PARTIES NOMINATE CANDIDATES
TUESDAY IS PRIMARY DAY

Next Tuesday, Sept. 10, is primary day with polls open in local voting district from 12 noon to 9 P.M. Republican party members will be voting for their district committeemen and, for the first time in recent history, will nominate their party candidates for the November election. Democrats, who elected committeemen last year, will only be selecting their party candidates.

A long list of places on the ballots are to be filled by the party members this year. Openings include Town Supervisor, Superintendent of Highways, Town Clerk, five Councilmen, and three Trustees of the Jones Fund.

The position of Assemblyman will not appear on the primary ballot since John J. Burns, Republican designee for supervisor, has not officially resigned as yet as Assemblyman to avoid complicating the election procedure. Both parties will name their candidates for the November vote thru committees on vacancies, probably in October.

Edwin Fehrenbach of Bethpage, (continued on page fourteen)

North Bway Widening
Job to Take 2 Years

ALBANY - Re-construction of North Broadway, Hicksville, from the LIRR crossing at Herzog Place north 2.47 miles to Jericho Tpke is expected to start in about a month and completion is scheduled by Dec. 31, 1959; it was learned today, following receipt of a low bid of \$2,056,478.85 from DeLillo Const. Co., Inc. of Hicksville.

The new super-road will be a six-lane divided highway for the most part with additional lanes at some locations. Along the area in front of Mid Island Plaza, for example, the highway will have eight divided lanes. Five bids were received.

John W. Johnson, state superintendent of Public Works, also announced:

To alleviate the present congestion at West John St., the Broadway- (continued on page four)

STANFORD WEISS, ex-chief of Hicksville Fire Dept and grand marshal and general chairman of the biggest Labor Day Firemen's parade and drill held here Monday steps smartly at the head of the 4,104 volunteer firemen and ladies auxiliary members, followed by the Hicksville Dept color guard. There were 221 pieces of fire fighting apparatus in the parade, 50 bands. Police estimate 25,000 saw the parade and competitions which took a total of over 12 hours to complete.

DR JACK W. WEBER of 34 Adelphi Road, Hicksville, Vice-President of the Hicksville Lions Club, presents a duly inscribed ball and gavel to Monsieur Guy Taumyol deClos, Chief Purser of the SS Ile de France, recently. The presentation was made aboard the Ile de France in recognition of the efforts of M deClos in providing regular service club meetings aboard ship in order that members might maintain their attendance record. Arrangements for the presentation were made by Lion Thomas Hogan of 5 Gardania Lane, Hicksville, the Ass't. Cruise Director for Caribbean cruises aboard the SS Ile de France.

Garden Apts
Seek Tax Cut

OYSTER BAY--The application of Fairhaven Apartments for permission to build 128 more garden apartment units on the north side of 17th St., west of Broadway, Jericho, was the subject of a public hearing before the Town Board, Tuesday. Opposition was registered by the North West Civic Assoc. and a spokesman for the Hicksville District Citizens Advisory Committee.

H. W. Underhill, vice president of Jericho School Board and an official of Jericho Taxpayers Assoc. asked a week's time to file a brief.

This week it was learned that Fairhaven Apartments, which has been operating additional garden apartments on Richard Ave., about two blocks south of the new application, in Hicksville School District has petitioned the Supreme Court for a review of its tax assessment. The matter comes up in Mineola on Oct. 7 and seeks a reduction in total valuation from \$444,050 to \$382,110. Hicksville School District has been given notice and School Attorney Arnold Witte is representing the interests of the District.

Cost of Dental Gear
Questioned by Board

HICKSVILLE--The dental hygiene program in the local schools will be the subject of further discussion and appraisal at the next meeting of the Board of Education. The proposed purchase of almost \$2,000 worth of equipment, including a dental chair and unit air compressor, instrument cabinets, sterilizers, etc. for the Junior High School was tabled last week for further consideration tomorrow (Fri.) night.

Trustee Robert Goodrich in opposing the purchase of the equipment as proposed asserted he felt it was "too expensive" and pointed (continued on page four)

113 Vote on Fire Budget

HICKSVILLE -- One hundred and thirteen voters turned out Tuesday night at E Marie St to vote on the budget for operation of the fire district in 1957. The budget and all propositions were approved. A total of \$172,000 will be raised by taxation next year.

The budget of \$116,000 was carried with 87 yes, 10 no and 16 ballots blank. Propositions no. 5 on a \$25,000 addition to Strong St Firehouse was approved 81 yes, 31 no, 1 blank. Vote on the other questions was: No. 1 - \$1000 for drills and parades next year, 99 yes, 11 no; No. 2 - \$2000 for inspections, 94 yes, 17 no; No. 3 - \$12,000 to extend the alarm system, 92 yes, 17 no; No. 4 - \$1000 for street signs, 89 yes, 21 no; and No. 6 - \$15,000 for purchase of land and building repairs, 83 yes, 29 no.

New Arrivals

A daughter, Kyle Elizabeth, was born Aug. 28 to Lt. and Mrs. Stuart G. McLennan Jr., at Fort Sill Station Hospital, Oklahoma. Mrs. McLennan is the former Abbie Fay Suter, daughter of Mr. and Mrs. Frank Suter of 15 Henry Pl., Hicksville.

A son, William George, 8 lbs. 7 oz., was born on August 24 at the Maternity Pavilion of Doctors Hospital, Freeport, to Mr. and Mrs. Charles George Sauer of 26 Carrie Avenue, Bethpage. The mother is the former Marcella Powell.

Mr. and Mrs. William R. Murphy of 1 Frederick Pl., Hicksville, are the proud parents of a son, Kevin William, born July 30 and weighing 8 lbs. 8 oz. Mrs. Murphy is the former Gwendolyn Cleocho.

Edward and Susan Keough of 88 Cliff Dr., Hicksville, are the proud parents of a son, Edward Joseph, born Aug. 13 at Mercy Hospital.

Daniel Edward, is the name of the new arrival at the home of William J. and Eileen Mary Rigby of 36 Keswick La., Bethpage. He was born Aug. 22 at Mercy Hospital.

BIRTH ANNOUNCEMENT
The birth of a new car, the 1957, is announced by Ford Motor Company of Dearborn, Michigan. You are cordially invited to see this newest addition to the Ford family of Fine Cars at your nearest Edsel dealer.

MAKE SURE YOUR NEW HOME HAS

A Paragon OIL BURNER

WORLD'S MOST MODERN

Dear Jenn:

JULES MIREL of Mirel Advertising and Hicksville Travel Service Mart is program chairman for the Rotary Club this year. When the firemen paraded on Labor Day, a single fireman attracted a great deal of attention. He was STAN GORDECKI of Independent Hose Co. of Rome N.Y. He and the missus were in Hicksville for the weekend, as they have been for the past five years over Labor Day. They stayed at the home of BILL DANDA. Also present as visitors for the weekend were several of the fellows from Sea Breeze, NY (up near Lake Ontario) but they did not march this year.

Don't forget next Tuesday is primary day. If you are an enrolled party member, vote at your usual polling place between 12 noon and 9 P.M. (Sale of liquor is prohibited during the same hours by state law). Republicans will be voting for committeemen as well as party candidates for November. Democrats will be voting for their nominees. Robert Ulmer AMVETS post has nomination of new officers this Friday night, further nominations and elections on Sept. 20. National Legion Convention is Sept. 14 to 19 in Atlantic City this year. The town incinerator plant at Locust Grove was shut down over the weekend temporarily to allow town engineers to determine the feasibility and cost of modernizing the old plant. Some of us remember when it was built, out on the open farm lands almost miles from the nearest house. Town's new incinerator is back in the hills at Old Bethpage. Show Boat ends at Jones Beach this Saturday night, Sept. 7, but the Park is open during the fall and winter thru October. The pool and ocean bathing continues thru Sept. 22. WALTER P. KELLENBERG, DP, Bishop of the new Diocese of Rockville Centre, will formally dedicate the new Our Lady of Mercy RC Church on South Oyster Bay Rd. on Oct. 12. HAROLD HAWKINS has been named treasurer for that new Hicksville Yacht Club which is attracting so much attention. PAUL CICCONE of Paul's Service Station, Woodbury and Park Ave., Hicksville, has just completed his training at Bear Mfg. Co. automotive safety service school in Rock Island, Ill. Who were the firemen who rescued the blonde female driver who made too sharp a turn and rode up the RR tracks at Woodbury Rd. and Barclay St. Sunday night? We hear it was the Acey-Ducey boys. Amazing thing about the Labor Day tournament was the few calls for first aid service. A woman fainted in the stands during the morning and a Bellmore vamp twisted his ankle in late afternoon to comprise the total casualty list for the entire day; it was a new record of some kind. WALTER STACKLER was a most interested spectator on the judging arch during the afternoon. And the carousel man, who just got his mechanical naps operating Monday, seemed to do a land-office business. More than 1400 pounds of frankfurters were consumed, we hear. We don't want to be unpleasant, but school bells ring for Hicksville and Bethpage schools bright and early next Monday morning.

