SHATTERING LIGHTNING BOLT struck the Dwyer barn off Newbridge Rd, next to the West Village Green, shortly after midnight last Thursday and set fire to the roof. (1) Shows the building shortly after the Hicksville firemen arrived on the scene with flames already breaking out of the roof at three points. (2) Three farm trucks stored in the barn were backed out to safety

despite falling embers and portions of the ceiling by Chief Medard Ofenloch, Asst Chief Charles Saurer and Robert Dwyer, just as the aerial fire ladder truck came into play. (3) Moments after the trucks were rolled out, the ceiling and roof of the barn crashed down to earth. Portions of the falling timbers can be seen thru the open door. PSC Sets Hearing On Crossing Plan

ALBANY -- The State Public Service Commission has set a public hearing for Thursday morning, June 13, at the PSC office at 199 Church St in New York City on the Hicksville RR grade crossing elimination program. Up for consideration is a change in plans originally developed two years ago for the moving of the freight station and team yards. This plan was explained recently to the Chamber of Commerce by Assemblyman John J. Burns.

During the past week State Public Works Dept crews have been conducting test borings at the several RR crossings in Hicksville, a preliminary to engineering work on development of actual working plans.

It is reported unofficially that the State is engaging a private engineering firm to prepare the final specifications and plans, a project expected to take about a year and cost a half million dollars.

Hundreds to Parade

Memorial Services will take place in Hicksville, Bethpage and other mid-Island communities today (Thurs.) featuring parades of local veteran organizations, firemen, Boy and Girl Scouts, and other groups. Brief, solemn ceremonies will take place. All homeowners and business firms are urged to display their American flags.

HICKSVILLE --- Parade starts from American Legion Hall on E. Nicholas St. at 9:45 AM sharp (assembly at 9:15). Louis Klein is parade marshal and chairman. Parade will move along Broadway to Herzog Place, to Jerusalem Ave. and south on Jerusalem to the Memorial Mall on the old High School grounds. Town Attorney Michael J. Sullivan will be speaker.

BETHPAGE -- Parade will take place following memorial services at St. Paul's Lutheran Church at 8:30. Parade starts at 9:30 with Buddy Mazzara as marshal. Joseph Gumo, State Commander of the VFW, will give a brief address at the high school grounds. Charles Schwartz is chairman of the program.

Support for Centres

HICKSVILLE --- Paul Walker, manager of Gertz here speaking as a member of a panel regarding Long Island's Future in March asserted that "I do not believe we yet have too many shopping centres. Such has been stated in some quarters. Nassau and Suffolk cer-

tainly can well support its present retail structure and those planned because the counties are still growing and will undoubtedly continue to grow.

In Nassau and Suffolk, every business that serves its market intelligently and well will grow because we have the most fertile field in all the world in which to flourish," Walker told the audience at the discussion sponsored by the LI Home Builders Institute.

The family buying power of Nassau-Suffolk residents, he pointed out, exceeds that in some of the largest metropolitan centres of the nation.

Dear Jean:

Belated birthday greetings to Mrs. J. MACK of McKinley Ave., Hicksville who celebrated on Wednesday of last week. Also to Miss JILL NELSON, of Twinklans Ave., Hicksville who had a birthday on the 26th. Our sincere sympathy to Mrs. MILDRED MARKS of Hicksville on the death last week of her mother, Mrs. Louise Lee of Uniondale. VINCENT and DAVID HOOSACK of Twinklans Ave., Hicksville had a grand time Saturday when they visited West Point with their Aunt from Freeport. Reports I got were that they were thrilled with the Bear Mountain Bridge, Storm King Highway and most of all, the Cadets on Parade. Sorry to hear that Mrs. ANNE McFADDEN of Pollack P., Hicksville has been on the sick list the past few weeks with the ole debli virus. Hope by this writing, she is well on the road to recovery. Friends and neighbors have been asking for her. It's a thrilling sight to go by Bethpage Riding School during the week and see so many Girl Scouts taking lessons. Some of the little girls are real experts, and passing by, we can say quite a few girls that we saw come from our neck of the woods. Alarms Call Out Vamps

HICKSVILLE - The Fire Dept. answered eight alarms, and an ambulance call during the period from Wednesday, May 22 through Monday, May 27.

