Telephone Bills Bother Board

HICKSVILLE--The size of the monthly bill from the New York Telephone Co. for the Public School System has been one of growing concern for the Board of Education. The Board last Friday night paid the monthly bill of \$1,402.28. Of this amount about \$500 is for monthly charges, including switchboard rental, 150 extensions, mileage charges, etc. The balance of \$900 is for message rate toll charges.

Formal High School Dedication On Feb 2

HICKSVILLE--Formal dedication of the Senior High School on Division Ave. is scheduled for Sunday afternoon, Feb. 2, following an open house inspection of the four million-dollar structure by interested residents. The date was fixed at the School Board meeting last Friday night. The Board hopes to have a prominent personality in the field of science as the dedication speaker.

All community organizations are being invited to attend and participate in the brief ceremonies.

Effective with the first day of the New Year, the School District will have four new teachers. The Board approved the following teachers recommended by Donald J. Abt, assistant superintendent of schools: James D. McKibben Jr., Gloria Scheibner, and June Beriman, at Lee Ave. School; and Betty Jane Taylor, Old Country Rd. School.

The School Board is prepared to accept the transfer of title of the Public Library site to the school district under the conditions recommended by the Library Board, as amended by School Attorney Arnold Witte.

NO REC DIRECTOR

Position of Recreation Director of the School District apparently is still unfilled although the School Board authorized Dr. Wallace E. Lamb, superintendent of schools, several weeks ago to contact the unnamed Board choice. It has been learned, unofficially, that the choice of the Board has declined to come to Hicksville, having obtained a salary increase where he is presently employed.

An executive session on the matter of a Recreation Director was called near the conclusion of the public meeting last Friday night. The meeting ended without action being taken.

FORECAST FOR 1958:

Climb In School Taxes

Local property taxes, specifically for public education, will continue to rise in 1958 and the year will see increasing efforts to reduce this burden in a variety of "less painful" ways.

In Hicksville School District where many homeowners thought the era of new school building was about over, the voters are faced with a referendum on another building on Cantigue Road with hundreds of new homes being built on the last big open tract in the district.

In Jericho District construction will probably get underway about mid-year on a newly approved High School and the Plainview-Old Bethpage Central School Dis-

trict also has a high school, approved last year by the voters, to put out on bids.

Increased costs and wage increases will be reflected in the annual school district budgets which come up for voter action in May.

Among the devices being proposed and debated as methods of easing the burden on the property owning taxpayers are (1) increasing State Aid, and (2) a possible local, county sales tax. The sales tax proposal, while attractive to some school people, is generally in disfavor with the consuming public--a large segment of which moved to Nassau to get away from New York City and its sales taxes.

Requesting 50-Acre Tract

PETITION TOWN TO ACQUIRE PARK

HICKSVILLE--Community-spirited residents this week began the circulation of a petition asking the Town Officials to act upon acquiring a 50-acre section of the former Press Wireless property for a community recreation Centre. An informal committee to prepare and circulate petitions came into being Saturday.

Goal of the committee is to obtain a thousand or more signatures of homeowners of the community within a couple of weeks for presentation to the Town Board.

The petition asks the town to move quickly and obtain by purchase or condemnation a parcel of land in the north west section for long-range development as a community park. Allen S. Carpenter of 11 Loretta Lane is temporary chairman of the committee.

The HERALD pointed out editorially last week that land developers are moving rapidly to obtain subdivision of the 100 or more acres between Kuhl Ave. and Cantigue Rock Road. They are prepared to set aside enough property for sale to the school district, subject to a referendum vote, as the site for a new elementary school in the area.

"Today our personal action of inaction", Carpenter said yesterday, "may decide for all-time whether our community of approximately 50,000 people will ever have a public park area, for present future development."

"We can count ourselves fortunate in that we have today town officials who seem willing to provide our community with any reasonable and practical facility that we can convince them we want and are willing to pay for."

The petition drive is aimed to convince the Cyster Bay Town Officials that the people of the community want an area set aside for development as a public park.

