## CHANGE POLICY AGAIN

### Front Door Measure For Elementary Pupils

HICKSVILLE -- The transportation policy of the school district was further revised at the Board of Education meeting, Friday night, when the point of measurement for elementary students was changed back to the front entrance of the school buildings. The vote to change was four to three. The policy of measuring to the nearest "school entrance" had been enacted on April 24.

"Biggest problem" on transportation within the District since the opening of school for the fall term, Transportation Officer Sybella Caesar reported to the Board, "are the borderline cases. The map and measuring wheel have been designated as the official map and measuring device of the school district. We are not accepting car speedometer readings. We have found inaccuracies on the map."

#### MEASURING WHEEL

The Board directed that a special measuring device be obtained, an accurate gimmick which looks like a bicycle wheel and is attached to a car or other vehicle, which will be the final decision on future disputes.

The Board also voted that "obvious errors" in the map may be handled by the Administration.

The change back to front door of the school measurement was in response to a comment by Mrs. Caesar that "complaints are com-

ing in regarding the measurement to the front door of buildings. Children are being dismissed from the front door," she noted.

The change of policy last April to the "nearest entrance" was a motion by Elwood Kent, seconded by Allen Carpenter, with all trustees present voting "yes" except President Emil Szeudy, who voted "no".

Last Friday night the vote was tied 3-3 and Szeudy casting the deciding vote to return the measurement to the front door. Voting yes were Arthur L. Ehrich, Robert Goodrich, Robert Eaton and Szeudy; voting no were Carpenter, Herbert Johnson and Jerry Zettler.

Zettler made the motion, seconded by Eaton, to buy the "measuring wheel" which carried unanimously. The directive to the Administration to correct "obvious errors" was on motion by Carpenter, seconded by Zettler and unanimously carried.

Mrs. Caesar also reported "requests for changes of bus stops by corner residents where our buses pickup and drop off are exceptionally heavy this year. After four days of school we are averaging about six a day. We are requesting a written request in all instances. Noise, litter, destruction and the fact that the stop has been at the same corner for a number of years, are the usual reasons used to have a bus stop removed."

## Curfew Hour Later

HICKSVILLE -- Board of Education meetings will be longer in the future, it appeared definitely today with the addition of an hour to the curfew rule of the Board. Whereas it required unanimous vote of those present to continue a meeting of the Board past midnight, a change in the rule was adopted last Friday night to have the after-midnight motion require only a majority vote.

A unanimous vote of those Board members remaining at one o'clock in the morning will be necessary to pass that hour. The motion to allow an extra hour after midnight on majority rather than unanimous vote was made by Allen Carpenter and seconded by Jerry Zettler. It was passed with all seven trustees voting "aye". Another regular weekly meeting of the Board takes place this Friday night, Sept. 20, starting at 8:30 PM in the High School Faculty Cafeteria.

## Inter-Company Drill Sunday

HICKSVILLE -- The annual inter-company drill between volunteer firemen of the Fire Dept will take place this Sunday afternoon, Sept. 22, at the Mid Island Plaza, according to Chief F. Medard Ofenloch. The name of the winning company among the 7 in the department will be inscribed on the permanent trophy in the Marie St. Firehouse. The drill will feature non-mechanical equipment and events.

**MANY OF STRUCTURES** in these pictures, taken Tuesday, are scheduled for demolition as part of the program for the widening of North Broadway from the LIRR north to Jericho Tpke. Top view, taken from Professional Building, shows the triangular section which it is reported will be entirely cleared and designed as a traffic exchange.

Lower view, taken from the roof of the L.I. National Bank shows a portion of the commuter

parking field which will probably remain after the widening is completed. Property owners along North Broadway this week were visited by a representative of the State Dept of Public Works who explained the State procedure for acquisition of property required. The project will cost more than \$2 million for construction alone and take about two years.

## HIP Observes First Birthday

The East Nassau Medical Group affiliated with HIP is celebrating the First Anniversary in its modern center at 350 So. Broadway, Hicksville. The Assoc. of Subscribers has planned open house this Saturday, Sept. 21 from 2 to 5 PM. The public is cordially invited to come and take part in a tour of the building. Refreshments will be served.

#### BIGGER THAN EVER

The Rosary Altar Society of Our Lady of Mercy Parish will conduct a "bigger and better than ever" Cake Sale at the new Church this Sunday, Sept. 22nd.

## Leo Reports on Radio Oct 13

FREEMONT -- Explorer Scout Leo Kanawada of Halsey Ave., Hicksville, who wrote the exclusive weekly airmail reports from the Boy Scout Jamboree at Valley Forge, Pa., and the World Jamboree in England, that appeared in the Mid Island HERALD, is scheduled to be heard on a radio program here Sunday, Oct. 13, at 10 AM from station WCBB. Leo and other Scouts who attended the jamboree will discuss their recent trip abroad.

**PAT SCHIMMOLLER**, candidate of the Theodore Roosevelt Republican Club of Bethpage for queen of the community in connection with the 21st birthday celebration, admires the handwork of Carmine Daniele during a visit to the Nassau Farmers Market in Bethpage this week. Competition in the selection of the Queen is almost as hot as that pizza. (J & J Photo Service)

**FIRE CHIEF** Medard Ofenloch loosens a bolt and frees four-year-old Charles Carbone of 86 Benjamin Ave., Hicksville, who caught his right arm between the gate and post of the fence near his home Monday. Fire Dept. was called to the rescue when Charles was unable to get free. A few moments work with a wrench stung the trap. (Herald Photo by Frank Mallett)

### FOOD SALE

A plant and food sale on Friday, Sept. 20, will be held at the Hicksville Methodist Church. The Sewing Circle will serve

tea between 1 P.M. and 4 P.M., at a plant, food and fancy goods sale. The proceeds of the sale will be used for benefit of the church's Steeple Fund.

## Dear Jean:

Seems the schools are not the only places suffering at the hands of juvenile vandals. In the playground on Woodbury Rd., near Cedar St., where swings and a slide was installed less than a week before, the bars of the hand rail of the slide were ripped loose. As of this writing they have been secured in place again.

Our good friend HAP HOLDEN had a grand time, Monday, putting pennies in the meter at the parking space of the new 1957 Pontiac which will be awarded in the near future by the Kiwanis. The car was parked in front of his store on Broadway for display purposes. Local friends and former classmates of Mrs. VICTORIA MCKEON will be glad to know that "Vicky" and her family, formerly of Teaneck, N.J. are now residing at 8 Gardner Ave., Hicksville. Mrs. McKen is the former Miss Guckenberger daughter of Mr. and Mrs. Henry Guckenberger of Fourth St., Hickville. Welcome back, Vicky. Hickville TV-viewers, watching the news on WPIX on Monday evening, might have recognized JOHN NELSON of Twinlawn ave., who took part in the Civil Defense demonstration at the Mid Island Plaza, Sunday. John was one of the volunteers who was being bandaged in the tunnels, of the Plaza. Talking to a few of the other fellows on the block, they tell me that their pictures were taken during the afternoon but they were not shown on TV. That's alright, ART NORTH, and DAVID and VINCENT HOOGACK, next time it will be you. Sincere sympathy to the GLASS Family on Elm St., Hickville, on the death of their beloved mother over the week-end. Have you seen all the nice looking young gentlemen at desk in the store formerly operated as Susan Joy's, corner of Bway & W. Marie St., Hickville? It is now occupied by the All State Insurance Co. and there has been many a gal (married & single) standing there to admire the boys.

