Valley Forge Trains Scouts For Jubilee

By SCOUT LEO KANAWADA

Eagle Scout Leo Kanawada of Troop 64, Hicksville, is a member of the Jamboree Jubilee troop of 12 youths from Nassau County now attending the National Jamboree at Valley Forge, Pa., who will go on to the World Jamboree in England this summer. The following is the first in a series of special weekly reports to readers of the MID ISLAND HERALD written and airmailed by Scout Kanawada.

--Editor.

VALLEY FORGE, PA. -- I hope the things I write about will be of interest to the people of Hicksville who have helped make it possible for me to be on this Jamboree and Trip and will show them how wonderful the young men from our country really are and how they work together in friendship and fellowship.

I arrived on Tuesday, July 9th, at our Section in the vast Jamboree encampment where the entire contingent of American scouts who are going to the Jubilee Jamboree in England are staying.

The National Jamboree is our training for the international this summer. We worked as a team putting up tents, making tables and food boxes and making our site a

friendly place for visiting scouts. Right now (which is 10 PM) a scout behind me is blowing a reveille trying to get the guys to sleep. Today was more of a training day in meeting other scouts from other troops and other parts of the country. Texas has a mess of guys all over the place.

BIG WASH JOB for members of Hicksville Kiwanis Club, Tuesday, as they undertook to provide car and truck washing service on 50 vehicles to earn \$200 for the club's underprivileged children's fund, was this Fairway Farms tank truck. leader Paul Drake assisted by William Stoeffel and Bill Murphy. At the extreme right is project chairman and chief business solicitor, Harold "Hop" Holden. The scene was Andy Ferrara's service station, Broadway and John St. (Herald photo by Frank Mallett)

New Jr. High on Close Schedule

HICKSVILLE--Completion of the Jerusalem Ave Jr High School, formerly the community's high school for 30 years, in time for the opening of the fall term is the present objective of contractors and school authorities. Work on the three-story addition to the older building is well advanced and renovation of the original portion has been moving ahead since the summer recess began. When complete, the entire structure will provide more than 70 classrooms and about equal the capacity of the Division Ave High School.

School Board Meets Until 3 AM

HICKSVILLE--A heavy agenda kept the Board of Education in session for over six hours until 3 AM Saturday during a meeting at which 53 motions were voted upon. The Board holds another regular weekly meeting tomorrow (Fri) night.

Trustees Robert D. P. Eaton was absent on vacation and Arthur L. Erlich left the meeting at 11:38 PM, the other five trustees remaining until the end.

Action at the meeting last Friday included approval of 13 recommendations of the Administration regarding new curriculum for the fall term, approval of purchase of library furniture and small cafeteria equipment, heard a report of two sub-units of the Citizens Advisory Committee, adopted a vacation and sick leave policy for clerical employees and (continued on page three)

Board President Emil J. Szendy told the Board this week that his inspections indicate that it will be nip and tuck to get some needed areas ready for use. Strikes of steamfitters and sheet metal workers, which today appeared to be settled, may cause delays.

Old timers who attended high school in the original building will not recognize it when it reopens. Windows are being replaced, acoustical tile ceilings installed, walls repainted and in some cases flooring is being replaced. All school district offices, which were formerly in Jerusalem Ave have been moved to Division Ave.

Start Construction Of New SylCor Plant

THE SHOVEL, with a handle made like a nuclear fuel element, is the subject of discussion (at the left) of John C. Robinson, Commercial Fuel Manager; A. Holly Patterson, Nassau County Executive; and Dr. Lee T. Davenport, president of Sylvan Corn Inc. Necelar Corp. PARTICIPANTS in the formal program (center) were Rev Dr. Marion C. Gosselink of Parkway Community Church who gave the benediction; Rabbi Eli D. Skalist of Congregation Shaarei Zedek who gave the invocation; Lewis N. Waters,

Oyster Bay Town Supervisor; and Leonard W. Hall, former National Republican Committee chairman and Oyster Bay Town GOP Leader. AMONG the prominent residents and officials present (at the right) were Councilman Marjorie Post of Massapequa County Clerk Ernest F. Francke of Hicksville. Ceremonies were held last week Wednesday to mark the start of expanded facilities for Sylcor plant.

Robert Johnsen Takes Bride

Robert Johnsen, son of Mr. and Mrs. Herbert Johnsen of 87 Myers Ave., Hicksville, was married Saturday, July 13, to Miss Dorothy Morris of Brooklyn. The ceremony was performed at a nuptial mass held at the Church of St. Thomas Aquinas in Brooklyn.

The bride wore a gown of white silk organza with a fingertip veil. She carried a white prayer book with white orchids and stephanotis. The bride's attendant, Mrs. Robert Morris, her sister-in-law, was

attired in blue and carried colored multi-colored daisies.

John Francis, a former classmate of the groom, traveled from St. Louis, Mo. to act as best man.

The bridegroom, a graduate of Hicksville High School and Hofstra College is now with the Radio Corporation of America.

The bride recently graduated from Brooklyn College.

After a wedding brunch for the immediate family at Michel's in Brooklyn, the Johnsens had open house and entertained 52 people.

When the newbrides return from their honeymoon trip to New Hampshire they will make their home in Somerville, N.J., where Robert is employed as a physicist.

Fairway, PBC In 1st Tie

HICKSVILLE-With the Summer Community Softball league but two weeks old, many surprises have already been registered with the biggest upset being registered by the Fairway nine in a 2-1 victory over Madden's Auto Body. Ted Smith, Fairway Farms twirler, bested Jim Barrone in a tight pitching duel as he gave the bodymen only four hits while Him Barrone lost a heart breaker also giving up only four hits. Jack Fisher was the star for the Fairway nine scoring a run and hitting in the winning marker.

In other games, Fairway Farms kept its record unblemished with a 11-5 win over Perfect Line. Ted Smith pitched a three hitter while Dick Alcock pitched a creditable game but was a victim of poor support. Perfect Line, a title contender all the way last year, find the going rather rough as the Boy's Club hand them their second defeat by a 2-1 score. However, Perfect Line bounced back with a 9-5 victory over New Casel with Dick Alcock winning his first game.

