Rallies Conclude Campaign

PARTY WORKERS KEY TO VICTORY

Although 112,367 persons are registered and eligible to vote in the Town of Oyster Bay next Tuesday, less than 70,000 are expected to exercise their privilege as citizens. County Republican Chairman William D. Meisser hazards a guess that only about 60 per cent of those registered will probably vote and party leaders are calling upon their workers with an alert as to the dangers of "too quiet a campaign".

Campaign rallies by Republicans in Bethpage tomorrow (Fri.) night at the Archie McCord Legion Hall and in Hicksville at the Masonic Temple next Monday night are scheduled to wind up the appeal to voters. Democrats have held no rallies in Hicksville this election.

GOP party workers and friends will assemble at the Masonic Temple in Hicksville on Election night to receive the returns.

In the last town election of 1955, Lewis N. Waters received 34,233 votes and Arthur Snyder, who is running again on the Democrat ticket, got 20,396. In Hicksville, Waters received 7,037 and Snyder 4,368.

Burns candidate for Supervisor of the Town of Oyster Bay, at the Oyster Bay Republican Club's dinner at Garden City Hotel, Thursday night. Nixon was the principal speaker at the affair starting the Theodore Roosevelt Centennial Year. Burns is vice chairman of the New York State Committee for the Theodore Roosevelt Celebration. Propose Law Against Noise

OYSTERBAY - The Town Board will hold a public hearing on an "anti-noise ordinance" on Tuesday morning, Nov. 12, at the Town Hall. Prohibited noises, defined in detail in a legal notice in this issue of the Herald, including loud radio, phonograph or musical instrument after 11 PM and before 7 AM, keeping of animals or birds which disturb the comfort

and repose of neighbors; autos, motorcycles or street car (ain't seen any in Hicksville lately) in such disregard as to cause noise; excavation, demolition, etc. after 8 PM and before 7 AM; loud noises near a school, shouting and crying of peddlers and hawkers and the use of drums, loudspeakers or other devices. Violators will be fined up to \$100 or given up to 60 days in the clink, or both.

Budget Hearing Brings Out Only Opposition Candidates

The Oyster Bay Town Budget for 1958 was the subject of a routine public hearing at the Town Hall, Tuesday, and drew comments only from three Democrat candidates who appeared requesting an explanation of budgetary items in order to familiarize themselves with Town government.

"This is a good budget which resulted from many hours of care-free consideration and planning," it was noted by Supervisor Lewis N. Waters following the hearing. "While our Town population has increased over 263 per cent since 1950, we have held the line on costs in the face of mounting requirements for services in a township with a population of 243,000 persons. There are no frills in this budget," he added.

The budget, which is a line-by-line fiscal analysis and projection of the Town's needs for the coming year, reaffirms the Town Board's

pay-as-you-go policy. The budget of \$2,920,363.28 represents an increase of \$98,592.59 over the current year which a spokesman pointed out "permits ample development of services and facilities to meet the needs and requirements of the homeowners of the Town."

The Town Board was confronted with several mandatory items of increase: \$65,000 as the Town's share of the Social Security program, which is a new item; a gain of \$15,000 in the Town's contribution to employees retirement resulting from regular increments and the addition of a \$26,000 gain in the appropriation for the Town Board resulting from the voter-mandated increase in the number of Councilmen, effective Jan. 1, from four to six.

Arthur A. Snyder, Democratic candidate for Supervisor, reading a report of the Town Budget Committee which was prepared by Harold Fertig, Chairman, stated that the proposed Town Tax, the first in 14 years, in the 1958 budget was "completely unwarranted."

Waters is not a candidate for reelection. Former Assemblyman John J. Burns is the Republican candidate to succeed Waters.

There are 13 positions to be filled on Election Day when the polls open a 6 AM and close at 7 PM. They include Supreme Court Justice, State Assemblyman, Town Supervisor, three Councilmen for four-year terms, two Councilmen for two-year terms, Highway Superintendent, Town Clerk, and three trustees of the Jones Fund.

In addition, the ballot includes one Question and Six Constitutional Amendments.

There are 197 election districts in the Town of Oyster Bay, an increase of 19 over the 1956 election.

County wide there are 590,557 votes registered of which 296,997 are females and 293,560, male.

Hall and Burns Remind Voters

Voters of Oyster Bay Township will elect John J. Burns of Sea Cliff, as supervisor, Edwin J. Fehrenbach of Bethpage to the State Assembly and the entire Republican team of candidates next Tuesday, Nov. 5, it was forecast today by Leonard W. Hall, chairman of the Oyster Bay Republican Committee and former National Republican Chairman.

"I am confident that the people of our fast-growing township want to continue Republican good government which has made possible our fine growth", Hall said yesterday.

"Not a single, substantial issue has been advanced by the opposition except the fact that they want to 'take over' John Burns, our candidate for Supervisor, and the other candidates on the tax-conscious people and they know the value of money and the meaning of service."

NO 'OFF YEARS'

"Some people are calling this an 'off year' because there are only local candidates to be elected. There are no 'off years' when

it comes to the affairs of your government, basically involving your welfare, health and happiness. Each of us has an individual obligation to participate, as our great President has said, in making certain that our nation, our state, and our town goes in the direction that conforms to the goals we all seek.

"Be sure to vote on Election Day, next Tuesday. The polls are open at six in the morning and close at seven in the evening."

Burns commented that he feels the teamwork pledged by the Republican candidates, individually and jointly, has been demonstrated repeatedly during the campaign. "Not only are we pledged to work together as a team, but also do we pledge ourselves to work in cooperation with all agencies of government -- town, state, county and nation -- including school districts and other special districts and municipal units, in the same thanner as all departments and branches of Town government work together under Republican administration to serve the needs of the fastest growing township in the United States."

The Goals and Objectives of the GOP team also spell out a positive program regarding planning and zoning, public improvements, economy, responsibility, and individual rights and property protection.

STUDENT ELECTIONS

Craig McIntosh, son of Mr. and Mrs. George McIntosh and grandson of Mr. and Mrs. Frank Chlumsky, was elected president of the Hicksville High School Senior Class recently. Leo Kanawada, the Eagle Scout who made the World Scout jamboree in Europe this summer, was named president of the Junior Class.

Airline Chef Marks 10 Years

Jacob Staub of 11 Reiter Ave, Hicksville, head chef for United Air Lines at Idlewild Airport, will celebrate his 10th anniversary with the company this month.

Chef Staub joined United in 1947 as a pastry cook at Denver and was subsequently promoted to lead pastry cook at Denver in 1949 and assistant chef at Chicago in 1953, before being appointed to his present position in 1954.

Born in Buchs, Switzerland, Chef Staub gained his preliminary training there and emerged as pastry chef. He also attended the Cobi School of Art in Luserne where he learned to sculpture with sugar, using the glass blowing technique. As a result, many of his artistic confectionary concoctions have won prizes in the various International Hotel Expositions. His entries have won no less than eight firsts in this competition.

Prior to coming with United he maintained his own catering service in West Virginia. He is married and has two children.

Deny Plea

The Oyster Bay Town Board has denied the application of Michael Forte to change the zone of a 17 acre parcel located in Old Bethpage on the southern side of Hay Path east of Plainview Road, from Residence "B" to Residence "D".

