## Need 10 Acres for School ASK PLANNERS RETAIN CANTIAGUE SCHOOL SITE

HICKSVILLE -- The Board of Education is requesting the Nassau County Planning Commission to reserve about 10 acres, fronting on Cantiague Rock Road in the northwest section of the district, as the possible site for an elementary school which may be needed two years from now. The tract would be on the east side of the Road and north of Sylvania-Corning plant and a part of the proposed Wildfield development of Press-Wireless acreage.

Planning Commission maps of Wildfield and Imperial Gardens which is on the west side of Cantiague Road, providing a total of more than 500 home plots in the area, were studied at the School Board meeting last Friday night prior to the decision to ask for reservation of a school site.

The Board motion also suggests that the Planning Commission place adjacent to the school site any play area designated in accordance with law. The Wildfield proposed map, upon which a hearing has not been held as yet, indicates the play or park areas in the extreme northeast corner of the development next to the pumping plant of the Water District.

School District Architects Knappe & Johnson will be asked to consider the orientation of a school building on the rectangular parcel the School Board wants. The final determination on purchase of a tract and a bond issue for a new building will be up to the voters of the School District in a referendum.

### FORUM MEETING

The meeting this week on Friday, Dec. 20, will be the first of a new type with the agenda limited to minutes, correspondence, discount bills and other urgent matters requiring Board action, and "educational matters" presented by the school staff. The topic this Friday will be "Science and Math."

This week saw the Hicksville Organization for Public Education thru its president, Jack Fields, attack the school board on the matter of supplies in the district schools. Board President Emil J. Szendy answered "these statements are a fabrication of the HOPE group who have been notoriously unsuccessful in similar attempts to sway public opinion and to defame board members who are working hard to make the excellent school system we have."

Dr. Wallace E. Lamb, superintendent of schools, when questioned about the charges flatly denied that supplies are short and added that none of the 10 school building principals of the district had reported any shortages to him.

### Early Deadlines

Due to the holidays the HERALD will be published early the next two weeks. The deadline for material each week will be 11 AM on Monday and receipt of advertisements and articles prior to that time will be appreciated by the Herald staff.

## Hicksville Boundary Troubles Loom Again

Boundary arguments which split the community here several years ago were recalled this week as the builder of Imperial Gardens development on the west side of Cantiague Rock Road, Hicksville, described the area as being "in Westbury". The west side of Cantiague Road, while in Hicksville School, Fire and Water Districts and the Town of Oyster Bay, is currently served by the Westbury Post Office. Almost 200 homes are planned for the area, selling for \$22,990. It is reported that orders have been placed for most of the first unit of about 70 homes although the County Planning Commission has not held a final hearing on the subdivision. A preliminary hearing took place in October.

## Pre-Dawn Fire Damages Delicatessen, Restaurant

HICKSVILLE - A pre-dawn fire caused extensive damage to Hubert's Delicatessen and Carl's Restaurant on the west side of Broadway near Nichol St. early Saturday morning, and included the dramatic rescue of two people from a second floor apartment.

Carl Widerman and his sister, Marie, who live in the apartment over the restaurant climbed out on a one-story extension roof in the freezing cold when their exit down the stairs was blocked by smoke and flames. Firemen rescued the couple from the rear roof.

The alarm was sounded at 4:22 AM Saturday. Mr. and Mrs. Hubert Pawlitschek, owners of the delicatessen, were aroused by the smoke in their apartment over the store and made their way down the stairs to the street.

The fire, according to Chief B. Medard Ofenloch who was on the scene until 9:30 in the morning, with cleanup and investigation duties, apparently broke out in the walls between the Restaurant at 128 Broadway and the Hubert's Delicatessen at 130 Broadway. The smoke and heat caused extensive if not complete damage to the food stocks in both establishments.

The blaze was brought under control by the vamps in 8 to 10 minutes after the trucks arrived at the scene. The first fire trucks were dismissed from the scene at 6 AM.

Carl's Restaurant, expect to open for business next Monday.

### OTHER ALARMS

During the past seven days ending Dec. 17, the firemen were kept busy with two auto fires, two oil burner alarms, two ambulance calls besides the store fire.

