Junior High on Full Time

HICKSVILLE -- The Junior High School on Jerusalem Ave will go on full sessions next Monday morning, Oct 28, it was disclosed today by Dr Wallace E Lamb, superintendent of schools. The new addition to the former community high school has been in use since the start of the term on double sessions. A major portion of the original building, which is being completely renovated, will be available as of next Monday to permit single sessions. The original high school was dedicated in May, 1925. Construction was started Dec 17, 1923 and the building was accepted on May 5, 1925. The late George A. Duke was president of the Board of Education. Other members of the Board were Frank Chlumsky, William Duffy, Dr Elwood A. Curtis, and Joseph J. Ulmer.

Approve Bethpage High School

BETHPAGE - In the voting here on Saturday, on the two propositions (1) to build a new 46 room, \$4,685,580 High School and (2) the inclusion in the building of a \$189,657 swimming pool, the first proposition received 1,529 yes votes and 501 no votes. The second received 1,278 yes votes and 731 no votes. However since both propositions needed a 2/3 vote to approve issuance of the bonds, the new high school was approved, but not the proposed swimming pool.

Garbage Service Cost Drops

OYSTER BAY - Municipal garbage collection is continuing to be a highly successful operation for thousands of the Town homeowners, the Oyster Bay Town Board said today following receipt of an operational report from Sanitation Superintendent Louis Kappstatter of Hicksville, which showed a 13.3 per cent reduction in collection costs for many areas now being served by municipal collection.

The cost cuts which average 13.3 per cent and range as high as 18 per cent become effective Jan. 1. Areas in which the new reductions will take place include Old Bethpage, Woodbury, Southridge, Hicksville, Syosset and South Farmingdale.

Kappstatter said he was confident that continued savings to the homeowners will be effected as municipal operation is broadened and extended throughout the other areas of the Township.

Meadow Brook Bank In New Building Nov 11

HICKSVILLE--The Meadow Brook National Bank will open for banking business in its new three-story building at Newbridge and Jerusalem Aves. on Tuesday, Nov. 12, it was disclosed today. The Bank, which operates 29 banking offices in Nassau County, will move from its existing office on Broadway at the RR crossing where it has been located for almost a half century.

A gala open house, to which all of the community is invited, will be held at the new office on Monday, Veterans Day, Nov. 11. Door prizes will be awarded, and guests will be served coffee and donuts, and cider and cookies. In addition, a special display of famous antique coin banks made available through the Grolier Society, publishers of The Book of Knowledge, will be on view.

The new, three-story building will house the banking facilities on the first floor and in the basement. The second and third stories are planned for office rental space, some of which has been leased. The building is fully air-conditioned, with an exterior of glass, aluminum and brick, and with

automatic electronic doom at the main entrance.

MOSAIC MAP

A unique feature of the exterior decoration is a mosaic map of Long Island, extending for more than 30 feet along the east wall of the building, facing Jerusalem Ave. The map will incorporate gold stars, showing the locations of the Meadow Brook offices throughout Nassau County.

The staff of the Hicksville office of Meadow Brook headed by Charles E. Colthunt, vice president and manager, will also be able to offer expanded services through the addition of two auto teller windows, larger safe deposit facilities, and extensive parking space for bank customers.

As Election Day Nears DEMOCRATS CONCENTRATE ON NEWEST RESIDENTS

With less than two weeks to Election Day, Nov 5, the contest for eleven township positions appears to be attracting only passing interest compared with the excitement of the Presidential campaign of last year. The Republican candidates pointed out today that the disorganized Democratic campaign has "failed to raise a single substantial issue". Meetings before civic groups featuring opposing candidates attracted only small audiences.

The absence of campaign effort is particularly noticeable on the part of Democrats in Hicksville, Farmingdale, Oyster Bay and other major population centers. The opposition appeared to be struggling for a following on the newest home developments of Plainview, Syosset, Bethpage and Massapequa.

The Republicans, for their part, are going forward with a full scale effort including talks to commuters at the RR stations, visits to homes, and accepting all invitations to share speaking platforms with their opponents on a "forum basis".

Political observers feel the bulk of the election effort will fall upon the shoulders of district committeemen and workers who will have to overcome the "off year" attitude of voters.

Democrat candidates have been speaking on a wide variety of topics, few of them related to the offices to which they aspire. The candidate for Assembly talks township problems, and candidates for Town Board raise state issues.

Michael J. Sullivan, chairman of the GOP campaign committee in the Township, said last night "It is apparent the opposition has found no grounds for campaigning and as a result are floundering around with the most unbelievable wild-eyed allegations and phoney charges."

