Hey Kids, It's Your Day Again, This Saturday

HICKSVILLE -- This Saturday, Sept. 28, is Kids Day under auspices of the Kiwanis Club and a gala track and field day will be held at the Senior High School on Division Ave. starting at 9 o'clock in the morning. All children six to 12 years are invited for the full morning of fun and frolic. Fred Sutter is chairman of the program.

Art Raggazzino and Louis Klein will be in charge of refreshments, hot dogs, soda-pop, etc. Jim Walters will handle the tagging of each boy and girl as he enters the gate, so that the children will be divided into four groups according to size.

Louis Kappstatter, Peter Hussey, Bob Stackler and Fred Sutter will be in charge of each of the age groups. Dr. Charles Mashek will be the first-aid man on hand and Tony Plonski has prevailed upon the Civil Defense to provide guards for the day. Herman Lipschutz will man the public address system and Al Heuer will be in charge of the prizes and ribbons to be awarded all winners of the various events.

LEWIS N. WATERS (centre) supervisor of the Town of Oyster Bay who is not seeking re-election this fall, urged the election of the Republican candidates at the GOP Committee's meeting at Bethpage State Park, Friday night. At the left is Leonard W. Hall, re-elected chairman of the Town Republicans by acclamation, while John J. Burns, candidate to succeed Mr. Waters, is at the right. (Other story about convention inside this issue).

Bethpage to Celebrate Birthday Of Name Change for Full Week

BETHPAGE -- The complete program timetable of the Bethpage 21st Anniversary Celebration, Oct. 7 to 12, was announced to the HERALD this week by the committee. The program, which marks the change of community name 21 years ago from Central Park to Bethpage, is as follows:

MONDAY, Oct. 7 - 7:30 P.M.: Opening Ceremonies - James Norman, Chairman of Anniversary Committee will make short welcoming address.

TUESDAY, Oct. 8 - 8 P.M.: Dancing and Entertainment.

(continued on page two)

Official Visit

JERICHO -- Charles M. Schmidt, Rotary District governor, will make his official visit to the Hicksville Rotary Club at their luncheon meeting today (Thurs) at the Milleridge Inn. The Governor met with officers and committee chairman of the club at the office of President William Payoski last night. Schmidt is a resident of Farmingdale and has been a member of Rotary since 1937.

Trustees Go To Public:

DAMAGE TO SCHOOLS RUNS INTO THOUSANDS

HICKSVILLE -- Members of the Board of Education are taking the story of damage and destruction to the valuable buildings and structures of the school district directly to the people, aided by a motion picture film showing actual damage. A series of speaking dates, coupled with the showing of the films has been booked thru to next April. Principal appearances of the trustees with their commentary on the film are before P-TAs and civic groups.

Thousands of dollars worth of windows have been smashed and shattered at all of the buildings, in some cases heavy plate glass and even extra-tough plastic glass which is supposed to resist accident blows.

The appeal of the School Board to the public is based upon the fact that millions of dollars of the taxpayers' money have been invested in these structures. More money is being spent in the improvement of the grounds and facilities, but the entire program can be a losing fight if the public will not demand that their property be preserved and protected.

Among the damage shown in the film is the ruin of the gymnasium floors of the new high school, where showers were turned on by youngsters who had entered the building over a weekend. The water flooded out into the gym and caused hundreds of square feet of wood flooring to warp and buckle out of shape.

The film also shows youngsters running on the roofs of the buildings as they were caught by the camera.

As part of the program to cut down damage to school property, all school areas are being posted with warnings to all concerned against throwing of missiles and unauthorized presences on the grounds.

Custodians have also been posted (continued on page two)

RUBBISH BURNING in a refuse shed attached to the rear of the Sunrise-Stop N Shop market on Jerusalem Ave., Hicksville, Sunday afternoon, almost broke up the Hicksville Fire Dept. Inter-Company drill. Frank Mallett got this picture of the volunteers in action at the scene of the blaze. The drill was won by newly created Company no. 7 with Co. 4 second and Co 2 third. Other fire calls during the week were burning piles of peat moss at GLF yard on W. Barclay St., Sept 18; and grass fires on Sept 19 at Twinlawn and Sunset, and on Sept 20 at W. John and Engle Sts.

Student Dress Rules Approved

HICKSVILLE -- The objectives of the Board of Education and School Administration is suggesting the prohibition of certain types of dress and apparel among students of junior and senior high school has won the approval of the Hicksville Citizens for Better Government in School Affairs. The organization has written the School Board expressing its endorsement of the policy, according to President John McFadden.

The Brooklyn Tablet this week also commented favorably upon the nine-point rule which prohibits (1) dungarees, (2) engineer's boots, (3) decorated or studded leather motorcycle jackets, (4) garrison belts, (5) sheer blouses, (6) tight skirts and/or sweaters, spike heels, (7) excessive make-up, (8) wearing of curlers in the hair to school, and (9) shorts.

Advisory Citizens Elect Dr Glatt

HICKSVILLE -- The newly formed Citizens Advisory Committee, for the 1957-58 term met Thursday, Sept. 19 at the high school, on Division Ave. Dr. Lowell Glatt, Chairman, elected to the post at a meeting two weeks previous, presided.

The Committee voted to form six sub-committees. The Committees and their chairmen are as follows: Building and Grounds, George Winsor; Safety, H. Sternberger; Insurance, Irwin Goldman; Educational TV, Edward Moss; Budget, Irene Gilchrist; and Transportation, David Nuss.

Herbert Johnson, School Board Trustee, who serves as liaison between the Board and the Committee, appeared at the meeting.

Stating that it was a personal request, and not one from the Board, he requested the formation of the Transportation Committee to look into the feasibility of the District running its own bus system.

He went on to state that there is a feeling in some quarters that the bus companies engaged in school transportation work under a gentlemen's agreement, whereby usually each company bids to only one District, by prearrangement with each other, and therefore they are assured of receiving the bid on their own terms.

The Committee will meet again on Thursday, Oct. 24. In the meantime the sub-committees will be functioning.

TOWN COUNCILMAN candidates were guest speakers at a meeting of the Centre Island Women's Republican Club at the VFW Hall in Hicksville last week. At the extreme left is Henry McInnes of Hicksville, incumbent member who is not a candidate this election. Others in the picture are Councilmatic candidates

Christian Mothers Plan Sale

The monthly meeting of the St. Ignace Loyola Auxiliary of Christian Mothers was held on Monday evening Sept. 23. Mrs. George Wright, president presided. Mrs. Wright introduced Father Wisler, Moderator, who opened the meeting with a prayer. The entire group sang the hymn, "Come Holy Ghost". Sister Rose Dominic, Principal, introduced the Sisters who joined the faculty this semester.

