Scouts Aboard Ship Enroute to England

By SCOUT LEO KANAWADA

The United States contingent of 1,745 Boy Scouts and leaders are today on the Atlantic Ocean enroute to Plymouth, England, where the S.S. Fairsea will dock on Tuesday, July 30. The scouts left Valley Forge, Pa., Sunday on three special trains for Quebec where the Fairsea sailed on Monday, July 22. Eagle Scout Leo Kanawada of Troop 64, Hicksville, is the HERALD's special representative on this jamboree. The following letter was received on Monday. —Editor.

VALLEY FORGE, PA. — This past week at the National Jamboree has been the most enjoyable and fabulous time of my life. The next month will be the highlight of my trip at which time I will travel to England by boat, be at the Jubilee Jamboree for 12 days, and then tour through Europe for 8 to 10 days. This trip has been made possible for me by you people of Hicksville which without your help I couldn't be here. Thank you so much, I hope I can live up to the ideals of scouting and be a good ambassador of American scouting to the boys of other countries.

This week at the Jamboree has been a week I'll never forget. During the week, I met fellows from other countries (Australia, Switzerland, Brazil, Canada, England and Iran). These Scouts are sharp, they take scouting more seriously than we do, and are the greatest bunch of fellows you could ever want to meet. The Jubilee troop has the greatest bunch of fellows you would ever want to know. We cooked together, worked together and laughed together. Thursday, July 18, was the official closing of the Jamboree. As we looked around on Thursday, we could see the boys still trading, sleeping and living together. Thursday night, the Jamboree was assembled at the amphitheater for the closing campfire and show. The gang sang and had fun which was to be their last at this 4th National Jamboree.

The closing campfire had all the scouts from the other countries that were our guests on the stage along with the American contingent to the Jubilee. It was a terrific closing to the Jamboree and I know every boy will remember this week and (continued on page 5)

The Jubilee Jamboree in England, Aug. 1 to 12, will accommodate 35,000 Scouts and leaders from most of the 62 nations with Boy Scout organizations. From Aug. 13, the US contingent will depart for two week touring of England, Belgium, Netherlands, Germany, Switzerland and France in a group of 247. They will sail for home on Aug. 26 from Le-Havre, France and reach New York on Sept. 4.

VALLEY FORGE snapshots by Leo Kanawada Sr. show the entrance gateway for Jubilee Jamboree Troop 24 (at right) and members of the Wolf Patrol of which Eagle Scout Leo Kanawada is patrol leader. The patrol and troop will remain together during its trip to Europe for the World Jamboree. WATERS DECLINES TO RUN

BURNS CANDIDATE FOR SUPERVISOR

OYSTER BAY — John J. Burns of Sea Cliff, popular Assemblyman for the Fourth District embracing the Township and City of Glen Cove, will be the Republican candidate for Supervisor of the Town in the November election, it was confirmed at a meeting of the Town GOP Executive Committee last night (Wed). Lewis N. Waters of Syosset, Supervisor for the past four years, had previously announced that he "would prefer not to seek re-nomination".

Supervisor Waters, who served as a Councilman from 1947 until his election as Supervisor in 1953, in a letter to Leonard W. Hall, chairman of the Town GOP Committee, said his decision not to seek renomination was based upon the "tremendous pressure of time and energy required" by the office and said he would like to spend more time with his engineering business which has suffered during the period he was chief executive of the Township.

NORMAN NOT RUNNING

At the same time it was learned that James "Happy" Norman, Councilman and resident of Bethpage, will not be seeking renomination. His term would expire this year. His decision was made, he said "even though urged to reconsider by the Bethpage Republican Committee." He expressed "deep gratitude to Edwin Fehrenbach, Bethpage GOP leader and executive committeeman, and the local Republican committee, and the local Republican committee for its support and confidence."

Both Supervisor Waters and Councilman Norman will finish their current terms which expired on the last day of December, 1957. Republican committeeman announced this week circulating designation petitions in behalf of the GOP candidates. The Republicans this year will circulate petitions for the first time, due to a legal question regarding the population size of the County; and will also nominate at town convention in September.