A number of folks in the south end of Hickville were late for work, Tuesday morning, when power failure about 11 o'clock on Monday night cut off the juice for electric clocks. LOU KAPSTATTER our Town Sanitation supervisor recently broke "76" on the links. SEYMOUR KANTOR of Westbury who operates the Walton Mirror Works on South Bway, Hickville, was convicted in District Court last March for violating the Sunday blue law. This week the County Court upheld at the conviction. It is charged that Kantor on Jan. 13 conducted business at his store on a Sunday. His lawyer said he "had not actually sold anything", just accepted a deposit on a mirror that was delivered later in the week. They are handing out the new county phone books with 460,000 listings or a gain of 37,000 more than last year. We did not count 'em. We'll take the word of DICK MENDES, phone co. manager. Leave it to BUICK RENNE. He has a circular out now wishing everyone a "merry Christmas and happy New Year". He's either very early or very, very late. It will be Students' Day at Brookhaven National Laboratory at Upton on Friday, Oct. 11. Here's your chance to see a nuclear reactor... We are not too happy about the school program going after local advertisers because we feel it is unfair competition by "govt" with private enterprise. The payoff this week was the request from a solicitor from the Comet for a list of our advertising accounts to make his job easier.

There was only a slight change in the Nassau-Suffolk Business Index from June to July, a drop of 0.2 points from 127.3 to 127.1, according to Hofstra College, Bureau of Business and Community Research. Hickville Kiwanis is one-tenth of its way toward its goal in the sale of award tickets for the Pontiac which MAL PIERCE presented to the club. It will be National Kid's Day again on Sept. 28. This year's program is at the Division Ave. St. High. FRED SUTTER is chairman of the Kiwanis-sponsored event. At the last Kiwanis meeting FRANK CHUMSKY received a tab for 12 years of perfect attendance, as did SOL ROTHSTEIN of Maglin's Liquor Store. Pins distributed to wives of guests at the Plainview Republican Club testimonial dinner for TONY OCKER last week were the handiwork of Mrs. ED OCKER. ... ED FEHRENBACH, Republican candidate for Assemblyman, spoke last week at a meeting of the Valley Stream Republican Recruits. Hickville School Board in July and August met for 56 hours, more than the total for the School Board during all of 1956. ... Related birthday greetings to Mrs. FRANK MALLETT of Plainview Rd., Hickville who celebrated on Saturday. Sorry we are late dear, but we are sending our best wishes regardless. Congratulations to Mr. and Mrs. FRANCIS X. DEVINE of Seymour Lane, Hickville who celebrated 25 years of wedded bliss on Tuesday Sept. 17. Glad to hear that Mrs. W. MUENCH of W. Cherry Street is home after a stay at Brunswick Hospital, Amityville. Her many friends and neighbors wish her a very speedy recovery. Peeping Toms and annoying teen-agers in the vicinity of East St. school. Homeowners in the vicinity complaining of trouble after dark and local police have been notified and are on the look-out for the culprits. Make sure your doors and windows are locked to avoid trouble.

We are indeed sorry to hear of the death of FRANK MALBACH of 77 Sixteenth St. Jericho, father of St. M. Rose Madeline, formerly on the teaching staff of St. Ignatius school, Hickville. I am sure many of her former students will like to remember their former teacher with a note of sympathy. Sister was one of the favorite teachers at St. Ignatius and is now on the teaching staff at St. Clements School, S. Ozone Park. She may be reached Sr. M. Rose Madeline, O.P., St. Clements School, 120-27 141 St., South Ozone Park.

The GEORGE PERRY'S of Cedar St. are sporting a new Chevy. Good luck folks. George is the press agent for Bill Bowler's Log Tavern. CAROL ROONEY, the night dispatcher for Miller Cabs, is recovering from surgery at Meadowbrook Hospital. Send a get well card...

Heavy equipment of SAGE CONSTRUCTION Co. of New York arrived at Woodland, Burns and Park Lane schools, Monday, ready to start the big ground improvement program at all schools of the district. And of course the next morning it rained. ... TED STEELE will be at Mid Island Plaza this Saturday afternoon, Sept. 21, to conduct a Dance Jamboree on the mall and give away 800 records in Gerz. Public library will start using part of its new building this week. Official dedication comes later. Hickville Rotary is also going to give away a car. Club is buying a Dodge. ... Duffy Park Civic Assoc meets Sept. 25 (next Wed) at Old Country Rd School. ... Hickville Citizens for Better Govt in School Affairs meets on Oct. 2. ... SYLVAN LISSAUER of 22 Hazelwood Dr., Jericho and manager of Food Fair in New Hyde Park has won a Good Citizenship Award in nation-wide competition. ...

#### Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.  
by Artie Ruiz

And into history passes another milestone of progress in the evolution of a group of returned Hicksville World War I veterans who formed the Hicksville Post of the American Legion which became known as Charles Wagner Post #421. The latest milestone along the road to the top was passed last Saturday night with the installation of Commander Guy Smith and his staff of able officers. We were pleasantly surprised by the appearance of County Commander Fred Sava and members of his staff who put off their departure to the National Convention at Atlantic City for one day so that they could be present to do the honors at Hicksville.

County Staff officers present were Bill Bruno, Americanism officer; Bill Irwin, 1st Division Commander; Walter Kermer, 2nd Division Commander; Gus Maggio, 3rd Division Commander; Al Woessner, Treasurer and Johnny Meyers, Sergeant at Arms. We were also honored by the presence of the Queen candidate of the Bethpage American Legion, Gladys Oliveri, who was introduced by the Commander of the Archie McCord Post, Harry Kelly. The Vice President of the Bethpage Auxiliary was on hand also, Isabelle Kelly. The Plainview American Legion was represented by Mike Cialdella, its commander. Frank Hamilton, Commander of Robert O. Ulmer Post 44 "Amvets", represented his Post. And our own Auxiliary unit was in strength. Past President, Chick Jabour, Harriet Mangels, Betty Beard and Lil Doran were among

those present. Ethel Habenicht, present President of the Auxiliary, established a precedent by presenting an engraved gavel to newly installed Commander Smith. Very thoughtful gal.

Our own past Commanders were out in strength also. Rudy Bouse, Bob Mangels, Walter Barnett, Jay Jabour, Al Carpenter and Bob Beard were in this category. Incidentally, Chick no longer goes for her own food. Mrs. Kitty Bletsch and Mrs. Rose Smith were presented with corsages after Artie Bletsch, retiring Commander, had received his diamond studded past Commander's pin and Guy Smith, his badge of office. Checks were presented to Commander Smith for retirement of the Legion Hall bonds by both the Auxiliary and the Post. Oh, yes, Chick has little helpers. Right, Chick?

