Last Call For Tickets

EVEN A GIANT FAN enjoys going to Ebbets Field on Hicksville Night — If there is a possibility of the Dodgers getting their lumps, William Al Monnille, chairman of Hicksville Night at Ebbets Field which is next Tuesday, August 20, sets a block of 10 tickets to William F. Koutensky, president of the Long Island National Bank of Hicksville who makes no secret of his admiration for the Giants. Today (Thurs) is the last day to purchase reserved seats for the two-night double header at Ebbets Field on Aug. 20. Tickets at \$2.25 are available at the HERALD office, next to Hicksville Post Office, until 5 o'clock this evening. Meet the gang at Ebbets Field in Hicksville's reserved section between home plate and third base. (Herald photo by Frank Mallett).

AIR MAIL FROM ENGLAND

Leo Member of Queen's Guard; Scouts Start on Tour of Europe

BY EXPLORER SCOUT LEO KANAWADA

SUTTON COLDFIELD, Warwickshire, England--Via Air Mail--Aug. 2--This past week has been a week which I will long remember. This week has opened the door to friendship with fellows from other countries. Meeting Scouts from other countries could come only as the result of the people of Hicksville who have actually sent me to the World Jubilee Jamboree of the Boy Scouts, here.

The last couple of days on the boat were spent in packing up. On July 30th at 6 A.M. we docked at Plymouth. We got off the boat on to a tender which took us to the shore. When we reached shore we boarded a train which took us to Sutton Coldfield, Warwickshire. While on the train, we saw the very beautiful country-side which was made up of green pastures and wheat fields. The towns are very small compared with Hempstead or any big city of ours. There are no skyscrapers in the poor towns and cities and the houses of the cities are built closely together. The towns make a beautiful view against the rolling country side. You have never met better gentlemen than these Boy Scouts from England. They are terrific.

The day we came here, we had no tents or any shelter. The English boys let us sleep and eat with them and made us part of them. These fellows really take scouting to heart and love every minute of it. If you could meet these boys

These two airmail letters were received this week by the HERALD from Explorer Scout Leo Kanawada of Troop 64, Hicksville, while attending the World Jubilee Jamboree in England. On Tuesday of this week the entire US contingent was divided into eleven tours and during the next two weeks they will visit Switzerland, Italy and France, sailing for the United States from LeHarve on the SS Fairsea on Aug. 26. --- Editor.

from other countries, you couldn't figure out why peace couldn't be restored to the world.

SET UP CAMP

We set up our camp on August 1st and the boundaries of our site were lined with people and scouts watching us. We set up fairly smooth and we are living comfortably again.

The fellows from America are very popular with the boys from other countries. I have been invited to tea, Sunday afternoon, by home Scouts from Switzerland. These boys are very friendly and love to make friends.

New Rates Under Five Dollars

SCHOOL TAX BILLS CLIMB LESS THAN OTHER AREAS

HICKSVILLE -- The school tax rate on real estate, which accounts for more than half the total property taxes in Nassau, will not rise as high in this community as in many other school districts of Nassau. Forecast as a possible \$5 rate (\$50 per \$1000 of assessed valuation), the rate has been officially set at \$4.813 per \$100, a gain of 78.3 cents over last year's rate.

The rate represents an increase of \$39.15 on the taxbill for a homeowner whose property is assessed at \$5,000. The rate includes \$4,691 per \$100 for school purposes and 12.2 cents for public library.

The School District will need \$6,254,945.33 to operate during the year 1957-58. With the application of two and a quarter million dollars in state aid and a balance on hand of a quarter million, \$3,754,945.33 must be raised by direct local property taxes during the fiscal year.

The library operating budget, also raised by taxation, will be \$97,976.40.

BETHPAGE GAINS

In Bethpage School District the new rate has been officially set at \$4.56 per \$100, a gain of 18 cents over last year's. The official rate in both Hicksville and Bethpage is under the estimates stated at the time of the annual budget vote in May.