A fire in a 1956 Renault at the Esso Service Station on Newbridge Rd. and Barter La. was extinguished by the firemen on Dec. 11. The same day an oil burner fire in the Goldberg residence, 231 Acre La. called out the vamps.

On Dec. 12, the volunteers were called by the State Parkway Police to extinguish a fire in a Chrysler auto on Waptagh State Parkway. The same day Ex-Chief Fred Masters, Sr. was taken by ambulance to Nassau Hospital.

The vamps made an investigation of a smoking washing machine on Dec. 15, at the Robert Beck home, 83 Brittle La.; and on Dec. 16, James Barr, 55, owner of Soda Spa Luncheonette on So. B'way was taken to Mid-Island Hospital by ambulance.

### Schools Close

Schools in the Mid Island area will close for Christmas vacation on Friday, Dec. 20 and reopen on Thursday, Jan. 2. These include all public schools in Hicksville, Bethpage and Jericho.

## Bank Party This Saturday

HICKSVILLE -- For the 10th consecutive year, the LI National Bank will be host to hundreds of boys and girls at a Christmas party and celebration at the Hicksville Theatre on E. Marie St this Saturday, Dec 21, starting at 9:30 AM according to Bank President William E. Koutensky. In addition to the showing of western films and selected shorts, there will be the appearance of Santa Claus, music by the Nina Marropodi accordionists, the Cunningham twins and gifts for all. The entire program is free.

## McIntosh Wins in Legion Oratory

Craig McIntosh won the first place gold medal at the 1958 American Legion sponsored Oratorical contest at Hicksville High School, Friday. There was a tie for second place between Christian Swaryzewska and Richard Sneckenberg who each received a silver medal.

Due to illness and bad weather this contest was postponed twice on successive Fridays. The judges were Samuel Pace, an Air Force veteran, who announced the names of the winners and made the presentation of the medals; Anthony Corrieri, an Army veteran, who presented Certificates of Achievement to each contestant and Frank Governale, a Marine veteran who presented the corsages to the two coaches, Mrs. Fletcher and Mrs. Milligan.

McIntosh's winning oration was entitled "The Constitution, A Bulwark of Democracy" while Swaryzewska's offering was "The Meaning of Liberty to an Immigrant" and Sneckenberg's oration was delivered on "The Bill of Rights, Promise of America".

Jack Ehmann, Chairman of the Americanism Committee of the Charles Wagner Post, was in charge of the entire program as he has been for many years in the past.

## Invite Singing at Christmas Tree

## Snow Delays GOP Santa Claus

More than 300 persons enjoyed the annual Christmas party meeting of the Hicksville Republican Club held at the Masonic Temple last Friday night. "Santa Claus" William Reichert was unable to be present. As Town Highway Dept. Foreman he was alerted for duty by the snow which fell that evening and was unable to put in his appearance at the party.

Every lady attending was presented with a corsage. Entertainment included Hank Whitehouse as master of ceremonies, Terry Aimes of Glen Cove, vocalist; Bruno Lorenti of Syosset, instrumental

soloist; The Dreamers, a trio which has done recording; and the singing of Christmas songs led by Paul S. Drake and Mrs. John Herzog.

Winners of 20-lb stuffed turkeys which will be delivered already cooked to the winners on Christmas Day were Mrs. Herzog and Mrs. Clara Taylor of Bayville. A delicious buffet table was spread by the committee which included William Alonge as chairman, Jerry Trotta, William Olitsky, Joseph Ribaro, Mr. and Mrs. Arnold Jeanson, assisted by members of the Hicksville Republican Recruits.

# Stay Home and Keep Warm Is Advice From Florida

The word from the sunny climes of Florida this week was: "stay up north if you want to avoid the cold."

Clifford Place of Myers Ave., Hicksville, back from a trip south brought the HERALD on Monday some of the Florida press. The headlines tell a chilling story: "Friday the 13th - A cold 29", St. Petersburg Times; "Cold Wave Swoops on Florida", Fort Myers News-Free; "Frigid 28 Breaks 40-Year Record", same paper; "Florida Crops Hard Hit by Cold", Tampa Morning Tribune, etc.