Mr. and Mrs. VINCENT BRAUN, Sr. and children, of Third St., Hicksville, returned recently from a tour of upstate New York where they visited Lake Seneca, Geneva, an Indian reservation, Cooperstown and many other interesting spots along the way. From all reports, I think Mom and Dad had as much fun as the little ones. Mr. and Mrs. RAYMOND BONAZZI of Dante Ave., Hicksville spent the holiday week-end at Lake Placid as the guests of Investors Diversified Services. On the way up Adine and Guy stopped to visit relatives in Catro, N.Y. where they left the little Bonazzi's, Bob & Paul, of course to be picked up on the way back. Sort of a second honeymoon, mixed with business. Mrs. JOESATTO of Hicksville Farms after a week's vacation at Sitters Beach, had to recuperate at the Catalina. She was so tired she couldn't even return to Hicksville to celebrate the birthday of her granddaughter, little Audrey Giese who is one year old today. The little miss is the daughter of Mr. and Mrs. ALTON GIESE of Lee Ave., Hicksville.

Leo Writes About Beautiful Parea

by EXPLORER SCOUT LEO KANAWADA

LeHARVE, France - Aug. 26, Via AirMail - Today we are boarding our ship, The Fairsea. I thought I'd write now because we won't be able to write on the boat and I wanted you to know about Paris.

(Editor's Note -- The Fairsea, returning the US Boy Scouts from their World Jamboree abroad, was scheduled to dock in New York at 1 o'clock yesterday (Wed) afternoon).

We had three days in Paris which was three days well spent. The American Express planned for us tours of Versailles and the City of Parea. On Saturday morning, we walked to the Louvre museum and up to the Arch de Triump. The Louvre is a huge place and takes four days to see it all. Inside, we saw the Mona Lisa, the Last Supper, Venus de Milo and Winged Victory. It's a beautiful place.

The Arch de Triump is also beautiful. All main roads of Paris join at the Arch. From the arch we walked along the Seine River to the Eiffel Tower. We walked up and saw all of Paris. It's a beautiful sight. Paris is truly a beautiful city.

On our tour of Paris we saw the other side of Paris which were the Church of the Sacred Heart, Opera House, Napoleon's Tomb; also, again the Eiffel Tower and Arch de Triump and the Louvre.

We went to Mass on Sunday at Notre Dame. It's a beautiful church. The Rose window was one of the highlights of Notre Dame. The church is on an island in the

Seine River and looks just beautiful from the shore.

Paris is all you've heard it to be. Sidewalk cafes, Eiffel Tower, beautiful women and all that Paris is noted for. It's just a fabulous city and we're having a good time.

We've had a terrific trip this summer, something I wish everyone could take. Especially meeting fellows from other countries. This was the highlight. I feel we learned a lot about our neighbors across the ocean. The trip has made me grow up more and I've learned to help our friends around the world a little more. They really love to make friends.

I guess we all know how important peace is in the world. This trip has helped all strive for peace more realistic. Our youth will make America's future and the scouts from America, I know, have made good friends of other countries and will be their friends for a long time to come.

Thanks for letting me write you while I was on this trip. It has been a lot of fun and I hope you got a good idea of what this guy from Hickville has been doing for the last two months.

Schools Open Next Monday

Public and parochial schools of Hickville and Bethpage will resume classes for the fall term next Monday morning, Sept. 9. Orientation sessions for teachers of both districts were held this week. In Hickville, approximately 100 new teachers were taken on a guided bus tour of the community yesterday (Wed) with points of interest noted.

The Jerusalem Ave Jr High in Hickville, which has been doubled in size and remodeled, will open for classes on Monday; however, students in this building will be on half-day schedules as a temporary expedient until additional work is completed by the contractors, Dr. Wallace E. Lamb, superintendent.

All students in this building have been informed concerning which sessions they will attend.

The open house program which had been planned for Sept. 8 at the Jr High has been postponed until a later date.

ORIENT TEACHERS

BETHPAGE - In keeping with its policy for continued improvement of the educational program in the schools, the Board of Education, faculty and administration of this School District are expanding the teacher orientation program this year to include in-service conferences for both new and veteran teachers.

This program is taking place this week thru Friday at the high school. Featured in the program will be such outstanding educational figures as Dr. Marcella Lawler, Teachers College Columbia University; and Dr. Alice Kellher, New York University. The teachers will participate in District meetings and small discussion groups, to plan a program to better meet the needs of the children of Bethpage.

Penner 'Fair'

EAST MEADOW - Isaac Penner, 53, of Cantigue Rd., Hickville, who suffered four bullet wounds in the abdomen from a .22 cal. rifle while in the sun parlor of his home on Friday, is on the danger list at Meadow Brook Hospital but is reported in fair condition.

DAUGHTER MARRIED

Mr. and Mrs. James Carbonaro of 15 Moeller St., Hickville, have announced the marriage of their daughter, Beatrice (Bunny) to William Wahne, son of Mr. and Mrs. Harold Wahne of 378 South Oyster Bay Rd., Hickville.

VFW NEWS AND VIEWS

Now that the summer vacations are past we can get back in the groove again and report the activities of the Wm. M. Gouse Jr. Post #3211 V.F.W.

Commander Geo Walden is doing a great job of starting meetings close to the 8:30 PM. A Barn Dance is scheduled for Oct 19 and the following men were named by Commander Walden to handle it; Jack Mulligan, Chairman, Bill Moran, Gene Iatropelli, Lou Paladino, James Klueg, Al Wangenheim and Ed Shannon.

The committees for the Annual Dinner-Dance to be held in Feb 1958 were appointed by the Commander as follows; Dinner Committee, Jim Rock, Vice Edward Ed, Shannon, Bill Moran and Fred

DENTAL EQUIPMENT

(Continued from Page 1)
out that East St. and Woodland Ave. Schools have no equipment. At a meeting of the Board on Aug. 2, Dr. Lawrence J. Caponegro, who is chief dental consultant for the district, was present and discussed the dental hygiene program of the system. He indicated that the school hygienist could not make dental examinations or provide any form of dental treatment.

Several Board members expressed the opinion last Friday night that the professional-type equipment being suggested for the new Junior High appeared expensive and in excess of what is required in keeping with the kind of programs given in the schools.

Present at the meeting tomorrow (Fri.) night when the Board holds a regular weekly session in the high school faculty cafeteria will be Dr. Caponegro, Marvin Gibbons, director of pupil personnel services; a representative of the State Education Dept. and the local dental hygiene administration.

The meeting last Friday night concluded at 12:26 AM when a motion to continue on the balance of the agenda failed to receive the required unanimous vote. It was the earliest conclusion of a weekly meeting since the start of the new fiscal year in July.

LEGAL NOTICE

NOTICE TO BIDDERS

The Board of Trustees of the Hicksville Free Public Library of the Union Free School District No. 17 of the Town of Oyster Bay, Hicksville, Nassau County, New York (in accordance with Section 103 of Article 3-A of the General Municipal Law) hereby invites the submission of sealed bids on library Office Supplies for use in the Hicksville Free Public Library of said district aforementioned. Bids will be received until 2 p.m. on the 16 day of September, 1957, at the Hicksville Free Public Library, Jerusalem Avenue, Hicksville, N.Y., in the Librarian's Office, at which time and place all bids will be publicly opened. Specifications and bids may be obtained at the Hicksville Free Public Library, Jerusalem Avenue, Hicksville, N.Y. The Board of Trustees of the Hicksville Free Public Library reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the library. Any bid submitted will be binding for 45 days subsequent to the date of bid opening.

Sutter. The Journal committee consists of Lou Klein, Bob Obermeyer, Lou Paladino, Gene Iatropelli, Jerry Rinaldi and Fred Sutter.

Geo Hemmer reported progress on the Ping Pong Tournament and Les. Iebie will get the Shuffle Board Tournament started soon.

Bowling starts at the Farmers Bowling Alleys on Friday Sept. 6. All members interested please call Commander Walden at Wells 5-7706.

Our amiable Junior Vice Commander Bob Obermeyer is looking for aid in the decorating of our Post Building.

Bill Frohoffer is looking for 'BLOOD'. Just go to Meadowbrook Hospital and tell them to credit the V.F.W. for your Donation of 'BLOOD'.

At the next regular Post meeting we expect to see Howard Darling, John Johnson, Al Polcek, Charlie Hahn, Frank Sutter, Al Hanlon and Fred Sutter.
Louis Klein PRC.