At 1:04 a. m., on May 22, they put out a washing machine fire at 3 W. Moreland Rd.; 11:05 a. m., the home of Bert Edwards, 20 Picture La, for a TV fire; and three minutes later they were called out again to put out a grass fire on Plainview Rd. and East St.

On May 24, at 1:31 a. m., they were called to the Dwyer Farm on Newbridge Rd. and Barter La. to put out the fire in a storage barn.

The vamps had their work cut out for them on this one, as the flames shooting 40 feet into the air, threatened houses nearby, making it necessary to keep wetting down the side of the house as they fought the fire in the barn. Half of the barn was completely demolished. (See photos on page one).

Later that day, at 7:34 p. m., they were called to put out a bed fire in the Romanek home at 14th St. and Burns Ave.

May 25, at 9:57 a. m., they were called to the home of August Jud, 74 East St., to put out a washing machine blaze; and at 12:15 p. m., they went to the home of William Hergen, 103 Miller Rd., to put out a fire in the washing machine there.

At 11:15 p. m., May 26, there was an ambulance call to take Fred Davis, 64 years of age, of 80 E. John St., to Manhasset Medical Center.

On May 27, at 10:23 p. m. there was a silent alarm to put out a grass fire near 17 Indiana St.

Strange Case of the \$100,000 Jalopy

The automobile in the picture is a 1908 model. Its price tag seems fantastic. Yet, \$100,000 is about what this car would have to sell for today if it were hand-built, as cars were in the early years of the century.

To what do we owe the amazing fertility of our American economy? Giving to all their just due, the fact is that wages and living standards could not have risen without risk investment of savings in industrial enterprises.

Actually, the 1908 car did sell for \$3,000, which is more than the price of many modern, far superior, automobiles. It was a luxury well out of the reach of most pocketbooks in those times. The automobile is but one example of our nation's ability to put outsize luxuries into the hands of average people and to raise living standards steadily, through greater productivity.

Any economic benefits government may provide fade into insignificance beside the immense flow of goods and incomes made possible by voluntary individual investment in creative production. A thing to remember, too, is that government benefits come only from increased tax burdens. On the other hand rewards to all from business enterprise multiply as tax burdens are decreased.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y. by Artie Ruiz

Tomorrow (Thurs.) is Memorial Day and all Hicksville will join the millions throughout the length and breadth of our country in observance of this honor to our war heroes. Poppys will be seen in the laps and on the dresses of our adults while small American flags will be clutched tightly in the now small hands of the future guardians of our American heritage. Here in Hicksville, as in other countless American towns, villages and cities, parades will be seen, bands will be playing, flags will be flying, and our prayers will be lifted, though mostly silent, heavenward.

Who calmly fought with patience and skill, And can we toss so lightly aside, The crew who manned OI' Ironsides?

Honor we both the Grey and the Blue, Who saw the struggle of America's conscience thru, Then Teddy's boys donned the mantle of pain.

When we were faced with the might of Spain; Remember you, the Kaiser's fist, shaking in our face? And the Doughboys, who put it in the proper place?

But Adolph forgot what Wilhelm had learned, "To play with our ire, you're sure to be burned," Our Korean men, though held in rein, Stymied the enemy just the same, With pride we honor them all now, On this Memorial Day, with our heads bowed.

Musical Concludes Season

HICKSVILLE -- The Old Country Road School Parent-Teacher Ass'n. conducted its final official meeting of the current year on May 15. This meeting was principally devoted to the children and they are certainly to be congratulated for the delightful musicale which was enjoyed by all attending. The vocal teacher, Mrs. Gates together with the Band Director, Mr. Ward, led the children through a charming program of diversified songs and band numbers. The stage was beautifully decorated and the various costumes of the children were a lovely sight to see.

This meeting which culminated a busy year for the P. T. A. and its officers was also installation night for the new slate and these officers were installed by Dr. E. H. LeBaron, former Superintendent of Schools. The roster for the coming year is comprised as follows: President - Mrs. H. Graham; Vice-

Pres - Mrs. R. Capel; Rec. Secy. - Mrs. J. W. Dobbins; Cor. Secy. - Mrs. G. Barnett; Treas. - Miss Mary Howell; Council Delegate - E. Jacob. Congratulations to all and best wishes for the coming year.

