Construction Closes Library

HICKSVILLE--The Public Library must be closed for a period of 4 to 5 weeks beginning July due to construction work. The Children's library is already closed for an indefinite period.

The Board of Trustees and Library Director Kenneth Barnes regret this inconvenience to the public, particularly the short notice, on the closing of the Children's Library, but these moves were deemed necessary by the architect and the contractor. Children's books may be returned to the main building until July 1. Adult loans after June 17 will not be due until after Aug. 5.

Fire 'Watchers' Cost Taxpayers \$1,000

HICKSVILLE -- It cost the taxpayers about \$1,000 to have personnel hired as fire guards, "watching" the temporary additions at Old Country Rd. and Lee Ave. Schools on an around-the-clock basis, it was learned today.

When it was voted by 4 to 5 decision of the Board on April 29 to close the temps, a second motion was offered to hire the fire guards to be on duty at all times when there are no custodians in these two schools. The motion for the fire guards was made by Trustee Robert Eaton and seconded by Trustee Joseph Cawley. The vote was carried, 5 to 2, with President Emil J. Szendy and Trustee Allen Carpenter voting no.

The guards remained on duty until May 29. President Szendy polled the members of the board by telephone on May 28 and found four trustees in favor of eliminating the guards. This was the day following the meeting when it was voted to reopen the temps.

The action discontinuing the fire watchers was confirmed at a special meeting on June 3 by affirmative vote of all trustees present: Arthur L. Erlich, Mabel Farley, Carpenter and Szendy.

Hall To Speak

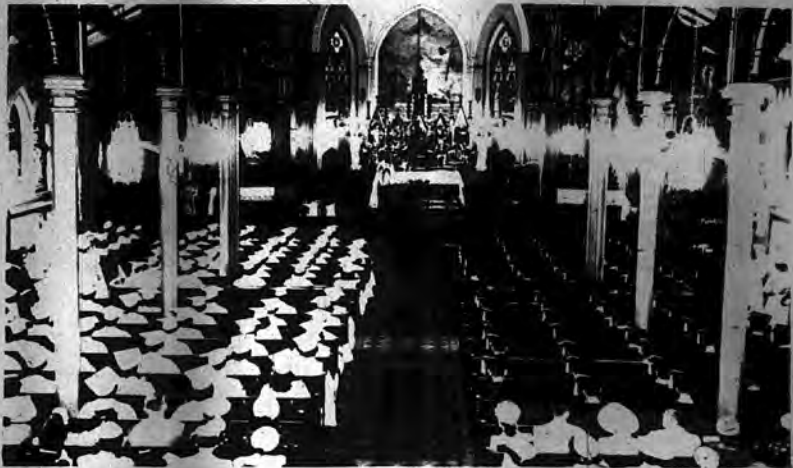

HICKSVILLE -- Leonard W. Hall, former chairman of the National Republican Committee, will be a guest when the Republican Club meets this Friday night (Jan 14) at the Masonic Temple on W. Nicholas St.

This week a fire drill was conducted at Woodland Ave. School which disclosed that the temporary classrooms were evacuated in 55 seconds and the main building in one minute, 30 seconds. Each temporary-type classroom has its own exit door to the school yard.

WILLIAM R. STAHLEY, who married with the Hicksville Post Office 31 years ago as a clerk when John Buschbach was postmaster, will retire from the Post Office service on Aug. 1. He first joined the PO on Feb. 15, 1926. He became Superintendent of Mails, the first to hold that position in the local office, in 1947. He is shown with Mrs. Stahley at a recent social affair. Mr. and Mrs. Stahley reside at 15 Elm St.

Chamber, Township Approve RR Change

NEW YORK CITY --- The Hicksville Chamber of Commerce and the Town of Oyster Bay will be represented today (Thurs) at a hearing before the Public Service Commission examiner on a proposed change in plans for the Hicksville Grade Crossing Elimination program.

Michael J. Sullivan, chairman of the Chamber's RR crossing elimination committee, and attorney for the township, will be present at the hearing in addition to other interested citizens.

The proposed change in the project, seen as a preliminary to the eventual project, has been approved by the Chamber. It involves moving the freight yard further to the west, near Charlotte Ave.