Among the organizations which have individually sought to obtain a community park area, over the years, is the volunteer Fire Dept. for the establishment of a permanent racing and training course. The Committee for A Public Park hopes to enroll the support and cooperation of the fire department as well as all other public-spirited individuals and organizations.

PROPOSED APPROXIMATE location for a community park for long-range development is a portion of the former Press Wireless property. School site indicated is tentative, subject to decision of the School Board and approval of the voters. The area west of Cantigue Road is already under development as Imperial Gardens.

Parking Permits Available

The Hicksville Park and Parking District Resident Parking Permits for the year 1958 are now available at the Town Hall Annex at 32 Broadway.

It will be necessary to have a 1958 vehicle registration when applying for this permit. The permit must be displayed on the parked vehicle on or before January 31.

1958. Permits are issued to residents living within the boundary of Hicksville School District.

Information relating to the various parking field restrictions can be obtained at the office or by telephoning Wells 1-7630. Monday to Friday inclusive, 9 A.M. to 4:45 P.M.

Jr High P-TA Meets on Monday

Due to the holiday season the regular meeting of the Hicksville Junior High School P.T.A. which was originally scheduled for Jan 2 will be held on Monday, Jan. 6 at 8:15 P.M. in the cafeteria.

The program for the evening will be a review of the "Code of Social Behavior."

Christmas Eve Crash Fatal

EAST MEADOW -- Robert Baker of 228 W. Marie St., Hicksville, died at Meadowbrook Hospital, on Dec. 24 of injuries following an auto accident that took place the night before on Southern State Parkway, near the Hempstead exit. Baker was on his way to Woodside to pick up his wife, Edith, who had spent the day there at the home of her mother, when the accident occurred. According to reports, the car went out of control and bounced off three trees, flipped over and smashed into a fourth tree. The critically injured man was rushed to Meadowbrook Hospital, suffering internal injuries and one arm and both legs broken.

Police tried, in vain, to locate his wife Edith, who is expecting their first child soon, but since they did not know her mother's name they were unable to reach her. After many futile attempts to reach her husband on the phone the mother-to-be called a neighbor and was told the sad news. She rushed to the hospital only to arrive minutes after he died.

The 37 year old Baker, reposed at the Urban Funeral Home Woodside, where Masonic services were

held Thursday evening at 8:30 PM. He was a member of the Manetto Lodge, Buriat was held at Linden Hill Cemetery, Brooklyn.

Hassall Honors Employees

One hundred fifteen of the 130 employees of John Hassall, Inc., on Canisius Road, 107-year-old manufacturer of nails, rivets, and cold headed specialties, attended the inauguration dinner for the company's newly established Service Award Program on Dec. 17.

A total of 1,592 years of service were represented by awards to 66 employees. Thirty-eight received 10 Year Pins, 27 were awarded 25 Year Pins and one employee who retired this year was given an inscribed wrist-watch. The latter, Joseph C. Bopp of Sag Harbor, retired last February after 48 years of service with the company. In the 25-year group, which accounts for one-fourth of the Hassall working force, eight have served 40 or

more years.

John Hassall, Inc., headed for 49 years by Theodore S. Smith, President, who made the awards, was established in 1850 and manufactured the first machine-made nails in America. In 1889 they moved from New York City to Clay & Oakland Streets, Brooklyn, moving to their present, modern country site. In 1953, Service Awards will be made on an annual basis from now on.

MASTER OF EDUCATION

Margaret E. Pelly, daughter of Mr. and Mrs. Sidney Pelly of Bay Ave., Hicksville, graduated from Adelphi College with a master of science in education degree last week. Mr. Pelly is town superintendent of beaches.

Vote to Present Troop with Flag

At the regular monthly executive meeting of the Plus X Society of Hicksville it was voted to give a Troop Flag to the Boys Scouts of Troop 491, sponsored by the Society.

Mrs. Harold Sykes and Miss Antoinette Telender, chairladies of Christmas cards and religious cloths, reported very satisfactory results from their sales during December.