County GOP Leader J. Russell Sprague said the organization will ask the State Supreme Court for a ruling on which method is mandatory under the election law.

NEW COUNCILMAN

The Town Republican organization was also expected to support Edmund Ocker of Plainview for one of the two new Councilman positions effective in 1958 when the number of councilmen is increased from six.

The Hicksville GOP Committee

JOHN J. BURNS

In session Tuesday night of this week enthusiastically gave its support and endorsement to Assemblyman Burns for the office of Town Supervisor when it was officially known that Waters will not seek re-election.

Named for re-election as Councilmen by the Republicans of the Township are Benjamin Zipper of Syosset and Marjorie Post of Massapequa; for Highway Superintendent, Thomas Pynchon; for Town Clerk, Henry M. Curran.

Special Rules Govern Big Golf Competition

BROOKVILLE — The Country Club here is the scene today of the mighty Hicksville golf tournament, bringing together the best of the Rotary, Lions, Kiwanis and Chamber of Commerce. Jay Schwartz is again chairman, assisted by Lou Smith (official rule maker).

The golfers will play from sunrise to sunset and because there have been reports of feverish special practice by the Kiwanians, it has been directed that no player who has been on the links in the 24 hour period before the match will be allowed to compete. Lawrence McCaffrey went to the course last night to get an early start. He hasn't been heard from since.

To keep the scores strictly so-so, Aaron Rochman has been posted in an oak tree at the ninth hole to observe the game and Frank Mallett will be taking candid shots throughout the day and for into the night.

Harry Drollinger has the insurance coverage for the big event but the rules have been tightened this year due to the large number of claims filed in previous matches. No golfers will be permitted to

take part if they have more than 32 clubs. Golf bags including clubs and other gear may not weigh more than 40 lbs including the weight of the caddy. (A special exception has been allowed for Town Attorney Michael Sullivan (continued on page 12)

Paid \$100 Fee He Didn't Want

HICKSVILLE — Harry H. Goebel, former attorney for the School District, was paid the \$100 he had billed the district for and then said he didn't want to get paid for the bill, Friday night.

Goebel's position as school attorney for a year, ended on July 2. On July 10 he submitted a bill for \$100 for his appearance during June in the Appellate Division in regard to the Schluter case.

When the present attorney S. Arnold Witte ruled last Friday night that "from the evidence this is a legal and valid bill", the (continued on page 6)

- AND WE QUOTE

"Some of the figures who have become teen-age institutions sound like they belong in one."
— Paul Hartman.

Dear Jean:

PAUL GIAMONACO, one of the Hicksville Boy Scouts to be chosen to attend the Scout Jamboree at Valley Forge last week was seen on TV on the "Big Top", circus program which was televised from the camp grounds. Paul was one of those who was introduced to the audience by the master of ceremonies, JACK STERLING. Paul is the son of Mr. and Mrs. Gene Giamonaco of Hilda Circle, Hicksville.

CHRIS BRENGEL, father of HENRY C. BRENGEL, and one of the oldest living former firemen of the local department, was welcomed at a member of the Hicksville Exempt Firemen's Assoc. at their quarterly meeting, Monday night. It was, appropriately, Old Timer's Night.

Three stores are out of business at Mid Island Plaza, Atlantic Book Store, Karen's Youth Centre and the Little Charmers Shop, according to notice from the P.O. JACK EHMAN of Firststone has notices a small foreign-made car parked on E. Barclay St., daily between two driveways. The space is too small for a regulation-size car. While HICKSVILLE NITE at Ebbets Field this year will be Aug. 20, three local boys will appear at the Field with Happy Felton on Aug. 5. Local fans will get a special treat, according to BILL MANNILLA, since Aug. 20 is the date of a twilight double bill with the first game about 6 PM. The Dodgers meet Cincinnati on our date. Jericho will have its night at Ebbets Field on Aug. 23.