"I am confident that the people of our Township recognize and want to continue Republican good government of the kind that John Burns as supervisor and all the other experienced and able candidates can and will provide."

There are more than 100,000 voters registered for Election Day, Nov. 5, when the polls will be open from 6 AM to 7 PM.

2 Navy Destroyers to Visit Oyster Bay This Weekend

OYSTER BAY - This Sunday, Oct. 27, marks the beginning of the Theodore Roosevelt Centennial Year celebration with appropriate ceremonies conducted at the grave of the late President at Oyster Bay by the Fleet Reserve Assoc., assisted by the Third Naval District Band. Sunday is the birthday of President Theodore Roosevelt. The ceremonies will begin at 11:30 AM. In the early afternoon the Association will visit Sagamore Hill, home of the President, when the Navy Band will give a short patriotic concert on the lawn.

The Joint Legislative Committee for the Theodore Roosevelt Centennial of which John J. Burns of Sea Cliff is vice chairman announced that the U. S. Navy Dept. has assigned two destroyers, the U. S. S. Hailey and the U. S. S. Rooks, to the area and to anchor in the Harbor. The ships will arrive Saturday afternoon to assist in the proper observance of the day.

WELCOME VISITORS

The officers and crew of the two Naval vessels will visit Sagamore Hill on Sunday and will also provide small boat transportation to the anchored ships for guided tours for a limited number of interested civilians, between 1 PM and 3 PM. Visitors will embark from Roosevelt Park Dock here. All persons interested may register for the trip to the destroyers by being at the Roosevelt Park at the appointed time, Mr. Burns said.

This year marks the 30th year that the Fleet Reserve Assoc., an "international group, many of whose members served upon ships on which President Theodore Roosevelt took passage, has made a pilgrimage to Oyster Bay. The program will include participation by several of its distinguished members and an address by Commander Alfred E. Diore, USN, representing the Commandant, Third Naval District, New York.

THEODORE ROOSEVELT

His birthday this Sunday, Oct. 27, starts a year-long Centennial Celebration across the nation. The Oyster Bay Republican Club is staging a huge dinner tonight (Thurs.) at Garden City Hotel to start the program honoring Oyster Bay's most famous citizen.

Hicksville Elephant Is Veteran Campaigner

The Hicksville Republican Club's elephant has become a stalwart campaigner with nearly ten yrs. under the royal blue saddle. Angela was born in 1948, the creative, artistic work of John Jeanson of North Broadway, Hicksville. She made her debut in the Hicksville Tercentennial Parade of that year. The small picture at the right shows Angela, proudly rolling down Broadway to help celebrate Hicksville's 300th Birthday.

The desperate need for mental clinics in Nassau County was brought to the attention of the members by Mrs. P. Sagonas, Health Chairman, who also cleared up a little of the mystery surrounding Asian Flu and Asian Flu protection.

Mrs. R. Nakerville, President, reminded all the parents they are invited to watch Woodland's Halloween Parade -- one of the high spots of the school year as far as the boys and girls are concerned.

Invite Women To Join Sisterhood

An opportunity is being offered by the Sisterhood of Congregation Shaarei Zedek, Hicksville, for women to become acquainted with its many benefits and varied activities by means of a trial membership of 1 year, ending Aug. 31, 1958.

Formerly restricted to members of the Synagogue, the Sisterhood has started its expansion program by opening its ranks to non-members. This year has seen the instituting of new committees, the testing of new ideas and a renewed zest in all phases of Sisterhood work. It is believed that a trial membership in the Sisterhood would result in a family membership in the Synagogue. Interested persons are invited to call Mrs. Harold Braun, We 1-1115 for further information.

Dear Jeann:

Do you leave your keys in your car when you go shopping, Jeann? A friend of ours did so on Saturday outside of a super-market at the Mid Island Shopping Plaza and when she got back she had no car. Apparently someone had to get someplace in a hurry and used the first car with keys in it. The car was found, none the worse for wear, by the police later that evening. However, our girl friend was stopped by an off duty policeman the next day and had to prove that she wasn't driving a stolen car. Serves her right for leaving her keys in the car. Take heed friends. ... PAUL DRAKE and his orchestra, one of the best known groups of "playin' for dancin'" artists in these parts, played for dancing at the St. John's University Mission Queen Ball at the Garden City Hotel on Friday evening. Several of the fellows from Hicksville who attend St. John's and their gals could be seen dancing to the music. ...