Chairladies of the standing committees were introduced by Mrs. Wright as follows: Program, Mrs. J. McMorro; Membership, Mrs. B. Montalbano; Medical, Mrs. W. Allen; Milk, Mrs. P. Bowler; Parent Child Discussion Group, Mrs. T. Wahl; Sunshine, Mrs. E. Kent; First Friday Communion, Mrs. E. Rielly; Uniform, Mrs. W. Sauer; Dark Horse, Mrs. J. Sheehan; Yard Supervision, Mrs. C. Lyster; Publicity, Mrs. W. Corrigan; District

Bus Captain, Mrs. J. Reinhardt. Mrs. M. Genslein and Mrs. J. Salseld were named co-chairladies of the cake sale to be held on Nov. 3.

Father Wisler showed pictures of the musical review staged by the mothers at the June meeting and films of the CYO Sports Night. Coffee and cake was served. Father Wisler closed the meeting with a prayer.

The next meeting will be held on Oct. 28.

Friends Hold Tea

Mrs. Frank Alfieri of 11 Summer La., and Mrs. Joseph Bean of 38 Autumn La., both Hickville, were co-hostesses at a Benefit Tea at Mrs. Bean's home on Tuesday afternoon, Sept. 17. Proceeds from the tea will be added to the Friends of the Hickville Library gift fund.

NICHOLAS T. LOMBARDI of 27 Arcadia Lane, Hickville, has won his wings as a flight engineer with American Airlines and is now assigned to DC-6 aircraft out of New York City. He is a graduate of Brooklyn High School and the Academy of Aeronautics at La Guardia Airport. He served with the United States Navy in World War II and has been a senior mechanic with American Airlines for the past two years.

Appoint Pastor Of 1st Baptist

Rev. F. Richard Grob, appointed Pastor of the First Baptist Church of Hickville on June 1 of this year, has moved to Hickville recently, with his wife Emily, and his daughters, Margaret and Nellie. Rev. Grob who is a native of St. Albans served as pastor of the Grand Hills Baptist Church in Granada Hills, in the San Fernando Valley, Calif., for three and a half years. He also has held pastorates in Illinois and Tennessee. He is a graduate of the Southern Baptist Seminary, Louisville, Kentucky, and Wheaton College, Wheaton, Ill., of which Mrs. Grob is also a graduate.

Margaret, who is seven years old, attends Dutch Lane school, and Nellie, 11 years old, attends Hickville Junior High School. The Grobs are making their home at 21 Ballgark La.

Dear Jean:

Parents who think that the breaking point on measurement for school bus service is tough when it excludes them by a few feet might consider the fact that EMIL SZENDY lives at 8 Walnut Lane and the bus service starts at 10 Walnut and TRUSTEE BOB GOODRICH finds the service begins next to his house on Angle Lane. Being wife of the State Commander of the Amvets made the favorite recipe of Mrs. MALCOLM GERTZEN of 8 Adams St., Hickville, top news in the LI Press recently. The recipe: quick coffee cake - Cream a quart cup of shortening with a third cup of sugar. Add a well-beaten egg and two-thirds cup of seeded raisins. Add two and a half cups sifted flour which have been sifted with two and a half teaspoons baking powder and a half teaspoon salt, alternately with a cup of milk. Mix well. Turn batter into a greased square, round or oblong pan. Brush with melted shortening. Top with the following crumb mixture and bake for 25 minutes at 375 degrees. To make topping: work with hands of half cup of flour, a half cup of sugar, two tablespoons butter and teaspoon ground cinnamon. (Now if the printer makes a typo on just one of the ingredients, we're sunk - Ed). At Mid Island Plaza: Industrial show now until Sept. 30; Mother Goose in person on the Mall. MIKE SULLIVAN will be named an executive Republican Committeeman. ABRAHAM GOOTNIK, specialist in cardiology at LI Jewish Hospital, speaking at Hickville Rotary last week said that out of all patients who have pain in the chest and think they have heart disease, at least 50 per cent have some other trouble (or none at all) than heart trouble. Parents got a note from DR. LAMB, School Superintendent, this week insisting that no commercial organizations have been granted permission to represent themselves as delegates or associates of the School System. Mr. and Mrs. J. O. KUGELMASS, formerly of Hickville, are now residing in San Jose, Calif. Mr. Kugelmaas is a well-known author. Visitor to our fair community not once but twice last week was none other than JERRY DELOREME, the neighbor who gave the school administration building its name. The Pentagon, Jerry now lives in Cleveland, Ohio, suburbs Jack McNAMARA of Frances Lane, Hickville, left this week for Johns Hopkins University, where he will assume the duties of Physics instructor. Good luck, Jack. The cute little story regarding the fire on Twinlawn ave., Hickville adjoining the property of W. LINSOOT was written by the twoboy who helped PIT WILSON, also of Twinlawn Ave, with keeping the fire away from the surrounding houses. Two little firemen in the making. Good work, FRANCIS AND PAUL, compliments on your fast thinking. Belated birthday greetings to Mrs. FELDZ BUDZENSKI of W. Nicholas St., Hickville, who celebrated her 21st plus birthday on Friday of last week. Also to Miss LOS CYZEY of Twinlawn Ave, Hickville, who sported a life-saver corsage to celebrate her 12th birthday. She is the daughter of Mr. and Mrs. Peter Cayce. The Ed Giannelli's of Lenox Ave. Hickville had had a bad week last week. Young Ed is laid up with a broken ankle and Carol was home with the virus. We understand that Did is now sole-owner of the EDGLAN Press in the Center Shops, Hickville. Good luck, Ed and our best wishes for a successful future. Saw a lot of familiar faces at FRANK'S ALBIE, Monday night. It seems to be a favorite spot for the gals after their meetings. Does friend husband know that the meetings are not as long as you tell them they are?

It will last three hours and have, among other units, the Mitchell Field Air Force Band, Legion, VFW and Fire Dept. 1 PM: Opening and Dedication of the new Railroad Station. The dedication of the new Parking Field will follow the dedication of the station. 2 PM: High School Football Game. 3 PM: Boy Scout Jamboree at the High School site on Cherry Ave.

VANDALISM (continued from page 1) at the buildings on weekends to maintain guard and have been instructed by the School Board to call the police whenever they have difficulty with vandals. An over-all program to curb damage and vandalism, including the showing of the motion picture film, has been developed by School Superintendent Wallace E. Lamb and approved by the School Board. A speaker for the Board at P-TA meeting this week estimated the cost of damage by vandals in the past year as exceeding \$40,000. The 4 H Cookies of Hickville held their first meeting on Wednesday, Sept. 18 at 3 P.M. in the home of Mrs. Claire M. Morris, leader of the newly formed club.

