

Cantiague Road School: SITE COST LEAPS TO \$20,000 ACRE

HICKSVILLE — The Board of Education had two executive sessions, last Friday night. The first was held from 10 PM to 10:22 PM on the proposed sale of some land on Cantiague Road to the district, subject to a referendum vote, for another elementary school. The second executive session was from 11:19 PM to 11:55 PM regarding an outstanding bill for legal services from Michael J. Sullivan.

The representative of Galop Inc., land developers who are laying out about 100 acres of the former Press Wireless property on Cantiague Road into home sites came back with some maps and new prices. Two weeks ago the Board of Education was quoted an asking price of \$17,000 an acre. Last Friday night the asking price was up to \$19,800 an acre making a total of \$198,875 for a 10-acre school site.

At those prices, Board President Emil J. Szendy told the people from Galop, the Board is unwilling to commit itself. The Board went into executive session to discuss the new prices. After the session, Paul Gale was told "the Board is not officially saying anything".

Sullivan was formerly attorney for the school district and has written the Board reminding them of a balance due him on various construction projects of \$9,925. Following an executive session on this question, it was indicated a committee of the Board would probably confer with Sullivan about the bill. It was announced at the meeting last Friday night that Leland J. Haworth, director of the Brookhaven National Laboratories at Upton, has accepted the invitation to speak at the formal dedication of the Senior High School on Sunday afternoon, Feb. 2.

The Board will hold another regular weekly meeting this Friday night at 8:30 in the Faculty Cafeteria of the High School on Division Ave.

FOURTH SUB STATION

To meet the expanding needs of the patrons of the Hicksville, a new Sub Post Office Station opened on Jan. 2.

This station is located in the Pelton Drug Co., an agency of the Whelan Drug Corp. at the corner of Broadway and Marie St.

All window services, Money Order, Parcel Post and Registry may be obtained at this SUB Station.

Burn Christmas Greens Sunday

All Hicksville residents are being urged to bring their discarded Christmas trees to the Mid Island Plaza where a "burning of the greens" in the ancient tradition will be held this Sunday afternoon, Jan. 12, at 3 o'clock under the supervision of the Hicksville Fire Dept.

The Christmas trees will be piled in an area on the east side of North Broadway, about opposite the main entrance to the Plaza. The "burning of the greens" is an ancient English ceremonial, dating back to the days when the lord of the manor and his servants hung the greens in the Great Hall on Christmas Eve and then took them down again with songs and feasting and burned them on Epiphany.

Chief B. Medard Ofenloch of Fire Dept., inviting all to bring their trees to the Plaza this Saturday and not later than Sunday morning, said there is a tradition that those who burn their Christmas greens on the Feast of Epiphany will be blessed with prosperity all during the coming year.

Participating in the "burning of the greens", Chief Ofenloch added, will eliminate fire hazards in many homes and serve to keep the community neat and clean.

The volunteer firemen will supervise the actual putting of the torch to the mountain of Christmas trees.

The Mid Island Shopping Plaza is cooperating in making available the cleared area for the greens burning ceremony.

East St PTA Meets Tonight

The Hicksville East St. P.T.A. will meet this evening, (Thurs.) at the school, at 7:30 pm with Mrs. Vincent Hoosack, president, presiding. Theme of the evening will be "A Day at School".

Now Cancels Civic Meeting

HICKSVILLE—The snow storm Tuesday evening forced cancellation of the January meeting of North East Civic Assoc. Winners of the Christmas decorating contest will be announced at the next regular meeting at Burns Ave School on Feb. 4.

Parents are urged to attend this meeting as they will be given a first hand view of their children's typical school day as the child spends it. The teachers will be on hand to see that the parents go through exactly what the pupil does -- for example, going to the different classes, gym, and of course, no talking or running in the halls. Should be fun to go back to your school days, if only for one evening.

Friends Rally To Aid Fire Victims

By Irene Gilchrist

HICKSVILLE — It wasn't a very Happy New Year's eve for the William Kumlanders and their two children, William Jr. and Louise, of 62 Hunter Lane, earlier that day their home in the Hillside Terrace area had been destroyed by fire.

Fortunately no one was injured. Mrs. Kumlander is warned by a blast from the basement and scurried to the children from the house. She went to the home of a neighbor, and when her neighbor's husband rushed to the house to find out the cause of the fire he could not enter due to the engulfing flames. The Fire Dept. was summoned and when they had extinguished the fire the entire interior of the home was destroyed. In the kitchen the floor was so badly damaged the refrigerator fell through to the basement. All bedding, clothing and furnishings were completely destroyed.