Four Seeking 2 Extra Seats

BETHPAGE - In order to vote in the special School Dist. election on June 22, all residents who did not attend the Annual meeting last month must register in person. The registration dates are June 13 (today) from 3 PM to 9 PM, and Saturday June 15 from 12 noon to 6 PM. Registration will take place in the auditorium of the Broadway School.

Tuesday at midnight was the deadline for filing nominating petitions for the two additional seats on the Board of Education. The voters in May voted to increase the Board from five to seven members.

The election will be held Saturday June 22 with polls open from 10 AM to 9 PM. There is a one year term and a two year term to be filled. Since this is a special election, a candidate must receive a majority vote.

Those who filed for the one year term are Charles Buxton and Anthony La Faso.

Leon Lunden and Richard Tilley have filed for the two year term, according to District Clerk Evelyn Auer.

Dear Jean:

SID BAUMAN of the Woodbury Sweet Shoppe on Woodbury Rd., near So. Oyster Bay Rd., celebrates his Silver Wedding Anniversary tomorrow (June 14).

Congratulations to the ALBERT ROSENTHAL'S of Cedar St., Hicksville, who celebrated a wedding anniversary on Sat., June 8. See the new addition to HOLDEN'S on Broadway, Hicksville? They have a new ice-cream bar - Schrafft's no less - its quite the thing with a large - varied assortment of good ice-cream. Our very best congrats to JACK and DOT MULLIGAN of Twinlawn Ave., Hicksville on the birth of their first child, a son, Jack Jr. born last week at Nassau Hospital. The MULLIGANS have been married 15 years and are indeed happy with their first little addition to their household. Had a call from a friend who said our column in last week's paper was kinda gushy - I didn't think so, did you? or did you? . . . Oops, we forgot to congratulate Mrs. MARGARET HEBBERG of Twinlawn Ave., Hicksville who celebrated her birthday on Thursday last week. Sorry, but Happy Birthday and many many more. . . . Also, pardon our overlooking the 15 years of wedded bliss celebrated by Mr. and Mrs. Kurt MALER on June 6. . . .

Well-attended meeting of retailers of Hicksville Chamber was held this past week. Principal topic was overtime parking in the field off W. Marie St. . . . and efforts at enforcement of the two-hour limit. . . . 12-hour (that's right, twelve) parking limit has been set on the parking field east of LIRR in the triangle between E. Marie and E. Nicholas Streets. . . . Southern NY Fishmen's Assoc. tournament takes place at Riverhead on June 22. . . . Hofstra College Bureau of Business reports business conditions in Nassau-Suffolk regained in March as compared with February. There were 21 business failures, mostly in the retail trades in Nassau, during March. Bank clearings in Nassau were up in volume but not in value. . . . JOHN PAUL MASONE of Pollack Pl., Hicksville, who led 28 would-be husbands in a state to think "she" was desperate and leavely via the mails, pleaded guilty in Brooklyn Federal Court this week to mail fraud charges and was given a year and a day in jail. Through a lonely heart club, authorities say, Masone collected \$1900. . . . The merit salary schedule in Hicksville, which began under most favorable auspices including the approval of faculty, administration, and Board of Education, appears headed for drearier days. Ninety-percent of the teachers answered a Teachers Assoc. questionnaire and 92 per cent of this number disagree with the merit system, an innovation in this section of LI. . . .

The Rosary-Altar Society of St. Ignace RC Church sponsored that Covered Dish Supper on May 23, not the Mercy League as was previously stated. . . . Forty campers leave on Saturday, June 22, for Kamp Kiwanis according to Dr. CHARLES MASEK, chairman of the Kiwanis Klub Kamp Kommittee. The youngsters return on June 29. . . . Understand the vacant office space at 96 No. Bway has been reoccupied. . . . SOL ZIMMERMAN has not been seen at a School Board meeting since the election. Trustees-Elect ZETTLER, JOHNSON and GOODRICH have been regular attendants. . . . Emergency Co. 5 goes on a fishing trip on June 30. Those snazzy new company jackets were bought at GOLDMAN'S. . . . Hicksville Lions hold installation of officers, June 29. LARRY McCAFFREY is slated for presidency, succeeding JOHN PETTICONE. . . . We hear a prominent insurance company is going to build on South Broadway at Mineola Ave. . . . Garden City has its own swimming pool. Formal dedication takes place June 29 and more than 3,000 have applied for pool cards and tags. . . . Gala time was had by North West Civic Assoc. at their spring dance at Bethpage Country Club, Saturday night. . . . When the former Odd Fellows Hall, now owned by DAVID SAUSMER, was being demolished on North Broadway near the Post Office, Mr. SCHEINER was "engineer in charge of observation." He now has a new project to supervise, the new Central Savings building where excavation began on Monday. Slots have been provided in the fence around the site for the benefit of Sidewalk Engineers. . . .