NORTH BROADWAY

(Continued from Page 1)

Jerusalem Ave intersection and intervening cross-street intersections in the built-up commercial area between the LIRR and West John St will be reconstructed to provide a new improved traffic pattern.

The highway in the vicinity of the proposed Long Island Expressway crossing, and at the connection of Broadway with Jericho Turnpike, where future plans envisage major changes, will be constructed of temporary blacktop pavement.

Also included in the project will be construction of numerous drainage structures and facilities, removal of 71 structures, traffic signal installation.

WILLIAM D. REIMELS

HICKSVILLE - Religious services were held Wednesday evening at the Henry J. Stock Funeral Home for William D. Reimels of 77 Raymond St., who died Sept. 1. Rev. Edward Stammel officiated. The funeral will take place Thursday morning (today) at 11 AM. Interment will be at Plain Lawn Cemetery, Hicksville.

Mr. Reimels was a member of the Exempt Firemen's Assoc. of Woodhull, and also a member of the Manetto Lodge F & AM 1025. He is survived by his wife, Christine; three sons, Christopher J., Arthur and William; two daughters, Mildred Reimels and Mrs. Ellen Honut; a brother, Christopher; four sisters, Annie Schmid, Christine Erb, Elizabeth Spinger and Matilda Reimels; and ten grandchildren.

GEORGE BERRY

HICKSVILLE - George Berry of 21 Grape La., died Aug. 28. He is survived by his wife Anna Marie (nee Travers); a son, George W.; two daughters, Mrs. Anna C. Heiser and Mrs. Florence M. Deppie; and three grandchildren. Religious services were held at the Henry J. Stock Funeral Home on Friday evening. Rev. Douglas Mac Donald officiated. Interment took place Saturday morning at Evergreen Cemetery, Brooklyn.

Health Official Urges Shots

Apathy or carelessness in the matter of getting immunization injections (shots) for children and adults could lead to dire consequences from a variety of diseases, Dr. Earle G. Brown, health commissioner, warned members of the Hicksville Kiwanis Club at a luncheon meeting Wednesday at the Milleridge Inn, Jericho.

"Right now all attention seems to be focused on vaccine injections for Asiatic influenza," said Dr. Brown. "However, we must not lose sight of the importance of immunization against poliomyelitis and diphtheria, to mention just a couple more.

"We have not had a case of diphtheria in Nassau County since January 1950 and no death from this disease since 1947. However, diphtheria cases and deaths have been reported recently in other parts of the country. We could have cases and deaths if the parents neglect to get the necessary shots for their children.

"It has been noticed in our Salk vaccine clinics, to eliminate paralytic poliomyelitis, that the attendance has been falling off in months. Maybe this is due to vacation time. However, I want to urge everyone in the county, under the age of 40 years, to get the series of Salk vaccine injections. Now that we have a good immunizing agent from this crippling disease we should all use it.

"I can't tell you too much today about our proposed plan to protect residents of Nassau County against Asiatic influenza. You probably have read in the newspapers that we have been authorized to purchase 100,000 cc's of vaccine. However, we don't know right now when we will get the vaccine and just how it will be distributed.

"However, we are working on a plan which will assure every resident of the county an equal opportunity to get vaccinated against Asiatic influenza. My advice to you now is—see your family physician and tell him you want to be vaccinated when the vaccine is available."

Ellen Muench Becomes Engaged

Mrs. Albert Muench of 17 Kraemer St., Hicksville, has announced the engagement of her daughter, Ellen to S/3 Kenneth M. Wisbauer, son of Mr. and Mrs. George Wisbauer, Jr., of 43 Salem Rd., Hicksville.

Ellen is a graduate of St. Ignatius Loyola School and Hicksville High School. Kenneth, who is now stationed at Fort Bragg, N.C., is a graduate of St. Monica's School and Woodrow Wilson Vocational High School, both Jamaica.

No date has been set for the wedding.

Flies Abroad

PARIS, -- Joseph E. Brough, 36 Seymour Lane, Hicksville, working for the Republic Aviation Corp. arrives in Europe Aug. 29 via Trans World Airlines Constellation, after a transatlantic flight from New York.

Mr. Brough is on his way to Holland for one or two years stay.

SKILL AT THE GRILL is displayed by Edmund Ocker, GOP candidate for town Councilman, at the Plainview Republican Club's Corn Festival last Sunday. Giving plenty of advice, roasting from the left, are County Clerk Ernest F. Franke of Hicksville, Councilman Marjorie Post of Massapeque, Highway Superintendent Thomas Pynchon of East Norwich, Louis A. Sisto of

Bethpage, designer for Councilman; Councilman Benjamin Zipper of Syosset, Assemblyman John J. Burns of Sea Cliff, GOP designer for town supervisor; Chef Ocker, Peter Allsopp of Locust Valley, designer for Councilman; Edwin R. Fehrenback of Bethpage, expected to be named candidate for State Assembly, and Michael D'Auria, president of Plainview GOP Club. (Jim Healy photo)

Guest Speaker At St. John's U

William H. McCaffrey, Jr., Plainview lawyer, and the Town of Oyster Bay's Democratic Executive Committee's choice to run for the New York State Assembly in the 4th A. D. this year, will be a guest speaker at St. John's University at their new campus in Jamaica, on Sept. 12.

McCaffrey will speak on a panel on the subject "Politics". St. John's University program that Mr. McCaffrey is taking part in comes under their Career Clinic, in cooperation with the university's Guidance Bureau and Placement Office.

Oil Credit Info

The establishment of a Credit Information Interchange for retail heating oil dealers in Nassau and Suffolk Counties, to begin Sept. 16, was announced today by Patrick F. Caputo, Oil Heat Institute of Long Island president. The credit interchange was organized to protect the interests of consumers who pay their bills promptly. The interchange will be operated out of the OHLI offices in Hempstead and was designed to supplement, not take the place of, existing credit bureaus.

An Editorial

Civic Achievement

Our Civic Association's recent dance, blessed by an overwhelming response and somewhat overcrowded conditions, was our first community-wide affair. A mixture of Cha-Cha-Cha, chatting and highballs prompts us to say thank you to the entertainment committee. We are sure that subsequent affairs will benefit by the "experiences" gained.

It is a healthy sign in a community as large as ours, when a Civic Association can point to positive accomplishments. This newspaper itself was given birth to by the Publications Committee. Our Community Protection Committee has accomplished much in terms of traffic control, street signs, cleaning up of our streets and various programs of health and safety affecting and benefiting all Birchwoodites. The Zoning and Taxation Committee has also done yeoman work. A Builder's Liaison Committee, after months of hard and conscientious efforts, has arrived at a modus vivendi with the builder, setting up and following up on a program of progressive checkouts which will eventually see each and every home completed to the owners satisfaction.

In the event of disputes, the Civic Association's Arbitration Committee, composed of residents and representatives of the builder, stands ready to hear and act upon serious complaints by residents of the village.

In spite of the fact that Birchwoodites elected an able administration, a number of most important committees have shown a complete lack of accomplishment.

The fault must be attributed to these chairmen of committees who have accepted responsibilities without being able to function properly. The fault also lies with those officers of our Civic Association charged with assuring the proper functioning of committees by the appointment of able chairmen who can in fact get things done. Lastly we ask ourselves why the community as a whole seems to take so little interest in the important work yet to be done by our Civic Association?

The VILLAGER is aware of many problems facing Birchwood Park at Jericho. Educational facilities, adequate school transportation and youth recreation are challenges which must be talked out and solved within a bearable tax structure. These problems and many additional ones are one of the reasons why The VILLAGER exists. The facilities of this newspaper are at the disposal of our Civic Association and our pages are open to each member of our community.

We urge our readers, for the same of a better community, to become active in the affairs of our village. It is important and it can be fun. We also urge the present administration of our Civic Association to appoint capable committee chairmen, who combine vision with action and who can attract those many able and gifted residents of the village who need but a nod, a word of encouragement and the outlines of a program to become active members of those committees. --- GBS

Set Meeting With Weinrich

A meeting in late September has been planned for the residents of Birchwood who have children going to the Syosset School District. Present at the meeting will be Dr. Ernest F. Weinrich, Superintendent of Schools, and the Principals of schools that children attend. They will address the parents of Birchwood on the educational program.

Parents will have an opportunity to ask questions and receive direct answers from authoritative sources.

COMMITTEE MEETS

Preliminary facts have been gathered about the Syosset District. These facts will be discussed at a meeting of our educational committee. (continued on page ten)

Urgent Appeal for Mail Delivery

Registered letters have been mailed to Postmaster General A. Summerfield and U. S. Representative Wainwright. They were informed of the lack of response to Postmaster Signe Halloran's request for foot delivery mail service in Jericho. This request

The Jericho postal district has more than sufficiently fulfilled the requirements set by the post office department for foot delivery of mail. Some of the regulations met are a minimum dollar stamp sales per annum, installation of streets and sidewalks, the jaying out of delivery routes, sufficient space in the present post office for the sorting of mail, an adequate number of families now reside here, the requisition of mail delivery and sorting equipment also has been made. House numbers in The Village of Birchwood Park have appeared on most of the homes, and as soon as official notification of foot delivery is made the local hardware stores will mysteriously experience a run on mail boxes.