JAMES N. MacLEAN of Massapequa, chairman of the LI Citizens Committee for College Opportunity, was guest speaker at the Hicksville Rotary Club meeting last week. He urged a "YES" vote on Amendment No. 1 on Election Day in support of higher education. Left to

right are Dr. Samuel Elkind, John Hill, Harbari Parick, Mr MacLean, Club President William Poyoski, Aaron Rochman and Jules Miral, Program chairman of the club. (Herald photo by Frank Mallett)

Reformation Service

The 440th anniversary of the Reformation will be observed in a special service of worship today, (Thurs.), at 8:15 p.m. at Trinity Lutheran Church, W. Nicholas St., Hicksville. The service will commemorate Luther's mailing of his

95 theses on the church door at Wittenburg on Oct 31, 1517. This historic event is regarded by many as the beginning of the Reformation.

The service is planned for Trinity's members and friends. It is being held in the congregation's large school gymnasium in order to permit attendance by members of the community. The children from grades 3 to 8 of Trinity's 400 pupil parochial school will attend the service in a body. They will sing a special number during the service. The 40 voice Trinity Mixed Choir, under the direction of Mr. Charles F. Boehm, will also sing at the service.

Trinity's pastor, The Rev. Edward H. Stammel, will preach the Reformation sermon, and The Rev. Everett Kallin, assistant pastor, will serve as liturgist.

Don't forget the girls are sponsoring a card party on Nov. 15 at the firehouse with prizes galore and refreshments. Hickville Chapter of the American Red Cross meets on Wed. Nov. 6 at the Library, Jerusalem Ave., Hickville at 1:30 p.m. Members of the Needlework Guild are reminded of the "in-gathering" to be held at the Hickville American Legion Clubhouse on Thurs. Nov. 7 from 1:30 to 3:30 p.m. The "dies" of two new garments for any member of an average sized family will make you a member. See you there, refreshments will be served. In the good news dept, this week is the report that Mrs. ELWOOD KENT of Pollack Pl., Hickville, is home from the hospital and is feeling much better. Good work, ole gal, hope to see you around our old favorite spots before long. But we are sorry to hear that ELWOOD KENT, Sr. is a patient at University Hospital, 303 East 20th St., NYC, after undergoing a serious operation. Hope by now he is feeling better - all his friends and neighbors wish him a very speedy recovery and return home...

This is one election story we can't pass by: Seeing those "Keep Tammany out of Nassau" posters around town, a teenager who knows that DEBBIE REYNOLDS "Tammy's in Love" is at the top of the hit songs asked her dad: "Is Tammy in love with Nassau?" Hickville Police Boys Club now sponsoring committee president is TOM COLWELL, succeeding BILL STAKER. The PBC is organizing a Concert Orchestra under the direction of JOSEPH MATYAS. Purpose is not to teach instrument playing but group playing. Hickville Jewish Center Sisterhood meets at Levittown Hall next Wednesday, Nov. 6 at 8:30 PM. JANET TYLER, the Weather Girl, says "there is a very definite pattern of tooth decay related to weather. Dentists have found that persons along the sea coasts have LESS tooth decay than those in the interior sections of the nation. The reasons? In the colder interior sections, people eat more carbohydrates -- and sugar and starch found in carbohydrates cause tooth decay"...

Circle Wire at Locust Grove (they call it Hickville) has just received a CAA contract for underground parway cable for airport runway lighting. The contract is for \$558,000. With election next Tuesday, it is worth remembering that JACOB H. MYERS' who made a living designing bank vaults developed the first voting machine. It was first tried on April 12, 1892 at Lockport, NY and came equipped with a steel door which changed heavily shut on the voter who became doubly anxious to cast his vote and register his freedom. When the vote was registered by lightly pushing tiny levers, the steel door automatically opened to an accompanying sigh of relief from the voter. Designate Class Mothers

HICKSVILLE - The regular monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was held Monday evening Oct. 28 in the school hall. Mrs. George Wright, President, introduced Rev. John Wisler, who opened the meeting with the hymn "Come Holy Ghost". Father received the new members into the Arch-Confraternity of Christian Mothers.

Mrs. Wright announced the class mothers for the coming year: Kindergarten, AM, Jean Stenson, Muriel Arvidson; Kindergarten PM, Mrs. Lang, Mrs. Shoppman; 1A-1, Margaret Bendish, Theresa Nedar; 1A-2, Patricia Drake, Edith Szymanski; 2A-1, Alice Buck, Veronica Everham; 2A-2, Irene Dinschneider, Mary Novallane; 3A-1 Pat Hartt, Marion Braun; 3A-2 Margaret Brown, Dolores Cunningham; 4A-1, Helen Curtis, Susan Bald; 4A-2, Olga Glinak, Marie Shanley; 5A-1 Clare Neary, Estelle Walsh; 5A-2, Frances Bidon, Virginia Van Nostrand; 6A-1 Marion McGregor, Kay Daly; 6A-2, Catherine Roma, Lorraine Cocoran; 7A-1 Mae McNamara, Mary Ellen Odem; 7A-2, Ruth Humberger, Irene D'Amura; 8A-1 Louise Madden, Catherine Reimels; 8A-2 Margaret Service, Chris Volpe.

Final plans were developed for the Annual Cake Sale, which will be held this Sunday, Nov. 3 after all Masses. All mothers were asked to bring their baked delicacies to the basement.

Nominations were made for the office of Vice President, recently vacated. Nominees chosen were, Bea Montalbano, Mary Murphy, Helen Miller and Ann Breschard. Election will be held at the next meeting.

Margaret McMorow introduced Rev. Michael Leavy, Director of the Nassau County CYO, who was guest speaker. He expressed the feeling that too much is said about the wrongs that youngsters do instead of helping them find the right purpose in life. Parents should create in the minds of youngsters the fact that they are needed and wanted. Also, the family home should be a circle of inspiration. He concluded his talk in pointing out that parents should instill in their children a moral code of conduct.

The Dark Horse was won by Mrs. Charney. Father Wisler closed the meeting with a prayer. Coffee and cake were later served. The next meeting will be held Monday, Nov. 24.

58 FORD

Nothing newer

AROUND THE WORLD

DETROIT PARIS GENEVA ROME ATHENS ISTANBUL ANKARA TEHRAN LAHORE SIEM REAP BANGKOK PNOM PENH PENANG CALCUTTA JAIPUR

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and paused at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world. It followed the historic Road to Rome, to stand in the square of St. Peter's before the Vatican. The drivers threw coins in the Fountain of Trevi, and went out the Appia Way to Venice.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey; and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn.

And then the 58 Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan, all the way into the lilac-scented capital, Kabul. And thence over the trail of history, along the route Alexander the Great followed with his chariots, to cross the historic Indus river.

On and on the Ford moved, down into the beauty and heat of mysterious India, through New Delhi to the crystal-white beauty of the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur for a welcoming parade of elephants, and through Banaras and on down to Calcutta.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

It forded jungle streams to stand beside the ancient golden Royal Barges of Siamese Kings. Then it plowed on to the jungles of Cambodia to reach the most fantastic temple of all, the strange ruins of Angkor Wat, eighth wonder of the world. Thence into Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Michigan.