Needless to say that Rudy Bouse's food was delicious as usual. And Ernie Gundlach's method of shaking cocktails is something to behold. That reminds me of Ed Becker's method playing Buck dice. County Membership Officer Bill Irwin noted that our Post adhered closely to the quota set for it by the County and asked that we exceed it this year by 25%. Here's news for Bill. We expect to exceed 25%, but easily. Our 1958 membership drive is now on fellows, so lineup and pay up, early this year, and get that neighbor of yours to join the world's greatest Veterans' organization and let's get started on the road toward making the Charles Wagner Post PONE in the NATION. WE CAN DO IT.

**IMMEDIATE SUPPORT** for the candidacy of William H. McCaffrey, 31-year-old Plainview attorney (at left), for State Assembly was given this week by Arthur Levitt, State Comptroller who said "I sincerely hope that Bill McCaffrey is elected to the State Assembly in November. The State Legislature desperately needs Democratic legislators, such as Mr. McCaffrey." The vacancy in the Legislature developed this week when Assemblyman John J. Burns resigned to become the Republican candidate for Supervisor of the Township. GOP candidate to succeed Burns in Albany is Edwin Fehrenbach of Bethpage. (Irving Kaufman Studios)

## Children's Art Starts Sept 28

Children's painting and sketch classes will commence at the studio of Mrs. Olga Hoebel, 30 Terrace Place, Hicksville, on Saturday, Sept. 28th. Registration for these sessions will be held at the studio 30 Terrace Pl., Hicksville on Saturday Sept. 21st, between 10 and 11:30 a.m. and 2 and 3:30 p.m. A painting session for adults was held at the studio on Monday, Sept. 9. The class was conducted

by Oke Nordgren and featured painting in oils from still life. The children's classes are conducted by Mrs. Olga Hoebel and are held every Saturday morning for ten weeks. Painting session in oil for children will be limited to four students and will start on week-day afternoons sometime after the first of October.

We look forward this year to Holy Days services of great beauty and impressiveness; we believe that you will wish to participate with us in their observance. We believe that the increased and awakened spirituality of our people, which the great stress of the times has evoked, will be best met by the deep and genuinely religious experience and atmosphere which Jewish Science services create.

In order that you may secure your seats, we ask you to make the earliest possible reservations, by writing, or telephoning to our office. Tel. CHapel 9-6262.

So that everyone may have the opportunity to worship with us, seats are priced at \$15.00 per family.

Location: On easterly side of Bethpage State Park — 1/2 mile north of Bethpage Riding Academy and 3/4 mile south of Nassau County Sanatorium on Round Swamp Road.

## HERALD GREEN THUMB

by Alma W. Creib

Now that the youngsters are back in school and the winter's activities are beginning, we feel that the summer is over. But not in the garden. Most of the annuals are at their best during September and October and some of the early-blooming perennials are putting on a repeat performance. Even without the chrysanthemums most of our gardens are still brilliant with color, but the mums are the crowning glory of the year.

Driving around in Plainview and Hicksville, one is impressed with the beautiful gardens and well-arranged foundation plantings in every part of town. Surely we are a community of good gardeners who spend time, effort, and money to make our home surroundings lovely, and the result is something of which we may well be proud. Even at the end of this trying summer of drought, the lawns are in good condition, the shrubs and trees are flourishing, and flowers in a riot of color testify to constant and loving care.

It is a bit difficult to keep the autumn garden from becoming frosty. Some of the perennials are through for the year but they must not be cut down because the foliage is producing food and storing up vitality for next year. This is true of lilies, day lilies, hemerocallis, kniphofia (red-hot poker), and the Siberian and Japanese lilies.

There is a constant discussion among iris-lovers as to whether the bearded or German iris may be cut back when the tips of the leaves turn brown. One test-garden reports that it does not effect the

quality or quantity of bloom, but it does slow up the rate of increase - which might be an advantage in a small garden. Each fan of leaves may be trimmed to a point about six inches high.

Phlox blossoms should be cut off as soon as they fade, not only because that will cause the laterals to develop into more heads of bloom, but because phlox does not come true from seed. Any seedlings springing up around the original plant are apt to be a muddy magenta color, and these vigorous little volunteers often crowd out the choice variety you prize, giving rise to the story that good-colored phlox fades to white or magenta in a few years.

The flowering stalks of shasta daisy, columbine, delphinium, coreopsis, and perennial scabiosa should be cut back to the crown as soon as they finish blooming, for neatness. Some of them will continue to bloom intermittently all summer. The various dianthus (pinks and carnations) will send up more flowers if you shear them back after the first lush display. Sweet alyssum and forget-me-nots will blossom all over again if you take the shears to the browning tops. Zinnias and marigolds are better for having the blooms snipped off as soon as they are past their first freshness.

A few minutes in the garden between household tasks, several times a day, relaxes and refreshes the busy housekeeper, and a bit of activity with the pruning shears keeps the flowers looking their best until black frost ends the gardening year.

**CANTOR BARBALATT**

Congregation Shaarei Zedek of East Barclay Street in Hicksville announces that Cantor David Barbalatt will conduct Services on the High Holy Days. Cantor Barbalatt will chant the Shlochos Service on this Sunday morning, Sept. 22 at 12:30 A. M. Everyone is invited to attend.

Rosh Hashana Services begin on September 25 at 6:30 P. M. Morning Services on Thursday, Sept. 26 and Friday, Sept. 27 are at 8 A. M. Evening Services on both days are at 6:30 P. M. Yom Kippur Evening Services will begin at 6:15 P. M. Morning Services will begin at 8:30 A. M.

## EDITORIALS Quarterly Meetings

The VILLAGER has learned that a general meeting of our Civic Association will be held during the latter part of October. We are pleased that a general meeting has been called because we strongly feel that the residents of Birchwood should be given the opportunity at a general meeting to hear directly from our Officers and Committees so that the residents can be enlightened as to the accomplishments, progress and future plans of the Civic Association.

Our Civic Association Constitution, Article V, Section 1, requires that a "minimum of four meetings a year be called by the President". As the Constitution is now written, a President of the Civic Association, if he were so inclined, could call four general meetings the last week of his administration and still comply with the requirements of the Constitution.

Furthermore, a President could call for special meetings (limited discussions) a year and still comply with the requirements. The VILLAGER therefore suggests that the Constitution be amended so that four general meetings be held quarterly, thereby assuring the residents throughout the entire period of any administration to be informed as to the work, accomplishments, etc., of the officials who guide our Civic Association.

## N Is for Neighbor

As the summer draws to a close, most of us can now sit back and reflect on our first season of "outdoor living". As in every phase of human relationships, there were pitfalls and disadvantages along with the joys of stretching out on a chaise and sinking one's teeth into a barbecued steak.