The problem of long waits for mail at the postal annex regardless of the high efficiency and cheerfulness of the employees, have plagued the community due to the serving of thousands of families through one window. A definite traffic hazard will increase with the advent of rain and snow.

All the above information was presented in firm language and an answer was requested to correct our grievances.

The Village of Birchwood Park has been responsible for meeting of certain requirements which heretofore could not be reached. The two most obvious are the increase in population and the upsurge in postal sales.

Postmaster Halloran was pleased to see that the Birchwood Park Civic Association is cooperating fully with her efforts to supply Jericho with the most efficient and prompt delivery of mail. M. L. L., Chairman, Postal Service Committee

Need Late Bus From Carle Pl

by BURTON Z. ALTER

A tremendous segment of high school life takes place each day after the last class is over. Those boys and girls attending Carle Place High School who live in Jericho will not be able to gain their share of extra-curricular activities, social events, athletics and extra academic help because of inadequate transportation facilities. Simply, there is no bus service from the school to Jericho after 3:15 P. M.

Since a student from Jericho has no way of returning home later from school, he can't take advantage of the most important of these after school activities, the remedial class program. The extra help by teachers may mean the difference between a student's passing or failing a course and on a smaller scale the clear understanding of a mathematical proposition, a foreign language verb system or an international treaty. Almost as important is the after-school work put in for a school play, newspaper, or team practice. Jericho residents are forced to turn down bids to join an after school activity because they have no way of getting home except by having their parents pick them up at school or by hitch-hiking home along Jericho Turnpike.

The problem is not a vague or theoretical one. This has happened all of last year and will continue

Jericho Country Club
Jericho Turnpike
Jericho, Long Island
Gentlemen:

It has come to our attention that you are causing petitions to be circulated for the express purpose of lifting one or several restrictions originally imposed by the Township of Oyster Bay as a condition of your commencing operations in an area immediately adjacent to our community. It is the feeling of our Board of Directors (many of whom are members of your Club) that such action on your part is ill-conceived and, to say the least, a violation of the spirit of your understanding with us.

It is because many members of your Club are laboring under a misapprehension of the facts that we have heard it phrased--whether you should be permitted to hold dancing activities. The issue is rather whether the dancing activities should be held outside in direct contravention of a restriction imposed by our community and Oyster Bay or whether the dancing should be had inside an appropriate structure which you had promised us you would build for just such events in September of this year. Obviously, on a purely economic basis, the removal of the restriction against outdoor dancing would appreciably decrease an incentive on your part to honor your promise to build an appropriate clubhouse for dancing activities.

In the above-mentioned connection may I remind you that you were required to use your entire 11 to 12 acres for Country Club purposes and not merely the small acreage you have, to this point, utilized without the Country Club structure promised to us.

May I also remind you that this Civic Assoc agreed to allow you to hold your July 4th dance on the express written promise that you would not "conduct any outdoor activities after nightfall or otherwise violate the Special Use permit" under which you are operating, and that you posted the sum of \$5,000 in escrow for a period of one year as an assurance to us that you would respect the restrictions. Your hasty action in seeking to remove the restriction at this early date would appear to cast some doubt as to the good-faith of your

to happen in the coming year unless definite action is taken.

After school bus service is not a dream but a reality. Syosset, as well as Locust Valley furnish this necessity to their young residents attending Carle Place High. These students are a major part of the school rather than just "nine to three" pupils. Jericho must provide a late bus system for its students in order to eliminate the inconvenience of unnecessary driving by parents and to end the danger of hitch-hiking. Such action by the School Board will benefit each Jericho student in Carle Place High by enlarging his circle of friends, his interests and insuring higher grades throughout his high school year.

Open Letter to Jericho Country Club

original promise made to us for the express purpose of inducing our consent to hold your July 4th dance.

If you build the Country Club structure as promised, you would be enabled to hold as many dances as you desired with the good wishes and cooperation of the entire community, including the perimeter members of our Civic Association for whose benefit the restriction was originally imposed. If, however, you persist in your attempt to achieve "outdoor dancing" without honoring your express promise to us to utilize your entire area and to build a real Country Club structure, our Civic Assoc will have no alternative but to oppose your application with all the legal remedies which may be available to us.

You have it in your power to confer an immense salary benefit on our community by making good on your promise and obligation to give us the type of Country Club of which we may all be proud. May we respectfully suggest that you expend your efforts in that direction rather than in an attempt to lift restrictions at the expense of our community.

Respectfully Yours,
JEROME L. ABRAMS
President
Birchwood Civic Association
at Jericho.

At a recent Board meeting of Birchwood Park Civic Association, the agreement between the Jericho Country Club and the Civic Association was reviewed and the following letter was mailed to the Town of Oyster Bay:

Zoning Board of Appeals
Town Board of Oyster Bay,
Oyster Bay, N. Y.
Gentlemen:

It has come to our attention that the Jericho Country Club, Inc., located at Jericho on property abutting our community of 1100 homes, is circulating a petition to be submitted to your Honorable Board in conjunction with its application for the removal of certain use restrictions contained in the Club's swimming pool use permit heretofore issued by the Board.

As duly elected representatives of this community and authorized to speak on its behalf, the undersigned hereby wishes to respectfully direct the attention of this Honorable Board to the fact that at a duly held special meeting, the Board of Directors unanimously voted in opposition to the removal or amendment of any use restriction contained in the above-mentioned use permit issued to said Jericho Country Club, said restriction being of vital interest to the health, comfort and well-being of our community which represents an investment of some \$25,000,000.

Respectfully,
Board of Directors
Birchwood Civic Association,
at Jericho, Inc.

Letter Writing Obstructs Progress of Check-Outs

Big Man With A Big Heart

by AL ROSS

A great exults to the progress of the 2nd round home check-out currently in progress. A number of people, are frantically writing to the F. H. A. and V. A. thereby unthinkingly jeopardizing the implementation of the agreement between the Builder and your Civic Association to check out and complete your homes. They fear that the builder will disregard them after one year's occupancy.

It has never been the policy of your Board of Directors to protect the builder. The record shows that abundantly. However, an agreement was entered into and the fact is that homes are actually being completed in accordance with the agreement. The Builder has kept his part of the bargain. Your Civic Association has been assured that nobody will be overlooked, regardless of whether or not the work is up. All homes will be completed according to the current schedule.

The unfortunate part of this letter writing campaign is that available manpower is being drained away to look into these complaints by slowing down the entire check-out program. The speed of a systematic check-out system for everyone's benefit is being sacrificed to inspections-not necessary adjustments--for a few. We have all been waiting with varied degrees of patience for the completion of our homes. While it is not the intent of the Civic Association to tell people what they should or should not do, it would appear to be poor judgment to allow precipitate actions to destroy the check-out program and consign the entire community to the pre-agreement rat race of continual builder/homeowner bickering. If the builder reneges on his agreement, he will be dealt with adequately.

Let us at least give him the opportunity to do the job without throwing obstacles in his path. On another sector of the builder-homeowner front, another rumor has appeared in the community to the effect that the builder has blackballed, and would not complete the homes of anyone who has written to the FHA or VA recently.

We have checked with Leonard Schwartz, who stated emphatically that these rumors are completely without foundations. All homes will be completed on schedule. No one has been, or will be blackballed.

Following is the current schedule of homes to be checked out:

| DATE | BLOCK # | JOB NUMBERS |
|------------|---------|---------------------------|
| Sept 4-9 | 15 | 402-408, 318-324, 452-453 |
| Sept 10-15 | 16 | 409-416, 446-451 |
| Sept 16-19 | 17 | 417-424, 439-445 |
| Sept 20-24 | 21 | 454-463, 489-493, 509 |

Please arrange to have someone at home at the appropriate time.

Civics to Hear RR President

On Thursday, Sept 19, the Jericho Civic Assoc. will present Robert Goodfellow, President of the Long Island Railroad, who will address an audience at Robert Seaman

School at 8:30 P.M. This is a good time for those residents interested in solving transportation problems for they will be given the opportunity to express themselves.

Neighbor Wilbur Privalle is a man who has given much of himself to helping others. He's a big husky 8 footer and gives every indication of having a heart built to match.