Mrs. Michael Fasullo, retiring President is to be especially thanked not just for the busy year that she has just completed but for her unceasing devotion and many, many hours of tireless efforts on behalf of the school during the past six years while her son has attended Old Country Road School. She will certainly be missed by everyone.

After the meeting delicious refreshments were served under the supervision of Mrs. Polsenki our Refreshments Chairman. It is also a pleasure to take this opportunity to publicly thank all that attended our recent Card Party that was a wonderful success in every possible way.

PVT JAMES SHERRY, son of Mr. and Mrs. Charles Sherry of 26 Meade Ave., Hicksville, recently completed six months advance training with the 4th Armored Division, at Fort Hood, Texas.

Proposition Tops Candidates

HICKSVILLE -- A review of the recent School District election disclosed some interesting facts. While 5,399 persons were registered and qualified to vote, only 4,480 cast ballots. A total of 3,849 took advantage of the opportunity to register for next year's annual meeting.

Another fact was that in Old Country Rd. School, the only one examined closely, there were more persons voting on the question of Proposition No. 2 - the land site to Holy Family Parish - than on the candidates. A total of 640 voted on Proposition No. 2 while 638 voted in the three-way DeGhaff, Goodrich, Zimmerman contest; 622 voted in the Hester, Johnson contest and 623 voted in the Zettler, Kent race.

Confraternity Holds Election

The Plus X Society of Confraternity, Parents and Teachers of St. Ignatius R. C. Church, Hicksville, held their final monthly meeting of the season on Monday, May 27th in the auditorium of the school. Mrs. Lawrence Caponegro, president, presided. All committee members presented final reports.

Mrs. Vincent Hoosack, chair-lady of the nominating committee, presented a slate of officers to the membership. Nominations were then accepted from the members and the following members were selected to serve as officers of Plus X for the coming year: President, Mrs. Joseph Fischer; Vice-President, Mrs. John Frawley; Recording Secretary, Mrs. Charles Riegeleberger; Corresponding Secretary, Mrs. Frank Davis; Treasurer, Mrs. Leo Rogo.

The new officers will be installed at the Annual Plus X tomorrow (Fri) evening at 9 p. m. in the auditorium of the school. The music for dancing will be provided by the Triatones. Tickets are \$1.50 per person including all refreshments.

All parents of Confraternity students are urged to attend this last social function of the year. Tickets may be purchased from the members of the executive board or at the door the evening of the dance. A 52 piece set of Community silverplate will be awarded at the dance. The Board wishes to extend its gratitude to all the active members who have helped in any way to make the year as successful as it was.

43 Scouts Aid Conservation

HICKSVILLE -- Troop 293 of the Methodist Church was hard at work on April 27 and 28 with its conservation program.

Forty-three scouts under the direction of Assistant Scoutmaster Jack La Salle, Scoutmaster Walter Sawatsky, and Assistant Scoutmaster Claire Getz planted 1500 pine seedlings. Barricades were built along riding trails to protect the tiny seedlings against trampling. All the patrols made signs to further insure that these plants would someday reach maturity.

Ten checkdams were constructed on the hillsides to prevent soil erosion.

The Nature Group, an organization within the troop, made a

nature trail in this area.

An impressive council fire concluded a busy day and all the scouts and leaders were ready for taps, especially the tenderfoot scouts.

To the thousands who attended the May 4th Scout Exposition at LI Lighting Company the Troop 293 Explorer Indian Dancers were the highlight of the program.

This extraordinary group will be remembered as the ones chosen to dance on the Arthur Godfrey's program. Their colorful and authentic costumes were all hand made by these boys and their leaders. The huge Teepee was their last project. This explorer group is now in the process of forming an Explorer Post.

Auction, Sale Great Success

The white elephant auction and cake sale recently held by the Candle Light Circle of Hicksville was a great success.

The Long Island Circles of the King's Daughters and Sons will attend the spring convention on June 9 at the home of Mrs. Ray C. Alpers of Huntingdale.

There will be no pickup of any type by the Oyster Bay Town Sanitation Trucks on Thursday, May 30, which is Memorial Day, it was pointed out today by Sanitation Supervisor Louis E. Kappstatter.

Under the rules for collection of rubbish and garbage established by the Town Board, Memorial Day is one of 11 holidays during the year when no pickups are made. Collection will be on the next regular collection day for the particular area. More than 36,000 homes in the township are today under the municipal collection system.

