The 20 foot tree was erected Sunday by a group of 10 Rotarians and is expected to be illuminated this week. It is available for the use of any local groups for carol sings or other programs. Dobson said no advance arrangements or appointments are necessary. (Photo by Rotarian Frank Mallott)

BOARD SELECTS REC DIRECTOR

HICKSVILLE -- The School District will probably have a paid Recreation District on the job after the first of the year. The Board of Education authorized Dr. Wallace E. Lamb, superintendent, to employ a director at \$9000 a year following an executive session last Friday night. No names were mentioned.

Dr. Lamb said yesterday that the applicant favored by the Board has not given his decision as to his availability. He hoped to have a report for the Board this Friday night.

FOUR TO ONE

The vote on authorizing the hiring of the recreation director was four to one. Voting in favor were Allen Carpenter, Jerry Zettler, Robert Goodrich and Robert D. P. Eston, President Emil J. Szendy voted no, insisting there should be a program developed on recreation prior to the employment of a director. Two Board members were absent.

The Board and Dr. Lamb went into executive session at 12:25 AM to consider the Recreation Director matter. The public meeting resumed a half hour later and an immediate motion was made to authorize Dr. Lamb to hire the person without mentioning his name.

About 10 candidates for the position had been previously interviewed by the Board members in informal, off the record sessions.

DISTRICT TO PROTEST Face Five Years' Retirement Contributions for Goebel

HICKSVILLE -- The Board of Education is prepared to go to court if necessary to forestall the payment of upwards of \$3500 of the taxpayers' money to Harry H. Goebel, former attorney for the school district, in the form of contributions to his retirement over the next five years. The district has until Jan 9 to protest a ruling by State Comptroller Arthur Levitt regarding the status of Goebel while attorney in 1956-57.

By a vote of four to one (Robert Eaton abstained), the Board last Friday night adopted a motion authorizing the present School Attorney J. Arnold Witte, to proceed with the necessary steps to forestall payment to Goebel. Goebel had apparently been a member of the State Retirement System for several years prior to his designation as School Attorney a year ago in July. At the beginning of the new fiscal year when Witte was named attorney in place of Goebel it became known that Goebel had been included in the

Bad Weather, Vamps Busy

HICKSVILLE -- As is usual, when the weather is bad, the Fire Dept. is kept the busiest. Last week was no exception as the Fire Dept. answered nine fire calls and two ambulance calls.

A grass fire on So. B'way near Shady Maple Park, called them out on Dec. 3; and the next day they rushed Vincent Lo Gerfe of 35 Cedar St., 7 yrs. old, to Nassau Hospital in the ambulance with appendicitis. On Dec. 5, they put out a fire in the Lo-Car Trucking Co. bldg. at 100 Duffy Ave.; an oil burner fire at the Resnick residence, 109 Flamingo Rd.; and transported John Elliott, 31, of 50 Linden Blvd, to Meadowbrook Hospital, with an abdominal condition, by ambulance.

Pay TV Here Is Uncertain

HICKSVILLE---Pay-TV originating from the local Theatre, if and when it becomes a fact, will not interfere with the normal public operation of the local motion picture house, the HERALD learned yesterday.

The proposal to operation pay-TV from the Hicksville Theatre is surrounded by a great deal of uncertainty and some people in the theatre industry, have expressed the "off the record" opinion it may not come into being here for some time, if at all.

The story broke in the daily press last week that Selectivision Inc was going to use Hicksville as the centre of operations for pay-as-you-look television. The management of the Hicksville Theatre told the HERALD that Selectivision is not connected with the Prudential Theatres, owners of the local theatre.

When the service may go into operation, estimated in some published reports as May 1, is a mystery to the local management of the theatre.

It has also been reported that major motion picture distributors may not release their newest films for local paid-TV circuit viewing.

Fred Staats, 44, of Valley Stream, was dead when police arrived at his home when his car apparently skidded on the slushy street. It was reported he had a medical history of heart trouble.

MORE THAN 500 HOMES IN PROSPECT: Home Developers Move In As Press Wireless Departs

HICKSVILLE--Press Wireless Inc. just about finished moving its radio transmitters from Cantiague Rock Road, here after being located at the site for 27 years when the home developers began to move in. Construction of about 600 homes on almost 150 acres formerly occupied by the news transmission installation are definitely in prospect today.

Press Wireless Inc chose the local site in 1930 for the transmission of messages all over the world. By 1938, the plant covered 22 acres and more than a million words a day were passing thru here enroute to Mexico, Berlin, Japan, England and other foreign lands.

The plant has been moved 35 miles east to Centereach without interruption of the 1,250,000 words a day now transmitted to 62 countries.

GREW DURING WAR

The operation involved a small transmitter station on the west side of Cantiague Road. During World War II, the operation was greatly expanded when Press Wireless went into the production of transmitters and the training of Armed forces personnel in its use. At one time it employed more than 300 persons and utilized the second floor meeting room of Hicksville Firehouse for adminis-

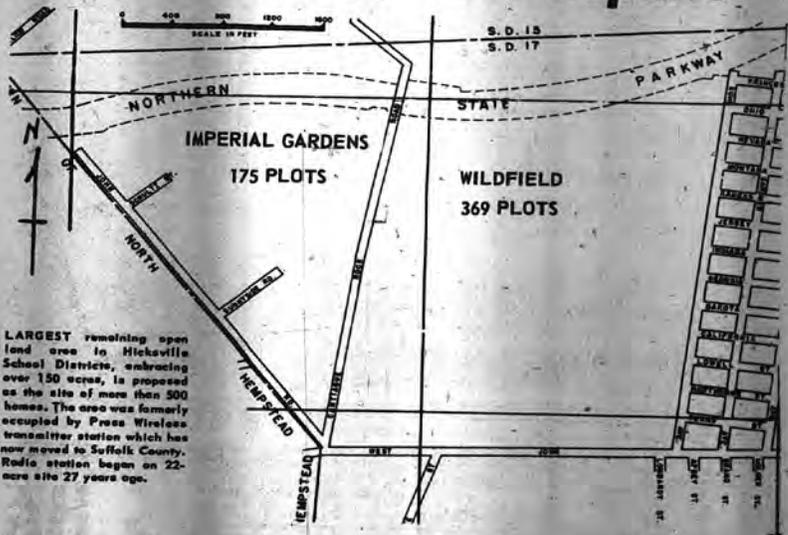

trative and engineering offices. Normal operation of the transmitter required less than 40 persons.

The plant utilized more than 100 acres in the area for a forest of poles to hold its antennae. Out at Centereach, they have put up 1,561 poles and utilized 24 tons of copper wire for their new facilities.

William J. McCambridge, president of PressWireless which was formed about 30 years ago by newspapers and press associations for specialized handling of news, called the job one of the fastest and most extensive moves of a transmitting station in the history of international communications. Erection of new antennae began Oct 2 and transfer of the transmitter of the transmitters Oct 21.

In May of this year the HERALD reported that a group had bought

LARGEST remaining open land area in Hicksville School District, embracing over 150 acres, is proposed as the site of more than 500 homes. The area was formerly occupied by Press Wireless transmitter station which has now moved to Suffolk County. Radio station began on 22-acre site 27 years ago.

Confraternity Numbers 421

Hicksville - The regular monthly meeting of the Plus X Society of St. Ignatius Loyola Confraternity was held Dec. 2. Rev. Lawrence Ballweg, Moderator led the opening prayer.

The membership committee's efforts has swelled the number of members to 421, the highest to date. The Cake Sale and Raffle was a

fine success. Father Ballweg, officers and Mrs. Eugene Waters and Mrs. Walter Diak of Ways and Means, wish to thank all who participated to make the sale such a success.

The CYO paper collections will hereafter be held on the third Saturday of the month, rather than the second.

Unless parents of eighth grade Confraternity boys and girls show more interest and enthusiasm in this program, there will be no eighth grade graduation next Spring, it was reported.