The 58 Ford... has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

Our Goals and Objectives

The Republican candidates in the Town of Oyster Bay are individually and jointly pledged to the following goals and objectives, recognizing fully that the fundamental purpose of government is to serve the people of the municipality with integrity, honesty and economy:

(1) **PLANNING AND ZONING**—To continue to look unfavorably upon all applications to down zone residential areas for the construction of more units on smaller plots which would be harmful to the established and carefully developed plans of our school district Administrators and School Boards. To continue to explore and study, with the assistance of professional experts, every facet of zoning and planning to insure proper and orderly development of our Township. To continue to give the same careful consideration and encouragement, as in the past, to zoning changes for light, attractive industries which help school districts in meeting the burden of costs connected with new school construction.

(2) **PUBLIC IMPROVEMENTS**—To further develop existing and projected programs for the utilization of park and play areas, shopper and commuter parking, health and sanitation, public buildings, beaches and highways which come under the jurisdiction of the Town, always within the ability of property owners to pay for the same. To do these things at minimum cost on a pay-as-you-go basis and in cooperation with the needs and requirements of the various areas of the town with full consideration to the expressions of home owners and their community organizations and agencies.

(3) **ECONOMY**—To continue all possible effort toward holding the line on cost to the homeowners taxpayers, including the further introduction of the latest techniques and apparatus used in achieving the highest degree of business-like efficiency without sacrificing personalized, home-rule government which is closest to the people. To take full advantage of all revenues which may result, directly or indirectly, in improving the financial position of the entire township and by holding fast to the principal of pay-as-you-go operation, keeping within budgeted appropriations, so as to maintain the high financial position of our town which has repeatedly reflected itself in savings for the town and its sub-divisions.

(4) **RESPONSIBILITY**—To continue to adhere to the obligation of all sincere, capable and qualified public officials to face the issues and problems of the town and its residents, squarely and honestly. To give considerate and proper attention to all constructive suggestions advanced by individuals and organizations of the Town so as to keep in step with the ever changing requirements and need for services of our fast growing Township.

(5) **INDIVIDUAL RIGHTS AND PROPERTY PROTECTION**—To stand alert and ready to vigorously oppose and defeat any and all proposals which would in any manner infringe upon the rights or in any way threaten the invested security of the homeowners and all other property owners of our fine Town. To work closely with all protective agencies such as Civil Defense, volunteer fire fighting service, police and all law enforcement agencies so as to insure residents of the maximum enjoyment of their Constitutional rights and privileges.

(6) **TEAMWORK**—To work in cooperation with all agencies of government — town, state, county and nation — including school districts and other special districts and municipal units, in the same manner as all departments and branches of Town government work together under Republican administration as a team to serve the needs of the fastest growing township in the United States.

Opening Concert At East Meadow

Music of many moods will be featured at the opening concert of the Symphony Society of L.I. at the East Meadow High School. Though the date was incorrectly given in a recent school publication, Mrs. Grace Macarin, publicity director, has reiterated that the correct date of the concert is Nov. 9. The program will consist of Smetana's Overture to the Bratslav, the music of Milhaud's ballet "Les Bouffes sur Le Toit"; Oscar Shumsky as soloist in Brahms's Violin Concerto in D Major, and three selections from Wagner's Die Meistersinger: Introduction to Act III, Dance of the Apprentices, and the Entrance of the Meistersingers. Charles Jaffe, musical director

of the society will lead the orchestra in the evening's program. Tickets may be obtained from Mrs. H. Carlin of Hicksville, or by writing to Symphony Society of L.I., P. O. Box 556, Hempstead.

OCTOBER 31, 1957

BULLETIN

A special meeting of the Birchwood Park at Jericho Civic Assoc Board of Directors was held on Oct 27. A motion was made and carried to the effect that the Board of Directors request the committee appointed at the Oct 22 meeting to make every effort to obtain an adjournment of the hearing on the gas station application.

The purpose of requesting a postponement was to allow sufficient time for the Civic Assoc to call a special meeting to resolve the Gas Station issue.

Inevitably this time of year calls forth a rash of politicking. Let us the Civic Assoc stand in this matter be misunderstood, the following is a statement of principles of the officers and directors of the Birchwood Park at Jericho Civic Assoc Inc:

- 1) This Assoc takes no official position on any political candidate or party.
- 2) This Assoc urges all members to support and vote for the candidates and parties of their own choice.

Statement of Board of Directors

A handful of people have made themselves Judge and Jury of our Civic Assoc. at the expense of the entire community. Some of these people who have refused to help the Association in its efforts on behalf of the community, and indeed had never joined the Association, are now attempting to direct the Association by means of a campaign of misrepresentation and distortion.

These activities completely confuse the original issues which are comparatively simple. These are the elementary facts that have been distorted.

1. Approximately 8 months ago Schwartz & Sosnow applied for a permit to install gas tanks, and hence to build a gas station on Broadway near Milleridge Inn.

2. At that point the Civic Assoc. got the builder to agree, among other things, to build a Post Office for the community with the erection of the gas station. The Civic Association did not oppose the application and there was no active opposition by the community.

3. Subsequently the State of N.Y. decided to swing Broadway further West at that point so that the original gas station site would have been 200 feet from the roadway.

4. Sosnow & Schwartz tried to exchange land with the State so that he could have a site on the new roadway. It was refused.

5. Sosnow & Schwartz decided to move their gas station site down Broadway to a location next to the Jackson house, where it would be on the roadway. They petitioned the Town Board of Oyster Bay for a permit to install gas tanks on that site. This area had been zoned for business for many years.

6. The Civic Assoc. was notified of the changed plans.

7. A special meeting of the Board of Directors was immediately called. A special fact finding subcommittee was appointed to gather the facts. With painstaking care all the facts were gathered and reported back to the Board of Directors.

8. The Board of Directors called a special meeting of the Board on Sunday night, Oct. 13th. Leonard Schwartz was asked to come with a full set of plans, and a property owner adjoining the proposed site

(Continued on page 10)

BIRCHWOOD holds a civic meeting. Here are typical views by George Frankel and Allen Lyon

Statement by Committee

On Feb. 12, 1957 the builder Sasnow and Schwartz proposed a gas station on Hicksville Road adjacent to Milleridge Inn. Residents and interested parties opposed and including the Milleridge Inn filed petition at the Town Board of Oyster Bay on Feb. 19, 1957.

On the date of this hearing the Town Board had in their possession a telegram, sent by the Executive Board of the Birchwood Park at Jericho Civic Assoc, giving their consent as a represent group of residents of Birchwood Park raising no objection to the application of

Sasnow & Schwartz for special use permit for filling station on Hicksville Road, Jericho.

On April 30, 1957 the Town Board of Oyster Bay gave their approval to the petition of Morris Sasnow. On Thursday, Oct. 3, 1957, a legal notice appeared in the VILLAGER announcing the petition of Morris Sasnow for permission to erect and maintain a gasoline service station on premises described in said notice. This new petition, if granted, would in effect increase the size of this proposed gas station to over one

(Continued on page 11)

Gas Station at Jericho?

The VILLAGER, striving to inform the community of ALL sides of the Gas Station issue, invited written presentation from the various groups concerned.

Our intention was to publish the three points of view:

- a) The views of the committee appointed to oppose the granting of Sosnow & Schwartz's application for modification.
 - b) The views of the Builders - Sosnow & Schwartz.
 - c) The views of the Board of Directors of the Civic Assoc.
- Every effort was made to obtain written summaries from each of the above mentioned containing their points of view. Unfortunately, only the Board of Directors, and the Committee to oppose the gas station application, submitted their views for publication. Therefore we can only publish these two reports.