Herbert Johnson, also of Myers Ave. and a member of the Hicksville School Board, postcarded from Florida "so far no fishing, high winds, cold weather and not much sunshine. Starting for Miami in a few days."

Johnson, who is accompanied by his wife, by going to Florida, managed to cover the entire eastern seaboard in a few short days. Before leaving for the south, he had spent a couple of weeks in Maine. He brought home a deer.

He expects to be back in time for the Hicksville

HERB JOHNSON with his deer brought back from Maine before he left for "sunny Florida"....

School Board meeting tomorrow (Fri.) night.

Mary F. Keller, well-known to many in Hicksville, sends greetings of the season from Lakeland, Florida, with this note attached: "The sun still shines in 'Sunny Florida' but for the past 10 days we have had bitter cold. The temperature is around 20 and there have been three nights of frost. The worst was last night - not a flower or green leaf left. Papers state it the worst in over 20 years, ... no and-frees to be had, ... all stores are sold out of overcoats, ... heavier material men's suits, ... heaters of all kinds, ... gas, kerosene, electricity. As for me, I took care of my needs ahead of time and am fairly comfortable."

"Anyone contemplating a trip down here better stay home at present", is her parting advice.

Cliff Place said he left Hicksville when it was snowing and the snow followed him and Mrs. Place all the way down to Florida.

The report has not been confirmed that the Chamber of Commerce down there paid him to leave the state and bring back the warm weather.

ANOTHER MASSAWARE County is "discovered" 1,110 miles south of Hicksville by Cliff Place who sends along this comment: "Nassau County is a wonderful place to live ... even in Florida."

## Dear Jean:

When members of Bethpage Kiwanis went to Hicksville Gardens, Saturday, they found a sheriff's notice on the padlocked door. The committee scouted around and found the FIVE CORNERS Restaurant available at which place 100 odd members and guests assembled in the late evening after dining here and there in small groups... This is the fifth year that MICHAEL D'AURIA is in charge of the Boy Scout fund drive in Plainview... Will the Pentagon be enlarged? School Board last week discussed in general terms the fact that more space is needed for the administrative staff and some sketch plans are being drawn up for an \$80,000 addition to the Building on Newbridge Rd. DONALD ABT, assistant superintendent, looking for projects for his vocational career shop, suggested the boys be permitted to do some of the construction work. By the way, those curious frame structures in the high school yard are "well houses" built in the carpentry shop. We've heard them called other things... JAMES MALLOY who is attorney in the Allstate Insurance Centre at Hicksville and joined the company as an adjuster in 1952 has been presented with a gold pin for five years continuous service with the firm... This is the first time in more than 10 years that Santa Claus has not made a big prominent entrance into Hicksville. In fact, he has not been seen on the business streets as yet this year but that may be corrected over the coming weekend... Stand your Christmas tree in a container of water and don't let it become a fire hazard is the request of WALTER ERICSON, one of our local fire inspectors... A Nassau-Suffolk County Better Business Bureau is being organized by the LI Assoc... At the Oct 18 Hicksville School Board it was noted that all physical education gear, which might be termed "walking equipment" be prominently marked with indelible inks "Property of Hicksville Schools". The motion was made by President SZENYI and carried... The JES RITE, next to the HERALD OFFICE, is under new management... Hicksville High was scheduled to sing over WKIT at Roosevelt Field Shopping Centre on Tuesday afternoon... PAUL H. ELISHA who ran for councilman on the Democratic ticket in the last election has been appointed by the Democrat State Administration to the \$9000 a year job of "Community Relations Assistant" at the State Public Works Dept office in Babylon. He lives in Bayville and was formerly employed by CM Johnson in Bethpage... GEORGE KRATZEL is the new owner of the Little Inn at Bway and First St., according to the VFW Bulletin for December... Christmas parties of children of members take place this Sunday for the VFW, Avnets and Legion as well as Fire Co. No. 6. ED RICHARDSON is chairman of the last named... Looking around at the attendance at the open Chamber of Commerce meeting, President PAT CAPUTO commented that it looked "like an executive session".... Dedication of the Hicksville Senior High is being planned for late January....