Dr. ARTHUR O. SWICK was the guest of CHARLES HARVELS at the Hicksville Rotary last week. The Rotarians are going to issue 1000 tickets at five bucks each on their car raffle. Each member will get 25. ...

Was speaking to Mrs. JOHN MCGANN of Jerusalem Ave., Hicksville, this week, and she tells me that daughter, JOAN, writes from Rice Lake, Wisconsin, that she is well and is really happy in the work she has chosen. Miss McGann, a graduate of St. Ignatius and Our Lady of Mercy Academy in Syosset, has entered the Order of the Sisters of St. Francis. Our deepest sympathy goes to the McGanns on the recent death of a brother, ABBOT ROBERT MCGANN, who died in Paris, France, on his way to a general meeting of Abbots at Cîteaux Monastery in east-central France, the motherhouse of the Trappist monastic order. Abbot McGann, also brother of former resident, Mrs. LAWRENCE EISENHAUER, now of Huntington, was 71 years of age and head of the Trappist Monastery of Our Lady of the Holy Ghost, Convent, Georgia, for the nine years. ...

Sorry to hear that Mrs. LARRY ROMAN and family of Notre Dame Ave., Hicksville, had a death in the family this week. A cousin in New Hyde Park, we understand. Are you saving your articles for the Rummage Sale being sponsored by the Hicksville-Glen Cove Mercy League at the Mid Island Shopping Plaza on Nov. 4, 5 and 6? Mrs. HAROLD SMITH of Brookville, chairlady of the sale, will gladly pick up your offerings if you will call her at Walnut 1-3639. ... "The noisiest, most colorful, beautiful flop I ever saw" is the opinion of MURIEL O'DONNELL of Dartmouth Dr., Hicksville, who attended MIKE TODD's party for a few friends, last Thursday night at Madison Sq. Garden. She attended the affair with her husband, BILL. After all the publicity concerning the toss of food to be distributed including such delicacies as chocolate covered ants, urchin eggs, and the like, all Muriel ended up with was an apple, a piece of shrimp, and a piece of candy that was taken out of her hand before she could eat it. Legionnaires' Log

CHARLES WAGNER, Post #421, Hicksville, N.Y.
by Artie Ruzic

"Get that pride of belonging" is the 1958 slogan of The American Legion Membership Drive---Have you paid your 1958 dues yet?---Remember the Post is trying to exceed its 1958 membership quota by Veterans' Day, November 11, and you can do your share in this project by paying now---If you cannot make the next meeting which is on November 5th, please mail your check to the Post---Get in back of Commander Smith in this effort to attain our membership quota at one of the earliest dates in our history---Add further fuel to our membership rocket---by getting at least one new member and by the way new members have been pouring into our ranks the past month it seems that all of Hicksville's veterans are now aware that Hicksville's American Legion, The Charles Wagner Post #421, is the organization that they can have that "pride of belonging to"---In fact I have run out of applications several times (I usually carry them with me) as many times in the past month I have been stopped on the street by a veteran who somehow knew I was connected with the American Legion and was asked where and when was an application available for membership---My answer was "there and then, as being an ol' Boy Scout, I was prepared"---

Starting Monday, Oct. 28, you are invited to take a gander at our American Legion display in one of Gertz' shop windows at the Mid Island Plaza---Don't forget that this Saturday afternoon, Oct. 26th, starting at 1 P.M. until 4 P.M. the Legion is celebrating the closing of UNITED STATES WEEK with a 10th District rally at Hicksville High School---Bring the family to this event and help honor this very vital week in the history of the making of our great nation---

Despite the terrific rainfall last Friday night the club house was more than well filled with members who came to relax and enjoy good company---However, two of the earliest arrivals, Bob Mangels

and Ed Becker, both past commanders, put a good deal of their time to binding minutes of the meetings of many years in the past into book form---And they could be heard chuckling over some of the goings on as reported in those minutes but before the evening wore on too well they were engaged in a shuffleboard duel with Gunner Barnett and Johnny Hodgkinson (our ace cartoonist)---Once again you are reminded that if you have any old but wearable clothes to bring them to the Legion so that we may take them out to the veteran patients at Kings Park on October 27th---And you know that on November 9th we have a dance going on with the music supplied by Tony Bell's Tinkling Trio---Once again a reminder that if you haven't as yet, to pay your 1958 dues now so that we can make the honor roll of paid up Posts.