The regular monthly meeting of Plus X will be held on Monday, Jan. 6, at 8:30 P.M. in the school auditorium. Instruction and a film on the Bible will be the topic of the evening.

In recent years the Society did not have a February meeting as a means of fuel conservation but this year there will be a Feb. meeting. Father L. Balleg, Moderator, closed the meeting with a prayer and Blessed Season's Greetings.

Dear Jean:

WILLIAM ALONGE is chairman of the Hicksville March of Dimes campaign this year which opens on Friday, Jan. 3. Dr. WALLACE E. LAMB, Hicksville superintendent of schools, spoke on "Movable Buildings" at the regional drive-in conference for school administrators from Ohio, New York and Pennsylvania at Allentown in November.

LEON GALLOWAY, principal of Hicksville Senior High School, celebrated his birthday on Christmas Day. Volunteers are needed to provide transportation for Catholic Deaf of the Diocese of Rockville Centre to their first meeting in Nassau on Sunday, Jan. 19. Local residents who graduated from St. John's University College of Pharmacy were FRANK O. RACOSZI of Hicksville and JOSEPH TIMECK of Bethpage. Topping the list with the highest grade in the Nassau Civil Service Commission list of 273 men eligible for county police work was RICHARD A. METZITZ of Hicksville who made a score of 102.50. Dick is an active member of Hook and Ladder Co. 1 of Hicksville Volunteer Fire Dept. Santa Claus made the rounds in Bethpage on top of the firemen's aerial ladder truck after stopping off at the firehouse for a party of 300 children.

LOU PALLADINO reminds fellow members of the William M. Gouse Jr. VFW Post of Hicksville to visit ED SHANNON at Meadowbrook Hospital. He is going well after an accident on Christmas Day. FRANK DONOVAN, deputy county attorney, is the newly-elected president of Hicksville Republican Club. He succeeds MICHAEL J. SULLIVAN.

Our best wishes for the brightest, happiest new year of 1958. We note the Hicksville Jewish Centre Building is well under construction on Jerusalem Ave. The Weather Bureau has selected the following names for 1958 Atlantic Hurricanes: Alma, Becky, Cleo, Daisy, Ella, Fil, Garda, Helene, Ilsa, Janice, Katy, Lila, Milly, Nola, Orchid, Portia, Queeny, Rena, Sherry, Thora, Udele, Virgy, Wilma, Xrae, Yurith and Zorna. Only 13 of the girls will get their names in print next year, according to JANET TYLER, Oil Heat Institute weather girl.

A few people we spoke to this week were disappointed by the fact the Christmas tree in the window of the Library was moved shortly after it was decorated and could not be viewed by passerby. One woman who called the Library was told it was moved to enable workmen to lay the new carpeting.

Belated greetings to ARTHUR NORTH of Twinlawn Ave., Hicksville who celebrated his 12th birthday on Sat. Dec. 28, with a small gathering of friends in for ice-cream and cake. Our sincerest sympathy to Mrs. WILLARD STOLDT of Elm St., Hicksville on the death the past week of her brother, Frederick C. Valentine of Oyster Bay. The Ladies Auxiliary to the Hicksville Fire Dept. will meet on Tues. evening, Jan. 7 at the E. Marie Firehouse, at 8:15 p.m.

A very irate subscriber called the office the other day. He wants to know why an operators or chauffeurs license cannot be renewed at the Hicksville Motor Vehicle Office? He said he is very annoyed with the fact that he has to go to Mineola each time he has to renew his license. He claims that the Hicksville office is the "only Motor Vehicle office" in the whole state with such a restriction.

Auxiliary Visits Northport Vets

The Ladies Auxiliary of the Sgt. Ben Levitt JWV Post 655 of Hicksville made their regular monthly visit to Northport Veterans Hospital on Sunday, Dec. 28. The Auxiliary contributed to the hospital canteen for the gifts to be distributed to the patients.

A Card Party will be sponsored by the Auxiliary on Wednesday, Jan. 22 at the East Nassau Hebrew Congregation at 310A South Oyster Bay Rd., Syosset at 8:30 P.M. Door and table prizes will be awarded. All funds raised will be used for Veteran, Child Welfare, Cerebral Palsy and community work.