The state auditors arrived in Hicksville, Tuesday, to make their periodic (every two-year) audit of the district records. . . . Esquire Floors on North Broadway, Hicksville, is running a "road widening sale" which could be a forerunner of the eventual widening from John St north to Jericho Tpke. A slice will be taken off the east side of NORTH Broadway. . . . Spreading of that, we got a letter this week addressed to the Herald at 98 Northport Way. . . . State-Wide Real Estate Co Inc and Gorham Agency Inc have moved from the Professional Bldg to new and larger quarters at 300 So Oyster Bay Rd., Syosset. . . . Someone has cut off a nice short cut from the parking lot behind the Professional Bldg over to Broadway. You now have to walk around Lurry's. . . . Newbridge Terrace Homeowners Assoc of Hicksville held installation of officers last night (Wed) at Fork Lane School. JOSEPH MASCIOLI is president. . . . Dr and Mrs. PHILIP RUBENSTEIN, together with friends Dr and Mrs ARTHUR KATZ and Dr and Mrs DAVID MILLER were in the audience at the Booth Theatre, May 30, to see "Visit to a Small Planet." Olga Specialty Shop at 184 Bway is being rebuilt and will open shortly. . . . Mrs. GEORGE MARTIN, president of Central Island Women's GOP Club, represented her organization at the County Federation meeting when Supreme Court Justice CHRIST was guest speaker. . . . CEDAR CLIFF HAPPENINGS.. We Saw Our Friends in Parade

by Marjorie Nass WE115 - 1553

I guess we all recognized a friend or a neighbor in the Memorial Day parade. Mrs. Collock marched with their troop of brownies, Johnny Dent, Jackie Woodworth, Johnny Leonick, and Paul Ketteridge played with the East Street Band.

Johnny Leonick played with the All Hicksville Elementary Band at the Nassau County Sectional Spring Festival on May 4 at the High School. Valerien LaGueun was the conductor.

Best wishes are sent to Irene Leonick and Marilyn Mancuso who both made their first holy communion at St. Ignatius on May 25. A party was held for Marilyn at the Mancuso home for about 30 friends and relatives.

My husband and I celebrated our 10th wedding anniversary on May 24. We had as our guests that week-end Mr. and Mrs. Charles Losee of Brooklyn.

Congratulations are sent to Marlon and John Riglick who celebrated their 4th wedding anniversary on May 17th. They also cele-

brated their birthdays recently, John whose birthday was May 9th and Marlon's on June 5th.

Hedy and Kenneth Jones and sons Casey, Robert, Richard and David went to Elmira for the Memorial Day weekend.

Jimnie Kough of 88 Cliff Drive was 3 years old on Sunday, June 2nd. Helping him celebrate his birthday at a party at his home were his cousins: Patricia, Lynne, Michael and Kathleen Quinlan; Robert, Stephen, Joseph and Ann Marie O'Grady; all from Rockaway Beach. There are two more birthdays in the Kough family during the month of June. Mary was 2 on June 7th and Claire will be a year old on June 24th.

Birthday greetings are sent to Robert Schmidt of Cedar Street who was 3 years old on May 14th and to his brother Richard who was a year old on June 8th.

Birthday greetings are also sent to Sheila Gibson who celebrated her birthday on May 22nd; to Melisande Ranno who was 10 years

old on June 5th; to Andrew Peat who was a year old on June 12th; to Jeanne Quinn who was 7 years old on May 22nd; to Stephen David who was 2 years old on June 7th; and to Judy Dietz who was 8 years old on May 21st. Laurie Glynn of Stanley Street was 4 years old on May 19th and her brother James, Jr. was 2 years old on May 24th.

Patty Barhold of 90 Cliff Drive was 10 years old May 30th and served ice cream and cake to her Brownie girlfriends in the afternoon.

Best wishes are sent to Aurelia Ranno, Jeanne Quinn, Terry Brady, Katherine Brennan and Billy Mashburn who all made their first holy communion at Our Lady of Mercy on June 8th.