Other holidays when no pickups take place are New Year's Day, Lincoln's Birthday, Washington's Birthday, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Election Day and Christmas.

The Sanitation Dept. has been complimented by several Hicksville civic organizations for the type of service received by homeowners since municipal service began in the Hicksville area early in March, it was noted by Supervisor Lewis N. Waters.

We're saving this letter till Carol Ann grows up

To the Supervisor of the telephone co. who took my mother's sick call on Friday Jan. 11. I was very thoughtful of you for calling our neighbor to look in on my mother till I got home from school. Thanks to you my mother and baby brother were safe when I returned. I hope that when I grow up I will work for the telephone company.

January 14 1957

Thank You Sincerely,
 Carol Ann Pagano

P.S. please excuse my typing. It is only a toy typewriter. I only got it this Christmas and I only learned

Carol Ann Pagano is 11 years old. Her typewriter is a toy. But the letter she wrote is one of the nicest we ever received. The story behind her letter is simple. When Mrs. Pagano felt suddenly ill, she asked the operator to call Carol Ann's school. But before the call was completed, she fainted. The operator quickly called a neighbor to look after Mrs. Pagano. Then she called the school and explained what had happened. By the time Carol Ann got home, her mother was already under a doctor's care.

Quick thinking and extra helpfulness seem to be an everyday habit with telephone people. Sometimes it means the difference between life and death. Most often it shows up in little things that make your telephone so useful and helpful. This "spirit of service" will always be an important part of good, low-cost telephone service. So we're saving Carol Ann's letter till she gets a little older. And someday, we'll wager, we'll get another letter of appreciation about an operator — and her name will be Carol Ann Pagano.

Peddlers Need Credentials

OYSTER BAY--Supervisor Lewis N. Waters reminds all housewives that house-to-house solicitors or street-to-street peddlers are required by local law to procure a license from the Town Clerk Henry Curran before engaging in the sale of merchandise.

Waters urged all housewives to insist on seeing the peddler's license before permitting the peddler or solicitor to enter their home.

"The Town Board enacted this Ordinance for the protection of the homeowners. For their own sake, and the safety of their families, housewives should not permit unlicensed peddlers or solicitors to enter their homes as the issuance of an identification badge to peddlers or solicitors by Town Clerk Curran assures the homeowner that the requirements of the Town Ordinance have been met," Waters said.

Bantams Get Second Win

By Elwood S. Kent, Sr.

HICKSVILLE - Sensationaling by Gramiglia as he hurled a no-hitter and struck out 16, carried the St. Ignatius Bantams to victory over St. Joseph's 23 to 1. Mookely continued his very fine hitting as he aided the cause with three doubles. The Bantams are looking very sharp.

SENIOR LEAGUE SCORE

WARRIORS 11	COMETS 9
BOMBERS 7	BULLDOGS 6
JETS 7	TERRIERS 2

Warriors scored 7 in the 7th to win game. Demonaco started with a home run and a double. Colletta also homered in the 7th. Holder saved the game for the Bombers as he made a great throw from the outfield to nip Harwig at the Plate. La Patno whiffed nine as Baroletti and Petrone made some excellent defense plays for the Bulldogs.

Bobby Harmon of the Jets went into pitch with 3 balls on the batter and the base loaded. He promptly struck out the man and stopped a rally by the Terriers. A startling double play, Baldwin to Dooley, ended the game abruptly. Thomas caught a good game, throwing a bases in big league style. The game was not official as the Terriers had several of their best players missing and the Jets agreed to postpone the game to a later date.

TRACK MEET

Practice will be held June 2, at the Division Ave. The big day is June 9, when we "play for real". Coach Art Murphy wants everyone out on the Second. Remember, good track men are in demand, and several schools are scholarship minded when it comes to Track, so pick up those feet and pour it on.

PARADE

All uniforms should now be distributed, and every boy who is participating in the Memorial Day Parade should report at the American Legion 9:30 in the morning wearing his uniform. Report then to your Manager or Coach, and don't wear spikes.

PAPER AND RAG DRIVE

For pick-up or for volunteers call Cora Felder, W-3-4130 or George Shanley, WE-1-5424. The day is June 8. A sizeable expansion move is in the making so all parents, boys, friends, and neighbors will please save your papers, magazines, and rags, and take them to the dirt parking lot near the Convent. Everyone participating is thanked once again for their great help. All fathers and boys who can spare time on June 8, get in touch with Gene.