Board Of Directors

(Continued from page 9)

was asked to invite all his neighbors who might be interested to attend the said meeting. Five such home owners came to the meeting.

9. After a full discussion, the spokesman for the home owners group suggested that a belt of trees that would screen the gas station from the community would satisfy them and cause them to withdraw their objections, provided all other precautions were taken to ensure them a minimum of annoyance or inconvenience.

a. A Post Office would be built as tall or taller directly between the gas station and the community.

b. Build an attractive gas station using colonial architecture and maintain it so that it would not be an eyesore.

c. Control the installation of lights so that they would be directed away from the community.

10. Leonard Schwartz agreed to all of these demands and agreed further to put them in writing, to

plant the 500 feet of trees on the property of these people directly or indirectly affected so that these trees would be long to them.

11. When Leonard Schwartz left the meeting each and every one of the affected homeowners present was polled, individually, by name, and they agreed, unanimously, that they were satisfied.

12. On the basis of this vote, and on the further honest considerations by the Board that:

a. A Post Office was vitally needed by the community and by all of Jericho, and Sosnow and Schwartz were our only or best hope of getting one in the foreseeable future because the U. S. Gov't. does not build Post Offices, and

b. Sosnow and Schwartz certainly would not - and had informed the Board that it would not - build a Post Office without a gas station because Post Office construction and leasing to the U. S. Gov't. is never calculated to be profitable to the builder, and

c. It was honestly felt that inasmuch as the builder had gotten a permit a few hundred feet away, he would certainly be granted this second one, and

d. If Sosnow and Schwartz were refused his permit as a result of Civic Association Activity, he would eventually build his gas station on the original site, for which he already had a permit, thereby affecting another segment of our community - and without getting for the community a Post Office in return, therefore:

e. The Board of Directors voted unanimously not to oppose the erection of a gas station on the new site on the grounds that all things considered, the general good to the community at large and all of Jericho would far outweigh the objectionable features of the gas station, certainly if those most vitally affected had no objection.

13. In planning the General Meeting projected for October

22nd, ample time was provided for thorough discussion, and several members of the Board declared themselves ready to answer all questions on the subject and explain their stand. Almost half of the people present at the meeting left early.

14. A small group started a violent attack distorting the truth, shouting insults, implying by innuendo that several members of the Board were in cahoots with the builder - refusing to listen to facts - refusing to allow those attacked to defend themselves.

15. The same people who on Sunday nite, October 13th had agreed to a gas station got up and said:

a. They knew nothing about the gas station previously.

b. They had not been notified of any special meeting of the Board of Directors.

c. they never agreed to anything.

16. Their statements were untrue. Because of these statements and similar emotional disregard for elemental facts, the majority of those present at the meeting voted to have the Civic Association go on record as opposing the erection of a gas station on the present contemplated site, and so notify the Town Board of Oyster Bay.

Now, what has this self-willed minority accomplished;

a. They may or may not win their purely selfish fight to keep a gas station away from their immediate vicinity

b. If they do not win their fight, we'll still have a gas station approximately 300 feet away affecting other people

c. The present leadership has been thoroughly compromised and vilified

d. The community can forget about a Post Office in the near future.

e. The entire community may have to fight the builder as individuals for anything they want done to complete their homes. We shall have retrogressed one whole year.

f. The Arbitration Board will be weakened.

g. Street lighting in the Syosset section of the community in advance of street dedication which Leonard Schwartz has been attempting to obtain may have to wait.

h. Effective action by the Civic Association on other problems may be more difficult because it will be remembered that the people of this community have so little regard for those officers, whom they elected to represent them, that they may have no standing in any future negotiations in which they may be engaged.

And where does the fault lie:

It lies in great part with the community at large. It lies with those people who sacrificed their best interests for a television program, or a card game, or the comforts of an easy chair. It lies with that vast group of good people who would have been able to see the facts, to understand the situation as it is - yet stayed at home, or left the meeting early and left momentous decisions to small and vocal minority. This meeting had been billed in advance as one of utmost importance. It would appear from these events, that the people of Birchwood should take a much more active part in the workings of their Civic Assoc. so that they, as a whole, can have the final voice in their own destiny.

Congratulations to J. Harry Pincus and Lester Forest on the formation of a partnership for their offices at 50 Court St., Brooklyn and 2 Jerusalem Ave. in Hicksville (opposite L.I.R.R. station). We wish them all the luck and success which they richly deserve.

Youth Program

The Youth Activities Committee of the Reform Temple Or-Elohim has organized a Youth Group. A varied and exciting program is in store for our teenagers. Among the numerous activities there will be bowling, beauty culture, dramatics, dancing, art and band. Most of our meetings will end with a social. Dances throughout the year. Two groups are being formed Jrs. and Srs. so that the boys and girls can pursue those activities which interest them most. Teenagers, don't miss this wonderful opportunity. Come on and let's make this the kind of group you will enjoy being a part of!

Mr. and Mrs. Dick Gumerov of Bounty Lane are hosts at a Birthday Party given for their son Barry. It's Dick's birthday, too.

The Birchwood Chapter of The Catholic Daughters of America held a toy sale Tuesday, Oct. 22 at St. Dominic's in Oyster Bay. Proceeds of benefit went to World's Missions. The next meeting of this chapter will be held Tuesday, Nov. 5 in the auditorium of St. Dominic's. Want to join? Call Ann Rappa, WE 8-9325.

A CHAMPAGNE DINNER DANCE, sponsored by the Syosset Auxiliary of the Association for the Help of Retarded Children will be held Saturday evening, Nov. 9 at the Gateway Restaurant in Huntington. In addition to dinner there will be champagne cocktails, dancing to an orchestra and prizes. Tickets are \$10.50 per couple and can be obtained by calling Mrs. Egert at WA 1-2732.

A luncheon was held Wednesday afternoon, Oct. 23 at the Villa Victor in Syosset sponsored by Mid-Island Chapter of Cancer Care. Four tables were taken up by Birchwood Park ladies. Please call Blossom Kesner, OV 1-2152 for further information as I'm not too well informed as to this Organization.

Muriel Schmierer walked into Skyliner Diner after Civic Assoc. meeting for coffee and was surprised to see a big cake on the table with Happy Birthday written on it and candles to boot. It was very unexpected. That's how things are done in Birchwood. (I guess?)

Congratulations to Mr. and Mrs. Charles Kraft on the Bar Mitzvah of their son Ronald. Services were held at Jericho Jewish Centre. The catering was at their home, 55 Hedgerow Lane and lasted till the wee hours of the morning at which time Ann Kraft was dancing shoeless. This is the latest style, so I've heard.

Best of Luck to Mr. and Mrs. Nathan Menis of 15 Friendly Lane on the Bar Mitzvah of their son Mark, Saturday, October 26.

JUST MARRIED Mr. and Mrs. Catapano of Magnolia Lane. Lots of Luck in your new home. May all your troubles be little ones. (Corny but true).

are in size, it would also bring the gas station several hundred feet closer to homes in Village of Birchwood Park. This gasoline station is erected and will effect our main entrance to this community.