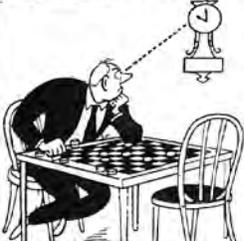

Mrs. Robert Nankeville, delegate to the Nassau Council of Catholic Women, reviewed the highlights of the recent open NCCW meeting held in Hicksville. Mimeographed copies of current activities of the Council were distributed to familiarize the membership with the work of the Council.

Father Ballweg stressed the value of the lessons on the Sacraments to both children and parents. He discussed the Miracle of Lourdes and Fatima, asking general participation in the recitation of the Rosary on the first Saturday of each month. Slides and discussion on the Miracle of Lourdes will be shown in Confraternity classes in honor of the 100th Anniversary of Lourdes next Spring.

A Bugle and Drum Corps under the direction of Thomas Costa is to be organized. Participation is open to St. Ignatius children and Confraternity children, all in sixth grade and up. Further information will be forthcoming in notices.

Rev. Charles Clark, Assistant Pastor of Our Lady of the Blessed Sacrament R.C. Church, Bayside, was guest speaker. His talk on the "Mass" was most inspiring.

Lutherans Plan High School

The Rev Edward H. Stammel, pastor of Trinity Lutheran Church of Hicksville, announces that the Lutheran churches of Nassau and Suffolk Counties have banded together in a common goal--to found and maintain a Junior and Senior High School to be located near the County line. A campaign to secure 7500 association memberships will begin as soon as is feasible at the turn of the new year.

These decisions were reached, Pastor Stammel announced, at a meeting of seventh delegates of laymen representing 26 Lutheran Churches in Nassau and Suffolk Counties. Chairman of the meeting was the Rev. Rudolph P. F. Ressemeyer, pastor of Our Redeemer Lutheran Church, Seaford.

Accompanying Pastor Stammel and representing Trinity Lutheran Church were John Bichsel, Karl Birnstein, Theodore Hoffman, Wilfred Jackson Charles Schwing Vernon Wagner and Sigfried Widder, and Raymond Yeadon. The meeting was held Monday evening, Dec. 9 at St. Peter's Lutheran Church, Huntington Station, the Rev. John Kavasch, pastor.

Refreshments were served by a group of women of the Huntington parish.

Square Dancing

All those who attended the Square Dance on Saturday evening sponsored by the Mid-Island chapter of Jewish National Homes for Asthmatic Children at Denver, Colorado; had a wonderful time.

The caller, Skee Carter, also played some riotous games with the audience participating.

Mothers Stage Christmas Party

HICKSVILLE---The St. Ignatius Loyola Auxiliary of Christian Mothers held their Annual Christmas Party, Monday evening, Dec. 9, in the school hall, W. Nicholas St.

Sr. Rose Dominic opened the meeting with a prayer and singing of the hymn, "Come Holy Ghost". Entertainment for the evening was supplied by the Choral Group singing Christmas carols, Santa Claus distributed gifts to the faculty, and grab bag prizes to the mothers. Gala refreshments were served in the candlelit hall. The raffle for the basket of cheer was won by Mrs. Marge Montana and the knife set by six year old Steven Sundberg. His mom, Simone claimed the prize for him.

A good time was had by all. The next regular meeting will be held Jan. 27 at 8:15 P.M.

The members wish to take this opportunity to extend to all, their wish for a Holy and Happy Christmas.

Toys for Tots Is Underway

The "Toys for Tots" campaign, sponsored annually by the Marine Corps Reserve, is well under way in Mid Island area.

The program, which is a national undertaking of the Marine Corps Reserve, is being conducted locally by the 1st Infantry Battalion, based in Garden City. Co-operating with the Marines is the Shell Oil Co. whose local dealers have volunteered their service stations as collection depots.

The Marines are picking up the toys, having them cleaned, sorted and stored in a warehouse until they are ready for distribution among charitable and welfare agencies in this area. Last year 30,000 toys were collected in Nassau.

Major John D. Case, USMC, campaign coordinator, stated the drive's purpose, declaring, "It is our aim to see that no needy child is heartbroken and forlorn for lack of toys this Christmas." He emphasized the fact that everyone has the opportunity to contribute new or usable toys until December 21 at the local Shell station displaying the "Toys for Tots" collection banner.

Set Table Tennis Tournament

Marvin Kleinman, Director of the Congregation Shaare Zedek Teen-Age Clubs announces Jan 2 as the starting date of an action packed table tennis tournament to be held at the Congregation. Over seventy table tennis enthusiasts are expected to enter this year's competition for the Harvard Table Tennis Gold Medals which are awarded to the winners of the boy's and girl's singles.

The local tournament is part of a nation-wide program to locate and reward outstanding table tennis players. Similar tournaments in other sections of the country have turned the spotlight of national recognition on tournament winners; many of whom have gone on to win further table tennis laurels.

Kleinman further announced that a nok-hockey and checker tournament will also get underway in January, with prizes being awarded to the winners. New applicants are invited to register for membership in the Teen-Age Club which meets every Thursday and every other Sunday from 7:30 to 9:30 P.M. For further information call WElls 81245.

Education Committee Recommends Approval of Syosset School Bond Issue

by RALPH DIAMOND, Chairman

A detailed study of the proposed School Bond Issue was made by your Syosset District School Committee of the Birchwood Civic Assoc. After great deliberation your education committee by unanimous vote decided to recommend approval of the School Bond Issue to our residents of Birchwood residing in the Syosset school area.

The urgent need for expansion of our school facilities has been clearly illustrated in the various circulars mailed to our residents by the School Board. Our children's educational needs for the immediate future can be met by building (a) new Junior High School, (b) new K-3 school on South Grove School site and (c) expanding facilities of (3) existing schools.

The estimated cost to build the above is \$3,792,000. Fortunately for us in the construction and expansion of the proposed school buildings at this time, will not currently increase our school taxes because our School District will then be eligible for State Aid. From a tax standpoint we are in the enviable position (as a result of State Aid) to pay a lower school tax if we build the aforementioned facilities than if we do not build. Your

committee has checked this unique situation and found it to be true.

The School Bond Issue does not include the building of a school on the site owned by our School District located in Birchwood. Your Education Committee questioned the school authorities as to their future plans on the Birchwood site. We were assured that if the property to the East of Robbins Lane was used for homes rather than an industrial park, then the School Board would recommend the building of a school on our Birchwood site. Your education committee will keep a sharp watch for any developments affecting this site. After due consideration we concluded that the School Board was correct in not including the Birchwood site in this year's budget.

We on the Syosset Education Committee of Birchwood Civic Assoc. strongly urge that all the residents of our community in the Syosset section vote in favor of the Bond Issue is required in order to pass. We need the additional school facilities in order to assure our children schools on full-time sessions in class sizes consistent with good education.

It is most important that we at Birchwood vote in strength on this Bond Issue. The vote will take place this Saturday Dec. 14,

9 A.M. to 9 P.M., at the Syosset High School, South Woods Road, Syosset. The members of our committee are prepared to arrange transportation facilities, listed below. Do not hesitate to call any one of us.

Change Vets Tax Exemption

The State Equalization Board has announced that they will ask local tax assessors to adopt a new interpretation of a 67-year-old law governing tax exemptions for veterans, clergymen and volunteer firemen. The new method would require this group to pay millions in new taxes than they are not paying. The Board of Equalization has issued a legal opinion that exemptions must be based on property assessment at full valuation. The Board cannot order local Assessors to adopt this principle - only to suggest.

To clarify the situation here is a concrete example of what could happen: A veteran owns a house valued at \$10,000 and has a \$5,000 exemption representing government payments he has accrued. If his community assessed his property at 50% of full valuation, his exemption from the assessment. With a \$5,000 exemption, he now would be left with no taxes to pay.

Under the new interpretation, the exemption would be deducted at the outset from the full valuation. Then the assessment (in this case 50% of the balance) would be taxable. This would mean the veteran would pay taxes on \$2,500 of valuation.

The VILLAGER strongly urges the residents to write to his government representatives protesting this new method of computing Veterans' Tax Exemptions. The VILLAGER further suggest that the Civic Assoc. take whatever means it can in voicing its protests against this new interpretation of the Board of Equalization.

