Warn Shoppers, Commuters Enforce Parking Field Time Limits Effective Next Monday

A new town ordinance regulating the limit for parking on public parking fields in Hicksville becomes effective next Monday, Oct. 21, and police have been requested to issue warnings rather than summonses during the first few days.

Two-hour limits, as posted on the fields, will be rigidly enforced

at all fields except those assigned for all-day use to residents of the district. The two-hour limit applies to 25 per cent of the field behind the Professional Bldg. (balance for commuter-residents), and to the new field at Jerusalem and Marie St., opposite the firehouse, the RR plaza and opposite Big Ben behind the stores. It will also apply on the east side of the RR between Marie St. and Heitz Place and the new field about to

be opened between W. Carl and W. Cherry Streets.

Set aside for 8-hour parking by residents who have received a sticker at the Town Hall Annex, 32 Broadway, Hicksville, is the triangle between Marie and E. Nichol St. and the north side of Heitz Place next to the RR tracks.

The cooperation of all motorists is being asked in obeying the time restrictions posted at the entrances to each field.

General Meeting for Chamber

A general meeting of the Hicksville Chamber of Commerce has been called for tomorrow (Fri) at 12 noon at Henningsen's Restaurant, according to William A. Pasoski, secretary.

LONG ISLAND NATIONAL Bank's youngest stockholder, Thomas C. Riccino, presents his application for additional stock now being issued

to Bank President, William E. Koutensky, while his mother, Mrs. Jean Riccino, smiles her approval. (Frank Mallett Photo)

DOUBLE CUT on the ribbon, opening a brand new parking field for Hicksville, took place this week. Left to right are Councilman Henry McInnes, Chamber of Commerce President Patrick Caputo and Town Clerk Henry M. Curran. The new field for shoppers is at the corner of Jerusalem Ave and W. Marie St. A second field between W. Carl and W. Cherry Streets, also on the west side of Broadway, is scheduled for completion in a matter of days, adding a total of over 200 car parking spaces to the community total. (Jim Healy Photo)

TO MEET TECHNICALITY Teachers Get \$1 A Year Increase

Teachers of the Hicksville school district were given a \$1 a year raise by the Board of Education at its meeting Friday night to comply with a technicality.

Not all the approximately 500 teachers in the Hicksville Schools will get the \$1 a year more at present.

9 AUTOMATIC STEPS

The issue arose in correspondence from the attorney for the State Teachers Assoc. at Albany, taking issue with the fact that the Hicksville teacher salary scale does not provide "nine automatic increments" or raises.

The Hicksville salary schedule provides, in effect, automatic increases from \$4000, starting, to \$5200 in five steps and continues on to \$6900 if the teacher has 30 hours of graduate credit at the end

of the fifth (or E) step, and eventually reaches \$9000.

The motion was made by President Emil Szendy, seconded by Robert Goodrich, to provide automatic increases of \$1 a year beginning with step F up to and including Step J "if no other increment is merited under the present salary schedule". Szendy commented that he had not been in favor of the so-called "merit schedule" in the first instance; however, since that is the schedule of the district, he felt the \$1 a year raise would emphasize the fact that a technical question had been raised.

Voting in favor of the motion were Allan Carpenter, Jerry Zertler, Robert Goodrich, and Emil Szendy. Herbert Johnson voted no. Arthur L. Erlich had left the meeting before the motion was made

and Robert D. P. Eaton was absent due to illness.

The present schedule of salaries was developed with the approval of teacher, principal and administrator units in the district in cooperation with a committee of the School Board. The schedule was adopted by a previous Board of Education.

Lions Print Behavior Codes

The Hicksville Junior High School Parent-Teacher Assoc. was presented with 1,500 printed copies of the Code of Social Behavior by the Lions Club of Hicksville. This club made a donation of the printing of the Code to the P-TA Association as one of their services to the com-

munity.

Mrs. Martin Polsenald of the Junior High School P.T.A., as Chairman for the Code of Social Behavior and her committee, this week will mail a copy of the Code to all seventh grade students and all new students entering the Hicksville Junior High School.

Girl Scouts Need Your Help Mid Island Fund Drive Starts

HICKSVILLE-The Annual Girl Scout Fund Drive takes place this Saturday and Sunday, Oct. 19, 20, according to George Marthen, Finance Chairman for the Hicksville-Jericho District.

"Since the Girl Scouts are budgeting for 10,500 girls in the Mid-Island Council, we hope to receive a contribution from each home and business contacted by our collectors," he said. Each collector will wear an identification badge, and each contributor will receive a sticker. Checks should be made payable to the Mid Island Council of Girl Scouts, Inc.

The budget of \$64,907 includes payroll, office maintenance, and training of leaders; and as of Sept. 1, this year, 8,131 girls were registered Girl Scouts, with 2,500 on the waiting list. The active volunteers number 2,016 to lead and manage 515 busy troops and with the need for "more scouting for more girls" professional help too, is a necessity. Marthen asks that when the Fund Drive worker comes to your door to give as generously as one can.

On Sept. 24, all registered adults were invited to attend the Semi-Annual meeting of the Mid Island Council of Girl Scouts, held in Levittown Hall from 7 to 8 p.m., during which displays of camp projects were inspected, and coffee served. Three of the important items voted upon were By-Laws, Annual Budget, and election of Convention Delegates.

SURPRISE BIRTHDAY for Henry Biel, sgt at arms of the Hicksville Republican club, who was "75 years young" when the GOP club met at the Masonic Temple, Friday night. A large cake was presented by the members and the cake cutting ceremony was assisted by (left to right) Louis A. Sisia, candidate for Councilman

Michael J. Sullivan, club president; Mr. Biel, Marjorie Post, councilwoman; Edmund A. Ocker, candidate for Councilman and Edwin J. Dear Jean:

What "well known" ad man has to go around town borrowing books on advertising so he can keep his editor happy?.....

A gal in the P.O. the other AM was studying a sign on the bulletin board announcing a "Monster Stamp Show", when it came her turn at the stamp window, and FREDIE SCHLITZ asked her how many, she replied, "50 Frankenstein and 25 Dracula's",... Spelling of the P.O., JAMES McCAFFERY associated with the Dept. many years has left and is now with Metropolitan Life... going into competition with brother, LARRY?.... We didn't believe the rumor, at first, concerning the whereabouts of Capt. JIM HOWLEY and his co-pilot, WARREN, but now we are inclined to. After Sputnik sailed over the other morning we found an empty Blackberry Brandy bottle in the back yard.