The Board of Directors of the Birchwood Park at Jericho Civic Assoc. arranged a meeting on Oct. 13th with the Builder. A representative group of five families was present along with the Board of Directors and the Builder. The Builder stated that we could not successfully oppose the gas station. The Board of Directors agreed at this point. It was because of this statement that the five families agreed to landscaping of trees to screen out the service station. We reported this agreement to other people involved. They disagree with our decision. We reserved the right to await the final decision of the Builder until specific arrangements were made. The following day the chairman of the board informed us that the builder would agree to landscape 500 feet of the area with maple trees.

We informed the chairman that this arrangement was not suitable because it would not be effective. On Tuesday Oct. 15th at the Town Board of Oyster Bay hearing, we opposed the gas station. At that time, 150 signatures were presented as evidence. The Civic Assoc. of Birchwood Park at Jericho was not represented at this hearing. That same night, the president of the Civic Assoc. was informed that the group of homeowners involved decided to fight this issue as individuals, without the support of the Civic Assoc. because there was no representation by the Civic Assoc. at the Town Board open hearing.

On Tuesday, October 22, at a general meeting of the Civic Assoc. the question of a gas station was raised. After much discussion, the issue was brought to a vote. The people present overwhelmingly voted to oppose the gas station. The undersigned were selected to head a committee to represent the Civic Assoc. and direct a campaign to defeat the gas station proposal. A meeting was held Thursday night October 24 at which time

THE QUESTION: Do you think the Civic Association should hold four general meetings a year?

THE ANSWERS:

BEA FLESHER, 114 Bounty Lane: I don't feel four meetings would be enough to keep a new community informed. I would suggest a meeting every six or eight weeks until the tempo of the community is established.

JOE KASS, 16 Hedgerow Lane: Yes, four meetings a year should provide for good meetings of the mind.

MORTON FISHMAN, 224 Forest Drive: I think that's too many. I feel with the numerous activities going on in the community, two are enough unless emergencies arise.

MACK CUSHING, 18 Friendly Lane: I think at least four meetings a year would be necessary to keep the community on its toes.

AN EDITORIAL:

About Criticism

A general meeting was held by our Civic Assoc. on Oct. 22. After a speech by our President, Jerry Abrams, reports of the progress of the Civic Assoc. were made by the various committee chairmen. At the end of these reports the meeting was opened for general discussion. A heated discussion arose on the floor concerning the decision of the Board of Directors not to oppose the application submitted by Somow G Schwartz for a change of location of a gasoline station. Opinions on both sides of the issue were discussed in great detail. A vote was finally taken to the effect that the Civic Assoc. should vigorously oppose the application of the builders for the gasoline station modification.

The VILLAGER has often expressed its opinion that general meetings of our Civic Assoc. should be held at least four times a year, because in only that manner could the voice of the residents be heard. We were therefore pleased to hear matters of vital interest to the community openly discussed on the floor. However, we were shocked and horrified at the manner in which some residents voiced their opinions. Some of the members of our community permitted their emotions to carry them away, and they made statements slandering the members of the Board of Directors.

The VILLAGER wishes to express its opinion that it was shameful for anyone to infer that any member of the Board of Directors voted for or against any issue in order to gain personal favor. We were pleased, however, when a vote of confidence was given to the Board of Directors at the close of the meeting. We believe that this meeting more clearly than ever demonstrated the absolute need for a Civic Assoc.

We believe that the general meeting could have been conducted in a much more efficient manner. For example, the meeting was scheduled to start at 8:30 P. M., and did not get under way until approximately 9:20 P. M. Furthermore, the reports of the committees were supposed to have been limited to five minutes; instead some of the committees spoke for as long as 20 to 25 minutes. We believe that the planning committee for this meeting should have made certain that the committee reports were limited, thereby assuring sufficient time for open discussion from the floor.

Portions of this meeting were conducted without any semblance of order. The lack of diplomacy shown by some of the directors who chaired this meeting was a contributing factor. They no doubt have greater ability than they displayed this evening, although the absence of courtesy exhibited by some members from the floor led much to provoke responses equally disrespectful.

In summary, the VILLAGER is of the opinion that the residents have a right to criticize the acts of the Officers of the Association; however, we just as strongly feel that such criticism should be constructive and voiced in a manner not impugning the good faith of the Officers.

legal representatives volunteered. Motion was made for the Board of Directors opposing the gas station and to go on record by sending a telegram to the Town Board at Oyster Bay, to be followed by a detailed letter. Both the telegram and the letter were never sent. Petitions were then distributed among the residents of the community. They were to be submitted as evidence. A total of approximately 750 signatures were obtained. These petitions, together with a brief, prepared by legal counsel along with a march en masse at the town hall was to constitute our evidence.

This concludes a report by the committee on the gas station issue. Respectfully submitted October 29th, 1957.

TREASURY

Charles Kraft, Treasurer, reports a total cash balance of \$2,011.58. This represents income from the Civic Assoc. dance, The Villager, and Membership Dues.

COMMUNITY PROTECTION

Dr. B. Schiffrer reports of the traffic problem arising by the opening of Jackson School. Parents are asked to let off and take on children at least 1/2 block from the school. This will avoid double and triple parking, interference with school buses, and prevent youngsters from dashing in between and around temporary parked vehicles.

The Police Dept. will henceforth issue summonses to these owners of cars who park their vehicles blocking driveways.

Leaves, and other garbage cannot be burned outdoors, but must be packed in containers for disposal by garbage collector. Violators will be issued summonses.

A traffic survey has been completed at Merry Ln. and Jericho Tpke. This will most likely result in the installation of a much needed traffic light in the near future. Due to widening of Broadway, a traffic light at this intersection and Birchwood Park Dr. is unlikely until street relocation and widening has been completed.

clusively for the Syosset School District residents of Birchwood Park.

Speakers for the meeting include Dr. Ernest F. Weinrich, Superintendent of the Syosset School District; Dr. William C. French, Principal of the High School; Mrs. Grace Dondero, Principal of the Robbins Lane School; Thomas E. Kelly, President of the Board of Education; Mrs. Elizabeth T. Babcock and Mr. James R. Collier, members of the School Board.

The speakers will discuss such subjects as transportation, new school budget, Robbins Lane School, building of school in Birchwood Park, background and history of our school district, duties, functions etc. of our school board and many other subjects concerning the education of our children.

Details of the new school budget will be explained. The budget involves an expenditure of over

\$4,000,000. The only way each of us can intelligently vote is to learn the facts.

The special meeting will be held Nov. 12, at 8 P.M. Sharp, at the Baylis School. It is vital that at least one member of each household attend this meeting. A question and answer session will be held, at which time the residents will be given the fullest opportunity to ask questions of the speaker and receive the most authoritative answers concerning our school district.

Sisterhood Meets

The next regular meeting of the Sisterhood of the Jericho Jewish Center will be held on Tuesday evening, Nov. 5, at 8:30 P.M. at the Robert Seaman School.

The speaker of the evening will be a well-known Interior Decorator. A most interesting evening has been planned and all are invited to attend. Refreshments will be served.