An Editorial Leadership and Ability

It is the policy of THE VILLAGER, as expressed by its Editorial Board, that this newspaper shall remain impartial in all political activities and campaigns for the election of officers and members of the Board of Directors of our Civic Association.

THE VILLAGER would be remiss in its duties as a community newspaper, were it to ignore the vital importance and the meaning of these coming nominations to our village. WE urge our readers to make certain that their dues for the current membership year in our Civic Association are paid up. The need for a strong and functioning Civic Association is increasing as more and more issues of importance arise regarding the health and well-being of the residents of Birchwood Park at Jericho. The time remaining to Civic Association members to secure nominations is short. Our residents must not forfeit their right to select officers and board members. Democracy, on our communal level can ill afford to go by default at the expense of better education for our children, better zoning, traffic control, taxation with proper representation and many more important issues.

We hope that a great number of residents will have their names submitted in nomination and then consent to run for office. WE need leadership and ability. WE need men and women of good will representing all shades of opinion, all fractions as well as all sections of Birchwood Park at Jericho.

Holiday Greeting

We, the Editorial Board of the Villager, wish to HAROLD the Holiday Season with AL our best wishes. May GLORIA's joys FLO into your homes and GIL your lives with happiness. JOE you may GEORGE yourselves with good times and spirits, now and then try to RALPHlect on the meaning of "Peace on Earth—Good Will to Men."

The Villager hopes to SEYMOUR and more interesting issues come forth in 1958 and will strive always to be DESIRING of your loyal patronage.

THE WALLS OF JERICHO

by HERB SHAPIRO

Overwhelming victory at the polls ensures a high school for Jericho. 1000 homeowners have already applied to the Sanitation Dept. for extra jobs shoveling snow in order to pay for it.

Our trees are in. Birchwood has lost its character. Now it looks just like any other paradise.

Suggestion from a friend that might solve the postal delivery problem. Carrier Pigeons. Each homeowner will buy and train a carrier pigeon who will fly to a prearranged big our ill-ole post office, pick up the mail in his ill-ole beak and bring it home. Unusual situations will be handled by a trained parakeet who will be in the employ of the P.O. Plans and specifications for the idea are being forwarded to Washington.

Further agenda for the "what are you doing New Year's Eve Dept.": Fish Fry and Yogurt Party at the Dornian Mefoofskys on Lola Lane. Guest of honor will be Dr.

Maximilian Urp who will speak on the mating of Japanese Gnats.

Thanksgiving done crept upon us. Frankly we hadn't noticed. Our noble wife has been on a turkey binge recently, so it could have been any of the past 17 Thursdays. However, it was here and should be appropriately marked. We have a lot to be thankful for.

1. A nice community - except for Pikes Peak on Merry Lane.
2. Nice neighbors - the people we have met are uniformly wonderful except when they want egg rolls when we have a hankering for pizza pie.

3. Nice homes - except when you are trying to locate beams in the walls on which to hang something.

Yes, we have a lot to be thankful for - but we would be more thankful if we had a Post Office. Maybe for next Thanksgiving? Or perhaps some kind Santa Claus will drop it into our sock on Christmas Eve?

QUESTION: There has been a great deal of criticism of the advance publicity of our first attempt to launch a satellite. How should our next effort be handled?

ANSWERS:

SHIRLEY EAGLE, 4 Merry Lane - It shouldn't be a question of publicity at all - rather a fait accompli when successful.

JOAN FIORE, 18 MELLOW LANE - I believe that the satellite should be launched successfully before any publicity is given. In that way any foreign country would not know of our failures and thus

keep the respect of our allies.

SHIRLEY MAHN, 77 Bounty Lane - I don't think there should be any active publicity prior to the launching of the satellite. After a successful launching the full particulars should then be made available to the public.

GEORGE KESSLER, 179 Birchwood Park Dr - I believe we should continue our efforts to launch a satellite quietly until it is an accomplished fact. In that way we will avoid unfavorable propaganda on each failure. It is just a question of time until we succeed.

Lock Changer Admits Thefts

A Bayside man who has, according to police, confessed looting Jericho Kaplan, 33, of Bayside admits he gained entrance by calling on new homeowners and selling them on the idea of changing locks as a protection against burglars. The same time they settled on the day for the job, Kaplan managed to learn when the residents would be out of the house.

That's when he'd turn up for the burglaries. And then, to make sure no one would suspect him, he'd show up at the appointed time and fix the locks.

Police trapped him last Friday night while he was paying one of his unprofessional calls at the home of Mr and Mrs Sidney Goldfarb, 67 Forsythia Lane, Birchwood. He was held in \$1000 bail for the grand jury by District Judge Daly in Mincola.

"The best place to look for a helping hand is at the end of your arm."

Deadline For Nominations

THE VILLAGER wishes to advise its readers that according to our Civic Association's constitution, article 4 the Directors and Officers of the Association shall be elected the first general membership meeting of the coming year. This will be on Thursday, Feb. 7. According to section 5 of article 4 any member of the Association may have his name placed on the ballot as a candidate for any Office or as a Director of the Association upon filing with the Recording Secretary a petition duly signed by at least 25 members of the Association with their addresses. This petition shall be filed not sooner than 45 days (Dec. 23) nor less than 30 days prior to the date of the first annual meeting of the membership (Jan. 7th). No petition shall be invalidated by virtue of the fact that any person signing same shall have also signed petition on behalf of other candidates for the same office. Together with the petition filed on behalf of each candidate there must be filed a consent by that particular candidate to have his name appear on the ballot for the particular office designated in said petition. No person shall be a candidate for more than one office.

Meet Our Editor

By Gilbert B. Stein

The house at 52 Hedgerow Lane, Jericho, is home to Joe Schwartz. It also hosts the Editorial Board at Sunday Bagel Brunches. Faye Schwartz raises two teenagers and acts as "VILLAGER" typist, advisor, liaison committee and information clerk.

Joe, a handy guy with pen and brush, recently painted his shutters and trim a rosy pink. Late hours, lost weekends and other "Villager" tasks have on occasion landed him in the only pink trimmed dog-house in Jericho.

His living is made designing and executing indoor displays. Everything from Sputnik themes to conventional booths.

Joe is what this community calls a "nice guy". Try and ask him for a favor. Before you can open your mouth to pose the question, he's answered yes. Best of all, he'll do it. His hobby is the community of Birchwood Park at Jericho. The entire Schwartz family is the sort of easy going, friendly "neighbor" you like to drop in on. Joe never gets mad. Given a problem, he'll try to be objective. He can and will listen to all sides of an issue. Once he has made up his mind, his loyalty becomes his greatest asset.

As the editor of the "VILLAGER" he has contributed excellent work, harmony and faith in our future.

WANTED: More men and women like him, awful hours, community work which can be fun. Apply: The VILLAGER, Jericho.

READER OPINION

BROKEN SPRINGS BUSTED AXLES

Motorists using Birchwood Park Drive near what used to be the model homes are taking a terrific pounding and beating due to the unfinished road.

The builders seem to be running true to form--evidently they haven't licked the engineering problem that has plagued them since they started this development--FINISHING WHAT THEY STARTED.

Please Mr. Builder---I spent my last dime to buy your house please spare me my car---Without my car I can't possibly pay off my mortgage.

If those holes, craters or what have you, are not repaired real pronto, my source of livelihood will receive a death blow beyond redemption. Please be nice guys and finish what you started.

THE DRAMATIC CORNER

By Irving Haskowitz

That time worn expression, all that is gold sometimes doesn't glitter, best sums up my appraisal of the high calibre of talent that is associated with The Birchwood Civic Assoc Dramatic Group.

In the process of taking inventory of the cast participating in our forthcoming dramatic presentation, I discovered some "gold" that I was unaware of, in the persons of Blanche Karpel and Barry Jeffrey.

In putting Blanche through our microscope we make the happy discovery that she is the personification of the ultimate in versatile talent. She sings, she dances, and composes. She has played opposite Joey Adams and Robert Alda in summer resort hotels. Her activities include performances for cancer foundation,

Bnai Brith, Hadassah, and many varied charitable organizations. Her efforts in behalf of worthy causes is only exceeded by her talented capabilities and her sweet and condescending disposition. Our dramatic group may be truly proud to be associated with a gal like Blanche.