Bethpage District voters will vote again on Saturday, Aug. 24, between 10 AM and 10 PM upon a candidate to fill a newly created vacancy on the Board. In a previous election no candidate received the necessary majority vote.

Candidates against Leon Lunden and Richard Tilley who ran in a free-way race on June 22, Mrs. Lorraine Carter, who ran in June, has not filed for the new run-off.

About 2,000 voters are registered to cast their ballots, including all who registered since May 7. Final registration dates are today (Aug. 15) and Saturday, Aug. 17, from 3 PM to 9 PM.

What Tune Do You Play?

HICKSVILLE -- A call to all residents, young and old, who play musical instruments was issued today by the Fire Dept which is planning to organize and sponsor a marching band. Those interested are urged to send a post card, stating their name, address, phone number and instrument, to the Fire Dept Band Committee, E. Marie St. Hdg, here. Co-chairman of the special Band Committee are Henry Varca Sr., Clifford Davis, Bill Ronning and Thomas Holly.

Property Owners Still in Dark

HICKSVILLE--Property owners along North Broadway, between John St. and Lenox Ave., have not as yet received notice of condemnation or other legal action by the State in connection with the proposed widening of the State Highway. A slice of up to 50 feet is scheduled to come off the properties on the east side of the road.

The State Dept. of Public Works will receive bids for the program at Albany on Aug. 29, two weeks hence, and it is anticipated that work will get underway shortly thereafter.

The Mid Island HERALD in a

survey of property owners and store operators along North Broadway found this week that none of the owners affected by the project seem to know when they would be asked to sell or otherwise vacate their properties.

The only information the majority of them seemed to have was obtained in casual conversation with a group of engineers from the State Dept. of Public Works who were surveying and measuring North Broadway last January. At that time the engineers told the State planned to start work sometime during the spring months in

Two Birthday Parties in Oct.

BY FRED J. NOETH

TWO COMMUNITIES in our neighborhood are planning birthday celebrations in October. Bethpage will mark the 21st anniversary of its change of name from Central Park, its coming of age; while Levittown is rounding out 10 glorious years.

It is unfortunate that both have chosen almost the exact same dates for their anniversary parties. They are bound to detract from each other in publicity promotion.

Both anniversaries are of keen interest to us: (1) The Bethpage event because we were intimately connected with the details of the change of name, in the role of a reporter covering committee meetings and what not; and (2) The Levittown celebration because we managed to get into a minor civil war with folks directing the newspapers in Levittown a decade ago.

The Central Park Improvement Committee with the late Al Lang as chief dynamo came up with the Bethpage change of name. At that time Bethpage State Park was almost brand new and civic leaders in Central Park were concerned that Farmingdale was getting publicity credit for having this facility in its back yard.

William Ahern achieved the steps which made the name change official. It was he who obtained consent from the Long Island Rail Road to rename its depot "Bethpage" after the Postal authorities responded to a petition signed by thousands to change the name of the Post Office. Those two things really changed the name; the Rail Road Station and the Post Office. After that, everything else fell into place.

There was an interesting interlude while a group in Farmingdale thru the press, sought to thwart the Central Park movement. Everything came out well and the day the change of name became official, the Farmingdale people were invited to join in the festivities. As we recall, they all showed up except Grey Mason who was then editor of the Farmingdale Post.

Ancient Indian deeds (Powell Purchase) were reproduced in the newspapers at the time, historic records were quoted and what-not as the controversy "ragged".

We have mentioned only two of the many names which should be credited with the change of name project. From memory, we recall the valiant work of Jack Gifford, Charles Schwartz, Jimmy Amendola and many others. We know they will all be fully recognized in connection with the big celebration. James "Happy" Norman, who had a starring role in the first party, is most active in the current program. Twenty-one years ago Happy made a parachute jump to top off the day. He suffered a leg injury in landing and we don't believe he has repeated the stunt since. Wing-walking and jumping from plane to plane in mid air were routine for Happy before he made his home with us.

