# Who Wants A Community Park!

Who are the 1200 people who have signed a petition for a 50-acre park in Hicksville? Are they irresponsible "Here Today", and "Gone Tomorrow" transients? Are they the wealthy "play boys" of our Community? Are they the "happy grasshoppers" or are they the hardworking toilers among us?

These 1200 people are not visionary dreamers, they are the practical fact-facing responsible citizens of our com-

munity. They are the people who have been providing the public facilities demanded to meet the staggering residential growth of the last ten years. They are the people who have built our schools, who have worked for parking fields, and traffic improvement. They are the hard-working people who have made the railroad crossing elimination an active pro-

## Heart Fund Plea Sunday

The Hicksville Heart Sunday campaign will be launched at 1:30 p. m. this Sunday, when more than 500 heart volunteers will begin a two hour door-to-door collection for the Nassau County Heart Fund. Similar Heart Sunday collections will be made by more than a million volunteers in thousands of communities throughout the nation at approximately the same time. In Nassau alone, 13,000 volunteers in 80 different communities will be conducting the countrywide appeal for the support of local and national heart programs.

Vincent D'Angelo, chairman of the Hicksville drive, revealed that all of the volunteers will be identified by lapel badges and will carry official printed envelopes in which contributions may seal their contributions. The amount of the contribution need not be revealed.

Where the volunteer finds no one at home, he will leave a pre-addressed envelope in which a contribution may be readily sent to the Nassau County Heart Fund headquarters in Roslyn.

This year's campaign will be the third annual heart drive to be made in the county. During the past two years, the Nassau Fund has channeled more than \$57,000 into medical research on the local and national levels.

Seventy per cent of the proceeds to the Nassau drive will be retained in the county to support and expand the Nassau Heart Council's countywide program. In addition to financing two local research projects and providing

## Lions Collecting Old Eyeglasses

HICKSVILLE - At the regular meeting of the Lions Club at Henningsen's Restaurant on Feb. 12, Lion President Lawrence C. McCaffrey announced the club's plans for the collection of old and unused eyeglasses for shipment to India.

Due to the intense heat of the sun, the desert sands, and that ever-present companion of the underprivileged, malnutrition, the people of India are in dire need of eye care and eyeglasses. This need was vividly pointed out by visiting Lion Dr. V. Modi, of the Bangalore, India, Lions Club while on a recent visit here.

Dr. Lowell D. Glatt, Chairman of the Hicksville Lions Club drive, has completed the plans for an area canvass for old eyeglasses by the Lions. The club has set a quota of 100 pairs of old glasses for shipment to India. To aid in this drive simply place unwanted and unneeded eyeglasses in any local mail box. Tag or label the glasses HICKSVILLE LIONS, BOX 201 - Hicksville, P.O. The club will pay all postage. Wrapping or stamps are unnecessary.

## Last Call On Those Old Pianos

HICKSVILLE - A final call for informal bids by the public on pianos in various district schools was issued this week. Bids in writing for the museum pieces should be submitted to Richard H. Cairns, director of Buildings and Grounds, at the School Administration office, Newbridge Rd. not later than tomorrow (Friday, Feb. 21). The district also has available for the best offer, single or as a group, a hoap of old school desks from Nicholas St. School now stored in the basement of Lee Ave School.

## Firemen Answer 11 More Calls

Among the eleven alarms answered by the Hicksville Fire Dept. during the week of Feb. 12 thru Feb. 18, was another false alarm. In addition there were two rubbish fires, an automobile fire, a house fire, a roadstand fire, a garage fire, a grass fire, a dish washer, and an investigation. The false alarm occurred on Feb. 12 at Memory and Berry Lanes.

## No Curriculum This Month

HICKSVILLE - The so-called "curriculum meeting" of the Board of Education, normally scheduled for the third Friday evening of the month, will not be held in February. Due to the volume of work before the Board on budget preparation and other urgent matters, the educational program discussion scheduled for Friday, Feb. 21, has been postponed for this month. The Board will hold a regular business session tomorrow night at the High School faculty cafeteria at 8:30 PM.

## LEGAL FEE PAID Szendy, Goebel Object To Paying Sullivan

HICKSVILLE - Michael J. Sullivan, who was attorney for the School District from 1949 to 1955, will be paid \$5,250 for legal services on a balance claimed of \$9,925. A portion of the difference represents legal fees on the new High School which is not regarded as a completed project.

The School Board voted 6 to 1, Friday night, to pay Sullivan over the objections of Board President Emil Jr. Szendy and another former School Attorney, Harry Goebel, who was present in the audience. The present School Attorney, S. Arnold Witte, had ruled that he found the legal services required by Sullivan's contract with the district had been performed.

After the vote, with Szendy voicing a vigorous "no", the President requested that he be excused from signing the check to pay Sullivan. A motion was made to have Board Vice President Allen S. Carpenter sign the check in this instance and carried with Szendy, Robert DP Baton, Robert Goodrich and Jerome Zettler voting "yes"; Herbert Johnson and Arthur L. Elrich, "no", and Carpenter abstaining. Goebel in his remarks to the Board pointed out that he had prepared a legal memorandum for the District when he was the School Attorney in April, 1957. He asserted that according to his calculations and determination, Sullivan had already been "over paid" \$380 on previous bills for legal services rendered.

Szendy pointed out in his remarks

on the motion and in a memorandum to the Board that, between 1949 and 1957 Sullivan had received from the district fees amounting to \$95,225 on various new school construction projects together with his annual retainer. The annual retainer was \$1200, while the balance of the fee represented a percentage of the construction project costs.

The School Board since 1956 has engaged the School Attorney on a flat fee per year. Bertram Crane was attorney after Sullivan, and Crane was followed by Goebel. Witte has been attorney for the District since July 1st of last year.