As people always do, friends of the Kumlanders responded with generosity. The congregation of Trinity Lutheran Church, where the Kumlanders are communicants, has collected a purse for the family.

Even the friends of the children are helping. The boys of Den 6, Pack 291, of which William Jr. is a member collected money and purchased a new Boy Scout uniform for him. Through the kindness of Paul Walker of Gertz, the boys were able to purchase for less than they had expected so they were able to buy a few more little gifts to replace the things William had lost. The presentation of the gifts were made at the home of the Den Mother, Mrs. Robert Gross of 55 McKinley Ave., at the regular den meeting held Monday of this week.

The Kumlanders have lost a lot, materially, but they have found the generosity of their friends and neighbors.

Red Ball Is Up For Hundreds

Hundreds enjoyed ice skating for the first time, locally, in many a year over the weekend. Flooded tennis court-park areas at the Burns Ave. and Dutch Lane Schools in Hicksville, covered with water by the volunteer firemen, were in use on Saturday and Sunday. Many also went to the area at Glenbrook park section, off Newbridge Rd., which was prepared by the Town Park Dept.

The flooding of public school areas this year has the blessing of the Board of Education which voted several weeks ago to also provide lighting at night if the ice continues to hold for some time.

Children Carol In The Gables

Over 30 children ranging in age from 4 to 14 years from the Hicksville Gables section were caroling the week preceding Christmas and Christmas Day in their neighborhood. They would like to make it known to their benefactors through the HERALD, that the money has been turned over to the Assoc. for the Help of Retarded Children.

Santa Visits With Cub Pack

Cubbers and their families turned out in full force Dec. 18, awaiting St. Nick at the Cub Pack 375 Christmas Party. Santa found time to spend about an hour with the boys and girls of the Pack, greeting each one personally and managing to provide a gift from a bulging bag for all.

Singing Christmas Carols with mother and dad, brother and sister provided a real Holiday beginning for the Cub Pack 375. About 12 former Webelos Denmers now forming Boy Scout Troop 375 also attended. This is a fine group of boys showing how Cubbing brings along our boys in training and background for Scouting preparation.

Some of the projects were exhibited including: tin-can robots, books-ends, sewing boxes, knick-knack boxes, log candle center pieces, yarn covered coat hangers and Christmas decorations.

Individual Dens prepared and planned their own refreshments with many gay decorations and party favors.

Three Christmas baskets were assembled at the party, with all the

Trimming including Turkey to be provided so a happier Christmas might be had by three families, distributed through the Kiwanis Club of Hicksville.

Park Petitions In Circulation

BY FRED J. NOETH

PETITIONS are now in circulation which request the Oyster Bay Town Board, as the governing body for the Hicksville Park and Parking District, to acquire by purchase or condemnation of about 50 acres of the former Press Wireless property to be set aside for a community park.

Those who are circulating the petitions report excellent support from the community and it is hoped to have the documents ready for presentation to the Town Board next week. If you want a petition to sign or circulate, we have them at the HERALD office. They are also available from Allen S. Carpenter of 11 Loretta Lane, Hicksville, who is temporary chairman of the Citizens Advisory Committee on Recreation.

The designation of about 50 acres for a real park, which can be developed over the years into ball fields, picnic areas, permanent racing course for the volunteer firemen, etc., will take out of possible development a section where upwards of 200 homes may otherwise be built. The number of homes in this section will have a distinct bearing on the size of school which will be needed in the north west section. . . and all these factors have a bearing upon your future taxes.

It has been calculated that a bond issue to acquire the park area, amortized over 15 years, would cost the average homeowner about \$5 a year on his tax bill. As our total community assessment grows (as the result of commercial structures, etc.), this charge per home would decline.

The opportunity is now in our hands to act upon for the benefit of future Hicksville generations. Let us not miss it to our everlasting regret.

Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

Every Legionnaire should get out his writing materials and sit right down and thank the president of TRUNZ INC. for the wonderful 1958 calendar they distributed through their stores. It retells the story of the American flag and all the proper ways of displaying it and the entire thought behind the issuance of this type calendar is strictly patriotic and not commercial. What a relief to find that someone outside of the veterans' organizations thinks enough of our country's flag to tell the world about it! Address your letters to Charles Trunz, president, at 25 Lombardy Street, Brooklyn 22, N.Y.