The Hicksville Farm Boys, JOE AND DOM, have added something new. They now feature home-made hot soups. Friday we tried the clam chowder and it was excellent. Joe made it and Dom tells me he added the flavoring. During the week, they had bean soup which also tickled the palate. Try some, if you like home-made soups.... A lot of people we know on the stick list this week... the two HOOKSICK boys, Dave and Vincent, LYNDIA NOETH, PENNY MOORE, ANN MARIE CAGLIONE for a few. All are sent our get well wishes. Hope to see them up and about soon... The ROBERT BOGARTS of Chestnut St., Hicksville, home again after a two weeks vacation at Daytona, Fla., visiting relatives... See all the fancy Halloween costumes in the window at HOLDEN'S, Bway, Hicksville? Hap did the job and it looks mazy. With I was young again so I could get one and go out trick or treatin'... and Mrs. JOHN BARR of Cleveland, Ohio, Sunday guests of Mr. Barts' sister, Mrs. EUGENE MARTINO of East St., Hicksville... Guess they plan to start on the widening of N. Bway, Hicksville soon. They have already put up the detour signs near the RR tracks... The School Board was scheduled to interview six candidates for the position of Hicksville Recreation Director at an informal, executive-type session last night (Wed).

Congratulations to Mr. and Mrs. THOMAS REILLY of S. Elm St., Hicksville, on the birth of a daughter, Mary Ann, born Oct. 7 at Mid Island Hospital, Bethpage. Mary Ann joins her sister Carol and three brothers, I. Who were the eight gentlemen marching down Bway, Hicksville, with their clothes all torn apart, hitting the high spots and keeping the gals laughing? Understand they were doused with tulip perfume and really smelled beautiful. Celebrating Halloween a wee bit early, we see... The Bazaar committee of the East St. P-TA announces a fine list of features for the annual bazaar set for Friday afternoon and evening Nov. 22 and Saturday morning, Nov. 23. There will be fun for all the family, young and old alike so keep the dates open. A hot dog and pop-corn stand will be one of the refreshment high-lights. Can see all the kiddies heading there...

Meadow Brook National Bank, according to informed sources, may open for business in its new three-story building about Veterans' Day, Nov. 11... TOM COLWELL has been elected president of Hicksville Police Boys Club sponsoring committee. He succeeds BILL STAKER...

TAKE NOTICE: Enforcement of the posted parking limits on all parking fields in Hicksville is due to go into effect next Monday morning, Oct. 21. Don't complain if you get a ticket... MARVIN KALSTEIN of Salem, Mass., Inc., Hicksville DeSoto dealer, has returned from Teaneck, N.J. where along with several hundred other dealers in the region he previewed the DeSoto's 1958 line. The new cars go on display here on Nov. 1... If you hear a big explosion about 1 o'clock next Monday afternoon, Oct. 21, don't be alarmed. The CD and Air Force are going to set off a harmless, simulated atomic bomb whose mushroom cloud will rise 300 feet into the sky above Mitchell Air Base. It is part of special CD program... Bethpage Civic Assoc. is sponsoring a Masquerade-Smogorsbord on Oct. 25 at Bethpage Country Club... The other evening in Plainville when there were more candidates present (from both parties) than spectators in the audience the speakers mutually agreed to put off their remarks until another evening... Duth Lane School of Hicksville has accepted an invitation to submit an outline of a community school project for this year to the Board of Judges of BVD Annual Community School Improvement Awards. Five regional winners will be named Nov. 30. Which reminds us, just what does BVD stand for?... Card Players Lead Brigade

by Charles De Shaw

HICKSVILLE—Residents in the southwest section, here, were abruptly awakened their sleep late Thursday night, Oct. 10, by the frenzied blowing of the fire siren.

When the first alarm sounded, five men -- Bernard Nagel of 124 Brittle La., Paul Ronning of 132 Brittle La., Henry Stone of 127 Brittle La., John Walsh of 46 Petal La., and Norman Barry of 47 Petal La. -- were awake playing cards. Paul Ronning is a vamp and he immediately raced out to answer the alarm followed by the other four.

Seeing that house owned by Henry and Anne Solter at 39 Straw La. was afire, Ronning looked about for some means of holding the fire in check until the engines arrived. Seeing the Solter's garden hose laying nearby, he had it attached to the water faucet and commenced spraying water on the fire to keep it from spreading.

In the short space of minutes from the time the first alarm sounded until Ronning began wetting the flames, the fire which had started in the tool shed attached to the Carport, had spread rapidly and was threatening the house itself.

Only the fast thinking of Ronning and the others in preventing the fire from spreading, kept damage to the carport to a minimum, and prevented damage to the house itself. When the engines and other vamps arrived, it was discovered that the house was vacant, the Solters having moved earlier in the afternoon.

Other fire calls during fire prevention week were:

On Oct. 9, there was an oil burner fire at the home of James Reardon, 34 Blueberry La., Oct. 12, a grass fire at Washington Highway and Hazel St., Oct. 14, a washing machine fire at the home of Fred Magenheimer, 257 Acre La., and Oct. 15, a grass fire at Midland Ave.

CURRENT COMMENT Pie-In-Sky Campaigners

BY FRED J. NOETH

THE DEMOCRAT candidate for the State Assembly whose remarks before a civic association were the subject of comment here a couple of weeks ago has demanded a retraction. He claims we stated he advocates birth control.

We did not say he advocates birth control. We don't believe he does. He points out that he is a Roman Catholic and that the practice of birth control is "contrary to the dictates of my religion." The Republican candidate, Edwin J. Fehrenbach, is also a Roman Catholic and we know he doesn't advocate birth control either.

We told the Democrat candidate that we are willing to make the flat statement that, as far as we know, he does not advocate birth control as a means of controlling school taxes and tax rates.

This is in no way to be considered as a retraction. We don't feel that our comments were such that a retraction is warranted.

Actually, we think we had been rather gentle with Mr McCaffrey, who, as the time prior to election draws shorter and shorter, becomes bolder and wilder in his proposals and campaigning. We heard him say that he has a plan which would reduce school taxes by \$1 per \$100. We read in the daily press that he wants to give the impression that he could increase unemployment benefits to \$72 a week. (He better check with Ave who twice this year vetoed Republican-sponsored legislation to increase unemployment benefits.)

These are typical of the wide-eyed statements which unfortunately get circulation just before an election. They are made with the realization of the speaker that he will never be expected to put them into effect.

In contrast, John J. Burns as candidate for Supervisor and Mr Fehrenbach as the candidate for Assembly, to mention just a portion of the slate, adhere to the firm obligation of sincere and qualified public officials to face the issues and problems squarely and honestly. Those who know Mr Burns and Mr Fehrenbach and their team mates know them for people who are prepared to put into action that they promise.