Now let's scrutinize one of our other golden nuggets, Barry Jeffrey. When I met Barry for the first time and invited him to join the entertainment committee, I was very much impressed with his suaveness and flair for dramatics--never realizing until a few days before writing this article that here was a fellow who is an outstanding symbol of what makes that bright yellow metal so significant.

Barry portrayed major roles in

GIRL SCOUT NEWS

Girl Scout Troops of the Hicksville-Jericho area are busy preparing service projects for the Christmas season. One of the largest of these undertakings will benefit the Boys and Girls who will be at the Childrens Shelter on Christmas day. The troops will provide the Shelter, located on Old Country Road, with small gifts for the children and Xmas decorations.

Troop #17 which meets at the East St. School, had a square Dance to which the girls invited partners. Peter Heilig called the dances. Refreshments were served. R. Brouseau is Troop Leader.

The investiture of 5 new Brownies, Ellen Lehman, Karen W. Reinholdt, Mary Jo Walsh, Harriet Weisman and Janice Whiffen and two Assistant Leaders, Mrs. Lehman and Mrs. Reinholdt, took place Thurs. Afternoon Nov. 14. Parents a few Grandparents and sisters and brothen attended and enjoyed the program and the refreshments. Mrs. Cucchilli is the leader of this Brownie Troop #367 which meets at Lee Ave. School.

On Election Day Mrs. Rita Forman's Troop #2 went on an outing to Theodore Roosevelt Home in Sagamore Hill, Oyster Bay.

On Dec. 6 and 7 the Girl Scouts manned the G.S. Booth where they sold items made within the troops. The girls also helped out wherever they were needed to make this PTA fund raising activity a success.

Intermediate Troop #426 Mrs. Winnie Collock are working on a "Cheer Project" for the residents of the Jones Institute. In work, too, are Xmas presents for G.S. parents.

Troops #17 and 426 led by Mr. Francis Brouseau and Mrs. Winnie Collock respectively, helped at the East St. School Bazaar on Nov. 5 and 23rd. They sold school banners, popcorn, balloons, ice cream and helped in the game room. The girls cleaned tables in the cafeteria and sold soda, and served as hall guards.

"One Touch of Venus", and "Everything Goes"---two smash hit shows. He was associated with the dramatic group of the Fairlawn Jewish Center in Fairlawn, N.J. where he was a force characterized by his fidelity to the dramatic arts. In my previous article I alluded to the cast of our production as amateurs. Evidently, I didn't take the trouble to make inquiries regarding their backgrounds. They are not amateurs in the true sense of the word---only because they haven't embarked upon a dramatic career for financial remuneration. Their backgrounds and abilities reveal a true pro status. THE KINDERGARTEN TRUANT

By Gloria Brunswick

My daughter chose to pass up school
"Mommy, I just can't."
"If you don't go, you'll grow a fool--
A sad, neglected plant!"

"I don't care, Mom, I like it home
So's I can pester you
I've got the neighborhood to roam
Much mischief left to do."

"It's nice and safe with you, Mom
dear,
I've got you trained, and how!
But I don't dig this teacher here--
Let's skip the whole deal now."

We reasoned calm, collect, and cool
Husband, son, and I,
But still she chose to pass up school--
I thought that I would die.

'Twas then I threw the book away
I grabbed her pony tail
"You'll have to go to school this
day,
else I will go to jail!"

If I were locked up in the clink
Then what would Daddy do?
'He'd have to go there too, I think--

So now it's up to you."

With trembling lip and teary cheek
A lunch box in her hand
I walked her to the bus--so weak;
You Mothers understand,
I forced myself to wave and smile
My God, she looks so small!
The bus went on its long last mile;
I thought I'd end it all.

Four hours then I had to wait
Or was it forty-four?
The things I did anticipate!
My heart was bruised and sore.

Her Daddy made a thousand calls
With Grandma in between
I scrubbed the floors, the sink,
the walls;
Suppose the teacher's mean.

Then finally I saw her back
a grin from ear to ear
"I sit next to a boy named Jack"
'Twas nothing more to fear.

I pray she grows up strong and wise
And lives the Golden Rule
I'm sure she'll never realize
She almost passed up school!

CENTRAL COMMUNITY HOSPITAL

PLAINVIEW L. I.

Central Community Hospital

EDITORIAL

As these paragraphs are being penned we, of the CENTRAL COMMUNITY HOSPITAL project, have good reason to be thankful for much and to many. Our thanks first to Press and Radio, covering Nassau and Suffolk Counties, for a noteworthy job of disseminating news about our project. Orchids are due Newsday, N. Y. Journal American, N. Y. Daily News and N. Y. Mirror for informing the public (running into hundreds of thousands) on our plans to sell bonds. Lack of space prevents citing all Nassau and Suffolk weeklies that have lent support, acquainting the public with our project. High honors go to Plainview Herald and Mid-Island Herald and Mid-Island Times. Long Island Radio Stations, likewise, deserve commendation for broadcasting the November 23 rally.

Special thanks are due one and all of the nearly 100 residents of Plainview, and surrounding towns, who turned up at the rally on a night fit for ducks and when numerous affairs, far gayer than a hospital informational rally, were hard to pass up. And were we to say thanks to all who contributed to the success of the rally, we would have to double the space of this special edition. But to him, who so generously represented the Plainview community, and by his straight

Exchange Club Hears C. R. Ferlin

First community organization in the Plainview area to hear Campaign Director Charles Ferlin detail the highlights of the forthcoming \$700,000 bond selling campaign was the Exchange Club of Plainview. Ferlin came as the guest of Frank Behrens at the club's weekly luncheon at Henningsen's Restaurant, Hicksville, Nov. 20.

Ferlin spoke briefly on the importance of community cooperation in bringing to a successful conclusion such an urgently needed project as Central Community Hospital. A recommendation from the floor that the club endorse the project was taken under advisement.

Dr. Harold H. Wagner, 366 S. Oyster Bay Rd., Plainview, club president, presided.

Campaign Head To Speak Here

Sponsors of Central Community Hospital and campaign and public relations director, Charles Ferlin are keenly aware of the need for informing the people in Plainview and surrounding communities on all phases of their project. Hence, it is their stated policy to do so, not only

Plainview Learns How It Can Get Hospital

Sponsors of the Central Community Hospital project could not have chosen a better location than the Plainview Jamaica Avenue School for their first rally to inform the people of Plainview, and surrounding communities, of plans to build the new, 150-bed proprietary medical facility. The spacious gymnasium Central School District No. 4 Principal Robert E. Tuttle had made available for the Nov. 23 event seemed representative of the progressive community spirit animating Plainview in particular and the Town of Oyster Bay in general.

GROUP PICTURE shows a cross section of the audience in attendance at Central Community Hospital's first informational rally in gym of the Plainview-Jamaica Avenue School. Seated in second row (l. to r.) are the wives of Sponsors Dr. Bizzaro, Dr. Goss, Mr Aquila and Dr. D'Andrea. As for the rest of your handsome ladies and gentlemen we hope to get to know you real well during the campaign. Photo by Frank Mallett

To Mr. Tuttle, to the entire board of education, to Mrs. Antonelli, and to Edward R. Cahalan, superintendent of buildings and grounds, who saw to it that audio and visual equipment in gym was properly placed and functioning, orchids for their generous cooperation. We, who envision an ultra-modern hospital in which the people, who are to use and benefit from it, will have a proprietary interest, are impressed by the fine civic spirit extant in these parts.

EXPECT COMMUNITY SUPPORT
As for the rally, we came away with feeling that our project would gain generous community support, both moral and financial. Attorney Albert H. Treiman's remarks, as the representative of the Plainview Civic Association, confirmed our belief that the communities will rally behind our cause. Pledge cards signed during the meeting and, even to a greater extent, verbal pledges offered at the post-rally reception at campaign headquarters, reassured us even more.