As for the Levittown birthday, we recall the raging battle that went on about the name in the first place. Die-hards wanted to retain Island Trees, but after the passage of a decade there are few who even recall the original area name.

QUEEN'S HONOR GUARD

Aug. 9--Time has been very scarce around here and I'm trying to write every Friday. I hope the things I write about are satisfactory to you and the people of Hicksville. I wouldn't want to let you or the people of Hicksville down. I last wrote about the day before the Queen came. Well, I was pretty lucky and was chosen by the scoutmaster to be on honor guard for the Queen. I didn't shake hands with her, though. We assembled to greet the Queen with all the Scouts from the other 83 countries. We marched in front of the Queen and she winked only at me. We had a good time.

I've made friends for life with some fellows from England, Scotland and fellows all over the U.S. When I talk about Hicksville--and I usually brag too much about our town--the guys come back at me with their little remarks and this is one of the ways I've made friends with the other fellows. A lot of fellows come from other towns which have never been heard of and the guys from the big cities usually have fun kidding them.

LOCAL VISIT

On the 5th of August, we visited the town of Leicester. We thought the trip would be a waste of time, but we found out that the people of Leicester had arranged for us to live in the city with a family and that family fed us and gave us the use of their home. These people took American Boy Scouts, complete strangers, into their home and gave them what they had. You have never met people who are so friendly and happy even though they live different and in some

cases poorer. The people I went with, Mr. and Mrs. Harold Packer, were fairly rich people who owned their own home. People who work for somebody don't always own their own home. Houses are built so that they are attached to each other for blocks. But living conditions do not, down the English people. I've found them to be the most terrific people I have ever met. You would have loved to meet them to find out about them.

56 CENT MEAL

On Aug. 8, we visited Stratford-on-Avon, the hometown of William Shakespeare. It's a small town with small roads but fairly good sized houses. We first went to an antique shop where our boy Mel Recit from Plainville had to get a cutlass. And good ol' Mel got his cutlass. He's in his glory. He's doing a good job here and is one of the most likeable guys in the troop. We had lunch then. We had lunch then. We had steak, and french fried potatoes and cake for \$56. We then went to see Shakespeare's house and his wife's home. After that we went to see the Shakespeare Memorial Theatre, and took a boat ride on the Avon. We then went to Warwick castle which is one of the best castles in England. We had supper and had a riotous time ordering things to eat. After supper, we left to go back to the jubilee campgrounds.

Every three days, our patrol cooks for the whole troop--32 boys. We have to get up at 6:30 AM and make eight fires in the stoves. We cook just about all day. We have a lot of fun with our patrol. They're a great bunch of guys each working together. When I write next I'll be in Belgium.

QUEEN ELIZABETH II of England, with her some of the leaders of the British Commonwealth, Explorer Scout Leo Kanawada of Hicksville in his report on the World Scout Jamboree in England this week reports the Queen winked at him. He was a member of a special guard of honor when the Queen visited the Jamboree.

ROBERT JAY BURGAN, son of Mrs. M. Burgan, of 25 Salem Rd., Hicksville, has completed nine weeks of recruit training at the U.S. Naval Training Center, Bainbridge, Maryland. The local sailor, a former student at Hicksville High, will spend a 14-day leave with his parents before reporting to Bainbridge, Md. for Hospital Corpsman School. Seaman Burgan successfully completed the transition from civilian to military life, which included instruction in seamanship, ordnance and gunnery, firefighting, military bearing, military drill, ship boards drill and citizenship.

Plants are as unpredictable as youngsters in their rate of development. Sunshine, moisture, and temperature all help to determine how fast and tall a plant will grow and when it will produce its flowers. This may vary from year to year by several weeks, but on the whole the same things bloom at about the same time each season, making it possible to plan your garden picture with a fair degree of accuracy.