10th Birthday For Amvets

HICKSVILLE - Malcolm Gertsen, state commander of the Amvets, today joined members across the nation in noting the Tenth Anniversary of Amvets' Congressional Charter. Gertsen said: "Since July 23, 1947, Amvets has seen its hopes materialize into actuality, with an organization now approaching 5000 Posts nationwide. Under the Charter granted by the United States, Amvets has developed into a major veteran force, recognized and respected nationally and internationally. "We are serving the Nation in many ways. Our Americanism program, while exemplifying positive Americanism, is recognized as a strong anti-communist force. The Amvets Memorial scholarships constitute an outstanding national education program; our Rehabilitation program assists thousands of disabled veterans annually; our Community

Service and Youth programs benefit thousands of communities throughout the United States. All are a genuine credit to the creativeness and selflessness of our organization. Amvets, in Posts, State Departments and Districts throughout America, have made outstanding contributions to the building of the Nation via its great organization, but much remains to be done.

"On this occasion I urge every member of the Amvets to bring in at least one new member in the interest of furthering our service to veterans and the Nation. As membership grows, so grows the stature, strength and prestige of Amvets everywhere. "Therefore, let us re-dedicate ourselves to continually building Amvets—the Amvets that jealously guards the veteran and his dependents and keeps our Nation free and strong."

Numerous Calls For Firemen

HICKSVILLE - Considering the hot dry spell this past week, the Fire Dept., had only four grass fires to put out during the period of July 17 thru July 22. In addition they put out an oil burner fire, and a garbage fire in a Town Sanitation truck.

On July 17 they put out a grass fire on Mulberry St. and Bloomington Rd.; and on July 20, they were called to Newbridge Rd. near Title La. to put out another that had spread through two back yards to the Water District Pumping Station.

An oil burner fire at the Mishler residence, 194 Spindle Rd., called them out on July 22. This date, also, they put out a fire in a garbage truck owned by the Town when contents began to burn.

"Sue Mary, will you stop giggling? How can Daddy solve your algebra problem if you bother him all the time?"

"I spoke with my son in 'tomorrow.'"

"Our son, Richard, had been stationed in Japan almost two years. Just before his twentieth birthday, we decided to phone him. And when I heard that familiar voice say, 'Hello, Mom,' what a wonderful thrill it was! We still talk about the call, and the amazing fact that - because of the difference in time - Richard was already twenty in Japan but still only nineteen by our time. More amazing to me is how little the call cost. I've spent as much at times just to send him a package, and no package could match the pleasure we and our son got from our 'call into tomorrow.'"

Search Catskill Woods For Elderly Local Man

By IRENE GILCHRIST

EAST DURHAM, N.Y. -- An intensive search through this heavily wooded section of the Catskills has been going on this week for a 78 year old Hicksville man who failed to return from a dip in a creek nearby Joseph's Farmhouse where he was spending two weeks vacation.

The man, Charles Wullin, who makes his home with his daughter and son-in-law, Mr. and Mrs. John Spielman, 174 Princess Ave., Hicksville, has been missing since Friday, July 19. State Police, and members of the local Civil Defense are being aided in the search by bloodhounds and helicopters.

Spielman and Wullin's son, Robert joined in the search over the weekend. A towel answering the description of one given to Mr. Wullin by his daughter, Viola, was found near the creek. A small boy reported seeing the elderly gentleman in the creek and his clothes hanging on a nearby bush Friday afternoon. Searchers not finding the clothes have assumed Wullin came out of the water dressed and then made a wrong turn going back to the farmhouse of Joseph Baier where he has vacationed for many past summers. Viola Spielman told the HERALD

that she was very grateful to all the members of the search party. She said they were doing everything possible to find her father.

Wullin, a retired ornamental ironworker has made his home with Viola and her husband for the past 12 years. The Spielman's have lived in Hicksville for seven years. He is the father of three sons and three daughters.

The winner of the Mid Island HERALD Old-Time Photograph contest will be announced in next week's issue. Dozens of replies were received from HERALD readers and efforts are being made to take a present-day view of the same location.