There was quite a showing at the services last week for past commander Fred H. Davis, who passed away shortly after New Years by Post and Auxiliary members, Bob Mangels and Bob Sutton stood Honor Guard during the services. Tomorrow (Fri night) is the first meeting of our reactivated unit of The Sons of The Legion and if you have not as yet spoken to your boy about joining this outfit, just take him by the hand and bring him to this opening meeting and the both of you can find out what this unit's intentions are and coming program will be. 7:30 P.M. at the Legion Hall is the time for this January

10th Sons of the Legion meeting. Be there with your Son and give our Youth program a royal sendoff for 1958!!!!

Henry Brengel did the honors at the drawing for the basket of cheer offered by the Auxiliary on New Year's Eve and the winning ticket was held by Mr. and Mrs. Ed Nelson of 87 William Road, North Massapequa. . . just a reminder that the Post is still collecting old newspapers and all you have to do to help is to drop them off on the left front porch or the clubhouse and you might aid a bit by telling your neighbors to save their papers for us also. . . The amount of papers that the average house in Hicksville gets in a week's time and then throws out in the garbage is awful. Get them to the Post where some good can be done with them. . . Our Commander, Guy Smith, was the winner of the Dark Horse Drawing at the last meeting in 1957. . . Have you paid your 1958 DUES yet? How about signing up a new member?

Anthony Cannizzaro will be installed for his second term as Captain of Emergency CO. NO. 3 of the Hicksville Fire Dept at the 29th annual installation dinner-dance on Saturday night, FEB 1

Wm. D. Gouse Jr. Post
Veterans of Foreign Wars
By LOU PALLADINO

I don't know the words to do justice to our Christmas Party, but it was a grand success. Everything went off very well. Of course we had a few anxious moments, but all is well that ends well, and that is how it finished. Our tree in the Hall gave that sparkle of cheer that goes with Christmas. It was brightly lighted and colorfully decorated by our able committee. Chairs were lined in double file on either side of the hall, and everyone was filled, with many others standing.

Looking back at the party I realize that I was feeling the same glow of excitement as the children, but being an adult I had to subdue the sensation. I'll bet there were a lot of other grown-ups or adults who felt the same way. The youngsters can cause a beehive of activity, so it's no wonder that this excitement is generated into the so-called adults. I can't think of the adjective to describe the tingling excitement of the party. Isn't it a wonderful time of the year where every one seems to have the feeling of Peace on Earth, Good Will Toward Men. Wouldn't it be a much better world if it could be felt by all people every day of the year? I wonder how many persons made the same statement? You may be assured lots of human beings did.

I must commend the committee for doing such an able job. They were comrades Bob Obermeyer, Jim Kluge, Harry Valentine, Al Hanlon, Commander George Walden, and the committee chairman, Al Wangenheim, with an assist from Lou Klein. John Hannigan had a very special job to do, and he did it excellently. Wonder where he disappeared to when our special guest arrived? If John were a little larger around the middle he wouldn't have needed the pillow.

Finally, our guest of honor came dashing in with the tune of jingle bells clamoring. Santa had finally arrived. Words fail to describe the shouts of joy coming from the youngsters. Then came the wonderful part, when the kiddies opened the packages that Santa had handed them. St. Nick is a great guy, as any child will attest. It's really worth a lot to see the light shine in the eyes of the children when Santa handed them that little gift, and watch them tear off the wrapping paper with the excitement and alacrity that only a child possesses. Wouldn't it be something to recapture the mood and be a child again, even if only for a moment.

At this time I wish to make mention to our ladies health. Being so healthy, and having such nice natural color, almost caused Santa to have a dilemma. Not only is it that our ladies don't need rouge, but not a one carried any with them. If you don't think that can cause a crisis, I know somebody that will give you an argument.

Our thanks - To our ladies who by their presence make our Post look dressed. To the comrades who make us the Post we are. - To the children who are our joy, and a part of our future way of life, and the future of our country. - And to Santa who made our party a huge success. We didn't forget those who might have been forgotten. Our good comrade Art Sacks visited Jones Institute with some gifts for the veterans there. We look for Vets who may be forgotten, to bring a little cheer, particularly in our vicinity. Our sincere appreciation to the Long Island National Bank of Hicksville for their generous donation of the playing cards which we gave the Vets.

Something new has been added in the Post. A new card table was purchased. Our own little Christmas gift. It's a beauty, and worth a visit to the Post just to see it. Hoping to see you at the next meeting.