Szendy said during a recess at the meeting, Friday night, that he is considering a taxpayer's action in protest of the payment to Sullivan.

## Park Group Meets Twice

HICKSVILLE - The Citizens' Advisory Park Group under the leadership of Allen S. Carpenter is meeting twice a week to complete its assignment of studying the petition from almost 1200 residents for establishment of a 50 acre community park in the northwest section. After a meeting last Saturday afternoon when Chester Jaworski, director of physical education and health in the school district, was present as a guest to discuss current facilities in the community, another session was called for last night (Wed).

# Sub-Zero Temperature, Deep Snow Causes Problems

Mid-Island schools were closed on Monday following a heavy snow storm on Saturday night and Sunday which piled up mountainous drifts on streets and highways. Most schools were open on Tuesday.

The Senior High School in Hicksville ran short of fuel oil on Tuesday and classes were dismissed at 1 o'clock in the afternoon. A fuel delivery was received later in the day and classes resumed yesterday.

While official temperatures were reported on the radio at 7 degrees, zero and lower temperatures were recorded in Hicksville and vicinity. The giant time-temperature sign on the top of the Seashan & Eisenmann building on Broadway was not designed to register below zero temperatures. It was learned today, Town highway crews and equipment worked around the clock to clear the roads and by late Tuesday were beginning to carry off snow along the business streets. Broadway in Hicksville was cleared from curb to curb by yesterday morning by crews under the direction of Highway Superintendent Thomas R. Pyachon.

## Meet Friday

Hicksville Chamber of Commerce holds a general meeting this Friday, Feb. 21 at 12:15 at Henningsen's restaurant. The nominating committee is now receiving suggestions from membership for the Chamber officers and directors for the coming year.

MOUNTAINS OF SNOW, whipped up by high winds, border the highways of the Mid Island area with the weathermen predicting more of the same for today or tomorrow. Older residents said it

was the worst snow storm since 1933, and that comment will start an argument anywhere in town. (Photo by Frank Mallett)

## Name Victoria School Winner

Victoria Manuela Penner has been named the Betty Crocker Homemaker of Tomorrow in Hicksville. She received the highest score in a written examination on homemaking knowledge and attitudes taken by graduating girls in Sr. High School. Her examination paper now will be entered in competition with those of 680 other school winners to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Tri-

fari of New York.

## Mothers Meet Monday Night

The next regular meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers will be held Monday evening, Feb. 24 at 8:15 PM in the school hall on E. Nicholas St., Hicksville.

Mrs. Winifred Feeley, noted lecturer on the Shrines at Lourdes, will be guest speaker for the evening. All are invited to the meeting, which will be declared open at 9 PM.

Also scheduled for the evening will be an award of five baskets of food, donated by First National, proceeds for the benefit of a family whose home was recently destroyed by fire.

## BOARD TO MEET

The Executive Board of the Sisterhood of the Congregation Shaarei Zedek will hold their next meeting on Tuesday, Feb. 25 at 9 PM in the vestry room of the synagogue, on E. Barclay St., Hicksville.

## CURRENT COMMENT The Rotary 4-Way Test

BY FRED J. NOETH

THIS WEEKEND Rotary International celebrates its 53rd birthday. This is an appropriate occasion to recall the excellent community work of the Rotary in the Mid-Island area and to call particular attention to the Rotary Four-Way Test which has become familiar to millions around the globe.

The HERALD is proud to assert that it attempts in its daily affairs to put the Four-Way Test into practice.

Many of our newspaper colleagues across the nation have adopted the Four-Way Test of Rotary International as their guide in the newspaper business.

The Test asks four simple questions of the things we think, say or do:

- (1) Is it the TRUTH?
- (2) Is it FAIR to all concerned?
- (3) Will it build GOOD WILL and BETTER FRIENDSHIPS?
- (4) Will it be BENEFICIAL to all concerned?

There are many who believe that the use of the Four-Way Test in international relations might have a beneficial effect on this age of conflict, propaganda, and suspicion. Since the effectiveness of the Four-Way Test depends ultimately on its use by individuals who have made it a part of their lives, increasing attention is being given to its use as a daily guide for youth. In their personal problems and decisions, the four simple questions are readily applicable.

The HERALD is proud to display a handsome plaque stating the simple philosophy of the Four-Way Test on its front office counter. It is daily testimony to our ambition to see that this Test is applied to dealings and to inspire its adoption by our neighbors.

## OPERATION VFW

Hicksville Veterans of Foreign Wars Post No. 3211.

By Lou Palladino

It would be appropriate to begin by mentioning the recent Hicksville High School dedication. It is always interesting to have an occasion of this kind, and it feels good being a part of it. People give the impression of liking these formalities, and our Post never tires of performing these duties. Our part in the dedication, along with the fair ladies of our auxiliary and the American Legion, looked very well. A job well done. From our Post were Jr. Vice-Comdr. Bob Obermeyer and Artie Sacks carrying the flags, and Commander George Walden and yours truly were carrying rifles. The lovely girls bearing the flags were President Florence McCumskey and Esther Palladino.

Those of you who had experience with the Manual of Arms, and haven't handled a rifle in a good many years might not find it such an easy task. It takes a few minutes to get the feel and balance again. Remember when you could flip the rifle around like a baton? Bet you won't find it a snap anymore. The Dedication as a whole was very good. The children sang beautifully, and the orchestra was "swinging" so well, that even a square had the urge to keep time with their feet.

Our Dinner-Dance is over and done with, and a good time was had by all. Our committee of Chairman Jim Rock, Vince Edwards, and Artie Sacks did a fine job in getting such a well prepared meal. The

Roast Beef was delicious, and the music was terrific. At this affair we honored our active Past Commander with a plaque. It was a very pretty thing, and one that will decorate a wall. We were happy that Garrett Korfitzen was able to come from Connecticut to attend and receive his. Garrett was Commander immediately following Jules Heberer. That is a story worth telling, which I hope to do in the future.