CURRENT COMMENT

Scratch My Back Govt.

BY FRED J. NOETH

THE PROPOSAL that Oyster Bay Township be cut up into six Councilmatic wards of about 40,000 residents each is being mentioned for its possible publicity value.

The proposition comes from the Democrats and is curiously duplicated by them in the Townships of Hempstead and North Hempstead. The latter two areas have four councilmen each on their town boards while Oyster Bay, effective next year will have six councilmen.

There are several real and substantial reasons why the ward-system is not what it appears to be. For one thing, under the ward-system the term of each Councilman is limited to two years each. The term of the Supervisor is also for only two years. As a result, the Township would have a complete Town Board coming up for election every two years. Our school boards, in contrast, under the law have trustees serve overlapping terms just to assure that essential continuity of experienced officials. With the next school elections, the terms of School Trustees will be officially five years each; they were three-year terms in the past.

The Democrats know that if they want the ward-system, they can put it to the test of the voters by filing a proper petition with the Town Board. However, after their sad experience of a couple of years ago when they insisted upon submitting the question of a new incinerator plant to a town-wide referendum (at an estimated cost to the taxpayers of \$16,000 or more), they are not too anxious to repeat this procedure.

Obviously a most distressing feature of a ward-system of election councilmen would be the creation of six zones or camps. Each councilman would be elected solely by the voters of his ward. His first and only allegiance would be to the ward and with the prospect of an election every two years, political campaigning would be a continuous process.

Town-wide problems would receive scant attention under the ward-system because each ward councilman would be interested only in the affairs of his district. The alternate would be log-rolling in the old-time tradition. One ward councilman would vote for another ward councilman's proposals if the second councilman would return the "favor".

We would have town government by "you scratch my back and I'll scratch yours". Town-wide problems, such as beach projects and thru roads, would have tough sledding.

Oyster Bay Township is fast growing and welding together. The problems of Bethpage are the problems of Hicksville and the problems of Plainville, etc. This is especially true south of Jericho Turnpike where the greatest increase in population has taken place.

Under the town law, a ward-system would require equal division of the population into six (in Oyster Bay's case) wards. With 240,000 residents, this would come to about 40,000 people per ward. In Hicksville, with more than 50,000 population, we would have a councilman and a fraction of one from another community. That fractional councilman would, naturally, be mostly concerned with the neighboring community which gives him the greatest bulk of his vote. Thus Hicksville, in one segment, would have only partial representation.

Worthy of special note is the fact that when the voters of Oyster Bay Township approved the increase in the number of councilmen from four to six, the Town sought special legislation to permit the increase to become effective at once -- rather than wait until the bi-annual town election year. Despite arguments advanced by Assemblyman John J. Burns, sponsor of the bill, that the Town wanted to get the advantage of increased Board membership without delay, Democratic Governor Harriman vetoed the measure.

Board voted five to one to pay. (Voting aye were Emil J. Szendy, Allen Carpenter, Herbert Johnson, Jerry Zetler and Arthur L. Eich. Voting no was Robert Goodrich, Robert D. P. Eaton was absent from the meeting.)

Goebel then addressed the Board, exchanging some heated comments with President Szendy, and asserted: "As far as I am concerned, I don't want to get paid this bill. It was never intended that I was going to get paid this bill".

Szendy had expressed the opinion that he considered the bill "contrary to the agreement" made with Goebel at the time he was appointed.

When he was appointed in July of 1956, Goebel had accepted the position with a salary of \$7,000 for the school year and expressed the opinion that he did not expect additional compensation for litigation that might be involved.

The School Board and Goebel had not, during the year, entered

into a formal contract.

Szendy also brought to the attention of the Board, last Friday night, that as of Sept. of last year Goebel "by direct application to the State Comptroller, unbeknownst to the Board, became a member of the State Retirement System. It is estimated that the District's contribution toward Mr. Goebel's retirement during the past fiscal year" was in excess of \$800.

The Board, Friday night, voted to submit the question to the State retirement system.