The Fund-Raising Committee of The Sisterhood of Congregation Shalom Zedek, Hicksville, will hold a meeting tonight (Thurs) at 9 pm in the home of Mrs. Jack Rankow, 8 Tudor Rd. Hicksville.

RHODA RUTH MOSKOWITZ, a Hicksville junior and senior high school teacher, on Dec. 25 became the bride of Irving Lew, a news assistant on the foreign news desk of The New York Times.

Rabbi Joshua Hertzberg, spiritual leader of the Bayside Oaks Jewish Center, officiated at the ceremony at the Belmont Plaza Hotel. He was assisted by Cantor Jayson Bauch of East Meadow.

Mr. Moskowitz gave his daughter in marriage. She was attired in a princess-style gown of white Chantilly lace over white peau de soie designed with a Peter Pan collar, long sleeves, fitted bodice fashioned with princess line paneled front, and a full bouffant skirt terminating in a chapel length train. Her tulle veil was fastened to a scalloped pearl crown and she carried a white bible and bouquet of white orchids and stephanotis.

The bride's matron of honor was Mrs. Sol Sattiel of the Bronx, sister of the groom. The best man was Melvin D. Moskowitz, brother of the bride. The ushers were Ronald and Jerald Robinson and Donald Konikoff, cousins of the bride; and Joseph Feldberg, Eugene Kass and Henry Magid.

The bride, the daughter of Mr. and Mrs. Albert Moskowitz of 227-21 Hoxie Drive, Bayside Oaks, is an alumna of Adelphi College and received her master's degree from Brooklyn College.

Mr. Lew, the son of Mr. and Mrs. Philip Lew of 2167 Holland Ave., the Bronx, is a veteran of the Korean conflict. He attended Columbia University and is studying at New York University.

After a Nassau honeymoon, the newlyweds will reside in Queens.

Cubs to Entertain Veterans

Cub Scout Pack #378 of Hicksville is undertaking a new project in the form of a "Good Will Tour" to help entertain the patients of the St. Alban's Veterans Hospital. They plan to furnish the bed-ridden veterans with "Pinewood Derby" model car kits, which the veterans can whittle, assemble and paint by themselves. The Cubs will then set up a ramp in the hospital ward on which a series of races

will be run. This activity was formerly conducted by a cub pack in a California veterans hospital with great success, and Pack #378 hopes to be equally successful.

Any organizations or individuals wishing to help sponsor this endeavor are welcome to send contributions to aid toward the purchase of the car kits and other necessary material. For further information call Dominick Grasso at WE11S 5-8063.

Air Raid Test Alarm Jan 17

Nassau County's Air Raid Warning signals will be heard on Friday evening, Jan. 17 at 8 P.M. The Public will NOT be required to take shelter and traffic will NOT be halted.

The primary reason for sounding the sirens at 8 P.M. is to afford the residents of Nassau an opportunity to hear and become familiar with the "ALERT" and "TAKE COVER" signals. During the daytime many people, who make Nassau their home, have been unable to hear them because their jobs have required their presence elsewhere.

Scholarship Reminder

by Kay Mazzie

One hundred New York State Scholarships for children of deceased or disabled veterans will be available in 1958 according to the announcement today by Mrs. William Walker, of Lynbrook, chairman of the Nassau County American Legion Auxiliary.

Each scholarship, she said, entitles a winner to a sum not exceeding \$450.00 a year while in attendance at any approved college within New York State. Persons who hold this type of scholarship may also hold State Scholarships from other sources.

Candidates must be children of a veteran who served in the U.S. Armed Forces in World War I or II or between June 25, 1950 and July 27, 1953. The veteran must have been a resident of the State of New

York at the time of his entry into active service.

Applications may be secured from local high schools or from the State Department of Education; Bureau of Examinations and Testing, Albany, N. Y. New York and must be submitted by registered mail to the Bureau on or before January 11, 1958.

The competitive examination is scheduled for January 23, 1958.

Mrs. Walker has urged all boys and girls who are eligible for these scholarships to take advantage of this opportunity to advance their education. "Too few of our youth have applied for these scholarships in the past and it is of the utmost importance that all of us try to impress on them the need to continue their studies in all fields of endeavor."

Girl Scouts Decorate Library

The beautiful Christmas tree and decorations in the Bethpage Public Library were due to the efforts of two Girl Scout Troops in the Central Neighborhood of District 6 of the Mid-Island Council of Girl Scouts. Senior Troop 94 and Intermediate Troop 411 worked on this successful community service project—last year and continued the service this year. The girls in the troops made the decorations themselves and spent an entire evening putting them up. Troop 411 decorated the tree while Troop 94 was responsible for the window and door displays.

