Proceeds were for the Rotary Welfare Fund. (Herald photo by Rotarian Frank Wolfert)

**HOME ON LEAVE:** Airman 3/c John Lorenzo of 31 Pollock Pl., Hicksville, is greeted by American Airlines' Royal Coachman Eddy Nugent as he arrives at Idlewild Airport for a ten-day Thanksgiving leave. Nugent was on hand to welcome American's new Royal Coachman flight from Dallas.

## CONTEST IN JERICHO ELECT FIRE DISTRICT COMMISSIONERS DEC 3

Election of commissioners of fire and water districts in mid-island communities will take place on Tuesday night, Dec. 3. While there is no contest in Hicksville, there is competition in Jericho and Plainview Districts.

Harry Gleckler, concluding his fourth term in office as a fire commissioner of Hicksville, is apparently unopposed for re-election. Voting takes place at the E. Marie St. firehouse on Dec. 3 from 7 PM to 10 PM.

In Jericho, incumbent Fire Commissioner Harry Stewart is being opposed by ex-chief Rene Maufrey. Voting takes place at Jericho firehouse on Dec. 3 between 7 and 10 PM.

Plainview elects a water commissioner for a three-year term on Dec. 3 with polls in the water district administration office at 10 Manetto Hill Road from 1 PM to 10 PM. Incumbent N. William "Bill" Bennett, candidate for re-election, is opposed by Mac M. Singer.

Henry E. Strauber, age 56, is running for re-election as fire commissioner in Bethpage. His campaign committee pointed out this week:

"Strauber has devoted a total of 66 years serving various civic endeavors in Bethpage. Of course, the various offices held by Strauber are all lumped consecutively ranging from Board of Education, Red Cross, Civil Defense, Boy Scouts, Fire Commissioner and various administrative posts in state and local fire societies.

"According to genial and civic-spirited Henry Strauber who has a 30-year record in an executive post of the Brooklyn Union Gas Co., "When it comes to the advancement of Bethpage as a community, I will always be the first to serve in the front lines."

## Elderly Man Found Dead Special To The Herald

**EAST DUNHAM, N.Y.**—The body of 78-year-old Charles Fred Wallen of 174 Perigos St., Hicksville, missing since July 19, was found Sunday evening by three hunters at the edge of the creek where he was last seen alive.

From the position of the body when found it is assumed by authorities that he was fatally stricken while dressing after his swim. Wallen had been spending a vacation at the Catskill resort at the time. Although an intensive search was conducted at the time of his disappearance, it has been learned that the search was most thoroughly made on the opposite side of the creek from where the body was found.

His family theorizes that he went to the other side to change because dense foliage there gave him the privacy he desired. An autopsy (continued on page fifteen)

## Reardon Children's Benefit Show Friday

(See photo on page 13)

**BETHPAGE** - A two and a half hour stage show, featuring professional entertainers from TV and radio, will be a highlight of the Seven Reardon Children Trust Fund benefit show this Friday night, Nov. 29, at the High School, here. Tickets are \$5 each. They may be obtained at local offices of LI National Bank of Hicksville or at the door. A special award of a week's vacation at the Surfside Plaza Hotel, Miami Beach, Fla., with airplane transportation both ways for two, will be made during the evening. The committee promises an enjoyable evening for all attending.

## Witte At Governor's Institute

**ALBANY**—S. Arnold Witte of Hicksville, counsel of the Commerce and Industry Association of N.Y. Inc. was among the program participants in an Executive Legislative Institute held at the Executive Chamber, here, on Nov. 19, at the call of Gov. Averell Harriman. Witte is also attorney for the Hicksville School District.

A four-hour discussion was held here attended by more than 200 representatives of civic, business, labor, church and social agencies. Welcoming the group, Harriman said it was his aim "to bring the government closer to the people and to increase public participation in government from the policy-making stage forward."

## Set Hearing On Expressway

**ALBANY** - John W. Johnson, State Superintendent of Public Works, announced here that a public hearing will be held from 10 a.m. to 12 noon on Tuesday, Dec. 10 in the Oyster Bay Town Hall to consider a proposed highway project on the Wantagh-Oyster Bay Expressway.

Johnson pointed out that Section 116(c) of the Federal Highway Act (1956) provides that State Highway Depts. in connection with submission of plans for a Federal-aid highway project may hold hearings at which the effects of such construction can be publicly discussed. Transcripts of these hearings are forwarded to the Federal Commissioner of Public Roads.

A brief description of the project, which was the subject of much controversy two years ago, follows:

The project extends from Wantagh Causeway, south of Merrick Road in Wantagh and passes through Seaford, Wantagh, Plainville, Bethpage, Plainview, Woodbury, Syosset and Oyster Bay to a north-

erly terminus near South Street in Oyster Bay. Its total length is approximately 17 miles—all in Nassau.

The hearing will be conducted under the general supervision of M. E. Goul, district engineer in charge of the Department's office in Babylon. Written statements—for the official record—may also be filed with Goul within five days of the date of the hearing.

## Visits Northport

The Ladies Auxiliary of the Sgt. Ben Levitt J.W.V. #655 of Hicksville made the Northport Veterans Hospital's visit for this month on Nov. 24.

On Thursday, Dec. 5 the members of the Auxiliary will hold an Oneg Shabat at the Temple of the Northport Veterans Hospital at 2 P.M. Sandwiches, drinks, cigarettes and sweets will be served. A Chanukah Party for children will be given on Sunday, Dec. 22 at 2:30 P.M. at the East Nassau Hebrew Congregation, 310A So. Oyster Bay Rd., Syosset.

## Commuters Set Up Committee

The Plainview Community Council held an open meeting at the Manetto Hill School, Plainview, for residents of Plainview and Old Bethpage to discuss the subject of commuter parking at the Hicksville Rail Road station. The meeting was addressed by representatives of the Long Island Rail Road and of the Hicksville Chamber of Commerce.

There was much heated discussion from the floor and the speakers were repeatedly challenged. Among the proposals advanced were the

following: expanding bus service to the R.R. station; opening up a new station stop at Grumman's, where there are presently about four undeveloped acres available for parking; opening up access to the western end of the station and the construction of an overpass; and creation of an Oyster Bay Township rather than a Hicksville parking authority.