Dear Jean:

The home of HERB JOHNSON, 87 Myers Ave., Hicksville has been the scene of much activity lately. On June 29th NANCY celebrated her sixteenth birthday with a beach party for several of her girlfriends. On July 9th Herb and his wife, CLARICE, celebrated their 24th wedding anniversary with a trip to Jones Beach to see "Showboat". On July 13 their son BOB was married and the Johnsens had open house and entertained 52 people and on July 15th Mrs. Johnson celebrated her birthday.

MALGERTZEN, newly elected commander of the New York State AMVETS and resident of 8 Adams St., Hicksville, is a patient at Kingsbridge VA Hospital in the Bronx. After 18 days in the hospital, following surgery, he was home for the weekend including a meeting with the State organization leaders at Hotel Roosevelt, Saturday, to select the site for next year's convention. He has returned to Kingsbridge. Send him a getwell card. ARCHIE MOWEN, a patient at Nassau Hospital, was visited by Kiwanians JOHN STARYK, GENE STAHLE and LOU KLEIN. Sixty teachers of Hicksville public schools, about eleven percent of the total, are not returning in the fall. They are taking off for other parts of the country for personal reasons and for other positions. Eighty more have been added to the faculty for Sept. 1, making the public school personnel this year 532 compared with 516 last year. ANITA BADE, daughter of Mr. and Mrs. Henry Bade of West Ave., Hicksville, became the bride of FRED HOGGE of Glendale recently at St. Luke's Lutheran Church in Farmingdale. The former Miss Bade was organist at St. Luke's Church.

Congratulations to ERNIE and ARLENE NASO of Picture Lane, Hicksville on the birth of their first child, Debra Lynn born last week. Mrs. Naso is the well-known model, Arlene Rogers, and word from all grandparents tells us that the new little lady is as pretty as her famous Mom. Good to see "Dom" back at his old stand, joking with the customers at Hicksville Farms, after a stay at Bay Shore Hospital. Talking about Hicksville Farms, our good friend Joe went out east last Wednesday and brought back three of the biggest lobsters you ever saw. Knowing how the editor's wife loves lobster, he sent her the largest which must have weighed in at 10 lbs. What a feast the had...

DAVID and VINCENT HOGGACK of Twinlawn ave., Hicksville, back home after a stay at a boys camp upstate near Auburn, N.Y. DONALD HEBER also of Twinlawn ave., is spending two weeks at Camp DeWolfe at Wading River. Bet his Mom sure misses him. The BOB CORCORANS of Twinlawn Ave. are in the Catskills for a vacation stay. Also at out-eastern way summer homes are the CHARLES MONTANA's of Miller Rd. and the MICHAEL J. SULLIVANS of W. Nicholas st. The red-head of the Herald office, IRENE GILCHRIST, off on a weeks vacation with her family to the Rockaways. Little JOYCE ANDERSON, daughter of Mr. and Mrs. Francis Anderson of East St., Hicksville celebrated her 7th birthday on Saturday with a party for her playmates and friends. Earlier in the week her Dad celebrated his birthday.

A Hicksville resident travelling along Jericho Tpke., near Westbury, found a black cocker type male dog about 6 mos. old. For information call WE 1-0545.

JANE DEETS has resigned her position as office manager for the Chamber of Commerce, Mr. and Mrs. ROY DEETS of Friendly Rd., Hicksville, are leaving for California the end of this month. Good luck folks and hurry back soon. ROY is the author of TV and Radio mystery dramas, was at one time secretary of the North Levittown Home Owners Assoc., Mr. and Mrs. WALTER TOLLES of New South Road, Hicksville, are moving to Oyster Bay shortly. Westbury friends are urging the village board to appoint PATRICK BUFFALINO, local resident and former President of Hicksville Chamber of Commerce and Business Men's Assoc., to a vacancy on the board of trustees in the village. The proposal was the subject of a front page write up in the Westbury RECORD last week.

Cash awards for "sustained superior performance" were presented to two Hicksville residents at Mitchell Air Force Base, July 11, who were among the 32 civilian employees honored: MRS. MARY M. DWYER of 20 Hope Lane and WALTER J. MAJCHER of 71 Cherry Lane. DENISE NORMAN and LEONA BART of Bethpage are among the Council members at Girl Scout Camp Edey, Bayport. In the absence of President MICHAEL SULLIVAN, vice president FRANCIS DONOVAN of Duffy Ave. presided at the Hicksville Republican Club meeting, Friday night. GEORGE BALL is no longer with Mid Island Plaza Merchants Assoc. Welcome back to the MURRAY MARSDENS and their children Donna and David, all now residing at 415 Division Ave., Hicksville. They had moved to Florida but just couldn't do without dear old Hicksville. Mrs. ANNA ERICKSON has just returned from an extended visit to Germany with arrangements by Travel Service. Mrs. of Hicksville. The Travel Service also arranged for the two week trip of the ECKON Family of Hicksville to San Francisco via TWA.

EDUCATIONAL TV

The sub-committee on Educational TV of the Advisory Committee presented its report suggesting (1) that any future school construction be designed in a manner which will give consideration to eventual educational TV installations, and (2) that the sub-committee continue its investigations.

The sub-committee consisting of Dr. Lowell G. Glatt, chairman; Ernest Gossy, Mrs. Harry C. Graham, Irving Lawrence, Arthur Lewander, John McFadden, Kurt Pohl, Charles Rogan, Mrs. Theodore Rosebery and George Winsor was given the official thanks of the school district for its efforts and report.

A report of the sub-committee on budget was submitted by Gossy, George McIntosh, Pohl and Rogan. It recommended (1) that the budget

be completed in time to provide a month's time prior to the annual meeting, and (2) that all items of substantial increase be explained in detail.

Acting upon the request of George Winsor, chairman of the Advisory Committee on Recreation, the Board voted to continue the present committee until Sept. 30 to enable it to make its report and recommendations.

Arbitration Committee To Handle Check-Up Issues

Part of the agreement between our Civic Assoc. and Sazonov and Schwartz, builders of Birchwood Park, which resulted in the house to house checkup which is now in progress, was the blueprinting of an Arbitration Committee to handle any complaints that might arise.