A bronze plaque, hanging in his den, commends three years of service to the Lions Club of Rockaway Township, N.J. First, as Charter President and then as Zone Chairman of that well-known

5 Agenda Items For Tuesday

A General Entertainment Committee meeting of our Civic Assoc will be held on Tuesday evening, Sept 10, at 8:30 pm, at the home of Irving Herakowitz, 134 Birchwood Pk Dr.

A complete social program is in the process of being formulated for the coming fall and winter, and we urge all committee members to make their attendance a must. We are also extending invitations to all members of the Birchwood Civic Assoc who desire to participate at this important meeting. Pertinent facts dealing with the "social whirl" here at Birchwood shall be discussed in detail.

Our agenda will include the following:

1. Teenagers Halloween Costume Party and Dance -- to be held in the gym of our local schools.

2. Birchwood New Orleans Dixieland Nite. Here's where we need lots of help.

We are seeking a location within a five mile radius that might accommodate 500 couples comfortably -- to include waiter's service, individual tables, and "walls that won't prove tormenting". Specifically -- we are seeking a place with loads of room. All constructive advice, plus physical assistance, would be greatly appreciated.

3. Jericho Theater Group: This group is more or less organized, but we still require a great deal of assistance for our initial venture, a 3 act comedy play. Those possessing even a slight semblance of ability are urged to participate.

4. Formation of a dance band There is sufficient musical talent in our community to start a small musical group -- let's see what we could come up with. All musicians are cordially invited to toss around this idea.

5. A Community Social Hall: This, unfortunately, is not within the realm of an entertainment committee function -- however, it's paramount importance establishes it as a topic of discussion that requires no parentage.

charitable organization. Bill was very instrumental in coordinating the drive that brought to fruition the construction of a shelter for the blind children's camp at Marcella, Rockaway, N.J.

He smiled softly and said, "It's wonderful watching those kids playing there. You wouldn't know they were blind. The new ones are timid at first but they soon learn how to find their way along the especially constructed macadam paths. Then they move around as freely as the others."

Bill's sympathy and understanding for the underprivileged may, by some, be attributed to the fact that 5 years of his life were spent in an orphanage. Having read Dickens' "Oliver Twist" and similar unhappy tales, I was pleasantly surprised when he said, "those were some of the happiest years of my life".

His advent into the Hebrew Sheltering Guardian School at Pleasantville, N. Y. was precipitated after ten years of boyhood in the Bronx, by the death of his father.

The Orphanage Alumni Club is further evidence of the wonderful work that the children's home has accomplished. The club helps children leaving the home to find jobs, places to live and in every way prepares them for the job of becoming an adult. Bill has never stinted in his efforts to further the aims of this organization.

1918 and World War I found Bill ("a big kid for my age"), enlisting in the Navy at the age of 15. After training, he was based at Newport, R. I., in the Provost Guard (shore patrol). His mother requested his discharge in 1919 and he was returned to civilian status.

WALL ST. TEN YEARS

Following the war, he joined the hordes of Western Union's messen-

Wilbur Privalle

ger boys for a few years then moved over to the Burroughs Adding Machine Co. to become a book-keeping systems installation man. Applying his bookkeeping and accounting knowledge gained him a position in Wall St. where he worked for 10 years.

February 1938 was the beginning of neighbor Bill's career with Food Fair. This company's record of growth is in itself a spectacular story. In less than 25 years Food Fair has expanded from the original store in Harrisburg, Pa., to a chain of 279 supermarkets stretched along the Eastern seaboard. The company had only 21 stores when Bill first went to work as a clerk in Allentown, Pa. Trained as a store manager, it wasn't long till he ran his first store in Baltimore, Md., then came to Bethlehem, Pa., and Montclair, N.J., and in 1944 he was appointed District Manager of the N.J. area. Today Wilbur Privalle is Branch Manager of all 3 N.Y. Districts, which comprises 29 stores. This is a big job and takes a big man to run it.

His charming wife, Clara, sadly states that she would like to see more of Bill but admits that the pressures of new store openings, late store hours and innumerable

(continued on page ten)

LEGAL NOTICE

JERICHO FIRE DISTRICT PUBLIC NOTICE

Notice is hereby given that pursuant to Section 181 of Town Law, the Annual Meeting of the taxpayers (Legal Voters) of the Jericho Fire District will be held at the Fire House, Oyster Bay Road, Jericho, N.Y., on Tuesday, September 10, 1957 between the hours of 7 P.M. and 10 P.M., o'clock, for the purpose of voting on the Budget for 1958.

The following Budget for the year 1958 will be presented for adoption.

| BUDGET FOR 1958 | |
|---|--------------------|
| Insurance | \$ 4,500.00 |
| Salaries | 15,640.00 |
| Legal and Audit Expense | 400.00 |
| Miscellaneous | 1,500.00 |
| Election Expense | 300.00 |
| Operation of Apparatus & Equipment | 500.00 |
| Purchase of Additional Equipment | 5,000.00 |
| Repairs to Apparatus & Equipment | 2,000.00 |
| Maintenance of Building & Grounds | 2,500.00 |
| Utilities & Fuel Oil | 2,200.00 |
| Garbage & Snow Removal | 700.00 |
| Inspection & Parades | 1,200.00 |

THE WALLS OF JERICO

by HERB SHAPIRO

The Walls of Jericho were slightly dented last week by a Piels Beer truck. Seems to us a rather violent way for Bert and Harry to express their disapproval for our preference for "Brand X".

125 women showed up at the Norman Jacobson's place for a combination Card-swim-gab party for the benefit of the new Reform Temple. 36 women tried to fill inside straight before they realized they were playing Canasta.

The projected block party on Hedgerow Lane has been called off. Smacks-we were going to bid for the Piza Concession.

Two suggested name changes "Jericho Downs" from a gentleman who informs us that this entire area was so-called for a long time. The other from an irate gentleman from Forest Dr. who complains of too many Bermuda Shorts. "Knobby Knee Knolls" is his entry. No doubt a spy from the Long Pants Mfg. Assoc.

Travel Notes: 2 of our Birchwood friends returned from Paris recently. We understand that they travelled by an American Airline, stayed at the "Pension Americain" on Rue Eisenhower, ate at Jacks Place, and spent their evenings at the local Foreign Film Theatre, seeing such epics as "Lullaby of Broadway" and "Citizen Kane". They shudda stayed in Hoboken.

Jerry Abrams objected to our flash about his pipe. Insists he was seen without it once before--when he was 7.

Homeowners who have retained their "Builders crews" dread the coming of Fall. So many fallen leaves to dispose of.

Its high time that the sign on Broadway at the southern ap-

proaches to Birchwood, "Leaving Populated Area", is removed by the local authorities. They may sound pretty foolish explaining away their defeat at the next elections by votes from this "Unpopulated Area".

State Traffic Authorities are still striving with might and main to get us traffic lights. We will probably get them the day after some of our residents are killed trying to get onto Broadway or Jericho Tpk. Greater love hath no man than he who would lay down his life for a traffic light.

Our Town Planning Committee is working on the problem of beautifying the entrances to our development. The arches will no doubt be suitably inscribed, "Private shortcut for Fairchild Instrument Employees".

Ralph Diamond made his maiden speech at an emergency meeting of the Board of Directors, Civic Assoc. He made sense. He will do well. To Mrs. Diamond we say, "Welcome to the lonely Hearts Club" (an organization of wives of Board Members).

More and more people are sodding the lawns. Offhand we would say that there are more carpets outdoors in our development than on living room floors.

Membership Committee reports that one of our town's brighter citizens sent in 17 cents with a request for a 2-week trial membership. Wants to see what the Civic Association will do for him before he makes a bank withdrawal of \$5.00.

Some of our hot-shot athlete types talked up a baseball game for this past Sunday, then prayed all night for rain when it looked like they would have to go through with it. It worked.

Planning of Jackson School Began Three Years Ago With Site Purchase

by SAMUEL HECHT

The George A. Jackson School, located in Birchwood Park, should be ready for occupancy in November, or thereabouts, according to the latest construction reports.

The school program will include kindergarten through the 6th year, full day sessions, 9 am to 3 pm, for all children from first year through 6th year, and double session for kindergarten, 8 am to 12 noon, and 12 noon to 4 pm. Children living in Birchwood Park, Jericho School District, and the area north of Jericho Turnpike in Brookville, Wheatley Hills, and Muttontown will attend this school.

The school was planned many years ago. The site, consisting of 15 acres, was selected as a result of a conference between representatives of the State Education Dept. and Levitt and Son who then owned the entire tract of land now known as the Village of Birchwood Park.

The owners contemplated a development to be known as Landia. Subsequently, the Landia development plan and the entire Birchwood Park area were sold to

Cross-Morton. Following that, the board of education purchased from Cross-Morton the Robert Seaman School site and in 1953 negotiated an option to purchase the present Jackson School acreage for approximately \$5 thousand dollars. After Cross-Morton sold the Village of Birchwood Park to Genow and Schwartz, the voters of the Jericho School District in Nov. 1954 approved the purchase of the Jackson School site and authorized the necessary funds.