Glad to hear that both Mr. and Mrs. ELWOOD KENT are feeling much better and are out and around after their recent hospital stays. Hope they keep up the good work... Have you seen the pretty decorations going up on homes for the Christmas holidays? The ROBERT NEDER home on the corner of Grove St. and Bay Ave, Hicksville, has all the front windows decorated with original drawings and it is very effective. The Jack and Jill Nursery on E. John St. is something to take the youngsters to see. Saw quite a few others we know the houses but the names of the occupants escape us just now. They are all beautiful and the originators of the ideas should be congratulated.... Anyone find a blue suit skirt between South Oyster Bay Rd. and East End Ave., Hicksville? It was lost Friday evening while being taken to the cleaners and the owner would like to have it returned. Would the person who found it please call WE 1-7837?

Recent engagement announcements are those of Miss ROBERTA PETTIT, daughter of Mr. and Mrs. Wesley Pettit of Hicksville to Jerome Holland, son of Mrs. Donald Holland and the late Mr. Holland of Floral Park. Also that of Miss LOUISE TICHELAR, daughter of Mr. and Mrs. Frans Tichelaar of Oyster Bay to Robert G. Wenner, son of Mr. and Mrs. Roland Wenner of Hicksville. Our best wishes to both couples... The PAUL YURA'S are now settling in their lovely new home on Avon Court, Syosset. The Yura's formerly lived on W. Marie St., Hicksville... Mr. and Mrs. August Rieck and family of Preston, Md. are expected up this week-end to spend the Christmas holidays with Mrs. Rieck's parents, Mr. and Mrs. CHARLES SHARRATT of Center St., Hicksville... Dear Jean would like to take this opportunity to wish her many readers a very Merry Christmas. Also to thank them for their very nice comments about the column. If at any time you have something you would like to appear here, please drop her a line....

The lobby of Hicksville Post Office on North Broadway has been decorated for the holiday season, complete with a special mail box for letters going to Santa "direct to the NORTH pole". The main office is open at 7 in the morning these days, closes at 6 PM for parcel post and stamp sales. If you have not mailed those cards and what not yet, better not delay....

JAMES BARR, proprietor of the Soda Spa on So. B'way was taken to Mid-Island Hospital on Dec. 16, with a heart attack. Last reports are that he is resting comfortably. Here's hoping he's back on his feet again soon.

### Mal Pierce Has His Day

JERICHO -- It was "Mal Pierce Day" for Hicks-ville Kiwanis Club at the Milleridge Inn, last Wednesday, which saw the conclusion of the club fund raising campaign made possible by the gift of a brand-new Pontiac for the project by Mal Pierce, Pontiac dealer. It was the second car he had given for the purpose.

The entire affair was a complete surprise to the guest of honor. Mr. Pierce, a director of the LI National Bank of Hicksville, is past president of the Chamber of Commerce. He told the HERALD yesterday "it certainly was one of the best kept secrets in town and came as a complete surprise."

Nearly two hundred attended the Club's meeting. In addition to the regular membership and guests of the day, the club had as special guests a group of Kiwanis wives who had assisted with the sale of shares on the Pontiac.

Former Town Councilman Frank Chlumsky, chairman of the Pontiac award project, introduced the guests and presented Pierce with a special citation for his contribution to Kiwanis.

Among the guests of the day was George Steinweiss who was Mr. Pierce's master sergeant in World War I. Jules Schwartz presented Mrs. Pierce with a basket of flowers.

Paul Drake sang several solos including "What a Wonderful Guy"

from "My Fair Lady," "If I Had a Dream" for Mrs. Pierce and "Around the World". The Kiwanis wives introduced included Mrs. Chlumsky, Mrs. Robert Wallace, Mrs. George Loucks, Mrs. Irwin Botto, Mrs. Ed Giannelli, Mrs. L. L. Chittenden, Mrs. Phillip Rubenstein, Mrs. Sol Rothstein, Mrs. Walter Brundage, Mrs. Drake, Mrs. Lou Palladino, Mrs. Walter Dunbar, Mrs. Joseph Wycoff, Mrs. Charles Masek, Mrs. Pearl Smith, Mrs. Al Schachner, Mrs. Kelly Baldassari, Mrs. Patrick Caputo, Mrs. Jules Schwartz, Mrs. Francis Anderson, Mrs. Kolin, Mrs. Herman Lipschutz and Mrs. Charles Eginton. Past President Sam Pace is chairman of the fund-raising committee of the Kiwanis Club. He was introduced by President-Elect Andy Ferrara and gave an outline of the work of the committee.