Surprisingly we didn't have a capacity crowd. There were some empty chairs seen in the hall. However, it didn't take away any enjoyment. Maybe we didn't make as much money as we would have liked, but it was worth while.

It's good to see Emil Hoffmann attending our meetings again. Emil was very busy for a time. At the same time we are happy to announce three members added to our Post. Transferred from other posts are John Rauth from L.I. City, and Bernard Weber from the Hawaii Post. A new member is Daniel Palminter. We at the Wm. M. Gause Post welcome you cordially. We hope that you like us as much as we like you.

Our next meeting will be Monday, Feb. 24. Hope to see you then.

Mr. and Mrs. Herbert E. Jensen of Bethpage, are the proud parents of a son, Bradley Alan, born Feb. 11 at Huntington Hospital.

## Who Wants A Community Park!

(Continued from page one)

ject. They are the "doers" of our community.

These people are not wealthy, spend-thrifts. They are people who realize that we may never again be in a position to acquire land for park purposes within our community. They are realists who face the fact, that once this land is covered with houses it will never again be available for parks or other public purpose.

These people are not the "shoulder-shrugging crowd". They see a problem and have the grit and drive to try to do something about it. They see the last, open, undeveloped land in our community about to be used to intensify our school problems, to further crowd and cramp and multiply our community problems.

These are the people who are awake to their responsibilities. They see with their eyes. They use their minds for constructive purpose. They see that a land speculator has acquired title to the last open land in our community. They see that he has asked the Nassau County Planning Commission for approval to

sub-divide and sell 90 acres of this land to home developers. They see with their eyes, that this land is now about to be used, not for the betterment of the community, but to its detriment.

These 1300 people have used their minds to envision a picture of our community of tomorrow. (Wishing at the same time that they might have had the opportunity to use their experience of today - ten years ago!) These people have shown vision, some real interest in the welfare of our community. They are realists. They know that land for a community park for the future must be acquired TODAY.

These people are realists. They know that progress cannot be geared down to the most indigent among us. We shall always have those who will spend willingly for their own indulgence but who will shout till the "rafters ring" when asked to plan and contribute towards permanent community betterment. The sober citizen, the permanent resident the practical man, is willing to plan today for the tomorrow he wants for his children and for his community.

## FIREMAN ANSWER

(Continued from page 1)

and the house owned by Romanach at Burns Ave. and 14th St. caught fire from which there was considerable damage. Also the same day there was a rubbish fire at Burns Ave. School, and a grass fire near the Centre Shops.

On Feb. 13 there was a fire at the Roadstead, 270 Old Country Rd., owned by Tony Verdi, caused by electric motors, and which spread to a nearby partition. Also, a rubbish fire at W. Nicholas St. and Morgan St.

The 1948 Mercury owned by Elaine Arnshteyn at 149 Spindle Rd. caught fire on Feb. 15 opposite 18, Abbott La.

On Feb. 16, a small garage in the rear of 80 No. B'way, owned by Ed. Coleman, caught fire; and the following day the Vamps received an automatic alarm from Gertz in the Mid Island Plaza, but found upon arrival that a frozen pipe in the sprinkler system had broken and sounded the alarm.

Later that same day, Feb. 17, a can of gasoline in the basement of the Grover Kelly residence, caught fire, but was carried outside before the vamps arrived.

On the evening of Feb. 18, the Vamps answered an alarm from the residence of Joseph Garcia, 26 Murray Rd. where a dishwasher had caught fire.

## Legionnaires' Log

CHARLES WAGNER, Post 421, Hicksville, N.Y.

By ARTIE RUTZ

The fiercest snow storm of the winter hit Hicksville and Long Island just hours before the scheduled St. Valentine's Dance sponsored by the Auxiliary Unit of our Post and hit hard with a goodly number of cancelled reservations. But, despite the numerous cancellations and extremely wicked snowy and slippery weather, the hall was filled to capacity, and a gay and enjoyable evening was had by all and everyone was loathe to go home even after the orchestra played overtime.

It is only fair to say that if the weather man had been kinder to the Auxiliary, the attendance would have broken all records for any social affair ever held at the hall. I'm happy to say that, financially, the Auxiliary sponsored dance, was far more successful than the total profits of the Post's last five dances, and this is a wonderful sign of the awakening of the overall Legion's social program at our Post. The next social event on the calendar is the Cocktail Party on Sunday afternoon, Feb. 23, sponsored by the Color Guard, for all members, their families and friends and they hope to make this a monthly

event in the future with the date being the last Sunday of each month.

The next social event after this will be the annual St. Patty's Dance which is under the sponsorship of the Post and takes place on Mar. 13 at our hall. The committee of Walter Barnett, Ray Carrol and Gunner Barnett, promise a wonderful evening of dancing to the music of Tony Bell's Boys and the decor will be in keeping with the times. This dance will be by reservations and everyone with intentions of attending are advised to make their bids to the committee at once as reservations will be accepted on a first come, first served basis and the limit of ticket sales being set at only 110 tickets.

The tickets will be priced at \$2.50 per head and this will include favors, beer and refreshments along with dancing to live music. All in all, the tempo of Legion activities in the Hicksville area is increasing and will be accelerated even further with the coming of the warmer spring weather. However, before this time arrives, there's plenty of snow to shovel and it's no time now for the wearing of short shorts.

# Blizzard Postpones Book Fair

By RITA DURCAN

The best laid plans "of mice and men" suffered serious setbacks as the result of Sunday's blizzard conditions throughout the State. In this community, activity was almost nil. Most folks were satisfied to be on the inside looking out! Events scheduled for the day were, of course, cancelled. Among these was the Book Fair being conducted by the Sisters of Mercy of Our Lady of Mercy parish. Actually, the Fair was not cancelled. The Sisters were there and the book display was all set up, but only two brave souls made it to the Church Auditorium. Discouraging? Yes, but the Sisters knew that if the elements had not interfered, parish families would have filled the Auditorium to capacity to make the Fair a success.