In March 1956, the board of education appointed the Jackson School Committee to assist in the planning. Thereafter, and with the recommendation of this committee, the board employed Fredric P. Wiedersum Associates, Architects, to prepare the plans for the school building. On July 2, 1956 the voters of the district approved the plans and authorized a bond issue of \$1,200,000 for construction costs. The final plans were approved by the State Education Dept. and on Dec. 7, 1956

the construction bids were received. In Jan. 1957 construction began.

The school will contain 18 classrooms, 3 kindergartens, a library, an arts and crafts room, a music room, a health room, an auditorium, a gymnasium, and an administrative office. It was contemplated that the building would be ready for occupancy for the Sept. 1957 term, but due to the cement and other strikes, the completion date was delayed.

The school staff will consist of John Bolles, as principal, 10 teachers, a secretary and a clerk. Mr. Bolles was the head teacher at Cedar Swamp School during '56 and '57. Dr. Kenneth A. Larr was the Principal of the District. The members of the Board of Education are Martin Penn, President, H. Willets Underhill, Vice President, William Mayhew, Irving Brand and Samuel Hecht.

to join? Call Ov-1-2152 or OV-1-0073.

In answer to questions about B'nai B'rith, no chapter has been formed as yet in Birchwood. We'll let you know the news on this.

Anyone wishing to join the C.A.T. call Mrs. Dorothy Gerber at We-8-2251.

The Edward Joyces and Vincent Cecelia's of Maytime Drive, spent two weeks at home gardening. Their vacation began when they return back to business.

HERE AND THERE

by FLORENCE BERGER

The barbeque of the J. J. C. Sisterhood was a tremendous success, both financially and otherwise. Our compliments to all the folks (both men and women) who were instrumental in giving you an enjoyable evening. A special vote of thanks to Adele Lubitz who organized this affair.

The Sisterhood of Temple Or Elohim's card and swimming party at the home of Elaine Jacobson was a gourmet's delight. The stuffed cabbage was the surprise of the afternoon prepared in Gloria Schiffman's house by the kitchen committee.

A new organization has been formed aiding Muscular Dystrophy. The chairman of this drive will be Mrs. David Kassen of Birchwood. Anyone wishing to join please call Ov-1-0158.

To the Horns of Hightop Lane, Howard Schwartz of Hedgerow Lane, Ruth Portnoy of Hedgerow Lane, Donna Bluh of Fortune Lane, Gail Pincus of Maytime Court, Howard Tytel of Fountain Lane.

The Reif's of Maytime Drive who returned from Schroon Lake--

Mr. and Mrs. Jerry Murray of Fortune Lane who returned from the Catskills--Mr. and Mrs. Wilmetts of Briar Lane who just returned from their summer home in Lake Ariel, Pennsylvania---The Dobkins of Hightop Lane who returned from the summer home in the Catskills--The Miles of Maytime Drive just returned from Montauk, Miami and George Frankel of Fountain Lane back from trip through New York State--Morty and Norma Levine of Fountain Lane home from mountains.

Bon Voyage to Ed Sherman of Magnolia Lane leaving for Europe on business.

Congratulations to the Sidney Weisner's of Hazelwood Drive on their 13th wedding anniversary.

Happy Sweet Sixteen to Arlene Reingold, Marilyn Markowitz and Alice Schwartz. Divade Shapiro of Hazelwood Drive celebrated her 10th birthday with a supper party.

The first Hadassah meeting of the season will be held on Monday evening, Sept. 9th at the J. J. C., 8:30 P. M. Refreshments will be served. All are welcome. Want

Afternoon of Jericho Housewife

(or - Lament to Henry Ford) by GLORIA BRUNSWICK

To drive a car in N.Y. State is not a right, we're told. 'Tis a privilege, granted me of late. For which all freedom I have sold. My afternoons were free of care. On the patio relaxing. A-yaking with the neighbors there. Of matters overtaking. Frinstance, who wore what and when. And something new for dinner. How Mrs. P. just did her den. "Is Sybil getting thinner?" "Now children, will you please behave. Your Momma's awfully busy." "You know, she's practically his

slave!" And, "weeding makes me dizzy". Now since I've passed the road test (The inspector was a doll!) I've exchanged these afternoons of ease. For the Hicksville traffic snarl. I feel like a human rocket. As I chauffeur him and by. Butcher, baker, strop the market! First Sympet, Then Platinview. Dear Husband says no driver, I, Not yet, indeed, by far. Then how come every day goes by With me locked in that car?? (Next issue--"The End of a Per-sec-ut Jericho Day")

TEEN AGERS CORNER

Are the teenagers of Birchwood delinquents? The answer to this question is, "No--not yet!"

Although to date we have been fortunate in as much as not having any serious delinquency we must think of the future. The teenagers of Birchwood would like to make this a better community; one to be admitted, but we cannot do it without a place to let our energy under supervision. Birchwood has one great need; a community center for everyone, as well as the teenagers. The boys and girls of Birchwood could go there and take part in athletic activities and social events. The need for such a place will be even greater in a few years when the 10 and 12 year olds now, will become teenagers.

Our growing crop of younger children will also need a meeting center in years to come. The teenagers in Birchwood will feel let down if no effort is made on the part of our parents to acquire a meeting place for us. Now, many parents feel uneasy when they see a group of adolescents walking in the street or talking on a street corner. They look to the police to break up these groups. But where are we to go? The play-

rooms in Birchwood are large, but not large enough. Besides, they always seem to be reserved for "adult" delinquency. Noise on the patios disturbs our neighbors. We have excellent facilities in the new Jackson school. Why not adopt these grounds as a community center?

Only the parents can help us to help ourselves. It wouldn't be so difficult to raise the necessary funds by running varied social events. There could be home luncheons, dances, card parties, and many others. A home luncheon would be a chance for many women to show off their favorite culinary specialties.

Solar Heating of Homes

by S. BARON

JUDY AGULE, daughter of Mr. and Mrs. Sam Agule, a member of the graduating class of '57, Sewanhaka High School, Floral Park, and a resident of Birchwood Park of Jericho, has been presented with a New York State Regent Scholarship.

Miss Agule plans to use this scholarship at the School of Labor Relations of Cornell University, to which only 15 women from the entire United States were accepted. Her high scholastic standing and her wide participation in varied extracurricular school activities contributed to her being honored with this scholarship. Among her school activities, was her participation in the student government, school sponsored clubs, service organizations and sports.

Upon the completion of her college education, Miss Agule plans to enter the field of journalism. We wish Miss Agule the best of luck and congratulate her upon her award.

SET MEETING

(continued from page seven)

mittes on Wednesday, Sept. 11, 8 pm at the home of chairman Ralph Diamond, 22 Fountain Lane. All are invited to attend.

Two major problems facing our residents of the Syosset School District will be discussed:

A. The failure of the school board to provide transportation to the children of our area attending the Robbins Lane School.

B. The necessity of electing a member of our community to the Syosset School Board.

More energy is required for heating of homes and industry than for motor cars, industrial power and lighting. Space heating of our homes is a prime requisite for without warmth you can only live briefly. We seem destined to become more dependent upon the sun for all our energy and it happens that sunlight is more easily adaptable to home heating than for developing power.

Ordinary window glass has the remarkable property of permitting at least 90% of the light and heat of the sun to pass through. That is why an automobile parked in the sun becomes unbearably hot and why greenhouses are made of glass. It is the same characteristic that makes solar heating of homes by means of window glass a very real possibility.

One of the most interesting developments in solar heating in the last few years which uses windows in a very efficient manner, has been the so-called "flat-plate heat collectors". These consist essentially of a number of sheets of glass windows backed up by a black sheet of copper. When the sun's heat rays penetrate the glass, the penetrating heat is conducted by means of the copper sheet to a storage reservoir. This stored heat can then be used to heat the home. This arrangement has proven to be a highly efficient collector of solar energy and is being thoroughly investigated at the present time in some experimental homes.

Even though the problem of collecting the solar energy efficiently has been solved, there is an additional problem of determining how to store this heat. Some system is necessary that would act as a sponge so that it will take this heat and hold on to it for periods of time and then release it whenever it is necessary to maintain comfortable temperatures. One very interesting suggestion that has been tested and has worked is based on a well-known phenomenon. We all know that to melt ice it takes a great deal of heat to convert it to water. In fact, it takes as much heat to melt ice as it would to bring water up from room temperatures to boiling. The same amount of heat must also be released when you go from water to ice at the same temperature of 32° F. If we were such creatures that could live comfortably at a temperature of 32° F, the simple solution would be to use

water as a heat storage. Since, however, humans cannot live very long under these conditions, the problem is to find another material that has the same properties, but operates at a higher temperature level. A number of hydrate salts, as for example, sodium sulfate and sodium carbonate, have the same characteristics as ice but go from a solid to a liquid at temperature ranges from 85 to 110° F.