It was contemplated that the builder might not feel responsible for certain defects or complaints in an individual home, and hence refuse to fix them. The Civic Assoc. felt that the Builder should not be the Court of Last Resort in these cases.

The plan called for the formation of a panel of competent

representatives of both the Builder and the Civic Assoc. to review each disagreement and arrive at an equitable solution. This panel will meet every second Saturday in the Builders' offices. If your home has been checked out, and you are not satisfied with the work done, or feel that the Builder was not justified in leaving any item undone, please contact any member of our panel and your case will be docketed for early hearing.

Civic Assoc. members of the Arbitration Board are: Norman Jacobson, 75 Maytime Dr., OV 1-0315, Chairman; George Frankel, Irving Brand and Don Katzo.

Message From Our President

This year has been a momentous and historic occasion in all our lives. It has been a year in which our community at Jericho has been born and is now being nurtured toward maturity. In this evolutionary process our Civic Assoc. has played a prominent role.

Now side by side with the Civic Assoc. comes our community newspaper, "The Villager", as

another aid toward our goal of making this community a better place to live and rear our children. Although in one sense "The Villager" is a product of the Civic Assoc., with all its available resources behind it, in another way real sense it is an independent publication printing what it sees fit, without censorship of any kind. If our advice is sought it will be given—but it will not be foisted on the editors.

Functioning as an independent organ it can give direction to our affairs, disseminate information to all our members, and serve to knit our community into a tightly woven and resourceful group with a basic community of interests.

Let us support "The Villager" and toast its birth. With the wealth of talent working in its behalf, it most certainly will play a significant role in our march to an ever better community.

Jerry Abrams,
President, Civic Assoc.

The Reformed Jewish Congregation, Temple of Elohim, announce its installation of officers, to be followed by a cocktail party at the home of Mr. and Mrs. Norman Jacobson, 75 Maytime Drive. This affair will take place July 27th at 8:30 P.M.

THE WALLS OF JERICO

Old man Joshua knocked down the walls of Jericho with a Ram's Horn. We can do the same with indifference. Let's not.

Approximately 300 families have paid their current membership dues. 700 more are sitting on their pocketbooks---and we talk about juvenile delinquents---

The Architectural Control Committee will be swinging into action soon. It should be quite a sight to see the varied opinions on a given structure---chicken coop to Taj Mahal.

Builder---Civic Assoc Arbitration Board hearings are due to start shortly on disputed checkout items. These gentlemen are going to need a sense of humor and wisdom of Joshua's gumba, Solomon.

Many people have been complaining about the exercise habits of our canine population. Lawn-owners claim that what they endow is no substitute for peat moss. There appears to be two possible solutions---Owners should keep their dogs leashed or devise muzzles for the other end.

We wonder what's happened to our shiny new post office---one rumor has it that it was looted from Washington without a stamp, and is now lying in a dead letter office somewhere?

Residents of Birchwood may water their lawns only on even days.

The VILLAGER Represents Voice of Birchwood

The Villager, the official publication of the Birchwood Civic Assn. at Jericho, has the unique distinction of having the right to conduct its affairs as an independent publication. Our publication therefore has the right and even the duty if the need arises to publicly criticize any act or member of the administration running the affairs of the Civic Assn. This unusual privilege will enable us to properly protect the rights, health, welfare, etc., of the residents of Birchwood.

It is the intention of our publication to keep the administration on its toes to make certain that they function in a manner beneficial to the residents of Birchwood. It is our further intention to be the voice of the residents of Birchwood, rather than a publication residing the acts of the administration in power at any given moment. In order to properly ascertain the general opinion of our residents, we urge you, the residents of Birchwood Park to write to our publication, as to your thoughts, complaints, and ideas, so that we can be properly guided and act accordingly.

May we suggest that prior to registering any complaint about the Civic Assn. that you first contact the Committee Chairman having jurisdiction of the particular problem that you may have. In order to assist you in contacting said Committees, we have listed below each Committee with a brief description of its particular jurisdiction, together with the name of the temporary Committee Chairman, his address and telephone number.

Incidentally, each of the Committees listed below are in great need of active members, and therefore we suggest that you give serious thought and offer your services to these Committees, so that our Civic Association can attain its goals, which will eventually benefit all of us.

ORGANIZATIONS CALL OV 1-0073

Supplement of MID ISLAND HERALD, Thursday, July 18, 1957

OUR FIRST FAMILY, Mr. and Mrs. Milton Burns and their daughter were among the participants on the recent program over Station WKIT broad-

cast by John Frogge (at right) from the Miller-ridge Inn in a salute to Jericho. The Burns were the first family to take up residence in Birchwood.

Protection Is Task for Everyone

by Bernard A. Schmirer MD

The Community Protection Committee is devoted to the development of the highest standards and correction of problems in public health, safety, and sanitation.

In the field of sanitation the committee is pleased to report that Birchwood is periodically conducting a street clean-up. Oyster Bay Township is responding to calls requesting street clean-up although this is not yet on a regular basis. Oyster Bay, however, is responsible only for normal street maintenance and not debris resulting from construction. The committee is in contact with Oyster

Bay to try to avoid having Birchwood included in a large territorial sanitation district but to have its own. This would cause a considerable difference in cost when the Township begins collection.

In regard to safety, a program of law enforcement has been set up with the dog warden and Police Dept relative to the supervision of dogs.

In regard to traffic lights, steps are under way to install lights at necessary intersections. In addition, the committee has recommended the installation of stop signs and speed signs to the Civic Assn. and these will be installed in the immediate future.

If we are to have a really safe and clean community every individual now must do his and her part. This the builder cannot do for us and the committee must have a cooperative public.

Debris should not be allowed to lie in the streets, arrangements should be made for proper disposal either through contractors or private collectors. Rubbish should not be simply dumped in the streets or empty houses without some thought as to its removal. There is a Town

Ordinance against street debris punishable by fine - this will be put into effect soon. Clean streets are up to us, there will be no problem in dirt removal if it were not to collect in the first place.