The meeting was chaired by Arnold Krinsk, chairman of the Community Council. At the conclusion of the meeting

a committee was set up to go into the matter further. Under the Chairmanship of William Hort of 7 Randy Lane, Plainview, its members included: Saul Rosenblatt, 16 Judith St., Steven Lieber, 29 Shelter Hill Road; Bernard Robinson, 27 Shelter Hill Road; Richard Burke, 3 Nauticus Ave.; Bernard Brill, 85 Audrey Ave.; and Arthur Pfeffer, 10 Abbey Lane. Any interested commuters are invited to join the committee by calling Hort at WE15 8-0991.

# Firemen Were Busy Saturday

HICKSVILLE-- Saturday, was a busy day for the Fire Dept., here, with four alarms and an ambulance call during the day. In addition, two other alarms kept the volunteers busy during the period of Nov. 19 thru Nov. 25.

The fuel tank oil at the Mangan residence, 57 Berkshire Rd., blew open on Nov. 19, spreading the oil all over the basement floor, and the vamps were called to prevent it from catching fire.

On Nov. 21, they put out a grass fire on John Rd.

The first of four fires on Nov. 23

was in the upper story of the Rhoda Crosby residence, 146 Acre La.; the next was an auto and garage fire at the Ed Fitzpatrick residence 92 Myers Ave., which caused considerable damage. The third fire that day was in the upper story of the Charles Muzza residence, 103 Bethpage Rd.; and the last was an oil human fire in the residence of Milton Eisenstat, 47 Arch La.

That same day, Edward Stemmann, 56 of 108 West Marie St. was taken by Fire Dept. ambulance to Meadowbrook Hospital.

## Old Country P-TA Hears Carpenter

The November meeting of the Old Country Road P-TA was held at the school in Hicksville, on Nov. 20, at 8:15 P.M. Mrs. Harry Graham, president, called the meeting to order. Mrs. Edwin Roche read the P-TA prayer and

the Pledge of Allegiance was led by Herman Doberman, fourth grade teacher.

A film on vandalism in Hicksville schools was shown and narrated by Allan Carpenter, vice president of the School Board and former parent of Old Country Road School. He suggested many ways by which the children themselves could be encouraged to take more pride in their own school.

Gardner Gregory, Audio-Visual Director, showed how the use of slides, maps, globes, movies, etc., improves learning, shows the meaning of, gives good and actual concept of things and provides a greater interest in subjects. Children will learn more and faster if they are interested.

## Dear Jean:

The fine publication of Charles Wagner American Legion Post came up with a scoop this week: GUY SMITH, new commander of Post 421 in Hicksville, has a brother, JAY, who is commander of the Wayland Post -- 1000 miles away -- in Michigan. The paper reports: "In Michigan or New York it's the Smith brothers -- not the tough drop kids, but Legion commanders."... Fire Co. No. 6 of Hicksville Fire Dept. will hold a Christmas party for children of members on Dec. 22 at Strong St. firehouse.... The Ladies of the Rosary-Altar Society of St. Ignatius Church will hold their annual Christmas Sale on Saturday, Nov. 30, from 1 to 9 PM. Santa will be on hand at 2:30 with free gifts for the small fry. As usual the display will consist of home made - laces, aprons, doll clothes, home made bread, cakes and cookies.... Mr. and Mrs. CHARLES deSHAW and family moved from Brittle Lane, Hicksville, to their new home in North Brentwood on Friday.

Auditor SOL NEWBORN, former president of Plainview School Board is preparing the quarterly audit of Hicksville School District.... MICHAEL M. D'AURIA is the newly elected president of Plainview Kiwanis Club.... Auto registration plates for 1958 go on sale on Monday, Dec. 2.... You get two new plans next year.... Prof BRISTOW ADAMS died on Nov. 19, eight days after his 82nd birthday. He was one of the best friends the weekly press of New York state ever had. We recall with pleasure the invitation from him almost 20 years ago to our editor, FRED NOETH, to speak at a meeting of the upstate press at Cornell.... A one year study of benefit claims indicates that unemployment insurance is a secondary concern to tens of thousands of people when they lose their jobs. Forty per cent wait until they are out of work a week or more and twenty per cent wait at least four weeks to file for benefits.... Hickville High students are competing this year, for the first time, in the National Office Management Association's Spelling Project.... whatever that is.... Hickville Rotary will not meet this week, Thanksgiving Day.... North Bethpage Civic Assoc has nominated MARY WALKER for president. Election is Dec 18.... JOHNNY STARYK showed films on the milk industry at Hickville Kiwanis last week.... Hickville School Board meets on Wednesday, Nov 27, this week instead of Friday night.... State Dept of Public Works has set up a field office in the Professional Bldg., first floor....

The newly formed Ladies Auxiliary of the PBC of Hickville is selling tickets for the Premiere Opening of Century's Plainview Theatre. Proceeds from the sale of these tickets will go to the PBC building fund, and since there are only 200 tickets available thru PBC it is a first come first served basis, so get your order in as quickly as possible by phoning Mrs DIZINNO at WE 5-2779; Mrs BJORK at WE 1-7594, or Mrs FARARONE at WE 1-1833, any day after 3 p.m.

## Pack 291 Receives Charter

Cub Pack 291, sponsored by the PTFA of Trinity Lutheran School of Hicksville was presented with its Charter by Frank Loevi, District commissioner of the Tri-Parkway District on Nov. 21. With the Charter Loevi presented to Mr. Eriksen, the Institutional Representative, a plaque for achieving 100% Boy's Life, and the National Recognition pennant from the National Council, BSA in appreciation of the outstanding service this unit, its Leaders and Boys in the "Onward for God and My Country Program for 1957."

Following the presentation, Bruce Innes was inducted the Pack and awards were presented to William Kumlander and Richard Poltras who had earned their Wolf badges; Peter Eriksen, Bear; Michael Dias, Bear and two silver arrow points; Jeffrey Funfgeld, Bear and one silver arrow point; Bruce Ulmer, one silver arrow point to his Wolf.

Bruce Reinholdt was presented with his Webelos badge and was then accepted into Troop 291 by Scoutmaster Fred Dill.

A short skit "The Eight Doctors" was put on by the boys of the Webelos Den in which they were able to display some of their First Aid skills. All other Dens displayed their handicraft on tables which had been set up for them.