Our property is our own to do with as we please, but let us never lose sight of the fact that we are but segments of a whole—the whole being our community at large. A sense of civic pride is expected from families who have expended the money and labor required to live here in Birchwood Park at Jericho. Let's take stock of our own manners and habits, as well as those of our neighbors and resolve to do, (like the Dodgers), "better next year".

We should and are entitled to entertain outdoors—it is one of the greatest pleasures of home living. But our neighbors have to live also. Music and lights can be controlled so that only our guests enjoy them—not the entire neighborhood. When the hour is late and the party is literally "high", the host and hostess should use discretion by either moderating the noise or moving the party indoors. On the other hand, it is possible that if we are being disturbed by a raucous get-together, the people sponsoring the fun may not be aware of the situation, being so closely a part of it. How much nicer to phone and make a polite request for consideration than to yell invectives and hurl ugly threats.

Outdoor clothes dryers cannot beautify the community. We all have large homes and, it would seem, ample room for laundry necessities. However, if we feel that hanging clothes outdoors is important, we should show consideration by placing the dryer in the most inconspicuous place possible and limiting our drying to week-days.

Much conversation has taken place about control of our dogs. Not enough conversation has ensued, however, about the control of our children. When a family purchases playground equipment or outdoor furniture, it is not meant to be communal property. Young children cannot possibly realize that they may not make use of everything in sight as their own, unless they are so instructed by their parents. The same applies to walking across lawns and picking the pretty flowers. It is up to us to guide our children, watch to see where they are playing, and be responsible for their behavior at all times possible.

When we see our neighbors investing in landscaping, putting in seed lawns and sod, it is our responsibility to help him protect his investment. Every bush, tree, and piece of seed that enters the ground enhances the land values of the community for all. We ourselves may not be able or desirous of making exterior improvements at this time. That is also our prerogative. However, we can keep our weeds cut low, we can keep our sidewalks and pathways clean, and we can place and remove our garbage at the proper times.

Finally, before we rush to criticize and abuse, let's try to remember that there is always a happy medium to be reached in the problems that beset us. It still takes "two to tango"—so, come on, neighbor, let's dance!

## Civic Association Reports

### COMMUNITY PROTECTION

Dr. Schmierer reports that several dangerous and annoying situations exist at School Bus stops. The committee requests the cooperation of parents and their instruction of their children to avoid these conditions:

1. Children sitting on street curbs.
2. Lack of any supervision on some corners. A few corners are well supervised by some parents who have a program of "share the supervision".
3. Some corners are overcrowded by parents with baby carriages thereby crowding students away from the bus stops.
4. Overcrowding at Bus stops causes students to walk on and damage lawns.

### MEMBERSHIP

Nat Fischer reports that a house campaign for new members was conducted a few weeks ago and as a result 64 new members were signed in a period of the ensuing two weeks. Total membership in the Civic Association is approximately 325 at this writing.

### POSTAL

Martin Lawrence reports that letters were written by him to Representative Wainwright and Postmaster General Summerfield. They have both replied supporting our stand for supplementary foot delivery and advising they are forwarding Lawrence's letter to the postal authorities and local postal regional directors.

### ENTERTAINMENT

Irving Herskowitz reports that the Entertainment Committee is planning a Halloween Costume Party and/or Dance for teenagers. The affair will be held at the new Jackson School or at the Robert Seaman School.

### TOWN PLANNING

This committee has recently gone into the question of drainage problems. Several streets have been worked on to correct drainage defects, but this work has not as yet been completed. If there are any street drainage defects in

(Continued on page 10)

## Tree-Planting Project Underway

Your Town Planning Committee is pleased to announce that arrangements have been made with the Whitman Nursery, on Whitman Road (Route 110), Huntington, to furnish European Sycamore trees for curb planting, that is, in the strip between the sidewalk and the curb — on the following terms:

1. The trees will range approximately 13 to 14 feet in height and be of a 1 1/2 to 2 inch caliper.
2. They will be planted with fertilizer, staked and fully guaranteed in writing for one year.
3. The special price will be \$15.00 per tree.

It is the hope of the Planning Committee that every resident will plant two trees in front of his

house in the curb strip, thus giving our community a fine tree-lined appearance within the next few years. The European Sycamores were selected as the ideal tree for that purpose, in that they grow rapidly and do not destroy your sidewalk or cess-pool by reason of root growth.

This information was garnered from consultations with various nurseries and with the Oyster Bay Town Park Supervisor Peter Hussey. The trees in question have nice full, round heads. An inspection of sample average trees may be had at the nursery by any resident wishing to view same. (Ask for Mr. or Mrs. Zipala and explain that you are from Blackwood at Jericho).

A great number of our residents have already signed up for these trees, which will be planted some time during the latter part of October when the leaves have fallen therefrom and the trees have become dormant, enabling them to be moved. It is suggested that on a few streets from which orders for trees have not as yet been given, one or two civic-minded residents canvass their particular street, secure the names and addresses of the persons interested and forward

or deliver the list to the undersigned.

We wish it to be clearly understood that there is no obligation on the part of anyone to purchase trees through the aforementioned connection. It is the earnest hope and desire of our Civic Association that trees be planted on all the streets. We don't care when you secure them — as long as you secure them. Also, there is no obligation to take two trees. If any resident wishes only one, that is fine too.

ANNOUNCER: Yes, Folks, everyone's talking 'bout Jericho Crab Grass these days. Don't neglect your lawn—order some Jericho Crab Grass right away. Special limited offer for our Historical Crab Grass: With beautiful flowers, bursting with seed. Hurry! Act now! (Background music—None but the Lonely Heart)

ANNOUNCER: And now to today's episode of John's Other Jericho Life. Seated in a typical General Electric kitchen, we find Jane, typical of Jericho Housewives everywhere, freshly showered and perfumed, preparing a simple evening meal of lobster cocktail, fillet mignon, pommes de terre, and baked Alaska. The children, bathed and fed, are typically playing quietly in their rooms. John, the typical Jericho breadwinner, has just entered. He came home on the 448—It is now 8:30 p.m.-----

JOHN: Jane, Darling.

JANE: John, Darling.

JOHN: Did you have a pleasant day, Sweetie?

JANE: Yes, beloved. Did you?

JOHN: Simply great. The Morris Plan is cinched—I'll tell you all about it after I wash up.

(Sounds of John upstairs, kissing the children and asking them about their day. Sounds of John washing up.)

JOHN: Well, here I am again, Angel. All ready for our simple little typical dinner.

JANE: But first, lover, try some of these simple little caviar hors d'oeuvres and this simply simple Martini.

JOHN: Thank you, doll-girl. My, but you look ravishing in your typical silver lame sheath.

JANE: Thank you, doll-boy. (Pauses and sighs heavily) John,-----

JOHN: Yes, Jane?

JANE: Dearest, I hate to trouble you with additional financial burdens, but-----

JOHN: Dear Heart, your typical sweet sincerity could never trouble me. Go ahead, Jane.