"It was the nicest birthday present I ever got"

"When you get to be my age, one birthday is pretty much like another. But one, not so long ago, was very different. The phone rang. And when I answered it, I heard 'Happy Birthday, Grandma!' It was my daughter, calling from the hospital. Her first child - my first grandchild - had just arrived. You can see why that's one birthday, and one telephone call, I'll always remember."

Quick-Thinking Crossing Cop Acts Fast As Bedlam Reigns

by Irene Gilchrist

A cool head, a prayer and a mother's instinct to protect the young from a totally unexpected danger resulted in the absolute safety of many children just released from St. Ignatius School, last Friday afternoon, when bedlam broke loose at the intersection of Broadway and Nicholas St.

The heroine of the episode was Mrs. Adele Mazzulo of 43 Larch St., a school crossing guard, who is assigned to the busy intersection. Around 3 P.M. as the children were being dismissed from school, a group had gathered at the corner of Broadway and E. Nicholas St., waiting to cross. As Mrs. Mazzulo signaled the traffic to stop, sud-

denly out of the Village Lunch-ette, on the corner of W. Nicholas and Broadway, darted an elderly grey haired man pursued by a knife-wielding youth. Startled, but alert to the immediate danger, Mrs. Mazzulo, miraculously managed to herd the large group of children back out of the path of danger, prevent panic, and at the same time call to the driver of one of the stopped cars to try to intercept a patrol car that had passed seconds earlier going north on Broadway.

Through those terrifying, agonizing long moments she prayed for the safety of the many children in her charge. She reported later just as she finished her prayer, two patrol cars arrived to aid an officer that had already arrived on the scene and the youth was seized.

The whole incident began, it is alleged, when 21 year old Robert Schult of 21 Essex Rd., Bethpage, was refused service by the lunch-ette proprietor, Chris Drivas. Enraged the youth picked up a butcher knife from behind the counter and chased Drivas around the store. His wrath then turned upon 64 year old Harry Loomis of 12 Pine St., who was in the lunch-ette at the time purchasing coffee for his co-workers at a dress factory down the street.

He tried to grab Loomis. It was then that Loomis fled into the street pursued by Schult, and Mrs. Mazzulo reacted in the manner that is a credit to her profession and her motherhood. Thanks to her, the children she is there to protect, were saved from a fate that the rules for a school crossing guard most likely do not cover.

MRS. MAZZULO gets a heroine's reward from her son, Phillip, 8. (Press photo).

Junior Firemen On The Job

At approximately 3:40 p.m. on Thursday, Sept. 19, Francis Callan and Paul Denton of Twinlawn Ave., Hicksville, discovered a rapidly spreading fire on the end of Twinlawn Ave., adjoining the residence of William Liscott. While the Callan boy ran to summon help, Paul valiantly tried to smother the flames.

Paul kept at it until Ptl. Robert Wilson, also a resident of Twinlawn Ave., arrived at the scene. Ptl. Wilson tried to put the fire out with a garden hose, but was unsuccessful. Just then Hicksville Fire Dept. arrived at the scene, and the fire was quickly put out.

Fire Auxiliary Jamboree Oct 26

The Ladies Auxiliary to the Hicksville Fire Dept. met on Tuesday evening, Sept. 17 at the E. Marie St. firehouse. Pres. Mrs. Peggy Huttie presided.

Plans were made for the Auxiliary Jamboree to be held for members and their husbands at the firehouse on Oct. 26. Admission is \$3 per person and a good time is promised for all.

The fall card party will be held sometime in November, date to be mentioned in the HERALD later on. The Auxiliary is noted for the card parties they sponsor, so plan on this one.

The Auxiliary bowling team bowls every Thursday evening at the Market Alleys.

The group will meet again on Tuesday evening, Oct. 1 at the E. Marie St. firehouse.

Becomes Engaged

Mrs. Bernice Kuhn of 425 Broadway, Hicksville, has announced the engagement of her daughter, Eleanor Schnepf, to Roy Lyford, son of Mr. and Mrs. Roland Lyford, of Peekskill, N.Y. Miss Schnepf is the daughter of the late August Schnepf. She is employed by Fairchild Camera and Instrument Co. Mr. Lyford is engaged in the construction business with his father. No date has been set for the wedding.

Good Brakes Safeguard
You...and Yours

Check your BRAKES today!

Safety experts report that faulty brakes are a major cause of auto accidents. Eliminate this danger! Drive in today and get your—

GUARANTEED BRAKE OVERHAUL

Here's what we do:

1. Remove front wheels. Inspect brake lining and drums carefully for excessive or uneven wear.
2. Disassemble, clean, inspect, repack and reassemble using heavy-duty, heat-resistant lubricant.
3. Check grease seals for leakage. Make sure brakes won't grab because of greasy lining.
4. Measure brake fluid level and add necessary Firestone non-evaporating heavy-duty brake fluid. "Bleed" brakes to remove dangerous air pockets.
5. Carefully adjust brake lining on all four wheels to assure full contact with brake drums.
6. Road test brakes carefully for your complete safety and satisfaction.

JOYCE L. BROUGH, daughter of Mr. and Mrs. James Brough of Jericho, was married to Clyde A. Marks, Jr. son of Mr. and Mrs. Clyde A. Marks of Huntington, on Saturday, Sept. 21, at the Hicksville Methodist Church, Pastor Cranston Clayton officiated. The bride wore a gown of Chantilly lace with a finger tip veil and carried a bible, lilies of the valley and a center orchid.

Mrs. Carl Schauer of Williston Park was matron of honor. The other attendants were the Misses Barbara Ann Casey and Theresa Trukafa of Jericho.

The best man was Mr. Lawrence Marcus of Jamaica. Ushers were Keith Gramling, Huntington and John Apt, of Jamaica.

A reception was held at Geide's Centerport. After a honeymoon trip to Las Vegas, Mr. and Mrs. Marks will reside at Northport. (Ray Jacobs Photo)

600 At Old Country Road School PTA Meeting

Hicksville - A record number of parents, over 600 people started off the season at the Old Country Road School Parent-Teacher Assoc. meeting in Hicksville on Wednesday, Sept. 18, at 8:15 P.M.

Miss Florence Elman, vocal teacher, opened the meeting with a prayer. E. G. Jacob, Council Delegate, led the Pledge of Allegiance. Mrs. Harold Graham, P.T.A. President, welcomed the parents and introduced the Officers and Committee Chairmen.

The new Officers are: Mrs. Harold Graham, President; Mrs. Robert Capel, Vice-president; Mrs. Gerhard Bamett, Corresponding Secretary; Miss Mary Howell, Treasurer. Mr. Jacob is the Council Delegate.