On Saturday, the whole Pack, together with adult supervision travelled to Kings Point by bus and viewed the morning parade of the Merchant Marine Cadets. This was followed by a tour of the Academy and then the football game between the Cadets and Hofstra College.

## Candlelight Circle Awards Turkey

Last week's meeting of the Candlelight Circle of Hicksville, was held in the home of Mrs. Charlotte McCarthy, 30 Link La.

The Annual Turkey Drawing was held at this time, and the winner was Charles Toria of Lindenhurst.

Thanksgiving baskets will be delivered to two local churches this week for distribution to needy families.

The Circle is busy planning and working on their Christmas projects for Meadowbrook Hospital and the Home For Aged King's Daughters and Sons, in Danville, N.Y.

A Christmas Social is planned for Dec. 19 at the home of Mrs. Lillian Meyerhoff, President of the Circle, 18 Grandview St., Huntington.

HAVE YOU EVER SEEN such a wonderful collection! Mrs. Clarence David of 29 Field Ave., Hicksville, has gathered up all the worn-out, discarded dolls that she could find and by working endlessly all year, has re-armed, re-legged, re-wigged and re-dressed each one of them so that they can compete with the brand new dolls that fortunate

children will receive on Christmas. Mrs. David's dolls are extra special—they go to retarded children of our immediate area including Nassau Sanatorium, Meadowbrook Welfare, St. Mary's in Bay-side. Why not gather up all your bright scraps of material and call Mrs. David. She's already working on next year's crop of "special dolls". (Photo by Mr. David.)

## 3rd Annual Book Week

The third Annual Book Event, sponsored by the 22 Nassau County Courts of the Catholic Daughters of America, will be held on Sunday, Dec. 8th, from one to five o'clock at Chaminade High School, Mineola. Open to the public, admission is free. Members of CDA Courts may obtain patron tickets through local Courts at \$1 each, which entitles them to a book.

His Excellency Walter P. Kellenberg, Bishop of Rockville Centre Diocese, is Honorary Chairman and will visit the event between two and three o'clock.

The purpose of the occasion is to acquaint the public with the vast amount of good literature available to all, and proceeds will be used for the partial scholarship at Molloy Catholic College for Women, and at a boys' and girls' Catholic High School, choice of school to be left to the winner.

The program includes a reading contest for fifth and sixth grade students, under the direction of the Sisters of St. Joseph of Sacred Heart Academy, Hempstead. An invitation has been sent to each parochial school in Nassau to have a representative student participate in the contest. For high school students, a poster contest featuring the Book Event is being conducted. Prizes will be awarded for both contests.

THE "FIXIN'S"!

It's Thanksgiving . . . these youngsters are thankful for their wonderful Mom, and — right now — for the wonderful dinner she is putting on the table.

And they can well be thankful today—and everyday—for their good home, and for the father and mother who always seem to know how to manage for their children.

#### GOOD MANAGEMENT OF THE FAMILY FINANCES

The family finances affect everything else—shelter, food, clothing, education, vacations, medical care—everything.

When Sam and Sally Spriggs need money they go to their local

commercial bank. By borrowing sensibly they can manage better, have the cash to carry out their plans, and to meet obligations when due.

In that way they protect and build up their credit standing, are able to borrow, when they need to.

#### PERSONAL LOANS USED IN MANY WAYS

Talk it over with your local commercial bank today — whether it's for new family needs or the consolidation of old debts.

Only your local commercial bank offers you one-stop banking service. Look to your local commercial bank for all your family banking needs.

## SPECIAL BULLETIN

FLASH: Dr. Weinrich, superintendent of schools of Syosset District No. 2, has informed the VILLAGER that the official opening date of the Robbins Lane School is January 14.

## Syosset Educational Committee Reports

by Ralph Diamond Chairman

The first meeting sponsored by the Syosset District Educational Committee of our Civic Assoc. was a tremendous success. The evening proved to be a delight to both the speakers and the audience. The speakers with their informative and interesting talks combined with the important and intelligent

question and answer session created a "living room" atmosphere, which was enjoyed by every one in attendance.

Mrs. Elizabeth Babcock, a member of our school board, captivated the audience with stories describing what our school area was like, when she was a young girl. Her vivid descriptions of fox hunting on the site that now embraces our homes, was absolutely enchanting. Dr. Weinrich, Mrs. Dondero, Dr. French and Mr. Collier were as equally effective in the presentation of their topics. As moderator, Leonard Smith performed his difficult task in a highly efficient manner, thereby adding to the success of the meeting.

Many interesting facts were learned by our residents that evening. For example, (1) Robbins (a) will have a cafeteria; (b) children living in Birchwood will not be transported once the road on Robbins Lane is repaired and considered safe; (c) children will have full sessions.

(2) Budget: School Board proposed a budget involving an expenditure of approximately \$3,800,000 for construction of a Junior High school and adding classrooms to 4 existing elementary schools. The building of a school on the Birchwood site of our community is not included in this current budget.

Many other subjects relating to transportation, school hours, curriculum, adult education etc. were openly discussed and authoritative answers given to each of these subjects.

At the close of the meeting your chairman promised the audience that our Syosset District School Committee would set up a sub-committee to study the budget proposed by the School Board. I am pleased to report that such a sub-committee has been formed and will make a detailed analysis of the budget and how it will effect us as residents of Birchwood. The results of their findings and recommendations of your Syosset District Educational Committee will be printed in future editions of the Villager.

In this edition of the Villager, which is devoted to the Syosset School District of our community, as chairman, I wish to thank publicly the cooperation given by the Civic Assoc. to our committee and to thank personally each member of our Syosset School Committee for the efficient, energetic and conscientious manner in which they have performed their services.

Members of Syosset District Educational Committee are Ralph Diamond, Chairman; Jerome Barnett, Horace Bernstein, Lewis Cohen, Morton Fishman, George Frankel, Allen Kaplan, Arnold Koplick, Isidore Karbel, David Mark, Bob Pamer, Leonard Smith Russell Smith and Edward Weston.

## Approve High School

The VILLAGER is pleased to announce that the voters of Jericho Union Free School District No. 15 have approved the proposition to construct a high school by the following overwhelming vote:  
FOR HIGH SCHOOL.....1,001  
AGAINST HIGH SCHOOL.....103

## Place Stone For New School

On Friday, Nov 1, the cornerstone of the George A. Jackson School was laid.