The earliest perennials, which bloom with the daffodils, short tulips, and "little bulbs", and yellow alyssum Basket of Gold (alyssum saxatile), bleeding hearts (dicentra spectabilis and eximia), the primroses in variety, and doronicum. Arabis, aubretia, phlox subulata (mountain pink or moss pink), and candytuft are making broad sheets of color in the border at the same time. All these bloom in April or early May, and are soon joined by the forget-me-nots, blue and white violets, pansies, jacob ladder (polemonium) and phlox divaricata. These are all low-growing things that do not need time to produce long stalks.

This year we had an early spring with abundant rainfall, and so

many things bloomed in mid-May that ordinarily bloom in June, such as lemon lilies, many of the iris, veronica gentiana, lupinus, and columbines. Sun rose and coral bells came early, too, but they stay most of the summer. Oriental poppies and roses began to bloom in mid-May and were pretty well finished by the time the Japanese beetles arrived.

The perennial scabiosa and the Chinese bellflower or balloon flower (platycodon) open in June and continue to bloom most of the summer. Delphinium and the regal and madonna lilies as well as the peonies blossom in the month of weddings and graduations, sometimes holding over into July. Day-lilies (hemerocallis) begin in May and continue thru Sept., according to varieties. Shasta Daisies are at their best in June, but some of the double varieties repeat. Veronica coreopsis, anthemis, and the various dianthus (pansies, pinks, sweet william, etc.) begin in June and carry on for several months.

July and August are the months for lilies and phlox. Lycoris blooms in late August, and delphinium repeats in September if you cut it down and feed it after the first blooming. Fall-blooming asters open with the first chilly days. Chrysanthemums come earlier and earlier as new varieties are developed, but late Sept. until hard frost is the time of best bloom for all but the cushion or azzaleums. They are the glorious sunset of the garden year.

Citizens Back Ed Fehrenbach

BETHPAGE--A committee of local, active citizens has been formed, and has named as their chairman, Helen Roode, to formulate a "Vote for Fehrenbach" campaign. Edwin Fehrenbach is the popular local GOP leader of Bethpage, running for the New York State Assembly. This committee will meet actively in the near future to map out their plans.

Maisel Opens 15th Restaurant

Arthur Maisel, famed restaurateur, opens the 15th restaurant in his rapidly expanding chain at the Mid-Island Shopping Plaza, on a site next to the Gertz Department Store, at Hicksville, this week.

Built at a cost of over a half-million dollars, the modern eatery will cover some 8,000 square feet of floor space and will have a capacity of 175 chairs, plus 50 stools at a long serving-counter.

This ultra modern dining palace will feature many of the nationally famous Arthur Maisel food specialties including: The Egg Mountain, six-inch-high lemon meringue pie, the six-ounce charcoal broiled hamburger and the budget-priced 'alfredo' steak and strawberry shortcake dinner.

The new Arthur Maisel's will remain open from 11 a.m. to 1 a.m., seven days a week, and will specialize in luncheons, dinners and supper snacks. In addition it will include a special area to cater to private social and business functions.

marks our "miracle" telephone

says Mr. Gerald F. Vunk, Elmira, N. Y.

When Mr. and Mrs. Vunk bought their home, the phone was in the foyer, right by the front door. They thought it might be more convenient somewhere else. But before they had time to make up their minds, it became their "miracle" phone.