JANE: Well, our neighbors on the left are tearing up their landscaping and putting in a new setting. They say that they're tired of it.

JOHN: Yes, well after all, it is last year's landscaping.

JANE: You know, cookie, I'm never concerned about what the neighbors are doing, but-----

JOHN: Of course not, chickadee--but tomorrow we'll replace last year's landscaping. We'll do it simply because we want to.

JANE: Oh, John, you're so understanding.

JOHN: And you, Jane Honey, are so sweetly sincere.

JANE: Can we go to a typical night club this evening?

JOHN: Oh, I'd love to, sugar, but there's a meeting. A special committee to overrule the Rules Committee, you know.

JANE: Of course, I'd almost forgotten. That's the fourth meeting this week but I realize that it's so necessary. I'll just finish the ironing and do some baking and when you come home we'll have some typical hot chocolate with freshly whipped cream and freshly baked pie together.

JOHN: Oh, Jane, you're so understanding.

JANE: And you, John Honey, are so sweetly sincere-----

ANNOUNCER: And so, Folks, ends a typical evening scene in the down-to-earth, matter-of-fact, true-to-John's Other Jericho Life.

MUSICAL TRIO: Jericho Crab Grass is so good  
Your neighbors use it, we wish you would  
Jericho Crab Grass, thick and green  
If you don't have it, it'll seem obscene.

**TODAY'S QUESTION:** What do you think of the Villager?  
 GEORGE MEYERS, 5 Hightop Lane says:  
 "The Villager" is just what Birchwood needs. How else can you know what's going on in someone else's backyard, unless you go snooping around and besides, who's got time? So, let the experts do it for you and relax and enjoy it.  
 DR. JACK MOSS, 10 Maiden Lane says:  
 I enjoy the news in "The Villager" because it keeps me in touch with my friends and neighbors. It's the best way I have of knowing what's happen-

ing in the community. I think it makes for a friendlier relationship.  
 MRS. SYLVIA EISENBERG, 28 Bounty Lane says:  
 The Villager fulfills the needs of a new energetic, beautiful community. We are all interested in the activities of our neighbors and community so that we can contribute our little bit.  
 MRS. SYLVIA RICHTER, 64 Merry Lane says:  
 I have been finding The Villager very readable. Hope it will grow and include special columns for teen-agers, women, etc. - also on gardening, art, drama, music and literature.

## THE WALLS OF JERICO

by HERB SHAPIRO

The builder is still being plagued by letter-writing campaign to F.H.A. and V.A. These same people are plaguing the Civic Assoc. for implementation of the Checkout Agreement. Situation covered by Confucius, who said, "People who burn candle at both ends gather no moss."

A group of rather excited ladies besieged the Firehouse during the voting on the Fire Dep't budget. They demanded that the budget be voted down. They might have proved their point, and eliminated the Fire Engine that might one day save their lives.

A number of faulty hydrants were discovered and repaired recently. The situation was brought to light thru complaints of our canine population. Seems that these faulty plugs were throwing their aim off.

Charlie Kraft of our Board of Directors has a bathroom door but no knob. He's made the builder the following proposition: Supply doorknob or whistling lessons for his guests.

Membership Committee reports a fair response to dues invoices that were mailed recently. Committee wishes it known that all invoices outstanding after October 15, 1957 will be turned over to Murder, Inc. for collection.

We understand that the Entertainment Committee has come up with an original script for their projected drama production, its by Dostoevsky-Sam Dostoevsky. It is a Bedroom Farce about a group of people trying to make ends meet. They are looking for a technical advisor. Anyone properly qualified is invited to contact Irving Henslowitz.

Open letter to the Long Island Lighting Co. Gentlemen:

The Lord said, "Let there be light". Please let some of your light shine on the residents of our Syosset section. It is high time that street lights were installed there. It might be romantic walking a dog by candlelight, but not very practical. Our residents are law-abiding citizens by nature. There aren't too many firm - my Valentines among us who can sandpaper their fingertips to the degree of sensitivity necessary to insert keys into front doors in pitch blackness. Cause thy light to shine on their doors and surely goodness (and increased revenues) shall follow these all the days of thy life.

F.S. Please do something about the lights that failed in other parts of the community.

**LEGAL NOTICE**  
**PUBLIC NOTICE**  
 NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday, October 1st, 1957 at 10 o'clock A.M. in the Hearing Room, Town Hall, Oyster Bay, N.Y., at which hearing citizens and parties interested will have an opportunity to be heard upon the following proposed amendment to the Building Zone Ordinance of the Town of Oyster Bay, as amended and revised:

Amend Article V, Section C-13, Article VI, Section D-13 and Article VII, Section E-13 by deleting the present subsection (d) and adding a new subsection (d) to read as follows:  
 (d) In any case where the Board of Appeals has diminished a required yard by a variance, none of the encroachments as set forth in subsections (b) and (c) of this section, shall be permitted into such diminished yard.

Amend Article XXI by deleting present Sections 15, 16 and 17 and adding new Sections 15, 16, 17 and 18 to read as follows:  
 Section 15: Where a residence exists on a corner plot having a width greater than fifty (50) feet but not more than sixty feet (60) feet, a detached garage may be erected in the innermost corner, not nearer to any street than the set back of the existing residence but in no case closer to any street than twenty-five (25) feet and not nearer than five (5) feet to any other lot lines. However, on a corner plot having a width of less than fifty (50) feet a detached garage may be erected on the inner most corner of the plot two (2) feet from the side or rear lot lines.  
 Section 16: On any plot on which a residence exists and the side yard is not greater than fifteen (15) feet a detached garage may be erected not closer than two (2) feet to the side or rear lot lines.  
 Section 17: On any plot having a width of not more than sixty-five feet (65) on which a residence exists an attached garage may be erected with total side yards of not less than fifteen (15) feet and neither side yard less than three (3) feet.  
 Section 18: On any plot which cannot comply with the present zoning restrictions and which was held in single and separate ownership at the date of the enactment of this ordinance, viz, January 27, 1953, a residence may be erected or altered with the zoning restrictions which were in effect on the land on the 26th day of January 1953 in so far as the following conditions apply.

(a) Area of lot or plot.  
 (b) Width of lot or plot.  
 (c) Front yards, except that no residence shall have a front yard of less than twenty-five (25) feet unless it be on a street that has been improved with two or more buildings, or building permits have been issued for same, in which event the residence shall conform to the prevailing set back, but in no event shall the required set back exceed fifty (50) feet.  
 (d) Rear Yard.  
 (e) Side yards except that the total side yards shall be at least fifteen (15) feet and no side yard less than three (3) feet.

## HERE AND THERE

by FLORENCE BERGER

Mrs. Vincent Rappa of Hedgerow Lane held a meeting, Tuesday, Sept. 17, for the Catholic Daughters of America, at the Church of St. Dominic's in Oyster Bay. Mrs. Rappa is now Chairman of a new chapter, The Court Sacred Heart #370, affiliated with the Knights of Columbus. Anyone wishing to join, please call Mrs. Rappa at Wells 8-8825.