The Committee Chairmen are: Fred Young, Activities and Budget; Mrs. John Creson, Historian and Publications; Mrs. Rudolf Szabados, Hospitality; Darrell Poole, Legislative; Mrs. Samuel Christiano, Membership; Mrs. Wesley Martens, Program; Mrs. Edwin Roche, Publicity; Mrs. A. W. Schall, Education; Mrs. Robert Capel, Classroom representatives; Mrs. Bernard Uebel, Safety & G.D.; Mrs. Thomas Rascoli, Ways

& Means; Mrs. Martin Polsenski, Refreshments; Mrs. Gerhard Bamett, Budget and Martin Cohn, Mental Health.

Mrs. Bamett, Cor. Sec., read the Budget for 1957-58 which was then voted upon and approved.

Mrs. Martens, Program Committee, announced, among other plans for the coming season, that the noted Dr. Alan Fromme, eminent Psychologist, author and lecturer, would speak on "How we Can Help Ourselves as Parents" at our next P.T.A. meeting on October 16.

Mrs. Rascoli, Ways and Means Committee, suggested running a food sale and a small bazaar which was approved and it was decided to run this affair on Nov. 7, at the school, from 1 to 4 P.M.

Principal Murray Duncan spoke to the parents regarding the school curriculum and then introduced the members of the faculty.

The parents, then, were invited to the classrooms where the teachers explained the "hows and whys" of what they would cover during the school year.

After the "Get-together" with the teachers, refreshments were served in the All Purpose room.

Burns Ave Starts New Year

HICKSVILLE - More than 400 parents attended the first meeting of the Burns Ave. P.T.A. Thursday evening. At 7:30 P.M., they went directly to their children's classrooms to meet and talk with the teachers.

Later, the general meeting opened with the Cub Scouts flag ceremony. The boys entered the auditorium playing "Yankee Doodle" and they did a very fine job of it too. Following the introduction of the faculty by Mr. Davis, principal of the Burns Ave., a business meeting was held. Miss Grace Arnone, a teacher at Burns Ave., was elected Treasurer and Kurt Fohl was appointed Burns Ave. representative to the Citizens' Advisory Committee.

Mrs. Libby Kozma, president, made a very inspiring speech, welcoming the parents and outlining the P.T.A.'s program for 1957-58.

Afterwards, in line with the theme for the year "Let's look at the silver lining", there was an excellent demonstration of baton twirling by Carol Barberi and Barbara Udvarhely with their group of younger children. These two teenagers spent the past summer teaching approximately 30 Burns Ave. youngsters this art. It was a fine example of juvenile accomplishment! Refreshments were served after the meeting.

The next meeting of the P.T.A. will be held Oct. 10 at 8:15 P.M. A Civil Defense Program is planned as well as a talk by Mrs. Jean Hoyt on "The Aftermath of the A-Bomb in Japan".

Following the meeting, a White Elephant Sale is to be held. Anyone having articles they might wish to donate should get in touch with Mrs. Marie Feisel at Wells 1-9058.

CURRENT COMMENT

We Like Burns For Supervisor

BY FRED J. NOETH

THE NOV 5 TOWN election campaign is now officially underway and during the next five weeks the various candidates will be making their pitch to the voters.

A study of the current offerings by the Democratic candidates to date indicates little, if anything, to warrant a change in the administration of Oyster Bay Town government. Arthur Snyder of Massapequa, a pleasant man who ran two years ago for the office of Supervisor, is running again. A student of the scene gets the impression that he is reluctantly running again simply because no one else could be persuaded.

On the other hand, John J. Burns of Sea Cliff, who has been our representative in Albany since 1951 as Assemblyman, clearly stands heads and shoulders above his opponent. Mr Burns has demonstrated over and over again his intense interest in the affairs of all the people he represents during his tenure in Albany. He has been a particularly good friend of the Hicksville area in his successful efforts, in cooperation with the Chamber of Commerce and other community groups, in advancing the status of our Rail Road grade crossing elimination program.

Mr Burns is well-known to the people of the mid-Island area. He has been a frequent and popular speaker before many of the civic associations in the area and always presents himself as a man intimately familiar with the questions at stake.

Lewis N. Waters of Syosset, who is not a candidate for re-election because he wishes to devote his energies to his private affairs, has given his unqualified support to Mr Burns and the other candidates on the Republican ticket.

Curiously, the Democrats, who seem unable to find a point of contention, have been trying to reap headlines by crying crocodile tears over "poor Mr Waters." You can be assured that if Mr Waters had decided to be a candidate again, Mr Waters would have been the opposition's prime target.

There is nothing magical about the Republican candidacies and their reception by the voters at the polls in our township. The Republicans select the best qualified persons for public office and proudly present them to the voters. All too often, on the other hand, the Democratic candidates are ones who have been persuaded to lend their names. They make a great deal of noise during the campaign period and then quickly and often permanently fade from the public view.

We are proud to give our support to Mr Burns and urge his election as our Township's chief executive on Nov. 5.

Pack 378 Meets For New Season

Cub Pack 378 of Hicksville held its first meeting of the season on Thursday, Sept. 19. It was announced that the pack has several openings for new cubs at the present time. Interested persons, residing within the Fork Lane school area, are asked to contact Dominic Grasso at WE 5-8663.

The major portion of the meeting was devoted to plans for the coming Pack meeting this Friday, Sept. 27. The theme will be "Pinewood Derby" as every Dad and Cub knows, who has been busy

all month priming his model car to be sure it will be the "winner." Anyone who was on hand for a former Derby knows how much fun and excitement is in store.

On hand to meet the Cubs will be Seb Sino, new Cubmaster, who is replacing Bill Schultz. Bill, who will always be in Scouting, will return as soon as conditions permit.

Several new Den mothers have joined the ranks: Den 1, Sarah Devlin, assisted by Ruth Diamond; Den 2, Bertha Sino; Den 3, Josephine Grasso, assisted by Ann Bonazzi; Den 4, Geraldine Bailey, and Den 5, Diane Fine, assisted by Ann Goetzleritz.

Webelos Leader is Joe Farley.

SCHOOL GROUND IMPROVEMENT PROJECT

To the Editor:

On Sept. 10, the Hicksville School Board awarded a contract for the improvement, rehabilitation and maintenance of school grounds at a minimum cost to the District of \$47,000.

While the Board was within its legal rights to make the award, its cost being the lowest among those (3) submitted, it is questionable that it was morally justified in doing so.

It was apparent to a layman, and qualified technicians would attest, that the bids were predicated upon poorly conceived, improperly executed and ambiguous bidding conditions and specifications. As a result, the District (1) faces the possibility of a taxpayer's suit, (2) may have sacrificed a potential saving of several thousand dollars, (3) may eventually find the condition of its grounds no better than they were prior to the approved expenditure, (4) will deprive the children of the community of an outdoor play area on school grounds for several months.