BERMUDA BOUND
Mr. and Mrs. Walter Grant of 74 Crescent Drive, Old Bethpage, left Jan. 1st for a ten day holiday in Bermuda at the St. George Hotel.

Leo Reports on Jamboree

NORTH HILLS -- Eagle Scout Leo Kanawanda of Halsey Ave., Hicksville, who was designated as the outstanding American Scout at the World Jamboree in England this Summer, "stole the show" at the recent annual Eagle Scout dinner at the Harkness Training Centre, here. Leo reported, via airmail, to HERALD readers on the entire World Jamboree and trip thru Europe.

John M. Greene, LI Daily Press columnist, reporting on the Eagle Scout dinner when Nassau industrial, financial and business leaders were hosts to 50 selected Scouts, noted that Henry G. Elsmann of Hicksville and Supreme Court Justice Cortland A. Johnson conceived the idea of the annual dinner.

Greene said: "As in the past, this 1957 gathering saw a Scout steal the show. This time it was the Eagle Scout Leo Kanawanda of Hicksville's Troop 64.

"Scout Kanawanda was one of the Nassau boys who attended the international jamboree held in England this year. He was glad he went, he said, because it proved to him that Scouts all over the world are friendly, whether they are from Africa, China or whatnot.

"He was impressed with the solicitude the British people had for the Scouts of other nations and the way the quick barrier of different languages was overcome.

"It was like the United Nations

in small pants," Scout Kanawanda said, which caused Morris Rochman chairman, to comment that "we might do well to put short pants on some of our diplomats."

Scoutdom, said Scout Kanawanda, has brought him closer to his parents, his church and Scouts generally. He found this to prevail among the Scouts of other nations, too. "They were all friendly and they want peace," he said. "It's too bad that some of the older people of the nation don't feel the same way."

CURRENT COMMENT

As We Start A New Year

BY FRED J. NOETH

AS THE YEAR 1957 draws to a close, we can pause for a moment to glance back before we begin to anticipate a bright new year.

The files of your community newspaper are a good current community history and the 52 editions published during the past twelve months indicate some promising, as well as disappointing, developments.

On the plus side we have the completion of a fine new public library building which will be dedicated later in January. We also have the remodelled and vastly enlarged Hicksville High School which has now become the Jerusalem Ave. Junior High School. The long sought widening of North Broadway up to Jericho is ready to move into high gear.

The Hicksville School Board has practically disappeared from the headlines as a source of controversy and resultant side effects.

On the minus side, we are disappointed in the lack of positive progress (or authoritative information regarding progress) on railroad grade crossing elimination in Hicksville although some sources say the paper and engineering has been moving right ahead and on

schedule. Also on the minus side has been the unfortunate decline of Hicksville Main St. as a retailing centre which has reflected itself in empty stores, curtailed advertising budgets. A combination of too many shopping centres, inadequate parking and traffic control, discount selling, etc. all had its ugly hand in this decline.

But offsetting this and demonstrating faith and confidence in the community and its economic future was the construction of the three-story Hicksville office of Meadow Brook National Bank and the fine new building of the Central Savings and Loan Assoc.

The year 1957 was filled with its share of happy events and moments such as the well-reported Boy Scout World Jamboree whence we were all taken by Eagle Scout Leo Kanawanda via his special air-mailed reports.

And the year had its share of sad moments--the passing of old friends, and acquaintances of long standing. The year also saw the demolition of numerous landmarks such as the Community Reformed Church, the Hicksville Inn.

And we progressed as the volunteer fire department grew to seven companies of men. The year also saw our service organizations maintain their vital role in the community. Our churches grew and expanded in numbers. The fine new edifice of Our Lady of Mercy on South Oyster Bay Road was completed and dedicated. The Trinity Lutheran Church announced plans to build a parochial high school. Hicksville Jewish Centre started construction on their house of worship.