Elections were held for Temple Or-Elohim's Sisterhood at the home of Mrs. Ben Raiber, Magnolia Lane. Officers elected were as follows: President, Mrs. Gilbert Stein; Vice President, Ruth Burns; Sherry Mishkin and Ceil Robbins; Rec. Sec., Irma Freeman; Fin. Sec., Gloria Shiffman; Corres. Sec., Trudy Babik; Treas., Beverly Barnett.

H-Month started Sept. 16 and lasted till Oct. 16. This is Hadasah's - Biggest Month. A trailer explaining about this organization was on display in Birchwood on Sept. 18. For more information call Blossom Kesner, Membership Chairman OV 1-2152.

The Stork finally arrived at the homes of Mrs. Samuel Mendelow of Maytime Dr., a baby girl named Debra. Another girl at the home of Mrs. Lila Shapiro of Hazelwood Drive.

Happy Birthday to Madeline Berman, Charles Kallbow, and Debbie Murray all of Fortune Lane.

A mah-jongg group on Hedgerow Lane will blow their "tidy" on Sept. 21st at the Golden Slipper. The anniversaries of Mr. and Mrs. M. Flalkow and Mr. and Mrs. Armand Brunswick will also be celebrated that evening.

Welcome to Birchwood, the Burns family of Maytime Drive, Jacobowitz family of Magnolia Lane.

A new addition to the family of Dr. and Mrs. Milton Eagle in

the form of a brindle boxer puppy 4 weeks old.

Our newspaper finally has a secretary in the person of Maria Genna of Maytime Drive. Welcome to the fold, Marie. You were just what the Villager ordered.

Wishing a Quick recovery to Elaine Jacobson home from the hospital.

Did you ever hear the old adage "Anything grows on Long Island", well we now have Succumbi's growing on Maytime Drive in Addition to Squash, Watermelon, and cantelope in the vegetable gardens of farmer's Fred Solomon and Julie Freedman.

Five little girls from Birchwood went out and collected \$23.00 in nickels, dimes, etc. for the Mental Health organization. They are Wendy Hausman, Helena Markson, Susan Ritchie and Ellen Seigal all of Birchwood Park Drive and Andrea Hirsch of Bouny Lane. Reward these girls (who are 10 years old and under) by sending contributions to Mental Health c/o The Villager or call Wells 8-8047 and the children will gladly come to you for your donation.

There was music, laughter and dancing under the stars on Maytime Drive, catered under a red canopied tent. The occasion for the festivities was the Bar Mitzvah of Sheldon Steinfeld, son of Mr. and Mrs. Seymour Steinfeld. Congratulations.

Shella Winokur of 29 Hightop Lane is chairman of the scout mothers club but is having her difficulties in getting cooperation from the mothers. Please call her at Wells 8-7090 - she needs your help.

Attention all boys 11 years or older! If you wish to join the Boy Scout Troop of Birchwood, meeting at the Jericho Jewish Center, Tuesday nights, bring a parent or

call Scoutmaster Donald Miller of Bouny Lane, Wells 8-8787, for further information.

Have you heard Fred Palumbo, the landscape artist, tell you his blue fish story and about the one that got away?

Sincere sympathy from our community to Mr. and Mrs. E. Drinkwater on the loss of their daughter, Ruth.

Needed immediately - a room with or without housekeeping privileges, within walking distance of the Jericho Jewish Center for a young gentleman. Call Wells 1-4428.

## Space : Available On Flagpole

by AL ROSS

Ride due east on Hazelwood Drive from Mellow Lane and you will shortly get the impression that a 40-foot flag-pole is rising impressively from the center of the street. This mirage is affected by a bend in the road that makes William Bachmann's lawn jut into a rider's line of vision. Thus, seemingly, Will Bachmann's flag-pole, in the middle of his lawn, is standing in the middle of the street.

Such an imposing landmark in Birchwood Park should carry with it an equally imposing story. But, sorry to tell neighbors, the Bachmann's flag-pole was erected on Hazelwood Drive only because they like flag-poles and have always had one in front of their home. The only special thing about this pole, as all you tars must know, is that it is a nautical one. Bill and his lovely wife Mildred have been members of the Port Washington Yacht Club for 17 years - thus the marine influence.

But piloting his 31 foot cruiser throughout Long Island's waterways isn't Bill's only connection with the briny deep. His position as Assistant General Purchasing Agent for a prominent steamship

line is another "hawser" tying him in with ships, waves and sea lore. He is also a man who has been in one berth for some considerable time... 32 years with one company and still far from retirement must be something of a record. He "shipped aboard" at the age of 17 as an office boy and rose gradually to typist, clerk, buyer and up to his present position.

Bill's is the job of purchasing all materials and supplies necessary for any of his company's ships. For example, their luxury cruise ships, (fare for 38 days around South America - approx. \$3000-\$10,000) each require among millions of other items, 30,000 lbs. of potatoes, 6500 qts. of milk, 15,000 lbs. of beef, 4500 doz. eggs, 3500 lbs. each of chickens and turkeys and 2500 lbs. of duck for each voyage. As he put it, "I've purchased everything except tombstones."

Being born and raised in Greenpoint, Brooklyn and a diploma from Commercial High School was his preparation for the tough job of making his way in the highly competitive world of business.

A wonderful dish for you and your guests! A little different from "Just Chicken."

Quarter and clean a 3-3 1/2 lb. chicken, ready to cook. Shake in paper bag with 1/4 cup flour 1 teaspoon salt and 1/8 teaspoon pepper. Saute chicken in 1/3 cup butter or margarine, turning the pieces now and then during first 15 minutes so they brown evenly. Lift chicken out of pan, and saute 3 or 4 scallions or green onions and about 12 mushrooms in the fat. After they have cooked a few minutes add 2 ripe tomatoes, peeled and cut into quarters. Cook until tomatoes are tender, then put chicken back in pan. Cook 10 minutes. Sprinkle with chopped parsley and about 1/8 teaspoon Rosemary leaf and 1/8 teaspoon tarragon. Cover and cook until chicken is tender, about another 5-10 minutes. Taste for seasonings. Add more salt if you like.

Serve this over a bed of hot rice with a green vegetable and a tossed salad. It's just delicious! This may sound like a little trouble, but it is worth it because the herbs are important.

The work he is presently doing is a constant challenge but was never more challenging than during the last World War and immediately afterwards. His company's ships, like all commercial vessels, were requisitioned by the government and Bill was kept in his same capacity. However, his passengers were the troops being shipped overseas. This was his job for the duration but, post-war, he had the happier problems of the returning soldiers and their war-brides. Diapers and talcum became a ship's staple.