Hicksville Elephant Is Veteran Campaigner

(continued from page one)

elephant rolled on four small wheels, close to the ground. Traction was provided by a small tractor. A close inspection of the picture shows two men seated on the carriage which carried Angela. They are "Pappy" Jeanson and Clifford Place who subsequently became president of the famous Marching Elephant's Society.

Angela was involved in the only accident which occurred during the 8-day Tencentennial celebration and it wasn't even her fault. After the parade, she was being towed back to her barn along Duffy Ave. when a happy participant of the gala festivities climbed on her back, unbeknownst to the tractor operator. The hitch-hiker was so happy he fell off and the rubber-tired, lightweight carriage rolled over him.

Because of Angela's extreme light weight for her size (her original structure is wood and chicken wire, covered with good Griffin and Rumore burlap bagging and padding), the elephant hitcher suffered only slight injuries.

Each year during the month of October, Angela comes out of her year-round domicile and hits the campaign trail for the cause of Republican good government. Last year she made a new appearance

in behalf of Ike and Dick. A former bus chassis was acquired (see top picture) and now provides a complete speaker's platform and total mechanization.

The unit is unique and in great demand during this campaign period. Angela got up at six in the morning these days to accompany John Burns and the other candidates in their meetings with commuters. Last week she was over in Massapequa and Tuesday of this week at Bethpage depot. Before the campaign is ended, she will have traveled hundreds of miles.

John Jeanson is proud of the way his brain child has weathered and worn. A new coat of paint and a liberal application of some of those new hair-do products they advertise on TV these days, and she's as good as new. Last fall she suffered a peculiar ailment, the result of her 12-foot ground-to-trunk tip height. It was "collapse of the trumpet," resulting from squeezing to get into the storage barn. However, Dr. Sidney Peiley and other members of the Republican Club experienced in the care and feeding of pachyderms, with the aid of some heavy wire got her back in tip-top shape.

Watch for Angela when she rolls thru your neighborhood. You'll swear she walks with that left eye. What she has to say makes good sense too.

CHARLES J. McWEENEY of 20 Fordham Ave., Hicksville, is the Democratic candidate for Highway Superintendent. He was born in Poughkeepsie in 1924, is married and has one child. He received his bachelor's degree in business administration from Pace College in New York City. During World War II he spent two years and 10 months in the US Army Combat Engineers serving in the ETO. Subsequently he was employed as accountant and service manager for Monogram International Corp. For the past seven years he has been controller for the Council for International Progress in Management under contract with agencies of the US government's technical assistance program.

HERALD READER OPINION

ARE YOU A KILLER ?

To The Editor:

It is a shocking thing to realize that perhaps you are a killer. Your reaction, of course, will be that surely you are not. But, let's read further and see the kind of killer you may well be---thoughtlessly, perhaps---but nevertheless a guilty party.

Do you shop in the local stores of your own village? Are you guilty of killing your local merchants? They buy in the current market to present you with the latest merchandise. They hire adequate and sufficient help to serve your courtesy and efficiently. They support all of your civic enterprises. They give endlessly and willingly to all your demands for price and subscriptions to your numerous fund-raising activities, etc.

Let's be fair. Let's keep in mind that too many small businesses are being killed off by you and you and you. The small businessman in your community needs you and if you don't realize it soon, you will awaken to the fact too late, that you really needed him too.

Do you want to live in a ghost town? Empty stores after empty stores? No one but you can stop this fast spreading epidemic. Why not

start today to buy everything in your own village? Don't be a large department store and supermarket victim, give the little man his chance to live and survive too. The fact is these little men were here to serve you 10, 20 and even 30 years ago and if they hadn't done a good job during those many years, they would have petered out long ago. But now you are the guilty party---you are killing them off.

Wrong Alarm For Firemen

HICKSVILLE - Two grass fires, an auto fire, a wrong alarm, and two ambulance calls kept the Fire Dept. busy during the period of Oct. 15 through Oct. 22.

The first grass fire was at Midland Ave. on Oct. 15, and the next was the following day on Cherry La. and Fox Pl. On Oct. 18, the vamps put out a fire in an auto owned by James Livingston of Westbury, at Jerusalem and W. Nicholas St.

The wrong alarm came on Oct. 22 from Box 246 at Jerusalem Ave. and Dante Ave. The blaze was just over the district line on Coachman La., Levittown, and since the Levittown Fire Dept. did not need an alarm, the Hicksville vamps returned to the fire hq.