In regard to safety, each one of us should resolve to drive slowly and carefully - watch the corners and dead ends and realize that it is now summer with the children home from school and in the streets. Children should be instructed in care in use of bicycles, playing ball, and crossing streets. No amount of talk will give us a safe community unless every individual cooperates and handles his car at all times with the utmost caution. This neither the builder nor the F.H.A. can do for us. No amount of law can do this. We must do it ourselves. Let's have no accidents in Birchwood. Finally we urge all dog owners to obey the health and safety codes as set up by Oyster Bay. Our dog bites are still too numerous and cooperation will eliminate this. So let's all get together to make Birchwood the safest, cleanest, most beautiful community in Long Island.

Summer Dance Tickets Move

There are still a few tickets available for our forthcoming "Summer Dance" at the Roslyn Country Club on Saturday night, Aug. 10. If you haven't secured your tickets yet, you had better hurry. Our reservations are limited.

One of the many social events scheduled for the fall will include a "Teenagers Dance". There is a possibility that this affair may be held in our new school gym in Birchwood Park. Dancing and refreshments will be provided by your Civic Assn. free of charge. Those eligible to attend this dance must show a paid-up membership card at the door.

Who likes picnics? Well, we have a picnic on our drawing boards for Sunday, Sept. 9. Those wishing to join with us for a Sunday afternoon of frolic and fun contact Irving Hershowitz at OV 1-1307 and make your reservation. Our picnic program will include a father and son baseball game, sack races for the kids, relay races, and many other sports activities. This is one picnic you should not miss.

Do you own a Bikini bathing suit? No, not you guys, I mean you gals. Well, if you don't you had better get hold of one. We are seeking a Mrs. Birchwood Park at Jericho. To be eligible for this contest you must be a resident of this community, be married, and last but not least show proof that you are female. All contestants will forward a photograph of themselves taken in

a Bikini bathing suit and said photo must not be more than one year old. There will be three prizes, first, second and third.

First prize: Free divorce action worth around a thousand bucks donated by our own Larry Gibbs --- or --- a \$50 gift certificate at a leading dept. store. Second Prize: A free course in sex education donated by our own Dr. Al Friedman (worth around 200 bucks) --- or --- a \$25 gift certificate in a leading department store. Third Prize: Free pediatric care for approximately 10 visits donated by our own Dr. Bernard Schmirer worth around 50 bucks --- or --- a \$10 gift certificate at a leading dept. store.

The three winners may also exchange their prizes with each other. As an example --- suppose the second prize winner found her course to be in vain and requires the third prize --- or maybe the first prize winner doesn't require the first prize but could very well use the second prize. However, that isn't the decision of the judges --- that's the winners' heads.

The winners will be selected on the basis of figure, charm and looks. Send all photographs to Carl Fiore who is chairman of the judges committee. All photos remain the property of the Entertainment Committee. So, get busy and start taking those pictures and mail them in to Carl Fiore at 18 Mellow Lane. All entrants photos must be in by no later than Sept. 1, 1957.

Birchwood Gets Own Newspaper

Well over one year ago, future residents of our Village met for the first time at a New York Hotel. Several hundred families were represented at two meetings and our Civic Assn was formed and became a growing organization. Most of those attending as many of us living here today are former apartment house dwellers and we knew little of all the problems which would be connected with home ownership.

Now, that over 1000 families are settled in the Village, our Civic Assn has become a strong and important force for constructive accomplishment at Birchwood Park at Jericho. All of us have become gardeners, plumbers, carpenters, electricians and handy men. Almost all of us have spent more money on landscaping, furnishing, tools, transportation, and other items, than we ever dream that we could spend. One thousand families with 50,000 problems and most of them are alike for all of us.

Life here, however, has agreed with us. We have taken roots, neighbors have found much in common. Bridge, golf, swimming, discussion, gossip, children. Much to our pleasant surprise, the Village today already feels like a real hometown and a happy community life is developing all around us. There have been disappointments and serious problems.

Schools, taxes, transportation, traffic, health and sanitation, completion by the builder and innumerable other matters are either now being tackled or something has to be done about them. The Civic Assn through its committees has done much good work. Lack of public awareness, however, and lack of actual knowledge by most of us as to what has been done, proposed and suggested, is hampering many worthwhile projects. Relatively few of many gifted and capable residents have given much of their time and effort to get us better schools, lower taxes, stop signs and traffic lights, builders cooperation, youth activities, to mention but a few things of great importance.

Members of the present Editorial Board of the Villager, residents just like you, felt this

great need for a publication here which would give all of us news about our Village. There is much of interest and importance which affects and needs to be known by the 5000 people now living here at Birchwood Park. It took but a few weeks and several meetings to form the nucleus of a staff. With this issue we are happy to say that we are in business. All of us on the Editorial Board devote all of our spare time to this publication and we would like to have more volunteers to join us at the Villager. There is a wealth of talent and good will all around us. Community life is one of the keys to a happier better future for all of us at Birchwood and especially for all of our children.

The Birchwood Park Civic Assn is giving us an appropriation to get our publication started. The Editor of the Mid Island Herald has made it possible for us according to present plans to publish biweekly, as an adjunct to this paper, this section of Birchwood Park news and pictures under our own masthead. Each and every resident of our Village will receive this newspaper.

Our Editorial Board is composed of realistic men and women, who have given and will continue to give of their time and talents to make "The Villager" a constructive, informative force for the good of our community. By your response, your letters, your contributions and comments, will be able to tell whether we are going in the right direction.

CURRENT COMMENT

State-Wide Recognition

BY FRED J. NOETH

ANOTHER HICKSVILLE resident has achieved state-wide recognition in the election of Ernest F. Francke as President of the New York State Association of County Clerks. We had previously pointed with pride to the election of Malcolm Gertzen as commander of the New York State Amvets.

Mr. Francke has been Nassau County Clerk for the past four years. He is practically a native of Hicksville, having come to this area when he was a child of three. He attended local schools and went to work with the Telephone Company as a linesman in 1910. Forty-one years with the utility company concluded in 1951 when he retired from the position as Maintenance Supervisor of the vast Hempstead office.