The inclement weather necessitated holding the ceremonies indoors. But the warm spirit that pervaded Jericho's newest institution of learning could not be dampened, regardless of the Weather Man's uncooperative attitude.

The invocation was delivered by Rabbi Paul Levenson of Temple Or Elohim. Then stirring talks were given by District Principal, Dr. Kenneth Lant, the Hon. A. Holly Patterson, Executive Nassau County; and Dr. B. Schmitter, representing the Birchwood Park at Jericho Civic Assoc.

A metal box was filled with envelopes containing names of all children, teachers, and personnel of the Jackson School. The box was sealed and placed behind the cornerstone for some future civilization to discover and ponder upon.

Musical selections by the school band and glee club under the direction of Mr. Norton were heard. The benediction was delivered by The Reverend Van Zanten of the Presbyterian Church of Roslyn.

"Were it left to my ordering, I should paint the school with pictures of joy and gladness" - Michel De Montaigne.

Mr. and Mrs. Alfred Richards of Maytime Drive returned recently from a trip to Nassau. The Emerald Beach Hotel held the Federer's Air Conditioner convention. A Treasure Hunt was played by guest and winners of First Prize \$500.00 silver dollars were Mr. and Mrs. Richards. Their sons Peter and Gary (who were with them then) won seventh prize \$10.00 silver dollar each. Mr. Richards is owner of P. C. Richards and Son.

## Town Approves Application

BULLETIN:--The Township of Oyster Bay approved the application by Sasnow and Schwartz for the sinking of gas tanks at a new location of the proposed gas station on Nov. 19th.

## Education Problems Aired for Syosset Section

(Allen C. Lyons-Photos)

Helping to acquaint Birchwood Park residents of the Syosset School District with present and future programs of Central District #2, the Syosset District Educational Committee of the Birchwood Park Civic Assoc. sponsored a meeting on Nov. 12, at the J. Irving Baylis School.

Over 150 residents of our community attended the meeting, the theme of which was "Educational Problems and School Taxes."

The speakers for the program delved into the many facets of school functioning and planning. They spoke in a clear and understandable manner which helped all in attendance to a better understanding of the nature of the School District.

The distinguished speakers were: DR. ERNEST WEINRICH: Supt. of Schools, who, prior to coming to Syosset, served in such professional capacities as President of the Assoc. for Supervision and Curriculum Development; Director of the German Education Mission to the U.S.; Director of Research, and later Asst. Superintendent of Schools in Schenectady. He spoke on the "Background of our School District."

MRS. ELIZABETH BABCOCK, School Board Member, who characterized her background as "holding all sorts of odd jobs," spoke on "The Organization of the School District." Mrs. Babcock is well known in the area, having lived most of her life in Syosset. She has served in the past as Chair-lady of the Schools Study Committee of the Child Study Association; President of the Board of Education of District #13 until centralization. She is a professional author-illustrator of children's books.

MRS. GRACE DONDERO, Principal of the Robbins Lane School, came to Central District #2 in Sept. 1955. She is a reading specialist who has the distinction of being the first reading supervisor on Long Island. She has worked at the Boston University

Clinic and professionally as the reading consultant to the Levittown, West Babylon, Valley Stream and Hicksville school systems.

She presented the group with much welcomed information concerning the now-being-constructed Robbins Lane School and the programs in progress for Robbins Lane students temporarily housed at the J. Irving Baylis School.

DR. WILLIAM FRENCH, Principal of Syosset H.S.: Came to Central District #2 last year after having served as Administrative Assistant at Evanston, Ill. and Principal of Moline Senior H.S. in Illinois. Dr. French discussed the "Secondary School Program" with the group.

JAMES COLLIER, School Board Member, is associated with a N.Y. Management consulting firm which specializes in making surveys for colleges, universities, public and private schools. Working professionally in such areas as school budgeting, purchasing, planning, construction, etc., and having served on the Citizens Advisory Committee for the planning of the present H.S., Mr. Collier is well qualified to discuss with the group, problems of "Building and Financing our School District."

Opening and making the concluding remarks of the meeting was Ralph Diamond, Chairman of the Syosset District Educational Committee. He welcomed the group by stressing the need for continued interest and action on the part of Birchwood Park residents in school affairs. A question-and-answer period that followed the speakers' presentation clearly demonstrated the deep interest of the audience in the educational problems of our children.

The meeting was moderated by Leonard Smith, Director of the Westbury Junior High School, who is a resident of Birchwood Park and member of the Educational Committee.

## To Oppose Gas Station

by George J. Frankel

At a special meeting of the Civic Assoc held on Tuesday, Nov 19, at the Robert Seaman School, the members of the Assoc voted to oppose a new application of Messrs. Sosnow and Schwartz to sink gasoline storage tanks on a new site on the Broadway-Hicksville Road. The vote was 121 to 84.

This special meeting to resolve the question of the Civic Association's position in relation to the gas station issue was called at the order of the Board of Directors, who agreed to be bound by the decision of the members of the Association. The motion "Shall the Civic Association go on record as NOT opposing the gas station?" was defeated after two hours of debate.

The meeting was called to order at 9:23 P.M. by Jerome Abrams, Pres. After a few opening remarks introducing the issue, a motion to close debate at 11:30 P.M. in order to allow time to vote on the issue was overwhelmingly carried. Mr. Abrams announced that Herb Shapiro, Chairman of the Board of Directors, would present the Directors' point of view. He said that the Committee in Opposition had been invited to present its case formally, but that he had been informed that this would not be possible.

Mr. Shapiro spoke for 45 min-

utes. The Chair then agreed to give the Committee in Opposition equal time to present its side of the issue. Mr. and Mrs. Syllusauer, Mr. and Mrs. Lester Zirin, Morton Liebowitz, Dr. Alex Greenspan and a few others argued against the application.

The meeting was attended by 325 residents, but only members in good standing of the Civic Assoc were permitted to vote. Ballots were distributed to members by a volunteer committee.

## Parent Assoc Meets Dec 2

There will be a Parent Assoc. meeting of the Jackson School on Monday evening, Dec. 2, at 8:30 P.M. The meeting will be held in the Robert Seaman School. Dr. Lant and Mr. Boles will be the speakers of the evening and Pertinent School Matters will be discussed.