We don't believe the voters are deceived by pie-in-the-sky oratory. Neither are they in the market for gold bricks, shares in the Brooklyn bridge, or Tammany control.

Bethpage Votes On Bond Issue

Taxpayers of the Bethpage School District will actually save money by approving the \$4,685,580 bond issue for a new high school on Saturday, Oct 19, according to the Bethpage Board of Education.

Any delay in approval or continued opposition to the issue will mean higher taxes to meet the cost of educating the District's rapidly increasing school population, a spokesman said.

Grandjean, President of the Board of Education, urged every registered voter to come out on Saturday and vote "Yes" for the new school to assure passage by the necessary 2/3's majority. He also reminded them to vote on both propositions. The first calls for a \$4,495,923 high school. The second calls for a swimming pool to be included for an additional \$189,657.

Meets Monday

The next regular meeting of The Central Inland Women's Republican Club will be next Monday, Oct. 21, at the VFW Hall on Grand St., Hicksville, 8:30 p. m.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Artie Rutz

Today's meeting is now called to order--Has everyone got their 1958 membership card with them? If you haven't, don't challenge Johnny Taylor or is that another version about people living in glass houses, etc... Let's give a rousing welcome to new Legionnaires, Charles A. Heeg, Thomas Koemes and Costas Kirighos who joined our Post at the last meeting. The dues are pouring in for 1958 for which, Thanks fellows, and don't forget to get that new member you always intended to get. Now is the time for every member to get a member and send the Charles Wagner "Rocket" sky high and then some--And thank to all the boys who went with our Welfare Officer Ernie Gundlach last Friday night and donated blood to replace what was used for one of our members--And thanks to the Sunshine Fund Committee for picking up the restaurant tab for these men afterwards--And thank to the many people who brought their old newspapers to the Legion Hall and stacked it properly on the left front porch, well done and we

didn't have any trouble handling it-- There's still plenty of space left for more so keep bringing those old newspapers, the Post can use the revenue they bring--Another reminder about the Kings Park visitation that we will make on Oct 27th--Old but usable men's clothes of all descriptions are still needed and those can also be left at the Legion Hall--Don't fail to see that you fly your Country's flag every day during UNITED STATES WEEK which is October 19 to 26th and to attend the final celebration on this week on Saturday, Oct. 26th, 1 P.M. at the Hicksville High School--Top level Legion officials on National Department, District and County importance along with many Congressmen and newspaper columnists are expected to be the guests at this rally which is being staged by the Nassau County American Legion Americanism Committee for the 10th District of New York--This is only one of many such rallies that are being held on a nationwide basis on this date.--

Becomes Engaged

Mr. and Mrs. Robert L. Meade of 26 Crown La. Westbury, have announced the engagement of their daughter, Joan, to George Noll Jr., son of Mr. and Mrs. George Noll, Sr., of Bellrose.

Mrs. Meade is a graduate of East Meadow High School, Mr. Noll, a member of the Naval Reserve, is a graduate of Jamaica High School.

Town Protects Homeowners

Home owners of Oyster Bay Town have invested their futures in the orderly development of their respective communities and are entitled to the kind of government which recognizes this investment and pledges itself to protect the rights of every individual and property owner, Town Clerk Henry M. Curran declared. He was among the speakers before the Hicksville Republican Recruits at their meeting Tuesday night.

The Republican candidates, he told the Recruits and their guests, "stand ready and alert to vigorously oppose and defeat any and all proposals which would in any manner infringe upon the rights or in any way threaten the invested security of the home owners. We are pledged as a team to work closely with all protective agencies such as Civil Defense, volunteer fire fighting service, police and all law enforcement agencies so as to insure residents of the maximum enjoyment of their constitutional rights and privileges."

The Tammany-inspired Democrat candidates are concerned only with "divide and conquer" tactics, Curran stated. He described the proposal to set up Tammany ward districts in the town as a plan to bring about "scratch my back government" where each area of the town would be put in competition with other areas and nothing would be accomplished for the general, overall benefit of all town residents.

Curran also described the proposed constitutional convention, upon which a "no" vote is urged by many leading newspapers and organizations across the state, as a play to open the door for the annexation of Nassau as a borough of the City of New York.

Sisia Speaks at Glen Head

The Republican team of candidates for election in the Town of Oyster Bay are individually and jointly pledged to a goal of "continuing all possible efforts toward holding the line on the cost to homeowning taxpayers of home rule government". It was asserted by Louis A. Sisia of Bethpage, candidate for Councilman, speaking before the Glen Head Republican Club last night.

The Democrat platform, he pointed out, fails to even mention

"economy" in any way. "In fact", Sisia insisted, "it gives a clue to the fact that Oyster Bay voters could expect the greatest, uncontrolled spending spree in the history of the Township if the Democrats were given the opportunity."

The Republicans, he pointed out, are pledged "to take full advantage of all revenues which may result, directly or indirectly, in improving the financial position of the entire township" as well as "holding fast to the principal of pay-as-you-go operation."

HERALD GREEN THUMB

by Alma W. Croth

Everyone grows hyacinths, tulips, and daffodils. Even the little bulbs, such as crocuses and grape hyacinths, are fairly well known and grown, and these are the bulbs you find on sale in every garden shop. But if you want something a bit out of the ordinary for your spring garden, you might like to try some of these:

First, the hoop petticoat daffodil (*narcissus bulbocodium*), which is the smallest of the daffodils, a tiny plant not much over 4 inches tall, bearing miniature yellow trumpets that look as if they had been pleated. A group of these would be charming on the slope beside the walk of a split-level house, especially if they were tucked in beside a rock, or along a retaining wall. They need sun and plenty of moisture, and should be planted three inches deep, a few inches apart.

If you like small plants, there are also miniature tulips growing only 6-8 inches high. These come very early, when their bright red or yellow blossoms are especially welcome to winter-weary eyes. Iris reticula is another little fellow that blooms very early. We have a group of them under the pine tree just outside our breakfast table window, and each year it is a fresh surprise to look out some bleak March morning and find this tiny, exquisite iris in bloom. It looks so fragile, with its delicate, deep blue petals striped in bright gold, but it blossoms serenely through rain, snow, and bitter winds. I am told that it should not have any moisture during the summer, being a native of the Near East countries that have desert conditions during the warm season, but ours have lived for six years with normal watering, perhaps because they are on the top of a slope.

Another iris that should be more commonly grown is the Dutch iris, which is also a bulb. The flowers, which come in lovely shades of blue and yellow and in pure white,

are similar to the florist iris you find in most mixed spring bouquets. Like reticula, they do not like summer moisture, but if you do not want to bother digging them up in June and storing in a warm, dry place, they will last about four years, and you can replace them for about three cents a bulb.