Thus began his "second career" as Clerk of the County of Nassau. The recognition accorded him at the meeting of the State Association of County Clerks at Chataqua almost comes naturally. The Nassau Clerk's office is one of the largest in the entire state from the standpoint of volume of work handled and population served.

He is enthusiastic about his position as County Clerk which embraces the registration of motor vehicles, issuance of license plates, as well as all the recording of documents, deeds and other papers required by law. The County Clerk is also the Clerk of the Supreme Court. He recently was named to a special committee working with the State Dept of Education on the matter of disposal and preservation of records.

Mr. Francke is of course best known as the Republican leader for Hicksville and he has been an GOP executive committeemen since 1937 for the Hicksville area.

Congratulations upon your election as President of the State Association of County Clerks, Mr. Francke. Those folks upstate have discovered what we have known all along -- you can give tireless energy and enthusiasm to what ever you tackle.

GROUND ZERO for the Nassau Co. Civil Defense test alert on Friday was the corner of Elm St and Plainview Rd., Hicksville (center of circle above) and it was assumed that on H-Bomb of one megaton (50 times more powerful than the weapon which blasted Hiroshima) explored killing 23,610 persons and injuring 29,575. On paper, CD leaders said the blast killed 75 percent of the population within two square miles of this point. The L.I. Lighting Co. was wiped out. Sirens sounded at 1:45 PM and local public cooperation was generally poor. Police halted movement of auto traffic but drivers remained in their cars instead of seeking nearby shelter. Overall comment by Col Louis M. Merrick, Nassau CD director, described public participation "as excellent-much better than last year." See reader opinion on page 4.

Fire Sirens Out-Blast CD Alarm

To the Editor:
According to your July 12th issue "the community will get the full treatment of all sirens this Friday July 12" etc. We, in the Northeast section could only hear the sirens

as at a distance from outside our home. With the windows open, the TV at normal, they could not be heard.

Yet at night when the fire siren goes off at Briggs St., it wakes us up from a sound sleep even with the windows closed.

Why the difference?

Which are the more important? The volunteers are the only ones needed to be alerted by the fire signals, everyone needs to hear the air raid signals.

Couldn't the firemen be summoned by telephone alert (especially during the night) whereby

the fire signal would ring each fire volunteer phone at the same time similar to that which rings the phones in the police precinct simultaneously at an air raid alert.

As a block mother I was distressed to see the children still playing on streets during the alert, either because the mothers did not hear the signals in their homes and perhaps hearing the fire sirens so often the children themselves thought it was another fire.

Something should be done.

Wonderful Job

To the Editor:

As residents of Hicksville for a number of years, we have been interested in School District matters. We have watched how different School District attorneys have worked.

We are satisfied that Mr. Harry Goebel, the District's Attorney for the past year, did a really wonderful job and we want to thank him for carrying our District through the year without legal trouble or difficulty.

We know that it was through his efforts, and by going into the State Supreme Court that he protected the right of all District voters to vote in the Special District Election without being required to re-register even though the State Education Dept. said re-registration was necessary.

We also know that he arranged and carried through that Special District Election and prevented any cases against the District although attempts were made to attack the voting.

To have done all these things all within the first seven weeks of taking over the position, in our opinion, was remarkable.

We appreciate the fact that he never hesitated to stand by his opinions even though efforts were made by the President of the Board to have him change these opinions so as to agree with him. We also appreciate the fact that he has written over 100 opinions.

We thank him for protecting the children in the Burns Avenue-Mid-Island Shopping Center section. We are confident that it was through his legal plans that the streets are now closed and will remain closed, and that the District now has a fence erected without cost along the School property. A lot was said about the Town supposedly getting a fence but it was not until Mr. Goebel got through with the matter that we have the fence, and traffic protection and \$16,000 too.

We also thank him for saving our District money by preventing the spending of money illegally. This includes money the Library Trustees wanted to spend for the increased price of steel even though there was a contract fixing the price. It also includes his legal refusal to pay claims for interest on notes discounted by the architects, also his preventing the taking of higher bids by the Library on furniture and equipment.

We think Mr. Goebel did a fine job.

We believe that the new Board refused to give him a reappointment only because he refused to knuckle down to Mr. Sandy and the new Board members are already doing so.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.
by Artie Ruiz

Our Founding Fathers declared that governments existed not to destroy liberty but to secure, preserve and protect this precious gift of God. To safeguard this freedom, they gave us the Constitution and the Bill of Rights. American statesmen enjoy the right to diplomatic immunity from foreign jurisdiction wherever our flag flies because our Constitution follows Old Glory. Why then the distinction between diplomatic immunity and the rights of our servicemen serving overseas? ---If our government allows Japanese courts to try and punish Army sp. 3/c William S. Girard for an unfortunate accident that occurred while on duty, the Status of Forces Treaty and similar agreements must be regarded as being void of any protection for our soldiers, including the right to trial by a jury and the presumption of innocence until proved guilty....

May it be said then that Girard is not on trial but rather the basic issue that is involved; it is our government that is on trial if it insists on surrendering the Constitutional rights of our servicemen to foreign governments whatever the charge or circumstances may be.... By such surrender the United States Government is committing an inexcusable betrayal of the trust and rights of G.I.'s which are guaranteed them at American citizens under our Constitution.... And ironic enough is the fact that they are sworn to defend this very

Temple of Liberty.... As long as the Status of Forces Treaty and similar agreements are in force the world over, American military servicemen stationed abroad will be subjected to decisions based not on justice and fair play as we know it, but on political and diplomatic expediencies.... The American Legion is on record as urging the repeal of this treaty on the ground that it denies our soldiers serving in foreign lands their constitutionally guaranteed legal rights and freedom which we so proudly proclaim in the Bill of Rights....

We cannot, and must not, subscribe to the premise of employing our servicemen and dependents as pawns on the international chessboard.... On behalf of millions of American G.I.'s now overseas we should insist on our right to try all U.S. Military cases in our own courts but by the same token we might afford the same rights to foreign governments to try their military personnel stationed in our country.... This would be in the American tradition of fair play.... American prestige will be strengthened, not compromised, by firm forthright action proving to the world that we will protect the rights of all our citizens abroad.... The will of an overwhelming majority of Americans will thereby be served and with it the cause of justice and the principles defining so clearly in our Constitution and the Bill of Rights.