Using these materials, the method of collecting and storing of solar energy would consist of circulating water from the flat-plate collectors where it picks up the solar energy to the heat storage in the basement, where it rejects the heat to the sealed cans of salt. During a sunny period, the water, circulates through the flat-plate collector, is heated up, passes across the cans of salt which cause the salt to become a liquid as it takes the heat out of the water. During the evening and cloudy days, the same water as it circulates passed the cans of salt will now be at a lower temperature and the liquid salt will now go to solid by giving its heat up to the water.

Calculations and experimental results have shown that for the Long Island area it is possible during a normal winter to heat your home by solar heating if approximately one-fifth of the house area on the south side consists of the "flat-plate heat collectors". The heat storage if sufficiently large can hold the solar energy and supply the heating requirements even for a two week period of cloudy days. The cost of installing such a heating system if we include the cost of the collectors would probably be somewhat more than our present type of heating system. However, since the "flat-plate heat collectors" are also part of the house structure, the overall cost of the house may be only slightly increased. The net result is still an appreciable savings when you consider that there is no necessity to purchase fuel.

The main problem is not in the utilization of solar energy but in the architectural aesthetics. The idea of a house with many windows through which we cannot see because of the copper backing is not very appealing. Many architectural designs have been proposed which try to combine the advantages of effective collection of solar heat with windows as well as the attractiveness of looking out.

The dream of architects and engineers will some day come true however, with the introduction of solar heating. Cities will live in comfort free from the unhealthy atmospheric pollution caused by our present methods of burning fuel. Most important we will not have to worry about fuel shortages and price increases. As long as the sun continues to shine to support life on the earth we can expect a growing use for solar energy. The heating of homes will probably be the first full scale utilization of this forever present store of energy.

BIG MAN

(continued from page eight)

conferences keep him a very busy man.

In spite of this he still devoted many hours to formulating our Civic Assoc. Constitution in cooperation with Birchwoodite Al Pincus. Though lately he has been forced to regrettably decline requests from Civic and Temple leaders.

This is all the more painful for Bill, as, along with his wife, Club activities while they were living in White Meadow Lake, Rockaway Township, N.J., he was also vice-president of the Temple.

"Our family was very happy at White Meadow", Clara said. "Roberta, (12 1/2) and Mother (Eva Factor) loved it. And Bill was very much respected in the community. Even Skipper (dog-9) misses all the extra land we had for him to run around in".

While I may sympathize with Clara in their loss of White Meadow Lake, I for one feel Bill Privalle and family moving to Jericho has been Birchwood Park's gain. Thank you, Food Fair.

Temple Readies Religious School

Temple Or-Elohim of Jericho announced the formation of its religious school starting its first term this fall.

Registration for children for the school year will be held the first week of September at the home of the religious school Chairman Alan Immerman, 30 Hazelwood Drive, Jericho. Children six years of age and older will be eligible for admittance.

The exact dates and times of registration are: Sept. 3, 4, 5th-8:00 P.M. to 10:00 P.M., Sunday,

Sept. 8th - 10:00 A.M. to 3:00 P.M.

Evidence of the child's age or public school grade will be required. Mr. Immerman may be reached at WE 5-6831 for any further information.

FIRST MEETING

The first regular meeting of the season of the Hicksville Junior High PTA will be held Tuesday Sept. 10 at 8:15 PM in the gym of the Junior High School on Jerusalem Ave.

FRED PURVIS

The New York office of the Greek Line has announced the appointment of Fred Purvis, of Haverford Rd., Hicksville, a familiar face in the travel industry, as sales promotion officer for the steamship company. Purvis had been with the travel and resort department of the Hearst Advertising Service for the past ten years.

A veteran of World War II, he also served with the US Army during the Korean conflict. He holds the rank of Captain in the Army Reserve. He is immediate past president of the New York unit of the Army's Counter Intelligence Corps Veterans, while serving with the Corps, Purvis held the posts of Assistant Chief of Assignments Branch and subsequently as Chief, Reserve Affairs Division. He is a well known numismatist.

Purvis has served as a trustee of the Greek Orthodox Church.

League of Women Voters to Meet

The Fall General Meeting of the League of Women Voters of Levittown will feature "Kill Only the Ivy", a film concerning the Federal Loyalty and Security Program.

The meeting is scheduled for Wednesday, Sept. 11, at 8:30 P.M., in the Levittown Presbyterian Church on Wantagh Ave. at Gray Lane. For further information, call Mrs. Joseph Brent, Membership Chairman, at SU 1-0441.

AUDREY HEPBURN plays the mysterious girl in "Love in the Afternoon" at the Cove Theatre Gian Cove, Sunday thru Wednesday, Sept 8 to 11.

Change Evening Movie Time

"Curtain at 8:40," an important change in motion picture theatre time scheduling designed for the convenience of the motion picture theatre patron, went into effect last night, at the following Century Theatres: The Huntington, Shore Grove, Fantasy, Franklin, Floral and Meadows.

On Sunday to Thursday evenings, the last complete show for the evening will start with the main feature at 8:40 P.M., permitting the movie-goer to see the top attraction at a convenient time during the week. This earlier and set starting time of the main feature has definite advantages. Single feature fans can come earlier to see the main attraction, and leave earlier. Double feature fans can come as late as 8:40 P.M. and still see the entire show, as the co-feature is presented after the main attraction.

Matinees will be as usual, with continuous performances daily. On Fridays and Saturdays, the regular later shows will prevail.

Forget Me Not Ball Sept 28

Thousands of pink and blue blooms will provide a fairyland background for the fifth annual Forget Me Not Ball for the benefit of the Nassau County Cerebral Palsy Association to be held Sept. 28 in the new Georgian Room of the Garden City Hotel. Plans for the affair, which traditionally opens the fall social season on Long Island, were announced today by Supreme Court Justice Howard T. Hogan of Farmingdale, chairman.

This year's festivities will feature formal dinner at 9 P.M., instead of midnight breakfast, which was the custom of past balls. The pink and blue Forget Me Not colors will be used entirely in the decor. Pink tablecloths will adorn the tables, programs and favors will follow the same color theme, and candlelight will produce an atmosphere of gaiety and warmth.

Presentations End Season

HICKSVILLE -- Presentations of awards and trophies were the highlight of the Babe Ruth League 3rd annual awards night at Levittown Hall, Aug. 27, Chamber of Commerce President Pat Caputo opened the evening.

Trophies went to West Green Drug team which finished first in the blue division, managed by Herb Werkstell who was named "manager of the year" by League President Jim Glod.

Encore Theatre group team, winners in the grey division, managed by Henry Ketter also won a trophy.

Plaques went to the following sponsors: Island Queen Diner, West Green Drug, Pagano Furni-

ture, Newbridge Service Station, Darl Delite, Whiting & Whiting, Broadway Maintenance, Republican Club, Aces, Centre Shop, Encore Theatre and Trojanoff Ballet Academy.

Glod was given a plaque for his services as president. Leo Samberg was honored for his efficient management of the All Star team and Frank Caputo won an award for outstanding service. Kitty and Herb Werkstell were honored for their years in the league and Mr. and Mrs. Harry Sannosian earned a plaque for being the new outstanding couple of the year.

Refreshments were served and music was furnished by the Dominos, a group of local boys.

AWARDS were made at the 3rd annual affair of the Babe Ruth League at Levittown Hall, Hicksville, last week to the above, reading from the left; Mrs. Harry Sannosian, president of Women's Auxiliary; James Glod, president of the Babe Ruth League; Herbert Kerstall, manager of the

West Green Drug team; Henry Rislow, captain of West Green Team; and Aaron Chaffkin, vice president of the League, for outstanding service to the League.

Comets, Jets Playoff Saturday

BY ELWOOD S. KENT, SR.

HICKSVILLE - The onrushing Bulldogs, on Saturday, staged a last inning rally to upset the Comets 4 to 2 in the St. Ignace CYO Baseball League after trailing all game on the short end of a 2 to 1 score.

Spending of names, the Bulldogs couldn't be named any better. They have shown the tenacity of their namesake and are never to be considered out of the ball game until the last out. They have given the leading teams in the league a battle every time out. It is too bad their spirit started a wee bit late.

Next Saturday, it is expected the Comets and the Jets will get together for one of their play-off games. At present the leading teams appear to be lined up as follows:

| | WON | LOST | TIED |
|----------|-----|------|------|
| Jets | 9 | 2 | 1 |
| Warriors | 10 | 4 | 1 |
| Comets | 8 | 4 | 1 |

The Bulldogs, Bombers and Terriers follow, in that order.

