention Program, published by the National School Boards Association (p. 104).

Participation in an election need not be limited to voting for a candidate. Persons who believe they are qualified can run for election to the school board. The procedure is to file with the district clerk a petition signed by 25 qualified voters no later than 11 days before election.

### PARTICIPATION

How can citizens insure the election of qualified candidates? A vital factor is participation by ALL citizens in school board elections. Active participation helps to make people aware of the real issues at stake in an election.

Some people think a bitter fight during the campaign is constructive. Others think it is destructive. The real danger occurs, however, when the issues are suppressed in arguments over personalities. The prejudices that arise in some school board elections often discourage qualified persons from

running for the school board. Emphasis on wrangling over personalities is often an indication of ignorance of the real issues. Important issues to be decided always exist, because the community is not static, but changing, with new problems arising (i.e., more children move to a district; wider range of educational needs to be met; etc.).

The culmination of citizen participation in an election is the vote. A vote is an INFORMED CHOICE. A choice implies knowledge of two or more ideas from which to choose. In order to make a wise choice voters can inform themselves in the following ways:

1. Join citizens' groups, committees and P-TAs to study the problems of the school system and the various theories of education so as to determine what our schools should accomplish; then elect people to accomplish these goals.
2. Attend open school board meetings to observe the board in action.
3. Read newspapers carefully for additional information of the local issues to be decided.
4. Attend candidates' forums in the weeks before election. Listen with an open mind to the ideas of the candidates, and ask pertinent questions.

## CEDAR CLIFF HAPPENINGS

## About Those Vacant Lots

by Marjorie Ness  
Wells 5 - 1553

Now that we have curbs to improve the looks of our streets, how about the lots in our neighborhood? At the corner of Woodbury Road and Cedar Street and at the corner of Cliff Drive and Larch Street old mattresses, lumber, furniture, etc., have been dumped into these lots. It certainly doesn't help the appearance in our community.

Mr. and Mrs. Gibson of 99 Cedar St. announce the arrival of a boy on January 28th. The baby whom they named Ira weighed in at 7 lbs. 8 1/2 oz.

Congratulations to Mr. and Mrs.

Arthur Depew who celebrated their 14th wedding anniversary on Mar. 8. Patricia Woodworth was christened on Sunday, March 10 at St. Ignatius. A party followed at the Woodworth home for about 30 relatives and friends.

There is a third son for Mr. and Mrs. LaNasa of Beech St. Frank arrived on March 7th and weighed in at 7 lbs. 13 ozs. and joins brothers Larry and Phillip. A happy birthday to Leslie Wicks of 94 Cliff Dr. who was 1 year old on March 10.

My husband and I recently took a trip to the Army Nike Base in Brookville. There was a short tour through some of the buildings and a speech on the operation of the base. The base is opened to visitors on the second Sunday of the month from 2 to 4 in the afternoon.

A happy birthday to Anthony Stellato who celebrated his birthday on March 23rd; to Geraldine Figliuolo who was 10 years old on March 24.

A happy birthday to the Jones boys: to Robert who was 4 years old on March 11 and to Richard who was 3 years old on March 27. On Sunday, March 31, there was a meeting of the New York Live Steamers Society in our home of which my husband is the president.

Congratulations to Denise Mashburn of Juniper St. and to John Diers, Sr., Nina Chiarelli, and to Steven Slusar all of Cedar Street who all celebrated their birthdays on Apr. 4th.

A happy birthday to Eddie Keough whose birthday was on the 10th of April and to Susan White who was 14 years old on April 13th.

Get Well wishes are sent to Casey, Robert and Richard Jones of 95 Cedar Street who all have the measles.

We were all glad to see Frankie Leonick come home from nearly 4 weeks in the hospital.

The Woodworths are the proud owners of a new Dodge.

## 110 Drive-In Doubles Area

The management of Century's 110 Drive-In Theatre has announced that its \$50,000, playground expansion program has been completed. The playground which has been doubled in size is now one of the world's largest drive-in playgrounds and offers more free facilities than any other drive-in.

The two main attractions which will thrill the thousands of children who will visit the 110 Drive-In this year are the new 1000 foot miniature streamline train ride and the carnival carousel.

The streamline railroad is complete with automatic crossing and block signals, all steel coaches (reproductions of Pullman's latest design) and a tunnel. The regulation carnival carousel is equipped with 30 prancing horses and chariot seats with man-in-organ accompaniment playing old favorite carnival tunes. The chair ride and the junior merry-go-round plus swings and elephant slides are provided for the tiny tots. The theatre is open each evening at 7 pm and the playground is open for more show time and diving pier music.