But all is not lost, as we might assume. The Sisters have successfully arranged for one more try. Weather permitting and the Book Fair will be held in the Church Auditorium this Sunday, Feb. 23, from 1 to 4 P.M.

Taking all things into consideration, it could have been worse. Sunday's weather might have been ideal and only a few families might have drifted in! It would be hard to measure the Sisters' discouragement if that had been the case. The Book Fair has been widely publicized and the good Sisters have worked long and hard to insure the success of this parish event--to provide books of interest for every member of the family.

Your reporter did some "browsing" in the thought that you might like to know what the Book Fair has to offer. Beautiful Bibles are available and you may choose one priced to suit your purse.

Mothers and fathers and children too may find a Daily or Sunday Missal just right for them. There are plenty of books for young adults and adults too, in the field of fiction, non-fiction, biography, and the spiritual. There is also a wealth of wonderful books ranging from the favorite classics to the latest Catholic best-sellers--to mention a few, Come Rack, Come Rope; The Golden Door; I'll Die Laughing (a Jesuit inspired saga); Only Son; A Man Born Again; Our Lady of the Forest; and The Window in The Wall.

For the little ones there is a wide variety of coloring books, Christian Child Stories, Bedtime Saint Stories, and Angel Food Stories--"food for your angels" up to ten.

Come to the Fair this Sunday afternoon and bring the family with you. You need not spend a lot. If many will come and spend a little (perhaps a 25¢ coloring book) success is assured because every little bit helps. If the Auditorium is packed on Sunday--as it should be--the smile on the Sisters' faces will outshine that of the famous Mona Lisa, in the knowledge that their effort has not been in vain. Come to the Fair!

# Garden Show Opens Saturday

The Island Garden Arena at West Hempstead, will be the scene of tremendous activity as the 12th Annual Long Island Nurserymen's Association Spring Garden Show goes into the final stages for its grand opening at noon this Saturday, Feb. 22.

Months of preparation go into the many minute details of planning, construction and forcing of material for such an exhibition, an acre in size. Hundreds of trees, shrubs and other plants must be carefully timed and flowered under greenhouse conditions to be at their best for the week of the Show. Experts from Planting Fields connected with the

Long Island Agricultural and Technical Institute at Farmingdale handle each specific plant differently so that ultimate results will conform to plan.

Several days before the show trucks begin the hauling of bales of peat moss, yards of sod, loads of brick, stone, fencing materials, the makings of facades, pools and other effects. The climax is reached when the finishing touches are completed, usually in the wee hours of the opening morning.

Twenty-five gardens will be on display until Mar. 2. In addition to installations by Long Island Nurserymen Association members entered into competition in seven classes ranging from 150 square feet to 1000 square feet in size, Class VIII will feature educational or specialized planting.

JOSEPH MADDEN (centre) who has been engaged as a consultant to prepare the Hicksville School District summer playground and year-round recreation budget for 1958-59 and may become the first full-time recreation director of the School District was a guest speaker at the Plainview Rotary Club recently. ## Wins Free Trip to Disneyland

The HERALD had the pleasure this week of informing Mrs. Harold Sorkin, of 8 Wood Court, Hicksville, that here nine-year-old daughter, Barbara, was one of four children in New York State to win a free trip to Disneyland. The HERALD had been informed by direct communication from General Mills Inc., at Minneapolis who sponsored the contest. The contest entailed coloring a Disneyland picture on a package of Cheerios. Thousands of

children all over the Country entered the contest. Throughout the entire United States there were but 25 winners.

Barbara, who will be accompanied by her mother will make the all expense paid trip some time this summer via Trans World Airlines. They will spend four days at the fabulous Disneyland, Hotel, and tour the world-famous Walt Disney California wonderland.

Barbara has a small brother, Jimmy, four and a half years old. Her Dad is Dr. Harold Sorkin. In addition to the trip, the nine-year old, who entered a contest of this type for the first time in her life and won, will also receive a Columbia "Fire Arrow" bicycle as part of her grand prize.

## Dig Out Fire Hydrants Is Request Of Firemen

Homeowners were urged today by their local fire dept to dig out the fire hydrant nearest their home. With mountains of snow bordering streets everywhere, many hydrants are buried. It is too late to worry about the location of the hydrant when a fire is raging. A v-cut from the hydrant to the highway is urged to permit hose connections if necessary.

Town Highway officials remind residents to park their cars off the roads and streets whenever snow threatens. Cars lining the streets delays the progress of snowfighters.

## Teachers Invite Adult Purim Carnival Set

The Island Trees Teachers Assoc. has issued an invitation to one and all to attend the Faculty Variety Show for the benefit of the Island Trees Teachers Assoc. Scholarship Fund. The production will take place in the Island Trees Memorial School on Thursday, Mar. 6 at 8 P.M. Dr. Hyman Krenberg is directing the show. A trumpet sale and novelty will be played by Mr. Cutler and other members of the music staff. There will be a chorus line made up of Physical Education teachers. A band in pantomime will be enacted by the clerical staff. A delightful evening is promised to all who attend.

### EARN'S PATENT

Walter C. Lanning, who lives at 30 Reida St., Plainview, recently has been granted a patent by the U.S. Patent Office. The patent is for a Binary Arithmetic Computer Circuit. Lanning has been with Sperry since January 1951. He is now a senior engineer in the Digital Systems Engineering Department of the Surface Armament Division.

The P.T.A. of the Mid-Island Hebrew Day School (Yeshiva) is presenting the first Purim Carnival of its kind in the area. There will be games and prizes galore. Also an auction and a Purim Lotto. It will be held at the East Nassau Hebrew Congregation, 310 South Oyster Bay Road at Exit 36.