On Oct. 16, the 11-year-old child of Mr. and Mrs. Robert De Jong of 99 E. Marie St. was taken by ambulance to the Meadowbrook Hospital, East Meadow; and on Oct. 20, Steve Wilson of 44 Dante Ave. was rushed by ambulance to Mid-Island Hospital, Bethpage.

CARDS OF THANKS

We wish to thank all our kind friends and neighbors, for their many kind expressions of sympathy and condolence during our recent bereavement. We especially thank Mgr. Bittermann, Rev. Fr. Mrs. James H. McNamee and Family

May we take this opportunity of thanking our many friends and neighbors and members of the various organizations to which I belong, also the Rev. David S. Duncombe for the kindness and sympathy extended to me in the passing of my sister and her husband in Clearwater, Florida. I am very helpful to every one for it helped us along a difficult road and gave us consolation in our great sorrow. May Our Father's blessing be upon you always.

Over 200 parents attended the meeting of the Old Country Road P. T. A. of Hicksville on Oct. 16, at 8:15 P. M.

Mrs. Martin Polzenski opened the meeting with a prayer. Miss Mabel Harris, teacher, led the Pledge of Allegiance.

Mrs. Sam Christiano was nominated and unanimously elected to the position of Recording Secretary.

Mrs. A. W. Schall, speaking for the Legislation Committee, urged everyone to get out and vote on Election Day.

The parents very much enjoyed Dr. Alan Fromme's talk which urged parents to relax more with their young children, not to expect miracles from them as "children are and always will be children" and above all to be happy in family life as youngsters thrive on love and happiness.

Delicious refreshments were prepared and served by the Sixth Grade mothers at the close of the meeting.

Sees Big City Grab for Town

The Democrats, following the lead of their Tammany Big City bosses, have made Proposition No. 1 on the Election Day ballot, a political issue, Edwin J. Fehrenbach of Bethpage, Republican candidate for state assemblyman, told an audience at Massapequa, Wednesday night, the Republicans have not made it a party issue but call sharp attention to:

1. The adequacy of the more careful legislative procedures for Constitutional amendment.
2. The danger of losing basic rights in the confusion, political maneuvers and package deals that are typical of the Convention procedure.
3. The waste of five million dollars of the taxpayers' money for an unnecessary Convention.
4. The cunning, rapacious intent behind the Democrat drive for a convention.

BIG CITY CONTROL

"This time Tammany would use a Constitutional Convention to get control of the state legislature. Such control can bring annexation of Nassau to New York City and we who fled to Oyster Bay Township will be repatriated to live again under Big City Remote Control with Big City taxes, Big City crime and Big City corruption," Fehrenbach stated. "Alert your neighbors for an overwhelming 'No' to proposition No. 1 on the ballot on Election Day."

Proposition No. 1, "Shall there be a convention to revise the Con-

TWO MEMBERS OF BUILDING TRADE, (from left) Walter Marston and Ralph Osborne, give their views to State Assembly candidate for Supervisor of the Town of Oyster Bay, regarding the proposal by a Democrat to declare a moratorium on small home construction in the township as a means of curbing school taxes. The proposal has been branded as illegal. Fehrenbach and Burns visited construction projects in Bethpage and the Mid-Island area. (Jim Healy photo)

stitution and amend the same?" is the first question at the top of the voting machine, reading from the left. Fehrenbach urged a "No" vote on this.

Right next to Proposition No. 1 is Amendment No. 1 which provides authorization of a bond issue for expansion of the State University. A vote of "Yes" on amendment No. 1 for higher education is urged.

"Those who favor a constitu-

tional convention endeavor to paint it as a rare opportunity for the people to make important changes in the State's fundamental law," he continued. "If past experience is repeated on Nov. 5, the voters in the state who don't care whether there is a constitutional convention sufficiently to pull a lever on a voting machine will exceed either the number who vote for a convention or against it. In 1936 when 5,690,093 voters went to the polls, 3,086,214 skipped the question."

MAKE A LOCAL COMMERCIAL BANK YOUR FAMILY BANK

A STRIKE FOR SPRIGGS

Sam and Sally and their bowling club are playing on brand new alleys tonight... no telling what the score will be...

Recently Mr. Smith, the owner of the alleys, got a business loan from his local commercial bank, and did a first class job of modernization.

Now the alleys are doing a bigger business than ever before, and the Spriggs and their neighbors have a fine new place for recreation.

The new bowling alleys are typical of what is happening every day.

Service industries (like the bowling alley) borrow to add new equipment, give better service...

Manufacturers borrow from local commercial banks to add machinery, increase production, make more jobs, better jobs...