Plan \$2 Million Highway Program

OYSTER BAY--The Town Highway Dept. will embark on an extensive highway improvement program this fall, following a public hearing before Town Board on Tuesday, August 13, it was disclosed today by Supervisor Lewis N. Waters. The program cost, including land acquisition, is estimated at \$2,064,150.

Thomas R. Pynchon of East Norwich, Township Highway Superintendent, has recommended the program which covers important roads and streets in the township which have felt the increased highway traffic accompanying the town's population increase.

Scheduled for major construction under Pynchon's plan are the following: Boundary Ave. in Plainville from Hicksville Rd. to Broadway; Bethpage Rd. in Hicksville from North Broadway to Woodbury Rd.; Broadway in Massapequa from Jerusalem Ave. to Southern State Parkway; and

Bloomington Ave. in Hicksville, from Hicksville Rd. south to the Township line.

Shortly thereafter, according to Pynchon, improvement will begin on the following intermediate roads: Miller Rd. in Hicksville, from South Oyster Bay Rd. to Woodbury Rd.; Southwood Rd. in Syosset, from Syosset-Woodbury Rd. to Jericho Tpke.; Haypath Rd. in Bethpage; Fallwood Pkwy

in South Farmingdale, from Kent St. to Main St.; Bay Ave. in Hicksville, from Bethpage Rd. to Woodbury Rd.; and Central Park Rd. in Plainview, north from Old Country Rd.

Construction and engineering costs on the heavy duty roads is estimated to cost \$1,321,000, while intermediate road work is estimated at \$434,150. The balance is for land acquisition costs.

LI Weather Drier This Year

Weather on Long Island continues much warmer and considerably drier than last year, according to the latest statistics compiled by the Oil Heat Institute of Long Island. During the first week of July, there was no measurable rainfall which places Long Island almost critically in need of water. During the past five weeks there was only 1.60 inches of rain which is more than three inches below normal.

The average temperature this week was 75, four degrees more than for 1956. In fact, during the first week of July, 1956, there were nine degree days recorded. A degree day is calculated when the average temperature falls below 65 degrees.

LEGAL NOTICE

At a special Term of
the County Court, held in
and for the County of
Nassau, Part I thereof,
at the Nassau County
Court House, Old Country
Road, Mineola, N.Y. on
the 10th day of July,
1957.

PRESENT:
HONORABLE Paul J. Widlitz,
COUNTY JUDGE

In the Matter of the Application
of
WILLIAM SAWITZKI
For Leave to Change His
Name to
WILLIAM SAVITSKY.

Upon reading and filing the
petition of WILLIAM SAWITZKI,
verified the 13th day of June,
1957 praying for leave to assume
the name of WILLIAM SAVITSKY
in the place and stead of his
present name, and upon his Certification
of Birth, bearing number
30339, issued for the Department
of Health, City and State of New
York, by the Registrar of Vital
Statistics, Borough of Manhattan,
New York, N.Y., and upon the
photostatic copy of Notice of
Separation from the Armed Forces
of the United States of the petitioner,
whereby it appears that
he was honorably discharged from
the Army of the United States,
and the Court being satisfied from
said petition that the same is
true, and it appearing from said
petition that the same is true,
and it appearing from said petition
that there is no reasonable objection
to the change of name
proposed, and that the petitioner
herein was born on July 24th,
1924, in the State of New York,
on 80 Clinton Street, in the
Borough of Manhattan, New York
City, N.Y., and that the original
Birth Certificate of Petitioner,
bearing certificate No. 80339, is
available, a photostat of which
is attached to his petition, and it
further duly appearing that the
petitioner is registered under the
provisions of the United States
Selective Service Act, and that

LEGAL NOTICE

he has been duly separated from
the Armed Forces of the United
States, and that he is a Veteran
of such Service who has been
honorably discharged from the
same; and it further duly appearing
that the interests of said petitioner
will be substantially promoted
by the change of name.

NOW, on motion of Harold L.
Haskin, attorney for said petitioner,
it is hereby
ORDERED, that the said WILLIAM
SAWITZKI, born on the
24th day of July, 1924, at 50
Clinton Street, in the Borough of
Manhattan, New York City, N.Y.,
with Birth Certificate Number
30339, issued for the Department
of Health, City and State of New
York, by the Registrar of Vital
Statistics, Borough of Manhattan,
New York, N.Y., be and he hereby
is authorized to assume the name
of WILLIAM SAVITSKY in place
and stead of his present name upon
complying with the provisions of
Article 6 of the Civil Rights Law
and of this order, namely:

That this order be entered and
the petition upon which it is
granted be filed, together with the
said Certification of Birth and the
said photostatic copy of the Notice
of Separation from the Armed
Forces of the United States, within
ten days from the date of entry
hereof in the office of the Clerk
of the County of Nassau, N.Y.;
that, within twenty days from the
date of entry hereof, a copy of
this order and the papers upon
which it is based, shall be served,
by registered mail, on the Local
Board No. 10, under the Selective
Service Act, located in the
Borough of Manhattan, New
York City, N.Y., and that within
ten days after such service sworn
proof thereof shall be duly filed
with the Clerk of the County of
Nassau, which shall be deemed
sufficient; and that, within twenty
days from the date of entry hereof,
a copy of this order shall be published
in "Mid Island Herald" a
newspaper published in the County
of Nassau, N.Y.; and that, within
forty days after the making of this
order, proof of such publication
by affidavit shall be filed with
the Clerk of the County of Nassau.

LEGAL NOTICE

N.Y. and it is further
ORDERED that upon compliance
with the provisions of this order
and the due filing of the said petition
and the Certification of Birth
and the photostatic copy of the
Notice of Separation from the
Armed Forces, as hereinbefore directed,
and, upon the 20th day of Aug. 1957, the
service of such order and the papers
upon which it is based upon Local
Board No. 10, and the filing of
proof of such service thereof, the
publication of such order and the
filing of proof of publication of
such order, and on and after the
20th day of Aug. 1957, the petitioner
shall be known as and by the
name of WILLIAM SAVITSKY,
which he is hereby authorized to
assume and by no other name; and
it is further

ORDERED that a certified copy
of this order shall not be issued
until proof of compliance with
the above provisions has been
duly filed with the Clerk of the
County of Nassau, and upon such
proof the Clerk of the County of
Nassau shall certify such order.