LEGAL NOTICE

PUBLIC NOTICE
 NOTICE IS HEREBY GIVEN that a Public Hearing will be held by the Town Board of the Town of Oyster Bay on Tuesday November 12, 1957 at 10 o'clock A.M. (EDST) in the Hearing Room, Town Hall, Oyster Bay, N.Y., at which hearing citizens and parties interested will have an opportunity to be heard upon the following proposed Anti-Noise Ordinance of the Town of Oyster Bay:

ANTI-NOISE ORDINANCE
ARTICLE I

Section 1. **Declaration of Policy.** It is hereby declared to be the policy of the Town Board to prevent any unreasonable loud disturbing and unnecessary noise. Noise of such character, intensity and duration as to be detrimental to the life or health of any individual, or contrary to the public welfare, is prohibited.
 Section 2. **Prohibited Noises.** The following acts, among others, are declared to be loud, disturbing and unnecessary noises in violation of this ordinance, but any enumeration herein shall not be deemed to be exclusive:
 a. The operation of any radio, phonograph or use of any musical instrument in such a manner or with such volume, particularly between eleven o'clock P.M. and seven o'clock A.M., as to annoy or disturb the quiet, comfort or repose of persons in any dwelling, hotel or other type of residence.

LEGAL NOTICE

b. The keeping of any animal or bird which by causing frequent or long continued noise shall disturb the comfort and repose of any person in the vicinity.
 c. The use of any automobile, motorcycle, street car or vehicle so out of repair, so loaded or in such manner as to create loud and unnecessary rattling, grinding, rattling or other noise.
 d. The blowing of any steam whistle attached to any stationary boiler except to give notice of the time to begin or stop work or as a warning of danger.
 e. The discharge into the open air of the exhaust of any steam engine, stationary internal combustion engine or motor vehicle engine except through a muffler or other device which will effectively prevent loud or explosive noises therefrom.
 f. The erection, including excavating, demolition, alteration or repair of any building other than between seven o'clock A.M., and six o'clock P.M. on weekdays; except in case of urgent necessity in the interest of public safety and then only with a permit from the Building Department, which permit may be renewed for a period of three days or less while the emergency continues.
 g. The creation of any excessive noise on any street adjacent to any school, institution of learning or court while the same is in session, or adjacent to any hospital, which unreasonably in-

terferes with the workings of such institution, provided conspicuous signs are displayed in such streets indicating that the same is a school, hospital or court street.
 h. The creation of a loud and excessive noise in connection with loading or unloading any vehicle or the opening and destruction of bales, boxes, crates and containers.
 i. The shouting and crying of peddlers, hawkers and vendors which disturbs the peace and quiet of the neighborhood.
 j. The use of any drum, loud speakers or other instrument or device for the purpose of attracting attention to any sale or display of merchandise by the creation of noise.
ARTICLE II
 Section 1. **Legislative Declaration.** It is hereby declared that the use or operation of any radio device or apparatus or any device or apparatus for the amplification of sounds from any radio, phonograph or other sound making or sound producing device or any device or apparatus for the reproduction or amplification of the human voice or other sounds in front of or outside of any building, place or premises or in or through any window, doorway or opening of such building, place or premises, abutting on or adjacent to any public street, park or place, or in or upon any vehicle operated standing or being in or upon any public street, park or place, where the sounds

LEGAL NOTICE

therefrom may be heard upon any public street, park or place or from any stand, platform or other structure, or from any airplane or other device used for flying, flying over the town or in any boat or on the waters within the jurisdiction of the Town, or anywhere on or in the public streets, parks or places for commercial or business advertising purposes, is detrimental to the health, welfare and safety of the inhabitants of the Town, in that such use of operation diverts the attention of pedestrians and vehicle operators in the public streets, parks and places, thus increasing traffic hazards and causing injury to life and limb. It is hereby further declared that such use or operation disturbs the public peace and comfort and the peaceful enjoyment by the people of their right to use the public streets, parks, and places for street, park and other public purposes and disturbs the peace, quiet and comfort of the neighboring inhabitants. Therefore, it is hereby declared that the prohibition of such use or operation for commercial or business advertising purposes is essential to protect and to secure the health, welfare, safety, comfort, convenience and peaceful enjoyment by the inhabitants of this Town of their right to use the public streets, parks, and places for street, park and other public purposes and to secure the peace, quiet enjoyment and comfort of the Town inhabitants. Section 2. **Definitions.** As used in this article:
 a. The term "sound device or apparatus" shall mean any radio device or apparatus or any device or apparatus for the amplification of sounds from any radio, phonograph or other sound making or sound producing device or any device or apparatus for the reproduction or amplification of the human voice or other sounds.
 b. The phrase "to use or operate any sound device or apparatus in, near or adjacent to any public street, park or place" shall mean to use or operate or cause to be used or operated any sound device or apparatus in front of or outside of any building, place or premises or in or through any window, doorway or opening of such building, place or premises, abutting on or adjacent to any public street, park or place, or in or upon any vehicle operated, standing or being in or upon any public street, park or place, where the sounds therefrom may be heard upon any public street, park or place or from any stand, platform or other structure, or from any airplane or other device used for flying, flying over the town, or in any boat or on the waters within the jurisdiction of the Town or anywhere on or in the public streets, parks or places.
 Section 3. **Use and operation of sound devices and apparatus for commercial or business advertising purposes.** It shall be unlawful for any person to use or operate or cause to be used or operated any sound device or apparatus in, on, near or adjacent to any public street, park or place for commercial or business advertising purposes.
 Section 4. **Persons Guilty of Violation.**
 a. Any person who employs, procures or induces another to operate, drive, lend, lease or donate any automobile, truck or other type of vehicle or procures or induces another to operate, aviate, lend, lease or donate any airplane or other type of flying device, for commercial or business advertising by means of any sound device or apparatus in violation of this ordinance shall be guilty of a violation hereof.

ERNEST BUONPANE, real estate broker located at 107 Woodbury Rd., Hicksville, is currently celebrating his first anniversary. Reviewing the past year's activity which included the sale of both new and resale homes, acreage and business properties, Buonpane's most recent transaction was the sale of Ulmer and Cose property of Old Country Rd. and Carl St., Hicksville. In spite of a rather tight money market, Buonpane views the coming year with "complete confidence" pointing to the fact that most builders are now competing among themselves, offering more and better quality construction, resulting in a better deal for the prospective buyer. Regarding resale Buonpane cautions buyers not to "overprice" their properties if they expect quick action.

LEGAL NOTICE

b. The use of the name of any person or of any proprietor, vendor or exhibitor or the use of any trade, business or corporate name in connection with such commercial or business advertising shall be presumptive evidence that such advertising was conducted by reason of employment, procurement or induction on the part of said person, proprietor, vendor or exhibitor or the person or persons represented by said trade, business or corporate name.
 Section 5. **Penalties.** Any person or persons, association or corporation who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor and shall be punished by a fine of not more than One Hundred Dollars (\$100.00) or imprisonment for not more than sixty (60) days or both.

DIAL A NUMBER...

and your call will speed across the nation

This complicated array of telephone equipment makes it as simple for people to dial across the country as it is to dial across town. Calls to San Francisco and Chicago, for example, are made just like local calls, and go through just as fast.

Right now there are nearly 600,000 telephones in New York State from which you can dial calls to hundreds of cities and towns all over the country. Perhaps you can't dial long distance calls from your own phone yet, but more places are getting this high-speed

service all the time. So it shouldn't be many years before everyone everywhere will be able to dial every other phone in the nation.