## Legionnaires' Log

CHARLES WAGNER, Post #21, Hicksville, N.Y.  
by Arrie Ruiz

Proving again that it's a small, small world, I bumped into an acquaintance of mine last week who informed me that he didn't know I was a member of the American Legion. Seems he found it out by reading this column in the Mid Island Herald which found its way out to Seattle, Washington. Speaking of finding its way--Commander Arrie Bliesch had quite a mystery on his hands last week, trying to discover how a certain carton managed to get into his car trunk--the answer was simple and hilarious, I thought.

Must recommend the Auditing Committee for the fast job that was done on the books last week, even if it took quite a "warm up period" before finally getting started. The list for Fishing Party on Sunday June 9 is growing rapidly and if you intend making this trip please get our name down on the list so Tony Correll (he's chairman, you know) can make the proper arrangements in plenty of time--I hear that the Auxiliary did very well with their annual card party, that's nice--

And while the Ladies are on my mind let me say that Rudy Bousie is catering the Annual Birthday Party of the Nassau Salon of the 5 & 40 which takes place tonight at Legion Hall. Three of the girls from our Auxiliary Unit are past Chapeau's of this organization who's member stems only from those Auxiliaries who have proved

themselves unstinting in their Unit work. Our hard working three are Lil Doran, Anna Brengel and Caroline Steele--Have a grand time gal--

Hey, any of you fellows desire to attend the National Commanders' Tribute Dinner at the Hotel Commodore on your own?--How about a bowling team at the Post next year?--Plan on going to our June Night Dance on Saturday June 22nd at the club house--We also have a flag burning ceremony scheduled for the same night, sort of a double header, so to speak--Heard Walt Barnett intends to become a "dry land" sailor from now on--quite a crowd at the Club House last Friday night having an enjoyable man to man evening--think we need a larger bulletin board at the Hall with all the notices, papers, etc. we get these days to post--have hardly any room to post THE HICKSVILLE POST these days--

Don't forget you must have an entrance permit for Salisbury Park for our picnic this year, if you haven't already gotten one--last year's is still good this year--hope it doesn't rain again this year--Don't forget, there's a meeting of the Nassau County Legion tomorrow night at the Mineola Post--attend if you can, it's worthwhile and informative--wonder if the House Committee has corrected the lock situation on our flag closet--don't want to put the color guard out of business, you know--talking about business, a reminder of an old Legion slogan--"Every member get a member"--have you tried lately?--Would like to see every veteran in Hicksville belong to the World's Greatest Veteran Organization--Gotta say so long for now--I see a prospect passing by.

## Civics Thank Town Board

The North Bethpage Civic Assoc. is endorsing Mrs. Elvira Melone and Ralph Von Guerard as candidates for the School Board. It was decided at the April 17 meeting. Another decision that came out of the same meeting was the vote of the membership to endorse the 5-man School Board. It was the opinion of the members present, that these endorsements would be for the best interest of the entire community. The recommendation was made to the membership by the School Committee, which consisted of Mrs. Mary Schreiber, Mrs. Geraldine Litterline, and Robert Rodman. The NBCA pointed out that it was backing Mrs. Melone because of her years of experience, as well as her excellent past performance. As her excellent past performance, as Mr. Von Guerard is being backed because of the "high degree of educational background" he possesses.

By HOWARD FINNEGAN

Syoset High School will shortly announce the appointment of William Anderson to the staff of its physical education department. His resignation is already in the hands of Hicksville High officials terminating some seven years of service to the local school system. We tipped this over nine months ago when in this post we indicated that another varsity coach would follow former Comet gridiron mentor, Bill McNamara, out of the Hicksville fold before the school term ended. The knowledge that our friend Andy was going to leave has been officially yours for a long time. However, we withheld it realizing the sometimes delicate balance needed when positions are being negotiated in the field of public education.

Aside from a laudable record of classroom teaching, Anderson has been coach of the Comet baseball fortunes while at Hicksville and has a banner string of wins.

He moves to Syoset where he will take up duties under Don Rohan. Rohan is the former athletic great from Oyster Bay and Syracuse University who has done such a splendid task of guiding Syoset's sports dynasty in its fledgling years.

Our four part series last fall entitled, "Ragpickers in the Endzone" focused attention on the many contributions of Lou Millevoite to the athletic life of our community and that he was completing 25-years of service to the Hicksville school system this year.

So we are more than tickled to find that many of those same "Ragpickers" are going to put on their best bib and tuck to honor Lou at a testimonial the evening of July 3rd.

According to the hard working organizer of the affair, Ed Roush, reservations to the affair are limited to just 300 and that once the tickets to the Dinner-Dance are gone the late comers will be out of luck. Manager of the refurbished Oake on Jericho Turnpike in Syoset, Pete Metz, promises a delicious meal and grand time. Tickets are scaled at \$7.50 per person.

Many of Lou's old players from the Locust Valley Yellow Jacket and Hicksville Field Club days as well as the high hat "Ragpickers" will be in attendance.