After a busy life of hard work, boating and a very active participation in the Masons reaching the eminent level of a 32nd degree Mason and Shriner, Will has slowed down considerably. He has recently sold his cruiser and the Masons and Shriners don't see too much of him as nowadays Will Bachmann spends his rare leisure time working around his lovely home, playing with his frisky poodle, Duke, enjoying the company of his charming wife, Mildred and admiring his flag-pole.

A meeting of the Executive Board of the Sisterhood of Congregation Shaarei Zedek will be held Monday Sept. 23 at 9 PM in the vestry room of the Synagogue on E. Barclay St., Hicksville.

## NOTICE TO NASSAU COUNTY

## TAXPAYERS

NOTICE IS HEREBY GIVEN that Sales Lists have been made of unpaid School District taxes for the year 1954-1955. State, County, Town and special district taxes for the year 1955, on real property situated in the towns of Hempstead, North Hempstead and Oyster Bay and the City of Long Beach, N.Y. Sales Lists have also been made of unpaid State and County taxes for the year 1957 on real property situated within the territorial limits of the City of Glen Cove, N.Y. Unless such unpaid taxes, with interest and accrued penalties be paid on or before the twenty-first day of October, 1957, the tax lien on the property against which such taxes are levied will be advertised and on the second day of December thereafter, sold.

The Sales Lists will remain open for examination in the County Treasurer's Office, Old Country Road at Washington Ave., Garden City, Nassau County, N.Y. (P.O. Address, Mineola, N.Y.) until the twenty-first day of October, 1957. Any taxpayer interested may send a brief description of his property to the County Treasurer, and a statement of the amount of the unpaid tax. If any, will be forwarded to him. H. BOGART SEAMAN  
County Treasurer

## LEGAL NOTICE

**PUBLIC NOTICE**  
NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday October 1, 1957, in the Hearing Room, Town Hall, Oyster Bay, N.Y., at 10 o'clock A.M., at which hearing citizens and parties interested will have an opportunity to be heard upon the question of enacting an ordinance pursuant to Sections 130 and 198 of the Town Law regulating the use of parking fields within the Hicksville Park and Parking District in the Town of Oyster Bay, which proposed ordinance is in the following form:

**Section 1. Title.** - This ordinance shall be known as the Hicksville Park and Parking District Ordinance regulating the use and control of parking fields within the said District.

**Section 2. Definitions.**  
(a) The word "parking field" shall mean any public parking field located within and under the jurisdiction of the Hicksville Park and Parking District in the Town of Oyster Bay.

(b) The word "vehicle" shall mean any vehicle by which any person or property may be transported upon a highway, except those operated upon rails or tracks.  
(c) The word "person" shall mean and include a natural person, firm, association, co-partnership or corporation.  
(d) The word "operator" shall mean and include every individual who shall operate a vehicle as the owner thereof or as the agent, employee or permittee of the owner.

**Section 3. Control by Signs and Meters.** - Parking of motor vehicles in any other vehicle may be regulated and controlled by the use of signs, or meters erected on each parking field or portions thereof designating the lawful period of time that a motor vehicle or any other vehicle may be parked therein.

**Section 4. Parking Meter Zones.** - When any vehicle shall be parked

next to a parking meter the owner or operator of said vehicle shall park within the area designated by the marking lines as indicated for parallel or diagonal parking, and upon entering said parking space shall immediately deposit in said meter a five cent coin of the United States for one (1) hour of legal parking limit and for a one cent coin of the United States for twelve minutes of legal parking. In the area where two hour parking is designated, meters shall provide for two hour parking and the same ratio of deposit of money shall be used, i.e., an additional 5 cents for the second hour of parking and the one cent for each twelve minutes of parking. In the area where all day parking is designated, meters shall provide therefore and for the deposit of twenty five (25) cents for each day or fraction thereof of authorized parking time. It shall be unlawful for any person to fail to park within said designated area, or fail or neglect to so deposit the proper coin or coins. Said parking space may be then used by such vehicle during the legal parking limit provided by the ordinances of the Town, and said vehicle shall be considered as unlawfully parked if it remains in said space beyond the legal parking limit and or when said parking meter displays a signal showing such illegal parking, except that nothing herein shall prevent the owner or operator of a vehicle from parking his vehicle in a space without depositing a coin as aforesaid, where it appears that the maximum legal parking limit has not run since the deposit of the previous coin. It shall be unlawful for any person to cause or permit any vehicle registered in his name to be unlawfully parked as set out in this section.

**Section 5. Resident Parking.** - Notwithstanding any provisions of this ordinance, any area designated, as is herein provided for, as all day parking shall be free to persons residing within the territorial

limits of the Hicksville Park and Parking District, provided, that the vehicle parked by such person, agent, servant, employee or member of their family shall bear in a conspicuous place on either front side window the emblem or sticker hereinafter provided for.

**Section 6. Resident Stickers.** - The Town Board or such person or persons as may be designated by it shall issue a sticker to any resident of the Hicksville Park and Parking District upon request therefore provided that an applicant for such a sticker may be required to exhibit satisfactory evidence of such residence in the said district.

**Section 7. Vehicles Exceeding 1/2 Ton.** - No motor vehicle or any other vehicle exceeding one-half (1/2) ton in weight, loaded or unloaded, shall park or stand within any of the parking fields located within the Hicksville Park and Parking District.

**Section 8. Deposit of Illegal Coins.** - It shall be unlawful to deposit or cause to be deposited in any parking meter, any slug, device or a metallic substitute for a coin of the United States.

**Section 9. Signs and Meters.** - It shall be unlawful, for any person to deface, injure, tamper with, open, willfully break or destroy any parking meter or sign.

**Section 10. Parking Spaces.** - Any vehicle parked or placed in any parking space in any parking field shall be parked or placed within the lines marked on the parking field for such parking purposes, as herein provided.

**Section 11. Enforcement.** - It shall be the duty of each traffic patrolman, or such other officer as shall be so instructed by the Nassau County Police Department, in his beat or district, to take the number of any meter at which any vehicle is overparked, as provided in this ordinance and the state vehicle tag number of such vehicle, and make complaint therefor in the District Court, First District, Mineola, New York,

together with the length of time during which said vehicle is parked in violation of any of the provisions of this ordinance, as well as any other facts, a knowledge of which is necessary to a thorough understanding of the circumstances attending such violations.

**Section 12. Penalty for Violations.** - Any person, firm association, co-partnership or corporation who shall violate or permit to allow anyone to violate any of the provisions of this ordinance shall be punished by a fine or penalty of not exceeding Twenty-Five (\$25.00) Dollars.

**Section 13. Repeal of Prior Ordinances.** - All ordinances or parts of ordinances of the Town of Oyster Bay in consistent with the provisions of this ordinance are hereby repealed, provided however, that such repeal shall be only to the extent of such inconsistency and in all other respects this ordinance shall be in addition to the other ordinances regulating the subject matter covered by this ordinance.

**Section 14. Savings Clause.** - If any section, provision or part thereof in this ordinance shall be adjudged, invalid or unconstitutional by a court of competent jurisdiction, then such adjudication shall not effect the validity of the ordinance as a whole, or any section, provision or part thereof not so adjudged, invalid or unconstitutional. This ordinance to take effect immediately.