We grew in population. Hicksville Public School enrollment increased from 10,398 in 1956 to 11,293 in 1957. A census of the district shows 19,051 boys and girls in Hicksville from birth to the age of 17 compared with 18,417 the year before.

The year 1957 is behind us. Happy New Year.

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

And Santa Claus came to town--Last Sunday-afternoon at the Post Children's Christmas Party--And what a noisy place that was--Seems what one of Santa's little helpers slipped whistles in the stockings and, oh boy--I can hear them yet--Well, the kids had a terrific time and the adults did enjoy themselves very much also--As one new member put it--"I've attended lots of Xmas parties for the kids at other places but they all seemed to be happy to give the kids a present and then get rid of them, sort of, well, it gotta be done deal so let's get it overwith. But here, the spirit is right, make the kids happy all afternoon and that's just what you boys are doing, a fine job."

And the Entertainment Officer stated after the party (Cunser Barnett is his name) that either the Hall must be expanded for next year's party or else the boys will have to cease production as the Hall was jammed to capacity--And wasn't Santa Claus real good once, again?--Even Santa Claus got hungry and along with some of his helpers, dined at the O-San in Syosset which incidentally is owned by a Legionnaire and the food is good--So many faces that you normally don't see at

meetings showed up at the party and we were mighty happy to have them with us--Seems the Holiday spirit brings out the best of everything--

The nice thing about the Xmas Party for the children is the way Santa gets so many helpers to keep it going at top speed--No one is asked, but they just go ahead and do all the helping on their own, believe me, its real spirit and this goes for all the work, such as carrying the chain up from the basement hall to the main hall; picking up the millions of empty soda bottles, etc.--And Ed Becker signed up quite a few members for The Sons of The Legion at the party and now that outfit is really underway--Give it your all out support and enroll your Son or Grandson in it, the first meeting is Jan. 10.

Ok, you say you don't have a Son, well if you have girls instead, enroll them as members of the Junior Auxiliary--Let's hallelu the whole family Legionnaire and the American Legion is one of the best things ever to happen to the good old U.S.A.--Well, I hope that you have had a Merry Christmas, one of the best and that you will be looking forward to the next meeting on Jan. 6th.

Town Officials Start New Year

OYSTER BAY - Supervisor John J. Burns and Town Councilmen Marc J. Post, Benjamin Zipper, Peter B. Allsopp, Edmund A. Ocker and Louis A. Sista; Town Clerk Henry M. Curran and Superintendent of Highways Thomas R. Pynchon were sworn in on the first day of 1958 in Town Hall before civic and various organizations throughout the township.

Nassau County Clerk Ernest F. Frankel administered the oath of office. The Rev. John Fee, Pastor of St. Boniface Martyr R.C. Church of Sea Cliff gave the invocation.

Supervisor Burns is a member of the parish. Eagle Scout Joseph Michaels of Troop 39 opened the ceremonies with the Pledge of Allegiance to the Flag.

The Board announced the following appointments after the swearing-in ceremonies: Michael J. Sullivan, Town Attorney; Leroy B. Matthews, Comptroller; Norman Wolf, Director of Purchases and A. Carl Grunewald, Chairman of the Board of Zoning Appeals.

Wolf, who will head the new Dept. of Purchases, which was authorized

at the last session of the legislature, resides at 1 Dogwood Lane, Glenhead, and is presently a Nassau County Deputy Clerk. A licensed surveyor with an engineering background, Wolf previously served in the Town of Oyster Bay Engineering Dept. from 1934 to 1937. Following that, he worked in the office of the County Clerk in charge of draftsmen and was responsible for all purchasing for the Block and Section Department in that office. He is past-president of the Glen Head-Glenwood Landing Republican Club.

Pine Brook Civics Hold Election

Hans W. Ringwald has been elected president of the Pine Brook Civic Assoc. Other officers include John R. Bennett, vice president; William E. Smith, secretary-

treasurer; and Arthur J. Leudesdorf and Joseph P. Sievin, trustees. The Civic Assoc. will hold its annual Get-Together early in February.