Bethpage residents are appreciative of the interest taken by these Girl Scouts in helping to beautify their own town for the Christmas season. It is hoped they will continue to do such fine work.

Troop 94, under the leadership of Mrs. Peter Bornert, includes Senior Scouts from Bethpage and Plainville. Intermediate Troop 411 with Mrs. John Doran as leader has girls from Bethpage. Parents who assisted with the project are Mrs. James Day and Mr. Michael Papa.

Civics Elected

Confessions of a Model

by Gloria Brunswick

It all began on the RIVIERA. The girl, slender and dark, seemed to be of noble birth, so MAJESTIC was her bearing. He was the essence of a CONTINENTAL lover, loaded with SAVOY-faire. Almost immediately they were CAPTIVATED by one another's charms. As he EL DOR ADORABLE body in his arms, he proposed. Then they vowed that EDGE WOOD be faithful to the other and NEVA DA two of them would part. Shortly after the wedding, a friend told them of a far-off land called JERICHO where it would be ideal to build homes and where no BIRCH WOOD mar the landscape.

Our young couple, Mr. and Mrs. Pierre Sasnow, (nee Marguerita Schwartz), envisioned and created a community of models, so beautiful and exciting as any you might meet in HOLLYWOOD. Recently, we heard these ravishing creatures whisper among themselves, "May we all have a Healthy and Prosperous New Year!"

HERE AND THERE

By Florence Berger

There will be a Meeting of Jericho Athletic Assoc. (Little League and Babe Ruth League). The date is tentatively Jan. 14 at Jackson School. Notice to this will be in Post Office. Election of Officers and Discussion of Program for 1958 Also Awards will be presented to winners of last years J.A.A. Prominent Sports Figures will be present at this meeting.

A party was given for the 36 children who entertained us all with their rendition of Christmas Carols house to house. The home of Josephine Quinn 43 Middle was the place. Thanks to all who were responsible please repeat the carols next year. It was thrilling to see those little faces turned up in song.

Roberta Priville is entertaining at her home on Maytime Drive. The occasion is her Birthday. Have a very Happy and many more to come.

Happy Anniversary to Dr. and Mrs. Posner of Maytime Drive.

The Boy Scouts had an enjoyable outing on Dec. 17 to Levittown Roller Rink and to top off the evening ended up in John's to eat a few "Kitchen Sinks". They they like a repeat performance soon.

Glad to hear that Ruth Phillips is home from Hospital and doing fine.

To all Scout Mothers - S.O.S. - the scouts need you to help them so they can continue to go on their

outing. They are, to be blunt, short of funds. Functions have to be given to raise money for our boys. Remember you've never heard of a Boy Scout who was a juvenile delinquent, so please attend the next Scout Mother's meet!

What is there about Thomas of Jose's that has all the girls kissing him goodbye? (Or is that just an excuse?)

We heard by the grapevine that there was a New Year's Eve Party at the Country Club. Everyone had an enjoyable evening. (So I've been told).

The Jericho Auxiliary United Cerebral Palsy Assoc. is sponsoring a luncheon and fashion show at Patricia Murphy's Candlelight Restaurant in Manhasset. Ticket chairman is Frances Mistretta Wells - 8-7956 if you want to help a most worthy cause call now for a most enjoyable afternoon.

Meet your neighbors and join Hadassah.

Sincere Condolences to Mr. and Mrs. Zotterman of Magnolia Lane (continued on Page 8)

Rock N Roll at 10 Birchwood Dr

By Gilbert B. Stein

The Broadway entrance to our community via Birchwood Park Dr. has become a motorists' nightmare. The builders have seen fit to leave this Village with a temporary roadway, which has never been properly graded and paved. Large holes washed out continuously, loose stones, gravel and an impossible 90 degree turn have combined to mark this spot as one of the most hazardous to the lives and limbs of our residents. During certain times of each day, in excess of 100 cars per minutes negotiate this corner and it is only a matter of time until a fatal accident will occur.