No doubt some of the board members will find a seemingly valid reason for having voted the award. Those who have attended Board meetings with any regularity have discovered that a member can be, as Gilbert and Sullivan have recorded:

"A great Arithmetician who can demonstrate with ease

That two and two are three, or anything you please;

An eminent Logician who can make it clear to you

That black is white - when looked at from the proper point of view;

A marvellous Philologist who'll undertake to show

That 'yes' is but another and nearer form of 'no'."

While I, for one, consider the action of the Board in this matter reprehensible, I am not without sympathy for the motivations of some members in approving the award. The repair of our school's grounds, many of which are in a disgraceful condition, has been a popular request and high on the list of "musts." If anything was to be done it had to be done now during the planting season or delayed for six months - a decision which would have been certain to draw criticism.

The question, of course, is why did they have to face this dilemma? The Site Planner and Consultant who prepared the questionable bidding specifications for the District, was retained over a year ago at a fee of \$1,000 (later reduced to \$250 in lieu of a more lucrative arrangement) to formulate a program for improvements. Why was it permitted to "ride" until the last possible moment? That such a popular item could have been overlooked is improbable. That it could have been deliberately withheld from the agenda is at least a possibility.

In an attempt to follow the adage "find the facts before finding the faults," I have examined the files relative to the matter. As a result, I can find little that was praiseworthy in the action taken by the Board.

The lessons learned from this matter which may ultimately cost the taxpayers an incalculable sum of money - and it is not an isolated case - are two fold. First, that a board member, while for the most part sincere, capable and industrious, is not infallible. Second, that the Board can use the help of

the taxpayers of this community.

Seven individuals have been entrusted with the expenditure of six and one-quarter million dollars. To do this properly and to distinguish between honest effort and, if present, chicanery, they must be lawyer, accountant, educator, engineer, architect, underwriter, administrator, or specialist "ad infinitum." Even Solomon in all his wisdom couldn't meet these requirements. However, in this community of 40,000 there must be individuals qualified to advise and assist the Board in many matters. All that is required is a willingness on the part of these individuals (not evident to date) to attend meetings, and a willingness on the part of the Board (not always evident) to listen.

The experience of the writer has been that, except for the one and only appearance of those with an axe to grind or a favor to ask, the average attendance at school board meetings has been less than five! To use a cliché, "this is a sad commentary." We have, it is true, a Citizens Advisory Committee on Education, but its purpose, it appears, is to apply itself solely to directives from the Board, and its members, rather than being voluntarily met, are appointed by the Board. It is paradoxical that parents in number with PTA meetings, support PAL, Little League, and a multitude of educational and civic forums in the interest of their

pocketbooks, but not attend school Board meetings which are of equal if not greater importance.

Perhaps if they did, we could achieve the greatest benefits at the least cost in our school district; have less Janus-faced twistings and fewer imperfect decisions by the school Board.

CD LIKES EDITION

To the Editor:

I have just read with interest your Civil Defense Week extra for Sept. 15.

This edition of the Mid Island HERALD is typical of the type of newspaper that would be published in the event of an actual attack and represents a great deal of thought and careful preparation on the part of you and the members of your staff, for which the Nassau County Office of Civil Defense is most appreciative.

I feel that your action in publicizing Civil Defense in this manner will greatly help our cause throughout Nassau County. Please accept my personal thanks for your courtesy.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Arlie Ruiz

Is it a genuine revival of interest in Legion affairs at Hicksville or is it the cooler fall weather that has brought out such a wealth of members at the recent Post meetings? And isn't it nice to see all the fellows--Our Clubhouse will be the scene of the next caucus of the 3rd Division officers of the Nassau County American Legion--The date is Oct. 2nd and our Color Guard will do the honors that evening--Also on the same evening at the same place, but a little later on, the combined committees of Plainview, Bethpage, Ennis Pyle and Charles Wagner Posts will settle the final details of our coming annual visitation to the Kings Park Hospital on Oct. 27th.

Short story: "Rich Hicksville Legionnaire loses \$15 at the last meeting by not being present to collect the Capsule drawing prize." The R. H. L. this trip was Vito Del Rosso--And I'll bet that Lou Fungello had fun breaking the news to him--And talking about bets, that reminds--I saw Hicksville's leading proprietor of the catering business talking chances on the new Pontiac offered by the local Kiwanis group from Lou Klein the other day--Already the recipient of an ACP drawing award, Rudy believes that lightning strikes twice--But then again, Rudy has irons in the fire in many directions--

An expected change in eligibility dates for veterans of the Korean War period should bring a new influx of members to our Post--Don't forget to By our Country's flag each day during United States Week which will be celebrated in October--Frank Govereale, prominent Hicksville realtor and Legionnaire, won the prize at the drawing held at the last meeting for the benefit of the Children's Xmas Fund--Are your feet itching to dance or just itching? Anyway, our next dance is scheduled for November 9th at the clubhouse and it will feature the music of our own Tony Bell (he's treasurer of our Post) and his orchestra--At last, we have a cigarette vending machine that works at our clubhouse and this through the courtesy of two of our members--Guy Smith, our smiling new commander, is mighty proud of his new gavel which Ethel Habenticht, Auxiliary president, bestowed him with, and rightly so--The Auxiliary says, "Come one--

Come all, Let's show Hicksville's on the ball. This, the Post should amend by early fall. And make it plain to one and all, That Hicksville will runaway with Nassau's ball. When the bugle sounds the "Membership Call."

To every veteran, short, medium or tall. Let's make Hicksville #1 over all. Ed Hoddinson and myself are also pleased with the many nice things being said about our Post newspaper, THE HICKSVILLE PCST, by Legionnaires from all over Nassau County and our own membership--Our Color Guard will meet very soon to discuss their very worthy problems regarding this activity and anyone who would care to become a member of this group (and help is always needed) please contact Bob Mangels at WE-1-7352 for more information--Bob is also our County representative and he does a fine job of reporting the County activities to the Post--

Payment of 1958 dues are now being accepted--How about being in the first couple of hundred to sign up before Veterans Day?--A thought for next year: How about a joint installation with the Auxiliary--And Tony Bell's music?--Never enough can be said about Emile Gundlach's efforts in the past in behalf of our Post, the Legion, and all veterans throughout Hicksville and in the hospitals--He spent lots of time (HIS time) and still does--

The Post is in need of a piano and if you know of any one that would care to donate one please contact Guy Smith at WE 1-9124 or Al Barlow at WE 5-3981--The date of the next meeting is October 7th and you are urged to try and take home the Capsule award for the evening but remember you cannot do this unless you are present at the drawing to be able to do so--Does anyone know where our charter of The Sons of The Legion is? I want to know about this group was reactivated?--Don't forget the Legion's position on the Bingo question when Election time rolls around this fall--Don't forget the Children's Xmas Party is scheduled for Dec. 22nd--O.K., so I'm running too far ahead, so I'll stop and wait until next week for you to catch up.