Residential newcomers as we are, we appreciated the warm reception all of us got at the rally and afterwards. Yes, there were present some people who, had we been ready to accept money for bond purchases, were set to transact actual business. We hastened to remind them, however, that school regulations and uncompleted legal facets involved in our bond sales drive precluded acceptance of cash then and there. **BUT NOW WE ARE READY,** and so refer the reader of this edition

Bernard Associates Hospital Specialists

Most Builders seem to specialize in the construction of homes or commercial buildings, but few specialize in hospital construction. Bernard Associates, Inc., East Rockaway, N. Y., has experience and specializes in erection of hospitals. One of the most unusual type of structures a builder can erect is the hospital. This building, as seen through the eyes of a visitor or patient, consists of nurses, doctors and beds. Sometimes the patient may see the operating room areas, but there is more to it than this.

It all starts in the minds of a few doctors who are searching for a proper place in which to care for their patients. While an area in which a doctor practices, may contain hospitals, they may not be close enough for him and his patients. So he, together with a group of other doctors and responsible people of the community, found a hospital to take care of their needs. Before any plans can be drawn, financing must be arranged. Then weeks, if not months, of planning,

his job, the duty of the administrator starts in preparing the structure for operation. This staff must be organized among nurses and technicians. All personnel must be screened and trained to perform efficiently. For it is during the crises of your lifetime that these people must not fail. A staff of doctors must be recruited and a medical board organized. A preliminary "maiden voyage" for about a month takes place and then the doors are open to the patients.

OPERATING ROOM at Central Community Hospital will contain the last word in facilities and equipment, like the one shown that Bernard Associates, Inc. built as part of a Long Island hospital. (Drannan Photo Service Foto)

arranging for various ancillary areas of the hospital, other than bedrooms, and eventually after numerous government approvals, we can see the day for the start of production. The erection entrusted to a responsible builder takes a little longer than the usual type structures, because of the many rooms, containing different facilities, all individual and special in design and not duplicates of the other areas.

PROPER WORKMANSHIP

The builder has to employ proper workmanship and materials, because not only is the structure consistently in public view but serves as a monument of prices during which the building services must not fail. The design of mechanical facilities must be simple, flexible and positive to afford ideal conditions to doctors and nurses. Maintenance of these items must also be considered, so that in the original design a system is conceived both efficient in operation and low in cost to maintain. Since a hospital becomes obsolete very quickly, the most advanced facilities must be planned for and designed, and even after the hospital is erected these facilities must be constantly modernized and kept abreast of the time.

While the builder is completing

Child Guidance League Informed

Over 125 members of the Syosset Chapter, Child Guidance League, assembled at the China View Restaurant, Plainview Center, Nov. 26, heard Campaign Director Charles Ferlin give a brief account of campaign strategy planned for raising \$700,000, needed to start construction on the 150-bed Central Community Hospital in Plainview.

Ferlin made it plain that all money raised from the sale of interest-bearing bonds represented a solid investment, "since every dollar would be returned in full, with interest, in the event the goal of \$700,000 is not reached." A flyer containing details on the hospital plan and fund raising drive, was distributed to the audience.

Ferlin was presented to the ladies by Trudy Elskoff, chapter president. Responsible for his appearance was Marion Scarano, wife of Dr. Christopher Scarano, Plainview.

Many Pledge Aid in Bond Drive

At the informational rally sponsors of Central Community Hospital staged in the Plainview-Jamaica Avenue School, Nov. 23, energetic volunteer workers Betty Cascio, passed out cards for people to fill out and sign. Cards pledged participation in campaign and requested full details on how they could participate.

Among Plainview residents who turned in cards to Mrs. Cascio were A. Teicher, 11 Opal Dr.; Edw. W. Bousins, 36 Garnet La.; A.D. Dittmar, 78 Audrey Ave.; Dr. Philip Whitelaw, 569 Woodbury Rd.; Louis Perrone, 7 Melony Ave.; P.F. Capiti, 23 Manetto Dr.; Dorothy Stansky, 25 Manetto Dr.; Andrew Granio, 39 Helen Ave.; Joseph Harimann, 545 Bethpage Rd.; Edward D. Callahan, 18 Audrey Ave.; Louis J. Girola, 42 Garnet La.; Norman Pagnozzi, 50 Marilyn Blvd.; Charles S. Bucca, 22 Shelley Ct.; Crosby J. Collura, 226 Floral Ave.; Jules Bender, 16 Cynthia La.; Edith Col-

lura 226 Floral Ave.; Joseph D. Dittmar, 78 Audrey Ave.; Nicholas Camerano, 35 Phipps La.; Seymour Veit, 35 Melony Ave.; Shirley Veit, 35 Melony Ave.; Mae F. Sodaro, 20 Main Pkwy. and Betty Cascio, 3 Bentley Rd.

Card signers from Hicksville include S. Stone, 69 Birchwood Park Dr.; Gasper Giacomaglio 3 Eton La.; Mrs. John Katz, 43 Bob White La.; Mrs. J.R. Matthews, 115 Miller Rd.; Anthony J. Plonsky, 61 Myers Ave. and Mrs. Libby Landy, 11 Gardinia La.

Jericho people who signed were Mrs. George F. Cullen, 310 Coleridge Rd.; Mrs. Grace Lanquona, 30 Coleridge Rd. and Michael Lanquona, 30 Coleridge Rd.

Other card signers, pledging participation, were Nelson J. Capitano, 236 Whitehall Rd., Garden City; Harold D. Toomey, 10 Sharon Ct.; Bethpage; Mrs. Helen Egeth, 439 Park La., Massapequa, and Mr. and Mrs. D. Mason, 12 Weybridge Rd., Mineola.

Hospitable Hospital A Big Hit

Come the day when the writer does public relations chores for the new Central Community Hospital in Plainview, in addition to, perhaps, washing hospital walls and/or cooking spaghetti alla napoletana for diodenal ulcer patients, he has a capital idea for spreading the fame of this fine new medical facility in the County of Nassau. Of course, there will be vindictive souls who'll say the scrivener's "capita" idea merits nothing less than capital punishment for the mere mention of such asinine.

Asinine or not, here's our fabulous plan for worldwide fame for Central Community Hospital when it opens its doors, say, in 1959. Plan is patterned after the famous Champagne Hospital at Gonesse, a suburb of Paris. Here, young mothers begin their new life en rose. Each woman who has just had a baby gets a half bottle of champagne on the house. This typifies the lighthearted, let's have-a-little-fun attitude of the hospital. Says its director, M. Jean Rochefort, "People don't come to a hospital to amuse themselves. The least we can do is to lighten the atmosphere."

POLICY PAYS OFF

It seems that this policy at Gonesse proved so successful that a 20-bed wing, with consultation and operating room, had to be added recently. This called for a celebration. Paris physicians were invited to a fete so unique the Press fell over each other to describe the event. Gardeners dressed as troubadours brought in chickens on a spit. Minstrels sang

ballads. A trumpeter herald announced each course. Champagne flowed as only French champagne flows (bubbles top).

For the use of bubble (and giggle) water in the maternity wards, Director Rochefort had this ready explanation: "Champagne exteriorizes joy. The first thing a new father does when he gets the news is rush out to buy a bottle of Moet-et-Chandon joy juice. So why shouldn't the new mother have some too?" One of the obstetricians says champagne is less toxic and much more pleasant than calming pills.

M. Rochefort points out that many modern hospitals have forgotten that if you're comfortable mentally and emotionally, you're better off physically. Guests are urged to report any lack of service. Night personnel are told to go about their duties quietly and not to wake patients before 6 a. m. Each week a printed menu is handed patients, so they may ask for substitutions for dishes they don't like. A sample menu provides this somewhat unorthodox hospital fare: mackerel in white wine, steak and French fries, salad, pineapple with Kirsch, French pastry, red wine, coffee.

Ah, mes chers enfants, c'est la vie at the Hospital of Gonesse, near Gay Papee, in La Belle France! But, come to think of it, Central Community Hospital will go it one better. Says who? None other than Dr. D'Andrea promises "painless" births in Central's maternity ward. That too is NEWS. But our proud and happy fathers will probably stick to the time-honored custom of passing out the stinkeroos for which Havana and Tampa, Florida are famous.