Blooming at the same time is the wood hyacinth, the bluebell of England, which is not a hyacinth but a scilla (*scilla nonscripta*). It grows about a foot high and looks much like a blue lily-of-the-valley, with the raceme of bells coming up between two broad leaves. It grows well in the shade. There is also a pink form, and the two colors, mixed, look well at base of a tree, or at the front of a foundation planting.

You may not find all these bulbs in local garden shops, but they can be ordered from any bulb nursery.

Oil Progress Parade Set

The routes for the 100-mile long parade in celebration of Oil Progress Week this Saturday, Oct 19th, were announced today by Patrick F. Caputo, Oil Heat Institute of Long Island president. Two parades, one from Suffolk County and the other from Nassau, will meet for an industry-wide luncheon on the campus of LI Agricultural and Technical Institute, Farmingdale.

More than 800 trucks and supply vehicles, serving the 320,000 heating oil customers on Long Island, will be included in the gigantic OHIL celebration of Oil Progress Week. The parade will also include floats TV celebrities, colorful flairs, bands and a bevy of beautiful girls.

The route thru Hicksville is North on Newbridge Road to Old Country Road, East on Old Country Road to Route 110.

Plainview was one of the few communities in the nation to have three local Explorer Boy Scouts selected to attend the National Boy Jamboree in Valley Forge, Pa., and the International Jubilee in England during this past summer.

These delegates were selected purely on the basis of merit and one of their primary responsibilities was to act as good will emissaries in the foreign lands through which they traveled. Now that they have returned each one of them will be available to relate their experiences to local organizations.

The cost of sending each of these boys to the jamboree amounted to \$2500. Of this total amount, \$2000 was borne by the National State and District Boy Scout Organizations with the Boys Scouts of America recommending that the balance of \$500 be raised one half by the individual Scouts and one half by the community in which the Scout lives.

Having been contacted in this regard by local Scout officials and feeling certain that the community of Plainview undertook to raise the amount required to be contributed by the community, that is \$750.00. Because of the summer vacation period and other Kiwanis projects

BUILDER'S VISION

by Charles Portnoy

It started with a vision... A Builder's vision!!!
 Then came plans and with it followed conferences, blue prints, architects, bricklayers, carpenters, technicians,
 Earth, that once yielded potatoes and other crops, was torn from its
 surface by huge cranes and other machinery devised by man.

Then came bricks and mortar, steel beams and sashes, bulldozers
 and tractors... all playing havoc with that which was once so serene.
 Stately trees, proud and majestic were cut down to clear the land.

Then came the Model Home and another... and another... and the
 vision began to form...

Throng of curious people from everywhere pushed their way through
 to see the modern... the unusual.

Then the avalanche... deposits and binders, contracts and lawyers,
 haggling and commotion.

And the migration era followed...
 A transition period for the tenement dwellers, a change of scenery
 for previous homeowners, all with the same hopes... seeking a better
 way of life.

First came the squatters... and with them the doubts, the fears the
 apprehensions, the uncertainty.

And then slowly the masses...
 House by house... block by block... lamp posts with a friendly glow,
 antennas, on rooftops like scarecrows in the field, laughing children,
 eager parents, playful pets, pleasant mothers-in-law, business man,
 professional men, laymen, solicitors, deliverymen... fresh in spirit...
 high in hopes... the jugular vein of "superbia living"!!!

And now...
 There is laughter and tears, sod and soil, joy and sorrow, shrubs and
 plants, dreams and substance, forward thinking and backward thinking,
 community dances and barbecues, progressiveness and conservatism,
 improvement and complacency.

... and the vision is fulfilled!!!

Civic Assoc Meets Tuesday

The Birchwood at Jericho Civic Assoc will hold a general membership meeting at 8:30 PM on Tuesday night, Oct 22, at the Robert Seaman School. The VILLAGER considers this to be one of the outstanding civic events of this year and earnestly suggests that each and every resident of our village attend. So many issues of importance will be on the agenda that no homeowner and housewife can afford to miss this session. Schools, taxation, zoning, planning, builder relations, check out of homes are but a few of the subjects to be covered by comprehensive reports. See all you Villagers on Tuesday evening, Oct 22.

SISTERHOOD of the Jericho Jewish Center is represented by the three charming women (left to right) Hilda Kaplan, chairman of the "Treasure Chest", Helen Etkin, President of J.J.C., Lee Batterman. The gentleman on the left is Arthur J. Mangan Assistant Cashier of the Long Island National Bank of Hicksville. The Bank will hold the Treasure Chest which will

contain a mink stole or 500.00 savings bond. Sisterhood is selling keys to the chest for \$1.00 each. This fund raising campaign is for the purpose of erecting a new Temple. The chest will be on display at the Mid-Island Plaza Dec. 5 at which time the holders of the keys will be able to try their luck opening the lock.

THE WALLS OF JERICHO

by HERB SHAPIRO

Recent survey of young Birchwood matrons show two outstanding gripes: 1) Not enough time to get their work done, and 2) Outrageously large telephone bills.

Can there possibly be some connection? Town planning Committee reports at least 8 cases of street flooding due to poor drainage. Builder will be asked to deflood the streets or line them with canabans. Might be a selling point at that—only village in creation whose streets have built-in swimming pools.

More motel applications to be heard by OBAY. If this sort of thing continues we'll have 1100 homes and 1200 motels in this area. We are told that these motels will not bring-in a horde of transients—we believe it.

The whole world is discussing Sputnik. Caused a furor in Birchwood too—Actually disrupted a canasta game on Maytime Dr. for 10 minutes.

General Meeting of our Civic Assoc on Oct 22 at Robert Seaman School. Please do not throw spitballs at the speakers.

Leonard Schwartz suggests that all homeowners install filters in their downspouts immediately lest they become clogged by falling leaves and cause flooding. Wonderful advice. Now all we need are the

trees that would shed the leaves that would clog the downspouts. Know it all the time too—we're BRANKEE fans.

TOP SECRET REPORT - American Medical Assoc please copy. There are absolutely no cases of Asiatic Flu in this community—only gold-bricking husbands fighting a last ditch action to keep out of the garden patch.

One of our high spirited young people became frustrated because he could not keep up with the other kids in the production of broken windows in unoccupied homes. His father was most understanding. Went out and bought the dear boy a war surplus bomb sight. Doing much better now, thank you.

OPEN LETTER TO POSTMASTER, U.S.A.