The meeting last Friday night lasted until 2:25 AM Saturday with action taken on 27 motions. A large portion of the meeting was devoted to development of a Board policy on prior approval of items to be bid upon and specific approval regarding items for the Jerusalem Ave. Jr. High School.

Improvement and maintenance of school grounds will be among the major topics when the Board meets again this Friday night, July 26, at 8:30 PM in the High School cafeteria.

Plainview Volunteers Win Battalion Drill

Plainview volunteer firemen are slapping each other on the back this week over their triumph at the Ninth Battalion Parade and Drill held in Bethpage, Sunday. They took the point trophy with 29 points against second place Westbury's 25 and third place Bethpage's 20 points.

This is the first time Plainview ever won the Battalion Drill, a competition among the seven teams competing in the Ninth Battalion.

The score would have been even higher, but a strap broke on a boot during the equipment contest, and the Plainview team was disqualified despite its having made the

best time. The local boys took first in running hose, motor hose, motor pump, and efficiency; second place in booster and bucket brigade drills; and fifth in the three man ladder race.

In fact, the only ones who could show up the Plainview firemen were their wives! The Ladies Auxiliary of the Fire Dept. took first prize for being the best-appearing unit with Hicksville in second place.

However, the Hicksville men won the trophy for the best-appearing Department with the Plainview vamps coming in second.

Capt Andy Loves Long Island

Andy Devine, playing the historic Captain Andy Hawks in "Show Boat" at the Jones Beach Marine Theatre, has moved to Long Island and says it reminds him of home. His hometown, as many Devine

fans know, has been Van Nuys, California, where he served as honorary mayor for 11 years. While relaxing in his new home in Freeport, Andy said "Guy Lombardo couldn't have picked a better place for me to play Captain Andy than sunny Long Island. And the remarkable thing is that it never rains at Jones Beach." Mr. and Mrs. Devine are having great fun visiting the famous beaches of Long Island and look forward to August when their sons Ted and Dennis will visit them during their vacation period.

With Andy's recommendation, many members of the cast plan to spend most of next month somewhere on Long Island. For those who will have to continue the commuting to New York, the Long Island Railroad has arranged for a special recreation car, in which the members can take their make-up off on the return run from the Beach.

The famous Jerome Kern - Oscar Hammerstein 2nd musical, based on a novel by Edna Ferber, is now in its fourth record-breaking week at the Jones Beach Marine Theatre. Featured members of the cast are Helena Bliss, David Atkinson, Lou Wills, Jr., Gloria Hamilton, Marie Foster, William C. Smith, Helen Dowdy, Helen Raymond and Albert Popwell.

During the past two weeks, sales from large organizations on Long Island and New York City have swelled the attendance records and Guy Lombardo predicts that the overall attendance for this summer will be double that of last year.

BURT LANCASTER and Tony Curtis in "Sweet Smell of Success" at the Cove Theatre, Glen Cove, now thru Saturday, July 27.

Queen Invites Contenders

A cocktail party is being arranged, to be attended by the contestants for the Queen of the Bathpage 21st Anniversary Celebration. Mrs. Helen Miller, chosen Queen during the festivities at the time Bathpage took its present name 21 years ago, will act as hostess and welcome the new contenders for the Crown.

The party is scheduled for Aug. 3 and it is hoped that all the Queens hopefuls will have announced their intentions by that date. The new Queen will be crowned on the final day of Bathpage Week, Saturday Oct. 12.

Contest rules are simple. A girl must have reached her 18th birthday and be a resident of the Bathpage Election Districts. She may enter as an individual or may be sponsored by no more than two clubs or organizations. Other rules regarding votes, prizes, application forms, etc., may be obtained by calling Paul Danna at WE 5-4004.

A real wing-ding of a celebration is planned for this 21st Birthday of Bathpage. Details will be unfolded as the date draws near. Many local citizens are presently working on a "Journal" which will depict Bathpage old and new, and are calling upon merchants for assistance in its publication.