Father McGowan In Radio Series

The Rev. Charles F. McGowan, Assistant Pastor of Our Lady of Mercy Church, Hicksville, will be the guest speaker on the LI Catholic Hour which is presented over Radio Station WGSN on two consecutive Sunday mornings, Jan. 12 at 10:30 A.M.

The first in a series of three talks on "The Virtues of Faith, Hope and Charity" was delivered by Father McGowan on Dec. 29. The same subject will be carried through the two talks scheduled for January to complete the series.

NOMINATE OFFICERS

The Rosary Altar Society of Our Lady of Mercy Church will conduct nominations for officers at their regular monthly meeting on Monday evening, Jan. 6, at 8:30 P.M. in the Auditorium.

Are You "Accident Prone"?

It is well recognized that some people are "accident prone," which means there is some inner compulsion which causes them to have accidents. Now this inner compulsion is something of which they are not aware. Insurance companies have become well aware that persons who encounter several accidents are likely to have many others.

The only steps which can be taken to insure the well-being of accident-prone persons is to guard them against the "short odds" of an accident, and since the great majority of accidents happen in the home, precautions should begin there. Switching lights on while in the bath-tub, or handling any electrical appliance is dangerous and can easily lead to electrocution. When bathing there should be a rubber or plastic mat on the bottom of the tub to avoid slipping, and another on the floor.

Stairways should be well lighted and have a guard rail. The edge of each stair, should be painted with luminous white paint to make them more visible. To guard youngsters against taking poison, all poisonous compounds should be kept out of their reach.

Small rugs, which are dangerous booby traps on polished floors, should be anchored securely. In the kitchen, a most popular place for many types of accidents, precautions should be taken to see that all sharp knives are not just thrown into a drawer, but into a knife-holder, which renders the edge harmless. The low pilot-light on the stove should be watched to prevent minor explosions which can bring painful burns. Electric wiring anywhere in the house should be checked to see if the insulation is frayed.

In spite of all warnings, "accident prone" folk still are the prey of easily avoidable incidents which many times are disastrous.

BRIGHTENING THE forecast for the new year was the recent announcement that the Navy has awarded two production contracts to Grumman Aircraft totalling over \$86 million. The contract calls for the production of an undisclosed number of WF-2 Tracer early-warning airplanes (at

left, above) and FOF-8T Cougar jet fighter/trainer. Grumman President Leon A. (Jako) Swirbul said the fighter/trainer contract amounted to about \$40 million. Production of the Tracer, he added, would continue into 1960. The Cougar, contract calls for delivery in 1959.

Additional Escrow Money Refund

Most Birchwood residents have by this time undoubtedly received their escrow account analyses from the Williamsburgh Savings Bank. Some residents have received refunds, while others have not. However, whether or not you have received a refund to date, you may nonetheless be entitled to a refund or additional refund, as the case may be, from the Bank on the basis of the monies which you have paid the Bank this past year for future fire insurance premiums.

If you have secured either fire or home owners comprehensive insurance on the building through your

own broker and have paid him the installment premium due for the coming year (or a full three-year premium), you can secure a refund from the Bank of the monies held in escrow for such purpose, by securing from your broker and delivering to the Bank a receipt evidencing that you have paid such premium to your broker and that you have insurance coverage against fire on the building for the coming year.

The writer had a long talk with Mr. Laughlin of the Mortgage Servicing Department of the Williamsburgh Savings Bank in this connection and was assured by him that the

Bank has no desire to retain in the escrow account the monies heretofore collected and allocated for fire insurance coverage, if the home owner has in fact secured such fire insurance directly either through a fire policy or through a home owners comprehensive policy. In cases where the home owner is permitting the Bank to arrange for such coverage and pay the premiums out of the monies in the escrow account, then, of course, such monies collected are not refundable.

If the foregoing outlined procedure is followed through, the vast majority of Birchwood homeowners should, according to my calculations, receive at this time from the Bank a refund of between \$50. and \$100. over and above any refund that may already have been received to date.

Committee on Zoning
and Taxation Birchwood Civic Assoc at Jericho, Inc.