Merchants borrow to take advantage of buying opportunities, to offer more goods at lower prices to Mr. and Mrs. Consumer.

FACT

(about Business Loans)

Bank records show that as of December 31, 1956 the commercial banks of Nassau County had outstanding on their books business loans totaling \$240,205,000.00

Not Satellite

The blue object that you will be seeing in the sky on Oct. 25 near 3 Ave. and 3rd St., Mineola, isn't Russia's satellite, it's the Encore Theater's moon. In order to see it go into the American Legion Hall, across from the Mineola Railroad Station and see not only the moon, but the locally famous Encore Theater Players adding their special touch to F. Hugh Herbert's Broadway hit, "The Moon is Blue". All the proceeds will go to the Teen Players, a group of teenage thespians. The Encore Theater makes many donations to community charities annually. If you'd like to join the group, obtain information by calling: Wells 8-9398.

Pynchon Cites His Engineering Background

Fast-growing Oyster Bay Township with its network of more than 630 miles of streets and roads which require maintenance and long-range development needs as a Superintendent of Highways a person with substantial background

of engineering and practical experience, it was pointed out by Thomas R. Pynchon, Republican candidate for re-election, when he spoke Monday before the East Norwich Assoc.

"My opponent for this important position has admitted in a prepared statement read before an organization recently that he knows absolutely nothing about town roads or what is required to improve and maintain the roads and streets of our town. Our population increase of 263.9 per cent since 1950 has brought with it a tremendous increase in traffic movement. To place the management of the Highway Department in the hands of a person who confesses his inexperience and lack of training in this field would be a disservice to the home owners and residents of our town."

Pynchon has a background of more than a quarter century of highway supervision and maintenance as well as general engineering experience. Before he became Oyster Bay Town Highway superintendent, he was in charge of construction and general engineering with the Nassau County Dept. of Public Works for the Towns of Oyster Bay and Hempstead.

OUR TOWNSHIP of Oyster Bay, extending from the Atlantic Ocean on the south to Long Island Sound on the north, has grown greatly in population in the past few years. And just like a growing family, we've had our share of problems. We've solved many of them and we are making real progress on the others. More population has meant more autos... and we're building miles of new highways as well as additional parking fields for shoppers and commuters. All Town Hall services have expanded and multiplied...

ALL IN ALL, it's a pretty nice place in which to live, our Town of Oyster Bay. The people who are doing what is necessary to make suburban living and recreation more convenient and pleasant have proven their ability.

THIS IS AN IMPORTANT ELECTION for you because you elect your own town government. The Republican candidates are all known to you as people of ability. As Election Day nears, irresponsible, unproven and unfounded campaign statements are dreamed up by the opposition for the sole purpose of deceiving the voters. Airy promises by the Tiger with the slick smile cannot measure up against solid ACHIEVEMENT by your REPUBLICAN TOWN OFFICIALS.

Hicksville High will be at Glen Cove City Stadium this Saturday afternoon at 2:00 p.m. with a bold bid to get back in the NSAA football Conference race following its startling 14-13 upset of league leader Port Washington last week.

Coach Howard Bowers and his assistants, Edward Petro and Amadeo Tomaini, had good reason to savor that win over Port after three straight defeats but had to quickly turn their attention to the serious threat that the Covers present to a Hicksville comeback.

A Comet victory in this well-balanced Triple A league would give Hicksville a chance for the championship. It plays Mineola, Great Neck and Westbury home to wind up the season.

Hicksville fans could have done a jig on the Port crossbar following the victory. It's now been 17 years since the Blue has done the Orange in. The schools have only met twice in the last decade and both times embittered defeats have been dealt Port.

Young Billy Schrimpe is to be greatly admired for that late fourth quarter punt he got off against Port. We do not wish to highlight the four bad passes from center that can be reasonably accounted to the four stitches in the index finger of the snapping hand of center Bill Fink, but we must record that three times Bill had to eat the ball hard when the fourth down kicks had to be abandoned. We do not know what the young man thought when the fourth came bouncing back to him. Changing in where those four Port boys loaded for bear but Schrimpe somehow sent the punt off before going down under an avalanche of blue shirts.

Bill Fink and Mickey Anglim were understandably upset by the misfires from center but they both played so resolutely otherwise that the warm embrace of victory should put their cares aside.

Ted Greves picked up 86 yards in 17 attempts against Port and Dick Zarczynski, converted from guard two weeks ago, hauled in 18 in 16 tries. Stillman rattled off 91 in 2 in his short offensive duty and Bill Wright carried 6 times for 30 yards.