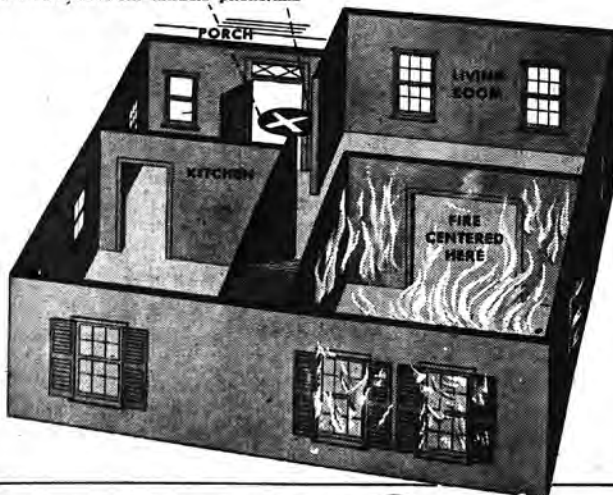

One night Mr. Vunk was awakened by cries of "Daddy, Daddy" and the sharp smell of smoke. The house was on fire! Mrs. Vunk was away, so he had to act alone - and quickly. He hurried the children downstairs and out into the night.

Then, as Mr. Vunk tells the story, "I started in to phone the fire department. But the heat forced me back. In desperation, I reached through the doorway and grabbed the phone. Then, standing on the porch, I lifted the receiver and dialed. Later, the firemen said that if they'd arrived a few minutes later, the house would have been lost."

There's a P.S. to Mr. Vunk's story: "We have a telephone in our bedroom now. But we still have our 'miracle' phone, and

it will always be in its old place, near the front door, even though it's not an ideal location."

The story of the Vunks' telephone is unusual. More often the telephone serves in little ways. Helping a housewife with the shopping. Helping a business operate more efficiently. Keeping us all in touch with loved ones, near or far. Yet for all it does, your phone is one of your biggest bargains. Its price has gone up far less than most other things you buy.

50 Bands Here Labor Day

HICKSVILLE—More than 50 bands of musicians will take part in the Labor Day Firemen's Parade, here, which will march the full length of Broadway from Old Country Road north to Mid Island Shopping Plaza on the morning of Sept. 2. Tournament contests will take place on the Plaza parking field starting at 1 o'clock sharp.

Two blasts of the fire alarm sirens will signal the start of the big parade of volunteer firemen and their apparatus on Labor Day, about 9 o'clock, according to Stanford Weiss, general chairman and grand marshal of the parade.

The parade will take almost four hours to pass a given point and will be divided into divisions. Parade marshals, all former Chiefs of the Fire Dept., will be Larry Huttie, Arnold Jeanson, Harry Borley, Henry Gebhardt, John Leckie, Fred Masters St. and George Kuntz.

Fifty-one companies of volunteer firemen are already entered in the 29th annual event, including a delegation from Connecticut.

Work on the erection of the grandstand is scheduled to get underway during the coming week.

"We are delighted to have the use of Mid Island Plaza this year," Chairman Weiss said, "because it will easily accommodate every visitor and participating fire unit."

A gleaming array of trophies will be awarded for parade honors including unit with the most uniformed volunteer firemen in the line, most pieces of fire apparatus, best band, etc. This year for the first time the ladies auxiliary members will be judged by the County Fire Auxiliary.

Sixty-five trophies, including several giant "leg" trophies which must be won three times for permanent ownership, will be awarded in the afternoon racing contests. Officials of the Nassau County Firemen's Association will be judges.

The Labor Day drill here has become a climax of volunteer firemen's competition on Long Island.

NOW UNDER CONSTRUCTION is the new building of Central Federal Savings and Loan Assoc. at the corner of North Broadway and West John Street, Hicksville, which for many years was the location of Hicksville Inn. This is the artist's rendering.

Denver Session For National Home

Mrs. Jack Berke, president of the Mid-Island Chapter attended the four-day convention of The Jewish National Home for Asthmatic Children at Denver, Colorado, held Aug. 11 to 14 in Denver.

The Home is a free, nationwide and non-sectarian institution devoted to the treatment of children afflicted with chronic intractable asthma. Children from virtually every state in the nation are represented on the Home's patient roster.