Like every advance in phone service, Direct Distance Dialing is the result of a continuing program of research, expansion and improvement. It's a big program, and a costly one. And only a company with sound earnings over the long pull can raise the money to provide the newest and best in telephone service and still hold the price to you low.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.
by Artie Rutz

I hope you didn't miss the United States Week Celebration, Saturday afternoon, at Hicksville High School because it was real worthwhile and the speakers representing the American Legion on the platform were a joy to behold.

General De Valle, USMC, retired, was the principal speaker and the General very ably drew a wordpicture coupling the betrayal of Hannibal with the Girard case. The Army was on hand with a Nike missile mounted on a trailer and the Air Force and Army Engineers also had a display mounted in the lobby.

Matt Shevlin, 10th District Americanism Officer, was the presiding official of the afternoon and Dr. Niosi, of New Hyde Park, the originator of United States Week, gave a very stirring explanation of the meaning of this particular week in American history.

Our annual visitation to Kings Park took place the next day on Sunday afternoon and the amount of clothes, etc. that we took to the veteran patients at Kings Park was fabulous and was well received. Besides this we distributed over 1300 bags containing cigarettes, apples and oranges, cup cakes and read-

ing material to the veteran patients there.

Our Auxiliary represented by Ethel Habenick, Ella Palladino, Lil Doran and Sylvia Gundlach were on hand to help fill these bags and did a real production job. Our Post was represented by Guy Smith, Frank Hollywood, Lou Pungello, Artie Rutz, Tony Bellacera, Mike Palladino, Ed Hodkinson, Artie Bletsch, Mike Bellacera, George Barnett, Ernie Gundlach, Tom Dowan, Steve Wladyka, Jim McLaughlin, Al Carpenter and Bob Hesel.

Bob Mangels and Bob Sutton stayed at the Post and administered the pots and pans so that the group would have a nice meal upon their return. Two trucks were supplied thru the courtesy of Ernie Gundlach and Jack Ehmann so that the supplies could be moved out to Kings Park. Though the weather was cold and rainy we were able to complete the visit before a real downpour came and we were on our way home. Next year, try and lend a hand to make this project an even more successful one than this year's, though this was one of the best we've ever done. See you at the next meeting and have you paid your 1958 dues yet?

"KEEP A GOOD JUDGE ON THE BENCH"

The Sportlight

By HOWARD FINNEGAN

"This is going to be such a good, hard league this season that the one block you don't make could cost you the championship."

Those words were related to us just after the final gun in Farmingdale's opening 12-6 victory this year. Joe Naso had broken almost clear on the final play but 27-yards down field did not get that one last clearance which would have meant paydirt.

Thus the cause for the utterance related. Straight from 14-13 and 21-20 upsets of Port Washington and Glen Cove, Hicksville has fought back from the loss to the Dalers and the subsequent 20-14 reverse at Garden City to a point where the NSAA football championship still might be had.

A record crowd of over 4,000 is expected at the Comet gridiron on Tuesday afternoon, Election Day, to see if Howard Bower's boys can overcome an excellent Great Neck Squad and stay in the running.

Hicksville is now in a five-way tie for first place but is one game played up on three of its co-holders.

Confidence and health have marked Hicksville's resurgence. With the exception of the knee-injury plaguing Dick Stillman and he contributes most vitally at crucial points in the offense none-the-less Hicksville is sound and willing.

After three opening losses we stated before the original date for this contest had to be canceled that it was going to be one of these Saturdays and "it might as well be this, Hickville 32, Great Neck 27."

Our selection is the same. The importance of the issue should reduce the score, Hickville, on the strength of solid home support 19-14.

The Hicksville High Junior Varsity lost a bout to darkness and Glen Cove this week. With the young Comets on the Glen Cove ten yard stripe and the score 19-13 against them the official had to call the contest although only one minute had elapsed in the fourth period.

It was a logical decision under the circumstances but left the JV a bit disheartened. Henry Kaszak scored both the Orange touchdowns on plunges and Martin Schulman tallied the extra point which could have been all important had daylight held out.

A two-week layoff caused some rusty spots but the Hicksville Junior High added a third victory to its 1957 undefeated string with a 14-0 conquest of Carle Place.

Henry Cierski picked up a fumble in mid-air, forced by a hard charging Comet line, and blazed 70-yards downfield for the first score in the second period.

Robert Moore charged over tackle for the extra point. Late in the third period Robert Cerone broke up the middle and rattled 73-yards for the decider.

Cerone then added the extra marker with a perfect pass to Brad Jeworski in the endzone.

Previous victories had been recorded over Farmingdale, 19-18, and Bethpage 7-0. Four games remain on the schedule.

Physical fitness is a prime concern of the Hicksville High Physical Education Dept. and, although it gets little public attention, the work is seriously pursued with very fine results.

In the recent Physical Fitness Index some two dozen boys exceed a total score of 70 points and George Guligan and A. De Rose achieved a high of 79.

P. Snehel had a 78 and Harry Jalovarra and R. Hardwick recorded 76. Walter Lehman bounced up with a mark of 77. Ted Greve totaled 75.

Others in the seventies were Mickey Moskow, S. Alfier, A. Center, Robert Stermer, John Pizarrella, Thomas Lodato, R. Redman, H. Oltaky, C. Glaser, H. Williams, J. Perry, Chris Elias, and Robert Otten. John Grandy, F. Parker, John Franco and William Wellon were all in the high sixties.

An added starter to the schedule of the Hicksville Jay Vee Football team will be Chamaine and the contest will be played at the high school gridiron this Saturday Morning at 10:00 a. m.

The Hicksville Booster Club is so anxious to get even for last year's defeat at the hands of the Faculty that the annual game has been scheduled early this year. It will be the third week of November and tickets are on sale now. The Faculty came up with a secret weapon last winter to win by two points in the final seconds.

An annual Fall Sports Dinner will be held by the Booster Club in the high school gym the first week of December.

Response to Pressure

Win Delayed Doubles, Tennis Title

SEA CLIFF--Seeking to clinch its first NSAA Eastern Tennis title here, Monday, Hickville High was stumped as North Shore High upset two Comet singles aces to take a 2-1 before darkness intervened to put off the decisive Doubles.

After an anxious twenty-four wait the Comets returned to the courts and saw Phil Ferro and Michael Sherin combine to win the first match 6-2, 3-6 and 6-1. In the final match Paul Scalzetti

and Bob Goebel won the title outright over the Orange and Bluffs 6-3, 6-3.

Hickville entered the matches with a 6-1 record and second place. North Shore balanced a 5-2. Comet losses would have forced a special playoff for the cup.

Vital in the 3-2 decision, and such hair splitting decisions marked Hickville's journey to the title, was a singles win by Phil Lomenzo 6-4, 6-0 the day previous.

Once it trailed 1-2 Hickville was regarded as only an even bet to win just one of the doubles.

A 4-1 win over Glen Cove on Friday moved the Comets to the final dramatics.

Lomenzo won 6-2, 8-6. Veteran Alex Althausen polished off a 6-3, 6-3 verdict. It was a Ferro-Sherin 6-3, 6-4 doubles win over the Covers and a 6-4, 6-3 triumph for Tom Bean and Goebel.