In all Hickville gained 232 yards on the ground.

Hicksville J. V. lost to Port 18-6 with Thomas Westfield scoring the TD for Chet Jaworski's club.

The Jay Vee has been plagued by illness but is expected to get stronger as the remainder of the season progresses.

Competing in this groundwork for next season's Comet Varsity are Isaac Barrocas, John Beckerich, Thowald Bresmen, Michael Burnside, Arthur Center, Robert Chespe, Allan Court, Peter Damohray, Noel

Dennis, Michael Egan, Joseph Gallipoli, William Garthe, George Grammarino, Jerry Giovanello, Thomas Gugliano and John Howell. Also Henry Klesak, Charles Lantay, William Lloyd, Thomas Manaskie, Neal Markowitz, James McCabe, David McCoy, Richard McKenna, James McKinstry, Kenneth Roth, Stephen Ruggiero, Larry Sakadinski, Robert Schall, Martin Schulman, Henry Steinmann, William Van Cise, John Wichman and Wedell Helwig.

The Hicksville High Tennis team can win the Eastern Division Championship of the NSAA if it wins its last two matches.

This turn of events has come about because wheately had to forfeit six matches for using ineligible players and the Comets resting in second position were elevated to the top spot.

The team is comprised of veteran Alex Althausen, Thomas Bean, Philip Ferro, Ken Foran, William Goebel, Philip Lomenzo, Michael Sherin, Paul Scalzetti, Bill Queen, Roy Furman, Mark Finklestein and Fred Hordeen.

Hicksville High will beat Glen Cove, Saturday.

Have you gotten your 1957 Booster Club membership yet? The Club needs your support in its efforts to back up the youth of the high school.

There are already plans for a fall dinner to honor the players of autumn athletic season and quite possibly the band.

Port Washington pointedly asked that the Hickville High Band remain home last Saturday.

Tank, Boxers for First Smoker

By JOE MOONEY

The first Father and Son Smoker of the Holy Name Society of Holy Family R.C. Church, Hicksville, will answer the bell Nov. 8 at Levittown Hall.

A boxing card of eight bouts, featuring lightweights, middle weights and heavyweights from the Uniondale Police Boys Club will be the main attraction of the evening. The results will be scored as official PBC competition.

But before the bouts begin Dad and Junior will be treated to a virtual showcase of athletic events and entertainment. Even the Army and Marine Corps will be on hand.

The 325th Tank Battalion will move in an M-41 Patton tank. It's no mock-up, Junior will be able to scramble around... as will Pop... on his own personal tour of inspection. The Mid-Island Marine Corps color guard will also provide some crack marching maneuvers.

Then for the racing car crowd, Mike Caruso, stock car whiz, will rev-up some of his "black flag" winners of the midjet racing circuit. Ted Isoldi will join in with the howls and whys of soap box derby-ing.

Another feature will star George Colombo on the trampoline. Frank Miranda will man a booth with skin diving and underwater equipment. Casey Wojnak will detail ship model building, and the Bulova School of Watchmaking will display timing devices where watches will be timed exactly, free for the asking.

And to cap off the preliminaries the North Merrick Fire Department Band will go through its paces while Nick Borello clown through the crowd.

Oh, yes. The top guest of the night will be ex-middle weight

champ Billy Graham backed up by Bat. Battalion, ex-flyweight champ of two decades ago.

The committee is headed by John Cochran, chairman; John Keating, master of ceremonies; Frank O'Shea and Tom Coniskey, refreshments; Charlie Neglia, tickets; Vincent Luna, displays and sound; Ed. O'Toole, arrangement, and Neil McCormack, HNS president.

Prizes will include a master bicycle, footballs and basketballs and a scale model Grumman plane. Price of admission is \$1.25 for fathers and .75 for sons.

Braves Regain CYO Leadership

by Bill Sakol

HICKSVILLE - The Braves regained the lead in the Holy Family Division of the CYO Bowling League with the help of Bernard Nagel who rolled three nice games (175) (204) (216) for a series of 593, giving his team four points. Two weeks ago the Dodgers took first place from the Braves although B. Nagel tried to stop them. It was fitting therefore that his series be the one to help the Braves regain top position.

Other good scores were made by N. Kleiner 573 (213); Bud Smith, 566 (207); J. Wingenbach 539; E. Arundell 536; P. Schmidt 536 (207); F. Finan 526; B. Holden 519; T. Staudt 524; B. White 516 (201); W. Gribbons 516; R. Schaefer 514; and R. Carline 502.