This year the National Home is

observing the 50th anniversary of its founding date by organizing groundwork for the Children's Asthma Research Institute and Hospital, an affiliate of JNHAC. "The need for extensive scientific work in the broad field of basic allergy research is a vital necessity," Mrs. Berke said, "The Research Institute will help fulfill this need."

The Mid-Island Chapter devotes its year-round efforts in supporting and maintaining the National Home's dual program of free treatment and research.

Seek Volunteers For Fund Drive

An unknown destroyer of children is at large in the United States, and in this very community. This mysterious killer has been identified only as muscular dystrophy. It claims 200,000 victims, most of them children.

Muscular dystrophy Assoc. of America, Inc. is making that medical-scientific hunt in a broad program that desperately needs public support. Residents help by serving as a volunteer in the house-to-house March for Muscular Dystrophy in September. Register now with the Muscular Dystrophy Assoc. of America, Inc. at 91 Main St., Hempstead, or telephone IV 3-3513, or contact Mrs. Sylvia Kassin at 18 Flower Lane who is chairman of Jericho Area.

Fall Openings

The Plainview Nursery School is accepting applications for possible openings later in the fall, and three year old girls are especially welcome. Membership chairman Erica Yudin invites parents of children two years nine months to school age interested in joining the co-operative school to phone her at We 5-0132 for further information.

Current year's sales increased 28 per cent over last year for the same period.

Charity Game On Twinlawn

A Charity Baseball Game was held on Saturday, Aug. 10, by the boys of Twinlawn Ave., Hicksville, proceeds of which went to the boys at St. Mary's of the Angels Home in Syosset.

The game, played in a field in back of Twinlawn Ave., netted \$25.15.

The boys who played, captained by Francis Callan and David Hoosack were: Dennis Yastras, John Nelson, John Doyle, Paul and John Giamonaco, Kenneth Spunk, John Ciarelli, Francis Mulligan, Warren Garsik, Michael McMaugh, Michael Fucci, Joe Abramowski, James McKinstry, Richard Dunlap, Vincent Hoosack, James Orlando, Bill Gorham, Paul Nelson, Paul Denton, John McKinstry, Dennis Mulligan and Bruce Yastras.

Refreshments were sold by Patricia and Carol Finamore, Jerilyn Looney and Elizabeth Hoosack.

Hoosack's team won the game with a score of 9 to 4.

The boys would like to thank Mr. Kelly of the Hicksville American Little League for the loan of the equipment for playing and all the people who so generously donated to make the game possible.

Civic Oppose Downzoning

At the last meeting of the North Bethpage Civic Assoc., the owner of the property on the Northeast corner of Cypress and Stewart Aves. asked the association to approve the plan to erect stores on the property. This property is two doors from the Club House on Stewart and Cherry Aves.

The members went on record for the second time as being opposed to the downzoning.

order to complete the project by the fall of 1957.

One local retailer summed up the confusion and uncertainty this way:

"We've heard so many false plans and rumors that we don't know what's going on. We won't believe anything until we see the bulldozers out front tearing up the pavement."

The majority of those business people whose property will be taken over by the State, plan to remain in Hicksville. They will either seek new locations or continue their businesses on property adjacent to their present business locations, the HERALD found.

91 Home From Wading River

Boy Scout Troop 91 of St. Ignatius Loyola Church has finished its two week summer camping period at Wading River. Twenty scouts enjoyed themselves hiking, swimming, fishing and boating besides learning some new crafts along the Scouting trail.

Camping is impossible without adult supervision and the camp committee would like to thank very much the men who volunteered

and spent at least one night and one day in camp! Bill Gianelli, Tom Harrison, Milt Flynn, Rick Sacco, Hank Steinman, Tom Bergin and Bob Quinn. Also John and Bob Sholl.

While under the supervision of Bill Gianelli, the campsite, "Cherokee" received the highest daily inspection average of the two week period -- a Giant 98. Bill claims that next year there will be an improvement on this.