**600 Attend Burns P-TA Program**

HICKSVILLE - Over 600 people attended the Burns Ave P.T.A. meeting Friday evening. "Holidays From Other Lands" was the theme of the program. The French, Spanish and Italian classes presented skits, songs and dances in the native language and costume of those countries. Other children sang and danced Israeli folk dances and lullabies. The Burns Ave chorus and some of the teachers sang a number of holiday songs. Santa Claus passed out candy canes to all the children present.

Since the Hicksville Schools were among the first in the area to attempt a Foreign language program in the Elementary grades, it was both interesting and gratifying to hear Miss Vera Villagers, Foreign Language Coordinator, comment that she was very satisfied in their language studies. Many other spoke of the clearness of accent used by the students. After the program, Mrs. Libby Kozma, P.T.A. president, presented Allan Davis, Principal, Frank Burke, Assistant Principal, and the Faculty with Christmas gifts from the P.T.A. Refreshments were then served in the School Cafeteria.

The Senior Yough Group of Congregation Shaarei Zedek, Hicksville, will meet on Sunday, Dec. 22nd, at 7:30 pm in the vestry room of the synagogue, E. Barclay St.

**Cubs to Sing At Plaza Tree**

The Hicksville Cub Pack 377, will join in the Christmas program at Mid-Island Plaza, by offering two 20-minute programs of Christmas carols. The singing will be presented Friday evening, Dec. 20 at 5 pm and again on Monday evening, Dec. 23 at 5 pm.

The choral group, comprised of 40 Cub Scouts, and accompanied by their parents, will be stationed in front of the Plaza's 45-foot Christmas tree on the center mall. The Cubs will be under the direction of Paul Garcia. The program was coordinated by Mrs. Margaret Gregg of 17 California St.

Gutback in employment by LI aircraft factories is a serious problem for the individuals affected, "but does not by any means constitute an economic crisis." It was asserted this week by William E. Koutensky, president of the Long Island National Bank of Hicksville.

Percentage-wise, unemployment of Nassau and Suffolk County residents is no greater than the nation as a whole, he pointed out.

Basing his statements on an analysis of the most recent figures available from the Hofstra College Bureau of Business and Community Research, together with an economic survey of his own, Koutensky said:

"As of Nov. 1, a total of 336,000 persons were at work in non-agricultural jobs in Nassau and Suffolk Counties. This is a decline of only 5,000 from the same date a year ago and covers the month in which the most recent large-scale aircraft layoffs took place. Although November employment figures are not yet available, it is believed a substantial

# Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N. Y.  
By ARTIE RUTZ.

Santa Claus will be at the club house this Sunday afternoon fellows so don't forget to bring the kids to THEIR party to meet him and to receive a gift from him--There'll be movies, ice cream, candy, soda, cookies, etc. and the starting time will be shortly after 2 P.M. for the movies - Here's wishing Craig McIntosh lots of good luck in the forth coming elimination contests between the various high schools enrolled in the 1958 American Legion Oratorical contest--Craig, you know, was our Hicksville winner last week at the local-high school contest and will now represent our Post in the coming eliminations--

Just listen to Mrs. Milligan and Mrs. Hetcher Craig, and you will do fine as they brought Gene around real nice last year and almost got us a State champ--Interesting story behind the decision by our County government to open Salisbury Park to the public (that is, no entrance permit required)--It seems that the County was quite anxious to have a caterer take over the operation of the new Club House in the park and when they requested bids the County was informed that unless the entrance permit requirement was dropped not a single bid would be forth coming as the catering outfits said that not enough people would enter the park to make it profitable--So accordingly the permit requirement was suspended but a permit is still required for the use of the park's facilities--

Amazing, amazing, amazing is what must be said about the Department of North Dakota American Legion--Just recall the story entitled "North Dakota's Incredible American Legion" in the September issue of the Legion magazine and you'll have amuch fuller realization of their accomplishments--And now

comes the topper to that story, as of Dec. 5, 1957, the enrolled 1958 membership for North Dakota has surpassed it's 1958 quota with an advance membership of 106.75 and North Dakota's been leading the Legion in membership for years without a let down--What breed

# Clarifies Veteran Tax Exemptions

By William G. Olitsky AMVET Service Officer & Judge Advocate

**Greetings from  
BOHACK**

The men and women of Bohack Food Markets extend to their customers and friends everywhere best wishes for a truly joyous Christmas and a peaceful New Year blessed with good health and happiness.