This reporter, while investigating this situation, had an opportunity to talk to the residents of #10 Birchwood Park Drive. This is the former Majestic Model Home. The manner in which the present owner has improved this "show window" to our Community, deserves mention. Considerable masonry work, beautiful landscaping and ample planting have combined to make this one of the outstanding residences in the area. How does it feel like to live in #10 Birchwood Park Drive? There is no public phone booth anywhere near this entrance to Birchwood Park at Jericho. Poor lighting on Broadway causes many motorists, strange to this community to stop at the first home, in this case, #10 BPDR. They may be lost, late to a party, visiting friends or family. They will ring the bell at almost any time of the day or night to ask if they may use the phone. When there is a snowstorm or any other condition prevailing in Broadway where traffic is stalled in short during any emergency, again scores of drivers leave their cars to ring the bell at #10 BPDR and to ask for the use of the telephone.

Most people consider loose rocks and stones on a "temporary" roadway just a nuisance. Not so the residents of #10 BPDR. One of our three automobiles negotiating a left hand turn from Broadway into Birchwood Park Drive will do so causing these rocks to fly left to the side with considerable force. To stand in front of #10 BPDR means exposure to a hailstorm of missiles. These stones frequently hit the house and it is a miracle that no windows have been broken so far.

There is a considerable amount of commercial traffic using Birchwood Park Drive. Delivery vans, food and repair trucks, garbage collection vehicles and others. The drivers of those vehicles, contrary to most passenger cars, must slow down when negotiating this broken up section of roadway. During the early morning hours especially, the sound of any truck, diesel or gasoline powered, vehicle changing gears and moving away from this corner causes an intolerable amount of noise. Slamming of brakes by both trucks and passenger cars contributes to the inferno at #10 Birchwood Park Drive.

This is not the problem of one of our residents. This is a Community Problem. Most of our residents will agree that many will even go so far as to state that there ought to be a law. What law? Perhaps a law to force the builder to put in a decent and serviceable roadway. Or a law which will make our various Government Agencies take prompt action. The residents of Birchwood Park at Jericho have pleaded with the Oyster Bay Township, the NY State Public Works Dept. and the Nassau County Police Dept. The response has been unanimous. Nothing has been done. Must we wait until #10 BPDR becomes the scene of a fatal or even serious accident

The VILLAGER is written and edited by residents of Birchwood Park at Jericho.

In addition to causing damage beyond ordinary wear and tear to our automobiles.

In order to at least temporarily alleviate this intolerable situation, THE VILLAGER urges that our Civic Assoc., through its board of directors, take the following suggestions and their prompt implementation under most serious consideration:

1) Ample extra lighting at and near Broadway and Birchwood Park

Drive.
2) Erection of a Public Phone Booth near that entrance to our Village.

3) Erection of a large area map near this entrance to our Village.

4) Pressure on proper authorities to repair, grade and recondition Roadway.

5) Erection of Temporary Traffic Lights.

6) Stationing of Traffic Police at this spot from early AM to evening.

AN EDITORIAL

Our House at Jericho

Our house holds many homes. In it live husbands and wives. And many, many children. Then there are grandparents. And dogs, and cats. Also canary birds, fish and other living things. And over all of these our good Lord watches...

We have come from many places to settle down within these walls. And many are our needs to make this a more perfect place to live in.

Who, but we ourselves can help accomplish safety in our streets and more and better schools as well as wholesome recreational facilities. The crack of the bat meeting the ball does not tell us one boy's belief from that of another. Watch our youngsters work and play together and you will know what brotherhood really is.

A house divided by fear and suspicion can never be a home. There are those of us who believe in Santa Claus. There are others to whom a Menorah has meaning. We worship in many different ways. Yet we are all God's children. Let us be grateful to one another for our right to live in freedom and with dignity.

May this year see our house at Jericho become a home. Let us zealously respect and tolerate one another's feelings.

Only in a peaceful and harmonious Community will all of us enjoy the meaning of contentment.

HAVING A WONDERFUL TIME isn't the word for it. The Temple Or-Elohim's New Year's Eve affair was a lovely evening. Fun was had by everyone. You can see by the above faces how they enjoyed themselves. Harry Pincus went all out to see that everyone had a good time. He succeeded. Ruth Burns sang Daisy-daisy, Jack Shepard sang Sweet Adeline assisted by Irwin Freedman, Irving Berger, Sonny Lubliner, Harry Pincus. One Anonymous amateur played the drums, another the piano, while another Birchwoodite led the Band. All out of tune. Lawrence Weik must've been horrified. The people above are as follows, left to right, seated Shirley Lubliner, Sonny Lubliner, Phyllis Pincus; Standing, Florence Berger, Irwin Freedman, Vivian Freedman, J. Harry Pincus, Millie Shepard.