The following men motored to camp on Thursday night to hold a Board of Review: Bert Sholl, Adolf Arthofer, Bob Quinn and Tom Bergin. The following scouts appeared and passed the achievements listed: Daniel Carley and George Spinner, both 2nd class; Frank Hudak advanced to Star Scout. Merit badges for Swimming and Citizenship in the Nation went to Paul Gianelli and Frank Hudak. Cooking badge to Mike Fasulla and Safety to Clark Gianelli.

On a campwide competition with 17 other Troops involving scouting crafts, Scoutmaster

Fasulla is proud to announce that his unit came in second, not far off the first place team.

A Big Special thanks from the committee and the Scouts to Scoutmaster Mike Fasulla, who besides working every week with the boys spent one week of his vacation in camp teaching them all kinds of crafts and to Henry Steinman, Assistant Scoutmaster, for his excellent camping arrangements.

Clark Gianelli, senior patrol leader did an excellent job of following the program and guiding the Scouts daily activities. Chris Riemels, along with receiving the "Order of the Arrow" award, ably assisted in Camp leadership.

Birthday To Aid Scholarship

The Bethpage 21st Anniversary Celebration Committee met this week and resolved the question of what to do with any celebration funds left after all expenses were paid. No decision had been arrived at originally except that such funds would be donated to a "worthy local endeavor" of some kind. Since the High School Scholarship Fund seemed to fill that qualification most admirably, the Committee voted to donate any

"profits" to the Fund.

The Scholarship Fund will also benefit from the Coca-Cola concession. Mrs. Jeannette Curcio volunteered her services to obtain the concession and provide other volunteers to man the booth so that the maximum amount could be obtained for some future student who meets Scholarship Fund requirements.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Artie Reir

Since the next issue of our Post newspaper won't be out until mid September, here are some of the surface facts about our just held annual picnic. Held last Sunday at Salisbury Park. The weather could not have been any better. The hot dogs were good. In fact, Chick Jabour just went by with 6. The winners of the door prizes were Ray Smith, Trudy Rutz and Mrs. Gunner Barnett. The Corn was excellent as attested by Chick Jabour as she strolls by with 7 ears on a plate, must be hungry. In the softball game, the Hazel Hunters beat the Sutton Sureshots by a 5 to 4 score. The winner of the corn shucking contest was Jo Satallo. That playful of clams that just went by was followed by Chick Jabour. Among the winners of the children's sack races were: Connie Williams, Garry Barnett, Donna Orsini, Karen Rutz and Elaine Lavino. Here comes Chick Jabour again, my, but how can one carry so much watermelon and not lose a drop.

Our Post flagstaff was in fine form, sparring first with Mrs. Gunner Barnett and scoring with a poke to the forehead and then taking on our picnic chairman, Mike Bellacera, and staggering him with an unlooked for Eagle to the nose. After that, the culprit was tied to a tree and the behavior was much improved. There goes Chick by again. The winners of the drawing for the HFI set were Cliff Freitag and Jack Ehmman who took the winning ticket under the name of Hicksville Firestone. How does one decide custody of this type prize? Incidentally, Art Bletsch would like those few books still missing to be returned to him as soon as possible. Loved those bankers grey shorts and socks. Al Barlow was wearing. Can't be, but there goes Chick again

with more hot dogs in one hand and corn in the other. She must be still hungry. That was a lovely chapman that George Barnett was wearing. And the committee must be commended for the splendid job they did for all of us. It's not easy to work out in a broiling sun, cooking, on your day off so a lot of strangers can eat and have a good time.

Thanks to Mike Palladino, Bob Hazel, Gunner Barnett, Johnny Flury, Lou Fungello, Guy Smith. Did you know we have a champion clam opener in the person of our past commander, Artie Bletsch? There goes C.J. again, I think I'll follow and see where all that food goes. Somehow or another, I start out but wind up in a sack race which turned out to be a tumbling contest for distance, so I lose track of C.J.