## Fine Response

Mrs. Eli Skalt, wife of the Rabbi of Congregation Shaarei Zedek, Hicksville, has reported a gratifying response to her newly-organized Bible classes, which are to be held just prior to the start of the monthly Sisterhood meetings and are free to all members.

The first class was held on Tuesday evening, Feb. 4 and the group studied "The Creation of the World". At the next session the subject will be "The Garden of Eden". Members who wish further information are invited to call Mrs. Skalt at Wells 5-2363.

## Auxiliary Sets Meeting Wed

The Levittown-Hicksville Auxiliary of the Assoc. for the Help of Retarded Children will hold its regular monthly meeting next Wednesday, Feb. 26, at 8:30 P.M. at Levittown Hall.

Martin Syden, a special education teacher will be guest speaker and his topic will be "Research in Education and Religion for the Retarded Child." Syden, who is a resident of Levittown, instructs in the High School level in the Mineola School District and has been active in the work for retarded children.

Mrs. Leopold Brecht, local A.H.R.D. auxiliary president will welcome many new members, many of whom were guests of the Auxiliary at Saturday's membership luncheon. Refreshments will be served following the meeting.

## Junior Catholic Daughters Active

The Junior Catholic Daughters of America, Court Queen of Angels #869, of Hicksville, are celebrating Junior Week as follows: Feb. 20, Visiting Sr. Court and putting on a radio script and other entertainment; Feb. 21, Roller Skating at Levittown Rink; Feb. 22, Bowling at Mid-Island Bowl; Feb. 23, Mass and Communion at St. Ignace, Loyola RC church at 8 a.m.; Junior Initiation at 2 p.m. and Juniors Initiation at 3 p.m. Over 100 table decorations have been made for the residents of the Jones Institute by the Troop, and will be delivered for Feb. 22.

## Birchwood Park At Jericho Civic Assoc Holds An Election

THE ANNUAL meeting and election of the Birchwood Park At Jericho Civic Assoc was a memorable occasion as these pictures by the VILLAGER official photographer, Al Lyon, prove.

### Open Letter to Postmaster General

Dear Mr. Summerfield,  
We noticed a small article in the newspapers recently that said that you have recently decided that people who allow their dogs to bite postmen will no longer be entitled to have their mail delivered to their homes. Instead they will have to call for their mail at the general

delivery window of their local post offices until your department is satisfied that the letter carriers will no longer be molested by the dogs.

Mr. Summerfield, we want you to know that we do not have dogs that bite and still we have no mailmen. But in rain, and snow and

hail and gloom of night, we make our daily pilgrimage to our post office for our mail. Why do you treat us like this?

What have we done to deserve such punishment? Not only don't we have the kind of dogs that don't bite, we're not even the kind of people that bite. Why can't we have a postman?

We notice that at first you considered using psychology on the dogs, and were thinking of the idea of arming the postmen with dog-repellents or sweets to turn the dogs into pals.

Mr. Summerfield, could we try psychology on you? We don't have any postman-repellents here, and we'd be glad to leave candy bars, or even thermoses of hot coffee in our mailboxes for a postman if only they'll deliver our mail. We'll even put our arms around their necks and kiss them on both cheeks. Would that help to make up for some of the dog bites?

Please, Mr. Postmaster, don't treat us like stepchildren—all we want is one little postman, and we'll treat him right, we promise. And what's more, we'll never ask you for anything else, every again.

Please, Mr. Summerfield, please!  
George J. Frankel  
A FOOTSOKE CITIZEN OF JERICHO

### Honor Jerome Abrams

A TESTIMONIAL DINNER was given by members of the outgoing Civic Assoc Administration and Board of Directors and their wives at the Villa Victor on Jan 30. This dinner was in honor of Jerome Abrams, outgoing President of The Birchwood Park Civic Assoc. at Jericho, to whom a plaque was given honoring his services to our community.

The picture shows Mr. Abrams, Lawrence Gibbs, past Vice Chairman of The Board of Directors, and Herb Shapiro, past Chairman of the Board of Directors. Mr. Shapiro was the recipient of a special award also. Abrams, Gibbs and Shapiro were re-elected respectively at the Feb 10th meeting of the Birchwood Park Civic Assoc. (Allen C. Lyon)

### Weinrich Leaves

Frank Manarel, assistant superintendent of Central School Dist. 2, has been appointed acting Superintendent by the Syosset Board of Education. Dr. Ernest F. Weinrich has submitted his resignation as Superintendent of Schools for Dist. 2 and been granted a leave of absence effective Feb. 11.

### One Person Asked Me, so--

By Gloria Brunswick

The Civic Assoc. Election Hop epitomized the spirit of communal togetherness.

The new slate of Civic Leaders had a wonderful launching with oceans of good wishes. Should be a ship-shape administration.

The festive atmosphere at the Polling Party should prevail more often.

The prettiest women and most attractive men in the community belong to the Civic Assoc. Incidentally, membership is still available.

The Birchwood Symphony, under the direction of cool Ray Lewis, is the craziest. The man behind the scenes, Len Wainick, who contributed the door prizes, deserves bouquets.

The doll named Diane Herbin is loaded with talent. She oughta be in pictures—she's wonderful to see!

The Broadway stage can keep its "Fair Lady"—we've got our own Ruth Burns.

The way Ralph Diamond M.C.'s reminds me of a Borscht Belt Social Director.

The "long-lost buddy" greeting you gave your next-door neighbor whom you haven't seen since September was nice.

The "coffee-n-cake-niks" went to outer space in an orbit all their own.

The question is: Should we impeach the entire body of newly elected officers so we can repeat the affair next week?