All Parents are cordially invited to attend.

## HERE AND THERE

By Florence Berger

Bazaar held at Hicksville Garden Nov. 17, 18, and 19, sponsored by Jericho Jewish Center was a terrific success. Several thousand dollars was raised and was turned over to the Building Fund. Sid Block was Chairman assisted by Co-Chairman Mrs. Abraham Margolies and Eleanor Levine. Thanks to entire Sisterhood for their able assistance also to people who donated merchandise.

A Cerebral Palsy Luncheon for Membership was given at the home of Mrs. Sidney Kaplan of Maytime Drive. Assisting were Mrs. Irving Rifkin, Mrs. Harry Elchner, Mrs. Irving Kauf and

H-stess Trudy Kaplan. Twenty-five women attended. Nineteen new members were signed that afternoon. Most successful I would say. The date was Nov. 20. Everyone had a most enjoyable afternoon.

Drawing of the Keys for JJC Building fund drive will be held Dec. 5th at Mid-Island Plaza Central Mall.

Congratulations to Mr. and Mrs. Norman Thaw of Magnolia Lane on the birth of a 7 lb. one ounce boy named Wayne Howard.

Sincere sympathy to Adeline

Fialco of Hidgeow Lane on the loss of her father.

Mr. and Mrs. Samuel Berg of Maytime Drive are giving a farewell tea for her parents, Mr. and Mrs. Lillie, who spent a six months visit here from Weisbaden, Germany, and are leaving this week for home.

Happy Anniversaries to Mr. and Mrs. Morry Mann and Mr. and Mrs. Charles Smith, all of Birchwood Park Drive.

Best Birthday wishes to Jean Tobias of Maytime Drive, Mary Mann of Birchwood Pk. Drive and last but not least our Editor, Joe Schwartz.

Also celebrating a Birthday is two year old Jocelyn Sussman of Maytime Drive.

Saw a play Friday night called "My Sister Eileen" put on by students of Carle Place High School. It was delightful. Linda Mittelman as Violet was excellent. Also participating from Birchwood were Ellen Liebowitz, Barry Berger, Assistant Stage Manager, Andy Singer and Mark Lillenstein assisting stage hands. Judith Grabel as "Eileen" and Marilyn Mossman as "Ruth" were wonderful.

A Hadassah Board meeting was held at the home of Mrs. John Freeman of Maytime Drive, Thursday Night, Nov. 21. Mrs. Sol Pion from Great Neck, Vice President of Nassau-Suffolk Region was guest visitor with her niece Shoshanna visiting her from Israel. A most informal and enjoyable time was had by all. Refreshments were served.

## Birchwood's Thespians

By Irving Hershkowitz

Upon reading several scripts, the Birchwood Civic Assoc. Dramatic Group selected the John Golden production of "Three's A Crowd".

This is a 3-act family comedy that was presented on Broadway in 1942. It was also produced as a movie in 1943.

This script was chosen for two reasons. (1) Story: The story is quite funny. It deals with the humorous aspects of family life during World War II -- when deprivations of things that were always taken for granted became a symbol of patriotism. An example of the patriotism which this family displays in this hilarious comedy is best exemplified by the type of physician they accept

when child birth takes place in the family. The doctor portrayed in this play bears all evidence of a wartime man-power shortage. Despite the fact that the eyesight and hearing of this doctor is of such nature that he can hardly hear or see, he is called upon to deliver a baby. This is just one of the many laugh provoking bits that should draw lots of laughs. (2) Casting and Staging: Cast -- This type of play did not require any Barrymores--hence the casting was less difficult.

Staging: The technical details and sets involved for staging this production appeared to be a lot easier for a group of amateurs to cope with than many of the other scripts that were read.

The director, producers, and cast are comprised of Birchwood residents--all amateurs--who share a common interest--to give vent to their suppressed desires and tread the boards of dramatics.

These are dedicated people. They participate in reading rehearsals very religiously twice weekly, on Monday and Thursday evenings. They are supervised under the capable guidance and direction of a fellow Birchwoodite, Harold Pepper, who in his own right is merely a man of figures (the mathematical ones) and not a professional dramatic director.

The cast was given the opportunity of viewing this play on film. It enabled them to acquire a better perspective of the individual roles they are to portray. The film was acquired through the efforts of one of the producers, Marty Karpel. The film was borrowed from television station WOR by Marty and the cast feels greatly appreciative to Marty and WOR for the opportunity to view the various roles that they will portray.

There are still a few vacant roles to be filled. Anyone desiring to join this group should call the director, Harold Pepper at Wells 1-6277. Accompanying picture shows some members of the cast.

## Issues

By Gloria Brunswick

Issues do come; they always must go. There are human dilemmas we humans should know. Either we're anti; if not, then we're pro. The words sharp and heated we toss to and fro. We're sure when we scream, "He's a jerk--what a schmo!" But when it's all over, nature must we grow. And puff the old peace pipe, make friends with the foe. For the next issue's coming; it too, soon will go. That's what quickens the tempo in "dull" Jericho.

# Children Are His Business

by Al Ross

The residents of the Syosset section of the Village of Birchwood Park will possibly be the people most interested in the news that the Robbins Lane School will be officially opened Jan. 14.

This addition to the Syosset school system can be attributed in large measure to the genial, energetic Superintendent of Schools, Dr. Ernest F. Weinrich. Since his arrival in Syosset in 1955, Dr. Weinrich has been very instrumental in keeping that town's educational planning in step with the constant growth of the student population. At that time there were only five elementary schools. As of January 14, there will be 11 elementary schools plus one of the most modern and beautiful high schools in Nassau County. This wonderful expansion accomplished in the very short time of approximately two years reflects a great deal of credit on the man at the helm, Dr. Ernest Weinrich.