Dance, Barbecue At Sam Kellners

A meeting was held at the home of Mrs. Jack Rankow to set up plans for a Square Dance Barbecue to be held at the home of Mr. and Mrs. Sam Kellner of Freed Ave. Hicksville, on Saturday evening, August 17th. The popular square-dance caller Frank Konopasek will be on hand to assure everyone of a grand evening of fun. Admission is to be by reservation only. \$2.50 per person. For further information call either Selman Rankow, We 8-4960 or Loretta Poller, We 1-9037. The affair is being held under the auspices of Congregation Shaarei Zedek, Hicksville.

Church Sponsors Bus to Stadium

HICKSVILLE-First Baptist Church is sponsoring a bus to the final meeting, "unless changed," of the New York Billy Graham Crusade.

Transportation will be \$1 per person. Leaving at 4 P.M. on July 20, at the church. Bring a box lunch.

Meeting will continue, rain or shine, as most of the Yankee Stadium is under cover. Anyone interested in reserved tickets for the stadium or bus transportation please contact Mrs. Brown Wells 5-0128.

HE GUIDED THE STORK THROUGH A HURRICANE!

A true experience of Mrs. Myles Colgan, King Ferry, N. Y.

Few people venture out in a hurricane. But Mrs. Colgan and her husband had little choice. Because shortly after the storm started, Mrs. Colgan realized she would have to get to the hospital at once—her baby was due. But on the way they reached a crossroad which was blocked by fallen trees.

They waited, uncertain what to do next. Just then a raincoated figure appeared beside the car. "Can I help?" he said. "I'm from the telephone company." Mr. Colgan explained their situation. The telephone man quickly pulled a walkie-talkie radio from under his coat. He called his headquarters, and they contacted other linemen

in the area. In a few minutes, the linemen had the Colgans on their way—over the only road still open to the hospital.

Shortly after they arrived, the Colgans became parents of a daughter. As Mrs. Colgan wrote us, "My story has a happy ending because an unknown telephone man on a lonely road volunteered his help."

The "spirit of service" that typifies telephone people—on and off the job—is one important reason why your phone is such a big help every day. Yet, for all it does, your phone is one of your biggest bargains. Its price has gone up far less than most other things you buy.

ROBERT BRAUNS of 28 Abbot Lane, Hicksville, has been granted the military aeronautical rating of Command Pilot. It was announced today by Brig General Clayton Stiles, Commander of Long Island's Own "Air Force Reserve Wing". Brauns, who is a major in 514th Troop Carrier Wing, had to acquire 3000 flying hours in military type aircraft and complete 15 years of satisfactory Federal Service, in order to be eligible for the Command Pilot award. Major Brauns is employed in the Engineering Section of the Nassau County Dept. of Public Works. He has been a reservist in the 514th Troop Carrier Wing since 1948 and is the first Long Islander to earn Command Pilot Wings in the past several years.

Bankers Win 3 During Week Rain Stops Baseball

by Elwood S. Kent, Sr.

During the past week the LI National Bankers moved closer to a trio of victories by winning a third of the major division in the Hicksville International Little League.

On July 8 the Bankers trimmed Kiwanis 8 to 1. George Steinmetz winning pitcher for the Bankers had a no hitter until Kieran of Kiwanis doubled with one out in the sixth inning.

On the same date Perkins beat Goldmans 6 to 3. Bolly and Bruckner homered and Smith was the winning pitcher.

July 10th the National Bankers in a close game nosed out Kiwanis 3 to 2 with Farrone throwing a three hitter.

July 11th Goldmans scored three in the fourth inning which was enough to trim Kiwanis 3 to 1 with Bolly the winner.

The Bankers won their third victory of the week in a close game nosed out the Perkins Tuckers 4 to 3 with J. Steinmetz allowing 2 hits for the winners.

MAJOR STANDINGS

	Won	Lost	Pct.
LI Natl. Bank	6	2	.750
Perkins	4	3	.571
Goldmans	2	5	.375
Kiwanis	2	5	.285

With two weeks to go and three

games remaining to be played Maddens Auto Body and Mid Island Herald of the minor division were tied for 1st place, each having four wins and two setbacks. Schwartz Insurance was close behind in third place, having won three games and losing an equal amount. The Archdiocese brought up the rear with one win and five defeats.

At the end of the week however, Maddens, as in the first half of the season, again proved its superiority by knocking over their two closest rivals and clinching the championship for the second half. On Tuesday they took Mid Island Herald into camp 11 to 3 on a sharp effort by pitcher Olive who struck out six, giving only three base on balls. Mid Island Herald's usually dependable pitcher George Schwartz did not have it that night, giving 12 hits and walking six men.

On Friday, Maddens repeated the process and bowled over their closest rival, Schwartz Insurance, 6 to 0. Pitcher Townsend gave up only 3 hits and prevented Schwartz Insurance from denting home plate.

In the remaining two games, Schwartz Insurance in a free swinging game shellacked the Archdiocese by a score of 22 to 6 with Diers the winner. The Archdiocese trimmed Mid Island by the score of 11 to 7 with Giles the winning pitcher.

By capping first place in the second half as well as the first half of the season, Maddens Auto Body has emerged as the champs of the Minor division.

Baseball

HICKSVILLE - All St. Ignatius CYO baseball activity bowed to the wishes of the farmers who finally got their much needed rains last week. Hope it was heavy enough to pull the farmers through. The Warriors and the Jets had to postpone their battle to get a better position for the stretch run to the flag. Jets now have three games to play off against the Terriers, Comets, and Warriors.

DRIVE HUGE SUCCESS

Many thanks to the workers and fine cooperative people who helped to make this month's drive the biggest to date. Gene Felder reiterates, "Thanks, and keep up the good work." Chris Reimels took one whopper of a load that seemed to reach up to the skies. Evidence of teamwork was quite apparent, reflecting top results and good management from the drive leaders.