Senior Citizens of Birchwood

By Al Ross

Without wishing to infer that all Senior Citizens of Birchwood are leading incomplete lives, I want to advocate the formation of a Senior Citizens Club to give our elder citizens the means with which to get together and make their own lives more interesting and happier.

There is no sadder feeling than being lonesome in a crowd and no one is more lonesome than the older members of our community. From the fringes of our social life they partake but sparingly of the happiness we derive from our friends and neighbors, wishing all the more for friends of their own, of their own age and with their kindred interests.

Let me introduce two advocates for this Senior Citizens Club: Julius and Rose Berger. They are the parents and in-laws of lovely Shirley Brand and the First President of our civic association, Irving Brand. Their home on Hodges Lane is a happy one but Rose and Julius would occasionally like to play cards or spend an evening in the movies with friends of their own from the neighborhood.

The movies is a very appropriate background when writing about Julius and Rose Berger. Their life together began in the old Clinton Star Theatre in 1913, 44 years ago. Julius was the motion picture projectionist and Rose, already an excellent pianist, was the musical accompaniment to the thrilling silent films of the early days of what was to become one of the foremost entertainment media of our times. The Nickelodeon was the scene for their romance. Every night after work they would go to the restaurant next door for a late snack and Rose spoke wistfully of the wonderful pastries and sweets that Julius would play her with. However, if they had quarrelled, he would purposely neglect to run the 1 minute intermission flash-on so that Rose would be forced to play right through the next feature without a break. This seems to be one courtship where the man had the upper hand. Married shortly afterwards, they named their

daughter after their favorite star of the silent days, Shirley Mason.

After Shirley was born Rose switched her talents to playing at many of the better resort hotels around New York while Julius continued his work in the movie houses. She accompanied many of the old time greats that were appearing in the Catskills in the summer and in Lakewood in the winter. She raised her family as expertly as she played the piano meanwhile becoming a very active member of the Rebekahs, the women's auxiliary of the Odd Fellows. She attained the highest position it is possible to reach in that worthwhile organization, a Past Grand which meant that she had held every chairmanship including Noble Grand. Julius actively participated in the activities of the Workmen's Circle.

Already pensioned by RKO Julius continues to show the movies he has watched change so radically since his first job in 1910. He still remembers the time many years ago when he became so engrossed in a very sad film that he cried right along with the rest of the audience even forgetting that he was responsible for the changeover until the screen suddenly went blank. Thousands of films and 47 years haven't dulled his love for the movies. "Sound, 3-D, Cinemascope, Cinema and Todd-A-O, who knows what will be next," he said.

Here are two wonderful people looking for friends and companionship. They have a lot to offer and so must all the rest of the Senior Citizens in our community. Rose would be happy to play for any gathering and Julius has many interesting stories to tell about the movies. The Villager will do the initial job of organization but will give over the reins as soon as officers are elected.

Should Know.. Ralph Diamond

By Gilbert Stein

Attorney, business man, unofficial Mayor of Birchwood Park at Jericho, Syosset Section, editorial board member the VILLAGER, member, board of directors Birchwood Park at Jericho Civic Assoc., chairman of Syosset education committee, husband, father and handyman.... Sounds like an obituary. Far from it. It's the antithesis of one. At the rate Ralph is travelling, it will soon be impossible for any reporter to do a profile on him. He never stands still long enough in one place.

His forte is logic. Given an issue, he will most always cut through foggy conversation to get to the point. His thinking is constructive. His approach direct. He is impatient with failure. On our editorial board he is the nearest thing to a practical idealist.

The Diamond Family resides at 22 Fountain Lane. This is considered the outfield in our local Ball Park. Ralph is a major League Fly chaser. Most evenings he attends meetings. Or he may ring doorbells. He will sign you up for a Civic Assoc. membership. He runs Education Committee affairs. He contributes to the VILLAGER. He has ulcers. He cannot lose them. Medicine never gets a chance to penetrate that deep. He's always on the go.

**RALPH DIAMOND**

QUESTIONS: When does he eat and sleep. Does Mrs. Diamond actually get a peek at Mr. Diamond on occasions?

He enjoys ballgames. The participating kind. Be it hand-foot-base or basketball. This shows consistency. Even in his choice of hobbies he shows plenty of bounce. His white 1957 Buick may "Near Miss" you almost anywhere in Birchwood Park at Jericho. Ralph always has a cheerful urgency about him. He is running fast and with good aim. Jericho beware...if he ever slows down.