GIRLS' BASEBALL

The girls are getting out for their games and are beginning to look real well. The Rules Book of the Jr. High, in the evening, they were out in force and the ball was tossed around in good fashion. I saw Mrs. Di Bells urging the girls to hustle and hit that ball.

MISCELLANEOUS

All the Umps are now equipped and ready for action. Here's hoping they don't mind the rule Book too often. This week the Commissioners of Baseball, Shanley and Baroletti were out at the fields bright and early. Larry was handing out new baseballs to the Woodland Ave. Field Saturday morning. Good work, Tom! Now how about giving Dutch Lane the once over?

Civic Softies Do It Again

The North Bethpage Civic Assoc. Softball Team has done it again. A 9-4 victory over the Manetto Hill Teambrought the team up to 2 wins and 3 losses this season. Next week they will attempt to reach 500.

Flushed with glory Manager Walter Kee, wishes to invite all members of the NBCCA to watch next Sunday morning's game. It will be played against the Parkview Circle Team in the Floral Ave. Playground. Come one, come all, and see your revitalized.

Board Votes to Reopen Dozen Classrooms as Audience Cheers

HICKSVILLE --- By a vote of 4 to 2, the Board of Education has voted to reopen 12 temporary, portable classrooms -- four at Lee Ave and eight at Old Country Rd. The vote met with the enthusiastic approval of about 40 parents in the audience, Monday night, who applauded the decision to revoke an order issued by 4 to 3 vote on April 29.

Henry Johnsen of the firm of Knappe & Johnson, school district architects, was present with his staff to answer questions of Board members regarding fire doors, flues, etc. He told the Board that the buildings are and have been safe for occupancy by students. He said that the structures would be safe whether or not there were fire doors such as the insurance rating organization seeks.

Voting to reopen the classrooms on a motion by Allen Carpenter and seconded by Emil Szendy were Arthur L. Eirich and Mabel R. Farley. Voting "no" were Joseph Cawley who stated "I believe that the schools should remain closed until the doors called for in original specifications are installed" and Elwood Kent. Robert D.P. Eaton was not present.

STUDENTS RETURN

Students were back in their classes at Lee Ave School by late the following morning (Tuesday) and at Old Country Road School yesterday (Wed) morning.

Carpenter in making his motion pointed out that at no time was the safety of the children using these structures a question. The fire insurance rates did not go down when the buildings were emptied of their occupants.

Johnsen pointed out that some temporary classrooms have been in use in the district for two years (Woodland and Fork Lane). He pointed out that his firm has under-

taken 75 school projects in the last five years and that all plans and designs are subject to approval of the State Education Dept.

The Board at its meeting also considered a new state law regarding Social Security status for teaching and non-teaching personnel of the district. Unable to agree on the

effective date for such coverage, there was a possibility of a special of a special meeting this Friday, May 31, or next Monday, June 3 for further action.

The meeting adjourned at 11:30 after Kent, Cawley and Eirich had left, eliminating the quorum of four needed to conduct business.

Jamboree Set for Saturday

BETHPAGE-A jamboree for all scouts and cubs to be held on Saturday June 1, at 6 to 9:30 P.M. at Grumma's Field has been announced.

The Boy Scouts are preparing a special show for all the Cubs and Leaders, Gateways - camping exhibits, campfires and parades are all being planned for the Cubs entertainment.

At 6:15 Cubs will be invited to take part in the retreat ceremony. It is hoped that over 5,000 boys and leaders will take part in this event.

A reviewing stand will be set up with American Legion Personnel and other V.I.P.'s in attendance.

At 8:30 the big campfire takes place with hundreds of boys singing Scout songs, Skits, Eagle recognitions and a Candle ceremony.

Sal Negro, Program Chairman, promises "a truly fine afternoon and evening of the greatest value to a Cub Scout."

GIFT FOR PRESIDENT—Jim Hertzchaft, owner of J. Hertzchaft Office Supply Corp, presents William E. Koutensky, president of the LI National Bank of Hicksville, with a pen set for his new office in Mid Island Plaza. At the left is Charles R. Carroll, chairman of the Board of Directors of LI National Bank. The Bank has moved into its permanent location at the Plaza. (Herald Photo by Frank Mallett).