Dear Sir: We need a Post Office. We have begged, coaxed, threatened-no dice. We would have stolen one if we could. London residents get 4 deliveries a day—in Tokyo. Parisiennes get their mail regularly. Can't we at least get our bills on time? We are at the mercy of the weather. How can we force our wives and children out into a storm to stand on line to collect mail? You are making a community of delinquent accounts out of us. You foisted on us a situation where a pair of leaky galoshes can change the destiny of a family.

Some day you will repent of your sins and strike off a postage stamp to commemorate our struggle for Postal integration. We offer you a proposition. All residents of Birchwood will buy enough stamps to paper their downspouts bathrooms—but please can't we have just one lil' ole Post Office?

Our Trees Are Coming

By LARRY GIBBS

Your Town Planning Committee is pleased to announce that there has been a wonderful response to its curb tree planting project. The trees will be planted by the end of this month—sooner if we have any frost period when the leaves fall and the trees become dormant.

Within the next week or ten days the Whitman Nursery will send representatives through the community and deliver stakes to the home owners who have ordered trees. These stakes are to be placed by the home owner in the curb strip at a point where the tree planting is desired.

The representatives of the nursery will have in their possession letters from our Civic Association identifying them as representatives of the Whitman Nursery. When the trees are planted, every home owner should secure a "paid" bill from the Whitman Nursery containing a one year guarantee.

Those home owners who have not yet placed their order for trees should, if they desire same, place their orders promptly, as all of the orders will be delivered to the nursery within the next few days and the scheduling of planting will thus be planned on a street-by-street basis.

Jericho's Fourth Estate In Action

By GLORIA BRUNSWICK

The Hollywood criteria of what an honest-to-goodness, red-blooded American Newspaper Office should be is universal knowledge by now.

A frenzied atmosphere with presses churning and typewriters rattling amidst haze of smoke; a staff of unshaven, flask-drinking, "hats-on-the-backs-of-their-heads" reporters, who, at specified intervals scream, "Boys!", "Rewrite!", or "Stop The Presses!", the inevitable sob sisters gloriously holding their own against trying odds in this cynical, masculine environment; the Managing Editor, replete with green eyeshade and soggy cigar; The Editor, hard and brittle on the surface, but kindly and understanding when the veneer is peeled off—all these images we've seen and loved from a thousand different balconies in alike amount of Loew's Bijous.

The Villager, while still a few inches short of "The Front Page", does its level best not to lessen the "American Newspaper Saga".

Every Monday evening we meet in someone's smoke-filled den. Regardless of the model, there's a den and we make sure the blue smoke curls around and around until a fairly nice vacuum is created. Pipes with smelly tobacco are welcomed and a mushy cigar stub is placed in every ash tray for effect.

Dress is slightly less than formal with old Army trousers and dirty T-shirts the standard ensemble for men, and well-crumpled, ink-stained pedal pushers for the sob sisters. (The latter to show that she, too, can wear the pants against trying odds!) We all keep a fresh pencil behind each ear on which we chew vigorously as the proceedings progress.

We usually rub in, rudely shoving each other to get the frenzied atmosphere under way and never speak in anything less than a roar. One major rule is never to let a guy finish what he is saying. Shrieks of well-clipped phrases like, "what's stupid" or "you're tart print that", or "we'll be sued you dope", tend to drown out the kindly Editor's harassed plea to, "let the man finish, won't you?"

Now, a serious confession must be made. True to our profession and Freedom of Selection, we do drink a lot. The Managing Editor (and he does sport a soggy stogie) has a new-fangled coffee contraption that produces 430 cups of java in one session. And since he's one of those who hates to drink alone we've all become lusher to join him in his insatiable thirst.

We would like to tell you more about the inner intrigues of the Villager, but because we have all

VILLAGE READER OPINION

To the Editor:

While the letter of Helen Etkin in the Oct. 3rd edition of The Villager is commendable for its fierce civic spirit and while I sympathize with and concur in her ultimate objective of a unified Jericho, I feel compelled to answer her letter on the basis of the facts as they are, not on the basis of the facts as either she or the Birchwood Civic Association would like them to be.

Mrs. Etkin laments the fact that our Civic Assoc. does so much for the residents of Birchwood. In her words, "they just take care of Birchwood". She gives as one example the fact that our Civic Assoc. made a "deal" with the Mid-Island Herald for the publication of The Villager, a Birchwood newspaper. She takes to task the Civic Association for engineering this "deal" for the sole benefit of Birchwood.

To the charge that our Civic Assoc. has "taken care of Birchwood", we plead guilty. In this connection we are doggedly and conscientiously carrying out the express mandate and purpose of our Constitution, to wit: "to exercise, promote and protect the privileges and interests that all that go on in known as the Village of Birchwood Park at Jericho". Certainly, we should not be so presumptuous as to intrude upon the province and prerogatives of the several other Civic Associations in Jericho. This is not to say, however, that the general welfare of Jericho has been or should be disregarded. The Birchwood Civic Association has always stood ready to work with the other Civic Associations for our mutual benefit.

In this connection, Mrs. Etkin is obviously unaware of the fact that, quite recently, we have taken the lead to solicit a working agreement with the Jericho Civic Association by two personal meetings, slashed our wrists and mixed blood, swearing that all that goes on in "Top Secret", we can divulge no more. However, paradoxical as it may seem, our meetings are open to all.

in one week with the President of that Association. We have also worked in close liaison with the White Birch Civic Association with fruitful results. The summer educational and recreational program for our children was a direct result of such close and joint cooperation.

Again, I commend Mrs. Etkin for her interest and for her beneficially provocative remarks. Let us, by all means, cooperate and coordinate our activities for the general welfare of all of Jericho, but let us not lose complete sight of the basic truth of organizational activity—that real accomplishments and pioneer activities are best effectuated by smaller groups and not where the groups are diffusely scattered over a large area and where the needs of some may be, but are not necessarily, the needs of all. To this extent, I believe Mrs. Etkin's statement that "what's good for one part of Jericho, is good for all" is too sweeping a generalization—and one which does not stand up under examination, because it overlooks patent realities.

The people in Birchwood also want to be known as residents of Jericho. We will continue to do everything we can to work with all other representative Civic Association and to gain maximum working strength from a cooperative endeavor. By all means, let us grow and constantly seek to expand our perspective and our horizons; but let us be realistic and practical too in our quest for the ideal.

Respectfully,
Jerome L. Abrams
President, Birchwood Civic Association at Jericho, Inc.

IRVING GODLES MICHAEL GREENE SAUL KELLNER RONALD HIRSCH

THIS WEEK'S QUESTION: "When the United States is ready to send a crew to the moon, would you be willing to go?"

ANSWERS:
IRVING GODLES, Age 15, 56 Merry Lane: "I would like to go for the benefit of mankind and to have the honor of being one of the first to go to the moon."