A clarification of an article appearing in the Dec. 12 issue of THE VILLAGER entitled, "Change Vets Tax Exemption", appears necessary.

The story was well written, but the facts as contained in the second paragraph were not correct, namely, "A veteran owns a house valued at \$10,000 and has a \$5,000 exemption representing government payments he has accrued. If his community assessed his property at 50% of full valuation...With a \$5,000 exemption he now would be left with no taxes to pay." This is absolutely untrue! The veteran pays full taxes to the county, town, school, and special districts.

It seems to me, that we as veterans must strive more and more in the future to keep organized, also to keep our identity as individuals. Teams, and groups have a place in our lives, but so does rugged individualism, and we need it more than ever now. Please let your State Assemblyman and Senator know your individual feelings. We've come a long way since the end of hostilities, but along with the advancements I have seen made, we have given up some important things too.

I believe the pendulum is swinging back in the direction of the system upon which this country was built, and which has made it

**THIS IS YOUR LIFE**, a surprise dinner, was given to Rev. Edward H. Stammel, pastor of Trinity Evangelical Lutheran Church of Hicksville, by members of the congregation in honor of his leadership the church for the past 15 years and his ordination as minister for the same period. Left to right are Theodore Hoffman, master of ceremonies; Edward Stammel Jr., Mrs. Stammel and Rev. Stammel. The affair was held at the Milleridge Inn, Jericho and was attended by 301 members of the congregation. The affair was a complete surprise. (Frank Mallett Photo).

great. But on the other hand don't let the lawmakers forget we have combat disabled veterans who must depend on that extra little help received as a tax exemption, which every other veteran is also allowed.

It's not too much now - BUT in the future as you grow older and receive your bonuses and pensions, and if applied to lower your mortgage, will reduce your county realty tax, town realty tax, and special district realty tax. True it may only come to \$7,500 at the full maximum, but there are a good number of people who wish they were standing in your shoes now that the threat is gone and the scars have healed. God forbid that we have more added to our ranks. The only way this can hap-

pen is to have WAR. You don't want this to happen-definitely not I. So let the pendulum swing, but **NOT BACK FOR THE VETERAN!**

### Party Monday

The Youth Activities Committee of the North Bethpage Civic Assoc. will hold its Annual Christmas Party for the children of North Bethpage on Monday Evening, Dec. 23 at 7:30 P.M.

Due to limited facilities, parents are requested to leave their children at the supervised party, and return for them at 9 p.m. Santa Claus will have a gift for each child. Refreshments will be served.

What will tomorrow's telephone look like?

Will your phone of the future have a dial built right in the 'mouthpiece'? Or will it be specially designed for a particular room in your house? These are but two of the many possibilities being tested right now. Not just in telephone laboratories, but in actual use in customers' homes and offices. Passing the tests of both engineers and users is quite a trick. So whatever tomorrow's telephone looks like, you can be sure it will be the most convenient, most useful, most dependable—and most attractive — it is possible to make.

Every telephone advance, whether it is a new instrument or a new service, starts with your needs and desires. But making your wants into realities takes a continuing program of research, expansion and improvement. It is a big program and a costly one.

And only a company with sound earnings over the long pull can raise the money to provide the newest and best in telephone service and still keep the price to you low.

## ORT to Meet

The Next Board meeting of American Women's ORT will be held at Olga Ponzer's house, 232 Forest Drive, Jericho, on Monday night Dec. 23.

The first social undertaking of the American Women's ORT turned out to be a tremendous success. The supper and Card Party at Q-San Restaurant was completely sold out, and everyone had a stimulating evening. Door prizes donated by the members were won with excitement and delight.

The merit of this wonderful night can be credited to the Chairmanship of Diane Roth, and Ellen Bauman, Majorie Moscovitz, Anita Rosenberg and others.