The Birchwood Park Civic Assoc. would have us keep a civic tongue in our mouths and support it in all its future endeavors.

### Introducing..Florence Berger

By Gilbert B. Stein

114 Maytime Drive is the gossip command post of the Village of Birchwood Park at Jericho. From here emanates such vital news as who's wedding anniversary was held where and when. Birthdays, vacation trips, scholastic accomplishments, organizational happenings and similar communal tidbits are assembled, recorded, cleaned up, embellished and prepared for publication in The Villager.

Florence Berger, member of The Villagers Board of Editors, is charged with reporting these matters in her widely read column: "Here and There".

It is perhaps a sign of normalcy in this day and age for a community to look to this reported version of its social life. Yet our readers, being human, may be forgiven for making "Here and There" their first look item in each issue of The Villager. This to the chagrin,

no doubt, of the remaining 9 members of our editorial board and their combined efforts to publish news. (continued on the next page)

### Attention All Organizations

The VILLAGER is unable to retain a staff of reporters to cover special functions of any organization. Our publication is written by volunteer contributors who cannot attend the many important activities existing in Birchwood Park at the present time.

Each group should elect a Publicity Chairman whose main requirement be the ability to compose new releases, have photographs taken, and relay these to the VILLAGER where they will be given sincere consideration in line with our previously stated Editorial Policy.

## Here And There by Florence Berger

The following is a list of all meeting dates for one week for all organizations: Thurs., Feb. 20, Men's Bnai Brith; Monday, Feb. 24, Pioneer Women and Hadassah Board Meeting; Tuesday, Feb. 25,

O.R.T. Registration for Athletic League, Board meeting J. J. C. Sisterhood; Wednesday Feb. 26th, Membership Tea Temple of Elohim Sisterhood; Thurs., Feb. 27, Cerebral Palsy meeting, Youth Commission meeting; Saturday Mar. 2, Little League Registration.

A Baby Shower was held at the home of Jean Rosenthal given for Helen Hille who was blessed with a third daughter. The lucky Parents are Mr. and Mrs. Morton Hille of Maytime Drive. Jean Rosenthal lives at Hightop Lane.

Welcome home Mr. and Mrs. Wilbur Priville of Maytime drive from the Nevele Country Club.

Our sincere Condolances to Ruth Tanner on the loss of her Mother.

Happy Anniversary to Mr. and Mrs. Julian Sanders of Malden Lane. (Better late than never)

Congratulations to Mr. and Mrs. Burt Goldman of Maytime Drive on the birth of Baby girl.

It's a boy at the Ed Sherman's of Magnolia Lane. After two girls Ed finally got his wish. If you want a cigar, just pay him a visit. Loads of luck.

Hope Mrs. George Frankel is fully recovered from her fall. Pie, "Why don't you watch where you're going?"

Congratulations to Master Robert

Pincus of Maytime Drive, son of Mr. and Mrs. J. Harry Pincus. He walked away with honors at his school having a 90.8 average for the first term. Eastern Military Academy is the School.

The Cerebral Palsy Luncheon at Patricia Murphey's was a huge success, both socially and financially. It seemed everyone in Birchwood was there. The women's hats were a fashion show in itself (even tho I didn't have one on). (They let me in anyway). Bea Leif, the President, wishes to thank all the women who helped in making this affair a success, if she could kiss each one she would. (This from her own words).

There was a Membership Tea for Cerebral Palsy at the home of Mrs. Arlene Levitan of 18 Fountain Lane. Everyone had an enjoyable afternoon.

Did you hear about Florence Horn of Hightop Lane driving along in her car and hearing a cat meowing constantly. She stopped the car and looked in the back, the trunk was opened, no cat, she peeked under the car no luck. Finally by this time a crowd of people were helping her look. One brave man suggested the hood be opened and sure enough out jumped the biggest cat you ever saw. And everyone went home. So did Florence, much happier.

Charlotte Jacobs had a turkey in the garage on a shelf when along came a big boxer and then there was none (turkey). Was she mad? No supper. Now the garage door is shut. All this happened on Maytime Court. It seems Birchwood is going to the dogs and cats.

### INTRODUCING....

(Cont. from preceding page)  
features and editorials on life here at Birchwood Park at Jericho.

Florence Berger is as uncomplicated a person as you are apt to meet anywhere. She is friendly, responsive and she will on occasion permit one to get a word in edgewise. She takes her job on the Villager seriously. She is known from Broadway to Robbins Lane as a cheerful, helpful and friendly village resident. Her robust looking husband Irving decorates interiors for a living. Two teenagers Barry and Wayne make up the rest of the Berger family, save for one monstrous looking animal in the Bulldog family named Lady.

The Berbers originally hail from Flatbush, Brooklyn. Florence is a Canasta fan, competent housewife, fashionable dresser and Vice President of Hadassah.

The Villager is grateful to Florence for doing a workmanlike job on its Board of Editors week after week. For the sake of an informed community, let us hope that Florence will be doing business from the same stand for many more years to come.

### REGISTRATION

Registration for the Little League and Babe Ruth League will take place at the Robert Seaman School on Saturday March 1, from 10 am to 3 pm. All children must be accompanied by a parent to register.

## 13 Million to See Art Work

A specialist in bird illustration, Arthur Singer, 41, of 30 High Top Lane, Jericho, painted the March Reader's Digest cover, a colony of egrets in mangrove trees. It is the first cover he had done for the Digest.

Singer, a native of New York City, began sketching animals and birds during trips to the Bronx Zoo, and ultimately, the zoo held an exhibition of his paintings. He completed his art studies at Cooper Union. He has done several collections of color plates on bird life. Union. He has done several collections of color plates on bird life, and recently completed a book of such plates, on birds around the world.

In the Digest cover, he said, he "tried to combine a fine sensitivity of design with factual realism." Print order of the March issue of the Digest is 13,724, 897 copies, largest in the history of printing. Newsstand sale of the issue starts today (Feb 20).