WHICH ONE'S the Democrat?
One look at the picture will show this is an astute question, but one deserving an astute answer—they all are! Town of Oyster Bay candidates, I. to R., are Walter Colleran of Massapequa, for Supervisor; Walter Grant of Bethpage and Guy Susi of Plainview, for Councilmen; William H. McCaffrey of Plainview, for State Assembly; Paul Elisha of Bayville and Charles A. Haeg of Jericho, for Councilmen, including the donkey, foreground, All have been lambasting Republicans at local Democratic Club meetings.

Makeup Magic

Some lucky "Cinderella" will be transformed by the magic of make-up at the next meeting of the Sisterhood of Congregation Shaarei Zedek, Hicksville. Shirley Posner, of Beauty Counselors, is going to take someone from the audience and demonstrate what results can be achieved by the correct application of makeup.
She will also discuss skin analysis, and during a question and answer period help those who have personal makeup problems. The meeting will be held on Tuesday, Oct. 2, at 8:30 pm at the Vestry room of the synagogue, E. Barclay St.

Republican Campaign In Township Gets Rolling

Town Supervisor Lewis N. Waters, who is not a candidate for re-election, pledged his support of the Republican candidates in the Nov. 5 election, speaking before the Town Republican Committee in session at Bethpage State Park Country Clubhouse, Friday night. Leonard W. Hall, re-elected Town Chairman and GOP leader by acclamation, told the committee it is going to be a "hard campaign and we are going to win because we are going to work to win".

Former Assemblyman John J. Burns of Sea Cliff, candidate to succeed Mr. Waters, keynoted the official start of the election cam-

aign as he noted "The Republican party has always exercised great care in the selection of candidates to carry its standard. Mr. Post and the gentlemen designated by your Town Committee have also been overwhelmingly endorsed in the primaries by the enrolled members of the Republican party who want to continue good Republican government in Oyster Bay Township."

Deputy Town Supervisor Edwin J. Fehrenbach of Bethpage, who has been endorsed by the Town GOP Committee and the Republican Committee of the City of Glen Cove, to succeed Mr. Burns in Albany as Assemblyman said "I will do everything in my power to merit the confidence expressed in me." He also pledged himself to continue to press for additional State financial aid for the hard-pressed school districts of the Township as his predecessor John Burns has successfully done in the past."

Recalling his years in Washington as the Chairman of the National Republican Committee, Mr. Hall said "I am happy to be back in Oyster Bay." He thanked the committeemen for the honor bestowed upon him in continuing him as Town Chairman and Leader.

Also re-elected were Michael J. Sullivan of Hicksville, vice chairman; Helen Hill Roode of Bethpage, secretary; and David Welsh of Farmingdale, treasurer.

There were also brief comments by other GOP candidates in the Nov election: Town Clerk Henry M. Curran, Town Highway Superintendent Thomas Pynchon and the following candidates for members of the Town Board as Councilmen: Marjorie Post of Massapequa, Peter B. Allsopp of Locust Valley, Benjamin Zipper of Syoset, Edmund Ocker of Plainview and Louis A. Sisa of Bethpage.

The Nassau County Red Cross has issued a call for volunteers to train as Motor Service drivers, Gray Ladies, Arts and Skills workers, Canteeners, and Staff Aides. Information on where and when the training programs begin can be obtained from Chapter headquarters in Mineola, PI 7-3500.

MID ISLAND REPUBLICAN Leaders with their standard bearers in the Nov. 5 election as they gathered at the Town Republican Convention at Bethpage State Park Clubhouse, last Friday night. Left to right are: Ernest F. Frank, Hicksville Republican leader; Anthony C. Ocker, Plainview GOP leader; John J. Burns of Sea Cliff, candi-

date for town supervisor to succeed Lewis N. Waters who is not seeking re-election; Edwin J. Fehrenbach of Bethpage, candidate to succeed Mr. Burns in Albany as Assemblyman from the Town of Oyster Bay; and Michael J. Sullivan of Hicksville, vice chairman of the Town Republican Committee. Ed Fehrenbach For More Aid

Edwin J. Fehrenbach, candidate to succeed John J. Burns as Assemblyman from the Fourth Assembly District of Nassau County, today repeated his intention to press for any additional State Aid possible for the School Districts of the Assembly District which embraces the Town of Oyster Bay and City of Glen Cove.

Burns during his six years in Albany, working in cooperation with the other members of the Legislative team from Nassau, was successful in his efforts to bring special financial aid to school districts and Fehrenbach stressed that he is for any proposal which will assist the school districts in meeting the problems of increasing student enrollments, including the construction of additional schools.

"At the very outset of my campaign for the office of Assemblyman," he stated, "I wish to make crystal clear the fact that I am for a School Bond Authority as I am for any proposal which will save the taxpayers money. I am well aware of the bill introduced at the suggestion of Mr. Levitt last year which is now being reviewed by a special committee."

"Mr. Levitt recently stated that the bill was being amended to eliminate certain objections in the original bill. I will be pleased to carefully consider the new bill and will vote for it if it is so drafted as to produce the intended tax savings."

During his tenure as Deputy Supervisor of the Town of Oyster Bay, Mr. Fehrenbach has become intimately acquainted with the problems of the township and its communities. He is 38 years of age and is active in community and civic affairs. He is a member of the American Legion, Kiwanis and Theodore Roosevelt Republican Club of Bethpage.

Fairchild Expands Plant

HICKSVILLE -- Expansion of facilities has been announced by Fairchild Controls Corporation's Components Division, subsidiary of Fairchild Camera and Instrument Corporation.

Floorspace at 225 Park Ave here has been nearly doubled with the addition of an adjacent building, making a total of 50,000 square feet in this facility. Both buildings, which have been connected, are completely air conditioned and the expanded laboratory, office and production areas functionally arranged for peak efficiency.

The Components Division has been located here since 1952 when it was staffed with only 150 people.

Today, five years later, the division boasts of a total complement of 700 men and women in plants in Hicksville and Los Angeles.

Tax Collections at 98.6

OYSTER BAY -- Out of the warrant of \$14,971,347.12 issued for the 22 School Districts in the Town of Oyster Bay, over 98.6% was collected before the tax rolls were returned to the County Treasurer on Sept. 1, according to figures announced by David Welsh, Town Receiver of Taxes.

The following is a summary of the Mid Island School District Collections:

School District	Amount Tax Levy	Percent Collected
15. Jericho	\$ 581,159.25	95.07
17. Hicksville	2,359,959.89	95.04
18. Plainedge	1,028,131.75	95.04
19. Plainview	1,080,859.49	95.13
20. Old Bethpage	113,971.23	95.04
21. Bethpage	1,125,070.77	95.03

Although final notices were sent out to that effect, Welsh wishes to point out that all unpaid 1957 Town Taxes are now payable to the County Treasurer, at the New County Court House, Mineola.