MICHAEL GREENE, age 15, 30 Bounty Lane: "If I had a family to support I don't think I would

want to go -- but if I'm single at that time I would volunteer."

SAUL KELLNER, age 15, 198 Birchwood Park Drive: "No -- I don't know what's up there. The moon may not have any life or atmosphere and besides I don't like being confined in a space suit. I prefer to stay on earth."

RONALD HIRSCH, age 14, 37 Mellow Lane: "Yes -- I would be interested to go to the moon. I'd like to be of service to my country and I'd be willing to take the risk for the sake of science."

CUB PACK 129 Jericho, started its Fall season with a days outing to West Point, under the capable supervision of Cubmaster Jerry Gold and parents of each den. The cubs enjoyed the long bus ride, and a movie about a typical day in the life of a West Point Cadet. After lunch in the PX, the Cubs saw the Corps of Cadets on Fall Dress Parade, toured the Post Museum, and bought souvenirs. They arrived home at Birchwood at 6 P.M.

The outing was arranged through the cooperation of the Pack's Outing Committee, Dr. Howard Greenspan and Ed Livingston, and the Transportation committee, Herb Friedman and Harry Godles. They are busy arranging for interesting monthly outings for the Pack for the entire 1957-58 season.

Any boys 8 to 11 years of age interested in joining the Pack may obtain applications at the next Pack meeting, Robert Seaman School.

Something New For Halloween

Something new in Jericho for Halloween! Instead of the usual trick or treat of Halloween, the children of Jericho will be given milk containers with orange labels identifying the collection as designated for UNICEF. The monies collected goes for medical care for children in underprivileged

and war-torn countries under the direction of the United Nations. This program in Jericho was begun as a project of the Sisterhood of the J. J. C. but because of its vital importance it has been adopted by P-T.A. of Jericho Schools. We urge each parent to encourage their child to participate.

AN EDITORIAL: The General Meeting on Oct 22

On Oct. 22nd the Birchwood Park at Jericho Civic Assoc. will hold its first general meeting since the installation of our present administration. Although several special meetings, dealing with particular and important matters, have been held during the past eight months, it is this upcoming meeting which will be of great interest and importance to all residents of our village. It will be at this time, through committee and other reports, that the present administration will give an informative accounting of the work performed as well its proposed plans and activities for the future.

A general membership meeting, in contrast to a special membership meeting, gives all members an opportunity to discuss and question policies and activities aside from gaining information regarding same.

One of the most important aspects of this upcoming meeting is the parliamentary privilege of which any member can avail himself, of putting up for discussion and vote, matters affecting our civic assoc. If any members feel that important problems need be brought up in this manner, they might do well to ascertain in advance of this meeting, that they will have at least one other member present who will second any motion they propose to make. It is furthermore recommended that such motions be prepared in writing in advance of this meeting, so that they can be presented in proper language to the floor. To do so, a written copy should be made available to the recording secretary for referral during discussion and if adopted to make it a permanent and accurate part of the record of these proceedings.

THE VILLAGER, as a service to the Civic Assoc. and the public, has now available copies of the constitution and by-laws of the Assoc. which can be made available to any member in good standing.

THE VILLAGER in a previous editorial has stressed the need for amendments to our constitution, asking that four general meetings be held per year. We will continue to ask for and work for the betterment of our Civic Assoc. by advocating changes in our constitution when we or our readers see the need for same.

We cannot urge strongly enough that each and every resident of our village attend this meeting, which may well have a vital effect on the prosperity, health and happiness of each and every family of our community.

CIVIC ASSOC COMMITTEE REPORTS

TOWN PLANNING

Ed Joyce reporting for Vince Rappa, Permanent Chairman that the committee is trying to get the Township to accept the two Park sites which the Builder has set aside. One is next to the new Jackson School and the other one to the East of Merry Lane between Jericho Turnpike and running down into our Village towards Hazelwood Drive.

The committee reports further that it is in the process of getting various grading and drainage problems corrected throughout our Village. Eight specific locations have been singled out and the residents are asked to contact the Town Planning Committee with any complaints pertaining to poor drainage conditions at street intersections and other locations. Some of these conditions have already been corrected as a result of this committee's action.

The committee is actively campaigning for the prompt installation of street lights in the Hollywood Section and we are advised that the matter of street dedication is moving swiftly now. Both the Township and the Long Island Lighting Co. are being contacted to facilitate this important program.

TAXATION & ZONING

Chairman Larry Gibbs reports, that his committee after having learned of plans for the erection of Garden Apts near Northern State Parkway on Hicksville Road, is actively opposing this. These proposed Apts, might tend to increase Jericho School Taxes as these proposed Apt. buildings will fall within the Jericho School District. Apt. Buildings as a rule send more children to school as will private dwellings whereas the school tax assessments always favor Apartment Buildings. Mr. Gibbs furthermore advises that his Committee, representing our Civic Association is opposing the granting of a license to a proposed Motel, to be built on Jericho Turnpike near the Westbury/Jericho Line. This is done not because of this one single Motel, but to avoid a later influx of such types of enterprises in our area.

It was furthermore reported that the Williamsburg Savings Bank had been contacted pertaining to refunds to be made to residents consisting of amounts of escrow moneys held back but not used up by the Bank for the Tax payments. All residents of our village who have taken title here before Oct. 31st, 1956 will shortly receive such refunds from the Williamsburg Savings Bank.

Welcome home from California, Mrs. Jerome Childs, sister of Mrs. Lawrence Lief.

MEMBERSHIP COMMITTEE

Julie Wilson, Chairman of this committee advises that his committee has set up plans to contact each and every family living in our Village within the next two weeks. In Pilot coverage of certain areas, a great number of new members were signed up recently putting the membership of our Civic Association well over 700. All Committee Chairmen, Officers and members of the Board of Directors of the Civic Association are undertaking this house to house visit and many residents are greatly appreciative of this opportunity to meet with representatives of the Civic Association. The Committee strives for a 100% membership of all Birchwood Park at Jericho residents and seems well on its way to establishment of its goal.

CHECKOUT PROGRAM

Herb Shapiro, Chairman of the Board of Directors of our Civic Assoc. reports of a meeting with the builder. At this time it was established that the Civic Association is dissatisfied with the lagging performance of the builder in as much as the checkout program of homes is behind schedule. As of Oct. 8th, 1957, 200 homes had been completed and 300 homes are approximately 6 weeks behind schedule. The Civic Association has taken steps to correct this condition and a comprehensive and most important report of this phase of its activities will be given to the residents at our General meeting to be held Oct. 22nd 8:30 PM at Robert Seeman School.