Congratulations to Mr. and Mrs. Schroeder of 42 Cedar St. who celebrated their 38th wedding anniversary on June 5th. Their granddaughter Norville was 2 years old on June 1st.

Fehrenbach Declines Honor

The Theodore Roosevelt Republican Club of Bethpage held its final meeting of the season, Monday night. Hundreds of people jammed the meeting hall to participate in the assembly, which concluded in a spirit of revelry. There was community singing, dancing, to the "Bachelors Band," excellent accordion playing by Joe Carreccia, and a spectacular juggling act by Jimmy Stutz.

The highlight of the evening occurred when a spontaneous movement got under way for a Testimonial Dinner for Executive Committeeman Ed Fehrenbach as a tribute to his leadership and popularity. Despite the unanimous urging of the huge audience, Fehrenbach stood firm in declining the honor at the present time. He expressed his deepest appreciation for the sentiments, but explained that his time and attention were required by full time devotion to his duties and obligations to the Town as Deputy Supervisor.

Other high points of the meeting were the selection of Mrs. Pat Schimmerer as the club's representative in the Queen of Bethpage contest to be held in conjunction with the 21st Anniversary Celebration to be held later this year, a decision to enter a competitive float in the parade to be held in connection with the Queen contest, and a talk by Committeeman Gus Holzmacher, reminiscing about the early days in Bethpage, (Central Park).

John Maher, picnic chairman, gave a report on progress of the affair to be held August 18th at the Chateau in Wyandanch, and Mrs. Jesse Prinz reported on the very successful dance which was held Saturday night at the Five Corners.

The meeting, which was conducted by Vice-President Sol Fink, in the absence of Pres. Richard Guido, finally ended in the early morning when the band went home and the happy people left.

VACATION TIME!

Vacation Time Is Coming

Mother, don't look now, but THAT time of the year is closer than you think. Better take these last few days to rest up and prepare for summer vacation. You have between eight and 13 days to do so, depending on where your little darlings attend school. Hicksville Public School will close June 21; Trinity Lutheran, Hicksville, June 21; St. Ignatius Loyola, Hicksville, June 26; Bethpage Public Schools, June 24; St. Martin of Tours, Bethpage, June 26; Jericho Public Schools, June 21.

Bond Found in Old Building

HICKSVILLE - A \$25 savings bond was discovered by LI Lighting Co. men during the demolition of the former Odd Fellows Hall on North Broadway, near the Post Office, and has been turned over to its owner, a former tenant now residing in Jericho. The utility men gave the bond to David Sautner, owner of the 90-year-old structure, who in turn forwarded it to the Jericho woman. The site will be developed as modern stores, Sautner said. He is willing to build to suit the requirements of a tenant or tenants. The Odd Fellows Hall towered three stories. Lumber from the frame structure which is still serviceable has been disposed of thru second-hand lumber dealers.

THREE NEWLY ELECTED trustees of Hicksville School District who will take office on the first day of news month, including two former presidents of the North West Civic Assoc. were guest speakers at the final meeting of the season for the civic group on June 4. They pledged to "look after the interests of the taxpayer." Left to right are Ed Moss, Civic Assoc. pres; Robert Goodman, Herbert Johnson, trustees-elect; and Harold Sternberger, Civic Assoc. vice president. The third board member, Jerry Zettler, had to attend another meeting when the picture was taken by Gus Hansen.

Kroemer Seed Scene of Fire

HICKSVILLE - One big fire, an oil burner blaze, an Ambulance call, and two false alarms called out the Fire Dept., during the period of June 5 through June 11.

The big fire occurred on June 6, when Wm. Kroemer & Son fertilizer warehouse on John St. caught fire. The fire gave the vamps a hot smoky time as they fought the flames within the building. The heat was so intense that the windows were blown out and the steel doors twisted.

The fire destroyed all the merchandise and equipment in the building, as well as badly charring beams and flooring, necessitating a complete rebuilding of the interior. Only the fact that the siding on the building was brick, prevented it from being completely demolished.

On June 8, there were two false alarms. The first was at 2:47 p.m. from Beach and Balpaq, and the second, at 6:16 p.m. from the Nicholai St. school on West Nicholai St.

There was an ambulance call at 6:30 p.m. on June 9, to take Fred Huss, 46, of 68 Willoughby Ave., to Mid-Island General Hospital, Bethpage.