Capsule Play by Play

Comets Outfight Covers 21-20

Hickville High steamed into Glen Cove City Stadium fresh from its 14-13 upset at Port unimindful it was tabbed a two TD underdog. Dick Zarczynski bounded on a fumble on the Cover 23 to open the gates. Greves starting off on 26 rushes that netted 104 yards during the game poured down to the 1. Stillman entered the game on fourth and goal and slipped between tackles. Greves swept wide to make it 7-0.

The Covers returned a violent 42-yard pass bolt that knotted the count on the second play from scrimmage.

Greves, Bill Wright and Stillman punched out a 76-yard touchdown drive in the second period after Howard Bowerman had intercepted a pass. Greves got the marker. The point was missed.

Later in the period Naso pitched 16 yards to Fritz Pawlithek who cut nicely for 26 more and a score.

the point was missed again. Just before the half the Cover ground power asserted itself and a 47-yard march made it 19-13.

Hickville got to the Cover 11 in the third period but lost on downs. An attempted wide end sweep was spotted by Wright and he nailed the runner in the endzone for a safety. The Score moved to 21-14.

Early in the fourth a 46-yard pass got the Covers their third TD. The plunge for the tying point resulted in a fumble and Hickville was sustained 21-20.

With two minutes remaining the losers moved from their 30 to the Hickville 24. One pass was caught out of bounds by a fraction of an inch on the two yard line and the final play saw Leftman just flick the ball from the waiting finger of a green shirt beyond the double stripe.

Former Champ Coming on Nov 8

by JOE MOONEY

Ex-middleweight champ Billy Graham, one of the few boxers to ever beat Sugar "Ray" Robinson when they were both amateurs, will be the top sports guest on Nov. 8 at the Father and Son Smoker of Holy Family's Holy Name Society in Levittown Hall, Hicksville.

Graham, now 38 and a resident of West Copiague, will share the spotlight with 16 young boxers from the Police Boys Clubs of Uniondale, Inwood and Glen Cove who will compete in 8 official exhibition bouts. The boxing card will be scored in the PBC record books.

Two years ago, Graham hung up after 14 years of slugging leather with champs Carmon Basilio, Kid Gavilan, Joey Ciardello and Paddy Young. In that time he won 130 bouts, lost 15, 9 of these via the split decision route.

But even on the thrills that Graham provided will be overshadowed slightly by a 50 ton M-47 Patton tank that did more than its share of slugging with the 40th Infantry Division in Korea.

The tank, manned by members of the 326th Tank Battalion, will be wheeled from its Bellmore garage to the hall's patio under the command of Major Richard Bernick, Captain Richard DuBrui, armored tankvet, will be the officer in charge. He'll explain what makes the Patton tank tick.

Before the lightweights, middleweights and heavies start in mixing it up under the watchful eye of Frank Ahearn, PBC side, there

will be a program of entertainment and sideshow events starring the North Fire Department Band, the Mid-Island Marine Corps League color guard a skin diving and underwater equipment display by Fred Mazan car and midget races, soap box racers and a roving clown.

A trampoline act featuring George Columbo as the man who floats through the air and a Bulova Watch School timing exhibit will complete the preliminaries, according to John Cochrane, chairman.

Other committee members include John Keating, master of ceremonies; Frank O'Shea and Tom Corniskey, refreshments; Jim Kuhner, posters; Charlie Neglia, tickets; Vincent Luna, displays and sound; Nell McCracken, HNS president; Ed O'Toole, arrangements; Bernard Reilly, lighting; Jack Peplos, refereeing; Bob Haney, ring management, and Joe Mooney, publicity.

Prizes will include a master bicycle, footballs, basketballs, radios and a scale model Grumman airplane.

Tickets are \$1.25 for dads and \$.75 for sons. Starting time has been set for 7:30 P. M.

Honor Cadet

GAINESVILLE, GEORGIA, -- Among cadets recently honored at Riverside Military Academy of this city and Hollywood, Florida, is Stephen R. Forem, son of Mr. and Mrs. L. Irving Forem, 176 Floral Avenue, Bethpage.

Cadet Forem has advanced to the grade of Sergeant First Class in Riverside's military unit, and this promotion is of particular importance since Riverside, with 33 annual designations by the Department of the Army as Honor School.

Cards Move Up in League

by BILL SAKAL

HICKSVILLE-The Cards moved into Sixth Place in the Holy Family Section of the Nassau-Suffolk CYO Bowling League, at Woodbury Lanes, when they took 4 points from the Yanis, Al Reinheimer's high series of 594 (191) (194) (209) was the deciding factor in the closely fourth contest, bringing victory to his team.

CURRENT COMMENT

Meet You At The Polls

BY FRED J. NOETH

NEXT TUESDAY, Nov 5, is Election Day and we have made our position clear. We feel, as does the LI Daily Press, that our Republican town administration has been good government. We also feel that the Democrats have failed to make a case. As a matter of fact, it has been a little difficult to fathom out of their conflicting statements just what they (a) stand for and (b) agree upon.

Ed Fehrenbach is well known to folks in the mid-Island area. He was the first manager of the Town Hall Annex in Hicksville and more recently has been the deputy to the Town Supervisor. He is a personable young man not given to rash, slam bang campaigning. In contrast, his desperate opponent has built a multi-level, rickety structure which he calls a platform. It began with one or two items (notably, let's stop all home building to reduce school taxes, believe it or not) and has gone right on down the line with promising to double unemployment insurance and all kinds of other fantastic gimmicks aimed only to wean a few votes. Let's send Fehrenbach to Albany as a worthy successor to John Burns.

We urge your vote for John Burns for Supervisor and the Republican team of town candidates. Previous comment has been made in detail on this.

We feel we should call your attention to the top of the voting machine. There is a Question No. 1 and an Amendment No. 1. A NO vote on Question No. 1 is urged. This is the constitutional convention issued which is widely opposed across the state and, peculiarly, finds strongest support only in Tammany-controlled New York City. A YES vote on Amendment No. 1 is urged. This is for higher education for our children.

See you at the polls on Tuesday. They open at six in the morning and close at 7 PM sharp.

Professor Visits At Dutch Lane

Dr. James Maxwell, Professor of Education of Edinburgh University, Scotland paid a visit to the Dutch Lane School in Hicksville on Oct. 23. Dr. Maxwell is currently teaching at Columbia University under an exchange program and has selected our school

as his introduction to the American Public School System. Raymond Pressman, 6th grade teacher at Dutch Lane and Dr. Maxwell's assistant at Columbia University, is responsible for Dr. Maxwell's visit.

RICHARD M. NIXON, Vice President of the United States, endorsed Congressman Henry J. Latham for Justice of the Supreme Court in the 10th District last week when he spoke at Garden City. Said Mr. Nixon: "I served with Henry Latham for many years. Besides his 25 years practice as an attorney, his years in the New York State Legislature, he has the temperament needed for a good judge. In these days, more than ever, we need men on the bench who have sound judgement as well as a knowledge of law."

HERALD READER OPINION

THANKS PYNCHON

To the Editor:
Please allow us to say "Thank You" to Mr. Thomas Pynchon, William Reichert, Greco Bros. contractor, Mr. Remson and his crew of workmen for the beautiful new curbing along Linden Blvd.

Drive over and see for yourself the nice job done. Again, I say thanks to all. It improves our street tremendously.