Born in Paterson, N.J., in 1906, he early in life found it necessary to exhibit the industriousness that spurs his way of living today. At the age of seven he was servicing two newspaper routes, one before and one after school. He was paid two cents per customer per week which hardly seems to make the effort worthwhile but little Ernest Weinrich stuck to it. His father was employed at a local mill as a silk weaver which even in 1913 was a dying industry. One of the greatest pleasures of young Ernest's childhood was hiking and some of his fondest memories were of walking along the old Hudson River trolley line from Paterson to New York carrying a bag of sandwiches prepared by his mother with a quarter in his pocket for spending money and fare back home. Five years from 1924-1929, in

the commercial field first as a salesman, then as an assistant buyer for Best & Company in New York only served to harden his resolve to do something of more lasting value than the pursuit of the almighty dollar. As Dr. Weinrich put it, "One must decide which course to follow in life, the struggle for more and more money or the satisfaction derived from doing the things we most desire to do only because we feel them worthwhile."

His ambition to become an educator sent him back to school and he received his AB cum laude in 1933 from New York University. Columbia University gave him his MA in 1936 and his Ed. D in School Administration in 1946.

Paterson, N.J., his home town gave him his first teaching assignment as a substitute teacher of German at the High School in 1933. From there he went to Bound Brook, N.J. in 1934 and taught German and history for six years until he became the Head of the History Department which position he held until 1944. Albany and the State Education Department called for his services for three years as a Senior Research Supervisor then sent him as the Director of Research to Schenectady, N.Y. from 1947 to 1949 when he was promoted to the position of Superintendent until 1955 which is the year he came to Syosset as Superintendent.

He belongs to many national and state educational associations and is an active member of the local Lions Club. He has been called upon for many special assignments most notable being the Directorship of the German Education Mission to the United States in 1948.

His charming wife, Ellen, is active on the High School Program

Dr. Ernest F. Weinrich

Committee and the PTA and son Ernest, Jr., 14, is in the 10th grade at the High School where his extra-curricular activities include playing the trombone and the baritone in the school band. His older brother Carl is the distinguished organist and interpreter of the music of Bach and has made many recordings. Albert, his younger brother is a V.P. at Barton, Barton, Durstine and Osborne of the country's largest advertising agencies.

His home charmingly reflects one of his most avid hobbies—the collection of Early American antiques. He also spends many pleasant hours listening to his favorite music including his collection of organ music played by brother Carl. At the close of our interview Dr. Weinrich allowed me to read the projected enrollment for the Syosset School District which in 1962 will be close to 10,000 pupils as compared to 5,762 today. It's easy to see that he has his job cut out for him for many years to come and that he is going to continue being as busy as he is right now.

## Reader Opinion

Editors of the Villager:

As a member of the Civic Assoc. of our community and as an attorney, I am gravely concerned about the lack of constitutional safeguards in the constitution of the Civic Association.

In these uncertain times, constitutional guarantees are foremost in our thoughts and are constantly reflected in the headlines of our newspapers.

Our government, both nationally and locally, although elected, must be subordinate to the will of the people. It appears that numerous members of our Assoc. are of the opinion, that our constitution does not make its officers subordinate to the will of the community, but merely makes the community a vehicle for the expression of opinion which is not binding upon our officers. I am diametrically opposed to this idea and believe that fundamentally and constitutionally, our officers are bound by the will of the community.

Since there is some doubt as to this important question, I propose constitutional amendments to protect the freedom of expression of our association. The constitution should clearly show this without doubt.

In addition to the aforesaid, various other changes are necessary in the constitution and/or by-laws. Specifically, but not limited, are the facts that no quorum has been set nor are there any grounds for removal of officers. Both of these defects are serious.

Furthermore, since our newspaper, THE VILLAGER, has maintained such a high level of reporting and of maintaining an editorial policy which is independent from that of the association, I believe the constitution should provide that the members of the Editorial Board be elected by the community and as such, would be completely free from any possible control from the officers and Board of Directors of the association. At the present time, the officers and Board of Directors have the universal right to appoint members to the Editorial Board and as such, discharge them with or without cause. I wish to clearly state, that such control has apparently not

## EDITORIAL: Special Meeting

The members of the Civic Assoc. of the Village of Birchwood Park at Jericho have gone on record as being opposed to the new application of Somow and Schwartz to sink gas tanks for a new gas station on Broadway. The debate at the special meeting last Tuesday night was long and heated, and there were many valid arguments on both sides.

The meeting was conducted in a fair and impartial manner. Both sides were allotted equal time to present their arguments, and the Chair repeatedly requested the members to give their full courtesy and attention to every speaker. In his opening statement, Mr. Abrams asked that the debate be confined to the issues at hand and declared that the principles of decency and fair play far transcended the issue of the gas station. Certainly he lived up to the standards he set, and because of his adherence to these principles, most of the debate was conducted on a high level, and confined to the pros and cons of the gas station issue. Now we can do no less than to put the bitterness of the last few weeks behind us and return to a calm state of neighborliness and friendliness, working together to accomplish our chosen objectives.

Some criticism was aimed at the Board of Directors for its ruling limiting the voting to members of the organization. Since any resident could become a member last Tuesday night by paying this year's five dollar dues, "The Villager" feels that this criticism was not justified. It may also come to pass, that someday, the membership will approve a resolution to exclude non-members from attending meetings.

## New Policy For VILLAGER

THE VILLAGER wishes to encourage all its readers to send in articles and letters to the Editor. Diversified opinions and spheres of knowledge make for a well-balanced, democratic publication, which is our constant objective. Because we are so limited in space, we must reserve the right to the final selection and editing of all material submitted. We will ask that letters to the Editor not exceeding 200 words, be submitted typewritten, double-spaced, and in duplicate. All contributions will be dealt with fairly by our Editorial Board. All contributors and interested persons are invited to attend the Board meetings every Monday evening. We of THE VILLAGER are exceedingly grateful for the many "bouquets" and weeds we have received from our readers. It is our intent to continue to improve THE VILLAGER to keep the community informed, stimulated, and amused.

Association take immediate steps to make the necessary changes in the constitution and by-laws so as to guarantee the rights so precious to the community.

WILLIAM KELLERMAN

TODAY'S QUESTION: Why is Russia's success with their Sputniks of such vital importance to us?

### THE ANSWERS:

**HARRY GODLES**, 56 Merry Lane: It makes us realize that the world we live in is growing smaller all the time. If this is for scientific purposes, I think it is marvelous; if it is used for military purposes, we had better get on our toes. Our government has awakened to our need for a concrete missile and satellite program.