Plan Jericho Youth Council

The Jericho Youth Council, after having held several planning sessions, announces the formation of a proposed program which will, if approved by the Jericho school board, do much towards solving the recreational and extra curricular needs of our young people.

This suggested program includes dance instruction, athletics, arts and crafts, dramatics, ceramics, wood working, puppetry and choral groups. The proposed area of operation will embrace all the youth in School District #15 as well as all those living in the Jericho Postal District.

The tentative budget arrived at by the council will provide for trained personnel to plan, supervise and execute these activities. It is to be hoped that initially at least the Jackson School facilities will be made available to the Jericho Youth Council.

The Youth Council is currently seeking the support of the Jericho Parents Assoc. and it has been learned by THE VILLAGER that the Jericho School Board will be asked to consider the Council's recommendations at its next school board hearing.

This program, which is supported by host of Jericho's Civic, fraternal, religious and youth groups, if put into prompt operation, will solve our most serious problem of providing wholesome and regular activities for all of Jericho's young people within easy reach of each youngsters home. Other communities have solved this problem in a similar manner. THE VILLAGER hopes that this community will wholeheartedly support this vital undertaking.

We urge all Jericho residents to help make this youth council program a reality by their support either directly or through organizations of which they are members. THE VILLAGER will keep it's people informed of all further developments.

Jericho Boy Scouts Celebrate

The Scouts and leaders of Boy Scout Troop 129 celebrated Christmas on Dec. 17 by going on a roller skating party. Twenty-six scouts and four adult leaders had a great time learning and re-learning the art of staying right side up with roller skates on.

The party took place at the Levittown Roller Skating Rink. The Scouts enjoyed the skating, especially the "Couples Sessions" when they were forced (?) to skate with girls. The Asst. Manager of the Rink, complimented the boys on their fine manner with which they conducted themselves.

After the skating, the Troop went en masse to John's Ice Cream Parlor. Three "Kitchen Sinks" were ordered and the Scouts went to work on them. The manager of John's encouraged songs and cheers by the boys. A great time was had by all. Patrol Leaders in charge... Ken

West, Craig Karpel, Sandy Spawack and John Wagner, Jr. Asst. Scoutmaster in Charge... Barry Betzer. Adults... Committeemen Irv Berger, Wally Budrow, Marty Karpel, Scoutmaster Don Miller. The Scoutmaster and Committeemen were quite proud of the Scouts.

Troop 129 now meets at the George A. Jackson School every Tuesday evening at 7:30 p.m. There are a few more openings for candidates. Boys of 11 years of age or older are eligible. Boys interested in making application may do so at a regular Troop Meeting, but must attend with their Parents.

Teens Plan for Big Year

Under the leadership of their Director, Marvin Kleinman, the teen-agers of the three teen-age groups from the Congregation Shaarei Zedek, Hicksville, have had a wonderful time in 1957, and already are planning their activities for 1958.

Included in the special events during '57, the three groups participated in a gala Thanksgiving Dance, two skating parties at Levittown Arena and dance instruction by Jean Kasten from Plainview, under the guidance of their director and club Presidents, Fred Marks, Paula Zarin and Robert Thuer, the groups have planned a ping-pong tournament at their starter for 1958. A big swimming party, and a trip to New York to see "Then Ten Commandments" are being planned. The new year will also see the continuation of dance instruction.

The Junior and Intermediate Groups meet every other Thursday while the Seniors meet every other Sunday. All groups meet at 7:30 P.M. Membership is open to all interested teen-agers, and they are invited to attend a meeting as a guest of the group.

Answers Critics On Down Zoning

OYSTER BAY-- "I demand to be shown one single instance where I or my colleagues on the Oyster Bay Town Board have approved a change of zone, or down-zoned any property within the borders of the Town of Oyster Bay since we took office on Jan 1" Supervisor John J. Burns said Tuesday.

"As a matter of fact today (Jan) the Oyster Bay Town Board held its first public hearing this year. "I wish to state here and now that the pledges made by me and the members of the Town Board prior to our taking office have not been changed in any way, shape or form. We will carry them out to the fullest extent of our ability regardless of the irresponsible and politically-inspired charges made by Democrats who are seeking personal gain.

"With respect to these charges let me say that the Oyster Bay Town Board wants nothing to do with the originators and users of the technique that plays on the lives and emotions of our Townspeople in a crafty effort to seek political favor with the homeowners and residents."