Just a mention of the open house at the Post this Saturday night, Aug. 17th. Come one, come all, enjoy some cool drinks, gossip and pleasant music, after all, it is YOUR clubhouse. We, I see Jay Jabour reclining in a lawn chair looking rather all full up, now I know where all the food that Chick's been totin' has gone to. Quite amusing was the character, not connected with our picnic in any way, after having served himself with our food, going back to his table and telling his friends that they can get all the hot dogs, corn and clams for free by just walking up to the serving tables and reaching. This is to let him know, in case he should by pure chance read this column, that the Legion enjoys a joke also. Don't forget that we have a meeting on August 19th and that we have a meeting on August 19th and that there is always a cash drawing that you could win if you are present.

Picnic Sunday for Americans

by BILL EGGERMAN

The Hicksville American Little League would like to announce that their annual picnic will be

held this coming Saturday, Aug. 17 at Salisbury Park from 10 A.M. to 8 P.M. Bring your own refreshments. Please do not bring any bottled refreshments, as canned beverages only are permitted at Salisbury.

At the time of this writing, Hicksville American Little League has drawn to a successful conclusion. There were close to 400 boys who participated in the American Little League this year and we hope they learned a little more about baseball and good sportsmanship. President Joe Kelly and his staff of officers deserve congratulations for a job well done.

The next regular meeting of The American Little League will be held at the Burns Ave. School on Wednesday evening, Sept. 11th at 8:30 P.M. This is election night, so please try to attend.

The annual picnic of Cub Pack 91 of Hicksville will be held on Saturday at Bethpage State Park. This is a family affair and the Cub Scouts are invited to bring Mom, Dad, sisters and brothers.

The Pack committee under the leadership of Charles Lang is in charge of arrangements. Picnic starts from 9 a.m. on.

Reports from the CYO base at Grand Isle are slowly coming in. It seems guard duty and duty on the switchboard are privileges only extended to the outstanding and deserving. Who is more deserving and outstanding? You guessed it - Ray Cammaratta.

Thanks to everyone who assisted in the Paper Drive. Should you ever want rain or a light shower telephone Gene Felder, inquire as to the paper pickup date, and on that date you can be sure of a few drops - you see it makes the paper heavier too.

Tersellino Stars on Mound

by ELWOOD S. KENT, Sr.

HICKSVILLE--This past week in St. Ignatius CYO baseball, the excellent pitching by Tersellino stopped the Warriors cold by the score of 4 to 3. In addition to pitching a fine game, Tersellino displayed acute baseball sense by picking several men off base. The injury to Lafaine, while not serious, spurred the Bulldogs to greater heights in their victory. Umpire Bill Schiffmacher again performed a masterpiece of arbiting. His decisions were clear cut and definite.

The Bombers overcame the Terriers 17 to 16 as Barolotti put the game on ice by driving in the winning run. Germaine was credited with a well earned victory. Volpe weighed in with a smashing triple to bolster the Bombers. Sensational fielding gems were executed by both Schiffmacher and Konen to keep the Terriers in the game up to the final out.

RAINS CAME

Jets and the Comets were unable to get their game started due to the rains. They now have several makeup games that will have a bearing on the championship. Last week's defeat suffered by the Warriors dropped them below the Comets.

The schedule must show a couple of double headers in order to complete the season. These games are important and should they fall the right way could cause a three way tie for the first place necessitating a play off.

The 9 to 10 American League reflected an Oriole win by the score of 5-4. Both teams, in this one, were deserving of victory. A better game of baseball hasn't been played all season. Woodworth and Trubinski carried off the pitching honors. The play was so good, it was impossible to select any player more outstanding than the other.

Tigers emerged the victors over the Senators 5-0 in a grueling hard fought contest. The 2-0 Tiger lead up to the final innings was in jeopardy several times and the Tigers were not certain of winning until the last Senator was called out. Ferrari starred on the