**SAM SPRINGER**, 34 Mellow Lane: Since the world is split into two camps, each significant advance of their camp has influenced many nations. Consequently, the scientific development of satellites has had a tremendous impact throughout the world. Rus-

sia's sputniks reflect the reality of their enormous progress in science. I believe that Ike's statement that our satellite program should be directed towards "a giant step for peace" is an excellent idea.

**WILLIAM KELLERMAN**, 45 Merry Lane: It illustrates the fact that we have lost our leadership and dispels the myth of our monopoly of creative thinking and engineering "know-how"; and that we must direct our attention to a more critical appraisal of our inadequate educational facilities.

**SAM FABER**, 14 Hazelwood Drive: The importance to us of Russia's success with their sputniks is their implied advancement in rocketry and missiles. It indicates that their military potential in this field is much further advanced than ours.

## Managing Editor's Self Portrait

by Gilbert B. Stein

Anyone can get out a newspaper. We do. Anyone can be a Managing Editor. I am. My qualifications are impressive. I speak English, I admire people, I am volunteer happy. Man cannot live on bread alone. My family got used to it. The landscaper eats meat six times per week. The Builder can afford to drink (probably owns a bar). The grocer goes on vacation. The Steins vegetate. I am widely travelled. Hicks-

ville Jamaica-Penn Station. \$29.69 per month. Sometimes no seat. Always either with too much or too little heat.

My business is fabrics. It pays limited and unlimited phone bills. Also for coffee I serve at Villager meetings. Also for an automobile and a half. The half is what looks like a cigarette box, sounds like an earthquake and scares little kids on Open St. But you never knew there was an Open St. Well, there is.

A Managing Editor sells ads. I try. The results pay for postage stamps, photographs and lawsuits. I am the Bus. Mgr. of this paper. Very little business. No management to speak of. I see people and nod to them. I phone, visit, plead, cajole, encourage and infuriate them. The Board of Directors of our Civic Assoc. observes me while I sit in on their meetings. I order stationery, design advertising contracts and write poems. These never, never get published.

I organize everything and everyone except myself. The Managing Editor's position is one of prestige, little work except evenings and weekends. It is conducive to ulcers, bad temper and poor language. If you were to tell me that I love it... my reply would be YES.

### Another Exam

WASHINGTON, D.C. - Congressman Stuyvesant Wainwright announces that on Dec. 9 another designation examination is to be given. This exam is for any young man of the Congressional District between the ages of 17 and 22 inclusive, who seeks an appointment to one of the service academies in the July class of 1958 - and, who failed to participate in the Nov. 18 exam. Any qualified young man should call Congressman Wainwright's Washington office, Capitol 4-3121, ext. 483, prior to Friday, Dec. 6.

Richard J. Cohen, son of Mr. and Mrs. Philip A. Cohen of 827 Shari La., E. Meadow is attending the State College, N.Y. Medicine. Gilbert Cohen is attending Adelphi College.

## LEGAL NOTICE

1957, to continue for an indefinite time. No property other than cash is to be contributed by the Limited partners. None of the Limited partners have agreed to make any additional contribution to the capital of the partnership. The contribution of each limited partner is to be returned to him upon the dissolution of the partnership. In the event of the death of any limited partner prior to the dissolution of the partnership, the co-partnership will continue its existence and shall pay to the estate of the limited partner a sum equivalent to the amount of the capital account of such limited partner as of the first day of the calendar month next succeeding his death, including therein his share of undrawn profits at such date. Said sum of money shall be paid to the representatives of such deceased limited partner within one year after the first day of the calendar month next succeeding his death. The share of the profits or the other compensation by way of income which each limited partner shall receive by reason of his contribution shall be such portion of the profits as his contribution bears to the total contributed capital. Each limited partner shall have the right to substitute an assignee as contributor in his place, without any limitations whatsoever and, on such assignment, the assignee shall become a substitute limited partner. The consent of the general or limited partners to such assignment and substitution shall not be required. Additional limited partners

may be admitted, upon the consent of the general and limited partners. There shall be no right in favor of any of the limited partners to priority over any other limited partner as to contributions or as to compensation by way of income. The partnership shall terminate upon the death, insanity or retirement of the general partner. The limited partners may demand and receive property other than cash in return for their contribution. The general partner, MR. L. E. O'BRYNE shall be the managing partner and shall have the right and duty of executing and delivering powers of attorney granting broad management powers to agents residing in the countries where the partnership business is to be effectuated. # Babe Ruth, Little League Join Bantams Open Season on Grid

by Adele Sherwood

HICKSVILLE-- At the regular meeting of the American Little League, held on Nov. 13, it was voted that the American Little League and the American Babe Ruth League would affiliate for purposes of a coordinated baseball program for boys from 8 to 15.

For the past year, the American Babe Ruth League has been suffering from lack of public interest and financial assistance. Joe Kelly has been elected as president of Babe Ruth.

Urgent help is needed. Please call Tom Sherwood, WE 1-7857 or Joe Kelly, WE 5-0537 and offer your assistance.

## Jim Faichney Likes to Fly

NEW YORK - Jim Faichney's favorite form of transportation is the airplane. "It's the safest way to travel," he maintains. And he ought to know.

In addition to filming many shows on aviation, Faichney, who lives at 36 Violet Ave., Hicksville, has flown enough air miles to girdle the globe several times, and has, in fact, flown around the world in most every kind of plane you can name.

He is currently producing half-hour programs in the CBS News and Public Affairs series, "The Twentieth Century" - under the general heading of "The Air Age."

Producer Faichney, who was associate producer of CBS Public Affairs' 26-part "Air Power" series, recently received an Exceptional Service Award from the U.S. Air Force for "distinguished patriotic service."

And he plans to keep telling the story of airpower to the American public, by means of his shows in "The Twentieth Century" series. The third in the series "Verti-

jet," the story of the amazing new planes that take off and land vertically will be presented at 8:30 PM this Sunday, followed by "The Crowded Air," the story of air traffic control and its future implications in the jet age.

Born in Yonkers in 1917, Faichney has been in the film business since 1934. He began at Pathe News as a laboratory technician, worked in the cutting room as assistant film editor, and, finally, as editor of commercial and short-subject films.

In 1940, he went to Chicago briefly as chief film editor for the Chicago Film Studios. Soon, however, he was back in New York with Pathe, now an RKO subsidiary, writing, editing and directing a series known as "Pathe Realisms," a forerunner of a series called, "This is America."