Our next event will be eagerly awaited due to the success of this one.

**THIS GIANT 45-Foot** live Norway spruce, bought 25 years ago for a dime, stands at Mid Island Plaza. It is the gift of Mr. and Mrs. Charles Manmano and their grand daughter, Janice Breeden of 17 Meeting Place Lane, Hicksville. Grandpop bought the tree originally and recently found it had to be removed because of its size. Janice who sang with a church choir at the Plaza last year suggested that the tree be given. ## Lions Hear About New Ideas

Because of continuing research by the home building industry, houses built during 1958 will incorporate many new ideas in the use of materials and construction methods in order to produce better, less costly homes.

Such is the opinion of Herman H. York, architect, speaking this week as a representative of the LI Home Builders Institute before the Hicksville Lions Club on Dec. 11.

As one of the nine trustees of the Research Institute of the National Association of Home Builders, York discussed a score of ideas developed and tested in construction of a house near Washington, D.C., under sponsorship of the Research Institute. These ranged from glued-down wood flooring to plastic-covered roofs. Some of the materials are not yet on the market, but are rapidly going into production.

Among the products and ideas described by Mr. York are: Less costly wood floors consisting of 1/8-inch thick oak strip flooring which can be laid directly on a concrete slab with rubber base adhesive.

## School Board

(continued from page 1)

Fields said, according to an article in the daily press, that the Hicksville Classroom Teacher's Bulletin, distributed this week, "confirms that a lack of school supplies in all classes" was discussed at a teacher meeting on Dec. 11.

Sendy told the HERALD that he felt the Board position on economy was defined by State Education Commissioner Allen in his address to the State School Board Assoc. "To economize is to use to the best advantage. Thus, it must constantly be emphasized that economy in education means not retrenchment in expenditures, but the most advantageous use of the funds available.

"Economy in our schools does not mean that less money is needed. We all know that far greater expenditures are essential if our schools are to maintain and advance quality.

"True economy in education is first, the provision of sufficient funds to ensure quality, and second, the careful, prudent use of those funds for those things and in those ways, which contribute most to quality."

The Central Island Women's Republican Club held its annual Christmas Party at Long's Chinese-American Restaurant in Mid Island Plaza, Monday night, with 55 members and guests present. Gifts were brought for presentation to the inmates at the Jones Institute.

## St. Ignatius Juniors Hit Win Stride

HICKSVILLE - The St. Ignatius Junior Division basketball team, plagued by an inadequate defense pattern in their first three games in the CVO circuit displayed a marked improvement Monday evening of last week when they trounced a strong St. Bernard's five on the latter's court in Levittown.

A good floor game revolved around Al Hendrickson of the St. Ignatius team while his teammates Jack Jarvis and Ken Muller caged 28 and 23 points respectively.

St. Bernard's showed speed and a balanced attack but the clever ball handling and determined defense of the Blue and Gold quintet was too much for the Levittowners. The final whistle found St. Ignatius in front by the score of 68-41.

On Monday evening of this week, the same two teams will again battle it out with St. Ignatius being the hosts at the Burns Ave. gym.

The Tyro Division team of St. Ignatius wrapped up their third win of the season on Monday evening at the Burns Ave. gym by topping St. Plus X of Plainview by a score of 25-10. The Tyros are still unbeaten and stand alone at the top of their division in the C.V.O. circuit.

In stopping the St. Plus X five the Tyros displayed a passing attack that was a pleasure for local rooters to watch. Every member of the Blue and Gold team wound up in the scoring column, while Raurbaugh of St. Plus X caged all of his team's points.

On Tuesday evening of this week, the Tyros will try for four in a row when they meet the second place St. Raphael's team at the latter's court in East Meadow. On Friday evening the Bantam team will play Holy Family of Hicksville at the Woodland Ave. school, a game that was postponed a week ago and

one which the Bantam team is looking forward to as they will attempt to avenge the landslide defeat they suffer at the hands of this same team in the opening game of the season.

In the intraparish games we had a full schedule of games played. At the Burns Ave. school the Tiger clinched the first half title while maintaining their unblemished record, by downing the Wolves to the tune of 18-1. The Lions clinched second place by setting down the third place Panthers by a 6-4 score.