## AN EDITORIAL Why-A Civic Association

The members of the Civic Assoc. have just elected the Officers and Directors for the coming year. The VILLAGER extends its heartfelt congratulations to the new administration, and wishes it every success in solving the many arduous problems confronting it.

Many people have asked why we need a Civic Assoc. It is fairly easy to point out the problems facing the community during the coming year. We need adequate educational facilities, competent teachers, and a proper curriculum for the education of our children. We need parks for our children. We need indoor recreational facilities for teen-agers, adults, and senior citizens. We have to make certain that tax rates will always remain equitable. Our streets need proper grading, paving, and cleaning. The Syosset section must have street lights. The present lack of bus transportation to shopping centers and the Railroad stations must be remedied. Zoning and town planning problems have to be settled in the interest of our community. Lastly, we want various social functions to bring us together in fun, and good will, so that neighbors can become friends.

We need a Civic Assoc to accomplish these things for us. Individually, we can do little. Collectively, we can do much. The Civic Assoc. speaking in the name of all the residents of the community, will have the strength and prestige necessary to carry out its objectives. Its effectiveness will be in direct proportion to its membership. United, we can make the Village of Birchwood Park at Jericho one of the leading communities on Long Island. Therefore, The VILLAGER urges all residents of the community who are not yet members to join the Civic Association now. Help your newly elected representatives to help you. Fill in the coupon below, and send it in with your dues today.

## THE WALLS OF JERICHO

Herb Shapiro

No liquor was served at our Election-Nite Dance, so this column can give a fairly accurate description of the goings on. Of course, after reading these comments many people might wish that I had a potful—the things we see while under the influence of:

Comment #1. More Cha Cha sessions are definitely called for, side from a few talented souls and people sat them out... and this day and age yet. What will Arthur say?

#2. Voting machines are wonderful and have a place in the scheme of things, but they were pain in the rear echelon that night. Instead of speeding up voting, many people took up residence therein for the night.

#3. Thirty seven people walked out of the voting booths with fingers curled from knob-turning, thereafter when they held coffee cups they looked like members of the U.N. Delegation from Great Britain.

#4. The Danish served was good, but the servings were too big. People given were unhappy. Notice: Finish it and collect 17,000 stories, or leave it and have it thought that they didn't like the food.

#5. Someone should come up with an insulated cup, to keep coffee warm while you are gabbing with a neighbor. Never did finish a cup while it was still warm—people were so friendly and uniformly happy.

#6. The speeches were wonderful. None lasted more than 10 minutes. Jerry Abrams' story had an egg. Back to the comic section of the Law Journal for you, friend.

#7. It is not generally known, in the awarding of door prizes as definitely rigged. Ralph Diamond had a trained termite stationed in the box, who upon instruction handed a specific number to the person who was supposedly picking numbers at random. The story broke when the termite sued for salary.

#8. As previously reported, our school symphonie had a profound effect on Leopold Stokowski, tried to commit suicide. Before pulling the trigger he was hard to mutter, "Bruchszicnytyz anyicz proskovioz". What beautiful statement.

#9. We understand that there is movement under way to collect enough money to send Lenny Linnick to Rio Di Janiero before the next dance. Lenny insists the bid was started by Gene Krupa—professional jealousy.

#10. We are pleased to report that women candidates were elected to left battle flag, crossed prosthetic husbands on a field of diamonds being sent to the Smithsonian Institute to be preserved for posterity. Women have now come into their own in Birchwood Little's. Vent, Vidi, Vinc!

#11. Election results were known very quickly—so fast in fact that some of the warring-type candidates had time to chew up only three fingernails.

#12. Ray Lewis did a wonderful job with his trumpet—played like a professional he is... but why does his wife Alice suffer so when he plays? Or did everyone munch on the Voting Permit and hand the Danish pastry to the booth guard?

#13. May all succeeding elections in Birchwood be as wonderful. Amen.

STEPHANIE SPIVACK of 95 Maytime Drive, Jericho, is shown with Joseph Marchese of Seaford. Mr. Marchese coached Stephanie with the delivery of her speech, "Freedom is Everybody's Business" which placed third in Nassau County. The oratorical contest was sponsored by the American Legion and becomes National through eliminations. She is pictured here being presented with a gold watch and will later be awarded a medal from the American Legion in Carle Place where she is a Senior at the Carle Place High School.

### Scouts Observe Their Week

Troop 129 of the Boy and Cub Scouts of America, celebrated National Boy Scout week by participating in the Oneg Shabat Services at the Jericho Jewish Center, Friday evening.

The services were conducted by Rabbi Kohnstien, and the guest speaker of the evening was Leroy Z. Brown, an executive officer of the Boy Scouts of America. Mr. Brown, who has been affiliated with the Boy Scout Movement for 28 years stressed how important it is for the parents of the Boy Scouts to display an eager and helpful interest in their children's scouting activities.

Boy Scout Craig Karpel officiated in the Cantorial role and led the congregation in chanting the various hymns.

The Oneg Shabat was sponsored by the Scout Mother's Club in honor of Boy Scout Week. Sheila Winokur, past chairman of the scout mothers club, made the presentation of equipment to Troop 129 from funds raised by the mother's club.

### League Elects

A general meeting of the Jericho Little League will take place at the Robert Seaman School on Tuesday evening, Feb 25, at 8:30 PM.

The foremost item on the agenda will be the election of Officers and Board of Directors.

According to the present administration, a large turnout is a must. They urge each and every parent of a Little Leaguer and a Babe Ruth Leaguer to attend this very important meeting. They state that only by a large attendance can it be determined whether there is sufficient interest to continue with the Little League.