On June 10, a minor oil burner fire at the home of Paul Harris, 2 Belfry La., called out the volunteers.

"I was hurt, helpless . . . till they came."

"I was out walking with my two children, when I slipped and fell. There was an awful pain in my knee, and I just couldn't get up. I felt so helpless I started to cry. Then suddenly, everything was all right. Two telephone men working nearby had seen me fall. One of them hurried for a doctor - then helped take me to a hospital. The other followed in my car with the children, and stayed with them till my husband arrived."

The "spirit of service" that typifies telephone people - on and off the job - is one important reason why your phone is such a big help every day. Yet for all it

does, your phone is one of your biggest bargains. Its price has gone up far less than most other things you buy.

Old Bethpage Plans 1st Dance

Old Bethpage P.T.A. will hold its first annual dance on June 22 at 8:30 p. m. in the General Purpose Room of the school. There will be balloons, beautiful music, and a buffet will be served at eleven.

In view of the fact that the General Purpose Room can only accommodate approximately 75 couples, tickets must be limited to that number, so get them now through Rhoda Rogoff at CHapel 9-8349.

Plan Change In Boundary

In an effort to eliminate the confusion that has existed in determining the housing of school children, the Boards of Education of Island Trees and Levittown will meet this week to resolve the problem. A spokesman for both Boards indicated, "that part of the present boundary line between Dist. 5 and Dist. 26 extending in a generally southeast, north-west direction between Hempstead Tpke. and the Oyster Bay-Hempstead Town line has been creating problems for several years. The boundary as it now exists consists of a series of straight lines which cut through building lots and houses. This creates problems concerning school district jurisdiction of certain properties in respect to taxation and housing of school children."

The officials of the two districts have been studying this for some time with the assistance of District Superintendent of Schools, Harry Gross. He is authorized by law to establish new boundary lines between school districts within his supervisory district. The revised line is mutually acceptable to both Boards of Education and to Mr. Gross. Generally, the revised line will coincide with street lines.

Residents who are affected by the change have already been notified by mail.

were won by Mr. and Mrs. William Wagner. Mr. and Mrs. Thomas Laughlin and Mr. and Mrs. Frank Lott were celebrating their wedding anniversaries by attending this dance.

Another enjoyable evening was spent at the Fashion Show of Oppenheim Collins Co. sponsored by the Rosary Altar Society of Holy Family RC Church on May 27 at Levittown Hall. Mrs. Dorothy Rosen was Chairman of the show. Mr. and Mrs. Henry Diekroger of 21 Stanford Lane along with their children, Linda, Pat and Diane and their cat Mittens have gone on a vacation to Florida and are enjoying the nice weather down there.

Happy Birthday to Florence Meyer of 22 Terrell Lane who celebrated her birthday on June 7th. 378 Stages Hamature Night

by Tina Pfan

Those who attended Hicksville Cub Scout Pack 478's meeting on May 24 were rewarded with a grand evening of entertainment, with never a dull moment as the cubs proved we all have a little (or perhaps a lot) of the "ham" in us on their "Hamature Night."

The evening was replete with all kinds of talent - from slick wise-cracking M. C.'s and comics to "Liberace" plus chandelabra and "Elvis" plus guitar - to quizmasters, brainbusters, a rip-roarin western, and even the side-show act "sawing the man in half" (We saw it happen!). . . . All this was well subsidized by the 'sponsors' whose 'commercials' appeared at convenient intervals.

No small thanks for this evening of fun goes to the inspiration and hard work of our den mothers.

Another phase of activity which meets with great enthusiasm among the cubs is their Monday night sports practice - Baseball during the Spring and basketball during the fall and winter. The pack has recently acquired the necessary equipment for this program, which all leads to our goal of a sound mind in a healthy body.

We should like at this time to publicly thank our sponsoring organization, the Fork Lane PTA, who makes possible these activities by giving us the necessary quarters as well as their whole-hearted cooperation.

CYO Track Records Fall

by ELWOOD S. KENT, SR.
HICKSVILLE -- The CYO conducted the first Annual Meet of the new diocese, Sunday at the High School, and approximately one thousand aspiring speedsters, girls and boys, participated. Conducting a Track Meet of this size represented quite a task, but the Committee was equal to it and the contest ran smoothly so that at five o'clock all the races were finished and the field cleared.