Congratulations to the following managers on a successful season: Nationals - Phares, N. Hemgens; Cubs, C. Accera and J. Sheehans; Cardinals, N. Flynn and K. Schwelz; Dodgers, J. Geoghan; Phillies, H. McGowan; Giants, F. Dannhauser; Red Legs, J. Legge and P. Gletscher; Braves, J. McAuley.

Americans - Tigers, M. Carrera; Orioles, L. Trubinski; Indians, J. Mulholland; Athletics, P. Bowler; Yankees, R. Calzetta; White Sox, T. Callahan and E. Waters; Senators, F. Maier; Red Sox, G. Bendish and N. Hearrt.

Seniors - Terriers, T. Douglas; Bombers, E. Reilly and G. O'Neill; Bulldogs, J. Montano; Warriors, T. Pepio; Comets, B. Kimber; Jets, A. Baldwin and E. Kent.

Bantam Division Team manager, R. Guckenberger; and PBC League Manager, J. O'Connell.

Congratulations also to those

very very capable umpires, Commissioners George Shanley and Larry Barolletti, and to the man who took on a tough assignment and made it look easy - Don McLaughlin.

FOOTBALL

The team is now open to ALL BOYS in Hicksville between the ages of 9 to 13. Hicksville Football team of the Midget Football League holds practice sessions Tuesday Wednesday, and Thursday at 6:30 p.m. and Saturday at 10:30 a.m. All boys report at the Jr. High off Jerusalem Ave. on these days to shape up for the team. First game of the season is scheduled at Spysset with the Spysset team on September 29. Everybody, all boys, turn out for practice and all football fans hold yourselves in readiness for the opener.

MISCELLANEOUS

The Softball ballyhoo has died to a murmur, and discussion relative to who did win the game is simmering. Possible decision as to the winner may have to take place on the U.N. agenda. Our correspondent in the winds of N.Y. State up near the Canadian border is playing hide and seek. Hope he didn't hold onto one of those misadventures they shoot off up there. Considerable talk has been heard about certain CYO men chasing a little white ball around a golf course in Nordport. It seems Art Baldwin and Art Baldwin (and this is not a misprint) have trouble adding their scores.

COMMUNITY CALENDAR

Sept. 6 - Regular meeting Amvets Post #44 at the Amvets Hall 25 E. Marie St., Hicksville. 8:30 P.M.

Sept. 10 - Junior High PTA. Regular meeting, Junior High School gym. 8:15 P.M.

Sept. 20 - Election of officers Amvets, Post #44. Amvets Hall 25 E. Marie St., Hicksville 8:15 P.M. Note - Since the social season will soon be in full swing remember to call WE 1-1400.

Harts Takes Championship

BETHPAGE -- The International League won their first championship when Harts took 2 out of 3 games from last year's champs, American league Hellcats. You will recall that Harts took two straight games from the National league Cougars the previous week.

The first game went to Harts by a 5 to 2 win over the Hellcats. Billy Nugent was the winning pitcher and racked up 16 strikeouts while allowing NO HITS.

In the second game, the Hellcats fought back and won with a 5 to 4 score. The winning run was made in the last inning with a double by McGovern and a fielder's choice hit by Sandberg. Bases on balls played a big part in the game for the Hellcats, 4 in the second inning were good for 3 runs and in the 5th a double by Patras, his second of the game, and a single by Cerullo tied the game at 4 all.

The Hellcats had 6 hits and Harts came up with 7 hits. Rinaldi, Nugent and Perreca were the big hitters again for Harts with Rinaldi going 3 for 3. Winning pitcher was Reith, Sandberg doing a good

job catching. Perreca started for Harts and was relieved by Stubbe in the 5th who took the loss. Nugent did the catching.

The rubber game saw Harts edge out the Hellcats 2 to 1. Rinaldi picked up the win with 15 strikeouts. He allowed only two hits one by Carasco and the other by Patras which gave the Hellcats their only run in the 3rd inning. Patras was the losing pitcher and did a good job but allowed 1 run to score in the 2nd inning when after 2 bases on balls, there were two sacrifice outs. The only other run came in the 3rd scored by Perreca after he hit a single followed by another single by Nugent and Perreca scored on a wild throw. Perreca came up with a double in the 5th for the final hit in the game but failed to score.

SISTERHOOD MEETS

There will be a meeting of the Sisterhood of Congregation Shalom Zedek of Hicksville on Tuesday Sept. 10 at 8:30 pm in the Vestry room of the Synagogue, E. Barclay St.

Airplane Show Set for Sept 22

The First Annual Mid-Island Model Airplane Contest, scheduled for Aug. 23, was cancelled due to rain. It will be held at the Mid-Island Shopping Plaza, on Sunday, Sept. 22, it was announced by Arthur Wardell, vice president of the Republic Aviation Model Society (RAMS).

Sanctioned by the Academy of Model Aeronautics, the meet offers an array of 40 trophies, including a special award to the club with the largest number of entrants.

RESIDENTS ATTEND FORUM

Three Hicksville residents will attend a Prudential Insurance Co. three-day sales forum at Poccon Manor, Pa., beginning Sept. 8. The men are Phillip D. Bucalo, Frank T. Hanson and James P. Lynch, special agents in the company's Garden City, Brooklyn and New York Agencies.

Records Fall At Tourney

HICKSVILLE—A record-breaking 25,000 persons saw the 29th Annual Labor Day Firemen's Parade and Tournament at the vast Mid Island Plaza, Monday. Competition concluded shortly after 9 o'clock at night in the midst of a rain storm with the aid of emergency floodlights.

Competition was sharp right up to the last moment with East Meadow and Oyster Bay Rough Riders separated by a half point as the bucket brigade event began. Oyster Bay took the last contest to win five points and the Meadowlarks were second. Final point standings were Oyster Bay 25, East Meadow 24 1/2, Massapequa 12, North Massapequa 11, Albertson 9 1/2 and Great Neck 7 1/2.

The contests started on schedule at 1 o'clock but there was an hour's delay in Motor Hose Class C when an underground water main let go. The event was finished with a temporary hydrant while Karlson & Reed and Arthur Funfgeld brought in a crane to dig up the main and replace it.

PARADE WINNERS

Parade winners were: Most men in line, Freeport, winning leg on the new Gertz trophy; best appearing drift over 50 men, Freeport, Oceanside and Levittown; best appearing under 50, North Merrick, Floral Park and Elmont; best appearing auxiliary over 15, East Meadow, North Merrick and Levittown; best auxiliary under 15, Hewlett and New Hyde Park.

Furthest distance unit, Mattydale; best twirlers, Locust Valley with Plainview honorable mention; best appearing bands, East Meadow and Oceanside; best drum and bugle corps, Floral Park and North Merrick; best fire dog, Glenwood.

CONTEST RESULTS:

Motor Hook & Ladder, Class B - East Meadow 5.6, Oyster Bay

THE BIGGEST firemen's tournament in the history of the community deserves the biggest picture the MID ISLAND HERALD has every published. Frank Mallett shot this view of the course from the top of the 5-story Gertz building. One side of the grandstand is directly in the centre of the picture.

5.8, Massapequa 6.2, Albertson 6.3 won toss over Uniondale 6.3, Bellmore 6.7, Inwood.

Motor Hook & Ladder, Class C - Oyster Bay 10.7 (new state record, it was announced; old time 10.8); Uniondale 11.5, East Meadow 11.9, Elmont 12.5 won toss over Port Washington 12.5, North Massapequa and Albertson.

Motor Hose, Class C -- Oyster Bay 16.7, Massapequa 17.8, Port Washington 18.3, Westbury 18.5, Oceanside 19 and East Meadow.

Motor Hose Class B -- North Massapequa 9.4, Westbury 9.7, East Meadow 9.8, Great Neck 9.9, won toss over Albertson 9.9, South Hempstead 10.3.

Combination Pump and Hose - East Meadow 15.4 (set new state record, it was announced; old record 15.9), Plainview 15.7 won

toss over Oyster Bay 15.7 and Albertson 15.7, Great Neck 16.7 and North Massapequa 17.3.

Motor Pump - Massapequa 7.2, won toss over Uniondale 7.9 and Roslyn 8.1.

Efficiency - Syosset 10.4 won run-off over East Meadow 10.4 (re-run times, Syosset 10.5 and East Meadow 11.1), Oyster Bay 10.8, Albertson 10.7, Great Neck 10.8, Lawrence-Cedarhurst 11.2 and Elmont 11.3.

Bucket -- Oyster Bay 32, East Meadow 34.4, North Massapequa 38.3, Albertson 40.4 won toss over Lawrence-Cedarhurst 40.4, Massapequa 43.2 and Inwood 43.4.