Schedule for house checkouts for the month of October.

Oct. 1-3 Block 18) 425-431, 433-438, 533.

Oct. 4-8 Block 20) 464-470, 481-488.

Oct. 9-11 Block 19) 471-475, 432, 477-480, 529, 532.

Oct. 14-16 Block 23) 502-507, 517-522.

Oct. 17-21 Block 24) 523-528, 508, 476.

Oct. 22-24 Block 118) 553-562, 534-536.

Oct. 25-28 Block 116) 563-578, Oct. 29-31 Block 115) 579-594.

HOMEOWNERS EDUCATION

Norman Jacobson, Chairman, advises that a meeting has been set tentatively to take place in about three weeks at Robert Seeman School at which time representatives from the Federal Boiler Co. and Citter Service Oil Co. will explain the heating system to one and all. The aim will be "DO IT YOURSELF". Watch the VILLAGER for further announcements.

ARBITRATION

The Arbitration Board of the Civic Association will begin hearings of Home Owners complaints on Saturday, Oct. 19 at 10:30 A.M. The Board will meet regularly thereafter at the offices of Sosnow and Schwartz.

This Board consists of technically qualified representatives of both the Civic Association and the Builder. It will hear and adjudicate cases where Builder and Homeowners are deadlocked on specific complaints after a home has been checked out.

It was foreseen, when the original checkout agreement was signed, that there would be instances where the Builder would sincerely feel that he was not responsible for certain repairs or changes demanded by the Homeowner. The Civic Assoc. felt that the Builder should not be the final authority in these instances, hence this Arbitration Board was set up.

If your home has been checked out, and you are not satisfied that the Builder has lived up to his obligations, follow the procedure outlined below:

1) Write, in duplicate, to Norman Jacobson, 75 Maytime Dr. setting forth all outstanding legitimate complaints.

2) A copy of your letter will be forwarded to the Builder who will re-examine the case and complete as many items as he can.

3) Remaining items will be referred back to the Assoc. where they will be docketed for early hearing. Complainants will be notified as to the date of the hearing, and asked to attend.

4) The Arbitration Board will attempt to find an equitable solution satisfactory to all concerned.

Handled in a responsible manner the procedure outlined should result in swift completion of all justifiable complaints.

ARCHITECTURAL CONTROL

The Architectural Control Committee of the Civic Association sent out a letter which it hoped would reach all residents of Birchwood Park. Unfortunately, some people were not included on the mailing list. The letter contained the following excerpt from the Covenants and Restrictions attached to the deeds of all homes:

"No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved."

The prime function of the committee is to offer help and advice. For further information, drop a note to the Architectural Control Committee, Birchwood Civic Association at Jericho, Jericho, N.Y.

Note: In contacting any committee of the Birchwood Park at Jericho Civic Assoc it will suffice to address your letter to THE VILLAGER, Jericho attention....

Form Chapters For Dystrophy

Under the leadership of Mrs. Stanley Cohen, coordinator of the Syosset, Bethpage, and Plainview areas of the National Foundation For Muscular Dystrophy, plans were formulated at a meeting at Mrs. Cohen's home in Syosset, recently, to establish National Foundation For Muscular Dystrophy chapters in these areas for the purpose of developing educational programs of recreation and rehabilitation for victims of the disease.

To implement this work in the Bethpage area, Mrs. Pearl Martin of 30 Burton Ave was appointed as chairman. Committee captains assisting her are: Mrs. Iris Parker, who will supervise the Barbizon Development area; Mrs. Angela La Marca, for Elmwood Park; and Mrs. Bernice Halpern, for the Minerva Hills area.

Chairman and captains are being appointed for the Plainview area, with Mrs. V. Mizrata and Mrs. Lillian Singer actively at work.

JANET LEIGH is a Soviet air ace as co-star with John Wayne in "Jet Pilot" at the Jova Theatre, Glen Cove, Friday thru Monday, October 18 to 21. The Big technical epic was years in the planning and filming.

CAR WASH

(continued from prec. page)
 they were unable at that time to conduct this fund raising drive. For this reason the Plainview Kiwanians obligated themselves and in fact paid to the Boy Scouts of America Jamboree Fund Committee the sum of \$750.

Now that autumn is here the Plainview Kiwanians have undertaken several projects for the purpose of raising the sum of \$750.

Through the good offices of several members of the Hicksville Kiwanis Club, the Parent Club of the Plainview Group, a CAR WASH DAY FOR the purpose of assisting in the raising of the necessary funds has been set for Thursday, Oct. 24, in Andy Ferrara's Sunoco Service Station, at Broadway and Jerusalem Ave. in Hicksville. Plainview Kiwanians will be on hand to wash all cars that day with all proceeds going to the Kiwanis fund. Chairman Joe Bayer of the Long Island National Bank and Co-chairman Jim Hershaff of Hershaff Office Supply say, "Keep the dirty cars rolling in and we'll keep the clean cars rolling out."

The Rosary Altar Society of St. Ignatius Loyola R.C. Church, Hicksville, will hold their regular monthly meeting Friday, Oct. 18 in the cafeteria of the school.

Scouts Survey Their Trees

By Ernest Ballenger

HICKSVILLE - Forty-eight scouts of Troop 293 spent the weekend of Sept. 20 to 22 at their L. I. campsite, where they conducted a survey of the young trees they had previously planted in the area.

Scoutmaster Walt Sawakosky, and Assistant Scoutmasters Jack LaSalle and Clare Gety supervised the scouts in their windup of "Conservation Good Turn". This was the fourth weekend the troop has put in on their project. The area was prepared for planting in May of 1956 by the scouts, and in September of that year 1000 seedlings were planted, with an additional 500 planted in April of this year.

The survey conducted by the scouts revealed that from 60 to 75% of the seedlings are alive and growing.

After the survey, the balance of the weekend was spent by the boys in passing outdoors requirements, building Bird Feeding Stations, and just general fun. The weekend was climaxed by the scouts with a mile hike back to Hicksville.

Troop 293 is sponsored by the Hicksville Methodist church.

died of a brain tumor Thursday Oct 10 in his home at 127 South Penatquit Av here. He was 40.

As Assistant to the Director of Public Relations at Grumman Aircraft since 1942, "Peanuts" became ill in June of this year. At Mayo Clinic for treatment for several weeks, he was returned to his home where he was under the care of local physicians.

The Sportlight

By HOWARD FINNEGAN

Port Washington High, which soared to the top of the NSAA gridiron conference on the flight of an 18-yard field goal in the final minute against Mineola last week, is the uncontested favorite to hand Hicksville its third league loss this coming Saturday.