Oh, I Could Write a Sonnet

Capsule Play by Play Hicksville Upsets Port 14-13

Undefeated Port Washington was powerless to stop the ground game of winless Hickville High immediately after the opening kickoff.

Ted Greves hit for 4, 3, 5, 8, 5, 9, 3, 5, and 4 yards as Hickville moved for four first downs. Fullback Dick Zarczynski took over for the tired Greves and smashed over from the two. Dick Stillman rushed into the game and cut back off tackle to get the extra point. It was only one of three offensive plays an injured knee could allow Stillman to run.

Port was stunned but aggressive and a run on fourth down failed with the Comets gaining possession on the Blue 23. A Joe Naso to Fitz Pawlitzke pass covered the 23 and the score moved to 13-0. Zarczynski elated the Hickville stands with a successful plunge for a 14-0 count.

Its NSAA leadership in real jeopardy, Port did not recover until late in the second quarter. A 29-yard pass carried the hosts to the Comet 7. There were 16 seconds left. The Hickville line of Mickey Anglin, Bill Fink, Larry Joosten, Howard Laptman, Jerry Slofin and Edward Zivica rose up to stop two plays and the half ended.

An immediate fumble to start the third period found Port on the Comet 16. Stillman knocked down a pass in the endzone and rushed up twice from the secondary with

Greves to shut off that threat.

Hickville then moved out to the Port 35 but a fourth down punt attempt saw the ball sail over Bill Schrimpe's head, on a pass from center, and Port was on the Orange 27. It was a touchdown in four plays but the placement conversion was wide by a hairline.

On the next series of downs Hickville suffered another bad pass from center and Port stood hungrily on the Comet 26. It took six plays to acquire the second TD and the conversion made it 14-13 with 11 minutes to go.

With exactly four minutes to go Hickville attempted another punt from its own 44 and the pass from center bounced all over the ground. Schrimpe picked it up and kicked it into the teeth of four burly Port linemen. It was partially blocked but cleared out twenty-yards and was the key that allowed the Comets to hold on.

A snappy reverse caught Hickville napping and it appeared the third Port TD was off and away but Laptman reached out to trip the runner from behind to save the issue. In four downs the Hickville defense threw the losers back six yards and it was over.

Altogether a 39-yard blast to the Port 30 by Zarczynski on the final play of the game. - HF.

Cub Pack 491 Greet Fall

By RAY SCHROM

With summer but a wistful memory except for an occasional rise in the mercury, Hickville's Cub Pack 491 gathered at its usual rendezvous in the St. Ignace cafeteria on Friday, Oct. 4, to greet the new fall season. Brightened by the presence of two new committee members in the persons of Cubmaster Vito DelRosso and Art, Cubmaster Nell Smith, taking over their new roles from departing Bill DiBella and Gene Waters, the dens were put through their paces in the usual projects-and-skits competition.

A serious-faced youth from Den #1 who displayed a model of an aircraft carrier whose vital statistics he was careful to enumerate, rocked his audience with the punch-line, "She was sunk in the Pacific Ocean..." Not many moments later a 2-man costumed "horse", provided by Den #5, that came apart at the proverbial seams with the disengaged rear and hastening to catch up with its anterior, provoked more chuckles. Three new bobcats were inducted: Paul Jones, Richard Matras and Kevin McDonald, in an initiation ceremony that featured the use of

the official advancement board for the first time. On hand to greet the incoming Michael Ryan who was graduated from the Webelos, was the new Scout Troop 491.

It was also a busy night in the award Dept., as evidenced by the following list of winners: WOLF BADGE: Dennis Clancy, Philip McCafferty, Charles Montano, Andrew Novellano, David Owens, Walter Schreiber, Larry Stenson.

LION BADGE: Stephen Brummer, Michael Dolan, Robert Eton, Dennis Gallahue, Jack Hanfman, William Kibler, Joseph Lodato, Dennis Rogan, Dennis Huff.

BEAR BADGE: Charles Graham, Ronald Waters. GOLD ARROW: Stephen Brummer, Jack Hanfman, Philip McCafferty, Charles Graham.

SILVER ARROW: Stephen Brummer, William Kibler, Michael DePaloli, Alan Spencer, Rol rt Teer (2), Neil Flynn, Michael DelRosso, Charles Graham (2), Thomas DiBella, Jonathan Baldwin, Paul Russell, Ronald Reilly, James Van Nostrand.

Next pack night is Nov. 1st.