In 1941, with war clouds hovering, Faichney went to work for the War Dept. in public relations. In 1943, he was commissioned a first lieutenant and placed in charge of all newsreel and short subjects for the Army Air Force.

### HARVEST HOP

The Holy Family Sodality will hold a Harvest Hop this Friday night, Nov. 29 at 8 PM.

### ELDERLY MAN

(continued from pg. one)  
was performed to determine the exact cause of death. The results are not known at this time, but the coroner said it seemed to be a stroke that took his life.

Burial was scheduled for Wednesday November 27 at the Lutheran Cemetery. Marybeth, 76, was the husband of the late Marie. He is survived by his daughter, Viola Spielman of Hicksville, with whom he made his home; two other daughters, Bertha Owens and Gladys Martin; three sons, Robert, Charles and Warren Wullen; 16 grandchildren, and five great grandchildren.

This past Saturday saw another full schedule of games played in the four St. Ignatius CYO Intra-parish Leagues, and the first game of the season by the St. Ignatius Bantams in an inter-parish contest.

The Bantams opened their season with a spirited but losing effort to their next door neighbors, Holy Family, bowing to the tune of a 55-16. The boys came out of this game bloodied but unbowed and with a strong determination to show this was just an off day. Many of their shots were those heart breakers which hit the rim and just failed to fall through the hoop. Leading the St. Ignatius attack was Bent with 7 points, followed by Douglas with 4 and Meakley with 3. High man for Holy Family was Huff with 18 points, followed by Henry with 11 and Murray and McAuley with 7 each.

Dec. 7 is remembered as Pearl Harbor Day, but in the Midlet League (Woodland Ave. School) it will be remembered as the day when the Eagles, who won over the Condors this week 17-4, meet the undefeated Hawks, who this

week held scoreless the Falcons to the tune of 18-0.

Brennan, Sullivan and Schaffner of the Eagles led the attack on the Condors, while on the other court the Hawk shooter again found the mark.

Don't forget all you Midlets from Woodland Ave. that your games of Dec. 7 will be played at Lee Ave. School.

The East St. Intermediate League saw two spirited games, the Comanches downing the Mohawks by a 21 to 6 score. Leading the attack for the victors were George Riedel and Dennis Gough, and for the Mohawks Greg Girmmer led his determined mates. The other contest saw the Apaches overcome the Senecas by 11 to 8 in a hard fought struggle. Charles Lang and Miles Bowler were outstanding in this one for the apaches, while Jack Breschard and Henry Carate led the Senecas.

The Senior Division opened its season with all six teams in full swing. These opening games saw the Lakers down the Celtics in a close hard fought battle by a 36-32 score. The Lakers scorers were led by Coletta, whose eye seemed to be in mid-season sharpness, sinking 26 points. The Celtics attack was highlighted by Thompson and Komen with 10 points each and Totten with 8. The Pistons set the Warriors down by a 14-8 score. Abrameld and P. Baldwin were high men for the Pistons with 4 points each, while Erbacher led the Warriors with 6 points. In the third game the Nationals played in mid-season form running over the Royals 48-14. Gramaglia was the big man for the Nats dropping in 23 points, followed by Schack with 15. Scott and DeRise were the leaders for the Royals.

## Dodgers Regain 1st Position

by Bill Sekel

HICKSVILLE - The see-saw battle between the Braves and Dodgers for the lead in the Holy Family Section of the CYO Bowling League still continues, and Second Position. Night found the Dodgers regaining First Place by taking 3 points from the Braves. They lead now by 1 1/2 points.

The Giants took 3 points from the Phillies to retain 3rd Place, and drop the Phillies to 5th Place. They were helped in this task by C. Allen, who posted a 594 series, and G. Thompson with a 500.

Ed Arundell of the Red Sox posted a 564 series, while team mates V. Radzinski posted 531 and J. Celenano posted 513, to take 3 points from the Indians.

Other high series of the evening were: J. Wingenbach 556; W. Jones 552; A. Reinheimer 539; H. Poole 527; E. Klapak 525; Loh 520; B. Nagel 518; B. Smith 517; H. Morganroth 513; R. Carline; 509; F. Finan 506; J. Audia 503; and W. Gribbons 508 and a 225 game.

**ROBERT W. CORCORAN**, Hicksville attorney, has been elected President of the local division of the Ancient Order of Hibernians. The election marks the second year of the Order's existence in the Mid-Island area.

Also elected for the coming year were the following officers: George Cunningham, Vice-President; John Atkins, Recording Secretary; Daniel T. Morrison, Financial Secretary; William Gray, Treasurer; James J. Cummings, Chairman of the Standing Committee; Frank Mangano, Membership Chairman; William F. Minihan, Chairman of Irish Missions; Vincent P. Hilly, Marshall.

## Theatre Opening on Dec 26

Leslie R. Schwartz, President of Century Theatres, today announced that Plainview's new Century Theatre will have a traditional "Hollywood-style" opening Thursday evening, December 26, with all proceeds going to Mid-Island area religious and youth groups. The evening's activities will include a premiere performance of a newly-made film plus the appearance of a group of leading film personalities.

Mr. Schwartz pointed out that tickets have been distributed to various religious organizations and youth groups in the Mid-Island area who will dispose of them and retain the premiere performance's proceeds for their organizations' many fine and worthwhile projects. "The new building on South Oyster Bay Road, near Woodbury Road," Mr. Schwartz said, "is the most modern theatre to be constructed to date on Long Island. It is of stadium-type design and will furnish the thousands of people residing in the Mid-Island area and environs with the most comfortable accommodations and highest-type of motion pictures entertainment available."

Tickets will be available from Police Boys Clubs' representatives.

## Start Miller Road in Spring

OYSTER BAY - Superintendent of Highways Thomas R. Pynchon announced today that repaving and resurfacing of Miller Road from Robbins Lane to Woodbury Road, Hicksville, will commence in early Spring. The \$87,000 improvement job is part of the Highway Department's \$2 million program.

Rather than inconvenience the homeowners in the area by authorizing major construction during the cold weather, Pynchon said the Highway Dept. will carry out general maintenance on the road throughout the winter and construct the new road when the weather is more suitable for this type of heavy road improvement work.