Guest speaker for the evening will be New York Football Giant Scout Jack Lavelle who officiated many Field Club games in the 30's.

There are really no big names in community life pushing the affair mainly because Lou's former players want this to be a demonstration of their admiration. With such good genuine feeling prevailing it can hardly miss as one of the sporting events in Hicksville's history.

Hicksville High is surely going to miss Jack Roberts when he peels off the Orange and Black for the last time.

The young man is a rare commodity in this day of specialization even on the high school level.

He was one of the bigger football performers Hicksville ever had and contrary to the way those things run he was content to sit most of the time on the bench as a sub for the varsity basketball team. He was an unassuming worker and came on anxiously but soundly.

When Hicksville needed to pull down the basketball bunting in the final game of the season at Farmingdale he was in the starting lineup and played two very important quarters in the team victory for the Orange.

Now he is hitting for the baseball team which is surprising every one on the North Shore by challenging Mineola for the top spot. And in the landslide 65-41, 75-29 and 57-20 track losses to Carle Place, Garden City and Mineola respectively he is scored double wins with the Broad Jump and Discus.

The day of the four letter athlete is fast moving from the picture but the landscape is every the brighter for the sight of a true one.

Could it be true that Garden City bid THAT high to get Hicksville football coach over into the Trojan camp to mastermind the campaigns of the Maroon and Grey?

Hicksville High did it up royal for its 1956 Eastern Division champions with a big dance featuring a huge victory cake sponsored by the Parent Teachers Association.

The boys were the guests of Principal Leon Galloway at a supper party in his home on Twinklawn Ave.

Of course the Hicksville Kiwanis produced the biggest surprise with those handsome black and orange garden sweaters that were presented to the champs at the luncheon the Blue K gave for the team in the Milleridge a short while back.

We believe that a community can show that it is watching the efforts of its youth by applauding once in a while. Those acts constituted an ovation for a job well done.

In the basketball playoff with Mepham at Massapequa Hicksville High had a student body following of over 500 supporters on a Tuesday night. This marked a vigorous improvement over the less than 50 who made a similar 1956 trip.

We wish for one thing. That for the major scholastic athletic events that the Hicksville School Board appoint one of its members to represent the group. At most it would be four times a year. Hicksville has been deterred by its ruling body of District #17 far too long.

Granted the long hours and responsible tasks required of board members but it would seem reasonable in the interests of the students attending the school that some attendance at athletic events would indicate an understanding of every aspect of school life.

## Another Garden Apt. Plea

OYSTER BAY--Another application for garden apartments in Hicksville will be the subject of a public hearing before the Town Board, here, on Tuesday, May 7. The application is being made by Harry Broadwin and John Goetzman and the proposed location is on the east side of South Broadway, north of Marvin Ave. According to the legal notice, published in this issue of the HERALD, the plot has a frontage of 214 Broadway, a south boundary of 241 feet, north boundary of 289 feet and an east boundary of 199 feet.

## CYO Needs Umpires, Season Opens May 4

By Elwood S. Kent, Sr.

HICKSVILLE--Umpires got rolling into high gear as the Umpires Assoc. held its first meeting last night (Wed.), Walter Schreiber, WE 5-2192 and Jim Wood, WE 5-1489, are awaiting additional calls from men to fill some more umpire posts. Remember fellows, here is one job where your word can go unchallenged-what a change after spending all week at home coming out second best.

Here is your opportunity to assert yourself, and be out in the open, watching your son at the same time. Don't forget, WE 5-2192 and WE 5-1489.

The Commissioners have been doing a splendid job of organizing the baseball set-up, and should be commended on their efforts. However, they told Don McLoughlin not to give me any equipment as I had loads stashed away from last year. It isn't true - only a little. I hope they lose their whistles.

Opening day is scheduled for May 4 for all age groups. Last week some of the boys were measured for uniforms, and now can't wait until they wear out the sliding pads. Quite a change from the past season when we weren't completely informed. Now here we are with more boys, and all teams to be uniformed. The CYO is making great strides in organization and character development.

All team managers and their staff are requested to attend a meeting Wednesday evening, 8 p.m. at the Confraternity Bldg.

Don't miss it-important decisions will be made.

## PAPER DRIVE

Gene Felder is again hoping for some assistance from our members. If you can't send one of your friends, all help is welcome, and plenty of work is available. Gene contemplates staggering collections, providing the gets the right type of cooperation. The opening of the baseball season has hindered him some, but without this drive every now and then how could we maintain our treasury. What do you say? How about lifting the phone and dialing WE 5-4130.

## BENEFIT FUND GAME

Remember to attend this game and dance on April 27 at 8 p.m. All proceeds will go to the Scholarship Fund. Here again is your chance to sponsor an educational project, and enjoy a pleasant evening at the same time.

## Babe Ruth League Tryouts