This expanding manufacturer of precision potentiometers, pressure transducers and accelerometers, has one of the nation's largest and best equipped staffs of precision component engineers.

HERALD GREEN THUMB

by Alma W. Creib

It's bulb planting time! The garden shops are full of all the big and little bulbs that will make our gardens a dream of loveliness from March to June, and they seem to be particularly plump and healthy this year. Holland must have had a good growing season.

To many beginning gardeners, spring bulbs mean tulips, hyacinths, and daffodils, but there are many small bulbs that are really needed to "face down" the larger plants and complete the garden picture. All the bulbs except tulips should be planted during September and early October, but daffodils must be put into the ground as early as possible, as soon as they are received.

There is a bewildering array of

beautiful flowers all sold under the name of daffodil. They all belong to the narcissus family, and the members of the group are called daffodil, jonquil, or narcissus, the exact differentiation of the forms depending on the part of the country you live in, and becoming more difficult as hybridizers interbreed the various types. They are all beautiful, from the dainty white poet's narcissus and the tri-andrus group to the huge golden trumpets, such as King Alfred.

Some of these bloom very early. There is a tiny, deep yellow variety called February Gold, which appears on L.I. about the end of the month for which it is named. From then on until June the various types follow or overlap one another in quick succession. This whole family is worth spending money for; they live many years and increase with each passing season.

During the growing season they need sunshine, but this period is so early in the season that they may be planted under and around deciduous trees (those that shed their leaves in the fall), and the new leaves will not cast too much shade in the spring before the bulbs are in bloom. They seldom become diseased and once they are planted they need no attention except for a handful of bonemeal spring and fall, until they become crowded and need replanting. This is indicated by fewer blooms in a thicket of leaves. You then dig them up, and will you ever be surprised at the mass of bulbs that have grown from your original half dozen! This should be done as soon as the leaves have turned brown, and they should be replanted as soon as possible, putting them down a good six inches in our sandy soil. If the planting is too shallow, they are apt to grow during any warm spell during the winter. A mulch of leaves or evergreen branches is recommended, but it is hardly necessary on Long Island.

what are your ideas on auto insurance?

We, at Nationwide, have a guiding idea - the idea that people working together can accomplish anything.

Where automobile insurance is concerned, that idea becomes this... you and we, working together, can actually lower auto insurance rates - at the same time maintain, and even increase, the protection that insurance affords. We believe it's a good idea. More than 2,000,000 drivers agree!

The Nationwide idea can help you to worry-free driving, financial protection, and dollar savings. Find out how. Call

New Consultant

HICKSVILLE-Jonas H. Bernstein, President of the Board of Directors of the Mid-Nassau Community Guidance Center, at 35 Bway, here announces that Dr. Joseph A. Manno has been appointed as Psychiatric Consultant to the Center's newly-formed adult therapy program. Dr. Manno is a graduate of St. Louis Medical College and is a member of the American Board of Neurology and Psychiatry. Dr. Manno is also Psychiatric Consultant to the Catholic Charities Family Service in Mineola.

WHAT'S YOUR PROBLEM?

Many questions are received by the HERALD, your community newspaper, which are of general interest. For example:

QUES: Who is the Lieutenant Governor of our state?

ANS: George B. DeLuca, life-long resident of the Bronx.

QUES: Since John Burns has resigned as our Assemblyman to be the candidate for Town Supervisor on Nov. 5, can the Governor make an appointment in the meantime?

ANS: No. A special election is required to fill the vacancy. The special election will take place on the same day as the general election, Nov. 5. It will be the only election of an Assemblyman in the entire state this fall.

QUES: How many votes in the recent primary in the Township?

ANS: For supervisor, Burns received 5,466 and Synder 829. In one district in Hicksville, not a single Democratic ballot was cast.

Mercy League Tea

Mrs. Vincent Braun, chairlady for the Membership Tea of the Hicksville-Glen Cove League for Mercy Hospital, to be held Thursday, Oct. 3, at MacArthur Hall, Mercy Hospital, reports that plans are progressing nicely. The object of the tea is to introduce the new members and to acquaint them with the work carried on by the various leagues in the behalf of Mercy Hospital.

Tea will be poured at 1:30 after which a brief meeting will take place, followed by a film showing the growth of Rockville Centre and how Mercy came to be.

REV. HENRY J. HUND was installed as assistant pastor of the Evangelical Lutheran Church of St. Stephen, Hicksville, on Sept. 22. This occasion marked his formal induction into this particular field of labor which began in July. While sharing pastoral responsibilities with the Rev. Richard H. Weiskotten, pastor of the congregation, Rev. Hund will be chiefly concerned with the educational program.

The newly installed pastor, a native Long Islander, is an alumnus of Hofstra College. He is a recent graduate of The Lutheran Theological Seminary at Philadelphia, Pa. where he received his divinity degree.

The coming of the new pastor to St. Stephen's Lutheran Church has been a direct result of the continuous growth of the congregation in the post-war years. In addition to this, the increased membership has sharpened the need for new building facilities. An extensive program has been outlined to meet this need.

900 At Dutch Lane Hear Herb Johnsen

An estimated 900 persons attended the opening of the 1957-58 Dutch Lane School PTA at an Open House last week. The highlight of the evening was an address by Herbert Johnsen, School Board Member, followed by a motion picture, narrated by Mr. Johnsen, showing the vandalism committed at Hicksville Public Schools.

The entire faculty was intro-

duced individually by Principal Schofield, who gave a resume of the teachers' experience records. Later, the faculty met the parents and discussed with them the many phases of their school work. Mrs. Eberhardt, President of the PTA, wishes to express her thanks to the parents, faculty, and the newspapers for their cooperation and interest.

East St. PTA Seeks Membership

the HERALD Sportlight

By HOWARD FINNEGAN

OPENING GAME REVIEW

Defeated 12-6 in its 1957 NSAA Conference Football opener by Farmingdale, Hicksville High points for this Saturday's contest at East Meadow as a springboard to atonement. It's not expected to be an easy assignment but practice sessions have been crackling as coach Howard Bowers wants to plug the pass defense and end sweep deficiencies which the Dalers exploited.

The exclusive HERALD facts are: Farmingdale gained 129 yards rushing to the Comets 160 net. It was 3-6 in first downs for the Orange and Black. Six pass attempts saw four completions for 83-yards (one the winning 18-yard third period TD) for the visitors. Bill Schrimpe nailed Ted Greve with a smart 17-yarder for the Comets only aerial success.

Although they used an eight man line against him, Richard Stillman hit the wall 17 times for 73-yards before an early fourth period leg injury forced him from the game. Ted Greve won plaudits also with 15 smashes against the very heavy Dalers for 50 yards. Leo Kanawada ran out of Stillman's fullback slot in the fourth period and sliced off eight yards to start the Comets on their march from the 20 to the winners 27 before the clock expired.