BOB CONSIDINE, famous International News Service reporter and columnist, has pledged cooperation to Campaign Director Ferlin. Both are members of the renowned Overseas Press Club of America. N.Y. Journal-American Photo

(through the Press and other communications media, but by carrying the Central Community Hospital story to the people direct through talks before civic service, patriotic and church groups.)

Such groups are urged to invite Mr. Ferlin to address them at meetings. While the campaign director will naturally be expected primarily to explain the why and wherefore of the campaign, he also promises to entertain audiences with choice tidbits from his rich experience gained in covering the news in this country and for American news organizations in Europe. As one who has hobnobbed with the great and near-great in many parts of the world, and through his founder-life membership in the internationally famous Overseas Press Club of America, Ferlin has collected much interesting material suited for club presentation.

DR. D'ANDREA HELPS

On occasions, and busy though he is on surgical cases in several hospitals, Dr. G.A.W. D'Andrea, Central Community Hospital project's guiding spirit, will accompany Ferlin on club dates. Because Dr. D'Andrea originated the hospital idea and has lived with it for over two years, though thick and thin and disappointments, he can always be counted on to give an inspiring and informative talk on his per subject.

In talks before community organizations, Dr. D'Andrea and Ferlin will point up the need for community participation in the sale of the 5 per cent. interest-bearing bonds, in the amount of \$700,000 which will be needed to begin actual construction on the hospital; They hope to demonstrate to audiences that a proprietary hospital bids will be a tremendous asset to this area - indeed an investment in health and wealth.

TREIMAN EXPLAINS

Close cooperation with community organizations has been strongly recommended by Albert H. Treiman, president, Plainview Civic Association. This he did following the Nov. 23 rally, when he and member of his board of directors attended a reception at Central Community Hospital campaign headquarters, 165 Manor St., Plainview.

to our prospectus as printed on page 3. Full details on public participation in raising building funds for Central Community Hospital are set down therein, together with a coupon for use, in subscribing to the bonds.

BLACKBOARD ANALYSIS SCORES
The rally also demonstrated another important point, namely, that neither inclement weather nor a galaxy of caver affairs throughout the area could keep the civic-minded and public-spirited away from a meeting designed to enlighten them on a matter of intrinsic community import. There is no doubt that this was done, both by Dr. D'Andrea and Attorney Hugh Mullen and by the "Open Letter" which had been distributed by Betty Cascio and Irma Craig Bova at the door. The analysis that the committee chairman chalked on the blackboard explained things even further. The public relations program, planned by Campaign Director Ferlin, apparently gave promise of efficient and effective action in support of the bond drive. His emphasis on community cooperation, which he said was essential to the successful culmination of the campaign, he hopes to have fallen on receptive ears.

We also received assurance that the entertainment program pleased the audience. The applause that greeted each vocal number sung by operatic and concert soprano Bernice Lawrence supports that assertion. Mario Palermo, coach, and Evelyn Garlock, accompanist, also shared in the applause, as did Dr. D'Andrea for showing the sound film, "House of Mercy." Shown through the courtesy of the American Hospital Association, it depicted the facilities and operation of a modern community hospital.

The audience also showed interest in messages received from Fourth A.D. Assemblyman Edwin J. Fehrenbach, advisory committee members Bob Considine and Steve Allen, K. Arnold Krinsk, president, Community Council of Plainview, and Bernard E. Feuerstein, president, Bernard Associated, Inc., builders, East Rockaway.

FOUNDERS INVITE OTHERS
The rally also presented to the communities for the first time, in addition to Campaign Director Ferlin, all sponsors of the Central Community Hospital project. In addition to Dr. D'Andrea, they are Dr. Emanuel V. Bizzaro, a general practitioner, Astoria; Dr. Eric Goss, a radiologist, Flushing, and Vincent D'Aquila, a pharmacist, Whitesone. It is these sponsors, or founders' group, that have spent considerable sums of money for initial expenditures. In this connection, it was pointed out that the several professional men or businessmen may still join the group

The foregoing prospectus contemplates a net revenue sufficient to pay 50¢ in interest and 50¢ in dividends for each \$10.00 invested for Bonds in the event of purchase of hospital and unencumbered ownership thereof at the end of 20 years at which time, all equity will be owned by common shareholders. The return on capital invested, therefore, amounts to 10%.

In the event of lease of hospital, the net revenue will be sufficient to pay 50¢ in interest and 78¢ in dividends for each \$10.00 invested for Bonds. The return on capital invested, therefore, will amount to 12.8%.

Goal in this campaign is \$700,000. Bonds will be issued in units of \$10, \$100 and \$1000. All money realized from sale of Bonds will be deposited in an Escrow Account in a Long Island bank. An agreement is now being negotiated with a leading banking institution. Its name will be announced when agreement is consummated, and will appear on official receipts.

For those interested only in investing money, without participation in ownership of the hospital through stock, BONDS are available at the rate of SEVEN (7%) PER CENT. interest.

REDEMPTION OF BONDS
Each year, starting with the fourth year after hospital opens its doors, FIVE (5%) PERCENT. of total bond issue of \$700,000, or \$35,000, will be redeemed by lots.

forward remarks strengthened our resolve to work conscientiously toward the attainment of our goal, we express heartfelt thanks. We refer, of course, to the eminent president of the Plainview Civic Association, Attorney Albert H. Treiman.

We are on the eve of our fund drive. BONDS will be offered, first to residents of this area, who will, naturally, benefit from a hospital serving their communities, and then to other legal residents of New York State. Here are our reasons why the Central Community Hospital sponsors invite YOU to become part-owners, with them, in this urgently needed community medical facility. Legion is the name of those who have told us that we need this hospital, that they will lend the financial and moral support needed to insure happy realization of the project.

As for the NEED of this 150-bed (expandable to 300) proprietary hospital, our survey and N. Y. State Hospital Survey and Planning Commission noted that NASSAU is 2000 hospital beds short and SUFFOLK 700. Thus, from the economic viewpoint, it is safe to assume that a private hospital here will prove PROFITABLE to its financial backers. That means YOU who will be asked to purchase BONDS for building **CENTRAL COMMUNITY HOSPITAL - YOUR hospital.**

which, through investment of money period, during which questioners needed to defray campaign expenses, raised many a point requiring further elucidation from those on the platform, brought to a conclusion further elucidation from those on the platform, brought to a conclusion a community rally that bolstered our faith in our project.

Foreign Holidays Burns Ave. PTA Topic

HICKSVILLE—“Holiday Time in Many Lands” is the theme of the next Burns Ave. P.T.A. meeting to be held tomorrow (Fri). The meeting night has been changed this month from Thursday to Friday because of the large number of children participating.

Several skits will be presented by members of the Italian, French and Spanish classes in Burns Ave. under the direction of Miss Santomauro and Mrs. Decora, language teachers in the school. Miss Vera Villegas, head of the language program in the Hicksville School system, is supervising this part of the program. These skits will depict holiday festivities in other lands and will be spoken in the native languages of those lands. Native costumes will be worn.

Jr Catholic Daughters Meet

The Junior Catholic Daughters Christmas Party was held on Dec. 6 with Benediction of the Most Blessed Sacrament at St. Ignatius Loyola R.C. Church. It was attended by the Juniors of the Court.

After devotions, everyone went over to the Confraternity Bldg. where Santa (played by one of the girls) gave out presents to all the girls. After this, the Christmas tree was decorated and each girl made an ornament to be placed on the tree. Each troop went up to the tree in turn and sang a hymn or Christmas song. Refreshments were served.

On Dec. 8, at Chaminade High School, a book exhibit was held and the Juniors acted as guards and escorts to Bishop Kellenberg of the Rockville Centre Diocese, who attended the exhibit.

Mothers to Meet

The Confraternity of Christian Mothers of St. Martin of Tours Parish, Bethpage, will hold their regular monthly meeting on Monday, Dec. 16.