400 Children, Parents At Party

The morning of Sunday, Dec. 21, proved to be an unexpected pleasant surprise to the members of the Jericho Jewish Center, with over 400 children and parents in attendance at a Chanukah Festival held at the Flight Room of Roosevelt Field. Practically all the children of the Sunday and Hebrew School participated in a two-hour program featuring plays and traditional singing. The group included residents of Westbury, Jericho, Brookville and Old Westbury.

The Sisterhood of the Center were responsible for preparing and distributing the Chanukah gifts presented to all the children.

The program was under the direction of Rabbi Kolomoien, aided by the Faculty. Cantor Eli Landman, Jerome Karlin, Fred Bohensky, Mrs. J. Schildkraut, Mrs. H. Kufferman and Mrs. M. Lerner.

Civic Association Reports

YOUTH COMMITTEE Irving Garl, chairman, reports that the Birchwood Park at Jericho Civic Assoc has taken an active part in the re-formation of the Jericho Youth Council. This Council is made up of representatives of all of Jericho's civic, fraternal, religious, social and athletic organizations. The council hopes, with the support of Parents Associations, to be able to start and maintain varied activities for Jericho's Teenagers. The Jericho Schoolboard has viewed this projected program with favor and arrangements will be made shortly to obtain the use of schoolrooms and other school facilities one or several evenings per week for the use by all of Jericho's young people. Activities will have to be planned, supervised and financed, and the Jericho Youth Council is presently engaged in working out all these details. Watch the VILLAGER for further announcements.

EDUCATION: Ralph Diamond, Chairman of the Syosset Education Committee advises our readers that the \$3,792,000.00 School Bond issue was overwhelmingly approved by the residents of the Syosset School District on Saturday Dec. 14. The vote for approval ran better than 10 to 1 and the almost 100% support given by Syosset School District Residents of Birchwood Park at Jericho played a vital part in this milestone of PROGRESS IN EDUCATION for our children.

BOARD OF DIRECTORS: At a meeting held by the Board of Directors of the Birchwood Park at Jericho Civic Assoc, the Board unanimously favored a change of name for our Community. Mr. Larry Gibbs was appointed chairman of a special committee which will handle this important issue. This com-

mittee shall seek the opinions of all the residents of Birchwood Park at Jericho and a mailing to this effect will go out shortly. After gathering all pertinent facts, opinions and information, the committee will recommend to the Board of Directors, for their approval, the proposed mechanics for this change of name together with its findings. Our Community will thus be given an opportunity in the near future to decide on a name which will give it individuality and dignity.

Now Is Time

Alice Schwartz, a student at Carle Place High School, who is one of the members on the advertising staff is now prepared to accept advertising in the Year Book 1958 Carillon. Miss Schwartz announces, "The advertisement profit by publicizing the product in this permanent publication which students keep years after graduation, and at the same time is able to help the students continue publishing the Carillon, an established tradition in Carle Place High School."

The Carillon is a hard covered bound book 8 1/2" x 11" containing approximately 125 pages. It has a circulation of 500.

A special professional listing has been planned. Any doctor, lawyer, or dentist wishing to include his name and address may subscribe. Please contact: Alice Schwartz at Wells 8-7585.

GIRL SCOUT NEWS

Troop 241 led by Mrs. Jas. Klueg carolled in front of Seaman-Eiseman Bldg. and were the guests of Boy Scout Troop 64, leader Robert Hughes, at a Christmas party.

Mrs. Olga Arnold's Troop 36, reports a good time was had at a roller skating party on Nov. 23 as well as the investiture of Sherry Ricca and a Christmas party on Dec. 17. For their Christmas service project, the troop made four-poster beds and dolls for the Children's Ward at Meadowbrook Hospital.

The Girl Scouts sang Dec. 23 at the R. R. Plaza tree as they do each year.

Brownie Troop 186, leader Mrs. Kessler, visited the Arranbee Doll factory in December.