The Dalers caught on quickly to Hicksville's training camp secret that quarterback Joe Naso had a bad shoulder and could not pass. He tried to keep them honest but his first few tosses tipped the hat and they closed in on the line. Naso tried to divert with six running attempts and chalked off 28 yards.

There was irony. Farmingdale was slapped with three clipping penalties but two came at the very end of some long gains. So the Dalers only lost the 15-yard assessments but not the downs! Hicksville was offside four crucial times and lost 93 total yards and the four first downs. Greve had a fine twisting gain of 43 yards erased and Bill Wright lost his 23 yard spin.

That would have meant 253 yards on the ground for the Bowers crew. Not many are going to go over 150 against that Big Green and White club.

Defensively the Hickville line of Gene Yetter, Dick Zaczynski, Bill Fink, Mickey Anglin and Larry Slofkin is one of the five best, from tackle to cble, according to the coaches we talked to.

Infirmary Reports: Stillman will be ready Saturday. His leg has responded and should cause him little hindrance. That broken nose Larry Slofkin suffered on the first play of the game won't keep him out of the East Meadow fray. Plenty of tape will be used to protect Greve's slightly bruised side and he also will be ready.

Stillman was also the defensive star and rightly received high praise but after game talk centered on the gameness of 14-year old William Schrimpe who has been rushed along to fill one of the seven unexpected big men in the Comet roster.

There were 1251 paid admissions. Some 100 persons got in on NSAA passes (it was the only league game played that day) and the necessary student-allied attendance ran the crowd over 1700 which is an opening day mark for the OEB.

Alumni were all over the place. Former Orange and Black athletes maintain a high interest in Comet activities. Among them were Herman Rigby, bow of Great Neck, Art Segretto of Stony Brook, Fred Eisenman of Farmingdale, Robert Hattenback of Westbury and Mike Comant of Glen Cove. Heading the local residents was Doug Jones a June graduate of Lynnhaven, Va. College, Harold Manasie, Charlie Rosengren, Robert Paton, Joe Webnski, Frank Ruggiero, Robert McWilliams and many others.

In coaches row in that North end zone were Bill McNamara, assistant coach at Syosset. It was just last June that Anderson coached Hickville to the NSAA Baseball divisional championship. Both had six years in the Hickville system.

Many persons are concerned about the departure of such capable and high caliber men. The big reason is the other districts pay more.

Hickville entered the big time of Nassau football (forced on it by its position as one of the three schools with the largest student body) against the Dalers and had to kick off with a "sponged" football.

A great many folks can't understand why the School Board won't approve the purchase of that whirlpool bath which would heal athletic and gym class injuries so quickly but did approve of tennis nets for play areas on elementary school grounds. The pain killing bath would be of use for students for years to come but the reasoning is better understood for grown ups who are either too lazy to walk or ride to the high schools for their tennis game.

The usual concept has always been to leave the elementary play areas for the young people of the respective locations and have adult facilities at the higher level schools.

We just do not see 30 or 40 children deprived of free play for two guys hitting a tennis ball.

Oh yes. We play with the Comets one more week. Hickville 14, East Meadow 7.

ST. IGNATIUS CYO NOTES

Hope to come up soon with some news of the CYO girls activities, particularly the softball teams, looking forward to greater interest in the coming track and swim meets.

Reports from a up Niagara way indicate our correspondent secretly visited the old home town, slid in and out too fast to contact some of his cronies. Hope he has the big brass on the run.

Remember - opening games

CYO Gridders Open on Sunday Two Highs For CYO Bowlers

by ELWOOD S. KENT, SR.

HICKSVILLE - From all appearances, it looks as though the St. Ignatius CYO Football Team this year will weigh a bit heavier in the line and in the backfield. A year's experience for a number of the boys is bound to show when the going gets tough.

Last Sunday the weigh-in of all teams was processed in Syosset. From now on all players can be a mite careless with their diet - providing everything they eat goes into football muscle and know-how.

The first game will be played away at the Syosset field this Sunday afternoon. All of the game were well attended last year and no doubt St. Ignatius Loyolo rooters will turn out in their usual numbers.

No predictions of any kind have

been forthcoming from the coaching staff - could be a guide to hide a few sleepers in the backfield. Here's hoping for a successful and satisfying campaign.

BASKETBALL

Phil Gletschier and Jerry Legge are supervising the basketball program this year. All boys are requested to appear for registration this Sunday, Sept. 29 between the hours of 9 through 10 o'clock. All registration is taking place in the school basement. Be sure and turn out - all ages from seven through 17. A big turnout is being looked in the brackets 13 and up. Should this take place and the material is good, Phil and Jerry hope and expect to put some teams into the County CYO competition. Get down early and sign up.

by BILL SAKAL

HICKSVILLE - On the fourth night of bowling the Holy Family section of the CYO Bowling League came up with two "highs." A high game of 233 bowled by N. Kleiner of the Pirates and a high series of 581 by G. Hatem of the Tigers, with a 327 game.

Other highs for the night were as follows: - J. Walsh 566 (200); H. Poole 535; Bud Smith 524; Bill Noon 524 (203); T. Grumo 513 (210); Al Reinheimer 511 (200); N. Trassera 506 (206); R. White 505; F. Finan 503 (203); T. Staudt 100; J. McAuley with a 210 game and H. McMorris with a 203.

MAKE A LOCAL COMMERCIAL BANK YOUR FAMILY BANK

LOCAL COMMERCIAL BANKS NOW SERVE THOUSANDS OF SALARIED AND PROFESSIONAL PEOPLE!

Once upon a time only businessmen used commercial banks. Today the local commercial bank is everybody's bank, offering checking account and full banking services to business and non-business people, alike.

Let's listen in on this conversation...

- SON:** What do you mean by one-stop banking? **FATHER:** That's the way it used to be. Today any individual—a housewife, like your Mother, for instance—can be a mighty important bank customer.
- FATHER:** Doing all your banking business in one place—savings account, checking account, mortgage and other loans, safe deposit box—the works.
- SON:** But what can the bank do for Mom? **FATHER:** Well, take the matter of our checking account. Only commercial banks offer checking account services. We pay all our bills by check... tells us where our money goes, makes the family budget work. Mom never has to stand in line to pay a bill, and has receipts—cancelled checks—for all payments. It's neat, safe, easy, convenient.
- SON:** What's the advantage of that? **FATHER:** Well, it simplifies matters, and you get to be more than just another face at the teller's window. The bank gets to know who you are. If you're a good credit risk, they know it. That can come in mighty handy!
- SON:** I thought commercial banks were just for commerce—business, railroads, factories—the big shots.