An outbreak of colds and flu forced the Orange and Black to postpone its game with Great Neck last week. That contest has been put on the docket for Election Day.

The game with Port is away.

This will be the first regular scheduled game between the two schools since the mid-forties when Port called an abrupt and rude halt to the long standing series following 13-6, 40-0, 33-0 Hicksville victories.

The lament was that Hicksville was just too rough and tough for Port boys to consort with. Brushed aside that in the three year period previous when Hicksville was losing 18 straight games the big Blue put the polish to the Comets 43-0, 26-0 and 46-0.

But it was the same attitude with Oyster Bay. Every year for 20 years Port opened against the Baymen and never lost. Under Dick Crawley the Baymen won the 1948 opener 20-0 and Port suddenly found it could no longer fit "Oyster Bay in the schedule."

In '48 Port was forced to defend two straight North Shore Championships and only the lust for a third allowed a condescending agreement to meet challenger Hicksville. The Comets won the title 6-0.

Even the present makeup of the NSAA was held up while Port soul searched and finally consented to engage Hicksville on a league basis.

We sure wish the Comets could make them regret their decision this Saturday but that appears too much to ask!

In a surprisingly rugged contest for the age group, the Hicksville Junior High made a first quarter Touchdown by Edward Caesar stand up for a heralded 7-0 victory over Bethpage.

It was a spitted and smoothly operated 83-yard ground move for coach Myer's crew that produced the score. The younger Comets then had to turn back the determined visitors three times inside their own ten yard line in the second half to hold on to the win.

Coach Myer, who came to Hicksville from Farmingdale this season, has been operating under the handicap of double seasons at the Junior High. He has to coach half his club in the morning and the other in the afternoon.

At game time he merges both together and it comes off a right smart looking group. In their first outing the Comets rallied for two touchdowns in the last minutes to beat Farmingdale 19-13.

Members of the team are Joseph Bobalik, Anthony Brocato, Bernard Bruce, Robert Cerone, Henry Cienki, Robert Clements, Robert De Mattio, Frank Gemon, Gerard Gilson, Peter Gregoritsch, Joseph Grimm, Thomas Helmrich, Kenneth Henkel, Bradford Isowald and Dennis Joannides.

Also David Joosten, Jerry Judge, Joseph La Placa, Peter Lambert, Charles Lorenzo, Vincent Luna, Daniel Mastronardi, Alec McAuley, Robert McCotter, Robert Moone, Dennis Maso, Larry Obracank, George Olafsen, John Patwell, Stanley Pokard, Henry Potter, Richard Romaneck and Gary Sanosian.

Also Raymond Sonntag, Michael Sommer, Dennis Stillman, Frank Tringer, Brian Torres, John Turi, Thomas Valentino, Robert Wilson, Thomas Woodruff, Luke Zabbla and Robert Aarzynski.

That is quite an outpouring for the team and from the looks of things the boys are going to make a banner showing this year to trademark their future work for the Orange and Black.

After all the angling the announcement that the Brooklyn Dodgers were leaving for Los Angeles received a so what shrug around these parts.

But for one graduate of the Hicksville school system it was very important.

In his fourth year with the Brooklyn chain Pat Enos, former HHS diamond star, merited a contract with the now eliminated LA Pacific Coast League team and just where he goes now is a question that will be decided this spring.

Pat was sent to Fort Worth to Pueblo this past year with a good year in the field and a batting mark near .300 earned a shot at the third base slot in Wrigley Field.

Enos has moved up fast in the far flung Brooklyn minor league empire but as one gets nearer the top the pyramid gets narrower for advancement.

He is now playing winter league ball in Mexico. It may be that he will be in Fort Worth in '58 and possibly Montreal in '59.

However, those who saw Enos carrying the Hicksville hopes for becoming the first major leaguer from the school are little disconcerted that when it happens it will be 3,000 miles away.

But then there is always the swing into Philly.

Basketball was reportedly the family game but young Chester Jaworski is already making a name for himself with the Junior High Soccer club.

In no uncertain terms he booted home two goals as the Blue and White shutout Heracles 3-0. Kenny Ben added him with a nice pass on the first one but he got the second shot home unassisted. James Comnelly tapped in the other goal.

The Hicksville High Soccer team still stands stubborn and winless but it has a strong will and three opponents have been glad to settle for ties with the Orange and Black.

Wheatley is the latest to call a draw satisfactory. Hicksville scored a goal in the first period when Walt Lehman passed to Chris Ellis.

The shot bounced off the post into the nets and it wasn't until two minutes were left in the game that the visitors were able to knot it.

Two days previous the Osh held Manhasset to a scoreless deadlock despite the fact that Goalie Roger Beaudry was struck in the ribs and had to retire in the second market.

The HHS tennis team blanked Bethpage 5-0 to duplicate an earlier season win and added Glen Cove to its list 3-2.

Against the Cove it was a 7-5, 6-3 win for Phil Lomans and 6-1, verdict for Alex Althausen that provided the foundation for the Comets' win.

A 6-2, 6-1 doubles win for Mike Sherin and Phil Ferro cemented the decision.

Confraternity Grew in 17 Years

The first monthly meeting of the season, of the Plus X Society of St. Ignatius Confraternity was held Monday, Oct. 7. Despite the inclement weather, a good turn out of both old and new members, was made.

Rev. Lawrence Ballweg, Moderator, led the opening prayer, followed by the reading of the Secretary and Treasurer's reports.

As his introductory talk of the year, Father Ballweg reminisced over the 17 years since his arrival in Hicksville. He stated that the Confraternity then numbered 117 pupils compared with the present total of 2800 registered in grades 1 to 8, in spite of the parish being divided five times in the past seven years. In addition to the Sisters, Father Ballweg is assisted by 70 lay teachers. Those present

were introduced. He thanked them and asked them to continue their good work. He expressed the wish for even greater numbers to participate in this very important work.

Respective committees gave their reports.

It was announced that on Thursday, Nov. 7, a toy demonstration will be held in the school cafeteria at 8 PM open to members and friends.

Religious Christmas cards will be on sale at the November and December meetings. The Cake Sale will be held Sunday Nov. 24. Books on the basket of cheer were distributed at this meeting, and are returnable at the Confraternity Building anytime.

At the next meeting, Monday, Nov. 4, Rev. Minogue of St. Joseph's College in Brooklyn and St. Bernard's R. C. Church, Levittown, will speak on Baptism.

A film on the life of Plus X, and the work of the Confraternity was shown at the conclusion of the business meeting along with some pictures of the CYO activities, taken by Father Ballweg.

Refreshments were served by the Executive Committee in the cafeteria.