BARBARA LOMINICKI

Mr. and Mrs. William Lominicki, 19 Burns Ave., Hicksville, announce the engagement of their daughter, Barbara Ann, to Eugene Benjamin Perino, son of Mr. and Mrs. Francis Perino, 41 Bayview Ave., East Islip.

Miss Lominicki attended St. Dominic's High School in Oyster Bay and majored in advertising at the LI Agricultural and Technical Institute in Farmingdale. She is presently employed in the Merchandising Dept.

## Founder's Day For East Street.

Founder's Day, was celebrated by the East St. School PTA of Hicksville at its regular meeting on Thursday evening, Feb. 13. Mrs. Vincent Hoosack, president, presided at the meeting. As there was no quorum present, the business meeting of the group had to be dispensed with.

Mrs. Stanley C. Raethle of Levittown, an official of the Nassau Council of PTA was present and gave a very enjoyable skit on the origin of the PTA and presented her ideas with old fashioned hats. Past presidents and East St. life members of the PTA were honored. Mrs. John Pierce and Mrs. Andrew Schaeffer of Hicksville were made life members.

The next executive meeting of the group will be held on Monday, Feb. 24, at the school cafeteria.

of the Chemstrand Corp., New York City.

Mr. Perino graduated from East Islip High School and has completed two years in the Marine Corps. He is presently attending Evening School and is employed by the Cauldwell-Wingate Co. of New York City. A Fall wedding is planned. The couple were Guests of Honor at a party given for them by her parents on Feb. 9. Approximately 60 relatives and friends were present.

**GIFTS FOR EVERY MEMBER**

**FULL INTEREST**

In cooperation with Captain Kangaroo of CBS television fame, we are initiating a completely new thrift incentive program for young people. Every child who starts a savings account at Meadow Brook with an opening deposit of \$2.00 or more is eligible for membership in the "Captain Kangaroo Treasure House Savings Club." As a member of the Club, the youngster receives a Captain Kangaroo badge, ring, book and other gifts. Regular correspondence from Captain Kangaroo will help to continue the habit of thrift among the young club members.

The outstanding advantages of this Treasure House account plan are that every balance of \$1.00 or more will be credited with interest at regular intervals, and, following the opening deposit, any amount of five cents or more will be accepted for deposit.

\* Captain Kangaroo appears on CBS television (Channel 2) each weekday from 8 A.M. to 8:45 A.M., and on Saturdays from 9:30 A.M. to 10:30 A.M.

## Umpire School Starts Mar 3

MAIDEN, N.C. -- With a high percentage record for placements in past years, the 12th annual Carolina's Baseball & Umpires School is scheduled to open at the nearby Newton baseball park on March 3 for Umpires training and on March 10 for baseball player trainees, according to Henry Uffmann of 26 East Ave., Hicksville, N.Y., representative.

Business manager John (Red) Sherrill, veteran baseball man, said former major league catcher Aaron "Robbie" Robinson will again be the chief instructor for the five weeks sessions, assisted by a staff of well known players and umpires. Sherrill declared the school has always placed every qualified umpire who trained as well as a very high percentage of the ball player students.

Ex-major leaguers Jim Poole and Jake Early will be among the instructors, assisted by veterans Hank Feimster, Paul Jarrett, Lee Laney, Joe Abernethy, Eddie Yount, Red Mincey, Bill Barkley, Don Stafford and John Isaac, all experienced baseball men.

Students from many states and foreign countries are graduates of the Carolinas school, which is scouted each season by many major and minor league clubs. A majority of players and umpires in the independent school have been signed to pro baseball contracts each season.

Inter-squad games will be played daily, as well as college, semi-

## Great Success

The "Getting to Know You" program presented by the students of the Hicksville Jr. High School was a great success with several hundred people attending. Several different countries were represented in dances, after which the Boy Scouts and the Girl Scouts offered a prayer and the chorus sang many beautiful songs. Refreshments were served afterward and it was an evening enjoyed by everyone who attended.

pro and minor league clubs training in this area, to give players and umpires game experience. Players may enroll for the five-week session or on a weekly basis as desired.

Well-known minor league arbiters Bob Chisholm, Dick Williams, Tom Clark, Hank Feimster, Emile Cote, Lamar Laney and Sherrill compose the umpire-training staff. Eighty-five percent of trainees last year were placed in organized baseball, and graduates hold positions in Class O to Class AAA.

**GUESTS AT MEETINGS** of the Hicksville Rotary Club are presented with a handsome plaque of the Rotary Four-Way Test. The four simple questions have been widely publicized by Rotary International. They have been translated into many languages. Four-Way Test posters are displayed prominently on the streets of Bombay, in Japanese railway stations, and in the offices and plants of countless business and professional men throughout the world. A typical presentation was made recently by the Hicksville Club (above). Left to right are William A. Payoski, Club president; Jules Mirel, program chairman; and guest speaker Fred J. Noeth editor and publisher of the Mid Island Herald.

## ROTARY CELEBRATES ITS 53 YEARS

This Sunday, Feb 23rd marks the 53rd anniversary of the founding of Rotary International.

Fifty three years ago in Chicago the first Rotary meeting was held. Today there is a World Neighborhood of Rotary with Clubs in 96 countries and territories. There are more than 9500 Rotary Clubs in the World. The membership of the average club is slightly less than 50, their combined total is more than 500,000 Rotarians.

The adoption of the name "Rotary" is generally attributed to the plan followed in the beginning of holding the club meetings in rotation at the different members' place of business, but there were probably other reasons.

In Hicksville, the Rotary club is young in years -- in comparison with the history of the organization -- but old in service. Individual residents of Hicksville have been members of Rotary for many years. The Hicksville Club was chartered eight years ago and has become a vital part of the community life, closely identified with many worthwhile projects for the community good.

The Hicksville Rotary Club meets every Thursday at 12:15 at the Milleridge Inn in Jericho.