## the HERALD Sportlight

By HOWARD FINNEGAN

Suddenly the young lion is clawless!

It was anticipated that Hicksville High would have to ask quarter in the rugged football jungle that comprises the North Shore Athletic League's new gridiron conference.

But as the Comets await the 1957 kickoff with Farmingdale, slated for the home grounds this Saturday, the storm warnings dotting Hicksville's most demanding schedule in history loom increasingly larger.

Having led Hicksville out of the football doldrums in 1956 with a 4 won and 3 lost record, coach Howard Bowers honestly looked for a first rate club to return this season.

However, his ability to cope with the toughest teams on the North Shore has been seriously damaged by the fact that seven veterans from last season's young and promising club are not returning as they were supposed to.

Reduced to just nine experienced players and with a small squad of 24 hopefuls Bowers has been striving, "For top physical condition so we can go most of the way with just a few men."

After the league opener with the Dalers, Hicksville has a non-league ruse with East Meadow and follows with Garden City, Great Neck, Port Washington, Glen Cove, Mineola and Westbury.

That slate is calculated to keep the pressure on every Saturday.

### BRIGHT IN SPOTS

While fully aware of the powerful requirements of the league and the small numbers he has to combat those forces with, Bowers does not shortchange his veterans and the spirit that is welding them and the newer players together.

Leading the small core of efficient stock is veteran fullback Richard Stillman who was a principle ground gainer as Bower's 56 club ripped off a school record of 1,897 yards on the ground.

Stillman is the pride of the Hicksville stock and will be asked to surpass even last year's fine performance to keep the Comets a principle power in the new league.

After a sophomore season in which he undertook a big task and handled it very well, Joe Naso will return to operate the ball from under the T. Bill Schrimpe has shown considerable spunk alternating with Naso and he can be sure of plenty of action this year.

The halfback positions are completely depleted and are a source of concern. Ted Greve fits in fine at one while Harri Jowlaari and William McBride seek the other berth. Lineman Dick Zarcyski may be used to brace up that sector also.

Inside the ends the Comets are happily well situated with front line talent even if the reserve problem is large.

Larry Sofkin (250), Mickey Anglin (170), Gene Yetter (180), Bill Fink (185), Dic Zarcyski (210), and Eddie Zivica (180) give Bowers some contentment in the forward wall.

Leo Kanowada, Howard Laptman and Joe Jooston are all new at end positions.

Given a fair day, over 1,400 are expected to pay their way into the Hicksville Stadium to see the Comets and Dalers renew the old feud. Added to the usual importance will be the two points in the conference standings that go to the winner. Game time is 2:00 P. M.

## Americans Elect New Officers

By Adele Sherwood

HICKSVILLE—At the regular meeting of American Little League held Wednesday Sept 11, at Burns Avenue School, the following members were elected to office: President Tom Sherwood, Vice President Jim Wright, Recording Secretary Hal Gregory, Corresponding Secretary Ethel Kummer, Treasurer and Procurement Director Dick Collins, Sponsorship Director Ed. Jerebek.

Publicity Director Adele Sherwood, Player Agent Joe Kelly, Statistician Walt Weber, Umpire-in-chief Vince Hannigan, Major League Vice-President Ed. Metzendorf, Minor League (red) Vice-President Bill Schatzel, Minor League (blue) Vice-President Bill Kummer, Farm System Vice-President and Director of training Bill Damm.

Each year Little League, along with other organizations have the same problem the urgent need of men volunteers to give just a little time and effort in helping to make these boys good citizens, along with enjoying the great American pastime--"Baseball". Year after year the same men come forward while Little League registration increases. Next year many of the sons of these men will graduate into the Babe Ruth League, and no doubt the fathers will go along with them. If you want your sons to be well trained and supervised please try to give a little time and willingness to cooperate. You can do so by calling any of the above named officers, or coming to our next regular meeting October 16th at Burns Avenue School.

Our 3rd Annual Dinner dance will be held Oct. 19 at Henningsen's Restaurant. Tickets are \$3 per person and may be purchased by call-

(Picture on page one)

HICKSVILLE (with only two fires, the Fire Dept. here was still kept busy during the period of Sept. 10 through Sept. 17, by three ambulance calls, plus a false alarm, First Aid call, and two oil burner investigations.

On Sept. 12, there was an oil burner investigation at 1 Winding Rd., and three ambulance calls. The first was at 12:39 AM when they were called to 2 Cables Rd. to take Mrs. Long, age 39, to Mid Island Hospital with a hemorrhage; followed at 5:30 p.m. by a call to 40 Charles St., to take James J. McNamee, 61, to Meadow Brook Hospital, with a heart attack; and the last was at 6:33 p.m., when they took Jennie Glass, 47, of 54 Elm St., to Freeport Hospital, with a heart attack.

Sept. 13 they were called to put out two fires. The first was at Eastern Tile Co. in Bethpage Rd. where they put out a fire on the platform; and the second was at Hardt & Reid at 250 Old Country Rd., where they put out a rubbish fire.

On Sept. 15, there was a false alarm on W. John St., near Kroe-mer Seed Co.

The following day, Sept. 16, there was an oil burner investigation at 31 Straw La., and a First Aid call to 86 Benjamin Ave., to release 4 year old Charles Carbone, who had caught his arm in a gate.

### Were You Born On Oct 12?

BETHPAGE—Some local boy is going to have a birthday party this year which he will never forget. If his birthday is Oct. 12 and he is five years old on that date he will receive a railroad station as a gift. The 21st Anniversary Committee is searching for this lucky boy. If he is yours please call WE 1-9140 and give the committee his name. If there is more than one boy exactly five years old on that date the child born closest to 1 PM will be the fortunate one.

The LIRR is going to give the new station to this boy. Of course, he will have to share it with all the citizens of Bethpage, but won't that be a present for a boy—a real R.R. station—can't you just imagine it. He'll be given a scale model of the station too.

opening meeting of the new season our series should be the best attended and musically, the finest that we have presented," according to Robert J. Patterson, Assoc. president.

Patterson's reaction was based on the fine attendance at the first membership meeting held at the home of Mrs. Barbara Apley, 363 Old Country Road, Hicksville where plans were made for the forthcoming concert series.

Mrs. Apley will again serve as Membership Committee Chairman. Mildred Clark was elected to the post of Treasurer succeeding Dr. M.A. Levy, of Plainview. Daniel L. Lionel will again be responsible for public relations.

"Membership," it was explained by Patterson, entitles the individual to attend three concerts at the new Hicksville high school auditorium. Famous orchestras, artists and dancers have featured previous series. Such virtuosos as Leonard Rose, Eugene List, Anya Dorfmann and Sacha Gornodnitzki have been heard. Membership subscriptions which are priced at \$6 for adults and \$3 for students entitle the subscriber to attend the entire series plus concerts in five neighboring communities when seating in these areas is available.