Business meeting to begin promptly at 8:15 P.M., after which there will be a Christmas Party - including grab bag present valued at 50¢, Nativity Tableau, Carols, Santa Claus and drawing for dolls and other prizes.

Israeli dancers will be portrayed by other children under the direction of Mrs. Sylvia Gorlin. Santa Claus with his bag of toys, representing a familiar part of the Christmas holiday season in the United States, will be there of course. The school chorus, under the direction of Miss Barbara Lawrence, will sing a number of holiday songs and several teachers will participate as a choral group. Miss Lawrence will play the piano.

Refreshments will be served after the meeting in the school cafeteria. According to Mrs. Mary Garone, Kindergarten Grade Mother, the following kindergarten mothers will provide the cakes: Mrs. Giardino, Mrs. Sassiari, Mrs. Allen, Mrs. Moreno, Mrs. Bultman, Mrs. Fiore, Mrs. Friseno, Mrs. Korpac, Mrs. Ryan, Mrs. Knoblock, Mrs. Callahan, Mrs. Pecar, Mrs. Rogan, Mrs. Schuckmann, Mrs. Reid, Mrs. Portman, Mrs. Seferi, Mrs. Reiser, Mrs. Caltigerone, Mrs. Marlin, Mrs. Valdes, Mrs. Mckecknie, Mrs. Gorst, Mrs. Weshogan, Mrs. Monte, Mrs. Secari, Mrs. Lamaurex, Mrs. Wabnoski, Mrs. Chaner, Mrs. Hiltz, Mrs. Lloyd, Mrs. Uss, Mrs. Dayton, Mrs. Wabnoski, Mrs. Bergamo and Mrs. Spinella under the

direction of Mrs. Rhoda Levy. Refreshment Chairman, will serve in the kitchen that night.

Mrs. Cochran, Mrs. Sassiari, Mrs. Seferi, Mrs. Reiser, Mrs. Caltigerone and Mrs. Wabnoski will trim the tree and decorate the auditorium.

Mrs. Blanche Tisman, Program Chairman, and Mrs. Libby Kozma, P.T.A. President, will be in charge of the program.

CHARLES WAGNER, Post 421, Hicksville, N. Y.
By ARTIE RUTZ

As luck would have it, Al Barlow got the 1958 dues statements in the mail and he picked THE BOX which someone decided to set afire and back to the Post came a bunch of burnt and scorched envelopes. Don't know exactly how many were totally destroyed but I do know that at least one 1958 membership card came back all charred with the serial number and name burned away.

If you were due to receive your 1958 card perhaps this one was yours. Better check with Al Barlow, now that he's recovered from the shock. Don't let your kids miss this year's Christmas Party on Sunday afternoon, Dec. 22 at 2:30 P.M., after all Christmas comes but once a year and you bring yourself along too and say hello to Santa. Have you gotten your outdoor Christmas lights and decorations out of hiding yet? Better do so while the weather still holds good. Too bad there were so few members interested in the establishment of a Blood Bank Program at the Post. It seems that the American Legion Oratorical

Contest was just over with a few weeks ago and along comes notice of the start of the 1958 contest. Hicksville High had a contest scheduled for last Friday morning but due to the uncertain weather at that time it was cancelled and a new date will probably be announced this week. Now that we know how a champion votes it's going to be tough to come up with another of Gene Nye's caliber.

Personally, though Gene missed out at the State finals, I think, with the proper professional judges, Gene would have gone all the way to the #1 spot in the national finals at Maine but that's all water over dam by this time. However, here's good luck to the winner of the Hicksville High School contest who will represent the Post in the further eliminations and may be on the also go as far or further than Gene did. See you all at the next meeting on Dec. 16th which is the last meeting for 1957, so be there fellows and see what's what beside the free food and cash drawing.

Puritan Theme for Pack 375

Thanksgiving songs and somberly dressed Puritans from the Dens of Cub Pack 375 of Hicksville held center stage at St. Stephen's Lutheran Church recently as a salute to the Thanksgiving Holiday.

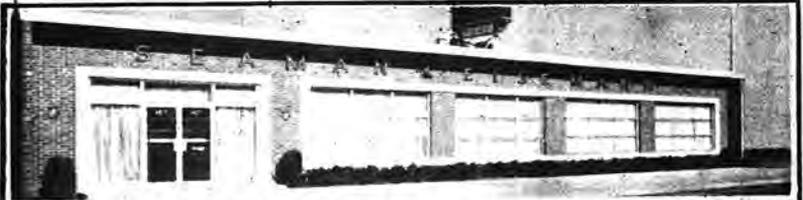

Den Mothers proudly presented their boys in well worked out and carefully rehearsed plays and readings. Indian costumes and customs illustrating the meaning of Thanksgiving to the early settlers were presented. Large letters cut out and painted by various Dens spelled out the word THANKSGIVING.

Several readings with Audience participation were also given by Bob Jirsa, Ass't Cubmaster. An interesting and educational evening was enjoyed by the proud parents as Cubmaster Harold Van Dyck put the boys through their paces smooth

ly and speedily to make a rather full meeting click.

The Flag ceremony was handled by Den 5 in a most military manner and swung the meeting into ceremonial and other awards as follows: From Den 2 James Bowra, wolf badge and gold arrow; Den 3; Paul Iaver, Bear Badge; Wm. Patchell and Richard Fortgang, 1 yr. pins. Den 4 John Tucci, Wolf badge, silver arrow and one year pin; Tom Hughes and Jeffrey Jirsa, 1 yr. pins. Den 5 Mark Abramowitz, Lion and Gold arrow; John Van Dyck, Bear Badge, and in Den 6 James Sullivan received the Lion badge. James Conaghan of the Webelos Den was awarded a two year pin.

The Annual Christmas party is now being planned for December meeting. It is to be held at Seaman & Eisemann, Inc. on Dec. 15. As usual Santa will pay a visit and all boys and girls wishing to participate in the gift exchange are asked to bring a 50¢ gift marked "boy" or "girl". The gift exchange is not limited to Cubs only. Individual Dens are planning their own refreshments. All Den mothers are urged to be present at the next committee meeting when all arrangements will be completed.

"I did the right thing without even thinking"

"When you've had a telephone as long as I have, you get pretty used to relying on it. So I guess it's not surprising that I didn't even have to think what to do the night I saw that the old abandoned railroad station across the road was on fire. I went straight to the phone. Later, the firemen told me my call had saved my own house from the fire. Then, suddenly, I realized what a blessing the telephone really is."

"ALMOST, BUT NOT ENOUGH" is our verdict on how close competitive cars have come to matching the Swept-Wing 58. Take style. Other new cars are "almost" as low in inches, but still seem high and boxy in looks. Some of them are "almost" going to fins, but not enough to really make a difference. Then take performance. None of the

other 1958 cars have anything to match the sway-free, dip-free, vibration-free ride of Torsion-Aire. (It's standard equipment.) Most of them still don't even have push-button driving! So after you've seen the "almost" cars, come in and drive a Swept-Wing 58. You'll see why we say: They're catching on, but they can't catch up.

St Ignatius Tops Tyro Division

HECKSVILLE-The St. Ignatius Blue and Gold got off to a good start in the CYO Tyro Basketball Division last week by turning back a determined St. Raphael's team, Monday evening, at Burns Ave. School. The final score was 37-25. Harmon paced the victors with a total of 9 points while Lecci of St. Raphael's showed fine form in dropping through 6 field goals for a total of 12 points.

Friday night, the Tyros travelled to Our Lady of Mercy's court in Plainview and came home the victors by a score of 31-9. Dushnik and Gregory shared high scoring honors for the Blue and Gold with 7 points apiece while Scullen was high man of O. L. M. with 4 points.

Present standings are as follows:
CYO Northern Division
Boys Tyro Divist.

	Won	Lost
St. Ignatius	2	0
St. Raphael	2	1
Our Lady of Mercy	2	2
St. Pius X	0	1

On Monday evening, the Junior Division team of St. Ignatius dropped a hard-fought game at Burns Ave. School to a classy Corpus Christi team by the score of 59-37. Allman of Corpus Christi who measured 6'5" was high scorer of the game with 32 points, while Jack Jarvis of St. Ignatius came through with 12 points in the losing cause.