STARS LINGER UP

All during last week, the managers, coaches, and other CYO men were out unloosening the dormant muscles that would take such a playful beating on Saturday, as they slowly acceded to the wishes of their owners to respond just once more for the big game.

Knee bending and all sorts of calisthenics were the watchword, and in many sections of town the crackling of regenerated bones and ligaments created more noise than the thunder storms. All of these worthy athletes are asked to please report to the Confraternity Building this Saturday at 2 p.m., to be led to the arena for slaughter.

INTER - LEAGUE

The Bantams, also cancelled out on account of rain, still maintain an excellent spot up front, and hope to be there at the finish. Jerry O'Connell reports his charges in the PBC League are giving a good account of themselves. In fact at an evening game last week, they won 7-2. Ferrari pitched, clocking up eight strikeouts, calling four, giving up five hits, Bobby Harman clicked at bat, going three for three, and starting a run stopping double play. Turelline also hit safely, sparking the team with some fancy dan fielding.

CALL VOLUNTEERS

All fathers of the boys playing baseball, together with other CYO members, are asked to contact Jim Hood, WElls 5-1493, or Frank Vambaus, WElls 5-2318, or assignments to man the CYO Sports booth at the church bazaar.

The bazaar opens Aug. 9 and continues on Aug. 10, 11, 15, 16, 17, and 18, Aug. 9, 15, and 16 open from 7 to 11 p.m., and all other days it runs from 2 to 11 p.m. What do you say men? Here's a chance to show your carnival spirit, help a worthy cause, and maybe win a few prizes yourself. Me - I'm going after the golf clubs this year.

MISCELLANEOUS

Reports from up Niagara way by Ray Cammarata seem to lean in the direction of lots of guard duty and KP operations. Ray had a spell of switchboard detail and promptly cut off all conversations that didn't hold his interest. No doubt the "Boss" was quite impressed with this action. We patiently await the name of the new detail that will come after the higher ups locate the man who kept communications in such good order. Hope to report on the CYO St. Ignatius Girls activities shortly.

Polo at Jericho

Pete Bostwick leads his Alken team against the Meadow Brook four in a Long Island Polo League tilt on the Brookers' Jericho Turnpike field, Jericho, this Sunday afternoon. Bostwick is to play at the pivot spot with Art Koye and Vin Rizzo up front and Fred Zeller at Back while Meadow Brook will line up with Hank Hickox and Bill Hitchcock up front, Phil Iglehart at three and Dev Milburn at back.

Leo Reports on Jamboree

(continued from page 1)

opened Friday night, July 12. The night started at 7 and our troop along with 1,000 boys from our section started to the area. As we walked along the road two other sections joined us.

It was a beautiful sight to see the American Flag of all the troops, marching ahead of us. We marched in and had seats right up front.

The stage was as big as a football field with a big sign of Gen. Washington kneeling at Valley Forge and the theme of scouting, "Onward For God and For My Country" above him. There were huge structures for lights and spotlights. The huge amphitheater was large enough to hold 55,000 scouts and parents. It was a terrific sight to see all those American scouts walk into this huge place. If you could only have seen the spirit and friendship of those boys from the different regions of the U.S.A.,

Everytime a state or region was mentioned, the scouts would go wild. There is so much spirit and unity among the scouts, that Americans should feel proud of the fellows which will be its future.

The program consisted of an introduction of all the regions. Then came the Valley Forge story with Washington and all his men. After this all 1,200 flags of the U.S. were brought on stage. After this tremendous sight a speech was given by Vice president Richard Nixon who was introduced as the president. His speech was a terrific one in which he talked about what the true value of Scouting is. This was followed by a beautiful fire works display which ended the evening. This was truly the highlight of the Jamboree.

Cagers Start

With the Hicksville Community Club winning by a 53-38 over the Wildcats and 65-61 over the Courtstars, it looks like the Hicksville Community Club is presently playing the favorite role in the summer basketball league. Stan Keiner and Bill Fitzgerald are showing the way for the Community cagers. In other games, Carlos Jewels won over the High School All-Stars by the score of 80-37 and went on to win their second game with a 61-43 victory over St. Ignatius. Jim Marthen excelled for the losers with 20 points.

Maxwell All Stars pulled a tremendous upset win of the Hicksville Alumni Club by a narrow margin 61-38. Doug Jones was the winner with 16 points all mostly gained under the basket. Dick Alcock was the heavy gun for the loser scoring 21 points. Wildcats won a very close game from the High School All-Stars by a 48-58 score. A big third period for the Wildcats put them in front after trailing for two periods. Ray Estrada score 17 points for the losers.

4,964 at Playgrounds

HICKSVILLE -- Interest continued to zoom in the Summer Playground Program as a total of 4,964 children were officially registered as the activities moved through their second week with a full round of special events, games and creative recreation, according to Louis Millevolte, Director.

Arts and Crafts continued to attract the fullest measure of attention as the elementary school aged youngsters occupied themselves with making necklaces, paper chains, plaques, sewing, leather craft, coquet work, flex craft and shell jewelry.

The Fork Lane baseball team lambasted Dutch Lane on the loser's diamond, 16-4. S. Schatman drove in the first two runs for Dutch with a home run scoring R. Powell ahead of him. One base hit by W. Wade, five walks and a single by J. McCauley produced seven runs for Fork in the second inning. Three more runs scored by Fork in the 4th inning. Singles

by G. Samwell and G. Fillipone, a walk and a home run by W. Wade.

The fifth inning rally by Fork saw 3 singles, a triple and a walk to make the final score 16-4.

CURRAN, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original notice of change in zoning from Res. "D" to Bus. "F" District at Jericho, N.Y. Application of Anthony Klobukowsky and Genoeffa Klobukowsky approved by the Town Board on July 9, 1957 filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

OFFICIAL SEAL
TOWN OF OYSTER BAY
NASSAU COUNTY, N.Y.

In Testimony Whereof, I have hereunto signed my name and affixed the seal of said Town this 15th day of July, 1957

Henry M. Curran
Town Clerk.