New Brownie Troop whose leader will be Mrs. Georgia Ricca meets at Burns Ave. School. The troop is comprised of the following girls: Sandra Ricca, Janet Miller, Margie Monte, Debra Gorlin, Dorothy Pohl, Mary Iacone, Florence Specht, Susan Merson, Deborah Moffett, Elisa DeStefano, Donna Richardson, Denise Moreno, Karen Rasmussen, Ann Clurman, Patricia Hubbs, Georgian Adams, Annette Hermanek and Celeste Lamoureux. The Assistant leader is Mrs. Tomisina De Stefano.

Brownie troops 186, 548 and 550 went to Jones Institute on Dec. 21 to sing carols and bring small gifts. The three troop leaders, Mrs. Harry Kessler, Mrs. Wm. Hitchen and Mrs. Arthur Wicks, escorted the troops.

Mrs. Winnie Collock's Intermediate Troop 426 had a Chanukah and Christmas party on Dec. 23. The evening began with the troop caroling in the neighborhood. They went to Mrs. Collock's home where they presented the program which they had prepared. The Chanukah story was told in play form. The Chanukah Queen was Margie Wagner, with Sylvia Collock and Sally Kriegel as girls in waiting and the Dreidel Song was sung by Diane Millett.

The Christmas Story was told by Diana Santoriello and Carol Margot. The Last Star of Bethlehem was sung by Barbara Wicks. Lullaby of Christmas by Sheila Kelly and Birthday of the King by Diane Le Panto. To close the program, the story of the Littlest Angel was related by Susan Sak. Everyone enjoyed the grab bag and refreshments which concluded the evening.

The troops in the neighborhoods of East St. and Woodland Ave. Schools donated three baskets of food to a religious organization to be distributed to needy families.

CUBS CAROL AT PLAZA members of Hicksville pack 377, as they sang Christmas Carols at Mid-Island Plaza, Hicksville. The Cubs presented a 20-minute program of Christmas music at the Plaza Dec 20 and 23.

Scout Hikers Get Awards

HICKSVILLE - A Charter Presentation and Award Night was held Monday, Dec. 2, at the Methodist church on Old Country Rd., here.

The Methodist church, sponsoring Troop 293, was granted a Charter by the Boy Scouts of America to sponsor the unit for another year. Pastor Cranston Clayton, the Institutional Representative, received the Charter from Neighborhood Commissioner Ernest R. Belanger, who spoke of the responsibilities of sponsoring a Scout unit today.

The program was opened by the Troop's Indian Dance group, followed by Charter presentation and Registration Cards, and awards to members of the Troop by Scoutmaster Walter Sawatsky.

Of particular interest was the Eagle Scout Award made to George Williams, while his parents proudly watched. This was followed by the presentation of an Eagle Scout ring to George by Kenneth de J ngh, on behalf of the Hicksville Lion's Club. De J ngh, 1st Vice-President of the Lions, stated that the Club was proud to give the ring to George, and that it intends to donate a ring to every Hicksville boy who achieves the coveted Eagle rank.

Other awards made along the trail to Eagle Scout were: Tenderfoot Second Class Scout - James Cardin, John Dorebecker, and Charles Hassell; Star Scout to Life Scout - John Metzger and Lau-

rence Green; Merit Badges - Joseph Getz, Laurence Green, John Metzger, Thomas Rauter, George Williams, and Thomas Witzemberger.

George Williams, Allan Foster, and Gary Strobe are now registered as Explorer Scouts; while Donald Brown, Leonard Erlich, John Henneberger, Thomas Hesbach, Vincent Holzer, and Joseph Torchiano were welcomed into the troop as Tenderfoot Scouts.

Awards for hiking 60 miles were presented to Rickey de J ngh, Tommy Ehrmann, Graham Fricke, Gordon Hulse, Joe Katagui, Billy Knudsen, John Lansing, Ray Weber, Edward Whirly, George Williams, and Tommy Witzemberger; and an award for hiking 120 miles was presented to Nils Hansen, who surely must have sore feet by now.

The affair was closed by the scouts reciting in unison the Scout Oath, the Scout Law, and a prayer.