Tuesday evening, the Juniors met St. Raphael of East Meadow at East Meadow and again height played an important part in the game as Koch of St. Raphael, who stands 6'8", dropped in 23 points to pace his team to a 57-31 victory over the Blue and Gold. Ken Muller was high man for St. Ignatius with 10 points.

In the Bantam Division, a thrilling game was played on Monday evening when St. Ignatius took on St. Peter of Alcantara at Ft. Washington. With the score tied at 18-18 and only a second to go in the game, Doug Shanley took aim from 20 feet out and let fly. The horn sounded while the ball was in the air, but Shanley's shot swished through in real Frank Merriwell fashion to give the Blue and Gold the winning margin. Final score, 18-16. The other Bantam game scheduled for last Friday night against Holy Family was cancelled and will be rescheduled at a later date.

UNBREAKABLE TIE
Only four games were played last week in the intra-parish leagues an unbreakable tie occurred in one of the Burns Ave. games. The Wolves suddenly started to pull together this past Saturday and although they failed to break into the win column, they tied the Panthers 9-9. A sudden death-overtime failed to settle the issue. This game will be replayed if it will affect the standings at the end of the first-half of the season.

Dolan was high man for the Wolves with 5 points while Spyridon led the Panther attack. In the other game the Tigers maintained their unblemished record by downing the second place Lions by 32-7. Trapest led the Tiger scorers with 4 points while Curtis was big gun for the Lions.

The other two games also in the Intermediate Division saw two close ones with the Senecas winning over the Mohawks and the Apaches over the Commanches.

The first game the Senecas broke into the win column with a 6 to 4 triumph over the Mohawks which put these two items in a flat-footed tie for third place. This game went into overtime and was settled when Tom Gill caged a neat two-pointer. Henry Cerrato and Tom Dour also dropped in 2 points apiece for the victors, while Charlie Schurr and Steve Hengen caged two apiece for the Mohawks.

The second game was another squeaker which saw the league leading Apaches just hold on to their undefeated record by an 11 to 10 score. Steve Walsh, Andy Proowski and Charlie Lang shared scoring honors for the victors while Jack Kelly topped the Commanche horde, strongly aided by the bustling, heads-up play of Bill Schneider.

Next week's schedule in the Intra-Parish Leagues will see the following teams pitted against one another. The Senior Division at Lee has the Pistons and Lakers, Celtics and Royals, and the Warriors and Nationals in what shapes up as a very interesting schedule. The Intermediate Division at Burns Ave. the Lions take on the Panthers and the Tigers will try to hold onto their undefeated record as they take on the Wolves.

At East St. the Apaches with four straight tangle with the Mohawks while the Commanches do battle with the Senecas. The Midget Division resumes their interrupted schedule at Woodlands Ave. where the Eagles engage the Falcons and the Hawks place their unblemished record on the line against the Condors.

Once again we urge you to come out and see the boys play. There is nothing like a cheering section to bring out the best in these boys.

Next Monday night, Dec. 16, is meeting night for the men of the CYO at 8 PM in the Confraternity Building on Broadway.

Press Wireless Plant Moves

(continued from page 1)
185 acres of the Press Wireless site, and planned home developments.

Today the HERALD confirmed the fact that two developers have filed maps for the area. Imperial Gardens on the west side of Cantigue Road already has model homes on the site. A preliminary hearing was held Oct 30 upon a development of 175 plots covering 45.9 acres.

On the east side of Cantigue the development name is "Wildfield" with 369 plots scheduled on 90.88 acres. This map has not had its preliminary hearing as yet.

"Hicksville" Board of Education has been concerned with proposed

plans for the area and will probably file a request for a proposed school site in the area. Five hundred and forty-four homes would more than exceed the capacity of Burns Ave School which is the nearest to the developments.

There are others in the community who hope that industrial zoning which has been approved for the vicinity of Cantigue Road and W John Street will be expanded in the area, providing tax-producing light manufacturing instead of more homes.

There is also a keen interest among civic leaders in the utilization of 30 to 50 acres in the area east of Cantigue Road for a community park. This proposal was emphasized by Fred J Noeth, editor of the HERALD, speaking Tuesday night before the Citizens Advisory Committee on Recreation at the high school.

Action by the Board of Education toward notifying the Planning Commission of its possible need for a school site in the area will probably be taken by the Board at its meeting tomorrow (Fri.) night.

DISTRICT PROTESTS

(continued from page 1)
school's retirement program.

By direction of the Board, an appeal was made to the State Comptroller, who ruled that Goebel was not a private contractor but an employee of the district while attorney The School District never had a contract with Goebel as attorney although it has one with Witte and did have contracts with previous attorneys.

Witte reported to the Board last Friday that the payments toward Goebel's retirement must continue for the next five years unless Goebel withdraws from the system or retires, among other alternates.

Anthony Gorczycki, business administrator of the district, estimated the contribution would amount to 11 1/2 per cent of Goebel's pay for a year as attorney (\$7,000) or about \$750 a year for the next five years making a total of \$3500 more or less.

Board President Emil Szendy made the motion to authorize Witte to proceed with the necessary steps before final payment and Vice President Allen Carpenter seconded the motion. Voting in favor were Jerry Zettler and Robert Goodrich together with Szendy and Carpenter. Absent from the meeting were Herbert Johnsen and Arthur Eitrich.

Arrange Dance For Saturday

You're an old-timer if you
can remember back when a
babysitter was called Mother.

PAT BOONE, the most talked about
new personality of the entertainment
industry, is the star of the new
musical-story--"April Love"--
which opens today at the new Levit-
town Theatre on Hempstead Tpke.,
Levittown.

Witnesses Will Gather

Hundreds of residents from over
110 communities on Long Island
will convene at Fairlawn Ballroom,
155 Lakeville Road, New Hyde Park,
Dec 27 to 29. It will not be for en-
tertainment as usual gatherings at
Fairlawn are but rather for a
three-day Christian assembly to be
held by Jehovah's Witnesses.

Highlight of the assembly will
be the public lecture Sunday, Dec
29 at 3 P.M. by Angelo Catanzaro
on the subject, "What Are The
Prospects For Lasting Peace?"

Among local residents who are
planning to attend are, Mr. and
Mrs. Stephen Maida, Howard St.;
Mr. and Mrs. Truman Merchant,
Dikeman Ct.; and Mr. and Mrs.
J. Johnson, Dikeman Ct., all of
Hicksville.

Mr. and Mrs. J. Peitinato, Tip-
top Lane, Levittown; Mr. and Mrs.
E. Flood, Liberty Ave., Westbury,
and Mr. and Mrs. J. Truit, Irene
Lane. Mr. and Mrs. Antonio De
Lucia Jr., Pine St., Plainview.

Bishop Appoints Msgr Bittermann

ROCKVILLE CENTRE--Rev. Msgr. George Bittermann, Pastor of St. Ignatius Loyola R.C. Church, Hicksville, has been appointed a member of the Diocesan Commission of Parish Boundaries, by the Most Rev. Walter P. Kellenberg, Bishop of the Diocese of Rockville Centre. At the same time, Rev. Lawrence Ballweg, also of St. Ignatius Loyola R.C. Church was ap-

pointed Assistant Diocesan Director of the Confraternity of Christian Doctrine, and Rev. Martin O'Dea, Pastor of Holy Family R.C. Church, Hicksville, was appointed a judge of the Diocesan Court.

BAD WEATHER

(continued from page one)

An oil burner fire at the home of Walter Black, 35 Glow La.,

and a false alarm at the Hoffman Beverage Co. plant on W. Barclay St. called them out on the Dec. 6. They went to the residence of Jeanette Dempsey, 164 W. Nicholas St., to put out an oil burner and chimney fire on Dec. 7. The same day, they answered a false alarm at Tiptop and Wishing Lanes, and rushed to the home of A. Andreone, 42 Montana St., where the oil tank was leaking. Their final call for the period

ending Dec. 10, was to the home of Kenneth Bagley, 8 Tiptop La., on Dec. 8, to put out an oil burner fire.