Theater Party

The Jefferson Democratic Club is sponsoring a theater party to "Show Boat" at Jones Beach Saturday night, Aug. 24. A block of tickets in an excellent location at \$2.75 goes on sale today. For reservations call Muriel Rosenthal, Ov 1-3798.

Because of the keen rivalry, Lou Smith announced that Francis Anderson has available certified copies of scores from previous years at \$1 per copy (No order considered for less than 1,000 copies). Pat Caputo, last year's highest scorer, has been engaged in secret practise aboard his new yacht, since sea-going practise is not the same as land-going practise.

MAKE A LOCAL COMMERCIAL BANK YOUR FAMILY BANK

SALLY, I GOT
THAT RAISE!

GREAT MOMENTS

... in the life of the family

A raise is really something special ... it means so much to the entire family ... and it means a lot to the community, too.

Each time the buying power of a family increases, business improves. But the importance of a raise goes way beyond the "splurge" that makes it fun. Through savings it can insure tomorrow's buying power, as well.

The Spriggs savings are deposited in a local commercial bank. That makes sense. The company Sam Spriggs works for has grown with the aid of credit supplied by this same local commercial bank.

So the Spriggs savings have helped the Spriggs directly and indirectly.

Directly — by supplying an interest-earning dollar reserve which is instantly available for any family emergency or need.

Indirectly — by helping to supply the basis for loans to meet the needs of local borrowers, such as Sam and the company he works for.

Sam Spriggs' wise choice of an insured, all-purpose commercial bank in which to keep the family savings account actually helped to make his own raise possible.

Great moments do not just happen. They are worked for and planned for.

* * *

No doubt about it — the family's best bet is its savings account, and the best place for your savings account is a local all-purpose commercial bank.

Here your money is insured by the Federal Deposit Insurance Corporation. Here your money does double duty — a dollar reserve for you; a source of strength and prosperity for the community.

Jets Score 29 Runs

By Elwood S. Kent, Sr.

The Jets rolled up 29 runs in the St. Ignatius CYO Baseball League as they found a day on which they could do no wrong. Bombers, believe it or not, played a good game but couldn't make a dent anywhere in the armor of the Jets. Bobby Harmon tossed a two hitter and then accounted for a grand slam homer. Drushnick rifled two homers and batted in six runs. The hits were dropping all over the Dutch Lane field. A snappy double play Jimmy Baldwin to Jarvis snuffed out a potential scoring threat as the infielders gave fine support to the pitching.

Warriors won a game by forfeit at the Old Country Rd. field thereby maintaining their grip on first place. Coming down the wire it looks as though a fight for first place will be fought between the Warriors, Comets and Jets.

SOFT BALLERS

A tremendous game played by the outstanding soft ball titans of the CYO, Saturday, developed into one of the tightest and hottest contested affairs ever. The final score was 25 to 24. Prior to the game the teams engaged in practice performing startling fielding and hitting feats. The spectators were thrilled at the athletes going through their starting turns limbering up for the game. So eager were the players to start the game the teams went unnamed, therefore the column will be unable to

announce the title of the winners until next week.

The umpiring was taken care of by Messrs. Shanley and Hood. Undaunted they stood on the field making decisions as though they were participating in an ordinary game instead of one that had all the grunts of soft ball participating. Truly, they showed remarkable courage and wonderful instinctive soft ball sense. Such a performance is Hall of Fame stuff. There were no casualties.

VOLUNTEERS WANTED

Remember the St. Ignatius Loyola Bazaar. CYO men are needed to man the booth on Aug. 9 to 11 and 15 to 18, Aug. 9, 15 and 16 it will be open 7 to 11 and the other days 2 to 11. Contact Jim Hood WE 5-1483 or Frank Vannhauser WE 5-2318. Thanks for your help.

MISCELLANEOUS

Ray Cammanta was seen in these parts over the week end. Probably he initiated a new form of communications and was commended for his last stint at Niagara. Anyway he looked good, acted normal, and can't wait for some of his friends to join him up there at Grand Isle.