Next week's schedule pits the Tigers against the Panthers and the Lions against the Wolves.

At the Woodland Ave School after a three week lay-off, the Hawks and Eagles are still running through the Midget League. The Hawks won over the Condors 19-4 and the Falcons bowed to the Eagles 12-2. With 2 games to go, and the last game of this half scheduled between them, suspense is mounting. The Condors and the Falcons although virtually eliminated from first place contention for this half could still upset the apple cart for either of the front runners in this Saturday's games.

The Condors are pitted against the second place Eagles and the Falcons will attempt to set the league leading Hawks down to their first defeat.

Over at the Lee Ave. gym the senior division teams saw the three way tie for first place reduced to a two way one when the Pistons set

the Lakers down by a 9-7 count. In the other two games the Celtics won their first game by defeating the Royals in an up and down contest that wound up 18-14 while the Nats let down the Warriors 26-19. These three contests were well played and exciting from start to stop.

Each week an improvement in play is seen as these young boys learn a little more about playing the game with each other as a team.

Don't forget that this Saturday is Paper Drive Saturday.

# Letters to Santa Flood Mails

From: HICKSVILLE, N.Y.  
To: SANTA'S WORKSHOP  
NOETH POLE

Dear Santa:  
I arrived early Thursday morning. Hicksville seems to be a very nice town. Thousands of cozy homes filled with lovely little boys and girls. The whole town was covered with snow, and it helped to make me feel at home. I immediately went to the Post Office and started reading the mail addressed to you as you asked me to do. As soon as I saw the stack of mail I knew you were right, that you may not receive it in time if all those sacks of mail had to be sent to you. So I will do as you said and make one long letter to send you so you have all the toys ready for Christmas eve. When I return to the Pole I'll bring all this mail with me for you to read personally, and see how nicely our little friends in Hicksville write.

Jimmy McManus of 23 Neelter St. asks for: a plastic Oklahoma football helmet, shoulder pads, white football pants, red football shirt, football shoes, football, football socks, pom-pom gun, Army repeating rifle, rocket ship, fanner fifth 2 gun. He concludes, "Dear Santa would you try to give me as much as you can. Would you please try to give me as much of the football things you can. Please give me the football most of all."

Two letters are here from the Gross sisters of 14 Mayflower La., Doreen and Carol. Both assure you they have been trying to be good but slip once in a while. They promise to do better in the future. Carol asks for a Ginny doll, a blackboard, and a statue of St. Theresa. She says, "Look under the coffee table Christmas eve. There will be a small gift there for you." Doreen wants a Ginny doll, a blackboard, a state of the Sacred Heart of Jesus and a new cross for over her bed, because the one she has, has been there since she was a baby. If you can't bring her everything, please bring her the statue.

Russell Hardmeyer of 168 Blueberry La., wants a Plasticville Airport set, a firehouse, a wooden handle rifle, a BS2 model, a Johnny Tremaine set and a baseball glove. Debby Parker writes, "Dear Santa, Claus, I was very pleased last Christmas with my gifts. It was

very nice of you. Love and Kisses. This year she asks for a Shirley Temple doll, doll clothes, doll blanket, suit case, doll carriage, a teddy bear and a tea set.

Pat Satersky's list is as follows: Lionel Remco ES, Wetsy-Betsy, piano real, soldier's and play rifle. Pat lives at 24 Howard St.

Elizabeth O'Neill of 5 Willy La, asks for slippers, Knickerbocker musical organ, two wheeler bicycle, Little Miss Revlon and doll dresses. She concludes, "thanks for reading my letter."

Rickey Still of 130 Knickerbocker

Rd. writes, "Dear Santa, Please bring me cho-cho trains, helicopter, satellite launcher, cowboy boots, trucks, drum, doughboy bobo, games. I'm a good boy. Thank you." His sister Pamela writes, "Please bring me records, a bride doll with high heels, roller skates, carpet sweeper, washing machine, set of dishes, accordian. I've been a good girl. Thank you."

Well Santa, that about all I could read today. I will send another letter tomorrow. Say hello to Mrs. Claus. I miss you both very much. See you soon.
